Brannen wins with 253 majority

(Staff) — In a sweeping victory, James Brannen outpolled Nelson LaPrade by a margin of over two-to-one to win the reeveship of the village of Chesterville in Monday's municipal election.

Mr. Brannen received 465 votes to Mr. LaPrade's 212.

Poll results anxiously anticipated

Reeve Keith Graham reads out the results of poll one Monday night to an interested audience of candidates, scrutineers and onlookers. Poll one, the larger of the two village polls, took until almost 11:30pm to count and re-affirmed the results of poll two, announced earlier that night. Keeping track of the reeve's figures are, right, successful candidate Bert VanKessel, and standing from left, Angelo Suffoletta, Frank Arnold and Al Kennedy.

In one of the heaviest voter turnouts in most residents' memory, village electors chose two incumbents to serve another term on Council and added two newcomers from a field of seven to round out the slate for 1977-78.

Again leading the pack was postmaster Stuart Allan, who topped the polls with 451 votes, 90 ahead of second-place finisher Mac LaSalle.

Only nine votes separated the second-, third- and fourth-place finishers and the margin of defeat for the fifth-place finisher was only 12 votes.

Mr. LaSalle nailed down second with 361, edging the 1974 second-place finisher, incumbent Garnet Droppo, by four votes. Getting the fourth and final seat was Bert VanKessel, whose door-to-door campaign paid off with 352 votes.

Earl Cross missed by 12 votes, getting 340.

The four elected candidates and Mr. Cross finished in a bunch, well ahead of the rest of the field.

James Cook was in sixth position with 191 votes; Mike Dean was next with 137; Silas Curran took eighth with 91 and Gabriel Martel finished last with only 29 votes.

The large number of voters - over 70 per cent of the village's 985 eligible electors - jammed the Community Hall all day Monday and kept poll clerks, scrutineers and candidates waiting until well into the night before the final tally was announced.

Poll two, the smaller of the village's two polls, was the first to report and it wasn't until well past 11pm that poll one's results were handed to returning officer Lloyd Graham.

Even though the larger poll was late in reporting, the trend was evident when poll one reported as all the eventually-elected candidates built up leads that couldn't be overcome.

Mr. Brannen jumped into an early lead, almost tripling Mr. LaPrade, 153-58.

Mr. Allan took the pole position with 139, followed by Mr. Droppo with 115, Mr. LaSalle with 107 and Mr. VanKessel with 100. It was nip and tuck then between Mr. VanKessel and Mr. Cross, with Mr. VanKessel leading by only eight but he held onto his lead to take the fourth seat.

In school board elections, Chesterville resident and SD&G County Board of Education incumbent trustee Lorne Thompson swamped Walter Shadbolt, Reeve of Winchester, 415-74, and SD&G separate school trustee Sarsfield O'Connor beat Alphonse Lafrance 143-23.

Although this is Mr. Brannen's third term as reeve, it marks the first time he has been elected to the position. He was acclaimed to two terms in the late 1960s but was defeated at the polls by Keith Graham in 1970.

He made good his comeback this year, though, winning handily in both polls and in the advance poll.

Mr. LaPrade was making his first stab at the reeveship. He was first elected to Council in 1974, coming third in a five-way race, and was the first man this year to announce his intention of running for the village's top elected post.

He read the results correctly after the first poll reported Monday night and in effect conceded victory to Mr. Brannen by not waiting for the second poll's results to come in.

Following the announcement of his victory, Mr. Brannen said only that he wished to thank the voters of Chesterville for coming out in such large numbers and for putting their trust in him.

He congratulated Mr. LaPrade for a good campaign and when asked if he had any projects in mind for Chesterville, said he wanted to get back into the stream of things before making any announcements.

Link upsets MacNabb

MAPLE RIDGE (Staff) - The wait to be called Reeve of Winchester Township is finally over for Delbert Link as he collected an 81 vote majority to beat out Cecil MacNabb, reeve since 1961.

Mr. Link, Deputy Reeve for the past seven years and councillor the four previous years, captured five of the seven polls in the Township to beat Mr. MacNabb 639-558.

Mr. Link moved into the lead after the first poll but had it slip from his grasp when the Morewood poll, the largest in the municipality and Mr. MacNabb's home poll, reported.

After the first three polls, Mr. Link held a 268-154 margin but the large Morewood poll turned the picture around as Mr. MacNabb easily won 271-50.

That moved Mr. MacNabb into the lead by 107 votes, 425-318. But it left two polls in the southern part and one from the northern part yet to report. Mr. Link lives at Cass Bridge (southern) and Mr. MacNabb is a Morewood resident (northern).

Mr. Link handily won the second and third poll to erase Mr. MacNabb's lead.

Early indications set the trend in the race for the three Council seats as incumbents James Sullivan and Roland Cayer moved into the lead, leaving newcomers Claude Cousineau and Albert St. Pierre to fight it out for the final seat.

Mr. Sullivan, a member of Council since 1968, was the poll horse with 808 votes and Mr. Cayer was a distant runner-up with 662.

Albert St. Pierre, an Ormond area farmer making his second attempt to get on Council, polled 604 votes, 46 more than newcomer Mr. Cousineau with 558 votes.

Mr. Sullivan won all but two polls. Mr. St. Pierre and Mr. Cayer ran one-two in their home Ormond area poll and Mr. Cousineau topped his home Morewood poll.

Acclaimed Deputy Reeve Gerald Holmes will round out the Council. He has served as councillor for the past four years and at one time was reeve of the township.

As the incumbent, Mr. Holmes was defeated at the polls for the reeveship by Mr. MacNabb in 1961.

On a referendum to go "wet" or stay "dry", the township electorate voted 71 per cent in favor of the question "Are you in favor of the sale of wine, spirits and beer under a dining lounge licenced premises where food is available?"

The vote was 809-335 in favor with all of the polls voting "wet". A 60 per cent majority was required.

The same question was asked in 1971 with the "yes" vote barely topping the 51 per cent mark.

Veteran SD&G County Board of Education trustee Lorne Thompson, Chesterville, almost doubled Winchester Reeve Walter Shadbolt.

Mr. Thompson defeated his challenger in each of the three municipalities, Winchester and Chesterville villages ad Winchester Township, to win 1535-803.

Mr. Thompson won Winchester village 510-352, Chesterville village 415-74 and Winchester Township 610-377.

Challenger Alphonse Lafrance beat incumbent Sarsfield O'Connor 124-92 in the township in the race for the trusteeship on the SD&G Separate Board of Education.

Sabourin leads way in Roxborough Twp.

MOOSE CREEK (Staff) - Gilles Sabourin captured his three local polls to lead the way in the four-way race for three Roxborough Township Council seats.

Mr. Sabourin, a Cornwall teacher and resident of Moose Creek, topped the township's seven polls with 425 votes. Bill MacMillan, Avonmore, was second with 349, Ray Alguire had 312 and Howard Prodonick had 297.

The four candidates were all making their first attempt to secure a Council seat. Joining the top three vote getters will be Deputy Reeve Garnet "Hank" Robertson and Reeve George A. Crites, both acclaimed.

Forgues tops township polls, MacKenzie third

BERWICK (Staff) - Results from the north end of the township determined the election and order of standing as a heavy turnout in the Crysler split poll vaulted incumbent Aurele Forgues into a first-place finish and gave another Crysler area resident, newcomer Donald Shane, second place in Monday's Council election.

The third spot on Council was captured by the first-place finisher in 1974, Ralph MacKenzie.

Adam MacQueen, the second challenger, failed in his bid for election even though he started off in second place in his home poll in Berwick.

Mr. Forgues, who finished third in 1974, topped the polls with 513 votes, followed by Mr. Shane with 482. Mr. MacKenzie had 413 and Mr. MacQueen 252.

Mr. Forgues trailed the field when the Berwick poll reported first and was still in last place when poll one, in the southern end of the township, came in.

However, when results from the north end reported, he vaulted into first place, taking 416 of his total 513 votes from the Crysler split poll. He got 182 in Three-A and 234 in Three-B.

Mr. Shane was running third as the first two polls reported but by getting 299 of his total 482 votes in poll three, he assured himself a second place finish and a seat on Council and dropped Mr. MacKenzie into third spot.

Mr. Shane received 128 votes in Three-A and 171 in Three-B.

Mr. MacKenzie piled up a lead in the first two polls, getting 205 and 100 respectively, but he fared poorly in the north end. He received just 98 votes in the split poll to finish third out of four there.

The Crysler poll also served as a bonus for separate school challenger Alphonse Lafrance who got 259 of his 421 votes in the township in that poll.

When the first poll reported Mr. Lafrance led 48-23 but saw his majoity cut when poll one gave incumbent Sarsifeld O'Connor 34 votes to his five. The Crysler area, where Mr. Lafrance lives, came through for him in a big way as he outpolled Mr. O'Connor 359-17.

He outpolled Mr. O'Connor across the township 421-74.

In the public school election, former Finch Township-Village-Osnabruck Township trustee Lloyd Markell built up a comfortable 210-126 lead over Leslie Wismer.

Mr. Markell was defeated in 1974 by John Schultz, who declined to run for another term.

The fact the reeveship and deputy reeve's post weren't up for election this year is blamed for the low voter turnout in the township.

The number of electors making it to the polls Monday was less than half that in 1974.

Reeve Johnson Ouderkirk and Deputy Reeve Hugh Shaver were both acclaimed to office this year.

Recount will settle Williamsburg results

WILLIAMSBURG (Staff) - Unlike the majority of Ontario municipalities where clear-cut decisions were posted in Monday's election, Williamsburg Township will have a recount.

Newcomer to the field Robert Gillard missed out on the third Council seat by a single vote to Gordon McNairn and was quick to say he would call for a recount.

Mr. McNairn, also a newcomer to municipal politics, polled Incumbent Councillor Graham Hess finished last in the five man race, only five votes behind Mr. Gillard.

The third newcomer in the race, Dwight Crowder topped the polls with 473 votes and incumbent Don Kyle was second with 448.

Township clerk-treasurer Keith Schell recalled Mr. Kyle edging Mrs. Sally McIntosh for the third council by one vote back in the 1960s.

He also explained Mr. Gillard has 14 days from Thursday to appeal for a recount of the ballots. He has to obtain legal advice and prove to a judge there is a legimate reason for the recount. He must also deposit a $100 bond.

In the race for the board of education seat vacated by Mrs. Joan Findlay, Bill Robson won handily over Dale Beckstead with an 814-645 count.

Beckstead won seven of the 11 polls, including the advance poll in Williamsburg Township

Santa ready for Saturday: Mrs. Claus

NORTH POLE (Staff) — "Oh, Mr. Claus has been so busy these last few days," she said as she turned from the stove where she was filling tiny little dishes with the evening meal.

"He always likes to go to Chesterville and visit 'his gnomes away from home' - that's what he calls those Chamber of Commerce members who help organize that lovely parade - and all the children who have been so good throughout the year," she said, winking only slightly.

In an exclusive interview with The Record, Mrs. Merry Claus, wife of this locality's best known resident, detailed the hustle and bustle around the workshop as the Kindly Old Gent prepared for his annual visit to cities, towns, villages and farms around the world. The Record arranged the interview to find out Santa's plans for his visit to Chesterville Saturday.

"Sometimes Santa worries about the pre-Christmas publicity - he thinks it might wear thin, you know - but every year after his round of parades, he comes back up here and can hardly wait to get Dasher and Dancer and the rest of them harnessed up and out on the 24th," Mrs. Claus said, portioning out eight helpings of sugar and hay.

"He was just talking to his Chief Elf in Chesterville, Rocky McMillan, and Rocky says this year's parade is going to be bigger and better than ever. Forty floats are already slated for the parade, which begins at Monast Lanes at 2pm. That's bigger than last year.

"Santa says that's partly because the Chamber of Commerce is offering cash prizes for the three best floats. The first place display will get $75, second, $50, and third, $25. That'll buy a lot of reindeer feed.

"Judging will take place at Monast Lanes between 1:30 and 2pm so Rocky says those with floats should get them there early. Rev. L.M. Ferguson, Fr. John Appelman and Rev. Fred Reed will do the judging so you know there'll be no hanky-panky.

"Santa says he's glad they changed the route this year - he always likes a change - and looks forward to seeing everybody on Riverside Dr., before the parade goes out onto South St. East, then onto to Main St., across the bridge and onto Queen St. where he will travel to the arena to hand out Nestle Chocolate bars to all the little boys and girls."

Asked what else was different about the parade this year, Mrs. Claus said the Chamber of Commerce will have a public address system at the bank corner and all the floats and their sponsors will be announced as they pass by.

"Rocky said on the telephone the other day that although the Chamber couldn't get a band, it will have recorded Christmas music playing along the route and for the shut-ins who won't be lining the street to see the parade, Santa will visit them at their homes if they just call 448-2845 before hand."

Three incumbents lose in Morrisburg

MORRISBURG (Staff) - Three of five incumbents seeking re-election to positions on Morrisburg Village Council were defeated at the polls in Monday's municipal election.

Incumbent Councillors Fred Hill and Edwin Jones finished fifth and sixth respectively in their six-man race for three council seats while hydro commissioner John Thompson placed last in that five-man race for two seats.

Incumbent Councillor Albert Belanger finished second at the polls to newcomer Dr. Jerry Rosenquist who led all three regular polls with 541 votes.

Mr. Belanger collected 387 votes, Harland Veinotte 367, Roy G. Brister 300, Fred Hill 292 and Edwin Jones 219.

William Dillabough was acclaimed reeve and Carlton McInnis was acclaimed deputy reeve.

Newcomer John Allison was the poll horse in the race for the two hydro commission seats. He had 389 votes, incumbent Thomas Jones 318, Cameron Martel 278, Ronald Pilkington 235 and John Thompson 201.

Bill Robson, resident of the village, more than doubled Dale Beckstead, Williamsburg, in the race for the trusteeship to the SD&G County Board of Education.

Mr. Robson polled 483 votes to Mr. Beckstead's 204 to erase Mr. Beckstead's margin that he gained in Williamsburg Township.

Sarsfield O'Connor out-polled challenger Alphonse Lafrance 72-22 for the trusteeship to the SD&G County Separate Board of Education.

Markell edges Wismer

OSNABRUCK CTRE. (Staff) - Former SD&G County Board of Education member Lloyd Markell was returned as trustee of Osnabruck Township, Finch Township and Finch Village Monday, defeating former Osnabruck District High School teacher Leslie Wismer 1063-892.

Mr. Markell, a trustee until defeated by John Schultz in 1974, came first in all three of the municipalities to buildup a 171-vote plurality over his opponent.

He swept all three polls in Finch Township and took the advance poll to build up a 210-126 lead there and added to it in Finch Village, edging Mr. Wismer 111-87.

In Osnabruck Township, the home municipality of both men, the two split the polls.

Mr. Markell took the advance and polls one, four, five and eight with Mr. Wismer winning in polls two, Two-A, three, six and seven.

In Ingleside, where both men live, Mr. Wismer won both polls, two and Two-A, outpolling Mr. Markell 237-181.

Workman carries Winchester Village with big majority

WINCHESTER (Staff) - Winchester voters elected Ronald Workman to the village's deputy reeve post with a 333 vote majority over Mrs. Jarjorie Shadbolt.

Mr. Workman, co-owner of the Winchester Press, captured the advance poll and Monday's three regular polls, to win 610-277.

He won the advance poll by an 18-7 count and claimed the other polls 184-106, 212-82 and 196-82.

Mr. Workman will join acclaimed Reeve Dr. Lawrence Gray and acclaimed Councillors Robert Carkner, James Helmer and Melvin Vice on Council.

Winchester Reeve Walter Shadbolt stepped out of the village's municipal race to challenge Lorne Thompson for the trusteeship of Winchester Village-Township and Chesterville on the SD&G County Board of Education and was handily beaten in his home village.

Mr. Thompson polled 519 votes compared to Mr. Shadbolt's 352.

Mr. Shadbolt won the advance poll by a 15-10 margin but lost all three regular polls. Mr. Thompson claimed them 164-129, 198-90 and 147-118.

Incumbent trustee to the SD&G County Separate Baord of Education Sarsfield O'Connor lost his seat to challenger Alphonse Lafrance, Crysler, but won the village 10-1.

Crysler man dies suddenly in NY State

Andre Meilleur, a resident of Crysler for the past two-and-a-half years, died suddenly in Brushton, NY, Sat., Nov. 27. Mr. Meilleur, 65 and a retired farmer, was a native of St. Albert and resided at Embrun prior to moving to Crysler.

Mr. Meilleur was born the son of Telesphore and Diana (Clement) Meilleur at St. Albert and received his education there. He married the former Delima Vanier, who survives.

Besides his wife, he is survived by two sons, Rheal, Ingleside, and Rene, St. Catharines, and by three daughters, Denise, Brushton, Monique, Metcalfe, and Yvette, Embrun.

He was a parishioner of Notre Dame de la Rosaire Roman Catholic Church, Crysler, and was a member of Crysler's Club 60.

Requiem mass was celebrated by Fr. Roger Desrosiers from Notre Dame at 11am Wed., Dec. 1. Interment was at the parish cemetery.

Pallbearers were nephews Alcide Pomainville, Fernand Vanier, Cluade Bissonnette, Marcel Leduc, Ronald Bourdeau and Gerald Vanier.

and held a 441-331 lead before the Morrisburg results were heard from.

Robson, a Morrisburg resident cleaned up in his home ground beating Beckstead 483-204.

Reeve John Whitteker was acclaimed for another term and Deputy Reeve Glen Cunningham was also acclaimed after stepping up from a councillor position.

In the race for Council seats, Mr. Kyle led five polls and Mr. Crowder four. Mr. McNairn led in two and Mr. Gillard one.

In the race for the separate board of education trusteeship incumbent Sarsfield O'Connor held a 38-8 margin.

The coal bill for fuelling Ontario Hydro's thermal stations soared by $71-million last year to $172-million.

Majority of 732

Thompson again

(Staff) - Lorne Thompson turned aside the challenge of Winchester Reeve Walter Shadbolt to hang onto the trusteeship for Chesterville, Winchester Township and Winchester Village he has held since the inception of the regional board of education in 1969.

Mr. Thompson did it in convincing fashion, almost doubling his opponent's total, 1535-803.

In winning re-election, Mr. Thompson, a school trustee for 32 years, ran up leads in all three municipalities.

He carried his home municipality, Chesterville, 415-74 and beat Mr. Shadbolt in his own backyard, 510-352. He ran up a 233-vote plurality in the township to run his majority to 732.

Recently retired from Nestle (Canada) Ltd., where he was employed as head electrician, Mr. Thompson has now faced election for the zone two trusteeship four times and has been successful on all four occasions. He was acclaimed to his last term.

Mr. Thompson has served as vice-chairman and as chairman of the SD&G board, in 1971 and 1972 respectively.

Winchester Village was the first municipality to report to board of education returning officer Glenn MacGregor, clerk-treasurer of Winchester Township, and the only question to be answered after those results came in was how big Mr. Thompson's plurality would be.

Winchester Township reported second and by then it was beyond doubt as Mr. Thompson had an insurmountable lead and still had his home municipality to report.

Mr. Shadbolt formerly ran a store here but Chesterville voters stuck with their favorite son candidate and delivered a 339-vote majority for Mr Thompson.

It was evident after Chesterville's first poll reported that Mr. Thompson would have no trouble carrying the village.

He outpolled Mr. Shadbolt 136-15 in poll two; 254-51 in poll one and 15-5 in the advance poll.

In Winchester Township, Mr. Shadbolt ran up slim majorities in three polls but had them wiped out when Morewood's results came in Mr. Thompson claimed 233 votes in Morewood to Mr. Shadbolt's 39.

Mr. Shadbolt won in the Summers' residence poll, poll four and in Ormond, as well as taking the advance vote 28-3.

In Winchester Village, Mr. Thompson took poll one 164-129; Two-A 198-90 and Two-B 147-118. Mr. Shadbolt won the advance poll 15-10.

Lafrance uses home base to unseat O'Connor

BERWICK (Staff) - Alphonse Lafrance won only two of 11 municipalities in the SD&G County Roman Catholic Board of Education's zone one but that was all he needed to unseat incumbent Sarsfield O'Connor in Monday's municipal voting.

Mr. Lafrance, an RR3 Crysler farmer, edged Mr. O'Connor 681-642 by grabbing an early lead in his native Finch Township and then hanging as the other municipalities reported through the course of the night.

Mr. Lafrance also won in Winchester Township but lost in Chesterville, Winchester Village, Finch Village, Iroquois, Morrisburg, Williamsburg Township, Matilda, Osnabruck and Mountain.

He made a concerted effort to get out the vote in Finch Township, particularly in the north end of the municipality in his home poll. That poll has the heaviest concentration of separate school supporters in the zone with about 30 per cent of its electors, and in it he eclipsed Mr. O'Connor 359 to 17.

Mr. O'Connor, trustee for the past six years and a resident of Chesterville, chipped away steadily at Mr. Lafrance's lead but couldn't overcome the support his adversary received in Finch Township.

Mr. Lafrance carried two of the three polls plus the advance poll in Finch Township to pave the way to his victory.

In poll one, at the front of the township, he lost, 34-5, but won in the Berwick poll, 48-23, and ran away with it in the Crysler polls, winning Three-A, 150-7, and Three-B, 209-10. He received nine votes to Mr. O'Connor's none in

Ouderkirk in, Workman out in Finch Village council race

FINCH (Staff) - Dalton Ouderkirk found the going a little easier the second time around as he polled 130 votes to win a seat on Finch Village Council in Monday's municipal election.

Mr. Ouderkirk improved his 1974 standing by 17 votes to take the fourth and last seat on village Council, four ahead of incumbent W.H. Workman, who ran fifth in the six-way race.

Mr. Ouderkirk lost out by one vote in 1974.

Barry Brownlee again headed the polls, winning another term on Council with 183 votes.

He was followed by Don Vollrath, who ran second, as he did in 1974, with 168 votes.

Gordon MacIntyre took the third seat, winning re-electon with 141 votes.

Another challenger, who failed for the second consecutive time to win a seat on Council, Archie Lang, trailed the field with 89 votes. Mr. Lang missed out in 1974 by only three votes but came up 41 short this time.

Mr Lang received one vote in the advance poll; Mr. Workman six; Mr. Vollrath 10; Mr. Ouderkirk eight; Mr. MacIntyre seven, and Mr. Brownlee 10.

Lloyd Markell had a clear edge in voting for the SD&G County Board of Education trusteeship for the village, getting 111 votes to Leslie Wismer's 87.

Sarsfield O'Connor edged his opponent in the SD&G separate school board election, Alphonse Lafrance, 12-10.

Voter turnout was slightly lower this year since the reeveship wasn't up for election. Reeve Lynden Hough was acclaimed to office for the 1977-78 term. He has been reeve of the village for 14 years.

TO MOREWOOD AND VICINITY RESIDENTS
THANK YOU
FOR YOUR SUPPORT

Now that our new recreation center has been officially opened, we would like to take this opportunity to express our thanks to all those who donated so generously by way of funds, and valued time. We greatly appreciate the excellent work done by the Morewood Fire Fighters Assoc. to help flood and clean our ice. Also our appreciation to the past members of the Morewood Recreation Assoc. who volunteered so unselfishly to help make this center a reality.

Outstanding dealership

Mr. and Mrs. Stuart Byers, Chesterville, receive recognition plaques at the recent Butler dealer sales meeting in Kitchener. Byers Farm Equipment was named Outstanding Materials Handling Dealer by the equipment manufacturing farm.

Ommission

Our apologies to Miss Lianne Mohns of Ingleside for not including a photo credit for her picture which appeared on the editorial page of last week's Record. A grade 13 student at Osnabruck District High School, Miss Mohns has been The Record's photographic correspondent in Ingleside since this summer.

Chesterville WI hears report on convention

(Special) - The topic for the November meeting of the Chesterville WI was "Caring and Sharing". Members and guests answered the roll call by bringing a wrapped gift for a shut-in.

In a letter, Miss Helen McKercher, who retired in October after 20 years as Director of the Home Economics Branch of the Ministry of Agriculture and Food, thanked the WI members for electing her to be their Honorary President and for the monetary gift.

Correspondence included a letter from the Dundas County Association for the Mentally Retarded and members voted to send a monetary donation as well as to the Eastern Counties Lung Association.

Reports were given by Mesdames J. Holmes, A. Shay, A. Graham, and M. Casselman who stated that more than $1,000 had been collected for the CNIB.

Mrs. Albert Smith gave a report on the 61st Annual Ottawa area Convention. A record 364 delegates attended. A highlight of the banquet was having the FWIC president bring greetings.

The secretary, who with Mrs Ed Forward led the recent 4-H Homemaking Club, stated that 10 girls had completed the club and at Achievement Day two girls had received County Honors.

Mrs. Forward also reported on her trip to the Royal Winter Fair through the courtesy of the Ministry of Agriculture and Food.

A questionnaire, regarding an area WI meeting place was reviewed and will be completed next meeting.

Olive Forward gave a humorous reading on "Instant", then introduced the guest of the evening, Harold Pemberton of Williamsburg who shared his slides of Hawaii which included scenes at Pearl Harbour, the hula show, world famous Waikiki Beach and the beautiful flowers. Mrs. G. Senn voiced appreciation.

The December meeting will be held at Mrs. C.A. Graham's Mon., Dec. 13. Conveners are Mrs. Dennis Wells and Mrs. Hilton Reid; members to bring penny round-up bags. A social hour was enjoyed.

Soil and Crop Ass'n. annual session tomorrow

WINCHESTER (Staff) — Award presentations and discussions on farm topics will dominate tomorrow's (Thursday's) annual meeting of the Dundas Soil and Crop Improvement Association at the Lions Hall for Senior Citizens, Mill St., here.

During the afternoon session of the day-long meeting, the county's Farmer of the Year presentation will be made and the Eastern Ontario Soil and Crop Improvement Association award of merit nominee will be announced.

The awards ceremony will take place immediately after the election of officers for 1977 and the acceptance of resolutions by the executive.

Following the awards there will be a panel discussion on haylage management chaired by Malcolm MacGregor. Taking part in the discussion will be Peter Scheepers of Winchester, Martin Verburg, Iroquois, Henry Geurkink, Brinston, and Martin Schneckenburger, Morrisburg.

The meeting gets underway at 10:30am with the official welcome, minutes of last year's meeting, and the reading of the financial report.

At 11am KCAT's Bob Jenkins will discuss the college's projects and the Inkerman plots which will be followed at 11:30am by soil and crop specialist John Schliehauf's presentation on county and Eastern Ontario projects and his comments on spring grain.

The morning session will wrap up at 11:45 with a question period on crop insurance, drainage and land serverances. Fielding questions will be Bill Mullin, Bob Kelly and Jack James.

Chesterville firm named top dealership

(Special) - Byers Farm Equipment, Chesterville, was named Outstanding Materials Handling Dealer at the annual Butler dealer sales meeting held recently at Kitchener.

Mr. and Mrs. Stuart Byers, representing the dealership, received recognition plaques for outstanding sales and service.

Awards were made at a recognition banquet for dealers and wives held on the first evening of the two-day meeting.

Dealers were commended for their record-breaking sales and were introduced to new products including the Convey-N-Feed cattle feeder, a manure-moving system operated by compressed air, and three major optional additions to the Butler V-II silage distributor-unloader.

Materials handling products for the farm market made by Butler Manufacturing Company, Fort Atkinson, Wisconsin, include silage distributors-unloaders, cattle feeders, barn cleaners, hot-dip galvanized barn equipment, and All-Season ventilation systems which can include evaporative cooling for hot weather comfort of livestock and poultry.

Dingwall Jersey named second in Canada

(Staff) — Wendybrook Successors Prime, owned by Floyd R. Dingwall, Berwick, was named second in Canada in the senior three-year-old class during September, according to the latest release of the Canadian Jersey Cattle Club.

Sired by Dazzlers Successor, who showed 574 lbs. butterfat for five per cent test and 175-159 Breed Class Average, Wendybrook gave 11,437 lbs. of milk in 305 days.

First in the class was Warwick Bush Bunny's Quality, 12,585 for 305, owned by J.A. Wright, Saanichton, BC. She was sired by Warwick Maggies Master, 615 at 4.89 per cent and a BCA of 180-160.

These were the highest three-year-old class records reported to the Canadian Jersey Cattle Club from the Record of Performance, Dairy Herd Improvement, and Dairy Herd Analysis Service.

Inside Ingleside

by Jean Jeacle

Neither my family nor my friends would ever invite me to come walking through the woods in winter. They all know that, after the first frost, the longest hike I make is from the house to the car...and even then I complain a lot.

As of last week, however, the news of my delicate nature had not reached the offices of the Ministry of Natural Resources. On Thursday, a smooth-talking stranger arrived at my door, said, "Come on, girl', and whisked me off to the new Hoople Creek Provincial Wildlife Area on County Rd. 12

I am still trying to figure out why I went - I have a sneaking suspicion that maybe it was because he called me "girl" - but I am very glad that I did. With the Ministry's **Bob Ramsbottom** as my enthusiastic and congenial guide, I tramped over fields and through woodlots on the 1.6-mile long trail, and never once did I need auxiliary oxygen. (The 1.6-m. figure is Bob's, not mine. My estimated would be MUCH higher.)

I found that the winter sun can be pleasantly warm and the winter winds surprisingly gentle. Even better, I found a place where I can have all the peace and quiet I want. When the noise level reaches unacceptable heights here, I know I can get out my woolies and go sit under a shag bark hickory tree. Nobody would ever think to look for me there.

BITS AND PIECES

— At the township hall, **Neil Shaver** was right in his election night predictions. I wonder if he has ever tried picking the horses.

— There were good company and good food waiting for the victorious reeve when he returned to the ninth concession late Monday night. Ingleside's **Rick Waldroff** remained outwardly calm but he grinned a lot as the election results came in.

— The **Brownsburg-Lachute Rotary Club** took away the top prize but all 12 teams shared in the fun at the Ingleside-Osnabruck Rotary Curling Club Bonspiel recently.

— I did not curl but I did sing at the party. The Rotary Club and the Maxville Curling Club are great hosts.

—**Andrew** and I spent one day last week wrapping Christmas presents. How is that for being on top of things, here "Inside Ingleside"?

— (P.S. A Record" susbscriber in Carleton Place has finished his vacation in hospital and has stopped flirting with the nurses - father!!!)

Waldroff turns back challenge

INGLESIDE (Special) - County Council has its new warden.

On Monday, Edwin Waldroff, the man in line for the job, was re-elected Reeve of Osnabruck Township, defeating former deputy reeve Stewart Hart 905-662.

The contest was a cliff hanger until about 11pm when the results from Newington were phoned into the township offices.

There, on his home ground, Mr. Waldroff outpolled Mr. Hart 255-51. It would have taken a landslide victory in the two Ingleside polls to give Mr. Hart the election but at 11:30pm the news came that the incumbent had a small but comfortable majority in both polls.

Clayton "Oscar" Ouderkirk, the only councilor running for re-election, was returned to office with 852 votes.

The two new members will be George Hehir, who led the polls for councillor, and Richard Waldroff, who ran up a total of 848. Lee Ward, the loser in the council race, polled 636.

Lloyd Markell, Ingleside resident and former school board member, is the new school trustee for Osnabruck and Finch. He out-polled Leslie Wismer 742 to 679.

Dissatisfaction with the choice of location, combined with insufficient information concerning costs caused Osnabruck residents to vote a resounding NO to the community centre question. The totals were 1078 NO and 477 yes.

Santa Claus parade

(Staff) — Santa Claus will make two area appearances on the weekend of December 18-19. He will be in Morewood for the Volunteer Fire Department's parade at 2pm Sat., Dec. 18 and in Newington the next day for the community's fire station parade at 2pm.

Dunbar euchre Monday

(Staff) — The Dunbar Recreation Association will be holding a euchre at the Community Centre at 8pm this Monday evening and if the attendance is encouraging they will be continued as a means of raising funds for the community centre.

If I had the wings of an angel...

There is nothing like the first heavy snowfall to bring out the rosey cheecked children and snowsuits so mother does not have to tend with wet clothes after a play in the new fallen snow. School yards are usually the first place to look for such enjoyment as the youngsters build snowmen, play fox and goose or just flop on the ground and wave their arms and legs to make snow angels. The Record went to St. Mary's School, Chesterville, last Thursday afternoon to catch Peter VanDelst, left, Julie Laroche, Teresa Brennan and Jason St. Pierre frolicing in the freshly fallen snow. - staff photo -

In Chesterville

Christmas store hours

(Staff) - Because Christmas and New Years Day fall on Saturdays this year, the Village of Chesterville has declared Mon., Dec. 27 and Mon., Jan. 3 as holidays. Most stores and businesses will be closed these days and most will swing into their extended hours for Christmas shoppers the week before December 25.

They will all close at 6pm Fri., Dec. 24.

Becker's will have its regular hours during the holiday season but will be closed Christmas Day and open New Years Day.

The LCBO will be closed Christmas Day, Mon., Dec. 27, New Years Day and Mon., Jan. 3 and the store will be staying open until 9pm Thurs., Dec. 23 instead of on Fri., Dec. 24.

Lorraine's Hairstyling will be closed Mondays as usual and will be open until 8pm Wed., Dec. 22, Thurs., Dec. 23, Wed., Dec. 29 and Thurs., Dec. 30. It will be closed Dec. 25, Jan. 1 and 3.

The McCloskey House will be closed from 6pm Fri., Dec. 24 to noon Mon., Dec. 27. The Chesterville Hotel hasn't set all its hours yet but will be closed Christmas Day and open December 27.

Abel's Cleaners will be closed on the statutory holidays and Dec. 27 as well.

The Chesterville Co-Op will not stay open past its normal 6pm closing time during Christmas week and will be closed on the two statutory as well as two municipal holidays.

The Milano Restaurant will e closed Christmas Day and will close at 6pm Christmas Eve.

Bogart Motors will be open from 8am-8pm as usual but will close at 5pm on Christmas Eve.

Nancy LaSalle's Beauty Salon will be closed Dec. 25, 26 and 27 and Mac's Barber Hairstyling Shop will be closed the same days.

The Bank of Nova Scotia will close at 3pm on Christmas Eve and New Years Eve and will be closed Mon., Dec. 27 and Mon., Jan. 3.

The Village Clerk's Office will be closed at 4:30pm Thurs., Dec 23 and re-open for business at 9am Tues., Dec. 28. It will also be closed Mon., Jan. 3.

The post office will be closed Dec. 25, 26,27 and 28 and Jan. 1, 2 and 3.

The Chesterville Record will close at noon Fri., Dec. 24 and re-open at 8am Tues., Dec. 28. The Record will also be closed Mon., Jan. 3. Because of the Monday village holiday and the Tuesday postal holiday, The Record will publish Thurs., Dec. 30 instead of Wed., Dec. 29 during the week between Christmas and New Years.

CGIT service Dec. 19

INGLESIDE (Special) - Throughout December Canadian Girls in Training will sing and celebrate the joy of Christmas in churches from coast to coast with a Vesper Service written by Elizabeth and Peter Moffat of Sanford, Manitoba.

Mr. and Mrs. Moffat bring to the service the theme of God's gift of love.

The CGIT Candlelight Vesper Service reminds us this year that wise men still seek Christ, and that God accepts us for what we are, not for what we own.

Offerings received at Vesper Services are the only regular source of income for the National CGIT Committee, which provides Bible Study, leadership and other resources for CGIT groups and camps from Bonavista to Vancouver Island.

There will be a CGIT service at Trinity United Church here Sun., Dec. 19.

A. MacGregor, Martintown, dies at age 78

Alpin A. MacGregor, Williamstown, died at his home here Fri., Nov. 26 after several years of failing health.

Born in Williamstown 78 years ago, Mr. MacGregor was the son of the late Angus and Christena MacGregor. He was educated locally and spent his lifetime farming in the area.

Mr. MacGregor was a member of St. Andrew's Presbyterian Church, Martintown.

He married Mora MacLeod, who survives.

Others left to mourn his passing are two daughters Christena (Mrs. John A. Dunbar), Finch, and Jean (Mrs. Earl Canham) Avonmore; two sons, Malcolm, Ottawa; and J. Alpin, at home; nine grandchildren, Brian, Brent and Catherine MacGregor, Murray, Laurie and Nancy Dunbar, and Glen, Randy and Dean Canham.

Mr. MacGregor was predeceased by one sister Jessie Kennedy, and one brother, John.

The body rested at the McArthur Bros. and MacNeil Funeral Home, Cornwall, where the funeral service was held on Sunday afternoon, November 28. It was conducted by his minister, Rev. Ross MacDonald.

Hymns sung were "What a Friend" and "The Lord's My Shepherd". Mrs. Innis MacGregor presided at the console.

Pallbearers were Lloyd MacGregor, Ian Kennedy, David Munro, D.A. Fraser, Robert Smith and Earl Sandilands.

Interment was at St. Andrew's Church Cemetery, Williamstown.

SPARKLE PLENTY

Sony's new 17" (measured diagonally) Trinitron Plus color TV has plenty of sparkle. Trinitron's exclusive one-gun, one-lens picture was great, but Trinitron Plus is even better. Even brighter. Even sharper.

Sony engineers found the way to improve the intensity and contrast of the picture (and at still lower power consumption).

Lights are lighter. Darks are darker. And there's a lot more to see in-between.

Come in and see Trinitron Plus. It's a sparkler. "It's a Sony."

EX, Sony's latest creation, is unlike any compact stereo you've ever experienced. It offers the features of a component system self-contained in a compact design. Like a fully automatic single play turntable. A magnetic cartridge with diamond stylus. With viscous-damped cueing. An automatic record size sensor for 12" and 7" records. A repeat play feature for one to three repeats—or to infinity. A pre-adjusted tonearm. A DC servo controlled belt-driven motor for speed stability and less noise. Plus a built-in FM stereo and FM-AM receiver. All this great sound brought to the peak of perfection through Sony's new Sensi-Bass Speakers. That deliver more bass and greater response than you might expect from a compact. Experience shows. Come in today and see it.

December - where winter's battle is won or lost

THE HYMN

It was the winter wild
While the Heaven-born child
  All meanly wrapped in the rude manger lies;
Nature in awe to him
Had doffed her gaudy trim,
  With her great Master so to sympathize;
It was no season then for her
To wanton with the sun, her lusty paramour.

Only with speeches fair
She woos the gentle air
  To hide her guilty front with innocent snow
And on her naked shame,
Pollute with sinful blame,
  The saintly veil of maiden white to throw,
Confounded that her Maker's eyes
Should look so near upon her foul deformities.

chesterville's past

FROM THE RECORD
THURS., DEC. 10, 1936

At 3:45pm London time today the momentous message of King Edward VIII renouncing irrevocably his rights and the rights of his successors to the throne of Great Britain was read in the House of Commons. When the House met, Premier Stanley Baldwin handed a document to the Speaker of the House, who read the message to the members present, in which King Edward expressed his wish to abdicate, feeling that he could not carry on to the satisfaction of his subjects and of himself. His signature was witnessed by his three brothers. He also expressed his desire that there would be no delay in the coronation of the Duke of York, which would give factions time to form and sides taken.

Wallace Gallinger was again returned reeve of Osnabruck Township, leading the poll with a total of 616, giving him a majority of 122 over his opponent, Oscar Eamon. The deputy reeveship when by acclamation to F.H. Johnston. The councillors are W.J. Campbell, Oliver Dixon and Oren J. Dunbar.

It will be with considerable regret that the citizens of Chesterville hear rumors that Reeve Casselman desires to with draw from municipal life in the village, giving as his reason the excessive worry and ever increasing responsibility of municipal office. During the past six years, Mr. Casselman has given without stint of his time and ability to the reeveship in an attempt to make Chesterville a better village in which to live as well as to engender civic pride.

On Monday, the Women's Institute Branch of the Department of Agriculture completed a class in the art of quiltmaking that has been held in the Institute Room in Chesterville with Miss E. Hopkins of the department as instructor. The class was attended by leaders from the branches of Stormont and Dundas Counties These leaders will hold classes in their own branches during the winter months and pass on to their local members the instruction they received. The object of the work is more beautiful quilts for the homes of Canada. Miss Helen Moad was the local leader with Mrs. Geo. Barkley as assistant.

The following were elected officers for the coming year for the Women's Missionary Society of Trinity United Church, Chesterville: president, Mrs. W.O. Dixon; first vice-president, Mrs. R.C. Tait; second vice-president, Mrs. I. Cross; third vice, Mrs. Geo. Reaburn; recording secretary, Mrs. W.N. Fulton; correspondence secretary, Mrs. J. Slosser; treasurer, Mrs. H. E. Wales; Christian stewardship and finance, Mrs. Wales, Mrs. C. Graham, and Mrs. I. Cross; temperance, Mrs. P. Allison; missionary monthly, Mrs. G. Barkley; press secretary, Mrs. Tait; Mission band, Mrs. Saucier, secretary of literature, Mrs. G.J. Hunt, pianist, Mrs. A.B. Clayton; assistant pianist, Mrs. Reaburn, auditors, Mrs. Hunt and Mrs. C.W. Casselman.

Milton Shaver was the lucky winner of the Afghan at the drawing sponsored by the Chesterville Girl Guides at their tea last Friday when Village Clerk Nash made the draw.

FROM THE RECORD
THURS., DEC. 12, 1946

John A. Bogart of Chesterville was elected reeve of Winchester Township in Monday's election, defeating the present reeve, Ernest R. Summers and Roy Annable, deputy-reeve. Interest in this year's election was keyed-up over the question of Large High School Areas - proposed by the United Counties and which Mr. Bogart definitely opposed in his campaign. Those who study campaigns say also that Mr. Bogart's election was assisted by the fact he represented the eastern end of the township while the other contestants split the vote in the west. This is Mr. Bogart's first excursion into municipal politics since he sat as reeve of the township 20 years ago.

Chesterville Branch 434 of the Canadian Legion is moving to new club rooms over the Record Office which will be ready for the next meeting on Wednesday, December 18th, as decided at the meeting last week.

Following a taste of winter weather which saw snow plows clearing drifted highways and skating on the Nation River, spell of weather bringing back memories of the past summer has been experienced here this week, luring honey bees from their hives and bringing pansies into bloom in the gardens.

Committees of Industrial Development and National Affairs will probably be set up by The Chesterville Chamber of Commerce following last Thursday night's meeting which appointed a fact finding committee to consider the details of the two groups, their findings to be reported at the January session. The Chamber decided to enter into the distribution of maps to the tourist trade by the Eastern Ontario Associated Boards of Trade and voted payment of $15 as the assessment. While it was felt the maps might not bring a great deal of tourist traffic to this centre, the fact that Chesterville appears distinctly marked on the 50,000-issue as a community sponsoring a Chamber of Commerce would prove good advertising in a business way.

A few days ago Mr. Bert Fulton of Maple Ridge was the guest of Rae Merkley of Dunbar in a flying trip from the Ottawa Flying Club's field. They were in the air about an hour and a half. After taking a look at the capital from the air, they came out and compared Chesterville and Winchester and went on to Dunbar. Rae has been taking a flying course from his neighbor, Dick Fawcett, at Dunbar, and at the Ottawa Flying Club's school in the city.

Reports of the convention held in Ottawa during October were given to the Chesterville Branch, Women's Institute, by Mrs. Harry Allison and Mrs. A.B. Clayton at the December meeting held in the Public Library last evening.

FROM THE RECORD
THURS., DEC. 13, 1956

Chesterville Legion held their dedication banquet Tuesday night here with Henry Harvey of Ottawa as the featured speaker. Well over a hundred Legionaires and guest enjoyed a fine turkey supper provided by the ladies of St. Andrew's Ladies Aid. The new Legion Hall is constructed on the site of the old covered rink at the northwest side of town. It is a decided asset to the community with modern appointments throughout. The exterior of the building is done in slate grey brick siding, the interior smoothly finished with plywood. Oil is used for heating and the kitchen is a completely modern unit equipped with dishes and silver to handle more than 150 guests.

Last Tuesday Chesterville Fire Brigade answered a fire call to the farm of Mrs. George Ouderkirk, a mile south of town. The call came in close to the supper hour and the drifted snow made it difficult to travel up the long lane to the farm house.

the farmer's wife

by wyn thompson

The temperature has dropped sharply these past few days and I feel winter is in business. We have had one real snowstorm and I noted that during a real storm, the snowflakes seem not to fall from the sky, but to be driven in horizontally. Early snow seems cool and pleasant while January snow feels arctic.

But in a queer sort of way, we Eastern Ontarions are proud of winter. We have had many hard winters, some easy ones, some almost arctic. However, I have never heard anyone complain about the weather. "Some storm," the shopkeeper may say, "but we have to expect it.".

"Real cold last night," says the mail man. "Went down to minus fifteen Celsius. It's the time of year to have it cold."

Even when it took our neighbor an hour to shovel out his car garage after one storm last year, he only said, "Lotta snow fell this time."

Cars stall, gas lines freeze, wires break sometimes. Roads drift deep with heavy snow. Branches split and crash down. But neighbors help one another and there is a good deal of bluffing as to whose thermometer falls to the lowest mark. Winter, the Farmer says, is a common denominator, as well as a challenge to Eastern Ontarion's staying power.

When I was growing up, I found winter exciting. It was often twenty below. Winter came to stay, it began early and ended late. But it meant skating on the village rink, cross-country skiing, and snowshoeing. It also meant sleigh-ride parties when the farmer's horses plodded along at their usual slow pace but with very lively freight.

We were young and innocent and unaware of the world's problems. We sang "When Irish Eyes are Smiling" and "The more we get Together" - and then we went to the church basement for baked beans and brown bread. Snow was tracked in, wraps melted on the varnished chairs and old pews, boys skidded on the hardwood floors, knocked the cupboard of hymnaries over. Girls giggled. The caretaker finishing his second plate of beans said. "No matter I'll pick up." He never received a penny extra.

And as the season turned toward Christmas, we were busy making gifts. We had a fierce dedication to Christmas. It was for us, a giving time. Midnight usually saw the gifts ready for the tree.

Almost everyone has a love of tradition. I note that those friends of ours who were raised without benefit of a traditional Christmas are the most dedicated when they have their own homes. And so the same angel goes on top of the tree each year. The tinsel is saved until there is nothing more to it.

I think it is a good idea for young people to begin traditions, for if they live too far away to get home for Christmas, they can still trim an evergreen, light a candle and hang the mistletoe over the doorway. Mentally, I think most of us retain a Currier and Ives feeling about Christmas, complete with cutters, fur lap robes, prancing horses, and grandfather cutting the tree from his own bush lot.

There should be carrot pudding and Christmas cake - both dark and light. And a golden turkey. This, in a way, is an inherited Christmas memory. But, of course, Christmas is a thing of the spirit and can be celebrated anywhere and in any way, if the spirit is there.

Here in the country, we have no Santa Clauses on every corner. As a matter of fact, we have no corner. I feel there should be a statute prohibiting the flood-tide of Santas that make a mockery of good St. Nicholas. He should not be seen, on every block. He should be the one who comes down the chimney at night, mysterious and beautiful, while the hooves of his reindeer paw the snow-covered roof.

What child is ever going to delight in this event when he has seen twelve Santas in tatty costumes in all the stores all day long? Santa does not have to make the long, tiresome journey from the North Pole at all, he can step out of the supermarket and go right down Main Street and there he is.

At the farm, we use spruce boughs from the bush lot to decorate the mantels and prop up a pine tree to decorate with the traditional ornaments that have come down the years with us. We do not spray with gold or silver. They are just green boughs, for it is the green of evergreen boughs that symbolizes immortality.

On Christmas Eve the boys and their wives come home. And of course, Sarah. This Christmas we anxiously await a brother or sister for Sarah. Meanwhile, Sarah enjoys Christmas immensely . . . especially the food.

One thing I am always glad of, and that is the end of the wrapping of gifts. I struggle with tissue paper that splits at the corners of packages, ribbons that wind up in balls, scotch tape that cling to my own fingers instead of the packages. How I admire the gifts that come to me with rosettes or ribbon, crisscross ties, and neatly tucked in ends. I hate to open them for they look so pretty.

On the subject of Christmas gifts, I feel they should be carefully planned to meet some special need. Sometimes, even a good cake pan is a fine gift. And a good pair of wool mittens for shovelling out the car in the morning can be very important. The thought is still pretty important, I believe.

We always think of Christmas as a time of snow and icicles hanging from the barn roof and snow all over the valley. However, I have a friend who lives in the tropics and she decorates a tiny palm tree and is merry and gay. So no matter where you are, it is still Christmas, if you are caught up in the spell of it. Christmas graces any sideboard and gives a new lift to our life as we hear once more the familiar carols, and we give thanks . . "O little town of Bethlehem, how still we see thee lie - Above they dark and dreamless streets the silent stars go by."

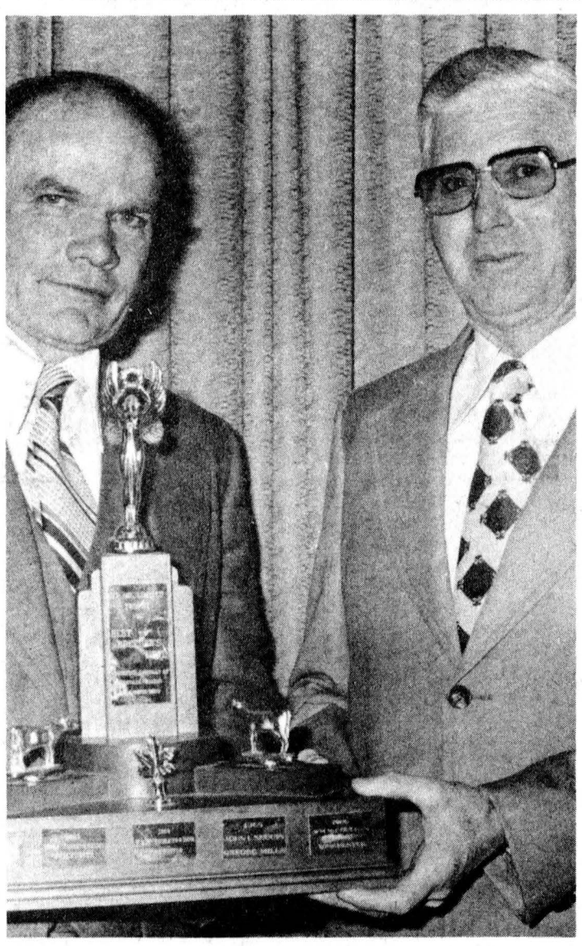
Grenville-Dundas Ayrshire Awards Night



Don Rose and family, RR1 Mountain, walked away with all the awards at Friday's Grenville-Dundas Ayrshire banquet held at the St. Paul's Presbyterian Church in Winchester, Father and children, Ken and Eileen, are seen in the top photo with all their awards following the banquet. On the left, Don is seen being presented with the Royal Bank Trophy from assistant manager Bill Playford as winner of the best uddered class at the Grenville-Dundas Red and White Show. On the right, he is receiving the B.P. Trophy from Hugh Edie as winner of the breeder's herd class at the same show. Recipients of 4-H awards were Ken Rose, left, Suzanne Rose, Eileen Rose, Jo-Ellen Barr and Randy Seguin. Absent when photo was taken were Peter Heusser and Herbert Langois. Mr. Rose also received three certificates - diamond for a cow producing 125,000 lbs. of milk and gold for cow producing 100,000 lbs. milk. He also had the high herd average with BCA milk- 144 and BCA fat- 141. The average was 142.5 with 11,378 pounds of milk and 458 pounds of butterfat. The average test was 4.03 per cent on 28 records. - staff photos -

SEAWAY VALLEY AMBULANCE SERVICE

Telephone: 543-2246

Box 1030
Morrisburg, Ontario

November 29, 1976

Dear Residents:

During the past two weeks we have received questions from various local residents pertaining to the future of ambulance services in this area. We understand that many of these questions may arise as a result of a recently published request by the Government of Ontario for proposals to operate ambulance service sites in the area. In view of this, we would like to acquaint you with the implications of the Government advertisement and the position of our Company on this matter.

1. Since 1973, sites in Winchester, Morrisburg and Prescott have been placed under the interim management of Seaway Valley Ambulance Service Ltd. This arrangement was established until such time as the Ministry of Health was in a position to call for proposals on what they deemed to be a viable service area.

2. In early 1976, the Ministry of Health, Ambulance Services Branch made a decision to form the core of a District Ambulance Service by calling for proposals to integrate the management for all sites at Winchester, Morrisburg, Prescott and Kemptville. A request for proposals in the common method employed throughout the Province in cases of this nature.

3. The Executive of Seaway Valley Ambulance Service met with the Ministry in June 1976 in order to discuss the subject of proposals. At that time, we were asked to indicate our position with relation to the decision for calling of the proposals.

4. After due considerations, we indicated to the Ministry that we were in favour of their decision as we felt that the competitive nature of the process would add to the effectiveness of service to be provided. Additionally, we felt that the process would add to stability of the long term operation.

Having reached a decision on the matter, our personnel were immediately informed. This was in order to eliminate the posibility of incorrect rumours as to their well being, which will frequently arise in such a situation and assist in maintaining a high level of morale which had been established.

Our Company will be introducing a proposal to operate the four sites as we do have a considerable investment at present and have developed a genuine interest in servicing area residents as a result of our current and past involvements. In approaching the development of our proposal, we are looking for maximum inputs from our personnel and are pursuing inputs from the personnel at Kemptville. These should assist in formulating a more appropriate program from a professional standpoint. Additionally, we are concerned about gaining inputs from the general public and any organizations which may have a working relationship with the Ambulance Service. A combination of these public and professional inputs should provide maximum insights for us as the proposal is developed.

We would like to clarify the following information as related to some aspects of the proposal we currently have in mind:

1. It is our intention to propose four operating sites in the Communities where they are presently located.

2. We will propose to maintain all personnel presently occupied within the program.

3. We will strive for maximum quality of care to be provided.

Ambulance Service is a critical public program. Therefore, we see a considerable requirement for public inputs as previously indicated if greatest success is to be achieved. In view of this, we sincerely request any constructive suggestions you may have. These should be directed to:

Ann Landers

Dear Ann: I received the following from the United States Post Office:

Dear Postal Customer:

Please accept our sincere apologies for this damage to your mail.

Although every effort is made to prevent incidents of this nature, occasionally damage will occur because of the great volume we handle and the mechanized equipment which must be utilized to assure fastest possible service.

We are constantly striving to improve our processing methods so that even a rare occurrence such as this can be eliminated.

Your mail is important to you and you have every right to expect it to be delivered in good condition. We hope this incident will not seriously inconvenience you.

Sincerely, Verl D. Koons, SC Manager-Postmaster, Santa Rosa, Cal.

Nice? Well - what am I supposed to do about this mutilated, completely illegible letter from our son who left home five months ago?

We've been out of our minds with worry and now that we've heard from him we don't know what he wrote because we cant't read it. What's worse, the return address is punched out by a machine and we can't write back. I am so frustrated and furious I could scream.

With the price of postage sky-high wouldn't you think they could do a better job with the mail? Please print this letter and suggest something to calm my nerves. I'm ready to explode. - **Mother In A Rage**

Dear Mother: I feel for you, dear. What a rotten piece of luck! Why couldn't they have mangled a piece of junk mail instead? Ever since automated equipment has taken over, when things go on the fritz they really mess up but good. (Before automation, PEOPLE made the mistakes.)

Let's hope every son who left home and wrote for the first time will see your letter and write again. It would be even better if every runaway son and daughter who hasn't written at all would do so now. Just think of how many happy hearts may result from your misfortune.

Dear Ann Landers: When I was mixing cake batter last evening, our 12-year-old daughter came into the kitchen and said, "Yummy."

I turned my back for a minute and she put her whole hand into the batter. I was angered by her piggishness and gave her a light tap on the wrist with the cake-tin. She yelled as if I had broken her arm. Her father cam rushing into the kitchen and chewed me out for "battering" the child.

He said all kids love cake batter and I had no right to hit her. Now, of course, I'M a beast and HE'S a saint. Will you comment, please? — **No Monster, Just Normal**

Dear Normal: Sure all kids love cake batter, but a 12-year-old should know about spoons. A sudden "reminder" such as you administered was perfectly O.K. And if you didn't tell her to use a spoon next time you should have.

Dear Ann: I'm trying to lose weight and need to know if certain facts are right or wrong. Are white, whole-wheat, and brown bread equally fattening? If the bread is toasted are there fewer calories? Are potatoes fattening? — **Hippy In Hamilton**

Dear Hib: One slice of white bread has 65 calories, whole wheat 57, dark brown 96. No difference in calorie count between toasted and untoasted bread. Potatoes are relatively non-fattening. It's what most people put ON the potatoes that adds the weight.

There is a big difference between cold and cool. Ann Landers shows you how to play it cool without freezing people out in her booklet, "Teen-Age Sex — Ten Ways to Cool It." Send 50 cents in coin and a long, self-addressed, stamped envelope to Ann Landers, P.O. Box 1400, Elgin, Ill. 60120.

His Grace Eugene Larocque, Bishop of the Diocese of Alexandria, and Fr. R. Desrosiers, parish priest, confirmed 32 candidates at a service at Notre Dame de la Rosaire, Crysler, Tues., Nov. 23. Farm Labor Pool makes holidays easier

(Special) - One of the major problems with farming today is the lack of adequate assistance in cases of emergencies and holidays, according to Pete Leyenaar, fieldman with the Farm Labor Pool, Chesterville.

Formerly, with larger families and more members of the family living at home or near home, there was always somebody to do the chores, whether milking, feeding, or cleaning, when the farmer was unable to do them. Today a farmer is often busy 365 days of the year, without a holiday unless he is laid out on his back, Mr. Leyenaar says.

The Canada Farm Labor Pools (CFLP) were established in 1974 in conjunction with Canada Manpower and Immigration to help meet the labor needs of farmers. Workers are referred to farmers based on their skills and experience and the job requirements, the fieldman states.

As in any industry, or with any job, a new person needs to be informed of responsibilities, how the work should be done or who to contact in case of difficulties or equipment break-down. The CFLP is prepared to reimburse the cost of orientation for up to four days in any one year for each worker a farmer employs. In this way, a farmer can familiarize the worker with his machinery, systems and routines and at the same time evaluate the worker.

Any farmer thinking of taking a holiday, going on a business trip or into hospital, should contact the Farm Labor Pool in Chesterville if there is farm work to be done. The CFLP's telephone number is 448-2311.

Township snowmobilers hope to get club on track

The Editor;

Anyone who has taken the time to study the Snowmobile Regulations for this province can't help but conclude that snowmobiling in Winchester Township, where a good and well organized club is non-existant, is almost impossible if one wishes to obey the law.

Every time we take our machines out, we usually end up trespassing since none of us have actually asked our neighbors for permission to use their land. We wrongfully assume they won't mind.

Because of the lack of trails, we travel the roads a great deal which is both illegal and dangerous. Of course, we can always "run the ditches" and hope we don't run into a pole, a guywire or a snowcovered culvert or other stubborn object. And, while we travel the roads, we do so at much higher speed than the permissable and safe limit just to make sure we won't get ticketed for being where we should not be.

Besides breaking the law, the local snowmobiler is losing out on many benefits a club can provide. Some of those benefits are proper training for young drivers, maintenance clinics, well organized and well marked trails.

A quick look at the township map will show that more than 100 miles of groomed trails can be available. I am convinced that, with the proper approach by an organized body, the farmers in this area would be glad to provide a path for snowmobilers. In giving their permission for the use of their land they could ensure that concientious drivers will not come barrelling through the barnyard at 1am, or any other time for that matter.

Our trails could easily be plotted to connect with those to the north, east and west thereby providing more than 500 miles of groomed trails accessible to anyone without ever trailering the machines. As a matter of fact, except this area and a few others, one can now snowmobile on marked and maintained trails from Windsor to Quebec City and beyond.

If snowmobiling is to survive in this area, we snowmobile enthusiasts should get together and form a club which will enable us to enjoy our sport to the fullest and make friends rather than enemies.

To this end, I have placed an ad in your paper hoping to get at least a reasonable response and get the ball rolling for this season. The club is not likely to achieve all of its aims this year but we can at least get started on marking trails which should be our primary objective.

Snowmobiling is good clean fun for the whole family. I hope that those who care about it will want to be part of a club whose aims will be to improve the sport and make it safe and enjoyable for all. Thank you.

Yours very truly,
J.L. Robert Larose,

Separate school board results

cont'd from page 3

the advance poll to build up a quick 350 vote majority.

Mr. O'Connor made his strongest showings in his home Chesterville, where he outpolled his opponent 143-23; in Morrisburg, winning 72-22; in Iroquois, winning 77-19; Williamsburg, 38-8, and Osnabruck, taking it 79-44.

Unfortunately for the incumbent, most of his support came in municipalities with marginal numbers of separate school voters.

He carried Winchester Village 10-1; Mountain 6-0; Matilda 39-9; Finch Village 12-10; Williamsburg 38-8 and lost in Winchester Township 124-92.

Mr. Lafrance based his campaign on a stronger voice for rural school supporters, saying early in the race that the rural ratepayer wasn't getting a square deal from the board of education. He said high rural taxes ended up subsidizing urban schools.

Mr. O'Connor ran on his record as a trustee representative of all SD&G setting as his main plank the new school he pushed for in Moose Creek.

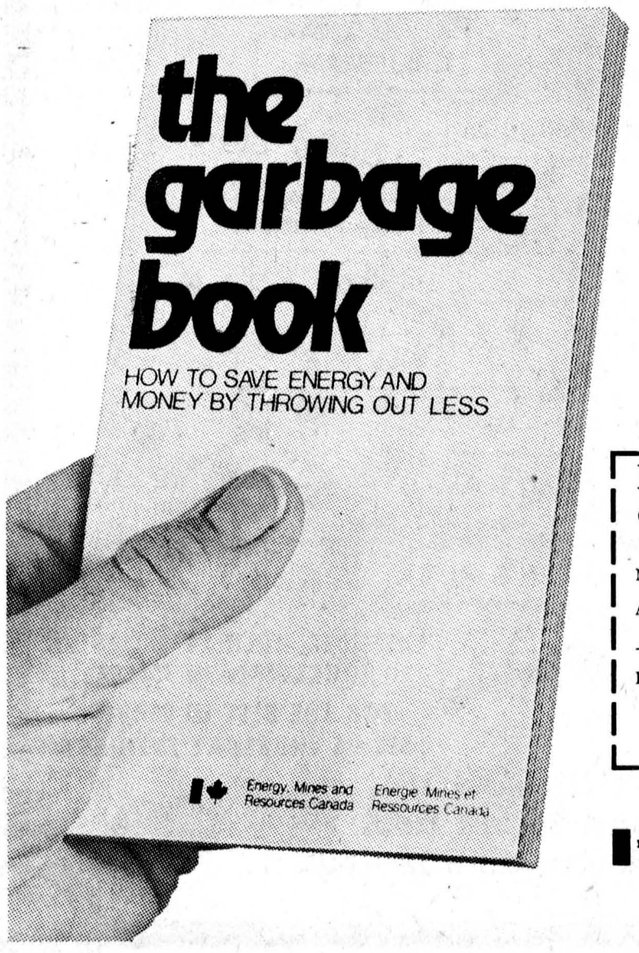
How to cut the high cost of garbage



Each one of us discards an average of 4 pounds of garbage a day — 1,500 pounds a year. **That's energy we're throwing away!**

By avoiding unnecessary products, and reusing and recycling the rest of them, we can save a tremendous amount of energy for Canada. And money for ourselves.

The Garbage Book shows you how to reduce your garbage. It's new and free. Separate chapters deal with packaging, consumer products, food waste, yard waste, composting and setting up a recycling program in your community.

Achievement Day ends fall 4-H project

SOUTH MOUNTAIN (Special) - Dundas West 4-H Homemaking Clubs concluded their current project, Dairy Fare, Saturday at Nationview Public School here.

Each member completed a Record Book as well as exhibiting a recipe file. The files contained a variety of recipes in such categories as desserts, main dishes, salads, and beverages.

One part of the afternoon program consisted of the presentation of several awards. Provincial Honors were awarded to Gisela Kerr, from the Hallville-Mountain Club, for successfully completing 12 4-H Homemaking Clubs. She received a pin and certificate for her work. Six County Honor Pins and certificates were awarded for having successfully completed six 4-H Homemaking Clubs. Recipients were Diane Ceelen, Hallville-Mountain, Ingrid Rhyndress and Rosy Winter, Hallville-Mountain, Susan Baker, Matilda Number One, Karen Beltman, Matilda Number Three and Anita Gilmer, South Mountain.

The second part of the afternoon program was the presentation of two exhibits, two skits and a demonstration. The exhibits were presented by, Matilda Number Two with Shirley Geurkink acting as commentator, and by Matilda Number Three with Cathy Thompson commenting. The demonstration was presented by Hallville-Mountain, with Diane Ceelen and Louise Simms demonstrating. The skits were performed by South Mountain and Matilda Number One, all members participated in each of these skits. The girls did a commendable job on their presentations, and the audience gained a further insight into the use of dairy products.

All members and leaders who completed the project were given a silver spoon upon conclusion of the Achievement Day.

Mrs. Alison Murray, Martintown, helped with the morning activities and commented on the skits, exhibits and demonstration.

Miss Mary Michels, OMAF County Home Economist, conducted the day's program. Upon concluding the day, she reminded the girls of the Spring Project - "Consider Your Clothes". In this project the girls will be making a blouse from knit or woven material. They will also be doing some wardrobe planning. All the present members were encouraged to attend and new members who have turned 12 by March 1, 1977, are especially welcome.

The 4-H pledge marked the closing of a successful day.

Trinity UCW holds Christmas meeting

(Special) - Trinity United Church Women held their afternoon meeting in the church dining-hall Thurs., Dec. 2.

President Mrs. Dalton Docksteader opened the meeting with prayer after which she welcomed all present.

Twenty-two ladies answered the roll call.

The general meeting will take the form of a potluck supper in the church hall Thurs., Dec. 9.

The program consisted of Christmas readings by six ladies: Mrs. Mansel Brownlee, Mrs. Alf Jarvis, Mrs. Sadie Droppo, Mrs. Dalton Docksteader, Mrs Duncan McIlheran and Mrs. Ed Shay. The readings were on hope, joy, salvation, guidance, praise, worship, love, light, freedom and life. Christmas carols accompanied the readings.

Offering was taken by Mrs. Edwin Shay and dedicated by Mrs. Mansel Brownlee.

The meeting closed with a hymn and prayer.

Lunch was served by Mrs. Brownlee's group.

Personal

Mrs. Muriel Carruthers and Mrs. Velma Senn motored to Bowmanville and spent last weekend guests of Mr. and Mrs. A.A. Merkley.

Honored after 50 years

Mrs. Leta Loverin, an active member of the Newington Branch of the Federated Women's Institute of Ontario for 50 years, was honored by branch members in a ceremony Wed., Nov. 24, with Mrs. William Pettit, left, president of Cedar Brae WI, and vice-president Mrs. Gerald Duvall, right, presenting her with an anniversary cake and silver spoon. Mrs. Loverin has held every office in the Newington branch and has also served as president of the Stormont District as well as a 4-H leader. She remains an active member of the branch and is now its secretary.

Agricultural problems subject of OFA offensive

(Staff) — Adopting a more aggressive stance at its annual meeting in Hamilton last week, the Ontario Federation of Agriculture opened a two-pronged attack aimed at making farm products reflect more clearly their input costs and giving the farmer another forum to defend the agricultural industry.

Both pincers in the OFA's attack were presented in the form of resolutions adopted by the general membership.

One, sponsored by the Oxford County branch, would counter labor and consumer groups' demands they appoint representatives to sit on the executive of farm marketing bodies by demanding that farmers sit on the executive of their organizations.

The other, sponsored by the Peterborough County branch, advocated the establishment of supply management principles and flexible marketing methods so that each branch of the agricultural business can price its products according to input costs and market conditions.

The Peterborough resolution rejects subsidies for farm products, saying they are a "form of welfare paid for by the taxpaying public" and "rob the farmer of his independence".

It claims most of the instability in agriculture is due to farmers' inability to price their products according to costs and to co-ordinate supply with demand.

Although they weren't all passed at the convention, 40 resolutions were discussed by the delegates, who decided the "gut issures", according to Dundas County delegate Mrs. Diane Harkin, were import-export policies, land use and income protection.

Mrs. Harkin said the land use question showed the "generation gap" in the OFA, with older farmers wanting to be able to sell their land to developers after they have retired, and younger farmers wanting strict controls since they can't compete with developers' prices.

The federation adopted a wait and see policy, deciding it would be more in its members interest to "play it cool" until public opinion is ready to accept land use controls as one means of protecting agriculture in this province.

As far as income protection was concerned, the federation adopted a flexible policy based on cost production which each commodity can accept or reject.

Methods and implementation of the policy will be left up to each commodity, to allay fears that farmers are "having something rammed down their throats".

Mrs. Harkin said small discussion groups were set up to debate the problems of agriculture and to establish the federation's priorities.

The over-riding concern to come out of these groups dealt with the inequities of present import-export policies.

The federation feels present tariffs, set up in 1929, are out-dated and new regulations need to be brought in by the federal government.

An example problems inherent in present policies was the importing of 23-million pounds of tomatoes from Taiwan this year. Mrs. Harkin said this created employment problems in Western Ontario's food packing industry this year and came at a time when the federal government was creating a fuss over Taiwan's admission to the Summer Olympics.

Import-export policies were the main theme of the speech of the federation's new president, Peter Hannam of Wellington County, who took over this year from Gordon Hill, OFA president for the past seven years.

Mr. Hannam said he is not looking for a closed border, just equality and justice for Ontario's farmers.

Reflecting his concern on the matter, the convention sent a telegram to Ottawa asking that immedate action be taken to set up a meeting with provincial governments to discuss the matter. The federal department of agriculture has already cancelled three such meetings with the Ontario ministry.

Adopting the convention's motto "Organize For Action", delegates also passed resolutions called for more discussion and involvement at the loal level; more communications, lobbying and pressure on politicians; increased communications with, and education of, farmers and consumers of the problems of agriculture, and an intensive promotional campaign to buy Canadian.

Farm tax workshop Wednesday

WINCHESTER (Staff) — You don't have to be a Philadelphia lawyer to understand the discussions at the Farm Tax Workshop, to be held in Winchester Lions Club Senior Citizens Hall, Wed., Dec. 15, according to the Dundas Soil and Crop Association.

The association is sponsoring the workshop, which will be led by county assistant AgRep Howard Giles and Jim McCullough, area co-ordinator and farm management specialist.

According to the soil and crop association, the workshop is designed for on-farm use. Money saving tips will be discussed as will new tax laws and how they affect the farmer.

Subjects for discussion include the Canada Pension Plan, Unemployment Insurance, investment tax credits, income averaging, workmen's compensation, registered retirement savings plans and Ontario gift tax and succession duties.

Full agenda for farm gatherings

Winchester (Staff) — Dundas County farmers have a busy couple of months ahead of them, judging from the agenda of the county Soil and Crop Improvement Association sent out to association members last week.

Starting off the month was the Dundas Holstein annual meeting last Wednesday; the Dundas-Grenville Ayshire banquet Friday night at Winchester Presbyterian Church and Saturday afternoon's annual meeting at the Manderly Golf Club of the Eastern Ontario Guernsey association.

The Dundas Soil and Crop Association's annual meeting will be held tomorrow morning and afternoon at the Lions Club Senior Citizens Hall in Winchester and the county Dairy Herd Improvement Association dinner and dance will be held at 7pm Saturday in South Mountain.

There will be a cow-calf conference in Toronto December 14 and 15 and a farm tax workshop, again at the Winchester Lions Senior Citizens Hall, next Wednesday. It gets underway at 1:15pm.

January 11 and 12 there will be a seminar on the role of the farm wife in agriculture at Kemptville College of Agricultural Technology. The Eastern Ontario Crops Day will be held January 18, although no location has yet been picked.

KCAT will again be the location of Dairy Day, to be held January 24, as it will February 17 when it hosts the Eastern Ontario Pork Conference.

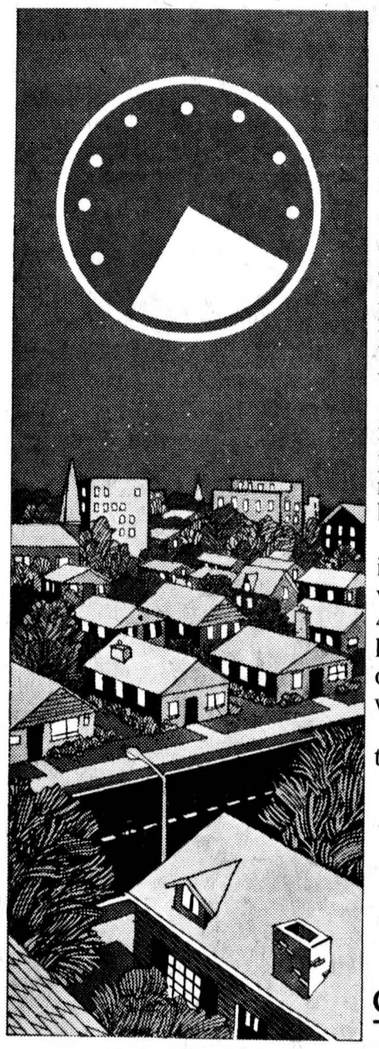
The most important time of all to save electricity.



The demand for electricity in Ontario reaches its peak early in the evening on cold winter weekdays.

Between 4 and 7, everyone's asking for electricity. Many factories, stores and offices are still open. Street lights are on. The kids are home from school, parents home from work, evening meals are being prepared. And the heating system has to work harder. It all adds up.

Demands for electricity have been increasing at a pace that can no longer be met. The rate of growth must be reduced.

You can help by avoiding the big jobs like baking, washing and drying between 4 and 7. Make sure that unused lights, TVs and appliances are off. Take it easy on the hot water.

Please do all you can to save electricity.

ODHS chocolate bar campaign raises $650

DALLAS BUCHAN

INGLESIDE (Special) - This year at ODHS the coach for the Midget Girls' Basketball Team was Mark Girard. Last Wednesday our girls competed in a tournament in Cornwall. The girls succeeded in entering the semi-finals, winning two games, but losing out to CCVS. It was CC who won the tournament. From our school Cathy Wert and Patsy Wylie also went to the tournament to help as referees.

Mr. Girard is also coaching this year's Midget Boys' Basketball Team whose tournament is soon coming up.

Last Tuesday our boys played against La Citadelle Basketball Teams. The Juniors lost 63-42, and our Seniors lost 103-64.

The players have now been picked for both senior and junior girls' volleyball teams. The tournaments are to begin sometime in January.

Our Chocolate Bar Campaign is now over and we made a profit of approximately $650. Sherry Legue was the top salesperson in the campaign, turning in approximately $210. She also won the draw for the five-pound chocolate bar.

Our next school dance will be on Saturday, December 18 from 8-11:30pm. The band "Wedge" will be playing with admission prices as $2.50 single and $4.50 for couples. This dance will be semi-formal with no blue jeans allowed.

More of Ossie's News next week.

IROQUOIS (Special) - The Theatre Arts 490 Class is planning a special persentation of the Dickens' classic, "A Christmas Carol" for the festive season.

It is a period piece reflecting life in London in the early 1800s.

As they are operating on a limited budget, class members would greatly appreciate any donations of old clothes. Particularly needed are women's fashions, especially long dresses and skirts which are of no further use to the owner. It is not necessary that they be in ideal condition, as they can be rebuilt.

Chateaux performed for the school dance November 19. Social Convener, Sharon Nugent, reported a $400 profit. The attendance was high, with approximately 400 people. Talking to many who went to the dance, the feeling was unanimous - the band was good.

Tuesday, November 16, Marketing 390 students set up a display for parents on metric conversion for shoppers. We would like to thank S & F Foods for contributing the packaged goods.

The Boys and Girls Athletic Societies have begun selling Hershey's chocolate coated almonds to raise funds for awards, equipment and expenses for their many activities.

MAPLE RIDGE (Special) - The time has approached once more for the Level Fives to be filling out university and college application forms.

Students are faced with a big decision as they choose their future, but their job is made easier with the help of our devoted guidance teachers, and a day such as Monday of this week. On Monday, approximately 50 Level Four and Five students attended University Day at La Citadelle High School in Cornwall.

Representatives from all Ontario universities were present to discuss their respective institutions and to answer any further questions the students might have had. All agreed that this was a day well spent.

Well, our Girls' Basketball Team left to play in the Ontario Championship Tournament in Sarnia this Wednesday. These girls have been very busy raising money to help finance their trip. All week pennies have been collected in each homeroom and a total of close to $300 has been raised.

Congratulations to our Girls' Midget Basketball team who participated in a tournament held at Glengarry District High School December 1. They played well and won two games before being defeated in the semi-final by a very close score.

Don't forget to attend the "Festival of Christmas Music" presented by our Junior and Senior Concert Bands. This Christmas program of music is to be held in our school auditorium at 8:15 Wed., Dec. 15. Price of admission is low, so please come out and attend this special annual event.

Attendance down; Jets' GM unhappy

(Staff) — Alan McMillan, manager of the Chesterville Jets of the North Stormont Long Sault Junior C Hockey League, is concerned about poor attendance at his team's home games.

Fan support at the team's five games to date has averaged slightly over 50, McMillan said Monday, and the team's financial picture looks "bleak" if interest in the team does not increase.

"As it stands right now, if things don't start to pick up, the team will be in serious financial trouble" he said.

Comparing this year's team to last year's ODHA Junior C champion edition, McMillan says "we've scored a lot more goals and we're playing cleaner hockey with less fights".

Costs to operate the club, like almost everything else, have gone up, he said, and the players may soon be asked to purchase their own sticks.

In five home games, the team has lost only once and they have outscored their opposition 35-14. On the road, they are two-and-two, outscoring the opposition 13-10.

Maxville is the best drawing team in the league with Char-Lan, Finch, Avonmore and Osnabruck Township showing low attendance figures.

The Jets have cut down on expenses by not buying as many sticks.

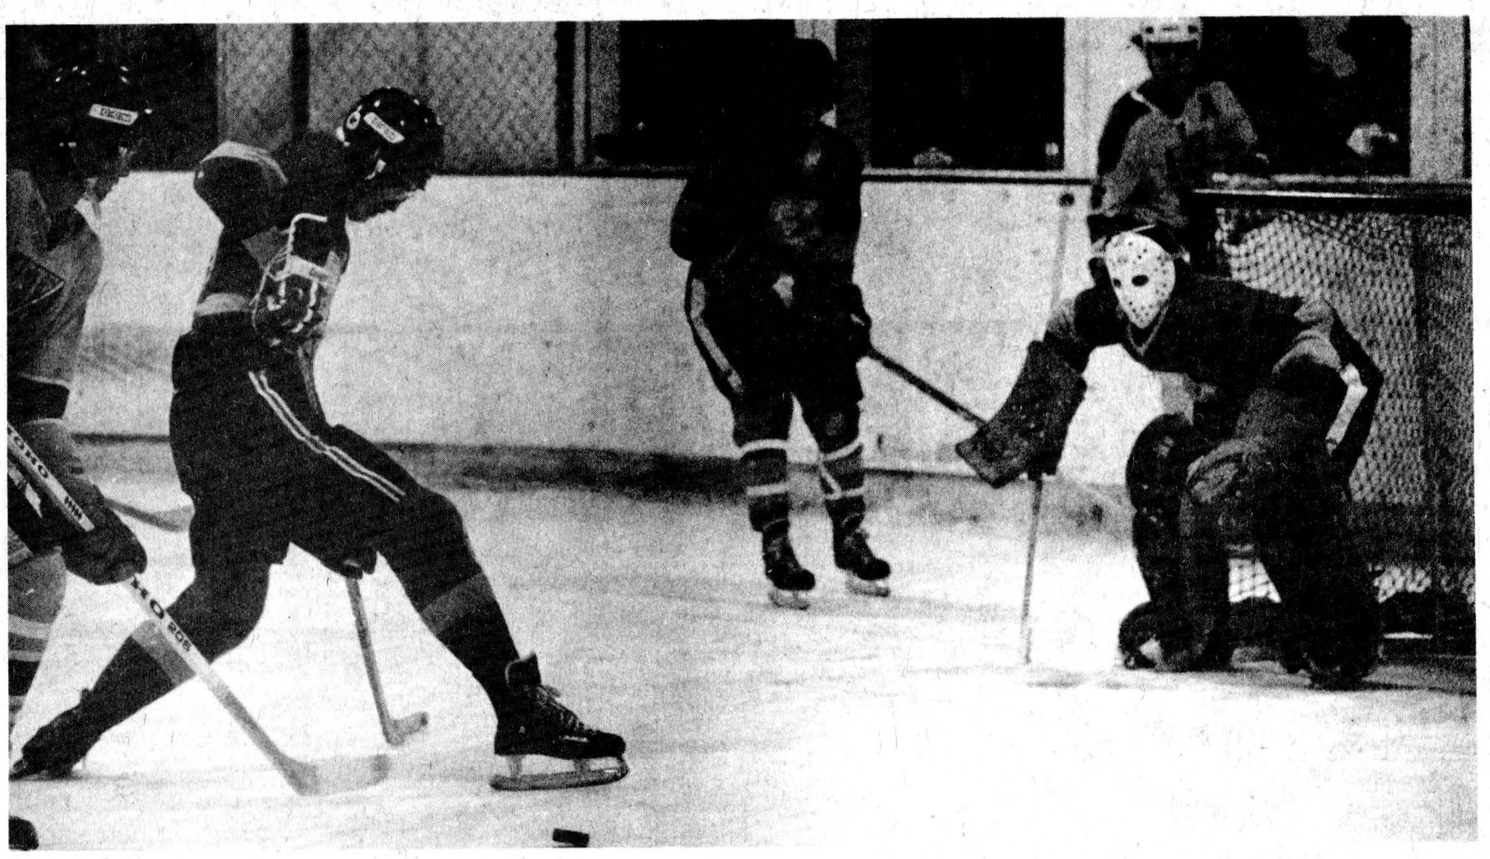
Ice rental fees and officiating fees have risen slightly but neither threatens to empty the team's coffers.

The team is self-supporting with bags and sweaters donated but no other money is coming in from sponsors.

Team officials are out this week collecting donations for a Christmas party this Sunday.

They report the "merchants are responding but the fans aren't".

Sunday's party is open to the public and it will be treated as a "Come and Meet the Jets" gathering. It starts at 3pm at the Chesterville Hotel with music, a buffet lunch and door prizes.



Almost, but not quite

Osnabruck Township's Paul Aubin had his eye on this pass in front of the net but just missed getting his toe on it as Chesterville's Kevin Smith closes in to pick it up. Osnabruck goaltender Clayton Ouderkirk has his eye on the pass. Clayton, who regularly plays a forward position, was pressed into the netminder chores for the NSLSJHL game here last Tuesday when only 10 players showed up for the contest against the Chesterville Jets. Chesterville won 6-2.

Finch 76s play 'scrooge', post three straight shutouts

(Staff) - A tightened up defence led by goaltender Jim Hume shot the Finch Township 76's into first place in the North Stormont, Long Sault Junior C Hockey League standings after last week's action.

The 76's jumped from third place to first place by virtue of three consecutive shutouts, 2-0 over Osnabruck Wednesday night, 3-0 over Char-Lan Thursday night and 3-0 over Chesterville Saturday night.

However the league standings listed below are unofficial with league president Larry Stevens uncertain of the final score of Sunday's schedule contest between Osnabruck Township and the Maxville Highlanders.

The league's leading scoring Dave Rumer padded his lead scoring four times raising his season total to 16 goals in 10 games. He holds a slight margin over Maxville's Robert Wheeler.

Jets 6, Osnabruck 2

A victory means two points in league standings even if it's as unimpressive as Chesterville's 6-2 win at home over Osnabruck Township last Tuesday night.

Osnabruck made it here in the snowy weather with only 10 players and no goaltender. Clayton Ouderkirk, a forward, donned the goalie pads and immediately it appeared to be a Jets' rout.

However, that was not so as Osnabruck put up a valiant battle and even carried the play to Chesterville for a major part of the game that was delayed in starting by 30 minutes.

Chesterville should have easily hit double figures on the scoreboard but the combination of Ouderkirk's play and the Jets' poor showing around the net held the margin down.

Kevin Smith and Neil Kittle gave Chesterville an early lead and Lyle Servage upped the margin to 3-0 before Steve Armstrong got Osnabruck on the board, beating netminder Steve Droppo with a high wrist shot.

Servage got his second goal of the game and sixth of the season on a powerplay with 44 seconds left in the opening frame.

Lorne Cook sent the Jets ahead even further on another powerplay effort midway through the second stanza.

Smith completed the Chesterville scoring in the final period and Paul Aubin got the other Osnabruck goal.

Osnabruck received two minor penalties and Chesterville was handed two minors and a highsticking major.

Finch 2, Osnabruck 0

Finch goaltender Jim Hume posted his first shutout of the season Wednesday night as his mates scored a pair of second half goals.

The victory kept the 76s in the close race for first place while the loss was Osnabruck's sixth in as many outings.

John MacNaughton got Finch's first goal and Don Rushford netted the insurance goal with 1:33 remaining in the game.

Officials called nine minors against the 76s and five minors and a major against Osnabruck.

Char-Lan 5, Aces 2

In the second game of last Wednesday's doubleheader at Finch, Char-Lan forward Mickey Wolfe had a hand in four of his team's five goals.

He set up the Rebels' first goal of the game and then capped off his performance by scoring their final three goals of the game.

Mike Tessier scored once and assisted on two other goals while Bob Julien contributed the other goal for the winners.

Morris Dusomos got Avonmore's first goal midway through the first half and Dave Bird netted the last goal with 44 seconds remaining in the game.

Char-Lan led 4-1 at the half. The loss was Avonmore's sixth straight while the win for Char-Lan raised them one game above the .500 mark.

Char-Lan received five of the game's 13 minor penalties. Avonmore's Mike Marsolais and Char-Lan's Bill McCrank earned fighting majors in the final minute of the game.

Finch 3, Char-Lan 0

Goaltender Jim Hume provided the bulk of the defence and centre Dave Rumer supplied all the offence the 76s needed Thursday in blanking the Char-Lan Rebels.

Hume posted his second shutout of the season and Rumer added to his point collection scoring all the goals.

He scored twice in the middle frame and completed the hat trick early in the third period.

The teams split 16 minor penalties.

Finch 3, Jets 0

Finch Township 76's netminder Jim Hume continued to play shutout hockey blanking Chesterville for his third "zero" of the week and in succession.

Ed Gove gave Finch the first period lead and Al MacDonnel adn Dave Rumer fired second period goals by Chesterville's Stephen Droppo.

The Jets received nine minor penalties and Finch had 10. Chesterville's John Elliott and Finch's Wayne Baker tangled late in the third period.

When it was over, Baker had two fighting majors while Elliott had a fighting major and a match misconduct.

Carleton Dundas hockey

Midgets only local team atop minor puck standings

(Staff) — Peter DeRooy's midget Flyers are the only Chesterville hockey team entered in the Carleton Dundas Minor Hockey League to head their respective division standings.

Statistics released by league statistician Marcel Lauzon show, as of Nov. 28, Chesterville had one first place team, two seconds and a fourth.

The midgets were unbeaten in four regular season games while the bantams and atoms each hold down the runner-up slot in their divisions and the peewees were tied for fourth place.

Nine local boys were also listed in the top scoring parades in their respective divisions.

In the atom division, Kelly Mitchell and David VanDelst were tied for third in the scoring, each with seven points. Kirk Barkley was further down the column with four points.

Peewee captain Kenny Shay was tied with two others, at five points, for fourth place in the scoring.

Winchester dominated the scoring stats in the bantam division with eight players leading the way. Curtis McMillan, Mike Beckstead and Marque Laflamme of Chesterville each had four points.

In the midget division, Pat Kelly led the way with 13 points while Marty Little and Jeff Derue tied for second place with three other players at six points.

Peewees win, lose, draw

(Special) - The Legion Pee-wees have had a slow start on the winning road but improvement in skills and a shake-up of lines has shown improvement in scores this week.

Two league games were hotly contested and proved the Carleton-Dundas League teams to be evenly matched. Chesterville and Russell battled to a 5-5 tie in Russell on Tues.

Russell opened the scoring, and led at the end of the first period while Chesterville evened the score at 3-3 at the end of the second.

Russell, captain, Ron Bouwhuis scored two unassisted goals while Paul Cochrane scored the last second period goal.

Chesterville's assistant captain Scott Richards scored twice, while captain Kenny Shay scored unassisted.

The final period was fast paced with Derek McLaren finding the net to put Russell back in the lead, only to lose it again on Kenny Shay's goal.

Determined to win, Kenny led his line again onto the scoreboard and with help from Peter VanKessel put Chesterville in the lead with only six minutes left. But Russell's Jim Pawuette was quick on the stick and scored unassisted into Chesterville's net.

The next night, Chesterville again played a league game, against league leading Greely and lost the game with only 38 seconds left.

Chesterville opened the scoring in the first period with Terry Barkley scoring.

Greely's captain, Brind 'Amor, the league's leading scorer, banged the puck home to end the period in a tie.

The second period moved Chesterville into the lead with Scott Richards scoring only to again have the score tied up by Hatherall. Then Kenny Shay scored, unassisted to put Chesterville ahead.

The third period belonged to Greely with two unanswered goals by their outstanding captain, put the game away in Greely's favour 4-3.

Brockville visited here Friday evening and renewed their friendly rivalry of last year. The newly shuffled lines paid off for Chesterville as they took to the ice for the first time in their new positions.

With one minute left in the first period, Terry Barkley took a pass from Scott Mitchell, and laid it on the stick of winger Scott Richards. The second period belonged to Chesterville as again Barkley and Richards combined, and Duff Mitchell scored from Billy Ganter, to give the Legion Pee Wee's a 3-0 lead.

The exciting final period saw Brockville get on the score sheet with Giles Lasdon scoring. Duff Mitchell answered back. The last goal of the game belonged to Brockville as Marshall shot past the Chesterville goalie. The final score of the contest was 4-2.

Countymen meet Osna. Township

FINCH (Staff) - Johnny Gove fired a hat trick here Sunday to pace the Stormont Countymen Oldtimers Hockey Team to a 6-6 tie with Stittsville.

Doug Cheney, Harry Fetterly and Clarence Adams each scored once for the Countymen.

The Countymen swing back into action at 8pm Saturday when they meet the Osnabruck Township Oldtimers in a grudge match at the Finch Community Arena.

A spaghetti feed for both teams will be held following the contest that has a lot of pride at stake.

Harlem Globetrotters appearing at Complex this Saturday night

CORNWALL (Staff) — The world famous Harlem Globetrotters basketball team will be performing against the New Jersey Reds at the Civic Complex here at 8pm Saturday.

Celebrating their 50th year of operation, the court jesters have brought tears of laughter to millions in 95 different countries.

Tickets for the game are on sale at Tip Top Sound, Cornwall Sports Centre, Carl's Smoke Shop and Marcel Raymond's all in Cornwall, for $4,40 and $5.50.

Tex Harrison, a veteran of 23 years with the "Sweet Georgia Brown" gang, explained at a press conference last Wednesday there are four major attractions rolled into one at the Globetrotter' game.

The Globetrotters put on the same show as they do in places like Madison Square Gardens and the Astrodome; they make you laugh, you see good basketball and "You're going to see basketball players do more with a ball than a monkey can do with a peanut".

The Globetrotters' season is nearing the halfway mark, starting in October and finishing in April. During that time they play over 160 basketball games in 160 venues.

Busy around the net

The Chesterville Bantam Flyers spotted North Franklin a 2-0 second period in an exhibition game played here last Wednesday before rallying with four unanswered goals in the final stanza to salvage a 4-4 tie. An unidentified Chesterville player is seen buzzing around the North Franklin cage during third period action. The North Franklin defenceman safely steered the loose puck to the side. - staff photo -

Morrisburg extends winning streak

MORRISBURG (Staff) — The Morrisburg Lions appear to have regained the form they had last year when they captured the ODHA Junior B hockey championship.

The Lions chalked up two more victories on the weekend, running their unbeaten string to six games, and increasing their hold on first place in the St. Lawrence division to six points over runner-up Winchester.

Morrisburg has tied together five consecutive wins and a tie. Their last defeat was 6-5 to Kemptville November 14.

On the weekend, they padded their first-place margin with a 6-3 win over the Prescott Saints Friday night and a 5-2 decision over the Brockville Tikis Sunday.

Meanwhile, Prescott dropped a pair of games, lengthening their winless string to five games while Winchester , Long Sault and Cardinal each split a pair of games.

On Friday night, the Lions got a pair of goals from Kevin Duvall and singles from Brian Moran, Bill Veley, Doug McNairn and Bob McNairn.

Allan Dalley scored twice for Prescott and Joe McFarlane contributed a single. The teams were tied 2-2 at the first break and Morrisburg led 5-3 going into the final period.

Prescott received seven of the game's 15 minor penalties and each team was handed a major.

On Sunday, five players contributed goals for the Lions. Bob McNairn, Kevin Mackler, Jeff Cassell, Doug Kennedy and Pete McIntosh all scored singles.

Rob Lawson and Nick Nooan scored for the Tikis.

Morrisburg outshot Brockville 29-22 as they led 2-1 after 20 minutes of play. They were tied 2-2 after two periods of action.

Brockville received nine minors and Morrisburg 10.

Penalties almost cost Winchester the game Friday night as Athens scored four of their six goals while enjoying a man advantage.

Mike Armstrong scored three times to lead the Hawks to victory in the fight-filled contest.

Greg Martin scored twice for the winners as singles went to Len McLean and Tim Beach. Larry Moore had three assists.

Bob Seed scored a pair for the Aeros as Rob Greenham, Chris Bresee, Brian Colford and Rick Merkley contributed singles.

Moore and Dwayne Perrin tangled in the second period and the Athens player received a game misconduct for being the agressor.

Midway through the final stanza, six players were ejected with three fights breaking out at the same time. Sent to the showers early were Shane Jordan, Len McLean and Dave Richards of Winchester and Dick Mitchell, Greg Judson and Brian Colford of Athens.

Aside from the majors, Athens had five minors and Winchester eight. The Hawks held 3-1 and 4-2 period leads.

On Saturday night, the league's leading scorer, Doug Byers, paced the Broncos with four goals and two assists. Linemate Fred Osler scored twice and Bill Mullins had seven assists.

Kim Hansen notched a pair for Cardinal and Tim Murdoch had one.

Len McLean was the Hawks' top sniper with a pair of goals. Singles went to Doug Crowder, Mike Armstrong, Greg Martin, Jeff Crerar and Al McLean.

Winchester was handed eight of the game's 13 minor penalties.

The teams were tied 2-2 and 5-5 at the period breaks.

Byers leads the two south divisions of the ODHA in scoring with 22 goals and 18 assists for 40 points in only a dozen games.

Morrisburg's Doug McNairn is in 16th place with eight goals and 12 assists for 20 points.

Minor hockey teams receive Wintario grant

TORONTO (Staff) — Five Chesterville minor hockey teams will receive Wintario grants totalling over $1,700 to assist in the costs of sweaters, socks and in-province travel.

The teams receiving $345 each are the Legion Peewees, Midget Flyers, Bantam Flyers, Brannen's Midgets and the Thompson Electric Novice Hockey Team.

The grants are half of the approved 10 projects in the United Counties of Stormont, Dundas and Glengarry which will be receiving $15,993. The grants range from $11,458 to $276.

The Township of Charlottenburgh Recreation Department is to receive a grant of up to $11,458 to assist in the costs of constructing a playground and installing lights to the Williamstown softball diamond.

A $1,400 grant is to be made to the Char-Lan Minor Hockey Association in Williamstown to assist in the purchase of uniforms, helmets and face masks.

The Township of Cornwall Minor Hockey Association will receive hockey equipment direct from Wintario Projects Office for an approximate value of $784.

The Ottawa and District Amateur Hockey Association in Cornwall is to receive a grant of $350 to assist in the costs of awards.

The Charlottenburgh Minor Broomball Association will receive broomball brooms and balls direct from the Wintario Projects Office at an approximate value of $276.

Bantam B's draw 2-2 with Russell

(Special) - The Bantam B Flyers played host to Russell Saturday, which ended in a 2-2 tie.

Ronnie Jones opened the scoring for Chesterville with the only goal of the first period.

The middle stanza was scoreless, due to the close goaltending on both sides.

Russell started the scoring in the third period only to be followed up with Jimmy Derue slapping one in to take the lead.

With only five minutes left in the period, Russell again scored to tie it up.

Loose puck

Chesterville defenceman Wayne Dillabough (6) did his job on this play taking out Osnabruck Township's Stephen Middleton during a goalmouth scramble in last Tuesday's NSLSJHL game played here. Goaltender Steve Droppo fell on the play but did not lose his concentration as the puck squirted across the crease.

No luck around goal as Bantams tie pair

(Special) - Chesterville Bantam Flyers dearly wish they could find a store that sells goals. They found out last week that they sure couldn't buy any. In four games the Flyers outshot their opposition 104-53 but had nothing to show for their efforts but two ties.

Last Wednesday, the friendly rivalry between North Franklin, N.Y., Minor Hockey and Chesterville ad District Minor Hockey Association was rekindled as North Franklin took to Chesterville ice to tangle with the Flyers.

The locals came up with a flat performance, although they easily outshot North Franklin 25-13.

North Franklin's offence, featuring precision rink-wide passes built up a 2-0 lead in the first two periods before the Flyers could get on track in the third.

Curt McMillan got Chesterville's first goal and Dave Byers got the tying goal.

Eddy Witteveen, returning after a month on the sidelines, and Chris Laflamme, each allowed a goal.

Friday night, the Flyers travelled to Winchester for a rematch with their friendly rivals. The Flyers, still stinging from sickness and injuries, were able to ice only three defencemen and six forwards besides their two goalies.

After a close-checking scoreless first period, Winchester came to life, firing three unanswered goals before the Flyers could reply.

Winchester scorers were: Darryl Shelp, Bill Kerr and Kenny Rose. Flyers' Curt McMillan narrowed the gap to 3-1 on a set-up by Glen Patterson. The teams traded goals in the third period. Rose added his second for Winchester while McMillan converted a Glendon Shay pass for Flyers.

Winchester gained a measure of sweet revenge, avenging their only league loss of the season in a good, hard-fought, cleanly-played game. Flyers were outshot 20-15 by Winchester.

Saturday the Flyers travelled to Metcalfe for what they thought would be a "laugher". Turns out the laugh was on the Flyers, as the Jets netminder held a hot hand. Flyers outshot Jets 34-14 over three periods, but ended up on the short end of a 3-2 score.

Two Jets goals by O'Malley and a single by Patterson provided the edge. Chesterville's goals were by Glen Patterson from Doug Rance, and Glendon Shay, unassisted.

Sunday morning, Greely goalie Jeff Quinn stood Flyers on their collective ears. Young Quinn faced 30 Flyer shots, while his teammates could muster only six. Greely still escaped with a 1-1 deadlock. Curt McMillan scored Chesterville's lone goal, while Anderson responded for the Eagles.

One for Homer

Homer Geertsma, a member of the Yellow team, scores a goal against Al Levere last Thursday night but it was to little avail as his club dropped an 8-4 decision to the Blue team in Chesterville Town Hockey League action. On Wednesday night, Green moved into first place with a 3-1 win over Red. League games are played at 10pm each Wednesday and Thursday. - staff photo -

C of C Atoms win, tie

(Special) - Chesterville Atom Flyers only played one league game this week, worked hard and came up winners over the Greely Eagles. The win puts Chesterville in second place in the league standing, one point behind Greely and with a game in hand.

Pierre Lauzon, top league scorer, opened the scoring for Greely at 2:14 of the first period and great goaltending by both teams kept the score at 1-0 for the period.

An exciting, fast second period saw the Flyers score two big goals. Kirk Barkley scored and six minutes later Kent Smith followed suit.

With three minutes left in the second period Lauzon scored again for Greely making the second period score a tense 2-2.

The third period was to tell the tale, as both teams skated and checked in attempts to set up scoring plays. The hard work and good positional play paid off for Chesterville half-way through the period when David VanDelst scored.

Flyers continued to work and kept the Eagles at bay until the final buzzer sounded and so the game ended 3-2 for Chesterville.

In exhibition play the Flyers travelled to Long Sault Sunday afternoon to play the always tough Cornwall Township team. Chesterville came out flying in the first period and notched three unanswered goals.

Goal-scorers were David VanDelst, Darrin Kelly and Kirk Barkley.

The second and third periods were tough checking period which netted the Township three goals and made the final score 3-3.

Green team alone atop standings

(Staff) — Only two points separate the top three teams in the Chesterville Town Hockey League standings following last week's action.

Green dumped Red 3-1 Wednesday to break the first place tie while Blue double Yellow 8-4 the following night to create a two-way tie for the runner-up position.

Richard Barkley, Richard McMillan and Erik Thompson collected the goals for Green while Richard Elliott replied for Red to spoil Bill Gile's shutout bid.

On Thursday night, Dave Carkner and Dwayne Skinner each fired a pair of goals for Blue. Peter Brugmans, Bob Youmelle, Randy Baker and Doug Fry contributed singles.

Mike Fyke, the oldest player in the league, scored twice in a losing cause while Les Holmes and Homer Geertsma each scored once.

Blue held a 6-0 lead at one time in the game and had the margin trimmed to 6-4 before they rallied for a pair of late goals.

Top ranked Green will play winless Yellow Thursday while Red and Blue will battle for sole possession of second place tonight.

In the individual scoring department, Dave Carkner and Pete LaSalle lead the way with seven goals each. Dwayne Skinner and Garry Gallinger have five each. Tied with four are Les Holmes, Neil Beckstead and Mike Lecuyer.

Panthers' unbeaten string to six games

EMBRUN (Staff) - After getting off to a shaky start, the Embrun Panthers have caught fire in the Ottawa District Senior Hockey League.

They swept a pair of weekend games against the Potsdam Pioneers to run their unbeaten string to six straight and maintain their narrow hold on first place over the Gatineau Nordiques.

Winger Dave Dixie is one of the many reasons the Panthers are chewing up the opposition by scoring five times in the 4-3 and 7-6 victories.

The talented sharpshooter went into the weekend's action with only eight goals and he increased that to overtake teammate John Hutton for the lead in the league's individual scoring race.

Dixie fired a pair of goals at home Firday night and Larry Mick and Scott Henderson fired single markers as the Panthers outshot Potsdam 40-28.

Rick Magneson scored twice and Dick Byers once in the losing cause. The teams split a pair of first period goals and Embrun went ahead 2-1 after 40 minutes of play.

Embrun received seven minor penalties and a major while Potsdam was handed five minors and a major.

On Sunday, the Panthers made the most of their 19 shots, scoring seven goals. Potsdam directed 36 shots at Wayne Hughes.

Dixie again led the Panthers' scoring attack with a hat trick. Randy Burman, Rick Larose, Dave Hunt and Brent Ellis each contributed singles.

Jack Duncan and Dick Byers scored twice for the Pioneers and Geoff Brown, and Mark Hewittson had the others.

Embrun led 3-2 and 6-3 at the period breaks.

Embrun drew 14 minor penalties, one major and 10-minute misconduct. Potsdam had six minors, a major and a game misconduct.

The Panthers host the Ottawa Cougars at 8:30pm Friday and then play back in Potsdam at 7:30pm Sunday.

Going into the wekend Embrun's John Hutton and Dave Dixie were tied for lead in scoring, each with 20 points. Hutton had 10 goals and 10 assists and Dixie had eight goals and 12 assists.

Dave Hunt was in third with 18 points, on 10 goals and eight assists.

Midget Flyers remain unbeaten

(Staff) - Lucky number seven is where the Chesterville Midget Flyers' unbeaten string stands after a win and pair of ties last week.

The Flyers blanked Russell 3-0 last Tuesday before tying Kemptville 3-3 Wednesday night and 2-2 Friday night in Carleton-Dundas Minor Hockey League play.

Jeff Phifer posted the shutout as Ron Leclair, Jeff Derue and Dave Phifer all scored singles in the win.

Chesterville led 1-0 at the two period breaks.

On Wednesday night, the Flyers rolled up a 3-0 lead before Kemptville stormed back to earn the tie.

Rudy Grisel fired a pair of goals and drew an assist on Dave Phifer's second period goal. Chesterville held 2-0 and 3-1 period leads.

The tying goal came on a powerplay with 5:02 remaining in the game.

The teams met again Friday in Kemptville with Phifer and Glen Mackler scoring for Chesterville.

On Sunday, the Flyers were dumped 2-1 in an exhibition game played in Morrisburg by Osnabruck Township.

Their next Carleton-Dundas league game is here against Russell at 9pm tonight.
