Chesterville Public School . . .

Students host 'Metric Workshop'

Grade Five and Six Students at Chesterville Public School changed roles last week as they participated, as instructors, in a metric workshop for their parents and friends.

The students not only displayed a good knowledge of metres, grams, kilometres, millilitres, etc., but also presented the new facts in a variety of interesting ways at the many stations organized in the school gymnasium.

The main purpose of this activity was to introduce new terms and concepts and to hopefully remove unnecessary fears about the eventual conversion to a new system of measurement.

The 'student teachers' stressed participation as the best method of learning and were pleased and proud of the many high scores obtained by their parents and friends, on a multiple-choice metric test at the final station.

The teachers and pupils responsible for the organization of this activity felt it was a great success and were pleased with the number of interested visitors and the many appreciative comments expressed.

Bits & Pieces

'We need yours'

The Salvation Army is canvassing in the Chesterville area for the Red Sheild Appeal. This is the fund that enables the social work of the Slavation Army to proceed. The village of Chesterville is under the jurisdiction of Kemptville and Envoy N. W. Feltham, the officer in charge, states that there is a genuine need in all communities for the work of the 'Army'. The goal of the Kemptville area is $5000. The area runs from Rockland in the north to Morrisburg in the south and covers the rural areas around each community. It would be appreciated if donations would be mailed to The Salvation Army, Box 295, Kemptville. Receipts will be mailed if requested. The slogan for 1975 is "If You Don't Need Our Help . . . We Need Yours."

Pleased to announce

The Great-West Life Assurance Company is pleased to announce that James R. Moran has been awarded membership for 1975 in the Masters Section of the President's Club. The President's Club is composed of leading representatives of the Company who, in the past year, have distinguished themselves through outstanding sales accomplishment and maintenance of high standards in the conduct of their business. Its members are well qualified by experience and training to give their clients mature counsel and efficient service.

Wintario Distributors

The sale of the Ontario Lottery 'Wintario' tickets, according to reports, has been much greater than expected. If you still haven't your ticket and would like to get a crack at the big prize you might contact the distributor for Dundas, Bernard Roy, 816 Iroquois Drive, Cornwall or for Grenville County, Fernand Nessier, 260 St. Patrick St., Ottawa.

Worth considering

If you can't think of a snappy comeback a carelessly concealed yawn is often just as good and a lot less dangerous.

253 Donors

Everyone got in the act last Monday at the Blood Donor clinic held in Winchester Memorial Hospital. In all 253 contributed to the worthy cause — a Mr. Hitchinson from Iroquois gave his 53rd time, Nestle had 21 donors, North Dundas and Seaway District High School had 48 and The Dundas Dairy Princess Annie Leyenaar was a visitor. Congratulations to all.

N.D.D.H.S. Students compete

Several students from North Dundas District High School were in competition last Saturday in the Queen's Alumni Invitational Track Meet held at Richardson Stadium, in Kingston. In the Girls, Division Rose Hauch in Junior Competition was 1st in the Shot Put, 2nd in the Discus and 6th in the Javelin; Julie Holmes — 1st in Jr. Girls' 100 metres and 1st in the 200 metre; Kathy Workman — 1st in Jr. Girls' 80 metre hurdles and 4th in Jr. Girls' 100 metres. The Junior Girls' Relay Team came in 2nd and was comprised of Julie Holmes, Kathy Workman, Linda Holmes and Kim MacIntosh. Boys — Brian Paul, 2nd in Sr. Boys' 800 Metres and 4th in Long Jump; Don Sidney, 2nd in Jr. Boys' 100 Metres, Allan Norris, 5th in Sr. Jump and 6th in LongJump. The Boys' Relay Team placed 3rd and was made up of — Don Sidney, Brian Paul, Steve Thatcher and Alan Norris. This was the first track meet of the year and took in most schools between Toronto and Ottawa.

Women's Auxiliary of W.D.M.H. hosts Spring Conference of District 9

Delegates to District No. 9 of the Ontario Hospital Auxiliaries met for their Spring Conference in the Chesterville Community Hall on Thursday, April 24th.

Coffee was served by the Chesterville Unit of the W.D.M.H. Auxiliary during the registration of the 272 members from the 27 Auxiliaries of the District.

Mrs. R. D. Beattie, District President, in her warm, wittingway, welcomed the assemblage and commented on the record attendance. She asked for an assessment of the first District Newsletter and promised later publications would follow at intervals.

Mrs. E. L. McCartney, president of the local Hospital Auxiliary, extended greetings from the W.M.M.H. Auxiliaries and invited all to tour the hospital following lunch.

Garnet Droppo, of the Chesterville Council, welcomed the delegates, both for this and any subsequent occasion.

Following the reading of the minutes and treasurer's report of the last conference, by Mrs. R. C. Lane, the Roll Call was answered by the District's presidents.

They presented brief but interesting statistics of their local activities which substantiated the reputation of District 9 as one of the busiest and most progressive in the province. This district extends from Deep River, along the Ottawa Valley, to the St. Lawrence and the Quebec border.

A resume of these reports showed that, as well as the indispensable women volunteers, men were discovering the satisfaction of serving in this capacity, proving that "No man can effectively help others without being helped himself."

In all there are approximately 6,000 members and nearly 3000 active volunteers in the district. It might be of local interest that the W.D.M.H. Auxiliary led the list with 900 members and 200 active volunteers, including the teenage group.

Mrs. D. C. Murray, President of the Ontario Hospital Auxiliary Association, was the guest speaker. Highlights of her inspirational address centred on the importance of the volunteers in hospital service. The volunteers in hospital service. The volunteers provide the friendly attentions in non-professional areas, for which the regular staff has not time.

To answer the concern over a continued source of volunteers with so many women in the work force, these facts were encouraging — the continuing interest of the invaluable teenager; the recent involvement of men and boys; the growing support of retired business and professional personnel which thus extends senior activity, bolstering the feeling of being needed again.

It was stressed that it was not important 'how old you are, but how you are old"; that involvement relieves the boredom of retirement and that the basic duties of being of service do not change in a changing society.

In closing Mrs. Murray made reference to Dr. Albert Schweitzer — whose selfless service to humanity gave weight to his statement: "I do not know what your destiny will be, but I do know that the only ones who will be happy will be those who serve."

Mrs. V. Cope, 1st Vice-President of District 9, thanked Mrs. Murray for her challenging, thought-provoking remarks.

There followed an excellent exposition on the place of Art in hospitals by Mrs. Bews, of Arnprior, who had an attractive display and fine examples of the adult and children's art as used in the Arnprior Hospital.

Mrs. F. M. Cass, 2nd Vice-President of District 9, who was responsible for the local arrangements, then asked the blessing. The short interlude before lunch was brightened by the lively piano selections by Mrs. Don Cross.

The bountiful smorgasbord was provided by the Chesterville branch of the Women's Institute and members of the Chesterville Unit of the W.D.M.H. Auxiliary, convened by Mrs. Eric Cassel-

(continued on page 15)

Over 250 women from District 9 met in Chesterville Community hall for the Spring Conference of Hospital Auxiliaries Association of Ontario. An excellent exposition of Art in hospitals was given by Mrs. Bews, who had an attractive display of art used in the Arnprior Hospital at the Conference. Pictured above, from left to right, Mrs. D. C. Murray, President of H.A.A.O., Toronto; Mrs. K. Bews, Arnpior; Mrs. F. M. Cass, Convener for the day and 2nd vice-chairman of District 9; Mrs. R. Beattie, chairman of District 9, Ottawa. — Staff Photo.

S.N.R.C.A. Executive meets on April 23 . . .

Bids in for Rehabilitation of Crysler Dam

The Executive of the South Nation River Conservation Authority met for a meeting on Wednesday, April 23. The session was called to order at 8 p.m. by Chairman Cecil MacNabb.

Present at the meeting were Chairman MacNabb, P. E. Levesque, K. MacGillivray. H. Vodden, J. H. Seguin, Eric Casselman and W. E. Burton, members. Also present were — A. J. Graham of the Engineering Firm of A. J. Graham Consultants Ltd.; R. Stork of the Engineering Section, Ministry of Natural Resources, Kemptville; B. W. Warwick of the District Office, Cornwall, Ministry of Natural Resources; K. G. Musclow, Resources Manager and Arnott Empey, Secretary-treasurer.

Number one item on the agenda was the opening of tenders for the rehabilitation of the Crysler Dam. Four prices were received as follows — J. B. R. Construction, Ottawa, $434,851.00; Jonad Ltd., Dorion, $273,837.00; Moir Construction, St. Catharines, $343,359.00; Turillo Construction, Markham, $289,962.00. Mr. Graham and Mr. Stork checked each tender as to addition and extensions.

A levy for 1975 of $50.00 to the Eastern Region Chairmen's Committee was approved.

Requests were read from the Township of Caledonia concerning a landslide at Lot 15, Concession 5, in the Caledonia Creek; and from the Township of Matilda to clean out a portion of the South Branch of the Nation River in Concession 7. It was decided that the requests from Matilda Township and Caledonia Township be referred to the Flood Control Advisory Board.

A letter was read from the Ontario Forestry Association seeking a grant. $25.00 is to be sent to the Association.

W. E. Burton, Chairman of the Conservation and Education Advisory Board, was authorized to attend a Communication's Workshop at Kirk's Cove in June.

A discussion took place concerning Program 26 (SWEEP), and it was decided to add one geology student as a technical advisor and delete one foreman and sufficient other personnel to stay within the limit of $26,725, plus 5 percent approved by the Branch.

The authority is to advertise for a working supervisor to serve the Authority for a temporary period of six months, for 1975, to oversee Program 26 and other Authority projects.

The Chairman reported that the Township of Finch had made an offer to sell a large two-hour-rated records safe and a room air conditioner to the Authority. These were located in the building and not required by the Municipality when the move is made to the new office. It was agreed to buy the safe for $500 and the air conditioner for $200.

Reports were given by — W. E. Burton on the Junior Conservationist Award Program and that Raymond Lorrain, of Rockland, had been recommended; J. H. Seguin on a meeting with Dr. M. Klugman concerning flood plain mapping and fill regulations; Mr. Musclow on a visit to the site of a proposed new bridge over the South Nation River at Casselman; B. W. Warwick on land available from G. Leman Construction Ltd., located in the Townships of North Plantaganet and South Plantaganet, the asking price for the 1569 acres was $125,000. The Forestry Advisory Board was instructed to investigate the offer.

After reviewing the tenders for the Crysler Dam, Mr. Graham stated his firm would review the tenders in detail and report back to the executive in a few days.

It was agreed that the Authority accept the lowest tender for the rehabilitation of the Crysler Dam as recommended by the Engineering firm of A. J. Graham Consultants, and as approved by the Branch, and subject to an additional allotment of grant funds being received. Tender documents are to be released to the engineering firm for further study and the tender cheques to unsuccessful bidders are to be returned after contract documents are signed with the successful bidder.

Accounts totalling $8797.11, for the month of March, were passed and paid.

The Authority, subject to the approval of the Minister, will adopt as a project general channel improvements within the Authority, to a limit of $20,000 for 1975, and that all municipalities under the jurisdiction be designated as benefiting.

Mr. Musclow spoke of a recent visit to farms in the Brinston area and of problems encountered by flooding.

W. Lorne Thompson

Trustee commended by S. D. & G. Board

At a recent meeting of the Stormont, Dundas and Glengarry County Board of Education, S. W. Libbey, Chairman of the Board, commended Trustee W. L. Thompson on his thirty-two years of active service as a school board representative, having missed only his first meeting on April 8, 1975.

With the introduction of a French Intensive Programme at the Kindergarten level in September, 1973, the Board of Education, educators and parents agreed that every attempt would be made to obtain the services of the Bilingual Education Project Branch of the Ontario Institute for studies in Education to evaluate the proposed programme and submit a report to the Board.

The Board had the opportunity to hear — (a) a verbal report from the psychometrist, Denis Boissoneault, as to the aims and content of the tests administered, and (b) an analysis of the results of the said tests from Henri Barik, of the Bilingual Education Project Branch of the Ontario Institute for Studies in Education, and also from Dr. Merrill Swain and Dr. Sharon Lapkin.

It is proposed, as a follow-up to this programme of testing and evaluation, to administer in co-operation with the same

(continued on page 15)

Honoured at party

Carl Waldroff retires from S.D. & G. Road Department

Next Friday May 2 at 5 p.m. Carl Waldroff will leave the S. D. & G. Road Department and his many friends for the first time, after 32 years of service. Carl was honoured by friends and fellow employees at a party held in Avonmore Community Centre last Friday evening.

Hilliard Shaver a former pupil of Carl's, when he taught school in Finch Public School, prior to his full time employment with the Road Department in 1945, read the address.

"We your friends and fellow employees of the S. D. & G. Road Dept. have gathered here this evening on the occasion of your retirement" related Hilliard. "It is with a bit of sadness that we honour you this evening and although you will be retiring from the organization your kind deeds will never be forgetten," said Hilliard.

Thirty-two years ago when Carl started work with the Department, Lawrence Laflamme was employed at the same time. It was only proper that a long time friend such as Lawrence should present Carl with a small token of gratitude on behalf of those present, upon his retirement.

With a lump in his throat, Carl related that without any doubt he would miss his fellow employees each day, but "I must add I have looked forward to my retirement years for quite some time." For those who may be interested may I quote a few facts and figures I have collected over my years with the Department."

"In the summer of 1929 when I was attending teachers college, I worked part time on Road 11. At that time I was priveledged to earn the sum of 25 cents per hour. The work week in 1929 was sixty hours long. Wages steadily increased year after year until I began working full time in June of 1945, continued Carl. In 1949 we did not receive a raise in pay but the work week was cut to 6 days a week and eight hour days. Pay was 55 cents per hour and I had no regrets of leaving my position as Principal of Finch Public School for six years to meet the challenge of the S. D. & G. Road Department."

Hugh McDougall one of the organizers of the evening activities, extended a hearty note of thanks to those who supplied the entertainment for the retirement party, and he added his wishes of happiness to Carl in his many years of retirement that lie ahead.

Edwin Waldroff, Reeve of Osnabruck Township expressed 'Thanks' on behalf of the Counties Council. Edwin said "Carl and I have many fond memories of his early years with the Department". "We know that Carl has done a fine job in the past and it will be with regret that we see him go".

Ray Alguire, President of Local 1715, C.U.P.E. expressed his appreciation and stated that he had every good wish from fellow workers and the union executive.

Mr. MacDougall, also a former pupil of Carls' related that the evening returned many memories of years gone by. It was noted by a few present that Hugh had given Carl a hard time during his teaching profession in Finch. But Hugh denied that this was true maintaining that he was always an example student.

The evening drew to a close in the appropriate manner. Everyone joined in the singing of "For he's a jolly good Fellow" followed by three loud and hearty cheers.

Last Friday evening Carl Waldroff was honoured by employees of S. D. & G. Road Department and friends at a party held in Avonmore Community Centre. Carl retired after being with the department for thirty-two years. Above Lawrence Laflamme presents Carl with a token of appreciation. When a total is taken of years service accumulated by the four gentlemen in the photo, the tally comes to an impressive 124 years. Pictured from the left. Hillard Shaver, Carl Waldroff, Hugh McDougall, Lawrence Laflamme. — Staff Photo.

"We Care"

Nursing Home Committee set up

As the average citizen do you realize that there is not one single Nursing Home in all Dundas County? You would be desperate if you had a loved one or friend in the hospital and the time had come when the hospital had to release him. The search would have to begin — ending often by having the patient placed many miles away from families or friends.

A Committee has been set up called "we care". Our policy is non-political and non-denominational, and it will require overwhelming support of everyone in the area to carry out our plans.

The proposed project is a Nursing Home for people leaving the hospital, and to care for the sick or disabled people. No local funds or taxes will be needed. A business firm will build and operate the home, with fees set by the Government and cost to the patient set by the Ministry of Health.

We hope to have a site along the beautiful St. Lawrence River. The Home would be government inspected and operated under license issued by the Ministry of Health.

Many people in Dundas County want the same nursing care as in other counties surrounding us. Other counties have two to five — Why should we not have at least one?

If we wish to obtain these benefits for our area, we must all become involved and take an active part in order to be successful.

Avonmore W.I. holds Annual Meeting

The Annual Meeting of the Avonmore Women's Institute was held in the firehall on Thursday, April 17th. The routine business was conducted by Mrs. Orland Kyle, president, and Mrs. Ernest Filion, secretary-treasurer.

From a vote it was decided to send a contribution of $12.00 to the Agricultural Society; also approved was a donation towards prizes to girls between 12 - 15 years for a pencil sketch of a senior citizen of the local area.

Resolutions from other Branches were discussed and included — that reading, writing and arithmetic be taught in the schools; that capital punishment and the lash be more strictly enforced; that all firearms be registered; that the Experimental Farm, Ottawa, remain as it is and not be turned into a housing area; that there should not be as much violence presented on television; and it was listed as questionable whether parliamentary procedures should be presented to the general public.

Mrs. Filion gave an interesting report on the Board of Directors' meeting which she had attended.

It was moved that the Avonmore handbooks be printed by the Chesterville Record.

It was noted that recently a new W. I. group had been formed at Long Sault and the first Junior W. I. in the district had been formed at Newington.

It was suggested that instead of one person reporting over the free radio period, that two members from one branch or one from two branches talk and discuss W. I. work.

Discussion was held regarding getting items ready for Stormont County Fair. It was announced that the Annual W.I. meeting would be held in Newington with the dinner set at $2.50 per plate.

A letter of thanks was read from Miss Beth Henderson, 4-H Club member and Mrs. John Worral, leader of the 4-H Club, thanked the Institute for the gifts.

Bingo gifts, to set to cancer patients while they are in Ottawa for treatment, were brought by the members.

An appeal for outstanding events to be sent to the W.I. Magazine, Home and Country, was read.

Annual reports were read.

Mrs. Alex Armour took the chair while the 1975 officers were elected. Mrs. Orland Kyle was nominated president; Mrs. James Tinkess, Secretary-treasurer; Mrs. Alex Armour, Vice-President and Mrs. Clifford McElheran, 2nd Vice-President.

Conveners were appointed.

The meeting was closed with the Lord's Prayer, followed by a pot-luck supper and a fellowship hour.

Auditors for 1975 will be Mrs. Glenn McIntyre and Mrs. John Worral.

Hostesses for the May meeting will be Mrs. Jennie Finlayson and Mrs. Ernest Poapst.

Liberals meet at Finch

At a well represented meeting of the combined Executives of the Liberal Associations of Stormont, Dundas and Glengarry held at Finch on Wednesday, April 23, procedures were agreed upon for the setting up of the proposed new constituency of Stormont, Dundas and Glengarry as soon as the necessary legislation is passed. It is proposed to hold in the immediate future a meeting in each municipality of the United Counties in order to review the organization and to fill vacancies where necessary.

It would appear that several individuals are interested in seeking the Liberal nomination, and the representative nature of the meeting reflected a high degree of interest in the forthcoming campaign.

Deputy Reeve praises Mutual Fire Aid for service in United Counties

Sixty members of the Stormont, Dundas and Glengarry Mutual Fire Aid Association held their regular by-monthly meeting in the Community Centre at Apple Hill on April 21, 1975.

Deputy Reeve McIntyre of Roxborough welcomed the firemen to Apple Hill and praised the co-operation of the Mutual Fire Aid for their fine services in the United Counties.

Special guests, Mr. Keith McMillan, investigator of fires for this area, and Mr. Robert Schrader, representative for the Safety Supply Company of Ottawa, were introduced by Maurice Roussy, Fire Services Advisor of the Fire Marshal's office.

Minutes of the last regular meeting held at Avonmore were read by the secretary, Chief Gib Raistrick and approved on a motion by Chief Gerald Charlebois of Alexandria, seconded by John Meunier of St. Andrews. The treasurers report given by Captain Carl Robinson of Williamsburg showed a bank balance of $591.22 with no outstanding accounts.

With a heavy log of correspondence, the secretary reported that he had mailed each department a questionaire form on the revision of the constitution and the number of members of each department who required membership cards. The correspondence was filed for further reference on a motion by Chief Cliff Rombough and John Benoit.

After some discussion on operating costs, Chief Gerald Charlebois of Alexandria and seconded by Jack Helmer of Newington made a motion that the annual dues be increased from $10.00 to $20.00 which was approved by all present.

On Committee reports, Chief Merton Casey of Maxville stated that the annual Curling Bon Spiel was once again a great success in which 20 teams had participated from 12 local departments.

In the absence of Perry Pinkess, Point System Chairman, the report was submitted by Chief Allan McIntyre of Avonmore who gave out the number of points earned by each department for the past 10 months which involved attendance, drills, training, Mutual Fire Aid calls and answers to a by-monthly questionaire.

Maurice Roussy reported on the regional school being attended at Cornwall and stated that the weekly classes involved an average of 34-40 firemen.

The President, Albert Evans advised that special committees would be holding a meeting which would involve the amendments to certain items of the constitution and also asked that all past presidents be present to nominate a slate of officers for the June Meeting.

The South Mountain Fire Department reported that they were in the progress of installing radio communication in their fire equipment on which application had been made to the Department of Transportation.

The guest speaker for the evening, Investigator Keith McMillan of the Fire Marshal's office, stated the fire fighters responsibility in cases of suspected arson was, your observations at the scene of fires, opening up, was it secure before the fire, make sure to post guards at points of entry, photographs, time, dates, securing evidence, court procedures, are all important where any suspicion of arson may be involved.

Following the lecture there was an open question period for the members of the Association. Mr. McMillan was thanked on behalf of the Association by President Albert Evans of Newington.

Mr. Robert D. Schrader spoke briefly on the fire equipment and films that were available through the Safety Supply Company of Ottawa and that as a representative, would be pleased at anytime to demonstrate this to the Association.

Chief L. A. Carriere of Cornwall advised that the Cornwall Fire Department would host the next annual meeting on June 16th.

On a special announcement, the president advised that our Association members had been invited to attend the 15th annual "Colonie Fire Conference" in New York State, U.S.A.

Two door prizes, sponsored by the Apple Hill Fire Department were awarded to Maynard Coons of South Mountain and Leslie Johnston of Avonmore.

The meeting adjourned on a motion by Donald MacDonald of St. Andrews and Claude Cousineau of Morewood.

Refreshments and a delightful lunch was served by the ladies of Apple Hill.

Presbyterian Young People organize

Reorganization of the Youth Council of Brockville Presbytery took place at a meeting chaired by the Reverend E. Earle Eaton of Chesterville, Director of Youth Work for the Presbytery, held at St. Andrew's Presbyterian Church, Cardinal, Thursday evening.

Harry Spuy of Brockville was elected president, Melvin Yee of Iroquois, vice president; Miss Tami Forester of Cardinal, secretary, and Miss Susan Baker of Morrisburger, treasurer.

The Reverend A. J. Morrison, pastor of St. Andrew's Church, Cardinal, was named ministerial advisor. Other members of the Youth Work Committee include Mr. and Mrs. James F. Gursby of Kemptville, Miss Anne Yee of Iroquois, and A. J. "Bob" Vanamstel of Brockville.

Plans were finalized for the annual Spring Rally and other promotional matters were discussed. Prayer was offered by the Reverend J. P. Schissler of Kemptville, Moderator of Presbytery.

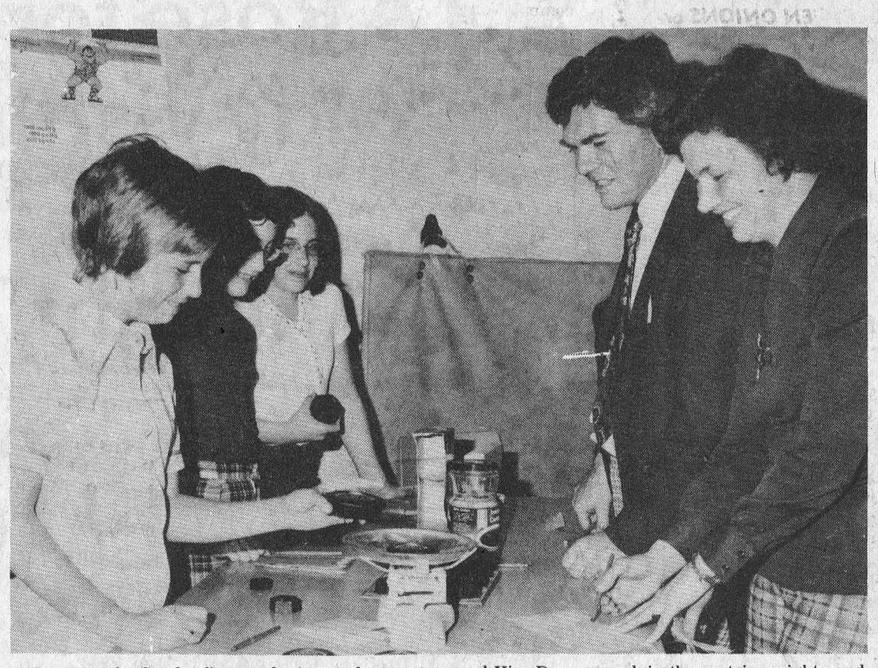
Chesterville Public School students host 'Metric Workshop'



Last week Grade five and six students at Chesterville Public School changed roles as they participated as instructors in a metric workshop. Above, on the left, Mimi Droppo, Susan Rance, and Kim Droppo explain the metric weights and measures to Mr. and Mrs. Doug Mitchell. — Staff Photo.

The main purpose of the activity was to introduce new terms and concepts and hopefully remove unnecessary fears about the eventual conversion to a new system of measurment. Mrs. Kenneth Barkley and Wyman Barton, Principal have the Celsius thermometer explained to them by Tina Cardinal and Wanda Blair on the right. — Staff Photo.

Billingual Education Project Branch...

S. D. & G. School Board hears report on French Intensive Program

Dr. Merrill Swain, Dr. H. C. Barik and Dr. Sharon Lapkin of the Ontario Institute for Studies in Education, Billingual Education Project Branch, reported to the regular meeting of the elementary panel of the S.D. & G. County Board of Education. Reporting on the evaluation of the French intensive program at the kindergarten level they noted that the results showed no adverse effect on mental or intellectual development.

Kindergarten children in the experimental group came from Chesterville, Gladstone, Eamers' Corners, Inkerman, Sydney Street, Vincent Massey, Nationview and Morewood public schools. The control group were from Morrisburg, Rothwell, Central, Memorial Park, Martintown and Roxmore public schools. Twelve teachers were involved in the testing program.

Joan Findlay, school trustee for Morrisburg and Williamsburg township, in commenting on the report said, "it is interesting to note that the report showed that children attending French only or English only kindergartens scored equally as well as those in the double program." She also noted that many interested visitors attended the meeting at Cornwall, to hear the results of the study.

The Oise representatives reported on other programs in the province as well as reporting on the testing of children in the French program in Cornwall.

Concerning metric conversion in elementary schools it was decided that the International System of Units be introduced as early as September 1975 at the primary level which is kindergarten, grades one, two & three. The Canadian government has stated that conversion to the metric system is inevitable and the Metric Commission has proposed 1980 as the target date for completion of the conversion program.

It was recommended that the letter regarding salary negotiations with the S. D. and G. Elementary Teachers' Association be received and that the salary committee be authorized to meet with the economic policy committee and to receive any proposal which the committee may wish to submit.

Mainly About People

The Reverend E. Earle Eaton spent Wednesday at Cornwall, attending a seminar on drug abuse. Thursday he was at a Child Evangelism conference at Winchester, Friday participated in a W.C.T.U. convention at Prescott. On Saturday he was in Ottawa for a Faith At Work conference, and in the evening at Spencerville for a Y.T.C. rally. Sunday afternoon he was at Brockville for the annual Sunday School rally of Brockville Presbytery, and in the evening at Cornwall for a Presbyterian Centennial service. He was a Sunday luncheon guest at the Bevis Graham home in Winchester, and a dinner guest at the Ernest Fling home at Williamsburg.

Berwick 4-H Calf Club meets

The first meeting of the Berwick 4-H Calf Club was held at the home of Lynden Dingwall in Berwick, on Wednesday, April 16, 1975. The club has 22 members and is led by Harold Dingwall, and Hugh Carruthers.

A short film on the proper way to conduct a meeting was shown by Brian Wilson Assistant Agricultural Representative for Stormont.

Projects were discussed and chosen.

A delicious lunch was served after the meeting.

Third Annual Antique Show will be held in Prescott

A wine and cheese party will feature the opening night of the Third Annual Antique Show at St. Mark's Parish Centre in Prescott, sponsored by the Grenville County Historical Society.

The show will open Thursday night at 6:30 and will operate until 10 p.m., with every one of the 20 booths rented to antique dealers from Prescott and district, and as far away as Montreal, Toronto and Ottawa.

Enthusiasm has been running high among the committee chaired by Earl B. Connell of Spencerville, who heard glowing reports of commitments made at the final board meeting held this week.

Displays will run the gamut from fine silverware and jewellery from days of long ago, to paintings, furniture, books, and collectables.

The doors will be open on Friday from 12:30 to 10 p.m., and on Saturday, from 10 a.m. to 4 p.m.

Proceeds from the show and sale go into the museum fund being set up by the Grenville society for the establishment of a permanent museum for Grenville County. With the prospects looking brighter for a permanent museum in the "Forwarding House" building on Prescott's rejuvenated waterfront, and the deeding of "Homewood" just west of Prescott to Ontario Heritage by Du Pont of Canada Limited at the urging of the society, the society members are working at fever pitch to preserve the heritage of this county.

Rev. N. J. Holmes addresses congregation

Rev. Nathaniel J. Holmes, minister of Pioneer Memorial United Church in Hamilton, came back to the church of his boyhood to greet friends and relatives on Sunday afternoon, April 20th on the occasion of Centennial activities of this church. He chose as his topic "The challenges of the Church".

The service was well attended and it gave many the opportunity of meeting and visiting with those they had not seen in years.

Organ and piano duets were rendered by Mrs. Irwin Holmes and Mrs. N. J. Holmes. The Junior choir sang "Happiness is the Lord".

Following the Church Service all assembled in the Church Hall for coffee and doughnuts, served by the committee in charge.

IN MEMORIAMS

IN MEMORIAM

DONNELLY — In loving memory of my dear brother, George Donnelly, who passed away April 29, 1974.
Just a thought of sweet rememberance,
Just a memory sad and true,
Just the lone and sweet devotion
Of one who thinks of you.
Remembered and sadly missed by sister Hazel
34-1

IN MEMORIAM

In fond and loving memory of a dear friend, John Vallely, who passed away so suddenly on May 1, 1974.
We were left with bowed heads and heavy hearts,
Now the fond and happy memories have lifted our heads and lightened our hearts,
And will remain so forever.
Beryl and Lois
34-1

IN MEMORIAM

FERGUSON — In fond and loving memory of our dear daughter and sister, Linda Ferguson, who passed away four years ago, April 24th, 1971.
This month comes back with sad regrets,
It recalls a day we will never forget;
You fell asleep without saying goodbye,
But memories of you will never die.
No one knows the grief we bear,
When we look upon your vacant chair;
You left us suddenly, your thoughts unknown,
But you left us a memory we are proud to own.
So treasure her Lord in your garden of rest,
For when on earth she was one of the best.
Sadly missed, Mother, Dad, Earle and Karen
34

IN MEMORIAM

In loving memory of a dear father and grandfather who passed away, April 24th, 1974.
His parting wish,
We would like to have heard,
And breathed in his ear
Our last parting word,
Only those who have lost,
Are able to tell
The pain in the heart
In not saying farewell.
Always remembered by son George, daughter-in-law Doreen and grandchildren Dale and Dawne.
34

IN MEMORIAM

LISCUMB — In loving memory of a dear mother and grand mother, Irene Liscumb who passed away May 1, 1970.
The depths of sorrow we cannot tell,
Of the loss of one we loved so well
And while she sleeps a peaceful sleep,
Her memory we shall always keep.
Son William, daughter Susie and Evelyn and grandchildren

G. L. Graham, Secretary-Treasurer, CHESTERVILLE HYDRO

Ontario Hydro

PROPERTY FOR SALE TOWNSHIP OF MATILDA

Ontario Hydro is offering for sale a parcel of land in Lots 5 and 6, Concession 1, Township of Matilda, County of Dundas, containing approximately 10 acres above the 249 contour. This property has approximately 450 feet of frontage on the north side of Lakeshore Road and approximately 600 feet of frontage above the 249 contour on the southeast side of Flagg Creek.

The purchaser at his own expense will be required to furnish survey plans and descriptions suitable for inclusion in the deed conveyance, and to arrange any required land severances in accordance with the Planning Act.

Further information may obtained by writing to Ontario Hydro, 420 Dundas Street East, Belleville, Ontario, attention of Mr. C. N. Davis, telephone 968-6721.

Offers to purchase must be submitted in a sealed envelope addressed as follows:

W. E. Raney, Secretary
Ontario Hydro
620 University Avenue
TORONTO, Ontario
M5G 1X6

and marked:
Tender for Matilda Property

and must be received by the Secretary no later than 4:00 pm Daylight Saving Time on Tuesday, May 27, 1975.
Offers to purchase must also be accompanied by a certified cheque payable to Ontario Hydro for at least 3 percent of the amount of the offer. Cheques will be returned to the unsucessful bidders.
Offers submitted must allow until June 16, 1975, for acceptance or rejection and must not be withdrawn until after that date.
The highest or any offer not necessarily accepted.
35-2

COOKING WITH A DUTCH TOUCH

Dutch Cheese Shortbread

- 1 cup (4 oz.) imported Edam or Gouda
- ½ cup butter
- ½ cup all-purpose flour
- ½ cup whole wheat flour
- ¼ tsp. salt

Cream shredded cheese and butter, blend in flour and salt. Work with hands until the mixture forms a smooth ball. If it is too sticky add a little more flour; if too dry add a few drops of water. Lightly butter one 9-inch square cake pan. Press the dough firmly and evenly into the bottom of the pan. Cut the shortbread into squares or wedges. Prick with fork. Bake in 400 degree oven 20-25 minutes until golden. When cooked cut down lines again and remove from baking pan.

Holland Crisps

- 1½ cups boiling water
- 1 cup cornmeal
- ½ tsp. salt
- ⅛ tsp. curry powder
- ¼ cup butter
- ½ cup (2 oz.) shredded Edam or Gouda

Pour boiling water on cornmeal. Stir to make a light batter. Season with salt blend in butter and cheese. Preheat over to 425 degrees. Grease baking sheet. Drop the batter by the half teaspoons about 3-inches apart onto prepared baking sheet. Dip metal dessert spoon in water. Press each mound with the back of the wet spoon into a thin wafer. Bake 5 to 6 minutes in 425 degrees oven until lightly browned. Makes about 4 dozen.

Edam Kedgeree

- 1 cup long grain rice
- 1 tsp. salt
- 2 tbsp. butter
- 1 medium onion, chopped
- 1 7¾ oz. can salmon
- 4 hard-cooked eggs, chopped
- ½ cup cream
- 1½ cups shredded Edam cheese
- ¼ cup chopped parsley
- Salt and pepper

Bring to boil 2½ cups water; add rice and salt. Cover and cook over low heat for about 20 minutes. Melt butter in a flame-proof caserole. Saute onion until transparent. Add cooked rice, salmon, eggs and cream; toss to mix. Cook over medium heat, stirring often until mixture is very hot. Fold in shredded Edam and parsley. Season with salt and pepper to taste. Serves 4.

OBITUARIES

Mrs. K. MacKinnon

After an illness of only five days, Mrs. Kenneth A. MacKinnon, of 1205 Queen Street, Cornwall, passed away at the Cornwall General Hospital on Friday, April 18th. The announcement of her unexpected passing was received with many expressions of profound regret by a host of relatives, neighbours and friends throughout the district.

She was in 72nd year.

Born in Finch on March 4, 1904. Mrs. MacKinnon was the former Viola (Ola) Nancy Forsyth, a daughter of the late George Forsyth and his wife, the former Blanche Beckstead. She graduated from the Finch Public and High Schools.

On April 2nd, 1924, she married Kenneth Archie MacKinnon in a ceremony performed by Rev. Robert Wilson, then minister of St. Luke's Presbyterian Church, Finch. Mr. and Mrs. MacKinnon were spared to celebrate with their friends, their 50th Wedding Anniversary just one year ago.

The first six years of their married life Mr. and Mrs. MacKinnon lived in Finch. The greater part of their married life they lived in Cornwall but they lived in Kingston for five years and in Wallaceburg for another five years.

Mrs. MacKinnon was an active member in St. John's Presbyterian Church; a past president of the Ladies' Aid Society both in Cornwall and Wallaceburg; a member of the Order of the Eastern Star, Chapter 202, Cornwall, and a member of the Cornwall Senior Citizens Club.

Mrs. MacKinnon is survived by her husband, one daughter Mrs. Patrick Corbett (Irene), St. Bruno, Quebec, two grandchildren, Marty Paul Corbett and Ann Elizabeth Corbett; one aunt, Mrs. Helen Baxter, Cornwall, and several cousins in Hemet, California. She was predeceased by one brother, Wm. Forsyth, and by one sister, Mrs. J. L. Nephew.

The body rested at the McArthur Bros. and MacNeil Ltd., Funeral Home, Second Street East, Cornwall, where hundreds called to pay their respects.

The funeral service was conducted in the Chapel on Sunday afternoon, April 20th, by Rev. Fred Rennie, minister of St. John's Presbyterian Church, Cornwall.

Pallbearers were Hugh MacDougall, Cecil Wert, Thorold Rutley, Ken Salmon, Dave Frappier and Colin MacFarlane.

Interment took place in the family plot in the Finch Cemetery.

Many beautiful floral tributes surrounded the casket. Donations were made to the Canadian Heart Fund.

BIRTHS

April 14, 1975 — Mr. and Mrs. Doug Jarvis, Morrisburg, Ont., A Son.

April 18, 1975 — Mr. and Mrs. David Johansan, Morrisburg, Ontario, R. R. 1, A Son.

April 19, 1975 — Mr. and Mrs. Fred Zandbergen, Brinston, Ontario, R. R. 2, A Daughter; Mr. and Mrs. Richard Lemay, Morrisburg, Ontario, A Daughter; Mr. and Mrs. Milton Thompson, Metcalfe, Ontario, A Son; Mr. and Mrs. Dale Stewart, South Mountain, Ontario, A Son.

April 21, 1975 — Mr. and Mrs. Douglas Markall, Morrisburg, Ontario, A Son; Mr. and Mrs. Sherman O'Neil, Morrisburg, Ontario, A Son.

The Sunday School students of St. Andrew's Presbyterian Church, here in Chesterville, were out in record numbers last Sunday when the group travelled to Brockville to participate in a Rally. There were 240 pupils from 15 different Sunday Schools in attendance. Ventnor recorded 100 percent out for the Rally and Chesterville with 81 percent were awarded a banner for holding the second spot for attendance. The Chesterville contingent, 30 strong, is shown here in the local church. — Staff Photo.

Euchre aids Cancer Society

A substantial sum of money was raised for the Cancer Society at a euchre sponsored by Osnabruck Centre, held in the Township Hall on the evening of Friday, April 19th.

Mrs. Eva Henderson won the door prize, which consisted of a box of groceries. Other winners' were for the Ladies' Mrs. Clifford Locey, Mrs. Lorne Presley, Mrs. Adolph Kocourek and for the Men were: Clifford Locey, John Robertson and Elmer Flegg.

Book Report

Private Practice by Matthew Benn

A gifted young doctor's integrity as a surgeon, and as a man is threatened when he abandons the stresses of an urban hospital for the apparent peace of a private practice.

Private Practice is tole in keen detail. Its medical precision is as absorbing as the plight of Dr. Mark Lucas is disturbing.

Wichester Springs UCW meets

Mrs. George McIntosh was hostess for the Winchester Springs U. C. W. last Thursday evening.

The Worship Service was under the direction of Mrs. G. McIntosh, Mrs. Lawrence Holmes and Mrs. Cecil McIntosh. The theme was "Take my Time Lord".

Mrs. Cecil McIntosh spoke on the life story of Rev. Norman Johnson who works with homeless young people.

Lunch was served at the close of the meeting by the committee in charge.

Bicycle Time Again

The Ontario Ministry of Transportation and Communications reminds motorists that many of the 2.5-million bicycles in the province will be on the streets and highways now that spring has arrived.

Though it is one of the smallest vehicles on the road, a bicycle is a vehicle and entitled to be driven on a roadway with the exception, of course, of any multi-lane divided highway.

Cyclists are also reminded they must obey many of the rules of the road that apply to motorists.

A spokesman for the Ministry indicated, "If more motorists and cyclists would simply follow the rules of the road, there would be a considerable reduction in the number of injuries and fatalities on the provincial road network.

During 1974, over 3,300 cyclists were injured as the result of collisions with motor vehicles. During the same time 45 bicycle drivers were killed.

Bicycles should be kept in good mechanical condition; be proper size for the rider; be equipped with a bell, horn or gong and have reflective material on the front and rear.

When riding at night, a front facing light is required. And it is good common sense to wear light colored clothing.

Finally, motorists should excercise due caution during the bicycling season, particularly at intersections and on highways.

The Little League

Little League baseball is as much a part of the North American scene as hot dogs and hamburgers. Witness the thousands of youngsters aged eight to twelve who are attracted to this sport every year.

And the ultimate goal of each team and player is the World Little League Series which has been played for the last 35 years at Williamsport, Pennsylvania.

Teams from all over the world, including Canada, have participated in this grand "Finale" and many a young ball player has returned home with some very happy memories after this meeting with kids from other countries.

Young Canadians have not always been so keen on baseball. Many pre-preferred hockey, and in the summer months, were more inclined towards softball, which dominated the Canadian sports scene for many years. But this trend has changed considerably during the last six or seven years, notably since the Montreal Expos made such a remarkable debut in the major leagues. Most certainly the Expos had a lot to do with popularizing baseball in Canada.

Now, more and more youngsters play baseball and are members of numerous Little League teams across the country. Many show considerable skill and some,, of course, are thinking of making a career out of a sport which for many spectators, television viewers and would-be athletes, is one of the more intersting to watch and play.

Many former greats had their start as Little Leaguers. Today with the good coaching and management available, no doubt many more, including some young Canadians, will some day make it to the Professional circuit, having had their start as Little League players.

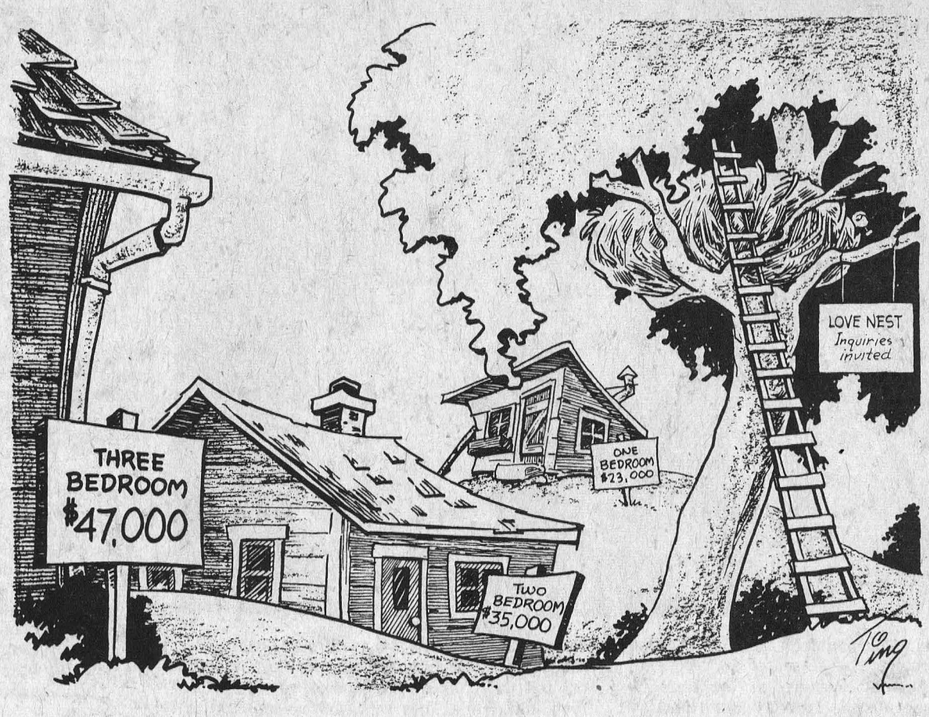
Baseball is not considered an Olympic sport, but for the young athletes who play it, is certainly the perfect occasion to acquire skills that will enable them to accomplish greater things in other fields. Young baseball players must be self-disciplined and learn to repect the wisdom of their coach.

Many people believe that the heart of Little League Baseball is what happens between the coach and the younger player. For it is the coach more than any other single individual who makes the program a success or failure, who controls the situation in which the players may benefit or be harmed.

Little League annals are full of stories of coaches who have had a very positive influence upon their charges — an influence which was as fine an educational experience as any youngster might undergo.

It is evident that the quality of leadership has a lot to do with the development of all young athletes.

And so under an able and willing manager, young Little Leaguers can very easily progress and build the self confidence that will permit them to become respectable athletes in whatever field they choose.



Ann Landers

Dear Ann Landers: Is there any way I can name karate lessons as the "corespondent" in a divorce suit?

My husband is 37. Joe and I have been married for 12 years. We have three children but he has no time for them. Joe takes karate five evenings a week. He leaves the house at 5:00 p.m. (the kids and I eat alone) and he returns at 10:00 p.m. — unless he stops off for something to eat with a few of his karate classmates who are college students. This has been going on for two years.

Joe is always bruised and suffering from sore muscles. (No sex.) He hasn't done a thing around the house since he started his lessons. I had to hire a man to paint the living room last spring, because Joe was too busy getting his green sash. Now he has his black belt and wants to be a Third Degree.

The only day we are a family is on Sunday. I love my husband but I think I am getting gypped and so are the kids. Why would a grown man behave this way? — Alone Alot.

Dear A.: You say your husband is a grown man? Well, maybe he is physically — but not emotionally. A man who takes karate lessons five nights a week, leaving his family to have dinner alone, is grossly immature.

I'd suggest counseling but he wouldn't go because it would interfere with his karate lessons. So — I hope you will get some counseling and learn how to deal with the problem. If you find the situation intolerable we're back to the same old question. Would your life be bette or worse without him? How about the kids? The decision is yours to make.

Dear Ann: As a woman who holds a Ph.D., I was surprised by your reply to the reader who questioned how she should introduce a married couple when both hold doctorates.

Your reply that the woman probably worked harder to get her husband than to get her Ph.D. was irresponsible. Today, when so many women are struggling to change attitudes which have limited their contributions to society, your comment showed an insensitivity to the climate of the times, to say nothing of the hard work and years of study that any person who holds a Ph.D must invest.

You stated that the couple probably should be introduced as Dr. and Mrs. John Smith. Why not Dr. and Mr. John Smith? The reversal underlines the illogic of your first suggestion. Your second — Doctors John and Jean Smith — is better. But why not Doctors Jean and John Smith? As all of us old-timers know, ladies come first.

To blow your mind, I sign myself, truthfully — A Yalie Ph.D. Married To A Yalie Ph.F.

Dear Yalie: You are right. I was wrong. I bow to your superior judgement. Pass the humble pie, Doctor.

Dear Ann Landers: Recently on the TV show Hollywood Squares, Peter Marshall asked a contestant what, according to Ann Landers, a female would be doing close enough to a man so that he'd know she was a woman — yet far enough away so that he'd know she was a lady.

Just as the contestant was about to reply, my TV konked out and I never did hear the answer. I'm dying of curiosity. What was it? — Frustrated.

Dear Frus: Dancing.

Is pot a drug? Can L.S.D. and pills open new worlds for you? Stop guessing. Get the facts in Ann Landers's new booklet, "Straight Dope on Drugs." For each booklet ordered, send a dollar bill, plus a long, self-addressed, stamped envelope (20 cents postage) to Ann Landers, P.O. Box 1400, Elgin, Illinois 60120.

LETTER TO THE EDITOR

"WE CARE" — DO YOU?

In order to convince the Ontario Dept. of Health of the deplorable situation which exists in the County of Dundas regarding the nursing care of our elderly citizens, many of whom are pioneers, we plead with you to give your name to your church clergy, your club or to any of our canvassers.

No cost or obligation is attached. All we ask for is your support which will greatly assist us in this most worthy cause.

We need your assistance now as we are asking the Ministry of Health for a 60-bed nursing home for Dundas County.

Royal Merkley, Pres.

OIL AND GAS PRICING

by
Donald Macdonald
Minister of Energy, Mines and Resources

Who should set the price for oil and natural gas in Canada?

OPEC? Should the foreign oil-producing cartel that has managed to force a fourfold increase in the international price of oil in just 18 months set the example for Canadian oil prices?

Should the oil companies in Canada have the power to fix the prices?

Or should it be the producing provinces?

Or the consuming provinces?

Or Ottawa?

I think the answer is: All Canadians. So does the Federal Government.

And the Federal Government is taking action to ensure that its answer is the one we have. We will continue discussions with the provinces to reach agreement on oil and natural gas prices. We will talk with both the producing and consuming provinces.

We haven't given up reaching an accord over prices despite the great difference of opinions expressed by the provinces at the conference of the Prime Minister and Premiers this month.

But, if no agreement can be found among the provinces, then Ottawa still intends that all Canadians through their Federal Government will have a voice in setting the price – through Bill C-32, the Petroleum Administration Act. The bill puts into a solid legislative framework the one-price oil policy that Ottawa established in co-operation with the provinces last year. That is the policy that has given Canada the lowest average oil price of any industrialized nation.

For domestic consumers of Western Canada crude oil, the price at the wellhead has been held at $6.50. An export charge has been collected on Canadian oil sales abroad and this revenue has provided a cushion for Eastern Canadian consumers of imported oil. Bill C-32 refines the legislative mechanism for the export charge and the cushion payment.

More than that, Bill C-32 will give the Federal Government the final voice in future oil and natural gas prices if the talks with the provinces break down.

We have sought passage of Bill C-32 for more than a year. It was first introduced in the last Parliament, but passage was stalled by the Conservatives. Bill C-32 never did make it into law before the Tories joined with the New Democrats to defeat the Government. With the new Parliament, the bill was re-introduced. But the Tories filibustered on. Only now does it appear that the legislative logjam they created will be broken.

Why? Because it now seems inevitable, that without an agreement among the provinces on future prices for oil, Alberta and Saskatchewan will increase the price themselves, and no one knows to what level. Consumers in the other provinces are concerned. They want the Federal Government to be able to ensure a reasonable price level through Bill C-32.

The increase in natural gas prices could be jarring to consumers too without C-32. An arbitration system has been established in Alberta which will bring about a price increase no later than November. How much of an increase no one knows – but without C-32 the Federal Government has no way of protecting the Canadian consumer from an increase that might be too big and too fast.

The Tories say they would rather give the Government power to block excessive oil and natural gas prices after the talks with the provinces break down. I say, let Parliament pass C-32 now with the Prime Minister's promise that the price-setting powers will not be proclaimed and used until, and if, the federal search for accord among the provinces shows no further hope.

For Ontario . . .

Food shortage predicted

One half of Canada's class 1 and one sixth of the class 11 agricultural land is in Ontario. Yet twenty-five years from now Ontario will have difficulty being self-sufficient in foods which can be reasonably produced locally.

According to a report by the Ontario Institute of Agrologists, even if productivity rises by 70 per cent the next 25 years, Ontario will have a shortfall of more than a million acres. The solution could create considerable higher food prices. Up to 2 milion acres of foodland with a lower food potential may have to be brought into productivity in Northern Ontario.

The report states that Ontario's most productive foodland is located in areas of high population. But because foodland priorities have been overshadowed by housing and industry, new policies will have to be developed to minimize the loss.

While acknowledging that Ontario grown food can be produced elsewhere, the report emphasizes the importance of being self-sufficent. It cites recent developments in the sugar industry as creating renewed interest in the production of sugar beets in Ontario. "The cutting off of soybean, even briefly, by the United States raised similar questions", the report says.

Among other things, the report recommends the Ontario Ministry of Agriculture and Food be given the responsibility for rejecting or approving any public or private land development involving class 1, 11 or 111 land. Soils in these categories are considered suitable for cultivated field crops.

At the conclusion of their annual meeting at Kemptville College, members of the Ontario Institute of Agrologists pledged to support the policies in the report. The organization has a membership of 1,200 professional agricultural workers, including the Minister of Agriculture and Food, William Stewart.

The Annual Tournament for the Season Champions Trophy was presented by Mr. Paul Monast on Saturday evening, at the Berwick Bowling Banquet for the Tuesday and Thursday Mixed Bowling League. The recipients of the Trophy were from the Thursday Night Mixed Bowling League and pictured above from the left, Elsie Jackson, Irene Ouderkirk, Jean Foster. Second row from the left are, Peter Wright, Bert Rady, Paul Monast and Garnet Rutley. Runners' up for the trophy were the Avonmore Mixed Bowling League. They were each presented with a gift from Monast Lanes. High singles and triples went to Irene Ouderkirk, 310; Ester Johnston, 644; Peter Monast, 311; and Percy Robertson, 794. — Staff Photo.

Area's First . . .

Embrun Peewees win ODMHA 'E' crown

The area's finest ODMHA "E"' team, the Embrun Peewees, coached by Marcel Blondin, with the help of Andy Snyder and Jack MacLaren posted the finest season of Embrun Minor Hockey's history, winning five tournament championships, in addition to the "E" division ODMHA crown.

Things began happening for Marcel's gang on February 1, 1975, as Embrun copped the "A" Championship at the Maxville Peewee Tournament, defeating the always-tough Alexandria Glens in the title game.

The following Saturday, Embrun travelled to Chesterville to participate in the Chesterville Peewee Tournament, and claimed the "B" Championship, losing their first game to Chesterville Legion Peewees, who went on to win the Championship.

Again the following Saturday, it was Embrun and Chesterville clashing head-on in the Championship game at Morrisburg's Tournament, with Embrun carrying off the Championship Trophy, defeating Chesterville, Legion 7 - 4 in an excellent game.

Embrun's momentum carried right into the prestigious Hull Tournament, acknowledged by many to be second only in status to the Quebec Peewee Tournamant. Again, Embrun won the "B" class, Championship Trophy, defeating Masham, Que., 10 - 7 in the title game. Also acknowledged in the Tournament were; Jim Cochrane, leading scorer; Mario Brisson, best defenceman; and Daniel Piche, M.V.P.

In League Play, Rockland eliminated Embrun in the league semi-finals.

Regrouping after being dumped in their league, Marcel, Jack and Andy got the kids to get it all together in the long search for the ODMHA crown. On April 5, Embrun defeated Barry's Bay 6-4, and the tough Richmond Royals 5-3. On April 12, Embrun met Winchester, at Richmond in the Championship game, defeating Winchester 6-3 to win the ODMHA "E" division championship, a most pretigious title.

Still, the momentum was building up for the huge Embrun Tournament, one that Embrun would dearly love to win. And win, they did, proving themselves the best of 24 Peewee teams. On the way to the cahmpionship, they defeated Vanier Flyers 4-3, Ottawa West Golden Knights 4-1, Ottawa West Optimists 5-1; and Russell, 19-0. They played the Championship game before 300 enthusiastic fans, defeating Nepean 7-4, to carry off their fifth tournament championship. Embrun's Robert Legault and Jim Cochrane finished 1-2 in the tournament scoring, with Daniel Piche being chosen M.V.P.

And so, after having a most impressive season, Embrun Peewees packed up their gear; with the challenge going out to other Embrun teams to pick up where the Peewee's left off.

Needless to say, Marcel Blondin, Jack MacLaren and Andy Snyder were pleased with their team's season record.

Berwick Bowlers hold Annual Banquet

The three top teams from the Berwick Tuesday Night Mixed Bowling League, competed in two nights of bowling against the three top teams from the Berwick Thursday Night Mixed League. The six teams rolled off at the Ingleside Lanes on Tuesday April 15, and at Monast Lanes in Chesterville on Thurs. April 17. Pictured above are the winners of the Berwick Mfg. Trophy, from the Tuesday Night Mixed Bowling League, which was presented at the Annual Banquet held at the Berwick Community Hall. From the left in the front row are: Margaret Kearns, Madolyn McMahon, and Barbara Lalonde. In the second row from the left are: Garnet Johnston, Bob Ouderkirk, Captain and Tony Sanders. — Staff Photo.

Pictured above are the top bowlers of the Tuesday and Thursday Mixed Bowling Leagues. Trophies were presented to them on Saturday Night at the Annual Banquet in Berwick. Seated from the left are: Janet Rutley, who had a high cross of 721; Barbara Lalonde, high cross of 701; Lillian Johnston with the high single and high average of 304 and 224; and Delia Hopmans, with a high single and high average of 302 and 199. Standing from the left are: Leonard Kearns, High average 209; Garnet Johnston, high average 209; Bob Ouderkirk, high single 312 and high average 204; Pete Wright, high cross 752; and Richard Murphy, high single 369 and high cross 824. — Staff Photo.

The runners-up for the Berwick Mfg. Trophy are from the Thursday Night Mixed League. Pictured above from the left are: Irene Murphy, Annie Manley and Jessie Ouderkirk. Back row from the left are Hill McCorriston, Chris VanTurnhout and Charlie Grady. — Staff Photo.

Elizabeth B. Sully

Elizabeth Birch Sully, a lifelong resident of R. R. 2, Greely, passed away following a short illness, at her residence, on Saturday, April 19, 1975. She was in her 91st year.

Born January 9, 1885, she was the daughter of the late George E. Sully and the former Ann Ruth Wilton.

The deceased was a member of the Metcalfe United Church.

Funeral services were held at Vice and Craig Ltd., Highway 31, at 2 p.m. on Tuesday, April 22nd. Rev. Dawes officiated. Interment was made in Metcalfe Union Cemetery.

Pallbearers were Albert Scrivens, Carmen Blair, Henry James, Carmen Patterson, Ivan Quinn and Robert Gamble.

Pallbearers were Terry Sullivan, Terry O'Connell, Ron Ragonald, Earl Merkley, Ken Sullivan and Jim Quinn.

Interment was made in the Parish Cemetery.

BOWLING

Wednesday Afternoon Ladies

High Single — Lucille Monast 287; High Triple — Marlene Stewart 681.

Berwick Mixed Bowlers hold wind-up banquet

Last Saturday night brought to an end another Bowling season for the Berwick Bowlers — the Tuesday Night League bowled at Ingleside and the Thursday Night League bowled in Chesterville.

A very delicious banquet was served by Berwick Women's Institute. And many trophies, prizes and door prizes were presented.

There was a short business session at the end of the banquet, which resulted in the following persons being elected:

Tuesday Night League — President, Richard Murphy; Secretary, Linda Vanturnhout; Treasurer, Madolyn McMahon.

Thursday Night League — President, Elsie Jackson; Secretary, Garnet Rutley and Treasurer, Arline Wright.

Dancing and Spot Dances were enjoyed by everyone until the wee hours of the morning.

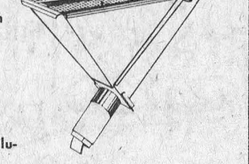
Nesseth manure handling systems

The dependable, low-cost way to pump manure

A practical solution!

Nesseth has invented a practical answer to the many problems presented by solid and liquid manure handling. Developed in 1970 and since proven on numerous U.S. and Canadian farms, the Piston Pump offers an inexpensive solution to rising machinery, labour and maintainance costs and stiffer pollution controls. Amoung its key features, the Nesseth system offers:

- a practical degree of mechanization with flexibility for varying types of livestock operations.
- a convenient and dependable way to remove manure from housing regardless of weather conditions.
- the opportunity to minimize odor and pollution indoors and outdoors, all year long.
- the ability to handle manure ranging from a semi-solid to liquid better than other manure handling systems.
- the choice of a custom-designed storage area to provide low-cost annual storage, open pits, stacks, or silos.
- the Nesseth Pit Pump ... operates from any point around the pit, (two models).



Manufactured by:
Nesseth, Inc.

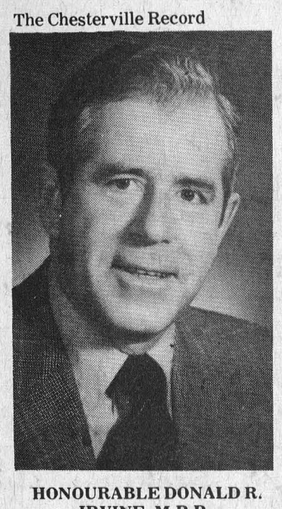
The Ontario Budget — 1975



HONOURABLE DONALD R. IRVINE, M.P.P., Grenville-Dundas, Minister of Housing

Room 1324, Whitney Block, Queen's Park, Toronto, Ontario (416)965-0529

On Monday, April 7th, the Honourable W. Darcy McKeough, Treasurer of Ontario, brought down the Ontario Budget, 1975. It was a complex document, coming at a time when all of us have experienced the effects of high rates of inflation coupled with world recession.

In preparing his budget, my colleague, Mr. McKeough, was faced with the difficult challenge of providing a stimulus to a lagging economy without adding fuel to the fires of inflation.

I believe that this challenge has been met, and the proposals before us will go far to ensure an economic upturn for our Province in the latter half of 1975. I would like to take this opportunity to review some of the highlights of the 1975 Budget.

Ass of us as consumers have felt the effects of inflation on our purchasing power. As a result, there has been a significant slow down in such areas as automobile sales, and sales of major appliances and home furnishings.

In order to stimulate consumer spending, the retail sales tax rate has been reduced from 7 percent to 5 percent effective until December 31st, 1975. This will provide the temporary stimulation the economy needs to achieve a higher level of performance. It is expected that the reduction of the sales tax will strengthen consumer spending on such items as cars, stoves, televisions, etc. With an increase in spending activity, there will be more production and hence more jobs — and jobs are what we need now.

In an effort to improve the competitive position of Ontario business in both domestic and foreign markets, the retail sales tax will be eliminated on purchases of production-related machinery. This exemption will apply to equipment ordered between now and January 1st, 1977, and delivered between now and December 31st, 1977. This measure is designed to encourage investment, broaden the industrial base and modernize Ontario production facilities.

A number of measures have been improved to assist those least able to cope with rising costs. For example, the guaranteed annual income system (gains) which was introduced in July of 1974, will be increased. Gains will guarantee $240 a month per person effective May 1st. This means a $2,880 guaranteed income for a single pensioner and $5,760 for a married couple. As a result of these improvements, our Province will offer the highest guaranteed income to pensioners anywhere in Canada.

In addition, the free prescription drug programme which came into effect last year for low-income pensioners and social assistance recipients will now be made available to all Ontario residents 65 and over. It is estimated that this drug programme will benefit approximately one million people, or one out of every eight people in the Province.

Farms will benefit from a provincial cost of production guarantee and improvements in gift tax exemptions and succession duties. Small business will also benefit from a doubling of its investment-related income tax credits and from a new programme of compensation for collecting provincial retail sales tax.

The Ontario Government will continue in its efforts to provide adequate housing for all residents at a price they can afford. To encourage greater home ownership, a First Home Buyer Grant Programme will provide $1,500 for anyone purchasing a first home in Ontario. The grant will cover new and used homes and apply regardless of the price of the home or the income of the purchaser. This plan will remain in effect until December 31st, 1975. The effective date for eligibility is the closing date of the sale. In addition, over half a billion dollars has been earmarked for housing related programmes during the fiscal year 1975-76.

The Ontario Government's assistance to municipalities has been increased for 1975 to a total of $380 billion and the following list shows the estimated figures to the nearest thousand the amounts given to Grenville-Dundas in 1974 and figures for 1975 for comparison:—

Towns	1974	1975
Kemptville	78,000	122,000
Prescott	208,000	308,000
Villages		
Cardinal	46,000	79,000
Chesterville	45,000	97,000
Iroquois	14,000	18,000
Merrickville	24,000	31,000
Morrisburg	43,000	57,000
Winchester	34,000	66,000
Townships		
Augusta	54,000	88,000
Edwardsburgh	68,000	83,000
Matilda	59,000	76,000
Mountain	48,000	61,000
Oxford-on-Rideau	51,000	55,000
Williamsburgh	52,000	68,000
Winchester	68,000	65,000
Wolford	16,000	18,000
	908,000	1,292,000

I believe that the Ontario Budget for 1975 presents strong and concrete proposals which will ensure the economic integrity of our Province in both the short and long term. In the words of the Treasurer of Ontario:

"This Budget will be an important factor in restoring Ontario to its accustomed prosperity and in ensuring that all of our people share in that prosperity."

The Defenders came out the winners in a Mens' Tournament held at Monast Bowling Lanes in Chesterville. A high single was rolled by Warman Barnard of 310. The total pinfall for the team was 3763. Pictured above are from the left: Otto Sartor, Ralph Dillabough and Dwayne Hall. In the back are Warman Barnard and Shaler Hill. Absent when the photo was taken was Pete DeRooy. Runners'-up for this trophy was the Avonmore Men's League. — Staff Photo.

Our sympathy is extended to Mrs. Carl MacDonald, in the loss of her brother, Mr. Bruce Hartwell.

Mrs. Bert Weegar, Morewood, was a dinner guest on Wednesday with Mr. and Mrs. Oliver Gallinger.

Visitors on Sunday with Mrs. Norah Disotell and Larry, were Mr. and Mrs. Raymond Disotell and family, of Williamsburg, also Mr. and Mrs. Clayton Disotell and family of Martintown.

Mr. George Hanna, Finch visited on Wednesday with Mr. and Mrs. Oliver Gallinger.

Mr. and Mrs. Sterling Liscombe and family of Conistan, are spending a few days, with the latter's sister, Mrs. Carl MacDonald, Mr. MacDonald and family.

George Hanna, Finch, called on Claude Weegar, on Wednesday.

Miss Margaret Weegar, Smiths Falls and Mrs. Dennison, visited on Sunday with their father, they also visited their mother who is a patient in Winchester Memorial Hospital.

Mr. Randy Eden, Ingleside was a tea guest on Monday with Mr. and Mrs. Oliver Gallinger and Charlene.

Mainly About People

Mr. and Mrs. James Moran left April 26, for a Great West Life Convention in San Diego, California.

Mr. Moran qualified for the trip by being 14th in the Company out of 1,400 salesman, in the U.S.A. and Canada.

Sunday dinner guests at the home of Mr. and Mrs. Leo Cloutier and Guy were; Mrs. W. T. Nolan of Sarsfield, Mr. and Mrs. Everett Empey of Morrisburg, Mr. and Mrs. Jack Nolan and Bill, Mr. and Mrs. Larry Nolan and Jason, of Hammond and Mr. and Mrs. Marc Lafleur of Vanier.

Stormont 4-H Beef Club names officers

The first meeting of the Stormont 4-H Beef Club was held on April 17th, at the farm of Hubert Fleming. Fifteen members were present, along with Club Leader Michal Wert, and assistant Agricultural Representative Brian Wilson.

The meeting opened with a film on points of how to hold a meeting. Nominations for club officers were held. The following were elected: President — Keven Aitkens; Vice President — Kathy Fleming; Secretary Treasurer — Randy Loewen; Press Reporter — Gayle Fleming.

After nominations, various topics were discussed and 4-H books handed out. The meeting was then adjourned and lunch was served.

The next meeting will be held at the farm of Bill Wert, Lunenburg. New members will be welcomed.

Results of field experiments prove

GREATER VEGETATIVE YIELD HIGHER PROTEIN CONTENT

when crops are fertilized with

NUTRITE THREE STAR*** NUTRITE FIVE STAR*****

Reason? Nutrite supplies two vital elements that are missing from most other NPK fertilizers — **sulphur and magnesium** — two essential plant food elements needed by crops in substantial amounts.
Nutrite's premium fertilizers are specially formulated to put these two important elements — sulphur and magnesium, plus others such as boron and zinc — back into the soil.
Result? Tests carried out over a three-year period show that the addition of sulphur and magnesium to high analysis NPK fertilizers **substantially increase yield, test weight and protein content of the crop.**

Ambulance visits St. Mary's School

On Tuesday afternoon, of last week, in keeping with the theme "We Learn from Others", a group of five, six and seven-year-olds at St. Mary's School received a visit from two members of the Seaway Valley Ambulance Service.

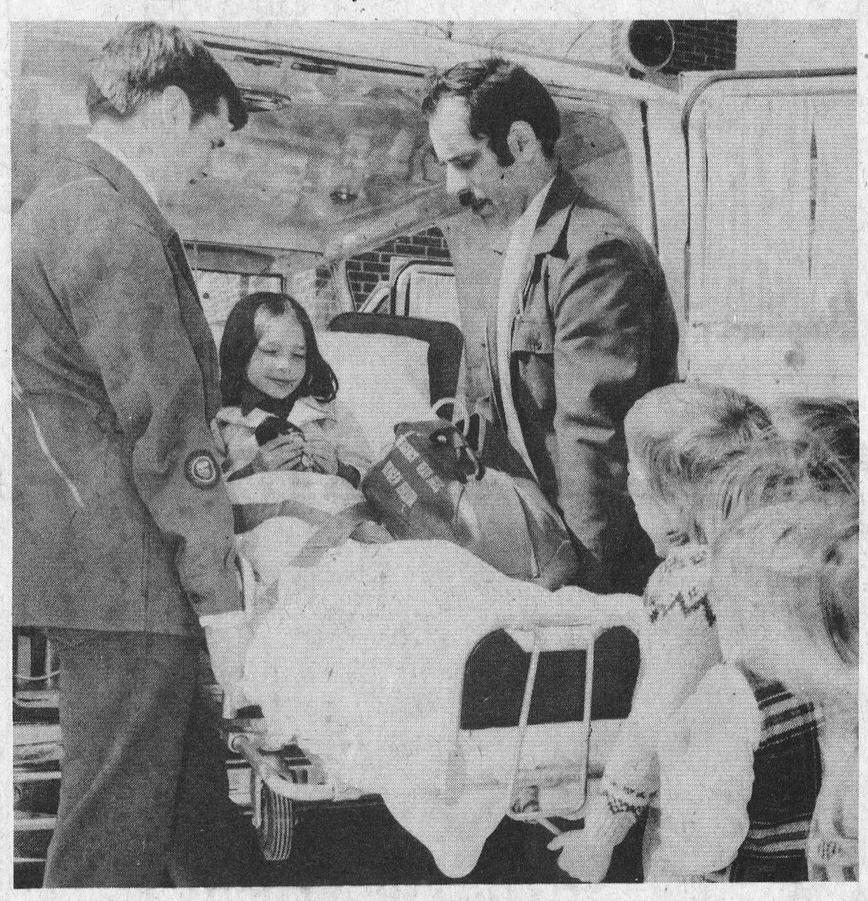
The attendants brought into the classroom several pieces of equipment. The children were allowed to handle splints, try out different kinds of stretchers, have bandages applied and listen to their heartbeats.

At the culmination of the in-classroom presentation, one of the children were bundled onto the stretcher and wheeled outside to the waiting ambulance, followed by her very excited classmates.

While in the ambulance the children heard the attendant talk to Winchester Hospital on the two-way radio, were invited to handle the equipment and had a first-hand 'taste' of the oxygen, under the supervision of the attendant.

Flashing lights and the siren closed the visit on a high note. After such an exciting and valuable experience the children should certainly not be frightened at the thought of riding in an ambulance.

Anna Van Delst and Garry Purcell



Doug Phelon and Garry Purcell of the Seaway Valley Ambulance Service demonstrate how a person is placed on a stretcher and taken to the ambulance in an emergency. Students at St. Mary's School, Chesterville were given the exciting experience of watching Diane St. Louis go through a make believe ambulance call. — Staff Photo.

Local Scouter honoured

The Medallion of Honor, one of Scouting's highest awards, was bestowed upon the Reverend E. Earle Eaton of Chesterville on the occasion of the Annual Scouters' Dinner-Dance at Iroquois.

Bill Sutherland of Ottawa, Assistant Provincial Scout Commissioner placed the medallion, a gold disc bearing the Scout emblem, with name and date engraved, about the neck of the recipient.

Mr. Eaton, who a few months ago was awarded the Medal of Merit at a Scouters' meeting also held at Iroquois, has given fifty-eight years to the Scouting movement, including in his activities assisting with the introduction of Cubbing and the Religion in Life award, is currently Public Relations representative for St. Lawrence District and Chaplain of Chesterville Scouts and Cubs.

Mrs. D. Wallis hosts Newington W.I.

On Wednesday evening, April 23rd, the Newington Cedar Brae Women's Institute held its annual meeting at the home of Mrs. Douglas Wallis. The president, Mrs. George Zeran, welcomed the members and guests. Mrs. Charles Smith acted as secretary.

The motto was 'One who bottles up sunshine is a corker' and the roll call, 'Smile and Pay' was answered by seventeen members.

The district director, Mrs. Lawrence Steele, gave her report of the executive meeting of the district directors which was held recently in the library at Newington. Mrs. William Pettit, Mrs. Alex McLean, Mrs. Muriel McMillan and Mrs. Ken Snetsinger were appointed delegates to the District Annual which is to be held on Lunenburg in late May and hosted by the Dixon W.I.

The resolutions to be presented at the District Annual were read, discussed, and voted on.

The president thanked the members for their co-operation during her term of office.

Mrs. Charles Smith then acted as chairman and Mrs. Lawrence Steele as secretary for the installation of the officers for the coming year, who are as follows: Past President, Mrs. George Zeran; President, Mrs. William Pettit; Second Vice-President, Mrs. George Zeran; Secretary, Mrs. Arnold Loverin; Treasurer, Mrs. J. P. Courneyea; District Director, Mrs. Charles Smith, Alternate, Mrs. Lawrence Steele; Auditors, Mrs. Edward Sloan and Mrs. Ken Snetsinger; Curators, Mrs. John Simpson and Mrs. Gerald Duvall; Pianist, Mrs. Darlene McLeod; Public Relations Officer, Mrs. Ken Snetsinger.

Conveners of Standing Committees: Citizenship and World Affairs, Mrs. Charles Smith; Agriculture and Canadain Industries, Mrs. Russell Presley; Family and Consumer Affairs, Mrs. Donald Nicholson; Education and Cultural Activities, Mrs. Mansel Flegg; Resolutions, Mrs. Lawrence Steele; Sick and Card Convener, Mrs. Clifford Rombough; Branch Directors, Mrs. Gerald Duvall, Mrs. Charles Tait; Mrs. John Simpson, Mrs. J. P. Courneyea, and Mrs. George Zeran.

Mrs. George Zeran thanked the hostess and lunch conveners, Mrs. John Simpson and Mrs. Wesley Meldrum.

The May meeting will be held at the home of Mrs. Alex McLean. The curators, Mrs. John Simpson and Mrs. Gerald Duvall will be in charge of the program and a workshop is planned.

Mariners mark April Advance

Members of Mariners With Christ and their friends, more than a score in number, met at Eatonholme in Chesterville Tuesday evening for their April "sailing" of the "Good Ship Faith" at "Chesterville Harbor".

The Reverend E. Earle Eaton was host. First Mate Garnet Johnston piloted the "ship". Mrs. Milton Shay, purser, "logged the voyage". Captain Eaton gave the Mariners' report. Prayer was offered by the Reverend R. T. Benson. Music was furnished by James Bray, accordionist. other participants included Mrs. Duart MacLean and Mrs. Burt Sharkey.

Speaker of the evening was the Reverend A. Edgeley of Morrisburg, who was accompanied by his prayer group.

Reports were given on the large new highway Gospel sign erected at Winchester, and the formation of a Mariners' "Harbor" at Kemptville. members were present from Winchester, Metcalfe, Newington, Finch, Morrisburg and Iroquois, as well as Chesterville. Refreshments were served by a hospitality comprising Mrs. Garnet Johnston, Mrs. Duart MacLean, Mrs. Milton Shay and Mrs. Lorne Feeley.

Prayers were offered for the sick, cards signed, and an offering was received for the work of the Mariners.

ENGAGEMENT

Mr. and Mrs. Garnet Ezard, of Osnabruck Centre, are pleased to announce the forthcoming marriage of their daughter, Nancy Ann to Mr. C. Brent Eamon, son of Mr. and Mrs. Charles Eamon of Morrisburg. The Wedding will take place June 14th, 1975 at 4:30 p.m. in Trinity United Church, Ingleside. 34

ANNOUNCEMENT

Mr. and Mrs. Alex Wattie, of Avonmore, are pleased to announce the approaching marriage of their daughter Claudette to James White, son of Mr. Edward White, of Cornwall, on May 10th, 1975, St. Anthony's Parish, Apple Hill, at 4 p.m. 34

CARD OF THANKS

A most sincere 'Thank You' to my friends and neighbours for their cards, gifts and visits while I was a patient in Memorial Hospital, Special thanks to Dr. H. W. Justus, the Clergy and nurses on 2nd Floor.

BEST PRICE...BEST VALUE
in all North America! Compare... and prove it for yourself!

CANADIAN TIRE

2+2+2 Multi-Cord
...Best bias-belted tire made! HERE'S WHY:

- **2 Body Plies of stronger-than-ever Du Pont 66 Nylon** ensure twice the 'Run-Soft, Safe Warning Time' possible only with Nylon (see Nevada Test results posted in your local Canadian Tire store).
- **2 Body Plies of non-flat-spotting Polyester** —smooth-riding comfort.
- **2 Belts of Kevlar (Fibre B)** to hold tread firm from squirm and achieve almost double the mileage of many other tires.

Kevlar (Fibre B) is the revolutionary new cord developed by Du Pont for the longer-mileage tires like bias-belts and radials. Provides a "softer-than-steel' ride. Won't kink like steel or fail like glass under severe compression. And its fewer pounds mean less unsprung weight per wheel resulting in less front-end wear. All of which adds up to a super tire ... and, we believe, one of the best tire values in all North America. Prove it for yourself.

Multi-Cord 2+2: Drop Polyester from our 2+2+2 tire, use giant Nylon cords instead and this simplified construction retains most performance features of its big brother 2+2+2—at considerably lower cost. 33,000-Mile Treadwear-Rated!

2+2+2 MULTI-CORD Kevlar (Fibre B) Belted WHITEWALL WIDE-TRACK SIZE	2 TIRES or more EACH after discount for cash	2+2 Multi-Cord Kevlar-Belted

2+2: 33,000-Mile Treadwear-Rated!

4+2 Glass-Belted
...STRONGEST glass-belted construction

OUR 'BELT-O-GLASS'—THE PERFECT EXAMPLE

- **4 Body Plies of stronger-than-ever Du Pont 66** Nylon instead of the generally-used 2 body plies on most new cars.
- **2 Glass Belts** for extra strength, extra mileage.

That 4+2 construction in our 'Belt-O-Glass' provides 6 undertread plies for extra strength and extra safety. (That doubles up the sidewall plies too!) Those 4 body plies of Du Pont 66 Nylon give twice the 'Run-Soft, Safe Warning Time' (see the Nevada Desert Test results posted in the tire department of our stores). Naturally this construction is costlier to make and is seldom offered for sale elsewhere, let alone at our famous value-packed prices. Your slight extra cost represents an investment that will pay off many times over in more tread miles, more gas miles ... and that big increase in safety!

Dundas District Women's Institute celebrated their 70th Anniversary last Wednesday. Over two hundred and fifty ladies enjoyed a turkey dinner held in Iroqouis Church hall. Above taking part in the cake cutting ceremony from the left Mrs. J. Lemon, 1st Vice-President; Mrs. J. G. Woods, President; and Mrs. A. Carkner, Past-President. — Staff Photo.

History project . . .

Tweedsmuir important part of W.I. program

During Lord Tweedsmuir's term as Governor General, Lady Tweedsmuir showed a lively interest in Women's Institutes in Canada.

Herself, a writer steeped in the local history of her native Scotland, she was quick to realize the important role the Institute could play in preserving local history in Canada.

Mrs. Tweedsmuir suggested that each branch undertake such an on-going project as a worthwhile objective. The idea caught on rapidly and today the Tweedsmuir History (so named in her honor) is a vital part of the Institute program.

Curators are appointed by the local branch to edit and arrange items of historical importance for the volume, which is standard in size and quality. When a volume is finished it is passed on to the District Curator who assesses it for style and authenticity, before it is sent to the Department of Agriculture, in Toronto, to be microfilmed.

The film is then turned over to the Provincial Archives and the original becomes the property of the Branch, where it is available on request for students and interested persons.

DISTRICT NEWS

South Mountain

Mrs. Ambrose Murphy and children, Miss Patsy Doyle and Mrs. Bernard Taschereau and Mary Lyn, all of Ottawa, spent last week-end with their mother Mrs. Neil Doyle.

Mrs. John Johnston and granddaughter Mrs. Herman Sandfuchs, of Cardinal, had a surprise birthday gathering on Saturday evening for the latter's mother, Mrs. Basil Watson, Cardinal. The family enjoyed a birthday cake and coffee with drinks for the children.

On Sunday evening the family of Mr. and Mrs. Basil Casselman gathered at their home in Winchester Springs and then all went to the Country Kitchen Restaurant and enjoyed a turkey dinner, in honour of Mr. and Mrs. Casselman's 30th Wedding Anniversary, also their son Jack's 21st Birthday. The guests included Mr. and Mrs. Douglas Dillabough and Wayne Casselman, all of Ottawa, Mrs. John Johnston of South Mountain and Mr. and Mrs. Jackie Casselman of Winchester Springs. Mr. and Mrs. Terry Woods were away for the week-end and were unable to attend.

The ladies of South Mountain Women's Institute enjoyed a turkey dinner on Wednesday evening at 7 p.m., April 23 at Iroquois where the 70th Anniversary of the Women's Institute was celebrated. A large crowd was in attendance. Mrs. D. McLaughlin showed pictures of a trip to Jamaica and Australia that she had been on. A sing-song was led by Mrs. Jane Graham. The evening was brought to a close by the singing of the National Anthem.

Winchester Springs

Rev. N. T. Holmes and Mrs. Holmes of Hamilton, spent the week end with Mr. and Mrs. Irwin Holmes.

Mr. Peter Leyenaar visited relatives in the Netherlands, before continuing his graduate studies at the University of Ghana having completed his preliminary studies at the University of Guelph.

Mr. and Mrs. Thomas Holmes of Prescott, had dinner on Sunday with Mr. and Mrs. Lawrence Holmes, Laura and Linda.

Mr. and Mrs. Delbert Casselman are now spending a few days in Ottawa with relatives.

Several from here attended the 25th Anniversary Party for Mr. and Mrs. Ray Casselman in Chesterville Community Hall.

Miss Grace Myers, Mr. and Mrs. Allan Davidson, Mrs. Alvin Steele, Mrs. Lorna Summers and children all of Ottawa, visited relatives here on Sunday and attended the Centennial Service.

Mr. and Mrs. George Wood and John, Mr. and Mrs. George A. Holmes and children of Ottawa, had supper on Sunday night with their parents Mr. and Mrs. Harry Holmes.

Mrs. Leslie Holmes of Ottawa, spent the past week with Mrs. James Herriman.

Mrs. Dorothy Coons and Mrs. Jim Hesson of Ingleside called on Mrs. Frank Nesbitt on Tuesday.

Nation Valley

Mr. and Mrs. Calvin Dillabough accompanied Mr. and Mrs. Lyle Munro to Kingston on Thursday and visited Mrs. Clifford Young, who is a patient in the Kingston General Hospital.

Mr. Dwayne Servage, Elma, and Mrs. Richard McMillan and baby, Montreal, had dinner on Friday with Mr. and Mrs. Kenneth Merkley.

Euchre was held on Friday evening in the Nation Valley Memorial Centre. With prizes going to the following — Ladies', Stella Parker, Leila Merkley and Lola Young; Men, Mr. Barton, Richard Brunett and Delbert Young. Harold Nottell won the door prize.

Mrs. William Lloyd, Adanac, Sask., has been visiting Mr. and Mrs. Lloyd Merkley and other relatives this past week.

Supper guests on Sunday with Mr. and Mrs. Lyle Munro were Mr. and Mrs. Calvin Dillabough and Mr. and Mrs. Miles Munro.

Mr. and Mrs. William Gillard and family, Finch, were supper guests on Sunday with Mr. and Mrs. Glen Robinson and family.

'Curriculum Night' held at St. Mary's School

Guest speakers for "Curriculum Night" held at St. Mary's Wednesday evening, were Mr. Percy Beaudette, Superintendent and Mr. Kenn Johnson, Ministry of Education, Region 10, Ottawa. Both speakers were introduced and thanked by Mr. Adrian Laflamme, P.T.A. President.

Parents played the role of their child in various creative, intellectual, artistic and phsical learning activities that were set up by the teachers of St. Bernard's and St. Mary's

These experiences involved Religion, Communications, Integrated Studies, French, Music and Social Studies.

Following the curriculum events a panel which consisted of Mr. Kenn Johnson, Ministry of Education; Mrs. Bert Moore, Parent; Mrs. Martin Van Delst, Parent and Mrs. Percy Beaudette, Area Superintendent; Mrs. Shirley Redmond, Chairman of Co-operative Evaluation Committee and Mr. Sarsfield O'Connor, Trustee, answered questions on various aspects of education to-day.

Guests involved in the learning enviroment held at St. Mary's School last Wednesday evening were front row, from the left, Mrs. Helena VanDelst; Mrs. Shirley Redmond, chairman, co-operative Committee Evaluation, Cornwall; Mrs. Theresa Moore. Back row, from the left, Kenn Johnson, Educational Officer, Ministry of Education, Region 10, Ottawa; Percy Beaudette, Area Superintendent, S. D. & G. County R.C.S.S. Board of Education, Cornwall; Vincent Caron, Superintendent of Curriculum, Ministry of Education, Region 10. Ottawa; Sarsfield O'Connor, Trustee. — Staff Photo.

Last week St. Bernard's and St. Mary's C.P.T.A. held a "Curriculum Night". Parent played the role of their children in various creative, intellectual, artistic and learning activities that were set up by the teachers. In the photo above, parents take part in a non-verbal communication as they take on their child's role, expressing themselves through creative movement to the beat of a bongo drum played by Miss Terri Renahan, teacher. — Staff Photo.

Effective May 1 the minimum wage goes up.

And it now includes agricultural workers.

Everyone in Ontario who's covered by the Minimum Wage Act—and that now includes agricultural workers—will be entitled to an increase beginning May 1.

The new basic rate will be $2.40 an hour.

All agricultural workers engaged in the harvesting of fruit, field vegetables and tobacco will be entitled to the new rate.

People employed by agencies as domestics and people working as funeral directors or embalmers must be paid not less than $2.40 an hour. Learners in general industry must be paid at least $2.30 an hour during their first month of employment, and the full rate after that.

Those employed in construction work or as construction site guards are now entitled to at least $2.65 an hour. There is no learner's rate in the construction industry. Ambulance drivers, helpers and first-aid attendants must now receive at least $115.20 a week or, if they work less than 48 hours in a week, the regular rate of $2.40 an hour. Students under 18 who work 28 hours a week or less, or during school holidays, must receive at least $2.00 an hour.

When employees occupy a room or eat meals supplied by their employer, $10.00 per week for the room and $1.05 for each meal or $22.00 per week for meals may be included when calculating the minimum wage.

Employers of agricultural workers who are entitled to minimum wage will be limited in the maximum deductions they can make from minimum wage, for room and board to $32.00 per week; for the provision of a fully serviced house to $40.00 per week; and provision of an unserviced house to $30.00 per week.

This picture indicates that the 'Welcome Wagon Lady', Carole Berkers, received a warm welcome when she made her first call last week. The Recipients of the basket of 'Goodies' Mrs. Berkers totes, in this case, were Mr. and Mrs. Wayne Quinn, newcomers to Chesterville. — Staff PHoto.

A Friendly Greeting . . .

From Carole Berkers of 'Welcome Wagon'

Some weeks ago Mrs. Carole Berkers applied for a position with the Welcome Wagon Association, she was accepted and last week Mrs. Berkers made her first official visit. Mr. and Mrs. Wayne Quinn of Ralph Street, Chesterville, were the first family in the area to be called upon.

Mrs. Berkers as the local representative of Welcome Wagon, which in turn represents local business people, will provide new residents to the village with a warm 'hello'. As well as gifts, letters of welcome and helpful information about the places of worship, schools, volunteer and service clubs and recreation facilities.

Contrary to popular belief, Welcome Wagon is not a **volunteer agency, but a company** with local headquarters in Toronto, and is now spread throughout the world. It is sponsored by community-minded business people interested in giving newcomers cheerful start in their new community.

Mrs. Berkers stated that the support of the local business people, in launching this new service, has been most encouraging.

It almost seems a certainty that Welcome Wagon Chesterville will prove to be a great asset in helping to make the community a better place to live, grow and enjoy yourself.

Morrisburg Midgets have great season . . .

Named Champions of eight 'A' tournaments

The Morrisburg Midget 'A' Hockey Team ended a great season of hockey by winning yet another tournament, to be declared the 'A' Champs at the Canterbury Hockey Tournament on April 20th.

With this win it brought their season's total to eight 'A' Championship wins at tournaments held at Morrisburg, Prescott, Cardinal, Athens, Spencerville, Chesterville, Long Sault and Canterbury.

The Morrisburg team enjoyed a great year as they also defeated Prescott, Athens and Cardinal in the play-offs to be declared the Upper St. Lawrence League Champions.

The team continued its winning ways by defeating Long Sault and Muskrat All Stars to take the O.D.M.H.A. Championship.

During the 74-75 season the team played a total of 84 games, won 75, tied 4 lost 5. They scored 442 goals, had 108 scored against them and had a total of 27 shut-outs.

The boys, their coach Paul Osler and manager Bob McIntosh, expressed their appreciation to their parents, the fans and all who helped to make the past season such a success.

Morrisburg Midgets . . . front row from the left — Barry Casselman, Bill Morrow, Jeff Fowler, Bob McNairn (Captain), Steve Guy and Jeff Cassell. 2nd Row from left — Paul Osler (Coach), David Tait, Fred Osler, Garry McIntosh, Kevin Mackler, Steven Smith and Bob McIntosh (Manager). SPRING CONFERENCE —
(continued from page 1)

man and her committee.

Head table speakers — Mr. Charette, Chairman of O.H.A., District 9, Ottawa; Mr. George Elliott, Chairman of the local Hospital Board; Mr. H. P. Stel, Administrator and Miss B. Legris, Director of Nursing for W.D.M.H., all expanded on the theme of the importance of volunteers in their areas.

After a short business meeting, the visitors adjourned to the local hospital where tours had been arranged by Miss Madge Coons, of the hospital staff, and Mrs. Rose Breman, Director of Volunteers.

Tea was served in the Conference Room with former W.D.M.H. Auxiliary Presidents presiding — Mrs. Delia Robinson, Mrs. Wilma Ledgerwood, Miss Bayne (for Mrs. Mahlon Locke) and Mrs. Rose Campbell (for Mrs. Colin MacGregor.

At the tea it was noted that the hospital and dietary staffs should be complimented for the excellence of their arrangements and the members of the Auxiliary for their co-operation and generosity.

TRUSTEE COMMENDED —
(continued from page 1)

Institute, a series of tests to students presently at the Grade 1 Level, who have had the opportunity to be involved in the French Intensive Kindergarten Programme, and presently taking forty minutes of French daily.

The results of the tests was gratifying and revealed that those students who have participated in the French Intensive Programme are performing in French at a level of a Grade Three student following core French Programmes, and that they perform in English at a Level equal to their peers taking an English Programme daily.

Approval of the following recommendations were made by the Board regarding the disposal of North Stormont High School —

(a) Explore the feasibility of using North Stormont District High School for elementary school purposes;

(b) Explore the feasibility of adding facilities at Berwick Public School for Home Economics, Industrial Arts, General Purpose Room, Library and additional classrooms;

(c) Consults — the School Committee of Finch and Berwick Public Schools, the Council of the Village of Finch, the Council of the Township of Finch.

Mainly About People

Mr. and Mrs. Morrison of Toronto and Miss Margaret Nicholl of Oshawa and Mr. and Mrs. Tommy Mallet of Goldfield were guests of Miss Margaret and Hubert Ouderkirk.

CARDS OF THANKS

CARD OF THANKS

We wish to express our sincere thanks and appreciation to our friends, relatives and neighbours for the many acts of kindness and messages of sympathy, which will always be remembered. Special thanks to Vice and Craig Funeral Home, Rev. Ferguson, the pallbearers and to anyone who helped in any way during our bereavement of a dear son and brother.

Mrs. Hartwell and family
34

CARD OF THANKS

On behalf of my family and myself, I would like to express my sincere thanks and appreciation to all friends, relatives and neighbours for their cards, sympathy messages, floral tributes and Cancer donations received at the bereavement of my dear wife Kathleen. Special thanks to Rev. George Tomita, Brownlee Funeral Home, Dr. L. A. Caldwell and nursing staff of Cornwall General Hospital. And to friends in Strathmore, Avonmore and Newington areas who sent food and served in our time of sorrow. Your kindness will always be remembered.

Leonard Ferguson and family
34

CARD OF THANKS

The Staff and Students of St. Mary's School would like to say "Thank You" to the Community and express our appreciation for their co-operation in helping to promote the theme of Education Week Learning — A Co-operative Community Enterprise. 34-1

CARD OF THANKS

Our sincere thanks and appreciation to friends, relatives and neighbours for their cards, sympathy messages, floral tributes and Cancer donations received in the bereavement of my only sister Kathleen Ferguson. Special thanks to Rev. George Tomita, Brownlee Funeral Home, Dr. L. A. Caldwell, Leonard's sisters and brother who were so kind to us. Thanks to all who sent food and served it at Newington, Avonmore & Strathmore. Your kindnesses will always be remembered.

Harold and Lois Armstrong and family, Newington
34

CARD OF THANKS

I wish to express my sincere thanks to my friends and neighbours for their cards and visits, while I was a patient in the Winchester Memorial Hospital, also to Rev. Allen Clifford, and Drs. Domanko and Chande, nursing staff of first floor.

Donald Ault
34-1

CARD OF THANKS

Many thanks to relatives, friends and neighbours for their kindness, and to those who remembered me with cards, gifts, visits and personal calls, while I was a patient in Civic Hospital, Ottawa. Also special thanks to Rev. Mr. Benson for his kindness.

Samuel Carbino

CARD OF THANKS

We wish to express our sincere appreciation to our friends, neighbours and relatives for the lovely gifts, flowers, cards and messages of congratulations on the occasion of our 25th Wedding Anniversary. Thank you, Susan, Karen and Deltra for the party in the Chesterville Community Hall and to all who assisted in any way to make the party such a success and memorable night for us.

Bud and Audrey Craik
34

CARD OF THANKS

Many thanks to my neighbours, relatives and friends for their gifts, cards, flowers and visits, while I was a patient in Winchester District Memorial and Civic Hospitals. A very special "Thanks" to the staff on the 2nd floor, visiting clergy and my close neighbours for taking such good care of my family.

Mrs. Eunice Carruthers

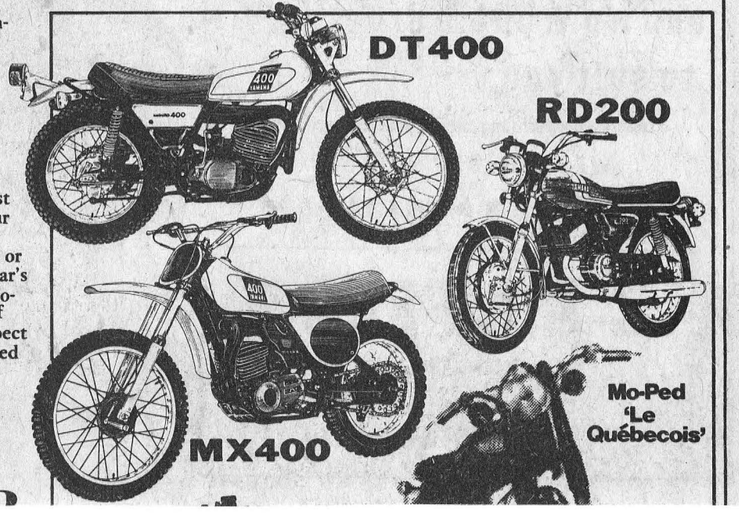
Yamaha for '75: a bike for every rider.

What do Enduro riders, desert rats, complacent commuters, trippy trail blazers and muddy motocrossers have in common? YAMAHA!

Yamaha makes a bike for every kind of riding and every kind of rider. This year the line-up is better than ever. Our Enduros and Trials bikes supply more torque in the low RPM's to get you through, over and under just about anything Mother Nature can devise. Our road bikes run smooth and steady through a wide powerband to make riding around town or long distance touring a real pleasure. This year's 250 and 400 motocrossers have the new Monocross® suspension guaranteed to take some of the bumps out of the grind. And you can expect a lot of good fun on our Minis and new Mo-Ped "Le Québecois". Whether you're a beginner or you've been around for a while, once you get on a Yamaha, you'll want to keep on riding. . .



DON WEEGAR

As I See It

By Mike Rowden

Well, it looks like the M.P.'s got the raise they promised themselves . . . Trudeau is out of the country again. And no one around Parliament Hill is overly worried about inflation — at least that's what we are led to believe, judging from their actions.

In any case there is something else that has come up that should take peoples' minds off the high cost of living . . . the resurrection of the argument for better gun control, either by registration or something. There is a large part of the population that feels that guns are too easily acquired and often by the wrong people. Couldn't agree more, though no matter what type of restriction or registration is put on the purchase or owning of guns — if the wrong people want a gun, they will find the means and ways to get one.

What else gets me is the arguments that are used by various groups of people when it comes down to the definition and reasons for having a gun, what a gun is, and if it is a person's right to own one.

There would appear to me to be so many grey areas connected with the whole question of guns, that no effective measure of control can be assured until society, as a whole, recognizes that a gun has one prime purpose. It is intended for killing. It was designed for that basic purpose, whether human life or otherwise.

Watching W5 on Sunday evening I was interested in the argument going on about guns. Some seemed to think that to deny people the right to own a gun was against their civil liberties. When Mr. Leggatt, MP, quoted statistics and figures showing that more homicides were committed because of guns and argued for registration, some of the audience brought out their arguments against such a move.

A strip of film showed a fifteen-year-old boy buying a gun, even ordering five of them over the phone.

When asked why he wanted a gun, his answer was that he always wanted one and now that he was approaching manhood, he felt the time was right. In fact he felt he should have been allowed one when he was fourteen.

When it comes to a question of age, there is no age when it is right to own a gun . . . using age as a judge of maturity and common sense.

I know grown up people who are too immature to be owning a gun and who show less sense in operating the weapon, than some sixteen-year-olds or even some younger ones.

One group on the TV Show claimed the gun was a tool. Now I ask you. How the dickens can such a thing be described to being a tool? In a sense it is, but certainly not a tool in the broader sense. Tools have been designed for years for construction of development. I hope someone can show me where a gun has constructed or designed anything. It was and is, at least 99 percent of the time, designed and used for destruction. About the only place where the gun is not used for killing is in skeet shooting or target practice. They are even designed for that specific purpose but are still capable of killing when directed at some form of life and the trigger is pulled.

Even eight-year-olds know that a gun is designed for killing, and if you don't believe me listen to them playing with their carbon copies of the 'real things' . . . "Bang, you're dead" or "I'm not going to play anymore, you won't fall down when I shoot you."

Tools, toys or play things, I think not. A gun is a lethal weapon and the degree of leathalness is in the hands of the owner. Guns can and always will be instruments of destruction and death to someone or something. The few that are used for target practice won't make much difference either.

Some say that a person should have the right to own a gun, for protection. Chances are that a person owning a gun and trying to use it to protect himself against an aggressor, will find that the aggressor with a gun, is more used to the weapon and in most cases a lot more proficient in its use.

We still like to think that it is more serious to shoot down an unarmed person, than one who is armed . . . a carryover from the 'Old west days.'

Registration and tighter controls, and their enforcement, can help solve the gun problems. As far as owning a gun being a person's right — baloney. It's a privilege and the meaning of the two words shouldn't be confused. Just like some people think it is a right to drive a car . . . it isn't. It's a privilege and one that is often abused.

Well, I've sounded off on my reasoning. What's yours?

George M. Jeacle

George Milton Jeacle, retired farmer, passed away in his 71st year at the Riverside Hospital after a 3 month illness.

The lifetime Metcalfe resident was a member of the Masonic Lodge No. 749, Russell, and an active member of the Metcalfe Anglican Church.

He was the son of the late William Phillip Jeacle and the former Victoria Elizabeth Stanley.

He is survived by his wife the former Hilda May Woods, and also leaves to mourn, one daughter Joan, (Mrs. John Ferguson), Ottawa, three sons, Earl of Ingleside and Bill and Iven both of Metcalfe, four sisters, Bessie (Mrs. Gordon West), Rita (Mrs. Hebert Gregory), both of Ottawa, Edna (Mrs. Willis McRostie) of Manotick and one brother Stewart of Metcalfe. He was predeceased by a sister Ethel (Mrs. Ken Dow) of Metcalfe.

Funeral arrangements were from Vice & Craig, Ltd., Metcalfe, on Thursday, April 17, at 3:30 p.m. Services were officiated by Rev. H. Hamble.

Pallbearers were Don Morris, Scott Argue, Hank Hansen, Charlie Wallace, Gerald Morris and Doc Arnold Taylor.

Interment was made in All Saints Cemetery, Greely, Ont.

Maynard McDiarmid

A farmer of R. R. 4, Osgoode, Maynard Harry McDiarmid, died in Winchester and District Memorial Hospital on Friday, April 25, 1975. He was aged 74 at the time of his death.

Born in Osgoode Township, he was predeceased by his wife the former Geraldine M. Armstrong on May 28, 1967. The deceased was the son of the late Daniel Alexander McDiarmid and his wife the former Della Campbell.

Surviving relatives include two sons, Kenneth and Douglas, both of Osgoode; a daughter Bev (Mrs. James Robinson) of Osgoode; a brother Donald and fourteen grandchildren, He was predeceased by a son Clarence and a brother Charles.

Funeral services were held in the Vernon Baptist Church, where Mr. McDiarmid was a member, at 2 p.m. on Monday, April 28th. Services were conducted by Rev. A. Keeler and Rev. F. Stone. Interment was made in Springhill Cemetery.

Honorary Bearers were Jack McDiarmid, Archie Sheldrick, Ross McDiarmid, Harold Ferguson, Lorne Brunton and Donald Ferguson.

Pallbearers were — Dr. W. A. Taylor, Fred Wilson, Fred Alexander, Arthur Stanley, Ranger DeVries and Lorne Harrison.

Ministers meet at Eatonholme

Members of Dundas County Ministerial Association met Monday morning at Eatonholme in Chesterville for their monthly fellowship.

The Reverend E. Earle Eaton, host, conducted devotions and served refreshments. The Reverend Dr. Lester Joyce, president, of Brinston, chaired the meeting. The Reverend Wellwood Adam of Morrisburg, secretary-treasurer, read the minutes and gave a financial report.

The Reverend Charles Jackson of Winchester, program convener, introduced the guest speaker, Envoy William Feltham of the Kemptville branch of the Salvation Army, who spoke on the activities and program of his organization.

Members were present from Winchester, Chesterville, Vernon, Inkerman, Morrisburg, Williamsburg, Brinston and Ingleside.

Moose Creek

Dairy Princess speaker at Annual W.I. Meeting

The Moose Creek Women's Institute held their Annual Meeting in the Community Hall on Thursday, April 17th. The meeting opened with the 'Grace', after which all sat down to a pot luck supper, termed 'Fit for a king'. There were 25 in attendance for the meeting.

Following the meal, the members were in for a treat as the President, Mrs. Elmer McDiarmid, introduced the guest speaker . . . Miss Kathy Dore, Stormont Dairy Princess, spoke on dairy products and the vitamins in milk. Miss Dore also spoke of her duties of being a Dairy Princess. She also distributed 'I drink milk' buttons.

The Secretary, Mrs. Earl McNeil, thanked the speaker and presented her with a gift on behalf of the W. I. members.

The minutes of the last meeting were read and approved. A report on the District Directors' Meeting, at Newington, was given by Mrs. E. L. Blair. The Treasurer's report was given for the year and it indicated a most successful year, financially. The minutes of the last Annual Meeting were read.

The retiring president thanked the members and all for their co-operation over the past year. And in closing said "Remembering what we have done, and will do, will be a monument to our memory".

Mrs. E. Brunet will be the delegate to the Waterloo Conference. Yearly fees were paid for the coming year.

The new President then took the chair for the remainder of the meeting.

The Nominating Committee brought in the slate of officers for the coming year — Honorary President, Mrs. Elmer McDermid; President, Mrs. Emery Brunet; 1st Vice-President, Mrs. Gerald Emburg; 2nd Vice-President, Mrs. E. L. Blair; Secretary-treasurer, Miss Florence Gentles; Assistant Secretary, Mrs. Mary A. Ross; District Director, Mrs. Earl McNeil; alternate D. D. Mrs. Wilfred Montcalm.

Branch Directors, Mrs. Wilfrid Beauchamp, Mrs. Paul Lapierre and Mrs. J. Boyle; Auditors, Mrs. E. McNeil and Mrs. G. Emburg; Card Convener, Mrs. Leona LaFrance; Public Relations Officer, Mrs. E. McDermid.

Tweedsmuir History Curator, Mrs. E. A. McKillican; Assistant Curators, Mrs. Mary A. Ross and Mrs. E. McDermid.

Agriculture and Canadian Industries, Mrs. G. Emburg and Miss Violet MacDiarmid; Citizenship and World Affairs, Mrs. E. Brunet and Mrs. Gordon McKercher; Education and Cultural Activities, Mrs. Wm. McIntosh and Mrs. E. McDermid; Family and Consumer Affairs, Mrs. W. Beauchamp and Mrs. L. LaFrance; Resolutions, Mrs. E. L. Blair and Mrs. W. Montcalm.

Chesterville Rotary Club . . .

Nursery School representatives address group

Chesterville Rotary Club, meeting in regular Monday evening session last week, reported a most pleasing meeting in several respects — two new members in one month, a perfect meeting attendance and the visit of representatives of the local Nursery School, made for a pleasant evening.

With President Ian Macintosh in the chair, number one item on the agenda was a report on tree sales by member Hugh Montgomery. Mr. Montgomery related that sales at the start were slow but a surge at the end brought the total number to over 300 sold, with the higher-priced specimens selling the best.

Carl Ward had the task of inducting the newest member, Ken Vice. Mr. Vice in a few well chosen words thanked Carl for his efforts. The local club now has a membership of 14.

Included among the guests were three ladies — Mrs. Eric Casselman, wife of Bulletin Editor Eric; Mrs. Helen Wells, Chairman of the Committee in charge of the Nursery School and Miss Janice Wylie, a teacher at the school. Mrs. Wells provided interesting pictures taken at the school, which demonstrated that the children are taught to learn, play and co-operate at a very young age. Miss Wylie gave an address on the operation of the school, and pointed out that the assistance of the parents was necessary and appreciated. The teacher stated that total enrolment is 40, with 20 students attending in the morning while the other 20 attend in the afternoon. Pupils are enrolled from Winchester, Morewood, Crysler, Dunbar and Chesterville.

Both speakers mentioned the ideal setting for the school building, in the centre of a most attractive park area.

Leon Marcellus extended thanks to the ladies for their most interesting presentations.

Ingleside-Osnabruck

Bruce Grant speaks on Home Construction at Rotary Meeting

Ingleside-Osnabruck Rotary Club met in regular session on Wednesday, April 23. At that time secretary Earl Jeacle reported that the meeting attendance for February stood at 90.6 percent, the highest in District 704, but attendance was down in February at 83.6 percent.

Dave Thompson introduced Rotarian Bruce Grant who spoke on his classification of Home Construction. Bruce said that in Ingleside the construction industry is rated as major, employing 20 full-time employees. The speaker stated that he did not feel the costs of housing would go down and he rated standards in the area as high.

Bruce used an interesting chart to show where the costs in a $32,000 home went — 21.5 percent to governments in the form of taxes, 22.3 percent for land, legal fees and sales commissions, with the remaining 56.2 percent into productive labour and materia

Mr. Grant pointed out that he got into the business for the satisfaction of being self-employed and making the raw land into the finished product, with the end result . . . sales, an inducement.

In closing Mr. Grant said "If we must work, we should enjoy it."

The group reports were presented with many interesting projects in the works for the months ahead.
