Mr. Myron Davidson Died Suddenly

When he did not appear for breakfast on Sunday morning last, at the St. Lawrence Hotel, Morrisburg, where he had been residing, and when he failed to make an appearance later in the morning, the hotel clerk, Mr. Archie McLean, went to Mr. G. Myron Davidson's room to investigate. To his surprise, he found Mr. Davidson still in bed, and from all appearances he had passed away in his sleep.

Dr. T. Shanette was summoned and pronounced the man dead. Dr. C. Louden, of Morrisburg, was also notified, and after examining the body, stated that death was due to natural causes and no inquest would be held.

The late Mr. Davidson, who was in his 65th year, had been residing at Morrisburg for the past eight years. Prior to that he lived in Winchester, coming here after his retirement from active farming in the Winchester Springs district 20 years ago. He was a son of the late James Davidson and his wife, Margaret Timmins, and was born at Winchester Springs.

Mr. Davidson was a lover of nature and enjoyed hunting and fishing. Only a few days prior to his death he was on a hunting expedition, and appeared to be in good health and spirits. He was a member of the Kenmore Hunt Club and had hunted deer in the Mackey Creek section of Renfrew County with fellow-hunters during the hunting season this autumn. A number of years ago when hunting he was shot in mistake for a deer, following which he spent months in hospital. The bullet went through his body, narrowly missing his heart, and he never recovered fully from the wound.

The late Mr. Davidson was of a reserved nature, but of a genial disposition and was highly esteemed by all who knew him.

In religion, he was of the United Church faith, and was a member of Henderson Lodge, No. 383, A. F. & A. M., Winchester.

He is survived by one brother, Mr. Frank Davidson, of Winchester, and two sisters, Mrs. H. P. Hanson and Mrs. M. M McQuaig, both of Kingston

The funeral was held on Tuesday afternoon from the home of his brother, Mr F. F. Davidson, to the local United Church, where service was conducted by the pastor, Rev. Norman Thomas.

Interment was made in Maple Ridge Cemetery.

The many floral tributes bore testimony to the high esteem in which the deceased was held, by friends in Winchester, Morrisburg, Winchester Springs and other districts.

LOCAL CHAMBER OF COMMERCE HOLDS FIRST SUPPER-MEETING

About 85 local and district business men and other citizens, including several farmers, attended the first supper meeting, sponsored by the Winchester District Chamber of Commerce at Hotel Winchester on Friday evening last. Among the guests was the executive of the Chesterville Chamber of Commerce. Presiding during the evening was the president of the local Chamber, Mr. Arnold Dukelow, assisted by the secretary, Mr. Earl Freeland. Community singing was led by Mr. C. B. Timmins, with Mr. Freeland presiding at the piano.

In order that everyone could become acquainted with each other, the president introuced the gentle-sitting next to him, and asked that the president introduced the gentleman sitting next to him, and asked that he, in turn, introduce the man next to him, and so on down the line until every person's name had been called.

In his opening remarks, Mr. Dukelow extended a hearty welcome to all those present and briefly outlined the reason the supper was being held, also some of the things the local Chamber had undertaken since it was organized in Winchester. He announced that the officers of the Chamber, appointed at the organization meeting, were as follows: President, himself; Honorary Presidents, Mr. John B. Challies, of Montreal; and Mr. T. O. Keyes, of Winchester; 1st Vice President, Mr Hart Melvin; 2nd Vice President, Reeve W. C. MacDonald; Secretary, Mr. Earl Freeland; Treasurer, Mr. O. V. Stevenson; Committee Chairmen—Business Men, Mr Arnold Duncan; Professional, Mr W. J. Stewart; Industrial, Mr. John Rennison.

Guest speaker for the occasion was Mr. Evan McCormick, Manager of the Field Service Department, Canadian Chamber of Commerce, Montreal.

Introduced by Mr. F. Erle Helmer, Mr. McCormick gave an interesting and informative address on the history and development of Boards of Trade and Chambers of Commerce, in Canada, the United States and England. The early history of the organiaztion could be traced back to the middle ages, said the speaker, the first signs of its existence being evident during the holding of the great Church Festivals in England. The first Board of Trade was organized in the year 1635, under the reign of King Charles. A few years later one was established at Marsellais, France. The first Board of Trade on this side of the Atlantic was organized at Halifax in 1750. In the United States the first Board of Trade or Chamber of Commerce was born in New York City.

The main objective of Boards of Trade or Chambers of Commerce is to promote industry, encourage community development, stabilize trading, and assist in both community and national projects. Each Chamber is urged to follow a definite program of projects, the plans for which are to be carefully made. The program should include Industry, Agriculture, Commercial and Community Development. Mr. McCormick gave many examples of how a Chamber of Commerce can accomplish great results under these headings, and how they will create a better understanding between the rural and urban centres.

The national progress of the Canadian Chamber of Commerce is designed to keep an eye on matters that effect the lives of every Canadian. Taxation agreements between Provincial and Dominion Governments were carefully watched, and in the Canadian Chamber's opinion the whole tax structure needs to be revised. The extent to which the Government stays in Business is another matter being given careful study by the Chamber. Just how much further the Government is going to enter the business field is something that should be of interest to every business man.

The Government's Social Security Program also needs careful study, said the speaker. Social Security can be carried too far for the good of the nation. Unlimited Social Security would make people wards of the government. It would be possible, said Mr. McCormick, that if Social Security was practiced to extremes the younger generaiton would grow up without any desire to work.

Touching on National Unity, the speaker said that Canadians in particular must get to know each other better. There must be more intermingling of people regardless of race or creed. The war has brought about better relations in this regard because the boys got to know one another better during the years they were in the service.

At the conclusion of his address, Mr. McCormick was thanked on behalf of the local Chamber by Mr. Earl Freeland.

Mr. L. C. Norwood, of Montreal, director of Colonization for the C. P. R, also addressed the gathering, urging the smaller Chambers to join the Eastern Ontario Association of Chambers of Commerce. There were many things that the Assocation could do for Eastern Ontario if it had sufficient strength, he said.

Others who were heard during the meeting were Mr. H. Brown, president of Chesterville Chamber of Commerce, and Mr. Ray Dillabough, of Chesterville.

During the discussion period those who took part were Messrs. W. J. Cass, W. J. L. Boyd, Reeve W. C. MacDonald, Eldon Fennell, Earl Freeland and the president, Mr. Dukelow.

It was decided to send a letter of condolence to Mr. J. B. Challies, who was unable to be present at the meeting, and who, for the time being, has had to cancel all social engagements due to ill health.

The splendid meal served and the kind hospitality of Mr. and Mrs. John Delavignette, operators of the dining hall at Hotel Winchester, came in for words of praise by many of the visitors present.

The meeting closed with the National Anthem.

Temperance Unit For Dundas Formed At Local Meeting

A meeting of the Temperance workers of Dundas County was held in the United Church, Winchester, on Monday evening, Dec. 2nd, for the purpose of setting up a Temperance Organization within the County.

Rev. N. J. Thomas presided for the worship service and introduced the guest speaker, Rev. Albert Johnston, of Toronto, one of the Field Secretaries of the Ontario Temperance Federation. Mr. N. W. Beach was elected chairman of this meeting, with Mr. W. N. Fulton, of Chesterville, as secretary.

Mr. Johnston outlined the work of the new organization, which will include a President, Vice President, Secretary-Treasurer and four Directors. A Question and Answer period was also conducted by Mr. Johnston. Nominations and Resolutions Committees were appointed.

A very enlightening and instructive film, entitled "Drunken Driving," was shown, and an address given by Mr. Johnston.

Reports of the Resolutions and Nomination Committees were given by Rev. W. Hutton, of Iroquois, and Rev. V. Buchanan, of South Mountain, respectively.

The officers appointed were:

President—Clifford Robinson, Winchester Springs.

Vice President—Chas. Patton, of Mountain.

Sec'y.-Treas.—Howard Biccum, of Winchester.

Directors—Education, Mrs. R. Peterson, Brinston; Publication, Mrs. W. S. L. Merrill, Morrisburg; Legislation, W. J. Cass, Winchester; Reclaimation, Rev. H. Kielty, Winchester.

Rev. W. E. Wright, of Chesterville, closed the meeting with prayer and the Benediction.

Hockey Executives Appointed At Monday's Meeting

At a meeting of hockey fans and players, held in the town hall on Monday evening, the following executive was appointed to operate an Intermediate Team in the Central Ottawa Valley League:

President—Ralph Walker.
Vice President—Gerald Helmer.
Sec'y.-Treas.—Ed. Boyd.
Manager—Karl Guy.
Ass't. Manager—Wilfred Lannin.
Committee——Basil Dawley, with two other men to be named by the executive.

As soon as a team has been organized, a coach will be selected.

Present at the meeting were a number of young players, who were very emphatic in their demands that a Junior Team should also be organized in Winchester. This resulted in the following advisory committee being named: Dave Melvin, coach; Harold Keyes and J. H. Willard. An effort will be made to enter a team in the St. Lawrence League, and if the committee succeeds, a Junior Team consisting of all local players, will be organized.

There was some talk, prior to the meeting, of trying to organize an Interscholastic League, and entering a team from the local High School, but evidently the boys most interested in playing hockey had other ideas. For a time the meeting was quite exciting. What was accomplished by this sudden interest in hockey activities for the coming season, only time will tell. It is to be hoped that arrangements can be made to the satisfaction of all concerned.

Special Meeting Being Held In The Baptist Church

The Nygren Gospel Broadcasters, Dr. and Mrs. David F. Nygren, of Chicago, Ill.; opened a two weeks' evangelistic campaign in the Baptist Church last Sunday, coming here from St. Catharines, where a similar campaign was conducted. Rev. Edgar Ferns, the local pastor. and Dr. Nygren have worked together before in gospel meetings.

Meetings are held each week-day evening at 8.00 o'clock, except on Saturdays. The Sunday servcies are: 11.00 a.m. and 7.30 p.m. The Cheerio Club meetings for boys and girls meets on Monday, Wednesday and Friday afternoon right after school.

Mr. Nygren speaks on the following subjects next Sunday: 11.00 a.m., "The Blood of Souls"; 7.30 p.m., "A Census Report of Hell." Following are the special features for next week: Monday, Neighbours' Night; Tuesday, Competition Night (men and women attending); Wednesday, Family Night, prize for the largest family; Thursday, Bible Night, worshippers are asked to bring their Bibles, special mention will be made of the oldest Bible; Friday, Cheerio Club program.

A welcome is extended to the entire community to share in these spiritual feats. The evangelist is an able expounder of God's Word, and Mrs. Nygren leads the singing and renders solos each evening.

W. C. T. U. MEETING

A well-attended parlour meeting of the W. C. T. U. was held on Friday evening, Nov. 29th, in the Sunday School Hall of the Presbyterian Church. The President, Mrs. K. Helmer, presided during the program.

The devotional period was conducted by Mrs. C. McIntosh, Winchester Springs. A well-rendered vocal duet was given by Mrs. Hugh Wilson and Mrs. Chas. Cross, accompanied by Miss Annie Walker.

Katharine and Carolyn, twin daughters of Rev. and Mrs. Ferns, contributed a very sweet rendition of "In the Sweet Bye and Bye" on the violin and piano.

Mrs. N. Thomas gave a very impressive reading, "The Master's Coming."

A Temperance Playette was staged by six members of the W. C. T. U.—Mrs. M. Bowden, Mrs. O. Wallace, Mrs. C. Cross, Mrs. A. Summers, Mrs. B. Potter and Miss Jean Wyatt. Mrs. P. Durant directed the play and explained the theme to the audience. This play was a very fine interpretation of the great need for devout workers for the cause of Temperance.

Mrs. W. B. Campbell, a former resident, was the special speaker. She expressed her joy in being back in Winchester and gave some very fine information as she brought the highlights of the Provincial Temperance Convention held in Brantford in September. The theme of the Convenion was "Victory Through Faith." She reported that there were 152 Unions in Ontario and that during the year 126 members had died. Mrs. Campbell made a plea for more members for the W. C. T. U. The 1947 Convention is to be held in Peterborough.

The President thanked all those who had contributed to the very fine program, after which a social hour was enjoyed when members of the local Union served dainty refreshments.

Enterprise is something you do when you accomplish something. When the other fellow does it, then it's luck.

Next Monday Is Election Day In Winchester

On Monday next, December 9th, ratepayers in Winchester Village and the surrounding Townships will go to the polls to elect members to complete the 1947 Municipal Councils.

In Winchester Village there will be an election for four councillors. The six candidates seeking election, in the order their names will appear on the ballots, are:

MELVIN DAWLEY, Farmer.
JOHN M. FADER, Plumber.
EARL A. MORGAN, Merchant.
CHESTER R. ROBINSON, Insurance Agent.
ARTHUR B. SUMMERS, Accountant.
W. FERNALD WORKMAN, Publisher.

Electors should remember that four of the above six candidates are required to complete the 1947 Council Board, and should mark their ballot for the four men of their choice.

Local voting booths will be set up in the town hall, the same as in previous municipal elections. One poll will be located in the Clerk's Office, the other in the Council Chamber. Cars will be available to transport voters to the polls, if they desire this means of transportation. Phone 21 and a car will call for you—and please remember that you are free to vote for whoever you like, regardless of whose car transports you to the polls. Polls open at 9 a.m. and close at 5 p.m.

Monutain Township

In Mountain Township there will be an election for Reeve only. The present reeve, Mr. John E. Thompson, is being opposed by Deputy Reeve Charles V. Shaver.

THE RETIRING REEVE

Is it any wonder that there is a scarcity of men, willing to serve on municipal councils, when so many unkind and unwarranted statements are made about those public-spirited citizens who do devote their time and energy to the administration of municipal affairs?

A few days ago we listened with disgust to an erratice statement made about Winchester's retiring reeve, Mr. Walter C. MacDonald. We will not record the critic's comments here, but can say with truth and sincerity that they were not only untrue but wholly uncalled for. This particular man is of the opinion that the reason the present reeve is retiring from public office is because he is running away from something.

We have known Reeve MacDonald from the time when we knocked around as young boys, and believe us when we say that it is not his nature to run away from any task that he is capable of doing.

Reeve MacDonald has served this village well, both as councillor and reeve. He has devoted much time and energy, yes, even neglected his personal business to look after the interests of the local ratepayers. This year has been a heavy one, and Mr. MacDonald knows, and has been advised by his physician, that he must slow down. He is Chairman of the Memorial Hospital Board, and with the erection of the building to be started next year, and many details in connection with the hospital still to be worked out, this office is going to demand much of his time. He couldn't continue to fulfill both offices and do justice to them—one or the other would be neglected. He felt that by retiring from the reeveship he could devote more time to the hospital project. He also knew that Mr. Turner was willing to accept the reeveship for 1947, a man who has had many years of experience and is well qualified for the office.

Those who have been closely associated with Mr. MacDonald, and those who have served on the Council with him, will agree with us when we state that he is to be commended for the fine record he leaves behind as a municipal servant.

No, Reeve MacDonald is not deserving of some of the harsh criticisms being directed towards him—he is not running away from his responsibilities. He has shown energetic leadership as reeve of this village, and will continue to perform many public services, both as Chairman of the Hospital Board and as just plain "Walter MacDonald." That's where, as he told the Rotarians at Chesterville at a recent meeting, that he gets his "biggest kick out of life."

MOTORISTS, BEWARE !

The number of accidental deaths from carbon monoxide poisoning increases as the weather grows colder and extra precautions need to be taken against this hazard during the winter months. Careless ventilation practices at home and in garages account for the increased toll taken by this poisonous gas.

The exhaust from automobile engines always contains carbon monoxide—harmless in the open but deadly in closed places. Careless habits often expose car drivers and garage workers to excessive concentrations of this gas. The precautions to be taken are simple and should be rigorously followed if accidents and fatalities are to be avoided. A car engine shoud never be run in a garage unless the doors are open.

Again we issue this warning to motorists:—Beware of Carbon Monoxide !

BLAME IT ON THE EDITOR

There is no easier way we know of making bad friends—and sometimes good friends—than in editing a newspaper that publishes accounts of occurrences honestly and forcefully and attempts editorially to give the reader a clear idea of what is going on in the community.

If one agrees with everyone—which is well nigh impossible—then one becomes known as a "yes" man and is respected by none. On the other hand, if one disagrees, then one is labelled a crab who finds faults with community endeavors and can never be relied upon to do everything possible for the good of the majority.

In newspaper work there is no room for a middle course. Facts must be reported honestly—leaving a reasonable margin for error—or they are reported in such a twisted manner as to create the impression that the opinions are those of the editor and not the speaker or person or organization involved.

It is an editor's duty to see that facts relevant to an occurrence are reported faithfully with no opinion other than that of the speaker or organization expressed. The editor has his chance on the editorial page. Here he is expected to comment on local happenings in a manner that is to the interest of the majority. In a word, he is expected to be the guardian of the truth, not the judge.

Frequently it has been our duty to publish articles on news pages that go hard on organizations—particularly our municipal bodies—and sometimes almost singling out individuals. If we do not, we are withholding the truth, the facts people are entitled to know. Such opinions are not necessarily our own. The careful reader will note from whom they come. We have our chance on the editorial page.

Recently, there have been criticisms levelled at such organizations as council, the public utilities commission and other organizations. Whether it may be justified or not, is not for us to say when reporting the utterances of councillors, commissioners or others. But it may be admitted that justified criticism is a good thing for it reveals life in an organization.

Therefore, do not blame the editor when someone makes a disagreeable statement—unless the opinion expressed is done editorially. If a newspaper is to report honestly, there cannot be withholding of opinion.—Carleton Place Canadian.

THE DANGER OF COMMUNISM

The American Farm Journal, published in Chicago and the world's most largely circulated rural periodical, has issued a warning that Communists in the United States persistently are trying to worm their way into farm organizations as well as into radio and publishing and government jobs—everywhere with vicious intent, determined to create and fan discontent. The Farm Journal declares that the Communist is for strikes because they slow up production. He is for spending because it weakens the nation.

In Canada, Communist forces have been most active in arousing low-paid industrial workers—men who are easily lead, especially when the promise of big wages is given. They have also been active in getting recruits in government agencies, as the recent espionage investigation has revealed. Disclosures made at Ottawa should be warning enough for us to realize that Communists are out to destroy our way of life, that they hate us and are determined to uproot our democracy.

We should regard Communism as our greatest enemy. We must learn to detect communist activities, and to ruthlessly stamp them out. Leaders of Canadian farm organizations must prevent Communists from getting control.

PRINCIPAL CAUSES OF INDUSTRIAL ACCIDENTS

"It is now generally agreed that improper human behaviour is the principal cause of accidents," states a memorandum issued this week by the Industrial Accident Prevention Associations.

"Most of our actions are habitual," the memo says. "Regardless of opinion to the contrary, all our habits are not safe ones. Some of them, like smoking in bed, are dangerous and often cause injury to others."

Pointing out that the cause of an accident can usually be traced to improper actions of persons, the memo says. "Until they 'unlearn' their unsafe habits and acquire safe ones in their stead, or their safety training is started early enough so they will acquire the habits of thinking and acting safely, the improper behaviour of many well-meaning people will continue to cause accidents. Safe habits are not acquired instinctively."

In conclusion, the memo urges that people in all lines of endeavour be encouraged to accept their responsibilities for preventing accidents, and safety training so that their acts will not cause accidents.

NEXT YEAR'S GROCERIES

In a nutshell, Canada's 1947 food prospect sums up as follows:

More staples and luxury foods available now than a year ago, import barometer rising.

Some shortages, notable sugar, shortening, soap, butter, bacon, continue to darken the more favorable overall picture.

The trade and public, accustomed to accept any kind of food item during wartime, are becoming more selective.

Grocery and combination market sales this year, both independent and chain, should top $800 millions as against an estimated $770 millions last year, $567 millions in 1941.

Food prices both inside and outside the W. P. T. B. index are pressing upward, accelerated by higher labor, material and repair costs, and discontinuance of Dominion subsidies on many foods.

Citrus juices will be cheaper as U. S. production hits record levels and armed services requirements drop. New foods and other grocery store items are appearing on shelves.

EDITORIAL NOTES

A British judge has refused to consider drunkenness as a ground for divorce. That will be sad news to all the women who marry drunken husbands in the usually mistaken belief that they can reform them.

A past president of the Canadian Women's Law Association has declared that it's legally alright for a wife to pick her husband's pockets. A lot of wives would continue to do so even if it was against the law.

Next Monday, December 9th, is election day in Winchester. Four Councillors are to be elected for the 1947 Council Board. As a ratepayer, it is your duty to exercise your franchise on that date. Come out and vote for the men whom you think are best qualified to fulfil the duties of Councilors. The ballot is secret—who you vote for is your own business—but be sure and vote.

THE UNBORN CHILDREN

(Cornwall Standard-Freeholder)

The awful feature of VD is the way in which it is inflicted on unborn children. Unless the rising rate is checked, the next generation is going to be spotted by persons with terrible syphilitic afflictions, for which they have no responsibility. By refusing to face up to this menace, we are doing less harm to ourselves than to those who follow us.

(Family Herald and Weekly Star)

If the human race destroys itself or civilization in the coming generations, there will be only one reason—it was too dumb to live. That is not humorous, it is deadly serious. SURELY NOT !

(Brockville Recorder & Times)

One of the worst things that could happen Canadian taxpayers would be re-imposition of provincial income taxes. That will almost certainly come if the Dominion and the provincial governments do not reach agreement on taxation.

CALENDAR SALESMAN

(The Canadian Veteran)

The old calendar salesman is with us again, charging his quarters for so-called 'veterans' calendars, worth a fraction of a cent and trading on the good-will of members of the public. Nothing can be more damaging to the standing of those who are proud to be called 'ex-service men' than the lowering of their prestige by appeals from door-to-door by men whose claim to consideration is often based on spurious service. We believe that members of the public can render a real service to worthwhile projects and individuals by giving a firm 'No' to doubtful advertising and worthless calendars.

CHEVROLET and GMC TRUCKS

Today, as never before, there rests with every merchant an obligation both to his customers and to the common good . . . an obligation to justify confidence and goodwill and to co-operate unreservedly in the maintenance of a stable economy. We, General Motors dealers in this community, recognizing these obligations, will continue, in all our business dealings, to adhere to the following principles:

★ **We will sell all New and Used Cars and Trucks at not more than the authorized prices.**

★ **We will do our best, under present conditions, to allocate all the New Passenger Cars and Trucks we receive, on the fairest possible basis, with special consideration to any Veteran of World War II who may require a car with special controls; to practising Physicians and Surgeons, and others whose urgent need is apparent.**

★ **We will make allowances based on an honest appraisal and a fair valuation to** purchasers who have cars or trucks to trade.

★ We will give purchasers the benefit of those accessories which are available, but delivery of a new car or truck will not be conditional upon the acceptance of accessories other than those desired.

★ We will charge only equitable prices for parts, accessories and services, and when requested will gladly provide advance estimates for the benefit of the customer.

★ We will, at all times, strive to serve our customers' needs — with efficiency, fairness and courtesy.

TO THE ELECTORS OF THE TOWNSHIP OF WINCHESTER

Having represented you as Deputy Reeve during 1946, and having been nominated for Reeve for the year 1947, I have decided to enter the contest for that office.

I solicit your vote and influence at the polls on December 9th, and, if elected, I will endeavour to perform the duties of Reeve to the best of my ability and in the interests of the Township.

Thanking you for past favours,

28-29c **ROY E. ANNABLE**

TO THE ELECTORS OF THE TOWNSHIP OF MATILDA

Ladies and Gentlemen:

After having served you as Councillor for six years and Deputy Reeve for four years, I feel I have a good knowledge of local and Counties' Council work. With my experience in this work, I feel I can look after the affairs of Matilda Township, both locally and in Cornwall, to the best interests of the ratepayers, for the year 1947. Therefore, I have decided to allow my name to appear on the ballot on December 9th for the Reeveship.

I respectfully solicit your vote and influence for Reeve on my past record as Deputy Reeve. I sincerely trust you will feel justified in supporting me and, if elected, I will endeavour to fulfill the duties of Reeve to your satisfaction.

The Compliments of the Approaching Season to all.

Respectfully yours,

28-29c **ORVAL SEELEY.**

TO THE ELECTORS OF THE TOWNSHIP OF WINCHESTER

Having served you for a number of years as Councillor, Deputy Reeve, and one year as Reeve, I respectfully solicit your vote and influence for the office of Reeve for 1947. I have always worked for the best interests of the people of our Township. I have been on several important committees at Counties' Council. I have attended all sessions in the past year and have tried to look after your interests to the best of my ability.

While there is considerable talk on Greater High School Areas, there has nothing yet been asked for from the Counties' Council by the Government. The School Law says no High School Area has to enter into this plan unless their own High School Board passes a resolution requesting to be admitted. However I am against this new plan, and if returned to office, and should there be a vote at Counties' Council, I will vote against changing our present school plans.

Thanking you for past favours, I am,

Your obedient servant,

ERNEST R. SUMMERS.

TO THE ELECTORS OF THE VILLAGE OF WINCHESTER

Having been nominated as a candidate for Councillor, and after being requested by a number of ratepayers to qualify, I decided to place my name before the Electorate. I would, therefore, if you consider me worthy, appreciate your support at the polls on Monday, Dec. 9th. If elected, I shall, to the best of my ability, work for your interests impartially.

ARTHUR B. SUMMERS.

TO THE ELECTORS OF THE VILLAGE OF WINCHESTER

Ladies and Gentlemen:—

Having been nominated as a candidate for Councillor for the year 1947, and having decided to remain in the contest, I would appreciate your votes and influence at the Polls on Monday next. If elected, I shall endeavour to serve you to the best of my ability.

Wishing you all, the Compliments of the Season.

29c **MELVIN DAWLEY**

TO THE ELECTORS OF THE VILLAGE OF WINCHESTER

Having been a representative of your Council for four years, I have always kept in mind that everything done in Council was for the betterment of the village.

I have qualified for Councillor for 1947 and, if my record in your Council is satisfactory to you, I would solicit your support at the election on December 9th, 1946.

Thanking you for past favours.

C. R. ROBINSON.

TO THE ELECTORS OF THE VILLAGE OF WINCHESTER

Dear Friends:—

As a member of the Municipal Council for the past four years, I have endeavoured to serve the Village to the best of my ability. Having been urged by several ratepayers to remain in the contest for next year's Board, I solicit your support at the Polls next Monday, and assure you that if I am re-elected, I shall continue to work in the best interests of all ratepayers.

Wishing you all the Compliments of the Season.

JOHN M. FADER.

TO THE ELECTORS OF THE VILLAGE OF WINCHESTER

As Monday next is Election Day in Winchester, I urge you all to get out and vote and if you feel like giving me your support, I will greatly appreciate it. This year was my first term as Councillor, and not knowing the different parts of the town as well as I would have liked, it was difficult for me to do as much for the town in general as I would have liked to. However, with a year's experience behind me, I assure you that, if I am re-elected, I will strive to make things better in all departments.

Thanking you, I am

Your Friend,

EARL A. MORGAN.

TO THE ELECTORS OF THE VILLAGE OF WINCHESTER

Ladies and Gentlemen:—

Having decided to enter next Monday's election as a candidate for Councillor for the year 1947, I appeal for your support and influence on my record as a taxpayer and a lifelong citizen of Winchester, who has always taken an active part in any enterprise that was introduced for the betterment of the town in general.

I was nominated by two of Winchester's most highly esteemed citizens and urged to qualify by men who are confident that I would make an efficient Councillor.

If you can share this confidence and give me your support, I will appreciate it. If not, there will be no hard-feelings on my part.

Wishing one and all an abundance of good health and prosperity in the New Year.

Respectfully yours,

W. F. WORKMAN.

TO THE ELECTORS OF THE TOWNHSIP OF WINCHESTER

Being a candidate for the Reeveship of the Township of Winchester for 1947, I hereby desire to acquaint you with my stand in regard to the pending changes in our present High School districts.

I am definitely opposed to any changes which will deprive your children of their present High School facilities.

I believe, that while the proposed changes might be beneficial in some parts of the province, in the three United Counties owing to climatic conditions, especially in winter, they would be decidedly unsatisfactory.

I also believe that the cost and upkeep of proposed buses, and roads necessary to accommodate such buses, would be prohibitive.

I believe that our present rate of taxation is too high, and as we have spent thousands of dollars in our High Schools in recent years, and as the debenture debt is still unpaid, it would make our school rates prohibitive.

If elected, I will do everything in my power to maintain our present High Schools as they are.

Yours respectfully,

29p **JOHN A. BOGART**

The following accounts were passed and paid:—Roads and Bridges, $2,316.92; Charity and Relief, $99.00; Drainage, $230.65; Sheep killed by dogs, $10.00.

Council adjourned to meet in Chesterville on Monday, Dec. 16th, at 1.30 p.m.

HUSBAND OF LOCAL GIRL DIES AT MORRISBURG

The death occurred at his apartment on Lock street, Morrisburg, on Tuesday morning of last week, of Gilbert Smith, who succumbed to heart weakness, aggravated by dropsy, after a brief illness, although his health had not been good for some time. His sudden taking off has caused much regret among a wide circle of friends, who sympathize deeply with his wife, who was the former Miss Hazel Helmer, of Winchester, and little daughter; also his father, six brothers and one sister. By his death the St. Lawrence Hall, Morrisburg, loses an employee of 12 years' standing—a steady, dependable man.

He was born 36 years ago in the suburb of Mariatown, a son of Alexander Smith and the late Mrs. Smith. His brothers are: Gordon, William, Frank and Arnold, of Morrisburg; Harold, of Kingston, and Paul, of Ottawa. The sister is Mrs. Vera O'Brien, of Ottawa. Following the death of the mother, which occurred in 1934, this is the first break in the family.

Funeral services were conducted in the United Church, Morrisburg, on Thursday last. Interment was made in Fairview Cemetery. Many from Winchester, including Mr. and Mrs. Herbert Helmer, attended the funeral.

INKERMAN DEFEATS CORNWALL FOR SECOND TIME

Inkerman Juniors journeyed to Cornwall last Wednesday night and handed Cornwall Collegiate and Vocational School Juniors a 12-7 drubbing in a wide open exhibition hockey game at Community Arena there before 600 fans. This marked the second straight victory in as many games which the invading Inkerman squad has obtained from the C. C. V. S. youngsters.

The Rockets outplayed and outshot the Cornwall sextette in every period and were, by far, the most aggressive team of the two

The teams:

Inkerman—Bennett, goal; Hurley and Craig, defence; Erwin Duncan, Edwin Duncan and Lafortune, forwords; alternates, Thompson, Fyke, Easter, Gibbons, Baldwin, Crowder, Timmins, Barclay.

Cornwall—Maloney, goar; Bonneville nad Seekings, def.; Coleman, Grant, Jamieson, forwards; subs., Graham, Eaton, Rowe, Smith, McLennan, Rankin, Lalonde, Schryer, Riley, sub goalie.

First Period

Inkerman, Easter 6.55

REV. A. J. SHEA PASSES IN 75th YEAR

For 21 years, pastor of the local Wesleyan Church, Rev. Adam J. Shea died on Thursday last at his home in Syracuse, N. Y., following a lengthy illness. He was in his 75th year. He was born at Pendleton, where he taught school for several years before entering the ministry. His first pastorate was at Winchester Wesleyan Methodist Church. After leaving Winchester, Rev. Mr. Shea was the pastor of the Ottawa Wesleyan Methodist Church for eight years. In 1928 he went to Syracuse, N. Y., and later to Rochester, N. Y. Upon retiring from the ministry, he returned to Syracuse about a year ago.

While at Winchester, Rev. Mr. Shea married the former Miss Maude Whitney, who survives, besides three sons, Prof. Whitney Shea, Houghton, N. Y.; Rev. Beverley Shea, Chicago; Rev. Alton Shea, Houghton; five daughters, Misses Ruth and Grace Shea, Syracuse; Mrs. Lois Wright, of Houghton; Mrs. Harvey Robinson, of Erie Penn.; Mrs Ruth Willis. Syracuse, and two brothers, Thomas and Isaac.

The funeral was held at nine o'clock Saturday morning from the Willmett Memorial Church, Syracuse, to Houghton for interment.

THE MIXING BOWL

By Anne Allan
HYDRO HOME ECONOMIST

Hello, Homemakers! A comment made by a friend from the Old Country about our scones will long be remembered. She said: "This is just as good as cake. In fact, I would never miss cake if I had breads like this." It is evident that even English people are changing their tastes since these quick breads were made with less sugar and no butter compared to old-time recipes.

Tea biscuits, muffins, scones, coffee cakes and quick loaf breads use a small amount of sugar and shortening. Of course, some butter will disappear when freshly baked biscuits and scones are served, but as these take the place of both bread and cake, there should be a noticeable saving. We should save now for the festive goodies.

Fruit Scones

2 cups sifted all-purpose flour, 4 level tsps. baking powder, 1-2 tsp. of salt, 2 tbsps. sugar, 4 tbsps. lard, 1-2 cup currants or raisins, 1 egg (beaten), 2-3 cup milk.

Preheat oven to 450 degs. F. Combine flour, baking powder, salt and sugar and sift together. Cut in lard with pastry blender or use two knives with scissor-like motion, until the mixture is the consistency of fine meal. Add fruit. Beat egg, and add to milk, reserving a little of the egg (about 1 tsp.) in bottom of bowl for glazing top of scones. Pour combined egg and milk mixture into dry ingredients, stirring with a fork until a soft dough is formed. Divide dough in two equal portions and roll on floured bake board until one-half inch thick and six inches in diameter. Place each portion on greased cookie sheet and score in quarters with sharp knife. Brush with glaze made by combining the reserved 1 tsp. of egg and 1 tsp. of milk. Bake in electric oven 450 degs. for 15 mins.

Note: A little chopped mixed peel may be substituted for some of the currants or raisins in the above recipe.

Dutch Apple Cake

Topping

3-4 cup thinly sliced apples, 3 tbsps. brown sugar, 1-2 tsp. cinnamon, 1-8 tsp. nutmeg, 1 1-2 tbsps. of melted shortening or butter.

Dough

1 1-2 cups sifted all-purpose flour, 2 1-2 tsps. baking powder, 1-2 tsp. salt, 3 tbsps. lard, 1 egg, well-beaten; 1-3 cup milk.

Preheat oven to 425 degs. Grease thoroughly a deep eight-inch layer cake tin.

Prepare and measure ingredients for topping. Pare, core and slice apples (one large or 2 small apples should be sufficient.) Melt shortening or butter and reserve one teaspoon. (Butter gives better flavour for this). Mix sugar, cinnamon and nutmeg with remaining shortening.

Make dough as follows: Sift flour, baking powder and salt together. Add sugar. Cut in shortening with pastry blender or two knives scissor-fashion until mixture resembles fine crumbs. Combine beaten egg and milk and pour into dry ingredients, blending in gently with fork until soft dough is formed. Gently pat dough in a greased pan. Brush top with the reserved teaspoon of melted butter. Arrange slices of apple in rows on top. Sprinkle sugar and spice mixture over top, spreading evenly. Place in electric oven (425 degs.) and bake 10 mins Reduce temperature to 375 degs. and continue to bake for 20 to 30 mins. longer or until apples are tender and top is lightly browned. To serve cut in pie-shape pieces. Use as hot sweet-bread or as dessert with a fruit or custard sauce. Yield: 6 to 8 servings.

THE QUESTION BOX

Mrs. R. T. asks for recipe to substitute for shortbreads.

Answer:

Christmas Cherries

1-2 cup shortening, 1-4 cup granulated sugar, 1 egg yolk, 1-2 tsp. vanilla, 1 tbsp. grated orange rind, 1 1-2 tsps. grated lemon rind, 1 tbsp. of lemon juice, 1 cup sifted flour, 1 egg white (slightly beaten), 15 candied cherries, 1-2 cup chopped nuts.

Cream shortening in electric mixer, add sugar gradually, beating constantly. Add egg yolks, vanilla, orange, lemon juice and rind. Add flour, mix well. Chill in electric refrigerator. Roll into small balls 1-2 inch in diameter, roll in egg white, then in chopped nuts. Place on greased baking sheet, place half a cherry on each cookie. Bake at 350 degs. for 20 mins. Yield: 20 cookies.

Miss M. G. asks for a recipe for pudding sauce using egg yolks instead of corn starch.

Answer:

Old-Fashioned Pudding Sauce

1-2 cup sugar, 2 tbsps. flour, 1-8 tsp. salt, 1 cup hot water, 1 tbsp. of mild-flavored fat, 1 egg yolk, 1 tsp. vanilla.

Combine sugar, flour, salt and water. Bring to boiling point. Stir in fat. Add to beaten egg yolk, return to heat and cook, stirring for two minutes. Add vanilla.

OBITUARY

FREDERICK J. MERKLEY DIES AT SMITHS FALLS

Frederick J. Merkley, widely known C. P. R. engineer and former outstanding Ontario horseman, passed away Monday evening, Nov. 11th, at 9.30 o'clock, following an illness which had confined him to hospital since the Friday previous as a result of a severe heart attack.

Mr. Merkley had, in his younger years, been noted as a trainer and driver of horses and had been in charge of the harness racing stable of the late H. S. Hunter here, carrying the colors of that stable on many tracks in Canada and the United States.

He had been employed with the Canadian Pacific Railway as fireman and locomotive engineer for 34 years and was well known throughout railway circles in Ontario. For 40 years he had made his home in Smiths Falls.

In religion, he was a member of Trinity United Church and was an active and valued member of the Brotherhood of Locomotive, Firemen and and Engineers, of St. Francis Lodge, No. 24, A. F. & A. M. As a loving father and grandfather, he will be greatly missed for his many acts of kindness, cheerfulness and pleasant ways, and he leaves a vacancy in his home that can never be filled.

He was in his 65th year and was born at Winchester, a son of the late Frederick Merkley and his wife, Jane Brown. He was twice married, his first wife, the former Nettie Richardson, predeceased him in 1920. By this marriage he had two sons and one daughter, Harry and Gordon, of Smiths Falls, and Mrs. E. P. Whan (Lila), of Ottawa; also four grandchildren, all of whom survive.

Twenty-four years ago he married Mrs. B. McBain, who survives, along with one daughter, Mrs. Harvey Forsythe (Joyce), of Montreal. Also surviving are two brothers, Frank, of Cornwall, and Edgar, of Winchester; four sisters, Mrs. Orla Rennick (Lena), of Maitland; Mrs. Hamilton Dalgleish (Mabel), of Jasper; Mrs. W. H. Burchell (Etta), of Brockville; Mrs. Keble Price (Hattie), of Easton's Corners. Two sisters predeceased him: Mrs. John Dalgleish (Maggie) in 1944, and Mrs. A. B. Cinnamon (Minnie) in April 1946. Two step-sons survive: Byron and Norman McBain, of Montreal, also two step-daughters, Mrs. Jas. Johnston and Mrs. Bert Plant, of Smiths Falls.

On Wednesday evening at 8 o'clock, the Masonic Order, of which he was a member, held a very impressive service at the residence.

The funeral, which was largely attended, was held on Thursday afternoon at 2.30 o'clock by the Brotherhood of Locomotive, Fireman and Engineers from his late residence to Trinity United Church. The service was conducted by Rev. Mr. Armstrong. During the service, two of the deceased's favourite hymns: "The Day Thou Gavest Lord Is Ended," and "Abide With Me," were sung.

Interment was made at Hillcrest Cemetery.

Testifying to the high esteem in which the deceased was held were the following floral tributes:—

Pillow—Family.

CENTURY OF CANADIAN ADVENTURE

One hundred years ago on November 30th one of Canada's greatest heroes sailed from Halifax to the South Seas. Rev. John Geddie, of Pictou, N. S., five feet, more or less, had been appointed by Maritime Presbyterians to the New Hebrides Islands where John Williams of the London Missionary Society had been slain on Erromanga in planning their evangelization. This was the first Canadian effort to operate a foreign mission.

The story of Geddie and his associates is one of dauntless bravery. He sailed around Cape Horn on a 197-ton brig on a voyage that lasted 18 months before reaching the New Hebrides. With his wife, he faced the savages of these islands and in six weeks had learned the language of Aneityum and was able to deliver a sermon in stammering fashion.

He reduced their language to writing and opened several snow white school houses on the island. He suffered misunderstanding and hostility when the Christian way of life was seen to conflict with their own savage conceptions. They set his little manse on fire. Enemies speared his only cow. A church was erected but this was burnt to the ground and dastardly white traders offered 10 gallons of rum to a savage to take John Geddie's life.

They were isolated for the first two years from the outside world. Nevertheless, John Geddie gave the people the Gospel printed in their own tongue. Many of their internecine wars were peacefully settled and in four years many of the leading chiefs had embraced Christianity and a church was organized.

Colleagues arrived from Canada and the Presbyterian Church, Scotland. These suffered privations and martyrdom and so did their native Christian teachers. Two brothers, James and George Gordon, from Prince Edward Island, were martyred in the other's footsteps on Erromanga. Nevertheless, one by one the islands were uplifted from savagery and cannibalism and the majority became Christian.

On Geddie's death in 1872, the Aneityumese erected this memorial tablet:

"When he landed in 1848 there were no Christians,
When he died in 1872 there were no heathen."

A fat man is well liked by everybody but tailors in these clothes-rationed days.

Engagement Announced.

Mr. and Mrs. Floyd Riddell, of 99 Holmwood Ave., Ottawa, wish to announce the engagement of their eldest daughter, Thelma Geraldine, to Gnr. Basil Pearson, son of Mr. and Mrs. Alexandrea Pearson, of Ottawa. Marriage to take place in January.

Underwent Appendictomy.

Master Jimmy Champion, young son of Mr. and Mrs. Cecil Champion, of town, was taken to the Ottawa Civic Hopstial last Wednesday where he underwent an operation for appendicitis. The young lad took the attack on the street while returning home from school. We are pleased to report that he is making a satisfactory recovery.

Suffers Acute Hemorrhage.

Little Robert Thompson, 5-months-old son of Mr. and Mrs. Hamie Thompson, of Iroquois, was taken to Kingston General Hospital last Wednesday, suffering from an acute hemorrhage of the bowels. The youngster was given a blood transfusion and is at present responding to treatments. Mrs. Thompson, mother of the child, was the former Miss Francis Kirkwood, sister of Mrs. Carson Kerr and Mrs. Robert Armstrong, of town. Mr. Thompson is a member of Duquette's Orchestra.

Went To Toronto For Examination.

On instructions from The Workmen's Compensation Board of Ontario, Mr. Murray Coulthart, member of the staff of H. S. Lannin, Limited, who, a few weeks ago suffered multiple fractures to his shoulder in a fall at the plant, entered the Toronto General Hospital last Thursday for an examination and further treatment if necessary. Mr. Coulthart still has his shoulder in a cast, and was informed by Ottawa physicians last week that the cast would have to remain on for another three weeks at least.

Observes 98th Birthday.

Congratulations are extended to Mrs. William J. Steele, who on Thursday last quietly celebrated her 98th birthday. Believed to be the oldest citizen in Winchester Township, Mrs. Steele is still in fairly good health, with possession of most of her faculties. In fact, she is at present doing some knitting for members of her family. She also likes to attend to many of her household duties, assisted by her daughter, Miss Emma Steele, who resides with her. On the occasion of her birthday, Mrs. Steele was the recipient of many gifts and messages of congratulations from relatives and friends in the district.

Born in the vicinity of Vankleek Hill, Mrs. Steele was the former Miss Agnes McKane, daughter of the late Mr. and Mrs. Robert McKane. She married William John Steele 69 years ago. He died in 1922.

Her four daughters, Mrs. Karl Helmer, Winchester; Mrs. Frederick Barlow, Morrisburg; Mrs. Bertha Parker, of Ottawa, and Emma, at home, were present for the birthday occasion. Her son, Ernest, of Winchester township; a grandson, Ernest Helmer, of Ottawa, and three great grandchildren also attended. Two sons, Thomas and William Steele, both of Ottawa, sent messages of congratulations. She has 20 grandchildren and 16 great grandchildren.

Pie Crusts

When making pie crusts that are to be filled with fruit, moisten the edges with a little milk and press down tight. Two or three small pieces of macaroni should then be inserted in the centre of the pie. The juice of the fruit will bubble in the macaroni sticks and not saturate the crust.

LOCAL AND GENERAL

Patient In Hospital.

The many friends of Miss Mary Brown will be sorry to learn that she is a patient at the Ottawa Civic Hospital, where she expects to undergo an operation shortly.

Appointed Instructor.

Miss Susan Jarrell, of Spencerville, well known young dancer, has received an appointment to the staff of the Arthur Murray dancing school in Toronto as an instructress.

Premiums to Rise?

Because the number and cost of highway accidents is increasing, insurance companies are considering an advance in automobile insurance premiums. Estimates of the advance place it at from 10 per cent. to 25.

Engagement Announced.

Mr and Mrs. R. H. Patterson, of St. Johns, Que., wish to announce the engagement of their eldest daughter, Lillian Mary, to Lyle E Durant, son of Mrs. M. H. Durant and the late Mr. Durant, of Winchester. Marriage to take place the latter part of December.

Rubbers To Cost More.

The Prices Board has announced an adjustment in the manufacturers' prices of rubber and canvas footwear which will result in an approximate increase of 10 to 25 cents per pair to the consumer. This increase, which was effective November 25, was authorized to partially offset additional costs to the manufacturer resulting from increased material costs and increased labor rates recently authorized throughout the industry.

Local Physician Decorated.

Among the men and women of Canada's Armed Services, who were invested with medals for acts of bravery during the recent World War, was Dr. W. M. Byers, local physician. Dr. Byers served as a Captain with the Royal Canadian Army Medical Corps. He was awarded the Military Cross for remaining in a danger zone, under fire, in order to render medical assistance to a number of soldiers, when he had an opportunity of retiring to safer quarters. The investiture was made at Rideau Hall on Monday by the Governor General.

Pierces Eye With Knife.

Master Tommy Beardsall, youngest son of Mr. and Mrs. Al. Beardsall, met with a painful accident on Friday last, when he had the misfortune to have the point of a knife pierce his left eye. The youngster was using the knife to cut a piece of string when it slipped and pierced the eye ball. Dr. Gross attended him and he was later taken to the Ottawa Civic Hospital for an X-Ray. A careful examination at the hospital revealed that the sight of the eye had not been injured and that the wound was of a superficial nature. The youngster was allowed to return home and is making a satisfactory recovery.

WATTS—WEBB

Rev. E. W. Tokeley joined in marriage Miss Esther Webb, daughter of Mr. and Mrs. Herbert Webb, of Pleasantdale,, Sask., and Mr. Ronald Alton Watts, son of Mr. and Mrs. W. Irvin Watts, of Ottawa, on Saturday afternoon, Nov. 23rd, in the Wesleyan Methodist Church, Kemptville.

Among the out-of-town guests were Mr. and Mrs. J. V. Summers, Miss I. Watts and Mrs. Emma Gordon, of Winchester, and Mr and Mrs. Harold Cooke and Mrs. Linda Cooke, of Inkerman.
