MR. AND MRS. ROY EMPEY

District Couple Observe Golden Anniversary

A highly esteemed couple of Mountain Township, in the persons of Mr. and Mrs. Roy Empey, happily celebrated their 50th Wedding Anniversary last Saturday. Under the direction of Mr. Empey's nephew, Mr. Carl McMonagle, of Montreal, the bride and groom of fifty years were entertained at a bounteous turkey dinner on Saturday evening at the Winchester Hotel Restaurant, along with thirty other close relatives.

Mr. and Mrs. Empey were united in marriage on August 30, 1910, in the Finch Presbyterian Church Manse by Rev. William Bell. Mrs. Empey was the former Maggie Cameron, daughter of the late Mr. and Mrs. A. D. Cameron of Finch, and Mr. Empey was the son of the late Mr and Mrs. Phillip Empey of Finch.

Following their marriage, they resided three years in the Finch district and then in 1913 purchased the farm in Mountain Township where they still reside. They have two sons, Phillip, a home, and Douglas of Ottawa, and one daughter, Doris (Mrs. Paul White), of St. Hyacinthe, Que., and two grandchildren, Anne and Leroy Empey, who reside with them on the home farm.

Mr. and Mrs. Empey were the recipients of many cards, letters and gifts, including a large basket of gold mums from friends of Winchester Wesleyan Methodist Church and several special remembrances from members of their families.

On Saturday afternoon Mr. and Mrs. Empey were pleasantly surprised when Mr. and Mrs. Homer Patterson, Mrs. Douglas Johnston and Mrs. Thos. Holmes called at their home to present them with an electric fry pan, an electric tea kettle and a leather hassock, extending to them a warm wish for their continued good health and happiness on behalf of their neighbours in honour of their Golden Wedding Anniversary.

SCHOOLS READY FOR TUESDAY OPENING

Fully staffed, as well equipped as possible, and ready to go. That's the word from Winchester Public and High Schools which swing open their doors to another opening day crowd of students next Tuesday.

Pre-school expectation by school officials point to a heavy enrolment, although a record first day "sign in" is not expected. This rather pleasant situation has been created with the addition of still another classroom at the busy public school building where a new age limit for beginners will go into effect on September 6.

5½ YEARS OLD

On that date youngsters wishing to start school must be a full five and one half years old, otherwise they must wait another year before starting their academic careers. Decision to place an age limit on public school starters was reached earlier this summer by the board which was confronted with accommodation problems in the fast growing public school population. To alleviate the situation and to give teachers a breather, another classroom has been added in the school this year in the Susie Annable Memorial auditorium. One more teacher has also been added to the staff bringing the total number of assistants to Principal Harry Potter to seven. The eight-member teaching staff at the public school is as follows: Principal Harry Potter, Miss Maude Edgerton, Miss Olive Hughes and Mrs. Byron Dawson, who were on the teaching staff last year, and newcomers Mrs. Nelda Hanes, Mrs. Marilyn Black, Miss Doris Jones and Gordon Coons, Jr.

During the summer months the public school building has seen two more classrooms modernly lighted with fluorescent lighting fixtures. Also at the public school a new caretaker has been signed in the person of Omar Patterson, who succeeds Berness Stienburg who tendered his resignation this month, but who will carry on as caretaker at the High School.

HIGH SCHOOL

Across the street at the equally busy High School, Principal J. H. Willard feels that there may be a record enrolment in the secondary school building on opening day. An old school, the Winchester building is, nevertheless, modernly equipped although highly overcrowded. During the summer months the entire school has been given an interior coat of paint, adding brightness and colour to all rooms in the school building.

Members of the high school teaching staff are as follows: Principal, J. H. Willard; Assistants: Mr. E. Bowman, Mr. E. E. Forgues, Mrs. A. Hill, Mr. L. Jarvis, Mr. P. Prud'Homme, Mrs. A. Ross (part time), Miss E. Runions, Mrs. E. Slingerland, Miss M. Thom and Mrs. P. Trip.

All available space at the high school is being utilized to full capacity again this year. During the past year the North Dundas District High School Board has debated the actual location of a new central high school building to serve both Winchester and Chesterville. Latest development is that the

LABOUR DAY

A quick look at the calendar tells us that next Monday is Labour Day. This means a long holiday week-end. Because of the double holiday, it is also observed in United States, it will be a week-end of heavy traffic and extra caution should be used by all motorists during the Friday to Tuesday period. Regardless of whether you are motoring, spending the week-end at the camp or staying at home, don't forget to stock up as most places of business will be closed on Monday.

United Counties Unemployment Statistics

There was no unusual fluctuating in the United Counties unemployment level during the past week. As of August 25 there were 2265 applications for employment including 1668 male and 597 female. This compares to 2653 one week ago and 1985 during the same period in 1959.

Placements made by the Cornwall N.E.S. office were 90, male and female, compared to 97 the week before and 112 one year ago.

There were 1520 active claimants for the week ending August 25 against 1699 a week ago and 1589 during the same week in 1959.

Generally the employment picture was again slightly improved in the counties, as the figures would indicate. However, layoffs by one or two large firms during the past week is expected to have some effect on the next set of figures released by the office at Cornwall.

Dundas Exhibitors Show Well At Exhibition

Dundas exhibitors at the recent Central Canada Exhibition have once again proved the quality of County livestock. Championship ribbons and many reds and blues were received in the Holstein, Ayrshire, Guernsey and Hereford cattle shows and Yorkshire swine exhibit.

The Holstein show was rated exceptionally high in quality and classes frequently had up to 20 animals. Reserve Senior and Reserve Grand Champion Bull was exhibited by Allison Fawcett, Winchester, with his herd sire Spring Farm Reflector. Reserve Junior Champion Heifer was exhibited by Ralph Fawcett, Winchester, as well as the first prize dry 2 year-old heifer. Cattle from the Fawcett herds were also winners of a number of second and third prize awards. Basil Dawley and Dwight Dawley, Winchester, exhibited several animals well up in the money. The county herd made up of animals from all four herds stood second.

The Rosayre herd of Ayrshires, exhibited by Donald and Edward Rose, Mountain, took many prizes. Their collection of awards included first prize 2-year-old dry heifer, and first prize three-year-old in milk, and three second prize ribbons. The Club herd honours in Ayrshires was won by the Grenville-Dundas Ayrshire Club.

Malcolm MacGregor, Morewood, won the coveted premier breeder award in a strong Guernsey show. Included in his wins were Senior and Grand Champion Bull and first prize in the dry two-year-old, four-year-old and progeny-of-dam classes. Seven second prizes were also awarded to Mr. MacGregor. L. J. Walker, Winchester Springs, also had a strong entry of Guernseys and won the Reserve Champion Junior Bull award and four second prizes. The combined entries of MacGregor, Walker, Merle Young, Crysler, and Leo Marion, Russell, won the first prize Club Herd award for the Eastern Ontario Guernsey Club.

Harold Lannin, Winchester, was the County's only exhibitor of Herefords. His recently purchased herd bull, Pax Advance Victor, was first prize summer yearling, and a home bred female was first prize summer yearling heifer. Second prize awards went to the Lannin cattle for a junior yearling, 3-year-old cow, and bull and three-female class.

Morton Stobo, Winchester, made a clean sweep of championship ribbons in Yorkshires when he was awarded both Junior and Senior Championships as well as the Grand Championships for both boar and sow classes. John Streng, Winchester, had Reserve Junior Champion Sow.

Large crowds filled the ringside to see the shows and Dundas fans were pleased with the showing made by County livestock in the strong competitions.

A Safer Approach

With an eye to safer driving conditions Winchester Township road construction crews are quickly completing the new approach to Highway 31 at Cass Bridge. Long a driving hazard because of its particularly close location to the Cass Bridge approach, the new township road approach, on the west side of Highway 31, has been moved about 150 feet north of the old corner and will approach the highway squarely and not on the angle as before. The new approach will also allow motorists more vision of oncoming traffic, particularly from the south or bridge side of Highway 31. Department of Highways engineers have co-operated with the township in laying out and staking the new approach. Above picture shows construction work as it appeared on the week-end.—*Press Staff Photo.*

THE FRIENDLY FAIR

Record Crowd Expected At South Mountain Fair

All roads lead to South Mountain this week-end where "The Friendly Fair," sponsored annually by Mountain Township Agricultural Society, gets underway. Starting on Friday, the two-day Fair seems headed for a record year, according to Fair executives.

With all clasess well stocked with exhibits, and with prize money reaching a record high, the 68th annual show this year will again highlight the highly competitive Dundas County Black and White Day where some of the best Holsteins in the province will be judged.

The Fair also features other cattle, horse and swine classes in addition to the many entries which have been received in the classes for vegetables, grains, handicraft, etc. There will also be special 4-H Club work on display as well as educational and commercial displays, rounding out a well designed Fair program.

For all-round family entertainment, in addition to the actual Fair exhibits, there will be a special bicycle race as well as the South Mountain Bakery special in the half-mile race. There will also be horse races, ball tournament, a good midway, concessions and booths.

The Fair winds up on Saturday night with a gala dance. Two exciting horse races are planned for Saturday afternoon.

Harry Williams is president of Mountain Agricultural Society, and the secretary is Marston Shaver.

MRS. A. E. SWERDFEGER

The death occurred recently in an Ottawa hospital of Mrs. Allen E. Swerdfeger. She was 67.

Born at Osnabruck Centre, she married in 1915 and came to reside at Morewood.

A member of Morewood United Church, she took an active part in church organizations for many years and was also a member of the Women's Institute.

Surviving besides her husband are three sons, Morgan, Winchester; Dwight, Cobourg, and Dwight A., of Morewood; one daughter, Mrs. Harold Van Dusen, Prescott; three sisters, Mrs. Fred Osler, Ingleside; Mrs. Walter Blaines, and Mrs. Arthur Cummings, both of Syracuse; and three brothers, Maurice Morgan, Natural Bridge, N. Y.; Charles Morgan, of Cortland, N. Y., and Graham Morgan, of Washington.

Funeral service at Morewood United Church was conducted by Rev. D. L. Gordon. Burial was made at Maple Ridge Cemetery.

MRS. J. E. EVERTS

Mrs. John David Everts, a resident of Osgoode, died in an Ottawa hospital recently after a long illness. She was 75.

Born in England, she was educated in England and Ottawa, coming to Canada at nine years of age.

Mrs. Events was twice married, first to Harold Clarke, and several years following Mr. Clarke's death to John David Everts in Ottawa in 1912. The couple resided in Osgoode since.

Mrs. Everts was a member of St. James United Church, Osgoode.

She is survived by her husband, two sons, Harold Clarke of Winchester, and Gordon Everts, Osgoode; one daughter, Mrs. Cecil Black (Jean), of Osgoode.

Service was held in St. James United Church conducted by K. O. Robinson. Interment was in the family plot in Union Cemetery, Osgoode.

VERNON 4-H CLUB

The August meeting of Vernon 4-H Club was held at the farm of Howard Guy. Bob McDonald reported that Metcalfe and Vernon clubs would hold a joint banquet, date to be announced later. The Vernon club also decided not to sell cheese at Metcalfe Fair this year. However, more work will be put on the various displays and the calf tie-up at this Fair, it was announced.

Roger Thompson discussed the Judging Day and Richmond Fair and he urged members of the Vernon club to be on hand at the judging exhibition at Metcalfe Fair.

The meeting concluded with a judging class of mature Holsteins, with Roger Thompson giving the final placing

MR. and MRS. STERLING COONS

65 Years Married

Winchester's longest married couple, Mr. and Mrs. Sterling Coons, were honoured on the occasion of their 65th Wedding Anniversary which they observed last Saturday.

Highlight of the important anniversary was a turkey dinner at the Coons residence on Ottawa Street. Those attending included Mr. and Mrs. Dalton Coons and Ronald, of Winchester Springs; Miss Bertha Coons, Winchester; Miss Aleitha Coons, Cornwall; Mr. and Mrs. Frank Morgan, Paul and Jill, of Winchester, and Mr. and Mrs. Lawrence Coons, Janie and Pattie, of Vankleek Hill. Following the dinner, the esteemed couple were presented with a lawn chaise lounge and a swedish glass vase by members of their family. On behalf of the members of Winchester United Church the couple also received a purse of silver dollars. Other gifts included china and flowers.

In addition to many congratulatory messages received during the day they also were the recipients of a personal telegram from Her Majesty, The Queen; a plaque from the provincial government; a letter from Prime Minister Diefenbaker of Canada, Mrs. Jean Casselman, MP for Grenville-Dundas, and Hon. Fred M. Cass, Ontario Minister of Highways.

Mr. Coons, 88, and Mrs. Coons, 86, have both been in failing health for some time, but were well enough to enjoy receiving members of their family and friends on their anniversary.

They were married at the Presbyterian Manse, Winchester, by the Rev. G. S. Connery. Mr. Coons is a son of the late William Coons and Sarah Jane Ball. Mrs. Coons is the former Jeanette MacLean, daughter of the late Edward MacLean and his wife, Jane Anne Rae, of Chesterville.

Before retiring to Winchester in May, 1941, Mr. and Mrs. Coons were well known farm people in the Winchester area.

District Weddings

At left, Mr. and Mrs. William Oliver Thomas Keyes are shown following their wedding on Saturday at Mountain Presbyterian Church. The bride is the former Melba Anne Carlyle, daughter of Mr. and Mrs. W. V. Carlyle, of Mountain, and the groom is a son of Mr. and Mrs. Oliver Keyes of South Mountain. RIGHT, Mr. and Mrs. Thomas Evans Harrison were married recently at Vernon Presbyterian Church. The bride is the former Ruth Margaret Lee, daughter of Mrs. Harry M. Lee of Vernon and the late Mr. Lee. The groom is a son of Dr. and Mrs. A. T. G. Harrison of Lancaster.—*Photos by Daykin.*

Fire Destroys Principal's Home South Mountain

Fire of unknown origin completely gutted the home of Mountain District High School Principal Greig Fowler last week at South Mountain. Mr. Fowler was holidaying at the time of the fire at his home in New Brunswick. Contrary to reports appearing in an Ottawa newspaper, Mr. Fowler is not married. His sister and her family reside with him at his South Mountain residence and they had joined Mr. Fowler in New Brunswick about three weeks ago. Before leaving, according to reports, the power had been turned off at the Fowler residence, discounting the theory that the fire had been caused by faulty wiring.

South Mountain fire brigade was on the scene minutes after the alarm had been sounded about 2.30 a.m. and the fire was brought under control about an hour after it was first noticed.

Interior and contents of the house were destroyed. No estimate was placed on the damage. It is understood that the loss was covered with insurance.

Fall Fair Time Is Here

It seems each year moves with a little more speed, for already the much anticipated Fall Fair season is upon us again. It is a most pleasant time of the year and we cannot think of a better way to spend a few hours than to attend one or more of the fine rural fairs in our district.

First on the list in this area is the annual Fair sponsored by Chesterville Agricultural Society on Tuesday and Wednesday of this week, followed by the "Friendly Fair" at South Mountain on Friday and Saturday. Next Friday and Saturday Russell Agricultural Society presents its 102nd annual exhibition, and a little later on, October 6, 7 and 8 to be exact, the district's biggest and one of the best Class B Fairs in Ontario at Metcalfe gets underway.

Basically, the Fairs offer the same line of entertainment, exhibits and classes. The main difference, is the size of the Fair and in this area Metcalfe heads the list. However, all of these district Fairs are worthwhile events and very worthy of the support district people will give them. Of course, weather conditions are important, and to some extent the sponsoring of a Fall Fair not only entails a lot of hard work and good management, but a gamble. For a rainy day can spoil everything.

At these Fairs the best in home cooking, flowers, handicraft, school exhibits, commercial displays, may be seen. But, especially are the superb classes in cattle, swine, sheep and horses a star attraction at all Fairs. To supplement the interest of all, most of the Fairs also include stage shows, midways, horse races, horse shows and other types of entertainment.

Women's organizations are kept busy catering to meals, and the male members of the Fair board are busier than the proverbial bee. In most instances, the long toil of the Fair executives is rewarded at the Fairs by the attendance of thousands of district people. And these people are not all from the farm. They come from the larger towns, and even the city dweller delights in taking some time off to "go the Fair." The hours spent at the rural fair are not only relaxing, but they are educational and entertaining. Where else can one renew so many acquaintances and enjoy himself so much in such a short time?

The rural Fall Fair is an important part of our livelihood and without it most of us would not be as well off. We wish all the district Fairs much success this year and in the years to come, and we urge our readers to attend the fair that serves their particular district.

See you at the Fair.

Unemployment Insurance Needs Revision Now

One of the things that irks the conscientious Canadian the most is the abuse which Unemployment Insurance is receiving to-day. Actually it is an abuse that has been going from bad to worse over the years and the original purpose of such an insurance seems to have been overshadowed by the spongers who are getting away with hand outs from the commission.

The situation is so serious to-day that the government has been advised that the fund is down to $296,000,000 from $859,-471,000 in 1956 and the warning is that it is "already below safe level."

Some of the reasons for the drop in funds are quite legitimate. We have a large force of people in this country who are unemployed and who are rightly receiving unemployment insurance. On the other hand, we have a lot of other people who are working only a part of the year and drawing unemployment insurance for the remaining part without making too much of an effort to get another job. It is a most difficult situation particularly for government people who are aware of the situation and who know that something must be done immediately to alleviate the problem before it gets completely out of hand.

The Glengarry News states editorially:

"Two choices Mr. Deifenbaker and his colleagues have: to increase rates or to trim payments from the fund.

"The first alternative was used just last year when premiums were upped to the point where the small payroll of this one small business is contributing some $400 annually to the fund. Printers, and others who never expect to get in on the pay-off, will be completely browned off if asked again to increase their givings to a government trough that has so many leaks.

"If the Unemployment Insurance Fund is not to be completely dissipated, the government must rise above politics and set a new standard limiting recipients of the largesse. It must sometime soon be decided that the Unemployment Insurance cheque is payable only to those temporarily unemployed and who are actually seeking work that is unobtainable at the moment.

"None other should apply; none other should qualify for weekly payments.

"This fund was not originally intended to buy a winter's beer for the seasonal worker; to buy furniture for the bride; to tide over the fisherman through the months when the tides are under ice. It has become the biggest racket in the government; so big a give-away it has lost a half billion dollars of our hard-earned tax money in four years despite increased premiums.

"It is going broke at a time when business is spotty and when there will be more deserving recipients seeking its aid.

"The politicians of all parties permitted this mess. It is up to all of them to find the remedy."

We agree with the Glengarry News completely. Here is a problem that continues to get worse with age. It is a problem that must be dealt with sensibly and smartly. It is a problem that demands concrete action, not flowery words, for there have been too many verbal solutions in the past.

OF MANY THINGS . . .

(By Ambrose Hills)

FAST READING

The newsy just dropped my daily copy of The Winnipeg Tribune on the desk. I'll also read The Free Press at home tonight, along with copies of The Edmonton Journal, The Portage La Prairie Graphic, and the Toronto dailies.

Along with these dailies, I read several weekly papers and two weekly news magazines, plus assorted other publications, such as the CCF's Commonwealth and the business world's Canadian Business.

"How do you plow through so much reading?" friends ask.

I smile smugly. Some years ago I was talked into taking a course on rapid reading. The fee was outrageous, and I was cynical about the whole thing; but I now consider it one of the best investments I have ever made.

When you read faster you remember better, too. That was one of the pleasant surprises in store for me. The effort to absorb material quickly seems to make you more alert. When you are alert, you are more likely to remember what you read. Speeding up has many beneficial effects.

Because fast reading has helped me so much, I have tried to put the same speed-up process to work in other things. I have increased the speed of my typing a good deal, just by being aware of the fact that speed increases alertness. This is true even of driving an automobile, but you will find that is a hard proposition to sell to the cops. Nevertheless, the man who is driving quickly is often alert, while the dawdler daydreams his way to death.

By speed-up, of course, I do not mean frantic activity—just a steady push toward completion, a slight tenseness which seems to tone the mind and the muscles.

Try it—and get that tonic feeling of alertness! And with it, the great feeling that comes at the end of the day when you can see a worthwhile number of things accomplished. It will not seem to be such a fast and frantic world to you when you have started to match its speed yourself.

LETTERS TO THE EDITOR

Ed. Note: The following letter, addressed to the North Dundas District High School Board, has been sent to this newspaper by the writer as a "letter to the editor," and it is published as such in its entirety.

North Dundas High School
Board of Education:

Gentlemen—

As the father of three boys who have had distinct benefits from Cadet Training and the personal benefit of this training as a young student, I feel it my duty to question the reasons why this benefit has been denied the students of Chesterville, particularly without some reference to the parents of those affected.

Looking at the boys and girls going to and from school, anyone can see for themselves the need of some program to help the youth of today carry themselves with some improvement. There is nothing more pleasing than to see a young person go down the street, head erect, arms swinging, and a purposeful walk. We are to institute a course of instruction in how to drive a 200-h.p. car, but not how to carry a one-man power body. The driving course will cost the taxpayers of Chesterville hard-earned taxes, but the Dominion Government will sponsor and pay the expenses of Cadet training, yes, and to those who wish it, how to drive motor vehicles at summer camp, without any direct cost to Chesterville taxpayers.

A strange procedure has come to light in this respect. We have a Board of Education, apparently not elected to carry out the wishes of the taxpayers and the parents of the students, but an appointed Board who, apparently, do not have to answer to the public whom they are expected to serve. Do we have democracy in this district, or do we have controlled action without reference to those whose children are affected?

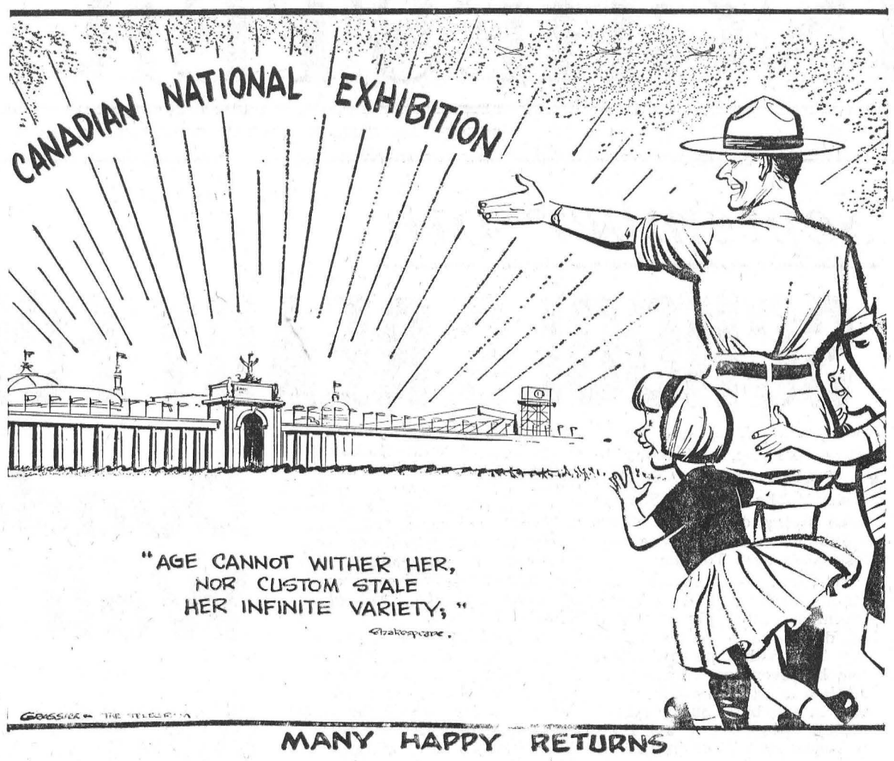
We constantly read of accidents with firearms. Cadet training, properly conducted, can give students proper respect for guns and rifles. The writer won a place as a member of two annual rifle teams entering Provincial and Dominion Competitions. Such training paid off in the proper use of such potentially dangerous weapons, rather than learning of their power only after some serious accident has occurred through lack of proper knowledge.

Please reconsider the decision to abandon this very worthwhile phase of youth education and training. It can more than pay for itself if it saves only one life.

Yours very truly,

G. W. GILBERT.

Chesterville, Ontario.



SUGAR and SPICE . . .

(By Bill Smiley)

People keep asking me how I got on this school teaching kick. "Didn't you like the newspaper business?" they query. Sure, I like being a weekly editor. I am also very fond of pickled pigs' feet, but I don't want them for breakfast, lunch, dinner and bedtime snack, every day except Sunday.

* * * *

It wasn't a sudden aberration. just one of those wild impulses a man has when he hits the 40-year mark. It was carefully reasoned out. This column, written four years ago, is proof of that. Here's the way I told it back in 1956:

* * * *

The other day I was sitting in the heat, feeling sorry for myself, watching the tourists waltz past the office window. They looked lazy, carefree, healthy. I started worrying about how hard I work, how scanty are the holidays, how many thousands of words I had to produce in the next few days. "What a pity," I thought, "that an intellect like mine should be chained to a 50 year old Remington-Rand when all these other clods are having two weeks with pay."

* * * *

Just then one of our local high school teachers sauntered past in Bermuda shorts, licking an ice cream cone and looking as happy as a beachcomber. Inspiration struck me so violently that my old swivel chair almost went over backwards.

* * * *

Everybody knows there is a great shortage of teachers. Why couldn't I take one of those summer courses and obtain a teacher's certificate? Then I'd get a job teaching at the local high school—provided I changed eight or ten of my personal habits.

* * * *

Then I'd hire some smart kid just out of journalism school, as editor. I'd make enough money teaching to pay his salary and have some over for smokes. And —get this—I'd have two months holidays out of the deal. I went over the scheme a couple of times, checking the logic of it. I couldn't find a flaw. It was fool-proof, the great escape.

* * * *

I went happily home to lunch, practically drooling as the simple beauty of the plan sank in. Eight-thirty to four, five days a week. Holidays at Christmas. Holidays at Easter. Two glorious months in the summer! Wow! Teaching and I were made for each other.

* * * *

"How would you like to go to Europe next summer?" I propositioned the Old Girl when I walked in. "Fine," says she, getting out the can of soup. "How would YOU like to go out and bring in that lineful of clothes?" Boy, that makes me mad. Always those smart-alec answers when I have the world by the tail.

* * * *

To take her down a peg, I outlined my scheme about teaching. She just looked at me, dead-pan. "That would be lovely, dear," she observed. "You'd be able to get a lot more done around the house, if you had Saturdays free." I felt a slight chill, as though a corpse had just lifted the lid of a casket and winked at me.

* * * *

"Well," I temporized, "actually I thought I'd drop down to the office on Saturdays, and kind of poke around and check on things, and write some editorials, and sort of tidy up loose ends, and you know . . ." She nodded thoughtfully.

* * * *

"It will certainly be good for you to give up smoking and swearing and making remarks like 'look at the lungs on that' and drinking beer," she pointed out in a kindly way. "Now hold it a minute," I returned hotly. "School teachers aren't like that any more. That was in the good old days, when we had the species under our thumbs, and a teacher couldn't even have a snort of dandelion wine without turning out all the lights in the house and locking the door."

* * * *

"It's an excellent idea," she went on. "Of course, you'd have to study hard all summer to get your certificate. No fishing or golf. No pleasant cool drink when you come home from work. No swims with the kids. No home-cooked meals. But we'd all have to make sacrifices."

* * * *

"Uh, yeah," I said, with a little less exuberance. "I'm sure you'd be able to cope with those delinquents, in school," she pursued inexorably. "You can't do a thing with your own children, but I know you'd have no discipline problems with teen-agers. I think there's a lot of exaggeration in those stories about switchblade knives and all that stuff anyway."

* * * *

"Uh, yeah," I said. "You know what?" I said. "It's a little late to get on that summer course this year. But next year, for sure, I'll take it, and we'll be sitting on top of the world."

* * * *

"Uh, yeah," she said.

* * * *

And that was the start of the whole thing, four years ago. And if that's the top of the world we're sitting on, it must be made of snow, because it's melting rapidly from under me. Or, as the little polar bear said to his Mom: "My tail is told."

MEDITATIONS . . . .

(By Cecil W. Tuininga)

Amos 5:10—"They hate him that rebuketh in the gate, and they abhor him that speaketh uprightly."

Amos became prophet without any training. Some held this against him, among them Amaziah the priest. Amos came to Israel with sharp rebuke, contending with the people concerning their grievious sins. Because the people did not like this they said to Amos, "Prophesy not!"—Amos 2:12, 7:12-13. They contended that since Amos was a simple unschooled herdsman he could not speak with prophetic authority. To this Amos replied, ". . . the Lord took me as I followed the flock, and the Lord said unto me, Go, prophecy unto my people Israel."—Amos 7:15.

To be a prophet in Israel was not easy for Amos. Not because of the stigma of being an unschooled preacher, but rather because Israel's apostasy had reached a stage where the people not only refused to listen but openly rebelled at the truth. It was a reaction of guilty apostate covenant people, rebelling at the Word of God, to attempt hiding behind the excuse, "Amos is unschooled! Therefore he has no authority as prophet!" Deep down inside they knew better.

How did God's people, chosen from among all other nations, get into such a spiritually apostate condition? Apostasy normally runs a slow and hard-to-be-detected course in its first stages. It begins with slackening a little here and tolerating a little there. It begins with a relaxing of vigilance against ever-present sins. Once on that road, which runs steeply down grade, it is difficult to call a halt, to say nothing of retracing one's steps.

Israel was far down that road of spiritual decay. They tolerated almost every kind of sin and were vigilant against none. For that reason they resented rebuke and disliked an honest judge. They did not want to be checked in their sinning or judged for their transgressions. For that reason they hated the judge in the gate who still dared to speak honestly.

This was the grievous state of Israel's life when Amos was sent to them by God. Amos' prophecies reveal, as all of Scripture does, how terribly displeased God is with man's sins, and how He will surely punish all evil-doers, who rebel at His commandments. That is true today as it will always be true. God punishes those who love evil and hate the good. He will punish them in this life and eternally after this life. God has revealed His great wrath against sin on the cross of Calvary. On that cross He has also made salvation possible for all who believe. It remains for every one of us to receive by faith eternal life through Christ Jesus. If we rebel at this word the wrath of God will abide on us forever, and there will be no escape, if now in this life we reject the living Son of God, the Saviour of the world.

WHO WON 45 OF 46 MURDER TRIALS?

Robert Andrew Bonnar, of Manitoba, one of the ablest criminal lawyers of his generation, lost only one of 46 murder trials in which he represented the defendant. Bonnar was born at King, north of Toronto, in 1860, the son of a Scottish schoolmaster who had come to Canada and taken up farming. He was taught at home, attended Barrie Academy for a time, and then studied law in Winnipeg. In 1889 he was called to the Manitoba bar and in 1915 he was created a K.C. Bonnar died at Headingly, Man. in 1932..

HOW MANY FARM TRACTORS HAS CANADA?

Canadian farmers now make use of more than half a million tractors. There are also more than 150,000 grain combines in use, as compared with only 19,000 less than 20 years ago. The tremendous increase in farm mechanization since the Second World War includes a wide variety of trucks, as well as tillage, seeding and harvesting equipment. In addition, there are such specialized items as milkers, sprayers, potato diggers, corn pickers and flax pullers.

The 7th Column

One of the heaviest demands on any business is the insurance premium. In Winchester most business places carry a fair amount of insurance. Some say "you can't afford it," and all say "you can't afford to be without it." In any case, the rate structure for fire insurance in Winchester is meeting with much protest from local business. Rightly so! From what we can gather, Winchester insurance rates were supposed to drop with the completion of the new water system and installation of fire hydrants. Well, in case the Canadian Underwriters are interested, (they set the rates), Winchester's water system is now close to a year old and works perfectly in time of fire. In addition, the village boasts one of the best equipped volunteer fire brigades in the province. So, what else do we need to get these fire insurance rates DOWN? Insurance agents are put on the spot because of the underwriters' failure to make a revision. However, we still think that all local agents should get together, meet representatives of Underwriters, and state the case emphatically. After all, it's their business. There seems little doubt that we are in line for lower insurance rates, and the quicker some direct steps are taken to have the new rate put in force, the better and more pleasant the situation in Winchester. Every delay, by the way, means Winchester business pays more for its fire insurance. WHY?—and we think the least we should have to our query is a reply from the Canadian Underwriters.

It's so dry in Winchester district that even the cactus won't grow. Seems summer weather of the warmer variety has been a little late in coming. However, it has more than made up for the cooler weather earlier this season, with the thermometer riding high the past two or three weeks. On Monday of this week it was 90 plus in the area and mother earth was still crying for rain. Certainly the extended drought conditions are playing havoc with crops in the area and the best that can be expected of a good rain now is to take the brown tinge away and replenish the supply in many "low" wells.

Winchester business people voted recently in favour of remaining open on Saturday nights. However, there still seems to be a fair amount of unrest concerning the decision. Only this week we have heard two businessmen threaten to close their premises on Saturday night because of the lack of paying customers. Seems, according to these men, that there are lots of people in Winchester on Saturday nights—but they are not buying, "they're visiting." Well, this could be. And if this is the case we would think that one-half of the battle to attract customers is won. First of all, we need people in town, and apparently there are lots of district farm people and others in town on Saturday night. Now then, the next thing is to get these people to buy. And it seems to us a good gimmick or, better still, a good bargain featured every Saturday night would do the trick. So our advice to Winchester business people is to get together and get some kind of a Saturday night promotion going, either collectively or individually. It's an opportune time of the year and the promotion could be climaxed with a good prize being given away at Christmas.

When it comes to advertising we, at The Winchester Press, believe we have the best medium in the district. For instance, 2500 issues of The Press go out every week with about 1500 being read by 6,000 potential customers in the Winchester area alone. Further proof of Press advertising paying off was voiced this week by a satisfied advertsing customer who told this newspaper that he had received no fewer than 63 replies to a single classified advt. placed in this paper. Needless to add that we are mighty pleased with these results, and the advertiser is too.

In closing this week, a pleasant wish to our readers who labour through this column each week—Happy Labour Day.

W. J. Workman Dies Suddenly At Cornwall

One of Mountain Township's oldest and most esteemed citizens, William John Workman, died unexpectedly at Cornwall on Saturday following a brief illness.

In his 95th year, he was born in Bay City, Michigan, a son of the late John Workman and Eunice O'Hara. He came to South Mountain as a youngster and had resided there for the better part of his life until he took up residence at the Glen-Stor-Dun Lodge, Cornwall. His wife, the former Louise Campbell, predeceased him 20 years ago. Mr. Workman was particularly well known for his trade as a carpenter.

Surviving him are two daughters, Mrs. Hugh Clark (Olive), of Biggar, Sask., and Mrs. Eli Montgomery (Annie), of South Mountain. There are also seven grandchildren and 14 great grandchildren surviving.

Final tribute was paid his memory at the funeral service conducted from the Armstrong Funeral Home, South Mountain, to the family plot at South Gower Cemetery on Tuesday afternoon.

Stobo Swine Sweep Major Classes At The Ex.

Morton Stobo, of Winchester, perhaps Eastern Ontario's leading swine breeder, had another field day at Central Canada Exhibition last week. Showing his prize winning swine for the past 20 years at the Ex., Mort walked off this year with 17 more ribbons to add to his growing collection.

Mr. Stobo won 10 red ribbons, six blue and one white and made a grand slam in all the major championship classes. His top standard bearer was Stobodale Lass 2-M, a 700-lb. beauty who was judged grand champion and senior champion sow.

Entries from Mr. Stobo's farm also walked off with reserve honours in the grand champion boar and senior champion sow divisions.

Cecil Acres, of Osgoode, who picked up two firsts, four seconds and eight thirds, had the reserve junior and senior champion boars. John Streng, Winchester, had the reserve junior champion sow.

In the Tamworths, Newton Taylor and Sons, of Burketon, and Cecil Acres, of Osgoode, shared the honours almost 50-50. Taylor entries, which carried off seven firsts, eight seconds, nine thirds, won all major championships in the boar classes. Mr. Acres, with six firsts, five seconds and four thirds, won all major championships in the sow division.

Ellis Reunion

The Ellis Reunion, representing four generations of the descendants of the late Margaret Lennox and James Ellis, was held on the picnic grounds at Beckett's Landing last Sunday.

The oldest lady present was Mrs. Ira Ellis, and the oldest gentleman, Mr. Ira Ellis, of Hulbert.

The youngest baby girl was Louise, daughter of Mr. and Mrs. Ewart Simms, of Mountain, and the youngest baby boy was Kevin, son of Mr. and Mrs. Ronald Adams, of Mountain.

The committee in charge of arrangements was: Mr. and Mrs. Stewart Empey and Mr. and Mrs. Keith Beveridge, all of Brockville.

Committe to arrange for 1961 reunion is: Mr. and Mrs. Stanley Ellis, Toronto, and Mr. and Mrs. Ray Francis, Prescott.

Vauxhall... the difference between skimping and saving!

THERE'S NO SKIMPING ON PLEASURE

That's the big difference with Vauxhall — it has the total visibility of wraparound windows — Ball-Race steering to help you into that tight parking space — a low centre of gravity to give you a wonderful feeling of steady, smooth control over the roughest roads.

NO SKIMPING ON COMFORT

That means sit-back-and-relax comfort for five passengers. With Vauxhall there's no struggle to get into the back seat, four wide opening doors provide easy entrance and exit. Comfort-cushioned seats and steering column gearshift are two of the many other Vauxhall luxury features.

NO SKIMPING ON FEATURES

There's not enough space to list them all but here are a few to tantalize you . . . A Canadian-size heater designed for the frostiest winters . . . two-speed electric windshield wipers . . . top quality rustproofing body dip for years of wear and "just new" good looks.

SAVE AS YOU DRIVE

You can't help but save on the peppy 4-cylinder Vauxhall "oversquare" engine. Its outstanding engineering assures you long life and trouble-free driving. With the economy carburetor you'll forget all your worries about gas consumption—you get up to 40 miles per gallon.

SAVE FOR THE FUTURE

Vauxhall holds its value for years—you couldn't make a better investment. From its rigidly constructed body—with rustproofing body dip, to its sleek and handsome appearance — Vauxhall has everything you expect in a General Motors car. And there's continent-wide service, too.

SAVE ON INITIAL COST

Always an important consideration when buying a car, Vauxhall is more considerate than most. Whatever make of car you own — a look at Vauxhall will make you think hard about your driving future, and you couldn't make a better decision than to visit your Vauxhall dealer — Right now!

MISS HELEN HOLMES BRIDE-TO-BE HONOURED

Miss Helen Holmes, whose marriage to Mr. Stanley Duncan takes place this Saturday, was tendered a nicely arranged miscellaneous shower at her homes at Toyes Hill on Saturday evening.

The bride-to-be was escorted to a chair underneath a canopy of white and pink wedding bells and streamers. Mrs. Fred Link read an address, and Mrs. Byron Steele and Mrs. Dalton Robinson presented the many beautiful miscellaneous gifts for which Helen expressed her thanks to all. Those present signed the bride's book.

A dainty lunch was served by the hostesses, assisted by Mrs. Merle Holmes, Mrs. B. Gorman and Miss Erlene Casselman.

We are really sentimental about the flowers we arrange for weddings. It's the personal touch, the exacting attention to every detail, the careful planning and timing that will make your wedding the most beautiful memory of your life.

Our years of experience will be helpful. Whether it's a simple ceremony or an elaborate formal wedding, you can count on us to take complete responsibility to carry out each detail to perfection.

Weddings . . .

KEYES — CARLYLE

A pretty summer wedding was solemnized in Mountain Knox Presbyterian Church last Saturday at two p.m. when Rev. Wm. Sutherland united in marriage the only daughter of Mr. and Mrs. W. V. Carlyle, Melba Anne, and the only son of Mr. and Mrs Oliver Keyes of South Mountain, Mr. William Oliver Keyes.

The bride entered the church attired in a ballerina-length gown of white chantilly lace with nylon net inserts accenting the full skirt of her gown. A small crown of seed pearls and sequins held her elbow-length veil, and she carried a cascade bouquet of white roses, stephanotis and trailing ivy.

The bridesmaid, Miss Korleen Dodge, R.N., of Ottawa, chose a ballerina-length gown of turquoise chiffon and tiny matching headdress. She carried a bouquet of white shasta daisies.

The best man was Denzil Prunner, of Inkerman, cousin of the groom.

The bride's mother was smartly attired in a navy blue sheer ensemble with navy and white accessories and a corsage of pink carnations. The groom's mother donned a pale blue lace dress corsage of pink carnations.

Following the wedding ceremony, a reception was held on the lawn of the bride's home. Guests were present from Ottawa, Toronto, Barrie, Spencerville, South Mountain, Mountain, Winchester and Iroquois.

For her honeymoon to the Northern States, Mrs. Keyes matching three-quarter length duster, accesories in shades of chose a lilac sheath dress with lilac and bone, and a corsage of yellow mums.

On their return the happy couple will reside in South Mountain. Mrs. Keyes is a graduate nurse of the Ottawa Civic Hospital and is presently employed at the Winchester District Memorial Hospital.

ACRES — MacKINNON

MacDonald's Corners was the setting for the recent wedding of Miss Frances Evelyn MacKinnon to Mr. Donald Everett Acres, son of Mr. and Mrs. Cecil Acres of Osgoode.

Mrs. H. Fegruson played the traditional wedding music and also accompanied the soloist, Mr. H. Fergson, of Osgoode.

Given in marriage by her father, the bride wore a floor-length gown of nylon organza, trimmed with sequins. The gown featured short sleeves and a miniature bustle ending in a slight train. The shoulder-length veil was caught to the head by a sequin trimmed coronet. She wore matching elbow-length gloves and a single strand of cultured pearls. The bride's bouquet was a cascade of red and white roses.

Attending the bride as maid of honour was her sister, Miss Pat McKinnon, gowned in street-length, aqua organza, with matching picture hat. She carried a cascade of white mums.

The bridesmaids, Linda Blunden of Kingston and Margaret Sullivan of South Mountain, wore shrimp and pale blue respectively in the same style as that of the maid of honour.

The flower girls were Miss Joanne Millikin, of Kingston, and Miss Margo Jean MacMartin, of Vernon.

The groom was ably supported by his brother, Dwayne Acres, and the ushers were Jack Tysick of Perth and Russell Dow of Toronto. All wore white jackets and dark trousers.

Following the ceremony, the guests were entertained at the Rideau Ferry Inn.

Receiving with the bridal party were the bride's mother, who wore a blue and white Swiss eyelet sheath and matching duster with white accessories and corsage of pink roses, and the groom's mother wearing a sheath of organza over silk with matching beige duster and green accessories. Her corsage was of bronze Talisman roses.

For their trip to the West coast the bride donned a gold silk print sheath, beige accessories and yellow rose corsage. On their return they will reside in Ottawa where they are both employed on the Ottawa Teaching Staff.

THORPE — FOX

In a fairytale setting of twinkling candlebra flanking both altar and aisles, Miss Helen Beatrice Fox, of London, became the bride of Denzil William Earl Thorpe, of Windsor, recently, in the London Free Methodist Church.

Given in marriage by her father, W. Herman Fox, the bride looked lovely in a gown of Chantilly lace with overskirt train of peau de soie. Her French illusion veil was held by a silver-beaded tiara. The bride carried a cascade of white roses with trailing baby ivy.

The bride's three attendants, Miss Yvonne Abel, maid of honour, Miss Shirley Thorpe, sister of the groom, and Mrs. Joseph Burdick were identically gowned in flowered moss green lace over chartreuse with moss green accessories. They carried orange delight roses and shasta daisies.

Assisting the groom was his brother, Buford Thorpe. Ronald Zavitz and Dalton Wales were ushers.

Wayne Watson, organist, accompanied Paul Felker, soloist, who sang "Because" and "The Wedding Prayer."

Miss Anne Fox and Miss Mary Fox recited in unison I Corinthians 13.

Miss Deborah MacDonald was flower girl, and Master Paul Baker, nephew of the groom, was ring bearer. Miss Jill Hester, niece of the bride, and Brian Thorpe, brother of the groom, were candlelighters.

For her daughter's wedding Mrs. W. Heman Fox wore a Woodrose frock with navy accessories. Mrs. John H. Thorpe, the groom's mother, wore a mint green crystal-charm dress with white accessories.

At the conclusion of the wedding service the bride and groom exchanged vows by singing together, "I Love You Truly," accompanied by the organist.

For her going away ensemble the bride wore a green-figured taffeta sheath with redingote of matching chiffon, and bone accessories.

On their return Mr. and Mrs. Thorpe will reside in Windsor where both are teachers.

FEED NEWS

TIMOTHY SEED

Demand for Timothy Seed is mostly for export and these export deals are for immediate delivery.

Prices offered for domestic trade are not too high. Production of seed in both Canada and U.S.A. is reported to be well over requirements for regular seeding purposes.

New grading regulations will make some change in the supply of Climax Timothy but according to reports, quite large quantities of Climax Seed will be offered from the West.

We have had fair offers for Timothy Seed for this export market and unless seed is held until later in the season this may be the best market we will have for some time.

Give us a call—we will get the best offers we can, either cleaned or "in the rough."

Or, we will clean the seed and hold samples on file for sale at a later date.

MIXING and DELIVERY SERVICE

Regular delivery once a week—either phone the order in or give it to the driver for the next trip.

Also arrange pick-up and delivery of grists, mixes or seed for cleaning, etc. Have your grain ground or rolled and mixed for poultry, pigs or cattle rations.

We will be glad to figure any rations required—using either concentrates or separate ingredients.

Trained company service men are available at any time to help with feeding and management problems.

If production is down or the flock or stock show symptoms of disease, phone us and we will have a service man call. No charge or obligation in any way and he may be able to give valuable help.

CARD OF THANKS—To our many friends and neighbours for their thoughtfulness in presenting us with a purse of money following our recent wedding, we should like to extend our sincere thanks. Your kindness has been deeply appreciated.—Mr. and Mrs. Ray McMillan. 16p

CARD OF THANKS—I wish to express a sincere "thank you" to all who remembered me with cards, treats and personal calls while I was a patient in Winchester Memorial Hospital. Special thanks to Dr. Byers and the wonderful hospital staff.—Francis Henderson, Brinston. 16p

CARD OF THANKS—I would like to express my sincere thanks to all my friends and neighours for their visits, flowers, treats and cards while I was a patient in the Winchester Memorial Hospital. Special thanks to the doctors and nurses on the staff who were so good to me.—Mrs. Ross Waddell. 16p

CARD OF THANKS—I wish to thank my many friends and neighbours who remembered me with cards, letters, flowers and treats during my stay at the Winchester Memorial Hospital. Special thanks to Dr. Howard Justus, Dr. Byers, Mr. MacAllister, and the nursing staff.—Mrs. Roy Shepherd, Winchester, R. R. 3. 16p

CARD OF THANKS—I would like to thank my neighbours, friends and relatives for treats, visits, cards and letters while I was a patient in the Ottawa Civic Hospital. Special thanks to Dr. Atack and Dr. Mount, and to all who helped out in any way at home while I was away.—Gord. Boyd. 16p

CARD OF THANKS—Just a little note of thanks to all our neighbours and friends from Dalmeny and Osgoode vicinities and other surrounding communities who helped in any way the day our barn was burned. Special thanks to those who stayed on to help fix a place for us to milk our cattle, and the use of their tools, etc. also to those who later came back to help clean up the debris, and to the Osgoode and Metcalfe Fire Departments for their help in saving the other buildings. We again say Thank You.—Mr. and Mrs. Nelson Patterson and family. 16c

PRECIOUS PROMISES

"But ye believe not, because ye are not of my sheep . . . my sheep hear my voice, and I know them, and they follow me."—The words of Lord Jesus, John 10:26-27.

Where do we go from here? A question often asked but seldom answered. Certainly we live high, wide and handsome, playing it fast and loose, but where is the finishing line? Providing we can keep up the pace, for how long do we have to do so? You may not have realized it, but the length of time will be until you die—your guess is at good as mine as to when that is—could be to-morrow; there is no guarantee that you will see your bed to-night, yet you are making plans for to-morrow.

The Bible tells me that as a believer (sheep) in Jesus Christ, He is preparing a place for me and that when I die, I shall go to be with Him, so, to me, death will be a blessed release from the rat-race of this life. One Christian has prepared a notice to put on his coffin, "At Rest, At Last."

The Lord has seen fit to supply all my needs now, who am I to complain when eternity is ahead of me and all my needs are supplied then, also. Get wise to yourself and cash in on the riches that are obtainable through Christ Jesus. The hour is coming when the bank will be closed, and you know how good your cheque will be after closing time.

Mrs. Imrie pinned a corsage on the bride-to-be and escorted her to a nicely decorated chair.

Following games and contests which were enjoyed by all, Mrs. George Imrie read a suitable address, while little Miss Jeanne Kerr, cousin of the bride, pulled in a decorated wagon loaded with gifts, and presented the bride-to-be with a bride's book, designed by Mrs. Rae Imrie.

Melba replied very fittingly, thanking everyone for the lovely gifts. Lunch was served.

West Dundas Forage Club Holds Final Formal Meeting

The West Dundas Forage Club held its fifth and final formal meeting at the South Mountain High School. This meeting was part of their Achievement Day. Each member was required to judge four different samples of hay and give oral reasons on his judgment. After this they wrote a short test on questions ranging from forage crops to the function of the club itself, following which they answered fifteen true or false questions. The testing was concluded by an identification test on different varieties of seeds, grasses and legumes.

Red "Hazard" tags and "Ride Alone" stickers were distributed by the president, Dick Blaine, as part of the safety campaign being carried on throughout Dundas County. Ed. Pearson explained the use of these and emphasized the great need for safety in the agricultural field.

Best wishes for a quick recovery were extended by the Club to W. Henderson who is in hospital with pneumonia.

Members Drenna Coleman, Jean Allen and C. Pollock had the honour of representing this club at the 4-H Club camp at the Central Canada Exhibition. Drenna and Jean entered the open judging competition on Monday. In the compulsory tests on Tuesday at the Experimental Farm these delegates had a score of 92.

The final half of the Club Achievement Day will take place at the Mountain Fair on Saturday, September 3rd.

COMPLETE WORKING PLANS and MATERIALS FOR POLE-TYPE FARM BUILDINGS at BEAVER LUMBER

Cut Building Costs Up to 50% With Low Cost and Easy to Build Pole-Type Construction.

Pole frame construction is easy for anyone handy with ordinary woodworking tools. That's why this method and Beaver Plans are particularly appealing to the farmer, who can save money by building farm structures himself. Actual construction of a Beaver pole frame building begins with seating the poles in the ground. Right here, a major saving of time and money is realized because there is no masonry foundation. The uprights themselves are firmly anchored in the ground and they carry the entire building load. You can't beat that for simplicity! Eave and ridge plates run from pole to pole and are simple to attach. All attachments can be made with nails—no holes to bore, no nuts and bolts. Rafters go up easily.

Flexible, you can alter the dimensions of any of these buildings to meet your special requirements.

Plans, pressure-creosoted poles, posts and lumber at Beaver Lumber. Free estimates and planning help are yours for the asking.

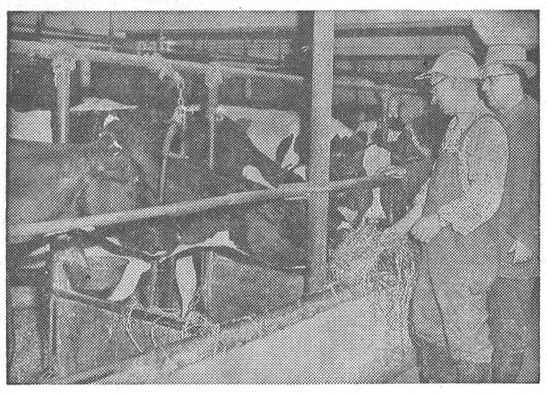
MORE PROOF... IT PAYS TO FEED PURINA



Purina-Grown Heifers Make Heavy Milkers

Homer Schwindt's Herd Averages 34% Above "BCA"

Homer Schwindt does not carry a "big" herd on his 200 acres near Elmira, Ont., but he ships a lot of milk. His R.O.P. records for the 1958-59 year show that 22 milkers, all ages, averaged 14,002 lbs. milk and 502 fat in 305 days. Compared with Breed Class Average, this works out at 134 for milk, 131 for fat.

"Our two-year-old records have never been so good," says Mr. Schwindt. "Some heifers have hit over 17,000 lbs. in their first lactation." And all his records are made on 2X.

These big, well developed heifers are built to "take it", but a glance at the snapshot above will show that they are sharp, clean-cut, dairy-like. They were grown for size, early breeding, early calving, but not coarsened in the process.

Obviously, Mr. Schwindt is a good breeder and a good feeder. For 12 years he has based his feeding on the Purina Programme. He starts his calves on Nursing Chow and Calf Startena, grows them on D & F Special and his own grain, feeds his milkers a Purina-balanced ration. "I'm glad I stuck with it," he tells us.

Start your next few calves on the Purina Plan, and see how they develop. Ask us for directions. They're simple.

FOR WATSON FAMILY

Benefit Dance Nets $192.00

The Benefit Dance, held last Wednesday night at Paul's Hall, Williamsburg, for the family of Allan Watson, young Ottawa man who gave his life in a heroic attempt to save Chesterville's Mae Mooney from death at Crysler Beach, near Morrisburg, realized the sum of $192.00.

The family, including a baby who was only five weeks' old at the time of his father's tragic death, is in dire circumstances, and a fund has been opened for them at the Bank of Nova Scotia in Chsterville, and is still open to those who wish to contribute. Cheques should be made to the Allan Watson Fund.

For the benefit dance last Wednesday, organized by Paul Robert of Williamsburg and Carl Merkley of Chesterville, tickets were donated by The Chesterville Record, and the major part of the advertising was donated by the district newspapers.

The Rockets Orchestra of Iroquois also contributed their services free of charge.

Thanks of the committee in charge of this dance are extended to all who contributed in any way, with cash donations, prizes, or physical effort, which helped so much to make it a success and to help a widow and orphan family in their time of financial difficulty.

If you can, won't you please make a donation, however small, to the Allan Watson Fund, Bank of Nova Scotia, Chesterville.

South Mountain Wins Dundas Softball Crown

Starting with a five-run barrage in the first inning last Wednesday night, South Mountain's power packed softball nine went on to defeat Williamsburg 10-7 to win the Dundas Softball league final series four games to one. The win also gained the South Mountain crew the new league trophy donated last year for the first time by the Hon. Fred M. Cass, Ontario Minister of Highways and MLA for Grenville-Dundas.

One of the best softball teams to enter the Dundas League in many years, the 1960 South Mountain edition had little trouble in eliminating its play-off opponents. They had earlier knocked off Chesterville Cubs in fairly easy fashion before tangling with Williamsburg.

Good hitting and some sound pitching made the difference. In what proved to be the final game last Wednesday, Williamsburg roared back after being down five runs to tie the count going into the seventh and final inning. In the fateful seventh the boys from the 'Burg failed to tally and saw their last hopes to win the crown fade when Earl Roach pounded out a home run, knocking in three runs in the bottom of the final inning. Ironically, it was Roach's first hit of the night. Hopkins, Lunny, Sheehan and Bun Lunny also collected key hits for the winners.

For Williamsburg, Russ Casselman and Phil Casselman were the big guns at the plate.

Bill Gilligan, of Cardinal, Lloyd and Carl Casselman officiated at the game.

Lineups:

Williamsburg—Doug. Casselman, Errol Coleman, Russ Casselman, Phil Casselman, Don Oshier, Norm. Utman, Herb Wells, Gord. McMillan, Bob McIntosh.

South Mountain—L. Boyd, J. Hopkins, Bill Lunny, D. Berry, E. Roach, B. Guy, M. Sheehan, Bun Lunny, G. Berry.

38 Dundas 4-H Club Members At The Ex.

38 Dundas 4-H boys and girls were among the 550 taking part in the Central Canada Exhibition 4-H Camp and Judging Competition. The campers take part in a three-day educational programme organized by the Ontario Department of Agriculture under the sponsorship of the Central Canada Exhibition.

An open judging competition took place on Monday and here two Dundas 4-H members were close to the top. Leslie Dawley, Winchester, was second with a score of 541, only one point behind the winner in the intermediate section. Jean Allen, Mountain, was fifth in the same section among 106 competitors.

Monday evening all 4-H members present attended the grandstand show, while Tuesday they toured the Central Experimental Farms and participated in further competitions.

The Honourable F. M. Cass, Minister of Highways, was guest speaker at the Awards Banquet on Tuesday evening. Mr. Cass gave an interesting talk on the development of roads and highways to their present high standard. Directing his remarks particularly to the boys and girls, he pointed to the impact and necessity of good roads to the welfare and prosperity of farm people. The camp ended Wednesday morning with a tractor driving competition.

E. K. Pearson, R. M. Smith and Nancy Pritchard assisted with the camp and competitions. To Miss Pritchard and Mr. Smith fell the lots of assisting with the supervising of the dormitories. According to their reports, getting 550 active and excited boys and girls to sleep at one time is quite a formidable and interesting chore.

Championship Kart Races At Kemptville On Labour Day

Eastern Canada Kart Championships to be held at Kemptville on Labour Day have announced that due to the large number of entries received, 18 instead of the original 15 trophies will be up for competition. Alexandria Bay, New York and Kingston have nominated their five top drivers and sent in their entries. From Toronto, McCulloch Company of Canada Limited, manufacturers of karts and engines, have entered their factory team in the races. Last year at Nassau their American team won the world championship and they hope to add the Canadian championship to their collection. They may get a surprise, however, as due to the tricky curves on the local course the emphasis will be on driving skill rather than blinding speed.

Winchester will be well represented in the championship races as Harold Ball, Harry Keyes, Reg. LaPorte and Bob Guy all know the Kemptville track well and have their karts already tuned up for the big race.

WILL BE "AT HOME"

Mr. and Mrs. J. George Wilson, of Winchester, will be "At Home" to their relatives and friends on Wednesday, September 7th, from 3 to 5 p.m. and 7 to 10 p.m. at their residence on Gladstone Street. The occasion will be their Fiftieth Wedding Anniversary.

29 YEARS MARRIED

Congratulations are extended to Mr. and Mrs. Gilbert B. Raistrick, Jr., of Winchester, who observed their 29th Wedding Anniversary on Sunday, August 28th.

"SCHOOLS"

(Continued from Page 1)

Board has applied to the Department of Education for two new school buildings. Whatever the outcome, it is generally thought that this may be the last year for the present high school building—that it may undergo extensive renovation or extension within the year or a new building may take its place. It was erected in 1914.

About 450 students are expected to register in the two schools on opening day next Tuesday.

Seasonal Reminders:

You can save DOLLARS and add much to your comfort during the colder months by following these suggestions:

Install a storm sash on every window in the heated area of your home.

Install a storm or combination door on every door opening exposed to the elements. These doors should include a bottom sweep to prevent cold, snow and rain from coming in and also prevent the bottom of the door from collecting ice and sticking.

Weatherstrip all outside doors at top and sides and install a flexible threshold under the door.

Install a door canopy over exterior door openings to shed snow, rain and ice from doors and stoops.

Caulk with grey caulking compound around door and window frames.

If your attic is now insulated check to ensure that you have adequate ventilation. Inadequate ventilation above the insulation robs efficiency, and added louvres will correct this.

If your attic is not insulated you should consider this a must. More heat is lost through uninsulated attics than all the outside walls.

A kitchen ventilating fan dispels unpleasant cooking odors and helps freshen air throughout the whole building without opening outside doors during cold weather.

Come in today and discuss your WINTER PROBLEMS. WE CAN HELP YOU.
