W. H. S. Holds Field Day

The Winchester High School Annual Field Day was held at the Winchester 100 Club Park on Friday, September 30th. The Meet, originally planned for Wednesday, was postponed until Friday because of the rain and slippery track. Rain threatened again Friday morning, but around noon the sun came out to make a pleasant afternoon. The Field Day was an immense success. Athletes were in top condition, and although the track was a little slippery, there were many close races.

The winner of the Senior Boys' Athletic Cup was Bert Duncan, of Vernon, with a total of 27 points out of a possible 68. Dick Justus clinched 2nd place and Bill Porteous held down third place. Other winners were: Intermediate Boys: 1st, Gordon McVey; 2nd, Bill Clark; 3rd, Donald Watts; Junior Boys, 1st, Leslie MacDonald; 2nd, Bill Beardsall; 3rd, Harry McRoberts.

The winners of the girls' Cup were Helen Clark and Irene Campbell. They were tied for first place and so both names will be placed on the cup. It was decided that these two girls will divide the $5.00, given by Mr. Thompson, of the District Memorial Hospital. This $5.00 originally was to be given to the girl with the second highest number of points. The school is deeply indebted to Mr. Thompson for putting up this prize money and for showing interest in our school.

I would like to take this opportunity to thank all those who in any way contributed to make the field day a success. I would like to thank the various committees who sold tickets, prepared the field, looked after the booth, etc. The Grade IX and X shop boys deserve thanks for painting the hurdles, and we are grateful to the Board for their assistance.

Following is the summary of the contestants:—

Senior Boys—Bert Duncan, 27 (Cup winner); 2nd, Dick Justus, 17; 3rd, Bill Porteous, 14.

Intermediate—1st, Gordon McVey, 25; 2nd, Bill Clark, 10; 3rd, Donald Watts, 10.

Junior—1st, Leslie MacDonald, 15; 2nd, Bill Beardsall, 11; 3rd, Harry McRoberts, 8.

Senior Girls—1st, Helen Clark, 15; 2nd, Doreen Cross, 7; 3rd, M. Carkner, 5; S. Acres, 5; P. Timmins, 5; P. MacDonald, 5.

Junior Girls—1st, Irene Campbell, 15; 2nd, Vivien Hill, 10; 3rd, Betty Holmes, 10.

Girls' Teams: Junior Division—Captains—Winnie Deeks, 38; Irene Campbell, 37; Barbara Loucks, 13; Rose Suffel, 7. Senior Division—Doris Fawcett, 31; Phyllis MacDonald, 24; Pauline Timmins, 24; Martha Carkner, 11; June Saunders, 5.

In the Senior Division, Volley Ball Games are being played this week in order to complete the team standings.

* * * *

Last week congratulations were extended to last year Grade XII boys for passing their First Aid Course and receiving St. John's Ambulance Certificates. The fact that the girls had also received Certificates was omitted. I apologize for this error and congratulate the girls for their fine work.

AGNES GLASSFORD AUXILIARY

The regular meeting of the Agnes Glassford Auxiliary was held in St. Paul's S. S. Hall on Tuesday evening of last week with a good attendance of members present.

Mrs. Wilfred McKercher presided and opened the meeting with the Apostles' Creed. Minutes of the last meeting were read by the secretary, Mrs. Hugh Wilson, while roll call was responded to by each member giving the name of a missionary in Formosa or China.

The treasurer's report was given by Mrs. Archie Rice. It was decided to ask each member for $1.00 as a Thanksgiving offering to help out in the Auxiliary's allocation.

An invitation to visit Finch on October 13th was accepted.

The president read a chapter from the study book on Formosa, while Mrs. W. F. Workman conducted a Bible quiz.

At the close of the meeting lunch was served by Mrs. McKercher and Mrs. Workman, after which a vote of thanks was extended on behalf of the Auxiliary by Mrs. A. G. Suffel.

AWARDED $100.00 BURSARY

MISS JUNE ROWAT

A graduate of the Winchester High School, who has been awarded a bursary of $100 by the University of Toronto, for her over-all high standing in the recent departmental examinations. She has enrolled as an honour student in English at University College, Toronto, and will take vocal training from Dr. Ernest Vinci, of the Royal Conservatory of Music. Miss Rowat is the daughter of Mr. and Mrs. W. A. Rowat, of town.

WRESTLNG EXHIBITION AT THE LOCAL ARENA

Three interesting wrestling bouts were presented at the local arena on Saturday evening, with grapplers from Ottawa and Hull taking part.

In the first contest, Syd. Sabourin, 172 lbs., defeated Reggie Bryant, 171 lbs., by registering two out of three falls.

In the semi-final round, Marcel Madore, 210 lbs., won two falls out of three over Connie Fauvel, 205 lbs.

The main bout saw Carl Van Wurden, British Light Heavyweight Champion, 210 lbs., defeat Rolland Vendette, 205 lbs. Vendette won the first fall in 6 minutes, with Van Wurden winning the second round in 12 minutes. The third fall was awarded to Van Wurden in 4 minutes when Vendette was unable to continue the bout due to injuries.

Only a handful of wrestling fans were present to witness the contests.

For an evening of interesting and profitable entertainment, attend the Monster Bingo at the local Arena tomorrow (Friday) evening.

If the weather should be on the chilly side, wear an extra jacket and you will be quite comfortable at the rink.

A TRIBUTE TO PHILIP H. FADER

The announcement in the Winchester Press (Sept. 29th) of the passing of Philip Fader, gave me a deep sense of loss and regret. I had not seen Phil since, as a boy, he attended my Sunday School Class in Winchester, but I had kept in touch with him through his paper, The Leamington Post and News, which he sent me through the years. He published poetry and articles which I sent him, and we kept up a correspondence through all the years. In reading the obituary published by the Editor of the Winchester Press, I could endorse all he said, and I feel one of Nature's Noblemen" have left us, to mour our great loss. He had the unselfish outlook, and the human touch, which made his personality so winning and attractive. His helping hands had pressed

Against the World's slow-moving gate,
Done daring deeds,—endured life's test,
Unarmed—he conquered fate.

—Dorothy Sproule.

Municipal Council Met On Monday

The Municipal Council held its regular meeting in the Council Chambers on Monday evening, with Reeve Walter Moffat presiding and the following members present: Councillors Howard Fetterly, Harold Lannin, Arthur Summers and Hugh Wilson; the clerk-treasurer, Mr. C. R. Robinson, and the Chief of Police, Constable Gilbert Raistrick.

Municipal Orders amounting to $2720.72, and Hydro Orders totalling $4298.57, were passed for payment.

The following Building Permits were issued: Bert Hodgson, for the erection of Bungalow on lot east of Theatre; Ward Summers, for repairs to garage; Walter MacDonald, for erection of Bungalow on lot on Main Street West.

At the request of Mr. Arnold Dukelow, the local Boy Scout Troupe was granted permission to hold an Apple Day here in the near future.

A request from Mr. Arnold Duncan that a brace wire be removed from a Hydro pole near his store, was referred to Mr. Al. Beardsall of the Rural Hydro Commission.

It was decided to have a double bracket street light installed at the east end of Clarence Street and one at the west end of Minto Street.

The Village Constable was instructed to strictly enforce the Parking By-Law in the vicinity of the Winchester Theatre and on Main Street.

Council decided to have a concrete sidewalk built on north side of Main Street, West.

A discussion took place regarding Unemployment Insurance for Municipal Employees, but final decision in the matter was held over until the next meeting.

It was decided to have a special collection of garbage on Tuesday, October 11th, to give householders an opportunity of getting rid of all excess refuse before winter sets in.

Regarding the newly installed Fire Siren, the Fire Chief was authorized to contact the representative of the Company from whom it was procured, re certain adjustments.

Council voted $15.00 towards expenses of the local Fire Brigade for the observance of Fire Prevention Week, October 9th to 15th. Special Fire Drills will be held at the schools, tips on Fire Prevention will be stressed, and there will be some demonstrations by the firemen. See Neil Hutt's Barber Shop Window for display of Fire Prevention material.

MR. JACK DAVIES WEDS VICTORIA GIRL

The marriage is announced of Miss Phyllis Eileen Pritchard, B.A., B.S.W., daughter of Mr. and Mrs. Victor James Pritchard, of Victoria, B. C., to Mr. Jack Edward Davies, son of the Rev. G. Oliver Davies and Mrs. Davies, of Morrisburg. The marriage took place at Victoria on Friday, September 29th, 1949. Ven. A. E. de L. Nunns, M.A, Archdeacon of Victoria, performed the ceremony.

Following the wedding, the young couple returned to Kingston, where Mr. Davies will continue his studies at Queen's University, while his wife will resume her duties as a Social Service Worker in that city.

THIS PULLET LOST NO TIME IN PRODUCING A BROOD OF CHICKENS

Mr. and Mrs. Herbert Loucks, of the Williamsburg district, were surprised last week when one of their 6-months-old Light Sussex Pullets pranced out from under the floor of a shed, escorting a brood of six chickens.

It is believed that when the pullet started to lay, she deposited her eggs in a nest she had made under the shed and proceeded to hatch them, with the above results.

Mr. and Mrs. Loucks purchased several Light Sussex chicks early in the spring. During recent weeks they have been confined to a hen house. The lone pullet, who was bent on becoming a mother at such an early age, was not missed, and her appearance with the six young chicks was quite a surprise. For a pullet to produce chicks from its first eggs is probaby some sort of a record.

POLICE LOOKING FOR SHOP LIFTERS

Local and Provincial Police are looking for a green Dodge Sedan, bearing a Quebec license, with a man and woman as its occupants. The couple are wanted for shoplifting.

On Tuesday the pair visited several local stores, and are suspected of lifting articles of merchandise from the counters, while the clerk's attention was directed away from the scene.

In Harry Keyes' Sport Shop, a pair of brogue shoes, a sport shirt and a neck tie were lifted. The man took the goods while the woman occupied the attention of the clerk at the other end of the store, purchasing a small item.

The couple also visited Lang's Dept. Store and the local Drug Store, but it is not known if they stole anything at these centres. As explained by the proprietors, it would be possible for small items to be lifted without them being missed, especially when there is a big display of goods on the counters and elsewhere.

Police have a good description of the pair and an alarm has been sent out through Provincial Police Headquarters for all officers to be on the look-out for their car.

WILL SPEAK HERE TO-NIGHT

MR. PETER VARANOF

Internationally known missionary, speaker and traveller, who will give a lecture at the Wesleyan Methodist Church at 8 o'clock this evening, (Thursday). His topic will be on Russia, the Land of World Revolution and Coming War! He will tell how the Red Flag rules Asia and Europe, and about the life of 20 million slaves in Siberia.

Mr. Varanof brings to the lecture platform a rich personality and the occasion unusual, for seldom is it possible to listen to a talk so timely, so packed with devastating truth which refutes the claims of those false educators who are today seeking by devious subtle propaganda to poison the minds of the youth of America against our own institutions. Peter Varonoff, a Russian missionary, after twelve long years of personal experience, unbelievable hardships and trials in the Paradise of Red professors and enthusiastic Pinks, presents a word-picture of living conditions in Soviet Russia which should be heard by every young man and woman in America, and every parent who sends his sons and daughters to tax-supported colleges which have countenanced the teaching of modern atheistic professors, under the digsuise of academic freedom.

"YOUTH FOR CHRIST" RALLY TO BE HELD HERE SUNDAY

The first in a series of "Youth For Christ" Rallies is being held in the Town Hall on Sunday evening, October 9th, commencing at 9 o'clock, Daylight Saving Time.

The Rally is undenominational and has been timed so it will not conflict with any of the regular church services.

A number of Christian Youths from Ottawa will be present and take part in the Rally. There will be gospel hymn singing, testimonies, solos and sacred numbers by a trumpet trio, all presented by young people.

Rev. Mr. Richardson, pastor of the Baptist Church, has made arrangements for the "Youth For Christ" Rally and hopes to have the co-operation of all citizens, regardless of their church affiliations, in making it a success in Winchester.

You benefit two ways by concentrating your Christmas Shopping at Davidson's Jewellery Store. See Advt. on Page 4 of this issue.

Meeting Favours New H. S. District

At a public meeting of the parents of students attending the Winchester High School and other citizens, held in the town hall on Tuesday evening, the proposal to set up a High School District, comprising the area customarily served by the local High School, was unanimously endorsed.

The meeting was presided over by Mr. F. Erle Helmer, Chairman of Public Relations for the Winchester High School Board. The motion to form the new High School District was moved by Councillor Harold Lannin and seconded by Councillor Hugh Wilson.

The following persons were appointed to make a canvass of their sections before presenting the petition to the different Municipal Councils in the area:

Inkerman and Mountain Ridge—Mrs. H. Saunders.

Rose Haven—Mr. Ken. Guy.

Winchester Springs and Toyes Hill—Messrs. A. J. Casselman and Alvie Steele.

Harmony—Mr. Mac Carkner.

Ormond—Mr. Percy Carkner.

Maple Ridge—Messrs. Harlan Helmer and Everett Morris.

Mulloys—Mr. A. D. Johnston.

Summers—Mr. Wm. Carkner.

Cass Bridge—Mr. Delbert Link.

During the discussion, representatives for the Department of Education pointed out the many advantages to be derived from the Larger High School Area.

Total enrolment at the local High School is 186. Of this number there are only 51 students from Winchester Village.

Stores Will Close Next Monday

Next Monday, October 10th, has been proclaimed as Canada's National Thanksgiving Day. It will be observed in Winchester as a full holiday with all stores and other business places remaining closed for the day. With a long week-end ahead, housewives should remember to do extra shopping on Friday and Saturday in order to have sufficient supplies to last till Tuesday morning. This will probably be the last holiday week-end until Christmas, as far as Winchester is concerned.

COMING SHOWS AT "THE WINCHESTER"

"CHAMPION," which comes to the local Theatre for the first part of next week, has been widely acclaimed as the best "fight" picture yet produced. It is based on Ring Lardner's popular story,—a mixture of fight and romance. Kirk Douglas and Marilyn Maxwell in the leading roles are said to play their parts with exceptional talent.

It is followed by "SAND," a story of Western life which all horse lovers will appreciate. It was filmed in technicolor amidst the breath-taking scenery of the Colorado mountains which sets off the dramatic quality of the picture. The stars are Mark Stevens and Coleen Gray.

For the balance of this week, we have "OUTPOST IN MOROCCO," a spectacular drama of adventure in the deserts of North Africa. George Raft takes the part of a French Legionnaire Captain and is the centre of many thrilling episodes. The picture is outstanding for realism in action and color.

FEED NEWS

WESTERN OATS

Western Oats are the best buy of any of the Western grains at present market prices.

Our Canadian Barley is being sold to the U. S. A. for malting purposes, and Feed Wheat is under strict control of the Wheat Board.

All the higher grades of Wheat are held for milling purposes and the feed grades are offered by the Board at fixed prices. The price of Wheat is not allowed to change according to supply and demand, as in the open market, and it would appear that the Eastern feeder has been placed in an unfavourable position because of the Wheat Board control.

Oats are still available at reasonable prices and it might be a good idea for anyone who has a lot of poultry or livestock to consider putting in a few tons of Oats at present

We have a fair supply of Extra No. 1 Feed Oats on hand now. They are excellent quality and we can supply them whole, rolled or ground.

OGIVLIE FLOUR

Ogilvie Flour in fancy print bags.

The best quality flour packed in a print bag without any lettering. The bag has a pretty flower design and is useful for making childrn's dresses, curtain,s etc.

THE CHURCH COLLECTION PLATE

The question of church givings often is a vexing one to church officials who are finding it all they can do to make ends meet. And who among us is not guilty of failing to make our proper contribution to the support of God's work?

One of Canada's most forward looking weekly newspapers, The Midland Free Press Herald, poses the question rather plainly in the following editorial :

"It isn't honest to spend a dollar on pleasure on Saturday night and give 15 cents or less to the church on Sunday. It isn't honest to spend $200 on a holiday for the family and give $25 to the church. It isn't honest to spend $100 a year on tobacco and liquor and give less than $25 to the church.

"If the average person in the average community who acknowledges the church in the census records gave 50 cents a week to the church there would be no limit to what the churches could do and there would be no problem in raising enough to pay the minister's salary.

"One of our church leaders said, "If every family in our church would give 25 cents a week to missions we would have six million dollars a year, and we are asking for three million!" Where is our spirit of stewardship? Look up the treasurer of your local church and pay him your conscience money."

The point is well taken. The Christian church forms a bulwark against evil in a troubled world, and it is high time that an institution such as this should be placed in proper perspective and treated accordingly.

Heed St. Paul's First Epistle to the Corinthians, 16:2: "Upon the first day of the week let every one of you lay by him in store, as God hath prospered him."

BICYCLISTS ARE HAZARDS TO MOTORISTS

Provincial police in the Ottawa area have warned cyclists that prosecutions may follow unless they are more careful on the highways and the Ottawa Journal considers it a timely warning which would be well followed not only on the highways but on city streets as well. "There is just too much fooling on bicycles," The Journal says.

What applies to the Capital applies with equal force to every city, town and village, and Winchester is no exception, especially on the busy thoroughfares through town.

If there is anything more dreaded by a motorist driving on local streets than to find a bicycle in front of him, it is to find two bicycles in his path, for he never knows what the cyclist may do next. Most of those who ride bicycles are either juveniles or not much older and they appear to have no concern whatever for their own safety and to think that traffic regulations should be observed by everyone but themselves.

With the reopening of school there are more bikes on the streets than during the vacation months. Although bicycles are supposed to proceed in single file and as near the curb as possible, it is not uncommon to see two or three riding abreast, even through the busiest section of the town during the heavy noon-hour traffic.

Motorists, of course, must be constantly on guard when meeting or passing bicycles, but the full responsibility does not rest on drivers of cars. Cyclists must have some regard for their own safety and it might be a good idea if the police would devote a little time to a check-up of their habits during the early days of the school term. It might prevent an accident at a later time.

EDITORIAL NOTES

From certain destructive pranks which have been committed in this town lately, it's about time parents paid a little more attention to Junior and his activities when away from home, gadding the streets. If the police take a hand in the matter and your youngster is sent to a reform school, you will probably be as much to blame as the youngster. Junior may be an angel at home, but when he's out of your sight, he's full of mischief.

About the most unreliable information dispensed by a Government agency is the weather forecasts. These daily weather bulletins have long since become mere jokes. Lately the weather has been just the extreme opposite to what the weather man predicted. The old system of making weather forecasts was far more efficient than the present methods, and it didn't cost near as much money. People are getting fed up on the unreliable weather reports being dished out to them by the Government Weather Bureau. If a change for the better is possible, it should be made without delay.

For Parents Only

(By Nancy Cleaver)

FAMILY WORK PROGRAM

The old refrain "Everybody works but father" is not true in a happy family. Of course, the person who wrote these words may have thought that father earns the money to support the needs of the family and so he should not have any tasks to do "after hours." But what man who is proud of his home does not find all kinds of jobs he wants to do around the house and yard? What true husband and father does not want to share in the task of home-making and rearing children?

The father's attitude to labor in the home is very important because it colours the way the children think about work quite as much as their mother's standards. If dad considers certain jobs as "women's work," is it any wonder that Junior is most unwilling to do his bed? If dad strews the evening papers on the floor and drops his clothes wherever he takes them off, why marvel that the children's room looks as if a hurricane has struck them before mother has "tidied up"?

It is interesting to know that in a recent National Conference on Family Life the main speaker stressed as his first point that in a strong family, there is a fair division of labor. This takes for granted that each member will play his part.

This does not mean that mother and father share equally the burden of the household. If father is the only breadwinner, mother has the major responsibility for the work of the home. Nor does it mean that each child each day must do the same jobs—and come up to the same standard of work well done. No work must be graded according to the child's age and ability.

When a child is small and first begins to want to help mother in little jobs around the home, his offer should, if at all possible, be accepted. Mother may be occupied with a demanding job, it may be inconvenient for her to stop, and direct a little child's work, but it is important that she should do just this. A youngster's enthusiasm for sharing in work soon cools if mother does not respond.

If the child does not ask to help mother can occasionally suggest some single task such as bringing in the morning paper or the milk bottles and see that her youngster does this work. Parents might benefit from Tom Sawyer's whitewashing the fence chapter. Children can get a great kick out of doing a job which interest them.

As the children in the family become older, a weekly Family Council is the best place to divide up on the work in the home. Each child should have certain jobs he must do each day—for example, if he is old enough he can make his own bed. Then there are other special tasks which can be optional—if Bobby sweeps the verandah, Mary will clean the kitchen sink.

Dish washing in many families is apt to be a bone of contention. A weekly schedule where each child who is old enough helps once a day in washing or drying the dishes usually works best. This is written out and tacked up on the kitchen wall. Each Saturday changes are made for the next week. Then there is no dispute about "who does what." A holiday once in a while from dish-washing is often worthwhile on a special occasion when son or daughter is going out in the evening.

It takes time and energy and a great deal of both patience and perseverance to keep a "Work Program" in the home functioning satisfactorily. A bit of humour is a help too and appreciation goes a lot further than criticisms.

Mothers and fathers who encourage their children to experience pride in work well done, who see to it that each child "puts his shoulder to the wheel" are not only building a fine family life to-day. They are preparing for to-morrow when a girl who has learned housekeeping skills under her mother's guidance, and a boy who takes his part in the jobs to be done around the house, are much more likely to make a success of their married life when they start out in a home of their own.

EYE TESTS FOR DRIVERS

(Winnipeg Free Press)

Manitoba has no eye tests at all for auto drivers. Here is yet another reason for the Cabinet to hurry along with its plan for a new traffic commission, and a new approach to the whole question of highway traffic safety.

The 180,000 auto drivers in Manitoba could not, of course, all be vision-tested in one year. But a start could be made with new applicants for licenses. Then, logically, vision tests could be made of all accident repeaters. From there it should be extended to the high age groups for drivers where sight failure is most likely. Finally, an eye test program should be extended until all drivers have been tested.

Eye tests should be a must in the program for screening auto drivers to get the unfit off the roads.

CBC BLOCKS TELEVISION

(The Canadian Statesman)

There were regular television broadcasts in Britain many years before the war. In the United States, television passed out of the purely experimental stage some time ago, and is now a booming new industry.

There are several legitimate reasons why Canada has lagged behind; our huge area, sparse population, lack of necessary engineers, lack of research men, technical facilities, and, most of all the problem of finances. But the biggest reason why we still lag behind is anything but legitimate; it is the CBC.

In its recent statement the CBC expressed in glowing terms its belief in the future of television in Canada and its burning desire to develop it along Canadian lines. But it then announced a policy which will inevitably hold television back for many years. Applications for television station by independent broadcasters will be granted only after "great care" has been exercised in reviewing them, and with the CBC reserving the best channels for itself. Under existing regulations, of course, independent stations will not be allowed to form networks; nor, under the new ruling, can they broadcast television programs originating in the U. S. A.

These are severe financial handicaps, and will certainly retard progress in non-CBC circles. Meanwhile, there are no indications that the CBC itself is doing anything about introducing the new medium. This not surprising, as it has not got the large amounts of money required, and can think of no way to get them except by a tax on television receivers. And there will be few receivers in Canada until there are some transmitters.

For all its high-sounding phraseology, the CBC's statement on television amounts to nothing more than a guarantee of stagnation.

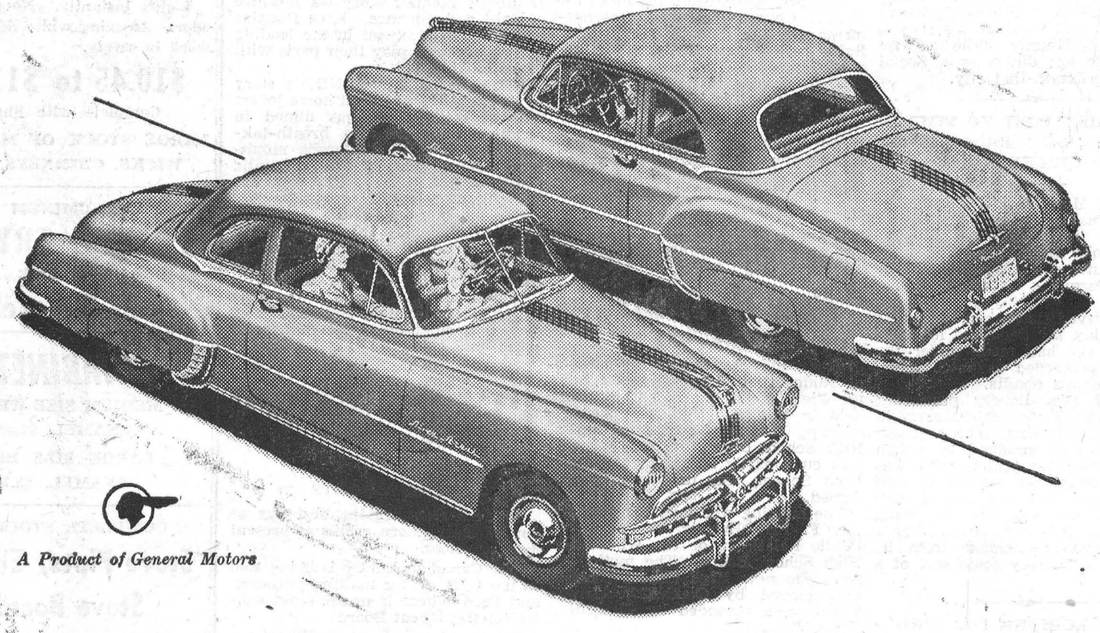
You can't mistake a PONTIAC



A Product of General Motors

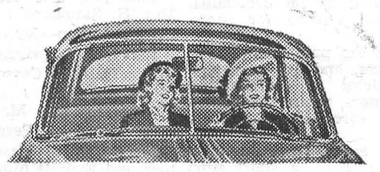
The Most Beautiful Thing on Wheels!

• Any way you look at it, there's an unmistakable stamp of distinction about the new Pontiac. It's a beauty, front and rear — it has personality all its own. You know immediately that it's a Pontiac, *and something very special among automobiles.*

But those who drive a Pontiac know that its performance is equally unmistakable. There's nothing quite like a Pontiac for sparkling alertness, for smooth, effortless power. And as the miles unfold, you'll appreciate Pontiac's fine-car comfort and luxury and the amazing driving convenience of GM Hydra-Matic Drive. (Optional at extra cost on all Streamliner and Chieftain models.)

And all this costs far less than you think — for Pontiac, wonderful as it is, is priced just above the very lowest. Besides the famous thrifty six, Pontiac offers the *lowest-priced straight eight in Canada.*

Why not come in soon? . . . let us give you the *whole* Pontiac story!



SAFE-T-NEW DRIVER VIEW! You can really watch the miles unfold, thanks to Pontiac's new, wide windshield which is optically curved for better vision. Pillars are slimmer, the hood is lower, all windows are larger — everywhere you look Pontiac gives you a whole new driving horizon!

CANADA'S health

AN IMPORTANT ORGAN

The skin is an important organ which throws off waste products and regulates body heat. It needs to be kept in good condition by cleansing, airing and friction. After heavy exertion, if you can't have a shower, have a good rub down with a wet, and then a dry, towel. This helps the pores keep healthy and prevents unpleasant body odors. Regular cleansing helps keep the skin in good condition. Make sure your children have the cleanliness habit.

A VALUABLE FOOD

Cheese is one of our most valuable food and deserves a prominent place in meals for both adults and children. In fact, nutritionists say it is almost a perfect food, like milk. It contains fat for energy, minerals—particularly calcium and phosporus—and also vitamin A and B complex, each of which is essential to good health.

DROPLET INFECTIONS

Infections such as colds, coughs and influenza as well as some fevers are spread by droplet infection—that is to say by the minute particles coughed or sneezed into the air which your neighbour breathes. It is, therefore, a matter not only of courtesy but a matter of hygiene to use a handkerchief to prevent the spread of infection—particularly in crowded rooms, busses or trains. Good general health is one of the best ways of preventing colds. And good nutrition is one of the best ways of maintaining good health.

SLEEP FOR HEALTH

Many young people are inclined to think of sleep as time wasted. Actually sleep is necessary for the repairing and rebuilding of the body cells. Sleep is also the only time when the mind is at rest for, the minute we awake, whether we remain resting or not, our minds are immediately plunged into activity. Almost everyone needs eight hours sleep a day to remain happy and healthy. Remember, sleep combats fatigue and is essential to good health. Take all you need.

AN AGE OLD KILLER

Years ago . . . and not so many years ago at that . . . the word "smallpox" brought a chill of fear to the heart of the boldest. Smallpox epidemics raged periodically throughout the land, killing and disfiguring thousands. But vaccination has practically wiped out this killer and today it is only a shadow of its former self. Toxoid can do the same for diphtheria and whooping cough. See that your children are protected. Immunization is free at public health clinics throughout Canada. Have your child immunized today.

THE CLEANLINESS HABIT

Whether or not we believe that cleanliness is next to godliness there is little doubt that cleanliness is essential to good health. Children should learn the cleanliness habit at an early age. They should become accustomed to a thorough washing of hands and face before meals and after visiting the toilet. And regular "all-in" baths should be part of the routine.

YOUR BABY'S WEIGHT

Your baby's weight is one of your best guides as to his health. He should gain steadily during the early months at a rate of approximately six to eight ounces a week. Most communities in Canada provide free facilities for weighing babies and mothers can keep an accurate check on the youngster's progress. But even an apparently healthy youngsten should see the doctor occasionally . . . just to be sure.

CITRUS FOR HEALTH

Drinking a daily glass of fresh or canned orange or grapefruit juice is the easiest and most pleasant way to be sure that the body's vitamin C requirements are met. The wish for variety sometimes lead people to choose other types of popular fruit juices, but none of these are as good an investment as the citrus fruits—either for economy or vitamin C content.

DEATH TO RATS

Scientists now know that some of the most terrible plagues and epidemics of history were due in large measure to the activities of rats. And the rat today is almost as dangerous a carrier of disease as he formerly was. In addition, rats annually destroy millions of dollars worth of food and property. The rat is an enemy of good health. He should be destroyed wherever he is to be found.

MODERN ETIQUETTE

Q. Is it proper to ask a married man to serve as best man at a wedding?

A. Yes; but be sure to include his wife in any of the festivities that the bridal party may engage in.

Q. If it is necessary to remove a piece of bone from the mouth, while at the table, should one use a fork, spoon or napkin?

A. None ofthese things should be used. Merely use the thumb and forefinger and lay the particle on the plate.

Q. Is it proper for a man to leave the elevator first, if there are women on it?

A. Yes; if the elevator is crowded and he at the door; otherwise, he should step aside and allow the women to leave first.

Q. When the ceremony is over at a church wedding, should the members of the families be allowed to leave first, before the other people?

A. Yes, this is the proper procedure.

Q. If one is called upon to serve as master of ceremonies, must one rise every time there is an announcement or introduction to be made?

A. Most certainly.

Q. What is the correct way to eat stuffed celery?

A. Lift it to the mouth with the fingers.

REGULATIONS

applying to certain uses of

ELECTRICITY IN ONTARIO

The Hydro-Electric Power Commission of Ontario announces the following regulations made under the Power Commission Act and to become effective October 1st, 1949.

PART I
WATER HEATERS

1.-(1) Unless water heaters operated by electrical power are—,
(a) equipped with thermostatic control; and
(b) installed in or on tanks which are thermally insulated with a minimum of 1 inch in thickness of glass—or rock-wool insulation, or other material having at least the same heat insulating capacity,

no municipality or municipal commission receiving electrical power from the Commission shall supply or use or permit to be supplied or used by any person the electrical power or any part thereof for the operation of water heaters installed or replaced after the date of publication of these regulations in The Ontario Gazette under The Regulations Act, 1944.

(2) No person shall take from any municipality or municipal commission any electrical power received from the Commission and use it in a manner contrary to the provisions of subregulation 1.

(3) No person shall take any electrical power procured from the Commission and use it for the operation of water heaters in a manner contrary to the provisions of subregulation 1.

PART II
SPACE HEATERS

2.-(1) No municipality or municipal commission receiving electrical power from the Commission shall supply or use or permit to be supplied or used by any person electrical power or any part thereof for the operation of air-heaters, grates, radiators, boilers or any other device for space heating in hotels, tourist cabins, shops, offices, commercial premises and, except in the case of sickness, residences.

(2) No person shall take from any municipality or municipal commission any electrical power received from the Commission and use it in a manner contrary to the provisions of subregulation 1.

(3) No person shall take any electrical power procured from the Commission and use it in a manner contrary to the provisions of subregulation 1.

(4) Subregulation 1, 2 and 3 shall not apply to space heating in,
(a) water-pumping-stations;
(b) telephone relay- and repeater-stations;
(c) radio-beam stations; and
(d) municipally-owned electric-substations, where no person is regularly in attendance.

PART III
LIGHTING

3.-(1) No municipality or municipal commission receiving electrical power from the Commission shall supply or use or permit to be supplied or used by any person electrical power or any part thereof for,
(a) subject to subregulation 2, lighting of interiors of shops, show-windows and offices except,
(i) not more than 1 watt per square foot of gross floor-area of a shop during business hours, and after cessation of business with the public not more than 1 watt per square foot of the gross floor area of that part of the shop where the staff is actually working;
(ii) not more than 10 watts per lineal foot of width of show-windows of shops between 4.30 p.m. and 9 p.m. and only while the shop is open for business;
(iii) not more than 2 watts per square foot of gross floor-area of an office during office hours, and after office hours not more than 2 watts per square foot of gross floor-area of that part of the office where the staff is actually working;
(iv) for the protection of property after business hours not more than 5 watts per 100 square feet of gross floor-area of a shop or office, or 40 watts per shop or office whichever is the greater;
(b) lighting of exterior signs;
(c) exterior flood- or outline-lighting for decorative, ornamental or advertising purposes;
(d) lighting of out-door Christmas trees;
(e) lighting of parking-lots, used-car lots, service stations, out-door industrial premises and out-door playing fields except,
(i) not more than 10 watts per 100 square feet of parking-lot space while open for business;
(ii) not more than 10 watts per 100 square feet of that portion of used-car lots used for display space while open for business and not more than 5 watts per 100 square feet of the used-car lot after cessation of business;
(iii) not more than 40 watts per gasoline pump in a service station, exclusive of lighting not exceeding 25 watts inside the pump meter compartment, while the service station is open for business;
(iv) not more than 10 watts per 100 square feet of whatever part or parts of out-door industrial premises is in actual use for work in progress and not more than 5 watts per 100 square feet at other times and not more than 5 watts per 100 square feet for protective lighting of that part actually occupied by installations, or used for the storage of materials or equipment; and
(v) not more than 40 watts per 100 square feet of playing area of an out-door playing field only while in use;
between sunset and sunrise;
(f) lighting of,
(i) marquees; or
(ii) sidewalk-canopies
on hotels, theatres and restaurants except not more than ½ watt per square foot of floor space or side-walk area covered by the marquee or canopy;
(g) lighting of exterior entrances or exits of,
(i) residences, tourist establishments within the meaning of The Tourist Establishments Act 1949, and commercial premises other than service stations and garages, except not more than 60 watts for commercial premises and not more than 25 watts for residences and, where occupied, tourist establishments; and
(ii) service stations and garages, except not more than 60 watts for each entrance or exit and not more than a total of 120 watts for all entrances or exits per service station or garage; and
(h) exterior lighting between sunrise and sunset.
(2) The lighting permitted for shops during business hours under subclauses i and ii of clause (a) of subregulation 1 shall include the lighting of interior signs, merchandise-displays and show-windows.

4. No person shall take from any municipality or municipal commission any electrical power received from the Commission and use it in a manner contrary to the provisions of subregulation 1 of regulation 3.

5. No person shall take any electrical power procured from the Commission and use it in a manner contrary to the provisions of subregulation 1 of regulation 3.

6. Subregulation 1 of regulation 3 and regulations 4 and 5 shall not apply to,
(a) (i) lighting of air-ports and transportation terminals;
(ii) lighting for police, fire and property-protection services, traffic lights, traffic and warning signs; and
(iii) lighting required by law;
(b) hospitals;
(c) lighting for interior domestic purposes;
(d) lighting of a single exterior sign, not exceeding 25 watts, to designate,
(i) an office of a medical or dental practitioner, embalmer or funeral director, or pharmaceutical chemist;
(ii) an ambulance, telephone or telegraph station; or
(iii) premises providing sleeping accommodation for travellers;
(e) lands used for the purpose of an exhibition or fair held by or under the auspices of a society as defined in The Agricultural Societies Act, 1939; and
(f) the illumination of Niagara Falls for a period of not more than 2 hours between sunset and sunrise on Saturday and holidays.

PART IV

7. Parts II and III shall not apply to the territorial districts of,
(a) Algoma;
(b) Cochrane;
(c) Kenora;
(d) Manitoulin;
(e) Nipissing;
(f) Parry Sound, except the townships of Carling, Christie, Conger, Cowper, Ferguson, Foley, Humphry, McDougall and McKellar, the Town of Parry Sound and the Village of Rosseau;
(g) Rainy River;
(h) Sudbury;
(i) Thunder Bay; and
(j) Timiskaming.

PART V

8. In these regulations,
(a) "shop" means any building or a portion of a building, booth, stall or place where goods are handled or exposed or offered for sale, or where goods are manufactured and which is not a factory; but shall not include any part of a building used for office purposes; and
(b) "office" shall mean a building or part of a building occupied and used for office purposes only.

PENALTY PROVIDED BY THE POWER COMMISSION ACT FOR VIOLATION OF REGULATIONS

Any person refusing or neglecting to comply with any direction, order, regulation, restriction, prohibition or control made or exercised by the Commission under this section shall be guilty of an offence and in addition to any other liability incur a penalty of not less than $100 and not more than $500 and a further penalty of not less than $100 and not more than $500 for each and every separate day upon which such refusal or neglect is repeated or continued.

The penalties imposed by or under the authority of this section shall be recoverable under *The Summary Convictions Act*.

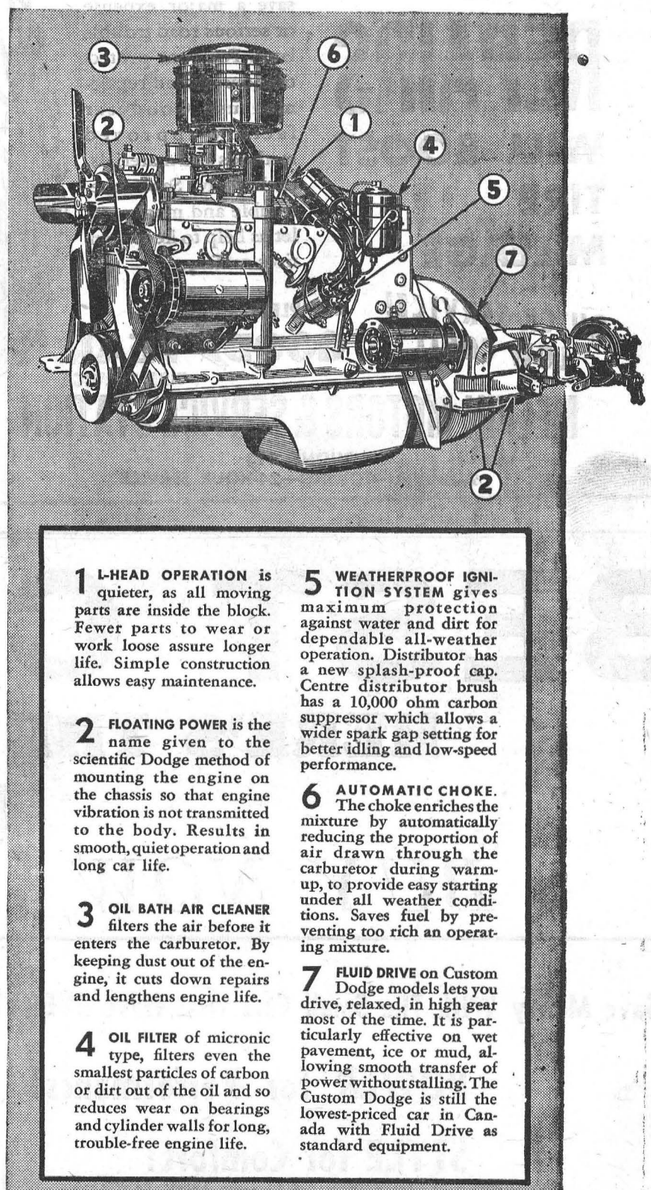
You Save Money with the

DODGE

L-Head Engine... A PART OF DODGE DEPENDABILITY



YOU SAVE MONEY every mile you drive with the Dodge simple-design L-Head engine. There are fewer moving parts to wear. Oil filter, floating oil intake, and air cleaners keep carbon and dirt from moving parts to reduce wear. Such "extra" features as four rings per piston, full length water jackets, lightweight alloy pistons and alloy exhaust valve seat inserts, result in savings on gas, oil, and repairs.

Other leading features of the economical Dodge engine are explained on the right. But in many other ways Dodge gives you *more* for your money.

You could pay much more, and still not get all of Dodge roominess, beauty and ruggedness. Test for yourself the generous head, leg, and elbow room. Compare the "outlook" through the high, wide windshield. Note how easy it is to get in and out. Try out the new Dodge on the road and discover for yourself its flashing performance, driving ease, safety, and riding smoothness.

No matter which way you look at it, your dollars will go further with Dodge . . . and so will you.

1 L-HEAD OPERATION is quieter, as all moving parts are inside the block. Fewer parts to wear or work loose assure longer life. Simple construction allows easy maintenance.

2 FLOATING POWER is the name given to the scientific Dodge method of mounting the engine on the chassis so that engine vibration is not transmitted to the body. Results in smooth, quiet operation and long car life.

3 OIL BATH AIR CLEANER filters the air before it enters the carburetor. By keeping dust out of the engine, it cuts down repairs and lengthens engine life.

4 OIL FILTER of micronic type, filters even the smallest particles of carbon or dirt out of the oil and so reduces wear on bearings and cylinder walls for long, trouble-free engine life.

5 WEATHERPROOF IGNITION SYSTEM gives maximum protection against water and dirt for dependable all-weather operation. Distributor has a new splash-proof cap. Centre distributor brush has a 10,000 ohm carbon suppressor which allows a wider spark gap setting for better idling and low-speed performance.

6 AUTOMATIC CHOKE. The choke enriches the mixture by automatically reducing the proportion of air drawn through the carburetor during warm-up, to provide easy starting under all weather conditions. Saves fuel by preventing too rich an operating mixture.

7 FLUID DRIVE on Custom Dodge models lets you drive, relaxed, in high gear most of the time. It is particularly effective on wet pavement, ice or mud, allowing smooth transfer of power without stalling. The Custom Dodge is still the lowest-priced car in Canada with Fluid Drive as standard equipment.

CHECK THESE "EXTRA" FEATURES WHICH ARE *STANDARD* EQUIPMENT ON THE NEW DODGE.
Automatic electric choke; Automatic ignition key starting; Aluminum alloy pistons; Four rings per piston; Low pressure tires; Chain camshaft drive; Oil bath air cleaner; Oil filter; Floating oil intake; Hotchkiss drive; Safety-Rim wheels; Floating Power engine mounting; Chair-height seats; Full-width defroster vents.

OBITUARY

LATE MRS. ORSON COLEMAN

There passed peacefully away on Thursday morning, September 29th, at the Civic Hospital, Ottawa, Mrs. Orson Coleman, in her 80th year. Deaceased, whose maiden name was Arloa Peterson, was born near Spencerville in 1869, a daughter of the late Gilmon Peterson and his wife, Mary Raycraft. Mrs. Coleman had been in failing health for the past three years, but was confined to her bed only the last four weeks, of which she spent two weeks in Winchester Memorial Hospital, and not until Tuesday morning did her condition become more serious and she was removed to the Civic Hospital, Ottawa, where all that medical skill could do was of no avail. The whole community mourns her passing, as she had lived in this district over 50 years and made a wide circle of friends. She was a woman of sterling character, kindly disposition, a faithful wife and devoted mother, a friend to all who knew her, always ready to lend a helping hand to those in need. Her husband, the late Orson Coleman, predeceased her 23 years ago.

The late Mrs. Coleman was a member of the United Church at Brinston and in her younger years was very active in church organizations.

The funeral, which was largely attended, was held from the residence of her daughter, Winchester Springs, on Saturday afternoon, to Brinston United Church at 2 p.m., where a very comforting service was conducted by her pastor, Rev. Mr. Empey, assisted by Rev. F. G. Vowles, of Elma. The choir sang the anthem, "Ivory Palaces." Interment took place in the Brinston Cemetery. The pall-bearers were Messrs. Dalton Coons, John Wylie, Fred Link, Chas. Kirkwood, Joseph and Alvie Steele.

She leaves to mourn her loss, one daughter, Mrs. Arnold Casselman (Aleitha), of Winchester Springs; three sons, Delbert, at home, Eardley and Merrill, of Brinston; two granddaughters and five grandsons; also two brothers, Rumsey Peterson, of Toyes Hill, and Dr. G. R. Peterson, of Vancouver.

The many beautiful floral tributes, silent witnesses of the love and esteem in which the deceased was held, were as follows:

Pillow—Family.

Double Spray—Grandchildren.

Wreaths—The Peterson Family: Mr. and Mrs. R. S. Peterson, Mr. and Mrs. George Peterson, Mr. and Mrs. Arnold Peterson, Mr. and Mrs. Braynard Holmes, Ward and Happy; The Dukelow Family: Mr. and Mrs. Carmon Dukelow and Maud, Mr. and Mrs. Ernest Dukelow, Mr. and Mrs. George Dukelow, Mrs. Bertha Lawrence.

Baskets—The Coleman Family; Mr. H. W. Coleman, Mr. and Mrs. Horace Coleman, Jr., Dr. and Mrs. Lloyd Coleman, Mr. and Mrs. Wm. Motherwell; Mr. and Mrs. Erwin Haggerty, of Porcupine, Ont.; Mr. and Mrs. Chas. Coons, Brinston; Mr. and Mrs. Joe Steele and family.

Sprays—The Missouri Colemans; Mr. and Mrs. Keith Mattice, Cornwall; Mr. and Mrs. Burton Coons, Cornwall; Mr. and Mrs. Dalton Coons and family and Mr. and Mrs. Sterling Coons; Mr. and Mrs. Ernest Styles and Mr. and Mrs. Bob Stevenson, of Brinston; Mr. and Mrs. George Locke and Mr. and Mrs. Harry Locke, of Morrisburg.

Cut Flowers—Mr. and Mrs. Aden Casselman.

THE LATE MRS. WARD BILOW

In ill health for several months, Mrs. Ward Bilow, of Morewood, passed away at the local District Memorial Hospital on Friday afternoon last. She was in her 75th year.

The former Miss Phylena Coons, she was born on a farm south of Winchester, a daughter of the late Mr. and Mrs. William Coons. She was married to Mr. Ward Bilow in 1895.

The late Mrs. Bilow was a member of Morewood United Church and, prior to her failing health, took an active part in the work of all ladies' organizations.

Besides her husband, she leaves three daughters: Mrs. Russell Jackson, (Verla), of Rochester, N. Y.; Mrs. Geo. Curl (Inez), of Brooklyn, Ont., and Mrs. Jas. Cheney (Maizie), of Morewood; two sons, Osborne, of Lachine, Que., and Earl, of Morewood; one sister, Mrs. Nathaniel Holmes, of Winchester, and three brothers, Messrs. Arthur, Sterling and Bishop Coons, all of Winchester.

The funeral was held on Sunday afternoon from the family residence to Morewood United Church, with the Rev. W. M. Copsey, officiating. The members of the Women's Association formed a guard of honour as the cortege arrived at the church. Hymns sung at the service were: "What a Friend we have in Jesus," "Abide With Me," and "The Lord's Prayer." A solo, "Will The Circle Be Unbroken," was rendered by Mr. Frank Casselman, with Mrs. S. Barrington presiding at the organ. Interment was made in the United Cemetery, south of Morewood. The pall-bearers were: Messrs. Harry Popplewell, J. V. Fetterly, Roy Fetterly, Ford Steinburg, Fred Putman and Harold Allison.

Many beautiful floral tributes testified to the high esteem in which the late Mrs. Bilow was held.

We are sorry to report that little Keith McCaul, of Almonte, is a patient in the District Memorial Hospital. We all hope for a speedy recovery.

ORMOND

Mission Band Supper

On Friday evening the annual Mission Band Supper was held in the church basement, to which all children and parents were invited. After everyone had partaken of the good things, all went upstairs where a short programme was carried out. Mrs. Hubert Carkner, president of the Mission Band, presided. Miss Doreen Porteous read the Scripture lesson. Mrs. Waddell gave a short talk, and the school children, with Mrs. Garfield McVey at the piano, sang a song. Miss Hazel MacDonald gave an account of her two months' bus trip through Western Canada and the States, which was very interesting. A collection was taken in aid of Missions.

Shower For Miss Agnes McLean

A nicely arranged shower, in honour of Miss Agnes McLean, whose marriage takes place shortly, was held at the home of her aunt, Mrs. Erwin Cumming, on Wednesday afternoon, Sept. 28th. The bride was escorted to the chair of honour, which was placed under an arch of pink and white bells and streamers. An address was read by Miss Helen Campbell, after which a lovely heart-shaped bride's book was presented to the bride-to-be. A beautifully decorated basket full of lovely gifts was presented to Miss McLean.

Agnes thanked the ladies for their gifts, after which all joined in singing "For She's A Jolly Good Fellow."

Agnes opened the gifts and passed them around for all to see. All signed the bride's book, after which a delicious lunch was served. The hostesses for the occasion were Mrs. Erwin Cumming, Miss Helen Campbell and Miss Betty Duncan.

SOUTH MOUNTAIN

W. A. Meeting

The members of the W. A. of the United Church met in the church hall for their September meeting. Mrs. J. Forrester, convener of the committee, took charge of the programme. Mrs. J. W. Gilroy and Mrs. J. Cameron and Mrs. F. R. Barriger assisted with the devotions.

Mrs. Mulholland gave a very helpful reading, followed by a duet by Mrs. Ernest Boyd and Mrs. Forrester. Mrs. S. Marquette took charge of the business, assisted by Mrs. Mulholland, acting secretary. It was decided to hold the Annual Bazaar on October 14th in the I.O.O.F. Hall at 8 o'clock at which they would have a sale of fancy work, home baking, white elephants and lunch.

The meeting closed with the Mizpah Benediction, after which the committee served a dainty lunch.

St. Peter's Ladies' Guild

A most interesting and entertaining meeting was held on September 27th when Mrs. Ralph Adams was hostess to St. Peter's Ladies' Guild. The meeting opened with prayer, and at the business session which followed, it was decided to hold the Annual Bazaar on November 9th in the I.O.O.F. Hall, the Bazaar to open at 8 p.m. Tea will be served. Plans for the Bi-Centennial Celebration of the birth of the Right Rev. Jacob Mountain, after whom Mountain Township is named, occupied the rest of the business meeting.

Mrs. C. Marriner won the musical quiz, and Mrs. W. Marriner the memory test. A miscellaneous article is required for roll call for the next meeting to be held at the home of Mrs. Ted VanBridger on October 11th at 8 p.m.

Mrs. Adams served a most delicious lunch, and after a vote of thanks to the hostess, the meeting was brought to a close.

MOUNTAIN

Mr. and Mrs. Roy Hastings, Paul and Billy, of Brockville, were week-end guests of Mr. and Mrs. John A. Cameron.

Miss Edna Norton, Reg. N., of Perth, is holidaying at her home.

Mr. and Mrs. Warren Craig, Betty and Norma, of Kemptville, were callers in this district on Sunday.

Mr. and Mrs. R. B. Hyndman, Mrs. Lyall Allen and two daughters left on Monday for a short holiday in Lacalle, Que., visiting Mrs. Hyndman's sister.

Dr. and Mrs. B. C. Patterson, of Ottawa, visited Mrs. Wm. Patterson on Sunday and called on other friends.

Mountain United Baby Band met at the home of Mrs. A. Moorhouse on Wednesday last with a splendid attendance of fifteen children and eleven mothers. Linda and Judy Coughler and Reggie Timmins were made life members. Mrs. Adams had charge of the worship service and Mrs. A. S. VanAllen told a very interesting story on "Helpers."

Anniversary Services were held in the Presbyterian Church on Sunday with Rev. Mr. Mullin as the guest speaker. He delivered two splendid sermons. The combined choir was under the direction of Mrs. E. Lapp and rendered several anthems, as well as a mixed quartette.

IN MEMORIAM

IN MEMORIAM—In loving memory of our dear mother, Mrs. Morley Sullivan, who passed away October 8th, 1939.

Gone, dear mother, gone forever,
How we miss your smiling face,
But you left us to remember
None on earth can take your place.
A happy home we once enjoyed,
How sweet the memory still,
But death has left a loneliness
The world can never fill.
—Always remembered by Son and Daughter. 21p

HALLVILLE YOUNG PEOPLE ELECT OFFICERS

The Young People's Union of the Hallville United Church met in the church basement on Tuesday evening for the first meeting of the season. Rev. Mr. Holmes conducted the worship period, then later in the evening gave a talk on "Our Church," stressing brief histories of the churches that united making our United Church of Canada. Some of the contributions of each communion to the new church body were pointed out. Brief discussion followed.

New officers elected for the Fall and winter term were: President, Arthur Milne; Vice President, Don Erwin; Secretary, Sylvia Black; Treasurer, Keith Fairfield. The conveners are: Christian Missions, Lorraine Martin; Christian Fellowship, Donalda Hyndman; Christian Citizenship, Mrs. K. Kirkwood; Christian Culture, Donalda Lawrence. Conveners for recreation were Don Erwin and Arthur Milne.

After the meeting a very enjoyable time was spent when the group gathered around a camp fire for a weiner roast.

BRUSHING THE TEETH

Decay in teeth is, in part at least, caused by clinging particles of food which need frequent brushing away. The toothbrush should be moved up and down, not only across the teeth, and inside surfaces should not be forgotten. A visit to the dentist once every six months will save a lot of trouble later on. A baby's first teeth are important. Failure to take care of them may cause the permanent teeth to be crowded or irregular.

Skinny men, women gain 5, 10, 15 lbs.*
Get New Pep, Vim, Vigor

What a thrill! Bony limbs fill out; ugly hollows fill up; neck no longer scrawny; body loses half-starved, sickly "bean-pole" look. Thousands of girls, women, men, who never could gain before, are now proud of shapely, healthy-looking bodies. They thank the special vigor-building, flesh-building tonic, Ostrex. Its tonics, stimulants, invigorators, iron, vitamin B1, calcium, enrich blood, improve appetite and digestion so food gives you more strength and nourishment; put flesh on bare bones. Don't fear getting *too* fat. Stop when you've gained the 5, 10, 15 or 20 lbs. you need for normal weight. Costs little. New "get acquainted" size *only* 60c. Try famous Ostrex Tonic Tablets for new vigor and added pounds, this very day. At all druggists.

HINTS FOR THE HOME

Fish

When cleaning fish, it will be much easier to handle if the fingers are well covered with salt.

Draperies

You can make use of the faded cretonne draperies by making them into laundry bags or work aprons.

The Fruit Closet

A bowl of lime placed in the fruit closet with the preserves and jellies will keep mold from forming on the top of the jars.

Sandwiches

The ordinary peanut butter sandwich can be greatly improved by the addition of some thinly-sliced tomatoes, and a lettuce leaf.

Vegetable Stains

Vegetable stains on the fingers can be removed by rubbing them with a cut potato or lemon skin. Wash well in cold water.

Honey

A delicate topping for hot cinnamon toast is made with strained honey, mixed with soft butter. It is also good on other hot breads.

Rust

Rub some lemon juice and salt on rusty spots and then place the article in the sun. This method rarely fails to remove the stains.

Elastic Articles

Wash elastic articles in lukewarm soapy water. Use a soft brush for the soiled parts, and rinse thoroughly in some more lukewarm water, drying slowly.

Scented Hair

To give the hair a delicate scent spray it with perfume while it is still wet from the shampoo. The fragrance will remain in the hair until its next washing.

Paraffin

Do not heat paraffin to the smoking stage, as it is liable to separate from the sides of the jelly glasses. Allow to melt slowly until you have sufficient to cover the preserves.

Polishing

If there is no silver polish available and it is necessary to polish the silverware, try using a small amount of toothpaste on a soft cloth. Rub to a polish with a clean cloth.

Crocheted Lace.

Crocheted lace will not ravel when cut if it is stitched on the sewing machine twice, then a small space left, and stitched across twice more. Cut between the two rows of stitching.

First Aid

If a child falls and bumps his head, cover it quickly with a piece of ice or a cold cloth. Often the bump will disappear without a trace. This has to be done promptly for best results.

Pie Crust

If pie crust is made up at least a day in advance of the pie baking, wrapped in waxed paper, and stored in the refrigerator, it will roll out better than crust that is freshly made. This also applies to rolled cookie dough.

The Paint Brush

The bristles of a new paint brush will not shed during the painting process if the brush is held, bristles up, and a spoonful of varnish is poured into the base of the bristles. Keep the brush in an upright position until the varnish dries.

Bleaching

Table linens, muslin, and other unbleached goods, can be bleached by preparing a boiler of bluing water as for rinsing clothes. Place the articles in the boiler and allow to boil well. Hang on the line without further rinsing, and at their next washing these articles will be perfectly white.

NOTICE TO CREDITORS AND OTHERS

All persons having claims against the late Rachel Ford Tullis, Vernon, who died on or about the 26th day of August, 1949, are required to file their claims with the undersigned before the 31st day of October, 1949, after which date the assets of the estate will be distributed, having regard only to the claims that have been received.

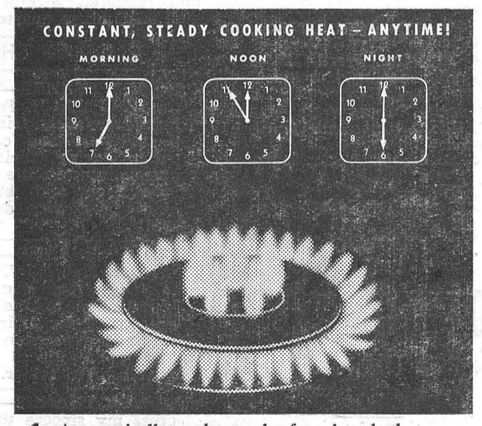
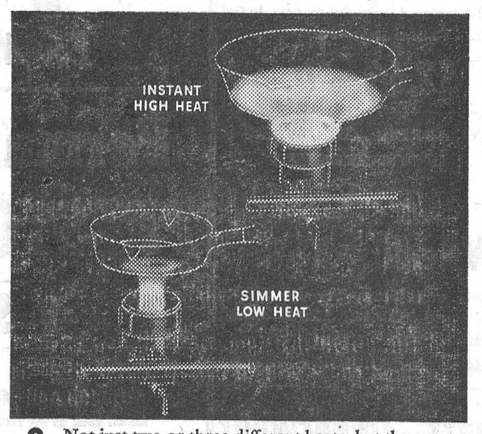
★ **ALL THE ADVANTAGES OF CITY GAS AVAILABLE THROUGH ESSOTANE SERVICE**

Turn Cooking from a Tiresome Duty into a Real Pleasure

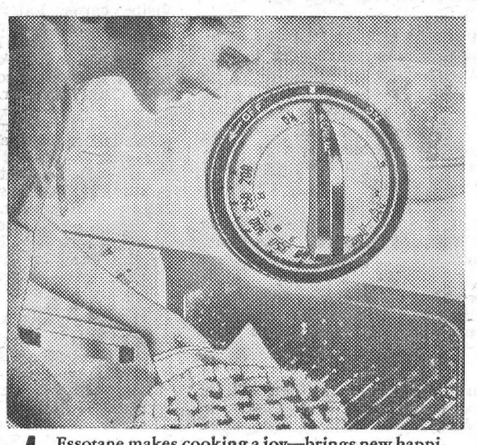


1 Automatically, at the touch of a valve, the burner lights. You get a hot, clean, odorless flame instantly. No smoke or soot.

2 The convenience, speed and cleanliness of Essotane means extra leisure time for you. No fussing with coal or wood fires. Faster cooking. Less cleaning.

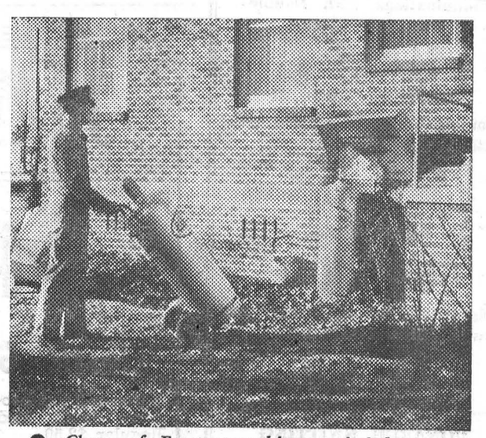


3 Not just two or three different heats, but the exact degree of heat you want—not too much, not too little—just enough. That's economy!



4 Essotane makes cooking a joy—brings new happiness into your home in the form of better, more delicious, more wholesome meals for all the family.

5 Big enough to hold a turkey gobbler with ease, the oven has accurate temperature control for better baking results and perfect roasts.



6 Clean, safe Essotane cooking gas is led to your stove by a small copper tube from steel cylinders installed outside your house.

It's easy to start using Essotane. Imperial Oil service men simply set up the tidy cylinders and connect them with your beautiful, Essotane range. For the average family one cylinder will last up to three months. The cost is small. Essotane is the same type of product now being enjoyed by more than 4,000,000 homes in Britain and the United States. Get the facts. Send the coupon today.

PRO TEM GROUP COMMITTEE MEETS

On Thursday evening of last week, a small group of interested citizens met at the office of Dr. Sherwood to consider the activities of the 1st Winchester Wolf Cub Pack and to discuss the possibilities of organizing a Scout Troop for this village. Present were Dr. Sherwood, Rev. Leon B. G. Adams, Rev. N. Thomas, and Messrs. A. Dukelow, R. Walker, J. Woods and R. Woods.

It was decided that those present would constitute a "pro tem" Group Committee to foster the work of Cubs and Scouts until a meeting of parents and interested citizens be called during Scout and Cub Week in February 1950. This future meeting would then elect a new Committee to carry on the work of sponsoring the Troop and Pack in Winchester.

The Cubmaster, Rev. L. B. G. Adams, requested the Committee to appoint two Assistant Cubmasters, Messrs. G. Droppo and G. Gibbons. Applications to the Scout Headquarters were signed to bring this into effect.

The meeting decided that the Cub Pack would hold an Apple Day some time in October and also that the Cub leaders and entire Pack be covered by Group insurance.

A letter of thanks was asked to be sent to the Public School Board voicing appreciation for the use of the auditorium for Pack meetings.

Mr. A. Dukelow announced that he had been appointed Assistant District Commissioner for the St. Lawrence District of the Boy Scouts Association.

At the conclusion of the Winchester meeting, Mr. Dukelow and Rev. L. B. G. Adams attended a Scout meeting at Morrisburg where arrangements were made for the Field Commissioner for Eastern Ontario to visit Winchester on October 18. The Field Commissioner will visit the Wolf Cub Pack and also the Group Committee.

CHESTERVILLE GIRLS' GARDEN CLUB ACHIEVEMENT DAY

The Chesterville Girls' Garden Club Achievement Day was held at Chesterville High School on Thursday, September 22nd. There were six girls present. These girls brought exhibits of flowers and vegetables and set them up in the shop-room of the school. Each of the six was given credit for having completed her unit, which is comprised of planting and caring for a garden, attending garden club meetings, keeping a record book and bringing an exhibit to the Achievement Day.

The girls present were: Shirley Beckstead, Edith Byer, Margaret Gray, Doane Irving, Hazel Merkley, and Barbara Servage. Shirley Beckstead was one of the girls chosen to represent Dundas County at the girl's homemaking club program at the Ottawa Exhibition.

HEAVY PENALTIES GIVEN FOR OUT-OF-SEASON SHOOTING

Three men from Winchester district paid heavy fines recently for shooting Wood Duck out of season at James Island on the Rideau. They answered three charges: having no license with them, shooting out of season, and having a Wood Duck out of season in their possession. In court in Ottawa, they paid fines totalling $200, and lost their three guns.

The duck shooting season this year does not open until October 15th. Game Wardens of this district are out to see that the law is obeyed carefully.—Kemptville Advance.

VANCAMP

Sunday visitors of Mr. and Mrs. Dawson Levere were: Mr. and Mrs. Earl Crowder and children, of Ottawa; Mr. and Mrs. Milton Summers, of Saskatchewan; Mr. and Mrs. Oscar Holmes, of Inkerman; Miss Lois Levere, of Spencerville, and Miss Doren Levere, of Winchester.

Mrs. James Levere and son, Donald, spent the week-end with her parents, Mr. and Mrs. Coughlar, of Williamsburg.

Mrs. Grant MacIntosh, of Williamsburg, spent the week-end with her daughter, Mrs. Lyall Levere. Mr. MacIntosh and son, Clair, also had dinner on Sunday with Mr. and Mrs. Levere, and Mrs. MacIntosh returned home with them.

Sunday visitors of Mr. and Mrs. Andrew Bolton were Mr. and Mrs. Lloyd Beckstead and family, of Strader's Hill, and Mr. and Mrs. Dan Hitsman and Donna, of Winchester.

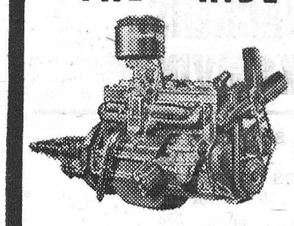
ENJOY THE THRILL OF DRIVING

"The New Thrill!"

A PRODUCT OF GENERAL MOTORS

THE "RIDE THRILL"



Everywhere they're saying, "How's it done—how *can* a car ride so smoothly?" We can tell you part of the secret is in Oldsmobile's Rigid X-member Frame, cushioned on great deep coil springs at every corner . . . its needle-bearing universal joints and double-acting shock absorbers. But most important of all, there's the miracle-smooth power of Oldsmobile's new Big Six Engine, now even *more* powerful and smooth than ever before!

THE "STYLE THRILL"

You don't *have* to own an Oldsmobile to enjoy *this* thrill! Just to watch the lovely profile of a Futuramic Beauty roll by on the road will give you a lift. But *only* the owner can experience *all* of Oldsmobile's "Style Thrill" . . . not just that fleet-flowing first-glance smartness, but the painstaking perfection of every last detail, outside and in. You'll enjoy *that* beauty more and more through all the years you proudly drive your Futuramic Oldsmobile!

IN MEMORIAM—In loving remembrance of our dear son and brother, Lieut. John Carl Barrigar, killed in action at Rimini, Italy, October 4th, 1944.

Time speeds on, five years have passed,
Since death its gloomy shadows cast;
When you were called to give your life
For a cause you thought was just and right.
As long as life and memory lasts
We will remember you.

Lost Life In Noronic.

Among the many who lost their lives in the Noronic fire at Toronto dock, recently, was Mr. Alfred J. Price, who was born in Kemptville and was the son of the late Edward D. and Selina Price.

Patient In Hospital.

We are sorry to report that Mr. James Gibb, a native of this village, is at present confined to the General Hospital at London, Ont. Mr. Gibb suffered a severe stroke the latter part of August and is in a critical condition. His wife resides at 3 Windsor Crescent, London, Ont.

Omitted From Obituary.

In the obituary of the late Robert W. Carkner, printed in last week's Winchester Press, the names of Mr. and Mrs. Wallace Merkley, Mrs. Robt. A. Campbell and Evelyn, and Mr. and Mrs. Milton Stoodley, were omitted by error, from those sending floral tributes. Also, in place of Harmony United Church, it should have read Harmony United Church Sunday School.

Joins Canadian Navy

Mr. Ron. Alexander, son of Mr. and Mrs. Alva Alexander, left on Sunday for Cornwallis, Nova Scotia, where he will take a course in Radar as a member of the Royal Canadian Navy, which he joined recently.

On Saturday evening, a group of Ron's friends called at his home and tendered him a farewell party. During the evening he was presented with a Ronson Lighter, inscribed with his name and the Navy Crest.

Entertained Friends.

Mrs. W. F. Workman entertained a number of friends at her home on Tuesday afternoon in honour of Mrs. Ed. Boyd, a recent bride. During the afternoon, little Judith Ann Price presented Mrs. Boyd with a corsage of flowers and a breakfast set of Sierra dishes, for which Mrs. Boyd expressed thanks to her friends for the gifts. The hostess was assisted in serving lunch by Mrs. C. S. Price.

Ripe Raspberries In October.

On Friday, October 1st, Mr. Peter Wyatt, of town, submitted a branch from one of his raspberry bushes, loaded with luscious ripe raspberries. This was a second growth crop and the fruit was just as tasty as the first crop. Mr. Wyatt says there are plenty of green berries on his bushes and if favorable weather continues they should ripen rapidly. Of course, he realizes that Jack Frost may have something to say in the matter.
