THE IROQUOIS POST

VOLUME LI No. 48 | Second Class Registration No. 1361 | Iroquois Ontario, Wednesday, May 16, 1973

Senior Citizens board of directors

With sincere apologies on the part of some who could not attend, there were about fifty-five persons who were present last Thursday afternoon at St. John's Anglican Church for the inaugural meeting of a Senior Citizen's group for the Village of Iroquois and Commuity. However, we may not be called by that name, nor indeed we may not bear the markings of an older group of people, if the indications of last Thursday afternoon are any criterion!

Previous to the luncheon Mr. Roland Johnson, Manager of Caldwell Linen Mills and Lion-in-charge of a Senior Citizens tulip festival excursion spoke of the upcoming all-expense paid bus trip to Ottawa, courtesy of the Iroquois Lions Club. We leave from the Shopping Plaza at 9 A.M. Tuesday May ??nd to visit Ottawa, and a full complement of fourty has been met.

The guests of the day brought "Pot Luck" to St. John's and after Grace followed by the Doxology, we move into the Parish Hall to enjoy a variety of foods. Mrs. Jane Graham played the piano for one of the best sing-songs, concluding with M. Maurice Bertiaume leading in Alouette!

We then heard about the "New Horizon's" Program for retired and retiring people, and Mr. Bertiaume from the Department of Health and Welfare encouraged the gathering to take the initiative needed to form a Group of Directors in the interests of Senior Citizens for Iroquois and Comminity. Father O'Connor endorsed these sentiments offering his help as an interested supporter.

Volunteers for a Board of Directors were invited, and the following ten Directors were identified: Mrs. Batchelor, Charlie McInnis, Ed. Casentree, Frank Bueley, Henry Sauve, Edith Norton, Joe Elliott, Vi Hare, Betty Whyte and Kay Morgatroyd. These ten people will meet at the Drop-In Centre on May 17th to do some primary organization previous to the June Meeting.

Having accomplished some initial organization, the remainder of the three hour meeting was spent in gleaning information about Senior Citizen Housing potential for Iroquois and Community. We learned that Ontario Housing for Senior Citizens is only nine years old, and has some one hundred complexes in hand. When any municipality offically invites Ontario Housing to make a survey of their community for Senior Citizen Housing, a questionnaire is sent to the community. This questionnaire is NOT, NOT an application for housing, but rather an expression of intention from the community to indicate to Ontario Housing that there is a NEED for a Senior Citizen Housing project in the given community. If there are sufficient replies to the questionnaire, then Ontario Housing visits those with a high-score point system personally... and these are they who are most greatly in need of suitable housing... then the matter is taken up between Ontario Housing and the local governing body.

A 90% loan form the Federal Government, and a ten percent loan from the Provincial Government enables Ontario Housing to go ahead with the project, though the money is returned over the years with interest by Ontario Housing to the respective Governments. The operational expense of the Senior Citizen complex is paid for at the rate of 50% Federal, 42½% Provincial, and 7½% Municipal. An additional Federal Grant to the Municipality covers the taxes. Anyone who is 60 or who has a spouse of sixty or over is eligible. Those with less than $192.00 income per month pay as low as an all inclusive $37.00 rent (except telephone). Those who have a higher monthly income pay an approximate 25% rental.

The guests at St. John's Pot Luck Luncheon were encouraged to fill out the statements of inquiry, or questionnaires, with the help of their clergy when necessary, and return them direct to Ontario Housing as a significant indication of their interest to acquire for Iroquois and Community a Senior Citizen complex. So do take the matter seriously, and send in your questionnaire. Remember it is only a statement of interest and NOT an application form. Also, please watch the Iroquois Post for further information about our sixty-plus generation! History is in the making!

Births

Rodger and Linda Millar (nee Thompson) wish to announce the birth of their son "Darren James", 6lbs. 1loz. on May 1, 1973 at Memorial Hospital, Ajax, Ontario.

OF SPECIAL INTEREST-

The friends of Erskine Johnston are sponsoring a Testimonial Dinner and Dance to be held at the Ottawa Civic Centre on June 13th, 1973.

It is expected that the former Carleton M.L.A. and his wife Aleta will be honoured by the attendance of well over 1000 former colleagues and friends from all over the Province.

Tickets will be widely distributed.

Wedding at Cornwall

A wedding of local interest took place April 7th in the Nativity Church Cornwall with Father Aime Leduc officiating, when Christine, youngest daughter of Mr. & Mrs. H. O. Merkley of town was wed to Rene Lepensee son of Mr. & Mrs. Donat Lepensee of Cornwall.

They were attended by the brother and sister-in-law of the bride. Mr. Lawrence Merkley and Mrs. Robert Merkley and the grooms brother Mr. Armand Lepensee.

The couple will reside in Cornwall.

TYPICAL SENIOR CITIZENS HOUSING FOR SMALLER MUNICIPALITIES

Survey to determine need for senior citizen housing

The Ontario Housing Corporation will conduct a survey to determine the need and demand for senior citizen housing in The Village of Iroquois.

A research analyst from OHC the Ontario Government's housing agency, will estimate the number of senior citizens living in Iroquois and vicinity whose housing is inadequate or beyond their financial capabilities.

The demand in the area for housing on a rent-geared-to-income basis will be determined from information gathered through advertising, direct mail questionnaires and interviews.

The study, which begins May 9th, 1973 was requested by the Council of the Village of Iroquois.

It will include an assessment of economic trends, growth factors and current and future housing needs in the municipality.

Senior citizens in Iroquois and vicinity will receive letters ouling the Government's housing program and asking them if they wish to participate.

Some interested persons may not be reached by direct mail. OHC urges them to obtain a questionnaire from the municipal offices.

If the survey shows a need for senior citizens' housing, it will likely be an apartment building, although consideration is given to one-storey units which do not require stairways. All apartment have a living room, bedroom, bathroom, and kitchen, and are equipped with stove and refrigerator.

Rent is geared to income and the minimum is $37 a month, including services.

After considering the survey report, Council can initiate the program it outlines by adopting a resolution requesting OHC to go ahead. Capital costs are shared by the Provincial and Federal Governments.

Housing on a rent-geared-to-income basis is part of OHC's Home Ownership Made Easy (H.O.M.E.) Program. Those receiving questionnaires are asked to return them as soon as possible to assist the survey.

RENT - INCOME SCALE

Total Monthly Income $	Ontario Housing Rent $	Total Monthly Income $	Ontario Housing Rent $	Total Monthly Income $	Ontario Housing Rent $
0 -192	37	312	76	440	115
200	40	328	81	456	119
216	45	344	87	472	123
232	50	360	92	488	127
248	56	376	97	504	131
264	61	392	102	AND UP 25% of	
280	66	408	107	Your Total	
296	71	424	111	Income	

IMPORTANT-The scale shown is only illustrative and may not be used for calculating exact rents, but it will help you to estimate your OHC rent. The above rents include charges for hydro, heat, water, TV antenna, hot water, stove and refrigerator.

Knox Ladies Aid meets

The monthly meeting of the Knox Ladies Aid was held in the church hall last Monday at 2 p.m.

The call to worship was given by Mrs. K. Perry, vice president Hymn 686 was sung and prayer by Mrs. W. J. Moke. The Scripture was read by Mrs. J. Fenton.

Minutes were read by the secretary Mrs. W. J. Moke, and approved. The roll call and correspondence was read.

Mrs. J. Fenton, treasurer, gave an excellent report of our 99th Anniversary Turkey dinner last Wednesday evening.

Hymn 461 was sung. Rev. J. J. Hibbs closed the meeting with prayer.

TWO PROMINENT PROJECTS IN IROQUOIS

Continuation of plans for a medical building and the start of new plans that might add a senior citizens residence to Iroquois, are among the topics facing Iroquois Village Council in the coming months.

The proposed medical building has been in the planning stage for over a year and with a boost of $10,000 each from the Iroquois Lions Club and Branch 370 Royal Canadian Legion, as well as provincial grants and other donations, its future seems assured. And at no cost to the taxpayers of the community.

A senior citizens housing project is one which many people feel is needed in the community and the Ontario Housing Authority have started a survey to see if there is sufficient need in Iroquois and district for such a development.

Whether or not you intend to go into such a project, if you qualify (see story in this week's Post) then get yourself a questionnaire and fill it in. You are under no obligation to rent a space in the proposed new building if it is built. The fact that your village council has taken the initiative should be sufficient reason for supporting this first step to see what the local needs may develop.

In an era of developing services for both young and old, each community must take the initiative to provide any service which will enhance the lives of its citizens.

The existance of a medical building is to supply services to the entire population, and a senior citizens project to those who no longer require a separate house in which to reside, and at reasonable cost for those whose income cannot support a separate single dwelling as well as for those who do not wish or cannot keep up with mowing lawns and home repairs.

Few projects can be successful without the wholehearted support of the community, and this is most true in smaller municipalities.

Let's get behind these projects for the community good, if not necessarily for each individual's good.

NOT A HAPPY SHARE OF THE GOODIES

The Ontario Government's new sharing of funds this year leaves municipalities such as Iroquois wondering just where they get off. Or where they get on might be a better remark.

After reading of the differences between municipalities on the amount of monies they are to receive under this new program and in reading a letter which appears in The Post this week from Don Irvine explaining the "sharing" of those funds, we are still bewildered but not amused by the "share" Iroquois is to receive.

Our first thought when we heard of the program was that we might receive equal footing at last from government "kick-backs" because to our mind this is what it is.

We've never liked the idea of the government taking out of one of our pockets and putting it back in another. Along the way there was too much "shrinkage" and this latest episode of "gift-giving" leads us to say "beware of _____ carrying gifts". You fill in the name, please!

The Old Iroquois House Mover at Work

Several extra large houses were moved from old Iroquois and the Williamson Nursing Home was one of these. It is shown here just leaving old Iroquois on the Hartshorne housemover and was moved in the more conventional way with dollies and winched ahead to its new location.

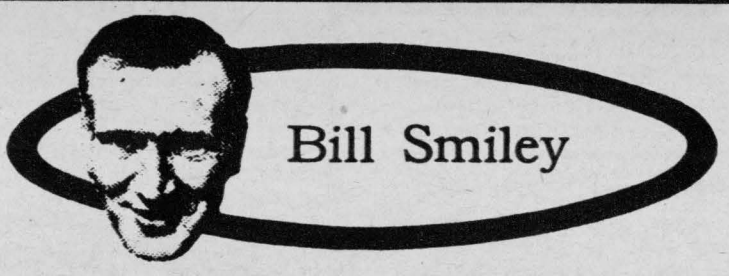
BILL RECALLS OLD LONDON HAUNTS

by Bill Smiley



What would you like to see if you were going to England this summer? The changing of the Guards? The Tower of London? Shakespeare's home town? Wordsworth's lake country? Winchester Cathedral?

This is not yet a burning question around our house, but I've been giving it some thought. Somehow, tramping around with a clump of tourists while some guide spiels off a bored monologue doesn't appeal to me.

I spent many a leave in London during the war, and never did get around to seeing anything historical, beyond a few ancient pubs.

And when I think of the south of England, and the north of England, and Scotland, all that comes to mind is piles of picturesque pubs.

I did spend an afternoon in the cathedral at Chester. But that was because I was with a girl, and it was cool and private in there. And the pubs weren't open yet.

I spent a month within a stone's throw of ancient Kenilworth Castle, and didn't get near it. The castle was in the opposite direction to an ancient and venerable thatch-roofed pub, out in the country.

Another two months was spent near Shrewsbury, one of the very old county towns, no doubt crawling with history. All I can remember are two pubs, the Red Lion and the Old Post Office. When we didn't go there, we nipped across the nearby Welsh border to the little town of Oswestry, where there was a pub with a roaring open fire and a constant game of Tip-It, an old game that is as psychological as poker.

One of the few historical sites I did visit was in the old market town of Dumfries, in Scotland. The site was — you guessed it — a pub where the bard Robbie Burns spent most of his evenings when he lived near there. I felt pretty cultural about that.

When in London, do as the Londoners do, was my motto. And you don't find them standing around gawking at the guards or limping on weary arches through the Tower. You find them in the pubs.

Sound like one long, alcoholic orgy? I hasten to assure you that it wasn't. It was a matter of choice, not a boozer's delight.

You could hang around the officers' mess. This was a bleak, draughty place with a few ancient magazines. The only source of heat was a fireplace with about three bits of coal sputtering in it, and, standing in front of it, three or four fat senior officers with whiskies in hand.

Or you could get on your bike, with a few kindred souls, and huddle off through the rain to the pub. There you found warmth, both physical and social. Girls — Navy, Land Army, Waaf. Local colour. Games — darts or shove-ha'-penny. And if you hit the right night and knew the barmaid, there might even be spam sandwiches. The ale was incidental.

Well, which of the two would you have chosen, if you were a young man? No question. Right?

However, that brings me to my present predicament. I can't very well take my wife all the way to England and expect her to be wildly enthusiastic over nothing but an extended pub crawl.

Somehow I can't see her being ecstatic about bicycling through the rain to get to The Gate Hangs High, up in North Wales. It has room for twelve customers and we used to get about thirty in there.

She might enjoy the Cheshire Cheese, on Fleet St. Or the Wagon Shed, at Horley, the Nag's Head, behind St. George's Hospital on Kittygut St., or the Star and Garter, St. John's Wood.

But one interesting pub becomes much like another after a while, unless you just want to get in out of the rain, or unless you have memories.

What it comes down to is this. If a man's going back to his old haunts, he should leave his wife at home. Otherwise, he'll hear something like, "What in the world do you see in this place? The 'Golden Lion' my foot. It looks more like a brindled dog. When are we having lunch at Claridges?"

So, I guess the only choice is to leave her at home. I'll miss her but I won't be lonely. I'm going to call a couple of old buddies, Jack Ryan and Bill Proctor, who have sentimental memories of the same pubs. Take them along.

Woops. Ryan has six kids. Might be a bit awkward for him. And, oh yeah. Proctor took his wife to England a few years ago, introduced

Police Week

MAY 13 TO, 19, 1973

As commissioner of the Ontario Provincial Police, it is my pleasure to invite the public to visit our establishments during Canadian Police Week.

Our members throughout the province will be pleased to discuss with you the law enforcement process. They will help you gain a better understanding and greater appreciation of the police function.

In becoming acquainted with Ontario Provincial Police officers you will discover their dedication to duty and commitment to the Rule of Law. Every member of the force is a guardian of your life and property. You receive his service and protection. He deserves your support and respect!

Public School presents Variety Night '73

Iroquois Public School students packed the auditorium of the school on May, May 14th when they presented a most interesting Variety Night program. Over 250 parents and friends attended the show.

Principal Jim Shaw extended a warm welcome to all attending and at conclusion of the evening thanked Mrs. Jane Graham for her assistance at the piano and also introduced and praised the Students Council of the school for their excellent support.

Mrs. Graham was also presented with a gift from the students, with Mary Lynne Waddell making the presentation.

Master of ceremonies for the evening was Michael Styles.

The program included a presentation by the Kindergarten under direction of teacher Mrs. Merkley, including:
(Town) - Rhythm Band
Country) - Songs: (1) Today I saw a Robin. (2) Miss Polly.

Grades 1 & 2 teacher Mrs. Plumadore (1) Indian Song (2) Clap Dance

Grade 3 Teacher Mrs. Burrell -- Play Vitamins on Parade

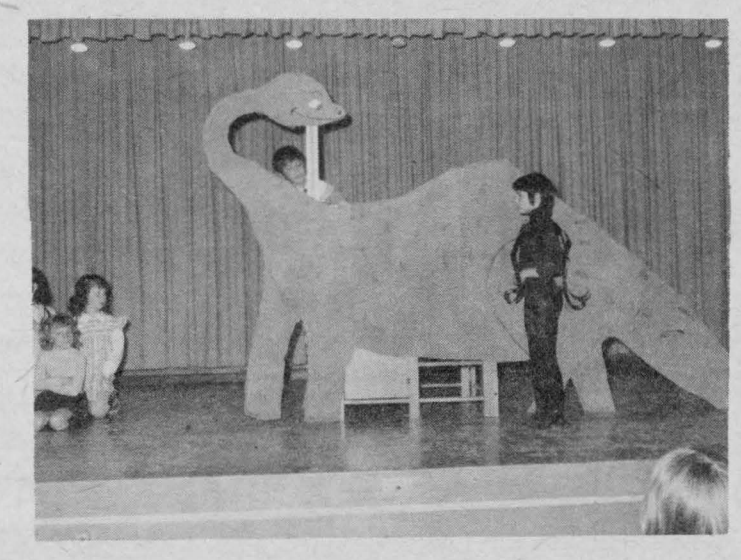
Grade 2 - Teacher - Mrs. Burrell presented the play - Bronty the Dinosaur.

Grades 4 & 5 - Teacher Mrs. Styles presented Theme - "The Happy Face"

Grades 5 & 6 - Teacher Mrs. Adair -- Come to the Caribbean Songs were: Marian, In Bahia Town and Pack She Back , also Bamboo Dancing.

Grades 6 & 7 Teacher Mr. Dolan- presented the play "Dr. Friend Or Mr. Busybody" with the songs "I'd Like To" and 'Last Song"

Grades 7 & 8 - Teachers- Mr. Shaw and Mrs. Chant did the Modern Dance - The Alley Cat. Fashions of the '70's, Israeli Folk Dance - Mayim, Song "Sing a Song of Freedom" and song "Fly Little White Dove Fly"



Bottle drive for minor lacrosse

Questionnaires were recently distributed to the Iroquois Public and Separate schools, seeking the amount of interest of local boys in playing Canada's National Sport. At this time 20 boys have given a positive reply and no doubt if minor lacrosse becomes a reality in the village more boys will become involved.

The problem at this time is the lack of fencing on the west side of the local arena which must be installed before lacrosse may be played. Certainly the cost which is now being estimated, cannot be totally supplied by the village council. It is for this reason that several young people as well as the boys interested in playing lacrosse are organizing a Bottle Drive for Saturday May 26. "All" money raised will go towards fencing in the arena and the development of lacrosse whether it be this summer or sometime in future years.

For further information concerning the Bottle Drive, or minor lacrosse please contact Mr. Jim Shaw principal of the Iroquois Public School or Allan Hare.

TODAY'S CHILD

BY HELEN ALLEN

THE TORONTO SUN SYNDICATE

You might guess from Jerry's expression that he is a lively boy and indeed he is.

Jerry is alert, active and constantly on the go. Just now he is on mild medication to quiet him down a little. This lad has too much energy to sit down with a book but he will watch a few favorite television programs.

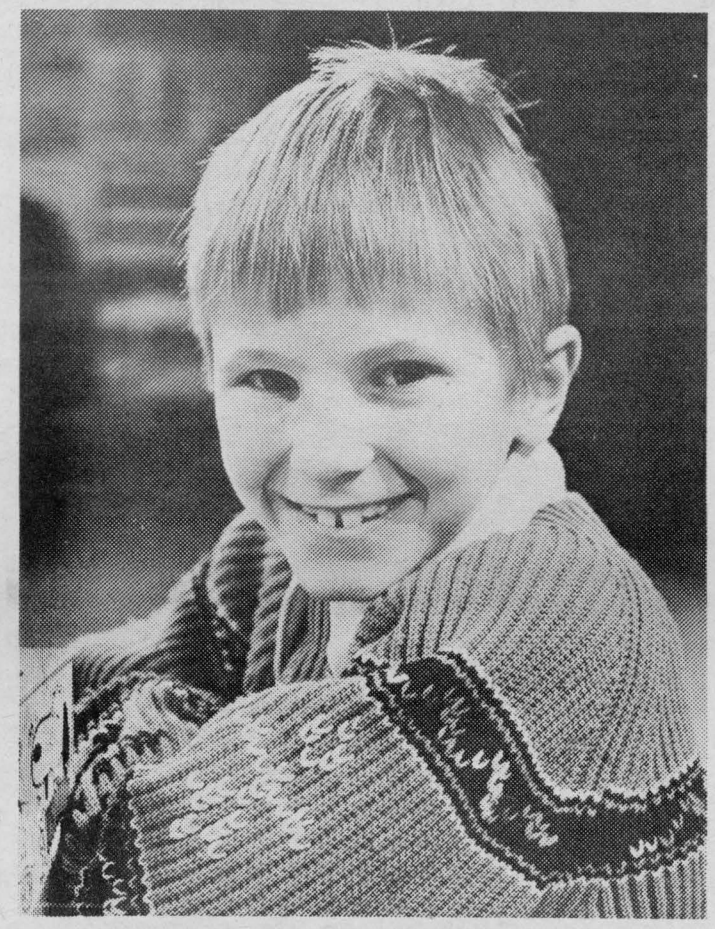
Jerry is in Grade Two and is felt to have average ability. He is not working up to his potential, however — perhaps because he is so active.

Tall and slightly built, eight-year-old Jerry has blue eyes, blonde hair and fair skin. Information on his background is limited but he is probably Anglo-Saxon.

Jerry's foster home is in the country where he loves the carefree life and the open spaces. He is good friends with dogs and cats and is fond of hunting for frogs and snakes or whatever other small creatures he can find.

Since Jerry is accustomed to children of all ages, he can fit into a family where he will have brothers and sisters. However, the Children's Aid Society hopes there will not be many other children in his adoption home so Jerry will get an abundance of attention.

To inquire about adopting Jerry, please write to Today's Child, Box 888, Station K, Toronto M4P 2H2.



HE'S FULL OF ENERGY

Message to interested girls

The Morrisburg Jets Girls Softball Club are interested in getting a girls softball league going. No age limit.

We attended a meeting of the Matilda Recreation Committee and they suggested contacting the former coaches in the area, plan a meeting & hope those that are interested, will show up.

So, the Morrisburg Council Chambers is open on Thursday MAY 17th at 7:30 P.M.. It is hoped that we can get a league started. It's time that girls had a chance.

Please tell anybody that wants to come, to come along and voice their opinion. There is plenty of girls that are passed the age for minor ball and wish to continue playing.

Hope to see you at the meeting. Lynne O'Brien.

Get ready for the coming Holiday Weekend.

Our assortment of fishing rods, reels, nylon line, lures, etc. is very complete.

Barbeques, Electric charcoal lighters, Hibachis, Barbeque mitts, Barbeque sets, styrene coolers, Thermo Jugs, etc.

For the Gardener our stock of spades, rakes, hoes, turf edgers, hedge trimmers, grass seed, fertilizers, green cross products, etc. is very complete.
SPECIAL: Black & Decker Electric Lawn mowers with Hedge Trimmer only $99.83

India topic Iroquois UCW meeting

The May meeting of Iroquois United Church Women was held in the parlour on Tuesday evening. It opened with a period of silent prayer and singing of evening hymn 564.

The business period heard the minutes, treasurer's reports from various committee chairman. Coming events to be planned for are the annual Glen-Stor-Dun visit on May 15th and the Hockey Banquet to be served on Friday, May 25th.

The topic of concern for the next hour was the Agricultural situation in India. It was presented under three main headings.

1) Food production - one of the great needs of contemporary India. This section dealt with the loss of much of India's arable land to Pakistan at the time of Partition in 1947, the Bengal famine of 1943, the Bikar famine of 1966-67, the vagaries of the Monsoons the rapid growth of population, all factors relating to India's inability to feed her people.

2) The Green Revolution - A battle being waged with Dr. Norman Ernest Borlaugh as its leader to teach India how to increase her output of food. The use of Mexican wheat for seed along with the United efforts of scientists and agriculturalists, the result has seen the amazing doubling of crop production in twenty years. The same story can be told of rice production, and that of dairy products, poultry and fish.

3) How hope is being found in the face of what seemed hopeless The Government has awakened to the fact that farmers, as anywhere else, must be given an incentive i. e. remunerative prices. Farmers are now using chemical fertilizers known to them only since 1965. Irrigation is being assured through the sinking of tube wells. Mechanized farming is being introduced and agricultural colleges are teaching farmer the driving, maintenance and use of machines. Diversified farming is being encouraged as well as breeding better strains of cattle.

The group heard something of the Bhoodan Movement which is the sharing of land held by rich land-owners with the common poor Indian. The role of the present-day missionary in all this situation was discussed. A prayer for the youth of India was read. Brochures on India were display for members to study. Ruth Fetterly was in charge of this part of the meeting, and during her presentation the ladies were enjoying a cup of Darjelling tea grown at the foot of the Himalayan Mountains.

Doris McQuaig conducted a most fitting worship service based on Luke 16: 19-31, Jesus' parable of the rich man and Lazarus. To the question of who is the rich man and who is poor Lazarus we already know the answer. We are the rich man and the Indian with his per capita income of $76 a year is Lazarus. Just as Lazurus, we may one day find ourselves in Hell with it suddenly becoming clear, but too late, that we should have taken pity on Lazarus. While there still is time there is something we can do. Poens were read from "Listen Christian" and "The Cross is Lifted". Hymn "O Master Of The Waking World" was sung.

Interest shown in the presentation was evident by words of appreciation spoken by all who had shared in this evening of information and inspiration.

Hostesses for the evening were Mrs. Clifford Thorpe, Mrs McQuaig and Mrs. Fetterly.

New Assoc. formed

As a result of the amalgamation of the St. Lawrence TB & Health Association and the Prescott-Russell TB & RD Assoc. a new Associate of the Ontario TB & RD Association has been formed.

On May 8th at the Cornwallis Hotel, Board Members and friends of the former groups, gathered to hold the initial meeting of the Eastern Counties TB & Respiratory Disease Association and to elect officers for the 1973-74 fiscal year. Mr. Fred W. Bradley, Past President of C.T.R.D.A. Chaired the meeting at which Dr. Beverley Lynn of Kingston was Guest Speaker Dr. Lynn told his audience of the need to remain vigilent to the ongoing danger of Tuberculosis. He emphasized the important role Christmas Seal Association play, in making the general public aware of the many Respiratory Diseases and TB· the means of Prevention Control and Rehabilitation Dr. Lynn singled out cigarette smoking and water pollution as two of the most serious health health hazzards of the day and noted that the incidence of Emphysema and Bronchitis are increasing at a rapid pace each year, and presently contribute to more deaths than lung cancer.

Mr. Archibald MacDonell of Williamstown was elected President of the new Association, which now serves the 5 Eastern Counties. Elected Christmas Seal Chairman for 1973 was M. Jack McIntosh of Winchester. Other officers elected were:

Hon. Treasurer - Don Dunster, Cornwall

O.T.R.D.A. Reps.
G Paquette. Hawkesbury
G. Holland Cornwall

Seal Co-Charirman -
L Pressault. Hawkesbury

Education Co-Chairman-
Mrs. Carolyn Barclay, Cornwall

Rehabilitation Co-Chairman-
W Morris Cornwall

Medical Advisor - Dr. R. V. Peters M.O.H. for the 5 counties.

The Board of the Eastern Counties TB & Respiratory Disease Association is made up of a minimum of 6 members from the Prescott and Russell Counties and 12 from Stormont-Dundas and Glengarry, being based on 1 representative for each 8,000 of population in the relative counties. The Office will be maintained in Cornwall with Mrs. Barbara Dunster continuing as the Association's Secretary.

The new Association will continue the work of the previous two Associates, conducting the annual Christmas Seal Campaign to raise funds for Health Education, Rehabilitation and Research.

When Choosing Livestock Minerals Let Your Forage Be Your Guide...

because the roughage portion of the ration dictates the combination of essential minerals needed. All SHUR-GAIN MINERALS are now formulated accordingly. It's nutritionally right, it's easy, it's economical, to select the best SHUR-GAIN mineral mixture for your livestock . . .

SHUR-GAIN ESSENTIAL MINERALS #1—FOR NON-LEGUME FEEDING . . . feed where roughage is grass, hay or corn silage.

SHUR-GAIN ESSENTIAL MINERALS #2—FOR LEGUME FEEDING . . . feed with high legume forage, to balance the high calcium, low phosphorus.

SHUR-GAIN ESSENTIAL MINERALS #3—SALT FREE . . . feed where salt is available in the water or other source.

SHUR-GAIN ESSENTIAL MINERALS #4—HIGH PHOSPHORUS . . . for dry cows just prior to freshening.

SHUR-GAIN RANGE MINERALS . . . for Western feeding conditions, where stock is on a high hay or pasture ration with salt provided separately.

Royal Canadian Legion News Bulletin

by Leo DeBellefeuille

With a new slate of officers elected for the 1973-74 season, it presents another year of challenge and more opportunities to unite all our efforts to co-operate, assist, and work together for the benefit of the Branch and the Community. With this in mind, I felt it would be appropriate if this message were repeated.

"Are you an active member,
The Kind that would be missed,
or--
Are you just contented--
That your name is on the list?

Do you attend the meetings and
Mingle with the flock or
Do you stay at home,
To criticize and knock?

Do you take an active part,
To help the work along, or--
Are you satisfied --
To only "just belong"?

Do you bring in new members, and
Help old ones stick, or
Leave the work to just a few, and
Talk about the clique?

Now, think this over, member
For you know right from wrong,
Are you an ACTIVE MEMBER, or
Do you "JUST BELONG"?

In the event you have not heard who the winners were in the Royal Canadian Legion John McMartin Branch 297 Bond Draw # 13, April 28, 1973, we will list them for you $5,000--
Ron Ortoleva, Cornwall, $1000
-- L. A. Byers, Gananoque, Mr. Byers bought the ticket and thus received an additional $50.00 as a seller's prize.
$500.00 -- Edward Lafove, Cornwall
$100.00 -- Laura Hamilton, Cornwall
$100.00 -- John Hull, Lucerne Quebec.
$100.00 -- Evelyn Upton. Cornwall
$100.00 -- Louis B Theoret, Moose Creek, Ontario.
$100.00 -- Dan Poirier, Long Sault, Ontario.
Book Seller's Prizes were
$500.00 John Neville, Cornwall
$400.00 Jim Gardner, Cornwall
$300.00 J. A. Quesnel, Renfrew
$200.00 Moe Blanchard, Cornwall
$100.00 Wayne Derochie, Cornwall
$50.00 Ernie Crowder, Brockville
$50.00 Jock Dalbec, Cornwall
$50.00 L. Warden, Long Sault.
$50.00 Earl Derochie, Cornwall
$50.00 Romeo Prevost, Cornwall.

I have noticed that several area organizations are having an Annual Pancake Day -- with free draws for prizes. These events permit the whole family to attend and proceeds are used for Community Projects. If definite plans are developed locally for the Medical Centre, this would prove to be a worthwhile effort.

On Thursday May 17th at 8:00 P.M. the regular monthly business meeting will take place

The main feature will be the instalation of the executive for 1973-74. Plan to attend, your presence is urgently required. If you are unable to attend, it would be most interesting to know "why" anyone cannot attend one meeting per month.

After all the meetings are over by 9:45 in time for shift workers. don't worry comrades - you will not be buckled down to a job or responsibility -- unless you volunteer your services. So give the new executive some encouragement and make arrangements to attend their instalation service. Happiness in contagious-- Be a carrier!

I'm the fellow that goes into a restaurant, sits down and patiently waits while the waitresses do everything but take my order. I'm the fellow who goes into a department store and stands quietly while the sales clerk finish their little chit-chit and drink their lemonade. I'm the man who drives into a service station and never blows his horn but waits patiently while the attendant finishes reading his comic book. Yes, you might say I'm a good guy. But do you know who else I am? I am the Fellow Who Never Comes Back, and it amuses me to see you spending thousands of dollars every year to get me back. And so the story goes, however, when you patronize the local Royal Canadian Legion, you are given service and shown a little courtesy.

Once women wore bathing suits down to their hips. This year no one is even sure that they'll wear them down to the beach.

To many of today's parents, youth is stranger than fiction. One of the healthiest ways to gamble is with a spade and a package of garden seeds.

Fellow comrades here is some food for thought.

"The father of Success is Work:
The mother of Success is Ambition.
The oldest son is Common Sense:
Some of the boys are Perseverance, Honesty, Thoroughness, Foresight, Co-operation and Enthusiasm,
The oldest daughter is Character; some of her sisters are Cheerfulness, Loyalty, Care, Economy, Sincerity, Harmony and Courtesy.
The baby is Opportunity.
Get well acquainted with the "Old Man" and you will be able to get along with the rest of the members."

Round-up Week

ROUNDUP WEEK, to be held from Wednesday, May 30 to Saturday, June 2, by Seaway District High School, is an event no one should miss,. There will be fun for the whole family -- a chicken BAR-B-Q May 30 -- a car rally May 31-- an old movie starring Mae West and W. C. Fields June 1 -- car and bicycle rodeos June 2.

Of special note is the 20 mile bicycle marathon and walkathon to be held June 2. A starting point is both in Morrisburg and Iroquois. Sponsor sheets may be picked up at Charlie's Sport Shop in Morrisburg or Saver's in Iroquois. Further details will follow.

Don't forget these dates and don't get hog-tied. Come to ROUNDUP WEEK in Iroquois, May 30 to June 2.

For quick results on Classified ads, advertise in the IROQUOIS POST.

W. Baker comments on increase

Statistics released last week show that the CPI for Canada rose 1.1% in April. The April index, at 147.3, compared to 1961 at 100, was 6.6% above a year ago. By comparison, the United States CPI registered a 4.7% increase over the twelve month period, March 1972 to March 1973.

The main increase in March was due to advances in Food and Clothing. Housing, Health and Personal Care, Recreation and Reading all had slight increases while Transportation, Tobacco and Alcohol did not change from March.

"This government is committed to reasonable price stability---We do not expect that food prices will rise as fast this year as last and their current tendency encourages us in this expectation", so said John Turner in his May 8th Budget Speech of 1972 - a year ago. His face is red today.

In spite of Mr. Turner's expectations the Food index jumped 7.6% to 156.2 in April from 152.2 in March. This is compared with average increases of 0.8% between these two months for the 5 preceeding years. It also accounts for a 12.9% rise in Food prices since April 1972, with Food consumed at home rising 13.3% and restaurant meals up 10.7% from April '72.

There were slight decreases recorded in bakery and cereal products, soft drinks, sugar and chocolate bars, and, no doubt, Mr. Turner will claim these are the result of his tariff cuts.

More important, however, between March and April fresh milk rose 4.4%, egg prices increased 8.5% fresh fruit rose 11.3% and meat, fish and poultry were up by 3.0%. Increases were also noted in butter and vegetable prices. In the past twelve months the price of beef has risen on average more than 16%, pork prices up 30%, poultry up 26%, eggs up 43%, and vegetables and fruit indexes advanced over 22% and 13% respectively.

Housing rose 0.4% in April as a result of cost increases in new homes, homeowners repairs, rents and furniture. In the last 12 months the Housing index has advanced 6.0%.

The Clothing index advanced 1.4%, compared to average March to April increases for the past 5 years of 0.6%. This increase was due mainly to higher prices in women and mens wear and footwear of all ages. Childrens wear remains unchanged. Latest reports indicate that clothing prices will increase even more in the near future.

Health and Personal Care and Recreation and Reading had increases of 0.9% and 0.4% respectively.

Classified by commodities and services there were advances by commodities of 1.5% and in services by 0.4% between March and April 1973 the Commodities index rose a full 7.0% while total services increased 5.9%.

The latest statistics clearly show the frightening persistence of price increases. In spite of the government's "commitment" to price stability there is little evidence to justify their claim. From the latest indicators it appears obvious that there is little relief from record high inflation levels.

Statistics Canada figures show that farm costs have risen 10.2% over the last year; 6.1% in the first quarter of 1973 alone. Main farm cost increases, in the first quarter were: seed prices, up 31.1% and livestock feed, up 18.0%.

The wholesale price index was up 15.1% in the past year (compared to 6.0% March 1971-72). The industrial selling price was up 8.1% from March '72 to March 1973.

According to the latest survey of the Purchasing Management Association of Canada, material costs in all stages of production, from raw materials to finished goods, were up. This means, simply that such rising costs will eventually appear in the consumer's prices. It is now questionable whether any goods that have displayed price stability, in the past, will be able to do so in light of the mounting production costs.

Needless to say such increases have aggravated inflationary expectations. Basic wage rate settlements, during the first quarter of 1973 are providing for average annual increases of 7.5% as compared to 6.6% in the last quarter of 1972 (Department of Labour reports.)

Recognizing that inflation is indeed a worldwide problem we must also accept that each country has an individual responsibility to contain its rapidly rising price situation. We can no longer look to relief through half hearted "commitments" and stop-gap measures, nor can we expect others to solve our problems for us!

It is time to meet the problem of rising prices head on. Reiterating what my Party has been advocating for several months now, we must have a full-fledged attack on prices which would include a 90-day temporary freeze on prices, wages, incomes, dividends and rents. Until such action is taken, we can only expect the cost-of-living situation to worsen - are the people of Grenville-Carleton prepared to accept such a Freeze? 75% of those who answered my Questionnaire said yes.

Achievement Day for 4-H Club

Achievement Day for "The Jacket Dress" saw the presentation of special awards to six Dundas West 4-H Homemaking Club members. The highest award, Advanced Honours, was presented to Mrs. Deborah Brown, Hallville #1 Club., for completion of eighteen projects. This award consists of a silver pie server and a certificate. Provincial Honours pins and certificates for twelve projects were achieved by Pamela Blaine, Hallville #1 Club; Beth Gibson, Mountain #1 Club; Kathy Suffel, Mountain #2 Club; and Tina Bongers, South Mountain #1 Club. Carolyn Coleman, Hallville #1 Club, completed six projects to receive her County Honours pin and certificate.

"The Jacket Dress" project required members to make a dress, and seniors added jackets, vests or smocks. All members modelled their smart Spring and Summer outfits during the afternoon on May 5th at South Mountain I.O.O.F. Hall. Several guests were present, including Miss Brenda Brown, an exchange delegate from the Young Farmers' Group of England.

Some clubs used exhibits to teach the audience what they had learned during the project. Beverly Gibson, Mountain #1, spoke on "Fibres - Natural vs. Man-Made". Tina Bongers, South Mountain #1, discussed "Sewing Man-Made Fibres". "Dress-making Details" was the topic chosen by Matilda #1, with Mary McInnis as commentator. Mary Jansen and Marie Arcand of Hallville #2 Club spoke on the topic "Sew to Save".

Mrs. Alfred Carkner, President of Dundas District Women's Institutes, spoke briefly to the girls and wished them success in future 4-H work. Miss Lorraine Holding, County Home Economist, conducted the day's program.

A sincere thank you is extended to all leaders, parents and sponsoring groups concerned with the 4-H Homemaking Club program. Everyone is urged to participate in the Fall project, "Creative Block Printing". Members must be twelve years old by September 1st, 1973.

Mrs. R. Roberts hosts Hulbert UCW

The Hulbert U.C.W. held their May meeting at the home of Mrs. Robert Roberts, May 2nd.

The meeting opened with the Hymn "Faith of Our Mothers" by Mrs. D. Fawcett. Hymn 356 "Take My Life and Let It Be" followed by the Scripture reading taken from Proverbs 31 - v. 10-31 by Mrs. N. Scharf.

Mrs. D. Fawcett led in prayer and a poem "My Favourite Recipes" by Mrs. Lorne Mellan. A reading "Cradles, Codes and Crosses" was given by Mrs. Fawcett followed by Hymn 394 "Happy the Home When God is There".

Mrs. A. Beckstead read "The Perfect Church" and Mrs. Fawcett closed with prayer.

The minutes of the last meeting were read and 11 noted present. It was moved and seconded that we give $10.00 to Rideau Hill Camp.

The verses containing the word MOTHER were given by the members; the word for next month will be FATHER.

Collection was taken and t the meeting closed with the Mizpah benediction.

The President thanked Mrs. Fawcett for her programme and served a delicious lunch.

Buying a side of beef?

Food Specialist at the Ontario Food Council, Ministry of Agriculture and Food frequently receive calls from consumers who want to know why they end up with only 225 pounds of meat from a side of beef advertised as being 300 pounds. The reason for this difference is that the price of a side of beef is based on the "carcass" weight.

Carcass or hanging weight before boning, trimming, shrinkage, and other cutting losses are figured. These losses can run about 25 to 30 percent. What this means is that the actual cost per pound is higher than the advertised price per pound, since you will pay for cutting waste as well as usable cuts of meat.

To illustrate: if you purchase a 300-pound side of Grade A1 or B1 beef at 80 cents per pound, with an average 25 percent "loss" in fat, bone, and shrinkage, you will have 225 pounds of usable cuts of meat at a cost of

.80 x 300 = $240 of 1.06 per pound usable meat (225 Pounds)

Before buying you should determine whether the cost of cutting, wrapping, and freezing is included in the advertised price or added to the total cost.

Has your organization been up to something lately? Why not send in the story to The Post . . .

Hainsville

Mrs. Jas. Stewart is in the Winchester Hospital. We wish her a speedy recovery.

A Shower was held in honour of the approaching marriage of Miss Lynda Fossitt at the home of Mrs. Wayne Ault one evening last week.

Mr. Merrill Fawcett has returned home from the Winchester Hospital. We hope he will soon feel better.

Mrs. R Link & daughter of Prescott was a visitor of her parents Mr. & Mrs. M. Fawcett.

Mr. Johnson Fader & Mother were Saturday visitors of her son Mr. & Mrs. Clifford Fader.

Mr. & Mrs. H. Woods of Toronto spent a few days with their cousin Mr. & Mrs. W. B. Reynolds.

Mrs. Brady of Montreal has returned to her home here. Welcome Home.

THE ST. LAWRENCE PARKS COMMISSION

MORRISBURG, ONTARIO

DON IRVINE M.P.P. REPORTS

It's not dull around Queen's Park these days

After a week like we have recently been trough, nobody could ever say that things around Queen's Park are dull.

Last week I headed my column "BUDGET PART II" and at that time I did not anticipate that I might well have been able to entitle this column "BUDGET - PART III" having, I had thouht, completed my budget comments with that column. A very genuine and widespread public concern over the 7% energy tax which followed Mr. White's budget statement of April 12 has as everyone knows by now resulted in the withdrawal of that tax measure. I think it is fair to say that virtually all of my colleagues in the government caucus, during the week prior to Easter Monday, have received substantial amounts of mail, many phone calls from their constituents taking exception to the imposition of an energy tax. You may rest assured that communicating with an MPP is not a futile exercise. The members of our caucus listened to the people and the government in turn listened to the members of caucus. As John White said in his statement to the Legislature, withdrawing the tax, "A responsive government which is responsible does not insist on passing into law, measures which clearly offend a great majority of people."

This is clearly, once again, an example of the willingness of this party and this government to listen and respond to the wishes of the people. No one could say it any better than the Premier at the close of his own statement on this subject when he stated that "The government that I head and the party that I lead will continue to remain responsive to the wishes and the will of the people of this province. If this means that we must change our or modify our policies, let it be known that we will be prepared to do so. And while this may confound our opposition, Mr. Speaker, I suspect that the people of Ontario would prefer responsiveness to rigidity in government because that is what public participation in the democratic process is all about".

So there won't be an energy tax -- where does that leave the rest of the budget? We all know that there is nothing free in this world and the removal of the tax naturally leaves a gap in revenues. This will undoubtedly mean that our total public debt will not be decreased as much as Mr. White had hoped to achieve. Personally, I think we can live with that consequence particularly since all of the benefits which were included in the budget will remain. A massive financial support to municipalities all over Ontario is unchanged. Some of the beneficial results of these measures are already being announced. The City of Brockville, I understand, does not intend to go ahead with the 10 mill increase in property tax it had planned and in fact will be reducing the municipal tax rate by 4 mills. The Town of Prescott has reduced the 1973 mill rate by 10 to 12 mills from the original 1973 mill rate enacted on April 10th. The Borough of North York which forms a substantial part of Metropolitan Toronto has announced that it plans the biggest tax cut in its history as a result of the new provincial grants. This is what they were designed to do and it appears to be working. Direct benefits to farmers, pensioners, widows, small businessmen and low income families about which I have written in the past two weeks also remain unchanged as does the system of new tax credits designed to lessen the impact of the increased sales tax. I wish to, once again, reiterate that farmers still receive the same exemptions as in the past for all fuel used for farm purposes.

As I pointed out before, the revenue from the sales tax increase is mostly used for the municipal grants. This very graphically demonstrates the urgent need for people in this country to come to grips with the problem of meaningful tax reform. The limited tax base of both the municipalities and the provinces cries out for a redistribution of tax revenues. In spite of countless approaches, the federal government has consistently refused to acknowledge the financial needs of the other two levels of government. As a result, we at the provincial level and our colleagues in the municipalities are faced with the unhappy choice between curtailing the essential services or raising taxes. The federal government simply must fulfill its responsibility to participate in the reconstruction of the financing of our whole intergovernmental system.

LEGION NEWS
FROM PAGE 7

Do not have a closed mind, in regards to plans by saying
"it won't work in our Branch"
"It's not practical"
"We tried that before"
"Its too radical a change"
"We don't have the time"
"Don't be ridiculas"
"We're too small of a Branch"
"We've never done it before"
"The members will scream"
"You're two years ahead of your time"
"Let's get back to reality"
"That's not our problem"
"Why change it, it's still working O.K."
"We're not ready for that"
"You can't teach an old dog new tricks"
"The top brass would never go for it"
"We did all right without it"
"Let's shelve it for the time being"
"Has anyone else tried it?"

You should keep on looking for better ways to improve the Branch. Which responses do You use in an answer to offering suggestions for improved changes. Let's give some consideration to these needs, they should be considered when planning new methods and activities. Remember all members need to belong--to be important to be secure--in this regard lets now give some thought to views with an approach of an "Open Mind". Here are a few illustrations.
"It looks promising, show me more."
"Let's think about this"
"How does it compare?"
"How does it work?"
"How can we find out more about it?"
"Let's test it?"
"Let's find out"
"What's the key to making it work?"
"How much will it save?"
"What's the best way to get started?"
"Who else might have some ideas on it?"
"When do we start?"
"What do you think?"

Yes, lets look at things with an "Open Mind"!

If, a Veteran, why not a Legionnaire? Join the Legion in Your Region. They Served Till Death Why Not We?

SPORTS SLANTS

News & Views

by Leo DeBellefeuille

On the local sports scene, there does appear to be some life for fastball this summer. Lee Merkley called into us the other day to mention he had attended a meeting to organize minor ball for midget aged girls. The league will consist of approximately six area communities including Iroquois. Norm O'Neil has shown an interest in working towards making this league a successful reality. We will be privileged to pass onto you more information including a league schedule as soon as I receive the particulars. As yet, we have heard nothing regarding the formation of minor softball for girls and boys in Iroquois. From a report I received from Miss Lynn O'Brien of Morrisburg, after she attended a meeting in Brinston for organizing fastball, the situation was not a healthy one. In that area minor softball appears to be getting off the ground, but it looks grim in this area for intermediate ladies fastball. Morrisburg have a team, however they are encountering problems in locating a district league that will accept their entry. The Cardinal team, who were members of t the league in past seasons have joined another loop. Cornwall, spearheaded by 58 year old playing coach Ethel Roberts have joined the Northern Stormont league this year. From all reports the Iroquois team will not function this term, hopefully for Lynn O'Brien you do meet with some success shortly in being accepted into a league. Down Morrisburg way Larry Dowell has been putting his intermediate men's fastball club through spring training, here again I have no information pertaining to plans for a men's league in this district. The Williamsburg Pioneers are apparently working out and intend to play some league games in Brinston. I have been informed thay they will not be members of the Metro League this summeras that loop have had an expansion and left the area teams out in left field. However, when all the details have been worked out, we will publish schedules for you to cover all ball clubs and lacrosse teams as soon as they are made available.

A number of interested people in Iroquois and area are attempting to develope a minor lacrosse programe in the village. Now, by means of a questionnaire, trying to discover the extent of the interest in Iroquois Lacrosse is a sport much the same as hockey, played in an arena and is often described as the fastest game on two feet. Equipment used is much the same as hockey with the only addition being a mouthguard being made compulsary. Sticks although much more expensive than hockey sticks last the individual player three to five years. It is hoped that if enough interest is shown Iroquois will enter the area league, now in its planning stages. If however, there are enough players to form only one team from ages of 10 to 14, exhibition games will be played. All participants in the program must be covered by the Ontario Hospital and Health Ins. Plan.

Boys that are interested in playing minor lacrosse are urged to complete a questionnaire and return it to their school. This form must be signed by the boy in addition to his parents or guardians. In summary, if boys in Iroquois wish to play lacrosse act now and return the questionnaire to your school.

Now that the Stanley Cup Playoff are over let's wrap up the season by saying "Iroquois men are in terrible shape, because of lack of exercise and viewing television is blamed! Imagine running and cycling -- or going to mow the lawn -- or stop viewing television, when the Stanley Cup Finals are on!" Hope all of you have enjoyed the 1973-74 version of the Stanley Cup Playoffs -- if your favorite team were not successful this year -- take the attitude that they have in Brooklyn -- Wait until next year!

Dundas Fastball League and South Carleton Fastball League have both held organizational meetings and both report starting dates the third week of May The Dundas League meeting was held at Cardinal, where Des Keyes was elected president and Al Levere named secretary-treasurer and statistician. It is reported some rule changes were approved, including the length ening of all games from 7 to 9 innings. Teams entered in the Dundas loop this year are Kemptville, Domville, Brockville, Cardinal, and Williamsburg. There is a possibility that Ogdensburg, N.Y. will enter the league, rounding it into a sixteam setup.

Irving Shaw's DOBROYD Hall Reg'd Kennels were extremely successful at the Ottawa Kennel Club's 1973 Championship Dog Show. Canadian and American Champion Balder Treu, a German Short haired Pointer, captured the Best In Show award. With some of the top dogs in North America, of which many village and area residents have never seen display their wares -- it would be nice to see a demonstration of these prize dogs at a local sportsman SHOW. None the less, congratulations are off orded Mr. Shaw for his most recent success as well as the many occasions he has placed his dogs at the top of the list at some of the best dog exhibitions in Canada and the United States.

An organization program of summer activities for children and young adolescents in Morrisburg will be established and called Morrisburg Opportunities for Recreation and Education (M.O.R.E.). This venture operating with an Opportunites for Youth grant, will be setting up room and office space in that community. How about that? Speaking of Morrisburg, it has been noted recently that the swimming programme showed a revenue of $1,900 and a $600 donation from the Morrisburg Lions Club. How about that? The Cornwall all North End Fastball League will not operate this summer. The Cornwall Mohawks of the Ont. Lacrosse Association have dropped out of the league With the Inter-provincial Junior Lacrosse League dropping down into "C" category, several players will be left out of action. What is happening?

Closer to home, May 8th was the night a general organization meeting of the Dundas Intermediate Fastball League was held in Iroquois. Two teams, Cardinal and Iroquois were the only teams represented at this very important session -- How about that?

Sympathy goes to the family and many friends of the late Capt. Larry Edward "Windy" Oeebank, of Cornwall fire department, who died May 11th at Cornwall.

As of Wednesday May 30th. "Sports Slants News and Views", will be curtailed until Wednesday September 5, 1973. The reason, the writer wishes to get out and take in some of Mother Nature's finer days and evenings -- lap up some of that good old sunshine and moonlight.

Remember, if you play Sports, be a good one, and keep your eye on the game.

Letter to Editor

This is a letter received by Reeve Lloyd C. Davis from Donald R Irvine, MPP, in reply to a request for an explanation of the new grant to local municipalities.

The entire context of the letter appears below:

In response to your telephone inquiry regarding the Provincial Tax Stabilization Plan, I am enclosing for your information the following table for the municipalities of Cardinal, Iroquois, Matilda, and Morrisburg, delineating the effect of the Plan on these municipalities:

	Cardinal	Iroquois	Matilda	Morrisburg
Population (1971 census)	1,865	1,224	3,050	2,055
Equalized Per Capita Assessment	7,266	10,726	4,947	8,078
Net General Dollar Levies	204,300	152,900	184,500	196,300
Resources Equalization Grant	27,930	Nil	36,900	18,860
General Support Grant	8,170	6,120	7,380	7,850
Police Grant (Increase)	2,331	Nil	Nil	Nil
Total Dollar Gain	$38,431	$6,120	$44,280	$26,710

The figures for equalized per capita assessment stem from a calculation involving taxable equalized assessment and an equivalent assessment for payments-in-lieu of taxes. This is the reason for Iroquois' having an equalized per capita assessment in excess of $10,000. For the purposes of the Budget, county levies are included in net general dollar levies for both the resource equalization and general support grants, but as you know county levies will be excluded from net municipal levies for the latter grant when actual payments for 1973 are calculated. The county will receive a separate general support grant, which will reduce the county's levy on a member municipality. It is total net levies, incidentally, which cause the higher equalization grant for Cardinal relative to that for Morrisburg. The key relationship in interpreting the grant figures is that between equalized per capita assessment and net general dollar levies.

I am hopeful this information will be of assistance to you and your members of Council in enabling you to provide the necessary explanation to your taxpayers. Many thanks for giving me the opportunity to assist you in this regard.

CARDS OF THANKS

I would like to say a sincere thank you to all those who sent letters, cards, flowers, gifts and those who visited me while I was a patient in St. Vincent de Paul Hospital. These kindnesses are greatly appreciated.
Sincerely Katherine McGinn
48-1-p

Special Thanks

I would like to thank anyone who sent cards and gifts or helped in anyway while I was off work with an injuryed back.
Thanks again.
D. Prunner 48-1-c

I would like to say thank you to everyone for their phone calls, cards and flowers received while in hospital and since my return home. Special thanks to Iroquois Lions, neighbours, and fellow employees of Canada Starch for their many kindnesses.
Clare Dunbar 1-p

A sincer thank you to everyone who contributed toward the purse presented to us in our new home in Morrisburg. A very special thanks to those who helped organize this event This kind act was greatly appreciated.
Milton and Peal Barkley
48-1-p

I wish to express my sincere thanks to our friends and neighbours and the Ladies Auxiliary, for their sympathy cards and donation to the Heart Fund following our recent bereavement.
Jim Brennan and Family
48-1-p

Gwen and George Brown have decided to discontinue the operation of Gwen's Flower Shoppe. We express our sinere thanks and appreciation to those people of Iroquois and district who have supported us in our brief but pleasant business venture. We wish you all a fond farewell and the very best of luck in the future.

IN MEMORIAM

HILL - In loving memory of our dear daughter Sandra Lee who died May 9, 1972.
Partings come and hearts are broken
Loved ones go with words unspoken.
Life goes on we know thats true
But not the same since we lost you
Wishing today as we wished before,
That God could have spared you for many years more
In our hearts your memory is kept,
To love and to cherish and never forget
Sadly missed and always remembered by
Mother & Dad

HILL - In loving memory or our dear Sister, Sandra Lee, who died May 9, 1972.
Forget you Sandra We never will
As the years rolled on we love you still
The blow was great the shock severe
We little thought the end was near
Only those who have lost can tell
How sad the parting and no farwell
Sadly missed by
Allan, Steven, Kenneth.

SHANLY

Mr. & Mrs. David Gilmer of Pleasant Valley were Tueday supper guests of Mr. & Mrs. Gordon Gilmer.
Mrs. Arnold Pitt spent Thurs. with Mr. & Mrs. Marshall Cook of Cardinal.
Miss Freda Gilmer R.N. of Kemptville visited Mr. & Mrs. Charlie Gilmer on Wednesday.
On Wednesday Mrs. B. Holmes attended the W.C.T.U. workshop in Kingston.
Mr. & Mrs. Donald Nash and daughters of North Augusta visited Mr. & Mrs. Clifford Allen and children at the Manse, on Thursday.

During the week, Mr. & Mrs. Earl Pitt and Marilyn visited Mrs. Pitt's mother Mrs. J. Rannie of Tweed, Ontario who is recovering from a fractured hip in Kemptville District Hospital.
On Monday evening May 7, her many friends in the Shanly community honored Miss Sandra Pitt on her approaching marriage, at a miscellaneous shower, in the attratively decorated Hall of Shanly United Church.
Mrs. Wayne Hamilton acted as chairman and those present enjoyed a programme of music and contests and readings.
Sandra was then escorted to a gaily decorated chair and presented with a lovely corsage, by Bonnie Gilmer.
Mrs. Wayne Hamilton read the address and the Bride's Book was passed around for all present to sign.
Sandra assisted by girl friends opened the numerous useful and lovely gifts, for which she graciously expressed her thanks.
A delicious lunch and Bride's cake was served.

Appoint new head Parks

The Honourable Leo Bernier, Minister of Natural Resources. and Mr. Clarke T. Rollins, M.P.P., Chairman of the St. Lawrence Parks Commission, has announced the appointment of Mr. John R. Sloan to the position of General Manager of The St. Lawrence Parks Commission. This position became vacant with the appointment of Mr. D. M Peacock to the position of Executive Director of the Parks and Recreation Study being carried out under the Chairmanship of Mr. John Rhodes, M.P.P.

Mr. Sloan, a native of Cornwall, has been Director of the Historical Sites Branch in the Ministry of Natural Resources since April, 1972. Prior to that date he was Director of the Huronia Historical Parks Branch in the former Department of Tourism and Information. In that position he had responsibility for Sainte-Marie Among the Hurons at Midland, the Museum of the Upper Lakes at Wasaga Beach and the Naval and Military Establishments at Penetanguishene.

Mr. Sloan took his primary and secondary schooling in Cornwall and subsequently graduated in History from the University of Western Ontario. Following two years as high-school teacher in Brockville, he joined the then Department of Travel and Publicity as a Research Historian and has been with the Provincial Government since that time.

MET AT HOME MRS. McDERMOTT

The Hainesville U.C.W. met at the home of Mrs. Chester McDermott on May 8/73. The president opened the meeting with Scripture and a reading. Business followed and we are now making plans to celebrate our 100th anniversary on June 24th. Carole McDermott had a program on "Love is Trusting". A social hour followed.

Lions celebrate their 26th anniversary

100 Lions and guests sat down to their Anniversary Dinner last Saturday evening at the Civic Center. The United Church Women catered at the Turkey dinner, and Jim Millard provided the music for the dinner hour, as well as for the Dance that followed.

Iroquois Lions have moved into the second quarter century of service to the Village and Community at large. Evidence of the Club's service over the past year was seen in the several posters on the walls of the hall. The various projects were named, as well as the amounts the Club has contributed to them. The total amounts came to an excess of $1800.

Lion Brian Gee acted as Master of Ceremonies; the Lions code of Ethics was read by Lion Frank Rooney. Lion Bill Cherry proposed a toast to the ladies, which was replied to by Mrs. Brian Gee.

1st Vice-President Lion Allan Rogers conducted a brief and impressive "In Memoriam" ceremony for deceased Lions and Past Presidents. He was assisted by the eight charter members still active.

Charter President and Past District Governor Lion Lloyd Davis was speaker for the night, and recounted several amusing incidents in the history of Lionism in the Iroquois Club. Aside from being a group of dedicated men who serve others, Lions are a group of fun-loving individuals.

In his capacity as Reeve of Iroquois, Lion Lloyd assured us of his support of the proposed Medical Building for Iroquois, and that plans are proceeding well. Both the Lions Club and the Canadian Legion Branch in Iroquois have pledged support of the Building to the amount of $10,000 each. Lion Lloyd also assured us that the Council is studying the construction of Senior Citizen Units, and that he looks for concrete action soon on both these apartments and the Medical Building.

Senior citizens excursion is full

Applicants for the Lions Excursion for Senior Citizens have come in to Excursion Secretary Allen McIntosh so well that the full complement has been met for next Tuesday's bus trip to Ottawa.

Those applicants who have heard from Mr. McIntosh that their application has been accepted will please be at the Shopping Plaza at approximately 8:50 A.M. on Tuesday May 22. If you have any doubt about your application having been received by him, get in touch with Lion Allen McIntosh, 2-4828. Also, if for any reason an applicant cannot attend, contact Mr. McIntosh, so that someone else can take your place.

Excursion convenor, Lion Roland Johnson reports that the Mint cannot accomodate our tour, and that the War Museum has been substituted in the morning events. Luncheon at the Green Valley is O.K., and you will enjoy your visit there especially. Our luncheon guest will be the Honourable Member, Walter Baker and we will visit the House in Session briefly after lunch. Applicant with an O.K. will please be on hand shortly after 8:45 A.M. Tuesday, May 22nd because the bus leaves at 9 A.M.

CAMPERS — TRAILERS — TENTERS

Rains hitting hard at Dundas crop prospects

If you are a little discouraged with the prospects of getting a crop in the ground you would have a lot of sympathy. The three previous spring seasons have all been late, and 1972 was a real disaster. But things looked very good up until April 27th Now after two straight weeks of rain you have to wonder just when the weather will clear up or if we are in for another of those years.

If over the years, you have been discouraged over the prospect of heavy taxes when the family farm would be transferred within the family, you have reason to be smiling today. A whole raft of tax law changes have removed this problem for those who are fortunate enough to have a son or daughter who is interested in taking over the farm.

When the capital gains tax idea was made law by the federal government over a year ago, they did away with estate and gift taxes. However, the Ontario government still had succession duties, and they brought in a gift tax. It looked too, like the capital gains tax on well managed farms would be big enough over a generation to discourage a lot of people.

In February, the Turner Budget brought news that the capital gains tax would not apply to farms being left to children for farming purposes. This meant the transfer would have to be held up till the parent died. Pressure on government has since brought a change of heart, and this exemption will now apply to transfers that take place when a parent retires. In effect then, the capital gains tax will be delayed till the farm passes from family hands.

Up until the time the capital gains tax was introduced on January 1st, 1972, it was possible to transfer a once-in-a-lifetime gift of up to $10,000 tax free in the form of farm real estate to a son for farming purposes. When the federal government removed the gift tax, this provision disappeared. The Ontario government did not include this idea when it brought in the Ontario gift tax legisilation.

However the recent Ontario budget has changed this in a most favourable way. It will now be possible to transfer up to %50,000 of farm real estate to a family member free from gift tax. The details are not worked out as this is written, but we can expect them to have similar restrictions as the previous federal legislation.

At the same time, a change was made in the Succession Duty Act in Ontario. It will now be possible to transfer farm property between spouses without tax. While succession duties will apply on estate over $100,000 left to children, a family farm left within the family will be able to gain exemption from duty. It will be on a sliding scale basis provided the farm remains in the family hands and as long as it is operated as a farm. Each year that is farmed 1/25th of the succession duties will be forgiven. As an example if it is sold out of the family or goes to some other use than farming in ten years' time, then only 40% of the succession duties would be forgiven. At the same time, if it remains as a family farm for 25 years, it would be forgiven.

While some of these are still in the process of being made law, things have surely picked up in the past three months for those who support the idea that Ontario's agriculture must continue to be based on the family farm.

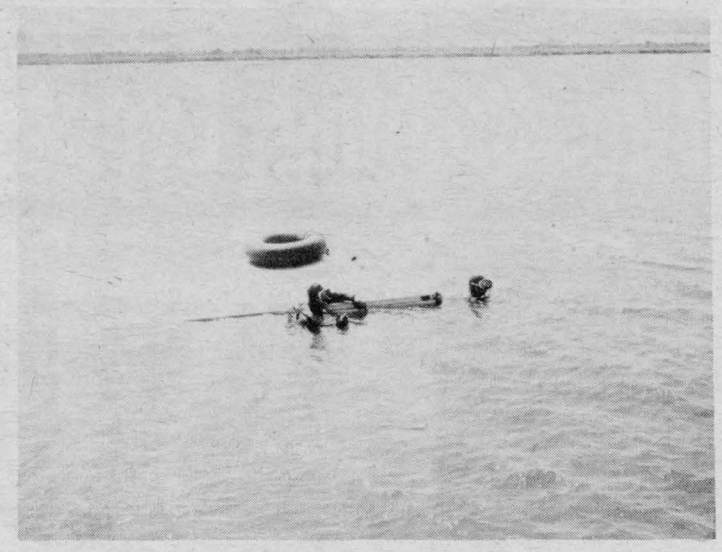
Mail truck takes morning dip

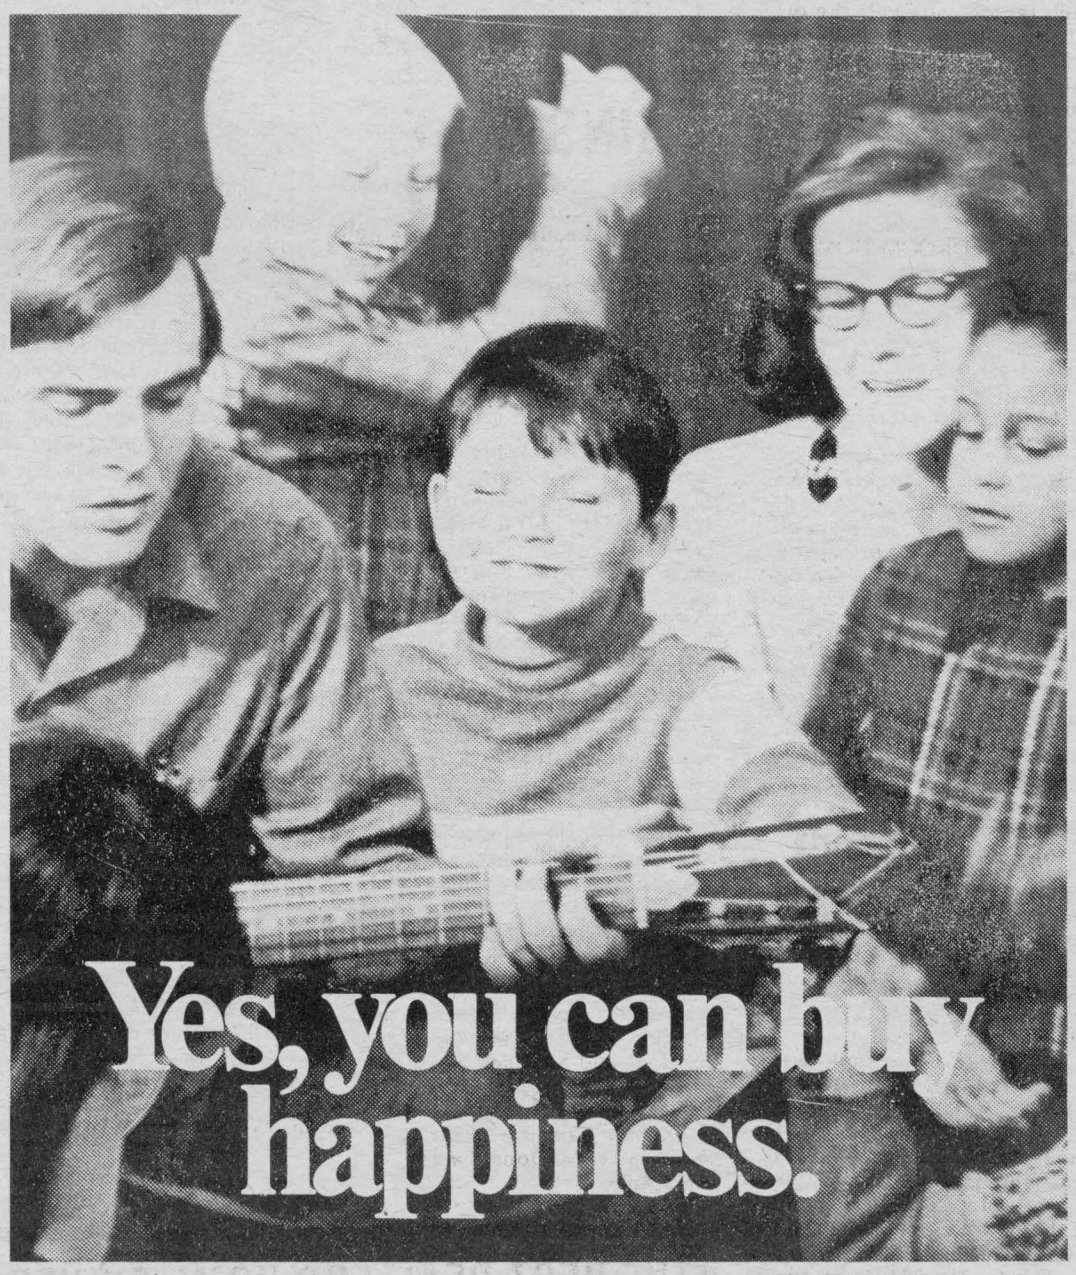


Iroquois and district mail disappeared into the old canal last Friday morning and the driver of the vehicle, Mr. Lloyd Farndale of Brockville, was lucky to escape with his life.

Carrying Iroquois morning mail, along with Brinston and the north country and the pickup from Prescott and Cardinal, the truck veered off No. 2 Highway about three miles west of Iroquois and crashed into the canal. The truck sank until it was completely covered with water. The driver escaped and swam to shore and was later taken to a Brockville hospital suffering from shock.

Postal officials arrived on the scene and aided OPP Morrisburg detachment in arrangements to remove the truck.

Fetterlys', Iroquois, hauled the truck from the water and the mail was transferred to Brockville where it was dried out. The Friday mail reached Iroquois for distribution Monday morning



A singsong in a children's home. Kids from broken homes learning the joy of making music. With a guitar... and gentle help... and happiness.
Yes, you can buy happiness.

CAMPAIGN IN IROQUOIS CONDUCTED BY IROQUOIS LIONS CLUB

Don't start Annuals too early

When the days get longer, brighter, and warmer, gardeners are often afflicted with plant-growing fever. You may be disappointed in the results if you start seedlings too early, says R. A. Fleming Horticultural specialist, Ontario Ministry of Agriculture and Food.

Most annual plants grow quickly in the bright cool days of late spring. When started indoors in hot dry conditions, seedling stretch to get enough light, becoming tall and spindly long before the time to transplant them outdoors.

Easily-grown annuals, such as zinnias and marigolds, should be sown in late April. Plant calendula and alyssum outdoors in late April.

Once the seedlings have 2 or 3 true leaves, they can be transplanted into plant boxes or individual pots. Continue to grow them in a cool room with good light. When there is no longer a risk of frost they can be set out in the garden.

The Hydro-Electric Power Commission of Ontario
PROPERTY FOR SALE
Village of Long Sault

The Commission is offering for sale three residential building lots fronting on Strachan Avenue in the Long Sault Townsite and known as Lots 76, 77 and 138, Registered Plan 228, in the Township of Cornwall having frontages of 70 feet, 70 feet and 60 feet and containing approximately 0.245, 0.225 and 0.172 acres respectively.

For further details, please write to Ontario Hydro, 620 University Avenue, Toronto 101, Ontario M5G 1X6,, attention: L.K. Laughlen, Property Division, Telephone 368-6767 or to Ontario Hydro, 420 Dundas Street East, Belleville, Ontario, attention: J.W. Cartwright, Property Officer, Telephone 968-6721.

Offers to purchase must be submitted in a sealed envelope and must be received by the undersigned before 4.00 p.m. Eastern Daylight Time on June 5, 1973 at 620 University Avenue, Toronto M5G 1X6. The envelope containing the offer to purchase must carry identification that it refers to the Long Sault properties.

Offers to purchase one or more lots will be considered, however, all tenders must be submitted on an individual lot basis and be accompanied by a certified cheque payable to The Hydro Electric Power Commission of Ontario for at least 3% of the amount of the offer. Cheques will be returned to the unsuccessful bidders.

All offers submitted must allow until June 28, 1973 for acceptance or rejection and must not be withdrawn until after that date. Offers must allow until August 30, 1973 for closing of this sale.

The highest or any offer not necessarily accepted.

E.B. Easson
Secretary.
