Turn Your Clocks Back This Saturday

DAYLIGHT SAVING TIME ENDS HERE ON SUNDAY

According to the resolution adopted by the Municipal Council in the spring, Daylight Saving Time is to end in Winchester on Sunday, September 25th. Local residents will therefore set their time-pieces back one hour before they retire on Saturday evening, September 24th. All church services on Sunday, Sept. 25, will be held on Standard Time, and schools, stores, industries, etc., will all operate on Standard Time, starting on Monday. To avoid confusion don't forget to turn your clock back one hour on Saturday evening.

In some other centres Daylight Saving Time will continue for several weeks yet. Ottawa and Kemptville are among the municipalities to prolong the Daylight Saving period, but in Winchester it ends this week.

Morrisburg Council has extended Daylight Saving Time in that village until October 30th.

Action! Thrills! Entertainment!

There are plenty of thrills and abundance of action in the last three show periods of the month, at "The Winchester." All of the three feature pictures are of the adventure-drama type, but each one is entirely different from either of the others.

"Belle Starr's Daughter," which comes first, is a story of the wild Cimarron country. Belle Starr had been treacherously murdered. Her daughter set out to avenge the murder, and, at the head of a reckless gang, defied the law in order to punish the more reprehensible lawbreakers. It is quite unlike the usual Western picture, but with as many thrills as the best of them.

"Rogues' Regiment" is a story of the French Foreign Legion in adventurous Indo-China. Dick Powell, as an American Intelligence officer on assignment to this dangerous country, has the leading role. It is rated as an excellent film, telling an interesting story.

For the last three-day period comes the King of the Cowboys, Roy Rogers, with "Susanna Pass," riding into new adventures in the rugged mountains of the West. This picture is part of a double billing, being coupled with "About Face," featuring new adventures of the fighting sergeants, William Tracy and Joe Sawyear.

With summer officially over, the Theatre will start its shows earlier after Sunday next, the 25th. Evening performances will start at 7.15 and 9.15 o'clock, instead of at 7.30 and 9.30; while the Saturday Matinee will be at 2 p.m. instead of at 2.30. As at present, the doors will be opened fifteen minutes beore playing time.

WEDDINGS

DURANT—MacGREGOR

A wedding of local interest was quietly solemnized by Rev. Iver D. MacIver at St. Paul's Presbyterian Manse on Saturday, September 17th, at 3 o'clock, when Miss Pearl Margaret MacGregor, youngest daughter of Mrs. Wm. J. MacGregor and the late Mr. MacGregor, of Alexandria, became the bride of Mr. Gordon Earle Durant, only son of Mr. and Mrs. P. S. Durant, of town.

The bride was attended by Mrs. John R. MacGregor, as matron of honor, while Mr. John R. MacGregor, of Avonmore, brother of the bride, acted as best man.

The bride wore an afternoon gabardine two-piece dress of Dove Grey with wine accessories, and a corsage of Talisman roses and baby mums.

Mrs. MacGregor wore a Turquoise blue gown with black accessories and a corsage of yellow roses and mums.

Immediately after the ceremony, the young couple left on a motor trip to the United States. On their return Mr. and Mrs. Durant will reside in Wincheser, where Mrs. Durant will continue her duties with the Bell Telephone Company as operator.

RUNCIMAN—CARKNER

In a quiet wedding ceremony, performed by the Rev. Charles A. Waddell at Ormond Baptist Church on Wednesday evening, September 14th, at 7 o'clock, Miss Phyllis Marion Carkner, daughter of Mr. and Mrs. Hubert Carkner, of Ormond, was united in marriage with Mr. Donald R. Runciman, son of Mr. Wm. B. Runciman and the late Mrs. Runciman, of Brockville.

Miss Helen Campbell, of Ormond, was bridesmaid, and Mr. Donald Hynes, of Brockville, was the bridegroom's attendant.

The bride was wearing a marine blue gabardine suit, with navy blue accessories and a corsage of pink roses and maiden hair fern, while the bridesmaid was attired in a grey gabardine suit with navy accessories and wore a corsage of yellow roses and maiden hair fern.

Following the ceremony, a reception was held at the home of the bride's parents, which was attended by 30 guests.

The rooms were suitably decorated with pink and white streamers, wedding bells and early Autumn blooms. The bride's table was adorned by gladioli in pastel shades, lit by pink tapers and centred with a three-tiered wedding cake.

The guests were received by the bride's mother, who was wearing a navy figured crepe dress and matching accessories and a corsage of pink and white carnations. She was assisted by Mrs. Allen Morden, of Napanee, sister of the groom, who wore a grey gabardine suit and navy accessories and wore a corsage of pink and white carnations.

A dainty luncheon was served during which a toast to the bride was made by the best man, with the groom responding.

Later Mr. and Mrs. Runciman left on a wedding trip to Napanee and other western points, the bride travelling in a grey topcoat, navy hat and accessories.

Among the out-of-town guests were: Mr. and Mrs. D. Runciman and Patsy Goodyear, Montreal; Mr. W. B. Runciman, Mr. and Mrs. Thos. Lind, Mr. Snady Runciman, Miss Marie Warren, all of Brockville; Mr. and Mrs. Allan Morden, Napanee; Mrs. R. M. Carkner, and Mrs. P. A. McPherson, of Kenmore; Mrs. D. Campbell, Mr. Ormond Carkner, Mrs. Lorne Carkner, Mr. and Mrs. C. Waddell, Mr. and Mrs. A. K. McDonald and Mr. Jim McDonald, and Miss Donalda McLaren, all of Ormond; Mrs. D. P. Ferguson, of Vernon, and Mr. K. Carkner, of Winchester.

The bride is a graduate of the Nursing School of the Brockville General Hospital, and the groom is employed as an operator with the Hydro Electric Power Commission of Ontario.

BAPTIST CHURCH OBSERVES ANNIVERSARY

Anniversary Services were observed in the local Baptist Church on Sunday last, with Rev. R. F. Willson, of Oshawa, a former pastor, as guest preacher. Rev. B. Richardson, the present pastor, occupied Mr. Willson's pulpit at Oshawa. Special music was rendered by the choir, under the direction of Mrs. Percy Cummings, and three numbers were rendered by the Winchester Male Quartette.

Congregations of the United Church and St. Paul's Presbyterian Church joined with the Baptists at the evening service in observance of the anniversary.

WOMEN'S INSTITUTE MEETING

The September meeting of the local Women's Institute was held in the town hall on Tuesday evening, with Mrs. Geo. Wilson presiding, and Mrs. H. Gibson as secretary.

There was a good attendance of members, who answered the roll call by naming one thing that the British Empire meant to them. The minutes were adopted as read, routine business items were dealt with, and a numbr of letters read from the recipients of overseas parcels.

It was decided to ask Miss Florence Fennell to give a demonstration on Nutritions and Oven-Cooked Meals some evening in the near future.

It was also decided to apply for the Government Grant to be used for some educational project.

The Institute agreed to accept the offer of the Proctor & Gamble Company to canvass for soap box tops, and to advertise the campaign in the Press. When the box tops are returned to the above Company, a liberal remuneration will be made to the Institute.

The program was convened by Mrs. G. A. McIntosh. The theme was Education, and a timely address on the subject: "The Advantages of Establishing Larger High School Areas," was given by Mr. W. J. Stewart, Public School Inspector for Dundas County. He was introduced by Miss Mary Empey. During his talk, Mr. Stewart presented many interesting and constructive points in favour of larger high school areas. He was thanked on behalf of the Institute by Mrs. G. A. Suffel.

A contest on Geography was conducted by Mrs. K. Carlyle, while a short skit was presented under the direction of Mrs. Geo. McIntosh. The cast included Mrs. McIntosh, Mrs. J. Moffat, Mrs. H. Fetterly, Mrs. Geo. McConnell, Miss Mary Empey, and Miss Annie Walker.

The vote of thanks to Mrs. McIntosh and her committee and all others who had contributed to the evening's entertainment was moved by Mrs. C. S. Price.

Members of the program committee were: Mrs. G. A. McIntosh, convener; Mrs. K. Carlyle, Mrs. B. Potter, Miss Ida Knowland and Miss Muriel Armstrong.

The meeting closed with the National Anthem.

Local 100 Club Resumes Meetings

After a suspension of meetings during the summer months, the local 100 Club resumed activities last Friday evening by holding a Luncheon-Meeting at the Golden Pheasant Dining Hall. Centurian Robert Woods presided and there was an attendance of about 45 members.

Community singing was led by Centurian Chester Timmins, while Centurians Ran. Wylie and F. Erle Helmer conducted a prize boost on behalf of Centurians Harry Keyes and Chester Timmins. The prize winners were Centurians Ken. Ault and Albert Turner.

Three new members were introduced to the Club as follows: Dr. Stirling S. Dawley, by Centurian W. J. Stewart; Centurian Don. Christie, by Centurian Gerald Helmer; Centurian Gilbert Raistrick by Centurian W. F. Workman. The new members were welcomed to the Club membership by the President.

During the reading of the minutes, the secretary, Centurian Albert Turner, gave a report on the Race Meet and Sports Day, held recently. Total receipts were $1509.97. Expenses, including Race Purses and the payment of $125.00 towards the new Ontasio Hospital Tax, amounted to $1035.32, leaving a net profit for the day of $474.65.

It was deicded to hold "Ladies' Night" at the next Luncheon, on October 21st.

The president reported for the Piano Committee and said they expected to have a piano purchased in time for the meeting.

The Club decided to sponsor a "Monster Bingo," to be held at the Winchester Arena within the next two weeks. Arrangements for this event were left in the hands of the Special Events Committee, headed by Centurian Robert Robinson.

The president read a letter he received from the local Chamber of Commerce executive. The letter stated that the local Chamber was more or less dormant, and that there was a great need for such an organization in every community. It suggested that the 100 Club take some action to re-organize the Chamber of Commerce from within its ranks, or take whatever other steps were necessary to keep it active.

The following committee was appointed to look into the matter and report back to the Club at its next regular meeting: Centurians Ken. Ault, W. J. L. Boyd, Robt. Woods, W. F. Workman, W. A. Rowat, Earl Freeland, Hart Melvin, W. C. MacDonald, Arnold Dukelow and George Elliott.

Centurian Hart Melvin, Chairman of the Park Committee, reported that the southern portion of the Park Grounds had been rented to Mr. Don. Edgerton at a rental of $25.00 for the purpose of planting fall wheat. When the crop is harvested, Mr. Edgerton agreed to have the grounds worked up and seeded.

The secretary was instructed to write a letter of good cheer to Centurian Nelson Dixon, who was a patient at the Soldiers' Ward in the Ottawa Civic Hospital, with an eye condition.

The guest speaker for the evening was Dr. Howard Justus, of Chesterville. He was introduced by Centurian W. J. L. Boyd.

After complimenting the 100 Club on the good work it was doing for the community, Dr. Justus gave the Centurians an interesting talk on his impressions of Chicago, which he said was truly a windy city. He outlined its tremendous growth from a small hamlet to the second largest city in the United States. It is a great indusrial centre, said the speaker, and due to the smoke that is emitted from the hundreds of smoke-stacks in the city, one very seldom sees the sun shine. He told some interesting facts about the Chicago Medical Centre, which is one of the greatest in the world.

A number of spicy stories were told to bring out certain points during the address, and these added humor to the speakers' remarks.

The appreciation of the 100 Club to Dr. Justus for his interesting address, after which the meeting closed with the National Anthem.

Winchester H. S. Cadets Win Strathcona Trophy

The Strathcona Trust Challenge Trophy is awarded annually to the Cadet Corps that is judged to have the best display of Physical Training at the annual Cadet Inspections. It is open for competition to all Cadet Corps in the Eastern Ontario area. Last May the W. H. S. Cadet Corps won this trophy for the first time. The Corps and Instructors deserve a great deal of credit and praise for what they have accomplished. Some forty-four schools were competing for this trophy.

At the Cadet Inspection last May, W. H. S. Cadets were rated second among corps of 60 to 149 cadets. Ashbury College, Ottawa, a school that specializes in cadets, won over the local cadets.

W. H. S. has a right to be proud of its Cadet Corps, and it is hoped that the Corps may bring further honours to their school at the Cadet Inspecions next spring.

Former Citizen Donates $620 To Memorial Hospital

A few weeks ago Mr. and Mrs. Joseph Ross, of Brantford, were callers in Winchester and while here decided they would like to inspect the new District Memorial Hospital. It was late in the evening when they arrived at the hospital, but Miss Wilson, the Hospital Superintendent, obliged the couple by taking them on a tour of the building.

Mr. and Mrs. Ross were both impressed with the hospital and made some very complimentary remarks about it. They intimated that they would like to make a donation to the institution and enquired about furnishing a room. As all rooms at the hospital have been furnished by private funds, Miss Wilson suggested that they might be interested in making a donation towards some piece or pieces of equipment which could be used for the benefit of the patients. They agreed and asked Miss Wilson to let them have a list of the articles required.

Miss Wilson submitted a list of these articles, and a few days ago she received a cheque from Mr. and Mrs. Ross for $619.75, for the purchase of certain pieces of equipment they had selected from the list.

Mrs. Ross was the former Miss Margaret Drake. Her mother was the former Miss Hattie Thompson, daughter of the late Mr. and Mrs. Myles Thompson and sister of Mr. David Thompson, of town.

The equipment selected by Mr. and Mrs. Ross is to be installed in memory of Mrs. Ross' mother, "Hattie Thompson Drake."

Miss Wilson says: "We feel deeply indebted to Mr. and Mrs. Ross for such a substantial gift—one that will be the means of providing equipment that will benefit every patient in the hospital.

The appreciation and thanks of the Board of Directors, Nursing and Medical Staffs is extended to Mr. and Mrs. Ross in all sincerity."

WRESTLING PROGRAM HELD AT LOCAL ARENA

The Winchester Arena was the scene of an interesting program of Wrestling on Tuesday evening when six grapplers from Ottawa and Hull took part in three bouts.

In the first preliminary, Dan David, 214 lbs., won the decision over Big Bill Gardner, 248 lbs. The bout was 2 out of 3 falls with one hour time limit.

Rolland Vendette, 205, was given a decision over Marcel Madore, 201, in the second preliminary. Madore scored the first fall in 15 minutes; Vendette took the second in 12 minutes, and was awarded the third in 7 minutes when Madore was ruled out for breaking the rules and ignoring the referee's rules.

The main bout saw Carl Van Wurden, 210 lbs., Canadian and British Empire Light-Heavyweight Wrestling Champion for several years and former World Light-Heavyweight Champion, gain a decision over Ernie Franklin, 217 lbs., former Heavyweight Champion of the Canadian Navy. Franklin floored Van Wurden in the first round after 12 minutes grappling, but Van Wurden took his opponent out in the next two falls which were registered in 10 and 8 minutes.

The referee was Conrad Fauvel, of Hull, and the sponsor of the program was Mel. Vendette.

Another Wrestling Card is scheduled for the Arena on Saturday evening, October 1st. Watch for posters and advt. in next week's Press for further particulars.

NEW BUYER FOR DEBENTURES

The new plan for financing municipalities does not "give away" any money. As announced by Premier Frost, the plan calls for the province to lend money to municipalities at the same interest rate which the province pays for its borrowed money. The municipality does not change its method of issuing debentures, and these issues still must be approved by the Ontario Municipal Board. But the debentures do not have to be sold through a broker. They may be sold to the new provincial company.

The financing plan will be a boon to most small municipalities. The credit of the entire province will be behind the municipal borrowing. Weaker municipalities and those which are not well known will be able to borrow at much lower interest rates.

Premier Frost points out that preference will be given to projects for improving sewage disposal, waterworks, and garbage disposal. Such projects certainly should be in the front line of desirable works.

The new plan is not an argument for hustling into public works. The president of the Ontario Municipal Association suggested recently that a municipality should budget its public works over a period of say five years. We do not agree with this, except when the works are most urgent. We still favor the blue- printing of public works and keeping the blueprints shelved until times of unemployment. This saves cost and provides employment when it is needed most.

The Frost plan is an excellent step in the right direction. We have no serious criticism of the plan in theory. In practice a greater duty is thrown on the Municipal Board. The Board must not allow municipalities to spend beyond their means. There will be a tendency to do this, since the penalty of high interest is removed. The directors of the new company should have some discretion, too, to refuse issues of wanton municipalities. Trouble threatens when governments interfere with free markets. When the price of money is controlled, the demand must also be controlled.

THE SOIL CAN YIELD MORE

Some startling statistics were revealed at the recent conference of the Plant Food Producers by Dr. Russell Coleman, president of the National Fertilizer Association in the U. S.

Describing conditions in his own country, Dr. Coleman said that in its early history 19 farm people were necessary to produce sufficient food for themselves and one additional person. Today—19 farm people are supporting themselves and 66 others. In 1850 about 65 per cent. of the entire labor force in the country worked on farms while 35 per cent. was engaged in industry. Today only 12 per cent. are farmers. Of these, one-third are producing 80 per cent. of the nation's farm commodities.

This means that four per cent. of America's population, using modern equipment and scientific soil management practices, are producing almost the entire bulk of the U. S. food supply.

Dr. Coleman offered an example of what sound soil management may accomplish. In the U. S., he said, corn is grown on 90 million acres which yield an average of three billion bushels. If the best known soil management practices were employed, three billion bushels of corn can be produced on 50 million acres. This would leave 40 million acres for soil-conserving crops such as alfalfa, clover and hay. Thus used, 40 million acres of land would no longer be a liability to the American soil conservation program but would be under cover and held in reserve to meet the needs of an expanding population.

Canadian agriculturalists can certainly afford to give some serious thought to the matter of soil management. Soil is unquestionably our greatest natural resource, yet in many sections of the country it is being "mined." Wind and water erosion take a devastating toll every year. Provincial and federal governments are doing much to solve the problem but they can't do it by themselves. The time has come for every farmer in Canada to launch his own soil conservation program.

EDITORIAL NOTES

With cold weather coming, citizens are reminded to check their stove and furnace pipes, also their chimney flues, before putting their heating equipment into action. A little precaution in this regard may be the means of avoiding a fire, or the destruction of your home.

Protect your merchants. All you have to do is confine your business to this community. Many citizens make trips into the city to save 50 cents on an article and in turn spend much more than that for meals there. Next time you think of buying in the city, give your local merchant a thought. He is relying on your support.

"The Scottish Highlander, by his music and song, his picturesque appearance and dress, his tradition and his martial, loyal and romantic history, has added so much poetry and color to the story of Europe, possibly the world, that he would have made even the dullest flattest plain face famous if he had lived in it."—Moray McLaren.

At the present time Winchester is well supplied with amusement centres—a first-class Theatre, Pool-room, Skating and Curling Rinks, Tennis Courts, Ball Park, and a modern Bowling Centre soon to open. We also have splendid schools and churches, and a hospital. Probably the village's most urgent need at the present time is another medium-sized industry, also a community hall.

Another sign that we are getting back to pre-war times is the fact that we are once more being flooded with circulars from companies and individuals desiring to make us millionaires through the purchase of Gold and various other stocks. People receiving these letters would do well to investigate their source and learn what possibilities their investments would have before purchasing stock.

THE UNION JACK

Whether or not families wish to invest in the present Canadian flag which may soon be discarded is their own concern—but they can have no qualms about buying a Union Jack. Its pattern is not likely to be changed. If the boys and girls in the family are old enough for a Family Council, why not discuss getting a Union Jack, the different popular sizes and prices. A child is much more likely to be interested in a flag when there is one which is displayed outside the home on special days.

Every Canadian child should know that the Union Jack is the symbol of the British Empire. It is really three flags, and a child who likes to crayon or paint, might like to draw and colour the three crosses. St. George's Cross, the red right-angle cross on a white background, was adopted by Richard I after his fleet's victory over the Saracens on the Third Crusade in the twelfth century. Under Edward I in 1274 it was used as a national English standard. The white diagonal cross on a blue background, according to legend, originated in the 10th century when the Scots were battling the West Saxons and prayed for aid to God, and on the background of the blue sky appeared St. Andrew's Cross formed by white clouds. Encouraged by this, the Scots won a victory. The red diagonal cross of St. Patrick on a white background represents the banner of the Saint who carried Christianity to the Emerald Isle. The present Union Jack's design dates back to 1801.

The correct position of the Union Jack is judged by the white bands on either side of the red diagonal cross. The broader of the two bands should be towards the top of the flag on the side nearest the flag pole, and towards the bottom of the flag in the loose lower right-hand corner. This is one of the first things a youngster should learn about the Union Jack—to fly it upside down is a signal of distress.

There are a number of regulations regarding the honouring of the flag. It should not be raised before sunrise or flown after sunset. During stormy weather it is not to be flown. The flag should never be allowed to touch the ground. It should not be used as a cover for a table, box or desk and nothing should be placed on it. When used indoors it should never be placed below a person sitting. Two flags should never be flown from the same flag staff—each national flag must be flown from its own flag-staff.

The ideas underlying these rules are that the flag is something to be treasured and honoured—also it is to be seen. Disregard for these widely accepted rules shows ignorance or carelessness, with a symbol which should not be used by anyone without care and respect.

"Haul down the flag—the evening shadows falls—
And reverently we'll hoist it in the morn.
The flag of flags we honor most of all
Is that beneath which we were born."

RIGHT OF WAY

(Cincinnati Enquirer)

Most of us drive some of the time, but all of us are pedestrians more of the time than we are automobile drivers. Pedestrians often have the right of way under the law, but it doesn't do much good to have the law on our side if you wind up dead or with a broken leg.

RADIO LICENSE BOOST

(Brockville Recorder & Times)

As for the CBC's high-handed request for doubling radio fees, we hope it is given the cold shoulder, and that the public rises up in its wrath against this unwarranted increase. The CBC is becoming an all-encroaching monster, and no one knows where and when it will cease biting the taxpayers of this country.

THE WEDDING CAVALCADES

(Huntingdon (Que.) Gleaner)

It is rather strange to us that some people seem to think a wedding is an opportunity and an excuse to break the law. To use cars to transport the passengers to and from a wedding is quite all right. But to use cars to put on such demonstrations and in complete disregard for the law and the safety of persons, is a punishable offence.

DON'T TAKE GIRLS

(Brockville Recorder & Times)

May we cautiton against including females in a party of frog-hunters. They invariably seem to stumble over every water snake in the area, fill th air with shrieks of terror at the crucial moment of "snatching" and generally raise such a hue and cry thtat the male hunter is very nearly driven to the point of madness. Too, they will complain bitterly about the mosquitoes, even though they have been bitten no more than three or four hundred times.

NOTHING AT ALL

(Petrolia Advertiser-Topic)

What's the matter with Canadians buying more of their out-of-country needs from Great Britain? The latter's exports to North America in July showed an increase on the rest of the year. Shipments to the U. S. amounted to $15.2 million or 15 per cent. above the average for the second quarter of the year, while exports to Canada at approximately $26.74 million were also above the second quarter. Britain's imports from Canada and the U. S. A. during the month were valued at $89.5 and $82 million respectively.

DIRTY RESTAURANTS

(Kingston Whig-Standard)

We recently conducted a survey of eighteen restaurants in the city, and although the majority of them were found to be well conducted, five of the establishments visited were breaking one or more of the regulations.

Oepn garbage cans kept in the vicinity of food, food stored in unsanitary places, a cat sitting on a table where food was being prepared, inadequate toilet facilities, and lack of protection against flies, were but a few of the violations noted.

Health authorities should see to it that such unsanitary conditions are corrected immediately, and if the establishments involved refuse to obey the regulations, they should be ordered to close.

THE NEW K. C.'s

(Toronto Telegram)

Attorney-General Dana Porter's announcement of the elevation of 21 barristers to the rank of King's Counsel reduces to digestible proportions a title which, after the orgy of last December when 134 were appointed, was in danger of losing its savor in the bulk. The prevailing numbers of K.C.'s, however, still leave room for refinement if the title is exclusively to mean that the bearer is a distinguished member of the bar and not a devoted party worker.

The present appointment of a Liberal member of the Ontario legislature and the comparatively small number of new K.C.'s, indicate that the government, while departing from a narrow measurement of qualifications, proposes to be conservative in its appointments.

IN MEMORIAM

IN MEMORIAM—In loving memory of our mother, Mrs. Lillian Shaver, who passed away on September 26th, 1947.
Sweet memories will linger forever
Time cannot change them, it's true,
Years that may come cannot sever
Our loving remembrance of you.
19p —Mae and Howard.

IN MEMORIAM—In loving memory of my beloved brother, Andrew John Derby, who departed this life on September 16th, 1947.
I have only your memory, dear brother,
To remember my whole life through,
But the sweetness will linger forever,
As I treasure the thought of you.
19p —Barton.

IN MEMORIAM—In loving memory of Peter W. McLaren, who passed away September 21st, 1938.
We cannot bring the old days back,
Your hands we cannot touch,
But we treasure happy memories
Of the one we loved so much.
There's still an ache in our hearts to-day,
That countless years can't take away;
A place in our hearts that nothing can fill,
We miss you, Dear Dad, and always will.
—Daughter, Margaret, and family. 19p

IN MEMORIAM—In loving memory of our dear daughter and sister, Mrs. Gilbert Acres (Mary), who passed away September 24th, 1948.
Lonesome here without you, Mary,
And sad the weary way,
For life is not the same to us
Since you were called away.
Lonesome here without you,
There is such a vacant space,
We will never hear your footsteps
Or see your smiling face.
Often our minds do wander
To that grave not far away,
For in Kars' grave we laid you
One year ago today.
—Ever remembered by Mother, Dad, Harry and Hazel. 19p

WILCOX-HENDERSON REUNION

The 28th annual reunion of the Wilcox-Henderson Clan was held recently at the home of Mr. and Mrs. Kenneth Hutt, Winchester. Many relatives and friends gathered to meet and greet those who came from a distance, who had not met for some years. They had come from Coronado, Calif.; Sutland, Vt.; Bridgeport, Conn.; Carthage, Gouverneur, Canton, Syracuse, Buffalo, Watertown, North Lawrence and Black River, N. Y. Canadian friends were there from Cornwall, Cardinal, Brockville, Ottawa, Smiths Falls, Winchester Springs and Winchester.

At noon hour a long table was spread to a record crowd of 80 people, with food of great variety. One item was a 25-lb. turkey, roasted and sent by Mrs. Ada Kilpatrick, of Stratford, Conn., one of the members unable to be present.

Mrs. Hutt's father, Mr. Wm. Henderson, who is past his 93rd birthday, enjoyed the gathering, telling his jokes and past events. Another guest who deserves special mention was Mrs. Muchaset from Coronado, Calif., who, though past 80 and partly blind, boarded an Eastern Air Liner and flew to La Guardia Airfield to attend the meeting of the clan. She is a niece of Mr. Henderson.

At 3 o'clock the business meeting was transacted and officers elected for another year. Next year the re-union will take place at the farm of Mr. and Mrs. Raymond Jackson, Grandview Heights.

Mr. and Mrs. Arnold Barbin showed moving pictures of some of the previous reunions. A hearty vote of thanks was extended to Mr. and Mrs. Hutt for their hospitality.

SHOWER HELD IN THE ORMOND DISTRICT

Miss Marion Carkner, Reg. N., was the guest of honour at a beautifully arranged miscellaneous shower, held at the home of Mrs. J. D. D. McDonald on Monday, Sept. 12th. The bride was escorted to the seat of honour, which was artistically decorated with pink and white bells, streamers and bows.

To the accompaniment of Lohengrin's "Wedding March," a beautifully decorated wagon was drawn in by little Marianna McVey and John McDonald. The little couple were charming, Marianna in her floor-length pink taffeta, and John in a sailor suit. The wagon was stacked with many lovely and useful gifts.

An appropriate address was read by Miss Helen Campbell, and the lovely decorated, bell-shaped bride's book was presented to Miss Carkner. The bride-to-be replied, thanking all for the lovely gifts, and the ladies present sang: "Blest Be The Tie That Binds."

Marion then opened the gifts and passed them around for all to see. About fifty guests registered in the bride's book. A delightful lunch was then served. The hostesses for the occasion were Miss Hazel McDonald, Mrs. Dan McDonald, Mrs. A. K. McDonald and Mrs. Lillie Campbell.

ANNIVERSARY SERVICES AT INKERMAN UNITED CHURCH

The United Church at Inkerman held their Anniversary Services on Sunday last with a splendid attendance of members and friends. Rev. N. T. Holmes, of Hallville and Reid's Mills, was the guest speaker at both services. In the morning he took for his sermon "Look Up," stressing the need for the outward reach and strength to reach higher heights to be of service to God and our fellow travellers. The choir, under the leadership of Mr. George Suffel, rendered two selections: "A Song of Praise" by Holton, and "A Hymn of Praise" by London, with Mr. Russell Suffel at the piano.

In the evening, the worshippers from the Wesleyan Church joined in worship, and Rev. C. R. Sutherland, pastor of the Inkerman and Vancamp charge, was in charge of the service, assisted by Rev. W. Mack, and Rev. N. T. Holmes was the guest speaker. He chose "The Steadfast Church" as his subject, and again a splendid challenge was thrown out for service in the Kingdom. A double quartette from Mountain, with Mrs. Andrew Logan at the piano, rendered three selections, which were greatly appreciated and enjoyed.

On Monday evening about 250 gathered to partake of a splendid chicken supper, supplied by the ladies of the congregation, convened by Mrs. Ray Brown.

A splendid program followed, with vocal selections from Mr. Melvin Christie with guitar accompaniment, and again the double quartette rendered several selections. Rev. Mr. Holmes brought greetings from his charge, and Rev. Mr. Ferguson, of Kemptville, was the guest speaker. His topic was: "Believing in People." He called to mind many instances in his own life where he had been helped by his knowledge of people believing in him and challenged his hearers to show their belief in others, especialy the youth, and in that way encourage them to have higher ideals and faith in things that last, rather than be discouraged and become failures.

Mr. Fred Hutt, on behalf of those present, expressed thanks to all who had in any way helped to make the anniversary such a success both mentally, spiritually and financially, and to those who had donated flowers to add to the beauty of the occasion.

INKERMAN W. M. S.

The Inkerman Auxiliary of the Women's Missionary Society of the United Church met on Tuesday last at the home of Mrs. Earl Bailey, with a record attendance of members and visitors.

The president, Mrs. Russell Crowder, conducted the worship service, assisted by Mrs. D. Timmins and Mrs. Sutherland. Mrs. Earl Bailey had charge of the program and introduced the new Study Book, "Growing with the Years," a book marking the first quarter century of the work and witness of the United Church. Those assisting Mrs. Bailey were Mesdames Wallace Crowder, Ray Brown and Russell Crowder.

During the business period which followed, reports were heard from the various departments, and the Supply secretary asked that donations be sent in for the bale. It was decided to hold a special Thank-Offering Service and invite our sectional president, Mrs. W. Johansen, to be our guest speaker. After bringing the meeting to a close with the Benediction, a social hour was enjoyed.

During the social hour an address and presentation of a chesterfield table and reading lamp was made to Mrs. Roy Bailey, who is soon leaving to take up residence in Prescott. Although taken completely by surprise, Mrs. Bailey thanked the ladies for the lovely gifts and expressed her regret at leaving her friends of Inkerman. Delicious home-made candy was served by the hostess and her committee.

Following is the address:

Dear Millie:—On learning of your decision to move from our community, we, the members of the Women's Auxiliary, and some of your friends and neighbours, felt we could not let you go without expressing to you our deep regret.

We appreciate the many services you have rendered during the time you have lived in Inkerman. You have always been willing to carry your share of responsibility when called upon, and the door of your home has been opened to us on many occasions for sewing, quilting and meeting of committees.

We realize the responsibility of bringing up your family has been heavy at times, due to your husband being called away from home to work, but we have reason to be proud of them, as they have grown up and have taken their place in the work of the church and community.

As you make your home in a new community and make new friends, our best wishes go with you, and our prayer is that you may find a place there to be of service as you have here, and may God guide you always.

We would ask you to accept these gifts, and as you use them may they remind you of your many friends in Inkerman.

Signed on behalf of your friends—Olive Brown, Geraldine Suffel, and Glenna Crowder.

IN THE PAST four years we added more than half a million telephones and installed new equipment in every exchange in Ontario and Quebec. At the same time we were able to make substantial improvements in service. But it took a lot of money, over two hundred million dollars!

There remains much to be done! Many applicants are still waiting for telephone service, and many more subscribers' present service is not adequate to their needs. We intend to meet their wishes, and to continue making the service clearer, faster, better in every way.

This will take more millions for new equipment and buildings. As in the past, this money must come from the savings of thousands of Canadians who are willing to invest in the telephone business.

SHOWER FOR BRIDE-ELECT

On Tuesday evening, August 30th, the home of Mr. and Mrs. Dave Kerr, of Mountain, was the scene of a very pleasant social gathering, when seventy guests assembled to honour Miss Betty Kerr, whose marriage to Mr. Norman James, of Pembroke, took place on Sept. 10th. Music and dancing were enjoyed during the first part of the evening. At 10.30 Betty was called to the fore, presented with a lovely bouquet of gladioli by little Miss Sharon Bryan, then seated on a decorated throne chair, to receive gifts drawn in by Master David Bryan and Miss Carol Bryan. The following address was read by Miss Roberta Cumming:

Dear Betty—It is with a great deal of pleasure that we have assembled here this evening in your honour to bring you our very best wishes for your future happiness. Betty, as you have grown up amongst us, with your happy disposition, we feel that you have what it takes to make a happy home.

We ask you to accept these gifts, as tokens of our esteem, with the hope that you will find them useful in your new home. And may God richly bless you both.

Signed on behalf of your friends and neighbours.

Many beautiful and useful gifts were presented, and Betty thanked everyone in a few well chosen words, and all joined in singing: "For She's a Jolly Good Fellow"

Besides the many friends and relatives of Mountain, the following were present from Ottawa: Mr. and Mrs. J. H. Young, the Misses Mary and Janet Young, Mrs. Gordon Peterkin, Mr. and Mrs. Al. Carr, Mrs. Ella Hoy and Miss Martha Kerr.

Delicious refreshments were served by the hostess and her assistants.

Remember Miss Georgie Earl, for several years senior clerk in the Challies Book Store here. Well, she's doing alright up in Stoney Creek, a progressive Northern Ontario town. She operates her own gift shop known as "Earlscourt," and it does a thriving business. In addition to looking after her business, Miss Earl writes occasionally for the Stoney Creek News, and the other day the following item appeared under her signature:

"Superstitious? Would you start a new business on a Friday the thirteenth? "Earlscourt" Gift Shop opened its doors one year ago on Friday, August the thirteenth. The date was not chosen deliberately, it just happened that way.

We believe one day is as good as another for opening a new business in a prosperous and expanding community such as this.

We aim to serve the gift needs of those who live here and of those who are coming.

The motto of "Earlscourt" is "Gifts for Enjoyment." It is a motto with a threefold meaning. Enjoyment in the choosing of gifts—enjoyment in the receiving and using of the gifts—enjoyment for me in selling the gifts.

Earlscourt carries a wide variety of carefully chosen gifts of good quality and craftsmanship.

When you come in to have a "Look-See" you will notice that many of the prices are lower than those prevalent in larger centres.

We make a specialty of the "Look-See" method of shopping. Come in, have a good look and see everything. I appreciate my nice things and enjoy showing them. Then when you need a gift for someone (or yourself) you will know where to get it.

There is enjoyment in shopping at Earlscourt. Have you been?"

Miss Earl is a sister of Mrs. Arthur Christie and Mrs. Percy Durant, of town.

ST. PAUL'S W. M. S.

St. Paul's W. M. S. met on Tuesday evening, September 13th at the home of Mrs. George Wilson, and opened with the call to worship by the president. The Apostle's Creed was repeated in unison. A paper, "Lest We Forget," by the president, had many helpful suggestions. The minutes of the last meeting were read by the secretary. Departmental reports were given by the secretaries and the financial report by Mrs. Wm. Watson. Miss M. Empey read the correspondence, and roll call was responded to by a verse of Scripture containing the word "Harvest." Several matters of business were disposed of.

The committee in charge of the program was Mrs. R. D. Ledgerwood, Mrs. G. Wilson and Mrs. A. G. Suffel. Mrs. Ledgerwood gave an interesting discourse from the Study Book, "Enter China," telling of the work of our missionaries in different parts of China. Mrs. Wilson gave up-to-the-minute news of mission work, also an account of the Presbytery meeting of September. The president read a short description of "What Missionaries have done." After singing a hymn, the meeting closed with the Lord's Prayer in unison.

FOOT COMFORT

Good shoes and proper care of the feet are most important for health and comfort. Feet should be washed or given a brisk rub in cold water daily. Socks should be washed frequently to keep them soft. A change of socks after work is refreshing, and a change of both shoes and socks is imperative if the feet are wet.

THE SUNSHINE VITAMIN

An adequate amount of vitamin D in a child's diet is necessary to prevent rickets and to build strong, healthy bones and teeth. Vitamin D is not found in sufficient quantities in regular diet, nor can enough of it be absorbed from the sun. Every child needs extra vitamin D in the form of liquids, capsules or other preparations throughout the growing years.
