100 Club Carnival To Be Held At Arena On Friday, Feb. 19th

Better get those old costumes out of the moth balls and be thinking of some new ideas, because it's just about time for the 100 Club's Anaual Masquerade Carnival and Night of Fun. That's the word from the 100 Club's committee in charge, which announced this week that the gala shin-dig would he held on Friday evening, February 19th, in the newly decorated Winchester Arena. And according to the almanac, the weather should be just about perfect for everyone from Winchester and district to get in the mood and turn out for a really good Night of Fun.

Arrangements are almost complete now, and a quick rundown of the attractive posters which will be put up this week shows that the lively program should produce a full dose of colour and excitement right from the start, which is slated for eight o'clock. Students of Winchester High School will play an important role in the night's proceedings, as they are scheduled to present a unique skating drill, clown act and an old-time parade, which, according to reports, should really tickle everyone's fancy.

Another highlight will be an all-girls' hockey game between the W. H. S. gals and the gang from Morrisburg High School. In the way of figure skating, Winchester's artist of the silver blades, Bob Keyes, will perform in several numbers.

All of this, of course, is in addition to the numerous Carnival events and boys' and girls' races, which should give the night the necessary colour for such an affair. Valuable first and second prizes will be awarded in each event, and the judges are anticipating a record turnout of costumed bedecked people from 6 to 60. Among the Carnival events there will be: Best child's costume, 10 years and under; Best girl's costume, under 16 years; Best boy's costume, under 16 years; Best gents' costume, Best ladies' costume, and best comic costume. The list of race events looks like this: Boys, under 12 years; Boys under 14 years; Boys 14 and under 16 years; Gents' race, open; Girls under 14 years; Girls, 14 and under 18 years; Ladies' race, open; Boys' obstacle race, open.

Skaters in costume will be admitted to the rink free, but even if you aren't "dressed up," the admission is a mere 35 cents for adults and 25 cents for children, 12 years and under.

Besides having a really enjoyable time, and letting your hair down for an hour or two, there's one other fine aspect about the 100 Club's "Night of Fun"—the proceeds are in aid of the Club's very worthy Hospital Fund.

So get out the old Clown Suit, and we'll see you there!

JUNIORS PLAY OVERTIME DEADLOCK WITH MORRISBURG

Morrisburg Juniors served notice last Friday night that they will be a hard team to beat out in the semi-final round of the St. Lawrence Junior Hockey League. That best-of-three series opened up last night in Winchester between the River Town crew and the locals, and judging by last Friday's 5-5 performance between the two clubs, it should be quite a battle.

Lloyd Bailey, returning to his regular spot on right wing with Don. Duncan and Clint Coleman, was good enough for two goals. Don. Duncan also picked up a pair, with Earl Bleeks counting once.

Jarvis and Wells scored a brace each for Morrisburg, with Foss picking up the overtime marker. Winchester led at the end of the first twenty 3-2, after taking an early 3-0 lead. The score was knotted at 4-4 at the end of regulation time, with each team scoring one in the extra minutes' frame.

Eight penalties were handed out in the cleanly played, fast skating game.

Referees: Ron. Workman, Winchester; Dick Hutt, Morrisburg.

WINCHESTER RUNS OVER IROQUOIS 12-4

An uninspired game of hockey saw Winchester Juniors trim Iroquois here last Wednesday night 12-4. It was a clean sweep for the locals over their inferior opponents in four league games played this year.

Don. Duncan was the hat-trick playmaker for Winchester, with pairs going to Hugh Balkwill and Clint. Coleman. Ken. Fitzsimmons, Bob Dawson, Gord. Kerr and Bill Sherwood all blinked the red light once, as did Lloyd Bailey, who dropped in for a few rounds, after being on the sick list for the past two and a half weeks.

Bill Thompson led the losers with a brace. Singletons were scored by Steele and Holmes.

Referees: Ron. Workman, Winchester, and D. Ellis, Iroquois.

Ayrshire Breeders Hold Barn Meeting

A large group of interested farmers gathered for the Grenville-Dundas Ayrshire Breeders' Club Barn Meeting, at Mr. P. H. Seguin's farm, Oxford Mills, on the afternoon of Wednesday, February 3rd. All were impressed with the fine stabling facilities which included a recently remodelled part of his barn. The fine Ayrshire herd contains many animals of good type. Two years ago, under the herd classification plan for type, twenty-one animals had an average score of 84.5%. The herd has been built up on the basis of a few Club calves purchased twelve or thirteen years ago.

Very keen interest was shown in the two judging classes presided over by Roy Simmons, of Finch, and C. C. Tennant, of Kemptville. Through the generosity of several merchants, valuable prizes were awarded. In the men's section there was a three-way tie for first place between Hillais Suddaby, of Kemptville, John Seguin, Chesterville, and Reuben Seguin, Oxford Mills. These contestants received respectively: 100 lbs. of 16% Dairy Ration. donated by United Co-operatives of Ontario, Kemptville; a stable broom, donated by the Merrickville Co-operative Association, and 100 lbs. of 16% Dairy Ration, the donation of Oxford-on-the-Rideau Co-operative, Kemptville. Fourth prize, a shovel, presented by Anderson's Department Store, Kemptville, was won by Robt. Porteous, Winchester. Hilton Buckingham, of Kemptville, in fifth place, received four quarts of motor oil, donated by Wm. Diamond, Oxford Mills. Six quarts of Co-op motor oil, offered by United Co-operatives Farm Machinery Division, was chosen by Robt. Bruce, Spencerville, as sixth prize. Seventh prize, won by Wilbert Miller, was 25 lbs. Swift's Mineral Supplement, donated by Kyle Smiley, Oxford Mills. In the next four places stood Clifford Bell, Brinston; Cliton McDonald, Winchester; Avery Francis, Inkerman, and A. B. Crowder, Mountain. Their prizes were: a bag of Royal Purple Calf Meal, by Jos. Postlethwaite, Oxford Mills; a block of salt, by F. J. Barnard & Sons, Spencerville; 25 lbs. Shur-Gain Calf Meal, donated by Kemptville Egg Grading Station, and 25 lbs. Swift Calf Meal, by Swift & Company.

In the ladies' section the winners were: Mrs. Hillais Suddaby, of Kemptville; Mrs. Hilton Buckingham, Kemptville; Mrs. Phillip Seguin, Oxford Mills; Mrs. Florette Poulin, and Mrs. Geo. Gillespie, of Ventnor. They received prizes as donated by the following: Sweater, Swedlove's General Store, Kemptville; milk pail, Barnes & Sons, of Kemptville; fork, by Kennedy Hardware, Kemptville; one gallon Pulsator Oil, by S. M. Durant, Kemptville; and curry comb and brush by Glover's Store, Oxford Mills.

Fine coloured movies depicting the harvesting of crops for hay and silage were shown by Mr. Bryan Coyne, Manager of Farm Machinery Branch, United Co-operatives, of Kemptville, and Mr. James Featherstone, Toronto, representing the Gehl Harvester Company.

Mr. A. M. Barr, Principal of the Kemptville Agricultural School, spoke briefly on the subject of grass silage.

Mr. John Bruce, President of the Grenville-Dundas Ayrshire Breeders' Club, acted as chairman. Thanks to Mr. Seguin, as host, and to all who assisted in the program, was expressed by Wm. McRoberts, of Winchester.

Door prizes were donated by the following: Kemptville Creameries, 5 lbs. creamery butter; Roy Henderson, Spencerville, 1 quart Prestone; and Irvin Hogan, Spencerville, a pair of mitts. These were won by Dalton Robinson, Winchester; Wm. McRoberts, Winchester, and John Seguin, Chesterville.

Curling Notes

Cass Trophy Finals

While Ottawa Rideaus were coming through with a tough win in the Governor-General's Bonspiel at Ottawa last week, a mixed team, skipped by Ran. Wylie, probably produced just as much excitement at the Winchester Curling Club on Saturday night, as it came from behind in the last end to eke out a 9-7 decision over Charlie Cross' team in the final for the new W. J. Cass Trophy. The Consolation event was won by Howard Fetterly's rink, 12-6, over Walter Moffat's four.

Score by ends in the see-saw contest was as follows:

Wylie Rink 1 1 1 0 0 0 2 0 0 4—9
Cross Rink 0 0 0 1 1 1 0 3 1 0—7

Following the two games, a presentation luncheon was held, presided oved by Club President Howard Fetterly. Among the guests were Mrs. W. J. Cass, widow of the late W. J. Cass, in whose memory the trophy was donated, and Mr. and Mrs. F. M. Cass. Presentation of the trophy was made to the first winner, Ran. Wylie, by Mr. Cass, who also awarded each member of the winning team miniature trophies and club pins. Prizes to the runners-up were presented by Mrs. F. M. Cass, who also presented the consolation awards to Mr. Fetterly and his team members.

Winchester Juniors Enter Play-Offs Against Morrisburg

Winchester Juniors sang a victorious swan song to regular St. Lawrence Junior Hockey League play here on Monday night with an 11-4 victory over Cardinal. The win was a final warm-up for the first-place locals, who tangled with Morrisburg Juniors last night in the first game of a best-of-three semi-final series. The defending Gill Cup holders and league champs will very likely play the second game in Morrisburg on Saturday night, and if a third game is necessary, it will be played here next Monday night.

Monday night the locals went into a 6-1 lead in the first twenty, added a trio in the sandwich session, and scored a pair against Cardinal's two-goal effort in the third period. WELCOME INTRUDER EATS CHURCH MICE

A newcomer to Chesterville Village has solved the housing problem, at least for the time being, by taking up residence in the basement of Trinity United Church.

His presence was discovered recently by Rev. R. A. Mitchell, when he noticed a young barn owl perched on one of the cellar beams.

He will not be evicted, in fact his arrival has been a welcome one, according to the minister, who said the nocturnal prowler has declared war on the church mice.

It is believed the owl flew into the basement through a window left open for the removal of ashes.

Hospital Auxiliary Met On Thursday

A very well attended meeting of the Winchester District Memorial Hospital Auxiliary was held in the Winchester Town Hall on Thursday evening, February 4th. Mrs. R. D. A $10,000-A-YEAR-MAN!

Leo Gauthier, Liberal M.P. for the Nickel Belt riding of Sudbury, was very much "put out" last week when the committee responsible for making arrangements for the official opening of Sudbury's new airport, neglected to include him among the guests and dignitaries, invited to attend the day's functions. He told the committee he was insulted, and during a brief speech he was called up to make, is reported to have said: "Tomorrow I will be a $10,000-a-year-man and $10,000-a-year-men don't get pushed around by $50-a-week pen pushers."

Mr. Gauthier didn't use very good judgement in making that remark. He'll get pushed around more than ever by those so-called "pen-pushers," whether he likes it or not; and he would do well to remember that an M.P.'s salary is set by Parliament, and not paid according to a man's ability to earn it. There are some elected Members of Parliament not worth $10.00 a year, let alone $10,000. Mr. Gauthier evidently judges a man's importance by the salary he is paid. That is a poor yard-stick to go by. There are men in every community making far less than $10,000 a year, who are considered much more important than the local M.P.

NO ICING THANKS!

"Taxpayers everywhere owe a vote of thanks to Ontario Education Minister Dunlop," says The Financial Post. "He has again refused to include any frills in provincial school construction grants."

"In the next 10 years we are going to have to build a lot more schools in Canada and hire a lot more teachers. In most cases, it's going to cost us all that we can afford to have just plain classrooms and plain teaching. Maybe our children will have to be content with learning simply the three R's. If necessary, they will just have to teach themselves how to play and learn their cooking, sewing and carpentry at home."

INFORMATIONAL FILMS

When Pearl White was clinging desperately to a cliff by her finger nails over a pit of alligators, and William S. Hart was wiping out desperadoes in the Wild West with blazing six guns, few people predicted that motion pictures would serve any purpose other than entertainment.

In recent years, however, the motion picture industry has been producing a new type of film which is capturing public attention. While some of these films are produced in Hollywood, most are shot on location—on a farm, in a factory, a country store, a newspaper office, a chemical laboratory or a mine shaft.

These are known as informational films and tell the story of an industry, a business, an organization or a product. And while thousands of dollars are spent annually in Canada in the production of films of this nature, they are usually available to the public without charge.

To the average Canadian farmer such films are a key to a new world. They not only show him how to produce better crops and increased yields through scientific agriculture, but take him back stage in industry where he can see for himself the complexities involved in the manufacture of goods which have contributed much towards a better Canadian standard of living.

Informational films are usually 16 millimeter productions with sound, black and white or color (the trend is towards color), and have a running time of 10 to 30 minutes.

Examples of the free film fare available to rural and urban groups are several informational films depicting the diverse roles or chemistry in farm, home, industry and recreation produced by Canadian Industries Limited. Subjects range from how to produce a better crop of potatoes by proper fertilization and pest control, to the training of hunting dogs.

The Company's 1954 film catalogue is available to anyone who writes C-I-L Motion Picture Section, Box 10, Montreal.

THE NATIONAL FILM BOARD

The Federal Government announced recently that decision to move the National Film Board to Montreal had been final. This was followed by an announcement that the contract to erect the new building would be awarded to the Hardy Construction Company, of Toronto, at a cost of $5,230,000.

Commenting on this action, taken by the government, the Ottawa Citizen comments as follows:

"Does the incident close there? If so, it will be one of the most unsatisfactory performances ever recorded by the present government. At no time has the government explained its decision to move the Board except in the most general terms, nor has it ever dealt point by point with objections, offered in a reasonable and non-contentious spirit, to the proposed transfer.

"It is not enough to be told that plans for the Montreal move had been known for at least two years, and that they were never seriously questioned by any section of the public until last summer. The fact is that even after questions did begin to be raised, the government did not see fit to give complete explanations, though it has been asked to do so repeatedly.

"Still unanswered are such questions as these:

"Can the NFB do the essential research work for its documentary films about Canada as effectively from any centre outside Ottawa as at the national capital?

"Will so much emphasis be placed on studio television films that the Board's films for showing to rural and other theatre audiences will tend to take a secondary place?

"Will the Board's function of interpreting Canada to Canadians be impaired or strengthened as a result of moving its operations away from the national capital?

"Can Board personnel do better work in general at Montreal than in the so-called 'civil service atmosphere' of Ottawa, which city it uses mainly as a base of operations for field expeditions?

"Will the expenses of the move itself, and of maintaining liaison with Ottawa afterward, lead to a costlier operation than if the Board were in adequate buildings here?

"Granted that no government likes to reverse a decision once made, it is far more important for the public that the decision be right beyond any reasonable doubt. The government should delay any irrevocable steps until the whole question has been examined in Parliament."

EDITORIAL NOTES!

The Queen's birthday will be celebrated this year on Monday, May 24th, the same day as Queen Victoria's birthday. Although the present Queen's birthday is actually April 21, the day it is observed is set by government proclamation.

According to figures pust released, taxes paid on motor vehicles sold in Canada amounted to more than the total earnings of all employees of the manufacturers. $162.7 millions, an increase over 1952 of $24.2 millions were paid in taxes, and $16.7 millions more than was paid out to employees in earnings.

Perhaps it is the unsettled feeling of the world today that would suddenly make more than 32,000 persons flock to hear Evangelist Billy Graham for the largest crowd in six years to fill Maple Leaf Gardens in Toronto. While many of these people may be regular church attenders, we have the feeling that the majority must be looking for security of some kind—and have suddenly discovered it in a religious fervor, comments the Brockville Recorder & Times.

Just before he left on a trip around the world in an R.C.A.F. plane, Prime Minister St. Laurent said he believed the people of Canada were unanimous in their aproval of him making such a trip at this time. We can't agree that it was "unanimous," because there are a lot of people in this district (including many Liberals) who feel it is just a grand holiday trip for the P.M. and his party, at the expense of the taxpayers. Only time will tell whether the desired results from such a good-will trip will be achieved.

ada's first color TV sets will arrive on the demonstration floors. The early sets won't be a poor man's gadgets. They will cost $1,500 to $2,000. The TV viewer now has up to eight knobs to twirl to get a good picture, with good sound; on a color set he'll have up to 24.

After receiving a statement from the Bank that their joint account had been overdrawn, the little wife started checking up on things. After working for an hour or so, she said to her husband: "John, I found the trouble. We didn't have $1,892 in the Bank—we only had $18.92."

Two men struck up an acquaintance in a club car.

"So you have two grown daughters?" said one in the course of conversation. "Do they live at home with you?"

"Oh, no," replied the other man. "They're not married yet."

"Reaping Her Gifts"

"Princess Eugenie of Sweden sold her diamonds that she might build a home for incurables. On one of her visits to the home she met a wicked woman to who she talked about Christ. She told the matron on leaving that she hoped special attention would be given to the poor creature, for the Princess was anxious that before she died she would become a Christian. One day she found the invalid with a bright face because her heart was radiant with a new hope.

"With tears in her eyes, the Princess said to her husband on returning to the palace, 'I saw the glitter of my diamonds today in the tears of penitence'."—Unknown.

HULBERT W. M. S. MEETING

The monthly meeting of the Hulbert W. M. S. was held at the home of Mrs. Elmer Sullivan and Mrs. Donald Sulivan on February 3rd, with Mrs. D. Sullivan in charge.

Letters to the Editor

Winchester, Feb. 8th, 1954.

Editor of Press:—

Several years ago Chesterville named Winchester "The Holy City," but we will soon have a much inferior name given us if Winchester continues its present Dog By-law, which demands that all dogs be confined to the premises and tied up, throughout the whole year. The dog is man's best and permanent friend. The present treatment of our dogs in Winchester causes the dog untold misery and agony, especially the intelligent dog, properly broken. The Provincial Municipal Act, re dogs, allows our Municipality to place a tax on dogs. The word tax should be changed to License. If the right is given a municipality to put a tax on dogs, that right can soon be extended, putting a tax on hens, cats, budgies, canaries, etc. The Provincial Government does not use the tax method, they issue licenses for keeping bees, mink, etc.

Why should the tax under the present Dog By-law be $4 for a female, and $2 for a male, when they, by law, are confined to the premises?

The female is more intelligent and more easily educated than is the male, and they are homers usually, and not roamers like some of the uneducated dogs. She should be confined and secluded for the three weeks during the year when she gets the notion to raise a family.

The claim is made that dogs ruin gardens and shrubbery in winter. They will do little harm to gardens if the Stayoff spray is used during the summer.

The only valid claim that can be chalked up against the dog in its unwelcome visits during the winter is the messing-up of garbage pails. Those open garbage pails entice the dogs which are not cared for properly at home, and should be replaced by a more convenient and respectable garbage receptacle.

Henry, with the Municipal truck, takes hundreds of those big empty 100 pound 4-ply sugar sacks to the dump every week or so, where they are destroyed. These sacks could replace the conglomeration of garbage receptacles now in use. One of these large sacks would hold all the weekly garbage from the ordinary household. In winter, the garbage would freeze in those sacks,—let it freeze,—it won't have to be taken from the sack. The frozen garbage in the pails is enough to make a fellow learn to swear. Each sack should be tied shut so Rover can't get his nose in it. The garbage truck, with a small rack on side, could carry a supply of the empty sacks and leave the empty when the full sack of garbage is taken.

One of our most disgusting sights in our comunity is the array of garbage receptacles—fly nurseries, along our sidewalks in summer.

The total time for the collection of the garbage would be greatly reduced by the use of the sacks. Henry could remain in the driver's seat, not jumping off to throw on the garbage which would be done by the garbage thrower, and tiered up by the man on the truck, thus making a big concentrated load and saving extra trips to the dump. The cost of garbage collection could be cut by one-third.

Old Rover could be let loose for the winter months for he could not interfere with the garbage.

Hopefully yours,

S. A. MERKLEY.

The minutes were read and the roll was called. The Friendship Corner was given by Mrs. Ira Ellis, and Mrs. Annie Graham read the Scripture lesson. A reading was given by Mrs. P. Ellis, and a chapter of the Study Book by Mrs. Ellis. One minute's silence was observed in memory of a deceased member, Mrs. Wilbur Morrison. Prayer by Mr. Knowles closed the meeting.

"I'm a self-made man," the politician once told Horace Greely.

"That," said Greely, "relieves the Almighty of a terrible responsibility."

HALLVILLE W. M. S. MEETING

The February meeting of the Women's Missionary Society of St. Andrew's United Church, Hallville, was held last Thursday afternoon in the church hall with Mrs. Fenton Hyndman presiding, in the absence of the president, Mrs. J. A. Hyndman.

The meeting opened with a hymn, followed with prayer. The minutes of the last meeting were read, the treasurer's report given, and roll callled. It was decided to combine the March meeting and "Day of Prayer" service, and to invite the ladies of the Hallville Church and members of the Study Group to join in this special service.

Mrs. R. B. Hyndman gave a reading on "The Work On The Frontiers." Mrs. H. B. Campbell, assisted by Mrs. Thos. Coleman, Mrs. Wm. Coleman and Mrs. Leslie Simzer, conducted a splendid playlet, which showed how important the ministry of radio is in Latin America and proving that radio is a powerful means of proclaiming the gospel of Jesus Christ both, at home and abroad. The worship service was conducted by Mrs. F. Hyndman, assisted by Mrs. Carman Cumming.

OBITUARY

LATE JAMES McNEILL

The death of Mr. James McNeill of Vernon, occurred suddenly on Thursday, January 28th, in his 75th year.

Born in Belfast, Ireland, he came to Canada at the age of six with his parents, the late Mr. and Mrs. Archie McNeill. He attended Morewood Public School. In 1907 he married Florence Lough, of Ormond, and took up farming in the vicinities of Crysler, Chesterville, Russell and Metcalfe. In 1942 he retired, owing to ill health, and moved to Kenmore, and from there to Vernon in 1951 where he remained until his death.

As a young man he was a member of Russell O. Y. B. No. 39. In July. 1912, he joined Marvelville L.O.L. No. 706, and remained a member until a few years ago when ill health forced him to resign.

The funeral was conducted by Rev. J. W. Bee in the Vernon Baptist Church, with entombment in Springhill Vault to await burial in the Spring.

Surviving, besides his wife, are: one son, Donald, of Kenmore; three daughters, Mrs. Matthew Moore (Jennie), of Inkerman; Mrs. Russell Fisher (Anna), of Crysler, and Mrs. Robert Wyatt (Mary), of Kenmore; sixteen grandchildren; one sister, Mrs. Lindsay Mackey (Cassie), of St. Albert's Station, and a number of nieces and nephews.

Impatient Man: "Has the joke editor got my joke yet?"
Office Boy: "Not yet, but he's trying hard."

"I liked that telephone man, mummy!"

We're glad our telephone man made a hit, Pauline. Lots of grown-ups tell us the same thing — how courteous and obliging Bell people are.

Whether it's the installer, the operator, or the girl in the business office, Bell people like to make you feel they are glad to be of service.

They know that good telephone service is made even better when they are friendly and considerate... even with little people like five year old Pauline.

OVERDUE ACCOUNTS

Any business where credit is given has to count on a certain amount being tied up in month to month business—that is, where a customer pays up his account in full each month.

When an account is not paid promptly each month and becomes "overdue"—that is bad business for everyone concerned. It destroys confidence in a man's credit—makes it harder for him to get credit next time—and the bill is usually harder to pay "later on" than if it had been paid at the right time.

Overdue accounts add greatly to costs of operating a business, and are not in the best interests of either the customer or the business.

We are asking that all overdue accounts be paid in full this month. Where it is not posible to pay the overdue account in full, we are accepting notes to cover these balances for a limited time until arrangements can be made to pay the note.

Co-operation in this matter will be appreciated.

United Church W. M. S. Observes 59th Anniversary

The charming home of Mrs. Earl Francis, South Mountain, provided an attractive setting for the 59th Birthday Meeting of the South Mountain United Church W. M. S.

One of the highlights of the meeting occurred when Mrs. Garnet Gallinger called out the months of the year, and the ladies, according to their birthday month, dropped envelopes containing pennies for each year of their age through a slot in a beautifully constructed three-tier pink and white birthday cake.

Mrs. Garnet Gallinger, Mrs. Earl Francis, Mrs. Lorne Armstrong and Mrs. C. Stirtan conducted the study period in the form of a play, presenting vividly the work of the evangelical churches in the countries of South America. They particularly stressed the value of radio, especially "The Voice of the Andes" Station in Quito, Ecuador, which reaches innumerable isolated villages daily. They pointed out that much of this continent is inaccessible by road, rail or water, and that radio also means much in a country where thousands cannot read the simplest Bible story and must depend on spoken words.

Mrs. Wm. Cleland reported for the Supply committee and invited the ladies to come to her home to work on a quilt for Indian Missions. Mrs. F. E. Gilroy read an appeal for clothing for Overseas Relief. It was decided to deal with it on completion of the assignment for the Indians.

The treasurer, Mrs. G. Cleland reported $19.25 raised. The ladies decided that during Lent they would each set aside five cents a day, with a little prayer for missions, and give the sum so collected as a Lenten offering to the W. M. S.

The president, Mrs. W. E. Wright, read a letter concerning liquor advertising in our national magazines. It was decided to send a signed petition to these publications requesting that the objectionable advertisements be discontinued.

Readings were given by Mrs. J. W. Gilroy and Mrs. John Thorpe, and Mrs. C. Stirtan presented each member with a reading list of W. M. S. literature, and re-distributed the books. Misses Phyllis Getz and Lenora Chatson sang a duet, "Whispering Hope," accompanied on the accordian by Mrs. Roy Graham.

Mrs. W. E. Wright, the president, presided at the meeting. Mrs. F. R. Barriger read the minutes, and twenty-one members answered the roll call and five new members were welcomed. Mrs. Gallinger, Mrs. S. Marquette and Mrs. F. Gilroy conducted the devotional. Following the meeting the members enjoyed a dainty lunch and a time of fellowship.

United Church Annual Meeting

The South Mountain United Church reviewed a very successful year at its annual meeting, held in the church on Monday evening. Rev. W. E. Wright presided.

Excellent reports were given from the various organizations. Mr. F. E. Gilroy, secretary-treasurer reported all obligations met, with a substantial balance on hand. Mr. J. Baldwin reported the M. & M. allocation had been met. Other organizations reporting included the W. A., W. M. S., the C. G. I. T., the Mission Band, Baby and Sunday School.

Officers for 1954 are as follows: Elders—Messrs. C. Armstrong, J. W. Gilroy, J. Baldwin and Arnold Gilroy; Stewards—Messrs. H. Baldwin, C. E. Murdock, G. Mulholland, Roy Graham, F. Barriger and H. Nesbitt. Secretary-treasurer—Mr. F. E. Gilroy; Ushers — Lynn Boyd, Lippa Hoekesma; assistants, Ronnie Graham, Harold Baldwin; organist, Mrs. H. Boyd.

A vote of thanks was extended to the organist and choir for services rendered, also to Rev. and Mrs. W. E. Wright for their leadership during the year.

Fellowship Club Meeting

The Fellowship Club of St. Peter's Anglican Church held its regular meeting at the home of Mr. E. Marriner, with the president, Mrs. C. Marriner, in charge. Plans were made for a Cooking Sale to be held at Fred Weagant's Store on Saturday, Feb. 20th. Dime cards were passed out, and Mrs. G. A. Montgomery thanked the congregation for her Christmas gift as organist, also Mr. and Mrs. K. M. Laushway sent thanks for the farewell gift given them on their departure to their new home in Prescott.

The next meeting will be held on the first Thursday of March at the home of Mr. and Mrs. A. Marriner, and the roll call will be answered with a penny for each year of your age. A social hour was enjoyed and a delicious lunch was served by the hostess.

Supper Club Meeting

A meeting of the Supper Club was held at the home of Joan Robinson on Friday evening, with the leaders, Mrs. C. Marriner and Mrs. A. Shaver, in charge of the meeting. OBITUARY

LATE MRS. JOHN GUY

Inkerman lost one of its most highly esteemed citizens on Monday, February 1st, in the sudden passing of Mrs. John Guy, in her 61st year. While the deceased had been in ill health for the last two years, her death came as a shock to her many friends.

Mrs. Guy, the former Iva Sophia Fawcett, was born at Nation Valley 60 years ago. She was the eldest daughter of Andrew D. Fawcett and his wife, the late Fanny Jeffery. Following her marriage in 1917 to John W. Guy, they took up residence on their farm near Inkerman.

The late Mrs. Guy was a devoted member of Inkerman United Church and an active member of the W. M. S. and W. A.

The largely attended funeral took place at the family residence on Thursday, where a very impressive service was conducted by her pastor, Mr. Mervyn Peters, assisted by Rev. Mr. Sutherland, a former minister, and Rev. Mr. Mack of the Wesleyan Methodist Church. The pastor took his text from St. John 14:11: "Believe Me." During the service, the choir sang "No Disappointment In Heaven," a request of the deceased. The remains were placed in the vault at Maple Ridge Cemetery to await interment in the Spring. The pall-bearers were Messrs. Arthur Guy, Orvil Guy, Donald Guy, Allison Fawcett, Keith Fawcett and Gerald Fawcett, all nephews of the deceased.

Surviving, in addition to her husband, are two sons: Ralph, of Prescott, and Charles, of Brockville; two granddaughters; her father, Mr. Andrew Fawcett, of Winchester; two sisters, Mrs. Charles Armstrong, of South Mountain, and Mrs. Lloyd Francis, of Winchester; and two brothers, W. J. Fawcett and James Fawcett, of Winchester.

Testifying to the esteem in which the deceased was held were the following floral tributes:

Corsage—Grandchildren.

Pillow—Mr. and Mrs. Kenneth Guy and Mr. and Mrs. Lorne Guy.

WHAT'LL THEY THINK UP NEXT?

An impressive and fantastic array of gadgets is being invented by Canadians, announce representatives for manufacturers who recently interviewed thousands of home inventors across the country.

You'll be amazed at the ingenuity being shown by your fellow Canadians in devising a new way to open fruit jars, designing a rotating rubber heel, and making a golf tee that compels the ball to sail straight down the fairway.

Star Weekly interviewed the industrial representatives and publishes the interesting article on the unusual subject in this week's Star Weekly.

VALENTINE IDEAS

Hello Homemakers! Valentine's Day will always be time to remind the gentle sex that chivalry is not dead. Yet, we like to circle the day to remind us that our job enrolls us as a member of that group making the largest single contribution to the art of homemaking—home economics. There are an increasing number of home economists-in-business, especially in Ontario, who are doing splendid work and their companies value their services.

We are taking the opportunity of introducing you to a limited number of home economists whose work is geared to help you. In the dairy business there is Marie Fraser with Dairy Farmers of Canada, Annette McMonagle, Milk Foundation, and Eileen Campsall at the Borden Company. From CBC you hear Ruth Harding. At Baker Advertising Agency there is Helen Gagen, and at General Foods Company, Betty Kirby. Martha Logan of Swifts and Brenda York of Canada Packers give demonstrations and check information to be authentic. Two leading magazines and a weekend paper each have a staff headed by Kathrine Bayley at Canadian Home Journal, Marie Holmes at Chatelaine, and Marjorie Ellwood at the Star Weekly. Perhaps you may meet one of the home economists with the electrical manufacturers—Mary Louise Bertois of Westinghouse, Elaine Collett of Moffatts, Yvonne Bateman of Guerney, Patricia Ellison of Frigidaire, and the gas company has Betty Bright in Toronto. At London Public Utilities there is Thelma Stein, and at Galt Utilities, Barbara Piott. Other members of our group are Jane Rittenhouse with H. J. Heinz Co., Corinne Trerice with Bakery Foods Foundation, Mary Humphries with York Knitting Mills, Betty Williamson with Lightning Fastener, and Kay Kipling with T. Eaton Co.

The simplest and most direct answer to what is a home economist would be—a graduate who holds a degree in home economics or household science. That is to say, a graduate whose course has included sciences such as chemistry, biochemistry, physicology and bacteriology, as well as the study of family economics, home management, child development, food and nutrition, diet therapy, textiles and clothing and related subjects. This training provides a background for these specialists, many of whom have chosen teaching, food service or dietetic professions. The phase of those members we have listed today concerns Home Economists in Business and without a doubt it is all the more interesting when we are associated with you, the homemaker, who puts home economics into practice. Our aim is to provide a digest of homemaking that is practical, authentic, timely and interesting.

2. There's no continuous air circulation
3. There are drafts
4. It's either muggy or dry as a bone
5. The air lacks freshness

If your home has these defects you can cure them by installing a new Lennox Perima-flo heating—or heating and cooling—system.

Lennox Perima-flo places an invisible curtain of conditioned air between the weather and you—stops cold at the outside walls, in front of doors and windows.

It also makes possible economical summer air conditioning because the same ducts which carry warm air in winter carry cool air into every room in summer.

Let us demonstrate the comfort you can enjoy with a Lennox Perima-flo system.

GIVES UP SMOKING AFTER 62 YEARS

Mr. Percy Thomas, a resident of the Vernon district, who is well over the allotted life-span of three score and ten, has given up smoking, after puffing away at both cigarettes and pipe for 62 years. Mr. Thomas, who is a sufferer from asthma, decided to quit the weed two months ago, merely as an experiment to see if his health would improve. He reports that his asthma is not nearly as severe as it was, that he has put on a little needed weight and is feeling fine. He says he is through with smoking for the rest of his life. To give up a habit of 62 years' duration should be some kind of a record.

ANGLICAN NOTES

On Saturday afternoon, the February meeting of St. Anna's Anglican Mission Band was held in the form of a Valentine Party at the home of Mr. and Mrs. Wm. Bolton. There were fourteen present. The Mission Band leader, Mrs. Greer, presided. Leewyn Jakes, the secretary, read the minutes of the last meeting.

As it was February 6th—our Queen's Accession Day two years ago, Mrs. Greer explained: "The King is dead; Long live the Queen." Prayers were said for Queen Elizabeth II, and pictures in colour of the recent visit at Bermuda were enjoyed. A contest, "Penny Wise," was conducted by Leewyn Jakes.

Valentines were exchanged by Lynette Jakes from a box nicely decorated by Bobby Sawyer.

Valentine recitations and songs were enjoyed, also tap-dancing by Karen Summers, Patsy Bronson and Leewyn Jakes.

Mrs. Bolton served a dainty lunch, with Karen Summers, Susan Lawrence, Joan Baker and Brenda Bolton assisting. Nora Baker moved a vote of thanks to Mr. and Mrs. Bolton.

ST. MATTHIAS' GUILD

The February meeting of St. Matthias' Ladies' Guild was held at the home of Mrs. Fred Gibbons on February 5th at eight p.m.

Mrs. Gibbons opened the meeting with prayer and welcomed two new members, Miss M. Clark and Mrs. Chas. Acres. Mrs. S. Fisher read the minutes of the last meeting, and Miss Laura Bowen read the treasurer's report. During the business period, it was decided to hold a Schneider's Dutch Treat Party on April 27th in the Town Hall.

Mrs. G. Carryer closed the meeting with prayer. Mrs. W. Acres invited the members to her home for the March meeting. A dainty lunch was served by Mrs. Gibbons, and Mrs. R. MacPherson moved a vote of thanks to the hostess.

LATE MRS. ANNA BUSH

At the age of 82, Mrs. Anna Deacon Bush passed away at the home of her son, Victor, 324 Ogdens St., Ogdensburg, on January 30th. She was born in Wiltshire, England, on April 29th, 1872, a daughter of the late George and Hannah Deacon. On Christmas Day, 1898, she married Mr. George Bush. In 1913 Mr. and Mrs. Bush and family came to Canada and made their home at Mountain. In 1929 she went to Ogdensburg to reside with her son.

Surviving are, her husband, Geo. Bush, of Kemptville; one son, Victor, of Ogdensburg; four daughters, Mrs. Wm. Swain (Dora), of Vancouver; Mrs. Andrew Bolton (Ethel) and Mrs. Willard Bellinger (Lucy), both of Mountain, and Mrs. Hilburn (Kathleen) Nelson, of Kemptville; 13 grandchildren and 15 great grandchildren, also survive.

Funeral services were held on Monday, Feb. 1st, at two p.m. in the First Congregational Church, Ogdensburg, of which she was a member, conducted by the pastor, Rev. Edward J. Sizeland. Burial was in Pine Hill Cemetery, El Weir Road, N. Y.
