Great Fall of Snow

This section of the country on Tuesday from morning until night was in the grip of one of the worst snow storms in years but luckily the thermometer ranged pretty well up. More snow fell during the daylight hours than has been known here in many years, filling the streets to a great depth. Travel on country roads was practically impossible. The great fall of snow was also the cause of the postponement of the Berwick-Chesterville hockey game on the local rink and of a show in the Music Hall by a road company.

Selling Thrift Stamps By Circular

Some time ago it was announced by the National War Savings Committee that the expensive organization for the sale of Thrift Stamps would be discontinued and another method substituted. The other method is evidently in operation but that it is an inexpensive one many will have doubts if each rate payer received the bombardment in yesterday's mail that struck The Record. Seven different envelopes addressed apparently by four different clerks arrived in the same mail carrying identically the same announcement, giving proportionately extra unnecessary work to mail handlers all along the line. All the extra work has to be paid for when the unnecessary jobs are provided.

Death of Mr. John Annable

The death occurred in Winchester on Thursday morning last of Mr. John Annable who was born 62 years ago in the Melvin settlement. He had been a sufferer lately from cancer of the stomach which caused his death. He is survived by his wife who was Miss Sarah Gillies of Goldfield and one daughter Pearle who is employed in the Civil Service in Ottawa, also three sisters—Mrs. Geo. Elliott of Winchester, Mrs. Carr of Smiths Falls and Mrs. Shaver of Montreal. The funeral service was conducted by his pastor Rev. J. K. Curtis on Friday at 1.30 p. m. in the Methodist Church, Winchester, after which the body was taken to the vault at Maple Ridge.

John Summers Dies at Springfield, Vt

(Springfield Reporter)

John Summers died at his late home on Slack avenue shortly after 10 o'clock Saturday night from a general break-down causing nerve and heart trouble, which had seriously affected him about two weeks. He was born Feb. 10, 1864, in Edwardsburg, Province of Ontario but had been on this side of the Line for some 17 years, locating first in Woodstock. A little later he came to Springfield and was employed by the Fellows Gear Shaper company, but before his death he had been working for the Bryant Chucking Grinder company. He left a wife and one daughter, Mrs. Julian Lashua of Summer street; also two grandsons and two granddaughters, the Lashua children. Three brothers and five sisters survive him—Mrs. Thomas McNulty of St. Regis Falls, N.Y., Mrs. June Bristol and Mrs. Isaac Creighton of Ogdensburg, N. Y.; Mrs. Benjamin Service of Cardinal, P. O; Mrs William Burns of Woodstock; James Summers of McLean, Can.; Thomas Summers of Chicago and William Summers of this town. The funeral was from the Church of the Maternity at 8 o'clock yesterday morning with burial in the Catholic cemetery. Present at the service from out of town were Mrs. Burns of Woodstock and Charles Dwyer of Chesterville, Ontario, a brother of Mrs. Summers.

Presentation at Dunbar

A very pleasant social gathering was held at the home of Mr. and Mrs. Bower Boyce, on Friday evening, to bid them farewell before leaving for their new home in Ottawa. Dancing was enjoyed by all till lunch was served when the following address was read by Mrs. D. A. Dillabough and Mr. Alf. McMahon made the presentation.

Mr. and Mrs. Bower Boyce

Dear Friends:—

Having learned that you are about to depart from our midst, we, your friends and neighbors are gathered here this evening to express our regret at your departure and enjoy your hospitality once more. You have always been willing to help us, when in need and we have appreciated your kindness and the cordial welcome you always gave us at your home.

Words inadequately express our esteem and best wishes, therefore we ask you to accept this silver casserole as a slight token of the respect you are held in this locality, trusting it will cause you many pleasant recollections of your residence among us.

Wishing you all kinds of good luck in your new home and praying that you may long be spared to enjoy life's richest blessings.

Signed on behalf of those present Messrs. Alf. McMahon, Harve Durant, Harve Dillabough, Frank Warren and Stanley Barkley.

Although taken by surprise Mr. Boyce in a few well-chosen words, thanked the people for their kindness. Dancing was then continued until the "wee small hours" and the young people left for their homes, leaving their best wishes with Mr. and Mrs. Boyce, having spent a most enjoyable evening.

MOREWOOD

A very enjoyable dance was given by Mr. and Mrs. Wm. Steen of Morewood vicinity on Friday evening, in honor of Miss Ruby McGlachlin of Belleville. Invited guests to the number of forty were present. Euchre and dancing was the program. The music was of a very high order on piano, violin and guitar. After a fine lunch served by the hostess all returned home feeling that Mr. and Mrs. Steen were very capable entertainers.

A rich old fellow refused a friend the loan of $50.

"I did not expect that of you," said tne friend bitterly, "and I will never forgive you for your refusal."

"Of course you won't my dear fellow," said the other; "but if I lent you the $50 you wouldn't have repaid me, and we should have quarrelled about that—so it's as well to get the row over at once. Good morning!"

The Draining of the Rideau

(Smiths Falls Record News)

A French Canadian of Ottawa, who has been reading the articles in the Record-News about the draining of Rideau Lake sends in the following.

Dere's a big fat feller look like de police, de Rideau, dats his job. Sometime God fergit de Rideau. Since prohibition he give too much water in de spring and none in de fall. My cousin Xavier make de log for a jobber. He'll put her in de creek den Magloir St. Amour de lock man ope de dam. De water rise in de creek an de log float back pass where he cut and two year ago de log furder away as when she was growing. Some log le Colonel By cut has not got to Edwards yet. If de Hydro don't get no water serve him right. He make de probish and he friend of de farm butter two dollar a pound. De water on de Rideau freeze so dam hard dey have to put oil on the river to slip it along. If de ice melt den my brudder law get wet feet in his cellar at Eastview. If Edwards don't get de water my cousin Telesphore don't get no work on de mill. If lots water come de cellar get flood and de cellar is de best part de house now day.

A fellow said to a famous sprinter: "I'll race you and beat you, if you'll let me choose the course and give me a yard's start."

"Fifty dollars to one that you don't win," said the sprinter, confidently. "Name your course."

"Up a ladder."

Children Cry for Fletcher's

CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.
