Scout-Guide Week Feb. 20-27

Scout-Guide Week was marched in Sunday with the Chesterville Cubs, Scouts, Brownies and Guides parading from the park to St. Mary's Roman Catholic Church for an early morning mass. Tuesday was the anniversary of the birth Lord Baden Powell, founder of the Cub-Scout movement, and "Thinking Day" for the Girl Guides. The four Chesterville groups will hold their annual father-son, mother-daughter banquet at the Legion Hall this Friday, starting at 7pm.

School closing

Board decision Thursday

(Staff) — The future of seven tri-county elementary schools will be decided tomorrow (Thursday) night when the SD&G County Board of Education receives the report of its School Facilities Utilization Committee.

The three-member task force was handed the job of recommending the board's course of action for schools in areas with serious enrolment declines and has spent the last two weeks in a series of public meetings designed to gather information, reactions and alternatives to the proposed closing of seven schools - Williamsburg, Monkland, Maxville Senior Public, Roxborough, Stampville and Cornwall's West Front and Central Public.

The committee met in a closed-door session last night in Cornwall to go through its findings and make recommendations. Trustee Lorne Thompson, a member of the committee along with Earl Myers of Cornwall and Fraser Campbell of Kenyon-Lochiel, said the meeting was held in camera because the "three of us will really be letting our hair down" before coming to their decision.

The enrolment situation in SD&G reflects that of the province in general and is resulting in an overall decline across the counties. Committee members have pointed out at several meetings that the decline is not an even one: some areas are suffering a constriction in elementary student numbers while a few are undergoing expansion.

As a result of the geographical unevenness of the decline, the operation of schools in some areas has become economically unfeasible.

In all, 21 school areas are affected and the terms of reference for the committee's study include out right closing of four schools; phasing out operations at three; changing attendance boundaries at four; installation of portable classrooms at two; reorganizing three, and capital expenditures for five. The board says it will save $117,000 by closing the seven schools and transferring students to other schools.

The total decline in the number of students since the area school board came into being in 1969 is 1,655 and a further decline of 295 is projected for this September. Coupled with a 2,945 reduction in students at separate schools across the tri-counties, this means there are now 4,620 fewer students attending elementary schools today than there were eight years ago.

Committee secretary Ken MacLennan has pointed out at the public meetings that these figures are a gloomy forecast of what will be taking place at the counties' 10 secondary schools in a few years' time.

As of September 30, 1976 there were 9,020 students attending the public board's 41 elementary schools and the majority of them were in the senior grades.

It is in the lower grades where the effects of the decline are being felt most strongly.

Board enrolment figures show a bunch-up of students in grades six, seven and eight and then a fall-off from one through five. The fact that there is still an abundance of students in the upper grades will put off secondary school problems but won't alleviate them forever. Total enrolment decline is expected to continue until 1980, when it will level off. By that time, if present trends are followed, there will be 1,000 fewer elementary school students in SD&G.

Board figures show there are now 1,020 students in grade eight; 986 in grade seven; 874 in six, 812 in five, 731 in four, 719 in three and 730 in grade two.

The board's elementary panel will consider the committee's recommendations tomorrow night. The elementary section of the board usually meets on the fourth Tuesday of the month but its session was held over because of the committee's meeting that night. The last public meeting the committee held was Monday night at Stampville Public School, north of Iroquois.

Togetherness carnival's theme

(Staff) - Osnabruck Township residents, young and old, will be "together" this weekend for the annual winter carnival.

All the fun and merriment starts Thursday night with the crowning of the carnival queen and concludes Sunday night with a community hymn sing at Newington United Church.

Seven girls are competing for the right to wear the crown as queen of the carnival. The crowning will be held in the Osnabruck District High School auditorium, immediately following the official opening at 8pm Thursday.

The contest is sponsored by the Upper Canada Jaycettes and CJSS radio personality Wayne Waldroff will be master of ceremonies.

Vying for the Carnival Queen crown are: 15-year-old Lianne Acres, daughter of Mr. and Mrs. Keith Acres, Pine St., Ingleside, a grade 10 student at ODHS. Miss Acres is sponsored by the Bank of Montreal, Ingleside. Linda Brown, 18, daughter of Mr. and Mrs.Robert Brown, 73 St. Lawrence St., Ingleside, sponsored by Osnabruck Volunteer Fire Department, Ingleside station. Miss Brown is a grade 13 student at ODHS. Fifteen-year-old Julie Janik, daughter of Mr. and Mrs. Raymond Janik, 4 Piercy St., a grade 11 student at ODHS. Miss Janik is sponsored by Lefebre's Discount, Ingleside. Cindy Markell, a student at St. Lawrence College, Cornwall. Miss Markell is the daughter of Mr. and Mrs. Lloyd Markell, 36 Maple St., Ingleside is 18 and is sponsored by the Treasure Island Inn, Ingleside. Cathy McAllister, 18 daughter of Mr. and Ms. James McAllister, 43 Elm St., Ingleside, sponsored by Markell's Market. She is in grade 12 at Osnabruck District High School. Candy Rutley, 16, daughter of Mr. and Mrs. W.T. Rutley, RR3 Ingleside. Sponsored by Terry's Sporting Goods, Miss Rutley is employed as a secretary. Laurie Vincun, a grade 11 student at ODHS. Miss Vincun, 17, is the daughter of Mr. and Mrs. John Vincun, 28 Maxwell Ave., Ingleside and is sponsored by the Women's Auxiliary of the Volunteer Fire Department.

Friday's list of events include a euchre party at the Township Hall at 8pm. It is sponsored by the Osnabruck Centre Recreation committee and admission is $1.

The ODHS Students' Council is sponsoring a dance in the school auditorium from 8:30-11pm. Music will be supplied by "Circus" and admission is $3 per personand $5 per couple.

Most of Saturday's festivities are scheduled for the Finch Community Arena with mixed broomball games being played from 8am to noon.

Minor hockey teams will take to the ice from noon to 5pm with the Osnabruck Oldtimers' hockey team meeting the Osnabruck Township Junior C team in a challenge match from 5-6pm.

While all this is on, an arts and craft show featuring local artists will be held in the upstairs assembly hall of the rink from 10am to 5pm.

Rothwell Public School in Ingleside will also be buzzing with excitement from 1-5pm with armchair Olympics in volleyball, monopoly and cribbage. Entry fee is 50 cents.

During the evening, the Ingleside Women's Institute will sponsor a community variety show in the ODHS auditorium, starting at 7:15pm. Admission is $1.

At 9pm, a pub night will start at the Treasure Island Inn and the "Lancers" will supply music for dancing at the Township Hall ah Osnabruck Centre. That dance is sponsored by the Upper Canada Jaycees and admission is $3.50 per couple.

Sunday's events get started at 8am with Osnabruck Centre Recreation Committee members serving pancakes until 10am at the Township Hall.

The majority of the remaining events for the day will be held in Ingleside.

The Ingleside-Osnabruck Rotary Club will sponsor a carnival parade at 1pm. It leaves fromthe Treasure Island Inn and goes to Memorial Square where prizes for best theme float will be awarded.

At 2pm, the Ingleside Volunteer Fire Department will sponsor bed races at Memorial Square. Entry fee is $5 per team.

One hour later the Inglebruck Snowmobile Club and the Cedars Club will play snow-mo-ball at the ball diamond.

At 3:30pm, Ingleside Lanes will host a mixed bowling tournament. Entry fee is $2 per bowler.

From 5-7pm, the Ingleside Fire Department Auxiliary will serve chili con carne at the fire hall. Cost is $2 for adults, $1 for children ages 6-12 and children under six free.

The carnival festivities draw to a close at Newington United Church at 7:30pm Sunday with local church choirs participating in a community hymn sing. All proceeds will go to the Heart Fund.

MacNabb re-elected chairman of SNRCA

BERWICK (Staff) - Cecil MacNabb, former Reeve of Winchester Township, was re-elected chairman of the South Nation River Conservation Authority at its annual meeting here last Thursday.

Mr. MacNabb, defeated by Delbert Link in last December's municipal election, was re-appointed as the township's representative on the watershed body in January. He was nominated by L.D. Brisson, Reeve of Cambridge Township, and had his nomination seconded by Orville McMullen of Augusta Township.

Mr. Brisson was chosen as the authority's vice-chairman.

Named to the executive were Finch Township representative Kenzie MacGillivray, past chairman; Keith Graham, Chesterville, chairman of the historical and urbanization advisory board; P.E. Levesque, Casselman, A. Faubert, Kenyon, J.H. Seguin, South Plantagenet, and W.E. Burton, Russell.

The other at-large members of the exeuctive are Eric Casselman of Chesterville, R. Bercier, North Plantagenet, Harold Vodden ad Lorne Harrison, both of the Regional Municipality of Ottawa-Carleton.

The authority adopted two projects for 1977 including $50,000 for general channel improvements, and the acquisition of land in Roxborough Township to be used for water supply to the village of Maxville. The second project will only be carried out if funds are available from projects adopted in 1976.

The authority's budget for 1977 is $342,105 and a levy of $53,813 was made on all municipalities according to their equalized assessment. A special levy of $9,600 was made on Chesterville for the proposed dam here.

The preliminary report on the dam has been prepared by the Ottawa engineering firm of M.M. Dillon and was presented at the last executive meeting of the authority. The final hurdle is provincial approval of the $2.5-million project.

The authority will probably prepare its brief for presentation to the ministry at its next executive meeting.

Mr. MacNabb said he has been assured that if tenders are called this year for the dam, to be situated just downriver from the present dam, the province will hold to its grant structure for the authority in 1978, even though it is to be changed next year. Under the present structure, the province will pay everything in excess of $30,000 for the project.

In his report on the SNRCA's 1976 activities, Mr. MacNabb said the authority had learned from its mistakes as far as the Crysler dam is concerned.

He said the authority had unwisely accepted a recommendation that the old dam be rebuilt rather than having a new one built.

Mr. MacNabb said the tender price of $260,000 for the dam had already been exceeded by $80,000 and work still remains to be done. He said the same mistake will not be repeated in Chesterville.

Harry Gage, Kemptville, the ministry of natural resources deputy regional director, told authority representatives the ministry is carrying out extensive mapping of hazardous lands and slopes in the South Nation watershed so that persons planning to build in the area will be advised of unsafe areas.

He said there is a considerable amount of submarginal land in Eastern Ontario which should be brought back into reforestation.

Paul Berges, of the ministry's Cornwall office, gave a report on the authority's 1976 reforestation program and related that 289 acres were added to bring to 7,001 the number in reforestation in the watershed.

One hundred and twenty thousand trees were planted on 143 acres and pest control was carried out on 800 acres.

briefly

Youngster, car collide

(Staff) — Six-year-old Michael Jennings, son of Mr. and Mrs. Robert Jennings, Frances St., Chesterville, received a small cut on the head shortly after 4pm Monday when he collided with a moving car. Winchester Provincial Police said the youngster was crossing Queen St. from the Chesterville Hotel towards Morrison's Garage when he was hit by a westbound car being operated by Keith Servage.

World Day of Prayer

(Staff) — The Chesterville World Day of Prayer Service will be held at St. Andrew's Presbyterian Church at 2pm Fri., March 4. Love in Action is the theme of this year's service and was prepared by the Christian Women of the German Federal Republic. Women from local churches will take part and the guest speaker will be Rev. Fred Reed, minister of St. Andrew's. Miss Addie Campderros will supply the service's special music.

$1,000 donation

(Staff) — The Chesterville Rotary Club has voted to give $1,000 to the Senior Citizen Drop-In Centre, nearing completion in the Community Park. The club has been granted the use of the new building for its Monday meetings and is now advertising for a caterer for its weekly dinner sessions. Recreation director Rick St. Dennis told fellow club members Monday night the centre will be completed as soon as its furniture arrives.

Board fails to sway Moose Creek parents

MOOSE CREEK (Staff) — Parents here aren't buying the SD&G County Board of Education's argument that closing the village's elementary school would benefit its 70 students.

About 75 residents turned out for a public meeting with the board's School Facilities Utilization Committee here last Tuesday night and left unconvinced by the committee's claims that Moose Creek students would be better served if Roxborough Township Public school were closed and they were transferred to Maxville.

Moose Creek Public School is one of seven tri-county elementary schools which could be closed because of declining enrolment. The board estimates it could save $9,000 annually by closing the school and busing students to Maxville Junior School. Total net saving by closing all seven of the schools stands at $117,000.

What irked parents most in Moose Creek Tuesday, as it did the night before in Monkland, was that enrolment is not declining at community's school. The decline is being experienced at Maxville Junior Public, where present utilization of classrooms is down to 49 per cent and is expected to go even lower.

In contrast, board figures show Roxborough Township P.S. at 67 per cent and Monkland at 69 per cent of this in spite of the fact that kindergarten and grades seven and eight students from both communities are bused to Avonmore and Maxville.

If the three schools were consolidated in Maxville, enrolment next September would be 99 per cent and would decline steadily to 80 per cent by 1980.

Headed by Roxborough Township PS school committee chairwoman Janet Decarie, Moose Creek residents told the board's committee members the senior elementary students should be brought back to Moose Creek and Maxville should be left to fend for itself.

If the Moose Creek students were retrieved, Roxborough would be at full capacity, heard committee secretary Ken MacLennan conceded.

Farm Show March 2 & 3

CRYSLER (Staff) — The fifth annual Crysler Farm Show, the only such display in the United Counties, will be held at the Community Centre next Wednesday and Thursday, March 2 and 3.

For the third year, the farm show is being held in conjunction with the SD&G Seed, Feed and Forage Show, sponsored by the Ontario Ministry of Agriculture and Food. The farm show is sponsored by the Crysler Community Centre Association.

Sixteen farm equipment dealers from across the United Counties and from neighboring municipalities will have their wares - ranging from fertilizers, corn planters, tractors, barn and stable equipment, balers, milkers and a full line of garden equipment - on display at the centre. Booths will be set up inside the centre and heavy equipment will be on display in the parking lot.

Dealers taking part in the show include R. Richer Plumbing, Crysler, Gary Smith, Maxville, John Deere, Derks Ford, Chesterville, Jim Mahoney, Crysler, Harvestore; Bray Pioneer Seed, Moose Creek; Yelle, Crysler, Ideal barn equipment; Georger Countryman Electric, Chesterville; Lloyd Clare, Vankleek Hill, Alpine Fertilizer; Marc Lemoine Seed, Hawkesbury; Robert Racine, Casselman, Massey-Ferguson; Peter Babcock, Chesterville, Surge; Hough Brothers, Finch, New Holland; Lorne Acres Farm Equipment, Winchester; Carl-Don Farm Equipment, Chesterville, and Bert Rombough Farm Service, Bainsville.

The Seed, Feed and Forage Show is open to all members of the SD&G Soil and Crop Improvement Association.

Exhibitors have until noon next Tuesday to enter their displays, which must be placed in plastic bags available at the show or from county OMAF offices.

They will be limited to one entry per class except when showing two distinct varities in the open grain and small seed, grain corn and shelled corn classes.

Celebrate 66th anniversary

Time has brought many changes in the lives of Luella and Bertrand McLellan since they were married February 15, 1911, but they still find much to laugh and tease about as they begin the 67th year of their marriage. Bert was a cheesemaker in Bishop's Mills, near Spencerville when he married his girl from Garreton at the Bishop's Mills Methodist Church. He later became a motor mechanic and they moved from Kilmarnoch to Goodstown, to Saskatchewan, to Pembroke, and to Cornwall before settling down in Merrickville. At present they are residing with Art and Mildred Baker on the third concession of Osnabruck. Their two children are dead but two grandchildren, Dale Lafave of Cornwall and Sharon Baker of Vancouver act as links between the past and the future. Today the McLellans' special pride-and-job is Tracy Lynn Lafave, their two-year-old great-grandchild.

All awards will be presented at the conclusion of the show.

There is no admission charge for either of the show's two days and the doors of the Crysler Community Centre will be open from noon to 10pm each day.

Our error

(Staff) — The Record erred in its account of profits earned at this year's Winter carnival. The front page story in the February 2 issue stated that the Saturday night supper, put on by the WI and UCW, made $826, when in fact it should have read that the organizations turned $958 over to the Chamber of Commerce.

Moose Creek parents not impressed

cont'd from page 1

Mr. MacLennan said the decline in enrolment at the primary and junior grade levels does not bode well for areas secondary schools in the next few years and had this statement thrown back at him by those who had originally opposed the closing of Maxville High School so that ES Tagwi SS could be built.

They pointed out that board enrolment projections at the time Tagwi was considered were being proven incorrect and asked what assurances they had that present figures were correct.

In his statement at the beginning of the meeting, committee chairman Earl Myers said Roxborough students were missing out on some of the extras of education, such as having a gymnasium and library, but Mrs. Decarie said there is a library at the school and the community is being canvassed for books to stock its shelves.

Village resident Art Buchanan said Roxborough PS principal Pat Fitzharris had made arrangements with the principal of the new Moose Creek separate school to allow public school students to use its gym. Anyway, he said, it is healthier for children to be out in the fresh air than to be tucked away in a gymnasium.

Township reeve George Crites was the most vocal in opposing the board's arguments.

He said Roxborough is on the verge of considerable growth - citing the new Monkland subdivision, mobile home park and development of the muck farm in the township's northeast end - and the resulting population growth would more than justify leaving the Moose Creek school open.

Development would be threatened if schools were closed and he pleaded that the board give the township a chance "before the axe falls".

Township councillor Ray Alguire said Roxborough Public hasn't even been paid for yet, and the 20-year debenture taken out when the school was built in 1966 won't be retired until 1986. In light of this, he questioned whether the board would be saving any money by shutting the school's doors.

Herb Hill of Monkland, chairman of the township school board when Roxborough PS was built, said in its preoccupation with cutting costs, the board had forgotten the human element involved in its decision.

"You haven't talked about the position of the children of Roxborough.

"I've lived in the same spot since the day I was born, but my son attended school from grades one to six at Monkland, then was bused to Avonmore for grade seven and to Maxville for grade eight. Now he's at Tagwi and is beginning to think he's a squatter's son."

He said the psychological disadvantages of closing the school would offset "whatever advantages the board can put forward for the closure".

Ottawa HS teacher addresses local CWL

(Special) - The February meeting of St. Mary's CWL was held Mon., Feb. 14 at St Mary's School.

Fr. J. Appelman opened the meeting with the League Prayer.

After the business meeting, Mrs. Karen Graham, the League president, gave an informative report of her recent attendance at the Diocesan meetings in Kingston.

The guest speaker was Fr. W. Nugent from St. Puis X High School, Ottawa. He was introduced by his sister. Mrs. Kay Sharkey.

Fr. Nugent chose as his theme, "the changing values". He concluded by saying the basics of the true Christian teachings had not changed. Parents must first get their own values in proper perspective and hold on to them through all pressures, because even though youth are sometimes strongly protesting, they are inwardly looking toward their parents for stability and guidance.

Fr. Nugent was thanked for his talk by Mrs. Janie Acres.

Lunch was served by Mmes. Mary Chisholm, Ann Clement, Mary Lunch, Joan McMahon, and Lillian McCadden. Mrs. Lena Sartor provided a Valentine cake.

The meeting was closed with prayer.

Inside Ingleside

by Jean Jeacle

A lot of people have been telling me that they know what I am going to write about this week...and they are all correct in their assumptions.

THE LOST VILLAGES HISTORICAL SOCIETY IS NOW A REALITY. I did toy with the idea of fooling know-it-all readers and writing about MONEY MANAGEMENT instead, but I quickly discarded the idea. First of all as my husband would be quick to point out I know nothing about the latter but most of all I am much too enthusiastic about the former to miss a chance to spread the good word.

The aim of the Lost Villages Historical Society is "to collect, preserve and display our local heritage". In the beginning, the main thrust will be to gather material about the flooded villages because much of the memorabilia and many of the memories are already in danger of being lost forever. It is expected, however, that the rest of the local area will also be covered.

I intend to become a charter member and I urge you to join too. You will have the opportunity to accomplish something worthwhile and you will be able to enjoy a great deal of fellowship and fun along the way.

In the meantime, don't forget that one man's trash is another man's treasure. Before you throw away that picture of Great-Aunt-Somebody doing something foolish, show it to a committee member. It may turn out that she is acting the fool on THE MAIN STREET OF AULTSVILLE.

Two new 4-H clubs for Dundas this year

WINCHESTER (Staff) - Two new projects will be offered in the 1977 Dundas County 4-H agricultural program according to assistant agrep Howard Giles, writing in the 4-H newsletter.

A Farm Safety Club will led by Harold Morphy, of the Ontario Farm Safety Association, and two local farmers.

Although details of the project won't be worked out until the club's first meeting, next month, Mr. Giles says subjects such as first aid, machinery safety, building maintenance, silo gases and protective equipment will be dealt wiht.

Membership is open to all county residents between the ages of 12 and 19 and each member will be required to complete an individual project such as cleaning up and repairing a workshop, machine shed or barn and writing an essay.

Mr. Giles advises anyone interested in the club to "look around the farm and think about a project for the first meeting".

The other new club is in the field crops division and will be a record-keeping project for corn.

It is proposed so far that members would mark out a hectare in their father's cornfield and keep a record of the corn's progress during the summer, including daily high and low temperatures and rainfall. Heat units would then be calculated.

Graham Link will be the club leader and membership is restricted to those 15 years and older.

The Dundas County 4-H program this year will include projects on Senior and Junior Dairy Heifers, Livestock Evaluation, Veterinary, Horses, Senior and Junior Beef Heifers, Beef Steers, the Environment, Farm Safety and Field Crops.

The Junior Agriculturalist Program will again be conducted by the OMAF in Dundas this year.

Designed to provide a practical learning experience for young persons frm non-farming homes who have a serious interest in agriculture, it will give them the opportunity to work on farms from June 20-August 20.

Restricted to young persons 16 and 17 years of age, the program includes an orientation period prior to the farm work.

While working on the farm, they will be expected to participate in farm activities for 12 consecutive days and then have two days off.

Each person accepted into the program will receive a training allowance of $16 a day, of which $6 will be provided by the ministry, $5 by the farmer and $5 in room and board per day be the host farmer.

Application forms for host farmers and prospective junior agriculturalists are available from the ministry's office in Winchester.

Three board committee appointments approved

CORNWALL (Staff) - The reappointment of trustees to three special committees was ratified by the full membership of the SD&G County Board of Education at its meeting here Tues., Feb. 7.

The committees, dealing with the boundaries of St. Lawrence High School, school facilities utilization, and the board office, were originally set up in December but under the Education Act ceased to exist when the new board was formed in January.

Membership on all three remains the same with Earl Myers, Eugene Legault and Sandra Enns on the St. Lawrence High School boundaries review committee; Mr. Myers, Lorne Thompson and Fraser Campbell making up the school facilities utilization body, and Mr. Myers, Albert Morin, Gerry Desjardins and Mr. Thompson on the board office group.

Trustees were also appointed to subject task forces. Board members named to the task forces are: Sam McLeod, pure and applied science; Eugene Legault, vocational; Wes Libbey, humanities; Sandra Enns, arts; Sesel Wert, special education, and Tony Oliver, communications.

Under an administration recommendation, a new nutrition committee has been formed and its membership was approved at last Tuesday's meeting.

The committee was begun last year to review cafeteria operations in SD&G's 10 secondary schools and it reported its recommendations in mid-1976.

The administration ecommended the committee be carried on to act as the board contact for cafeteria committees which have been set up in tri-county secondary schools.

As well as acting as a liaison group, the committee has been charged with making an annual review of cafeteria guidelines and to make recommendations for the renewal of cafeteria contracts. This last duty is to be carried out in consultation with the local school groups.

On the committee are Bill Robson, Gerry Desjardins and Elizabeth Francis.

Ed Lumley Jaycettes' choice for outstanding young Canadian

CORNWALL (Staff) - Ed Lumley, Member of Parliament for Stormont-Dundas since 1974, is the Upper Canada Jaycettes' choice for Young Canadian of the Year.

The 37-year-old former mayor of Cornwall was chosen by the Ingleside-based women's group for the work he has done for the riding and the city of Cornwall during his two years as mayor and three as MP.

Included among his achievements are the procurement of $1-million in Local Initiatives Program grants for the riding this year and his efforts to have re-activated an employment advisory committee for the riding and for parts of Glengarry County.

During his term as mayor, Cornwall reached agreement with the federal and provincial gorernments for a $14-million infrastructure grant which was primarily responsible for the construction of the city's showcase, the Cornwall Civic Complex, as well as for the widening of Water St. to four lanes and the improvement of city services.

Most of the infracture projects will be completed early this year and the Civic Complex, which was unveiled in late 1976, will be a monument to the MP since its hockey rink has been named the Ed Lumley Arena.

Mr. Lumley's nomination comes as recognition from the community for the work he has put into it, according to the Jaycettes.

Five young Canadians will be chosen by the Canada Jaycees at their convention in Halifax next week to recieve the club's Outstanding Young Canadians awards.

Jaycee national board member Cec Beauchamp said at the Jaycettes banquet honoring Mr. Lumley at the Parkway Inn, Cornwall, Friday, that the FOYC program is the only one of tis kind in the country. He explained that it was begun in 1967 and was inspired by then-Governor-General Georges Vanier. The wards are named after the late Governor-General.

Mr. Lumley was praised for his work on behalf of Stormont-Dundas and Cornwall by present mayor Gerry Parisien, political opponent Osie Villeneuve, Conservative MLA for SD&G, and by United Counties Warden Edwin Waldroff.

In addition to the congratulatory speeches, Mr. Lumley was presented with an honorary membership in the Upper Canada Jaycees by club president Fraser Cross and with a certificate of appreciation by Wanda Sharkey on behalf of the Jaycettes.

A native of Windsor, Mr. Lumley was educated there at Walkerville Collegiate and Assumption College. He was elected to Parliament in the Liberal sweep of 1974, defeating PC Fern Guindon, and since going to Ottawa has taken over the charimanship of the House Standing Committee on regional development and in October was named parliamentary to Marcel Lessard, minister of regional economic expansion. He is also serving on the economic expansion. He is also serving on the justice ministry's sub-committee on the penitentiary system in Canada and has been touring Eastern Ontario penal institutions.

Stormont-Dundas MP Ed Lumley was honored for his contribution to the riding by the Upper Canada Jaycees and Jaycettes at a banquet at the Parkway Inn, Cornwall, Friday night, when he was made the Jaycettes' nominee for awards going to the Jaycee-sponsored Five Outstanding Young Canadians program. Offering his congratulations are Cornwall Mayor Gerald Parisien, Mr. Lumley's successor as mayor of the city. Fraser Cross presents him with an honorary membership in the Upper Canada Jaycees and Wanda Sharkey holds a framed certificate from the Jaycettes as Mrs. Lumley beams at the honors bestowed on her husband.

Dear Ann Landers

Dear Ann Landers: A group of friends, all fairly well-informed and intelligent, were discussing the state of the union last evening. Someone expressed the notion that while some people were concerned about the effect of a Fundamentalist Baptist in the White House, the Jews and Catholics were quietly taking over Congress.

As usual, the individual who made this allegation had no facts or figures to support his theory. Is there any truth in it? Will you please give us the real story?

Interested In Sarasota

Dear In: Although the new United States Congress (House and Senate) has more Roman Catholics and Jews than the preceding lineup, there is no chance of a "takeover." Here is the present count: 371 Protestants in the present Congress - down 9. 129 Roman Catholics - up 6. 27 Jews - up 3.

Although the Jewish and Roman Catholic totals are record highs, for both groups, Protestants hold about 70 per cent of the seats in both Houses, which is their share of the population. Roman Catholics hold about 25 per cent and Jews about 3 per cent - which represents their approximate proportion of the general population in his country.

I was not the least bit "concerned" when a Catholic was elected President, although some said there would surely be a hotline from the White House to the Vatican. I am equally unconcerned about President Carter's Baptist Fundamentalism.

Dear Ann Landers: May I be the 10,000th reader to challenge the statement of the Ph. D. in clinical psychology? He said, "I have yet to run into a male juvenile delinquent who wasn't hit with a fist, board, belt or a piece of rope."

I would be happy to provide a dossier that will knock his theory into a cocked hat. I can present 10 years' documentation of the incorrigible delinquency of our well-loved and tenderly-raised only son, who never had a hand laid on him except in a loving gesture and who now, at 21, towers over both of us and makes our lives hell with his bullying, threats and brutish behavior.

In an effort to educate that naive psychologist, I would be willing to show him, wit school, court and pshychiatric records, what our son has done to us these last ten years. The principal victim, of course, is himself. Nevertheless, we, his parents, are still engaged in the never-ending search for "the answer." Just sign us. - **Seething (And Suffering) In The Suburbs**

Dear Friends In The Suburbs: Here is your letter - and although you weren't the "10,000th," hundreds of others did write to express the same point of view.

There is no single explanation for delinquent children. But perhaps YOUR misfortune had something to do with the fact that you never "laid a hand on him." While I'm violently opposed to belts, ropes, boards, etc., very young children sometimes learn a great deal about the family "pecking order" when a well-placed hand is applied to the seat of the problem.

Permissiveness has ruined a whole generation of young people. I'm happy to report that today's young parents are relying more on their instincts and less on the "experts."

CONFIDENTIAL to Damned If I Do And Damned If I Don't: If this is your choice, DON'T - and be damned. You'll have less to feel guilty about later.

Do you feel awkward, self-conscious - lonely? Welcome tothe club. There's help for you in Ann Landers' booklet, "The Key to Popularity." Send 50 cents in coin with your request and a long, stamped, self-addressed envelope to Ann Landers, P.O. Box 1400, Elgin, Ill. 60120.

IN MEMORIAM

IN MEMORIAM

BECKSTEAD — In loving memory of a dear aunt, Mrs. Ethel Beckstead, who passed away one year ago Feb. 24, 1976.

One year has passed since that sad day
When one we loved was called away
A dearer aunt, you'll never find
With a heart of gold, true and kind.
We hope she's happier in God's garden of rest
For here on earth, she was one of the best.

Fondly remembered by Richard, Linda and family

IN MEMORIAM

STEWART — In loving memory of a dear mother and grandmother, Mrs. Freda Stewart, who passed away February 25, 1974.

Mother, who gave us the best of her life
Who cherished our secrets, our sorrow, our strife,
Who taught us to love and taught us to pray,
Dear mother in heaven, God bless you today.

Sadly missed by sons, Gerald, Trevor Dale and Paul and families

IN MEMORIAM

MOAK — In loving memory of a dear grandfather Arnot Moak, who passed away one year ago Mar. 1, 1976.

Dear grandfather, you are not forgotten
Though on earth you are no more
Still in memory you are with us
As you always were before.

Sadly missed by granddaughter, Linda and family

British traditions WI theme

FINCH (Special) — The February of the Finch WI was held at the home of Mrs. Megan Ouderkirk with 13 members and four visitors present. The meeting opened with the Ode, Mary Stewart Collect, Lord's Prayer and a rendition of God Save the Queen was sung in keeping with the theme of the meeting, Britain and Her Traditions.

The delegate to the officers' conference in Waterloo is Mrs. Dewart MacLean. Members were reminded about the fund raising project of the quilt block and requested that any completed quilt block be brought to the March meeting.

Tickets for the coming variety concert were passed around to members to sell.

Program convener Mrs. Dewart MacLean introduced Mr. and Mrs. Evrett Termeer, who operate a honey farm in the area. They presented a program of color slides and commentary on honey production. Colorful pictures of a recent trip to Freeport Bahamas, were also included, which added a pleasant contrast to a Canadian winter.

Refreshments featuring British cooking were served by hostesses Mrs. Ouderkirk and Mrs. Donald Casselman.

Fire guts Ingleside area home

The RR3 Ingleside home of Mrs. Helen Rupert was gutted by flames Saturday morning. The house was unoccupied at the time - Mrs. Rupert had gone to Ottawa for the day - and the fire was noticed by her grandson, who lives in a neighboring home. The call was answered by the Ingleside fire station who received assistance from Long Sault and Newington but were unable to save the contents of the building. The cause of the fire is still under investigation. Ingleside Fire Chief Murray Wells had to be taken to Winchester District Memorial Hospital as he helped firefighters battle the blaze. Tuesday morning Mr. Wells was reported to be in satisfactory condition although the nature of his illness was not disclosed. - photo by lianne mohns -

Five per cent fluid milk price increase April 1

TORONTO (Special) - Ontario dairy farmers are to receive a price increase of five per cent for milk they produce for tableuse, effective April 1.

In announcing the increase, the Chairman of the Ontario Milk Marketing Board, Kenneth G. McKinnon, stated that for several years the board has determined the price to its producers by using an economic formula as a guide. "The formula," he said, "more than justifies this five per cent increase.

The five per cent increase, in producer terms, amounts to 60 cents per hundred weight, therefore the farm price for raw milk in Southern Ontario will be raised from $12.01 per hundredweight to $12.61 per hundredweight.

"The last increase in producer returns for fluid milk was on April 1, 1975, and in the two-year span the cost of producing milk, as with other agricultural commodities, has continued to rise," Mr. McKinnon said.

He noted such increases for the most recent two years as petroleum products up by 23.8 per cent; building replacement 19.0 per cent; building repairs 19.7 per cent; farm machinery 18.5 per cent; hired farm labor 26.5 per cent and electricity 19.7 per cent.

The increase in the producer price is in compliance with the Anti-Inflation Board guidelines. Mr. McKinnon pointed out that the low level of increase was only possible because of the good job producers were doing in managing their farms. The members of the Ontario Milk Marketing Board felt this modest increase is badly needed by the province's dairy producers.

As there is no government regulation in Ontario controlling the level of the consumer price for milk, the total amount of the increase, in addition to the producer position, is dependent on the forces of competition.

"For this reason," Mr. McKinnon said, "we do not know what the final consumer price increase will be."

For comparative pruposes, producer prices per hundredweight for raw milk destined for table use in Ontario and other provinces in January, 1977, were: Prince Edward Island $12.45; Nova Scotia $13.46; New Brunswick $13.26; Quebec $12.75; Ontario $12.01; Manitoba $12.30; Saskatchewan $11.70; Alberta $12.97 and British Columbia $14.80.

Defining stewardship UCW meeting's theme

(Special) - "What is Stewardship," was a question 78 UCW members wrestled with Tues., Feb. 8 at the executive meeting of the Seaway Valley Presbyterial held in St. Andrew's United Church Hall, Williamstown.

Williamstown UCW president Mrs. Mary Wall welcomed the guests and gave a short historical sketch of the church. Plans are now being made for celebrating the 190th anniversary of this church in June.

Presbyterial president Mrs. Jean Scott conducted a mini-devotional and chaired the morning session. Annual reports were heard from each committee convener and the four regional vice-presidents. Plans are almost completed for the Presbyterial Annual meeting to be held in Spencerville April 20, the theme being, "Our Faith and Today's Changing Society." The guest speaker will be Miss Janet Somerville of Toronto who won the hearts of those who heard her at last year's Summer Event.

Mrs Lillian Allison, vice-president, drew attention to the dates of this year's Summer Event. It will be held at Bishop's University, Lennoxville, PQ, July 15, 16 and 17 and the speaker will be Dr. Lois Wilson, chairman of the Canadian Council of Churches.

Mrs. Shirley MacDonald, Presbyterial Stewardship convener, conducted the afternoon session which took the form of a workshop on the real meaning of stewardship.

She used posters, pamphlets and scripture to make several points. In small groups the members answered and discussed questions on values and using the Bible attempted to define stewardship in the light of Paul's teachings in his espitles to the Romans, Ephesians and Corinthians. One group was heard to define stewardship as "the wise and faithful use of one's talents, time and money in the light of one's understanding of one's own ability in each of these departments."

Rev. Ed. McDonald brought the event to a close by conducting a communion service.

The next executive meeting will be held June 8 in Hallville. All United Church Women are invited to these meetings.

Rev. Henry Bowkett addresses Mariners

(Special) - Rev. Henry Bowkett, rector at St. Matthias Anglican Church, Winchester and Holy Trinity, Chesterville, was guest speaker at the February "sailing" of Chesterville Harbor Good Ship Faith at Eatonholm in Chesterville on Thursday evening.

The voyage was piloted by Chief Mate Garnet Johnston. Mrs. Milton Shay, purser, logged the voyage. George Crawford, steward, received a record offering for the Bospel Signs Ministry of Mariners. Captain E. Earle Eaton, host, gave the Mariners' chart and report. Discussion followed, led by Mr. and Mrs. Crawford and Mrs. Nina Woods. Prayer was offered by Fred Marquette.

Psalm 73 was read by Rev. Bowkett, who spoke earnestly and incisively on some concerns and issues facing Christians today. Mr. Johnston thanked him for his exceptional message.

A song service was led by Mr. Johnston, accompanied by Jim Bray, accordionist. Prayer requests were received, and special prayers offered for the sick, hospitalized, and for missionary martyrs in Rhodesia and Uganda.

Refreshments were served by a hospitality committee comprising Mrs. Crawford, Mrs. Woods, Mrs. Shay, Mrs. Fenmore Cooper, Mrs. M.O. Hansen, Mrs. Duart MacLean, Mrs. Earl Campbell and Mrs. Arthur Dillabough.

Plans for the future include visit from the national director, Admiral of the Fleet, Rev. Enos Brubacher, a visit to Cornwall church, and promotion of the gospel signs ministry and literature distribution. Twenty-seven members were present and participating.

Silent, but still deadly

Const. J.P. Watson
OPP Community Services

MORRISBURG (Special) - Inefficient exhaust system on any motor vehicle can cause death or serious brian damage if deadly carbon monoxide fumes are inhaled for a prolonged period of time.

This type of incident occurs every year, when cars are parked and their engines left running. Because of the cold windows are closed, and the exhaust fumes are allowed to silently enter the seating compartment. Carbon monoxide gas is odorless and therefore a person could be very efficiently and permanently overcome without realizing until it is too late.

The same situation can occur when the vehicle is in motion - the deadly gases can still enter the interior via the rear seats, in the event of holes being allowed to appear in the trunk compartment. The vehicle isn't always an older model, even the more modern vehicles rust out quickly, as all the body repair shops, and our pocket books, can testify.

The wise car owner should have the entire exhaust checked. It's really false economy not to when we consider the alternatives.

Funeral Feb. 16 for K.A. Fyke

Rev. L.M. Ferguson conducted the funeral service from the Vice and Craig Funeral Home, Chesterville, at 1:30pm Wed., Feb. 16 for Kenneth Allan Fyke, Elma, who died Sun., Feb. 13 at the age of 64.

Mr. Fyke had been employed as a laborer.

He was born in Winchester Township November 17, 1912 the son of Mahlon and Mary Ellen (Revine) Fyke and received his education at local schools. He was a member of the United Church of Canada.

Interment took place at Maple Ridge Cemetery and pallbearers were Ren Elliott, Eldon Elliott, Wray McPherson and Graham McPherson.

Metcalfe woman dies in Ottawa

Ida Pearl Douglas, a native of Osgoode Township and resident of Metcalfe, died in Montfort Hospital, Ottawa, Sat., Feb. 12 following a lengthy illness. She was 76.

The daughter of John and Emilia May (Parker) Quinn, she was born in Osgoode Township November 15, 1900.

Mrs. Douglas is survived by three daughters, Evelyn (Mrs. Lloyd Scharf), Ottawa, Lorena (Mrs. D. Corneil), Carleton Place, and Florence (Mrs. Irvine Carson), Merrickville; three sons, Lloyd, Brantford, Fred, Osgoode, and Osborne, Ottawa; 25 grandchildren, and 11 great-grandchildren.

She was predeceased by her husband, John R. Douglas.

The funeral service was conducted by Rev. J. Mason from the Vice and Craig Funeral Home, Metcalfe, at 2:30pm, Mon., Feb. 14 with interment at Metcalfe Union Cemetery. Pallbearers were six grandsons.

Record's error

(Staff) — The Record regrets the typographical error in last week's obituary of Frank Todd which stated his sister, Miss Helen Todd, predeceased him. Mr. Todd, a retired RR1 Chesterville farmer, is survived by Miss Todd, Montreal, two brothers, William, Orleans, and Jack, Brockville and by several nieces and nephews. He was predeceased by one sister, Mrs. Hilda Hutt, and by a brother, Ernest.

St. Bernard's CWL sends money to mission

FINCH (Special) - The February meeting of St. Bernard's CWL was held at the rectory. Mrs.Tom Sullivan, president, was in the chair and Rev. Rock Bougie opened the meeting with the League Prayer.

Mrs. Bernard Foley secretary, read the minutes of the previous meeting as well as other correspondence, which included a letter from Diocesan Convener Miss Alice McGillis asking members to continue sending in objections to radio and TV stations on certain programs.

Mrs. Herman Teplate, treasurer, gave her financial report and stated a generous donation was sent to Sister Simone Lefebvre who is working with the Inkian Missions in Kenora.

Rosaries for the First Communion class and confirmation cards will be ordered.

Members were reminded of the next Diocesan meeting to be held in Holy Cross Parish hall in Cornwall on February 28, preceded by mass.

Tickets will be sold on a comforter to be drawn at the Annual St. Patrick's dance in March.

Members were asked to save old stamps and turn them into Mrs. Wallace Morris.

A poem "Just Stop and Think", concerning the abortion issue was read by Mrs.Bernard Foley and the Finch Council will participate in the program "One Million Hours of Prayer" March 20 in Thanksgiving for the gift of life, when the Blessed Sacrament will be exposed at St. Bernard's Church during the afternoon.

by wyn thompson

So graceful, they seem, as they glide across the snowy fields on inch wide slats.

And they're all ages, from young tads barely able to stand straight in their boots, to pensioners flitting fitly over the frozen drifts.

Just watching them started the memory to stir along the long-forgotten passages of your mind, drawing other memories in line as well.

The clean swishing sound of ski against the snow, the bite of wind against the tiny bit of lobe projecting beneath last year's toque, the cold that collects in feet bound tightly in last year's outgrown ski boots, knots in frozen laces and stiff fingers trying to untie and tie them properly.

The sharp crunch of the snow as you glided along on a cold moonlight night. And baked beans and brown bread and hot chocolate after an evening in the fields with friends.

For the first time since you were sixteen you want to don the old cross-country skis. You ferret them out from the other long forgotten debris in the attic.

With the trepidation that legitimately attends any attempt to return to the past, you try to look nonchalant as you stride out into the open field. The skis slide on as soon as they touch the crusty snow, leaving the rest of you to catch up. You rejoin your feet, only to have one ski catch under a long piece of frozen crust and stay behind you. Your arms thrash about wildly, and the snow leaps up and catches you hard on the posterior.

With damaged pride and bruised feelings, you regain a semi-vertical position and begin again. On all sides, younger (and more humiliating yet, older) skiers glide by, as graceful as a melody. You note they give you the same discreet berth given to a weaving vehicle late at night.

Lurching erratically forward, you suddenly develop a rhythm. For a few gliding yards, your erratic motion ceases. Memories again flood your mind. You cease gritting your teeth and start humming to yourself.

Amazing how you can remember. It must be like swimming - something you never forget. There's a hill. The snow slips under the well waxed skis at a phenomenal rate. A small warning echoes from the recesses of your mind...don't be too smart. Pride goeth before a .... dammit, Oh, it hurts!

The hill shows the result of snow ploughing action. Off again, gliding first on the left foot, then on the right, poles held properly aiding and abetting as need be, slower than before, eyes occasionally lifting from the snow's crust to glance at the passing scene.

The new perspective changes your awareness. Among other things, you become acutely aware of your rump and tail bone. They hurt almost as much as your pride. You become slowly aware of pain in your legs and hips as you creak along. Time to head back. It's obvious you have come farther than you should have.

Back to the warm fire and the warming drink, and more immediate memories of skiing - how painful it is, and what fun!

At the moment we are enjoying the long-awaited February thaw. It even speaks of rain tomorrow evening. Meanwhile, water drips from the icicles along the roofs of old buildings. And the sun shines warm. It is a day to be alive and out and about.

So what is doing on the farm these days, you say. Well, there are always chores. Darcy James is taking to this world quite nicely it seems and his father is preparing to leave for a week's skiing in Colorado, where, if you can believe it, the ski hills need more snow.

I have two friends who are greatly involved with curling during the winter months and suddenly as I set before the fire the other night I wondered where the sport originated. See how ignorant I am about such a popular Canadian sport.

I took down the encyclopedia and discovered that it was a Scottish sport of which Robert Burns wrote -

"When Winter muffles up his cloak,
And binds the mire like a rock,
Then to the loch the Curlers flock
Wi' gleesome speed."

I got down Guillet's book Pioneer Days in Upper Canada and sure enough, "The ancient Scottish sport of curling, or channel-stane as it was long called, is very closely connected with pioneer life in Canada. In the history of the early settlement of our country there is but little reference to organized sport, but among the first games played in both urban and rural districts was curling.

"An authority on the development of the game in Scotland writes that "the early history of curling is involved in such obscurity that the time even of antiquarians might be better employed in eating beef and greens, or in playing the game, than in endeavoring to discover its origin."

The game is certainly of great antiquity, for references to curling (and to golf as well) are found in a book published in 1638: while in the 1695 edition of Camden's Brittania the Isle of Copinsha, in the Orkney Group, is described as containing "in great plenty excellent stones for the game called curling."

The stones that were early used were irregular in size and shape. Some of these have been discovered from the bottom of lochs and mill-dams; one is dated 1551, and is eleven inches long, ten inches broad and five inches thick.

Throughout the centuries that the game has been played in Scotland it has always been noted for its democratic tendencies. An early encyclopedia states that "peers, peasants, clergymen, farmers, country gentlemen, tradesmen and artisans all meet hilariously and familiarly for the occasion."

In Canada, too, "the spruce tailor, the burly stonemason, the active weaver, the quiet thinking minister, the humble voter, and the M.P. are all on a level.The grand test is who curls best."

The sense of good sportsmanship, alike in victory and defeat, has been equally prominent wherever curling has been played, for, in the words of the poet, -

"It's slippery game for a' that;
We're never afraid to meet on ice
The best o' folks for a' that."

So a good bonspiel to you and remember "Wha lose today may win the morn-

Thou roarin' game, hip hip hurrah' ""

the editor's notebook

ON PAGE 12 OF THIS WEEK'S RECORD is a picture that should sicken most people. It's a photograph taken Monday of a pregnant doe run to exhaustion and chewed to death that day by a pack of dogs in central Stormont County. Such pictures don't usually make the pages of this newspaper - there is enough death and horror depicted elsewhere - but in this instance we made an exception. The rips and tears in that animal's flesh - made while it was still living - should give a graphic illustration of the agony of its death throes. We all hear about the killing of deer by dogs but are very rarely confronted with the reality of the fact: one which probably came about because some careless dog owners let their pets range free in rural areas. According to the Ministry of Natural Resources, any kind of dog is capable of this type of depredation - it isn't restricted to dogs which have gone back to a semi-wild state. When they are allowed to run free like this, a sort of primeval blood lust takes over and otherwise lovable family pets can turn into snarling killers. The problem is at its worst at this time of year, when weather conditions conspire against the area's deer population. The killings could be greatly reduced if dog owners kept their pets tied or locked up during February and March. If anyone should see or hear dogs running in brush area, the ministry wants them immediately to contact its Cornwall office or the nearest OPP detachment. The ministry will go to excessive lengths to make sure that the dogs involved will never get the chance to kill, or if they have killed, it will most definitely have been a one shot affair.

chesterville's past

FROM THE RECORD THURS., FEB. 18, 1937

Last night in Cornwall's big artificial ice palace where the Canadiens, league leaders in the St. Lawrence League from wire to wire, have been cavorting since mid-November, the country village boys, the Chesterville Maple Leafs, stepped to town. They passed Cornwall's hopes into the discard in the final game of the two-game series by a score of 6 to 5 in a 30-minute overtime thriller after tieing up the first game here on Monday with a three-all score and winning the round 9 to 8. The game was locked at 2-2 at the end of regular time and Chesterville was down 5-3 when they surged to score three goals in the last three minutes of overtime.

With an attendance of about thirty at the adjourned meeting in the Community Hall Tuesday evening the discussion was resumed about holding an Old Home Reunion this year in Chesterville with the decision that owing to the lateness of the start of preparations a reunion this year might develop half-heartedly and would not be the success which more time and thorough-preparations would undoubtedly bring. As a result it was decided to hold the reunion in 1938.

On Friday the World Day of Prayer was observed in St. Andrew's Church with members of the W.M.S. and other ladies from the United, Anglican and Presbyterian churches meeting for worship and prayer. Mrs. Tait, Mrs. Turner and Miss Jameson presided. Mrs. Smirle presided at the organ.

Fresh ground Chase and Sanborn coffee is advertised at 29 cents a pound at Fulton Bros. in this week's Record. Other bargains at the store include sliced pineapple at 10 cents a tin; bread, seven cents a loaf; two pounds of pie shortening for 24 cents; 25 lb. bag of choice New Brunswick potatoes for 25 cents, and 200-sheet boxes of Kleenex for 15 cents.

The Community Theatre will this week present on Friday and Saturday evenings another big picture in "Swingtime" with Ginger Rogers and Fred Astaire starring. This is one of the most talked about pictures of the year and will doubtless pack the Community with those who were so delighted with "Follow the Fleet" in which Rogers and Astaire appeared here some time ago.

Lorne Thompson of Morewood, who suffered a broken leg in the Dagenais pit near Morewood on February 3rd, broke the same limb Sunday about four inches above the other break when he fell.

FROM THE RECORD THURS., FEB. 13, 1947

The annual "At Home" of the Chesterville High School was held in the Community Hall last Thursday evening when some 200 couples danced to the music of Eldred Duquette's orchestra. Students responsible for the decorating were Shirley Rowe, Margaret Gilroy, Evalene Thom, Shelia MacMillan, Marjorie Merkley, Ardeth Justus, Muriel Gray, Phyllis Clayton, Marion Bell, Lucy Carr, Douglas Hough, Henry Feeley, Ernest Fawcett, Gerald Brown, Graham Barkley, Gordon Fulton and Billy MacMillan. The patrons and patronesses were Mr. and Mrs. A. Ross of the teaching staff, Miss Marion Bell, Miss Marjorie McMillan, Mr. Douglas Hough and Mrs. Douglas Hough.

The second of the Legionaires' hockey players to be seriously injured is Jim McCloskey, who suffered fractures of his jaw bone last Friday night while at practice. His cheekbone was also injured. He was taken to Dr. Justus' office where his injuries were found to be serious and was taken from there to the Civic Hospital for further examination and treatment.

A special meeting of Winchester Township Council is being held in Chesterville this afternoon at 2:30 to discuss purchase of additional snow removal equipment, possibly a bulldozer or another plow to hitch onto a heavy truck. There are 135 miles of township roads to keep clear with one snowplow. Some of the roads are very narrow and many ratepayers feel wider shoulders should be built to accommodate traffic.

Huntsmen in Glengarry County have declared all-out war on a pack of wolves which have been in the district for some months. It is feared the wolves may be a serious menace to the herds and flocks as well as the wild life in the county.

The Canadian Girls In Training group of Trinity United Church will be in charge of the evening service on Sunday, February 16th at 7:30. The girls will be assisted in the service by Mrs. Martineau of Morewood.

Maxville finished on top of the COVHL with 16 points, and should Chesterville win tonight, they would be within one point as they split the points on the last game following last week's protest over Maxville using a Cornwall player. Chesterville thus stands undisputed in second place with 13 points, Winchester is third with 10, regardless of the outcome of tonight's game, and Finch-Berwick finished the season in fourth spot with seven points.

FROM THE RECORD THURS., FEB. 14, 1957

The Record is in receipt of a letter from F.M. Cass, M.P.P. for Grenville-Dundas, which notes that some long-awaited work is to be done on the road leading from Highway 31 to Chesterville. The dangling end of No. 43 is at last going to get an overhaul. Surveyors indications are that the highway will switch off Main St. in the village onto Queen St. and proceed west to the west boundary of the fairgrounds. From there it will swing into a sweeping curve to the north and west, finally paralleling the south side of the right of way of the CPR until it comes out at the White Crossing. The new cut-off will do away with the two railway crossings.

Arthur C. Casselman, public school principal at Cardinal, was nominated as the Liberal candidate for the federal constituency of Grenville-Dundas for the coming election, at the annual meeting of the Liberal Association held in Spencerville's Community Hall. Officers for 1957 were elected as follows: president, J. Frank Casselman, Morewood, secretary-treasurer, Carl Crump, Chesterville, vice-president, Roger Weir, Augusta Township.

Thos McCadden was returned for another year as president of the Chesterville and District Agricultural Society as its annual meeting held recently. First vice-president, Basil Dawley, second vice-president, Malcolm MacGregor, secretary-treasurer, Hosea Droppo, directors, Eric Casselman, A.E. Smith, Angus Smith, Dr. B.W. Lapp, Howard Kittle, Harold Faulkner, Douglas Durant, Alex Barrie and John Maxwell.

Schools at Finch and Newington were broken into last week. Public school officials said the thief or thieves broke into the teachers' common room and stole the Red Cross and milk fund money. At Finch High School officials found nothing had been taken. They did say, however, that the burglar or burglars were trying to get into the science room where the chemistry and physics equipment is stored.

The first hockey game of a home and home series was played on Chesterville ice between Chesterville Public School and Berwick Public School. The hard-fought game, played Tuesday evening, ended in a 1-1 tie. The line-ups for both teams is as follows: Chesterville - Wayne LaPrade, Donald Cross, Donald Robertson, Francis Marriner, Wayne Jordan, Bobbie Henderson; substitutes, Lenny Ouderkirk, Garnet Edgerton, Steven Fyke, Arden Marcellus, Gary Barkley. Berwick - Wayne Briere, Wayne Smirle, Ronald Coleman, Cliff Lang, Brian Meldrum, Ken Ouderkirk; subs., Peter Gutknecht, Dave Laroux, Brian Ouderkirk, Richard Lebrun, Gary Nugent. The referee was Grenville Fyke.

What Legion means to an 11-year-old

INGLESIDE — Jeffrey Duprau, an 11-year-old Ingleside boy, was the guest speaker at the "Early Bird" Dinner of Canadian Legion Branch 569, Long Sault, Saturday night.

He told his audience that he was "proud to honor the memory of all those men who helped to keep this country free for me". He then addressed the Legion members and said, "Your work for the families of your brothers; your community work, your love of this country...these are your memorials." Jeff was introduced by his proud grandfather, Miles Hunter, and thanked by Legionnaire Bernie Windle. An Early Bird in the Legion is a member who pays his dues early in the year, but the young speaker had another definition to offer in his closing remarks.

"An Early Bird is one who fulfills his obligation to the legion, and stands behind what he believes in." Jeff is pictured with his grandfather and Branch 569 president Mrs. Keitha Strachan.

Catholic school assessment increases

CORNWALL (Staff) - Roman Catholic school assessment in the United Counties increased by almost $3-million last year according to a news release issued last week by the tri-county separate school board.

The increase amounts to six per cent of the board's total and boosts assessment for separate school support to $49,373,881, of which $42,574,314 is made up of residential assessment and only $6,799,567 is accounted for by commercial assessment.

In the release, the board points out that the increased assessment will not be of assistance in financing costs recognized by the province for grant purposes, since increased tax revenues result in a corresponding reduction in provincial grant support.

It will be helpful, though, since the size of a board's assessment base is essential for supporting such no-grantable expenditures as expenses over grant ceilings and unrecognized debenture debts.

These extra costs must by paid entirely by the ratepayer so extra assessment can even out the tax burden.

The SD&G spearate board blames the province of Ontario for the obstacles standing its way to raising assessment on a per student basis. At present United Counties separate school assessment per pupil is one-third of the provincial average.

This is due in part to the fact that while Catholics can choose which system they wish their taxes to support, non-Catholics are unable to support separate schools.

The board also lists obstacles in the Provincial Assessment Act as standing in its way to obtaining a larger share of corporate assessment. This has resulted in a lower share of commercial assessment in SD&G going to support Roman Catholic education.

On a per pupil basis, the corporate assessment of the public elementary system is 10 times that of the separate elementary system.

Even with these difficulties, the board says it has managed to offer mill rates comparable to those of public school supporters for its ratepayers.

Ingleside senior citizens enjoy Valentine program

INGLESIDE (Special) - Valentine Day was celebrated by the Ingleside Senior Citizens in a gaily decorated hall with dinner tables alive wih valentines.

Sixty-three members enjoyed the meal prepared by Mrs. Audrey Ostrander and her committee.

The afternoon opened with group games. 'How to Treat a Husband' was revealed by Mrs Freda Rowe; "The happy romance of The Farmer's Daughter" was read by Mrs. Archie Morrison. A musical contest by Mrs. John MacDonald defeated the club members.

A fashion parade of costumes of the past brought out a shawl 150 years old, a wedding dress from 1897, a gay wedding dress from India, and another two from the Roaring Twenties. Centennial dresses appeared. The ladies participating were Violet Da Silva, Mrs Katherine Weaver Mrs. Mary Trimble, Mrs. Freda Rowe, Mrs. Helen Rupert, Mrs. Shirley Walsh, Mrs. Lela Grandaw, Mrs. Mary MacDonald, Mrs. Mabel Prieur and Mrs. Inez Wiley.

A pleasant feature was the presentation of a birthday cake to Adolph Kocoureh who was celebrating his 83rd birthday.

A bus load of club members will attend the showing of My Fair Lady in Cornwall.

Springs native dies Feb. 9 in Cornwall

A native of Winchester Springs and resident of Glen-Stor-Dun Lodge Nursing Home, Cornwall, Donald Ross Hess died in Cornwall General Hospital Wed., Feb. 9 at the age of 86.

Mr. Hess, who had lived in Winchester Springs and Lisbon, NY, before moving to the Cornwall nursing home, was a retired farmer and section hand.

He was born in Winchester Springs September 10, 1890 the son of Allen and Euretta (Fetterley) Hess and received his education locally.

He married the former Laura Curry, who predeceased him.

Mr. Hess was a member of the Presbyterian Church of Canada.

The funeral service was conducted from the Vice and Craig Funeral Home, Winchester, by Rev. H. Smith at 2pm Sat., Feb. 12. Interment was at Maple Ridge Cemetery and pallbearers were Jim McMillan, Dalton Coons, Edwin McMillan, Keith McMillan, Hubert Hess and Glendon Hess.

Avonmore WI discusses status of women today

AVONMORE (Special) - The regular monthly meeting of the Women's Missionary Society was held last Tuesday night in the Sunday School Room with a good attendance. Convenors for the meeting were Mrs. Clifford McElheran and Mrs. Hugh Morrison.

The meeting opened with a prayer by Mrs. McElheran followed by a gospel hymn, bible reading and a very interesting Bible lesson entitled "Christ in the beginning was a layman".

Mrs. Morrison led in prayer and the missionary lesson from the second lesson from the study book "Develop Human Solidarity" and gave the members a chance to ask and answer questions.

Mrs. Stanley Goodman had a reading entitled "The dying millions still may live".

President Mrs. Neil Bush took the chair for the business part, assisted by the secretary, Mrs. James Tinkess. Roll call was answered with a verse containing the word "repent". Minutes were read and other new business plans were made for the Spring Rally, which will be held in the church in May. The meeting closed with prayer and a lunch served by Mrs. Morrison, Mrs. McElheran and Mrs. Goodman.

Grim harvest opens across SD&G

(Staff) - The deer season opened Monday morning.

Not the season you're thinking of. This isn't an orderly harvest carried out by licenced hunters and its result is one most of us would rather not have to look at. And the saddest thing is that it doesn't have to take place.

What season is it then? It's the annual brutal round of killings carried out by packs of dogs running at large in the United Counties.

The first killing in the grisly harvest was discovered Monday morning in the Bonville area and the victim was a 150-lb. doe pregnant with two fawns.

The savagely ripped carcass - an indication of the agony of the doe's last few hours - was discovered less than 30 feet from a farmhouse and when Ministry of Natural Resources wildlife technician Victor Martelock arrived on the scene, it was still warm.

The deer had been run down and killed by a pack of three dogs. Dogs one probably would never suspect of having done it.

Conservation officer Ron Sprigings, whose jurisdiction includes Dundas County and part of Stormont, said Monday afternoon the dogs responsible for the killing could very well be household pets and their owners are in all probability unaware of this unsavory side of their dgos' nature.

February and March are traditionally the months in which these killings take place.

The February thaw allows a crust to form on the snow and dogs, with their padded paws, can travel easily over its surface. On the other hand, deer, with their small, sharp hooves, must plunge through the snow and their usual quicksilverness is reduced to a plodding, ploughing effort.

Results of Monday's "hunt"

This has been a particularly bad year for the United Counties' deer population. The extremely cold weather and heavy snows have combined with the thaw of the last two weeks to make them easy prey.

Mr. Sprigings said when snow reaches a depth of 20 inches, deer's mobility is severely reduced. This year the snow depth was measured at 27 inches before the thaw. It has probably been reduced to about 20 inches by now, he added.

Deer are usually in a weakened condition by this time, as evidenced by the size of the doe killed Monday. Under normal conditions, she would have weighed about 200 lbs. but because feeding is so difficult, she weighed only about 150.

To compound the problem, does are usually pregnant at this time of year since they mate in October and November and fawn in May and June. Pregnancy weakens their condition and slows them down.

But it isn't just does the dogs go after. They are completely indiscriminate in their ravages and bucks and fawns are numbered every year among their victims.

Between 15 and 20 deer were reported killed last winter and although Monday's was the first kill of the year, Mr. Sprigings and his fellow officer have been kept busy preventing others from taking place.

Under provincial wildlife legislation, dogs found running in deer populated areas can be impounded and killed and their owners charged. The fine for a first offence is $100 and subsequent charges can lead to fines of up to $1,000. Mr. Sprigings added that there are very few warnings issued in these cases.

The reason for the fines, he explained, is that this is a "people problem".

"We can't blame the dogs for doing this. Once they get out and start running they undergo a change. When we spot them in the bush, they take off and we find it very difficult to catch them. Then we can go into a farmyard and the very same dog will come up and lick our hands, once they find themselves in familiar surroundings."

Mr. Sprigings said the ministry wants to make all dog owners aware of the fact that their pets are capable of what he found Monday. There are almost no exceptions and all types of dogs have been found running. They include everything from terriers to Alsations and the 57-variety mongrel. When on the run, they have tremendous range.

Once a dog has killed it will do so again. And again and again. They don't kill for food- the doe found Monday had been chewed and bitten but there was no proof it had been eaten - they do so for the pure joy of killing.

Mr. Sprigings said the ministry wants dog owners to be aware of their pets' whereabouts at all times and during this critical period, especially, they should be kept tied or locked up. Since a great many killings take place during the day, dogs should be secured while their owners are away at work.

The deer population of the United Counties has been on the up-swing in the last couple of years. This is borne out by the number killed during the four-day hunting season last fall when 60 animals were "harvested". About 45 were taken in the 1975 hunt.

Mr. Sprigings said more deer have been spotted in the ministry's aerial checks of the Winchester wildlife area this year. Thirty-four have been seen this year as opposed to the 20-25 usually seen.

But if these depredations are allowed to continue, we won't have to worry at all about having a deer population much longer.

Anyone hearing dogs running at night or seeing them during the day should contact the ministry's Cornwall office or get in touch the OPP, which is in radio contact with the conservation officers. Even better, anyone with a dog should keep it tied up or at least be aware of its whereabouts. It could save a $100 fine and prevent the death of one of nature's most beautiful animals.

Moscow Dynamos humble Cornwall & District 20-7

CORNWALL (Staff) - The cart was too heavy and the horses too small here Sunday.

That in a nutshell is a quick summary of the Cornwall and District Midget Hockey team's performance against the Moscow Dynamos before almost 2,700 epople at the Ed Lumley Arena.

The touring Dynamos, ranked second in their league, had the game in the bag shortly after the drop of the puck and it showed throughout as they won handily by a 20-7 margin.

The bigger, stronger and swifter Soviets moved the puck at will to roll up 9-1 and 16-2 period margins.

What they lacked in skating skills, they made up for in play making as they continuously worked the puck into the slot area for point-blank shots at the Cornwall and District net.

The win was the first during their tour. They tied Moncton 4-4 in the first game of their six-game tour before bowing 9-7 to the South Ottawa Canadians and 5-4 to Thunder Bay Friday night.

They played in Sorel Tuesdy night and will close out their two-week visit to Canada in Quebec City tonight.

The area team appeared awed when they heard the Soviet and Canadian national anthems and it took them sometime to regain their hockey minds.

Vladimir Sobolev, who scored three times in the first period and four times in the game, opened the scoring at the 31-second mark.

Morrsiburg's Scott Corden, named the Canadian player of the game, evened the score at 1:07 but from then on it was game over.

The Dynamos regained the lead for keeps just 32 seconds later when Sergei Zhdanov scored his first of four goals. He was named the Soviet player of the game.

Corden and Zhdanov each received watches from Nick Lee, manager of the Morrisburg branch of the Bank of Nova Scotia.

The Soviets upped the margin to 5-1 before beating goaltender Peter Wensink, from Maxville, with four shots in just under two minutes before the period ended.

Wensink was replaced by Ricky Marleau at the start of the second period and he ran headfirst into a shooting gallery.

The Soviet sharpshooters whisked the first four shots past him and he was sent to the bench as Alain Chevrier, of the Cornwall Midget B team, came on to finish the game.

Chevrier was greeted with a goal on the first shot directed at him.

He, like Wensink and Marleau, got little sympathy from the Soviets as they pumped seven goals past him.

The speedier Soviet boys outshot the Cornwall and District squad 24-8 in the first period and 22-10 in the second frame. The local boys took charge in the final stanza and outshot the Dymanos 19-15 and outscored them 5-4.

The Soviets replaced starting goaltender Andrei Keljuzhnyi with Vladimir Knojkov who was not as strong in blocking the puck. The Dynamos also appeared to take it easier with the game already well out of reach.

Scott Corden paced the Canadian attack with two goals and Leo Lafortune, also from Morrisburg, scored once. Contributing other goals were Harold Earle and Sheldon Coughlin, both of Cornwall Township, and Kevin Fontaine and Lee Sheets, both of Cornwall.

Vladimir Sobolev and Sergei Zhdanov each scored four gimes for Moscow and Mikhaili Kirejev and Andrei Tishkov got hat tricks. Vladimir Chuckulin had a pair of goals and singles went to Petr Shurshin, Vladimir Shashov, Victor Orlov and Mikhail Artsibashev.

Senior league playoffs halted

EMBRUN (Staff) - The Ottawa District Senior Hockey League playoffs started and stopped on the weekend.

Embrun was well on their way to posting victory number one over the Ottawa Cougars Sunday afternoon when officials halted the game with minutes played in the second period due to soft ice.

The Panthers were leading 6-1 at the time and winger Dave Dixie was on a record setting pace four four first-period goals. Dave Hunt and John Hutton got the other goals as Randy Dorkin replied for Ottawa.

The Gatineau Nordiques downed Potsdam 6-1 in their series opener Friday night.

League secretary-treasurer Hubert Bertrand, in a telephone interview Monday night, said he was not yet sure if the game would be replayed in its entirety or whether it would be conceded to Embrun.

Earlier in the day, Ottawa general manager Ray Daly indicated to Bertrand the game would be given to Embrun.

But, Bertrand had been unable to contact Ebmrun's GM Gerard Bourdeau Monday to confirm what would be done.

The two teams will meet at the Merivale Arena at 8pm Thursday and back in Embrun at 2pm Sunday.

Julie Holmes sets new indoor record

MAPLE RIDGE (Staff) - North Dundas District High School's dynamic trio of Julie Holmes, Kathy Workman and Rose Hauch have done it again.

The trio qualified for the National Senior Track and Field Championships Sunday at the Ontario Senior Indoor Championships at Toronto. They will compete in Montreal this weekend.

Julie set a new Canadian indoor record in the 200-metre dash with a time of 25.0 seconds while Rose won the women's shot put with a distance of 14.0 metres.

The first place finishes automatically qualified the two girls for the national meet.

Kathy was fifth in the long jump with a leap of 5.20 metres and surpassed the qualifying standard to earn the trip to Montreal.

Saturday, four of five ND students garnered first place finishes at the Eastern Ontario Championships held in Ottawa.

Rose won the women's shot put with a put of 13.70 metres and Kathy won the 50 metre hurdles event with a tie of 7.8 seconds.

In the boys' juvenile division, Larry Erwin won the high jump, clearing the bar at 5.80 metres and Brent Thompson won the triple jump event with a leap of 11.30 metres.

Marty Little, of Chesterville, was second in the midget boys' shot put with a put of 14.70 metres.

Morrisburg oldtimers' tourney this weekend

MORRISBURG (Staff) - Sixteen teams from Eastern Ontario and western Quebec will be vying for the grand championship at the first annual Morrisburg Oldtimers' Hockey Tournament this weekend.

Twenty-two games will be played in the two-day event which starts at 9am Saturday. The consolation final is scheduled for 6pm Sunday with the championship game to follow at 7.

All eight first round games will be played Saturday with the Stormont Countymen meeting Brockville in the opener at 9am.

The North Stormont All Stars play Stittsville at 10am, Quyon meets Carlsbad Springs at 11am, Vanier goes against Dollard Des Ormeaux at noon, Pierrefonds palys Aylmer at 1pm, Morrisburg meets Kingston at 2pm, Brockville Luggers play Cornwall Hubs at 4pm and Bonaventure faces Beaconsfield at 5pm.

Individual awards will be presented to the top point scorer, best goaltender and most valuable player.

UCMHL sked. ends

INGLESIDE (Staff) — Morrisburg easily captured the pennant in the Upper Canada Hockey League peewee division this season.

Morrisburg finished the regular season recently with 38 points. Osnabruck was the runner-up with 19 while Winchester Acres has 18, Winchester Lions 13 and Chesterville 10.

By winning the regular season pennant, Morrisburg received a bye in the first round of playoffs while Osnabruck plays Winchester Lions and Winchester Acres meets Chesterville in two-game total-goal series.

The losers of those two series will play a consolation series while the winners advance to a round-robin series with Morrisburg for the league playoff championship.

Atom Flyers' end season

(Special) - C of C Atom Flyers wound up their regular league schedule last Wednesday with a win over Winchester.

Mark Smith opened the scoring for the Flyers on a pass from Kent Smith at 13:41 of the first period. This proved to be the only goal for two periods as both goalies made remarkable saves.

The third period was a strong, well-played one for Chesterville as they dominated action. Kelly Mitchell scored two nice goals in the first half of the period - the first assisted by Derek Morrison and the second assisted by Mike VanDelst and Kevin Harper.

At 4:37 Rene Boulanger netted a goal on a pass from Darrin Kelly. With one minute left Mark Smith scored the final goal of the game on a play set up by Darrin Kelly and Kelly Mitchell.

Fry's last second goal gives Blue 5-5 draw

(Staff) - The Chesterville Town Hockey League received its first tie game of the season last Thursday when Doug Fry lifted Blue to a 5-5 final score with Green by scoring with two seconds showing on the clock in the final period.

Fry's goal, his third of the season, capped a third period rally which Green leading 5-2 going into te frame.

Wednesday night, Red belted Yellow 9-2 to remain in solid contention for the league pennant with four regular season games remaining for each team.

Blue charged into a 2-0 lead Thursday night but the momentum changed as Green scored once before the first period was over and added four more in the middle stanza.

Blue started the comeback with five minutes remaining in the game. They lifted the goaltender in favor of an extra attacker with just over one minute remaining and it paid off.

Kevin Copper led Green with two goals and Ricky Barkley, Mike Lecuyer and Richard McMillan each contributed singles.

Randy Baker, who last week scored five goals, continued his scoring ways for Blue with a pair and singles went to Fry, Don Smith and Brian McMillan.

Garry Gallinger led Red Wednesday with three goals. Scoring singles were Pete Lasalle, Richard Elliott, Owen Shortt, Rick Cormier, Brian Gunnel and Charles McMillan.

Les Holmes and Mike Fyke scored for Yellow.

Blue meets Yellow tonight and Red goes against Green Thursday night. Next week, Yellow and Green play Wednesday and Blue plays Red Thursday.

Peewees split with Russell, cling to final playoff position

(Special) — The Chesterville Peewee Flyers travelled to Russell on Tuesday for a Carleton-Dundas league game vital to the Flyers in their struggle to maintain their fourth play-off position.

Chris McKibbin was tough in nets for the Flyers and held the Russell team scoreless during his shift. The Flyers, allthough not living up to their name, atleast held the play and Scotty Richards scored in the first period from Duff Mitchell and assisted on Ken Shay's goal midway through the second period.

Then Russell took over, and scored and before the period ended. with Kevin O'Rielly making no mistake.

The final period was a disaster for Chesterville which stood by and watched the Russell boys net four more unanswered goals. The goal-getters were Latimer, Paquette Captain Bouwhuis, and Derek McLaren.

Wednesday Russell came to town to again play the Flyers in their last encounter of the scheduled league play. Again Chesterville took the lead, again it was the fine shot of Scott Richards that scored.

Still in the first period, Duff Mitchell blasted home another goal, this one set up perfectly by Scott Richards. Ken Shay then scored unassisted when he stole the puck at centre and went in alone.

Captain Shay again tucked in another goal, this time on passes from centre Duff Mitchell and defenceman Vince Cousineau.

Still in the opening period, Russell got on the scoreboard, on an unassisted goal from captain Ron Bouwhuis.

Russell kept on coming in the second period, scoring again, the captain blinking the red light. But Kenny Shay, again ripped one past the goalie Baas, ending the middle period 5-2 for Chesterville.

Russell's Derek McLaren scored early in the final stanza. This was answered by Terry Barkley, who scored, assisted by Chestervilles Ken Shay, who totalled 3 goals and 1 assist.

McLaren wasn't done, again putting the puck past Kevin Greer, who had two goals and two assists. With only seconds on the clock, Duff Mitchell put in his second goal of the night.

Final score was 7-4 in a real thriller, with Chesterville picking up two badly needed points. The final game of the schedule is next Wednesday, Feb. 23, in Winchester, at 6pm.

UNFORTUNATE

Several persons left the Ed Lumley Arena Sunday grumbling that they had been taken for $2.50 to watch the Moscow Dynamos destroy the Cornwall and District Midgets 20-7.

But, many other persons left the building talking about the playmaking skills of the Soviet team which completely dominated the local team, which has only been together for less than a month.

Agreed there was a mismatch with the Dynamos, second in their league, and the Cornwall and District squad but what was the game's organizer Bill Dillabough expected to do?

Dillabough was told the Soviet team would be in the area between Feb. 10-24 and he could find no takers to guarantee the $4,000 purse to attract the Dynamos. Minor hockey associations in Cornwall and Brockville both turned down the offer before Dillabough, president of the Ottawa District Hockey Association, decided to take on the game as a personal endeavor.

The obvious choice for opposition was the Cornwall Midget A hockey team but they were already committed to a tournament at Sorel.

The next choice was to name an area team. That obviously wasn't the answer but no matter what Mr. Dillabough elected to do, someone would have found fault.

If he had taken a Cornwall team, people living outside the city would have said "Yeah, that's Cornwall taking everything and not giving us a chance."

That wasn't the case in this situation but it was clearly an event which popped up unexpectedly and Mr. Dillabough couldn't get the right horses to pull the cart against the Soviets.

Several of the Soviet players stood over six feet in height while the biggest Canadian players were no where near that. One was five foot, 11 inches and another tipped the scales at 176 pounds.

A majority of the players on the Canadian team played bantam division hockey last season, a far cry from meeting the Moscow Dynamos.

Some suggestion has been made fans will react differently the next time around for international play but don't forget it was an outsider who went out of his way to bring the first international game to the Ed Lumley Arena.

Mr. Dillabough has probably learned from his errors but he was the only one willing to make the step and should not be the target for criticism.

PALM NOTES

Announcer Wayne Waldroff of CJSS radio did a super job in pronouncing the names of the Soviet players. He had his work cut out, getting his tongue around those difficult Russian names three times every time they scored a goal.

Reports were the Soviet players had their skates sharpened before the game and some of them were in such bad shape, with chips out of them, they couldn't be sharpened.

And try this, we saw the Dynamos, in their bus, leaving the complex with their hockey equipment still on. That was about 20 minutes after the game was over. That may be a new way to keep the boys from defecting. Keep their clothes locked in the motel rooms.

CURLING BRIARS

This is the time of the year when newspapers, daily and weekly, are full of ink in support of area curling bonspiels for local trophies and the right to go on and compete for provincial and national titles.

The Seaway District High School foursome of Lori Boyd, Leslie Brais, Karen Shearing and Jo-Anne Christensen have won the SD&G crown. They recently downed CCVS 6-4 and North Dundas 6-5 to win the title and the right to compete for the EOSSA title at Hawkesbury.

In the boys' division, Seaway beat North Dundas 9-2 before losing 3-2 to Glengarry in the second round.

A BIG QUESTION TO ANSWER

Will the Embrun Panthers move to Smiths Falls? The answer remains to be seen but whatever it is president Mike Murray will have the task of making the announcement.

Local fans, who haven't exactly jammed the arena so far this season, will have little choice but to respect Mr. Murray's decision whether they agree or disagree.

Close to 1,000 fans watched the Panthers play Potsdam to a 4-4 tie at Smiths Falls recently and that may be the first of many senior hockey games to be played there in the future.

Panther officials say the team will remain in Embrun for the current season but are not looking ahead to next year. The defending Canadian Intermediate A Champions have already decided to go on the road for playoff games because commitments to host weekend series are too costly.

Embrun followers are not overjoyed with the announcement the Panthers may be moving, especially considering what league they may be left with since Gatineau is supposedly suspending operations next year.

We don't blame hockey people for staying away from the Embrun games because many of their home dates have turned into one-sided matches with opposing goaltenders ending up shell-shocked.

Is senior hockey in this area on its way out? Is a lower level of hockey like intermediate B making its way to the front row?

Mr. Murray, your duty is a difficult one and we hope you stick with it after making a final announcement.

OOPS! ON SOMEBODY

The Record sports columns last week carried a story which stated the Winchester tyke hockey team blasted the local Chesterville squad 12-0.

The error was brought to our attention almost immediately and shortly after, through the grapevine, we heard our friend Jasper incorrectly filled out the game report.

Since then he has been cleared of the charges and just about everyone connected with the game is now aware a "a snipper guy" from Chesterville made the common boo-boo.

By the way, Chesterville won the exhibition game and the four players getting hat tricks were Mike Harper, John Moran, Danny Dubois and Hugh Craig.

NS men's puck pennant remains hot potato issue

FINCH (Staff) - With only two games remaining for each team in the North Stormont Men's Hockey League regular season, only Berwick is assured of its last place standing.

Berwick has started to come on lately but will finish the regular season well behind the top three teams.

The final playoff slot for Newington, Avonmore and Ingleside will be decided this weekend as the schedule draws to a close.

Ingleside will meet Avonmore at 8pm Friday and Berwick will play Newington in the nightcap of the double-header at the Finch Community Centre.

On Sunday, Berwick will face Ingleside in the first game and Newington will play Avonmore in the second game.

Going into the final weekend of play, Newington has a slight advantage to secure the pennant with a slim one-point lead over Avonmore.

Newington has 27 points and Avonmore is at 26 and Ingleside 23. Berwick has 12.

In the first round of playoffs, the pennant winner will play third place while the runner-up will meet the fourth place Berwick squad. Each semi-final series will e a best-of-seven.

Ingleside was the most productive team last weekend, doubling Berwick 6-3 Friday and tying Newington 1-1 Sunday. In the other games, Avonmore nipped Newington 3-2 Friday and Berwick doubled Avonmore 4-2 Sunday.

Scoring leader Art Sinfield continued his hot pace for Ingleside Friday night with a three-goal effort. Dan Beaudette notched a pair and Dalt Swerdfeger one for the winners.

Bill Moran, Harold Dingwall and Dave Rumer replied for Berwick.

The teams split a pair of first period goals before Ingleside moved in front 4-2 after two periods.

In the second game, Barry Crawford snapped a 2-2 tie midway through the final period to give Avonmore the edge over Newington.

Wayne Sproule had hit for a pair of first period goals for Avonmore and Neil Simpson replied for Newington. Brian Heagle got a second-period goal for "The Ton".

On Sunday, Gary Brownlee played shutout hockey until early in the third period as Brian Gallinger's first period goal was taking on a winning blush.

However, Brian Rutley finally beat Brownlee and the game ended in a 1-1 draw.

Berwick surged into a 3-2 first-period lead and increased it to 4-2 in the middle stanza before holding the fort for their fifth win of the season.

Leonard O'Donohue led the way with two goals and Winston Dingwall and Serge Desormeaux got singles.

Jr. Lalonde and Jim Wert scored for Avonmore.

Junior B Lions win, lose, draw

MORRISBURG (Staff) - The Morrisburg Lions and Winchester Hawks each split their games last week as the ODHA Junior B Hockey League regular schedule draws to a close.

The Lions tied the surging Long Sault Pats 7-7 last Wednesday before beating Cardinal 5-4 Saturday and losing 11-7 to Bananoque Sunday.

Winchester halted a lengthy losing streak at home Friday night with a 2-1 win over the Prescott Saints but suffered a 13-2 pasting in Gananoque the following night.

Centre Bob McNairn was the big gun for the Lions last Wednesday scoring a hat trick in the third period as Morrisburg overcame a 7-3 deficit to earn the tie.

McNairn scored twice early in the final period to narrow the lead to 7-5 and Brian Moran notched his second goal of the game later in the frame. McNairn completed his hat trick with 2:52 remaining in the game as the Lions salvaged the draw.

Ernie Duval scored twice in the middle stanza as Morrisburg trailed 2-1 and 5-3 at the period breaks.

Rick Currier and Jim Losey each scored twice for the Pats while singles went to Pete Button, Trent Gadbois and Sam Moss.

Morrisburg received the game's three minor penalties.

Time saved the Lions Saturday night as they settled for a 5-4 win after blowing a 5-1 second period lead. They led 3-0 after 20 minutes of play.

Doug McNairn led the way with a pair of goals and Moran, Bill Veley and Billy Morrow contributed singles.

Cardinal got goals from Don Berry, Kim Hansen, Tim Murdoch and Doug Byers.

Officials called 28 penalties in the game. Cardinal received seven minors and four majors while the Lions collected 14 minors and three majors.

The Gananoque G-Men continued their hot scoring pace Sunday with their number one trio of Dave Freeland, Harold Higgs and Tim Higgins accounting for six goals and 10 assists.

Freeland led the way with three goals and three assists while Higgs had two goals and two assists and Higgins scored once and added five assists.

Steve Emmons added a pair of goals for the G-Men, losers of only four games this season. Singles went to Eric Tackaberry, Dan Brownlee and Steve Greene.

The G-Men held 4-3 and 6-4 period leads.

Dave Tait had a pair of goals for the Lions. Contributing singles were Kevin Mackler, Doug McNairn, Bob McNairn, Jeff Cassell and Bill Veley.

Each team was handed 11 minor penalties.

Winchester's Greg Martin put on a one-player show Friday night, scoring both Hawks' goals on breakaways.

Martin tied the score in the second period after Prescott had taken the lead. He broke the tie at the 19-minute mark of the final period, beating Roy Lalonde on another breakaway.

Lalonde blocked 29 shots and Winchester's Marvin Declare got in front of 41 Prescott drives.

Berwick doubles Avonmore

FINCH (Staff) - Ablert Herfkens had a hand in all the goals Saturday as the Berwick Bantams doubled Avonmore 4-2 in Stormont District Minor Hockey League action at the Finch Community Arena.

Herfkens scored the first and final goals and set up the other goals by Greg Clements and Roger Vanier, the winner on a powerplay late in the final period.

M. Marjerrison and J. Johnston got the Avonmore goals in the first period. The teams were tied 2-2 going into the final period.

Each team was handed two minor penalties.

Vanier and Willie Huybregts lead the Berwick team's scoring with 21 goals each. Goaltender Norm Ouelette has a 2.50 goals against average. The team has scored 84 goals in 12 games.

Crysler covers CJOH-TV

CJOH-TV Ottawa has blanket news coverage year round but they had their problems Saturday night checking the speedy Crysler Oldtimers' Hockey Team in an exhibition hockey game at the Finch Community Centre. The puck is seen bouncing past the corner of the CJOH net on this play as a Crysler player continues pursuit. Feature celebrities on the CJOH roster were news reporter Brooke MacNabb and sportscaster Brian Smith.

NSLSJHL playoff series deadlocked during week

(Staff) — Anticipations of a tough playoff series with Char-Lan Rebels have held true for the Maxville Highlanders.

The Highlanders, pennant winners in the North Stormont Long Sault Junior C Hockey League, had trouble with the Rebels all season and it has carried over to the playoffs.

Char-Lan jumped into an 3-1 point lead in their eight-point semi-final series before losing three straight games. Last week, they downed the Highlanders 4-0 and 4-3 to knot the series at 7-7 and force an eighth game in the series at Williamstown at 8pm Thursday.

Finch Township 76s throttled Osnabruck Township 8-2 last Wednesday to tie that eight-point quarter-final series at four points apiece.

The fifth game of that series was played in Chesterville Tuesday night with the sixth scheduled for 8pm Wednesday at the Finch Arena.

Meanwhile, the Chesterville Jets have been idle from league action for almost a month but have been keeping busy with practices and exhibition games.

Finch 8, Osnabruck 2

Finch Township got goals from eight different players, including four in just over a four-minute span in the second period, to down Osnabruck 8-2 last Wednesday and even their eight point quarter-final series at four points.

The 76s trailed 1-0 after one period of play before exploding in the middle stanza with five straight goals. The period ended at 5-2 for Finch.

Linden Marcellus got Osnabruck's first goal and Paul Aubin scored the second.

Finch got three-point efforts from Eddie Gove, Garry Lefebvre and Dave Rumer, all with a goal and a pair of assists. Others scoring single goals were John MacNaughton, Steve McRae, Steve Burd, Richard Courville and Wayne Baker.

Finch was assessed 10 minors while Osnabruck received 11 and a 10-minute misconduct.

Rebels 4, Highlanders 0

Mark Gareau blocked 25 shots as Char-Lan blanked Maxville 4-0 Thursday night to stave off elimination from the playoffs.

Don Thompson scored early in the first period for the Rebels and Jeff Fisher made it 2-0 on a powerplay late in the middle stanza.

Mike Tessier ran the count to 3-0 early in the final stanza and Earl McBean, who also collected a pair of assists, finalized the scoring on a powerplay goal.

Char-Lan had 31 shots at Maxville's Gary Perras and Barry Jackson. Perras was ejected from the game midway through the final period for butt-ending Mickey Wolfe.

The Rebels were handed nine minor penalties and a 10-minute misconduct and the Highlanders received 10 minors, a major and a match misconduct.

Rebels 4, Highlanders 3

Char-lan scored a pair of goals in each of the first and third periods Sunday to force an extra game in the series with Maxville.

Claude Bourck shot the Rebels into the lead and Earl McBean gave them a 2-0 first period lead.

However, the Highlanders came back with Ricky Wensink and Kevin Taillon evening the score in the middle period.

Don Thompson sent Char-lan back into the lead with 16:39 remaining in the game and Bourck notched the eventual winner with 11:58 remaining. Ian Sandilands narrowed the margin less than one minute later.

Char-lan started the game with 11 players, including two goaltenders. They finished one short with Roddy McCuaig and Maxville's Sandy McIntosh each ejected early in the second period.

Maxville also received three minors and three majors while the Rebels received five minors and three majors.

Peewee B tournament Saturday

(Staff) - Osnabruck Township and Morrisburg will both be back this Saturday to defend their championships at the annual Queensway Tank Lines Ltd. Peewee B Hockey Tournament.

Ten games in all will be played, starting at 8am and concluding with the consolation final at 4pm and the grand championship game at 5pm.

The host Chesterville team opens the day at 8am by playing Winchester (Acres). That is followed by Russell and Winchester Lions at 9am.

Morrisburg plays Kemptville at 10am and Osnabruck Township meets a second Kemptville team at 11am in the final first round match.

Countymen finalists at Cornwall

CORNWALL (Staff) - The Stormont Countymen dominated play but couldn't score as they bowed 2-0 to the host Cornwall Hubs in the championship game of the annual Cornwall oldtimers' Hockey Tournament Sunday.

Eighteen teams participated in the two-day event at the Ed Lumley Arena with Gatineau doubling Alexandria 6-3 to claim the consolation round championship.

En route to the final, the Countymen blasted Embrun 14-2 before taking Hawkesbury 4-3 and Vanier 3-2.

Iroquois downs tykes by 7-1 score

(Staff) - Mike Harper notched the lone Chesterville goal Saturday as Iroquois tykes downed the Flyers 7-1 in an exhibition game played here.

Iroquois led 2-1 after one period of play and 3-1 going into the final frame of action.

Jeff Veltkamp paced the Iroquois attack with a pair of goals. Contributing singles were Shawn Lapier, Darryl Reynolds and Steven Byers.

Chesterville received three of five minor penalties.

Bantams win pair, sew up second spot

(Special) - With playoffs starting next week, Chesterville Bantam Flyers have sewn up second spot in the CDMHL Bantam Division with wins over Russell and Greely.

Winchester will capture the league's regular season championship, with Chesterville in semi-final action against Greely or Metcalfe next week.

Last Friday, Flyers proved poor hosts, shutting out the last place Russell Warriors 5-0 and outshooting them 33-3. Five different Flyers hit the scoresheet, with Steve Jones pacing his team with a goal and two assists. Also scoring were Garry Beckstead, Don Richards, Glen Petterson and Curtis McMillan.

On Sunday, Flyers travelled to Metcalfe for a make-up game with the Greely Eagles. Flyers came away with a 5-1 win over the Eagles, which have three players suspended for disciplinary reasons.

Dave Byers shook his personal scoring slump after a Saturday practice, pacing Chesterville wih a pair of goals. Curt McMillan, Steve Jones and Don Richards added singletons.

Rick Grisel, who seldom hits the scoring column, had a great game, adding three assists. Richards, Laflamme, Mike and Garry Beckstead also added assists. Eagles' Curran replied.

In exhibition play, Flyers stuck to a checking and hitting game and managed to tie South Ottawa Warriors 2-2 in an exciting match. Flyers opened the scoring as Doug Rance scored from Steve Jones. Ottawa tied it up, and Dave Byers made it 2-1 early in the third, from Shay and Rance. Ottawa made it 2-2 with 2:49 left in the game.

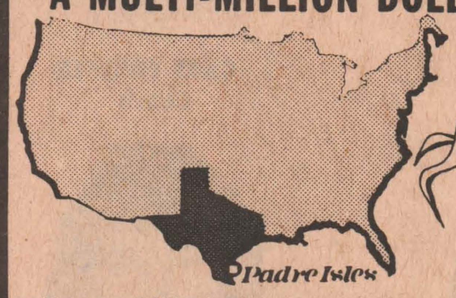
THERE'S MORE TO PADRE ISLAND THAN $25 MILLION IN SUNKEN TREASURE, THERE'S Padre Isles
A MULTI-MILLION DOLLAR LAND TREASURE



There are 5,000 miles of shoreline in the Continental United States. Approximately 4,500 miles of this shoreline is privately owned. An additional 150 miles is controlled by public authorities. This leaves approximately 350 miles, a small undetermined percentage of which is located in the sub-tropic, near perfect weather zone.

PADRE ISLES REPRESENTS ALMOST A MILE AND A HALF OF THAT REMAINING SHORELINE.

PADRE ISLES LOCATED 23 MILES FROM THE CITY CENTER OF CORPUS CHRISTI, TEXAS, one of Texas' major cities. The whole area is a growing industrial complex surrounded by rich farmlands, schools, colleges, modern hospitals and churches of all denominations.

EXCELLENT AND UNIQUE LOCATION ADJACENCIES. Padre Isles is forever protected by ecological and natural boundaries . . . the Gulf of Mexico, the Intracoastal Waterway, Mustang Island State Park and the Padre Island National Seashore, the only sub-tropical national seashore in the United States and part of the longest beach in the world . . . 113 miles long.

Senior league awards shared by three teams

OTTAWA (Staff) The Embrun Panthers, Gatineau Nordiques and Potsdam Pioneers each garnered a pair of individual awards for regular season play in the Ottawa District Senior Hockey League.

Embrun's rookie coach Marc Brunet directed the Panthers to the league pennant with a 21-4-1 won-loss-tie record and was rewarded with the coach-of-the-year award.

Veteran goaltender Wayne Hughes teamed up with rookie Bob Moore to yield 91 goals for a combined 3.62 goals against average to win the league's top goaltending award.

Gatineau's pair of Andre Lord and Bernard Belley won the award last year to snap Hughes' hold on the award.

Gatineau forward Mike Cayer won the individual scoring championship for a second straight year with 79 points on 25 goals and 54 assists. Three years ago, as a member of the Embrun Panthers, Cayer was second in the scoring race.

Cayer's teammate and linemate, Dan Moreau, was named the league's most valuable player. He topped the league with 38 goals and added 22 assists to finish third in the league scoring race with 60 points.

Potsdam's Jack Duncan, who tallied 22 goals and 22 assists, was named the league's most sportsmanlike player for the second successive year.

The best defenceman was Tom Coseo of Potsdam. He earned three goals and 15 assists in the regular season.

Midgets shutout Metcalfe

(Staff) - The Chesterville midget Flyers earned a win and a tie in Carleton Dundas Minor Hockey League play this past week.

The Flyers, first ranked in the league standings, blanked Metcalfe 2-0 Sunday after battling Winchester to a 1-1 tie last Wednesday night.

At Winchester, Rudy Grisel fired the equalizer with 45 seconds remaining in the game after Al McLean had given Winchester the lead in the opening period.

Winchester received four of the game's five minor penalties.

In Metcalfe, Jeff Phifer posted the shutout as Rob Woods and Dave Phifer got the goals.

The Flyers got a goal in each of the first two periods.

Metcalfe received four minors and Chesterville five.

Tagwi Chinook

Leah Lovesey, a 16-year-old grade 11 student, was named Queen of the Third Annual Tagwi Secondary School Chinook Winter Carnival Thursday night. The daughter of Mr. and Mrs. Herb Lovesey, RR1 Maxville, Miss Lovesey was chosen over six other girls to reign over the school's carnival festivities. Activities swung into high gear Friday with the students participating in numerous contests such as buble blowing, potato chip eating, jelly bean eating, pie eating, balloon shaving, roller broomball against the faculty, blind volleyball and pillow fighting on the balance beam. On Saturday, Tagwi hosted a broomball tournament at the Maxville Arena. To the left, is Miss Lovesey with her two princesses and the other contestants. They are: front row, left, first princess Debbie St. John, Miss Lovesey, second princess Ruthie Singleton; back row Brenda Van Putten, Miss Congeniality Carol Kuhn, Sandra Beckstead and Mary Anne Pelky. - staff photos -

MAPLE RIDGE (Special) — Carny '77 is approaching fast and many people are busy with preparations for this annual event. An assembly was held on Thursday of last week to introduce the nominees for the Carnival's "Emperor" and "Empress" awards. The nominees for Empress are Kim McIntosh, Jackie Moran and Kathy Workman, for Emperor, Danny Clement, Larry Erwin, and Anjum Uppal. Winners of these two positions will be announced at the Carny dance.

Our girls curling team, composed of Vicki Lennex, lead Sharon Todd, second Darlene Summers, third, Cheryl Stanley, skip, qualified for the EOSSA finals Fri., Feb. 11.

In Cornwall they were runners up, losing only one game, 6-5 to Seaway in the finals.

This week, we have the results of the girls volleyball tournament held at North Dundas Fri., Feb. 11. La Citadelle's junior and senior teams both placed first with strong opposition from the three other schools.

The first track and field meet for high schools was held Tuesday in Ottawa. Consequently practice began for our interschool track team on Wednesday of this past week let's hope they have another great season. Also, tryouts for our gymnastics team were held on Monday. Best of luck to these teams in their future competitions.
