### *Successful and Unsuccessful Students.*

No matter whether of Entrance standing or of the different High School forms, we the managers of the old reliable Brockville Business College, wish to announce that we are now ready to send out to all interested, complete information regarding our courses of study and also a report of the unparalled success of our last term's graduates. These have all been placed in good positions with firms in Brockville, Toronto, Montreal, Ogdensburg and New York City. The Fall Sessions commence Sept. 5th, and enrollment can be made any day after that date.

W. T. ROGERS, Principal.

### *Robbed Safe and Then Set Fire to the Building.*

Fire was discovered Saturday morning about 3 a. m. in the store occupied by Ferguson and Jamieson at Vankleek Hill. After two hours hard fighting the fire was under control. The whole of the goods in the store and cellar, as well as the furniture in the dwelling over the store, was badly damaged by fire and water. The fire seemed to have started near the safe in the office. The safe was opened and all the money taken out, with the exception of some change. Silverware and cut glass and other goods are also missing. Mr. Fergus Jamieson left on Monday, the 21st, for Petrolea, Ont. to accompany Mrs Jamieson home. He has not arrived home yet. The fire is supposed to have been started by burglars.

Mr. E. Z. Labrosse, a merchant of High Street, found his safe door open this morning when he went into his store to open up. He could not say if anything was missing. He hadn't left his money in the safe.

### *Another Old Pioneer Passes Away.*

After a lingering illness of about nine months, Mr. Jas. S. Summers passed away at his home near Winchester on Thursday of last week. Mr. Summers who was 78 years of age, was one of the pioneers of the township of Winchester, having seen it when a forest and helped in its development to its present highly cultivated state. He was a direct descendant of the U. E. Loyalists, the farm on which he was born and lived having been alloted to his grandmother whose father had been killed during the American revolution. At the age of 16 he was converted and joined the Methodist church where he has always shown the same zeal and activity as he did in the other affairs of life, having been a member of the official board for fifty-eight years. He leaves behind him two daughters and two sons, namely Mrs Ezra Countryman of Morewood, Mrs L. A. Ellis of Winchester, Ezra at home and Gordon of Haileybury. The funeral which was very large, took place Saturday afternoon from the family residence, the service being conducted by Rev. F. H. Sproule, interterment being afterwards made in the family plot in the Maple Ridge cemetery.

### *Moose Creek Mill Burned.*

A bad fire occurred at Moose Creek on Thursday evening, when the lumber mill and property in connection were destroyed. The loss has not yet been estimated.

### *Sacred Goncert at Grantley.*

A Sacred Concert under the auspices of the Epworth League, will be held in the Methodist Church. at Grantley on Friday, Sept. Ist, 1911. A good program is being prepared. All are cordially invited. Concert to commence at 8 o'clock. Admission 25 cents.

### *Epworth League.*

Rev. S. A. Cassidy, a returned missionary from Japan, will lecture in the Methodist Church, on Monday evening, Sept. 4th, under the auspices of the Epworth League subject, "Ever Day Life in Japan." Mr. Cassidy brings with him a number of curios, which will be used in the course of his lecture. Silver collection.

### *The Winchester Fair.*

The Winchester Township Agricultural Society will hold their fair in Winchester on Tuesday and Wednesday next, Sept. 5th and 6th. They are offering $2000 in premiums, $700 in trials of speed, $300 in special prizes, 36 special prizes on horses. Also running races, hurdle jumping, lady driving etc. The public are assured of a good show before the grand stand each afternoon, and a big vaudeville Show at the same place each evening. Be sure and attend this fair, as it is one of the best in Eastern Ontario. The dates are Sept. 5 and 6th.

### *Girl Fatally burned.*

A terrible accident took place at the home of F. E. Bailey, Massena, when his eldest daughter, Miss Mabel Bailey, one of the most popular young ladies in Massena, was fatally burned. Mabel and her mother were preparing supper by an alcohol stove, and Mabel, having the bottle of alcohol in her hand while lighting the stove, the fluid exploded in her hand, setting fire to her clothing. She rushed from the house by the front door, a living torch. She threw herself on the grass in an effort to extinguish the flames, and was assisted by several neighbors who saw her rush out. Within twenty minutes five doctors arrived. From the start they realized she was so badly burned that she would not recover. Miss Bailey died twelve hours after the accident. She was 25 years of age.

### *Met Death at Crossing.*

The Grand Trunk railway crossing at the end of Pitt street, Cornwall, and but a few yards west of the G. T. R. depot, over which there is a heavy traffic, was the scene of a sad fatality at 4.50 o'clock on Saturday afternoon, when Edward Morgan, a respected resident of Martintown, was almost instantly killed by the mail train going east. Mr. Morgan's horse was also killed and the buggy was shattered like so much match wood. Mr. Morgan, who formerly resided in Lancaster, but moved to Martintown three years ago, had been in the habit of coming to Cornwall every Saturday to supply local residents with butter and eggs, and was on his way home when the accident occurred.

Mr. Morgan was a Welshman and has been in Canada about 28 years. He was 65 years of age and leaves a widow and one daughter, Mrs J. P. Wynne, who resides in Montreal.

This makes the third fatality at that crossing in the last few years. It is a dangerous one and should have some protection or warning signal.

### *Died at Vankleek Hill.*

Robert Thistlethwaite, father of Fred Thistlewaite, registrar of Prescott county, died at his home at Vankleek Hill on Monday after a long illness. He was eighty-two years of age and one of the best known men in Eastern Ontario. He had travelled extensively in his younger days and visited New Zealand and Australia, and many places in a sailing vessel. He was a powerful man physically up to a few months ago, and was very active. His widow, Jane Mode, still lives, besides a family of twelve daughters and one son. His funeral will be held on Thursday afternoon.

D. O. McArthur officiating. A few relatives were present to witness the ceremony. Mr. and Mrs Seely left on the 10.20 p. m. train for Prescott, and on following morning boarded the steamer Rapids King for Montreal, thence to Ottawa and up to the Cascades, where they will spend their honeymoon.

### *Summer Hotel Burned.*

The Hotel Frontenac, near Clayton, N. Y., the largest in the Thousand Islands, was laid waste by fire on Wednesday night. It was owned by Chas Goodwin Emery, the wealthy New York tobacco man. The structure was built about twelve years ago at a cost $350,000, and was the most fashionable hotel in the Islands. The hotel, soon after the discovery of fire, was alive with half-clad guests—hysterical women and men in bathrobes. No lives were lost. The main section of the hotel was destroyed. The loss is heavy, but is fully covered by insurance.

## CRYSLER.

Mr. and Mrs Venance Landry celebrated the 50th anniversary of their marriage last week. The ceremony took place in St. James' Church at Embrun.

The spacious church was filled, people from all the surrounding villages being in attendance. A special train was chartered for the occasion and about 500 went from Crysler. A great number from Embrun took in the ceremony at the church.

The ceremony at the church was very imposing. Mgr. Routhier, vicar-general of Ottawa diocese, gave a short sermon before mass, his subject being "The Golden Wedding" which he was about to solemnize. The mass was celebrated by Mgr. Routhier with Rev. Father Lemonde of St. Theresa, as deacon and Rev. Father Touchette of Casselman subdeacon. The singing was very beautiful.

In the sanctuary were Rev. Father Forget, parish priest of Embrun, Rev. Father Marion, curate, Rev. Father Genier, parish priest of L'Original, and Messrs E. Landry and Montpetit, both of whom are studying for the priesthood at the Ottawa University, seminary.

After the cermony the special train ran back to Crysler. The grounds which were beautifully decorated with inscriptions, awaited them.

After dinner speeches were made by Mgr. Routhier, Rev. Father Forget, Rev. Father Gemer and others.

Supper was given at six o'clock and another lunch was given at midnight.

The National Band and Goulet's orchestra of Ottawa were in attendance and played during the procession from the train to the church and from the church to the train, and also all day until early Wednesday morning.

Mr. and Mrs Landry have a family of 17, four of whom are deceased. Those living are Joseph of Crysler, Aristide of Crysler, Venance of Casselman, Napoleon of Casselman, Albert, Mattias, Hormidas, Napoieon, Jules and Alphonse of Crysler, Emile of Ottawa seminary, Mrs. J. Page and Mrs S. Legault of Crysler. They have 65 grand and great grand children. Mr. Landry's age is 74 and Mrs Landry's is 67.

The happy couple were married in Embrun in the year 1861, although the present holy edifice is larger and more beautiful than the one 50 years ago.

## OSNABRUCK CENTRE.

Mrs W. H. Sled and daughter, Irene, of Ottawa, are visiting here.

Messrs Cyril Shaver and Nathan Warner have left for the west.

Miss Gladys Tinkess left on Wednesday for Moose Jaw, to visit her uncle.

Mr. and Mrs James Thompson, of Montreal, are visiting Mrs I. F. Burton.

Mr. and Mrs Ernest Winter and little daughter, of Detroit, are visiting Mr. Winter's parents, Mr. and B. J. Winter.

The Fondy Co., representing the Oregon Indian Medicine Co., closed a two weeks' engagement here on Saturday evening. There was quite an interesting contest for a silver set for the lady receiving the most votes. Miss Myrtle Crites was the winner by a majority of 96,460, Messrs J. B. Tinkess, of this place, and W. H. Sled, of Ottawa, counted the votes.

# THE CURSE OF THE NATION IS CONSTIPATION

## "Fruit-a-tives" Alone Cures This Disease

A famous scientist states that Constipation, or non-action of the bowels, causes more deaths than all other diseases combined. Constipation inflames the Kidneys, ruins digestion, is the foundation of Rheumatism, poisons the blood, causes Headaches, Neuralgia, Nervousness and Insomnia.

Constipation is caused by a weak or sluggish liver. Bile, the only purgative of the body, is secreted by the liver, which in turn should pour out into the intestines sufficient bile to move the bowels. Unless the liver is active, there cannot be enough bile to move the bowels regularly, and Constipation is the result.

"Fruit-a-tives", the famous fruit medicine, will always cure Constipation because it acts directly on the liver—relieves the congestion—increases the quantity of bile—and strengthens the bowel muscles.

*Lally to Referee Final Lacrosse Match.*

President Nelson, of the B. C. Lacrosse League, declined to accept Joe Lally's refusal of Friday, to travel 3,000 miles to referee the final match of the B. C. series on Labor Day between Vancouver and New Westminster and has finally convinced Mr. Lally that it is in the interest of the national game that he should accept the position which both the competing clubs wish him to fill. Mr. Lally has finally yielded and left Sunday afternoon for Vancouver, B. C. He will be gone three or four weeks.

Mr. Nathan Overholt was killed by a train at Grimsby Beach.

## Nervous Condition

*Results From Kidney Trouble.*

Sick kidneys make you feel sick in a number of ways and it is now known that a nervous condition often results from kidney trouble. When the kidneys are sick the whole nervous system becomes irritated causing headache, dizzy spells, fits of "blues" neuralgia attacks, rheumatic pains, weak eyesight, dull tired days, and a constant inclination to worry over trifles.

**Charged With Manslaughter.**

Hamilton, Aug. 29.—W. J. Waters was yesterday served with a summons to appear in the police court here on Wednesday next to answer a charge of manslaughter. Waters is the man who ran down William Boyce with a motor car on Main street east on July 15. Boyce received such severe injuries that he died in the City Hospital the next day. The coroner's jury at the inquest into the matter found that the car was traveling at an excessive rate of speed when it struck Boyce, and the charge of manslaughter has been laid against Waters by the local police as a result of the verdict.

**Five Were Killed.**

Regina, Aug. 29.—Of six men who were sitting on the rear-end of a Grand Trunk Pacific caboose when it was sent crashing into a flat car at an early hour yesterday morning, two were instantly killed. The names are yet unknown. Four were seriously injured and three of them have since died. The three were L. H. Fortin, a French-Canadian, from Lynn, Mass.; Mike Griffiths, an Englishman, from Prescott, Lancashire, and Albert Marsal, a French-Canadian, from Montreal. Another of the four, seriously injured, is dying. His name is James Christy, a Scotchman, from Glasgow.

**Murdered Mayor and Family.**

London, Aug. 29.—(C.A.P. Cable.)—A Rome special says that terrible cholera riots have been taking place at Verbicaro in Calabria. The superstitious populace, believing that the authorities to combat the spread of the epidemic were really the cause of the epidemic itself, arose in their wrath and murdered Mayor Signor Guaragna and massacred all the members of his household.

### *Miss Annie A. Errat Passes Away.*

Press:—Mr. and Mrs Humphrey Erratt received the sad intelligence of the sudden death of their daughter, Annie A. at Castor, Alta., on Saturday. Miss Erratt who was 29 years of age went west in May to visit her sister, Mrs. Eddie Earl of Castor. A short time ago she contracted a cold which developed into pleurisy causing an abscess which resulted in death. Mr. and Mrs Erratt received the first news of the illness of their daughter by telegram on Friday which stated that she was not likely to recover. This was followed by another on Saturday informing them of her death on Thursday. She was buried at Castor on Saturday. Miss Erratt was not in robust health and went west thinking she might be benefited. Her untimely death under the circumstances is therefore doubly sad and the sympathy of the community is extended to the bereaved parents.

### *Barns Burned at Summerstown.*

The fine large barns of Dan W. Hope, Summerstown, Glengarry, was destroyed by fire on Tuesday afternoon with the entire contents. An adjoining piggery, and its colony of pigs were also lost. The cause is unknown, but it may have been spontaneous combustion. Mr. Hope lost his entire crop and some of his farming machinery, but he was able to get his horses out. Mr. Hope's loss is about $4,000 with $1,000 insurance in the Glengarry Farmers' Mutual Insurance Company.

The steamer City of Genon was sunk in St. Clair River in collison with the W. H. Gilbert.

### *Farmers' Yard at the Ottawa Fair.*

In the remodelling and beautifying of the Ottawa Fair Grounds for the coming Central Canada Exhibition, Sept. 8 to 16, an acre or more has been set apart for accommodation of farmers' horses and vehicles. The enclosure might be likened to an immense hotel yard. It is situated in the northwest corner of Lansdowne Park. The most direct access to the big yard is gained by passing through Bank St. gate and turning at once to the left, passing the main entrance to Howick Hall. A gate on the north side of Howick Hall leads into the farmers' reserve and there is another gate at the opposite corner.

One of the main points of merit about this scheme is that it affords farmers a piece of ground separated from bustle and roar of the Exhibition. The new wing, built to Howick Hall sinre the last Fair, running parallel with Bank street, cuts off a piece of land completely from the rest of the the Grounds. The space has been enlarged by removing the fences It will be a decided advantage to farmers to be able to drive into the Fair from the country with wagons or carriages, knowing that vehicle and horses will be safe while the owners enjoy the sights.

This is only one of the numerous improvements which have been carried out. It required thousands of loads of earth to level the farmers' yard and a great deal of labor to remove the debris and refuse that had accumulated in that secluded corner, But the whole Grounds have been gone over in this way and visitors to the 1911 Exhibition will be astonished at the improvements.

### *Damages to Widow.*

The Divisional Court at Toronto has dismissed the appeal brought by the James Smart Works at Brockville, against the judgment of His Lordship Justice Sutherland at the Assizes there on March 15 last for $1,600 and costs to Mrs. W. Kirby and two children for the death of her husband. The decision of the Divisional Court is that the plaintiff can recover only under the statutes and the damages must be reduced in the statutory limit, apportioned as follows. To the widow $750, each child $350.

### *Arrested Kars Physician.*

Dr. Ruby of Kars, was arrested on Saturday on the charge of assaulting his wife. He was taken to Ottawa but allowed to go on bail until Friday when he will come up in the county police court. It is said to be the climax of considerable domestic trouble and is cauing quite a sensation in Kars where Dr. Ruby is a well known physician and has an extensive practice.

### The Most Beautiful City.

To ask for the name of the "most beautiful city in the world" is to ask a very large and difficult question. There are a great many very beautiful cities in the world, each of which would get its votes were the contest to arise. Lovely places are to be found by the score in every country of the east, but if put to the vote of travelers it is probable that Palermo, Sicily, would win out. It may be that there is a more beautiful city in the world than the Sicilian town, but it would be exceedingly difficult to name it.

### A Foiled Ambition.

"That boy of Joggins' started out very ambitiously. When his father wanted him to settle down to steady work he said he meant to do things in breaking records."

"Well, did he keep up a breaking pace?"

"Rather. He broke his father, then he broke into a bank, and now he's breaking stones."

### A Different Errand.

"Miss Wombat accepted me last night."

"I suppose you are around to-day receiving congratulations?"

"No; I'm around trying to borrow $200 to buy a ring."

### *Frost in the West.*

Winnipeg, Aug. 27—Saturday morning frost struck sections of Manitoba. Reports from Gilbert Plains, in the north of the province assert that considerable local damage was occasioned. At Grenfell, Saskatchewan, six degrees of frost played havoc with garden truck. Cutting in this district has hardly commenced, and no authentic estimate of damage to wheat can yet be made. At Summerberry, Saskatchewan, frost was also felt. Here also wheat cutting had not commenced. Last night the weather was warmer, with light local showers in rural districts. While forecasts indicate more element weather a good deal of anxiety is felt over the safety of the crop.

Wolseley, Sask.—Farmers in this neighborhood report from three to six degrees of frost last night. Cutting has commenced, but harvesting is not yet general. Last Sunday's hailstorm caused from 10 to 40 per cent. damage.

### *Tom Longboat Won.*

Tom Longboat ran one of the best races of his career at Toronto, on Saturday night when he won the twelve-mile professional race from Abbie Wood by one foot in one hour two minutes and 2 2-5 seconds, with Alfie Shrubb half a lap away. The last pair never had a chance to finish, as the crowd swarmed over the fence and carried the Indian around on their shoulder It was by far the best professional race ever put on at the Island.

Shrubb started out like a sprinter but the bunch hung onto him, and at six miles had him trailing, with Wood leading. The Indian cut loose in the bell lap, with Wood alongside. They raced the last lap like a team, but the Indian lasted longer, although both were all in at the finish.

### *Can't Land Canucks When Customs Men are Not Present.*

A penalty has been imposed by the collector of the port of Ogdensburg against the owners of the steamer Riverside for allowing passengers to land there in the absence of customs officers or immigration inspectors. In accordance with a recent ruling of the Treasury department, the customs officials at Ogdensburg have refused to allow passengers to board Canadian vessels touching at that port which are running excursions from Brockville to Iroquois, both Canadian ports. The steamer Belleville, of Prescott, has been running these excursions all summer and the boarding of passengers at Ogdensburg on the down trip has not been interferred with until now.

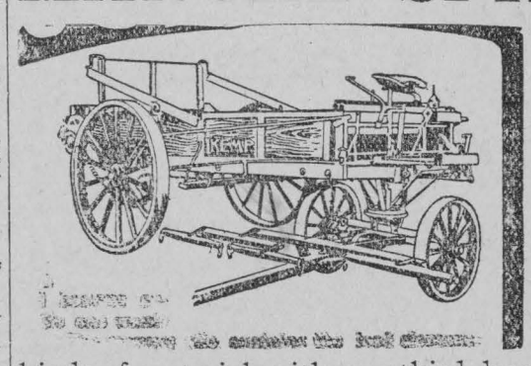
# MANURE SPREADER!



MR. FARMER:

Are you interested in a Spreader. If so, let us show you the latest and most up-to-date Spreader on the market, equipped with the reversible self-sharpening graded flat tooth which will handle all kinds of material with one-third less power than is used on other spreaders. Read the testimonial of one of our most progressive farmers:

**F. W. Merkley, Agent, Chesterville.**

### Copy of Testimonial.

DUNBAR, ONT., Sept. 24th, 1910.

THE FROST & WOOD COMPANY, LTD.

Gentlemen,—Your agent, Mr. F. W. Merkley, of Chesterville, sold me one of your Kemp Spreaders, 70 bushels capacity, on conditions that it worked satisfactorily. I feel, therefore, that it is my duty to let you know how I found the Spreader to work. I may say we took out 140 loads of manure, some coarse and some fine, and after using it to put out those 140 loads I will freely say that your Spreader is a marvellous piece of machinery. We used one team weighing about 2400 lbs., no more, and they did it easily. I consider the Spreader one of the most up-to-date machines on the market, and I would most cheerfully recommend the Kemp Spreader to anyone who wants a first-class article in every respect, and I furthermore give this testimonial unsolicited, and anyone wanting any further information can call and I will freely give them my opinion on it.

Yours very truly,

(Signed) GEORGE CARLYLE, Con. 8, Lot 35, Dunbar, Ont.

# GREY AT EXHIBITION

## The Governor-General Opens Toronto's Fair.

### His Excellency Presses the Button That Sets the Machinery In Motion —He Makes a Special Plea For the Teachers of the Province Who Must Be Well Paid If Country Is to Thrive.

Toronto, Aug. 29.—The thirty-third annual season of the Canadian National Exhibition was officially declared open yesterday afternoon. Earl Grey, attended by a number of Toronto's notables, performed the time-honored ceremony in the auditorium of the dairy building, which was crowded to capacity, with an audience who listened appreciately to the remarks of the Governor-General and George H. Gooderham, M.P.P., the president of the exhibition. Countess Grey with Lady Sybil Grey and Lady Evelyn Grey was also present.

His Excellency was the guest of honor at two important functions, being present at the directors' luncheon and taking the leading part in the official opening ceremonies. He made short addresses on both occasions, expressing the greatest appreciation of the treatment he had received at the hands of Canadians in general and Torontonians in particular.

Earl Grey particularly urged the immediate inclusion of the old fort withing the exhibition grounds, and the maintenance of certain of the buildings as a permanent, open exhibit for education purposes.

At the directors' luncheon the toast to His Majesty King George was proposed by President Gooderham; that to the Governor-General by W. K. George.

In his reply Earl Grey expressed his appreciation of Mr. George's remarks.

Turning to the educational influences of the exhibition and to the status of educational institutions in the province, Earl Grey said every aid should be given to enhance the educational facilities of the province. The teachers should be the best money could procure and they should be well compensated.: He said "Economy in school teachers is the very last economy to which a wise and prudent people in any country will descend. We must get the best teachers to instruct the children and teach them how to think for themselves, not merely to mechanically recite."

After luncheon His Excellency was joined by the Countess Grey, with the Ladies Sybil and Evelyn, who had lunched at the women's building, being guests of the wives of the directors. The whole party then repaired to the dairy building for the official and formal opening. On the platform with the Governor-General were: Lieutenant-Governor Gibson, Bishop Sweeny, President Gooderham, Mayor Geary, W. K. George, ex-Mayor Oliver, W. K. McNaught, M.P.P.

Proceedings were opened with prayer by Bishop Sweeny, after which President Gooderham, on behalf of the directors, presented His Excellency with an illuminated address.

A full-dress rehearsal took the place of the scheduled show before the grand stand in the evening.

Yesterday evening the exhibition grounds put on the appearance of fairy land. The Hydro-Electric forces turned the current on to thirty thousand lamps which outlined the various buildings and illuminated the roadways through the park.

### Sir William Whyte Retires.

Winnipeg, Aug. 29.—Sir William Whyte, who for the past quarter of a century have been in control of the western lines of the Canadian Pacific, will terminate his connection with the company in this capacity at the end of September. He will continue to serve the company as a director, having decided that he should be honored in this manner. The announcement was made by the president of the road at a dinner given by the latter in honor of the retiring official at the Manitoba Club last night.

Sir Thomas Shaughnessy, at the conclusion of the function, stated that the matter has not been discussed. He also stated that no decision had been reached in the matter of the location of the new western shops.

### Dropped Dead.

Niagara Falls, Aug. 29.—Mrs. J. E. Hutchens dropped dead at her home yesterday afternoon from heart failure. She is survived by her husband, one daughter, Miss Maude Hutchens, and two sons, Bert of Chicago and Walter of this city.

### In Nicolet.

Becanour, Que., Aug. 29.—Dr. Gustave Turcotte, ex-M.P. for Nicolet, was again nominated by the Liberals to contest the division at the convention yesterday afternoon.

### To Oppose Verville.

Montreal, Aug. 29.—Ald. Noe Leclaire last night received the Conservative nomination in Maissoneuve to oppose Alphonse Verville, M.P.

### Pastor May Run.

Vancouver, Aug. 29.—There is a well-defined report abroad to-day that Rev. Dr. Fraser of the First Presbyterian Church, will resign the pastorate and will be the independent Conservative candidate in the coming election.

### Western Crops Not Hurt.

Winnipeg, Aug. 29.—Renewed anxiety was expressed yesterday morning over the safety of standing crops in consequence of frosts, which occurred Saturday and Sunday night. Beyond some damage to tender varieties of ground products, no ill results are yet apparent. The wheat market, which is a most sensitive barometer of western crop conditions, declined yesterday to consider that damage had been done to wheat. In consequence the market declined five-eighths of a cent. Four points of frost was the lowest temperature recorded in the past 48 hours. Yesterday it was mostly clear and cool with a few local showers. Harvesting received a temporary setback through the showers of Sunday and Saturday. Twenty-four hundred harvest hands have arrived from Eastern Canada since midnight Sunday.

### His Barns Burned.

Cornwall, Aug. 29.—The up-to-date barns of D. W. Hope at Summertown, ten miles below Cornwall, were completely destroyed by fire Sunday afternoon, together with the end of the season's crops. The horses in the barn were got out safely, as well as some of the farm implements, but a piggery near the barn was also destroyed, along with a good many valuable porkers. Spontaneous combustion is supposed to have been the cause of the fire. The loss is about $4,000. Mr. Hope carried $1,000 insurance.

### Minister Killed at Crossing.

Niagara Falls, Ont., Aug. 29.—Geo. Goodwin, aged 84, was struck by a Michigan Central passenger train at Bender avenue crossing yesterday and almost instantly killed. He was carried along for some distance and badly cut and mangled. His one-year-old grandson was thrown out of the buggy, but escaped serious injury. Goodwin was a superannuated Presbyterian minister.

### Killed Whole Family.

South Thomaston, Me., Aug. 29.—Grief over the death of his wife led Edward Bennett, a graduate of Oxford University, England, who had been a resident of this town for the past six years, to murder his three children and then take his own life yesterday. Two of the children were killed by the use of chloroform and the third by cyanide of potassium and chloroform.

### Murdered With an Axe.

Winnipeg, Aug. 29.—A special despatch from Castor, Alta., says: While suffering from what is believed to have been a fit of temporary insanity, a young homesteader named F. Carlson, residing near Hamilton Lake, 30 miles southwest of Castor, is supposed to have slain a neighbor named R. Merritt by striking him on the head with an axe as he lay sleeping in his bunk in the early morning.

### Work of Train Wreckers.

Middletown, Ohio, Aug. 29.—Train wreckers who had removed spikes from a rail were responsible for the derailment of an express train over the Valley Line of the New York, New Haven and Hartford Railroad Sunday night, resulting in one death and injury to about sixty others.

### Burglars Make Haul.

Berlin, Aug. 29.—Burglars operated successfully at Bridgeport, getting gold watches and $40 in bills and coins. The police thus far have been unable to apprehend them.

### Sunburned Hogs.

The high temperature of summer will cause trouble in many herds of hogs. In the case of white hogs there is likely to be a great deal of blistering, but even with hogs of other colors there will be more or less sunburning. There should be no delay, therefore, in putting the hogs through the dipping vat or in giving them a good wetting with a sprinkling can or spray pump. Any of the commercial coal tar dips are ideally adapted to this purpose, and a few gallons used on a bunch of hogs during the summer season will contribute immensely to the economy of gain in those cases where the skin from any cause whatever gets out of condition. In real warm weather it will pay and pay well to round up the young pigs every ten days or two weeks and give them a thorough wetting.

### Feed the Milkmaker.

Don't stop feeding the dairy cows just because they can gorge themselves on green grass. Furnish them with a little grain and roughage right along through the entire summer and consider that it enriches the milk flow, keeps the animals in firmer flesh and saves pasturage.

### Feed Grain to the Calf.

Don't attempt to raise the calf on skimmilk alone, but get it to eating small grain and clean clover or alfalfa just as soon as possible to help supply something to take the place of the cream that has been extracted from the milk it drinks.

### Water For the Cow.

Water is a necessary constituent of milk, and the cow must have it during the time it is being manufactured. The best plan is to have a supply where she can have access to it at all times.

# GALE HITS CHARLESTON

## Savannah, Ga., Is Also Victim of Severe Storm.

**Five Persons Are Killed In Vicinity of Former City and Damage Amounting to $1,000,000 Has Been Wrought by a Freak Storm—Soldiers Do Heroic Work to Keep Down the List of Casualties.**

Charleston, S.C., Aug. 28, via Summerville, S.C., Aug. 29.—As a result of a freak storm which struck this city and Savannah, Ga., last night and which reached hurricane proportions, Charleston virtually has been isolated for 24 hours. Five persons are known to have been killed near here, and property losses, it is estimated, will reach $1,000,000.

The wind velocity increased from 48 miles an hour at 1.25 p.m., to 94 miles at 10.20 p.m., when the wind gauge was put out of adjustment.

The tide was something over eight feet during the storm, three feet short of 1893. The waters have caused washouts on the approaches to the Union Station, preventing the operation of trains.

Alonzo Coburn, an engineer on the Charleston division of the Southern Railway, was instantly killed by flying timbers. A man named Smith of Columbia, and Motorman Cutter of the local street railway system, were killed, two men seriously injured when a trestle collapsed, and two unidentified women were drowned when their home was flooded. Several negroes are also reported among the storm victims.

Great damage is feared for the rice and sea-island cotton industries by the rise of the tide. Not since the cyclone of 1885 has the water front here suffered so severely.

Anxiety for the people marooned on Sullivan Island was relieved yesterday afternoon, when a steamer came in with a load of excursionists and residents from the island. The island was completely flooded, houses were inundated and the people had harrowing experiences. Two schooners and small steamers were either sunk or damaged and had it not been for splendid rescue work by soldiers at Fort Moultrie the death list would have been appalling.

### Longshoremen Out of Work.

Montreal, Aug. 29.—Upwards of six hundred longshoremen are this week practically thrown out of work on account of the labor difficulties in England, which have resulted in the cancellation and non-arrival in port this week of many of the large steamers.

Never in the history of the port, it is said by those whose daily work keeps them on the waterfront, have conditions been so bad as they are just now, and it is felt that with large families to support many of the dock laborers and workers will be the real sufferers through circumstances over which they have no control

"All of last week," declared a longshoreman yesterday, "we had little or nothing to do. Some of the ships going out took no cargo and the couple that came in were such small boats that fifty men were able to do all the work required."

### Montreal Live Stock.

MONTREAL, Aug. 28.—At the Montreal Stock Yards west end market, the receipts of live stock for the week ending Aug. 28 were 2550 cattle, 3125 sheep and lambs, 2525 hogs and 350 calves. The supply on the market for sale this morning consisted of 950 cattle, 1675 sheep and lambs, 950 hogs and 175 calves.

There was no important change in the condition of the market for cattle, prices being firm owing to the small run of really good stock, which tended to increase the demand for the lower grades, as butchers and packers generally were short of supplies; consequently a fairly active trade was done. There was also some demand from Quebec buyers, and a couple of carloads were bought for shipment to that market.

On the whole the trade was satisfactory to both buyers and sellers. At the close everything was cleaned up. Choice steers sold at $6.15 to $6.25; good at $5.75 to $5; fairly good, $5.25 to $5.50; common, $4.50 to $4.75 per 100 pounds. Cows were rather scarce and in better demand, at $4.50 to $4.75 per 100 pounds.

A firm feeling prevailed in the market for hogs, on account of the small offerings, and the demand for packers' selected stock. Prices for selected hogs ranged at from $7.75 to $7.85; mixed lots, $7 to $7.50, and heavy, $6.50 to $6.75 per 100 pounds, weighed off cars.

The trade in small meats was active, there being a good demand from local and outside buyers for supplies.

Receipts of lambs were fairly large, but prices ruled steady at the decline noted last Wednesday, sales being made freely at 6c to 6¼c per pound. Sheep unchanged owing to the fact that the offerings do not increase to any extent, and sales were made at 4c to 4½c per pound. Good calves were scarce and in demand at prices ranging at from $12 to $15 each, and the lower grades brought from $3 to $10.

### East Buffalo Cattle Market.

EAST BUFFALO, Aug. 28.—Cattle—Receipts, 4125; market shade lower; prime steers, $6.75 to $7.25; butcher grades, $5.50 to $7; cows, $3.50 to $5.25.

Calves—Receipts, 1300 head; market active and firm; cull to choice, $5 to $9.25.

Sheep and Lambs—Receipts, 8400 head; market active and steady; choice lambs, $6 to $7; cull to fair, $4.75 to $5.75; yearlings, $4.50 to $5; sheep, $1.50 to $3.75.

Hogs—Receipts, 12,750; market weak; yorkers, $8 to $8.05, stags, $5 to $6; pigs, $7.55; mixed, $8 to $8.05; heavy, $8; roughs, $6.75 to $6.80.

### Chicago Live Stock.

CHICAGO, Aug. 28.—Hogs—Receipts, 34,000; market steady to lower; mixed and butchers, $7.05 to $7.75; good, heavy, $7.10 to $7.65; rough, heavy, $6.90 to $7.10; light, $7.25 to $7.80; pigs, $4.85 to $7.60.

Cattle—Receipts, 24,000; market steady to a shade lower; beeves, $5.10 to $8; cows and heifers, $2.25 to $6.30; stockers and feeders, $3.10 to $5.50; Texans, $4.40 to $6.40.

Calves—Receipts, 3000; market weak to lower; native, $2.15 to $3.70; western, $2.50 to $3.65; lambs, $4 to $6.60; western, $4.70 to $6.75.

## MAY BE FOUL PLAY.

**Was Train Cause of Young Spahr's Death?**

New Hamburg, Ont., Aug. 28—Many theories are advanced to clear up the mystery surrounding the death of young Spahr, whose body was found mutilated upon the G.T.R. tracks a mile west of here on Friday morning. Saturday, Coroner Martin opened an inquest, which he adjourned until Thursday, Aug. 31, at 10 a.m., in order to subpoena more witnesses, who were with Spahr during the evening before his death.

It appears from the evidence sworn to that death must have occurred some time before the body was run over by the way freight.

The train was on a down grade, brakes were applied, but the train could not be stopped in time. The engineer and conductor returned to the body and found that it was cold and no blood spots of consequence along the track. Spahr being dead before the train ran over him, the mystery is how his head was lying on one rail and his feet across the opposite rail.

Evidence was produced that Spahr was severely injured in Berlin, where he attended the circus that day. While waiting at the station in Berlin he grabbed a companion from the back, the latter stooping down suddenly, threw Spahr over his back and he lit upon his head on the cement walk. Ariving at New Hamburg on the flyer about 10 p.m. they went to an hotel here. There were no witnesses present at the inquest who saw Spahr leave the hotel until he was found dead.

### Falling Tree Killed Campers.

Ottawa, Aug. 29.—The terrific storm of Sunday brought to a tragic close the week-end outing of seven campers near East Templeton, three of whom were killed almost instantly by a falling tree, while the other four escaped by a hair's breadth. The dead are:

Alphonse Schingh, son of Mr. Francis Schingh, grocer, at 319 St. Patrick street, Ottawa.

Joseph Leblanc of Montreal.

Lucien Marineau of Three Rivers.

The surviving four are: D. Sabourin and his son Napoleon of Gatineau Point, and Oscar Boudrey, contractor, and his son Joseph, 163 York street, Ottawa.

### Shot Himself Through Head.

New York, Aug. 29.—Standing on the corner of New and Beaver streets yesterday, Arthur Veit, connected with the Standard Oil Co., where his father, Richard C., is one of the managers, committed suicide by shooting himself through the head.

Young Veit was employed in the shipping department of the company. The young man, without a word, left his work and went to the street, where he pulled a revolver from his pocket and fired a shot through his head.

The police found many letters and papers in his pockets, and through these his identity was established. They found no note explaining the act.

### Investigate "Martin" Wreck.

Ottawa, Aug. 29.—The Marine Department has instructed Capt Demers, wreck commissioner, who is now at Quebec, to proceed to Georgian Bay as soon as his Quebec hearing is completed and investigate the loss of the tug Martin, which foundered last week near Point au Baril

The Department has been informed that the captain of the tug, who escaped with his life, neglected to report the wreck at the customs, as, under the regulations, it was his duty to do. The conduct of the captain will be investigated.

### Sunday Cars Popular.

Kingston, Aug. 29.—Kingston's Sunday car service will be discontinued after next Sunday. The company agreed to run July and August, but decided to give another day's service. The cars have been well patronized, the receipts being larger per hour than any other day. Sunday night's cars were tied up for over an hour for an unusual cause. The fireman at the power-house was taken suddenly ill, and before a man could be secured to take his place the steam gave out and the power fell off.

### Motorists' Close Call.

St. Catharines, Aug. 29.—Mrs. F. N. Hara, Robert Fuller, of the Imperial Bank, Miss Bailey of this city, and Mrs. Hara's son, nearly met death in an automobile accident Sunday night.

They were returning home by the Lake Shore road, Mrs. Hara driving, when she lost her head and the car slid back over a ten-foot embankment. Fortunately the car was caught by a tree and though all the occupants were thrown out, none were hurt.

### Sarah Was Captured.

Ottawa, Aug. 29.—The gasoline schooner Sarah, of Seattle, was taken into New Westminster, B.C., harbor yesterday morning, in charge of a Canadian fishery protective cruiser.

The Sarah was taken by the Government cruiser while, it is alleged, she was fishing within the three-mile limit. The capture was reported by wire to the Department of Marine and Fisheries.

### Found Dead In Well.

Hamilton, Aug. 29.—Between 4 and 6 o'clock yeserday evening a man named Blunt, who resided at Kenilworth, was found dead in a well in the rear of his house, and it is supposed that he was overcome with a dizzy fit, to which he was subject, and fell in head first.

### *St. Mary's Popular Picnic.*

The annual picnic and athletic contest under the auspices of St. Mary's congregation, Chesterville, was held on Wednesday of last week on the Driving Park.

The morning, although threatening in the early hours, proved to be by nine o'clock an ideal picnic day and the large crowds from far and near, which congregated in the town, proved that this annual picnic was losing none of its popularity.

All the leading business houses banks, and the McCloskey House, very kindly closed in honor of the day.

The driving park, which has passed into new management since last year, was in an excellent condition, the race trace enlarged and greatly improved.

The days sports consisted of a baseball match between Winchester and Chesterville, which resulted in a score 14 to 13 in favor of Chesterville.

A lacrosse game between Cardinal and Wales, the former winning 5 to 2.

In the afternoon there was an interesting program of sports, consisting of 100 yds. dash, won by A. Legault, Smith's Falls, prize, umbrella, donated by G. W. Bogart.

220 yds. dash, won by A. Williams, Cardinal, prize, a pair of tennis shoes.

100 yds., boys under 12, won by James Masterson, prize, pair of running shoes, donated by C. L. Casselman.

100 yds, boys under 14, won by James Masterson, prize, bat and baseball, donated by W. G. Bolster.

Half mile race, won by R. Bowdoin, prize, a rocking chair, donated by J. Appleby.

Hop, step and jump, won by C. Williams, Cardinal, prize, umbrella donated by Sanders, Soule and Casselman.

One mile (annual) race for Bolster cup, won by H. Servage.

The first horse race, 3 min. class, 1st prize $30, won by Mr. J. Ault, Winchester.

Farmers race, first prize, beautiful blanket and whip, donated by F. McCloskey, Chesterville, won by Mr. Frank Parker, Winchester.

Then followed the speeches. Mr. Malcolm Beckstead, Reeve of Williamsburg, acted most acceptably as chairman. Hon. Mr. Broder, conservative candidate, addressed his many friends in his usual witty manner. He was followed by the liberal candidate, Mr. Campbell of Ormond, who by his genial manner and pleasing address, at once made a favorable impression on his hearers.

Dunbar brass band furnished excellent music throughout the day.

Too much praise cannot be given the ladies of the congregation for excellent meals which were given and the neatness and promptness in which they were served.

The day's amusements closed with a grand ball in the Music Hall. Valentines Orchestra of Ottawa being in attendance.

The result of the contest for the Gold-headed cane, which had aroused much interest, was announced in favor of Mr. Kavanagh The young ladies working in his behalf presenting a sum of $223.-75 and those working in behalf of Mr. Whitney $154. The camera was won by Miss Mary Heveran.

From start to finish the day was a decided success and reflects much credit to the committee in charge and especially to the energetic efforts of the ever-popular Pastor, Rev. Father Fleming. The proceeds will amount to nearly $1000.

### *The Late John H. Meikle.*

"Mr. Meikle is dead," were the words that were expressed by everybody Wednesday morning, and with deep regret were they expressed, as none knew John H. Meikle and his kindly and gentlemanly disposition, but loved him.

The late Mr. Meikle was born in Scotland 72 years ago and came to Canada at the age of 15 years, locating at St. Andrew's, Que., where he entered the employ of an uncle in the mercantile business and thus received a good commercial training, which stood him good in the business which he and his brother W. D. afterwards started here in 1860, and which has proved so successful. A number of years ago John H. retired from the business, and has devoted a great deal of his time to travel, having visited all parts of the world.

Being a very active man he always took an interest in the town's affairs, politically and otherwise, and his wise counsel has been widely sought. He has represented the town as reeve for many years, as counties' councillor and also warden of the united counties, and also in educational matters. He was generous in a marked degree to the poor and to every worthy object. In religion he was a Presbyterian, and in politics a staunch Liberal, and many times had he refused the nomination to represent the county in either the Dominion or Provincial houses.

He leaves one brother. Wm. D., who though older, is still to be found daily and in excellent health.

The funeral will take place to-morrow (Friday) at 2 p. m. from the family residence to Knox church, and thence to the cemetery—Morrisburg Leader.

## No More Dandruff

***W. G. Bolster Knows What is Making Clean Scalps.***

In order to rid your scalp of filthy dandruff you must kill the germ. There is a hair dressing called Parisian Sage which is now sold in every town in Canada. It is guaranteed by W. G. Bolster to eradicate dandruff, stop falling hair splitting hair and scalp itch in two weeks or money back.

If you have dandruff get a large 50 cent bottle to-day and rid yourself of it. Remember that if dandruff germs are not destroyed in time the hair will surely fall out and baldness will follow.

The agreement by which the C. P. R. obtains an interest in the Quebec Central has been completed, and awaits the ratification of the security holders of the smaller railway.

### *Boy was Drowned at Prescott.*

Littie Tommy Mills, thirteen years of age, only child of Mr. and Mrs John Mills of Prescott, was drowned at the C. P. R. dock Monday evening. The little fellow with a boy younger than himself was in a punt, close beside the dock, when a heavy swell struck the boat. A board on which young Mills was leaning, broke with the sudden strain, precipitating him into the water. His little companion tried to paddle to his assistance, but could not bring the boat up against the current quickly enough. His frantic cries for assistance quickly brought help, but as the water is very deep at this deep at this point it was nearly an hour before it was recovered.
