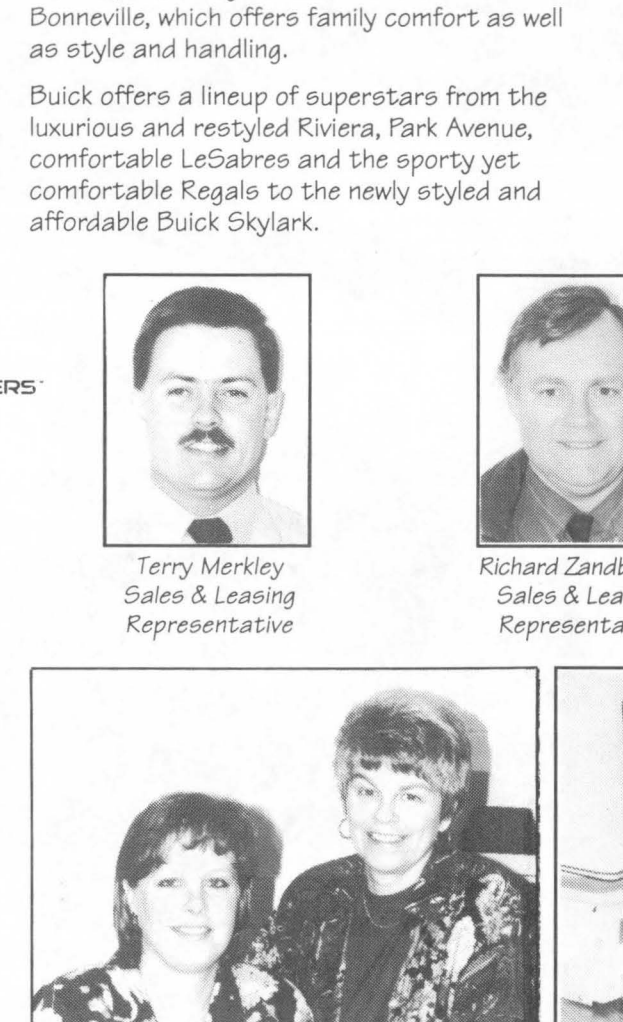
Regal Limited Sedan



Welcome to Martin Sheldrick, General Sales Manager

Drewery Pontiac Buick GMC offers a full lineup of Pontiac - sporty Grand Am, Grand Prix, economical Firefly, newly styled and exciting Sunfire, the zesty Firebird and the full-size Bonneville, which offers family comfort as well as style and handling.

Buick offers a lineup of superstars from the luxurious and restyled Riviera, Park Avenue, comfortable LeSabres and the sporty yet comfortable Regals to the newly styled and affordable Buick Skylark.

GMC trucks are available from S10 and Safari vans with passenger and cargo availability, full-size vans to full-size trucks in regular cab and of course the ever-popular extended cabs. Engine sizes range from four cylinder to 6.5 turbo diesel to fit all your needs and requirements. The rear entrance door available on some extended cab models is in great demand. Also now available, the stepside option on some Sonoma models. We can fit your needs and desires and your budget.

GM's high standards have resulted in consistently maintaining high demand for even pre-owned GM vehicles.

Safety features such as air bags and anti-lock brakes are now standard on most GM vehicles.

Our sales and leasing consultants, Terry Merkley, Richard Zandbergen and Rick Catellier, as well as our business manager Connie Kirkwood, are very knowledgeable when it comes to structuring either your vehicle needs or your budgetary concerns. They pride themselves in being able to offer you a friendly, country atmosphere, no pressure, with a genuine concern for your needs and desires.

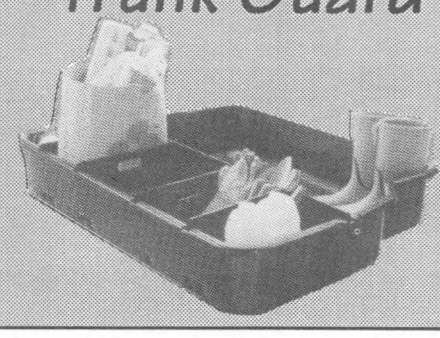
Don't Wait For Disaster To Hit...

Simplify Your Life With A GM Trunk Guard



We carry a comprehensive selection of

Quality Car Care Products

Choose the products that are specifically formulated for your GM vehicle.

You care about your car or truck. That's why it's so important to use care when choosing the right cleaning and lubricating products and fluids for your vehicle. When it comes to General Motors vehicles, nothing works better than GM's own family of car care products.

Goodwrench Service Plus

Convenient Service Hours

Regular service hours are Monday to Friday, 8 am-5 pm, with staff on duty during lunch hours to take your appointments and arrange pick-up and deliveries. We have just added a Saturday service from 9 am-1 pm with a licensed technician on duty. Drewery's also offers a free pick-up and delivery service, so there s should be no reason not to "Give Drewery's Service A Try." Call 774-2360.

Full Line of Repairs

Drewery's is authorized by General Motors to do warranty repairs on all Pontiac, Buick, Chevrolet, Oldsmobile, GMC and Chevrolet trucks. We also encourage customers who may not have purchased their vehicle at our dealership to come in for their warranty and maintenance repairs.

Competitive Pricing

With the introduction of the Goodwrench Service Plus program, Drewery's are very competitive on all maintenance repairs. We offer a Lube, Oil & Filter for the low price of $22.75 (plus taxes) that includes a 15-point inspection and a top-up of all fluid levels.

Certified Trained Technicians

We have invested plenty of time and money to ensure that we offer the best trained technicians in the area. It has been our philosophy that it makes more sense to spread the training around to all our technicians so we can better serve our customers. Though in these tough economic times it seems, at times, a costly expense, we strongly believe this investment is paying off by the ability of all of our technicians to work on many different mechanical and electrical problems, not just specialized areas. We proudly display our training certificates in our service waiting area.

Guaranteed Repairs

We offer "lifetime" warranties on mufflers, brake pads and shoes (for as long as you own your vehicle), 3-year/80,000 km warranties on replacement engine and transmission assemblies, and 12-month/20,000 km warranties on all other repairs... PARTS and LABOR.

While You Wait Service

Whether you decide to drop off your car or wait in our service waiting area, we are equipped to handle your needs. We offer our famous Lube, Oil & Filter in 29 minutes or "THE NEXT ONE'S FREE". We do work on an appointment basis but we always have room for our walk-in customers.

Fixed Right the First Time

Drewery's takes pride in their commitment to "FIX IT RIGHT THE FIRST TIME." We are constantly monitored by General Motors on exactly this, and have consistently ranked as one of the top five General Motors Service Dealers in all of Ontario.

Job Costs What We Say

Our motto is "THE PRICE ON THE GROUND IS THE PRICE ON THE HOIST." When we quote a price on a job we do our utmost to be "up front" with no surprises when you come to pick up your vehicle.

"We don't just talk about great service, we give it."

Service Dept.: Front, left to right, Shane Lord, David Scrivener. Back, Dave VanBruinessen, Brian MacMillan, Pat Luther, Mike Patenaude.
