Lieut. Jack Davies Wounded In France

Rev. and Mrs. G. Oliver Davies, of Morrisburg, were notified by the War Dept. on Tuesday that their son, Lieut. Jack Davies, had been wounded in France on September 21st. The information didn't state whether or not the wounds were of a serious nature, but Jack's many friends here are hoping they're not.

Lieut. Davies was one of the officers on loan to the British Government by the Canadian Army and was attached to the First Battalion of the Worcestershire Regiment, which forms a part of the British Second Army. He went to France on June 14th and has been in the thick of the fighting ever since.

Jack was well known in Winchester, having resided here for several years during which time his father was Rector of St. Matthias' Anglican Church. He was a former student of the local High School, where he starred in athletics.

Prior to going overseas, he held the rank of Corporal in the Morrisburg platoon of S., D. & G. Highlanders (R) and later graduated from the Officers' Training Centre at Brockville.

FAWCETT BROTHERS WIN HONOURS AT KEMPTVILLE SHOW

In the fourth annual Junior Agricultural Fair of the Ottawa Exhibition, held at Kemptville on Saturday afternoon, the Fawcett Brothers of this district carried off the honours in the Holstein Calf Class and were also among the winners in the judging competition. Here is how they stood at the top of the list, as reported from Kemptville:

Best calf picked out of the 81 animals shown was that of Allison Fawcett, Winchester, Chesterville club, Dundas county; the reserve, his brother, Keith Fawcett, same club; best showman was Edwin St. John, Lancaster; reserve was Keith Fawcett.

Results of the judging were:—Group A: Allison Fawcett, Winchester; Keith Fawcett, Winchester; Roy Fawcett, Winchester.

These boys are sons of Mr. and Mrs. Wm. Fawcett. They have acquired their calf-raising, showmanship and judging ability honestly, because their father is one of the most prominent Holstein breeders in Eastern Ontario, and owns a prize-winning herd of Pure Breds.

Letter of Appreciation

Following is a letter sent to the editor by Cpl. M. C. Robinson, a former Winchester boy, recently returned from overseas after serving over four years in England. Included in the letter was a donation of $25.00 for the 100 Club Park Fund, and a message of appreciation to the several agencies that had sent boxes, cigarettes, etc. to Cpl. Robinson while he was overseas. He is a son of the late Mr. and Mrs. Joseph Robinson and a brother of Mrs. C. R. Robinson, of town. Here is his letter:

Queen Alexandra Sanatorium,
London, Ont.

Dear Fern:—

As I have time now to think of the long four and one-half years I spent overseas, there is nothing comes to my mind more than the remembrances of the people at home, so I would like to thank everyone who helped to make this possible for myself and the other boys of Winchester.

Perhaps tops on the list was the "Press" that we looked for every week, but also the 100 Club, the Red Cross, the Legion, St. Paul's Church and even old Mulloy's School did not forget, as well as the many friends with their parcels and letters. To all these I wish to thank them and can assure them that their efforts will never be forgotten.

I am glad to know that work is going fine on the new Park, as I would not like to see the old Fair Grounds go.

Please find enclosed $25.00 to help it along.

Sincerely yours,
Cpl. M. C. Robinson.

Next Blood Clinic Here October 17th

Blood donors from Winchester and vicinity are wanted for the next Red Cross clinic here on Tuesday, October 17th. Canadian troops are in the thick of the fighting and the demand for blood plasma is "increasingly" urgent. If you have not already been a blood donor, or if you are prepared to make another donation, you are asked to communicate with Dr. J. J. McKendry or Dr. H. S. Gross at once. There are many people in this district who, to date, have not made a donation. Now would be a good time to start. There is nothing to it—ask those who contribute regularly. Give your blood that some Canadian soldier's life may be saved. It's human, it's patriotic and its a duty you owe to those brave lads who are fighting your battles, as well as theirs.

Enroll today for the Clinic next Tuesday.

So little is this pint of blood to give,
That, far away, a dying man might live;
Take this, my blood, and know a part of me
Has gone . . . to keep my homeland free.

FEED NEWS

BEET PULP HERE

A car of Beet Pulp arrived this week. It came sooner than expected. If your order is not in, please call us at once.

SEED PRICES

Timothy Seed prices are slightly hgher than last year. Although the hay crop was light in this district, it was good in some other seed producing districts and apparently there is a fair supply of Timothy Seed.

The Clover and Alfalfa crops are light and prices for top quality seed are likely to be high.

A Participation Certificate will be issued on all good quality seed sold to dealers. This certificate entitles the producer to a subsidy of 3 cents a lb. on Red Clover and 5 cents a lb. on Alfalfa and Alsike.

This is a straight government subsidy on Clover Seeds but it is payable only on lots on which a Participation Certificate has been issued. Be sure and get a certificate when you sell your Clover Seed—it is worth $3.00 per 100 lbs. on Red and $5.00 on Alfalfa and Alsike. No subsidy on Timothy Seed.

We will get quotations on any lots of Timothy and Clover Seed that are for sale and also arrange for a Participation Certificate for eligible lots of Clover Seed.

Bring in samples.

W. M. S. Sectional Meeting Held At Williamsburg

A Sectional Meeting of the Dundas-Grenville Presbyterial of the Women's Missionary Society of the United Church of Canada was held in the United Church at Williamsburg on Thursday, October 4th, with Mrs. Cecil McIntosh in the chair, Mrs. H. Faulkner at the secretary's desk, and Mrs. Merkley at the organ.

The weather was ideal, the programme interesting, informing and inspiring, and the attendance was a record one. During the noon intermission, the ladies of Williamsburg served a very excellent dinner. Baskets of late summer blooms added to the beauty of the church.

The morning session opened with the National Anthem, followed by the singing of the twenty-third Psalm. The worship service was conducted by the Winchester Springs' Auxiliary. Mrs. C. Thompson read the lesson from John 10:1-16, and Mrs. A. Casselman offered prayer, while Mrs. T. Keyes gave a splendid exposition of Psalm 23, giving it a present-day personal application.

Then followed the appointment of standing committees, reading of minutes and new business. The name of Mrs. Reddick, of Morrisburg, was approved for nomination as Vice President to succeed Mrs. McIntosh. Mrs. (Dr.) Locke, in a very pleasing manner, brought sincere words of greeting, to which Mrs. Colquhoun replied.

Reports of delegates from School for Leaders at Edgehill were presented by Mrs. H. VanAllen, Mrs. Blancher and Mrs. Clarke. It was urged that regular meetings be carried on according to the constitution and that in the worship period the presence of God should be felt and the place of prayer emphasized.

Mrs. W. N. Fulton sang a very effective solo. She was accompanied by Mrs. (Rev.) Wright. Miss E. Smith, Literature Secretary, spoke. She urged more reading of books available and said: "Let us read for Victory, Peace and Democracy."

The offering was received by the ladies of the Elma Auxiliary, with offertory prayer by Mrs. McIntosh.

The afternoon session opened with a worship service, conducted by the Morrisburg Auxiliary. Mrs. (Rev.) McCuaig read Luke 9:27-36, which she followed by an excellent paper on Prayer, after which Mrs. Reddick led in prayer.

Mrs. W. J. Cass spoke on Temperance and Christian Citizenship. She listed some of the things which stand in the way of a Christian citizenry, Drink, Venereal Diseases, Lowered Moral Standards, and the danger of losing Sunday as a day of rest and worship. She gave some practical suggestions as to how W. M. S. members can help to keep Canada's citizenship Christian.

After the roll call, Mrs. Merkley, of Williamsburg, sang in good voice a very pleasing solo.

The guest speaker of the convention, Mrs. Loveys, Secretary of Home Missions, gave a most interesting and informative address on the work of her department. She said that women in uniform and in industry are helping to win the war, and the United Church is endeavouring to fulfill its wartime ministry to them. In this work the W. M. S. is doing its part. In 1942 the W. M. S. was asked to send women into wartime housing areas, with the result that work is being carried on at Nobel, Malartic, Arvida, Prince Rupert, Vancouver, Windsor, Sarnia, Malton, and on the Alaska Highway. Thirty University women had volunteered for this wartime work. Fifteen of them were trained and are now engaged in this work. The Anglicans, Baptists, Presbyterians and United Church have co-operated to do a piece of Protestant work in war areas. She spoke of the Merchant Marine, "the forgotten group" of 33,000 men. The United Church is the only church which has a full-time worker among them.

Mrs. Loveys referred to the church's duty after the war to (1) the demobilized, and (2) those released from war industries. Their ideas will be changed and the church will have to put a different value on Worship. She said the church may have many critics but it has no rival.

Following this very inspiring address, Mrs. W. S. L. Merrill thanked the speaker on behalf of the audience.

A hymn was sung and a questionnaire was ably conducted by Mrs. Loveys. The report of the courtesy committe was brought in by Mrs. T. Keyes. The offering was received by ladies of the Robertson and White Church Auxiliaries, with the prayer of dedication by the chairman.

Mrs. I. Hilliard brought closing thoughts, stressing the value of Prayer and urging a rededication of all present to the work of Christ's Kingdom.

The Benediction brought the day's meetings to a close.

Gertrude Douglas SAYS:
Suppose you had no savings or property today but by the end of this month you had saved $10 out of income. Your Estate would be just that $10. But if you invested it as a down-payment on a Life Insurance Policy, your Estate would consist of the value of that Policy (maybe thousands of dollars) immediately!!

HERE'S MY FEED PROBLEM . . .

My dairy feeds seem to be costing more than they should.
HERE'S THE ANSWER . . .

You may be overfeeding some of your cows. Keep a written chart of milk production and switch to "Miracle" Dairy Feeds. Tests show that "Miracle" Dairy Feeds cut feed costs about 20% and increase milk production as high as 25%.

CANADA'S VETERANS
Their Post-War Opportunities
This is the first of a series of advertisements to inform the people of Canada of plans to re-establish men and women of the armed forces. To get the full details save and read every advertisement.

For complete information write for the booklet "Back to Civil Life."

The Future After Discharge —
A MESSAGE TO RELATIVES OF THOSE IN THE ARMED FORCES

When your boys and your girls come home, when they lay aside the uniform, when they go out into the world as normal peace-loving Canadians, what lies ahead? Can they pick up their lives as civilians, where they laid them down, months or long years ago? Are there plans to help them do the things they wanted to do before the war? Will they have security? Can they continue education, or receive needed training? Will they be assisted in home owning, or to establish their own business, and will they be enabled to pick up their family life once again?

These are questions which concern all those Canadians who have loved ones in the services. They are questions which this series of advertisements is designed to answer.

OPPORTUNITY IS THE OBJECTIVE
Canada has been making plans for your boy's and your girl's return to civilian life since early in 1940. These plans are in effect and operating now. The aim is that every person who has served shall have opportunity. Thousands, already back in civilian life, have benefitted by training, by maintenance grants, by advice of departmental officials, and by the social security provisions. *There is ample help for those men and women who want to help themselves.*

ASSISTANCE ON DISCHARGE
When your boys and girls are discharged from the services, they will be given:
1. A clothing allowance of $100.00 (if discharged after August 1, 1944).
2. Their pay to date of discharge.
3. One month's additional pay, if they have 183 days' continuous service, as a rehabilitation grant.
4. A railway warrant home or to the place of enlistment.

Dependents will receive:
1. Their normal dependents' allowance to date of discharge, with assigned pay.
2. An additional month's dependents' allowance, with assigned pay, if there has been 183 days' continuous service.

Your boy or girl will be allowed to retain certain items of uniform. They will be given a complete medical and dental examination and will be eligible for free needed treatment for a year after discharge. Those discharged not physically fit, in need of continuing treatment and unable to work, will have their pay and allowances of rank continued for at least a year if necessary and, if the disability is pensionable, for as long as curative treatment is beneficial. All are interviewed by Veterans' Welfare Officers and told of the re-establishment programme.

WAR SERVICE GRATUITY
On discharge, those enlisted to serve outside Canada, or those who served in the Aleutian Islands, are eligible for a war service gratuity. It provides $7.50 for each thirty days' service in Canada and the Western Hemisphere and $15.00 for each thirty days' service overseas or in the Aleutian Islands. For those with overseas service or with service in the Aleutian Islands, there is an additional seven days' pay and allowances for each six months of such service. Payments will be made at the end of each month in the months following discharge. Complete details of the war service gratuity will be given in a later advertisement.

RE-ESTABLISHMENT CREDIT
In addition to the war service gratuity, there is a re-establishment credit of $7.50 for each thirty days' service in the Western Hemisphere and $15.00 for each thirty days' service overseas. This is for things such as the purchase or repair of a home, the buying of furniture, a business, or government life insurance, and for certain other purposes which will assist your boy or your girl in becoming re-established. This credit, which is reduced by grants given for training or education, or under the Veterans' Land Act, is primarily for those who do not wish assistance under these three plans.

RETURN TO FORMER JOBS
If your boy or girl held a civilian position before enlisting, and was not engaged to replace somebody already in the forces, and if the position still exists, and your boy or girl is capable of filling it, it is the employer's duty, under the law of Canada, to reinstate him or her in that position with seniority. Application for reinstatement must be made to the former employer within three months of discharge from the forces or from hospital.

Veterans' Welfare Officers are stationed in key centres throughout Canada. They are the friends of Ex-Service men and women. It is their duty to advise and assist all Ex-Service personnel with their re-establishment problems. If there is anything about the Rehabilitation programme which you do not understand, consult your nearest Veterans' Welfare Officer.

TRAINING AND EDUCATION
The surest way to permanent employment—the thing your boy or girl will want—is a skill to get and to hold a job. Canada's plans give opportunity to acquire needed skill either at university or in preparation for a business or industrial career. Fees are paid by the state, along with living allowances, while training or continuing education.

WHILE ILL OR UNEMPLOYED
There is protection against illness or unemployment by maintenance allowances which can be drawn against in the first eighteen months after discharge. There is also protection under the Unemployment Insurance Act for those who enter insured employment and remain in it fifteen weeks.

HOME OWNING AND FARMING
There is provision to assist city and other workers to have homes of their own, either on small acreages of land outside the high taxation area, or in town, under the National Housing Act. Full-time farmers can be given financial assistance in full-time farming, while commercial fishermen may secure financial help in getting their own homes, on small acreages of land, and in buying needed fishing equipment.

FREE TREATMENT
In the year following discharge, service men and women are eligible for free treatment, hospitalization and allowances for any condition, even if not the result of service. Pensioners are entitled to this for life for their pensioned disability.

THE POLICY ON PENSIONS
Canada's Pension Act is administered by *an independent commission, all former members of the services.* Any permanent disability suffered overseas, not a result of misconduct, is pensionable. Where service is in Canada only, the disability must be a result of service.

PENSIONS AND NATIONAL HEALTH

HONOURED ON 30th WEDDING ANNIVERSARY

A pleasant surprise party was tendered Mr. and Mrs. Ernest Marcellus, of Rowena, on Saturday evening, September 30th, when about thirty-five immediate relatives and friends assembled at their home to celebrate their thirtieth Wedding Anniversary.

The house was beautifully decorated for the occasion and the guests were received by their two daughters, Jean, of Ottawa, and Mrs. Jay Bailey (Irene), Winchester Springs. On the arrival of the bride and groom to the living room, Mrs. Ralph Marcellus played the wedding music, and their granddaughter, Marilyn Bailey, presented them with a bouquet of white Gladioli.

In a short address, Mr. Frank Dafoe extended hearty congratulations and best wishes for many more pleasant anniversaries, while Mrs. Jay Bailey and Mr. Aden Marcellus made the presentation of a pair of reversible woollen blankets on behalf of those present.

Mr. Marcellus, on behalf of his wife, made a fitting reply, expressing their appreciation of the beautiful gift and the pleasant surprise tendered them.

The guests were then escorted to the dining room where a buffet lunch was served. The highlight of the lunch hour was the cutting and serving of a beautiful three-storey wedding cake.

Among the guests present were: Miss Jean Marcellus, of Ottawa; Mr. and Mrs. Jay Bailey and Marilyn, and Mr. and Mrs. Abram Bailey, of Winchester Springs; Mr. and Mrs John E. Marcellus, Mr. and Mrs. Aden Marcellus, Dale and Graham, of Rowena; Mr. and Mrs. Ralph Marcellus and Shirley, of Haddo; Mr. and Mrs. Alonzo Foster and Mr. G. Foster, of Williamsburg; Mr. and Mrs. Frank Dafoe, Glenn and Keith, of Aultsville; Mrs. Wesley McCaslin, Miss Gladys Flett and Mr. Henry Flett, of Iroquois; Mr. and Mrs. Hilliard Adams, of Mainsville, and Mrs. John Markell, of Rowena.

RATION BOARDS GET READY TO HAND OUT NO. 5 RATION BOOKS

Although tea and coffee are no longer rationed, there is continued need for the conservation of butter, sugar and preseves and, as a result, distribution of a further ration book —No. 5 in the wartime series—is scheduled for the week of October 14-21 and already Local Ration Boards which are to supervize this distribution have plans well advanced for the campaign.

The distribution will differ in few respects from those previously carried out under the same auspices. The major change is that, in view of the eliminiation of a surrender card from the No. 4 books, it is necessary to make use of the spare K coupon sheet at the back of the book for that purpose. Book holders are required to fill out the stub (both back and front) of that sheet and to present it, still attached to the ration book, at the nearest distribution centre. The sheet will then be detached and a new ration book issued. At the same time each head of a household will be given a small printed leaflet which discusses rationing.

In due course newspaper advertising will appear, as in earlier ration book distribution campaigns, setting forth the whereabouts of the various distribution centres and the dates and hours at which they will be open. Consumers should watch closely for this information, as it is quite possible that the location of distribution centres may differ from that prevailing during earlier campaigns.

In the meantime, Local Ration Boards are most anxious to enlist the services of volunteers to help in the distribution of the new ration books and thus to keep the cost of distribution down to the exceedingly reasonable levels which have prevailed since Local Ration Boards assumed such responsibility.

Has your Subscription expired?

They're TALKING ABOUT . . . a Ten-Cent Dollar!

They speak of it glibly...but what does it mean? It means that every pay-day if your boss paid you in crisp new one-dollar bills each of them would buy only a measly ten-cents' worth of goods All those savings you've made with ten dimes to a dollar would shrink to the size of one (10¢). That's inflation! So we're lucky in Canada that price ceilings and other anti-inflationary measures have kept our dollar value HIGH. In fact, a dollar goes further to-day . . . buys more goods than the dollar of 1918. Look at these prices, a pound of cocoa to-day 34¢ lb. compared to the 64¢ lb. it was then. The same quality towels $1.00 PR. now, were $1.98 then. Yes, we get a good dollar's worth to-day. And remember - you protect your dollar value when you refuse to pay more than the ceiling price...denounce black markets . . . buy Victory Bonds ..save.. pay off debts and help keep the cost of living down!

1918 1944

Make This Pledge Today!

I promise to give my support to keeping the cost of living down. I will buy only what I need. I will observe the ceiling whether buying or selling goods or services. I will pay off old debts, save for the future, invest in Victory Bonds and War Savings Certificates. And I will support taxes which help lower the cost of living.

Keep Your Dollar Value High!

Apply to:

Your nearest Employment and Selective Service Office; or

ACT NOW

SELECTIVE SERVICE RULES THE SAME AS LAST YEAR

As in 1943, pulpwood cutting is still classed as an essential war industry. This means you can cut pulpwood and retain your status as farmer if you already have postponement—and provided your absence will not affect winter production on the farm.

Act *now* to secure your job in the bush and return to the farm in the spring. Companies are already signing up workers for this season.

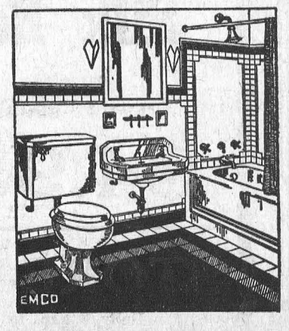
are available in greater quantities this year but still not enough to meet the demand.

The Dominion Government authorized increased production of Farm Machinery and Pumping Systems because it was recognized that labor-saving devices were necessary for the farmers to increase production of farm products.

We will supply our Duro Dealers with as many Duro Pumps as materials and manufacturing facilities will permit, but War Production must come first.

Keep in touch with your Duro Dealer — he will do his best to take care of your needs. He will also assist you to secure permit to purchase from your Rationing Officer at the War-time Prices and Trade Board.



EMCO Quality Bathroom Fixtures and Fittings are still available in a good range of styles and prices. Consult your EMCO dealer regarding those now available.
