Gutter Helmet Protects Your Home and All You Have Invested in It.

Gutter Helmet, the original gutter protection system, keeps debris from gathering in gutters, eliminating the hassles, the damage and the dangers caused by clogged gutters.

- **The #1 Gutter Protection System in the World**
- Rain goes in, leaves stay out
- Four season, all-weather protection
- Installs over existing gutters
- Prevents rot and water damage caused by clogged gutters
- Ends costly and dangerous gutter cleaning forever

Call your Gutter Helmet dealer today for a free demonstration and estimate. Visit our web site at **www.gutterhelmet.com.**

*Offer valid on new 2000, 2001 and 2002 Arctic Cat ATVs, excluding the Arctic Cat 90 and SBS 1000. Offer good at participating Canadian dealers to Canadian residents. Winch installation not included. Offer valid 1/01/02–6/30/02. See dealer for details. Excluding tax, freight, and dealer setup. ATVs can be hazardous to operate. For your safety always wear a helmet, eye protection, and protective clothing. Never ride on paved surfaces or public roads. Never carry passengers; never engage in stunt driving; riding and alcohol/drugs don't mix and could cause injury or even death. Avoid excessive speeds and be particularly careful on difficult terrain. **The Arctic Cat ATV may not be ridden by anyone under 16 years of age.** Arctic Cat recommends that all riders take a training course, and that they read and understand their owner's manual before operation. For safety or training information, see your dealer. Along with concerned conservationists everywhere, Arctic Cat urges you to "Tread Lightly" on public and private land. Preserve your future riding opportunities by showing respect for the environment, local laws, and the rights of others when you ride. ©2002 Arctic Cat Sales Inc., ®™ Trademarks of Arctic Cat Inc., Thief River Falls, MN 56701. (218) 681-4999. Warn® is a registered trademark of Warn Industries. Arctic Cat ATVs are world-class products from Arctic Cat Inc.

Superior Motorsports
1000 Island Supply
Lazer Vending

Dingwall Motorsports will have a three car team for the 2002 race season ... The # 66, # 96, and # 99 will all be sporting a new look for the 2002 race season.

66 will be driven again this year in the sportsman class by Kyle Dingwall. Kyle will be driving a 2000 Mid-Rail Bicknell chassis with updates made over the last year. It will support a fresh Mike Blok (Engine Research) Ford motor that Kyle competed with last year. Kyle will be competing at the Brockville Ontario Speedway every Friday night as well as the Can Am raceway park in Lafargeville, NY every Saturday night. Kyle, who is 18 years of age has this to say... "I would like to thank my sponsors for helping win rookie of the year honours in the sportsman division on my way to a third place finish in Brockville's points race. Our goal this year is to go after at least one track championship. "

96 will be driven by Chico Dingwall in the modified class. Chico, a 28 year veteran of the sport, has a 2001 Mid-Rail Bicknell chassis with a state of the art Mike Blok Ford motor. Chico will also race every Friday night at the Brockville Ontario Speedway and every Sunday night at the Cornwall Motor Speedway. Chico will set Saturday nights aside to race a schedule for the Research and Development of the Dingwall racing program.

99 will also run in the sportsman class and be driven by younger brother Cole Dingwall. Cole, who is 17 years of age, will be driving a 2000 High-Rail Bicknell chassis with a newly built Mike Blok Ford motor. Cole will be running every Friday night at the Brockville Ontario Speedway, as well as, occasionally on Saturday nights at Can Am to gain valuable seat time. Cole, who will be helped by his Grandfather Ford Dingwall, has this to say about his opportunity... "I would also like to thank my sponsors as without them none of this would be possible. I am very appreciative of everyone who has given me this great opportunity to compete in such a great sport at such a young age. "
