Rink Co. Donates $300 To Hospital

The sum of $300.00 was voted to the Winchester District Memorial Hospital, by the Winchester Rink Company Limited, at the annual meeting of the shareholders, held in the Council Chambers last Wednesday evening. The motion was sponsored by Messrs. N. W. Beach and Harold Lannin and was given unanimous support. Mr. Hart Melvin, Chairman of the Hospital Finance Committee, was present, and in a brief address thanked the Rink shareholders for the worthy donation. He pointed out that financing a hospital project was no easy matter, and that any assistance that could be given the Board would be greatly appreciated.

Following the presentation of the treasurer's report by Mr. H. L. Flora, and the auditor's report by Mr. Walter Moffat, all offices were declared vacant by President J. L. Dixon, and Mr. N. W. Beach was appointed to preside during the election of a Board of Directors for the ensuing year. This resulted in the re-election of the present Board, viz: Messrs. J. L. Dixon, Hart Melvin, Eldon Fennell, J. K. Ault, H. L. Flora, W. F. Workman, Dr. D. L. MacLean, Gerald Helmer and Harold Lannin. Honorary Directors are Messrs. N. W. Beach, R. M. Elliott and T. O. Keyes, the latter being appointed at Wednesday's meeting.

The auditors elected were Messrs. Walter Moffat and W. J. Stewart.

Discussion took place regarding the rink property boundaries, and it was decided to ask the Municipal Council to have the fence and gate put back in their original positions.

Directors' Meeting.

Following the shareholders' meeting, the directors met and elected the following officers: President, J. L. Dixon; Vice President, Hart Melvin; Secretary, Eldon Fennell; Treasurer, H. L. Flora.

During a discussion period which followed, the installation of showers in the hockey dressing rooms, and a loud speaker system in the rink, was suggested, and committees were appointed to investigate the cost of this equipment. It was also suggested that the balcony be transformed to a reserved seat section, by numbering the seats and making some alterations to the seating arrangement. This was held over for further discussion, along with the appointment of several committees to take charge of the operation of the rink during the winter months.

According to the treasurer's report, total receipts for the year were listed at $2357.22. Of this amount, $1606.00 was received from hockey games, $454.00 from public skating, and $263.00 from the sale of Season's Tickets.

Expenditures, which included cost of operating the rink and making certain repairs, as well as the purchase of supplies, totalled $2,146.16. A credit balance of $511.06 was shown on the year's operations. However, allowing $550.00 for depreciation (5% on $11,000.00) leaves a small deficit of $38.94. Present Current Assets of the Company are: Cash in bank, $2,944.44, and a Government Bond for $1000.00.

WEDDINGS

GILES—BLACK

Victoria Day in Winchester was highlighted by the marriage of one of our most popular young ladies, in the person of Miss Genevieve Gertrude Black, only daughter of Mr. and Mrs. Elgin Black, of Winchester, to Mr. Leonard Donald Giles, of Chesterville.

At three o'clock in the afternoon the ceremony took place in the United Church, with Rev. N. J. Thomas officiating.

Given in marriage by her father, the bride was charming in a floor-length gown of white rayon net over taffeta. The inserts in the skirt and the bolero were of shadow lace. Her finger-tip lace, trimmed veil fell gracefully from a halo of flowered net.

Miss Phyllis Walker was maid of honour and wore a powder blue rayon net and lace floor-length gown, with matching halo and gloves.

Miss Melba Barrett, cousin of the bride, as bridesmaid, wore a floor-length gown of pink rayon net over taffeta, with matching accessories.

Both the maid of honour and the bridesmaid carried bouquets of pink roses.

Mr. Kenneth Giles, of Hamilton, brother of the groom, was best man, and the ushers were Mr. Elgin Bowman, cousin of the bride, and Mr. Gordon Giles, brother of the groom.

The wedding music was played by Mrs. Howard Fetterly, and the choir was in attendance. During the signing of the register, Mrs. S. Lindsay sang beautifully, "Through The Years."

Following the ceremony, a reception was held at Hotel Winchester, with about fifty guests present. The guests were received by the bride's and groom's parents. After the reception, the guests were entertained at the bride's home.

For travelling, the bride wore a cocoa brown suit with matching accessories.

The groom's gift to the bride was an onyx and pearl dinner ring.

The young couple, amid showers of confetti and best wishes, left for a honeymoon to Niagara and other points west. Upon their return, they will reside in Chesterville.

Guests from a distance were: Mr. and Mrs. David A. Stanley, of Montreal; Mr. Kenneth Giles, Hamilton; Mr. and Mrs. L. B. Giles, Mr. Gordon Giles and Marion, of Chesterville; Mr. and Mrs. Elmer Campbell, and Mr. and Mrs. Wilbert Duncan, Vernon; Mr. and Mrs. Donald McLaren, Russell; Mrs. Bessie McLaren, and Mr. and Mrs. Hume McConnell, Morewood; Mrs. Wm. Hall, Cornwall; Mr. and Mrs. John Black and Miss Hilda Shaw, Ottawa; Mr. Orrin Strader and Mrs. Rumsey Peterson, of Brinston.

KIRKWOOD—McLEAN

A quiet wedding was solemnized at the United Church Manse, Inkerman, on Wednesday afternoon, May 21st, when Rev. G. Gervan united in marriage Lydia Dorene, eldest daughter of Mr. and Mrs. Garnet McLean, Chesterville, and Mr. John Robert Kirkwood, son of Mr. and Mrs. Frank Kirkwood, of Inkerman.

The bride wore an iceberg blue street-length dress with black accessories. Her corsage was of red roses.

Her attendant, Miss Norma Armstrnog, wore a fuchsia crepe street-length dress with black accessories and a corsage of pink carnations.

Mr. Franklin Salter, of Inkerman, was best man.

Following the ceremony, a reception was held for their immediate friends at the home of the bride's parents. Later, Mr. and Mrs. Kirkwood left on a honeymoon to Lake Placid, N. Y. Upon their return they will reside at Inkerman.

Among the out-of-town guests were: Mr. and Mrs. Ralph McMillan, of Morewood; Mr a.nd Mrs. Thos. McLean, of Morrisburg; Mrs. Hamilton Thompson, Iroquois; Mr. and Mrs. Carson Kerr and Mr. and Mrs. Floyd Armstrong, Winchester; Mr. and Mrs. Ralph Kirkwood, Inkerman; Mr. and Mrs. Hilton McLean, Chesterville, and Mr. Hubert McLean, Cornwall.

The bride was a former member of the Bessin Store Staff in Winchester, and upon her retirement was presented with a beautiful Wool Blanket by the staff.

FRANCIS—SMITH

A pretty house wedding took place at the home of the bride's parents on Monday afternoon, May 19th, at 2 p.m., when Rev. E. W. Smalley united in marriage, Inez Vandacy Smith, daughter of Mr. and Mrs. Bert Smith, and George Gordon Francis, son of Mr. and Mrs. Harold Francis, all of Smiths Falls.

Given in marriage by her father, the bride looked charming in a floor-length dress of white nylon sheer, with satin bodice and bracelet length sleeves. Her finger-tip veil was held in place with a white gold coronet set with rhinestones. She also wore lace mittens and carried an arm bouquet of American Beauty Roses.

Miss Bessie Smith, sister of the bride, was bridesmaid, and wore a floor-length dress of blue nylon sheer, similar to that of the bride's. She wore a coronet head-dress of blue satin and rosebuds and carried an arm bouquet of pink rosebuds.

Mr. Harry Lowe was groomsman.

Following the ceremony, a reception was held. Receiving with the bridal couple was the bride's mother, who wore a dress of navy crepe, large picture hat and corsage of red roses. The groom's mother chose a triple sheer dress, black straw hat and a corsage of Talisman Roses. Tea was poured by Miss Jean Smith, of Ottawa, and Miss Mabel Francis, of Tweed, Ont.

Later, the young couple left on a trip to London. For travelling, the bride wore a blue suit with black accessories and a corsage of pink rosebuds. On their return they will reside in Smiths Falls.

The groom's gift to the bride was a gold inlaid vanity set, to the bridesmaid a pearl necklace, and to the groomsman a gold key chain.

Out-of-town guests included: Miss Jean Smith, of Ottawa; Miss Mabel Francis, of Tweed, and Miss Betty Francis, of Brockville.

Local Hospital Site Changed

At a meeting of the directors of The Winchester District Memorial Hospital, held here last week, members of the Hospital Medical Board brought in a recommendation, that before any actual construction was started, the site on which the hospital is to be erected should be given further consideration. The recommendation stated that the Medical Board was in favour of the Ault property, and that the site should be changed. The Board had already purchased a site from Mr. Hugh Edgerton on Main Street West. Reasons for the change are outlined in a memorandum from the Medical Board, which appears below, in this column.

A lengthy discussion took place following the presentation of the doctors' recommendations, after which a vote of the Board was taken. This resulted in a 15-3 majority to change the site.

Since the meeting, the Property Committee has made arrangements with Mr. Ralph Ault for the purchase of the land west of the school properties and it is expected all details connected with the purchase will be completed this week.

The Ault Property As Our Hospital Site

The doctors who serve the community covered by the Winchester and District Memorial Hospital are unanimously in favour of the Ault site.

This decision was reached after earnest and long consideration and came to a head on May 14th, 1947.

Our recommendation as medical men that the hospital site be changed from the Edgerton to the Ault location was read before a full meeting of the complete Hospital Board on May 20th, 1947. After open and frank discussion, this decision to reverse the site was carried by a vote of 15 to 3.

Those of your doctors who served overseas mentioned the large expanse of country around even the smallest hospitals in England where land is at a much greater premium than here.

Each of us who serve you must look to your future. We must make provision to have plenty of room so that our fullest hopes may be realized—and that we can grow when the time comes—and it will come.

Our hospital is going to expand and develop. A nurses' residence will be built. The whole project will become a community health centre of which we can all be proud.

Now—quite recently in fact—our architect, at the request of the Department of Health, has had to alter the plans for our hospital to build it for the future—and so that it can be added to with the least possible cost. Because of this, the building as now planned is too large for the Edgerton site, and so it is at this late date that we have NO choice but to choose the larger Ault property.

As your doctors, we have the fullest confidence and trust in the Hospital Board—and in its chairman, Walter MacDonald.

The campaign has been tedious, but they have not faltered. The drives for the Cornwall General Hospital, for Grace Hospital, for the Oakville Memorial Hospital, were all initiated and started long before ours—and you do not see them under construction yet.

No worthy goal can be reached without sacrifice. There is no real gain without struggle. Therefore, let us to the battle—without dissention or discord—for ahead there is blood and sweat and tears—but out of it all a Hospital that we may all be proud of will be attained.

H. S. Gross, Sec'y. Medical Board,
Winchester District Memorial Hospital.

TWO TEACHERS OUT OF SEVEN REMAIN IN CHESTERVILLE H. S.

The Chesterville High School Board, in common with many other Secondary School Boards throughout Ontario, are again faced with the perennial problem of re-engagement of a teaching staff. This year, out of seven teachers, five have decided to relinquish their positions, in spite of liberal increases offered.

During the past few days no fewer than five meetings have been held to consider this problem. The two teachers who will continue are Harvey Gillies, B.A., principal, and Joseph Potvin, teacher of French and physical training.

A minimum salary of $2,000 was paid by the Board for the 1946-47 term.

RECOVER BODY OF CHESTERVILLE MAN FROM RIVER

The body of Eslie Gray, 54-year-old Chesterville resident, was recovered from the Nation River at Chesterville on Monday afternoon. The body was discovered by Kenneth Kirkey, 17, who was fishing.

Kirkey told police he first noticed a cap and then saw the body a short distance from shore in three to four feet of water. He immediately ran to the home of Donald Cross where he telephoned Constable Garnet McLean.

Constable McLean summoned Provincial Constables Wannell and Wellesley, of Morrisburg, and Dr. J. M. Pollock, Avonmore coroner, who said an inquest was unlikely.

Mr. Gray had been missing from his home since 6 a.m. and had not been in good health for some time. Lately he had been employed on construction work at the Nestle's plant.

Born at Nation Valley, Eslie Gray was the son of Grant Gray and the late Mrs. Gray.

He is survived by his wife, two sons and two daughters. They are: Earl, who farms near Chesterville; and George, at home; and the Misses Shirley and Jean Gray, both of Ottawa. He also leaves two brothers and two sisters, Charles and Ralph Gray, of Chesterville; Mrs. B. Holmes (Evelyn) and Mrs. Kenneth Merkley (Rita) both of Chesterville.

Revue of Wedding Gowns Attracts Large Audiences

The Wedding Gown Parade and Program of Musical Numbers, Readngs, etc., held in the local Town Hall on Friday afternoon and evening of last week, and sponsored by the W. C. T. U., under the direction of Mrs. Mary Bowden, was a decided success. Large audiences were present at both revues and in the evening several people were unable to gain admission as the hall was packed to capacity. The program, which was quite lengthy, was highly entertaining. The feature attraction was the Parade of Wedding Gowns, past and present. The oldest style modelled was the gown worn by the late Mrs. Aaron Sweet at her wedding in 1882. It was modelled by Mrs. Charles Cougler. The hat that Mrs. Cougler wore with this costume belonged to an aunt of Mrs. Albert Turner, the former Miss Elizabeth Doyle, who married the late Andrew W. Summers in 1871 and died the following year. The hat was quite in style 75 years ago.

Another gown of ancient vintage was one worn by Miss June Rowat when rendering a vocal solo. This outfit was made by Mrs. Jay Nesbitt 60 years ago. Several wedding gowns, from present styles to those dating back as far as 1900, and a few worn in 1885, 1887 and 1895, were also modelled. While the gowns created much interest, some of the older styles caused much laughter.

Ladies who did the modelling were: Mrs. Chas. Patterson, Mrs. Raymond Earl, Mrs. Chas. Cougler, Miss Norma Hitsman, Miss Jean McRoberts, Miss Joyce Hay, Mrs. Ralph Walker, Mrs. Randall Wylie, Mrs. Clark Curtis, Miss Betty O'Neil, Mrs. Thos. Reed, Mrs. Jack Fader, Mrs. Bower Potter, Mrs. Gordon Gibson, Mrs. Colbourne Helmer, Mrs. Arthur Summers, Miss Ethel McConnell, Miss Christine Stewart, Miss Barbara Fennell, Mrs. Arthur Johnston, Miss Pat Bolton, Mrs. Dwayne Hamilton, Miss Gwen Thomas, Mrs. Percy Cumming, Miss Gwen Summers, Mrs. Raymond Annable, Miss Melba Barrett, Miss Joyce Bolton, Miss Audrey Levere, Miss Elsie Larocque, Miss Eileen MacDonald, Miss Murla Holmes, Miss Joyce MacPherson, and Miss Cumming, of Hallville.

The modelling of the Wedding Gowns was interspersed with the following musical numbers, all of which were heartily applauded:

Piano Duets by Misses Marion Gray and Mona Biccum, James Lindsay and Gordon Hutchinson, Joyce and Isobel Hay, Mary MacPherson and Winnie Deeks, Carolyn and Catharine Ferns, Christine Stewart and Barbara Fennell, Dorothy Servage and Catharne Moffat, Miss Mary Walker and Jean Roberts.

Vocal Duets by Mrs. Charles Cross and Mrs. Ed. Libera, Misses Betty and Christine Stewart.

Selections by the Winchester Male Quartette, composed of Messrs. Fred Gibbons, Thomas Reed, Hugh Wilson and George McConnell.

Readings by Mrs. Jay Nesbitt and Mrs. Norman Thomas.

Vocal Solos by Miss June Rowat, accompanied by Mrs. Howard Fetterly; Ronald Workman, accompanied by Miss Annie Walker; Mrs. Arthur Johnston, accompanied by Mrs. C. Merkley.

Guitar Solo by Clarence Morgan, and a Guitar Duet by Eric Steele and William Woods.

Piano Solos by Dorothy Servage, Billy Sherwood, Jean McRoberts, Mrs. Howard Fetterly, Barbara Loucks, Elsie Edgerton, Mary MacPherson, Carolyn Ferns, Ethel McConnell.

The commentator and chairman, both afternoon and evening, was Mrs. Mary Bowden, while Miss Annie Walker presided at the piano for the Wedding Gown Parade and for most of the vocal numbers.

At the conclusion of the programs, tea was served and a money shower held. Over $100.00 was realized and will be donated by the W. C. T. U. to the Memorial Hospital Fund.

Appreciation to Mrs. Bowden for the splendid manner in which she had arranged the program; to all who had contributed to the afternoon and evening entertainment, and to those who attended, was voiced on behalf of the W. C. T. U. by Mrs. Eldon Fennell.

MAN WANTED FOR ARMED ROBBERY WAS IN SOUTH MOUNTAIN DISTRICT

Cornwall Township police announced last Friday afternoon that Henry Seguin, 21-year-old district farm laborer, wanted on a charge of robbery with violence, abandoned a light panel delivery truck at South Mountain on Thursday night last and escaped across the fields. Reported to be armed with two revolvers and a rifle, Seguin is the object of an intensive police search.

Seguin is alleged to have been implicated in the robbery and beating of Dan. McGillis, Harrison's Corners drover, on the night of April 2. McGillis was beaten savagely over the head with an axe handle and more than 40 stitches were required to close the wounds. His right arm was also broken. Approximately $240 was stolen from him.

RESUSCITATION

In view of the approaching swimming season, the Industrial Accident Prevention Associations have sent industry a special bulletin dealing with artificial respiration by the prone pressure method. The Associations point out: "Resuscitation is not something which can be read about after a body has been pulled from the water or after a person has been rescued from a gas filled room—Resuscitation should be learned in advance and practiced."

The timely poster, designed for plant bulletin boards, illustrates preliminary and general rules of artificial respiration. Here are the preliminary rules:

Drowning—Quickly remove victim from the water and place on ground or other hard surface. If possible, have head slightly lower than the rest of the body, so that water and other liquids will drain away from the victim.

Gas Asphyxiation—The first thing to do is to get the patient into fresh air quickly. Fresh air does not mean out of doors in cold weather. Do not breathe gas yourself, even for a short time. If it does not overcome you it will cut down your strength.

Electric Shock—The victim must be freed from the contact as promptly as possible. Use a dry stick, dry rope, dry coat or other non-conductor. The use of your own hands is dangerous and may add another victim to the accident.

Copies of the bulletin may be obtained from the Industrial Accident Prevention Associations, 600 Bay Street, Toronto 2.

THE ONE SOURCE OF FUNDS

Ontario's Minister of Municipal Affairs, the Hon. George H. Dunbar, is to be commended for having recently pointed out that whether public funds are spent by municipalities, provincial governments or any other sort of government, they all come from the same source, the pockets of the taxpayer.

Mr. Dunbar was speaking about grants and subsidies of not less than $41,000,000 made last year by the Ontario government to the municipalities of the province. A good many of the recipients of this bounty may have fondly imagined that because their municipal taxes were reduced one way or another through the grants and subsidies in question, they were money in their pocket. Actually, they were not one whit better off, because they paid these grants just as surely as if they had contributed the same amount of money to their municipalities.

A SPRING MALADY

Juvenile illness these days is not entirely confined to periodic toothaches and ordinary nine-o'clock sickness that somehow lack in conviction. The mumps are here again in several localities.

Medical analysts are unable to weigh their statistics with the effect of spring fever, which strikes juveniles as well as adults. In mumps their omnipresent factor leaves many a parent pondering.

Since the current epidemics are somewhat less virulent than usual, the easy fortnight in bed, away from drafts and exertion, offers temporary haven from the encroaching threat of study and examinations.

More than one child with rounded cheeks can agree with this bit of doggerel from a discerning parent: Mumps is a swelling of neck, chin and cheeks; it keeps one in bed for up to two weeks. There's nothing to do but to write and read and to eat and to eat even more than you need. It makes you believe, when the illness is done, that having the mumps is really just fun.

Let's hope that as many victims of the malady as possible may be able to take this happy view, comments the Carleton Place Canadian.

OUR WAY OF LIFE

A healthy sign that we are not going to be gobbled up by any "isms" is the increasing amount of literature being disseminated by the people who realize our way of life is best. By that we mean small folk like ourselves in business, as agriculturists, and industrialists, too. They are beginning to realize that freedom of enterprise, and individual liberty, go hand in hand, and socialism and communism are menaces to both.

We believe that our way of life has given us immeasurably greater things than any system the "buttermilk in the sky" people could. They would style this bestirring of interest in ourselves as "propaganda." Well, it is. The fellow-travellers and their like have been doing "propaganda" for years, while we sat idly by.

The idea is put plainly in a recent newsletter of the Canadian Chamber of Commerce thus: "No group, or organization can function successfully unless the individual members are active. Socialists and Communists attend lectures, go to school, not to be convinced but to equip themselves to convert others, and we who profess to believe in individual freedom and enterprise must become apostles of that belief."

Business men generally have been all too silent during the past ten or fifteen years, and could well take a few lessons in public relations from the opponents of private enterprise.

QUOTE FROM YESTERDAY

Economy is a distributive virtue, and consists not in saving but in selection. Parsimony requires no providence, no sagacity, no powers of combination, no comparison, no judgment.—Edmund Burke.

EDITORIAL NOTES

If municipal debts have been materially reduced, it is in large measure due to the fact that for years public works have not been possible. Now that they are again in order, we may expect to see some of these debts beginning to rise.

Will these May showers bring June flowers? Whether they do or not, they are a headache to many farmers in this district, who have not yet sowed a kernel of grain, and on many farms the land has not even been worked. It's getting late and the situation is becoming serious. If praying will cause these rains to cease long enough for the farmers to get their crops in—let us pray!

69th WEDDING ANNIVERSARY

The many friends of Mr. and Mrs. Robert Beattie will be pleased to know that they were able to celebrate the 69th anniversary of their marriage at their home in East Farnham, Que., on April 16th, the day of April's big snowstorm. Nine inches of snow fell there but that didn't hinder the friends from coming in to offer congratulations. More than 60 cards and messages were received from distant friends.

A birthday dinner was served by their daughter, Mrs. Effie Fisher, who has spent the winter with her parents. Her eldest daughter, Effie, of Toronto, was also present, as were Mr. and Mrs. Jim Beattie, who live in East Farnham, and Mrs. Wm. Seymour (Minnie) and her son, Jim, from Montreal.

Their many friends here hope that Mr. and Mrs. Beattie may live to have their 70th anniversary.

Engagement Announced.

Mrs. William Casselman, of Rowena, wishes to announce the engagement of her daughter, Helen Eileen, to Warren Albert, son of Mr. and Mrs. Thomas, Holmes, of Winchester Springs. Marriage to take place the early part of June.

"What a thrill to take the wheel of a smart new Oldsmobile...

HERE'S an up-to-the-minute version of that grand old tune, "In My Merry Oldsmobile". In the new words you'll find one of the outstanding reasons why Oldsmobile owners are so enthusiastically singing the praises of the 1947 Oldsmobile. What a *smart* looking car it is! . . . Long and low and smooth in its lines—tailored just to your taste. It's a *smart* performer, too, and it offers all the features you want.

"You'll be fresh when you arrive thanks to Hydra-Matic Drive*...

You go places with less effort in a new Oldsmobile with GM Hydra-Matic Drive*. Yet you get livelier performance, better economy, and greater safety than you did in old-fashioned driving. Hydra-Matic Drive* is the only *fully proved, fully automatic* drive—and it's at its peak in the 1947 Oldsmobile!

"Just forget the clutch and gear – all you do is sit and steer...

There's no clutch pushing with GM Hydra-Matic Drive*—not even a clutch pedal in the car. And all gear shifting is automatic, through all *four* forward speeds. Just take the wheel of an Oldsmobile and *sit back in comfort*, enjoying the smoothest driving you've ever known!

"What a happy day it will be for you when your Oldsmobile is here!"

To you who are waiting for your new Oldsmobiles—our thanks for your patience . . . our tribute to your wisdom. The demand for Oldsmobile with the new GM Hydra-Matic Drive* is so widespread that it still greatly exceeds the supply. Make sure your present car carries you conveniently and safely through the waiting period by having it checked regularly by your GM dealer.

*Hydra-Matic Drive is optional at extra cost.

HONOURED ON WEDDING ANNIVERSARY

On Saturday evening, May 24th, a very delightful surprise party was held at the home of Mr. and Mrs. Wallace Crowder, of Inkerman, in honour of their twenty-fifth wedding anniversary, when about 35 members of the two families gathered to offer their congratulations and best wishes.

The evening was spent in games and social intercourse. About 11 p.m. the honoured couple were escorted to the centre of the room by their daughter, Ada (Mrs. Howard Baldwin) and an address was read by Mrs. Earl Bailey, while Mrs. Asa Hanes presented them with a beautiful chest of Community Plate Silverware. Miss Norma Bailey also presented a book for the registration of the friends, beautifully designed by Miss Doreen Hanes.

Mr. Crowder replied, thanking all for the lovely gift and best wishes.

Many other messages were received during the day by mail and phone, in honour of the occasion.

A lovely lunch was served and an enjoyable evening brought to a close.

LATE MRS. MARY J. WILLIAMS

Mrs. Mary J. Williams, sister of Mr. John Corry, of Inkerman, and Mr. James Corry, of Ottawa, passed away at her home, 702 Seminary Street, Kansas City, Kansas, on Wednesday, May 14th, in her 71st year. She was a member of Rosedale Baptist Church, Royal Neighbours Camp, No. 1425, and Jewel Rebecca Lodge No. 329, Kansas. She had resided in Kansas City for the past 45 years.

The funeral service was held on Friday, May 16th, at the Gates Chapel, 41st Street, Kansas, with interment at Forest Hill Cemetery in that city.

Besides her two brothers, she leaves one grand-daughter, Mrs. Alan Goldwasser, 703 South-West Blvd., Kansas.

Mr. John Corry and daughter, Mrs. Fred Deeks, attended the funeral.

THANKS BE TO GOD

Thanks be to God for this brief hour of peace;
This intermission in the ageless play,
When War, grown weary of his vile caprice,
Has granted man this blessed holiday.

Thanks be to God; dawn sheds its mellow light
Across grieved fields, and tents the acrid sky
Where Death once drove his minions through the night,
And left bewildered thousands there to die.

So, draw the curtain on the worldly scene,
For this day, forgetting all its pain,
And turn your eyes to valley lush and green,
To peaceful hills; to freedom's last domain.

Kneel down, Canada, and kiss the sod,
Then lift your hands and pray, thanks be to God.

RUSSELL DISTRICT FEATURES ANNIVERSARY

Russell District Women's Institutes met in annual convention in Cumberland United Church on Friday, May 16th, with the president, Mrs. H. D. MacMillan, presiding. Warm words of welcome were voiced by Mrs. E. Elliott, president of Cumberland Institute, and a fitting reply was made by Mrs. R. W. Gamble, president of the Russell Institute.

Splendid standing committee reports were given and these were discussed by Miss G. Hamilton, of Toronto, Representative from the Department.

The feature of the day was the Fiftieth Anniversary Luncheon, which also celebrated the Fifteenth birthday of the District, organized on June 6, 1932.

Mrs. H. D. MacMillan was chairman, and greetings were brought by the secretary from former officers who could not be present—Mrs. F. H. Tanner, of Vars, first president of the district; Miss Jessie Stenhouse, who sent a telegram from High Grove, Calif.; Mrs. W. R. Mason, of Billings Bridge, a former president, and Mrs. John Rickerd, of Vars, the first secretary.

The History of the District was read by Mrs. A. J. Stewart, of Vars, a former president. The toast to the District Institutes was proposed by Mrs. W. F. Hayes, of Westboro, and responded to by Mrs. John Moffat, of Leonard, vice president. The Fiftieth Anniversary toast was proposed by Mrs. L. A. MacEwen, of Russell, and responded to by Mrs. A. Edwards, of Navan, immediate past president.

The luncheon speaker was Mrs. Laura Rose Stephen, of Ottawa, who delighted her audience with reminiscenses of her work in organizing and spreading the gospel of the Women's Institute in remote places. She paid tribute to the beautiful luncheon arrangement, which included pots of African violets, and at the head table, candles in candlesticks brought to Cumberland by a pioneer family in 1832. Interwoven through all were strands of the Institute colours in blue and gold. The centre of all was the birthday cake, whose fifteen candles were blown out by Mrs. George Smith, of Navan, a former president. She wished success to the future of the Institute and of the District, and led in prayer. Miss M. Hitsman, one of the early presidents, cut the cake. Mrs. G. D. Campbell was convener of the luncheon, which was held in Maple Leaf Hall.

During the afternoon session a Memorial Service was conducted by Mrs. MacMillan, assisted by Mrs. R. H. Brown, president of Navan Institute, and Mrs. E. Elliott, for members of their Institutes who had passed on during the year. These were Mrs. F. H. McCullough, of Navan, and Mrs. Wm. Maguire, of Cumberland.

The choice of the District in the offering of the Co-operative Program was Health for the Family, and a Rally on Programme Planning.

Mrs. W. F. Hayes, County Coach, spoke on the Girls' Homemaking Club Work, and the Cumberland Club girls put on their Achievement Day skit.

Further pleasure was afforded the gathering by renditions of the Cumberland Institute Ladies' Choir, under the leadership of Mrs. G. D. Campbell. Sing-songs during the day were conducted by Mrs. John Moffatt, with Miss Bessie Hayes at the piano.

Mrs. L. A. MacEwen, Provincial Board Director for sub-division No. 1, reported highlights of the Provincial Board meetings in Toronto.

Mrs. M. S. Bradley, chairman of the nominating committee, read the slate of officers for the coming year, and Miss G. Hamilton presided for the election, which resulted as follows:

Past President, Mrs. A. Edwards; President, Mrs. H. D. MacMillan; Secretary-Treas., Mrs. G. A. McCullough; 1st vice, Mrs. L. A. MacEwen; 2nd vice, Mrs. W. Melvin; Federation representative, Mrs. A. J. Stewart; alternative, Mrs. A. Edwards; District delegate, Mrs. S. W. Rathwell; alternative, Mrs. J. E. Hayes; auditors, Mrs. W. R. Newton and Mrs. W. Savage.

Convenors of Standing Committees: Agriculture and Canadian Industries, Mrs. H. Sheldrick, Limoges; Citizenship, Mrs. R. W. Gamble, Russell; Historical Research, Mrs. W. H. Russell, Cumberland; Home Economics, Mrs. W. Savage, Navan; Publicity, Mrs. Morgan Johnston, R. R. 2, Russell; Social Welfare, Mrs. W. H. Coburn, Leonard; Rrepresentative to County Federation of Agriculture, Mrs. H. D. MacMillan.

BASIC RECIPE FOR ICES

2-3 cup sugar, 1 1-2 cups water, a pinch of salt, 1 1-2 tsps. gelatin, 3 tbsps. water, Fruit juice as desired.

Cook the sugar and water together 5 mins. (This may be made in quantities and stored in the refrigerator.) Soak the gelatin in the cold water and dissolve over hot water or in the hot syrup. Cool and add fruit juices. Turn into tray and freeze until firm. Remove to a chilled bowl, break into small pieces. Beat with rotary beater until fluffy (1 to 2 min.) Turn into trays and continue to freeze until firm.

Lemon or Lime Ice: Add 1-3 cup of lemon juice. Serve with sweetened orange segments.

Cherry Ice: Add 2 cups of cherries and juice (cut cherries very fine or grind). 1 tbsp. lemon juice and a few grains of nutmeg. Omit 1-2 cup of water in basic recipe.

Orange Ice: Add 1 tbsp. orange rind to the hot syrup and cool. Then add 1 1-2 cups orange juice and 2 tbsps. lemon juice.

Raspberry Ice: Add 2 cups of red raspberries crushed and sieved, and 1 tbsp. lemon juice.

WEDDING PUNCH

Dissolve 1 cup of soft honey in 6 cups of hot strong tea. Cool it. Add 2 cups orange juice and 1 cup lemon juice. Add 3 cups water, and just before serving pour in 1 1-2 quarts of ginger ale. Have plenty of ice cubes in the bowl and garnish with orange, lemon and maraschino cherries.

The toast may be simply "To the Bride," spoken by the clergyman or father before anyone sips their punch.

TAKE A TIP

1. Asparagus rolls can be made easily if the square slices of bread are steamed. Method of steaming: pour boiling water over a towel, then lift the wet towel onto a dry one; wring out quickly and place bread between folds of steaming cloth.

2. Heat semi-sweet chocolate over boiling water until partly melted; then remove from boiling water and stir rapidly until entirely melted. Pour chocolate evenly over chopped nuts and graham cracker crumbles in a greased pan. Let pan stand in a cool place to harden. Cut in bars.

3. If you use canned peaches as dessert, add a drop of almond extract.

4. There are plenty of leftovers from special luncheons — bread crumbs are common. Put crusts through the grinder and use in a variety of bread puddings, stuffings, soups, croquettes and meat loaves. Keep crumbs fresh by storing in a jar covered with cloth in the refrigerator.

ST. PIERRE—OUDERKIRK

SUNDAY, JUNE 1st, WILL BE SHUT-IN'S DAY

On Sunday, June 1st, Canada will pay tribute, in a special way, to her sick and disabled, young and old alike, who are confined through illness or disability to their homes, hospitals or other institutions. This is the day when the public at large will remember, with visits, letters and gifts, those who are laid aside. These people, the sick and shut-ins, are an inspiration to everyone; by their ability to meet adversity with cheerfulness, they earn our admiration and regard.

For remembrance — a precious thing in itself—should also be a practical thing. In this connection, shut-ins should be generously remembered. Their one desire is to be accepted as members of the community—to feel that they are not forgotten. Shut-in's Day is an opportunity to revive old friendships, to make new friends, and to gain a fuller apprecation of their problems and abilities. Recognition, consideration and affection are as much desired by the shut-ins—and valued more—than by any other group.

So make June 1st a day of remembrance, and then make every Sunday Shut-in's Day.

THE MIXING BOWL
BY Anne Allan
HYDRO HOME ECONOMIST

Hello Brides-to-be! You have been asking about what food to serve your guests after the wedding, and how to serve it. Your plans will probably depend on the number of guests invited to the wedding. If it is to be a small family affair then you can arrange a wedding breakfast or a buffet luncheon or supper; if it is to be a large wedding then you are restricted to a reception so arranged that the guests can be served easily and quickly. The time of day or evening does not need to make a difference unless you are planning an early morning wedding, to be followed by a wedding breakfast proper.

Here are a few suggestions which will be useful:

Wedding Breakfast: Fruit cup, Chicken and Mushroom Pattie, Potato Chips, Buttered Peas, Knot Rolls, Pecan Tarts, Wedding Cake and Coffee.

Buffet Suggestion: Ham Rolls or Waldorf, Fruit Moulds, Celery and Olives, Hot Buttered Tea Biscuits, Ices and Cookies, Wedding Cake and Tea.

Large Receptons: Assorted Sandwiches (open-face, rolled, ribbon, plain), Assorted Bouchees, Ices and Small Cakes, Candies, Wedding Cake and Coffee.

HAM ROLLS

Ask the butcher to slice cooked ham thin: for 24 servings he may cut 2 lbs. into 24 slices.

On the day before the luncheon, cook 4 pounds of scrubbed potatoes. When cold, peel and cube into small pieces. Add 3 hard-cooked eggs chopped fine, 1 minced onion, 2 cups of cut asparagus and seasonings. Mix 2 cups of salad dressing into potatoes and egg mixture. Put a tablespoon of salad on each slice of ham, roll and fasten with toothpick.

CHINESE CHEWS

2 eggs, 1 cup of fruit sugar, 2 tbsps. melted butter, 1 cup pitted dates, 3-4 cup chopped almonds, 1-4 cup of chopped candied ginger, 1-4 cup of sultana raisins, 3-4 cup pastry flour, 1 tsp. baking powder, 2-3 tsp. salt, 1-4 cup chopped candied cherries.

METHOD: Beat eggs and add sugar. Add butter and fruits. Sift, measure flour. Re-sift with baking powder and salt and add to mixture. Bake in greased 8" square pan at 350 degs. in an electric oven, 45 to 50 mins. Cut while warm; roll into balls with hands and dip in fruit sugar.

PARTY COOKIES

1 cup shortening, 1 1-2 cups sugar, 3 eggs, 2 1-4 tsps. vanilla extract, 1 1-2 tsps. salt, 4 cups flour.

Cream together shortening and sugar. Add egg, beating thoroughly; add vanilla extract and salt. Add flour gradually; blend thoroughly. Chill dough in electric refrigerator. Roll small amount of dough at a time on lightly-floured board to 1-8" thickness. Using heart-shaped cutter, cut out cookies. Place on greased baking sheet; bake in hot electric oven (400 degs.) 12 mins. Cool.

BIG TOURIST SEASON AHEAD!

THE THOMPSONS are busy as bees, getting their place in shape for the tourist season. This year, with three more cabins, electricity and a modernized kitchen, they hope to do even better than before.

They were able to make these additions because last fall Mr. Thompson drove to town to see his bank manager. He knew about the nice little business the Thompsons had built up; a bank loan was quickly arranged.

Now the Thompsons can handle more tourists and increase their income. At the same time Canada will benefit from the extra tourist dollars they take in.

C. G. I. T. RALLY AT VANCAMP

The first C. G. I. T. Rally to be held, took place at Vancamp United Church on Saturday, May 14th. It proved to be a most successful effort, and the beautiful day had a bracing effect on the spirits of all present. It was an inspiring sight to see over eighty young girls, in their fresh white and navy uniforms, trooping into the church with their district leaders.

The Conference, which began at 9.30 a.m., opened with the hymn "We Would Be Building." Mrs. Anetta Byrd, Vancamp, who was convenor, gave the visiting members a warm welcome. She said how great a privilege and joy it was to see present so many young people, that it was the first time for a Conference of this kind to take place. Her words of welcome were very suitably answered by a member of the Morewood Branch. Mrs. Byrd then gave an upifting talk using the theme "We Would Be Building," which was well thought out, and to the point.

An interval was devoted to some singing, under the able leadership of Mrs. Peebles, of Heckston.

Then followed an inspiring talk by Mrs. W. E. Wright on the "Meaning of Affiliation." She brought out the meaning of the word "affiliate," saying that as signified "adoption as a son or daughter." So, the magic letters C. G. I. T. indicated the beautiful relationship which existed between the women's branch, the W. M. S., and her offspring, the C. G. I. T. She concluded by saying that one of the aims of the C. G. I. T. was to "serve other." But in order to fulfill this noble purpose, service to Christ came first.

At this juncture an interesting feature was put on by the South Mountain girls, wearing picturesque Indian costumes. The girls grouped themselves on the floor and gave a presentation of how a meal is served in India. They ate rice and fruit in a most convincing manner.

This brought to an end the morning session, after which lunch was served.

Great praise is due to the Vancamp leaders for their careful planning and forethought, regarding the lunch. Miss Edna Swerdfeger and her able and loyal co-leader, Miss Ellen Walter, worked long and unweariedly beforehand at details, which caused everything to run so smoothly. The leaders were assisted by a willing band of lady helpers. The hall was tastefully decorated, introducing the color scheme, Navy and White, of the C. G. I. T.

After lunch, the girls had their recreation hour, whilst the leaders of the respective groups went into conference.

At the afternoon session, the Worship Service was taken by the Winchester Group. Mrs. Roy Hastings spoke. Mr. Gervan dealt with the subject "What is Worship," and gave a helpful talk on the subject. Then came reports, questions, and a discussion of the "Problems of all Groups."

Mrs. Byrd spoke again, this time on the subject of "The Friendly Church," and the great importance of Christian hospitality. Mrs. Byrd went on to say that the church was the hub of a community and it was up to every member to be earnest and sincere, and exhbit a spirit of Christ to all who entered the doors.

The question of "Have you a C. G. I. T." was also dealt with.

The Rally was brought to a successful conclusion by the calling of the roll. Seventy members answered their name. There was a warm invitation given for the year 1948.

Mrs. Hanson, the Sectional President from Brinston, gave a few closing thoughts, followed by a short prayer, after which everyone joined in the singing of the National Anthem.

SEEK CENTRAL SCHOOL IN THE METCALFE DISTRICT

Ratepayers of Osgoode, Russell, Vernon, Kenmore and Metcalfe appointed Reeve George Lewis to ask Carleton County Council to provide a central school for children of the communities. The children presently must travel to Manotick.

At the meeting in the town hall at Metcalfe, the ratepayers assured Ormond Dow, chairman of the Metcalfe School Board, that more than 250 pupils would attend the school.

It was generally felt that Osgoode would be a good location for the school, but it was stressed that in the main they were "desirous of a school nearer than Manotick."

MRS. T. J. KEYES HEADS LOCAL W. C. T. U.

Mrs. Thomas J. Keyes, of Winchester Springs, was elected president of the Women's Christian Temperance Union, at the regular meeting in the town hall, last Wednesday afternoon. Twenty members attended, and Mrs. Cecil McIntosh presided in the absence of the president, Mrs. Karl Helmer.

Mrs. Alex Duncan took charge of the devotional period, and a reading on "National Civilization" was given by Mrs. I. P. McIntosh.

The nominating commtiee, Mrs. Ar-Arthur Christie, Mrs. Thos. Edgerton and Mrs. Eldon Fennell, brought in the following slate of officers: Hon. president, Mrs. Wm. Johnston; past president, Mrs. Karl Helmer; president, Mrs. T. J. Keyes; 1st vice, Mrs. Cecil McIntosh; 2nd vice, Mrs. Karl Helmer; 3rd vice, Mrs. Arthur Summers; recording secretary, Mrs. Oscar Wallace; cor. secretary, Miss Mary Empey; treasurer, Miss Jean Wyatt; clip sheet secretary, Mrs. Alex Duncan; pianist, Miss Annie Walker; press reporter, Mrs. Bower Potter.

During the meeting ,the Scriptures were read by Miss Annie Walker. Mrs. T. J. Keyes was appointed a delegate to attend the W. C. T. U. Convention at Kirk Hill in June.

The meeting closed with the Mizpah Benediction.

1947 PONTIAC

A fine car made finer

PRODUCT OF GENERAL MOTORS

There's a *purpose* back of Pontiac!

When you own a Pontiac you can be sure it is deliberately designed and built to give you a certain type of value.

First of all, it is designed to give you fine performance — *really* fine performance — performance that will give you a thrill every time you take the wheel. This applies to the engine, to the car's roominess and comfort, to its roadability and handling ease.

Yet — Pontiac is also designed to give you economy — to operate inexpensively — to be easy on service — and to last a long, long time. In short, Pontiac is designed to give complete satisfaction — *at the lowest possible cost.*

This is *always* true of Pontiac. So regardless of *when* you expect to get your next car—make it a Pontiac. It's a wonderful value.

• • •

The stack of orders piled up for the new Pontiac are gratifying testimonials to the quality and beauty of this finest of the famous Silver Streaks. Unfortunately, so many orders also mean that many who choose Pontiac must wait. So if your car-wise head and heart say 'Pontiac' . . . your present car will give you better, safer service while you wait if you have it checked regularly by a General Motors dealer.

NAVY LEAGUE TAG DAY HERE SATURDAY, MAY 31st.

The peacetime activities of the Navy League are increasing; its opportunities for service are unlimited. For more than fifty years it has been the official agency dealing with the men of the sea.

The Navy League operates clubs and hostels at the principal Ocean Ports where merchant seamen and naval ratings are made welcome, while ashore. When a seaman is awaiting his ship he finds homelike surroundings in Navy League centres, and he knows that kindly nursing care awaits him in the Sick Bay if he requires medical attention.

Canada's position as an exporting nation is of vital importance to every citizen. According to the Department of Trade and Commerce, "foreign trade creates one third of all Canadian jobs, builds one third of our home markets and provides you one third of every dollar you make." The real meaning of this lies in the fact that we are dependent upon the merchant seamen who man the ships that carry the merchandise to and from the markets of the world.

Through its educational services the Navy League makes Canadians conscious of their dependence upon the sea, and in addition, sponsors a nation-wide youth training program that gives guidance to many thousands of teen age boys.

The Navy League will hold its Tag Day in Winchester on Saturday, May 31st. A generous response will assist the League to meet its responsibilities on behalf of the men of the Sea and the Youth of Canada.
