Local Softball Team Eliminated By Almonte

The local softball team was eliminated from the Eastern Ontario Softball Play-Downs on Monday evening, when Almonte, Champions of the Lanark League, defeated Winchester 8-4. The series was the best two-out-of-three games, with Almonte winning the first game on the local diamond 17-9. The second game was played at Almonte on Friday evening and resulted in a 10-6 victory for the local Royals.

There was a good crowd of fans on hand for the final game on Monday evening, and excitement reached a high pitch as the teams were fairly evenly matched. Not more than two runs were scored in any inning by the visitors, while the local boys found the Almonte pitcher in rare form and had difficulty in getting any good hits.

The line-ups were:

Almonte—Larocque, c; More, ss; Giff, 2b; Simpson, 1b; Symes, 3b; Smithson, cf; Walker, rf; Burns, lf; Hill, p.

Winchester—Crummy, lf; Helmer, rf; Ramsbottom, ss; Kenney, 3b; Wylie, 2b; Reaney, c; MacIntosh, p and cf; McLean, 1b; Morgan, cf and p.

Umpires—Ben James, Almonte; J. Campbell, Vernon, and L. Kenney, Winchester.

Score by innings:

Winchester ...0 0 0 0 0 0 1 2 0 1—4
Almonte.....1 0 0 2 1 2 0 2 x—8

LOCAL AND GENERAL

Died At Tulsa, Okla.

Word has been received of the death of Mrs. E. T. Jenkins (nee Margaret Scott), who passed away at her home at Tulsa, Okla., on August 11th. She was the last surviving member of the Wm. L. Scott family and was a sister of the late Mr. T. A. Scott, former postmaster here for many years.

Hospital Donations.

Latest donations to the Winchester and District Memorial Hospital include $25.00 from Mr. and Mrs. J. H. Hanes, Iroquois, and $15.00 from Frank and Mabel Marcellus, Iroquois. Construction of the hospital has been started by the contractor, Mr. Sullivan, of Arnprior, and the outside walls and roof of the building are expected to be completed this Fall. Persons who have not yet made a donation to the Hospital Fund, but who wish to do so, may send their contribution to Mr. O. V. Stevenson, Hospital Treasurer, Winchester.

Had Bumper Crop.

Although this has been one of the most backward seasons ever experienced by farmers in this district, not all farmers had little or no crops. Mr. Albert Casselman, whose farm is located in Mountain Township, reports that he had bumper crops in hay, grain and vegetables, and his corn promises to produce a record yield. His hay, which is No. 1 quality, yielded 1 1-2 tons to the acre, and he threshed 600 bushels of grain. In over half a century of farming, Mr. Casselman says that this year's crops were the best he ever harvested, and he has much to be thankful for. Too bad the majority of farmers cannot make such a favourable crop report.

OBITUARY

THE LATE MRS. LEVI FETTERLY

Russell Township lost one of its oldest and most highly esteemed citizens on Thursday last, in the passing of Mrs. Levi Fetterly. Deceased, who died while visiting at the home of her daughter, Mrs. Roy Annable, Winchester, had been in good health until a few days prior to her passing.

Born at Chesterville 92 years ago, Mrs. Fetterly was the former Ella Rebecca Hummell, daughter of the late Mr. and Mrs. Simon Hummell. She was married to Levi Fetterly 70 years ago, her husband predeceasing her in 1926. A member of the United Church, she took a keen interest and active part in all church organizations.

Surviving are three daughters, Mrs. W. R. Fraser, Gallingertown; Mrs. William Shepherd, Russell; Mrs. Roy Annable, Winchester; one son, Allan Fetterly, Moulinette. There are 22 grandchildren and 26 great-grandchildren.

The funeral was held from the home of her daughter, Mrs. Roy Annable, on Saturday afternoon, with service conducted by Rev. Thos. McNaught, of Russell, assisted by Rev. Dr. G. A. McIntosh, of Winchester. During the service, Mr. Frank Casselman, of Morewood, sang a solo, accompanied by Miss Annie Walker, of Winchester. The funeral hymn was "Rock of Ages."

Following the service, interment was made at the Presbyterian Cemetery, Morewood. The pall bearers were Messrs. Fred Simmons, Cecil McKendry, Roy Shepherd, Kenneth Annable, Gerald Holmes and John Cameron.

Floral offerings, received from the following, bore silent tribute to the high esteem in which the deceased was held:

Pillow—The Family.

Double Spray—Grandchildren.

Sprays—Mr. and Mrs. Wm. Lozott; Mr. and Mrs. Roy Lozott; Mrs. Martha Dixon; Mr. and Mrs. Gordon Cummings; Mrs. Chas. Fetterly and family; Mr. and Mrs. Lawrence Annable; Mr. and Mrs. Jack Dodge; Mr. and Mrs. G. T. Dixon; Mr. and Mrs. Herman Hummell; Mr. and Mrs. Geo. Crawford and Ann.

Wreath—Moulinette Paper Mill.

Baskets—Mr. and Mrs. Roy Shepherd; Mr. and Mrs. Howard Hough; Mr. and Mrs. Harry Hummel; Mrs. Thos. Annable and Ethel Maud; Mr. and Mrs. Ken. Annable; Mr. and Mrs. Arthur Fraser.

Cut Flowers—Mr. and Mrs. Herbert Robinson; Mr. and Mrs. Wm. Angus; Mr. and Mrs. T. O. Keyes; Mr. and Mrs. Giles; Miss Ruth Annable.

LATE MRS. J. E. MURPHY

There passed away in Detroit on Tuesday, August 19th, Maggie Earle, beloved wife of J. E. Murphy.

The late Mrs. Murphy was the youngest daughter of the late Mr. and Mrs. Rufus Earl, and was born in the Melvin Settlement 70 years ago. She received her public school education in the Melvin School and later attended Morrisburg Collegiate Institute, after which she accepted the position of bookkeeper in the store of A. Sweet & Co., Winchester, continuing there until her marriage in 1904 to Mr. J. E. Murphy, of Bryson, Que. To this union were born four daughters, Mrs. Myrron H. Zinn, of Detroit; Mrs. Auborn Nelson, of Yuma, Arizona; Mrs. R. W. Horton, of Cassopolis, Michigan, and Mrs. Bentley Keenan, of Detroit, Mich., and it was at the home of her youngest daughter, Margaret (Mrs. Myron Zinn) that Mrs. Murphy passed away, and from there the funeral was held on Thursday, August 21st. Besides her husband, and daughters, she leaves two sisters, Mrs. R. H. Timmins, of Toronto, and Mrs. T. A. Hill, of Ottawa; also two brothers, Rufus R. Earle, L.L.B., K.C., of Dawson Creek, B. C., and Howard Earle, of Saskatoon.

LATE MISS FERNE E. McINTYRE

The funeral of Miss Ferne E. McIntyre, Reg. N., was held at the home of her brother, Wm. M. McIntyre, of Mountain, on Wednesday, August 20th. The service was conducted by Rev. Edgar Ferns, pastor of Winchester and South Gower Baptist Churches, and interment was in South Gower Cemetery.

Miss McIntyre, after an illness of several months, passed away at the home of her sister, Mrs. W. E. Graham, South Mountain, on Aug. 18th.

She was born at Mountain and was a daughter of the late Mr. and Mrs. Malcolm McIntyre. She received her early education there and in Kemptville High School. Later she went West to Regina and trained for a nurse in the Nurses' Training School of the Regina General Hospital, from where she graduated in 1926, winning the Silver Medal for general proficiency. Shortly after graduation she went to Melville, Sask., and was school nurse there for a number of years. In 1944 she joined the staff of the Ottawa Civic Hospital, where, in addition to her duties as Health Nurse, she lectured to the student nurses on Public Health. Miss McIntyre is survived by two sisters, Mrs. Ernest Scott, of Mountain, and Mrs. W. E. Graham, of South Mountain, and one brother, Mr. W. M. McIntyre, of Mountain.

The high esteem in which Miss McIntyre was held was indicated by the large number of floral tributes from friends in both Eastern and Western Canada.

New Ford Tractor

Good news for farmers as the new Ford tractor makes its appearance across Canada. Features include an improved hydraulic system for implement control, new transmission with four forward speeds, automotive type steering, duo-servo brakes controlled by right foot alone, and many other improvements for increased driver comfort and efficient operation. First deliveries are also being made on the new line of Dearborn farm equipment. These implements may be used with all older models as well as the new Ford tractor.

Stores Will Close On Labour Day

Labour Day, Monday, September 1st, will be observed as a full holiday in Winchester. As all stores will be closed on that day, householders should make ample purchases on Friday and Saturday, sufficient to last over the long week-end. This will be the last holiday until Thanksgiving, which this year is being observed throughout Canada on Monday, October 13th.

DON: THOMPSON RETURNING TO PLAY PRO. HOCKEY IN ENGLISH LEAGUE

Don. Thompson, well known Prescott hockey player, who was a member of the championship Inkerman Rockets Junior team last season, will return to England this week to play the season with the Wembley Lions of the English Professional League, against whom he played this spring and summer as a member of the All-Star team made up of Ottawa and district players. Don. will sail from New York on the Queen Elizabeth with three other Canadians who played last season for the Lions and are rejoining their team. They are: Les Anning, George Steele and Norm. Coutts.

When the Inkerman Rockets captured the Ottawa District Junior Championship and the Citizen Shield last year, only to be eliminated by the Junior Canadiens of Montreal, five of the players were chosen on the All-Star team to visit England. They were Don Thompson, of Prescott; Lowell Craig, of Merrickville; who expects to try out with the Cleveland Barons this fall; Jean Paul Lafortune, who is contemplating signing with the Wembley Monarchs in October; Ralph Hurley, of Inkerman, and Harry Bennett, of Ironsides, Que.

During the year he spent playing here, Don made many friends among the local and district fans, who will join in wishing him good fortune in the English Professional League.

TIMMINS CLAN HOLD ANNUAL PICNIC

The annual Timmins picnic was held August 2nd at Mulloy's School, Mountain Township, with around sixty members present. After all enjoyed a sumptuous dinner, everyone was called into the school where a short business meeting and a splendid programme was enjoyed.

A most interesting highlight of the day was a recitation by the oldest member of the connection, Mrs. Hugh Donnelly entitled "The Old Brown Coat." The president, Mr. Homer Patterson, recalled the names of members who had passed away the last year, and also a new cousin to join the clan, Mrs. Douglas Patterson.

The rest of the afternoon was spent in ball games and races for young and old, and a very enjoyable day was brought to a close with the National Anthem.

HONOR BRIDE-ELECT

Mrs. Harold A. Millar and Mrs. Joseph Steele were joint hostesses at a pre-nuptial shower, which was held last Wednesday afternoon for Miss Beatrice Johnston, whose marriage to Mr. George Elliott took place yesterday. Held at the home of her parents, Mr. and Mrs. Elzie Johnston, of Toyes Hill, the shower was attended by more than 50 ladies of the community.

An address was read by Mrs. Millar, and a tea wagon of miscellaneous gifts was presented by Mrs. Steele.

Tea was poured by Mrs. Fay Scott and Mrs. William Steele, both of Winchester, and the hostesses were assisted in serving by Helen Holmes, Eva Johnston, Mildred Newbury and Mrs. Ralph McIntosh.

WEDDINGS

HINDLEY—COONS

The home of Mr. and Mrs. Sherwood Coons, Cass Bridge, was the scene of a pretty wedding on Tuesday afternoon at 3 o'clock when their daughter, Irene Muriel Ellen, was united in marriage with Joseph Charles, son of Mr. and Mrs. Joseph Hindley, of Rockwood, Ont. The ceremony was performed by Dr. G. A. McIntosh, of Winchester, and the wedding music was played by Mrs. W. H. Neilson, of Appleton. Banks of summer blooms adorned the living room.

Given in marriage by her father, the bride was lovely in a floor-length gown of white net over taffeta, with lace bodice and frills, short sleeves and long laced mittens. Her only ornament was a strand of pearls, the gift of the groom. Her long embroidered veil was held in place by a halo. She carried an arm bouquet of American Beauty Roses.

Miss Ella Coons, sister of the bride, was bridesmaid, and wore a floor-length gown of pink Velverary with fitted bodice, and long full sleeves. Her finger-tip veil of pink net fell from a matching coronet. She carried a nosegay of Sweet Peas.

Mr. Lloyd Hindley, brother of the groom, was best man.

During the signing of the register, Mrs. Harold Kettles sang "Because."

Following the ceremony, a buffet luncheon was served to thirty guests. Afterwards, the couple left for Eastern points. For travelling, the bride chose a black crepe dress with satin trim, and black accessories.

Mr. and Mrs. Hindley will reside at Rockwood.

DUFF—LOUGHLIN

A wedding of much interest was solemnized on Saturday at 10 a.m. in Holy Cross Church, Kemptville, when Mary Josephine Loughlin, daughter of Mr. and Mrs. Joseph Loughlin,, of Mountain, was united in marriage to Jack Duff, son of Mr. and Mrs. Tarnel Duff, of Pembroke. Rev. Father Quinn officiated at the ceremony.

The bride was given in marriage by her father and she was attended by her sister, Mrs. Earl Boucher, of Mountain.

The bride wore a floor-length gown of white slipper satin and floor-length veil of silk net, and carried a bouquet of white gladioli and carnations.

The matron of honour was dressed in floor-length blue nylon and carried a bouquet of peach gladioli and Colonial Roses.

The groom was attended by Mr. Frank O'Toole, of Toronto.

Ushers at the wedding were Mr. Mike Loughlin, brother of the bride, and Mr. Pat Shea.

A reception was held at the home of the bride's parents, following the ceremony. Out-of-town guests were Miss Ethel Loughlin, Miss Marion McCann, Leo and Joe Sauve, Mr. and Mrs. Jack Dougall, Mrs. Morris Phelen and Manning, Anne McFarlane, Mr. and Mrs. Mike Heney, all of Ottawa; Jean Earl and Don. Nappe, of Merrickville.

STEINBURG—KITTLE

Baskets of gladioli and ferns formed the setting in the Trinity United Church, Chesterville, on Saturday afternoon for the marriage of Betty Eileen, only daughter of Mr. and Mrs. Howard Kittle, Chesterville, to Gordon Everett Steinburg, son of Mr. and Mrs. Ford Steinburg, of Morewood. The marriage was solemnized by Rev. W. E. Wright. Mr. P. G. Hewitt was at the organ, and Mr. Arnold Kittle, brother of the bride, sang "I'll Walk Beside You" during the signing of the register.

Given in marriage by her father, the bride wore a floor-length gown designed with a net yolk, a fitted bodice of white satin and a full skirt of double net, and slip-on-sleeves which tapered over the hands. Her fingertip veil was caught with bridal roses and she carried a bouquet of red roses and white carnations. Her only ornament was a string of pearls, a gift from the bridegroom.

The bride was attended by Mrs. Harold Van Dusen, of Toronto, as matron of honour, and by Miss Isobel Hunter and Miss Erla Steinburg, of Morewood, as bridesmaids. Flower girls were Helen Merkley, Chesterville, and Glenda Swerdfeger, of Morewood.

The best man was Gerald Kittle and the ushers were Hubert Merkley and Glen MacGregor.

A reception was held at the home of the bride's parents, with over 50 guests present.

For going away, the bride wore a pale blue suit with black accessories and a corsage of pink carnations. Mr. and Mrs. Steinburg left for Niagara Falls and will reside at Morewood upon their return.

Among the out-of-town guests were Mr. and Mrs. Wm. Sproule, of Cornwall; Mr. and Mrs. Robert Sproule, Monckland; Mr. and Mrs. George Gillespie, Ventnor; Mr. and Mrs. Harold Van Dusen, Toronto, and Mr. and Mrs. Murray Steinburg, Ormond.

BORN

At Winchester, on Thursday, August 14th, 1947, to Mr. and Mrs. Wilbert O'Neil, a daughter—Mathel Irene.

THE TENTH PROVINCE

Should the people of Newfoundland vote for union with Canada, and should the Canadian Parliament approve, the island as the Dominion's tenth province would be entitled under the British North America Act to elect seven members to the Canadian House of Commons and to have six seats in the Canadian Senate. Since there are no political parties as such in Newfoundland at the present time, leaders of existing Canadian parties probably are making plans to set up their organizations on the island. It's quite likely they are sounding out prominent Newfoundlanders already, with a view to getting the best available men in the key posts.

When Newfoundland had responsible government, up to 1934, the two main political parties were Liberals and Conservatives. However, the islanders have been subjected to such troublesome legislative and economic periods in the last decade that they may distrust the old established parties and turn to one of the socialistic-minded groups leaning more to the left. The Canadian C.C.F. and Social Credit parties would have just as much opportunity for success in Newfoundland as the Liberals and Progressive-Conservatives. Newfoundlanders would be hearing the platforms of the Canadian parties for the first time, and their reactions to the various political beliefs would no doubt have considerable effect on Canadian opinions. If Newfoundland becomes a tenth province, it will be interesting to observe the strategy of the various Canadian political groups.

MANY DROWNINGS NEEDLESS STATES HEALTH LEAGUE

Many deaths by drowning are needless, according to the Health League of Canada. It is the belief of the League that many drowning deaths could have been and can be prevented—first, by the running of no unnecessary risks, and second, by the prompt application and long-continued use of artificial respiration methods when accidents do occur.

The Health League believes that many artificial respiration efforts are discontinued too soon. It is the belief of the League that many drowning victims died because all necessary efforts were not made to revive them.

The League emphasizes that the possibilities of artificial respiration should be fully realized at all times, and in its statement says that there are well-authenticated reports of artificial respiration being successful after as many as five hours.

Artificial respiration must be started as soon as possible and should not be discontinued after a mere half-hour of effort. It should be continued until there are definite signs of rigor mortis—possibly up to six hours. It is also well to note that there have been cases of recovery after a person has been unconscious in the water up to half-an-hour.

Rescuers are advised that there is always a possibility that a spasm of the larynx occurred and that the victim suffocated rather than drowned. Therefore, it is important to be sure that air is entering the lungs properly during application of artificial respiration.

NO MORE MEATLESS DAYS

The lifting of the Tuesday and Friday ban on the serving of meat in public eating-places will cause concern overseas where Canada's meat consignments hitherto have been so eagerly awaited.

The Dominion sent to the United Kingdom in 1945 about 120,000,000 lbs. of beef. But wet weather this spring reduced supplies and the figures for the present year are unlikely to be as large. Consequently, the removal of a ban which added 700,000 lbs. of meat a week to the export surplus will certainly not help matters.

No doubt the government's decision pleases both tourists and the home public. They can get all the meat they want now. But while the greater part of Europe still goes hungry, and charity alone keeps millions of children alive, the national conscience cannot be too happy about another addition to the abundance this favored nation already enjoys, comments the Ottawa Citizen.

THE CHURCH AND CHARACTER

One of the greatest influences the Church can have on a nation is the establishment of character among its peoples. The Church teaches a person to make the most of himself. It warns people against spoiling themselves by some error of temper or self-indulgence. It teaches honesty and brotherly love, and how to live with our neighbours in harmony and peace. It instructs one how to distinguish between right and wrong. It provides the faith which enables a person to face up to sorrow and distress.

In Canada we want men and women of strong character. We cannot hope to become a great nation unless our people possess this great quality. We should support the Church and its work. If, through our humble efforts, the Church prospers and remains strong, we need not fear for the future.

EDITORIAL NOTES

Monday is Labor Day, the schools open on Tuesday, and it's back to work for most of us. The holiday season is over and what a short one it was!

It's nearly time to begin thinking of the condition of the furnace and pipes, the storm doors and the storm windows. Ah, yes! And don't forget the snow shovel.

It is rather interesting to hear that the city of Belleville is hard pressed to find space for all the assorted industries which desire to locate there. There's plenty of room in Winchester if any industry wants to locate here.

Prime Minister Attlee has declared that the United Nations is an organization which cannot stand still. It must go forward or backward. From observation of the current situation, it looks as if the organization at the moment is in reverse.

The Daily Mail of London asked the other day in reference to the Palestine situation: "If we walk out who will walk in." Obviously Russia. That will be a jolly day for both the Jews and Arabs. And what an anachronism to see the atheistic Russians in control of the Holy Land.

RECENT GRADUATES ENTHUSE ABOUT COURSE

Recent graduates of the Nursing Assistants' Courses speak enthusiastically about their training and the interesting and remunerative employment they are now following.

Under the joint supervision of the Departments of Health and Education training centres at Toronto, Hamilton and Kingston are well equipped for instruction. Students receive $60 per month and provide their own maintenance.

Transportation costs to the Training Centre are paid by the Departments. Free uniforms, including stockings, are provided. The course lasts for nine months, three of which are given over to classroom instruction, with the balance being spent in practical hospital experience. The instructors are experienced Registered Nurses with special qualifications. Upon graduation, the student receives a certificate from the Department of Health as a Certified Nursing Assistant.

Entrants require Grade 8 education, must be in good health and be between the ages of 18 and 40. The fifth course commences September 2nd.

Information and application forms can be obtained from the Director, Division of Nurses Registration, Department of Health, 455 Spadina Avenue, Toronto.

PENAL REFORM NEEDED
(Brockville Recorder & Times)

The recent break from Kingston penitentiary points up the necessity for the inquiry into penal reform and prison administration which has for so long been advocated by responsible periodicals and newspapers across the country.

THE DISGUSTING PART
(St. Thomas Times-Journal)

The Simcoe minister who calls wrestling matches bestial and revolting doesn't seem to know that most of those affairs are staged—a type of vaudeville. The disgusting part of the performance is the way the spectators get all worked up over these fake exhibitions.

WE NEED LIBRARIANS
(Winnipeg Free Press)

Nearly 50 per cent. of all Canadians are without a library in their area. Canada's rural population is largely cut off from the resources of libraries; a fact greatly to be deplored, for it tends to increase the educational advantages that already favor the city as against the country.

TIRED OF DIVORCE
(Windsor Star)

Even the Senators who are members of the Divorce Committee of the Upper House are now proposing that dissolution of marriage be taken out of the hands of Parliament. This is not entirely surprising. They are saddled with a task that is distinctly unsavory, and which is actually outside the proper sphere of a legislative body.

A GOOD DEAL MORE
(Sault Ste. Marie)

The average Canadian youngster with an opportunity to visit the United States long enough to become acquainted with young Americans often has been struck with a rather surprising phenomena, the fact that he knows a good deal more about the geography of North America, and often of the United States itself, than does the average American.

TREACHEROUS AS DYNAMITE
(Almonte Gazette)

When a gasoline stove exploded in a cabin on the shores of Carleton Lake, late Saturday night, two young children were burned to death and 13 people of varying ages were painfully injured.

The party was composed of weekenders from Eastview. Tragedy struck when a man filled the stove tank to overflowing with gasoline, only a few feet from an open-flame lamp.

Men and women never seem to grasp the terrible danger which lurks in gasoline. In some ways it is more treacherous than dynamite.

$10,000 PRIZE LIST FOR INTERNATIONAL PLOWING MATCH

Announcement of a prize list valued at $10,000 for the International Plowing Match for 1947 is made by J. A. Carroll, Secretary-Manager of the Ontario Plowmen's Association. This represents an increase of $2,000 over the $8,000 in prizes offered last year, and is indicative of the growing interest in this great agricultural event. The Plowing Match will take place at Hemlock Park Farm, 6 miles north of Kingston, on October 14, 15, 16 and 17.

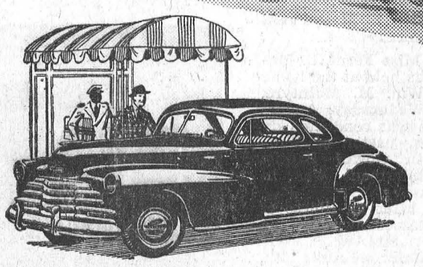
BIG-CAR QUALITY AT LOW COST

World's Champion Valve-in-Head Design!

Your new Chevrolet is the *lowest-priced* car with a Valve-in-Head Engine — the type of car engine which holds all records for efficiency — for giving maximum power from every ounce of fuel. And your *Chevrolet Valve-in-Head Engine* is the "champion of champions" on all these counts: (1) Valve-in-Head performance at *lowest* prices; (2) billions of miles of service to owners; and (3) number of owners served. In fact, this sturdy Chevrolet Valve-in-Head Engine has delivered *more* miles, for *more* owners, over a *longer* period, than any other automotive engine built today, regardless of type, size or price!

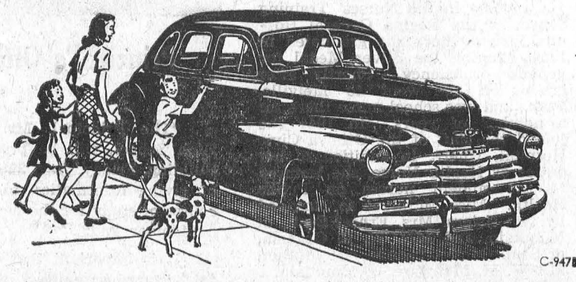


In addition to giving you the outstanding performance-efficiency of a Valve-in-Head Thrift-Master Engine, Chevrolet gives you the BIG-CAR styling and luxury of a Unisteel Body by Fisher—*the pattern of fine coachcraft*—and, of course, "Body by Fisher" is exclusive to Chevrolet in its price range.

CHEVROLET

A PRODUCT OF GENERAL MOTORS

You and your family want *real* motoring safety, and here again your choice is Chevrolet. It's soundly and sturdily built, with BIG-CAR QUALITY through and through, typified by Fisher Unisteel construction, the Knee-Action Ride and Positive-Action Hydraulic Brakes. That's a combination of safety factors found only in Chevrolet and higher-priced cars.



C-9478

You can't match Chevrolet's BIG-CAR COMFORT at low cost, either, for it brings you the *higher* degree of riding-smoothness and road-steadiness imparted by the famous Knee-Action Gliding Ride — and this, too, is exclusive to Chevrolet in its price range.

Be wise! Keep your present car in good running condition by bringing it to us for skilled service, now and at regular intervals, until you secure delivery of your new Chevrolet. Come in — *today!*

IMMUNIZATION WEEK
OCTOBER 5-11.

Dr. Nelles Silverthorne, of Toronto, chairman of the Health League's National Immunization Committee, has announced that Canada's fifth annual National Immunization Week will be observed during the week of October 5th.

This annual national observance is designed to draw attention to the fact that certain communicable diseases, which are still taking toll among the nation's children, are largely preventable. The "Week" also is designed to draw attention to the fact that your health departments, federal, provincial and municipal are working continuously to eliminate these preventable diseases.

National Immunization Week is a means of emphasizing to the general public something they should know already—that toxoid prevents diphtheria; that whooping cough vaccine prevents whooping cough; and that vaccination prevents smallpox. This annual event is sponsored by the Health League of Canada in co-operation with your health departments.

THE 23rd PSALM

A crushing sorrow came to me one day,
It bowed my head, lay heavy on my heart,
It turned ambition's fires to ashes grey,
And from me for no hour would depart.
I cried: "I cannot bear this all alone,"
Then in contrition bowed before His Throne.
I heard Him say: "Behold my rod and staff,
Shall comfort thee, and thou this cup wilt quaff
In perfect strength! Behold the things you love,
The birds, the bees, and flowers, life from above,
Their food and care, are given them by Me,
Shall I, thy God, be mindful less of thee?
Know ye not child, in ages past, I said:
"By waters still, thou shalt have daily bread,
And in the shadow of they darkest fear,
I shall be with thee,—I am ever near?"
My promise is: "I shall anoint thy head,
Before thine enemies, a table spread,
Thy cup it shall be filled, and overflow,
Goodness and mercy follow thee,"—and lo!
I, too, have said: "That thou shalt never want,
And if in weakness thou should'st feel the taunt,
Of fear, or suffer from this world's alarms,
Oh! Fly then to my everlasting arms!"
Weary and worn by sorrow, tho' I am,
My Rock of Ages is—The Shepherd's Psalm.

—Belle D. MacMartin.

NEWLYWEDS HONOURED

About 75 friends and neighbours gathered recently at the home of Mr. and Mrs. Arthur Baker, of Williamsburg, to extend their best wishes to Mr. and Mrs. Edward Smith (nee Dora Baker) who were married a short time ago.

The evening was spent in games and social intercourse. About eleven o'clock the guests of honour were presented with a chest of silver by Mrs. Hugh Barkley, while an appropriate address was read by Miss Maxine Algire.

In a very fitting reply, Mrs. Smith thanked her friends, after which all joined in singing "For They Are Jolly Good Fellows." A delicious lunch was then served by the ladies of the community.

Following is the address:

Dear Dora and Ed.:—This evening we have gathered here to offer you our best wishes for never-ending hapiness in your married life together.

Dora, we are sorry to lose you from our community. However, we feel that another section will benefit by our loss, having one of our "school-marm" girls in its midst. Your capable leadership, accompanied by your charming smile, will be welcomed in your new community, and we will be proud to say, "Mrs. Ed. Smith came from up our way."

We congratulate you, Ed, on your choice of a bride. While most of us are not well acquainted with you, we feel sure that Dora's good taste didn't let her down when it came to choosing a husband. Since the way to a man's heart is "through his stomach" we're sure that you'll be happy married to a Baker.

As you're sharing life together,
Here's a wish that's most sincere,
That the happiness you're sharing
Will grow deeper through the year.
That each day throughout the future
Will hold many joys for you,
As the two of you together
See your fondest dreams come true.

We ask you to accept this gift for your new home with our very best wishes for a future full of the finest things.

Maxine Algire, Edna Barkley.

MODERN ETIQUETTE

1. Should a person write a letter when in an ugly mood, or feeling depressed?

2. Is it obligatory that relatives and friends send gifts to a newly-engaged girl?

3. When visiting in a home, should one address the servants as Mr. Brown and Miss Jones?

4. Is it necessary to bow each time when meeting the same person a number of times in succession?

5. If there are to be three speakers at a public dinner, or banquet, how much time should be allotted to each speaker?

6. Is it customary for the bride to give presents to her bridesmaids?

Answers

1. Absolutely not; and an excellent rule to follow, if one does write a letter under these circumstances, is to hold the letter until the following morning, then read it again. In nine cases out of ten, the letter will not be mailed. 2. No, but one who is financially able and generous often does. 3. No; address them as Charles and Mary. 4. No; merely smile. 5. Fifteen to twenty minutes is sufficient. 6. Yes.

HINTS FOR THE HOME

Cover the Food.

Do not fail to cover the food that is on the table before sweeping the kitchen. It is very unsanitary not to do so.

Laundering Blankets

After washing and drying woolen blankets, whip them with a carpet beater. It will make the wool light and soft again.

The Rooms

Net curtains will make a small room appear larger, and if the room is dark, try using light, thin materials for the decorating.

Stiff Shoes

If a little Vaseline petroleum jelly is applied to stiff leather shoes, it will make them soft and pliable. The jelly should be rubbed into the leather with a piece of flannel.

China Cement

Broken china may be mended with a cement made by mixing some plaster of Paris with the white of an egg until it is creamy. Apply this as you would any prepared cement.

Ants

Ants will not climb the legs of tables if a piece of string, dipped in kerosene, is tied around each table leg. This method also applies to the refrigerator, beds, and other furniture.

Fishy Odor

The odor of fish in a frying pan can be removed by filling the pan with water, adding a little vinegar, and letting the water come to a boil. Then wash as usual, and all odor will disappear.

Stain Remover

Before using a stain remover on a delicate material always test it on some part of the garment where it will not show. If the remover does not affect the color, it will not harm the garment.

A Warning.

Always bear in mind never to throw water into blazing oil or grease. It will only spread the flames. Earth, flour, or sand will extinguish the fire. If these are not at hand, throw a thick rug, blanket, or curtain on the burning oil.

Milk and Thunder

Thunder does not sour milk, as commonly believed. There are bacteria in the milk which feed on sugar, causing it to soidulate. Just before an electric storm the air usually becomes warmer, causing these bacteria to multiply more rapidly.

CHEESE OUTPUT IS DECREASED

Cheese production in the United Counties for the month of July totalled 2,895,586 pounds, a decrease of approximately 120,369 pounds from the 3,015,834 pounds produced in July, 1946.

In the county of Glengarry the make was slightly higher this year than last, with 1,164,172 pounds reported for July this year, as compared with 1,096,903 pounds in July, 1946.

In Stormont and Dundas, the make was considerably less than the corresponding period last year. The figures for Stormont are 1,170,018 in 1946 and 1,098,842 for July of this year. In Dundas the drop was greater—632,472 this July and 748,913 last year.

The total production for Eastern Ontario shows a drop in production comparable to the United Counties decrease. As for the first half of 1947 the Eastern Ontario make is down more than 4,000,000 pounds from the 1946 production of 32,905,692.

OBITUARY

LATE JAMES KNOX MULLOY

The funeral of James Knox Mulloy, who died at the home of his daughter, Mrs. Hume Grisdale, of Iroquois, on Tuesday, August 19th, was held Thursday afternoon at the Methodist Church, Waddington, N. Y.

In his 81st year, Mr. Mulloy was born in Mountain township, the son of the late George Mulloy and his wife, Mary Redmond, both members of pioner families of that district. He received his education in district schools, and prior to his marriage in 1888 to the former Clara Brown, of Waddington, N. Y., he lived for some years in California. His wife died a year ago.

Chief mourners and survivors are, one son, Lorne Mulloy, of New York City; one daughter, Mrs. Hume Grisdale, of Iroquois; two sisters, Mrs. Pearl Mulloy, of Santa Cruz, Calif., and Mrs. J. C. Lazier, of Gonzales, Calif., and one brother, Fred Mulloy, of Winchester.

Interment was in the family plot at Brown's Cemetery, Waddington.

FUNERAL OF ACCIDENT VICTIM HELD HERE

The eldest son of Rev. and Mrs. Dwight L. Deeks was laid to rest last Friday, following a very tragic accident in Toronto.

Paul Barton Deeks, age 8 years and 10 days, was born in Newington, Ont., August 9th, 1939, and passed away August 19th, 1947, in Toronto, while being taken to hospital. He, with his four-year-old brother, David, was helping his chums deliver papers. When crossing the boulevard, he was struck by a truck.

For three years Paul lived with his parents in Newington, then moving to Woodstock, Ont. There he lived for four years, two of which were spent in Public School. One year ago, he moved to Toronto and would have been in the 3rd Grade at Queen Victoria School there.

He was well loved by all who knew him and had a host of friends and playmates. Always a faithful member in Sunday School, Junior services and all services of the church, Paul and his brother, David, always cheered the hearts of everyone as their voices blended together in songs and choruses. He will be greatly missed by his parents and one brother.

After a large funeral service in Toronto on Thursday afternoon, the body was brought to the home of his grandparents, Mr. and Mrs. Luther Deeks, at Williamsburg. The final service was held Friday at 2.30 p.m. from the family residence to the Wesleyan Methodist Church, Winchester, and was conducted by the Rev. S. W. Blanchard, of Brockville, assisted by Rev. J. S. A. Spearman, Belleville; Rev. J. A. Bain, of Cornwall, and Rev. H. Kielty, the local pastor. During the service, Mr. and Mrs. Eddie Wilson, of Brockville, rendered very beautifully, "The Upper Garden," and "Sometime We'll Understand." accompanied by Miss Bessie Rennick at the piano.

Interment was made at Brinston Cemetery. The pall bearers were: Messrs. Dwight Jones, Raymond Summers, Arthur Summers and Earl Gallaher.

The large number of floral tributes were gratefully received by the family.

Many friends and relatives attended, and those from a distance were: Mr. Logan Wright, of Grand Rapids, Mich., grandfather of the deceased; an uncle and aunt, Mr. and Mrs. Paul Wright, of Grand Rapids, also a friend, Rev. Gordon V. Woods, of Warren, Penn.

OTTAWA BREAD TRUCK HITS 10-FOOT DITCH

Three Ottawa and district men escaped injury at 3 o'clock last Friday morning when their truck turned over and nose-dived into a 10-foot ditch on Highway 31 at the intersection of the Chesterville road, one mile south of here.

According to George Wilson, of 103 College avenue, Ottawa, driver of the three-ton bread truck, a car, proceeding north, turned in front of him and he missed hitting it by swerving into the ditch. The car was driven by E. B. Lynch, of Chesterville, police said.

When the truck hit, the doors flew open, and the driver and Marcel Moreau, of 546 Chelsea road, Hull, and Ray Charlebois, of Rockcliffe, were able to crawl from the cab, the top of which was crumpled by the impact.

Traffic Officer Eric Code, of Morrisburg, investigated. Damage to the truck was estimated to be about $500.

Over 2,000 tons of concrete are poured daily into this Hydro dam 200 feet high, half a mile long.

Harnessing Another 81,000 Horsepower for Hydro

People sometimes ask us what we are doing about providing more electricity for Ontario. Many know how close we are now to using up all our present supply.

Since the end of the war, Hydro's peak load demand has increased approximately 500,000 horsepower or more than 25% of the highest wartime demand, and is still mounting.

What are we doing about it?

Above is a part, but only a part, of the answer. It shows the great power development at Stewartville, on the Madawaska River in Eastern Ontario, which was started many months ago when materials and labor were in even shorter supply than now. It will give you 81,000 horsepower commencing next year. With other Hydro developments being rushed to completion, an added 500,000 horsepower will be available in the next five years.

In the meanwhile we must all use Hydro sparingly so there will be enough to go around.

Hello Homemakers! We've been to the Canadian National Exhibition and what fun. Never saw so much interest in the Exhibition in my life. Little wonder since every exhibitor has gone all out to show us the use of his products.

Of special interest to homemakers is the Shopping School in the "Women's World" at the Coliseum. Here you will find a modern grocery store, and the attendants will give you shopping budgets assembled for low cost, moderate cost and fancy menus. You should pick up copies or write to the Women's Section for them if you can't get down to the Fair.

Careful meal planning and skilful shopping can do much to ease the financial strain on the food budget. Approved methods of cooking and adequate storage facilities are also important and this point is proven by the many attractive displays of the manufacturers in the Electrical Building.

Everywhere at the Fair, visitors are directed and instructed by trained personnel, by illuminated signs, by "active" displays and colourful exhibits. Do go and look at the demonstrations. I can't begin to tell you all about the C. N. E. It's the best I've seen.

BASKET SALAD

Hollow out grapefruit; set scooped out fruit aside for breakfast. Line shells with endive; fill with drained fruit salad and serve with this dressing.

NUT-DATE DRESSING

3-4 cup syrup from the fruit salad, 2 tbsps. cornstarch, 1-4 tsp. salt, 1 tbsp. vinegar, 1-2 cup finely chopped dates, 3-4 cup cream or top milk, whipped; 1-2 cup chopped walnuts.

Mix together the syrup, cornstarch, salt and vinegar. Cook, stirring constantly, until mixture is thick and clear. Continue cooking for 3 or 4 minutes longer. Cool slightly; stir in dates and nuts. Fold in cream, whipped light but not stiff. Makes about 2 cups dressing.

DEEP SOUTH VEAL ROLL

Remove bones from 2 whole veal cutlets, 1-2 inch thick, flatten cutlets with mallet. Spread each with half of the following stuffing: (Saute 2-3 cup chopped onions and 1 cup diced celery in 1-4 cup fat. Add 2 tablespons chopped parsley, 1 tsp. salt, 1-4 tsp. pepper, pinch of Rosemary and Savory and 1 cup soft bread crumbs.) Roll up, secure. Brown in 3 tbsps. fat in Dutch Oven. Add 1-3 cup water, 8 sweet potatoes. Cover, simmer 40 mins. Add 2 1-2 cups green peas, 8 peeled orange slices, 2 tbsps. currant jelly. Cover, continue cooking 20 mins. Eight servings.

SPARERIBS

The flavors of spareribs and savory celery stuffing blend perfectly; Place dressing in baking dish, cover with spareribs, or place dressing between two matching sections of ribs that are stitched or tied together. Sprinkle with salt and pepper, rub with flour. Bake uncovered at 325-350 degs. F. for 1 1-2 hours.

CREOLE FUDGE CAKE

Preparation: Have shortening at room temperature. Line bottoms of two 9-inch layer pans with paper; grease. Set oven for moderate heat (350 degs. F.) Sift flour once before measuring. (All measurements are level.)

Measure into sifter: 2 cups sifted flour, 1 tsp. soda, 1 1-3 cups packed brown sugar, 3-4 tsp.salt. Measure into mixing bowls: 1-2 cup shortening; Measure into cup: 1 cup milk, 1 tsp. vanilla. Have ready: 2 eggs, unbeaten; 3 squares unsweetened chocolate, melted.

Stir shortening just to soften. Sift in dry ingredients, add 3-4 cup of milk, and mix until all flour is dampened. Then beat 2 minutes. Add eggs, melted chocolate, and remaining milk and beat 1 minute longer. (Count only actual beating time. Or count beating strokes. Allow about 150 full strokes per minute. Scrape bowl and spoon often). Baking: Turn into pans. Bake in moderate oven (350 degs. F.) about 30 minutes. Spread seven-minute frosting between the layers and on top and sides of cake, and coat with 2 squares of unsweetened chocolate melted with 2 teaspoons of butter.

TAKE A TIP

1. **Pear and Apple Waldorf Salad:** Make Waldorf salad as usual with chopped celery and walnuts, but substitute cut-raw raw pears for about half the quantity of apple.

2. **Salad Fillings for Pear Halves:** Raspberry Jelly with sprinkling of grated orange rind; cottage cheese with minced nasturium leaves; chopped olives with mayonnaise.

3. **Parsley Note:** Add 1-4 cup of chopped parsley to thin white sauce (1 tbsp. butter, 1 tbsp. flour, 1-2 tsp. salt and 1 cup milk). Pour over cooked carrot cubes and fresh green peas, combined in equal proportions.

4. **Seasoning for Beets:** Season cubed or sliced cooked new beets with vinegar, grated onion, salt, butter and a dash of nutmeg.

5. **Fruit Salad Dressing:** Place 3 tbsps. tart currant jelly in a small bowl and slowly add the juice of one lemon, beating with a rotary egg beater until smooth. Add juice of one orange, and one tablespoon each of honey and maraschino cherry juice. Mix well and chill before serving.

6. **Quick Luncheon Dish:** Make French toast (dip bread into egg-milk mixture, using 1 beaten egg to 1-2 cup milk) and put two sauteed slices together with sliced fresh cooked fruit; serve with hot syrup.

CANADA'S health

LEARNING TO LIVE

Instead of the "three R's," children should be taught at least four—adding "Right Living" to the traditional reading, 'ritin' and 'rithmetic, declare national health leaders.

It is suggested at Ottawa that educational courses should include instruction in all the sound principles of hygiene, not overlooking the science of nutrition, about which so many adults of this generation know little. Health authorities believe that our future generations will be healthier and happier if children are given basic instruction in living habits as well as in the many subjects now taught.

FOOD AND STUDY

Well-fed young people are more resistant to infectious diseases and can withstand all sorts of strains and stresses better than those who are undernourished. This has been proven by careful scientific study. Accordingly, health authorities urge greater attention to the diet of school children and adolescents.

Particularly when away from those home influences which ensure adequate feeding, young people should give more than casual thought to their intake of nourishment, says the specialists. And it is also a good idea for the student to include books on proper habits, such as the science of nutrition, in his leisure-time reading.

SQUINTS SIGNIFICANT

Medical authorities declare that squinting which develops in infancy should be investigated and treated. No matter how young a child is, he requires special medical attention for a squint.

If left too long, the vision of the squinting eye may be lost through disuse. This is very likely to occur if nothing is done before the child reaches the age of five or six years.

SAFETY ENSURED

Since many young people, at this time of year, will be entering on a round of strenuous sports and recreational programs which will tax their capacities to the utmost, health experts urge care to ensure safety. It is essential that all entering on activities involving exertion know beforehand how much they can stand.

The only way to ensure safety in sports is to be certified fit to play by a careful medical check-up. Medical officers suggest that it is the duty not only of students themselves, but of parents, teachers and directors of athletics, to make certain that young people are not exposed to strain beyond their capacities. All going in for athletics should obtain a clean bill of health from the family physician.

SHOULDERS STRAIGHT

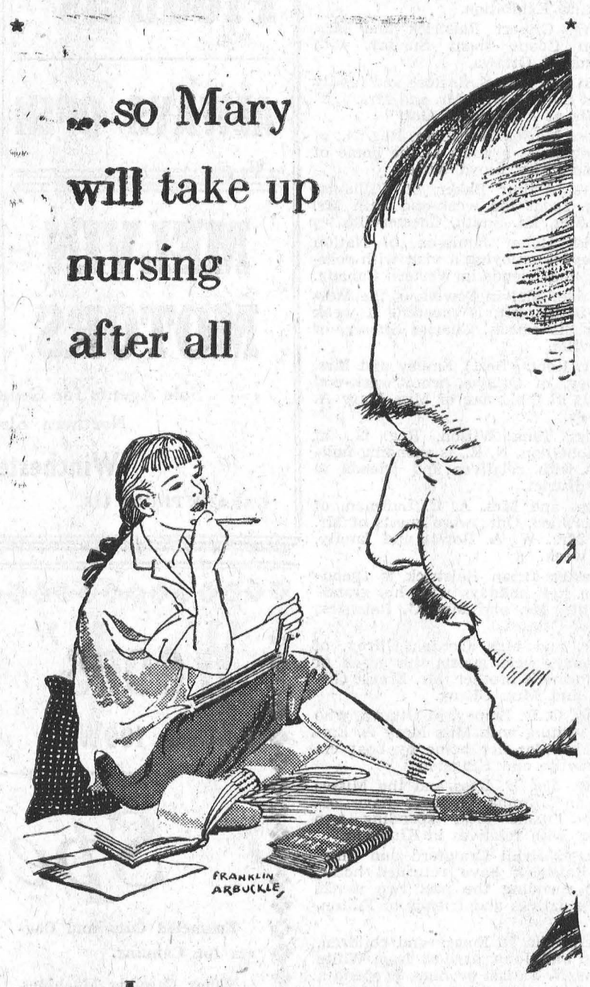
In a former age, learned men were often distinguished by that hang-dog look which seemed to weigh them down with their very large learning. Rounded shoulders were as much a distinguishing feature of the savants as their lapses of memory. But, say the health people, those days are past. Wise men and women of this generation know that it is as necessary to conserve health as to absorb learning.

When at study, the modern genius bends only his mind to his books. He remembers posture, and understands that the fitter the body the brighter the mind can be.

MENTAL RELAXATION

Mental tension is branded by the experts as an enemy of health. Pointing out that such effort as is required in study entails as much, at least, of strain as bodily exertion, the medical authorities urge young people at school or grappling with life's problems to remember that the mind as well as the body needs rest and relaxation.

Rest, sleep and recreation are Nature's antidotes for fatigue. They are essential in relieving the strain of sustained effort.



IT LOOKED for a while as if a temporary financial problem in the family might keep Mary from finishing "High". If she had to quit school to help the family income *that* would have meant good-bye to her hopes of becoming a nurse.

But here she is, starting her final year. Did her Dad suddenly come into some money?

No . . . and yes. He consulted his bank manager, who told him how the bank, through personal loans, often helped people to meet just such situations. Arrangements were made, and now Mary will take up nursing after all.

In 1946 Canada's banks made *half a million* personal loans to Canadian men and women.

LOCAL AND GENERAL

Picnic Cancelled.

The annual 100 Club Picnic, which was scheduled to be held at St. Lawrence Park, Brockville, yesterday afternoon, has been cancelled for this year. This announcement was made by the president, Centurian O. V. Stevenson, on Monday.

Married At Ottawa.

At Ottawa on Thursday, August 21st, Rev. Horatio Todd united in marriage Miss Norma Eileen Wylie, daughter of Mrs. Glen Wylie and the late Mr. Wylie, to Mr. Frederick John Brown, son of Mr. Claire Brown and the late Mrs. Brown, all of Winchester.

Vandalism At Metcalfe.

Vandals have again broken four windows in Metcalfe Public School. The windows in the school had to be replaced in July of this year after an outbreak of vandalism was responsible for the breaking of 71 panes of glass in Metcalfe High and Public schools.

Engagement Announced.

The engagement is announced of Sarah Madge, only daughter of the late Mr. and Mrs. Oscar Layland, of Alexandria, formerly of Winchester, to Mr. Wilfred John Evans, son of Mrs. Edwin Evans and the late Mr. Evans, of Saskatoon, Sask. The marriage to take place shortly in Saskatoon.

Moving To Ottawa.

Dr. A. B. Clayton, of Chesterville, having decided to make the family home in Ottawa, where he will shortly take up residence, has sold his Victoria street residence to Mr. L. H. Doering. It will be with considerable regret that this village loses the Clayton family, says the Chesterville Record.

Stole Cadet Rifles.

Three local juveniles were apprehended by Chief Constable Gilbert Raistrick on Saturday afternoon, after they had broken into the High School Building and stolen a number of Cadet Rifles and several rounds of ammunition. The boys, all under 16 years of age, had hidden their loot in a field near the school building. It is expected the boys will appear in Juvenile Court.

Falls 30 Feet, Walks Away.

Wednesday, the thirteenth, was unlucky to Raymond, third son of Mr. and Mrs. Leslie Holmes, Winchester Springs, when he fell thirty feet through the chute to the barn floor at Mr. Elzie Johnston's barn. Ray was helping Walter Johnston mow back hay when the accident occurred. Although suffering from badly bruised feet. Ray considers himself lucky, he landed on his feet and not his head.

Honoured Before Leaving.

Last Wednesday evening, a number of neighbours gathered on the lawn of Mr. and Mrs. L. Loucks to honour Miss Anna Marquette, prior to her departure to train as a nurse in the Civic Hospital, Ottawa. At an appropriate time, Miss Lillian Brown presented her with a corsage of sweet peas, while an address was read by Isabel Hay, and Barbara Loucks and Elsie Edgerton presented her with a pen and pencil set and a billfold. Miss Marquette thanked her friends for the lovely gifts, after which refreshments were served by the hostesses, Barbara Loucks, Lillian Brown, Elsie Edgerton, Joyce Hay and Isabel Hay.

Schools Open Tuesday.

The local Public and High Schools will open for the Fall Term on Tuesday, September 2nd. The only new addition to the Public School Staff will be Mr. Harry Potter, who has been engaged as Assistant Principal. He was engaged following the resignation of Mrs. Wilfred McKercher. Other members of the staff are: Mr. Wm. Servage, B.A., Principal; Mrs. Rae Helmer, Miss Olive Hughes and Miss Maude Edgerton. During the summer months, the Public School building has undergone extensive renovations.

Considerable improvements have also been made to the High School Building during the vacation period. Two new teachers have been engaged to complete the staff. They are Miss Marjorie George, B.A., and Mr. Carlton Miller, B.A. Other members of the staff are: Mr. H. Willard, B.A., Principal; Mr. R. Lalonde, M.A., Mr. A. Fisher, B.A., and Miss Grace White, B.A.
