## Cornwall Truck Snaps Hydro Pole

A truck, belonging to the Cornwall Daily Standard-Freeholder, and driven by Leonard Merpau, age 26, of 419B 4th St. E., Cornwall, crashed into a Hydro pole in front of the Golden Pheasant Restaurant on Tuesday evening, when the driver tried to avert hitting another car, driven by Mrs. Elizabeth Ann Marshall, of Winchester.

Driving a 1936 Ford coupe, Mrs. Marshall and the Freeholder truck were proceeding south on St. Lawrence Street. Just as they reached the Pheasant entrance, the newspaper truck, driven by Merpau, decided to pass the Marshall vehicle. At the same time, the coupe started to swing to the left into the Golden Pheasant. In an effort to avoid hitting the car, Merpau swung the truck sharply to the left in an attempt to drive it through to the Golden Pheasant driveway. The turn was too much and the front of the truck caught the pole, breaking it off about 6 feet from the base. Power was not cut off.

Merpau was shaken up and received injuries to his head and knee. Mrs. Marshall escaped injury. Damage to the Freeholder truck was estimated at $325.00, and to the Marshall car at $25.00.

Chief Constable Gilbert Raistrick investigated.

## Memorial Hospital Auxiliary Meeting

It was announced at the September meeting of the Winchester District Hospital Auxiliary that the month of June this year had been the busiest to date for the local hospital, when an average of 39.5 bed patients per day had been recorded. The report of the superintendent was given by Mrs. G. B. Mulloy, who is in charge duuring the absence of Miss H. C. Wilson.

Plans for the annual meeting of the parent Auxiliary were made at this meeting, presided over by Mrs. F. M. Cass. The annual meeting will be held in the Winchester Town Hall on Thursday evening, October 2nd, at 8.00 p.m.

Miss Nora Elliott presented the treasurer's report, showing a balance on hand of $1,414.48.

Mrs. R. D. Ledgerwood told of the laying of rugs in three nurses' rooms in the basement of the hospital, at a total cost of $436.44. It was also announced that the Auxiliary had purchased a humidifier for the X-ray unit.

Donations from the following were acknowledged: Dr. Barton, an electric cast cutter; South Mountain Women's Institute, ward table; Vernon W. I., chair for men's ward; Canadian Junior Red Cross, Croupette; a humidifier for the oxygen equipment, from the Inkerman unit, and gifts of vegetables, pickles and fruit from Mrs. Jake Empey, Mrs. Clarence Deeks, Mrs. Geo. Angus, Mrs. Ernest Merkley, George Bentley, Mrs. Ronald Freeland, George Merkley, Mrs. J. L. Belway, Mrs. Dalgleish, Mrs. A. Smith and Mrs. R. Barkley.

## WEDDINGS

**McLEAN—MILKS**

Our Lady of the Annunciation Church, Ottawa, was the scene of the marriage on Monday morning, Septermber 1st, of Mary Bernice Milks, daughter of the late Mr. and Mrs. John Milks, of Wrightville, to William Gerald McLean, of Ottawa, son of Mr. and Mrs. James E. McLean, of Ormond.

Gladioli formed the floral setting for the ceremony, at which Rev. Father Radley officiated.

Keith Milks gave his sister in marriage, and she was attended by her sister, Miss Lois Milks. Miss Susan Campbell, a niece of the bride, was flower girl. Earle King was best man, and the ushers were Donald Campbell and Harvey MacIntosh.

For her marriage, the bride wore a gown of white lace over satin. A pearl headdress held her finger-tip veil of nylon, and she carried a bouquet of red roses.

Following a reception at the Standishhall Hotel, the couple left on a motor trip to Western Ontario. For travelling, the bride wore a beige suit with brown accessories. On their return they will reside in Wrightville.

Out-of-town guests included: Mr. and Mrs. P. Kelly, of Detroit, Mich.; Mr. and Mrs. H. MacIntosh, Mr. and Mrs. D. Kenney and Dr. and Mrs. S. Dawley, of Winchester.

**MacDIARMID—SHAVER**

Cedar trees and baskets of white gladioli formed the picturesque setting on the lawns of the residence of Mr. and Mrs. Milton Shaver, Williamsburg, at 3 o'clock on Saturday afternoon, September 6th, for the marriage of their daughter, Gladys Doreen, to Mr. John William (Bill) MacDiarmid, son of Mrs. W. B. MacDiarmid, of Ottawa, formerly of Maxville, and the late Dr. W. B. MacDiarmid. The ceremony was solemnized by Rev. George Dunlop, pastor of Williamsburg United Church, assisted by Mrs. Maefred Merkley, who played the wedding music.

Miss Helen Deeks, of Ottawa and Williamsburg, was the bridesmaid, and the best man was Mr. Duncan McLeod, of Maxville.

Given in marriage by her father, the bride was charmingly dressed in a gown of white baronet satin, with white appliqued flowers edged into a fitted bodice, and the net yoke fashioned with a white velvet scalloped band. The dipped waistline had side padding to accent the fullness of the ankle-length skirt, and the long sleeves tapered to points over the wrists. Her finger-tip veil was held in place by a white velvet cap. She carried a hand bouquet of white gladioli and Johanna Hill roses, with sprigs of heather which had been flown from Scotland for the wedding.

Miss Helen Deeks, as bridesmaid, wore a deep apricot ankle-length gown of nylon net over taffeta, with satin bodice and semi stole. She carried a hand bouquet of gladioli in blending shades of apricot and yellow.

Immediately following the ceremony, a reception was held in the Shaver Home, which was appropriately decorated with gladioli and white mums.

Later, Mr. and Mrs. MacDiarmid left on a honeymoon trip to Niagara Falls and points in Northern New York State. For travelling, Mrs. MacDiarmid chose a grey worsted wool suit with matching grey accessories. She wore a corsage of red roses.

Out-of-town guests included: Mrs. W. B. MacDiarmid, Miss Hattie MacRae, Miss Minnie Roberts, Miss Jean Smiley, and Mr and Mrs. Russell Midkiff and Dwayne, all of Ottawa: Mrs. Cyril Banville, Smiths Falls; Mr and Mrs. Ewing Walsh, Montreal; Mr. and Mrs. Walter Smiley, Peterboro.

**W. H. S. STUDENT AWARDED DOMINION-PROVINCIAL BURSARY**

Miss Jean Wilkes, a daughter of Mr. and Mrs. Clifford Wilkes, of Vernon, and a graduate of Winchester High School, was awarded, last week, a Dominion-Provincial Student Aid Bursary for general proficiency in her Upper School year. The Scholarship is valued at $250.00 and is used as an aid for students who intend going to Normal School.

## Municipal Council Met On Monday

The Village of Winchester is expected to revert to Standard Time on September 27th; however, a definite decision was not made and will depend on the action of surrounding municipalities. The decision to follow suit, was made at the September session of the Municipal Council, held on Monday evening, September 8th, in the Council Chambers.

Councillor Jack Rennison was appointed to look into the feasibility of purchasing a suitable plow for the town truck, to clear local streets of snow this year. At present, the town is without proper equipment, and the usual means will not be available this year.

With regard to some complaints coming to Council re an open drain on the sidewalk of St. Lawrence Street South, Council decided to take proper steps to have the owner close the gap in the sidewalk immediately.

At the request of the proprietor of Hotel Winchester for a lower tax rate, a letter from the town solicitor said that the matter would have to be referred to a Court of Revision.

Building permits were issued to Bishop Coons, William Leslie and Ed. Boyd.

Municipal bills passed amounted to $2,199.74, and Hydro accounts totalled $6,373.14. The unusually high Hydro figure is due, chiefly, to the purchasing of transformers and wire to be used in the rebuilding program in the north-east corner of the town.

A comprehensive police report was presented by Constable Gilbert Raistrick and included: one breaking and entering, still being investigated; lost and found, recovered; 7 violations of the Highway Traffic Act, with fines amounting to $151.00 and costs coming to $43.20; 3 thefts, still being investigated; 5 by-law infractions, in which warnings were given in each case; 3 motor vehicle accidents, settled; one violation of the Liquor Control Act; 2 complaints coming under the Criminal Code, and one infraction of the Juvenile Delinquency Act.

Present at the meeting were the Reeve, Walter Moffat; Councillors John Rennison, Ed. Boyd, John Fader and Howard Fetterly; Clerk C. R. Robinson and Constable G. Raistrick.

**EVENING AUXILIARY RESUMES MEETINGS**

The Evening Auxiliary of the United Church opened their Fall term on Tuesday evening, September 9th, when a meeting was held in the Sunday School Hall. Miss Bertha Coons convened the worship service, with Mrs. Raymond Earl reading the Scripture. The theme of the September meeting was "God's Grace—The Water of Life."

Mrs. J. K. Ault read from the Missionary Monthly "I Remember Africa," and Mrs. T. N. Mitchell led in prayer.

The new Study Book, "Along African Trails," by D. H. Gallagher, was introduced by Mrs. Oscar Wallace, who gave a very clear picture of African life. She also told about meeting Miss Mario Chilo Luciano, an African girl, who was at the School for Leaders, and who will go back to Africa as a teacher in one of the Mission schools in Angola.

Mrs. B. Dawson heard the various reports and closed the business meeting with the Mizpah Benediction.

Mrs. R. Wylie moved a vote of thanks on behalf of the Auxiliary for the delightful program and the dainty lunch which was served by Miss Coons, Mrs. Dawson, Mrs. Earl and Mrs. H. Fetterly.

## District Fairs Well Attended

Last week saw two of the district's leading rural fairs set new high attendance marks. At Chesterville, the 21st Annual Show, sponsored by the Chesterville and District Agriculturual Society, set a new record on the final day when 3300 passed through the gates. Despite rainy weather in the morning, the races were run off—and all other features were held. The fair was highlighted by the Grenville-Dundas Ayrshire Show and the St. Lawrence Jersey Parish Show. All entries were well filled with exhibits, making the fair one of the most successful in the history of the Agricultural Society.

At South Mountain, on Friday, a new attendance record was hung up as 4000 persons clicked the turnstiles. Sponsored by the Mountain Township Agricultural Society, it was the 60th annual presentation of the fair.

A record number of entries was recorded, and according to fairgoers, it was the best fair the Society has ever sponsored. Big drawing cards were the horse races and a large Black & White Show. Other features included a girls' softball tournament and a grandstand show on Friday night. Activities were wound up with a grand dance in the I.O.O.F. Hall on the last night of the exhibition.

**THEATRE MANAGER HONOURED BEFORE LEAVING FOR OTTAWA**

Following the last show at The Winchester Theatre on Tuesday evening of last week, the theatre staff gathered to honour the manager, Mr. Clare Chamberlain, who has been in Winchester for the past 18 months looking after The Winchester. He took over his new position as manager of the Century Theatre, Ottawa, last week.

Following lunch, Mrs. Arthur Knapp, who takes Mr. Chamberlain's place, spoke briefly, wishing him every success in his new position. On behalf of the staff, Mrs. Knapp presented him with a travel alarm clock.

Mr. Chamberlain expressed his thanks to the staff for the gift and the pleasant surprise party given him. All joined in singing "For He's A Jolly Good Fellow."

His wife is a graduate nurse, and was a pre-medical student at McGill. She assists him as office nurse. Dr. McMillan is an R.C.A.F. veteran, speaks English and French fluently, and was born in 1921 on a farm near Denholm, Que.

## Kemptville Votes To Remain Dry

Residents of Kemptville went to the polls last Wednesday to settle an old problem—whether or not they desired to "wet their whistles" locally or continue the practice of purchasing beer and liquor in neighbouring communities. Before the polls closed at 8 p.m., almost everyone was sure of the outcome. They were correct. The town voted to remain "dry."

Jack Jakes, town clerk, told reporters that 85 per cent. of the eligible voters cast their ballot. This was not unusual, for an excellent turnout was expected. Of the 1,085 eligible voters, ballots were cast by 925.

Although the majority favored government sale of beer and liquor in the community, a two-thirds majority was required.

Kemptville residents voted on four questions. The results of that vote are shown in brackets.

1. In favor of the establishment of government stores for the sale of liquor. (Yes—476, No—419).

2. In favor of the establishment of government stores for the sale of beer only for resident consumption. (Yes—449, No—434).

3. In favor of the sale of beer only under a public house license for consumption on licensed premises to which women are permitted. (Yes—215, No—626).

4. In favor of the sale of liquor under a lounge license for consumption on licensed premises. (Yes—192, No—639).

The result of the ballot shows that Kemptville residents are firmly against beverage rooms and lounges springing up in their community, which is noted for the agricultural college there. They were interested in the establishment of government outlets for beer and liquor, but these failed to carry too.

It was the first time in 12 years that Kemptville residents had the opportunity of voting on the old problem.

**PURE BRED HOLSTEIN HEIFER KILLED ON HIGHWAY**

A pure bred Holstein heifer, owned by Byron Dawson, Winchester, and valued at $350.00, was critically injured when accidentally struck down by a Cardinal Construction Company truck last Friday. The accident occurred as Mr. Dawson was driving the cow from the pasture to the barns, along Highway 31, 2½ miles south of Winchester. As the truck approached, the animal apparently became frightened and darted into the path of the oncoming vehicle. Before the driver could get the truck stopped, the animal had been hit.

On inspection by Dr. D. L. MacLean, veterinarian, the heifer was found to be critically injured and it was necessary to kill the animal. She was due to freshen in two weeks.

## Williamsburg Team Eliminates Russell

Williamsburg, 1952 Champions of the Dundas County Softball League, moved into the Eastern Ontario Softball semi-finals Thursday night when they routed Russell 6-2 to win the third and deciding game of the best of three quarter-finals. Russell won the first game 4-0, with the second going to the Dundas Champs 8-4. Williamsburg got a bye in the next round, which automatically put them in the semi-finals.

Postponed on two previous occasions, the game was played under ideal weather conditions. It was a series of pitching and hitting, and the Burgs came up with both when the cards were down. Sonny Elliott, after losing his first start in the round, came back in the final contest to hurl a seven hitter unassisted. He was in trouble only once, in the seventh inning, when Russell scored both runs on an error—an overthrow to first—a single, and a long fly ball. That was Russell's only rally in the game in their bid to take the lead.

After opening the scoring with a single run in the first inning, Williamsburg added another in the third and the score remained a 2-2 tie until the Burgs' big seventh inning which saw four runs cross the plate. In the seventh, Reg. Nesbitt and Sonny Elliott started by hitting singles. Jack Salmon and Lloyd Casselman were retired, and with two out, a costly error put Carl Casselman on base, scoring Nesbitt from second. Bert McIntosh then hit a sharp double to left field to score two more runs, and another error by Russell put Stirl. Dawley on base and scored McIntosh. Keith Russell finally got out of the jam by forcing Clayton McLean to hit to the infield.

Both Keith Russell and Sonny Elliott were standouts in the pitching department. Russell's four errors proved costly however. Williamsburg had only one error in the nine innings. Keith Russell had six strikeouts, gave up seven hits, and walked two men. Elliott, with good control, only struck out one batter, but walked none.

In the hitting department, Bert McIntosh's single and a double, and Reg. Nesbitt's two singles, were tops for Williamsburg. Bert Duncan and D. Hay led Russell with two singles each. Association umpires handled the game.

# FEED NEWS

**GRINDING AND ROLLING**

**Have your grain ground the way you want it—fine for pigs or coarse for cattle.**

Our large capacity grinder does a good job and does it fast. Grists in and out with the least possible delay.

**The use of rolled grain is increasing, especially for cattle and pigs. Some people have part of their grain ground and part rolled. Coarse texture rations seem to be more palatable—rolled grain gives bulk to a dairy ration or laying mash.**

Send in the grain, we'll do it any way you want it.

**EXTRA 3 C.W. OATS**

**Special High Grade Oats at regular prices.**

**These Extra 3 C.W.'s are two grades better than the regular No. 1 Feed Oats.**

Feed these top quality Oats whole to poultry—grind them fine for pigs—ground or rolled for cattle. The horses will appreciate a few too.

It might be the right time to put in a few tons of these heavy Western Oats.

## The 7th Column

The Frost was on the Pumpkin" on Monday morning, when residents of this district discovered, upon arising from their slumbers, that the mercury had dipped to 30 degrees during the night. As a result, many heating devices were put into action for the first time since last Spring. The minder that summer is on the wane frosty morning was just a gentle reand autumn, with all its colour and variety of weather, will soon be with us, which reminds us that there is only one more holiday before Christmas—Thanksgiving Day, October 13.

A bus had just stopped. and the conductor, looking across the road, noticed a bus going suburbwards. He was apparently a musician, as he was holding a harp with one hand. In the other hand, however, he had a a new garden spade.

"Oh, George," bawled the conductor to a newsvendor standing on the pavement, "that chap's backed himself both ways!"

Another sign that the holiday season is over is the appearance of the Public School Safety Patrol at the intersection of Clarence and St. Lawrence Streets. These young traffic directors are doing a fine job and are deserving of the co-operation of all motorists.

The man had been recalled by the draft board. After the physical examination, a bored sergeant took over the questioning. "Did you go to grammar school?"

"Yes," he answered. "Also to high school."

"College?" the sergeant yawned.

"I have a B.A. from the University of North Carolina; then graduate courses at Cornell, back to Columbia for journalism, a degree from the University of Mexico, and—"

The sergeant nodded,, picked up a rubber stamp, flourished it in midair, and slammed it on the questionnaire—one word: "Literate."

## THE HARVEST EXILE

Harvest time is the happy time on the prairies, but for the prairie native working in the city it's a period of dreams and vulnerability.

No matter how far he may have drifted from the old homestead, a certain change comes over him as the crops ripen, whether he's in salty old Halifax, cosmopolitan Montreal, mundane Toronto or even fair Vancouver.

Farmers' sons from Ontario, Quebec and the Maritimes may also be smitten with the fall fever, but hardly with the same roaming restlessness that comes over the prairie son. He remembers the vast fields, sweeping half a hundred miles with their golden sea of grain.

The danger comes in the way he stares idly into space, his mind with the combines. He walks into traffic, and gives up his street-car seat as they used to do in the old days, or forgets to wear a tie with his shirt.

The malady comes from having been too close to the land in his earlier days; too near the ripen-grain and too much involved in the rugged fun of harvesting.

From his office or factory, or in a crowded theatre or restaurant, his thoughts go back to the bustle of men and machines under the wide prairie sky, to the chaff and dust from the slow-moving combines to the streams pouring from the threshing machine and the rows of stooked grain.

And if he grew up in some small town, one of his most tantalizing recollections is the trip to the cook-car of the threshing outfit.

There he got a real meal, and if he was just a youngster he got a piece of rich apple pie or a he-man's steak sandwich.

He thinks to himself—the city meals are never like those we used to get at harvest-time.

## WHY NOT, LADIES?

It is some thirty-five years since Canadian women first voted in a federal election. During the years that the ladies fought for the franchise their leaders promised great things for the nation if the women received the right to vote. That promise, somehow, has not been fulfilled.

Women have not taken the part in local, provincial and federal affairs that they might have. In this country there are several million women . . . few have ever served on municipal councils, on school boards, in the legislature or in parliament. Why?

We think that women should get into public life for they have much good common sense, much organizational ability, much executive ability that the country needs.

Why not women on our school boards and our town and rural councils? There are many ladies in our community who would be real assets to any board or council.

We wonder why the ladies of the nation have not been more active in public life. In their own organizations they do a wonderful job; why should they not focus their abilities on larger spheres of action?

Women are no longer tied to their homes, burdened with housekeeping toil—modern science and invention has released them from that. They have taken their place in business, in industry, in the profession, but to only a minor degree in public life. The welfare of Canada demands the interest and active participation of women in local and national affairs. How about it, ladies?

## THOSE LITTLE WHITE LINES

"The moon was all aglow,
And heaven was in your eyes!"
The night that you gave us
Those little white lines.

With slight revision, the above four lines are taken from that ever popular song, "Little White Lies," and are just exactly what everyone will be singing down this way as soon as the Department of Highways paints those little white lines down the middle of the new black top on Highway 31 between Wiliamsburg and Winchester. The new surface is a fine example of the way all Ontario highways will be one day. But until the white markers are placed on this stretch of road, driving at night, especially at this time of year when foggy weather is prevalent here, will be somewhat of a task.

White lines do more than mark the highway, they mark the way.

## AUTO INSURANCE RATES

You may have to pay more for your automobile insurance next year, reports The Financial Post. And if you have been involved in a couple of accidents, you may have to pay even more. That's the way Canada's automobile insurance picture is shaping up right now. The picture itself is being painted by the increasing number and cost of accidents. And during a particular year, it is estimated, over 90 per cent. of insured private passenger cars will have a clear record. The other 10 per cent. cause the heavy losses.

Under the "demerit system" insurance men are studying now, the 10 per cent. responsible for the accident frequency would have to pay more.

## CROWN RETURNS TO ONTARIO LICENSE PLATES

After an absence of two years, the "crown" device will return to Ontario motor vehicle license plates for the 1953 issue, it has been announced by J. P. Bickell, provincial registrar.

The 1953 plates will have white figures and letters on a royal blue background. They will go on sale January 1, 1953.

It is hoped that the plates will be used for one year only. A shortage of steel forced using the 1951 plates an extra year, together with a paper sticker in the right corner of windshields.

Ontario is the only province in Canada that manufactures its own license plates. They are made at the Guelph reformatory.

In spite of many requests from Ontario residents, monogrammed license plates will not be used in 1953 or any other year.

## BREWERY BUSINESS BOOMING

The Financial Post says that business is booming for the breweries, and who will disagree? Sparked by the hot and humid weather this year, sales in July, 1952, were an all-time record for that month. Sales in these two provinces account for over 70 per cent. of total sales in Canada.

Further, though the weather has been cooler than in July, August's sales for the industry are said running ahead of those for August 1951. And August's sales were higher than July sales both in 1951 and in 1950.

## EDITORIAL NOTES

More than half of Canadian farmers own an automobile and almost one-third of them own a motor truck, which prompts us to wonder how many of them own a farm?

Trick stunts are sometimes a pain in the neck. Ask the Louisville, Kentucky, father who broke his while attempting to stand on his head in an effort to entertain his children.

The average spent last year by every man, woman and child in Canada for clothes and personal furnishings was $118.00. Needless to say, the $18.00 was for the man.

The usefulness of "old dobbin" for farm work is quickly disappearing, as is indicated by the fact that in 1951 there were only 1,306,634 horses in Canada, less than half of the 1941 total.

The 2,000,000 odd students who returned to public and secondary schools in Canada last week might well remember that the June examinations are often passed in September.

## Gospel Gleanings....

And the disciples were called Christians first at Antioch.—(Acts 11:26). Christian means "Christ's one" and in the New Testament Chrisians are also called disciples, saints, believers and brethern.

Baptism, confirmation, sacraments, church membership or social service, no matter how desirable, never made anyone a Christian. No one is a Christian simply because they accept the principles of Christianity, turn over a new leaf, do their best, or try to keep the Ten Commandments and live by the Sermon on the Mount. The world has much religion and churchianity which has no relation to christianity. Christianity comes, not from a new leaf, but a new life; not from doing our best, but from accepting God's best (His Son); not from trying, but from trusting; not from satisfactory behaving, but from scriptural believing.

A Christian is one who has been born from above and has received new life and forgiveness of sin through believing on the Lord Jesus Christ; because, at Calvary, He paid the penalty of sin for all who receive Him as Saviour of their souls and Lord of their lives.

Scriptural believing involves the realization that all have sinned and all need a Saviour, because the wages of sin is eternal death; that all are helpless to save themselves; and that only Christ can save. Having believed this in the heart, there must be an acceptance of the free gift of salvation purchased for all when He died in our place on the Cross.

Having believed on, trusted in, and received Christ as Saviour, the guilty sinner becomes a child of God and a joint heir with Christ. Then, and only then, does he become a Christian. Only then is he, "Justified freely by His grace through the redemption that is in Christ Jesus."—(Rom. 3:24).

### THE BOY WHO DIDN'T PASS

A sad-faced little fellow sits alone in deep disgrace;
There's a lump arising in his throat and tears drop down his face;
He wandered from his playmates, for he doesn't want to hear
Their shouts of merry laughter since the world has lost its cheer.
He has sipped the cup of sorrow, he has dripped the bitter glass,
And his heart is fairly breaking—he's the boy who didn't pass.

In the apple tree the robin sings a cheery little song.
But he doesn't seem to hear it. showing plainly something's wrong;
Comes his faithful little spaniel for a romp and bit of play,
But this troubled little fellow bids him sternly, go away.
And alone he sits in sorrow. with his hair a tangled mass,
And his eyes are red with weeping—he's the boy who didn't pass.

Oh, you who boast a laughing son, and speak of him as bright,
And you who have a little girl who comes to you at night.
With shining eyes and dancing feet, with honours from her school,
Turn to that lonely little lad who thinks he is a fool,
And take him kindly by the hand, the dullest of his class,
He is the one who most needs love—the boy who didn't pass.

Most of us have a tendency to treat lightning lightly. That is not meant as a joke, especially in view of the fact that lightning kills nearly 600 people each year and injures some 1,700 more on this continent. According to one authority, lightning bolts take more lives than do hurricanes, earthquakes, floods and other mass disasters, throughout the world.

### My Garden Of Memories

I plant in memory's garden
The beauty of each new day,
Seed from the choicest blossoms
I've garnered along the way.
Springtime's glorious verdure,
The russet and gold of fall,
Even the whiteness of winter
Bring many treasures to call.
I plant in memory's garden
Beautiful thoughts, good deeds,
Impulses sacrificial,
Thoughts always for other needs.
No frost shall lessen its beauty,
Each year it shall grow more fair,
For only choice seed is sown,
No tares shall ever grow there.
So when I come to life's sunset,
Or pause at the close of day,
The glory of this my garden,
Shall never than fade away.

At the time of writing, Mr. Thompson is critically ill, having suffered a severe stroke last Sunday. All of his friends will hope for a speedy recovery and that he will enjoy many more birthdays.

**Williamsburg Township Council Met On Saturday**

The September Session of Williamsburg Township Council was held in the I.O.O.F. Hall, Williamsburg, on Saturday morning and afternoon, Sept. 6th. Present were, the reeve, Bernice Froats; Councillors G. R. McIntosh, Graham Wells and Keith Schell; the road superintendent, L. A. Whitteker, and the clerk, Lyle O'Shaughnessy. The minutes were read and adopted and a short hour of business followed.

It was announced that a tender for a new snowplow had been accepted at a cost of $4020.00. This unit will be used with the new township truck purchased previously at a cost of $10,231.00. As the allotment by Council at the beginning of the year for machinery was $12,000.00, and as the total cost of the truck and snow plow would exceed this, it was decided to apply to the provincial department to have the necessary amount transferred from Maintenance to Machinery to cover the cost. It was moved by G. R. McIntosh and seconded by Graham Wells that the Reeve, Road Supt. and Clerk apply for the interim payment of the statutory grant under the Highway Improvement Act for expenditures made on roads from January 1st to August 31st, 1952.

The following accounts were passed: Roads, $4,904.16; Administration, $200.10; Charity, $183.49; Livestock injured by dogs, $100.00; Miscellaneous, $126.00.

Council will meet again the first Saturday in October.

**W. M. S. Holds September Meeting**

The September meeting of Williamsburg United Church Women's Missionary Society was held at the summer home of Mr. and Mrs. Hugh Thompson on Thursday evening, Sept. 4th. Seventeen members were present.

In memory of Mrs. Roy McIntosh, former member of the W. M. S., who passed away recently, one minute's silence was observed. The roll call was answered with the paying of birthday dues.

Mrs. G. Dunlop gave an interesting report of the Camp sessions she attended at L'Orignal this year. Mrs. Coughler introduced the new book, "Along African Trails," and dealt with Angola. The meeting closed with the singing of a hymn and repeating the Mizpah Benediction.

Mrs. Coughler moved a vote of thanks to the hostess, Mrs. Thompson, and a social hour followed.

**United Church Anniversary This Sunday**

Special Anniversary Services, commemorating the anniversary of Williamsburg United Church, will be held this Sunday, September 14th. The morning service, which will start at 11.00 a.m., will have Rev. T. N. Mitchell, pastor of Winchester United Church, as the guest speaker. At the evening service, which will commence at 8.00 p.m. Rev. Mr. Mitchell, of Chesterville United Church, will be the guest preacher.

On Monday evening, an Anniversary Chicken Supper will be held in the church hall. A special program has been arranged and will include singing, and films of Quebec and Maritimes which will be shown by Rev. Mr. Mitchell. The admission to the Anniversary Supper is $1.00, and children 50c.

**Women's Institute Resumes Meetings**

Regular monthly meetings of Williamsburg Women's Institute were resumed on Tuesday evening in the I.O.O.F. Hall. The meeting was presided over by the president, Mrs. W. Whitteker, assisted by the secretary, Mrs. W. McGowan, and the treasurer, Miss B. Saddlemire. Program convener was Mrs. Lorne Hogaboam, the topic being "Home Economics and Health."

At the business session reports were heard from the treasurer and secretary, and the roll call was answered by giving a recipe for a supper dish. An invitation was read from Chesterville W. I. to the Williamsburg group to attend a special meeting there on October 9th. An Ottawa tour has been planned and will take place on October 2nd, with local members invited to inspect the Morrison-Lamothe Bakery and the Department of Fisheries at Ottawa.

On Thursday, Nov. 13th, an afternoon of instruction, entitled "We Call It Human Nature," has been planned.

Once again, this year, the W. I. will sponsor the Public Speaking Contest on Friday evening, October 17th. It was also announced that a Bazaar would be sponsored this fall, the date to be announced later.

The guest speaker was Mr. George Patrick, of the Canadian National Institute for the Blind, of Cornwall. His address proved highly entertaining, in which he told of systems of touch reading, employment of the blind in industry, and other aspects of life among the blind.

The meeting concluded with a dainty lunch being served the members by the committee in charge.

# OBITUARY

### MABEL COMMUNITY MOURNS PASSING OF DR. J. C. LANNIN

It is with a feeling of deep sorrow that we are called upon to record the death of our beloved physician, Dr. J. C. Lannin, 69, who passed away at his home here Tuesday afternoon, following an extended illness.

Dr. Lannin's health began to gradually fail several years ago, but he remained active in his profession, ministering unto the needs of the sick in the community. Last spring he submitted to a major operation at the Miller hospital in St. Paul, and had hopes of regaining his health. Upon his return home he went to his office for several hours each day, to work. However, the latter part of July, he had to relinquish his arduous duties when his condition became worse, and soon it became evident that his strength was being ebbed away.

He remained at home, where he received loving care from his devoted wife and the nurses. His illness seemed a secondary matter to him and he bore his suffering with patience.

Dr. Lannin was a man of energy, resource and capacity, his salient characteristics being worthy of emulation gaining for him the respect and good will of a large circle of warm friends. He was interested in educational work and had served as a member of the Mabel board of education. He was president of the board of directirs of the Mabel Telephone Co., and a member of the Mabel Methodist Church.

Two years ago the local Farm Bureau paid tribute to him upon his 38 years of service to the community. We recall the highlight of that afternoon when Dr. Lannin stepped to the microphone and thanked the people for the honor paid him. He acknowledged the help and encouragement given him through the years by his wife.

Dr. Justin Charles Lannin was born July 11, 1883, in Winchester, Ontario, the son of the late Mr. and Mrs. George Lannin. Here he spent his childhood and early manhood. He taught school prior to his medical career. Following his graduation from the McGill University at Montreal, he served as a ship surgeon to Belgium and England.

In the year 1910 he came to the United States, locating at Caledonia Browning for one year. The fall of where he practiced under Dr. 1911 he came to Mabel to set up his practice, where he had been a faithful servant to the sick for the past 40 years.

On June 5th, 1912, he was united in marriage to Fannie Gordinier, with whom he lived a happy and ideal life. To this union were born two sons, Drs. Donald and Bernard Lannin, of St. Paul. His family are a credit to him and who revere his memory which will long be cherished, and his name will remain a synonym for loyalty and uprightness.

Besides his wife and two sons he leaves to mourn his passing, five grandchildren; two brothers, Fred, of Winchester, Ontario, and Dr. Jurbin Lannin, of Hamilton, Ont., and countless friends.

Funeral services will be held on Friday afternoon at two o'clock. Rev. C. W. Gilman will officiate.

The family requests that memorials be given to the church of the donor's faith.—(From The Mabel, Minn., Record.)

### LATE ALFRED EDWIN TINKLER

A fiinal tribute was paid the late Alfred Edwin Tinkler at the funeral held in St. Paul's Anglican Church on August 26th. Rev. H. Coleman conducted the service, and the pallbearers were Messrs. Frank Salter, Wilbert Spearman, Wm. McMenomy, Levi Baldwin, Harold Sheldrick and Gordon Monteith. Interment was made in Maple Ridge Cemetery.

The late Mr. Tinkler passed away on August 24th, following a lengthy illness. Born at Rawdon, Que., he was a son of the late Thomas Tinkler and his wife, Jane Ann Holtby. In 1903 he married Martha Elizabeth Tinkler, who survives. Other survivors are, one son, Earl, at home; two daughters, Mrs. Donald Burleigh, Mountain, and Mrs. George Peters, of Cardinal, and one brother, John Tinkler, of Montreal. Ten grandchildren and four great grandchildren also survive.

The following floral tributes testified to the high esteem in which the deceased was held.

**Shur-Gain Essential Minerals for Cattle and Hogs**

Over the years the soils of Canada have been depleted of certain minerals. This means that the herbage grown on these soils no longer carries sufficiently high mineral levels to support good health and growth in our live stock. Therefore, it is not possible to supply enough minerals through natural feeds such as pasture, corn, hay and home-grown grains.

YOU WILL FIND IT PROFITABLE TO FEED YOUR STOCK SHUR-GAIN ESSENTIAL MINERALS

**Results Are What Count**

If you feed your stock strictly according to proven SHUR-GAIN standards you can count on excellent results.

**"Garden Note For Parents"**

"It is sometimes considered natural for a young person to 'sow his wild oats.' While it may be natural for youth to have the 'fling' that for some reason is popularly associated with adolescence, every parent of young people ought to remember that such a course involves a terrible risk. There is no exception to God's law; we reap what we sow. If we plant wheat, we shall harvest wheat; if we plant wild oats, we can expect only a harvest of wild oats. Christian fathers and mothers should know that it is not necessary for young people to dabble in worldliness and impurity in order to be 'normal' and enjoy life; these parents need to impress on the hearts of their boys and girls the admonition of the wise man of old who said: 'Rejoice, O young man in thy youth . . . and walk in the ways of thine heart, and in the sight of thine eyes; but know thou, that for all these things God will bring thee into judgment."—Eccles. 11:9.

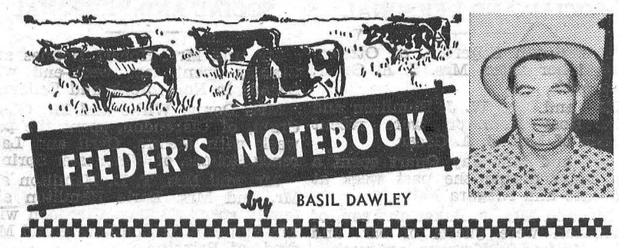
**HULBERT W. M. S.**

The meeting of the Hulbert W. M. S. was held at the home of Mrs. Nelson Scharf on September 3rd at two o'clock. The meeting was in charge of the president and opened with the theme. Readings were given by Mrs. Percy Ellis, Mrs. Arthur Graham and Mrs. Percy McQuaig. Mrs. H. McQuaig led in prayer.

The business of the meeting was dealt with, and readings were given by Mrs. Nelson Scharf and Mrs. D. Graham. The Study Book was in charge of Mrs. Edith Mellan, and prayer was offered by Mrs. Jas. Burden. The meeting closed with the Mizpah Benediction. Lunch was served and a social hour followed.



**FEEDLOT CATTLE ARE STILL PROFITABLE**

The outlook for the efficient cattle feeder is very good. With full employment and sizeable pay checks likely to continue, consumers will buy, and have money to pay for the beef they want.

Good business practice demands that production costs be cut in every way. Maximum, economical gains are "musts" with feeder cattle, but it probably won't pay to feed for maximum finish. If the price differential isn't too great, it is usually safer to buy smaller cattle because you don't have to put on so many pounds. Too, smaller cattle will put on gains cheaper and hence cut down on the risk. However, if there should be lots of soft corn and a rush to buy cattle, heavier cattle could be quite profitable.

Making full use of protein supplement will help to boost gains, as well as save corn. Younger cattle will need more protein supplement with their grain. Here is a good rule—100 pounds of supplement should be fed with 400 pounds of grain to 400-pound cattle. 600-pound cattle will need 100 pounds of supplement in 600 pounds of grain. For cattle 800 pounds and over, feed 100 pounds with 800 pounds of grain.

Profitwise, this looks like a year when cost of weight gains will be more important than margins over fedder cattle costs. Ceiling prices may hold the selling price of finished cattle very close to feeder cattle costs. However, the feeder who feeds and manages well has a good chance for satisfactory profits.

**CORNWALL AND MORRISBURG GROW MOST**

The City of Cornwall and the Village of Morrisburg have shown the biggest growth in population among United Counties' communities during the past 50 years, according to figures in the report of Canada's ninth census.

Cornwall grew from a town of 6,704 in 1901 to 16,899 in 1951. The growth has been steady except for a slight setback around 1911 when 6,598 heads were counted by census-takers.

Morrisburg was set down for 1,693 in 1901; in 1951 it had reached 1,858, making it the second biggest village in the three counties, next to Alexandria.

In the last 10 years, Morrisburg's population has increased 18 per cent. In 1941 it was 1,575.

Population of the counties' only town, Alexandria, has remained fairly steady during the first half of the century. In 1901, it was 1,911. Last year it was counted at 2,204. Census figures show the population was highest in 1911 with 2,323 residents.

Of the five other villages in the counties, Winchester is largest with a population in 1951 of 1,201. Next in line are: Chesterville, 1,094; Maxville, 778; Lancaster, 548; Finch, 393.

In 1901, Winchester had 1,101 citizens. Fifty years later it has exactly 100 more. In the intervening years it has fluctuated in the 1,100's.

Chesterville had 932 residents in 1901. There was a slight decline in 1911 and since then the village has been growing slowly.

Maxville is a bit bigger now than it was in 1901. It reachead an all-time high of 804 in 1941.

Lancaster is slightly smaller than it was half a century ago when 583 residents were counted. Lancaster has had its ups and downs. It grew after the turn of the century and in 1921 there were 672 residents. But the population dropped in the next 10 years to 616 in 1931. It rose again to a high of 684 ten years ago, and then lost 136 residents to bring it to 548 in 1951.

Finch has had a similar up-and-down career. Its population was 411 in 1901; 383 in 1921; 386 in 1931; 397 in 1941 and 393 in 1951.

**AN AMERICAN VIEWS OUR EXPANSION**

The great Canadian boom has made Canada a powerful prosperous, attractive, self-confident country that ranks sixth among industrial producers of the world. This is an observation made by an American journalist in an article appearing in the September 13th issue of The Toronto Star Weekly. The writer gives his analysis of the tremendous expansion and its overall effects on Canada. He describes the change in the psychology of Canadians brought about by the phenomenal growth of the country.

**McINTOSH FAMILY HOLDS ANNUAL PICNIC AT IROQUOIS**

The 13th Annual McIntosh Family Picnic was held at Iroquois on Labour Day. Members of the clan travelled from all over Canada to gather at the graveside of John McIntosh, and dedicate a monument to the discoverer of the McIntosh apple tree.

Bruce McIntosh, oldest living relative of the pioneer, who died in 1845, removed a plaid from the stone in the unveiling ceremony. The top stone of the monument was taken from Moy Hall Quarry in Scotland near the traditional home of the Mackintosh clan. The centre stone came from Moy Hall, home of Rear Admiral Lachlan Mackintosh, chief of the Mackintosh clan. The base stone is from the McIntosh Orchard at Dundela, Ont.

The ceremony took place in St. John's Anglican cemetery, one mile outside Iroquois, and the occasion was the 13th annual basket picnic of the McIntosh family.

In an address following the dedication, Prof. N. B. Davis stated that the apple discovered by John McIntosh in 1786 has become so famous, current production in the United States and Canada is between 15,000,000 and 18,000,000 bushels a year. Prof. Davis is chief horticulturist at Central Experimental Farm, Ottawa.

**Buffet Lunch**

The day's program began with a buffet lunch served at the summer home of Dr. P. A. MacIntosh, great-grandson of the pioneer. Guests moved on to the cemetery for the dedication. In an introduction, Dr. MacIntosh recounted the life history of John McIntosh, of his son, Allan, who promoted the McIntosh Red by starting a nursery, and of other descendants.

The dedication service was conducted by Rev. W. L. Thomas, of St. John's Anglican Church, Iroquois. Pipers Robert McVey, of Prescott, and John Kinghorn, of Roebuck, played the McIntosh Lament.

Following the service, the program was continued at Doran's Point, where there was Highland music and games and more speeches. Orval Seeley, reeve of Matilda township, welcomed the guests. Others who spoke briefly were: Jack F. Reid, Prescott; Fred Delaney, Spencerville; Clifford Holmes, Prescott; Dr. Aden McIntosh, Andover, N. B.; Dr. S. McIntosh, Montreal, and Dr. MacIntosh of Spencerville.

Sprigs of neather sent from Scotland by Rear-Admiral Mackintosh were given the guests.

Two children were baptized in a service by Rev. Mr. Hurst, of the United Church, Shanly. They were Sandra Lea, daughter of Mr. and Mrs. Lyle Pitt, Spencerville, and Betty Jean, daughter of Mr. and Mrs. Stewart Markell, of Cornwall. Present at the service was the great-grandmother of Sandra Lee Pitt, Mrs. Luella Fairgray, of Spencerville.

The pipers played the Baptismal song.

**Scottish Games**

Miss Barbara Atchison, of Aultsville, entertained with Highland dancing, and a program of games of Scottish origin was run off. Robert Weinman, of North Augusta, won the putting-the-shot event; Jack Toshack, of Prescott, tossed the caber the longest distance to win that event; a tug-of-war between teams from Grenville and Dundas was won by the former team. Boys and girls races were also on the program, which was organized by Mrs. J. Davidson, of Winchester Springs.

A one-mnute silence was observed in memory of all the deceased members of the family.

Mr. Seeley congratulated Dr. MacIntosh on the success of his efforts in organizing the picnic. Dr. MacIntosh is one of three grandsons of John McIntosh present at the picnic. The others are Dr. McIntosh from New Brunswick and C. E. McIntosh of Toronto.

Among the guests who were welcomed were: Charles M. Webster, of Armstrong, B. C., who has operated a Red McIntosh apple orchard in Okanagan Valley, B.C., for 40 years; Mr. and Mrs. W. N. White, Montreal; Mr. and Mrs. Norman Walker, Smiths Falls. Mr. and Mrs. Gerald Cassidy, Inkerman; W. A. Gibbons, Iroquois, fruit inspector.

## WINCHESTER THEATRE NEWS

Opening Friday at The Winchester is an action picture of the Foreign Legion on the Desert, "Ten Tall Men." Burt Lancaster plays the part of a Legion Sergeant who, among other exploits, captures a Princess. Her will to fight is gradually weakened by Burt, and later turns to love. This is, however, an action show for the men.

On Monday, one of the best-of-the-season musicals, "With A Song In My Heart," opens for a four-day run. This picture is highly praised everywhere it has played. Susan Hayward, as a singer, volunteers to entertain the World War II troops in England. Her plane crashes near Lisbon, Spain. A threat of amputation of the legs hangs over her, and during her stay in hospital she falls in love with the co-pilot, Rory Colhloun. A great story and a great cast.

Playing on Friday and Saturday, Sept. 19 and 20, is "Rise Of The Cimarron,"—a fast moving action picture of a girl raised by Indians. When her foster parents are killed by outlaws, she and her foster brother go seeking their parents' murderers. This picture is the story of the chase and capture of these people. Action all the way.

**BIRTH**

At the General Hospital, New Liskeard, Ont., on Thursday, September 4th, 1952, to Mr. and Mrs. Robert Thompson, of Iroquois, (nee Margaret Ruth Hanson), a daughter.

**UNITED CHURCH W. A.**

Singing of the theme song opened the meeting on Thursday, September 4th, of the United Church W. A., followed by the devotion period. A hymn was sung, and the minutes of the last meeting were read by the secretary, Mrs. Nellie Lannin. Correspondence secretary's report was read and the Parsonage committee gave its reports. A business discussion followed. It was decided to hold an Anniversary Supper, the date to be announced later.

Mrs. G. A. McIntosh and Mrs. H. Robinson were appointed the Social committee for next month. Mrs. Arthur Christie and Mrs. Percy Durant had charge of the social hour, with Mrs. Durant conducting a humorous contest, after which a dainty lunch was served. Mrs. Lannin thanked the ladies in charge.
