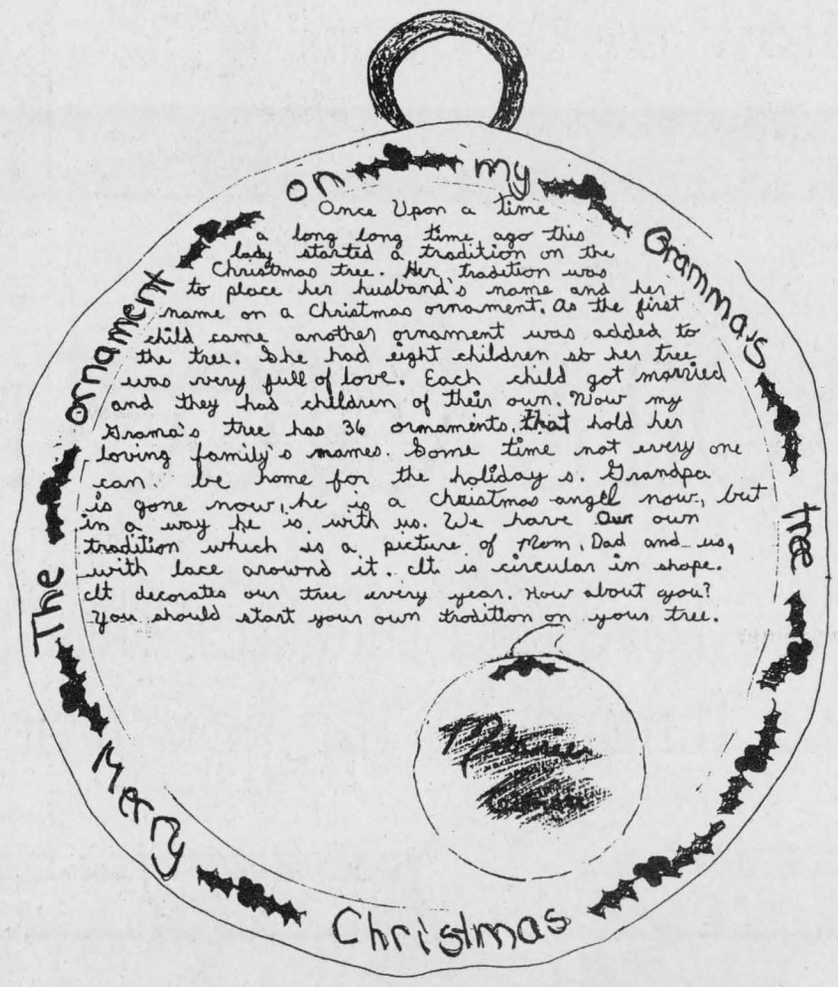
We've got letters...

It's that time of year again, when children's minds are filled with the joy and wonderment of the Christmas season. To help give you a glimpse into those minds, we once again present our annual Christmas greetings section, brought to you by the many patrons sending you their best wishes for a wonderful holiday, published in this edition.

Unfortunately, we did not have space for all of the several hundred pieces of art, essays, poems and letters supplied to us by the students of Glengarry's public and separate schools.

In fact, we have received such a deluge of letters to Santa Claus, that this year, we have decided to devote the entire issue to these letters, along with a representative number of seasonal drawings from the many budding artists throughout the county.

We have tried to ensure that every school was represented proportionally to the submissions, and we would like to thank the prinicipals, teachers and of course, the children for submitting the following material in so timely a manner. Have a wonderful and safe holiday. **--The Publisher**



Away In A Manger
