Francophones want own principal for GDHS

by Bob Roth
assistant editor

The silence of the Francophone community on the two-principal issue at Glengarry District High School was finally broken at a school committee meeting Monday night.

At least half, if not more, of a crowd of about 200 area residents were Francophones and they made it clear they do not share Anglophones' concern over the elevation of Rene Gauthier to a full principalship.

Loud applause from the Francophone contingent followed an impassioned speech by Georgette Sauve who argued that the appointment of a French-speaking principal was a logical step in the solidification of Francophone educational rights.

Speaking in French, Sauve asked the English-speaking element in the crowd, "Why are you afraid of us? We have never taken anything away from you."

She suggested that recent events in Quebec were frightening Anglophones in this part of Ontario.

Germaine Vaillancourt noted that for years Francophones had no choice but to educate their children in the English language.

Even today, "our French pupils have to pass their English exams the same as English pupils," she said.

The Francophone community wants its own school with its own principal, she indicated.

"In other words, we have two schools in one. We are entitled to our school . . . ," Vaillancourt said.

She received a loud burst of applause.

Vaillancourt rejected the concept of bilingual gyms and shops, as suggested by an English-speaking brief.

In "bilingual" classes, the working language is invariably English, she pointed out.

"How can the French pupils learn their gym terms in French?" she asked.

"Now that we have our rights, you want us to go back."

School Committee member Fran Kelly countered that "nobody wants to go back. The brief doesn't say that."

She and other members of the English-speaking element said they did not want to deprive French-speaking people of their rights but were concerned about the division of the language groups within the school.

The brief called for a bilingual school that would allow students to take courses in either program, she noted.

Student Ewen McCormick received loud applause when he said the issue of two principals seemed more important to parents than students.

Echoing an earlier statement by SD&G County Board of Education Director of Education Rosaire Leger, McCormick said the proposed "co-principal" set-up would not alter the way the school functions.

"Everybody gets along real fine," McCormick said. "We seem to get along well, so why are the parents getting involved in it?"

Although the school committee accepted the English-speaking brief in an eight to five vote, with two abstentions and one absent, it was clear the audience was split along linguistic lines with the English-speaking element favoring a single principal system and the French-speaking community leaning towards the two-principal concept.

The school committee also accepted a proposal from the students' council that candidates for student council executive seats not have to declare themselves English-speaking or French-speaking representatives.

The students also want to change the rule whereby two boys and two girls must be elected.

Chairman Sylvio Cleroux noted that although the committee would back the students in their request, the school administration would make the final decision.

Man killed in accident

A well known farmer in the Fifth of Lancaster, Ernest Johnson died instantly from electrocution Wednesday, April 25 while working with a CB aerial.

The aerial was situated 38 inches from a Hydro line, but at this time the circumstances which caused the accident are still not known. The victim had left the house following his supper and was found a short time later lying beside the aerial. It had been unmoved.

Mr. Johnson had just sold the farm on which he had lived for most of his lifetime at Pine Hill and was living in a nearby house into which he had just moved with his family. There they planned to live until they completed the building of a new home.

The deceased was born in Cornwall 57 years ago, the son of the late John Angus Johnson and his wife, Jessie Kyer. He came with his family to the Seventh of Charlottenburgh where he lived until his marriage to Doreen Gaucher and they took up residence in the Fifth.

He also drove a school bus for several years, so was widely known to many students.

He leaves to mourn his loss in addition to his wife, one daughter, Darlene, Mrs. Roger Sauve of Dorion, and two grandchildren. Three foster children have also resided with the family, 16-year-old Dean Parisien for the past 13 years, and Liette Cote and Jeannine Depattie for the past seven years. Twenty-two other foster children had also resided with the Johnsons for intervals of time.

The funeral was held on Saturday to St. Raphael's Church where Rev. Sylvester Theoret offered the mass assisted by Rev. Charles MacDonald. The Knights of Columbus formed an honor guard. Burial was in the parish cemetery.

Pallbearers were: Gerald Johnson, Eddie Kyer, Arnold Burgess, Robert Giroux, Leo and Ronald Gaucher.

Bread blitz hits target

The annual bread blitz held by the Alexandria Richelieu Club exceeded the $3,000 objective set, reports Blitz Chairman Robert Lessard.

Support of many of the local businessmen is expressed in contributory ads on the Richelieu page in this week's issue of The News on page 8. A great many new merchants placed their ads and for those who were not able to participate this year, there will be invitations to contribute next year, the chairman assures.

The visits to the Glengarry churches after the Sunday services met with unusually good response as people seemed to be anxious to participate in the sharing of bread, which is a symbol of fraternity, Mr. Lessard explains.

The Town of Alexandria homes were also visited on an individual basis and where no one was home, envelopes were left for contributions.

The money collected will be used throughout the area for less fortunate children and the chairman is anxious to express through this media the gratitude of the club to all who helped to put the campaign over the top.

Don't divide GDHS—brief

Over 100 people gathered at Glengarry District High School Thursday to support a brief opposing the planned two-principal system for the school.

The crowd also rejected a proposal for a two vice-principal system and instead called for retention of the status quo.

The school is currently under the leadership of Principal Philip Lloyd and Vice-Principal Rene Gauthier.

Stormont, Dundas and Glengarry County Board of Education Director Rosaire Leger has proposed that Gauthier be named principal in charge of the French-speaking wing.

The audience made it clear it favored the retention of a single bilingual institution and feared a two-principal concept would be the first step in total division of the school.

"If the board wants to divide the school, getting two principals is the way to do it," Dalkeith resident Marion Myers said.

The school board's area superintendent, Lorne Lawson, said the board is under pressure to give "proper recognition of the French fact in the school" and noted that "the prestige position" in any school is the principalship.

"All decisions ultimately come down to the principal," he noted.

Eileen Bedoukian, who chaired the meeting, said it was a mistake to teach students that they can only be represented by members of their own racial group.

"It's like telling people that any English-speaking person can't be fair to a French-speaking person and any French-speaking person can't be fair to an English-speaking person. It doesn't make sense to me at all."

Myers also cautioned about emphasizing race as a condition of representation.

"Do we need a French police chief and an English police chief in the area?" she asked.

"Do we need an English mayor and a French mayor in Alexandria?"

She said "if a child misbehaves, he can be corrected by an English-speaking or French-speaking person."

The original draft of the brief suggested two vice-principals as an alternative, but the audience deleted the proposal after it was argued that this suggestion had

Marxist in race

There will be a four-way race for the Glengarry-Prescott-Russell riding this election. For the first time Glengarry has a Marxist-Leninist running for office.

In the race are: Incumbent Liberal Denis Ethier, Progressive Conservative Gordon Johnson, New Democrat Paul De Broeck and Marxist-Leninist Gary O'Brien.

O'Brien is from Hull, Quebec, where he attends university.

Many honor 'Doc' Gamble

"Don't know anyone with as much concern for people, especially if they are in trouble, as Doc Gamble. We will wait a long time before we find a type who will contribute as much to our community."

So said Jim Humphries, Glengarry Agricultural Representative at the "roast" held in honor of Dr. Don Gamble in the Angus Gray Centre in Maxville on Friday night.

That seemed to pretty well sum up the sentiments of the crowd present, more than 600, who came out to pay tribute to a beloved veterinarian, friend and community builder.

It was a delightful evening. The master of ceremonies, Ken Grant of CFRA, the roasters, organizers and entertainers carried off a program of entertainment that paid high tribute to the doctor's goodness but little to his saint-

BREAD BLITZ DOES WELL—The Alexandria Richelieu Club's 1979 bread blitz went well over the $3,000 objective, says chairman Robert Lessard. Here members accept donations for the bread from parishioners outside Green Valley's Eglise Ste Marie.

New plant a big boost

Menard Construction in Green Valley now has the ability to load a mixing truck with concrete in four minutes. The company's new $200,000 batching plant has a capacity of 175 cubic yards per hour as compared to 75 cubic yards for the old plant.

Although the plant's machinery is now operational, the surrounding building still must be constructed. The building will be finished by the time the winter snows hit, protecting the operation from the weather. The 90-foot cement tower will stand alone.

There are two separate scales on the assembly, one for the sand, crushed stone and fine stone and one for the cement. The hoppers near the control panel will hold the three basic elements in separate compartments, allowing the mixing to be exact. The scale itself has a capacity of 15,000 kg.

Once the stone and sand are weighed in the scale, they are dropped on to the conveyor belt and dumped into the truck.

Water is added as well as a weighed amount of cement and a measured amount of additives. The truck's own operation mixes the concrete.

The plant will be a big boost to the Green Valley construction company, as it now has a convenience not found locally except in Cornwall and L'Orignal.

the same built-in bias as the two-principal system in that it assumed people could only be represented on a racial basis.

Student Marc Huot, who comes from a mixed marriage, said there are many students such as himself who do not want to choose between one side or the other.

He said the students favor the bilingual nature of the school and prefer the system whereby they can take some of their courses in French and some in English.

He said he is concerned about the growing segregation of students into racial camps and many students favor a return to bilingual home rooms.

"We would like to see anything that would bring the two groups together," Huot said.

He also noted the unique opportunity GDHS affords for students wishing to learn both official languages.

"I would like to see every student in this school be able to come out speaking both languages," he said.

Student Council executive member Lorna McRae supported Huot's claim that the majority of students do not favor segregation.

She noted that the classroom reps—representing both the English-speaking and French-speaking home rooms—recently voted 26 to 6 in favor of eliminating race and sex as criteria for seeking student council seats.

Last year, for the first time in the school's history, student council executive members had to declare themselves either French-speakfing or English-speaking representatives. Two boys and two girls had to be elected.

This year the students' council said leadership qualities should be the only qualifications needed to run for the posts. The school administration has yet to rule on the recommendation.

Several members of the audience complimented the students for taking a stand on the segregation issue.

"I think we have to stand back and listen to what the younger generation is trying to tell us," Trustee Sam McLeod said.

Ratepayers seek support of Francophones

A predominantly English-speaking audience made an effort Thursday to solicit the support of their French-speaking neighbors in maintaining the status quo at Glengarry District High School.

A brief opposing a two-principal set-up at the school was significantly altered by the crowd of over 100 ratepayers to ensure it would not offend the French-speaking community.

Once section slashed quickly during the meeting recognized that "English is the working language of the province of Ontario."

Members of the audience said the situation was self-evident and there was no reason to remind Franco-Ontarians of the fact.

"We don't have to rub their noses in it," one person said.

"It's like waving a red flag in front of them," another member of the audience agreed.

Meeting Chairman Eileen Bedoukian admitted she did not feel comfortable about the section and would have left it out had it been her personal choice.

The meeting overwhelmingly voted to delete the phrase before presenting the brief to the SD&G County Board of Education at its next meeting.

The brief notes that the "wishes of the community were for one school in which all students have an equal opportunity to be educated in English, French or both languages.

"The SD&G Board has created, perhaps inadvertently, two very separate schools in one building. This has proven to be divisive."

The brief says "the bilingual spirit of the school is being threatened by a few teachers and outside consultants, who use political and emotional pressure on students.

"Some of these individuals are not from our community and do not reflect our community's values of tolerance and co-operation.

"In our opinion, students should be protected from racial and linguistic extremists. Many students feel betrayed when they have to choose one language over another, particularly those from a mixed heritage."

The brief says "any efforts by the teaching staff to coerce, intimidate or force a student to choose one language over another should not be tolerated."

The audience indicated it wants Philip Lloyd to remain as sole principal with Rene Gauthier to remain as vice-principal.

"Recognizing that this is a bilingual school, future principals should preferably have both languages," the brief says. "However, bilingualism should not be the major criterion. The prime consideration should be the individual's suitability for the position."

The brief asks that the community be allowed to make input when the next principal is hired and requests that English-language ratepayers be given a seat on the Glengarry County Review Committee to balance the views of the representative of the French Language Advisory Committee.

"The Glengarry County Review Committee is presently composed of four trustees, two superintendents and one representative from the French Language Advisory Committee," the brief notes.

"Since our school has equal numbers of French and English students and, therefore, no minority, we propose that a member be appointed to reflect the concerns of the English-speaking population of the GDHS community.

"A sincere effort must be made by all concerned to study the feasibility of re-instituting bilingual home rooms, assemblies, gym and shop in order that the students of mixed background are not made to feel that they must choose a side.

In summarizing ratepayer concerns, the brief requests the following:

1. That the present administrative system remain the same.
2. Evaluation of present teaching staff, to assure their objectivity towards both linguistic groups.
3. School should stress bilingualism.
4. A member appointed to Glengarry County Review Committee to reflect concerns of English-speaking population.

Teacher 'intimidation' cited

Certain teachers at Glengarry District High School are trying to "coerce, intimidate or force" students into racial camps, the gathering of ratepayers at Glengarry District High School was told Thursday.

Eileen Bedoukian and Hugh Allen MacMillan told the group that several students and parents have complained about teachers exerting undue pressure on students to take more courses in the French language.

When one member of the audience said such accusations would have to be backed up before the school board would take them seriously, Bedoukian said the students, themselves, would speak up if necessary.

Student Marc Huot said an incident involving his sister was a good example of what is happening.

Huot said his sister takes subjects in both English and French in order to obtain a bilingual education. One of her teachers in the French section, however, insisted she take more credits in French. The teacher shouted at the girl when she refused to give in, Huot said.

"He actually did yell at her," Huot told the audience. "It's not nice to have a teacher say you have to take these subjects in French or you're a traitor."

MacMillan said he, too, has heard stories of teacher intimidation.

"I've had French-speaking parents come to me who were concerned about intimidation and coercion," he said.

The issue of "agitators" was a recurring theme during the evening.

One member of the audience said "there are a few agitators in the community and it's time to take a stand and stop them."

A highly reliable source within the school board later told The News that most pressure for change is coming from the board's own French Language Advisory Committee (FLAC).

Members of the audience questioned school board Superintendent Lorne Lawson on why the board administration wanted to establish a two-principal system at the high school when there had been no manifestation of community demand for such change.

They suggested the board is listening to a handful of people who do not represent the community.

"The board ends up responding to a small, vocal group" Bedoukian said.

Lawson said he is in constant contact with people in the French-speaking community and they have indicated a concern about the existing administrative set-up.

"That means the board is being run by 10 individuals who like phoning," Bedoukian shot back.

"It's more than that," Lawson assured her.

Lawson congratulated the group on their meeting.

"I'm glad to see you in the middle of the road and I'm glad to see you make yourselves heard."

No land loss, mayor states

Alexandria Mayor Jean Paul Touchette last week denied that the town has been taking a loss on the sale of land in the industrial park.

He says that at least half of the $13,775 sewer and water facilities installation cost will be recovered in the future.

Half of the tab, $6,887.50, will be picked up by developers who build houses on the residential land across Macdonald Boulevard from the park, said Touchette.

Even more of the cost will be recovered, said the mayor, when the five lots behind Elegance Kitchen Cabinets and Glengarry Glass are sold. Then the purchasers will have to pay for the connection to the existing mains.

Montreal author speaks to society

At the April meeting of the Glengarry Historical Society in Alexandria members were addressed by Montreal writer Nancy Dunbar, author of the book, "Images of Sport."

Mrs. Dunbar explained she had been requested to write a book on sports in the Montreal area, before the Montreal Olympics were held, and several years were spent in research before the work was completed.

She associated the various sporting activities with the society of the day and described at length the various articles used in each sport. An excellent selection of slides was used to illustrate her address. Dr. George McKiel introduced Mrs. Dunbar who was thanked by Ron MacDonell.

The next meeting of the Society will be held at the Church on the Hill, Alexandria, on May 10 when Donald Cameron of the "Inverarden" Cornwall project, will be the guest speaker.

CLUB CHANGES MEETING TIMES

The Young at Heart Club members, Maxville, have been holding their meetings in the afternoon during the winter months, and they also changed the day to Tuesday at that time, so as not to conflict with other organizations.

However, beginning Tuesday, May 8, the Club will go back to meeting at the regular time—7:30 p.m. every second Tuesday. Please keep this in mind for the next meeting.

ANNUAL DANCE

The Maxville Firefighters are having their annual spring dance at the Sports Complex, Saturday, May 5 with the Brigadoons. Lunch will be served and all are welcome.

RALLY FOR FUNDS

A major progressive rally will be held at the Angus Gray Hall on Friday, May 4 at the Maxville Fair Grounds. Area fiddlers, pipers and other entertainers are volunteering their services in what is being billed as a "Night of Fun for Funds." Unlike most rallies, this one will have an admission charge but a surprising amount of talent has been lined up, and party candidates and supporting candidates will be on hand.

LIONS AUCTION

A very successful 15th Charter Night for Maxville and District Lions Club had in excess of 235 guests in attendance. The Lions would like to invite everyone to attend their first annual Spring Auction Sale to be held at the Sports Complex, Saturday, May 5 at 10 a.m. See the ad elsewhere in the paper for further information.

CURLING CLUB HOSTS MANOR PARTY

On April 24, 1979, the Maxville Curling Club, under the direction of Catherine Kippen, hosted the April birthday party at Maxville Manor.

Abe Abrams acted as MC. The program included dancing by: Brenda Kippen, Sherri Shields, Kelly Campbell, Allison and Susan Arkinstall and Lise Aubin. There were piano recitals by Sherri Shields and Sandra Campbell and a gymnastic demonstration by Diane Villeneuve.

Two residents, Osias Valade and Emerill Decaire celebrated their 90th birthdays. The administrator presented them with plaques of recognition from Premier Bill Davis and letters of congratulations from Osie Villeneuve, MPP. Mrs. Flora Dewar was 103 on April 10.

Sandwiches and refreshments were served after the program and the administrator thanked everyone for their invaluable help to the Manor.

liness. The roasters were a bit merciless in some of their descriptive incidents but the guest of honor took it all in great spirit and the audience agreed they had just never heard that many good tales so we will not steal their thunder and give them a chance to repeat them to their friends.

The occasion was triggered by the resignation of the doctor from the Kenyon Agricultural Society where he had served as secretary-manager for 22 years but his contribution to so many other facets of life in the community made it opportune for honors to come from different areas.

Angus H. McDonell, Glengarry News sports columnist, and chairman of the Highland Games, recalled how it was Doc's prowess as a hockey player that brought him to Maxville in the first place. His promotion to the realm of sports has been continuous, down to his present position on the executive for the Sports Hall of Fame.

Jim Humphries said when he was called by Brian Arkinstall to hear they were going to roast Doc Gamble he figured there'd be "pretty tough pickins on that ole carcass." In reminiscing, he thought Doc might have made a pretty good vet if those tight old Scotsmen had given him a chance to practise in his early days instead of squeezing their two dollar bills until their cows died."

Walter Blaney couldn't see why they were honoring an Archie Bunker whose only talent around the Highland Games was to complain, argue and be generally unpopular, but went on to extol several of his merits as well.

Osie Villeneuve, MPP for SD&G, and lifelong friend, grilled the guest well before admitting he made an awful lot of folks happy, even a lot of dumb animals.

Dr. Lloyd George Coleman from the Veterinarians Service Branch in Toronto recalled how they roomed together back in the early days but managed to survive Doc's unfavorable influence on his innocent character. Dr. George Fisher, director of the Veterinarians Division at Kemptville Agricultural College, paid tribute to days back in Navy years when they were supposed to be chasing submarines.

The Gamble boys, Don Jr. and Reg. reviewed some merciless accounts of family times that made them sound like chips off the old block.

A fellow curler, Bob Ramsbottom, traced incidents which included the time the roof collapsed on the club among other anecdotes. "Every community should have a Don Gamble—will somebody take him please?"

In spite of the ribbing, there were all kinds of compliments for the doctor and his wife as presentations closed the evening. There was a bouquet of red roses given Mrs. Gamble by Mrs. Willa Hunter, a plaque from the Village of Maxville presented by Reeve Quart; a plaque from the Province of Ontario which of course was handed over by Osie Villeneuve, and Brian Arkinstall, Wayne Fraser and Walter Blaney presented a solid gold wrist watch, a $1,000 bill neatly framed and a gas barbecue.

Members of the Glengarry Pipe Band and the MacCulloch dancers entertained the gathering prior to dancing to the Clansmen Orchestra.

The Glengarry Connection

The Canadian Film and Television Association recently held the 31st annual meeting of the CFTA.

This was an award-giving ceremony, at which Jack Chisholm (John) the founding president of the CFTA and a pioneer in the Canadian and American film industries was honored.

At the age of 80, he is still the active president of his company in Toronto, "The Jack Chisholm Film Production Ltd."

Mr. Chisholm was an honored guest at the Award Luncheon at the Royal York Hotel. The presenter was Dan Spring, Vice-President of Kodak Canada Inc. whose company donated the award sculpture.

Jack Chisholm (John) is the son of the late Mr. and Mrs. Roderick J. Chisholm of Vankleek Hill. He is a graduate of Vankleek Hill Collegiate and he received his BSC at Guelph University. Mr. Chisholm is a Glengarrian. He was born in Dunvegan, Glengarry County.

The above information was contributed by Mrs. Christy Chisholm Cook.

Geologist dies

On Wednesday, April 25 occurred the sudden passing of W. Gladstone Barrett of Williamstown, the victim of a heart attack, at the age of 85. He had been in retirement for the last several years, the last three at his home in Williamstown, and had enjoyed reasonably good health till then.

He was born at Summerstown Station and after completing his elementary school education there, he attended Williamstown High and then went on to Queen's University where he graduated with a B.Sc. degree. Later he took postgraduate work at the University of Wisconsin.

His work as a geologist took him to such places as Missouri, Alberta and India where he spent two years in oil exploration. Returning to Canada he was engaged mostly in the mining industry as a geologist. He eventually joined the Aluminum Company and at the time of his retirement was superintendent of the magnesium mine in Wakefield, Quebec.

He was predeceased by his wife, Nora Frost, and leaves to mourn his loss one son, William G. of Ottawa, two daughters, Noreen (Mrs. Euclide Martineau) and Arlene (Mrs. Steve Cebuliak) of Calgary and two brothers, W.J.C. and Grant of Williamstown.

The funeral was held in Lancaster and was conducted by the Rev. E.J. McDonald. Interment was in Wakefield.

The following were pallbearers: William Cattanach, Keith Stewart, Archie MacRae, Raymond Daoust, Albert McDonald and Ernie Larocque.

Dalhousie snatches Glengarry Cup

Despite the efforts of Apple Hill's Art Sinfield and Bimbo MacDonell, with 10 points each in the last four games, Dalhousie awoke from its slumber to blast 21 goals and win the Glengarry News Cup for the second year in a row.

Down three games to none going into the fourth game last Wednesday night, the Dalhousie players stopped trying to intimidate Apple Hill and started scoring. Tommy Ross led the attack with a hat trick.

For the first 10 minutes of play it looked like Apple Hill was going to run away with the cup in four straight games. Scoring leader Art Sinfield drew first blood after just 42 seconds of play with Glen MacDonell off for elbowing, and Bimbo and Sandy MacDonell assisted.

At 13:56 Bimbo put one in himself from Sinfield and Darcy Dupuis. This time it was Paul Seguin off for Dalhousie for charging.

Sinfield picked up his second just two mintues later to make it 3-0. Bimbo and Brian Wensink assisted.

With Bimbo off for high-sticking, Dalhousie came alive, Tommy Ross netting his first, from Brian Reasbeck and Donnie Morris.

After five minutes of play in the second period Ross did it again with the teams five-a-side. Reasbeck and Peewee Poirier picked up the assists.

The Dalhousie boys evened it up at 8:28 with a goal by Leo Seguin, from Cameron McLeod and Roch Lajoie. They went ahead less than a minute later when Paul Seguin put one in from McLeod and Morris.

Apple Hill came right back to make it 4-4 with its only second period goal. Bimbo MacDonell ruffled the net for a second time, with Paul Guindon assisting.

Dalhousie took the lead coming out in the third, Cameron McLeod scoring from Paul Seguin.

Art Sinfield picked up his hat trick to make it 5-5 at 13:10, but it was Apple Hill's last goal of the game. Sandy MacDonell assisted on the play.

At 9:49 Donnie Morris, later named best defenceman, scored the winning goal on Peter Wensink. Ian McKay and Roch Lajoie assisted.

Tommy Ross picked up his hat trick with a minute and a half left to end the scoring at 7-5. Brian Reasbeck assisted.

DALHOUSIE 7, APPLE HILL 3

Dalhousie went into game three with a new fire and blasted Apple Hill 7-3 on three points each from Leo Seguin, Rodney Shepherd and Roch Lajoie.

Leo Seguin opened the scoring from Luc Poirier and Cameron McLeod at 18:33. Two minutes later Shepherd picked up his first, from Lajoie and Donnie Morris.

With 3:13 left in the period Apple Hill came alive on a goal by Brian Wensink, from Bimbo MacDonell and Art Sinfield.

Dalhousie again took a two goal lead at 6:06 of the second period when Leo Seguin netted an unassisted marker.

Kelly Kavic narrowed it to 3-2 three minutes later, with Bimbo picking up his second assist.

Glen MacDonell made it 4-2 to end the period's scoring with a goal from Tommy Ross and Lajoie.

Coming out in the third, Peewee Poirier gave Dalhousie a three goal lead from Shepherd and Lajoie after less than a minute of play.

Ray Boucher narrowed the gap to two at the half-way mark of the final period from Sinfield, but Dalhousie kept control to win.

Cameron McLeod and Rodney Shepherd scored insurance markers to end the game from Ian McKay, Leo Seguin and Ross.

DALHOUSIE 5, APPLE HILL 4

Game six was the cleanest of the series as Dalhousie held Art Sinfield scoreless and edged Apple Hill 5-4. Two Ottawa referees officiated in the tightly controlled game.

While picking up only one two minute penalty, Dalhousie displayed its scoring depth with goals by five individuals.

Apple Hill jumped to an early 2-0 lead on goals by Ray Boucher and Pat Haramis. Assists went to Bimbo MacDonell, Harry Lalonde, Allan MacDonell and Sandy MacDonell.

Dalhousie speedster Frankie St. Pierre got the team going at 13:48 with a goal from Brian Reasbeck and Roch Lajoie. With three minutes left Rodney Shepherd tied it at two with a goal from Peewee Poirier and Ian McKay.

Dalhousie went ahead early in the second on a goal by Leo Seguin from Cameron McLeod and Paul Seguin. At 14:18 Paul Seguin made it 4-2 from Leo and McLeod.

At 8:31 Kelly Kavic picked up his first of two to narrow the gap to one. Pat Haramis and Brian Wensink assisted.

One minute later Donnie Morris scored Dalhousie's last goal, from Brian Reasbeck and St. Pierre to make it 5-3.

In the third Apple Hill pressed with all they had and finally made it 5-4 with 1:40 left on Kavic's second from Haramis and Wensink. Although the attack continued, no goal tied it up and the buzzer sounded with the teams tied at three games apiece.

DALHOUSIE 7, APPLE HILL 5

Despite a four goal performance by Art Sinfield, who later took the High Scoring award and the Most Valuable Player award, Apple Hill lost the series on Sunday afternoon before a packed house at the Alexandria Sports Palace.

Apple Hill came out strong and Art Sinfield netted the first goal, from Bimbo and Sandy MacDonell.

Artie McCuaig came back to tie it for Dalhousie at the half-way mark with Roch Lajoie and Brian Reasbeck assisting.

Cameron McLeod put Dalhousie in the lead less than a minute later from Leo and Paul Seguin.

Sinfield potted his second only fifteen seconds later, again from Bimbo and Sandy. At 6:29 he completed his hat trick to put Apple Hill ahead 3-2, Bimbo and Donnie Benton assisting.

Apple Hill took a 4-2 lead coming out in the second period on a goal by Kelly Kavic, from Wensink and Boucher.

Dalhousie then came alive, however, and scored four goals in seven minutes to lead at the end of the period 6-4. Roch Lajoie started things off at 7:05 from Glen MacDonell and Reasbeck. Two and a half minutes later Frankie St. Pierre netted his first of two from Glen MacDonell and Reasbeck.

Paul Seguin scored the go-ahead goal at 2:41 from Leo Seguin and McLeod and St. Pierre's second with 13 seconds left, turned out to be the winner.

The third period was scoreless until McLeod blasted his second at 5:10 from Leo Seguin and Luc Poirier.

With 2:12 left in the game Apple Hill made its last gasp, Art Sinfield picking up his fourth of the game, from Benton and Andy MacDonell.

The Glengarry News Cup Trophy was presented to Dalhousie team captain Artie McCuaig by publisher Emile Hurtubise. The individual trophies were handed out after the game upstairs.

Art Sinfield was High Scorer (17 goals, 13 assists) and Most Valuable Player.

The Most Gentlemanly player was Raymond "Peewee" Poirier.

Donnie Morris was picked Best Defenceman.

The two finalists' goalies, Peter Wensink and Steve MacDonell for Apple Hill and Rene Lefebvre and Robert Lajoie for Dalhousie tied for the netminding trophy. Each allowed 37 goals in the finals and round-robin combined.

Mike Depratto convened the very successful 1979 News Cup series.

WORKED FOR IT—Dalhousie team captain Artie McCuaig, centre is becoming an old hand at accepting the Glengarry News Cup Trophy this time from publisher Emile Hurtubise. The trophy, representing the best hockey played in the county, was taken by Dalhousie for the second year in a row after a volatile seven game series. News Cup convenor and Sports Palace director Mike Depratto is on McCuaig's right.

Throughout the counties of Stormont and Glengarry, Scouts are busy learning the fine art of planting trees. The Department of Natural Resources of Ontario have provided firsthand expertise at classes both in Cornwall and Alexandria.

With ten thousand trees to be planted on May 5 in the counties, the Scouts are sure that their skills will be put to good use.

All this work is part of the national "Trees for Canada" project. It is expected that over 3,000,000 trees will be planted by Scouts this year.

If you want to participate in this project, contact a Cub or Scout in the 2nd Alexandria Group. He will be glad to take your pledge for the number of trees he will plant. The trees he plants in May will benefit future generations while at the same time supporting the Scout movement of today.

Should you wish a call from a Cub or Scout near you, please phone William Buss at 525-3715.

Season is planned by Tennis Club

A very enthusiastic tennis meeting was held last week setting forth and planning all the objectives of the 1979 season.

It was stressed that tennis is one of the sports where people of all ages can participate and play at the speed they wish. It is a perfect participaction exercise sport.

Elections were held and the following officers were elected: President Maurice Sauve; Vice-President Gerry Lalonde; Junior Vice-President Randy MacDonald; Secretary-Treasurer Guy Beaulieu.

Senior Directors: Jean Marc Dubois, Jean Luc Caron, Claire Lanthier, Diane Deguire and Claude Lanthier.

Junior Directors: Andre Claude, David Filion and Yves Poirier.

Membership fees are $10 for adults, $4 for 13 years to 18 years inclusive, $2 for 12 years and under and $15 for the whole family. Membership cards can be purchased from any of the elected officials.

After May 5, all players must be members to be permitted to use the park tennis courts.

Lessons are planned so that everyone can learn the basics as well as improve their play.

The club is also planning tournaments throughout the season and plans to challenge other villages in home and home competitions.

Everyone is invited to join and to keep in shape in 1979.

Horse Club learns about foot problems

by Connie Maley

The 4-H horse club meeting took place at John Peters' farm in Lancaster on April 19. The president opened the meeting and the secretary read the minutes and activities of the last meeting.

Mr. Peters announced the upcoming 4-H horse show which will be held on May 27, at his farm.

Different horses with different leg problems were brought out and examined. We discussed such things as capped hocks, spavin, rheumatism and other different varieties of problems, and how some leg problems can be prevented.

We also discussed the hoof and how to trim and shoe it. A good hoof makes a good horse and this point was stressed. Not enough or too little trimming of the hoof will lead to problems.

The meeting was adjourned and then seconded. The Pepsi and cookies were then passed out to the delight of the members.

The next 4-H meeting will be held on May 17 at John Peters' farm.

Conservation meeting

by Jimmy Hambleton

The organizational meeting was held Thursday, April 26, for the Glengarry Conservation Club. The leader for the club is Janet Vallance. The President is Norman Montpetit, vice-president is Kim McRae, secretary is Carol-Ann Larocque and news reporter, Jimmy Hambleton.

The members talked about where they would go for the rest of the year.

The next meeting will be at the OMAF Board Room on May 24. Conservation will be the topic of discussion.

Homemaking Club

by Julia Peachey

The 4-H Homemaking Club is organizing an outdoor living summer program. The first meeting will be held on May 10 at 7 p.m. at the home of Mrs. J. Roulston.

It's a great project so why not come and join us in the fun?

Calf Club elects officers

by Sharon MacRae

The first meeting of the Lancaster Jr. Calf Club was held on April 4, at the farm of Charles Osborne. Thirteen members were present.

We discussed, and had a quiz on the parts of a cow. Later we judged a class of cows. Our lesson was on "Nutrient Requirements for Beef and Dairy Animals."

For this club, our leader is Charles Osborne, the president is Derek Roulston, vice-president, Roy Robinson, secretary, Christine Brokx, and News reporters Joanne Roulston, and Sharon MacRae.

Our next meeting is on May 2 at the farm of Ted Van De Berg.

Bainsville UCW see slides of western trip

by Mary Thompson

An enjoyable evening meeting was held in St. Andrew's United Church, Second Concession, Bainsville.

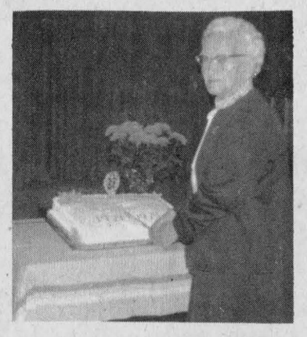
A short program was in charge of Mrs. J. R. Black. The president reported that we purchased 14 men's sweaters to be sent to India. In May, the Presbyterian Outreach Convenor, Mrs. Vipond, is to be our guest speaker. A letter was read from the Alcohol and Drug Association and a speaker on this subject will come anytime with a message. Our summer supper date has been changed from July 7 to July 14.

We were fortunate in having Mrs. J.M. Petrie show us the slides and comment on a trip to the west coast last summer. It was so interesting that we almost felt we were on the trip also. Guests were invited and we had seven. In appreciation Mrs. Petrie was presented with some long-stemmed roses by our president, Mrs. Harold Fourney.

Bainsville WI had golden anniversary recently

Bainsville Women's Institute recently celebrated its 50th anniversary with a "Spring Tea." Mrs. Rufus Carr who is a charter member of Bainsville and a Life Member of FWIO cut the cake for the event.

Mrs. Harold Fourney, the president of Glengarry District Women's Institute and also an active member of Bainsville WI brought greetings from the district. Mrs. Fourney related a few items of interest from the Tweedsmuir History Book of Bainsville WI as she is also the curator of it.



MRS. RUFUS CARR

Guests for the afternoon included the Home Economist Mary Michels, several members from the other six branches in the district as well as friends from the area.

With 1979 designated "The Year of the Child" Mrs. Carolyn McRae who convened the entertainment had many area children perform their talents.

The tables were very attractively decorated with individual centrepieces of blue and gold, the Institute colors. A delicious tea was served.

Picnic Grove WI elects new officers at annual meeting

by Mary Alguire

Picnic Grove's annual meeting was held at noon on April 10, at the home of Mrs. Wendy Rozon. A lovely pot-luck luncheon was served.

The president, Mrs. Wendy Rozon opened the meeting and the roll call was taken. "When did you join the Women's Institute and what branch did you join? Picnic Grove has some senior members which have been in the W.I. for over fifty years.

We are pleased to announce we have three new members this year Mrs. Carol Edwards, Mrs. Elizabeth MacLachlan and Mrs. Pearl Rozon.

Mrs. Mary Alguire read a poem on this months motto: "To Which Do You Belong, The Building Or The Wrecking Crew?"

Mrs. Carolyn Meyer, Mrs. Wendy Rozon, Mrs. Carol Edwards and Mrs. Evelyn Light, were elected delegates for the district annual. Mrs. Anna Krol will present pennies for friendship that day.

Mrs. Muriel MacLachlan chair the electio of officers: Past President Mrs. Wendy Rozon, President Mrs. Carolyn Meyer, First Vice-President Mrs. Dorothy Taylor, Second Vice-President Mrs. Audrey Pasco, Secretary Miss Annabell MacNaughton, Treasurer Mrs. Anna Krol, District Director Mrs. Wendy Rozon.

Alternate, Miss Annabell MacNaughton; Public Relations, Mrs. Mary Alguire; Branch Directors: Mrs. Eileen Fourney, Mrs. Margaret McCallum, Mrs. Isobel MacCuaig and Mrs. Margaret MacNaughton.

Standing Committee Conveners: Family Affairs, Mrs. Pat Rogers; Agriculture, Mrs. Isobel MacCuaig; Canadian Industries, Mrs. Sharon Lancaster; World Affairs, Mrs. Ella Smith; Consumer Affairs, Mrs. Carol Edwards; Education, Mrs. Dorothy Taylor; Resolutions, Mrs. Carol Ann Breuers; Cultural Affairs, Mrs. Muriel MacLachlan; Citizenship, Mrs. Audrey Pasco; Curator, Mrs. Catherine Gourley and Mrs. Margaret McLennan; Cards and Gifts, Mrs. Myrtle McPherson; Auditors, Mrs. Elizabeth Ferguson and Mrs. Ella Smith.

Mrs. Carolyn Meyers our new president, adjourned our annual meeting.

McCrimmon WI held meeting

The annual meeting for McCrimmon WI was held at Lochiel Township Hall on April 19. Mrs. Vernon Crowley, president, welcomed 27 members and four visitors. The motto: "Friendship is a golden chain. Let us be careful how we care for it," was commented on by Mrs. Lloyd MacLeod.

The conveners of standing committees and special committees gave their annual reports, which were adopted as read. After the nominations committee brought forward the new slate of officers for 1979-80, Mrs. Alexander MacLeod conducted the installation of the following: Past President—Mrs. Alexander MacLeod; President—Mrs. Vernon Crowley; 1st Vice-President—Mrs. Pat Heppleston; 2nd Vice-President—Mrs. Hugh Morton; Secretary—Mrs. Lynus MacPherson; Treasurer—Mrs. Archie MacRae; Public Relations Officer—Mrs. Donald Fraser; Curator—Mrs. Vernon Crowley.

Conveners of standing committees: Agriculture and Canadian Industries, Mrs. D. W. MacLeod; Citizenship and World Affairs, Mrs. A. E. MacMillan; Family and Consumer Affairs, Mrs. William MacLennan; Education and Cultural Activities, Mrs. Campbell MacDonald; Resolutions, Miss F. A. MacGillivray. Program and lunch committees were also installed. A welcome was extended to several new members.

The next meeting will be held in the Board Room of the Agricultural Office on May 17, with a speaker from this office.

Plants will be exchanged.

St. Raphael's CWL met

Eighty-six ladies attended the annual dinner meeting of St. Raphael's Parish Council on Thursday, April 19.

"Our Lady of Good Counsel" mass was celebrated by Rev. Gary Ostler. In his homily, he stressed the need of the CWL in our modern day life and emphasized in a special way the role each Catholic woman must play in the home. Whether she be mother or grandmother, she must support the moral issues of the day and show by example the stand she takes.

This being the annual meeting all offices were declared vacant. Mrs. Mae Levert, chairlady of the nominating committee announced the new slate of officers for the next term—1979-80.

Father Ostler installed this new executive: President Therese Major, Treasurer Pat Major, Recording Secretary Hilda MacDonald, Corresponding Secretary Simonne Lefebvre, 1st Vice-President Anna McDonell, 2nd Vice-President Doreen Johnson.

The highlight of the evening was the guest speaker, John McKee, executive-director of Laurencrest Youth Residence at Eamers Corners. He brought two young lads from the home along and they spoke about their problems in a simple relaxed manner. A question and answer period followed.

PEOPLE on the MOVE

Mrs. Thelma MacDonald of Cornwall enjoyed the month of April with Russell and Frances Hogg of Toronto and with Ted and Olive O'Hearn in Toronto.

Mr. and Mrs. John K. MacLeod have returned from Vancouver, BC, where they visited with Mr. and Mrs. D. N. McCuaig and Mr. and Mrs. Fred C. MacLeod and family members. They also visited with Mr. and Mrs. Linus MacLeod, Mount Vernon, Wash., Mr. and Mrs. John J. MacLeod, Langley, BC, Donald John McDonald, Hope, BC, and Mr. and Mrs. Donald E. Cameron, Mission, BC.

Mr. and Mrs. John V. McDonell, St. Catharines spent last week visiting relatives and friends here. Mrs. McDonell's aunt, Mrs. Mary MacDonald, St. Raphael's is recovering from her illness.

John Daniel Macdonald has returned from a trip to Western Canada where he visited his brothers, Vincent and Wilfred and their families in Edmonton.

Mrs. Laurie Doyle, Hudson N.Y. is the guest of her sister Mrs. Agnes MacDonald, Cornwall this week.

While on missionary work last weekend relative to the forthcoming launching of the Glengarry Sports Hall of Fame, Angus H. McDonell and Mrs. McDonell visited briefly with Mr. and Mrs. Sheldon Macdonell and Cameron David Vineland, Mrs. Anna Beck, Miss Marjorie McDonell and Mr. and Mrs. John V. McDonell, St. Catharines. Returning from London the McDonells were accompanied by Rory McCormick, Cornwall, who has completed his University year at Western.

Mrs. Grant W. Urquhart, Aldergrove, BC, is visiting with Mrs. Harriet MacKinnon and other relatives of her late husband who passed away after their last visit here in August 1976.

Mr. and Mrs. Arthur Maclaren have returned from a trip to Vancouver where they visited his sister, Mrs. John Low, Mr. Low and family. Miss Bonnie Maclaren is home from Queen's where she completed first-year studies.

Crafts show sets record

Record crowds and sales highlighted the ninth annual spring show and sale of Glengarry Arts and Crafts Association. As well as our three counties, customers were attracted from such places as Ottawa, Hamilton, Newmarket and from Quebec; namely Hull, Hudson, Quebec City, Montreal, Chateauguay.

Door prize winners were as follows: Pauline Stoner of Cornwall and Mrs. H. Dumas of Chateauguay, Que.

Two young persons drew the lucky sales slips for the door prize winners. They were Alex Kinloch, son of Mr. and Mrs. Charles Kinloch of Martintown and Christine Butkovich, daughter of Mr. and Mrs. Tom Butkovich of Cornwall.

The next event of the Association will take place in October at the historic Loyalist Nor'Westers' Museum, Williamstown.

Glengarry District High School has a couple of real trouble shooters, namely Alex Ferguson and Wayne Theoret of Lancaster Township. These two automotive students will be representing the school on May 3 in Hull as they take part in the regional competition sponsored for the ninth year by Chrysler in the Chrysler Trouble Shooting Contest. Each of 300 schools across Canada chooses a team to take part and Roger Watson's students for the past week have been supplied a car to practice on by Allen's Motor Sales of Hawkesbury.

Father Leo MacDonell tells us the Grotto Shrine in Alexandria will be returned to use on Sunday May 20 as a "Marian Day" is being organized. More details later.

Finance Minister Jean Chretien will preside at the official opening of the Transport Canada Training Institute in Cornwall on Saturday, May 12 at 2 p.m.

In attendance at a recent seminar for municipal officials at St. Lawrence College were Florence Villeneuve and Yolande Viau from Alexandria, David Dumouchel from Lochiel and Lawrence O'Connor from Kenyon.

The Rotary Club of Hawkesbury is holding a two day horse show at the Sports Complex on June 9 and 10. Proceeds in aid of crippled children.

The Ontario Egg Producers Marketing Board suggests you get a head start on your garden by planting seeds in eggshell halves filled with soil. Set them in an egg carton in a sunny window, water regularly and watch for shoots. To transplant, simply crush the shell, and plant shell and all.

May declared time for roots

May will be a special time for families throughout Ontario. It has been proclaimed Family Unity Month.

The Honorable Margaret Birch, provincial secretary for Social Development, who is co-ordinating the event, notes: "It is not often that we take the time to reflect and realize just how important our families are to us." Mrs. Birch has long been committed to strengthening family life in Ontario.

This year Family Unity Month has particular significance because 1979 has been proclaimed the International Year of the Child. The place of children in families is always worthy of thoughtful consideration.

Mrs. Birch suggests that May would be an ideal time for families in Ontario to examine their roots, to explore their heritage and preserve the results in writing. The tracing of the family tree will involve young and old in a unique family project.

St. Columba celebrates 160 years

by Rev. John Forbes

The congregation of St. Columba Presbyterian Church, Kirk Hill, marked their 160th anniversary with a Saturday night banquet and dedication of an anniversary banner over the Easter weekend.

There was a full house Saturday night as the congregation sat down to a sumptuous banquet in the church hall of Knox Church, Vankleek Hill, with the Knox ladies catering. Rev. W. S. Sutherland said the grace, and Rev. J. Forbes, minister, welcomed everyone, especially members and former members who had come from a distance. After dinner Mr. Forbes introduced guests at the head table who were, Rev. D.R. and Mrs. MacDonald, Rev. Robert and Mrs. Martin and Rev. W. S. Sutherland. Rev. D. R. MacDonald, Moderator of Presbytery, brought greetings to the St. Columba congregation from Presbytery. The ladies were thanked by Mr. Forbes.

Major R. Grant MacGillivray was MC for the entertainment of the evening. Piper Peter Ewing led off with a selection on the pipes, followed by Darrell MacLeod with selections on the violin. Kirsty, Bonnie, Beth and Katie MacLeod danced the Highland Fling and Sandra MacGillivray dance the "Flora MacDonald." Alan MacLeod gave a selection on the saxophone and young Melissa Howes sang three solos, accompanied on the piano by her mother, Mrs. Carmin Howes. Rev. J. Forbes expressed the thanks of the audience to Major MacGillivray and the artists for the fine quality of their entertainment.

Leslie Calvank introduced the guest speaker of the evening, Rev. Robert Martin, minister at Knox Church, Vankleek Hill. Mr. Martin gave an interesting and informative talk on St. Columba and Iona. Donald MacGillivray thanked Mr. Martin.

The Doxology and the Benediction, pronounced by the Moderator, Rev. Ross MacDonald, brought to a close an evening of good fellowship and inspiration.

At the Sunday morning worship service in St. Columba Church, Easter Day, a beautiful banner was unveiled and dedicated to commemorate the founding of the congregation in 1819. Mrs. Dougal MacLeod unveiled the banner and asked Mr. Forbes to receive and dedicate it to the glory of God, in memory of all who have worshipped and served in the congregation over the past 160 years. Mr. Forbes then accepted the banner in the name of the Kirk session and dedicated it "as a sign of God's blessings to us down the years, and as an act of re-dedication to those high and holy purposes for which our forefathers founded this congregation of God's family." The prayer of dedication followed.

Mr. Forbes explained the three symbols on the banner, which is six feet in length by three feet wide. The Celtic Cross, symbol of our faith, reminds us of our links with our early forebears in Ireland and Scotland. This Cross is sometimes known as the Iona Cross, as it is said that it was this Cross which St. Columba brought to the Scottish Isle in 563 A.D.

The St. Andrew's Cross symbolizes our historic roots in Scotland, mother country and mother church. The Burning Bush marks our membership with the world-wide Presbyterian church and in particular in the Presbyterian Church in Canada.

Mr. Forbes expressed the sincere gratitude of the congregation to the three ladies who had created the banner, with much time, thought and talent. They were Mrs. Dougal MacLeod, Mrs. Campbell MacGillivray and Mrs. J. Forbes.

Special music by the Junior and Senior Choirs, and the Easter message by the minister, climaxed a joyous and happy Easter weekend for the St. Columba congregation.

Former Greenfield teacher dies at 81

Former Greenfield pupils of May McNeely (Mrs. Richard Morin) will be saddened to learn of the sudden death in Ottawa on Easter Sunday of a much-loved teacher.

The former May McNeely taught school in Greenfield in the years immediately following World War I and often recalled the many parties and happy times of those days as Greenfield welcomed home her native sons from the war.

Her interest and love for Glengarry continued throughout her long life.

She is survived by two daughters, Marilyn of Ottawa, and Marie Pchola of Kingston and four grandchildren.

Interment took place in Holy Trinity Cemetery, Rockland, on April 19, her 82nd birthday.

Conservation Authority names manager

The Raisin Region Conservation Authority has announced the appointment of Jay Currier as the Authority's first General Manager.

Mr. Currier, who was hired last week at a salary of $23,000, takes over the functions previously held by former Resources Manager Arthur Chalk who retired earlier this year.

Whereas Mr. Chalk was on loan to the Authority as an employee of the Ministry of Natural Resources, Mr. Currier will be an exclusive employee of the local Conservation Authority.

"With the hiring of a General Manager, the Conservation Authority and all its staff will be under the control of the local municipalities," Authority Chairman Robert Roth explained.

"We are the first Authority in Eastern Ontario to hire a General Manager although several Authorities in other parts of the province have already made the move.

"It's a sign that the Authority has come of age and that local people now feel prepared to handle their own affairs.

"Naturally, we will continue to maintain our excellent relationship with Ministry officials and work in close co-operation with them. The Ministry has wished us luck and offered to subsidize the General Manager's salary."

Dorothy Fawthrop, Chairman of the Authority's Information and Education Committee, noted that Mr. Currier has already distinguished himself over the past few months in his capacity as Acting Resources Manager.

"Mr. Currier's ability to communicate effectively, not only with the Authority members, but with the general public, was a prime consideration in our unanimous decision to hire him as a General Manager," she explained.

She pointed out that "the Authority will be tackling multi-million dollar water management projects over the next few years and a good management is essential to ensure that these projects reach successful conclusion.

"A lot of provincial and local taxpayers' money will be invested over the next little while and we want to protect that investment with a top-notch staff."

Mr. Currier was born in Ottawa in 1951. He attended Lakefield College School and later studied at Trent University and Carleton University in Ottawa.

He worked with the Rideau Valley Conservation Authority from 1972 to 1974. He then joined the Eastern Ontario Regional office of the Ministry of Natural Resources, where his latest function was as Water Resources Program Co-ordinator.

As a Ministry employee, Mr. Currier worked very closely with the 10 Conservation Authorities in Eastern Ontario.

He says he is enthusiastic about his new post since the Raisin Region Conservation Authority will be undertaking some challenging projects over the next few years.

"I'm pleased with the appointment and looking forward to working with the Authority in close co-operation with the member municipalities."

Appoint committee

Alexandria town council has appointed a three-man committee of adjustment to deal with minor variances in the official plan.

Remi Poirier, Richard Vaillancourt and Archie Stewart are the three men who will make up the committee. The three members, who cannot be employees of the town, will look into certain problems, hold a hearing and if after 21 days no objections are made, will pass a law.

Child dies suddenly

The death of eight-month-old Richard Leduc occurred suddenly at Hotel Dieu, Cornwall, on Thursday, April 26.

The infant is survived by his parents, Mr. and Mrs. Richard Leduc of Alexandria and one sister, Lynn.

The funeral was held in Sacred Heart Church, Alexandria, with Rev. Denis Vaillancourt officiating and interment was in Maxville.

Pallbearers were: Albert Derouchie, Maurice Leduc, Gregory Cooper and Joey Leduc.

WILDERNESS SKILLS
"INTRODUCTION TO WHITEWATER CANOEING THEORY AND FUNDAMENTALS"
CLASS AND WEEKEND TRIP

This course is designed to introduce the competent flatwater paddler to the theory and fundamental manoeuvres of whitewater canoeing. The course will consist of one evening lecture and a weekend trip on the Picanoc and Madawaska River.

The course will cover the following: adapting flatwater strokes to whitewater, entering a current, exits from a current, eddy turns, front ferry, back ferry, tracking and lining.

The evening lecture will discuss, through films, slides and black board diagrams: reading whitewater, safety, equipment and philosophy. All final arrangements for the trip will be covered at this time.

The aim of the course is to encourage a safe, controlled approach to running rapids, and a trip that is fun and maintains the element of adventure that makes the sport so appealing.

DATE: Lecture - Wednesday, June 6, 7:00 p.m. - 10:00 p.m., Mille Roches Hall, Conference Room 1. Trip - Friday, June 8th to Sunday, June 10th. FEE: $80.00 Does not include foods and transportation to and from Ottawa for trip (approximately $10.00 extra). **INSTRUCTOR: Chris Harris.** Staff member of the Algonquin College Wilderness Skills Program since 1973, and Head Instructor. Chris has many years of instructing adults and canoeing and is an excellent teacher, guide, outfitter, administrator and outdoorsman.

AUDITOR'S REPORT — VILLAGE OF LANCASTER

The Reeve, Members of Council, Inhabitants and Ratepayers, The Village of Lancaster, Lancaster, Ontario

We have examined the balance sheet of the Village of Lancaster as at December 31, 1978 and the statement of revenue and expenditure, capital operations and statement of reserve and reserve funds for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as we considered necessary in the circumstances.

In our opinion, these financial statements present fairly the financial position of the Village of Lancaster as at December 31, 1978 and the results of its operations for the year then ended in accordance with accounting principles generally adopted for Ontario Municipalities applied on a basis consistent with that of the preceding year.

NOTES TO THE FINANCIAL STATEMENTS

1. ACCOUNTING POLICIES

a) Statement of Revenue and Expenditure
This statement reflects the revenues and expenditures of the revenue fund. There are no general municipal activities carried on by a local board of the municipality.

b) Statement of Capital Operations
This statement reflects the capital expenditures and the related capital financing to be recovered from general municipal revenues of the municipality.

c) Balance Sheet
This statement reflects the assets and liabilities of the revenue fund, reserve fund and the capital fund. The assets and liabilities for municipal enterprises as defined in Note 1 (e) are not reflected.

d) Fixed Assets
The historical cost and accumulated depreciation of fixed assets is not reported for municipal purposes. Instead the "Capital outlay to be recovered in future years" which is the aggregate of the principal portion of unmatured long term liabilities, capital funds transferred to other organizations, and the cost of capital projects not yet permanently financed, is reported on the "Balance Sheet."

e) Municipal Enterprises
The revenues and expenditures for municipal enterprise activities are not reflected in the "Statement of Revenue and Expenditure."

Municipal enterprise activities are those activities whose costs are substantially recovered from service charges on the users and are as follows:

Village of Lancaster Public Utilities Commission

f) Charges for Net Long Term Liabilities
Debt retirement costs including principal and interest are charged against current revenues in the periods in which they are paid. Interest charges are not accrued for the periods from the date of the latest interest payment to the end of the financial year.

2. CAPITAL OUTLAY TO BE RECOVERED IN FUTURE YEARS

a) Some capital outlay to be recovered in future years does not represent a burden on general municipal revenues as it is to be recovered in future years from other sources:

	1978	1977
Special charges on benefitting landowners	$ 30,980	

b) Capital outlays, including fixed assets and the transfers of capital funds in the amount of $21,708 (1977—$3,872), which have been financed from general municipal revenues of the current year, are reported on the "Statement of Revenue and Expenditure."

3. RESERVES AND RESERVE FUNDS
During the year, $3,614 (1977—$14,380) was credited directly to reserve funds without being recorded as revenues and expenditures in the Revenue Fund regarding the Ontario Home Renewal Plan.

4. ACCUMULATED NET REVENUE (DEFICIT) AT THE END OF THE YEAR
The balance in the revenue fund at the year end is available to reduce (to be added to) the levies of the following classes of ratepayers.

	1978	1977
General ratepayers	$(12,152)	$ 9,545
County	2	1
School boards	1	1
Special charges	9,859	
	$ (2,290)	$ 9,547

5. THE ANTI-INFLATION ACT
The municipality, its local boards and commissions are by agreement between the Government of Canada and the Government of the Province of Ontario dated January 13, 1976 subject to The Anti-Inflation Act (Canada) and the national guidelines. This legislation limits increases in compensation payments effective October 14, 1975. This limitation was removed April 18, 1978.

6. COMMITMENT
The Ministry of the Environment has completed the installation of a water and sewage system in the Village of Lancaster. The total cost of this project is $2,460,668 towards which the municipality has to contribute $641,072. This debt is to be financed jointly by the Province of Ontario and C.M.H.C. at an interest rate of 10¼% and 9½% respectively and is to be repaid over the next 40 years through frontage connection charges and user rates. Due to the small number of users in the early years it is anticipated that revenue from users of the system will be less than operating expenses. The excess operating expenses will be added to the amount to be recovered in future years from the municipality by the Ministry of the Environment. The excess costs for 1978 are not yet known.

Merill Tuck, Island Road, held a one-man show at Moulinette Gallery last week. She displayed many of her unique, imaginative paintings.

"Everything here is an experiment with me," Merill told me. "And I want each individual to get a personal experience out of my work. That's why I won't help the gallery visitors by putting titles on my works." Fine show, Merill.

Dr. McKeown picked up an eye infection on a recent trip to Florida which resulted in double vision. He did not notice the ailment till one day in surgery he discovered that a patient in for an operation had two appendices. This great doctor solved the problem by closing one eye. Either that or remove both and charge twice the price.

Perhaps this is a clue for those of us wending our way home from yon Bonnie Glen on Saturday night.

However, yesterday I thought I was seeing double at the supermarket when Bertha, the cashier, formerly from Apple Hill west, handed me the bill. Closing one eye did not help—I was accused of flirting. Closing both eyes did not make the bill go away. The result, readers? Aye, I eyed the bill and paid, I did.

Lee McIntyre auto mechanic at Roy's, passed his advanced course at St. Lawrence College with flying colors.

Two area people looking for people to do the chores in July. One is an old time fiddler looking for someone to feed his 500 pigs twice daily and play violin dinner music at the same time. And, we need someone to live in for a month or so.

Six young orators performed very well at Martintown Public School. Janice Haack's scholarly speech on Columbus, Tracy Van Loon's enthusiastic speech on 4-H, and Jonathan Madsen's poised presentation of Archaeology at Pompeii, were the winners. Honorable mention went to Tina Ramsay, Mary Lee Fraser and Allan Boyer.

I was fortunate to be part of the judging panel with two distinguished and lovely ladies, former principal, Mrs. Helen MacMillan and St. Lawrence College English teacher, Mrs. Catherine Barr.

That same evening a child's dress beautifully smocked by the principal's wife Marge Emond, was raffled off. The winner was Mrs. MacDermid of Apple Hill. Proceeds ($150) go toward the grade eight Toronto trip.

May 8, 9 and 10 the Seaway Craft people are holding a show at Bob Turner Memorial Centre on Fourth Street in Cornwall.

Next weekend, May 12, is the date for the Char-Lan Minor Hockey Banquet. I remember the season well and I thank the players for all that fun, the parents for transporting and cheering, and Cy Page for assisting with the coaching and also Stuart Munro for his help as goaltender specialist.

Kathy Aubin, daughter of Leo and Leona of Martintown, is making her maiden flight next week. She and Cindy Derouin are heading out West.

Kathy, a graduate of Early Childhood Education at St. Lawrence College, is in a state of trepidation in anticipation of this flight. If you have advice for her, pass it along.

I remember preparing for my first flight. I practised for weeks and still could not get off the ground. Apparently though, the final meal or 'last supper' is important. My friends feasted me with spaghetti and scotch; I squirmed and swam onboard.

Last year the Glengarry, Dundas, Stormont Education Board showed wisdom in not replacing a retiring superintendent. This year they have the same opportunity to repeat that wisdom with the financial saving of over $100,000 in two years. Will they be that wise?

A grand concert it was at St. Andrew's Presbyterian Hall in Lancaster South. The women of St. A. organized an excellent concert. Mrs. Smith was chief organizer with help from Milton MacDonald. Art Smith was congenial master of ceremonies. Isobel McCuaig welcomed us all at the outset and announced that the concert had raised $300 for the fund to combat blindness amongst the children of the world.

Sandra Ruest's dancers performed several numbers: A Scottish tap dance, a Charleston and some excellent baton twirling.

Brian McDonell of North Lancaster, and Dan Leroux sang many Celtic favorites. Brian told me that the concert was the Cobblers' tenth show in seven days. Dan played violin as well as mandolin, an instrument he has been playing since their appearance at Molly McGuire's Pub last month.

Milton MacDonald joined his fine voice to the Cobblers' group for such enjoyable tunes as Leezie Lindsay, Westerley Home, Road to the Isles and Beggarman. In addition, Brian provided bass guitar music for the other groups.

Al and Val Cooper drummed and piped to the audience's delight.

Heather McRae sang a few tunes with Malcolm Cumming, the retired bullfighter, on piano. Malcolm says that he is fully recovered from his recent ordeal (with the bull).

Reverend Ross MacDonald was also a performer, playing piano and harmonica and singing at the same time. Occasionally, the binder twine holding the microphone to the harmonica slipped under his nose, almost adding a sneeze to "Those Golden Slippers" and "The Hundred Pipers."

The Glengarry Strathspey and Reel Society led by Allan MacPhail, performed their own special delightful music in both halves of the program, as well as providing music for Laurie and Brenda Condie of the MacCulloch dancers.

Society members on hand and playing their best were Clif Britton, D. J. McPhee and Lucien Ranger, and that wonderful accompanist Mrs. Olive Defritas. After a medley of reels, leader Allan remarked that "there is another part to our name, so we had better play some more music." The audience applauded because they knew that a medley of strathspeys would follow.

Susan McLachlan and Andrea Buckland of MacCulloch dancers performed the Highland Fling for the full house.

The Trottier family showed their talents at playing, dancing and singing. One daughter was ill, however, Rene and his wife Sherryl and the two girls put on an excellent and versatile show. The highlight of their performance was violin playing and step dancing—at the same time—by Kelli Trottier. Now I saw this once before on Canada's premier country show—the Tommy Hunter, but Kelli was better than the performer on that occasion. The Trottiers, by the way, were second in the family competition of Old Time fiddling last winter.

Congratulations to all involved; a great cause and a great event.

For all those married 60 years, no medals just this joke from MC Art Smith's repertoire. On their 60th anniversary night she turned to him and said, "Remember dear, how you used to hold me when we were young? Why don't you do it tonight?"

He replied, "Alright dear," and did, for he was a Presbyterian and enjoyed suffering.

"Remember dear, how you used to hold my hand at night when we were young? Why don't you do it again tonight?"

And he did for he was a sensible Scot; which meant his wife was stronger than he.

"Remember dear how you used to nip me lovingly on the ear lobe when we were younger? Why don't you do it again tonight?"

And he jumped out of bed because he was a canny Scot, and because he wanted to get his false teeth in so as to do a good job.

May 12 is also the Glengarry Club's dance at Maxville.

Dr. D N MacMillan to be honored

Rev. Donald N. MacMillan, a native of this area and a minister of Kenyon Church, Dunvegan, for 24 years, will be honored by the Senate of Presbyterian College,

REV. D. N. MacMILLAN

Montreal, when the degree of Doctor of Divinity, honoris causa, is conferred upon him.

The ceremony will be a part of the college's 112th annual convocation, to be held Wednesday, May 9, at 8:15 p.m. in the Church of St. Andrew and St. Paul in downtown Montreal.

Rev. W. Stanford Reid, MA, Th.M., Ph.D., will similarly be honored. It is expected that 13 students will receive graduating diplomas.

In inviting the acceptance of the degree, Dr. Klempa, principal of Presbyterian College, wrote on behalf of the college senate, "The college is conscious of and deeply grateful for your faithful service during the past 19 years.

"Your years as professor of systematic theology and then as acting principal of Presbyterian College were years during which Presbyterian College saw growth in numbers and its continuing program for ministers. Your contribution to the work of the whole church, as well as your years as minister of Kenyon Church, Dunvegan, deserve recognition and honor."

Dr. MacMillan is a native of Finch Township, the son of the late Mr. and Mrs. Neil MacMillan. He attended St. Luke's Public School, Finch, and graduated in 1926 from the Avonmore High School.

From McGill University, he obtained his BA in 1929 and his MA the following year. He graduated from Presbyterian College in 1933 with his BD degree. Two years later he received his Ph.D. in theology from the University of Edinburgh.

Immediately Dr. MacMillan undertook the pastorate in Kenyon Church, Dunvegan, which was to extend over a 24-year period. He was ordained and inducted on July 4, 1935. He was granted a leave of absence to serve as a chaplain with the RCAF from January, 1941, to September 1945. He served as moderator of the Presbytery of Glengarry for three terms and he was moderator of the Synod of Montreal and Ottawa in 1949. He was chairman of General Assembly's Board of Education from 1954 to 1959.

In June 1959 Dr. MacMillan was appointed to the chair of systematic theology. He was granted a sabbatical study leave in Geneva, Switzerland, in 1972. He was acting principal of Presbyterian College from 1973 to 1978, a position from which he retired in August of last year.

Dr. MacMillan married Jean MacLean, of Ottawa, in October, 1936. They have two sons, Dr. Donald Kenneth MacMillan, Finch, and Robert Neil MacMillan, a teacher in Lisgar Collegiate, Ottawa.

Lochiel girl wins honors

Glengarry County 4-H Homemaking Clubs concluded their spring project, entitled Needlepoint,'' at Glengarry District High School, Alexandria on Saturday, April 28, 1979. Many friends, neighbors and relatives were out to see what the 4-H members had been working at. A beautiful display of needlepoint was viewed by everyone.

The members who took this project were taught seven different stitches. These stitches were then done on a sampler which the members then assembled into either a pillow or a set of coasters. Some of the members also found time to make glasses cases, pillows of their own design and clutch purses. Lots of ideas were displayed.

The afternoon program was divided into two sections. One area was the presentation of awards. A rather special award was given to Mrs. Lynda Heinsma from Dunvegan for having led 4-H Homemaking Clubs for five years. This leadership certificate is given by the National Council of 4-H Clubs, to leaders who have led five, ten and fifteen years.

A provincial honor certificate and pin was presented to Heather McCaskill, from Lochiel for having successfully completed twelve (12) 4-H Homemaking Clubs. Six County Honor certificates and pins were presented to members who have completed six (6) Homemaking Clubs. The members who received these awards included Joanne Roulston from Bainsville Club, Brenda Lobb from Kirk Hill, and Kim DeHaas, Lee Anne Merkley, Lynne Michaud and Barbara Ann Van Loon, all from Maxville Club. Congratulations are extended to all of these award winners.

Ten clubs participated in the afternoon program of skits, exhibits and demonstrations. Four skits were presented on various topics by the following clubs: Dalkeith presented a skit entitled ''How To Finish''; Bainsville had a needlepoint ''rock'' illustrating the topic ''Let's Begin to Needlepoint''; ''How to Block it Right'' was presented by Maxville; and Apple Hill did a skit entitled ''New Ideas to Needlepoint.'' All of the members of the various clubs participated in their respective clubs. A single demonstration on ''Color and Color Schemes'' was presented by Alexandria with all members assisting Lee Watts who commented. The five exhibits were presented by the following clubs. Kirk Hill presented ''The Last Detail'' with Phyllis MacGillivray commenting; ''The Essentials of Needlepoint'' was commented on ''International Flavor in Needlepoint''; and Picnic Grove presented ''My Favorite Needlepoint Stitches'' with Heidi Oeggerli commenting. All of these presentations were very informative and gave the audience a good cross section of what the ''Needlepoint'' project was all about.

The program also had a short slide presentation. The slides enabled the audience to get some more ideas on what projects they could needlepoint in the future.

Each leader and member was presented with a silver spoon for all their hard work in this project.

Miss Mary Michels, Home Economist, with the help of Marilyn Larocque from Lochiel who acted as chairman, conducted the afternoon program. Miss Michels commented on all the work presented by the 4-H members. She mentioned that the summer project was Outdoor Living'' and open to all boys and girls who have reached their twelfth birthday by May 1, 1979. This project deals with basic first aid, outdoor cooking, appreciating nature, and a day or overnight camping excursion. There are clubs in the following areas, Picnic Grove (Williamstown), Maxville, Dalkeith, Kirk Hill, Martintown, Apple Hill, Bainsville and Dunvegan. Anyone interested in this course could contact the leaders in these areas, or Miss Michels, at the Ontario Ministry of Agriculture & Food office in Cornwall.

The fall project will be entitled ''Essential Edibles'' and is scheduled to begin in September. This is a cooking project dealing with metric recipe ideas for breakfast, brunch and adding new life to those carried lunches. The members will also enjoy the easy-to-prepare hot lunches and suppers. This project should prove to be lots of fun, so watch for the announcements come September.

The Achievement program was closed with the 4-H pledge repeated by everyone.

News of Rouleau School

THE HOCKEY SEASON ENDS

The Rouleau students challenged their teachers on the ice four times this year and they have done better than any other previous group.

This year's student hockey team was able to badly defeat the teachers in one of the four game series and tied once.

A summary of this year's encounters:

First game, teachers 4, students 3; second game, teachers 4, students 4; third, teachers 2, students 7; fourth game, teachers 4, students 1.

Congratulations to a good hockey team!

A WINNER

Mrs. Cathy Hotton from Maxville was the lucky winner of the quilt draw held at the end of April at the Rouleau school.

HAD RETREAT

Our Grade 8 students enjoyed an overnight stay at Shalom House in St. Raphael's last Thursday and Friday. We viewed several films, had discussion periods, took a tour of the St. Raphael's Church Ruins, and had a mass in Shalom House chapel. On behalf of the students I would like to thank Father Charles MacDonald, Sister Kathryn Cameron and the staff of the Shalom House for their kind and generous help during our retreat.

CONFIRMATION

The Grade 8s will be receiving their Sacrament of Confirmation on May 14 at 8 p.m. in St. Finnan's Cathedral. Refreshments will be served in our gymnasium immediately following the mass.

TOP STUDENTS

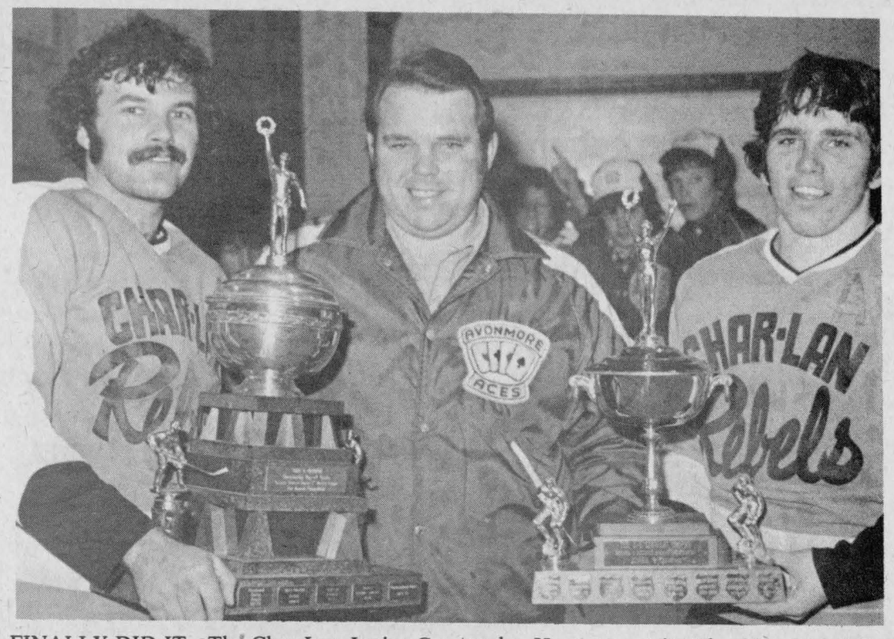
The Students of the Week for April 23-27 are: Junior Kindergarten, Aaron McPherson; Kindergarten, Brian O'Neill; Grade 1, Chantal Viau; Grade 2-3, Wayne O'Connell, Grade 3-4, Wendy Denneny; Grade 5-6, Tammy Hutt; Grade 6, Kevin Legallis; Grade 7, Mary Helen Laplante; Grade 7-8, no one chosen; French K-6, Travis Giroux; French grade 7-8, no one chosen.

EDUCATION WEEK GUESTS

Education Week at the Alexander School featured two-way communication between the school and community. Various groups of our students were addressed by Father Leo MacDonell concerning his vocation and duties, by Mrs. Anna Margaret MacDonald who gave us some insight into what is involved in producing the Glengarry News and by Mrs. Sheila Olson who shared her expertise in the area of flowers and flower arrangements with students and parents. We are very grateful to these guests for giving us "education" under a different format.

PARENTS CAME

On Wednesday, April 25, a large turnout of parents joined us at the school following a special mass to see some of the work being done at the school and materials being used. The many displays set up in the halls and gym seemed to give our visitors an insight into what happens in the field of "education."



FINALLY DID IT—The Char-Lan Junior C Rebels finally won both the league trophy and the Ontario District Hockey Association trophy. Here co-captains Lloyd Fourney, left, and Dale Lafave accept the two honors from league president Alex Ferguson.

UCW Presbyterial held in Cornwall

The Eleventh Presbyterial Annual for the United Church Women was held April 18 at Knox United Church, Cornwall. Coffee, registration and literature browsing started the afternoon off at 1:15.

Mrs. Enid Arscott led us in a sing-song to get us in the mood. Mrs. Marion Peterson also of Prescott United Church was pianist for the afternoon.

Our president, Mrs. Christine Judge gave some remarks which were most fitting and were memorial thoughts of the high esteem in which Mrs. Lillian Allison was held. Two minutes silence was observed with eyes focused on the lovely banner that "Lillian" had made for the Festival of Faith. "Faith is a Journey" were the words inscribed on the banner. The Doxology was sung.

In the absence of Mrs. Elizabeth Beaudette, Mrs. Muriel Eastwood was Secretary protem. Minutes were accepted as written as were all other reports. Some announcements followed of coming events.

EVCOM, an Evangelism Workshop is to be held at Holiday Inn, Cornwall, from Friday, Apr. 27 to Sunday April 29.

A retreat at St. Anicet will again be held on May 15 and 16. Theme "Our Time Away." Leaders: Rev. and Mrs. Keith Brown of Cardinal. Music in charge of Mrs. Enid Arscott of Prescott. The bus will leave Kemptville at 9 a.m., May 15.

A get-together of Ottawa UCW friends and Seaway Valley in June at Rideau Hill Camp.

Summer Event in Carleton University, Ottawa, on Aug. 17, 18 and 19. Theme: Let your Light so Shine. Theme speaker: Rev. Lois Wilson. Tommy Douglas MP and others. Day registration $5.

A very fine Workshop Service was conducted by Cardinal UCW, Mrs. Baldwin, Mrs. Keith Brown and Mrs. Vancamp.

Mrs. Marguerite Frappier introduced the guest speaker in the person of Rev. L. M. Ferguson of Chesterville United Church who is president of M&C Conference, bringing greetings and speaking on the subject, "This is Faith." Faith is God's Creation, a Divine Gift of God. It is only through Faith we can do what He asks of us.

Conference UCW President Mrs. Evelyn McOuat brought greetings with UCW standing for "Under Christ's Will," God through us reaching out to his children all over the world.

Mrs. Jean Scott gave the Report of the Nominating Committee, and presented a scroll, designed by Mrs. Virginia Ferguson to each of the four Regional Vice-Presidents. The new Slate of Officers was then installed by Mrs. Evelyn McOuat. The covers of our programs were also designed by Mrs. Ferguson. What a gift of art she has!

Following is 1979-80 Slate of officers: President Mrs. Walter Judge (Christine), Merrickville; Vice President Mrs. Linda Kubelka, Williamstown; Recording Secretary Mrs. Muriel Eastwood, Cornwall; Corresponding Secretary Mrs. Alice Huges, Eastons Corners; Treasurer Mrs. Marion Peterson, Prescott.

Regional Vice Presidents: 1. Mrs. Phyllis Noble, Dalkeith; 2. Mrs. Ruth Alguire, Lunenburg; 4. Mrs. Edith Jenkins, Prescott.

Conveners: Church in Society, Mrs. Ann Webber, Newington; Outreach, Mrs. Libby Vipond, Summerstown; Literature, Mrs. Jean Casselman, Winchester Springs; Assistants, Mrs. Betty Forward, Mrs. Irene Merkley both of Chesterville; Stewardship, Mrs. Nan Brown, Cardinal; Publicity, Mrs. Beryl Bruce, Spencerville; Personal Growth, Mrs. Alice McLauchlin, Kemptville.

The Regional Vice President told of some highlights of their meetings during the year.

As this is the International Year of the Child a very fitting solo was sung by Mrs. Enid Arscott of Prescott, namely "Come As A Child."

A panel consisting of Alice McLauchlin, Lorraine Cleary, Beryl Bruce, Edith Jenkins, Nan Brown and Ann Weber gave a few flashes from the department they were conveners of.

A very delectable supper was served by the Cornwall ladies with Rev. Gary Stokes saying grace in the absence of Rev. Robt. Pentinga.

Evening Worship by Alexandria United Church Women was entitled "Fashions of Love." The Narrator—Mrs. Jean Humphries and all participants wearing bridal gowns representing Patience, Kindness, Humility, Selflessness, Joy, Trust, Endurance and Hope. Each held the word she represented. Hymns were sung suitable for each word. It was different but very well done with each one having its own message.

Our speaker was again introduced by the president, Mrs. Christine Judge. For the evening message Mr. Ferguson spoke on "The different kinds of faith." There were 187 in attendance and words of appreciation to all who helped with day's activities were expressed by Mrs. Ann Webber. The Benediction was pronounced by Rev. Gary Stokes bringing a successful Annual to a close.

DID WELL IN COMPETITION

Our band competed in the Kinsmen Music Festival this past Saturday at CCVS. We played two numbers including the test piece, "Devonshire Overture," for which we received a score of 82. The second number went considerably better as we got the butterflies out of our stomachs and started to follow our conductor, Mr. Bryan. This piece, "Royal Procession," went extremely well and we earned an 86 for an average of 84. This was enough to place second in our class.

On May 11 we will be holding our annual spring concert for which we are currently working hard. It promises to be one of the best concerts yet. On May 24 we will be leaving bright and early for Acton District High School for our return part of the exchange program. They came to Char-Lan in the Fall and the first half of our exchange was a success. Hopefully things will turn out well on our return trip.

EXERCISE DAY

Our third Participation Day was held last Tuesday. It was a good day for the event and a large number of teachers and students ran, jogged and walked the eight kilometers and the five kilometers. It was a good reflection of our physical fitness.

The track team has been practising very hard for the last month, with individual running taking place even long before that.

Good luck to all the members of the track team when their first meet rolls around.

Victors!

Guy Levac and Dianne Larocque are on their way to the top—they outspoke all the best at the Lions Regional Public Speaking Contest in Ottawa last week, bringing honor not only to themselves but their sponsors, the Alexandria Lions Club.

They are off to the finals in Rouyn-Noranda on Monday. They will be accompanied by Lion Mike Ferland and his wife, Lise.

New rules make it easy

New voting rules will make it easier for all qualified electors to cast ballots in the 31st Federal Election on May 22nd.

Changes in the rules covering proxy voting and advance polling are among those designed to make voting possible and more practical for many of Canada's extimated 14.9 million eligible electors in this election.

"The ill, handicapped and aged, certain students and workers away from home, and voters unable to vote because of temporary absence are among those who will benefit," says Jean Marc Hamel, Canada's Chief Electoral Officer.

The changes were made in amendments to the Canada Elections Act and were passed by Parliament in December, 1977.

Some of the important changes are:

1. At least one advance pole with "level access" for the handicapped must be set up in each urban area of an electoral district. An elector entitled to vote at an advance poll may, if the poll doesn't have level access, obtain a transfer certificate from his or her Returning Officer and vote at another poll that does offer access. A notice of an advance poll must state if level access is available and explain to voters that transfer certificates may be obtained.

2. Voting ad advance polls—for those unable to vote on election day—formerly was possible on two days only. Under the new provisions, advance polling will be spread over three days—between noon and 8 p.m. on Saturday, May 12, Monday, May 14, and Tuesday, May 15. To vote at an advance poll, you have only to sign your name—not take an affidavit as in the past.

3. In a general election, voters who are unable to vote on election day or at the advance polls, may now vote in the office of the Returning Officer. Such voting will be done noon to 6 p.m. and 7 p.m. to 9 p.m. on any day beginning Monday, May 7 and ending on May 8, excluding Sundays and any advance polling day.

4. Proxy voting is extended to members of air crews, forestry crews and topographical survey crews, and to trappers. Such electors, along with fishermen, mariners, prospectors, people who are ill or physically disabled, and students away from home during academic terms, may now arrange to vote by proxy.

In proxy voting, an elector who cannot cast a ballot in person on election day or at any other of specified times, may appoint another elector to vote in his or her place.

If you wish to vote by proxy, then either you or your proxy must apply in person to the Returning Officer for a proxy certificate.

If you are applying for proxy voting because of illness or physical incapability, you must present a certificate from a legally qualified medical practitioner. If you are a student, absent from your polling division during an academic term, you can apply to vote by proxy but must have a statement from the registrar of your college or school.

5. A qualified elector whose name is not on the preliminary list of voters may now more easily get on the revised list. This can be done by contacting the Returning Office prior to May 4.

6. Special provisions for temporary workers away from home have been extended to include students who are gainfully employed between their academic terms. In the past, such students couldn't vote if they were away from their ordinary places of residence. Now, they can vote in the electoral district where they are working if they arrived in the electoral district by May 1 and take action to have their names placed on the voters list during the period of revision May 2 and May 4.

Several other rule changes will apply to this election as a result of amendments to the laws.

Electors will no longer be required to show their occupation on election documents.

Ordinary polls on election day will be open 9 a.m. to 8 p.m., local time. Previously, they opened at 8 a.m. and closed at 7 p.m., standard time. All references to times in the new law men "local time."

An elector whose right to vote is challenged at a poll—because his or her identity is questioned—may now produce documents to prove identity. An oath is no longer automatically required.

Employers and employees, under new rules, may jointly agree to waive the provision giving employees four consecutive hours time off with pay to vote. Another rule change brings hourly-paid workers under the time-off-work provisions. Still another broadens the time-off provision to include all transportation companies, not just railways and their employees, as was the case in previous elections.

LIBERALS ALL—Prime Minister Pierre Trudeau takes a break from his hectic election pace to pose with Glengarry-Prescott-Russell MP Denis Ethier (on Trudeau's left). Other Grit supporters are from left, Philibert Proulx, Gerard Massie and Roger Charron, who serve as co-chairmen of Ethier's campaign. The Liberals have opened an office above the Alexandria Drug Mart and have also rented storefront windows at the Mill Square Pharmacy.

Safe spring planting

by Larry Swain

The spring planting season is one of the most hectic times of the year for the farmer. It is also the season when many farm injuries occur.

More than 25 per cent of the 2,200 reported lost-time injuries on Ontario farms last year occurred during April and May, says Larry Swinn, public relations co-ordinator for the farm Safety Association of Ontario.

"Many of these accidents occur when farmers rush to finish planting operations, and disregard safety precautions," he says. "Farmers work long hours at this time of year, but it only takes a split second for an accident to happen."

By following a few precautions, many accidents could be prevented.

Don't become too anxious to get to work on the land. Wait until the land is dry enough to work safely.

Make sure all farm equipment is in safe working condition. Before you start work on the land, replace worn or broken parts, and sharpen blades.

Check to make sure all shields and other safety devices on tractors and other farm equipment are in place.

Operate equipment properly and at a sensible speed for soil and weather conditions.

Equipment breakdowns can be costly and frustrating, but don't try to compensate for the downtime by rushing your field operations.

Regular maintenance during the peak operating season will reduce the risk of equipment failures. Mr. Swinn recommends daily checks on oil levels, belts, and hoses to help prevent major problems.

The 'MAN OF ACTION' for Stormont-Dundas

Although Ed Lumley has met many people in the rural area of Stormont-Dundas in his five years as our M.P., with the addition of three townships plus the many new residents locating in our area, we thought it would be a good idea to re-introduce our hard-working, respected candidate.

Born and raised in Windsor, Ontario, Ed Lumley graduated from Assumption University of Windsor with a Bachelor of Commerce degree. He is 39 years old, is married to a charming lady (Pat) and they have five children ranging in age from 1 1/4 to 16 years.

Employed by an international soft drink company in many capacities, Ed worked in various parts of the country primarily in sales management and independent franchise consulting. In 1964, he moved to Cornwall to become president of a private soft drink company which, over the next eight years, made several corporate acquisitions in Ontario and Quebec.

Active in his industry prior to pursuing a political career, Ed became the president of the Ontario Soft Drink Association and a member of the Executive Committee of the National Association. Ed concentrated the majority of his efforts in strengthening the viability of the independent Canadian businessman and as such, represented bottlers from across Canada in various negotiations with our federal and provincial governments.

A firm believer in community participation, Ed served on many boards and committees in the City of Cornwall such as the Cornwall General Hospital and Chamber of Commerce. At age 26, he was appointed the first chairman of the Marketing Advisory Committee at St. Lawrence College.

Prompted by his desire to rectify Cornwall's economic problems which at the time had unemployment levels of over 20%, Ed decided to run for his first political office as mayor of the city of Cornwall at the age of 31. During his three year term of office he again served on many boards and committees in the city and S.D.&G.

This period saw his appointment by the Treasurer of Ontario as a member of the OMERS Board, one of the five largest pension funds in Canada. He was also elected as a director of the Association of Municipalities of Ontario and chairman of the Board of Police Commissioners, City of Cornwall.

In July 1974, Ed divested himself of his business interests and ran for election as the Member of Parliament for Stormont-Dundas. He was of course successful and since going to Ottawa, has been elected chairman of the Ontario Federal Liberal Caucus and chairman of the Standing Committee on Regional Economic Development.

In October 1976, the Prime Minister appointed Ed the Parliamentary Secretary to the Minister of Regional Economic Expansion and in 1977 Parliamentary Secretary to the Minister of Finance.

Ed headed the Canadian delegation to the United Nations conference on Trade and Development at Geneva in 1978. Among his other most notable appointments in his five years in Ottawa he has also been a member of the Canadian delegation to NATO; two Canada-U.S. Interparliamentary meetings; a Commonwealth Finance Minister meeting and an International Monetary Fund and World Bank meeting.

As outlined, Ed has led a very busy life and no longer has any time for his life-long interest in athletic activities with the exception of the occasional game of golf or days fishing on the St. Lawrence River. Any leisure time is now spent with his family.

Ed is an honorary member of the Royal Canadian Legion Cornwall Branch 297, the Kinsmen Club of Cornwall and in 1977 he was the Upper Canada Jaycees nominee for the Young Canadian of the Year award.

The Stormont-Dundas Liberal Association is proud to sponsor this ad introducing Ed Lumley to the new constituents of our riding.

SPORTS in the GLENS

ANGUS H. McDONELL

The largest testimonial dinner crowd in memory, more than a half century, taxed the capacity of the Maxville Angus Gray Hall last Friday night paying a well deserved tribute to the retiring secretary-manager of the Kenyon Agricultural Society, Dr. "Don" and his able assistant "Vi" Gamble.

As we had predicted a week ago this would be a "Night to Remember." It was. In paying tribute from the rostrum, the various speakers tagged all the bases in brief but very sincere words of praise, closing with tangible gifts that will be fond memories for the Gambles.

Founding coach of the famed Maxville Millionaires, Osie Villeneuve turned back the pages of time by recalling how the young Russell graduate from Guelph Veterinary College was interviewed by representatives of the Millionaires and lured to Maxville to tack up his sheepskin and while developing his practise would be paid the unheard-of sum of nine dollars a week for lodging during the winter months. These remarks were followed by more and all of a laudable theme, apart, from the humorous slices cut by the roasters, sincerely relating the scope of the personal effort entailing countless hours of work in the interest of making Maxville and district a better place to live in from the very first night Doc Gamble played his initial game, a winner, with Millionaires as he scored three goals.

This remarkable achievement of distinguished citizenship and leadership plus general co-operation was best summed up by Dr. Fisher of Kemptville. This noted guest remarked that if the Maxville example of race and creed, regardless of origin, living, progressing and accomplishing great community feats together prevailed throughout Canada then there would be no need for reference to national unity in the current political campaign.

There was another, we thought, significant factor, a part of this memorable occasion. The revival of an ancient Glengarry tradition. Our ancestors as they laid their foundations in the Glens would just as sincerely as today pay a humble tribute of gratitude to the like of a retiring veteran log-school teacher or the main spring of the concession industry, a cheesemaker. Honoring a clergyman destined to move on to another church area was a must.

As time marched on it was the custom to occasionally gather in the dining room of an Alexandria, Maxville, Williamstown or Lancaster hotel and from the festive board laud a distinguished citizen.

And again as time marched on these testimonial occasions broadened in scope. This writer recalls two in particular of some 50 years ago. When that dignified educationist Donald McKay retired as principal of Alexandria High School, grads from far and near gathered to once more greet this lovable moulder of youth. (For the benefit of a present generation, Donald McKay's counterpart is Williamstown's "Wellie" Barrett.) Donald McKay was a traditional Scot in every way, notably in his frequent references to how he enjoyed his breakfast of oatmeal porridge. Among the tangible gifts was a purse of money presented in a large bowl liberally sprinkled with oatmeal. (Ask Sister Claire, she can tell you in detail.)

And there was the night in Alexander Hall when the faithful gathered to bid adieu to their young parish priest Father Gauthier on his way from St. Finnan's to Greenfield. In the midst of presentations, obviously well timed, down the centre aisle walked Dr. J. T. Hope and Ernest Ostrom heading a delegation from the Church on the Hill shouldering a writing desk and chair as their mark of esteem for the honored guest. And that folks, was long, long before any speculation of an ecumenical movement. It was Glengarry.

Time continued on its unreversible way. Then 20 years ago, representatives of Ontario Weekly editors joined their provincial and national award-winning colleague, Eugene Macdonald and The Glengarry News, supported by an overflow crowd of admirers at a testimonial dinner honoring "Gene" in the Alexander Hall.

Replying editorially, that distinguished wielder of the quill (he never mastered the typemill) that guided the Letter from Home to a lofty status, expressed the hope that this great tradition would live on.

Well, it is not every year or even decade that we have a Donald McKay, Father Gauthier or a "Gene" Macdonald to whom we can raise our glasses and propose a toast. But when the time came to include "Doc" Gamble with the lengthy list of illustrious Glengarry greats, the response to the pibroch call set an all-time record.

Now step up to the flood-lights a master organizer, Brian Arkinstall, Walter Blaney, a score of assistants and bow to a hearty and well deserved round of applause.

Regrettably we had to leave the Gamble party early as we were heading out Saturday a.m. on what became a 997-mile safari, partly in Glengarry Sports Hall of Fame missionary work . . . that took us from Kingston through the Miami of Ontario, Niagara Fruitland, on to London and back to the Glens . . . to the amazement of the missus she had no problem getting me home early . . . are you listening Don Fosberg, Angus R. MacDonell and John M. Kennedy?

By coincidence met a Toronto Glengarrian at the Newcastle gas bar (please note gas). I asked about the Punch Imlach speculation becoming Leafs GM and or coach . . . "No way" was the quick reply . . . continuing . . . "the Leafs and Gardens belong to Ballard . . . it's his money . . . no one tells him how to spend it . . . no one tells Punch what to do . . . there has to be one boss and it's either Ballard or Imlach . . . not both . . . that is why your GDHS two-principal suggestion is so ridiculous . . . only one to say yes or no."

"But you can speculate safely on this one" . . . our Glenner quipped . . . "John Wensink's top booster, Don Cherry, could well jog down the pike from Boston and coach New England Whalers in the NHL next fall." . . . "And how about Argos?" was our final query . . . answer . . . "It is still April, but by June they could once more be Grey Cup champs."

Skirted the "Hog-Town" by-pass in jig time . . . left the QEW at Grimsby where Benny Villeneuve and Bernie Sullivan enjoyed a great hockey winter years ago with the Peach Kings . . . scaled the escarpment at Beamsville where we were reminded by our co-pilot that a chic Glengarry granddaughter, Joann Brunet, is to be an early summer bride . . . pop Ernie is already practising the centre aisle two-step while mom Shirley is touring the fashion shops checking what the well dressed mother of the bride should wear.

In Vineland, Sheldon MacDonell told us Glengarrians up that-a-way are looking forward to watch Edmonton-Oiler Blair MacDonald on TV in next season's NHL telecasts out of Toronto, Montreal and Buffalo . . . driving through St. Catharines I'll swear we saw an obvious election-working lady in blue coveralls swinging a six-pound hammer driving posts down for a barn door size political sign urging a vote for Allan Pietz, PC . . . wonder if this could have been Mrs. John A. (Shirley) O'Connor . . . On to Welland and pickup Number Three at Port Colbourne . . . the tobacco fields of Delhi, Simcoe and Tilsonburg quite soggy . . . ditto in "Mitch" Hepburn's St. Thomas farmlands . . . and the hills of the Glens closer to seeding than the London area.

MacLeods plan memorial

by Helen MacLeod

Our beloved Chief Flora MacLeod of MacLeod, D.B.E., devoted many years of her long life to organizing and sustaining Clan MacLeod Societies in Australia, New Zealand, Canada and the United States of America as well as in the United Kingdom.

Dame Flora MacLeod

She visited societies in these countries, including our own here in Glengarry, and inspired members even in her nineties. Because she dealt in things of the spirit—ties of family, love of home, kinship between peoples—her name and memory will undoubtedly remain with us, her reputation growing with the passing years.

She founded and continued the Parliament of the Clan. With her great gifts of charm and warmth, she gave the Gaelic word "clann" its literal meaning. Those who were interested in being members of the clan felt themselves to be members of her personal family.

At the Clan Parliament of 1978 which Chief Flora, sadly, did not live to attend, it was decided to erect in her memory, in or near the village and castle of Dunvegan in the Isle of Skye, a community centre to be a meeting place and centre for the Clan MacLeod.

The proposed building will consist of the Community Centre Hall to seat over 400 people, to be used for amateur and professional theatre and music productions, for concerts of classical, traditional and modern music, for piping, and for dances. It will serve as a cinema and cater for a variety of indoor sports. The Lesser hall to seat 190 people—to be used for smaller functions, rehearsals, local activities, meetings, seminars and shows. Exhibition Area, in the heart of the centre, will be used for displaying aspects of local history, topography and geology. Library—containing books relating to MacLeod and West Highland history genealogy music and folk lore, etc. Hostel—containing dormitories with self catering facilities, for men and women, will be available to visiting clans folk.

Those who will benefit are the people of the Isle of Skye—particularly the community of Dunvegan, visitors to the island, and members of the Clan who are able to visit the part of Scotland from which they originate. The centre will give the Clan MacLeod, as an organization, a physical base at Dunvegan.

We are confident that with the full participation of all members of the Associated Clan MacLeod Societies, it will give us the chance to dedicate a fitting, exciting, challenging, and above all, a "living" memorial to our late beloved Chief.

Anyone wishing to donate to the above memorial fund may contact our President, John Keith MacLeod, our treasurer Dorothy MacCrimmon or secretary Helen MacLeod, all of Dalkeith, Ont. Donations will be received at the Spring Creek Ceilidh being held at the Bonnie Glen on June 2. Receipts valid for Canadian tax purposes will be given for donations of $10 or more.

The Glengarry News

ALEXANDRIA, ONTARIO, WEDNESDAY, MAY 2, 1979

Man his own worst enemy

Man's worst enemy is undoubtedly himself.

For a million years, human beings have been developing their bodily defences against the earth's natural hazards, such as smoke, dust, disease, and a host of predators and parasites.

The strongest of the species survived and passed their strengths onto succeeding generations.

It would appear, however, that we are on the verge of obliterating these years of progress by introducing new, man-made hazards almost daily.

In a recent interview, Dr. Donal Chant, vice-president of the University of Toronto and founder of Pollution Probe, stated that there are now about 150,000 man-made chemicals in the world.

"Yet we know precious little about most of them," he said. "Some of them may be as deadly as DDT."

Most of these new chemicals, Chant pointed out, contain impurities about which we know nothing—particularly concerning their effect on humans.

The substances, however, are finding their way into the environment, into our food, water and air.

In the name of progress and employment we are rapidly destroying the rich heritage that belongs to all Canadians.

Acid rain is a prime example. Already more than 20 per cent of the lakes in the Sudbury area have been acidified and lost their fish populations.

Sweden, it is predicted, will lose half her 90,000 lakes within 10 years due to the same problem.

Coal burning generating stations are a major culprit as are industries that burn fossil fuels on a large scale. Chemicals are released to the air, are carried in the clouds and react chemically to form an acid rainfall.

"Plastic smoke" is another danger that is only now being recognized.

This problem received nation-wide attention recently when six Ottawa policemen were overcome by fumes when a short-circuit melted the covering on electrical wiring.

Luckily, all escaped the serious lung or heart damage that was a very real threat, according to medical spokesmen.

"It is a virgin field, plastic fumes," a health officer stated. "It's a field that's just now developing."

The list is endless. Our approach to chemicals is that they are innocent until proven guilty. Often, that proof comes in an awesome form.

We should expect more from the chemical companies. They should be required to thoroughly test new products before placing them on the market so that all possible side effects are known before the fact. Humans are not guinea pigs.

Artisans gaining recognition

Guest editorial by Gerry Elliott

At a recent sales fair The Glengarry Arts and Crafts Association reported record attendance and sales at their ninth annual Spring event. Customers came from many parts of Quebec and Ontario as well as our three counties. Judging from the harmonious spirit between artisans and customers alike and even the weatherman's fine contribution, another success story was realized for this association.

Looking over the roster of this organization one finds members whose paintings can only be described as "fine art" and in their craft products, one finds skilled workmanship, imagination, diversity and creativity. Age is hardly a factor. The gamut runs from the recent university or college graduate to a successful businessman or businesswoman in a second career, to senior citizen. Some work in crafts part-time while others are full-time professionals who work from their home. Since many members participate in craft sales in such places as Ottawa, Montreal, the Maritimes, etc. and sell on the wholesale market across the country to prestigious craft shops, galleries, etc. their work is at least on a par with the best in the business.

On the surface, it seems unrealistic that an organization of this calibre could be found in our midst, but it is a fact that with greater urbanization and industrialization creative craftsmanship is thriving. A craftsperson seeking membership in this organization must pass a juried examination of his work resulting in a perpetual high standard of crafts to be sold 'in the marketplace.' Also, and often regretably there is a long waiting list of potential new members whose skills may be excellent but limited category restrictions place his or her name on the "waiting list."

An association of this kind does not come into prominence through wishful thinking. The charter members (and at least five are still active at this time) used foresight, fortitude and enthusiasm to make Glengarry Arts and Crafts an outstanding organization. Other factors such as excellent leadership throughout most of its eight years have played a major role.

Craft buffs who live in both city and country or who live in the city only are known to express astonishment and delight upon discovering such talent "in the Glens." They soon reveal their pleasure in buying unique arts and crafts at reasonable prices.

If you should be one of those in our area not yet aware of this valuable resource in your community do avail yourselves of the opportunity to visit their next sale which will take place at the historic Nor'Westers' Museum, Williamstown, in October.

"We want to work in the city, that is where things happen," the young folk say.

They should follow our editorial staff around some time and see what is offered for variety in our county which includes a few small towns.

Being the good-hearted souls we are at the office here, we usually tell Robbie it is his privilege to do the photography on weekends. He's young and he is still single and what could be more exciting than making the county rounds, we try to convince.

Of course once in a while he gets a weekend off. Provided he gets far enough away before his phone rings. Like this past weekend when he had to move a very important person home from college.

It so happened two of our other staff who can chase around after photos were also away and that cut the picture-takers down to Lindsay and myself. And it was a real fun weekend.

First of all, there was Doctor Gamble's "roast" in Maxville on Friday night. It was an unusually enjoyable assignment with the most outstanding collection of jokes I have ever heard in one evening. It was also a Glengarry News Cup competition, and Apple Hill had been leading three games to two so it was a race back to Alexandria to see if they took the fourth game and there would be the trophy presentations.

Saturday afternoon was 4-H Award Day at Glengarry District High School, another great day we intended to enjoy as we covered. However we had to call on Mary Michels to get behind the shutter for us as we were involved in the funeral of a friend.

Saturday night was more Glengarry News Cup action and who again knew if the series would end unless we attended to find out. It was also the big awards wind-up for the broomball leagues and Lindsay took over as shutter-bug.

Sunday finally told the tale for the News Cup—joy for Dalhousie but a heartbreaker for Apple Hill who didn't let the guards down until the final whistle. In such a terrific game it is tough someone has to lose.

It was Bread Blitz Day for the Richelieu Club and Initiation Day for the Daughters of Isabella.

In our dance halls and local pubs—the entertainment is endless and of a competitive variety for the folk to take their pick.

If the outdoors is your choice, it was a great weekend to go hiking in the bush or along a creek or seeing the new life push up through new earth.

A typical Glengarry weekend—but if you think it is all fun and games just ask Robbie because he is on first call to grab the camera and run when the phone rings.

Of course, if this newspaper stuff gets in one's blood, and it does, it isn't the kind of life you want to change.

But just don't tell us life is more exciting in the cities. You'd have a hard time to convince us.

Perspective

NDP plays role

A vote for the NDP is a wasted vote.

How often I've heard that.

The New Democrats have never been in a position to form the government of this country and it is unlikely they will ever be a threat to either the PCs or the Liberals.

As the third major party, however, the role the NDP has played in shaping Canadian policy is much underrated.

In a minority government situation, the NDP has proven its ability to stimulate significant changes in our economy. The party's most notable accomplishment was making the formation of Petro Canada a condition of supporting the last Liberal minority government.

While in a majority position, the Liberals had ridiculed the NDP's plan of forming a crown corporation to protect Canada's oil interests. Today, the Grits are beating the drum as if it were their own idea.

The value of having a third political party in our government is that it keeps the two establishment parties on their toes. Say what you will, there are more similarities between the PCs and the Liberals than differences. In fact, these similarities have proven very embarrassing at this election time.

Take the mortgage deductibility scheme.

At least one Conservative MP has found himself back-tracking in view of his party's latest stand.

In 1977, MP Bill Clarke of Vancouver, denounced his Liberal opponent's suggestion that mortgage payments be a tax deduction.

The Tory MP said the plan would encourage taxpayers to mortgage their houses to retire other high interest loans or acquire new durable goods, would drive up mortgage rates and would be unfair to tenants—the same arguments now being used by Liberals against the Conservative scheme.

A Liberal candidate has also found himself on the wrong side of his party's policy. He originally favored a mortgage deductibility scheme.

It was the same with wage and price controls. The Conservatives originally favored controls and then denounced them. The Liberals did the reverse.

Whether one likes the NDP's policies or not, one must admit that the party is at least consistent. It has formed well-defined policies which have managed to withstand the ravages of both time and political expediency. It didn't like wage and price controls before they were implemented and it didn't like them when they were implemented.

Unfortunately, the art of Canadian politics is adaptability. Both the major parties spend much time and money determining the public's "mood." Taking heed of that old saw—"If you don't like my principles, I have other ones"—the strategists treat policy as just another consumer commodity. The quality of the good is a secondary factor to its marketability. Once the public attitude for a given month is established, the party fashion designers sit down and begin cutting out new policies and altering the old ones to suit the political season.

By contrast, the NDP refuses to compromise its beliefs and methodically plods away election after election hammering away at the same old issues.

The New Democrats will never be elected because they make it perfectly clear what they stand for, and people won't buy it.

That's the price of honesty.

Students at GDHS are showing the way

The editor,
The Glengarry News:

The "Head Line" in April 18 News—"Racial Split not wanted by students" was an eye catcher, and prompts this Glengarry citizen to say to GDHS Students' Council "more power to your elbow," so well expressed by the old saying.

This decision by the Students Council is deeply appreciated by area people. We say "God Bless You" GDHS Students Council, as you work towards a United Canada.

Today's students are tomorrow's voters. Our governing powers seem intent on dividing Canada. It is all people working together that will keep Canada a country people can live in, if justice and goodwill prevail. Who said, years ago "He who honors not the past has no future"? Another—The country needs good men to do something.

May the spirit of the GDHS Students Council spread abroad.

Sincerely,
A Loyal Canadian

Searching for its identity

Nairn Drive,

April 21, 1979

The editor,
The Glengarry News:

This picture was sent to me by the Public Archives of Ontario for possible identification.

Though much about it, steeple shape, roof line, windows in side chimney location and shed location suggest the old St. Columbkill Chapel at Avondale, the door and window arrangement at the front of the church say it can't be. St. Columbkill within living memory had two doors in the front of the church.

The picture came to the Archives from an old Glengarry family who until recent times have lived in southwest Charlottenburgh.

I would appreciate it if you would print the picture with the pertinent information, even if you bill me for the space. Somebody may recognize it.

Sincerely,
Ewan Ross

P.S. Don't bother to return the picture. I have a copy of it.

If you can provide new jobs for Ontario's Youth, Ontario will help pay their salaries.

If you operate a business or farm and create new jobs between April 30 and October 21, 1979, you may apply to the Ontario Youth Employment Program for a grant of $1.25 an hour (up to a maximum of $50.00 a week) towards the wages of each eligible youth you hire for those jobs.

Apply early. Grant funds are limited.
If you wish to employ a young person any time during the program's duration submit your application as soon as possible. Applications are processed as they are received. Deadline date for application is July 3, 1979 or earlier, should all funds be allocated.

Eligible Employers
are those who have been actively engaged in business or farming for at least one year prior to April 30, 1979 at each Ontario business location for which grant application is made.

Eligible Employees
must be at least 15 but not yet 25 years old on April 30, 1979. They must reside and be eligible to work in Ontario. They must not be related to the employer as defined in the Ontario Youth Employment Act.

Program Duration:
The program is in effect for 25 weeks from April 30 through October 21, 1979. An employer is not required to hire a youth for the full 25-week period.

Terms of Employment:
To be eligible for funding, a position created must be in addition to regular and seasonal employment normally provided during the program period. It must provide a minimum of 25 hours of supervised employment per week for at least six weeks.

Grants:
Employers may qualify for grants for up to 150 manweeks of employment at each eligible business location. For example, if you wished to make use of the maximum grant available you could hire 10 young people for 15 weeks each, or 6 for 25 weeks each, or 15 for 10 weeks each. Approved employers will receive a grant of $1.25 an hour up to a maximum of $50 a week (40 hours) for each young person hired under the program.

Hiring of Employees:
Before you hire an employee under the program you must first receive written approval from the Province.

Last year the program approved 40,000 new jobs for young people throughout the province. If you think you would be eligible for funding under the program we invite you to apply.

For further information on the Ontario Youth Employment Program and application forms, please contact: Ministry of Intergovernmental Affairs, Subsidies Branch, Queen's Park, Toronto M7A 2R8. Telephone 1-800-268-7592 (toll-free). In Metro Toronto, telephone 965-0570. In Northern Ontario (Area Code 807) call Toronto collect at 965-0570. Please call between 8 a.m. and 5 p.m. Monday to Friday.

Learning of contribution

The history of the Caughnawaga and St. Regis Indians and their contribution to the Loyalist cause during the Revolutionary War will be the topic for the May 6 meeting of the St. Lawrence Branch of United Empire Loyalists' Association says R. M. Scott, branch president.

Mrs. Violet Hare, a vice-president has arranged for the meeting to be held in the Iroquois Civic Centre at Iroquois. Registration will begin at 1:30 p.m. and the meeting at 2 p.m.

Gerry Rogers, Secretary of Heritage Branch, Montreal UEL Association, and a member of the Caughnawaga Historical Society is well qualified to present this informative and interesting topic.

Mrs. Helen Lane of Ingleside, convener of the Social Committee has made plans for a pot luck supper to follow the meeting. (Members, check your last news letter.)

Since St. Lawrence Branch received its Charter in September 1978, interest continues to be on the increase according to inquiries, says Branch Genealogist Lynne O'Brien of Morrisburg. More persons are delving into family histories, church records and seeking proof of lineage in order to become a member of the United Empire Loyalists' Association of Canada.

History tells us there were countless families who settled along the St. Lawrence River during the American Revolutionary War. Therefore in this area there is a golden opportunity for many to begin now to work on their ancestral Loyalist background and heritage and by so doing, help to keep alive this very important part of our history.

Information and applications can be obtained from Branch Genealogist or by attending the meeting at Iroquois on May 6 next.

We are sorry to say goodbye to Barry and Henrietta MacSweyn, who are moving to the Dalkeith area as of May 1. We wish them good-luck and happiness in their new home.

Kathleen Phillips, Dunvegan, together with John and Edith Cutt of Kingston, attended the 50th wedding anniversary of Fred and Doris Metchette of Greenfield Park, Que., on Saturday, April 21.

Peter and Stacy Goddard, Jocelyn and Laura, originally of Lake of Two Mountains, moved into their home on the weekend. They bought the farm at Skye from John Keith and Marvel MacLeod, and moved here from Chesterville, where they were living temporarily. We hope that they enjoy their new home and that we will see them out to some of the activities of the community. Welcome to Dunvegan!

We extend our sympathy to Donat Duval on the death of his brother, William Duval. We were glad to hear that Donat is home from hospital after quite an extended stay.

We are happy to report that Mrs. D. D. MacKinnon is also home from hospital.

Visitors with John and Marion Loewen on the weekend were Edwin and Marianne Collin and David, of Greely, and for dinner on Sunday, John and Donna Loewen, and Steve, and a friend Sylvia, of Lunenburg. Barbara and Yvon Ladouceur and Gabriel of Green Valley called in on Sunday.

Mrs. Isabel MacLeod and Mrs. Flora Chisholm will attend the Officers Conference of the Women's Institute at Waterloo, Ont., this week.

Dunvegan WI installs officers

by Isobel MacLeod

The annual meeting of Dunvegan Women's Institute was held on April 19, at the WI Hall.

The president, Mrs. Lloyd Nixon, opened the meeting with the Institute Ode and the Mary Stewart Collect. The roll call was answered by payment of fees.

Appreciation was expressed by the members to the leaders of the 4-H Course on Needlepoint, Mrs. Lynda Heinsma, and Mrs. Linda Fraser. Members were reminded that the Achievement Day for this Course would be held in Glengarry District High School on Saturday, April 28, at 1:15 p.m.

Mrs. Dan MacRae, past president, was chosen to preside for the election of officers. The following were elected to serve for the year 1979-80.

Past President Mrs. Dan MacRae, President Mrs. Lloyd Nixon, 1st Vice-President Mrs. Mack MacRae, 2nd Vice-President Mrs. Leslie Clark, Secretary Mrs. Wm. Calder, Treasurer Mrs. Norman MacLeod, (Glen), District Director Mrs. Dan MacRae, Alternate Mrs. Mack MacRae, Public Relations Mrs. Norman MacLeod (Skye), Curator Mrs. Wesley Chisholm.

Conveners of Standing Committees are: Agriculture and Canadian Industries, Mrs. Ruth Alderson, Citizenship and World Affairs, Mrs. Marion Loewen; Education and Cultural Activities, Mrs. Neil MacRae; Family and Consumer Affairs, Mrs. Dona Addison, Resolutions, Mrs. Mary Fraser.

Branch Directors: Mrs. J. W. Fraser, Mrs. Ian MacLeod, Mrs. Dan MacRae. Auditors: Mrs. Neil MacRae, Mrs. Joanna MacLean.

Delegates to the District Annual to be held at Martintown on May 14, are: Mrs. Lloyd Nixon, Mrs. Dan MacRae and Mrs. Wm. Calder.

Mrs. J. W. Fraser called a program planning meeting for May 9. All conveners are requested to have their mottos and roll calls ready.

It was announced that the next meeting would be held on May 31 at 8:30 p.m.

The meeting closed with singing God Save the Queen and a delicious lunch was served by the hostesses.

Cards of thanks

THEORET—I wish to thank everyone who attended my bridal shower and for the beautiful gifts I received. Special thanks to those who organized it or helped in any way.
—Joanne Theoret. 18-1p

SCOTT—We want to thank all the kind people who sent us cards, gifts, visited us while in Glengarry Memorial Hospital and for phone calls at home. Special thanks to Dr. Roman, Dr. Jaggassar, nurses and staff. Thank you to Dr. Anderson and nurses in Hotel Dieu Hospital, Cornwall.
—James and Winnie. 18-1c

LEDUC—We would like to thank all those who sent flowers, mass cards and the help received at the time of Richard Jr.'s death. Also thanks to those who attended the funeral and pallbearers Albert Derouchie, Maurice Leduc, Gregory Cooper.
—Claudette and Richard. 18-1p

GAMBLE—I sincerely wish to thank each and every person who turned out for the "Doc" Gamble roast Friday evening. You certainly made it a memorable occasion and one which we will never forget. A very special thanks to Brian Arkinstall, Walter Blaney, Wayne Fraser, Bill Metcalfe and their workers; also to "General" Grant, the roasters, the pipers and dancers. I wish also to thank the Kenyon Agricultural Society, the village of Maxville council, the government of Ontario and the committee in charge, for their awards and the many cards, letters and gifts received before and since.
—D. W. Gamble. 18-1p

MONTPETIT—The whole family would like to express their thanks to relatives, friends and neighbors who extended their sympathy by visiting the funeral home, by forwarding donations to the Canadian Cancer Society and for attending mass in Williamstown. Special thanks to the pallbearers, the choir who sang selected hymns and to the Ladies' Guild who prepared and served a delicious luncheon after the funeral service.
—Sincerely, the Oscar Montpetit family. 18-1p

FERGUSON—On behalf of my sister, Christena Ferguson, I wish to thank the many friends who have been remembering her with letters and cards during her present illness. Your kindness is much appreciated.
—Edith Ferguson. 18-1c

KENNEDY—To my sons Duncan and Mac, my daughter-in-law Katalin, the many relatives and friends both locally and those who travelled many kilometers—my sincere thanks for a wonderful retirement party.
—Elizabeth F. Kennedy, Dunvegan, Ontario. 18-1c

Insulation hazard reported cause of numerous fires

Recessed lighting fixtures covered with insulation may have been the source of a number of recent fires, according to the Canadian Standards Association (CSA).

Homeowners that have recessed lighting fixtures projecting into insulated ceilings or attics should check to make sure that the insulation is not covering the fixture.

Recessed fixtures covered with insulation could create sufficient heat to start a fire.

Recessed lighting is any lighting fixture that projects into an attic space or space above a ceiling.

British Columbia has legislated that recessed fixtures are not allowed to be installed in any type of occupancy where there is thermal insulation.

CSA is urging people to check their attics and other ceiling spaces to make sure that insulation is at least six inches away from any recessed lighting fixture.

Even fixtures that have been enclosed in boxes may cause overheating if the box and fixture have not been authorized by the provincial electrical inspection authority.

So far over a dozen recent fires across Canada have been attributed to insulation covering lighting fixtures according to the International Association of Electrical Inspectors who held a seminar in Toronto last weekend and requested that consumers be warned of a potential hazard.

Many do-it-yourselfers or new people in the insulation installation trade may be unaware of a Canadian Electrical Code clause that stipulated "recessed fixtures shall not be used when blanketted with thermal insulation."

The Canadian Electrical Code is a CSA standard and has been generally adopted by the provinces.

Wheat farmers face possible bad year

Canada's wheat farmers could be in for a difficult year, according to the Bank of Montreal's latest agricultural newsletter.

The First Bank Farm Profit Management newsletter forecasts that "reduced delivery opportunities, stable to lower prices and high farm inventories will mean reduced cash flow positions" for 1979.

With world wheat supplies at a record high, Canada's chances for increased sales have been seriously hampered by transportation and handling bottlenecks. As a result, wheat exports are off last year's pace by 12 per cent with little prospect of catching up.

In view of a predicted one-third carryover of the 1978 Canadian crop and no decrease in world wheat acreage this year, yields will have to fall off substantially to affect supply and create enough of a shortage to boost prices, the newsletter says.

EDUCATION
WHAT YOUR DOLLAR PROVIDES

The Stormont, Dundas and Glengarry County Board of Education received its audited financial statement for the 1978 year on March 27, 1979. This statement is printed here for the information of all ratepayers.

The Board of Education provides full programs for elementary and secondary students as well as special instruction for retarded children. We provide special services and transportation. We maintain over 50 buildings and sites. We have launched a program to provide alternatives in education. We are educating over 17,000 young people and employ over 1,000 personnel.

In short we are providing our children with the best possible grounding for the future.

THE COST of Education **$12.98 per student per day [secondary]**
$9.04 per student per day [elementary]

NOT A VERY LARGE SUM OF MONEY WHEN YOU REALLY THINK OF IT.

Every attempt was made in 1978 to restrain expenditures and ease as much as possible the burden on local ratepayers. This effort has been continued in the 1979 budget. However, it should be pointed out that there was an under levy in 1978. What this means is that the Board did not collect enough taxes in 1978 and this money will therefore need to be collected in 1979.

The under levy quite simply was caused by the following:

1. The Board attempted to negotiate settlements with all employees for a 4% raise. This settlement, however, reached 8%.
2. The price for all utilities and oil went up more than expected.
3. The Board needs to borrow money to operate and interest rates increased significantly.

T. R. Leger,
Secretary of the Board.

Eugene Legault,
Chairman of the Board.

AUDITORS' REPORT

TO THE SUPPORTERS OF
THE STORMONT, DUNDAS AND GLENGARRY COUNTY
BOARD OF EDUCATION

We have examined the Balance Sheet of The Stormont, Dundas and Glengarry County Board of Education at 31 December 1978 and the Statements of Revenue Fund Operations and the Statement of Capital Fund Operations for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as we considered necessary in the circumstances.

In our opinion these financial statements present fairly the financial position of the Board at 31 December 1978 and the results of its operations for the year then ended, in accordance with accounting principles generally accepted for Ontario School Boards applied on a basis consistent with that of the preceding year.

NOTES TO FINANCIAL STATEMENT
31 DECEMBER 1978

1. ACCOUNTING POLICIES

The following is a summary of accounting policies of the Board considered significant:

(a) Accrual Accounting
The accrual method for reporting revenue and expenditure has been used with the exception of reporting of charges for long-term liabilities. Principal and interest are not accrued from the date of payment to the end of the fiscal year.

(b) Fixed Assets
Expenditure for fixed assets is charged to current expenditure unless financed by long-term debt. Principal and interest charges on long-term liabilities are included in expenditure in the period due.
Fixed assets, described as capital outlay to be recovered in future years, are included on the Balance Sheet only to the extent of the balances of the related long-term liabilities outstanding and of the related temporary financing at the end of the fiscal year.

(c) Long-Term Liabilities
Debentures are recorded as unmatured debenture debt in the year of sale.

2. RESERVE FOR 1978 TAX REDUCTION - SECONDARY

Legislation requires that where monies raised by a school board through local taxation is not required by reason that salaries and wages of employees are not paid because of a strike or lock-out of such employees during the year, the net savings are to be placed in reserve and are to be used to reduce the requirement for local taxation in the next following year.
During 1977 such a strike (or lock-out) occurred and the Board placed monies in reserve for return to the ratepayers in the form of 1978 tax reductions as follows:
Secondary School Supporters - $393,924

3. RESERVE FOR WORKING FUNDS

The reserve for working funds at 31 December 1978 is applicable to the elementary and secondary school operations of the Board as follows:

	1978	1977
Elementary	$ 300,000	$ 300,000
Secondary	200,000	200,000
	$ 500,000	$ 500,000

4. CONTINGENT LIABILITIES

Retirement Gratuities Plan
Under this plan unused sick leave can accumulate and employees may become entitled to a cash payment when they leave the Board's employment.
These accumulated days, to the extent that they may be used to determine the cash payment to an employee on terminating, amount to $4,013,743 (1977 - $2,832,835) at the end of the year. It is the Board's policy to include in expenditure of the year in which the amount becomes payable the retirement gratuities due to an eligible employee upon retirement. Therefore no provision has been made on account of the retirement gratuities plan. Payments under the various plans during 1978 amounted to $114,175 (1977 - $89,641).

5. DEBT CHARGES AND CAPITAL LOAN INTEREST

(a) Current Expenditure
The expenditure for debt charges and capital loan interest reported in the Statements of Revenue Fund Operations includes principal and interest payments as follows:

	1978	1977
Secondary		
Payments on long-term liabilities:		
Principal	$ 569,549	$ 616,722
Interest	1,131,295	1,174,364
	$ 1,700,844	$ 1,791,086
Elementary		
Payments on long-term liabilities:		
Principal	$ 358,826	$ 368,194
Interest	232,958	257,714
	$ 591,784	$ 625,908

(b) Net Long-Term Liability Repayments
Of the long-term liabilities outstanding of $17,006,631 principal, amounting to $5,262,731 plus interest amounting to $5,781,077 is payable over the next five years as follows:

	Principal	Interest	Total
1979	$ 1,002,276	$ 1,304,265	$ 2,306,541
1980	1,051,455	1,232,495	2,283,950
1981	1,115,800	1,156,905	2,272,705
1982	1,055,400	1,081,367	2,136,767
1983	1,037,800	1,006,045	2,043,845
	$ 5,262,731	$ 5,781,077	$11,043,808

6. 1977 OVER [UNDER] REQUISITIONS

The previous year's over (under) requisitions have been adjusted to reflect decreases in the final amounts received by the Board from the Government of Ontario on account of 1977 general legislative grants from those reported in the Board's 1977 financial statements, as follows:
Secondary school purposes $14,342
Elementary school purposes $ 2,239
The 1977 comparative figures have been adjusted accordingly.

7. FIRE LOSS

During December 1978, Nationview Public School sustained major damage by fire. Management has estimated the total damage to be approximately $925,000. Insurance coverage will provide proceeds up to the replacement value of the damaged building, less a deductible amount of $5,000. The current financial statements reflect the effects of the fire only to the extent of actual costs incurred to 31 December 1978 and related insurance claims submitted. The amount of these costs and related insurance claims are $89,219.

Lumley defends new building

Stormont-Dundas MP Ed Lumley has reacted strongly to the NDP candidate's charge of political opportunism concerning the holding of the official opening of the $60 million Transport Canada Training Institute in Cornwall during the election campaign.

"It is a most unfortunate comment" said Lumley, "as was the implication given by the unidentified reporter in the Standard-Freeholder's Saturday night scuttlebutt column. However I must admit that I half expected Mr. Brian Peters to make a statement of this nature since one of his first public comments during the campaign was directed at the funds expended on the Training Institute.

"I originally decided to disregard his previous remarks concerning the Institute and I understand his frustration at seeing the federal government receive credit for a major benefit which accrued to our area."

Lumley said Peters was invited to attend a special tour provided for the City and County Councils several weeks ago since it was organized on a non-partisan basis.

"Unfortunately, Mr. Peters did not speak out during his attendance and has chosen this occasion to generate some publicity for his campaign.

"A little research would have indicated that when construction was initiated in the fall of 1975, it was anticipated that the Institute would be operational by September, 1978. Unfortunately, because of some industrial disputes the facility was not even partially opened until early this winter.

"Since nearly every Canadian expected that the federal election was going to be called in the Spring of 1978, there was never any consideration of the opening being held during the election.

As a matter of fact it is now most unfortunate that because of the prime minister's schedule during the campaign, it is impossible for him to officially open the institute as was originally requested several years ago.

"Needless to say I am honored that my friend and colleague the Minister of Finance, the Hon. Jean Chretien, has agreed to officiate at the opening ceremonies. As the minister responsible for the government's decentralization program, he was most instrumental in the decision to proceed with the Institute.

The economic benefits that will be generated locally by the annual operational expenditure of $10-12 million will be felt for many years to come, Lumley says.
