Angry citizens demand Hess Road become traditional Saving Street

by Louis Daignault
Leader Staff

WILLIAMSBURG — "I'm sorry to see this has developed into a war."

Those were the words of Williamsburg township council member Lyle Van Allen as council again, reversed a previous decision and changed the Hess Road name to Saving Street.

A 14-person delegation marched into the council chambers here Saturday afternoon, waving their petition, saying most residents on Concession Road 6 wanted it called Saving Street.

Last month a five-person delegation also armed with a petition claimed 98 per cent of the residents wanted Hess Road. At that time council opted to keep the Hess Road name after having changed it, on their own, to Saving Street in November.

"Changing the road name is like the scientist who built the robot", said reeve Johnny Whitteker. "It's out of control."

Clerk Mike Waddell said on Monday the in-camera vote was carried.

The Saving Street delegation was led by Keith Beckstead, who was sporting a Saving Street shirt and wanted the name change because of tradition.

"Saving Street goes back for generations," said one of the delegates; "If you investigate accounts at the bank you'll see some still have the Saving Street address." That remark prompted roars of laughter.

"It's just a traditional name," added Whitteker.

Council members then gave their opinions to the delegation. Glenn Cunningham said he just wants the majority to be happy.

"At the first meeting (in November) I thought Saving Street was a catchy name," he said. Then at the second meeting a delegation was here for Hess Road and there was nobody against it."

Cunningham continued, saying council will have to analyse the petitions. But since some people signed both of them he added it would be difficult.

"I signed both petitions to avoid any problems," admitted one delegate later.

"Hopefully people will accept the decision (by council)" added Cunningham, "and accept it in a democratic manner. There's no doubt some people will be hurt."

Gord McNairn suggested council make an independent poll to settle the issue once and for all.

"I'm for the majority," he said. "We should give people a couple of weeks to think about it and do a poll on our own. It's the only fair way we can do it now."

"I can't see what would be gained by taking two weeks to make a survey," replied Whitteker.

Lyle Van Allen was in agreement with his counterparts, also hoping that the majority rule.

"At the last meeting (December) I didn't see that," said Van Allen who mentioned at the time, he had done a survey of his own and found not everybody wanted Hess Road.

"I hope that when this is over we'll still be friends," said Graham Hess. "I don't want to go out and not have my neighbor speak to me."

Hess explained the main reason he is against Saving Street is because it would be an inconvenience to his son Richard who runs Hess Farm.

"There's no war about it," said Beckstead, "Saving is just an old traditional name."

Even the Morrisburg Leader was accused of causing whatever animosity existed between Concession Road 6 residents.

"I blame the newspaper for all of this," said one delegate.

Most Council members agreed the whole situation must come to an end.

"We don't need another delegation," said Whitteker. "I agree," said Cunningham. "The longer this goes on the more the lobbying will continue."

Hess to keep silent

Louis Daignault
Leader Staff

WILLIAMSBURG — The leader of the Hess road delegation, Richard Hess says he will not go back to council to request Saving Street be reversed to Hess Road.

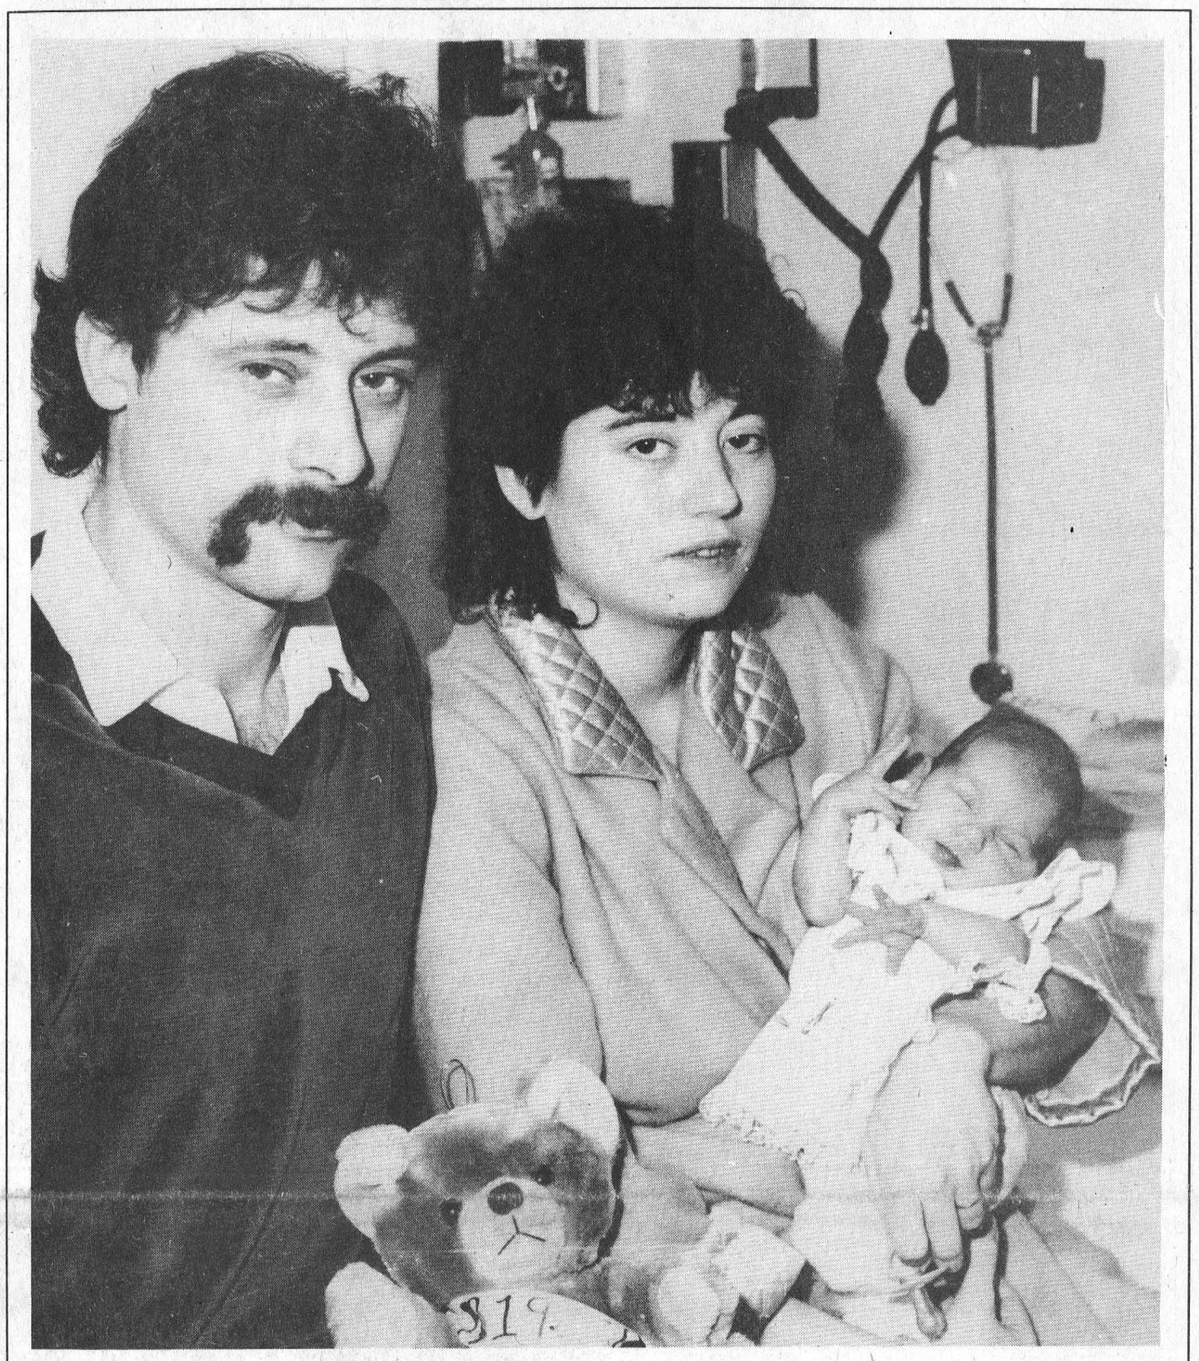
"Council wanted to get it settled," said Hess. "I can live with it. It hurts my business a little bit but it's no problem. I don't want to make enemies."

Hess mentioned the Saving Street delegation came to his house. "They couldn't give me an explanation why they wanted it called Saving Street."

"I admitted at the council meeting before, that it was once called Saving Street. I wasn't trying to shoot down Saving Street. But it's been Hess road for the last 17 years."

Why some people signed both petitions was hard for Hess to understand.

"Our petition was done in good faith to protect myself, the people and the road," he said.



New year . . . new baby

Sara Lee Pynenburg enjoys the distinction of being the first baby born at Winchester and District Memorial Hospital in 1987. Sara Lee was born on Jan. 3, at 6:07 a.m. and is the first child for parents Cindy and Michael of R.R. 2 Moose Creek. In honour of her timely appearance, the baby was presented with a new dress and a teddy bear by the Winchester Hospital Auxiliary.

Sod turning marks beginning of recreation centre construction

by Judith O'Brien
Leader Staff

WILLIAMSBURG — The new recreation building in Williamsburg moved one step closer to reality Monday, as the North Williamsburg Recreation Association committee members and Williamsburg Township councillors joined in a ceremonial sod-turning at the proposed site.

The recreation association has been aiming for a new facility since vandals burned the washroom facilities at the township ball park to the ground on Hallowe'en night, 1985. The committee received a $45,000 Wintario grant in October enabling it to develop plans and call tenders. Peter Swank Construction of Matilda Township was awarded the tender at a council meeting in December, and recreation Chairman Ron Froom said construction will begin as soon as the frost is out of the ground.

The Williamsburg Recreation Committee was formed by bylaw in September 1948. The present rink shack was built in the late 1940's in the old ball park in the east end of the police village of Williamsburg. Reeve Johnny Whitteker, who has been a council member since 1954, said the shack was moved to its present site in 1958-59.

The new facility will measure 32 feet by long by 46 feet wide, with a 20 foot long canopy. It will be situated along the east end of the tennis courts, and will include washrooms, change rooms, a year-round meeting room and snack bar.

Froom said in addition to the Wintario grant, another $45,000 will have to be raised in the community to cover construction costs. The recreation committee will begin a door to door canvassing campaign in the township Jan. 13-15, and will also send letters to township businesses requesting funding. The committee members are confident township residents will help support the desperately needed facility. "It's something everybody wants," said Froom. "The old shack has served its purpose well."

Anyone interested in contributing to the recreation centre can make a donation at the township clerk's office or mail a donation to the North Williamsburg Recreation Committee, Box 160, Williamsburg, K0C 2H0. Tax receipts will be available.

Breaking the ground

The North Williamsburg Recreation Association held a ground breaking ceremony heralding construction of a new recreation facility in the township. From left to right: committee member Hugh Garlough, council representative Lyle Van Allen, committee member Bruce Whitteker, Association chairman Ron Froom, Township clerk Mike Waddell, councillor Graham Hess and Williamsburg Township reeve Johnny Whitteker.

Morrisburg council 1987

Nursing home tops priority list

MORRISBURG — Village reeve Bill Dillabough and council could very well have an incredibly busy year in 1987.

With the site of a new 100-bed nursing home still up in the air and money to be raised for a new arena ice plant among the big issues for council this year, Dillabough must also contemplate a possible provincial election.

"I'm still thinking about running for nomination," he said Monday night.

Dillabough is predicting a September election for Ontario.

"A lot of people think there could be one in June but in my own opinion it will be in September."

As for council matters the big item on the reeve's agenda is getting the nursing home for Morrisburg.

"At this point it's up to the Ministry of Health," he said. "It should be decided sometime in 1987."

The Village remains among several possible locations for the home.

The United Counties of Stormont, Dundas and Glengarry are seeking a new location to replace the Glen-Stor-Dun Lodge on Montreal Road in Cornwall.

The feasibility study is being done by the Toronto based management consulting firm, Peat, Marwick and Partners.

Other areas which have been looked at for location include Cornwall Township and Ingleside.

The need for a new home was recommended in a recent report released by the Eastern Ontario District Health Council.

Another big item in 1987 for Dillabough and council is the new ice plant at the Morrisburg Arena.

Council recently received a Capital Conservation Grant for $96,663 to assist in the payment. The Village must raise money to match the grant.

A "Save the Rink" fundraising campaign was established in December.

Morrisburg firm awarded DCAMR group home contract

by Judith O'Brien
Leader Staff

WILLIAMSBURG — G & S General Contractors Inc. of Morrisburg has been awarded the contract to build a $219,000 group home in Williamsburg by the Township of Williamsburg Non-Profit Housing Corporation.

The group home, scheduled for completion June 15, will replace the existing facility Kingsway, in Williamsburg, north of the post office. The present home does not meet the requirements of its clients. The new building will be located in east end Williamsburg, across from the Christian Reformed Church, and will be wheelchair accessible, a feature missing in the present house.

The Housing Corporation was approached by the Dundas County Association for the Mentally Retarded (DCAMR) in 1986 to help build a new home. To be eligible for a Ministry of Housing grant, a special needs project must be sponsored by a non-profit housing corporation and support service funding must be provided by one of the provincial ministries such as health or community and social services or by an established social agency.

Corporation Secretary Anne Barkley said the two hundred thousand dollar plus price tag will include special features, like wheelchair accessibility. When completed the home will provide space for six clients and additional DCAMR employees. The Housing Corporation has received final approval from the Canadian Mortgage and Housing Corporation, which will guarantee the mortgage, and the Ministry of Housing in Ottawa and Toronto.

A 10 year mortgage will be drawn up shortly between Morguard Trust Company, an Ottawa based mortgage company and the Housing Corporation. Barkley said the company was chosen because it offered the best rates.

Carnival dates finalized

BRINSTON — The annual Matilda Township Winter Carnival will be held Jan. 16-18, with the Carnival Queen pageant leading the list of activities.

The pageant will be held Jan. 16 at 8 p.m. in the Matilda Community Hall. Carnival committee member Margaret Webb says the committee is still looking for contestants. Deadline for entries is Friday, Jan. 9 and further information can be obtained by calling the clerk's office. The constest is restricted to girls 16 years or older. CFRA's Hal Anthony will act as Master of Ceremonies for the pageant.

A snowmobile and car rally will be held Jan. 17 with registration taking place at the Matilda Community Hall from noon until 1:30 p.m. A hot dinner will be served from 3 to 6 p.m. and entertainment will be provided by The Runaways. The Carnival dance will be held later in the evening at the community hall from 9 p.m. to 1 a.m. with music by The Runaways.

A pancake breakfast will be held Sunday, Jan. 18 from 10 a.m. to 1 p.m. An ecumenical service will take place at the community hall Sunday evening at 8 p.m. The theme of the service is worldwide day of prayer. The Capital City Choir will provide musical inspiration.

Celebrating a milestone

Township joins waste management study

by Louis Daignault
Leader Staff

WILLIAMSBURG — Council here has agreed to join the Glengarry-Dundas Waste Management Study.

Township Clerk Mike Waddell said the reason for joining is to examine other options for waste disposal in the future.

"We want to see our alternatives," he said. "Our site won't last forever."

In early December at a special meeting, Morrisburg agreed to follow Williamsburg if they joined the study. Morrisburg currently uses Williamsburg's dump site.

The $75,000 in-depth study which started four months ago is setting out a 20-year master plan for disposing of garbage and waste for participating municipalities.

It would recommend the best disposal method with the fewest economical, environmental and social concerns.

The province of Ontario is paying half the cost and the participating communities the other 50 per cent based on population. The cost according to Township council for the area is $2 per capita.

Other participating municipalities include Iroquois, Matilda Township, Edwardsburgh Township, Winchester and Winchester Township, Chesterville and Cardinal.

Representing Williamsburg at the waste management meetings will be councillor Graham Hess.

Morrsiburg Village Clerk Lloyd Barkley said there would likely be no representative from Morrisburg council.

At a disposal site inspection of Williamsburg's dump in August, the Ministry of Environment recommended the Bouck's Hill dump be closed because the site is exceeding the official boundaries.

Councillor Hess warned council at a meeting in November, the disposal site at Bouck's Hill will probably be closed and council should consider both its sites could be shut down when tougher MOE regulations come into effect this year.

ÉCOLES CATHOLIQUES DES COMTÉS DE
Stormont, Dundas & Glengarry
COUNTY ROMAN CATHOLIC SCHOOLS

PROPERTY FOR SALE

St. Felix de Valois School
404 Easton Avenue
Cornwall, Ontario

Description: 14 classrooms, 2 storey school building located on a 40,222 square feet site. Present land zoning is residential 20.

SEPARATE BIDS SHOULD BE MADE ON THE LAND AND BUILDING

SALE OF 3 PORTABLE CLASSROOMS

SIZE: Approximately 24' x 32'
2 - located at Iona Academy - St. Raphaels West
1 - located at St. Ann's School - Cornwall, Ontario

To be sold as is where is. Purchaser is to assume costs of removal and for leaving the grounds in a usable state.

Sealed bids on the above will be received by the Business Administrator and Treasurer, Mr. Roy Julien, no later than **15:00 hours, Friday, January 30, 1987.**

Further information may be obtained by contacting Mr. Roy Julien at telephone number (613) 933-1720.

NOTE: The highest or any bids not necessarily accepted.

Iroquois council:

Goal is to build apt. complex

by Judith O'Brien
Leader Staff

IROQUOIS — Frank Rooney, 10 year veteran reeve of Iroquois, is hoping the new year will bring some development to the many approved subdivisions in the village.

"One of the main things is to get the apartment building off the ground, and hopefully the subdivisions will start to develop soon. They have been in the making for so long."

He said the council members are hoping to receive grant money from the provincial and federal governments to begin repairs and purchase equipment for the village.

"We have made an application for a PRIDE (Program for Renewal, Improvement, Development and Economic Revitalization) grant to help build facilities in the village, but even if we get some money there, nothing can be done until 1988 because the money is not allotted until late 1987," he said. "We have also applied to the Ministry of Environment for financial assistance to repair the water tower centre column."

Other grants pertaining to the vilage are an application to the federal government under the JEPP (Joint Emergency Planning Program) program to purchase a generator for the civic centre, enabling it to remain open during emergencies, and an application for money to purchase a mini extrication kit for the Iroquois Fire Department. The kit will be purchased by the United Counties and the JEPP money will be returned to them.

Rooney said the streets are in relatively good shape, so there won't be much work done in that area, although he said one of the most crucial projects for the new year will be to build washroom facilities at the ball park.

As far as the council members are concerned, the marina to be developed by Art Elliot, is over and done with. The village has signed a site plan agreement with the developer and additional parking space has been approved. "It's just a matter of developing the marina now," he said. "But George Jackson still has his objection submitted although that will be handled by Matilda Township council."

As for taxes, the reeve is hoping to keep the increase within reason. "I'm not looking at too much but I can see a slight increase in taxes," he said. "Your employees do look for an increase and their equalization grants have gone up. I would like to see it kept under five percent if possible, and that is around the rate of inflation."

Court News

MORRISBURG — Dennis Wylie of Brinston pleaded guilty to driving while under suspension in provincial offences court Tuesday.

Wylie was stopped on County Road 18, in Matilda Township, on Dec. 1, 1986 because he appeared to be travelling at an excessive speed. His driver's license had been suspended on Oct. 18 because of an unpaid fine.

Justice of the Peace Gord McGregor gave Wylie the minimum fine of $250 and suspended his license for a further six months.

Walter Woloschuk of Toronto was found guilty of speeding 143 kilometres per hour in a 100 kilometre per hour zone. Morrisburg OPP Constable Murray Bamber testified that he clocked Woloschuk travelling over the speed limit on Hwy. 401 on June 15, 1986.

Woloschuk maintained that because Bamber's radar reading was not locked into the machine and was not visible to him there was no evidence to convict him. McGregor told Woloschuk that the law did not require Woloschuk to see the radar reading in order to register a conviction. He was fined $100.50.

Gerald Emery of Ottawa pleaded not guilty to fraudently obtaining transportation in criminal offences court Tuesday.

Emery was charged after the taxi, driven by Robert Lamoureux, picked him up in Ottawa and drove him to Williamsburg.

The driver testified that Emery told him to take Highway 31, and to keep proceeding. Lamoureux asked the passenger if he had enough money to pay the fare to which Emery replied that he did. When the taxi arrived in Williamsburg with a $67 fare, Emery refused to pay.

Emery told Judge Bruce Hunter that he had been drinking on the night in question, and after giving the taxi driver the destination near Ottawa, Albion and Cahill Road, he fell asleep. When he awakened in Williamsburg he refused to pay the fare because that was not where he wanted to go. He said he offered Lamoureux $20 which would have covered the fare from Ottawa to Albion and Cahill.

Judge Hunter found Emery guilty and ordered him to pay the full fare.

Police Report

MORRISBURG — OPP here report a car accident which occurred Monday morning at 8:40 a.m. on Hwy 2.

Fred Hutt of RR 1 Iroquois, 61-years-old, was driving nine-year-old Jessica Lafortune, of RR 1 Morrisburg to school.

Heading westbound the youngster pushed the gearshift, the wheels locked and Hutt's 1984 Chevy flipped over into a ditch.

Injuries were minimal and damage to the vehicle is estimated at $4,300.

•

MORRISBURG — More than $300 was taken from Chan's Restaurant situated on the north side of Hwy 2.

Police say the theft occurred sometime in the night of January 3 and January 4. Apart from the money, thief (ves) also went off with nine 40 ounce liquor bottles.

OPP say the theft is still under investigation

•

MORRISBURG — R.I.D.E. statistics for the week of December 29 to January 4.

New book on Dundas county

MORRISBURG — Local people and places are featured in a new book 'God's Big Acre, Life in 401 Country'' by George Elliott.

The book, published by Methuen Publications, features photographs of such well-known places as the Upper Canada Bird Sanctuary, the Iroquois Locks, the Caldwell Outlet Store in Iroquois, and Dundela, in Dundas County.

Black and white photographs by John Reeves are featured in the book, covering the area along the 401 highway from the Quebec border to Toronto, from Windsor to Milton.

Elliott says the people and places in the book are a microcism of Canada, and the openess of the people of Ontario reassured him. He said he did not realize the immensity of the farm business and hopes the book will appeal to city people, the main people he wrote the book for.

Disappointing year for Hart

by Louis Daignault
Leader Staff

OSNABRUCK TWP — Sounding more dissappointed than pleased, Reeve Stewart Hart outlined some of council's priorities for 1987 and looked back at an unsatisfactory 1986.

"We're going to have to look after the road system this year" said Hart. "I think most people realize we are going to have to keep the roads in better shape and create some kind of paving program."

One of Hart's big disappointments was the failure of the recreation committee and the Cummings, Cockburn and Associates consulting firm to come up with a recreation facility proposal suited for a township the size of Osnabruck.

"We have to have something that will be satisfactory to the people," he said. "We need a recreation facility, but I can't go along with the consultants' plan."

Hart credits the recreation committee with its hard work but said the consulting firm didn't seem to realize that a project of such magnitude is just too much for the Township.

"We are not a big municipality like Cornwall or Ottawa," Hart said. "The committee did a lot of hard work and I feel sorry for them."

The committee headed by Richard Waldroff presented its master plan in late November.

The cost of the project came to $2.8 million and the facility was to be located in the development lands across from Kraft Foods Ltd. in Ingleside.

The project included two ball diamonds at $110,000 each, a $1.2 million recreation centre with gym, a meeting hall and washrooms and outdoor pool which was estimated to cost $169,000, two tennis courts and a multi-purpose field. Included in the price tag was an enclosure for the pool which was an additional $600,000.

Out of all that Hart mentioned the need for a ball diamond and a recreation centre.

After displaying the plan publicly, the committee, a week later presented it to council and put future decisions on the matter in its hands.

Hart was also upset about the Newington water and sewer problem. The reeve blames the consultants for not showing much sign of accomplishing anything.

"It's time to get this thing going," he said. "The funds were available in 1986 and we didn't use them. You know the consultant is getting paid right now. I think it's time he got off his..."

One item presently on hold is the open air burning bylaw. It was contested at a council meeting in October by township fire chief Ernie Gillard.

Hart also doesn't foresee any problem with council approving a proposed lot subdivision for Ault Island.

The Ontario Municipal Board approved in principle last month the project.

Spearheaded by Ottawa developer Bill Buchanan the multi-million dollar project was protested by the Ault Island cottage owners who wanted to preserve the area for wildlife.

"It's going to be another busy year," concluded Hart.

Man arraigned on two counts of murder

CORNWALL — Robert Gauthier, 36, appeared in court here Tuesday and was arraigned on two first-degree murder charges.

Gauthier had been spending the last three weeks at the Ottawa Civic Hospital suffering from what police described as a self-inflicted gunshot wound to the head. He eventually lost his left eye.

He was taken to hospital after being arrested by Cornwall Police on December 14.

At the time of his arrest, he was carrying his three-year-old wounded son Robbie in his arms.

The infant was rushed to Hotel Dieu Hospital, here, where he died of gunshot wounds.

Police believe the youngster was shot one kilometre from his grandparents' farmhouse in Ingleside, a few minutes after his mother Janice Gauthier, 30, was fatally shot twice in the chest when Robert Gauthier was returning the child to her.

Police believe Gauthier's injury occurred at the same area where his son was shot.

MORRISBURG — Residents are becoming used to the changing service station signs at Les Bilmer's station on Hwy. 2, east of the shopping plaza.

Last Friday Bilmer's station changed over from Shell Oil to MacEwen Fuels. MacEwen Fuels is an independently owned oil company which services 60 locations. Bilmer said the company is aggressive and expanding continuously.

The station last changed oil companies in February from Petro-Canada to Shell, and prior to the federal government's entry into the oil business in 1983, the station was a part of the "BP" chain.

Bilmer has sold the building and property to MacEwen Fuels, although he retains the equipment and stock. He is leasing the property back from the company and says he will carry on with business as usual.

"There are two reasons why I switched over to MacEwen," he said. "First with an independent company you can keep the price of gasoline down, usually a cent or two lower per litre. Second, they bought the building and it was a good opportunity for me to sell when business was good. It is some extra money for me."

The lower price per litre is good news for consumers. At the beginning of the week, the price of gas at Bilmer's station had dropped one cent a litre to 38.9 cents. He says the decrease is actually two cents, since the price of Shell gas was scheduled to rise one cent per litre this week.

"In Cardinal I've seen gas prices at 42 cents per litre so we're saving four cents which is a lot of money," he said.

Bilmer said he likes the rapport that develops in a smaller company, when you know the company president personally and you're not just a number. He used to belong to an independent oil company, Supertest, in 1958, and says he missed the close relationship.

"Shell said they didn't want to lose me and they were very good to me. They let me out of a five year contract after one year, and legally they didn't have to. I'm very happy about that."

A day to remember!

They will be talking about it for years to come, between hockey periods and hockey seasons. About that Sunday in January of 1987, when a Soviet junior hockey team, losing their game against Canada, and running at the tail end of the international tournament, still managed to steal the victory and the gold medal and the world championship from the onrushing Canucks. And to do it, they even used the oldest ploy in the game; they suckered their superior opponents into a fistic confrontation, which ended with both teams disqualified from the championship play.

And this is one aspect of the game that the Soviets can never claim to have invented. They can see the same tactic employed by almost every team in the National Hockey League. Every team there has its "enforcers" even its "goons" who are paid high salaries for the only talent they possess — to immobilize quality competitors whose skates they would not be allowed to carry.

And having said that much about this contest, anyone who has ever played the game can understand the young Canadians' reaction to the constant illegal spearing, slashing and other dirty tactics to which they were subjected. But the crowning episode came when the Soviet coach urged his reserve players on to the ice to attack the visiting Canadians. Any hockey player (or anyone else) who submits to that kind of intimidation lacks one of two things — ability or guts; our young players amply demonstrated to their followers that they lacked neither.

It is not yet clear what the long-term effects will be on such international competitions, of Sunday's inglorious episode. One thing was crystal-clear to any experienced hockey fan. The whole unsavory matter could have been largely averted, or could have been terminated at its very beginning, by competent officiating. If the International Ice Hockey Federation cannot or will not assure competent officials for future tournaments, then Canada has no choice but to decline participation.

What price sovereignty?

The government of Prime Minister Mulroney took a couple more good pastings from his "friends" in Washington during the past two weeks. Their handling of the softwood lumber "dispute", which culminated in Canada imposing a 15 per cent export tax on lumber exports to U.S.A. further jeopardized Canada's sovereignty, and paved the way for still more outrageous demands in the future, say some of the leading experts.

True, the tax will be collected in Canada, and will stay in Canada, but the U.S. authorities have literally dared the Mulroney government to use the proceeds for the purpose which they intended — to assist the faltering lumber industry in reforestation and protection of employment. Our Yankee "friends" claim that this would be an unfair subsidy to the industry, which they see as a threat to their own country.

This attitude, of course, is unacceptable to the majority of Canadians, who see their magnificent forests as a God-given birthright, not to be made subject to the whims of a governing body or business lobby in the United States, or any other foreign country.

The second insult to this country came in a budget proposal by President Reagan to spend $287 million in acid rain research. The President knows, and his expert advisers know even better, that research on acid rain is not what is now required. The pressing need is for acid rain abatement. But such a program would cost many times the niggardly few million in the Reagan budget. The abatement program is, however, opposed by very powerful, and very rich industrial lobbies in the United States, because of that cost. So, in spite of the assurances already given to Canada, the old "research" game continues, while our lakes and rivers, our forests and wildlife continue to be decimated.

For most of the years in our Canadian history, the promise of great prosperity, through "free trade" with the United States, has been held out like a plum to gullible citizens of this country, by governments of varied political hues. For all of those years, the vaunted benefits to this country have remained just that — a promise.

Fewer impaired drivers

Every year since those people who use beverage alcohol have been driving motor vehicles (and, we are told, even when they had only horses for transportation), the same pleas have been made, particularly at holiday times, to avoid driving while drunk or impaired. And almost every year, those same pleas were largely ignored, the horror statistics appeared in each new year's news reports — hundreds killed, thousands maimed in holiday traffic crashes. In very many of these crashes, the drivers of at least one of the vehicles involved was judged to be impaired.

Then a couple of things happened that changed this picture around, and one can only hope and pray that the situation continues to improve as it has in the past couple of years. Legislation has been passed both federally, and in most of the provinces, to impose much stiffer sentences, including licence suspensions on those convicted of impaired driving. At the same time, the wide publicity given to Canadians' disgraceful record in these areas of behaviour has created a sense of repugnance in more and more of the populace. The sort of uncaring, callous, selfish behaviour which has all too often prevailed in the past, is just not socially tolerated any longer. Society itself, penalizes the unthinking driver who kills or injures his fellowman.

As the statistics became available for the recent yuletide holidays, in almost every jurisdiction, the long-sought results seem to have been at least partially attained. The incidence of impaired driving, and its attendant killings and maimings, dropped almost to zero. That is good news for all of us, and a worthy New Year's resolution would be to continue to improve these statistics with any means at our disposal.

• •

"I blame the newspaper for all of this" one delegate before the Williamsburg Township Council is reported to have said. The reference was to the controversy which surrounded the name designation of a township road. And we thank the delegate for the compliment. With all the modesty we can summon, we never could have believed that The Leader would be exerting such an influence over a very minor matter. It is always rewarding to a publisher to know that his publication is held in such high regard.

This Week In Morrisburg's History

Compiled from The Leader's fyles by Bonnie McNairn

1967

Headlines in the January 6th, 1967 issue of The Leader read First Meeting of Council Appoints 1967 Officials. At the inaugural meeting of Morrisburg council Reeve Fred A. Hill was appointed Commissioner of Works and Industry, Deputy Reeve Carlton F. McInnis - Finance, Arnold Payment - Police, Paul Barkley - Health and Sanitation and Arnold Lawlor, fire.

Mr. and Mrs. Charles Dewland residents of Morrisburg for 15 years and area natives celebrated their 55th wedding anniversary.

The Morrisburg Combines climbed into second place to share the honors with Perth-Smiths Falls after they defeated Shawville Pontiacs 4-3. Jim Forrest supplied two Combine goals and Johnny Gove and Rick Rushford had singles.

At Brinston's Allied Food Market a five-ounce bottle of Vick's Cough Syrup was selling for 67 cents and PEI table potatoes were 35 cents a 10-pound bag.

1957

The January 4th, 1957 issue of The Leader reported 1956 had been a banner year for Ontario Hydro's rehabilitation program. During the year the major house moving operations were completed in Iroquois, Long Sault and begun in Morrisburg and Ingleside. During the month of October the halfway mark in house moving was reached when the 250th dwelling to be moved was relocated from Moulinette to Long Sault. House moving operations were completed in Iroquois during June when a total of 143 houses were relocated in the newly planned townsite. To date at Morrisburg 17 houses had been moved. Work had begun on the new shopping centre and construction on new industrial and commercial buildings was well advanced. The house moving program got under way in Ingleside in mid-November. Almost all movable houses from Wales had been relocated and the work was now centered in Dickinson's Landing. Earlier in the year Farran's Point and Aultsville had been relocated. The river front communities of Mille Roches and Moulinette had almost disappeared with the completion of the major house moving program in which 106 homes from the two centres were located in Long Sault.

At the Morrisburg arena the newly organized Morrisburg Merchants, Morrisburg's entry in the Central Ottawa Valley Junior hockey league won the first game of the season 8-4 over Metcalfe. The story read: We have a good team and a good coach (Keith Kirkwood) and Keith is instilling the best principles of sportsmanship in his boys.

Mr. and Mrs. Milton Shaver of Williamsburg celebrated their 50th wedding anniversary.

1947

Headlines in the January 3rd, 1947 issue of The Leader read Bank of Montreal Marks 75th Anniversary Here. Originally a branch of the Molson's Bank, which later merged with the Bank of Montreal, the office here began business January 3rd, 1872. The bank opened under the managership of George K. Morton and had its first office in a house on Union Street. A year later the bank moved into a building on East Main Street erected by Captain Farlinger.

The Morrisburg Juniors ushered in their 1946-47 hockey season with an impressive 7-1 win over Cardinal. The first string forward line of Bruce Stitt, Wes Stitt and Ronnie Casselman was especially aggressive and accounted for most of the scoring.

1937

not available

1927

The January 7th, 1927 issue of The Leader reported Mr. and Mrs. Walter S. Merrill celebrated the 25th anniversary of their marriage.

The announcement that the Road Department of Quebec had decided to distribute reflectors for horse-drawn vehicles forced authorities in Ontario to take some similar type step. It was considered even more important for Ontario where motor cars were much more prevalent.

the Kitchen Garden

V.A. Hughes

Looking out at the little Apple tree we are somewhat surprised that it survived the ice storm without losing a single branch. For days it was covered with a heavy layer of ice and the poor Sparrows had a hard time getting a foothold. The curious thing was how some trees lost their ice the next day while others were coated for much longer. What at first looked like a fairyland of crystal soon turned into a horror show as the fallen branches were removed, then the trees themselves were felled and hauled away.

Now that the ice has gone, the birds are back. Although the feeder is well stocked with Sunflower seeds, suet and other goodies we have yet to see a single Chickadee or hear a flock of Grosbeaks, only a scattering of Sparrows. But Sparrows, like anything else en masse can be impressive. A dozen African Violets in bloom make a statement, where one or two plants on a window-sill look chilly.

If you find you have a knack with Violets then grow them, with gusto! It needn't be African Violets. Perhaps you have a passion for Cacti, Philodendron, or the majestic Fern family - don't be timid, grow a forest of ferns.

Some of the nurseries have after-holiday sales where you can pick up greenery for truly bargain prices. Tempting as it may be to bring home a six foot FISCUS BENJAMINA for half the original price there are a few things you should keep in mind:

1. It may look like a bargain, but check for condition. It is best to leave super-market rejects, pity alone will not cure those dried out disasters.
2. A healthy plant growing in a greenhouse may not enjoy that drafty corner in your living room. We remember seeing a dramatic looking plant with brightly coloured leaves that sprouted from twisted stems nearly five feet tall. It looked familiar but what was its name? It was the first Coleus that we'd ever seen growing as a vine. Lack of light was the primary cause. It lived on Baffin Island and in the middle of winter the sun is seldom seen. Not all plants adapt as well.
3. Since it is still winter here, remember that transferring a hothouse baby used to a temperature of 75 degrees to the below zero interior of your car, will be likely to bring on severe leaf drop. Lettuce survives the trip home from the grocery and then goes to live in the fridge but very few other plants are so accommodating. Have the car warm, bring extra blankets or multi layers of drycleaning bags with you, and make the transfer as quickly possible.

We like the short, fat cacti. We take plenty of those heating blocks that you use on picnics, in heavy cardboard boxes lined with lots of newspaper. Put the spiny fellows in, throw a wooly blanket over them and "Home, Jeeves."

If your budget is tight and the local growers aren't caught up in January clearances, and you still want to grow something with style try Sweet Potatoes. We had some that were trying enthusiastically to cover the kitchen wall. We like that in a plant. A sort of "we'll grow in spite of you" spirit, which they need in our house. But grow they did, masses of bright shiny leaves, in the middle of an Arctic winter... great for the morale.

It may seem like the middle of winter but keep this warm thought in mind, there are less than three months until the first day of Spring.

LETTERS TO THE EDITOR

Morrisburg Leader,
Morrisburg, Ontario

Dear Sir:

The Report of the House of Commons Standing Committee on Government Operations in regard to the Canada Post Corporation's five-year plan for 1986-87 to 1990-91 called for the closure, amalgamation and franchising of rural Post Offices.

The Committee Report, which was presented to the House on December 15, 1986, recommended a few changes and emphasized some aspects of the Plan. One point that the Committee enlarged upon was the privatization of certain rural Post Offices. While the Committee's observations about the human resource issues are appreciated, I must stress that I consider the privatization of these operations to be most illogical. If, by suggesting the Post Offices in certain rural communities be turned over to private operators, the Corporation is saying that a profit can be made from them, why then is the Corporation, which needs money, giving them up? If they are not profitable, what guarantee do the citizens of these communities have that their postal service will continue in the future?

What will happen to the Government representation in these communities, to its ability to assist citizens with the completion of Government forms such as U.I.C., gasoline tax rebate, income tax, birth certificates, access to information, etc.?

The Post Offices in the rural areas are the perfect example of what the motto of Canada Post means "Service to the People". Service is exactly what the people in rural Canada want, and that is what the Government should ensure they get.

The Rural Operations Group of Canada Post Corporation is supported by individuals mailing in smaller communities, and through a variety of services such as general delivery, lock box and rural route delivery. Canada Post recognizes that the Rural Operations Group is a service-oriented body, in stating that they do not generate sufficient revenue. It is our view that the quality of service to rural residents should be maintained even at a new cost to Canada Post.

To this end we solicit your support in writing to your Federal member stating that your Post Office be saved, therefore ensuring that postal service to your community remain as it is today.

R.W. Starkey,
Prescott, Ontario.

Some people would rather rent than own

by Ken Kirkby
and
Wray Foot

People sometimes think of real estate and owners, forgetting that there are many good citizens out there that for one reason or another, prefer to rent rather than own a home. For the most part they are just as much members of a community as anyone else. The only difference is that they are renters instead of owners. They pay taxes (as part of their rent), they buy food, clothing, hardware, feed, shoes, meals in restaurants... you name it and they buy the same things a owners.

When an owner lists his/her house for sale, the tenants are naturally a bit concerned as to whether the new owner will want to live in the house or whether they will be able to stay in as tenants. It can be very upsetting for some people, espeeially in a tight housing market where there are few rental units available. And, also, keeping in mind the rent that they may be presently paying may be lower than what they will have to pay elsewhere. Or even worse that they may not be able to find other accommodation in the same community.

Having to move may mean they no longer have a ride to work with the next-door neighbor, the kids may have to change schools, church may be too far away, a myriad of problems appear through no fault of their own.

But there are things that tenants can do which quite often helps them stay in their present accommodation.

Real estate practitioners sometimes find very uncooperative tenants who make it difficult for the house or apartment to be shown to prospective buyers. They can keep saying that "tomorrow is a bad day", "we have a sick child" when they really don't have, or give a variety of excuses thinking that if they can keep people away, then the property won't be sold and they won't have to move. All that happens is that the present owner gets fed up and puts pressure on the tenant to let the prospect see the house or else. THe propsect, if he buys, has the impression that the tenant is a trouble-maker and can find ways to evict the tenant to be rid of possible problems.

Reasonable access is all that real estate people expect and they try to arrange a visit at a time suitable to the tenant. Buyers, however, won't wait around forever and it is the real estate agent's duty and obligation to use every reasonable means to get that property sold.

If you're a tenant, please keep in mind that being cooperative may be just hwat is needed to help keep you in the house or apartment you are now renting. It is one of the things that potential buyers as investors are looking for when they buy an investment property.

Cooperate with us and we'll do the same for you. In many cases we both stand to gain more than we lose. Even if you have to move, we may be able to help you find a new place and may be able to recommend how cooperative you were in your dealings with us.

New projects to highlight 1987

by Louis Daignault

WILLIAMSBURG — Township reeve Johnny Whitteker is looking forward to the launching of some important projects in 1987.

"Construction should be getting underway this spring," said Whitteker about the new change room to be situated on Church Street at the ball diamond.

The cost of the project is estimated at $80,000 with a completion date set for March 10, 1988.

Whitteker said money has been raised through tenders which will be added to the 50 per cent grant from Wintario and the $4,000 from the Police Village.

Last month the North Williamsburg Recreation Committee voted in favor of having Swank Construction build the changeroom.

The ball park has been without a washroom facility since vandals burned the building to the ground on Hallowe'en night 1985.

The new building will be located along the east end of the tennis courts. It includes washrooms, a meeting room and a snack bar. The cement block work matches the firehall and according to the committee should deter vandalism.

The building was designed by a local architect who requested anonymity. It will be wheelchair accessible and measures 32 feet long by 46 feet wide.

The snack bar will be located at the north end of the building under a canopy which measures 32 feet long by 20 feet wide.

It will be open year round and any group that wishes to use the meeting room is free to do so at no charge.

Other items on the 1987 agenda include renovations to the municipal building.

"It hasn't been fixed for many years," said Whitteker. "Improvements need to be done to the siding, the insulation and the windows."

Also council is looking for a New Horizon federal grant to extend the senior citizen building in Williamsburg.

"It's getting overcrowded," said the reeve. "We'd like to extend it 20 feet to the north which would double its size."

Whitteker is also hoping the Morrisburg-Williamsburg Industrial Committee will bring industry to the area.

"We hope it can lure industry here to create employment for our young people who have to go away to find work," Whitteker said.

One of the big items in 1986 for Williamsburg Township council was the black top program which Whitteker hopes to continue in 1987.

"We surface four miles of road each year and we hope to continue that," said Whitteker.

With more than 50 miles of the township roads paved, Williamsburg has one of the best roads records in Dundas County.

Whitteker expects to see a lot of housing starts in 1987 because of the jump in assessments.

Looking back on 1986 the reeve seemed satisfied with what council had accomplished.

Asked if he thought 1986 was a progressive year for council Whitteker replied; "if you use the term progressive use it loosely."

"It was a very successful year," he said finally. The reeve credited township clerk Mike Waddell, as well, with keeping taxes down this past year.

"The clerk held the tax increase to three per ccent," he said. "That's quite a feat. It also shows the strength of the economy in the area."

Township wants to complete drainage work on Nation River

by Judith O'Brien
Leader Staff

BRINSTON — The top priority for Matilda Township council in 1987 is to complete drainage work on the south bank of the Nation River says township reeve Lorne Mellan.

The South Nation River Conservation Authority (SNRCA) will release its report on the south bank this year, and when it is published Mellan says his council will apply to different provincial bodies for funding to complete the drainage work.

"The drainage of that bank this past summer saw a lot of farmers hurt quite badly, and our top priority is to solve the problem," said Mellan.

He also said one of the main objectives of this year will be to improve the road system in the township without too much of an increase in taxes. Once again, council will seek funding help from the provincial government to repair Toyes Hill Road and the broken Second Road. On the tax front, Mellan says council will try to keep the increase to a minimum. "Inflation dictates the rise in taxes and you can't say you're not going to increase them," he said.

The big issue last year, the storage of salt by Universal Terminal Ltd., was resolved in 1986 and Mellan doesn't foresee any problems resulting between the company and council this year.

Council is hoping to increase development of subdivisions in the township this year, including rezoning of Sable Road to allow development and rezoning the former race track property west of Iroquois.

"We want to develop parcels of land that are not productive agriculturally, and we feel would complement housing if the need is there," said the reeve. "We feel quite optimistic about that."

Matilda Township is also involved in a joint waste disposal study involving several neighboring municipalities. Mellan said several meetings of the steering committee will be held throughout the upcoming year, but he doesn't anticipate any results from it in 1987. The firm conducting the study has been selected but he says it is an on-going study which will produce results in future years.

Pony club to start

OSNABRUCK TWP — A Pony Club is being organized, here, to help youngsters accustom themselves to horseback riding.

"It's being done to give kids a hands on experience with horses," said Lois Wattie who is at the head of this new club.

Registration will take place this Saturday, January 10, at Osnabruck Centre Township Hall between 2pm and 4pm. The iniation fee is $20 and if you register more than one child, each additional one is $12. Participants must be between the ages of six and 21.

"We're hoping to get between 15 and 20 kids," said Wattie. "Right now I know of 12 people who will be joining," she said, adding no limit, on the number of participants, has been set.

The actual riding of ponies will only begin in April when the weather is more appropriate for riding.

During the winter months, Wattie said, there would be clinics, films and guest speakers all discussing various aspects of horseback riding.

An attempt is also being made to go to Ottawa to see some riding procedures of the RCMP.

PREPARE FOR SUCCESS IN THE HOSPITALITY INDUSTRY
BARTENDING
Develop your skills and knowledge of areas like mixology, wines, serving and presenting beverages along with cash and inventory control. You'll put your skills to work in hotels, resorts, restaurants and clubs. You can learn all this and more with this 15 week program.
PROGRAM STARTS: January 26, 1987.
DINING ROOM SERVICES
Learn to serve food and beverages in a hospitable, professional manner. Develop your knowledge of areas like customer relations, wines service, table setting and various styles of dining service. Prepare yourself for employment in hotels, restaurants, and lounges with this practical 10 week program.
PROGRAM STARTS: March 2, 1987.
PRACTICAL WORK EXPERIENCE!
Both these programs will let you learn on the job by giving you the opportunity to train in many of this area's finest restaurants, hotels and clubs.
Contact Marleen Kelly or Paul Beauregard at the Ministry of Skills Development, 801 Fourth Street East, Cornwall, Ontario, K6H 2K2. You can call this office at 938-9702.
This program is sponsored by Canada Employment and Immigration and is brought to you by the Cornwall Campus of ST. LAWRENCE COLLEGE SAINT-LAURENT along with many of this area's hospitality establishments.

BASIC SKILLS TRAINING
Tuition Free
ADULT BASIC EDUCATION
in
Reading, Writing, Arithmetic
You know how important it is to have good basic reading, writing and math skills. You'd like to improve yourself in those areas so you can move to a better job or to more training. If you're 25 or older, St. Lawrence can help.
The Ontario Basic Skills Program can help you:
* improve your basic skills in English and math
* learn basic computer skills
* explore different careers
* build your self-confidence
* prepare for further training
THERE IS NO CHARGE TO YOU FOR THIS PROGRAM AND SPECIAL ALLOWANCES ARE AVAILABLE FOR CHILD CARE AND TRANSPORTATION IF YOU ARE ELIGIBLE.
Classes are starting now. If you or someone you know is interested in this new program, please call:
The Department of Applied Arts
ST. LAWRENCE COLLEGE SAINT-LAURENT
telephone 933-6080
The Ontario Basic Skills Program is sponsored by the Ministry of Skills Development.

IN MEMORIAM

CASSELMAN — In loving memory of Letitia Murla Casselman (Phillips) who passed away Jan 7, 1986.
The depths of sorrow we cannot tell
Of the loss of one we loved so well
And while she sleeps a peaceful sleep
Her memory we shall always keep
Lovingly remembered by
Ed and family
1pd

McGOWAN — In loving memory of Audrey McGowan, who passed away January 4, 1984.
There's a family who misses you dearly
In the home where you used to be
There's a family who wanted to keep you
But God willed it not to be
You left many a happy memory
And a sorrow to great to be told
But to us who loved you and lost you
Your memory will never grow old
Sadly Missed - Walt,
Lyal & Aileen,
Wayne, Charlotte,
Bonnie, Brenda & Cathy
1pd

MARTIN — In loving memory of our dear sister and sister-in-law, Beauliah Martin, who passed away Jan. 6, 1986.
This month comes back with deep regret
It brings back a day we can't forget
You fell asleep without goodbye
But memories of you will never die
The end was sudden, the shock severe
To part with one we loved so dear
A heart of gold stopped beating
Two shining eyes at rest
God broke our hearts to prove to us
He only takes the best
A million times we needed you
A million times we cried
If love alone could have saved you
You never would have died
For those of you who have a sister
Cherish her with care
For you'll never know true heartache
Till you see her empty chair
Lovingly remembered and sadly missed by
Yvona, Walter & Alice

Bill & Pat Tupper
1pd

I would like to thank the doctors and nurses at the Queensway Carleton Hospital, Ottawa for the excellent care during my stay. Also a special thanks to family and friends for visits, flowers and cards.
Joanna Roosendaal
1pd

Thank you to all my friends in Morrisburg for their cards and letters at Christmas. I would like to wish everyone a very Happy New Year.
Margaret Millward
1pd

I would like to say a sincere "Thank You" to all the kind friends who expressed care and concern for my health during my recent stay in hospital, and since my return home. All your kindnesses were most gratifying, and most appreciated.
Charles M. Crober
1pd

We wish to express our gratitude and sincere thanks to all our relatives, friends and neighbors, and to all of Janice's friends who assisted us in so many ways at the time of the tragic death of two very special people in our lives; a beloved daughter and grandson; a dear sister and nephew; Janice and Robby.

Thank you to all who called at the house, and the Funeral Home to all who phoned, sent telegrams, floral tributes, cards, letters and memorial donations; to those who brought food to the house and especially to those who remembered us in their prayers. The presence of so many at the funeral was very comforting and so appreciated.

We wish to extend a special thank you to Rev. Ian McAvoy for his spiritual comfort and assistance and to Mrs. McAvoy as well for the help, comfort and support which was extended to us; to the Brownlee Ambulance Service; to Mrs. Lillian Donnelly; the staff of the Brownlee Funeral Home; the bearers; Mrs. Joan McEwan, organist; all members of Unit #1, Trinity United Church Women and all of their supporters for the lunch provided at the Church Hall following the funeral; and last but not least all personnel from the Ontario Provincial Police with whom we have had contact. The compassion and concern shown to us by all personnel, who have a very difficult job to do, has been very comforting to us.

All these kindnesses have made our loss easier to bear. To everyone who remembered us and assisted us in any way, we pray God's richest blessings will be bestowed upon each and everyone.

Glenn, Audrey
and Stephen Dafoe
1pd

So many have done so much that we could not begin to personally thank everyone but since Jaimie's plight became public support has come from all areas and people near and far, if you in any way have done anything to help Jaimie or the rest of our family please accept our gratitude and know we are indebted beyond words and shall never forget their kindnesses. Our happiness will serve as a daily reminder of the numerous good hearted people in this world.

Centre staff hired

by Judith O'Brien
Leader Staff

WINCHESTER — The remaining vacant positions at Naomi's Resource Centre have been filled, Centre Director Mary Anna Zalenka announced Monday.

The centre for victims of family violence, had three full time and two parttime positions to fill. Erva Durant resigned her position as President of Naomi's Resource Centre Board of Directors to take a full time staff position. Susan Hanson-Johnstone and Linda Gray are the remaining two full time counsellors.

Carla Mulduun and Sharyn Summers have been hired to fill the parttime vacancies. Zalenka said all the women are local residents and have experience ranging from working in a psychiatric ward to Al-Anon to working with the handicapped. She said the main qualifications needed for the job were good life experience, common sense and a realistic approach to life.

Orientation sessions for the new employees will begin this week, including cardio-pulmonary resuscitation (CPR) training and St. John Ambulance first aid instruction.

Zalenka said she is pleased with the people hired and expects the centre to open at the end of the month.

Another Christmas gift

Tyler Nicholas Lewis was one of two Christmas day babies born at Winchester and District Memorial Hospital. He was born at 1:27 a.m., weighing seven pounds, and is the second son for Susan and David Lewis of Morrisburg. Tyler surprised everyone during the holiday season, arriving two weeks ahead of schedule. —O'Brien photo

OBITUARIES

Janice Gauthier

Funeral services were held Wed., Dec. 17, 1986 from the Brownlee Funeral Home, Maple St., Ingleside to Trinity United Church and then to St. Lawrence Valley Union Cemetery, for Janice Elizabeth Dafoe Gauthier, who died Sunday, Dec. 14, 1986 at Cornwall General Hospital at age 30 years.

Rev. Ian McAvoy of Trinity United Church, Ingleside, officiated. Born in Cornwall, Sept. 2, 1956, Janice was the dear daughter of Glenn and Audrey Dafoe of RR 2, Ingleside, and the mother of the late Robby David Gauthier. Besides her parents, she is survived by one brother, Stephen Dafoe of Ottawa. She was predeceased by one brother David Dafoe in 1983 at age 20 years and by grandparents Frank and Nellie Dafoe, and David and Carrie Rutley all of Ingleside.

Janice was employed as a dental hygenist by Dr. H.F. Stevens of Morrisburg, for whom she had worked for several years since graduating with honours from Osnabruck District High School, Ingleside and Algonquin College, Ottawa. She had worked also for periods of time in Woodstock and Pembroke. She was a member of Trinity United Church, Ingleside.

Pallbearers were John Wert, Steven Armstrong, Wayne Gurnhill, Steven Baker, Bob Heagle and Larry Ware.

Robby David Gauthier

Funeral services were held Wed., Dec. 17, 1986 from the Brownlee Funeral Home, Maple Street, Ingleside, to Trinity United Church and then to St. Lawrence Valley Union Cemetery for Robby David Gauthier, who died Sunday, Dec. 14, 1986 at Hotel Dieu Hospital Cornwall at age 3 years.

Rev. Ian McAvoy of Trinity United Church, Ingleside officiated.

Born in Pembroke Ont., Oct. 29, 1983, Robby was the son of the late former Janice Elizabeth Dafoe of RR2, Ingleside and son of Robert Gauthier. He was the dear grandson of Glenn and Audrey Dafoe of Ingleside and Maurice and Edna Gauthier of Cornwall; beloved nephew of Stephen Dafoe of Ottawa and stepbrother of Susan and Joanne Gauthier of Cornwall.

Pallbearers were Brent Dafoe, Ronnie Eaman, Brian Shaver and Larry Ezard.

Blanche McCaslin

A native of Matilda Township, and long-time resident of the Iroquois area, Blanche McCaslin died on Friday, December 26th, at Long Sault Parkway Lodge, where she had been a resident for the past three years. She was 91 years of age.

Born May 29th, 1895, she was a daughter of the late Edward Strader and his wife, the former Carrie Banford. She received her primary education in her native village, at the public school and Iroquois High School, graduated from Ottawa Normal School, and followed the teaching profession for many years, serving for some time as principal at Stampville Public School.

On March 27, 1918, she was married at Iroquois to Vernon McCaslin, who predeceased her in 1968. A member of Knox Presbyterian Church, Iroquois, she was also a member of the Order of the Eastern Star, Moonlight Chapter No. 224 Iroquois.

Survivors are: a daughter-in-law, Jane McCaslin of R.R.2 Iroquois; three sisters: Mrs. Vera Cameron, Huntsville, Ont., Marjorie (Mrs. E.V. Elliott) of Sprucedale, Ont., Frances (Mrs. V. Riley) in Florida; a brother Keith Strader of Kaslo, B.C.; four grandchildren: Joyce (Mrs. D. Millard) of Iroquois; Allen McCaslin of Mountain, Nancy McCaslin of Iroquois, Paul McCaslin of Iroquois; three great grandchildren Adam, Michael and Emily Millard. She was predeceased by a son Ford McCaslin in May 1975, also by two sisters, Dora Johnstone and Beatrice Link, and a granddaughter Judith McCaslin.

Funeral service was held at Knox Presbyterian Church, Iroquois, on Monday, December 29th at 2 p.m., with Rev. T. Theijsmeijer officiating. Interment was held at the Presbyterian Cemetery on Iroquois Point.

Pall bearers were: John McCaslin, Lee McCaslin, Wayne Gillard, Gary Bouck, Robert Thompson, Steven Shaver.

Arnold (Pat) Kirker

A native of Brinston, a retired farmer, and life-long resident of that area, Arnold (Pat) Kirker died at his home on Christmas day. He was 70 years of age.

Born October 31, 1916, he was a son of the late Robert Kirker, and his wife, the former Mary Lapier, now a resident of Wellington House, Prescott.

Mr. Kirker was unmarried. Besides his mother, he is survived by a sister Dena (Mrs. Horace Lavery), R.R.3, Prescott, by several nephews and nieces, great nephews and great-nieces. He was predeceased by a brother Lorne Kirker.

Funeral service was held at the C.W. Marsden Funeral Home, Iroquois, on Saturday, December 27th at 11 a.m., with Rev. A. Tysick officiating. The service was followed by cremation.

MORRISBURG ALL WORK GUARANTEED

Seaway curlers to play off for Gore Mutual 1B

MORRISBURG — After securing their spot in the Gore Mutual Zone 1B final here Sunday afternoon Seaway curlers Daryl Morrell, Scott Lane, Gord Johnston and Tim Rosenquist were able to sit back and watch Thousand Islands Secondary and Tagwi battle it out for the remaining position.

The Seaway curlers, who last year finished second in the province of Ontario in Gore Mutual Schoolboy play, completed preliminary round action here Sunday with a four-win-one-loss record.

Opening with a 12-0 win over La Citadelle they romped past Gananoque's Stewart in game two 11-2. These were followed by identical 10-3 wins over Peacock from Thousand Islands and St. Lawrence High.

Now ranked in the top eight junior men's curling teams in the province as they prepare to head for the Pepsi Provincial Playdowns in Smiths Falls this weekend the Seaway rink was obviously the one to beat Sunday and that's just what Stephen Bond of Tagwi set to work to do.

With one loss already under his belt in the double knockout event, Bond needed a win to remain alive in the competition which accepts only one representative from each zone at the zone final which is scheduled for Renfrew, February 7.

In a game described by bonspiel organizer John Wilson as, "as good as any you'll find at the Pepsi playdowns in Smiths Falls," Bond slipped past the Seaway rink 7-5 in nine ends.

After blanking the first end Morrell pulled ahead in the second 1-0. Bond came back in the third for a 2-1 lead and Morrell evened it in the fourth. The fifth end went to Tagwi for a 4-2 lead and the sixth belonged to Morrell who tied it 4-4. Bond again moved out front in the seventh 5-4 and Morrell used his last rock in the eighth to settle it at 5-5 and force the extra end.

As the bonspiel wound down three teams were left each with one loss. Seaway had its loss to Tagwi, Thousand Islands its loss to Seaway and Tagwi its loss to Thousands Islands.

Bond next tangled with Peacock of Thousand Islands, the win advancing him to the final showdown against Seaway scheduled for January 17 at 9 a.m. at the Morrisburg Curling Club. The winner here will advance to the Zone final and from there it's to the provincial at London.

Members of the Tagwi team included Stephen Bond, skip, Murray Bond, vice, Rene Auer, second and Bill Thomas, lead.

Bonspiel organizer John Wilson said play had gone very well over the weekend with most games being reasonably close. The 12 rinks, two each from Gananoque, Seaway and La Citadelle and one each from Tagwi, Thousand Islands, South Grenville, St. Lawrence, Hawkesbury and Vankleek Hill are the most the bonspiel has ever attracted.

"High school curling is picking up and our scheduling for the Gore is much more convenient than last year when it was closer to the holidays," said Wilson.

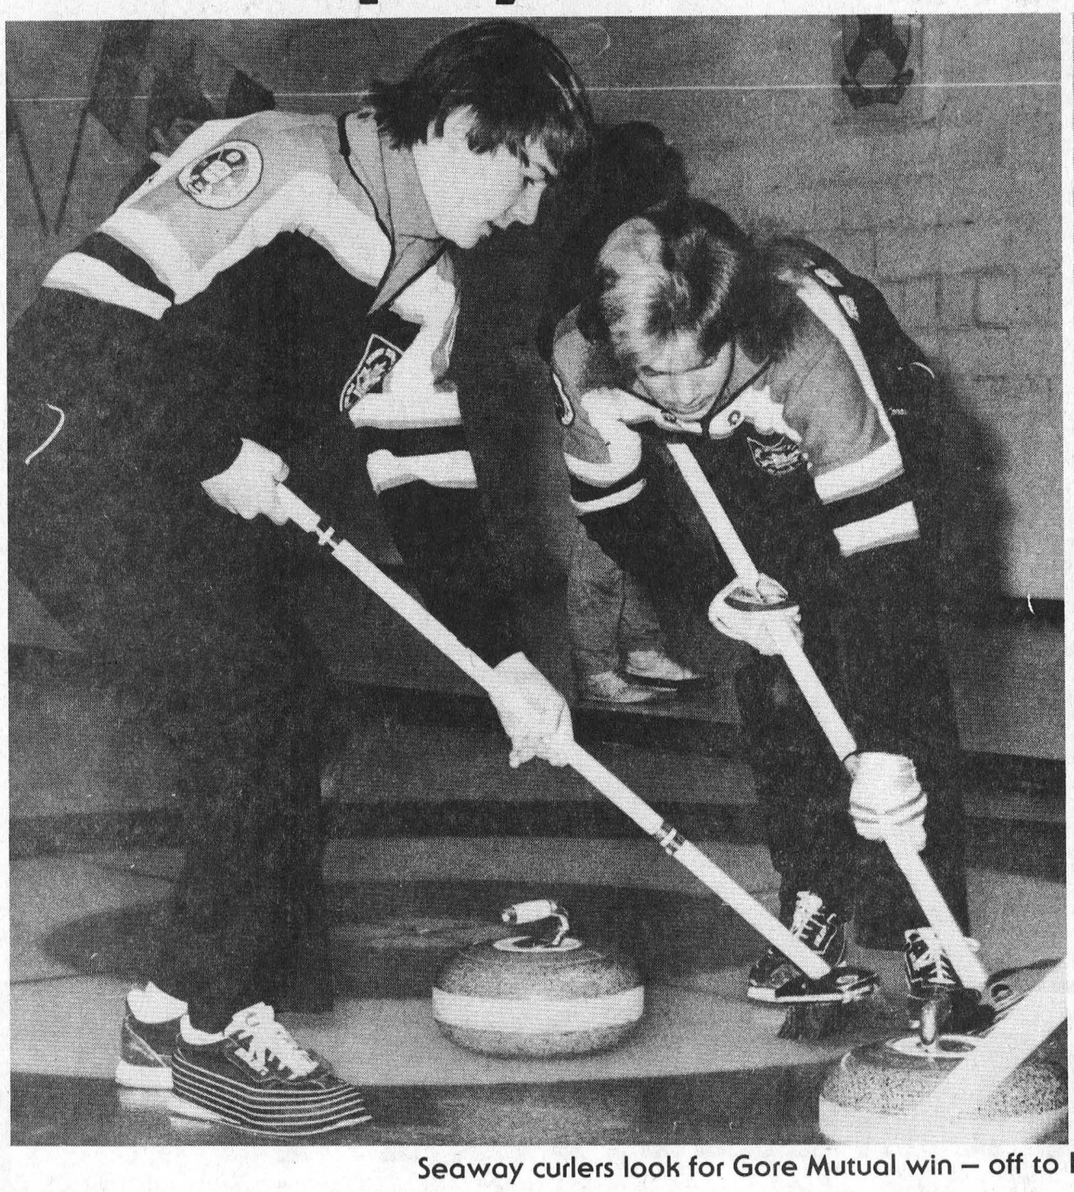
Also new this year, explained Wilson, is that the Zone 1B winners advance right to the zone final. "In years past our winner had to play off against Ottawa which is Zone 1A," said Wilson. "Because we have been getting far more entries than the other zones we've been given an automatic spot in the zone final and this year's 12-rink turnout will ensure the spot again next year."

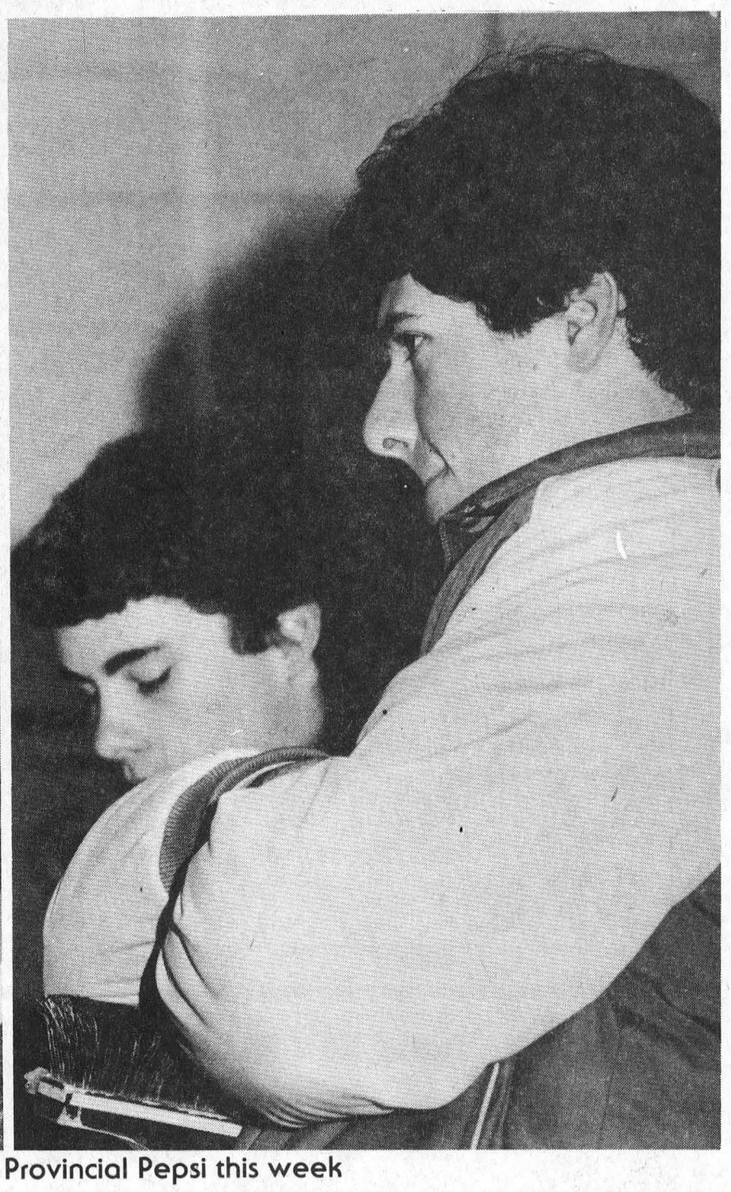
Wilson, impressed with the play was particularly pleased with the Seaway-Tagwi match. "You won't see much better than that even at the Pepsi provincial," he said. "There was excellent shot making."

Wilson also pointed out the bonspiel provided the Seaway rink with some good practice prior to the Pepsi this coming weekend. "That's a big tournament and even to qualify for it is top notch."

The round robin eight team Pepsi Provincial Final gets underway Thursday at the Smiths Falls Curling Club - the Seaway rink scheduled for games Thursday, Friday and Saturday. Sunday will see playoff action if necessary.

In other action in the Gore Mutual on the weekend a second Seaway rink skipped by Chris Lane and including Ian Wilson, David Mott and David Anderson put in a good showing with a two-win, two-loss record. Lane defeated Hoffman of Hawkesbury 8-6 and Stewart of Gananoque and lost to Legault of St. Lawrence 8-4 and Tagwi 10-3.





Seaway curlers look for Gore Mutual win — off to Provincial Pepsi this week

Seaway High curlers found themselves knee-deep in some pretty stiff competition at the Gore Mutual Bonspiel played at the Morrisburg Curling Club on the weekend. Photos above were taken during the Seaway rink's only loss to Tagwi. The two (both with a loss) will meet in a sudden-death showdown January 17 to determine who earns the right to advance to the zone final. In the photo, far left, are Seaway rink members Gord Johnston and Tim Rosenquist and at the right Daryl Morrell (skip) contemplates his next shot while Scott Lane (background) awaits his decision. The Seaway rink leaves for Smiths Falls this Wednesday where, as the Morrisburg Club's representatives, they will compete in the Pepsi Provincial final. —McNairn photos

Winner of the annual "Big Buck Contest" Robert Casselman, left, of Chesterville, accepts the Trevor Crowder Memorial Trophy from the late Mr. Crowder's son-in-law Doug Casselman. —McNairn photo

"Big Buck" trophy awarded

MORRISBURG — Robert "Bob" Casselman finished off 1986 in a good manner here last Monday night when he received $75 and the Trevor Crowder Memorial trophy as this year's "Big Buck Contest" winner.

The contest, now having run for eight years, is sponsored by Mrs. Trevor Crowder and organized by her son-in-law Doug Casselman and Charlie's Sport Shop.

The delay in presenting the trophy was due to the extended season for bow hunters which ended in mid-December.

Casselman, a native of Morrisburg, who now resides in Chesterville bagged his 213 pound buck in the Calabogie area. He was a member of a local hunting party which included Doug Casselman, Lyle Black, Steve Casselman, Barry Elliott, Gary Hess, Duane Crump, Lee Hess, Donald Black, Dennis and Wayne Gurnhill and John Carruthers.

In total the party brought home 10 deer, Casselman's 11-pointer the biggest.

This year's contest attracted 30 entries and two deer were weighed in — Casselman's and one by Dennis Whitteker.

Won and lost in weekend action

Jr. B Lions move into tie for third

MORRISBURG — The Morrisburg Junior B Lions suffered a minor setback to their move upward in Rideau-St. Lawrence division standings here Sunday afternoon when they ran into the first place Westport Rideaus and were handed an 11-4 loss.

In only their second loss in their last nine games the Lions collapsed in the second period after holding the Rideaus to a 1-1 first period tie. The Rideaus pounded home seven goals to the Lions one in the middle frame to carry an 8-2 advantage into the third.

Barry Seed had a big game for the Rideaus beating Morrisburg goaltender Kent Pilon on four occasions and Steve Merkley was good for three goals. Russell Parslow collected a pair and Robert Parslow and Paul Rodgers had singles.

Answering for the Lions were Donald Black, Dan Bruyere, Randy Mullin and Rod Lemieux.

Fifteen minor penalties were assessed, nine to the Rideaus. Both teams counted a pair of powerplay goals.

The loss to the Rideaus came fresh on the heels of a 5-2 victory over the Carindal Broncos on home ice Friday night.

Again the Lions held their opponents to a 1-1 first period tie but this time in the second they moved ahead 3-2. Johnny Morrow upped the Lions advantage to 4-2 with 2:11 left in the game and with 34 seconds to go Dan Bruyere found the empty Cardinal net with Bobby Jack Hart providing the assist.

Bobby Jack Hart, who has been heard from regularly in the last few weeks, again led the Lions with two goals and singles came from Morrow, Bruyere and Mike Casselman. Henry Brunton and Rod McCaffery beat Lions' goaltender Andy Cummins for one goal each.

The Broncos had seven minor penalties and a five minute fighting major and game misconduct to Rod McCaffery and the Lions sat out five minors. The Lions capitalized on one powerplay opportunity.

In league standings the Lions have now settled into a three-way tie for third place with the Brockville Tikis and Kemptville 73s all with 25 points. The next closest contenders are the Athen Aeros at 16.

The Westport Rideaus and Prescott Falcons who are battling it out of first place are tied with 34 points.

The Lions have now scored 116 goals and given up 127. They have put together a record of 12 wins, 10 losses and one tie and have 12 regularly scheduled games left prior to playoffs which begin in late February.

Bantam C

Lions roar

MORRISBURG — The Morrisburg Bantam C Lions roared into the new year here Monday night handing first place Russell their first loss of the year 3-2.

Playing to a 1-1 first period tie the Lions struck twice in the second to carry a 3-2 advantage into the final. Goaltenders Martin St. Denis of Russell and the Lions Steve Johnston dug in for third period action to prevent any further scoring and allow the Lions the 3-2 win.

Dean Beckstead opened the Lions' scoring early in the first unassisted and Jason Norton of Russell evened it at 3:54.

Two minutes into the second the Lions' David Foster struck with Kevin Rice assisting and at 8:59 a goal by Kevin Nield assisted by Ken Vandemheen gave them a 3-1 advantage. Russell's Derek Clost cut it to 3-2 with 36 seconds left in the frame and the score held for the Lions' win.

Saturday the Lions picked up a convincing 4-1 win over Prescott. Leading 2-1 after the first period they carried a 4-1 advantage into the third.

Scoring for the Lions were Dave Foster, Eddie Montroy, Jason Rasenberg and Kris Scott. The Lions had only seven skaters for the game compared to 13 on the Prescott bench. Scoring for Prescott was Steve Labrash.

Hunting & fishing with Rex Weegar

NEW HUNTING REGULATIONS PROPOSED

Vince Kerrio, the Minister of Natural Resources has recently announced that he intends to introduce legislation requiring hunters to wear garments of a blaze Orange color. These changes would be made in the interest of safety because the blaze orange color is highly visible. Over the last few years in Ontario most of the hunting or shooting accident victims were not recognized because of dark clothing, poor light or long distances. It is hoped that the new "bright" color requirement can reduce such accidents in the future.

The Minister also proposes legislation making it an offence to be hunting or using firearms while drinking alcohol or impaired. This would allow Conservation Officers or Police to charge hunters or shooters who are or have been drinking alcohol.

TURKEY HUNTING IN ONTARIO

A 12 day hunting season is being planned for May, 1987 in Eastern Ontario. A turkey hunt will be held in the Belleville area this spring. If applications exceed the quota a draw will be used to select the lucky hunters. Absent from Ontario for many years the re-introduction of wild turkeys to this area has been very successful over the past few years and an opportunity to hunt this wary gamebird will provide a good challenge for local hunters. Only male or Tom turkeys will be harvested. Contact the Napanee office of the Ministry of Natural Resources for more information.

ICE FISHING UPDATE

Although the Ministry of Natural Resources has proposed new regulations preventing winter or ice fishing for Lake Trout in our area, at this time the new regulations are not final. Approval is expected, however the current 1987 regulations (and a call by this writer to the MNR in Toronto) have indicated that the ban on ice fishing in local management units 9 and 10 is still up in the air. Area fishermen can still hope that final notification of the changes will not come through before the "old" season opening of Saturday, Feb. 7, 1987. If this is the case there will be a 16 day ice fishing season. Be sure to call the local Ministry office before ice fishing for Lake Trout in units 9 or 10 to find out if the ice fishing ban has become law.

FISHING LICENCE NOW REQUIRED IN ONTARIO

Any person between the ages of 18 and 64 is required to purchase a $10.00 Ontario Resident Fishing Licence before angling.

ICE FISHING FOR PICKEREL

Call them pickerel, walleye or dore it does not matter because this large member of the perch family is one of the most sought after and best eating fish in Ontario. You can catch them by using various jigs or spoons sweetened with a small minnow.. They can be caught in this area by fishing the Nation River from Cass Bridge at Highway 31 westward to South Mountain. Because of the wet fall and high river levels the fish are there and being caught right now.

The real "Hot Spot" for pickerel is the Bay of Quinte from Napanee to Belleville. Here you can expect limit catches and fish exceeding 10 pounds on a regular basis. The best time of day to catch pickerel is the morning or evening but when there is a snow cover on the ice they will often feed at all times of the day or night. Fish close to the bottom and move the lure or bait slowly as the fish are not very active at freezing temperatures.

Pickerel do not strike hard and fast like Pike and they also have very soft and delicate lips. Because of this be careful not to pull on the line too hard or quickly when a bite is felt as these fish are easily lost.

FISHING POOR AT CHALLIES POND

The winter fishing for Rainbow and Speckled Trout at the local "Trout Pond" as the Challies Provincial Fishing Area is known has been poorer than usual. Probably because of a lack of stocking local icefishermen have not experienced very good luck in 1987. The Ministry should have provided more stocking of trout after the summer season closed to provide the winter anglers with some fishing opportunities. Many of the people fishing there said that now that the Ministry had collected $10.00 (licence fee) from each of them that more stocking of trout should be done in the pond.

Lose and tie

Atom C's experience slow start

MORRISBURG — The Morrisburg Atom C Lions got off to a slow start in a game here Monday night against the Russell Warriors, the end result a 5-2 loss.

Leading 3-1 after the first period the Russell marksmen were John Cheshire and Mike Sarguay with two goals each and Morrison Grant added a single. Answering for the Lions were Pat Graham and Steven Morrow.

Saturday at Metcalfe fine goaltending from Jason Vaughan allowed the Lions to salvage a 3-3 tie against the Warrior's number two team.

A scoreless first period followed with both teams striking twice in the second. Goals were traded again in the third, the Lions' Patrick Graham tying it at 3-3 with 25 seconds showing on the clock.

Scoring for the Lions were Graham, Kris Morency, and Chris Hallam and Chad Shields had a hat trick for Metcalfe.

Seaway Curlers

Seaway High School curlers, from left to right, Chris Lane, Ian Wilson, David Mott and David Andersen gave a good showing at the Gore Mutual Zone I-B Bonspiel at the Morrisburg Curling Club on the weekend winning two games before being eliminated in the double knockout event. —McNairn photo

Novice Reds on tournament trail

MORRISBURG — The Morrisburg Novice Reds were on the tournament trail during the Christmas holidays travelling to Athens Dec. 27 and Winchester Dec. 29.

At Athens the Reds were eliminated with two losses the first to Westport 4-3 and the second to Winchester 4-2.

After the Reds moved into a 2-0 first period lead, Westport came back in contention with a second period goal tightening it to 2-1. Robert Coon struck for Westport early in the third tying the game 2-2 but Jason Rice came right back, again giving the Lions the lead. A tally by John Skenyna tied it and forced overtime. Coon came through for his second of the game giving Westport the win.

Against Winchester, the Reds carried a 2-1 advantage into the third frame but three unanswered Winchester goals settled the issue.

Geoff Hardy and Murray Link had two goals each for Winchester and answering for Morrisburg were Jonathan Saunders and Chris VanBeilen.

At Winchester the Reds again were eliminated after two losses the first to Nepean 6-0 and the second to Orleans 6-5.

Mark Mineault provided five of the Nepean tallies and Todd Stonier added a single.

The Reds held Orleans to a 3-2 first period lead and trailed 5-3 heading into the third. Scoring for Orleans were Blake Smith and Sylvian Faureau with two goals each and Cory Mask and Doug Belliveau with singles. Answering for the Reds were Robbie Darling and Jonathan Saunders with two each and Jason Rice with a single.

In more recent action the Reds fell victim to a visiting Winchester team Sunday 3-1.

After leading 1-0 in the first period they fell behind 2-1 in the second as Winchester worked its way to the 3-1 win.

Scoring for Winchester were Ryan Filion, Geoff Hardy and Murray Link and Jonathan Saunders found the spot for the Reds.

Peewee B Lions fall one goal short of final win

POTSDAM — The Morrisburg Peewee B Lions fell just short of winning the Potsdam Christmas Tournament here Dec. 29 when an empty net goal with 40 seconds left in the championship game lifted Tri-Town to a comfortable two-goal lead which they held on to for a 3-1 win.

Tri-town was first on the scoreboard late in the first period with a goal by Jeff Blais but at 12:20 of the second Lions' Mike Francis evened it. Two minutes later John Clark broke the tie, again giving Tri-town the advantage.

As the seconds ticked away in the final Lions coach Bill Dillabough pulled goaltender Lenny Beckstead in favor of the extra attacker but the move resulted with the empty net Tri-town goal and the championship.

The Lions opened in the tournament with a 3-1 win over Brockville and earned entry into the final when they defeated Malone 3-1.

Scoring for the Lions in game one were Allen Farlinger, Kirk Tysick and Barry Barkley. Game two saw the Lions' goals come from the sticks of Francis, Tysick and Stephen Serviss. Billy Dillabough and Lenny Beckstead shared the Lions' net duties.

Monday night the Lions travelled to Winchester where they were handed a 7-2 loss.

Four unanswered first period goals gave Winchester a commanding lead and although the Lions were able to come back in period two for a single they were outscored 3-1 in the third.

Shawn Backes and Kevin Williams had two goals each for Winchester and singles came from the stricks of Trevor Barkley, Chris Olford and Jason Ouellette. Answering for Morrisburg were Allen Farlinger and Barry Barkley.

Ice fishermen first to pay

Ice fishing enthusiasts will be the first anglers in need of the new Ontario Resident Sport Fishing Licence which becomes mandatory January 1st, 1987. Most Ontario residents aged 18 to 64 will now need a licence to fish. People with physical handicaps will not require a licence.

The licence will cost $10 for a year. A $5 licence, good for four consecutive days, is also available.

Your purchase of the Resident Sport Fishing Licence will help to raise an estimated $10-million a year.

These new funds will help in rehabilitating fish spawning beds, further fisheries research and provide more fish stocking in Ontario's quarter-million lakes.

Licences can be purchased from most sporting good stores and outfitters, or from any Ministry of Natural Resources District office.

Curling chatter

With the holiday season come and gone for another year, it's time to get on with the business at hand. The curling club is back in full swing following the Christmas lull and all divisions start new draws this week. By the way, it's still not too late for persons interested in curling to sign up. Contact Gerald Adams (535-2732) for information on any of the draws.

Belated congratulations to the skips and team members who won their pre-Christmas draws. Skips are: afternoon ladies - Liz Brunt; afternoon men - Howie Eamon; evening ladies - Lillian Wagner; evening men - Tom Lalande; evening mixed - Barb Bradford; afternoon mixed - Gerald Adams.

By virtue of her win, Liz Brunt will select a team to represent the Morrisburg club in the upcoming Broder Cup bonspiel later this month.

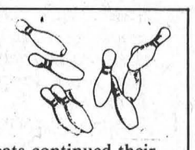
Gerald Adams is looking for women - curlers that is. Seems they're in short supply for the morning mixed draw. The turnout, however, for the afternoon men's draw is quite another story, with 11 teams comprising the schedule. It also looks like there will be an extra team in the evening mixed section this time round, meaning an automatic bye for one team each week and lots of spares.

It was nice to see all the activity at the club over the weekend as some 12 area high school teams participated in the annual Gore Mutual bonspiel. The tournament will be completed Jan 17 when Seaway meets Tagwi - the winner to advance to regional play.

End notes

And finally, good luck to the boys' team from Seaway as it heads to Smiths Falls today (Wednesday) for the Pepsi Junior Mens' provincial playdown. If you want to see some really fine calibre curling - there are eight teams entered from across the province - head out to Smiths Falls. The winning foursome gets a trip to Prince Albert, Sask. for the nationals later this year.

Legion bowling



INGLESIDE — The first place Never Sweats continued their charge into the new year in legion mixed bowling league play here Sunday night with a four point win over the Wanderers - a loss which knocked the Wanderers into the league basement.

Hartley Graham had a big night for the Never Sweats posting a 717 cross (272-252-193) and backing him was Lynn Dillabough with a 604 (202-181-221). High roller for the Wanderers was Ed Quinn with a 594 total.

The Misfits and Pin Bruisers moved into a tie for second place, the Misfits adding three points to their pre-Christmas total and the Bruisers holding on with one.

The top Misfit roller was Frank Marriner with a 595 cross (208-166-221) and Fred Veley led the Pin Bruisers with a 589 (184-220-185).

In the final match-up the Headpins posted a 3-1 win over the No Names. Colin Morency had the high Headpin cross with a 608 (233-188-187) and Percy Markell topped the No Names with a 523 (196-195-132).

High singles: Hartley Graham 272-252; Devra Wells 254; Martin Nicolaassen 238; Floyd Elliott 235; Colin Morency 233; Dave Nicolaassen 231.

Seaway High news

by Wendy Laurin

Well how was everyone's holiday? Did Santa bring you everything you wanted? Wish we had another two weeks, or maybe the first week back, we should have half days of classes.

To make matters worse, being back to the books and all, exams are lurking in the not-so-far future. Two weeks and we'll all be in a panic - last minute cramming.

We all leave that sort of thing to the last possible second, like the morning of the exam.

Exams aren't too bad when you're not writing. Of course they aren't right! But think of the card tournaments, getting home early to watch the soaps and just plain not attending class you get to do during that week. And think of all the partying there'll be because everyone is dying to get out and let loose after all the studying.

To get off the subject of studying let's move on to brighter things. The CFL Stars are once again making an appearance. Seaway will host these athletes and challenge them to various sports on Wednesday, January 7 at 10:30 a.m. One of the big guys to make an appearance is Grover Covington of the Grey Cup champion Hamilton Ti-Cats. It'll be great to watch our athletes try to beat these boys at games of our own making. So don't forget to buy a ticket.

Well that's about it. There's not much to tell since we've just returned. Anyway enjoy these lazy days while you can - soon you'll be up until 3 a.m. studying.

Atom Bs on top in two

MORRISBURG — A goal from the stick of Jamie Helmer with 1:06 remaining in an Atom B exhibition game here Dec. 28 lifted the Morrisburg Lions to a 3-2 win over Brockville P.A.A.

After playing to a 1-1 first period tie the Lions moved ahead midway into the second frame, Tim Cordes finding the spot with J.J. Smith and Pat Graham assisting.

Brockville tied it at 4:58 of the third setting the stage for Helmer's winner.

Eric Massie provided the Lions' first period goal with Val Robinson assisting and the Brockville marksmen were Bryan Woods and Dan Cook. Gary Magee was between the Morrisburg pipes and Kory Beecroft handled the Brockville loss.

Last Tuesday night the Lions travelled to Brockville where they lost to Gilbaco 3-1. Eric Massie counted the lone Morrisburg tally.

Sunday, December 21st the Lions downed South Grenville Bruins on home ice 4-3.

Leading 1-0 after the first period the Lions carried a 3-2 advantage into the third. With 5:57 showing on the clock the Bruins, Andrew Henderson, tied the game 3-3. The Lions then dug in and affiliate player, Chris Halmon, came up with the winner at 8:55.

Scoring for Morrisburg were Eric Massie, Jay R. Elliott, J.J. Smith and Halmon and answering for the Bruins were Mike VanAsseldonk, Dan MacDonald and Henderson.

Spring hunt for turkeys

Ontario's first hunt for wild turkeys since the early 1900s will be held in eastern Ontario next spring, Natural Resources Minister Vincent Kerrio announced recently.

"We will hold a controlled hunt for wild turkey in my ministry's Napanee District in May 1987," said Mr. Kerrio. "The wild turkey reintroduction program conducted co-operatively by the Ministry of Natural Resources (MNR), the Ontario Federation of Anglers and Hunters (OFAH) and other concerned conservationists has been particularly successful in the Napanee District. The wild turkey population is now large enough that we can hold a hunt, which was one of the objectives of the re-introduction program."

The hunt will be held in two consecutive six-day seasons in Wildlife Management Units (WMU) 68 and 71. The first season will begin Monday, May 4 and run to Saturday, May 9. The second will follow on Monday, May 11 and end Saturday, May 16.

Hunters will require a wild turkey validation tag to take part in the hunt. The tags will cost $12 and be allocated by a random draw. Application forms for the tag draw are available from MNR's Napanee District office. Hunters must possess a valid small-game hunting licence to apply for the tag draw.

The ministry will issue no more than 1,000 tags between the two WMUs. The exact number of tags for each WMU will be determined after a count of the birds is completed this winter.

Only shotguns or archery equipment will be permitted in the hunt. Hunting hours will be from a half-hour before sunrise to noon.

"Only bearded or male turkeys — known as gobblers — will be hunted," Mr. Kerrio said. "One male bird typically breeds with a number of females, so the hunt will not reduce the reproductive potential of the population. The hunt will be timed to take place after most females are bred and incubating eggs."

Wild turkeys disappeared from southern Ontario at the turn of the century primarily because of the loss of hardwood forest habitat and over-hunting.

Wild turkey numbers have grown dramatically in the Napanee District. In 1984 and 1985, MNR released a total of 96 birds in the Napanee area. They reproduced successfully, and by last spring there were an estimated 700 birds. Several thousand birds are expected in the area by the spring of 1987.

Shutout for Atom Bs

BROCKVILLE — Goaltender Gary Magee was unbeatable in an Upper Canada Minor Hockey League game here last Tuesday night as the Morrisburg Atom B Lions went to work for a 4-0 victory over Brockville P.A.A.

Leading 3-0 after the first period the Lions added their final tally late in the second frame.

Eric Massie and Scott Weagant had two goals each, Weagant backing his performance with a pair of assists and Massie assisting on one. Other assists went to David Waddell and Matt McCooeye.
