Tagwi student surprised at The Poppy's win

(Staff) - When Sharon Michaud learned that her poem was one of the winners of the Finch Legion, Heather Branch, Remembrance Day poem contest she was surprised.

The grade 13 student at Tagwi Secondary School had been urged by her English teacher, Mr. Poirier, to write the poem for the competition. He was impressed with the result and asked her to enter it. She agreed.

The RR1, Maxville, resident (and daughter of Leo-Paul and Sheila Michaud) was one of many selected by the judges as winners.

Senior winners in the poster contest were Arlene Jaggassar, Sharon Michaud and Jacqueline Latulippe, in that order. All three hail from Tagwi Secondary.

The tops in the intermediate class were Tracy Moran, Julie Van Wylick and Ronnie Van Loon, all St. Bernard's students.

The Juniors (grades four to six) were John Hedge, Peter John Van Delst and Zoe Middleton. John and Zoe attend St. Mary's while Peter John attends St. Bernard's.

These 9 won their prizes topping a total of 60 entries.

Sharon Michaud of Tagwi repeated a win with her poem among the seniors and the intermediate winners were David Stephen, Liam Sullivan and Bernice Teplate, all of St. Bernard's.

Essayists were Bobby Van Delst, Kristine McRae and Marilyn Wheeler in that order from St. Bernard's in the intermediate category and Gabrielle Slowey, Sylvia Speck and Dianne Dingemans in the juniors. The winners topped a total of 15 essays.

Rose Hauch supporters canvass area for funds

(Staff) - If you live in Chesterville and area canvassers from the Chesterville Chamber of Commerce will probably be knocking on your door sometime next week in an attempt to raise funds for the Rose Marie Hauch Trust Fund.

A team of canvassers met last week at the Chesterville Drop-In Centre to divide the area into sections to be covered.

The fund-raising drive is an effort to support the young Chesterville-area athlete in her quest to make it to the Olympic Games in 1984.

Miss Hauch, who won a bronze medal for shot-put at the 1982 Commonwealth Games in Brisbane, Australia last month, was a special guest of the Chamber at their November meeting.

It was that time Miss Hauch accompanied by North Dundas District High School physical education teacher Jean Ward, spoke to the members of her hopes for the Olympics and petitioned them for financial help.

The 24-year-old shot-putter, who had placed third at the Commonwealth Games, was promised support by the Chamber.

Financial help has already been pledged by Chesterville Village council, and Winchester Township council.

Miss Hauch explained that holding a full-time job to support herself and attempting to train for the Olympics at the same time was extremely difficult.

Participating in the Commonwealth Games was a highlight for the young woman. Just before leaving for the games she received her C Card, meaning she is recognized as being among the top 70 female shot putters in the world.

It also means she will be receiving money to support herself from the Canadian Amateur Sports Association. The money she will receive from the association totals $1000 per year and includes monthly income of

the poppy

by
Sharon Michaud
Garde 13
Tagwi S.S.

Look at me and remember;
It might make you a little bit meeker.
I am not what I appear to be;
My meaning goes much deeper.

I stand on my lonely vigil;
I represent a soldier brave.
For I am the bright red poppy,
And thus I mark this grave!

The man below, now long forgotten
Was once young, handsome and brave;
And because he loved his fellow man
His youthful life he gave.

A bride and infant son he left,
With a kiss and hasty goodbye.
His return, he thought, would be soon;
He never thought he would die.

His heart-broken wife received the news
Of her husband's heroic deed.
"He gave his life to save his friends;
He is sadly missed indeed."

The statistics marked him one of many;
There were thousands more to bury.
But he was everything to his widow
And the burden of death she must carry.

So now gaze upon this worn stone
Weathered by the ages;
It too has a story to tell;
Like a book with many pages.

Yes, look at me, the bright red poppy;
Look hard and think of your debt.
Gaze upon this weathered stone-
Upon the words, "Lest We Forget".

Hydro's 100 per cent overrun angers reeve, council

(Staff) - A peeved reeve, Carl Ward, was given nothing more than apologies at Monday night's Chesterville council meeting when he challenged an Ontario Hydro bill that ran to more than double the original estimate.

The work done on Main Street, this summer was estimated by Hydro at between $22,000 and $23,000. The final bill was approximately $46,000 before Hydro representative John Compostella intervened to have it reduced by $5,000.

Mr. Ward told Mr. Compostella although he thanked him for the interference council was of the opinion the final cost is exceptionally excessive compared to the original estimate.

To receive a bill of double the estimate was "shocking to say the least" and council were "flabbergasted" to be billed for equipment rental and housing for the Peterborough crew which performed the work.

"Had we any idea the original cost estimate would come in over double we would have looked elsewhere for this service...that is putting it very mildly and politely" said the reeve who added he didn't think the matter was closed.

Mr. Compostella told council the work was messy and two additional contractors present on the site made the going slower.

Reeve Ward pointed out this was no fault of the Chesterville Hydro commission whose planning had allowed for the contractors to be entering the site when Hydro finished. Due to Ontario Hydro delays, however, all three were present at the same time.

Mr. Compostella told council the only thing he could do was to apologize and to reassure them that as a result of the Chesterville situation zone crews would not be used again on small utilities jobs.

Originally, he explained the Winchester district crew had been anticipated as the contractor for the work but their workload prevented this, necessitating the use of the more expensive Peterborough crew.

As well, said Mr. Compostella, constructing new line would have been a less expensive way of maintaining power to customers while renewing services.

"You have to understand" said Mr. Ward, "we are not experts in the field of hydro".

"This is the kind of communication we should have had in the first place" added councillor Bryan Beazer.

The reeve told Mr. Compostella if it were the Chesterville commission's fault they would take the blame.

Adding that he felt all parties were to blame, Mr. Compostella told the councillors Hydro is not a contractor so when they do perform a service they charge a lot of money for it. Chesterville would have been better off to go to a private contractor he told them.

Mr. Ward had earlier noted, however, the commission had thoroughly investigated costs and chose the Hydro bid since it was realistic and one that council felt it could live with. In fact, when additional work was requested, council approached a Hydro staff member on the construction site to further enquire about costs; even these were far overrun.

Newsbriefs

The Sound of Music

(Staff) - Cornwall's Centennial Choir invites Christmas and other music lovers to their Tues., Dec. 7 concert to be held in the Capitol Theatre at 8pm. Tickets are $3 for adults; $2 for seniors and students.

Information meeting

(Staff) - The Christian Farmers Association of Dundas County is holding a membership information meeting Mon., Dec. 6 in the Chesterville Park Pavilion. Elbert van Donkersgoed, CFFO Research and Policy Director will act as a resource person for questions on the proposed quota transfer policy.

Meeting moved

(Staff) - The December meeting of the Stormont, Dundas and Glengarry County Roman Catholic Separate School Board will be held Tues., Dec. 14 rather than Tues., Dec. 21.

Festivities

(Staff) - Berwick Winter Carnival committee has announced the dates of the 1983 festivities in that village. Set aside February 17 through 20 for small town winter fun!

Sign of Christmas

(Staff) - Clive and Francis Marin, co-authors of Stormont, Dundas and Glengarry: A History, 1945 to 1978 will sign copies of their book Sat., Dec. 4 at The Brookslyn from 2pm until 4pm. The books can be gift wrapped by Brookslyn staff for Christmas giving, too.

PCs meet

(Staff) - Stormont-Dundas Progressive Conservative Association will hold their general meeting Tues., Dec. 7 at 8pm in St. Columban's Church Hall, Cornwall. Guest speaker is Jennifer Cossitt. Delegates to the biennial meeting will be selected (the national policy meeting at which delegates vote on whether to hold a leadership convention).

Carnival committee

(Staff) - The organization meeting for the 1983 Chesterville Winter Carnival will be held at the Drop-In Centre, Thurs., Dec. 2, 8pm. All interested parties are urged to attend.

...on the dotted line

Clive and Frances Marin, co-authors of the updated history of the United Counties, signed autographs Sun., Nov. 28 for history buffs at Rothwell-Osnabruck K to 13 School. Standing, Gwen Campbell and George Hickey were among those who had their copies signed.

Junior students honored at NDDHS commencement

MAPLE RIDGE (Staff) - Junior students at North Dundas District High School were placed in the limelight here last Wednesday afternoon as the school held it's annual Junior Commencement.

Students in grades 9, 10 and 11 were honored with medals, monograms, school bars, and special awards for their contribution to the school community.

Six students were presented with NDDHS medals for attaining the highest academic standing in their respective programs. In grade 9, Julie Lamb received a gold medal while David Snyder received a silver; in grade 10, Laura Hunter received a gold and Daphne Weaver received a silver; and in grade 11 Jennifer Anderson received a gold while Jeff Belanger received a silver.

Some 17 special prizes and awards were also presented Wednesday.

Gerald Mulder received the Wesley Newman Fulton Shield for the highest average in grade 9 Science, Technology and Trades program.

The Fulton Brothers Shield for the highest average in grade 9 regular program went to Julie Lamb.

Michelle Sharkey was awarded the Mrs. Lillian Allison Trophy as the best Family Studies student in grades 9 and 10.

Prizes were awarded for typewriting speed. Heather Walker, grade 9, received $10, Kim Shay, grade 10, received $15 and Della Casselman, grade 11, received $20.

The P.G. Hewitt Band Trophy and $10 cash award went to the student making the greatest contribution to the NDDHS Junior Band, Jeff Hopkins.

The Morewood Women's Institute Award, presented to the student with the highest standing in Technical Drawing grades 10, and 11 was presented to Jeff Belanger.

Jennifer Bolton was the winner of the Empey Trust Award of $50 given to the student with the highest average in grades 9, 10 and 11 English.

The James A. Lemon Memorial Trophy, awarded to the outstanding student in the aircraft program went to David Nelson.

Kim Shay took home another prize, the Ontario Business Educators' Association Junior Typing Trophy, as the student who placed first in the junior competition with all schools in Stormont, Dundas and Glengarry.

The Junior Typing Team Trophy, to the school team who placed first in competition with all schools in Stormont, Dundas and Glengarry, was awarded to Martha Huchinson and Kim Shay.

The Ontario Business Educators' Association Junior Accounting Trophy, awarded to the student who placed first in the junior accounting competition with all school in SD&G, went to Jeff Belanger.

Jeff Belanger also won the Ontario Business Educators' award for the accounting student who placed second in Ontario in the junior accounting competition with all schools in Ontario.

Julie Lamb won the Marion N. Casselman Award of $10 as the student for having achieved in the study of Canadian History.

The top three students on the school team in the Pascal Math Contest for Grade 9 Students were honored, Julie Lamb in first, Ronald Coughlar in second, and Hugh Craig in third. All three stood in the top 10 per cent of all contestants in Canada.

The students in the top 25 per cent of all contestants in Canada were Rhonda McIntosh, and Mark Cross.

The top three students on the school team in the Fermat Math Contest for Grade 10 or 11 students, Jeff Belanger in first place, Peter Patenaude in second place, and Jeff VanNoy in third place. These three students stood in the top 10 per cent of all contestants in Canada.

The students in the top 25 per cent of all contestants in Canada were Joel Verdurmen and Marilyn Craig.

Cash prizes were awarded to the three students receiving the highest mark in math in grade 9, 10 and 11. Those students were Julie Lamb, Joel Verdurmen and Jeff Belanger, respectively.

An engraved school plaque was presented to James Hicks for his dedication and hard work on the North Dundas Curling Team, which represented the school at four provincial championships in the last two years.

And Karen Windsor, who placed second in the Junior Balance Beam Competition while competing at EOSSA and who represented Eastern Ontario at the All Ontario Competition received an engraved school plaque.

School Monograms, awarded to students who have received a total of five armbars (honors or co-curricular during their school year), were presented to Lorrain DeJong, Natalie Edwardson, David Nelson, Jeffrey VanNoy, Elizabeth Woods, and Rhonda York.

Some of the special award winners at the Jr. Commencement at NDDHS last week were, front from left, Kim Shay, Julie Lamb, Karen Windsor, Martha Hutchinson; back from left, Michelle Sharkey, Jeff Hopkins, Jeff Belanger, Heather Walker and Jennifer Bolton.

just more than $300.

Canvassers, eager to help the young Chesterville-area woman, make it to the Olympics will be knocking on doors from Dec. 6 to 11 and asking for financial help for the athlete.

Money received will be placed in a trust fund for Miss Hauch. To retain her amateur status the money must be given to the Canadian Amateur Sports Association to be held in trust for Rose Marie. The money will be specifically for her use.

Donators will be asked to make cheques out to the sports association. Donations of more than $10 will be sent a receipt upon request.

Those interested in donating can also place funds in bank accounts established at the Bank of Nova Scotia and the Toronto Dominion Bank in Chesterville.

Service of dedication celebrated at Trinity United Church

(Special) - A special service of Dedication was conducted by Rev. L.M. Ferguson in Trinity United Church, Sun., Nov. 28.

The occasion was the dedication of a new Conn Organ, a memorial gift of the late Lillian and Harry Allison.

The service opened with a brass ensemble made up of Garth and Shaun Steel and Shauna and Alan Lummis.

Being the first Sunday of Advent, the first candle was lit within a beautiful brass advent wreath, a gift of the organist Mrs. Joye Loucks.

Immediately following the lighting of the Advent Candle, Mr. Ferguson called upon Mrs. Douglas MacAllan, sister of Mr. Allison to present the organ.

Those assisting the minister in the litany of Dedication were Jack Cross representing the veterans of the congregation; John McMillan, treasurer of the memorial fund; Elsie Graham representing the organ committee and Hilda Belsher, Clerk of Session.

At the conclusion of the prayer of dedication, Mrs. Loucks played for the congregation to sing a hymn of dedication, after which she played the organ solo.

The special music for the rest of the service included anthems by both church choirs, brass selections and a solo "Open The Gates of The Temple" by William Cooke.

Many friends and relatives of the Allisons from the surrounding area attended the service.

The Fawcett Organ Company will present a special musical concert on Sun., Dec. 12 at 8pm. Sharon Adams, organist and Rob Ferguson, trombones will be featured soloists.

Homespun homilies

Jean Rose of Cornwall, at right, was one of the many Charlie Farquharson fans who queued up for autographs at Upper Canada's Village Store last Sunday. The self-styled farmer-philospher delighted crowds of onlookers with his homespun wisdom.

record photo - riley

Village store offers variety of gifts

MORRISBURG (Special) - Each year about this time you start to think winter. Snow tires are made ready, block heaters are checked and you do all the hundred and one chores to make your home winter-ready.

Among other things, travel plans are drawn up so that winter journeys are kept to the shortest distances and most travelled routes.

Shopping expeditions come under review and that is when, at Upper Canada Village, the Village Store comes into its own. Set in a scenic landscape, on a well-kept, travelled highway, it offers you several shopping worlds under one roof. You can purchase everything from handwoven woollens to the latest in bestselling books, plus enjoy a well-stocked snack bar.

Just 11 kms (7 miles) East of Morrisburg, visit and shop in comfort amid the winter serenity of the countryside. Open all year round (except Christmas Day, Boxing Day and New Year's Day), winter hours are from 9am to 4pm on weekdays and from 9am to 5pm on weekends.

For the Kingston area traveller, Old Fort Henry, 10 minutes from downtown, sits majestically on the hill overlooking the city. Throughout the winter its grey stone walls impart the timeless solidarity often overlooked in the glamour of summer tints and hues.

The end of the summer season, however, does not mean the end of activities for the gift shop at the Fort. The charming Shako Badge Gift Shop remains open year round (except Christmas Day, Boxing Day and New Year's Day). Its winter operating schedule is from 10am to 4:30pm seven days a week.

Shoppers may purchase anything from fine china figurines to Tuak woollens. Parking presents no problem - just drive right inside the Fort. Shopping at the Shako Badge Gift Shop is not just another expedition, it's a happening. Nowhere else in Kingston offers such a panaramic view and you will enjoy the attention of our friendly, courteous staff.

Cornwall an innovator of spirit of Bill 82

CORNWALL (Staff) - This city could soon be a watchword in mental health circles. It has the distinction of having accomplished the first francophone children's mental health centre in the province.

The centre is unique in more ways than that. It is located in the east half of Jean XXIII Separate School, separated from the senior grades by a gymnasium.

The mental health centre, termed L'Equipe psycho-sociale pour enfants et adolescents francophones de Stormont, Dundas et Glengarry, was opened six months ago and serves 20 children and more than 350 families in a variety of programs, according to Frank Drea, minister of community and social services.

The Equipe is the brainchild of Pierre Landry, Cornwall psychiatric social worker. The idea was conceived on a late night train ride to Cornwall from a mental health conference in Toronto. Mr. Landry is now executive director of the centre.

Mr. Landry expressed his satisfaction with the project, "At a time of restraint people need to be creative, look to share facilities and have a common goal of helping. I am a very happy person. Happy because I know many children will benefit enormously from this kind of centre."

The school setting is thought to be better for the children's welfare said Gilles Metivier, director of education for the Stormont, Dundas and Glengarry Roman Catholic School Board, which operates the Jean XXIII school. "Everyone is pitching in, services are integrated and the co-operation has been superb. Those who gain are the children." he commented.

The Ministry of Community and Social Services and the Ministry of Education are jointly manning the project which receives $170,000 from the former and $140,000 from the latter, including special education grants for the salaries of four teachers.

In an address at the Thurs., Nov. 18 opening of the facility Mr. Drea commended the school board and the community for the ability to "understand and respond to the intent of the government's Bill 82 designed to ensure that children who need special education get it."

DCAMR fund raising drive to coincide with provincial telethon December 18,19

MORRISBURG (Staff) - Dundas County Association for the Mentally Retarded have launched a fund-raising drive to coincide with a provincial telethon December 18 and 19.

The association's primary purpose is to help retarded people live in a state of dignity, sharing in all elements of the community, with the opportunity to participate effectively, said executive director Al Gates, this week.

The director explained DCAMR provides programs and services for 30 mentally-retarded adults in the county. A 10-member board of directors, presently headed by George Davidson is elected from the general membership annually.

Pledges for the local association can be forwarded to Box 678, Morrisburg said an enthusiastic Mr. Gates, who outline some of the association's work.

In 1979, the association opened a vocational workshop in Morrisburg. The Works Skills and Life Skills programs operate in unison, providing participants with knowledge and ability to work productively and teaching them required skills for everyday life.

Recently, the Life Skills program was approved by Ontario Community and Social Services for expansion of ten spaces, effective Jan. 1 next year.

An application has also been made to expand workshop spaces by 15.

The Work Skills Program includes woodworking, janitorial services, lawn care, and various contracts for garbage pick-up, collating brochures and packaging.

The association also operates two groups homes, one each in Morrisburg and Winchester, for a total of 20 residents.

DCAMR also provides a Developmental Services Program, placing two staff members in the homes providing support to parents of developmentally delayed participants, including behavioral management, counselling, education and referrals for services.

The association has also conducted a summer program for mentally-handicapped children for the past three years. The program has been operated in Morrisburg by six students hired by DCAMR to provide a variety of benefits for up to 35 youngsters.

UCW meets

(Special) - The November meeting of Newington UCW met at the home of Mrs. Russell Presley with nineteen members present.

Mrs. Gerald Duvall conducted devotions in which various members participated and a Bible quiz including all.

Mrs. Elizabeth Beaudette sang a solo.

Routine business was conducted by Mrs. Ellis Fickes and cards were signed for sick and shut-ins.

A short program in keeping with Remembrance Day was shared by all present.

The usual social hour and refreshments followed with Mrs. Pat Courneyea assisting the hostess.

Tax changes could eliminate property tax on productive farmland in re-structuring

TORONTO - Proposed changes to the farm tax system in Ontario will eliminate property taxes on productive farmland, Agriculture and Food Minister Dennis Timbrell told the annual convention of the Ontario Federation of Agriculture Nov. 23.

"Our overall objective in this project is ultimately to re-structure the farm tax system on the most efficient, equitable and progressive basis possible," Timbrell said.

He thanked the OFA for their support of a re-structured tax system.

The proposals call for provincial property tax rebates in 1984 of 100 per cent on farmland and farm buildings for farmers who qualify for rebates. Farm residences would be treated as other similar residences in the same community, except that the residential lot would be assessed at 50 per cent.

At present, qualifying farmers receive property tax rebates of 50 per cent covering farmland, farm buildings and residences.

Under the new plan, the minimum production requirement to qualify would be raised from a gross income of $5,000 to $8,000 for 1982 and 1983. When the new tax system is in place in 1984, minimums would be a gross income of $12,000 in southern Ontario and $8,000 in northern and eastern Ontario.

"When this tax package takes full effect, I would expect that the total net property taxes will be reduced for the vast majority of farmers," Timbrell said.

The estimated net additional benefit to the farmer in 1984 will be about $20 million bringing the total benefit of the rebate program to more than $85 million.

"What we are attempting to do is remove unfairness and inconsistencies from the tax system, and at the same time, support and strengthen the position of our productive farming community," he said.

As part of the changes, a Farm Tax Appeal Board will be established to settle disputes regarding production criteria. The board will include representatives from the rural community.

I believe the tax package represents a fair and comprehensive response to the real need for change as expressed by the farming community, Mr. Timbrell said.

The proposal will give Ontario farmers a system that compares favorably with other jurisdictions. It taxes farm residences on the same basis as those in the urban area with tax on the residence lot discounted by 50 per cent.

The changes "will exert a positive and progressive effect" on Ontario's farm and food production, he said.

PERSONALS

(Special) - Rev. and Mrs. E. Earle Eaton were at Riverside Heights Sunday morning, where Mr. Eaton conducted the worship service at St. John's Lutheran Church.

In the evening they were at Prescott, for a Brockville Presbytery supper for presbyters and spouses. Wednesday the Eatons were in Ottawa for a Gospel Fellowship Luncheon and a British Israel Bible Study.

On Thursday morning Mr. Eaton conducted a service at Dundas Manor in Winchester, and in the evening attended a Seaway Valley Presbytery dinner meeting in Prescott.

He also attended a meeting of Glengarry Christian Council at Maxville, supplied the piano accompaniment at a Renewal Fellowship meeting in Ottawa, and attended a worship service in Cornwall and a Gospel Fellowship luncheon at Kanata.

Mr. and Mrs. Eaton were at a WCTU meeting in Winchester.

Timbrell urges WI on

(Special) - "Let us strengthen what is good" said Hon. Dennis Timbrell, Minister of Agriculture and Food when he addressed the Annual meeting of the Federated Women's Instutute of Ontario in Toronto. He urged the 24 Board Directors, representing 27,000 Members in the Province to be more aware of the needs of rural women.

Foodland preservation and increased marketing of Ontario foods is necessary to meet our needs as well as that of the world. Mr. Timbrell asked the Women's Institute for their co-operation in celebrating Ontario's Bicentennial in 1984.

Ken Knox, Director, Rural Organizations and Service Branch challenged the women to work for a better understanding of rural and urban population, working with the Branch to more efficiently understand the Producer and Consumer.

FWIO Provincial President, Mrs. Keith Hiepleh chaired the sessions dealing with varied concerns and business. Resolutions were sustained on topics of Mental Health facilities in the North; Drugs; support programs for the disabled ; a referendum re the death penalty and the need for tax revisions for the fruit farmers.

Mrs. Harvey Noblitt of Ottawa, the President of the Federated Women's Institute of Canada informed the Directors of the projects and programs for the next triennium. Members are asked to study and have programs on "Unlimited Potential - Women".

Joyce Canning, representative from the Rural Organizations and Service Branch expressed concern for new programs to meet the needs of todays lifestyle.

Exciting challenges face the Membership as plans are being made for the Associated Countrywomen of the World conference in Vancouver in 1983. Mrs. Clarence Diamond reported on plans to date, when 2,200 delegates from around the World are expected and we share in hosting this special event.

Education is a priority with three scholarships for advanced studies, 22 McDonald awards at Guelph University, County scholarships being presented, as well as $3,400 being sent to Ware College England for the training of students from underdeveloped countries. Junior Women's Institutes with a membership of 400, continue to present trophies for the Physically handicapped as well as have educational programs.

Officer Conference will be at Waterloo University May 3, 4 & 5.

Mrs. Jeanetta VanSicle of Brantford completed her term as Provincial Secretary and is succeeded by Mrs. Sam Johnston of Listowel.

St. Paul's anniversary planned

(Special) - November 23, members of the St. Paul's Church Board and interested members of the Berwick Community met to begin organization of a 100th Anniversary celebration. Rev. Davidson chaired this meeting and Violet Robertson served as secretary.

The anniversary service will be held on June 26, 1982 as follows - church service 10:30am, cemetery service 11:45am; and dinner to follow in the Berwick Community Hall at 12:30pm. Rev. Lorna Crump, daughter of Mrs. Ina Crump and formerly of Morewood has accepted an invitation to be guest speaker.

100th anniversary church plates are being sold for $5 each and to date $610 has been raised.

A discussion took place re. fund raising for the painting of the inside and outside of the church, as well as other needed repairs.

Further meetings to plan towards the 100th anniversary will be scheduled. Any interested people are invited to call Violet Robertson at 984-2088 or Muriel Dingwall at 984-2911 for more information.

Newington WI remembers

(Special) - Wednesday evening last members of the Newington Women's Institute met at the home of Mrs. Elva Nugent.

Members answered roll call with a Remembrance day poem or thought or wore a poppy.

Lou Tait, president was in chair assisted by Inez Simpson. After the opening exercises. Hilda Fickes, education convenor, introduced Darren Helmer who entertained with several piano solos.

Correspondence was dealt with. Lou Tait and Inez Simpson gave an excellent account of the Area Convention they had attended.

The Christmas meeting will be held on December 15 at Ruby Presley's and members are to bring sweets or fruit to be packed for shut-ins, also a small gift for bingo prizes for children at Sick Children's Hospital.

Aging is a birth to death process says doctor

MOREWOOD (Staff) - Nobody ever died of old age.

They may die of lack of love, from any number of physical ailments that men cannot cure, but they do not die of old age.

Dr. Gabriel Slowey told a full house at the Presbyterian Church Hall here last Friday the arrogance of youth believes the which begins with birth and ends study of aging is a sudden phenomenon where, in fact, it has been ongoing since the time of Cicero, who wrote in 106BC that the young wish for what the old already have done.

Philosophers and intellectuals have addressed the subject of the aging process, with death, through the ages, Dr. Slowey said.

This "problem" of dealing with the elderly is an artificially created one, he counselled. Rather than relying "on the wisdom of age to help solve our problems, we have turned the aged themselves into a problem" he quoted from an advertisement. The ad outlined some accomplishments of people labelled old.

Carl Sanburg wrote Offering and Rebuff at age 85; Winston Churchill was re-elected Prime Minister of Britain at 77; Frank Lloyd Wright designed the Guggenheim Museum at 76 and Grandma Moses painted The Rainbow at 101 years of age.

As society's members age, they will increasingly insist on being treated as they should be. They are, of course, entitled to be given a respectful place in society, said the doctor.

Don't forget, he explained, the brain doesn't age. The body ages but the brain does not.

Paraphrasing Shakespears' King Lear, Dr. Slowey also cautioned his audience not to disinherit themselves by dispersing their estate. Make a will, surely, he said but don't execute it while you may still need your resources.

US president Harry Truman's statement "Things you don't know are just history you haven't read yet" is a further recommendation for using the wisdom of the aged, he said.

In conclusion, stated Dr. Slowey, the greatest resource we have is the old. The greatest mistake we make is in not using their wisdom and knowledge.

Involvement with college continues for C. Lavigne

CORNWALL (Special) - Cecile Lavigne has a greater appreciation of the Ontario college system than most people after spending seven years on the Council of Regents. The council is an appointed body that oversees the operation of the province's 22 colleges and reports directly to the ministry of education.

Mrs. Lavigne, of Cornwall, served on the Council of Regents from 1975 to 1981.

The job took her to all 22 colleges in the province at least once, and what impressed her most about the system, she said, is the way many colleges are "pioneering in new ways to deliver education".

Eight times a year the Council of Regents holds its monthly meetings in a community in which a college is located. An integral part of each meeting is a visit to the local college for informal meetings with the college's board of governors, staff and students to discuss matters of mutual interest and concern.

With the college system spread out between Thunder Bay and Timmins in northern Ontario and Windsor and Cornwall in the south, Mrs. Lavigne did a lot of travelling to monthly meetings while on the council.

She said she was particularly impressed with the ways in which Confederation College, in Thunder Bay, and Northern College, in Timmins, are making programs available to the widespread population of northern Ontario.

In some small communities in the north, Mrs. Lavigne said, the nearest college is the only educational institution responding to the needs of the people.

Members of the Council of Regents are appointed from across the province "to represent a cross-section of the people of Ontario", noted Mrs. Lavigne. She was an eastern Ontario representative on the council.

One of the council's major responsibilities is to review, and approve or disapprove, proposals for new or modified programs in the colleges. Mrs. Lavigne said the council is currently considering program proposals with a view to rationalizing programs across the province.

She noted that she was chairman of the council's technology committee when the microcomputer engineering technology program was approved for the Cornwall campus of St. Lawrence in 1981.

However, she said that her major contribution while on the Council of Regents was as a spokesperson for increased French programming in the college system, and she was instrumental in the formulation of a council policy on the subject.

Before her appointment to the Council of Regents, Mrs. Lavigne had been a member of the St. Lawrence College board of governors for three years. Last January, after her term on the council ended she was reappointed to the board, continuing an involvement with the college system that now goes back ten years.

And, that involvement, she said, stems from a long history of community service and the special interest in education that comes from being a parent of five children.

Knox Presbyterian Church WMS hold Fall Thankoffering meeting

MOOSE CREEK (Special) - The Fall Thankoffering Meeting of the Women's Missionary Society of Knox Presbyterian Church, Moose Creek was held in the Church on Sunday evening November 7th.

Mrs. Earl MacNeil, president of the local group welcomed all the guests from Avonmore, Maxville and Finch. The opening Hymn "Joyful, joyful we adore Three" was sung. The Responsive Psalm 103 was led by Mrs. Stuart McKay. The Meditiation on "Thankfullness was given by Mrs. W.E. Wright. Pastoral Prayers were led by Mrs. Ezekiel Blair.

The hymn "Now, thank we all our God" was sung. The offering was collected by Mrs. Eileen Urquhart and Mrs. Fraser MacMillan and dedicated by Rev. Jacob Van der wal. Rev. Kerry McIntyre, minister of the local church, introduced the guest speaker, Rev. John Wiseman, Minister of St. Andrew's Presbyterian Church, Avonmore, who gave an excellent address on "Thanksgiving", How thankful we should be for the many blessings we have received from God, Our Maker and as we continue through life we will appreciate more abundantly what has been done . We should be always ready to help in any time of need and to give to the work of missions in our own community as well as in the foreign lands. If we give and help we will find that we will become a happier group of people.

The speaker was thanked by Mrs. J. Van der wal in a few well chosen words. A duet "I know who holds my hand" was rendered by Mrs. Stanley McKay and Mrs. Archie MacGregor and very much enjoyed.

The closing Hymn "The day thou gavest" was sung and the benediction was pronounced by Rev. Kerry McIntyre. Mrs. Grace MacNeil was organist.

A delicious lunch was served by the members and a social hour spent.

A matter of life and breath

(Special) - Since 1927 The Lung Association throughout Canada has used the Christmas Seal" as their major support for raising funds. Funds that only a few years ago were used to wipe out the mysterious "white plague" or Tuberculosis.

Today over five-million Canadians suffer from some form of lung disease ranging from the common cold to lung cancer.

This year's Christmas Seal" objective is $40,000 of which $14,000 has been collected (of Nov. 18th).

Your donation will make a difference to Eastern Counties Lung Association; it will enable them to continue their battle against lung disease throughout the year. The aim of the Lung Association is to prevent and control lung disease. This is achieved through health education programs for children in schools and the community, through family asthma programs and rehab programs and last but not least through research.

Please answer your "Christmas Seal" letter to-day.

"It's a matter of life and breath".

In Memoriams

IN MEMORIAM
PRESLEY — In loving memory of a dear father, Willard Presley who passed away December 4, 1980.
"Across the rolling sands of time
We see your smiling face,
You left behind sweet memories,
That time cannot erase.
Sadly missed
Wayne
14

IN MEMORIAM
PRESLEY — In loving memory of a dear father and grandfather, Willard Presley who passed away December 4, 1980.
"Every day in some small way,
Memories of him come our way,
Though absent, he is always near
Still loved, still missed and every dear.
Always remembered
Ab, Joyce, Rory
14

IN MEMORIAM
WALDROFF — In loving memory of a dear brother, Carl, who passed away suddenly December 5, 1978.
Your memory is as dear today
As in the hour you passed away.
Brother,
Tyrell A. Waldroff
14-1

IN MEMORIAM
WALDROFF — In loving memory of a dear husband, father and grandfather, Carl G. Waldroff, who passed away December 5th, 1978.
Calm and peaceful he is sleeping
Sweetest rest that follows pain,
We, who loved him, sadly miss him,
But trust in God to meet again.
Sadly missed by
His Wife, Edith,
Daughter, Marjorie,
Roland and grandchildren
14-1

IN MEMORIAM
PRESLEY — In fond and loving memory of a dear father, grandfather and great-grandfather, Willard Presley who passed away Dec. 4, 1980.
We'll never forget your smile,
your walk,
Or the mischievous grin on you when you talked.
Your grey hair shining in the sun.
The pride you showed with a deed well done
To some you may be forgotten
To other a part of the past
But to us who loved you and lost you
Your memory will always last.
Always loved and remembered by
Daughter, Arlene & Family
Grandson Randy and Family

Cards of Thanks

CARD OF THANKS
As a result of our recent barn fire, we wish to thank the neighbours for giving me their machinery and time to finish my fall work and also the people who canvassed the surrounding community on our behalf. The generosity of the aforementioned and the community both here and far is deeply engraved in our hearts. We thank you all.
Carrie, Murray and the Manley Family
14

CARD OF THANKS
We wish to thank relatives, friends and neighbours for cards of sympathy, food brought to the house in our time of sorrow in the death of a loving wife, mother and sister, Margery McElroy. Special thanks to Rev. L.M. Ferguson and the pall bearers.
McElroy and Allison Family
14

CARD OF THANKS
The family of the late Madeline Wood Swerdfeger wish to thank our friends and neighbours for the sympathy cards, phone calls and food brought to our home at the time of the death of our loved one. Special thanks to the ladies who served lunch.
Burnice and Thora Wood
Velma and Wm. R. Farrell
Lola and Lorne Marcellus
14

CARD OF THANKS
I would like to thank my family, relatives and friends for visits, flowers, cards and treats while I was a patient in Winchester District Memorial Hospital. Special thanks to Dr. H.W. Justus, Dr. Gerry Rosenquist and nurses on First Floor for their excellent care. Your kindness will always be remembered.
Margery Irven
14

CARD OF THANKS
We wish to express our sincere thanks and appreciation to relatives, friends and neighbours for their cards, flowers, Memorial contributions and food sent to our home during the loss of a dear brother, Harold Helmer. Special thanks to doctors and nurses of Ottawa Civic Hospital, Cornwall General Hospital for their care. Rev. Robert Stephens for his kind words of comfort, the Brownlee Funeral Home and all the pallbearers and to all those who helped out and gave of their time. These acts of kindness were deeply appreciated.
Mabel, Lloyd and Family
14

CARD OF THANKS
We wish to express our sincere thanks and appreciation to all our relatives, friends and neighbours for their many acts of kindness, visits to our home, food, cards and memorial donations to the Canadian Cancer Society, Ontario Heart Fund and beautiful floral tributes during the loss of a beloved wife, daughter, mother and sister, Therese Paauw Rabbe. Special thanks to Rev. Samuel Livingstone for his comforting words and the Brownlee Funeral Home for all their assistance. Your kindness was greatly appreciated and will always be remembered.
The Paauw Family
The Rabbe Family

Former Finch woman dies in Brussels, Mon., Nov. 15

Therese Rabbe, a former Finch area resident, died Mon., Nov. 15 in Brussels, Belgium accidentally at home. Mrs. Rabbe was 31.

She was born in Holland March 29, 1951, the daughter of Cornelius Paauw and the former Elizabeth Vanwout. She received her education at Finch, attending North Stormont District High School.

Mrs. Rabbe worked three years for the Canadian Embassy in Washington before moving to Brussels three years ago. She married Douglas Rabbe who survives.

Also surviving are children Corrie and Kristin, brothers Cornelius of Yarmouth, Nova Scotia; Rene of Edmonton; Thomas of Dalkeith and sister Betty (Mrs. Joseph Humenik) of Dale City, Virginia.

A memorial service was held in Brussels, Nov. 17, 1982 and the funeral was held Sat., Nov. 20 at Brownlee Funeral Home, Finch. Rev. Samuel Livingstone officiated. Interment took place at Finch Cemetery.

Pallbearers were Hans Werner-Mackeler, Oscar Laub, Peter McRae, Ian MacMillan, Gary Nephew and Jean Desrochers.

CUT YOUR SPEED

Unexpected weather changes are always in store for Ontario drivers during these fall months...rain, fog patches, and in some areas even snow. The Ontario Safety League reminds drivers to cut your speed to match the conditions you face.

One of the major changes made in the United Co-operative organization during the past year has been the amalgamation of the St. Lawrence Group with the Ottawa East Group. Councillors for the St. Lawrence side of the new group are left to right, seated Pat Lynch, secretary; Peter Mesman, president; Alfred Beaudette, past president and John VandenBosch. Standing are Ewart Neville, John Peters, Francis Cornelissen and Gerry Brugmans.

record photo - riley

Co-op posts another year of decline

BONNIE GLEN (Staff) - Members of the St. Lawrence Group of the United Co-op were given good news and bad news at the annual meeting held here last Friday night.

The bad news is that the Co-op has completed another of decreased revenues and decreased net profit. The good news is that the company's head office has begun institution of measures to streamline the operations, including the amalgamation of the St. Lawrence Group with the Ottawa East Group.

The new combined group comprises the stores Alexandria, Chesterville, Clarence Creek, Cornwall, Finch and Vankleek Hill.

The St. Lawrence council will continue to meet independently of Ottawa East with the possibility of meeting with the other council once or twice per year if needed.

The members were also told the Co-op is still signing new members, a sign the organization is still very much alive despite the red entry of $43,834 for 1982.

Sales for the year were down 7.2. per cent from 1981. Total gross profit was also down but decreased branch expenses, administrative costs and increased non-operating income mitigated the year's loss.

The only bright spot in the three St. Lawrence unit's balance sheet (Chesterville, Cornwall and Finch) was the Finch store which grossed more than the other two stores combined. Total sales of $2,597,114 translated into $359,616 gross margin for the Finch store as opposed to gross margins of $131,566 and $129,541 for Cornwall and Chesterville.

On the bottom line, Finch was also number one with a black entry of $33,115 net contribution to earnings. Both Chesterville and Cornwall contributed to the group's loss with minus balances of $47,703 and $29,246, respectively.

In summary, the group's total gross profit was down 5.3 per cent while sales were down 7.2 per cent indicating a more efficient operation in the face of declining sales.

At the meeting members also elected councillors for the two components of the group. Representing the St. Lawrence stores are Pat Lynch, secretary; Peter Mesman, president; Alfred Beaudette, past president; John Vanden Bosch; Ewart Neville; John Peters; Francis Cornelissen and Gerry Brugmans.

The Ottawa East councillors are Ken Howes, Neil Anderson, Lionel Quesnel, Jean Pierre Massie, Rodney MacLaren and Allen Barton.

NO KIDDING

Did you know that 42 unlicensed automobile drivers were injured in collisions in Ontario in 1981? There were probably a few more than that, speculates the Ontario Safety League, but these were all under fifteen - two of them under four years of age. Official records list them as drivers because they were behind the wheel at the time of collision. Parents are warmed never to leave children in the car with the engineer running or keys in the ignition...not even for a moment.

UCO embarks on Renewal Program

MISSISSAUGA (Special) - Albert Plant, chief executive officer, United Co-operatives of Ontario (UCO) has announced a "Renewal Program" for the Co-operative.

The program, effective No. 8th, includes the re-assignment of several senior managers, re-organization and a greater emphasis on productivity and member participation.

Two new vice president positions have been created: Group vice president of operations - Russ Duckworth, formerly vice president, supplies - and group vice president of merchandising, also carried by Albert Plant.

Four vice president positions have been discontinued, with three of the incumbents assigned to other responsibilities. Don Moffatt, formerly vice president, supply and merchandising, has announced his early retirement, effective December 31, 1982.

In making the announcement, Plant said there was need for a "more flexible, lower-cost business capable of coping with continued external adversity and a future of fluctuating uncertainties in the market place".

He added that there would be increasing emphasis on member participation in the Co-operative, and more and better service provided to meet member needs.

Reporting to the group vice president of operations are the general managers of the following business units: Energy - Paul Husby; feed - Dave Pelletterio; crops - Gord Mather: livestock - Lex Rutherford; poultry - Don Huff; grain - Don Stockton; and the director of marketing - Glen Perschbacher.

Reporting to the group vice president of merchandising are: Manager of retail operations - Jack Foster; director, retail merchandising - Mike Biro; general manager, southern region - Keith McCleary; general manager, central region - Bruce Chambers; general manager, north-eastern region - Ed Legault: and general manager, member co-operatives - Bill Deyell.

UCO is the largest farm supply and marketing co-operative in Ontario. It provides a complete line of farm inputs, including feed, seed, fertilizer, petroleum and hardware through over 100 service centers across the province. It also markets livestock, grain and poultry.

Councillors for the Ottawa East Group which includes the Vankleek Hill to Alexandria territory of the United Co-operatives are left to right, front row, Ken Howes, Neil Anderson and Lionel Quesnel; back row, Roger Leblanc, Jean Pierre Massie, Rodney MacLaren and Allen Barton.

Native daughter speaker at Avonmore

Stormont native daughter Helen Leitch, researcher for the national Holstein Association, was guest speaker at the annual meeting of the county's Holstein Association Monday. Miss Leitch presented Heinz Mulitze with his past president's pin after the meeting.

record photo - brown

AVONMORE (Staff) - Members of the Stormont Holstein club heard a native Stormont daughter, Helen Leitch apprise them of some of the latest research being performed by Holstein Canada on their behalf, at the club's annual meeting Monday.

Miss Leith, the association's only researcher, outlined some of the causes of deformities in calves and gave the group some pointers on preventing the deformity from recurring.

Information required by Holstein Canada staff, if they are going to get to the genetic bottom of the problem, includes registration numbers on both dam and sire, whether embryo transfer was used, whether similar conditions have ever been experienced before and submission of herd health records, especially pertaining to the pregnancy in question, explained Miss Leitch.

She told the club the problem of genetic defects in taking on ever-increasing importance because of the relatively few bloodlines being exploited in the quest for better cows.

A slide of a cow with only two quarters of her udder raised the question of what the genetic potential of the animal of the future will be. The two-teated cow, being monitored in the US, seems to be yielding at or above average levels she told the men. The implication of the savings in teat dip and other maintenance are open-ended she said.

Every dairyman's goals are different but increased efficiency and increased cow longevity are common to all. If dairymen are not the instruments of change, she told them, they will become the victims of it.

Miss Leitch and national director Murray Howes shared the duty of explaining the new linear system of proofs on animals.

Each class of cow will be divided into three levels to closer pinpoint where, within that classification the animal falls. For example, said Mr. Howes, the Very Good cow with a notation of '3' will be very close to an excellent cow.

This will make for a clearer, more easily understandable system, he said.

Other news from the national association brought to the meeting by Mr. Howes included the extension to 20 years from 15 required before a cow name can be re-used, the deletion of Freisian from the association's name, making it Holstein Canada, and the policy of providing for refusal to register abnormal calves for other than genetic reasons.

He also outlined the proposed changes in the role of national directors for the group. A two-year term for directors has been proposed as well as a change in the nature of duties. The changes will be studied by a four-man committee and referred to the March director's meeting, he told them.

Mr. Howes announced the scheduling of the national meeting for Ottawa, two years hence. He noted Allison Fawcett would hopefully be president of the association at that time.

A new true-type model of the Holstein cow has been developed, relayed Mr. Howes. The new, heavier models will cost $150 which will barely cover the association's costs, he said. They will not be available until the annual meeting of the national association, he added.

Another announcement that will affect Canadian breeders, said Mr. Howes is the decision to lower sire proofs to bring them back to reality. With the continuing improvement of the breed, the proofs were going out of sight, he said. They will now be based on a rolling five-year average. Bulls with no daughters in circulation will have their proof fixed and the year it was fixed appended to it.

Certificates for star brood cows were awarded at the annual meeting. They went to Gordon MacRae, Henry Buiting, George McLean, Glendon Smith, Gilles Aube, Dalton Ouderkirk, Cherryvale Farms, Case Michels, John Jans, Hector Courville, George Smith, Vanderwielen Farms and Osborne Shaver.

A 90,000 kilogram production certificate was awarded to Delhu Holsteins.

Councillor Oran Montgomery reported on a meeting with provincial MPP Osie Villeneuve which explored the possibility of expanded facilities at Kemptville College of Agricultural Technology. The group investigated the use of those facilities for the Central Canada Championship Holstein show.

The membership passed a resolution endorsing the program of seeking expanded facilities at Kemptville and instructed the secretary to forward the motion to Mr. Villeneuve.

Norrish, Urquhart appointed managers of animal industry branch in November 5 OMAF reorganization

TORONTO - Garnet Norrish and Dr. Ron Urquhart have been appointed program managers for the reorganized animal industry branch, Dr. J.C. Rennie, assistant deputy minister of agriculture and food, announced Nov. 5.

The reorganization is a complete revamping of past livestock programs into two new program areas under one branch, said Dr. Don Davis, animal industry branch director.

"The field advisory services program area amalgamates ministry animal science and veterinary staff to form a strong new field staff to serve the livestock industry in production agriculture," said Dr. Rennie.

Mr. Norrish will be the manager of this program area with a staff of approximately 20 specialists and consultants in beef, dairy, swine and sheep production. These specialists and disease consultants will work in the field to provide management and health advice and stimulate the development of herd health programs. Mr. Norrish will also administer the new Ontario Swine Herd Health Policy.

Dr. Ron Urquhart will be the program manager responsible for animal improvement programs and animal care services. Animal improvement programs, including record of performance testing, feed formulation and analysis services, act as a resource base and provide support for the livestock specialists. This program area is also responsible for publications.

A major program in the animal industry branch is animal care services. This are, also under Urquhart, includes a regulatory arm, administering legislation such as the Riding Horse Establishment Act and the Livestock Medicines Act. In addition to its regulatory function, the staff in this area will take on an increased extension role working closely with the livestock specialists.

Dr. Urquhart is also responsible for the veterinary assistance program for northern Ontario.

"This new organization brings together a professional staff with a strong background in animal management and health which can relate to production agriculture," said Rennie.

Rotary News

Organ dedication at Trinity

"The dedication of the organ". Last Sunday at Trinity United Church a new organ was dedicated to the memory of our late member Harry Allison and his wife Lillian. Harry was our representative on the Crippled Children fund and a member of Trinity United Church. He served both with loyalty and devotion and he was now left a memorial that will be enjoyed by ever so many over the years ahead. It was also a pleasure to see Rotarian Jack Cross and Rotary Anne Elsie Graham taking a prominent part in the service. I'm sure this would have pleased Harry.

On Dec. 12 at 8pm the Fawcett Organ Corp., will present a concert, featuring the new organ. Miss Sharon Adams organist with other artists assisting. All are welcome.

A record number of new Paul Harris fellows - 13,333 helped the Rotary foundation achieve its all-time highest level of contributions last year. $17,636,952 (US) The total was 6.1 per cent above the previous year. An effort worth our mentioning and our congratulations to all.

Happy birthday greetings to Rotary Anne Eileen McMillan who celebrates a birthday on Dec. 2.

Nothing we read in later life
However hard we look,
Can match the magic and delight
Of that first picture book
David Hope

Monday night we had the pleasure of the presence of Art Grosse, father of Rotarian Lloyd. Art was visiting from Allison, Ont.

We hope he enjoyed the very intellectual debate on "professional athletes are overpaid". Chairman Jack Cross handled the vociferous hecklers and the debaters with the same abandon as he watched the clock. This debate by yours truly, Bob Bennet, Chuck Adamson and Nick Nixon was in lieu of the usual guest speaker.

Following the meeting the Christmas Santa Claus parade group got together to complete their plans for the Rotary float. Coming Events - Dec. 11 - Santa Claus Parade
Dec. 20 - Ladies Night
Have a good Rotary week.

Slater named Scouts president

IROQUOIS (Special) - Chris Slater of Prescott was named treasurer of St. Lawrence Scout District at a meeting of district leaders at the United Church hall in Iroquois Thursday evening.

Mr. Slater succeeds Clare Tucker of Iroquois, who has held the office for a number of years. The new incumbent was introduced to the leaders by district president William Sheldrick of Morrisburg. A resolution of appreciation to the retiring treasurer was heartily moved.

The meeting, chaired by the district president, was opened by prayer offered by the district chaplain and public relations officer, the Rev. E. Earle Eaton of Chesterville.

Secretary's report was given by Dolores Maville of Prescott.

Assistant district commissioners John McCaulay of Prescott and Ron MacLean of Williamsburg led the cub and scout sections, respectively.

The Beaver section had its meeting with president Sheldrick. The president gave an earnest presentation of the Trees for Canada project, also mentioning international interchanges, funding, Scout skills, and world jamboree, which Canada will be hosting next year.

Other matters that came up for discussion included coming events, such as "Klondike" Bowlarama, district and regional conferences and training course.

Tina Serviss, badge secretary, was busy at her desk throughout the evening with crests and insignia. Refreshments were served by a hospitality committee from 7th Prescott Group, in charge of June and Fred Stretton.

Thirty leaders were present, from the communities of Morrisburg, Iroquois, Prescott, Johnstown, Kemptville, Winchester, Chesterville and Williamsburg.

The Farmer's Wife

by Wyn Thompson

After Remembrance Day, it is winter, and I don't feel I had enough sweet corn or garden-ripe tomatoes, or enough summer, or for that matter enough of October's blue haze.

It snowed yesterday, in a careless sort of way, afterward the dooryard looked like a Christmas print sprinkled with bits of sparkle.

Today the sun came out and warmed the air, and Christmas did not seem so imminent. But I must buy a box of Christmas cards for those few people who are so special to me.

The winter birds come as the weather turns grey and cold. The juncoes are the Farmer's weather forecasters, for he says they appear suddenly when it will be bitter weather. When it turns warm, they disappear. They are called snowbirds, which is a more apt word for them.

They are about six inches long and are slate-grey coloured, except for a white abdomen and tail feathers. And in flight, appear to be white as snow. They live near the swamps all winter, coming out on snowy days to eat at ground level. Only in a case of near starvation will they feed from a tree feeder, a friend tells me.

The chickadees, on the other hand, prefer the window feeder and an audience on the inside of the glass. The bluejays are as gay and colourful as tropical birds but so selfish and noisy. They remind me of a man I know. However, they do have their place as they warn other birds and animals when danger approaches.

Most of the birds pay no attention to the dogs, nor the cat, although Scamp mean-mouths them from one end of the year to the other.

I went out to fill the feeder and kept on walking. Lovely late light slanted across the fields as I climbed the hill behind the house and continued on my way back the country lane. The sky was cloudless. Irish and Lady for once were not leaping about, they moved slowly, not really in a tallyho mood.

The fields were somber and still. A few wild mauve asters bloomed by the ditch. How had they escaped the frost? I sat down on a pile of cedar posts and listened to the quiet. The dogs sat too.

Then we continued on to the back end. The ground is stiffening. Soon the snow will come, I say to no one in particular. The Farmer shakes his head over an open winter, for snow is nature's own protection.

The first snow comes about the end of the first week in December. A few flakes drift down, so casually that I wonder if it is really so. I look skyward and see that indeed, it is so. It won't amount to anything, we say at the general store. But, all the same, I notice we all stock up with extra bread, and butter, and tea, just in case it should amount to something.

I wonder if this habit is uniquely Canadian or do people in the hot climates similarily stock up against the hurricane season.

There is awe and excitement in the first snowstorm. Even the dogs sense something different. And I've often wondered why. Atmospheric change, they tell me. For we humans, I wonder, if it is that we now face up to winter, after much useless trying to put it off.

"Days are gettin' awful short," remarks Sam as he hurtles by, grocery cart careening this way and that loaded with bread. "No time to talk", he flings over his shoulder.

Now what's his hurry, I wonder, as I continue on my way. I'll know sooner or later, I mutter, as I put my bags of groceries in the trunk. As I drive home I think of the books I have laid aside for just such a night. Some old friends and some new authors.

There is a persistent illusion most of us have in the rural areas that as winter sets in, we shall have long winter evenings. We say that we will do this and that during the long winter evenings, but I have finally decided evenings are no longer in December than in July. Perhaps before television viewing became so good, there was more time for this and that!

I have this stack of books saved for these long winter evenings, but I know by April, I shall put some of them aside for summer reading. They eventually will get read, but not just on long winter evenings.

LONG WINTER EVENINGS.

Light shines through the windows as I turn in the gate. The dogs bound to meet me, glistening with snow. The Farmer appears from the barn, carries in the groceries, put more wood on the fire as I prepare supper.

The dogs settle by the fire, sighing in relief that all is as it should be!

Chesterville's Past

52 December 11, 1952

The annual Christmas party, complete with Santa Claus and treats combined with a free matinee at the local theatre will be held on the afternoon of Sat., Dec. 20 as in other years.

Sparkplugged by the Rotary Club and assisted by the IOOF, the Firemen, the WI, the Legion and the town council, everything will be in readiness for the arrival of the bearded gentleman.

John Maxwell, the manger of Community Theatre, will add the opening note to the afternoon with a free matinee with all who can pack in. Santa Claus will arrive with a rush as soon as the show is out. We will have more details on time, etc., next week.

Chesterville Chamber of Commerce tonight, Thursday is staging a film along with the regular business. Stan Catchpole of Ottawa will give interesting facts on the tobacco industry and show the film The Golden Leaf.

President E.B. Lynch of the Chamber is anxious that as many members as can attend the meeting and bring along a guest or two to enjoy the evening.

One of these Wednesday nights someone is going to come into a nice piece of change. The prize money for the weekly Photo Nite contest staged and offered by The Community Theatre stands at $200. Last night the name of Mrs. Ramon Campderros was called but she was not present nor had she been to the show either on Monday or Tuesday night.

The prize money automatically advanced five to hit two bills.

In spite of the size of the pot, the rules are the same for winning at the theatre. All one has to do to be eligible is to register Monday or Tuesday night or be on hand Wednesday night. If your name is called and you yourself are the lucky winner, you only need bring a photograph of yourself the following week to claim your down payment on a new fur coat.

The regular meeting of the Chesterville Branch 434 Canadian Legion was held on the library on Mon., Dec. 8. The slate of officers elected for the term 1953 are as follows:

President, Russel Sirvage; first vice, Stewart Allen; second vice, Wendall Harper; third vice, Hugh Robinson; executive committee, Reg McCloskey, Carl Merkley, John Wardell; secretary-treasurer, H.J. McCloskey; sergeant-at-arms, Charles Bouck; chaplain, Victor Gibb.

A donation of $10 will be given to help with the Christmas treat for the children.

The December meeting of the Holy Trinity Anglican Guild was held at the home of Mrs. Sydney Morris, with a very good attendance.

Canon Carryer gave out Prayer of Guild pamphlets and the meeting opened by all saying the prayer in unison.

The treasurer's report was given by Mrs. Clarke which showed a very successful bazaar and a large sum in the bank. The elections for new officers were left incomplete until the January meeting.

62 November 29, 1962

Chesterville nominations followed their usual pattern last Friday night. A few interested persons turned up 29 in all, to hear the reports, after nominations had closed. Very few questions were asked, but those that did come out were to the point. Reeve and councillors were in by acclamation.

By the time the nominations had closed there had been five persons nominated for council. James Moran was the addition to the present members. He did not qualify and as the other four members did, that filled the book.

The public school board found a new face on the roster by acclamation. Dr. B.W. Lapp did not wish to continue his office and Dr. Duane Justus was nominated to take his place.

School board chairman Lorne Thompson brought the audience up to date on the construction of the new school and NDDHS member James Sullivan noted the advancing construction of the central school.

Santa Claus will arrive in style this coming Saturday in Chesterville. Even competition with the Grey Cup will not keep the kids away to have loads and loads of candy and goodies for every little hand.

Chesterville Chamber of Commerce made final plans at the first of the week for the big event. It is planned to offer prizes for the best floats and best decorated homes again this year.

The parade will start forming up at Legion Hall grounds about 1pm. CHS band will be on hand on a big Roads Resurfacing float to keep the sound of music alive and lend a touch of atmosphere.

Santa will be met at Community Hall by his attendance. He will be ushered into the theatre and the children will be directed in the riverside doors, in one and out the other.

If the weather plays tricks the upstairs will be used as an assembly hall for the waiting children.

Chamber plans are that any sick child will be visited by Santa Claus. Parents are asked to call Laflammes Store by Friday at the latest and leave the child's name.

Last Friday night in Community Hall Chesterville High School staged its final commencement. After fifty-odd years the school will close next year and become a part of the central school on the Ridge.

Principal C.A. Graham was chairman for the evening assisted by members of the teaching staff. A large number of awards, crests, diplomas were presented before a large and enthusiastic audience.

Decorations of the hall were most interesting, highlighted by a display banner at the stage back. It was the work of Michael Sizer and Teddy Sinclair.

The following is the program: Allison and Gillard Shield to Joyce Bugden for proficiency in Home Economics, Grade 9 and 10.

Dr. Clayton Shield to Gerald Barkley; Fulton Brothers Shield to Brian Docksteader; Wesley Newman Fulton Shield to Joyce Budgen.

Dr. Dodds Shield to Ann Van Delst; O.L. King Shield to Margaret Dillabough and MacPherson Shield to Jennifer Cole. Certificates were also presented.

Letters

To the Editor:

This writer found some editorial opinions in last week's "Record" "Why 80 ft.?" carelessly researched and perhaps based on the integrity of ignorance. Let's look at facts that are on record in the long history of Nation River problems. Then decide who has been insulting, as the editorial said.

You quote Jim Windsor, general manager of South Nation River Conservation Authority as remarking "Nobody in government really knew how wide it should be, it was picked out of the air", when discussing river bottom widths.

What rot! Executive members long in the tooth on the Authority should have hauled down Mr. Windsor's sails, but they seem to have become mute, at least publicly. He was speaking from a term of less than a year's experience, even though he has read most of the studies on the river quite thoroughly. And the Ministry of Natural Resources at Kemptville could have filled him in with pleasure.

Back in 1948 the first Interim Report was issued by the Ministry of Planning and Development. A total of 1,400 cu. yards of material was needed to be removed between Brinston and Chesterville dam to give a flow of some 8,000 cu. ft. per second. Rather modest, when floods at Chesterville have been 4 times that much. The design of the river then was heavy on planning and light on the financial means. The plans called for dredged removal of river high spots, like rapids, to allow the existing river bed width freer flow.

The Department of Agriculture and ARDA spent $100,000 of 1965-66 dollars and received the H.G. Acres Report in Nov. 1966. That report also ran designs in front of ministry and Authority members and various remedies, all based on "the existing stream bed width which is in the order of 80 feet", (M.M. Dillon Ltd., Chesterville Dam, 1977, page 17) were suggested. Note the actual figure of 80 feet.

R.M. Kostuck Associate Ltd. were hired in 1973 to do a study.

Ms. Editor, these are the engineers now in charge of construction at SNRCA. Plate 3 of that report shows channel profiles of the bottom ranging from 80 feet wide. Recommendations were made at a meeting of the Authority at Brinston. The meeting shot it down, all of it, because of cost. This writer was there. Incidentally, do the Kostuck engineers knew how to rate "Cost effectiveness" in a June when 5000 acres of new corn and bean sprouts are under water too long? With a 35-foot river bottom?

By 1977 Chesterville dam was in the works following an infusion of money and support from the Valley municipalities. M.M. Dillon, Engineers, presented three forms of channel bottom designs. They ranged from 160 feet to the old standard of 80-feet, and used many Kostuck approaches.

SNRCA members, the executive especially, made a choice of an 80-foot bottom width as practical and possible and work, at last, started on the river. All these facts are on record and available for public scrutiny.

Is that an insult to the people who pay? Were uncounted hours and meetings galore a demonstration of poor stewardship? Were those Authority members lax in their mandate, forcibly given by D.F.A. and the Smail-Tinkler group of concerned citizens?

It is well to remember the printed word can inform, ignite and swat. One should watch the swat bit - it might bounce back.

The Village of Chesterville portion was the last renovation to be done on the river bed under the Eastern Ontario Subsidy Agreement. Who gets it? What happened? Chesterville, with an industry with 300-400 employees, fully dependent on river water, and a population nearing 1800? Or a hamlet east of the Iron Bridge which has an ice jam about once in 30 years that can be popped with dynamite when the banks are still hard with four feet of frost?

Your truly,
H. Keith Graham.

In some low-income countries, as many as 40 per cent of pre-school children show clinical signs of malnutrition serious enough to limit their full development as healthy adults.

The Editor's Notebook

Don't let stress ruin Christmas

The moving finger writes and having written moves on. The calendar's leaf has turned December, putting Christmas within arms' reach.

A season that is meant to bring joy, communion with our fellows and a warmth that extends down to our toes can instead become a chore, it can cause tension that takes until March to recover from.

When Omar Khayyam wrote about the moving finger of time, he concluded, "And not all thy piety nor wit can erase a word of it". Christmas comes but once a year, to coin a phrase - don't let it be the undoing of the next year.

It's hard to slow down at this time of year when magazines, television and cohorts are urging us on to make more cookies, sweaters, Christmas decorations or any number of gadgets and widgets.

Somehow in the increasing pace of the season these things become important and leisure, family and sleep take a back seat!

Now, the beginning of the month, is a good time to set out a December game plan that will allow a reasonable number of preparations to be completed and leave you enough time and sanity to enjoy it with your loved ones.

One of the organizational tactics we have all learned since elementary school is to make a list. With the month's chores spelled out in black and white, the enemy is confronted.

At this point, priority items can be sent to the top of the list and those of lesser importance demoted or even dropped from the family agenda. A busy family may be forced to make choices that mean modifying or even dropping certain traditions but it may be the tradition of family harmony that hangs in the balance.

A list is a great psychological lift, too. As each chore is done, it can be crossed off. In this way, stress can be minimized through boosting of morale for a job well done. The progress of the month can be monitored and priorities rearranged if necessary.

Stress is a common topic at parties, meetings and seminars recently and while many of us know how to deal with stress in the workplace, self-imposed stress in the home can be just as debilitating.

So, when you're making that list remember to put Enjoy Yourself at the top of the list (or at least somewhere near the top) and the rest should come into perspective. - **chris brown** -

Don't repeat wars past

How often have we heard someone decrying the holiday status of Remembrance Day? The high school kids, we're told, just want the day off; they don't even know what it's all about.

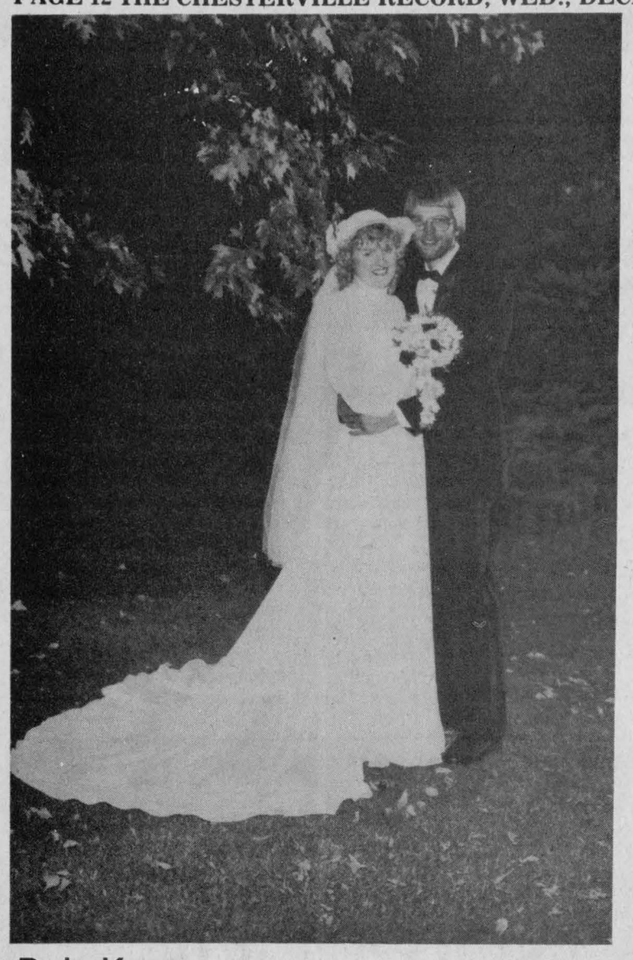
After seeing the marvellous response the Legion has received for its cross-Canada competition, that line is a little hard to swallow.

The kids don't remember, it's true, and thank God for that. They have been spared what so many went through. But, as the Legion has so often reiterated, if war is to be prevented from happening again, the children must be told; there must be a remembrance of what so many men, women and children suffered in the wars.

The contest, divided into literary and poster sections makes provision for the thoughts of Canadian children from Grade 13 down through to Grade 4.

The topics include Why should a child remember? and What the poppy indicates to me. The first prize winner in Heather Branch Finch's contest was a poem on the poppy, printed elsewhere in this issue of The Record.

Reading the poem, it comes to mind that the Legion has done an excellent job of educating the young on what to avoid in the future. - **chris brown** -



Bols-Kramer

Fimke Johanna Maria Kramer of Finch was married to John Gerardus Bols of Russell Sat., Oct. 2 in St. Bernard's Roman Catholic Church, Finch. Father Roch Bougie presided over the ceremony.

The bride's sister, Johanna Kramer, attended as maid of honor. Bridesmaids were Rose-Marie Bols, Russell, and Sharon Terpstra, Brockville.

The groom's brother Steve Bols, acted as best man. Accompanying him as ushers were Pat Palmer, Brockville, and Garry Kramer, Finch.

Fimke and John Bols would like to thank all their friends and neighbors for all the beautiful gifts received at the showers and at the wedding. They are now residing in Iroquois.

Ontario Hydro's distribution supervisor counsels Chesterville village council to hike 1983 power rates

(Staff) - The last meeting of Chesterville's 1980-82 village council were told they would be forced to increase hydro rates if they hope to maintain the level of their working funds at approximately $39,000.

John Compostella, Hydro's Distribution Line Supervisor (area representative) gave the council a summary of 1981, 1982 to date figures and forecasts for the coming year.

Maintaining present rates would put Chesterville's Hydro commission in the red to the tune of $22,253, said Mr. Compostella. This is based on increased cost of power to the village forecast at $754,533 in 1983 up from a 10-12 correct cost in 1982 of $659,000.

The increase to users in Chesterville averages at 8.1 per cent, he explained. Residential users would pay an 8.5 per cent rate increase; general users, 7.6 per cent and large users, 7.9 per cent, he told them.

Council, however, deferred making a decision until the first meeting of the new Hydro commission and council, scheduled for Tues., Dec. 7.

Under consideration, until that time, is another of Mr. Compostella's proposals - a fixed fee management charge.

The representative explained the management charge would add somewhere around one per cent onto the proposed rate increases. The management contract would provide along term set of goals with specific per year dollar values set on restoration of the system.

The services of the area manager, his foreman, the forestry foreman and any other customer services would be included for the charge, explained Mr. Compostella.

An alternative method of setting priorities for the system's direction would be the hiring of a management consultant, he suggested.

Another factor contained in the increased rates for 1983 is a proposed $50,000 revamping of the system along King Street, Mr. Compostella said. He said he would lay out the line and guarantee a proper estimate (referring to a Hydro cost overrun of more than 100 per cent incurred earlier this year).

He explained the rate increases would translate into an approximately $3 per month hike on a small house and up to approximately $8 per month on a large house.

Mr. Compostella also informed council the Residential Energy Advisory Program (REAP) would soon be undergoing advertising promotion Ontario Hydro and the service will be available to Chesterville ratepayers.

"It's a good program" he said, noting REAP acts hand in hand with other government programs designed to take Canada out of its position of dependancy on foreign oil.

The cost per customer to Chesterville Hydro would be $90, he said, and the commission must absorb that cost since the service is provided to customers free.

A savings of $10 per kilowatt at peak periods is one of the benefits that the commission would reap as well as reduced load on the system.

REAP is a 10-year program, he explained and a small utility such as Chesterville could set quotas of ratepayers per year to whom they would provide the service and when the quota was met, begin on the next year.

Grant could buy recovery unit

(Staff) - Chesterville council, Monday night, gave Recreation Director Dave Arnold permission to apply for a grant that could provide up to $50,000 for a heat recovery unit that would effect energy savings and increase efficiency of the village arena's refrigeration unit.

The heat recovery unit is installed between the hot gas line and the condenser of the ice-making machine. It collects waste heat created by the machine during the ice-making process and heats stored cold water.

The recovered heat can be used for hot water heating of rooms in the arena as well as to cut down the running time of the machine which is not forced to dispose of the waste heat produced, explained Mr. Arnold.

Bryan Beazer, retiring councillor (who offered his services to the village as an energy consultant) agreed with Mr. Arnold that the payback period for the machine would be two and a half years or less.

He did counsel Mr. Arnold, however to ensure the grant was not a once-only affair. Mr. Beazer added the savings on the compressor side would be approximately $4,000 and $1,400 for hot water. When the two intersect, there would be further savings resulting in a payback period of as little as two months.

Mr. Arnold also brought a request from the Chesterville Women's Institute who would like to direct the remaining portion of their Heritage Grant toward the clean-up of an area behind St. Mary School where four to five tombstones of early Chesterville settlers have been topped and weather-worn.

Council postponed a decision, but proposed the setting up of a committee too look into that or another site for the restoration.

In other business, solicitor Fred Cass told council he could see no obstacle in issuing a building permit to Chesterville businessman Mike Dean who would like to build a loading ramp onto his property.

Council petitioned the Ministry of Transportation and Communications for $83,957 road subsidy at the meeting.

Mr. Beazer reported back to council information he had gathered concerning the installation of heating and air conditioning units for the firehall, arena and town hall.

Supply and installation of two energy efficient units at the hall would cost $15,000, he said and infra-red natural gas heaters would cost $2,000 for each area (firehall, players bench and bleachers) exclusive of installation. He added they are easy to install. The information was tabled.

Congrats to winners in Finch contest

Tagwiscope

by Christine Lalonde and Kim de Haas

Thursday November 25 the Finch Legion held their awards night for the best posters, poems and essays written for Rembrance Day. Congratulations are in order for Arlene Jaggasar, first; Sharon Michaud, second, and Jacqueline Latulippe, third in the poster contest, and again to Sharon Michaud for coming first in the poetry division.

Friday November 26, our Annual Reach For the Top game was held between the teachers and Students. Congratulations to the students. The score was 1195 to 860 for the students.

This week was a time of rewards, adventures and new experiences.

Mon., Nov. 29 was spent at the Ministry of Energy, Mines and Resources. The grade eleven and thirteen geography classes had the opportunity to see the step by step process of map making.

Today, Wed., Dec. 1, there was a presentation put on by a representative of Algonquin College for the grade eleven, twelve and thirteen students who plan to attend college in the near future. It was a very informative session.

Thurs., Dec. 2, the grade twelve and thirteen Francais classes will venture to Ottawa to see a French play.

Upcoming Events

Thurs., Dec. 9 Dr. Andrew Ruszkowski of St. Paul University, Ottawa, will give a talk at Tagwi at 8pm. The topic will be "The Family and the New Media Challenge." This evening event is sponsored by the School Committee. Parents and the general public are cordially invited to hear this engaging speaker. Everyone is concerned about the family and what is happening to it.

Drivers needed

(Special) - The Meals-on-Wheels organization is in need of additional drivers.

Replacements are needed for those regulars who usually go South for the winter months. Also, emergency spare drivers are required.

If you can spare a couple of hours, once a month, please call Marion Lynch at 448-2874 or Olive Cass at 448-2674 and volunteer your help.

In a recent report of the Meals-on-Wheels annual meeting, it was incorrectly stated that the meals cost $7.50 per week. They do, in fact, cost $10 per week, payable each Monday at the beginning of the week's delivery.

Record Recipes

by Chris Brown

As I mentioned last week, one or two days jammed with baking for Christmas, baking which is then tossed into the freezer can get the chore out of the way before the season gets too busy.

I don't mean to say that baking is a chore since I love it, but it can become one when you wrap last-minute presents while taking cookies from the oven. You can get so tired, you wrap cookies and try to pop Aunt Emma's gift into the oven!

At any rate, a great make-ahead recipe is for rumballs. They look so Christmas-sy on a dessert tray and freeze well.

The recipe I use was given to me from a friend in Winchester a few years back but bears repeating.

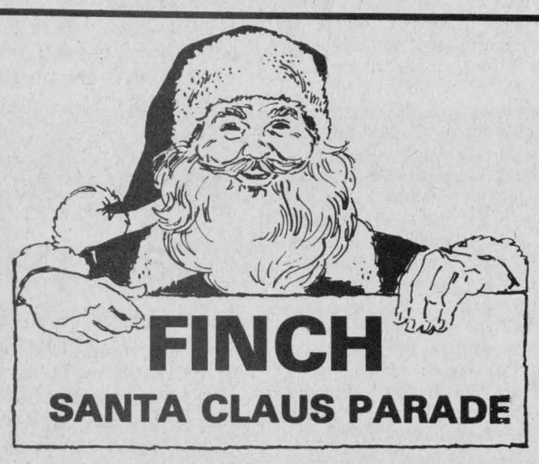
AUSTIN'S RUM BALLS

1 cup semi-sweet chocolate chips
3 tbsp. corn syrup
½ cup rum, brandy or light cream
2½ cups crushed vanilla wafers
½ cup icing sugar
¼ cup finely chopped drained marashino cherries
¼ cup finely shredded coconut
¼ cup finely chopped marshmallows
¼ cup chopped nuts

Melt the chips over boiling water in order not to scorch them. Add the corn starch and liquor or light cream if liquor isn't up your alley. In a separate bowl combine the crumbs, icing sugar, nuts and other solids. Add the molten chocolate and mix well.

Let the mixture stand for half an hour and then shape into 1-inch balls with your hands. Roll in icing sugar, coconut or chocolate cake decorations to trim.

If you store these in an airtight container they needn't be frozen as the spirits preserve them but without liquor or for long periods of keeping them from family members, the freezer is suggested.



FINCH
SANTA CLAUS PARADE

SATURDAY, DEC. 11
2PM

Start the day with the BACON & EGG BREAKFAST at the COMMUNITY CENTRE (7:30am to 11am).

Bags of candy will be given out at the Community Centre following the parade. In the evening there will be a CHRISTMAS DANCE at 9:00pm with music by Mojo's Disco (formerly of Power Pak).

Anyone wishing to enter the parade contact Bryon Stewart, 984-2369.

Brownies initiated

Chesterville's Tweenies graduated into full-fledged Brownie-hood last Tuesday night when District Commissioner Lois Rosenquist presided at a ceremony that began them on their journey in citizenship, through the Guiding movement. Mrs. Rosenquist is seen standing between the flags and the Brownies are, back row, left to right, Tricia Smith, Jo Ann Coleman, Emily Baker, Tammy Lobb, Julie Mekker and Cindy Smith. Middle row are Meagan Doherty, Sherri Stewart, Kimberly Harper, Mimi van Kessel and Jennifer Moss. The back row Brownies are Carolyn Smirle, Andrea Morgan, Micheline Van Wylick, Adrienne Westley and Stephanie MacLeod.

Ingleside Seniors addressed by pres.

(Special) - About 70 members attended the November meeting of the Club Nov. 13. Grace Anderson read the minutes which were adopted. The Treasurer Art Ostrander stated the financial records was very successful. Birthday greetings were sung to November members.

Several get well cards were sent out and thank you notes were read. The Christmas dinner will be held on Dec. 13. An excellent program has been organized.

Dr. Burton Wasson, our president, was the guest speaker. Before moving to Ingleside he was a chemist in the Merch Frosst Laboratories in Montreal from 1944-1979. Dr. Wasson headed a team of seven medicinal chemists.

They were successful in developing the drug known as trimbol moleate. This drug now is being used in many countries for heart attacks and high blood pressure.

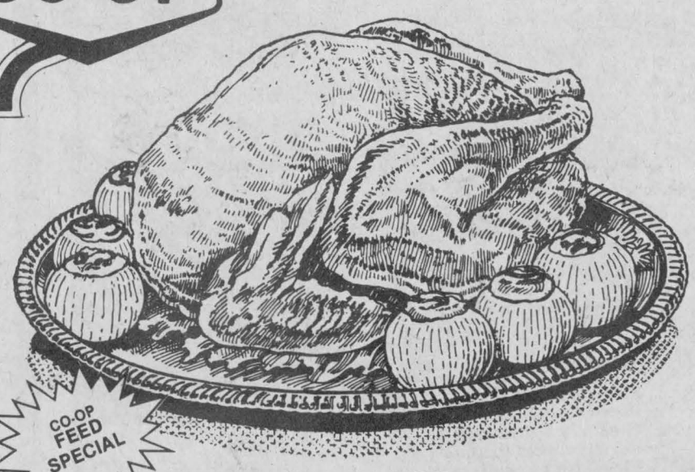
Dr. Wasson reported Norway has great success with this new drug. He stated the time required to develop a new drug from laboratory to the pharmacy can be as long as fifteen years.

A solution of drug which is used as eye drops has been found medically useful in the treatment of glaucoma.

Our club is honored to have Dr. Burton Wasson as our president.

After lunch the members enjoyed bingo, bridge, euchre and shuffle board.

CO-OP



FREE* TURKEY DURING CO-OP CHRISTMAS TURKEY DAYS

Farm Adjustment Assistance Program extended for second year: Timbrell

TORONTO - The Ontario Farm Adjustment Assistance Program slated to expire December 31 will be extended for a second year, Ontario Minister of Agriculture and Food Dennis Timbrell announced Nov. 23.

He told producers attending the Ontario Federation of Agriculture annual meeting that the Ontario Cabinet had approved an extension of the program until December 31, 1983.

"Because weak commodity prices and high interest rates persist, one year will not be enough to achieve a turn around in the financial position of many participating farmers," he said.

"In addition, the steep slide in some prices, particularly for cash crops, means that additional farmers will soon need assistance."

Since the program was announced, more than 3,000 farmers have received financial assistance through the program's three options. The total value of the assistance under each option to date is: $267,768 under the interest deferral option A; $570,894,488 under the interest rebate option B and $38,808,147 under the loan guarantee option C.

Mr. Timbrell said that the overall thrust of the program will remain unchanged, although it will be tempered by the fact that interest rates, while still high by historical standards, have declined significantly in recent months.

"The farm adjustment assistance program remains an emergency measure, designed as a bridge to a better system of farm income security."

He said that the provinces are now asking the federal government to join them and the producer groups to establish a voluntary, triparite, farm income stabilization program.

"In this period of financial constraint, this continued support reflects Ontario's commitment to preserving family farm enterprises, which are the foundation to our food and agriculture industry," he said.

Morewood man is Top Gun in Canada

(Special) - A former resident of Morewood, Lloyd Coulthart, is taking a Christmas present home to his wife Patricia, this week, in Prince George, British Columbia.

Lloyd, who says he received his training in Cecil McNabb's garage, during the 60's, takes home a $17,000 pickup the prize awarded at a Canada wide Top Gun contest held Fri. Nov. 26 at Midas' training center in Toronto.

He competed against eight of the company's top muffler installers.

Mr. Coulthart removed and installed a muffler, exhaust, and tailpipe in a record time of 1 minute, 24 seconds.

The prize, a 1982 Toyota 4 x 4 pickup, will be a useful gift in the rugged terrain of British Columbia.

An employee of Midas Muffler, Lloyd has worked at this profession for 14 years. He says he can do it in one minute, but with 1,200 onlookers and television cameras he was a little stage shy.

The time clock reflected his nervousness.

After visiting old friends for the weekend, Lloyd is returning home via air to resume training for the '83 contest.

Lloyd previously won a leather jacket, special wristwatch and Midas gold belt buckle at the provincial competition held in Vancouver with a tie of 1:31.

The Top Gun competition is an outgrowth of the popular Midas television commercials featuring film personalities Lee Van Cleef and Jack Palance.

Most of the world's arable land is now under cultivation. More efficient and intensive agriculture will be required if the threat of famine is to be lessened in the future decades.

District news

FIFTH AVE. OSNABRUCK (Special) - Mrs. Doris Hill, Ogdensburg, NY spent a day with Mrs. Lawrence Moke and Mrs. Annie Ferguson.

Mrs. Bill Adams and Matthew, Cornwall, were tea guests with Mr. and Mrs. Lawrence Moke.

Mrs. Ada Rombough, spent some time with Mrs. Raymond Beauregard and sons at St. Andrews.

Chris Moke, Ingleside, spent the weekend at the home of Lawrence Moke. Mrs. Gordon Beckstead, Mrs. Lawrence Moke, Mrs. Linda Moke, Chris and Tammy, Mr. and Mrs. Ronnie Beckstead and family, spent Thursday evening with Mrs. Annie Ferguson and Mr. and Mrs. Richard Donnelly the occasion being Mrs. Ferguson's birthday. A delicious lunch was served by Mrs. Donnelly.

Stuart Moke, Lunenburg spent his birthday with his parents, on Sunday.

Paul Petterson of Prescott Road tries to block Theo Heerfkens of Crysler during the B final of the 2nd Annual Dunbar Panthers Broomball Tournament held at the Chesterville arena on November 27. Petterson drew two assists as Prescott Road defeated Crysler 3-0 for the consolation title and was selected as the game's MVP. In the A round, B and M of Kemptville blanked Finch 1-0. 16 teams took part in the tournament.

Four shut outs earn Kemptville A title in Panthers broomball tournament

CHESTERVILLE (Staff) - B and M of Kemptville played four games of shut-out broomball, including a 1-0 victory over Finch in the finals, to win the A championship of the 2nd Annual Dunbar Panthers Broomball Tournament held here November 27.

It was the team's second tournament win of the season and, in what might be the start of a strong, season-long tournament rivalry, the second time B and M blanked Finch in the A finals of a tournament.

The victory in the 16-team event earned Band M $300 in prize money while Finch received a cheque for $225 as the A finalist.

In the consolation round, Prescott Road blanked Crysler 3-0 to win the B championship and $175, Crysler received $100 as the runner-up.

The day-long tournament was marked by hot goaltending with 15 of 22 games played ending in shut-outs.

Kemptville 1, Finch 0

As Finch's Noel Lalonde and Kemptville's Tim Dewan worked shut-out after shut-out during the course of the tournament, it became obvious that the two teams would be making the Panthers meet a rematch of the 5th Annual Winchester Broomball League Tournament held last month.

Kemptville had won that tournament with a 3-0 victory over Finch.

Finch got a pair of goals from Jack Hoogeveen and a single from Harry Vantfoort to defeat the North Stars 3-0 in the opening round of the Panthers tournament and moved into the A semi-finals with Henry Pynenburg's overtime goal in a 1-0 win over Combustion Engineering.

The team blanked Marionville by the same single goal margin for a berth in the A finals.

Kemptville, led by the hat trick performances of Terry Spratt and Wayne Coady, defeated Lacombe Trucking 4-0 in the opening round and followed up with a 4-0 win over Toyes Hill and a 2-0 victory over Long Sault in the semi-finals.

In the A final, Dave "Gunner" Holmes beat Noel Lalonde with an unassisted shot as B and M held on to win the championship round 1-0.

Both goaltenders, Tim Dewan and Noel Lalonde, were chosen as the game's MVPs.

Prescott Road 3, Crysler 0

After losing 5-1 to the Russell Sprouts in the opening round, Crysler put together back to back 3-0 shut-outs against the Rush City Raiders and the North Stars to reach the B division finals.

Prescott Road bounced back from an opening round 5-0 loss to Long Sault to defeat the Bush Bandits 3-1 and Heritage Restaurant (Long Sault) 3-0.

Perry Dewan scored Prescott Road's winning goal in the consolation championship round midway through the first period and Dave and Glen Petterson added a pair of insurance markers in the second.

Tim Dewan was the winning goaltender while Dan St. Pierre took the loss for Crysler.

Paul Petterson of Prescott Road was picked as the MVP.

Tournament Results
Opening Round

Marionville 4, Rush City Raiders 0; Russell 5, Crysler 1; Russell Engineering 3, Newington 1; Finch 3, North Stars 0; Long Sault 5, Prescott Road 0; Morewood 1, Bush Bandits 0; Kemptville 4, Lacombe Trucking 0; Toyes Hill 4, Heritage 1.

A Division

Marionville 2, Russell 1; Finch 1, Combustion Engineering 0; Long Sault 2, Morewood 0; Kemptville 4, Toyes Hill 0; Finch 1, Marionville 0; Kemptville 2, Long Sault 0; Kemptville 1, Finch 0.

B Division

Crysler 3, Rush City Raiders 0; North Stars 2, Newington 0; Prescott Road 3, Bush Bandits 1; Heritage 2, Lacombe Trucking 1; Crysler 3, North Stars 0; Prescott Road 3, Heritage 0; Prescott Road 3, Crysler 0.

Chesterville Flyers holding their own as 'rookie' in Junior C hockey league

FINCH (Staff) - "I think we are surprising a few people", Chesterville Junior C Flyers coach Mike Armstrong said after his team defeated the Finch 76s 6-4 in Finch on November 24. "For a first year expansion club we are not getting blown out by any means."

On the seven-team Junior C circuit, the Chesterville Flyers are the surprise team. It was expected that the league's defending champions would be powerful this year. They are, with a league-leading record of six wins, one loss, and one tie and an offence that is averaging 5.5 goals per game.

And it was expected that the Crysler Raiders, the 1980 champions and last year's finalists, would be in there too. The Raiders have already put together a five game unbeaten streak this season.

And then there is the Maxville Highlanders, a big, fast team and the tough, checking lines of the Finch 76s.

In fact, it wouldn't have surprised many if Chesterville, a rookie team, was blown out game after game.

Instead, the team is in third place with a record of four wins, three losses, and one tie and with the lowest goals against average in the league (22).

And of the three losses to Maxville, Alexandria, and Embrun, all three games were determined by a single goal margin.

"Frankly, the players are working their butts off", Armstrong said, explaining the team's success so far this season.

"We're a small team but the players are fast and speed, a lot of the time, can overcome size. I think we've got the fastest skating club in the league including Embrun".

Recent games have also shown a marked increase in the Flyers' goal production, from 10 goals in their first four games to 21 goals in their last four games.

"We've been doing a lot of three on ones in practice", Armstrong said, "and it's made a lot of difference. The players are starting to keep their heads up, looking for the rebounds. The players are starting to gel as a team."

Chesterville 6, Finch 4

Dave Appleby scored a goal a period to lead the Flyers to their second victory over the Finch 76s this season.

Finch jumped into a quick 2-0 lead in the first period as captain Ed DeWitt set up Kevin McPhail at 12:22 and then scored a second goal himself on an unassisted play 23 seconds later.

Dave Appleby brought the Flyers to within one goal of the 76s with 19 seconds left in the period but Kevin McPhail restored the two goal margin at 14:17 of the second period on a play set up by Curtis McMillan and Ed DeWitt.

The Flyers took over the period from there as Mike Guy, Chris Laviollette, and Dave Appleby scored back to back goals over a six minute span to move into a 4-3 lead.

Kerry Rowe tied it up at 4-4 as Ed DeWitt picked up his third assist of the night but Kevin O'Reilly scored the game winner less than a minute later and Appleby completed a hat trick for the insurance goal at 10:52.

Kirk Edwardson was in net for the Flyers while Brian Perras took the loss for Finch.

Alexandria 3, Crysler 1

The Crysler Raiders had their five game unbeaten streak snapped at five games as the Alexandria Glens, down a man with a penalty and facing an extra Crysler attacker with the goalie pulled, scored an empty net insurance goal with nine seconds left in the game.

It was the third time the Raiders had tried using the extra attacker for the tying goal and the third time it failed.

Scoring for the Glens were Bruce Benton, Dennis Bourbonnais, and Dennis Lefebvre while Andrew Sangster and Wayne MacSweyn drew assists.

Albert Heerfkens scored the Raiders' lone goal on a play set up by Christian Brisson.

Maxville 7, Cornwall 6

Andre Paquette scored with just over seven minutes left in the game to lift the Maxville Highlanders to a 7-6 win over the Cornwall Township Flyers in a game played in Long Sault November 23.

Tied 3-3 going into the second period, Maxville moved ahead 4-3 on a goal by Paquette at 14:16 but the Flyers regained the lead late in the period as Roger Lalonde and Chris MacDonald scored.

The lead changed hands again in the third as Chris Michaud and Willie Kippen scored to put Maxville in front 6-5 but Chris MacDonald's goal at 10:19 deadlocked the game at 6-6.

Also scoring for Maxville were Steve Douglas and Darron McQuaig. Cornwall got first period goals from Mark Nadeau, Roger Lalonde, and Keith McTaggart.

Ricky Villeneuve was the winning goaltender while Jeff Blodgett took the loss.

Four Hawks considered for All-Stars

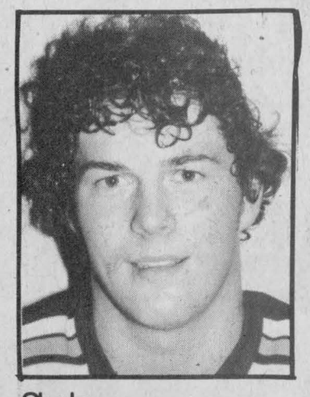
WINCHESTER (Staff) - Four members of the Winchester Hawks have been selected to be among 25 players to be given a tryout for an All-Star Team representing eastern Ontario at the provincial Junior B Hockey League's All-Stars game to be held in Kitchener, Ontario during the Christmas break.

Guy Primeau, Darrell Shelp, Trevor McClatchie, and Peter Marriner were among nine players from the Alex English Division to be selected for the tryouts. The other five players were drawn from the division's only undefeated team, the Metcalfe Jets.

The selections were made on the basis of players' performances during the recently held trio of all-stars games between the Alex English Division, the Rideau-St. Lawrence Division, and the Ottawa Valley Division.

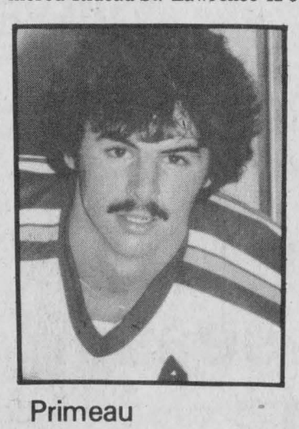
The Alex English Division All-Stars, coached by Morrisburg Lions coach Pete DeRooy, were the big winners as they hammered Rideau-St. Lawrence 12-3 on November 11 and doubled the Ottawa Valley All-Stars 8-4 on November 23.

Pete Marriner led the Alex English All-Stars in the second contest with two goals and an assist while Trevor McClatchie had one goal and two assists, Darrell Shelp drew three assists, and Guy Primeau set up two.

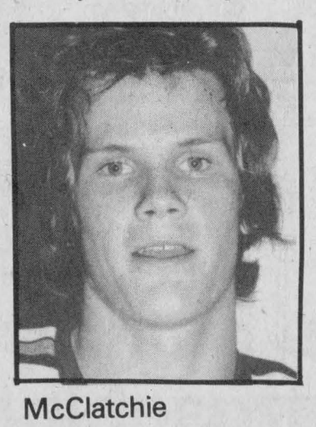


Shelp

Marriner



Primeau



McClatchie

Oldtimers win

CHESTERVILLE (Staff) - The Chesterville Oldtimers split a pair of games last week, Berwick edging them 6-5 on November 24 and Crysler dropping 6-3 to Chesterville.

Reg Dion scored twice in the losing effort with Mike Fyke, Rip Lannin, and Homer Geertsma picking up singles. Drawing assists were Les Holmes (2), Rick Barkley (2), Jake Geertsma, Don Henderson, and Neil Beckstead.

Pete Monast was in net.

Terry Buske and Rick Barkley each scored twice to lead the Chesterville Oldtimers to a 6-3 road win over Crysler. Also scoring were Mike Coyle and Rick Cormier.

Assisting on the goals were Terry Buske, Rick Barkley, Mike Coyle, Neil Beckstead, Homer Geertsma, Mike Fyke, and Don Henderson.

Peter Monast earned the win in net.

Big guns start firing for Hawks

WINCHESTER (Staff) - The Winchester Hawks line of Darrell Shelp, Trevor McClatchie, and Gilles Lascelle combined for 12 points as the Winchester Hawks defeated the Char-Lan Rebels 10-4 in a Junior B game played at the Winchester arena November 26.

The victory leaves the Hawks in third place in the Alex English Division with a record of six wins, five losses, and one tie, ahead of the Alexandria Glens on the strength of a better goals for and against average.

In other games during the past week, the Alexandria Glens defeated the Morrisburg Lions 7-3, the Metcalfe Jets extended their season long winning streak to 13 games with an 11-3 pounding of the Clarence Creek Beavers, and the Navan Grads defeated the Rebels 9-3.

Hawks 10, Rebels 3

Gilles Lascelle scored twice and assisted Ken Rose on another as the Hawks jumped into a 3-1 lead after a period of play in a game in which the Hawks out shot the Rebels 40-26.

The Rebels had out shot Winchester 15-11 in the first period with Barry Kennedy stopping all but one shot by Dave Fontaine.

The Hawks took over the shooting in the second period however, with three consecutive goals on 17 shots.

Mark Guy opened the scoring in the period with a goal set up by Ken Rose and Darrell Shelp and then Shelp, playing once again to the potential that has made him the Hawks all-time scorer, added his own as Winchester moved into a 5-1 lead.

Bourck Boyd, back in the line-up after a bout with injuries early in the season, finished off the second period scoring with an unassisted goal on Rick Ward mid way through the period.

The Rebels came back with a pair of quick goals early in the third period (just over three minutes apart) but the Hawks restored their margin with two goals at a quicker pace as Hawks captain Peter Marriner and Terry Barkley scored 34 seconds apart.

Shelp and Marriner finished off the scoring with goals at 6:02 and 2:18 respectively.

Barry Kennedy and Bruce Quaile split the netminding duty for Winchester.

Midget B Flyers unbeatren in three

CHESTERVILLE (Staff) - The Chesterville Midget B Flyers scored three times in just over three minutes in the second period to defeat Metcalfe 4-2 in an Upper Canada Minor Hockey League game played here November 26.

It was the Flyers third consecutive victory of the season.

The Flyers opened their season in the Chesterville arena on November 19 with a bit of revenge seeking as they downed Cardinal-Iroquois 4-1.

Cardinal-Iroquois had been the only team to defeat the Flyers in exhibition play, ending Chesterville's winning streak at nine games.

Mike Harper opened the scoring at 4:21 of the first period on an assist by Jerrold Boulanger and the Flyers went up 2-0 with three seconds left in the period when team captain Greg Kelly scored on a play set up by Mark Smith and Darrin Kelly.

Cardinal-Iroquois cut the lead in half with a goal in the second period but Mike Harper and Kirk Barkley sealed the victory with unassisted goals late in the third period.

Greg Van Dellen had the win in net.

The following night the Flyers travelled to Westport where they hammered North Leeds 8-0.

Mark Harper led the attack with three goals and two assists, including the final goal of a five goal blitz in the third period, while Mark Smith scored twice and assisted on another.

Also scoring were Mike Van Delst, Kirk Barkley, and Jerrold Boulanger.

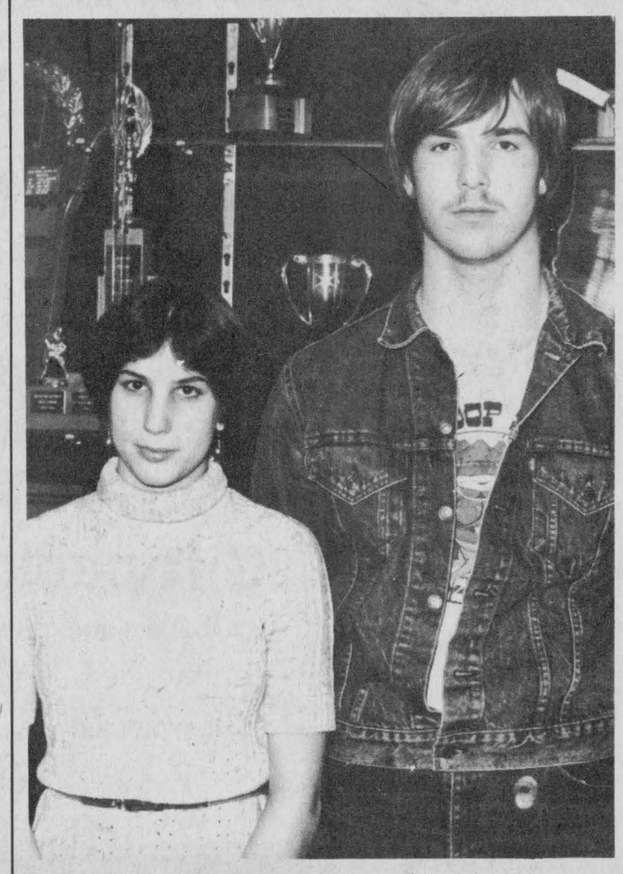
Grant Groves earned the shut-out.

Metcalfe opened the scoring on November 26 with the only goal of the first period but the Flyers came back in the second as Darrin Kelly scored unassisted at 4:35 to spark a quick turn around in the pace of the game.

Roger Beazer put Chesterville in front two minutes later and Mike Harper made it 3-1 at 1:14 before Metcalfe closed the gap with a goal scored with 35 seconds left in the game.

The Flyers' defence controlled the play in the final period while Mike Harper scored the insurance goal at 10:08.

Greg Van Dellen was in net for the Flyers.



NDDHS athletes receive awards

NORTH DUNDAS (Staff) - A pair of North Dundas District High School students received special awards for excellence in athletics during the school's Student Achievement Assembly held here November 24.

James Hicks, a grade 12 student, was presented with an engraved plaque for his "dedication and hard work" on the school's curling team which represented North Dundas four times in provincial competition while grade 10 student Karen Windsor received a trophy for her second place finish in the Junior Balance Beam competition at the Eastern Ontario championship last spring.

Windsor, a first year competitor in the sport of gymnastics, helped her school to a second place finish among 11 schools in the Eastern Ontario Secondary School Athletic Association's gymnastics championships held at North Dundas April 21.

Her second place finish also allowed her to represent the school at the All-Ontario championships in Lindsay, Ontario.

Hicks, a member of the school's curling team that included Stuart Anderson, David Nelson and Mike Nelson, helped the team to a third place finish in the provincials last year and a second place finish in 1980.

In its successful climb to a berth in the provincial playoffs, the team picked up championships at the tri-county and Eastern Ontario level.

Hicks was presented with the engraved plaque by the curling team's coach John Wilson while gymnastics coach Fran Kelly made the presentation to Karen Windsor.

Lions' coach confident despite club's eight losses

ALEXANDRIA (Staff) - The Morrisburg Lions, hampered by a roster depleted by injuries and absentees, lost their eighth game in 13 starts as the Alexandria Glens fired in three power play goals on their way to a 7-3 victory in a Junior B game played in Alexandria November 26.

The loss leaves the Lions in fifth place in the Alex English Division, four points behind fourth place Alexandria and 13 points behind the undefeated, league-leading Metcalfe Jets.

It also leaves the club far behind the pace it set last year at this time when the Lions held second place with eight wins and four losses.

"I know people are saying "What's wrong with the Lions this year?", Morrisburg head coach Pete DeRooy said. "But it's a fact that we're in the toughest division. The All-Star games proved that (the Alex English Division defeated Rideau-St. Lawrence 12-2 and Ottawa Valley 8-4)."

"Right now the puck is just not bouncing in for us and in this division you need to score seven or eight goals to win a game. And our goaltending has been iffy. Mike Payette has been stopping the shots that should be goals but he's letting in the easy ones."

DeRooy said that injuries, were also hurting the club, particularly the absence of Garry Beckstead.

"He's the big cog in the wheel and we need him. But even with the injuries, the team's coming on. We're not going to be first but I think we're going to be in there, in the playoffs."

Alexandria 7, Morrisburg 3

The Lions did most of the right things, outshooting the Glens 30-29 and keeping their penalty total down to eight minors, but the club never got its offensive attack on track as the Glens established 2-1 and 5-2 period leads.

Alexandria's Luc Sabourin and Andy McRae beat Mike Payette with shots seven seconds apart midway through the first period for a 2-0 lead before Bruce Casselman got the Lions on the scoreboard at 3:24 with a play set up by Kevin Casselman.

The Glens finished off Payette's playing for the night with two more quick goals early in the second period and David Black replaced him in net.

Black held off Alexandria's offense for the next 12 minutes but Steven Stewart used another man advantage situation to score the Glens' insurance goal for a 5-1 lead.

Donald Black's power play goal for Morrisburg late in the second period seemed to spark the Lions and Tom Hodson cut the lead to 5-3 six minutes into the third.

But despite 11 shots in the period, the Lions never came any closer in their comeback attempt and the Glens recovered the pace late in the game with another pair of goals.

Crysler moving up in broomball standings

WINCHESTER (Staff) - Crysler continued its climb out of the cellar of the Winchester Broomball League by edging Morewood 2-1 last week to move into fifth place in the eight team league.

Crysler 2, Morewood 1

Denis Fife opened the scoring for Crysler in the first period and Tony Van Gurp scored early in the third to set up a 2-0 lead.

Frank Michels halved that lead with three minutes left in the game but Crysler goaltender Paul Fournier preserved the margin with steady goaltending during the dying minutes.

Drawing assists for Crysler were Paul Fournier, Bill Pynenburg and Stan McBain while Bill Moran set up the Morewood Flames lone goal.

Allen Patterson took the loss in net.

Finch 3, Toyes Hill 1

Slumping Toyes Hill had its losing streak extended to six games as Finch controlled the game with a goal a period pace.

Henry Pynenburg put Finch into a 1-0 lead early in the first period with an unassisted goal. Finch doubled the lead at 6:00 of the second period when Heine Bruining and Jack Hoogeveen set up Paul Peterson who beat Toyes Hill goaltender Wayne Hunter with a shot.

Dean Hansma brought Toyes Hill within a goal when he scored with nine seconds left in the second period but the team's offence was held in check throughout the final period and Henry Pynenburg put the game out of reach when he scored on Rene Dumoulin's pass with 33 seconds left in the game.

Noel Lalonde, the league's hottest goaltender with a goals against average of 0.88, had the win in net.

The victory pulled Finch seven points ahead of second place Dunbar while Toyes Hill dropped to sixth place in the standings.

Ormond 1, Dunbar 0

Leo Vanderlaan scored midway through the first period on an unassisted play as Ormond threw a defensive net over the Dunbar Panthers to preserve the one goal margin.

It was only the Panthers third loss of the season and keeps the team just one point ahead of third and fourth place Morewood and Ormond in the standings.

Tony Vanderlaan earned the shut-out and Wayne Pitt took the loss.

Trailing Newington by one point in the standings, the game was a chance for Osnabruck to switch places with Newington for the cellar position in the league.

Osnabruck 2, Newington 2

As it turned out, Newington forced Osnabruck into catchup hockey.

Newington's Keith Stewart created the first lead at 8:10 of the first period when he beat Henry Bowman with a shot set up by Danny Wert.

That margin lasted 14 seconds as Donnie Billings redirected Allan Bowman's pass to tie up the game.

Newington went up 2-0 in the second period on an unassisted goal by Larry Daye held up until 4:56 of the third period when Stan Bilmer tied the game with an unassisted shot.

Ron Whitteker was in net for Newington.

Peewee B Flyers tie Metcalfe Jets

CHESTERVILLE (Staff) - Bobby Van Delst scored with 41 seconds left in the game to lift the Chesterville Peewee B Flyers to a 6-6 tie with the Metcalfe Jets in an Upper Canada Minor Hockey League game played in Chesterville November 26.

The goal, Van Delst's second of the game, capped a three goal comeback drive in the third period.

Metcalfe, using a blitz style of offence, twice threatened to blow the Flyers out of the game and led 3-2 and 6-3 at period intermissions.

The Jets scored three times in less than three minutes to open the scoring in the first period and added another three in under five minutes in the second.

The Flyers fought back from the first blitz with goals by John Mackler and Jason Groves late in the first period and tied the game 3-3 as Mackler scored again seven seconds into the second period.

They came back from the second attack by controlling the third period, Bobby Van Delst scoring unassisted at 11:34 and Kerry Irven bringing the Flyers within a goal of the Jets two minutes later.

Jevon Groves set up Van Delst's tying goal.

Steve Conley was in net for the Flyers.

Peewee Cs split pair

MORRISBURG (Staff) - The Chesterville Peewee "C" Flyers were held to a single goal in a pair of Upper Canada Minor Hockey League games played last week but it was enough to earn the club a split.

Morrisburg took advantage of some Flyers' mistakes on November 22 to shut out Chesterville 4-0 in a game played in Morrisburg.

The Flyers tightened up defensively the following night as they hosted Cardinal but the scoring slump continued as the teams entered the third period in a 0-0 tie.

Then, with just over a minute left in the game, the Flyers were called for a penalty.

Cardinal pressed with the man advantage situation but a faceoff in Chesterville's end backfired as Mike Desormeaux passed the puck to Kevin MacLeod who got in behind Cardinal's defence to score with eight seconds left in the game.

Getting teeth into Tae Kwon Do

TORONTO (Staff) - A member of the Maple Ridge Tae Kwon Do Club reached the medal rounds of the 5th Annual Canadian Tae Kwon Do championships held in Toronto on the weekend despite the fact that he had several teeth kicked out of his mouth earlier in the competition.

Mike Berube of Kemptville was competing against 24 people in the yellow belt division of Tae Kwon Do sparring when he received a foot to the mouth. The blow knocked out several teeth but Berube decided to continue in the competition, reaching the bronze medal round before being eliminated.

It was Berube's first major competition since joining the martial arts club six months ago.

The club had originally planned to send ten fighters to the competition but a combination of work, an upcoming promotions test within the club, and a recent meet in Montreal cut that number to two.

Despite the injury, Berube said he would continue to enter competitive tournaments.

Over 1,000 competitors were entered in the annual Toronto meet.
