The Things you See at a Trade Show *Comfort Photo*

The Annual South Dundas Home and Trade Show was held throughout the weekend and offered all kinds of unique things to see and do. Pictured above South Dundas Economic Development Coordinator Anne Marie Waddell was dressed in early 1900s golfing attire to promote "Everything Antique in South Dundas," the weekend of July 24, just one of the many assets of South Dundas, that can help the community "Come together for tourism."

Earning $100,000 or more last year

Public Sector Salary Disclosure Act

TORONTO – Some familiar names are among those on a list of those in the public sector making over $100,000, including school board, parks, and municipal employees.

The McGuinty government last week released the salaries and benefits of public sector employees who were paid $100,000 or more in 2003, as required by the Public Sector Salary Disclosure Act.

"Our government believes accountability and transparency are the best safeguards of public service," Finance Minister Greg Sorbara said.

The Public Sector Salary Disclosure Act applies to the provincial government, Crown agencies and corporations, and publicly funded organizations such as hospitals, municipalities, school boards, universities and colleges.

The report, published annually, includes organizations that received transfer payments from the Province of at least $1 million or received 10 per cent of their gross revenues from the Province during the previous year, provided the transfer amount was $120,000 or more.

United Counties Chief Administrative Office Michael Waddell had a salary of $106,992.50 in 2003.

Ontario Provincial Police Inspector Mike Hopkins received $104,699.

Eastern Ontario Health Unit Medical Officer of Health Dr. Robert Bourdeau had a salary of $158,440.80.

The St. Lawrence Parks Commission has four names on the list; General Manager Michael Paradis at $144,738.51, Manager of Fort Henry L. Robertson at $113,573.85, Manager of Parks and Recreation Barry Hughes at $109,402.41, and Director of Corporate Services Bruce Fitz-Gibbon at $102,098.13.

In 2003 at the Upper Canada District School Board the list surpassing the $100,000 mark is lengthy.

Director of Education Gino Giannandrea, who retired recently, had a salary of

Spring Home and Trade Show is successful by all accounts

MORRISBURG – By all accounts, the South Dundas Chamber of Commerce Annual Spring Home and Trade Show, was as promised, bigger and better than ever.

For the second year in a row, the trade show was held in the Morrisburg Industrial Park, at Parker Professional Painting.

Parker's donated the use of the building to the Chamber for the trade show.

"We owe them such a big thank you," said Geraldine Fitzsimmons (chamber vice president) at the event.

Many of the vendors and organizers pointed out that this location is one of the keys to the growing success of the trade show.

"This week is our 20 year anniversary of being here," said building owner, A.J. Parker. "It was a nice coincidence that our anniversary coincided with the trade show."

No matter what aspect of the trade show people were involved with, everyone was pleased.

The vendors were pleased with the location and the attendance, and those attending the show were pleased with the number of vendors, many of which were new, and with the special presentations which took place throughout the show.

According to Fitzsimmons attendance was up "dramatically" this year, estimating roughly 3,000 visitors.

Some of the special presentations included fashion shows, tourism and high speed internet information sessions, golfing demonstrations, and the very popular dapper dog show.

On hand for the official opening of the trade show Friday evening were South Dundas Chamber of Commerce President Tom Morrow, South Dundas Councillor Sandra Bailey, MPP Jim Brownell and MP Bob Kilger.

Morrow mentioned the amount of work that went into the event and said, "When we close this on Sunday, hopefully after a couple of thousand visitors have passed through, we

Relay for Life - Seaway kickoff

IROQUOIS – A touching and emotional assembly, kicked off the first Relay for Life to be held at Seaway District High School, May 14.

The kickoff assembly was held last Thursday to pass on information to the students about how to participate in the fundraiser for the Canadian Cancer Society, but it was so much more.

Relay for Life is the Canadian Cancer Society's national community event which celebrates cancer survivors and pays tribute to those lost. Seaway District High School has been chosen as one of 25 schools across the province to host such a relay.

According to Don Lewis, one of the staff advisors, the school was approached in November by the Cornwall branch of the society after hearing some good comments about the school's students and their interest in community involvement.

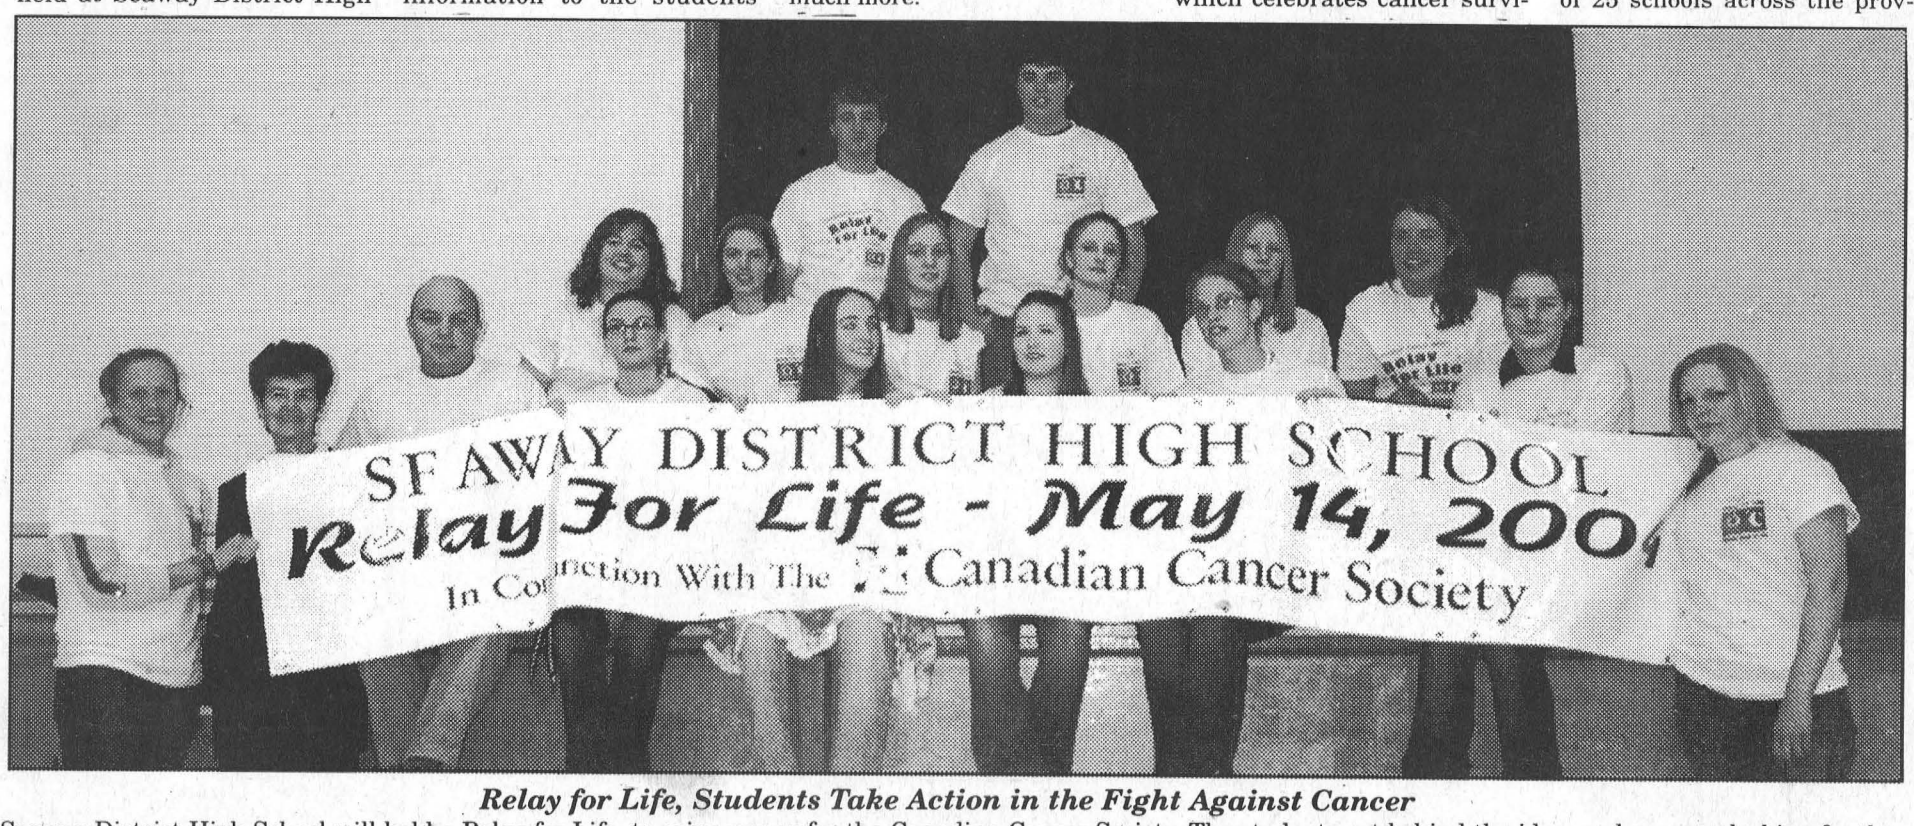
Lewis, having lost his father 17 months ago to colon cancer, was involved in a Relay for Life in Ottawa last year. "I saw first hand how rewarding participating can be. Everybody really gets into the team nature of the event and the idea of raising money for such a good cause."

Lewis approached student's council with the idea. "I left it up to the students to get involved. The whole student's council, and other students got behind it right away. I left it up to them to run with it, and they did," says Lewis.

Since then, the organizing committee of about 20 members, has been busy in preparation for the event.

Relay for Life is an overnight, noncompetitive relay raising funds for the Canadian Cancer Society's research.

–Continued on page16



Relay for Life, Students Take Action in the Fight Against Cancer

Seaway District High School will hold a Relay for Life, to raise money for the Canadian Cancer Society. The students got behind the idea, and are now looking for the community to do the same. Pictured above is the organizing committee. They are back l-r, Mark Byvelds and Scott Workman. Middle l-r, Alyssa DeKleine, Sally Dentz, Melanie Weatherhead, Amy Tryon, Kaitlyn Madge, and Holly Byker. Front l-r, Amy Jansen, guest speaker Bonnie Adair, Don Lewis, Stacey Henry, Emma Stime, Sara Stime, Erin Hendriks, Kayla Spruit, and Sarah Tuttle.

John Stewart Memorial Trust

Eight groups and clubs serving the needs of the aged and poor in Dundas County collected a total of $4,150 through the John Stewart Estate Memorial Trust on Friday. Pictured above, representing the various groups, front l-r are Leona McIntosh (Good Campanions Club in Iroquois), Louise Shaw (representing the John Stewart Trust), Myrtle Johnston (Good Campions in Iroquois), and Muriel Milne (Mountain Seniors). Back, l-r are Joey Killeen (House of Lazarus), Janet Levere (Park Lane Senior Support Centre), Jennifer Hill (Dundas Manor), Reina DeJong (Dundas County Hospice), Barb Dalrymple (Williamsburg Non-Profit Housing) and Wallace Jennings (Millview Tenants Association in Winchester).

Aged and poor benefit from trust

WILLIAMSBURG–Eight area groups and clubs serving the needs of the aged and poor in Dundas County received financial donations totalling $4,150 here Friday bringing the money disbursed through the John Stewart Memorial fund, since 1993, to $112,000..

The money for the annual grants is investment income derived from the sale of the John Stewart Home on Second Street East in Cornwall in 1991.

The home was opened in 1930 as a modest facility to provide housing for poor and indigent persons.

Representatives from the United Counties and the City of Cornwall constitute the Board of Directors and the minister of St. John's Presbyterian Church in Cornwall, sits as a permanent member to acknowledge the religious heritage of the original donor, Mr. John Stewart. This year marks the 101st anniversary of his death.

The Estate is administered by Scotia Private Client Group and representing Dundas County is Louise Shaw who handed out the cheques on Friday.

In total there was $12,600 awarded in 22 grants ranging from $250 to $1,000 awarded this year to groups in the counties of Stormont, Dundas and Glengarry and the City of Cornwall.

Shaw explained that invitations for proposals are mailed out to the various groups before the end of December each year. They are then reviewed by a selection committee.

For the selection process, Shaw explains the organization names are blocked out by the chair, so the committee bases its decisions on what the money is being used for.

The Dundas County recipients were the Good Campanions in Iroquois, $250; Park Lane Senior Support Centre, $650; Dundas County Hospice, $650; Dundas Manor, $300; Williamsburg Non-Profit Housing, $500; House of Lazarus, $1,000; Mountain Seniors, $500; Millview Tenant's Association, $300.

A second chance for "Affections of May"

CORNWALL–Thanks to a very successful winter run, the Cow Paddy Theatre Company is offering a second chance for area live theatre enthusiasts to catch Norm Foster's warmly, funny play the *Affections of May*.

Directed by Rona Waddington, in true Norm Foster style, the *Affections of May* offers up a lot of laughs mixed in with insightful looks into four average, everyday characters.

"People enjoyed it so much we thought we would bring it back when the weather is better and the snowbirds have returned," says AnnaMarie Lea who did an outstanding job as May in the winter production. "I know if they come they will be glad they did."

The *Affections of May* is the story of May whose husband Brian, played by Victor Cornfoot, leaves her. That opens the door for Quinn the town handyman and Hank from the bank to seek out May's affections.

Lea notes that she has had to make one casting change to replace Sheldon Davis who played Quinn in the winter run. Davis regrettably had to cancel as he has landed a big role in a Broadway production in Toronto.

For his replacement Lea contacted Norm Foster who recommended Kris Allan who recently played Quinn against Foster's wife Janet Monid.

Some of the best comedy in the show is provided by Garfield Andrews in his role as Hank from the bank. Andrews, who is well known to Playhouse audiences, is not just funny, he is exceptionally funny in his facial expressions, his body posturing and the delivery of his lines.

The Affections of May is returning for four shows only at the Ramada Inn in Cornwall from April 22-25. Evening dinner shows from April 22-24 are $50 and the Sunday, April 25 Brunch Matinee tickets are selling at $38.

"We are running another raffle table to benefit the Cornwall Community Hospital campaign and will of course feature our famous "Cow Paddy Coffee" again," says Lea.

"It's a wonderful comedy with warmth, hope and humour," says Rona Waddington. She is right and the whole package, which includes a fabulous meal prepared by The Ramada, provides a wonderful evening (or afternoon) of entertainment.

For information or tickets call the Ramada Inn at 933-8000.

Congratulations

Todd & Natalie Barnhart were married on Sept. 20th, 2003 at Manderley on the Green, North Gower. Todd is the son of Sandra & Joe Barnhart of Morrisburg and Natalie is the daughter of Diane & Danny Paquette of Ottawa. The couple are now residing in Kemptville, Ontario.

Road safety is no accident

Each year road traffic collisions take the lives of 1.2 million men, women and children around the world, and seriously injure millions more. In Canada, almost 3,000 people lost their lives on our roads in 2002–the equivalent of an entire small town.

Today, April 7, countries around the world are celebrating World Health Day. The slogan *Road safety is no accident* was chosen in recognition of the grave consequences of road accidents and their enormous cost to society. As Canada's Minister of Transport, I encourage you to take a few moments to talk about road safety with your family and friends. And I urge you to practise road safety year-round.

Canada already has one of the best road safety records in the world. Although the number of road users in Canada has increased by more than one-third in the past 25 years, traffic deaths have decreased by 50 percent during the same time frame. But more needs to be done. Working with its partners, Transport Canada has adopted an ambitious plan to make Canada's roads the safest in the world by 2010 and reduce fatalities and injuries by 30 percent.

To meet this ambitious target, we need to work together. We need drivers to make the conscious choice not to drink and drive, to maintain their vehicles and to adjust their speed for road and weather conditions. We need industries to continue to design safer vehicles. And we need governments to continue to invest in safer roadways and to improve emergency response.

Road safety is no accident. While governments, police forces, safety organizations and others are all working together to improve road safety, there are some simple things you can to prevent deaths and injuries: Wear you seat belt; don't drink and drive; slow down; pay attention.

Tony Valeri, Minister of Transport

Seen 'n Heard

Around the Town

Grumble, grumble, grumble...and on and on. That would be the gentle version you would get if talking to a local golfer. Seems spring came quickly and then took a wrong turn and allowed a bit of winter to come our way again on the weekend. We have no definite dates for golf, although we can definitely tell you it has been pushed back a ways

•••

Is there a Werewolf out there somewhere? Of course there is, and he is busy rehearsing for the Iroquois/Matilda Lions Club production of Tim Kelly's Curse of the Werewolf at the Upper Canada Playhouse on April 23-24 and April 30-May 1. Directed by Wendy Gibb, the story involves, Buzz Haliburton, an entertainer fallen on hard times, who is summoned by his mysterious uncle to Gargoyle house, a spooky castle on a lonely New England island. This is promising to be a hilarious evening of entertainment so get your tickets early. Tickets are $15 ($12 for the Saturday, May 1 matinee) and can be purchased from members of the Iroquois-Matilda Lions Club, in Morrisburg at the Upper Canada Playhouse and Village Green, and in Iroquois at Mustard's Variety and Beaupre Jewellers.

•••

We have several big thank yous we would like to send out this week. As the winter activities draw to a close, we would like to congratulate all of our curlers, hockey players and figure skaters and thank you all for the opportunity to work with you once again. In particular we would like to thank Steve Thompson, president of the Morrisburg Curling Club who provided us with all those wonderful curling columns and all of the parents and coaches who provided us with score sheets and information. Special thanks to the curling club, for last Wednesday night's delicious roast beef dinner and the skating club for remembering us with an invite to their closing banquet. Hope you all have a great summer.

•••

As we sign off for this week, we wish everyone a very Happy and Safe Easter.

The Leader Blast from the Past

Compiled from The Leader's files

1994

The April 6 issue reported that Lakeshore Drive residents overwhelmingly rejected a plan to construct a series of wind-resistant earth berms around the salt-storage facilities at Universal Terminals/B&M Carriers Ltd.

The Morrisburg Junior B Lions were steam-rolled by the Athens Aeros who won the Rideau-St. Lawrence division honors in five games. Lions rookie head coach Johnny Morrow was proud of his team and their efforts over the season.

Plans were underway for the soon to open Shooters Bar and Grill in the former Loyalist Hotel. Owner Hussein Amlani said he had been considering establishing a sports bar in Morrisburg ever since he purchased the former Hotel in 1986. Once the new sports bar opened, which was expected to be by the end of April, the Loyalist Hotel's dance bar, "Studio 231" would be open only on Friday and Saturday nights.

Steve Casselman, Peewee B coach, was named the Coach of the Year by the staff at The Leader. He was presented the coach of the year trophy donated by Red Lawlor in honour of Bill and Phyllis Dillabough.

1984

Pictured on the front page of the April 4, 1984 issue were Raggedy Ann (Heather Rumble of Iroquois) and Raggedy Andy (Shaun McGann of Williamsburg) as they appeared in the Morrisburg Figure Skating Club's annual ice extravaganza.

The Morrisburg Bantam Bs captured the Upper Canada Minor hockey league championship downing Iroq-Card 3-1 in the third game of a four point series. Coached by Steven Casselman the Bantams were undefeated in the playoffs and Casselman credited much of their success to the excellent goaltending of Andy Cummins. Dennis Froats scored twice in the final win and Jim Bennis added a single.

Charlie's Angels, coached by Keith Robinson, downed the St. Lawrence College Roadrunners 6-2 in exhibition action. Tracey Ogilvie, Karen Marlin and Robin Guitierezz had two goals each. The Angels played with just eight skaters, who along with the goal scorers included Carol Langabeer, Diane VanMoorsel, Rhonda Felker, Catherine Houze and Tanya Mabo.

1974

Headlines in the April 5 issue read: Tourism Everyone's Business Benefits Whole Community. John Sloan, general manager of the St. Lawrence Parks Commission told members of the Morrisburg Chamber of Commerce that 33 million visitors had come to the area in 13 years, with 2 million coming in 1973, including 450,000 campers.

St. Peter's Lutheran Church in Williamsburg was the scene of a pretty wedding on March 29 when Donna Jane Casselman and Richard W.S. Hess exchanged their marriage vows before Rev. John Boehmer.

The Morrisburg Old Home Week committee was busy making plans for a bigger and better show this year. The program was to include The Red Caps Aerobatic team, helicopter rides, Grand Prix Wrestling and the California Cuties. The feature event this year was to be the Battle of the Drums, the first to be held in this area.

The Morrisburg Combines evened their best-of-seven ODHA Intermediate final series against Lanark 1-1, with an 8-7 win on home ice. Brian McNairn and Jack Duncan had two goals each and Allan Hare, Lyle Ellis, Don Snider and George Willard scored one each. Ernie Metcalfe started in net for the Combines and was replaced by Kevin Baldwin in the second period.

Floyd Fisher Real Estate had a Riverfront lot, with 223 feet on Lakeshore Drive and 221 feet on the river and a depth of 120 feet, selling for $20,000.

1964

The April 3 issue reported tentative plans were afoot for a motel, complete with dining room and swimming pool to be erected by the Saver Realty Co., on property just north of Morrisburg. An attractive two-wing building housing an Esso Service Station and coffee bar was completed the previous fall and was now in operation. The Saver Realty Company comprised B.J. Saver, Jack Saver and Garnet Smith.

The Williamsburg Intermediates won the Mel Baker Trophy for the South Dundas Championship winning the best-of-five playdown against Ingleside. The final Williamsburg win was a 6-4 decision with Bill Casselman scoring three goals and Baden Carr, Ray Imrie and Earl Brown all adding singles.

In three weeks there would be no shortage of eggs in the area when Dale Beckstead's 10,000 hens started producing 700 eggs per day. His new sage layer house was located on Highway 31.

1954

It was reported in the April 9 issue that Morrisburg council granted billiard licenses for the year to: James, Mallen, Henry Ing and William Dillabough; a bowling license to Henry Ing; Taxi licenses to Bruce Casselman (for three cars), Elmer Jannack and George F. Smith; Public Hall licenses to Carman Casselman for Casselman's Hall (maximum capacity 260 persons) and to the Morrisburg Arena (maximum capacity 1,600 persons). Building permits were issued to Canadian Petrofina for the erection of a service station at the corner of Isabella St. and No 2 Highway, and to Clifford McDonell for the erection of a motel, a store and a restaurant on Main St.

Printed in the issue was the proclamation that Daylight Saving Time would be in effect in Morrisburg beginning on Sunday, April 25 and ending on Saturday, September 25.

Mrs. Rutledge was advertising reasonable rates for the home for the aged located beside the St. Lawrence. Nursing care was available.

1944

The April 7 issue reported Thomas Connors, prominent Morrisburg business man, had purchased the fine residential property on Riverside Drive, known as the Mackenzie-Ryan property.

Citizens of Morrisburg who had noticed the large grey tank trucks passing through town were told these conveyors were transporting liquid whey from district cheese factories to the Western Condensing Co., at Heuvelton, New York where the whey was processed to extract the sugar used in making the mould for the wonder drug, penicillin.

Girls were wanted for factory work in Morrisburg.

A Little Leftover Christmas Cheer

Christmas for many may just be a memory now, but the Canadian Tire Store here in Morrisburg brought a little cheer to the Dundas County Food Bank last Friday with a $617.58 donation. During the holiday season Canadian Tire stores across Canada donate $5 from the sale of every full size artificial tree to the Canadian Tire Foundation for Families to benefit local charities. Canadian Tire Financial Services donated an additional $5 when tree purchases were made using a Canadian Tire card or Options MasterCard. In addition to this revenue the Canadian Tire here in Morrisburg collected money in freewill donation boxes. Accepting the money on behalf of the Food Bank was Bank chair Diana Pethick, centre, who thanked Victoria Davidson on the left for her organizational role and Peter Oliver for his support. "These sort of donations coming in now help us through the summer," said Pethick.

The Passion of the Christ

By now, you've probably heard or been involved in dozens of conversations about Mel Gibson's movie, "The Passion of the Christ." According to the numbers we are hearing, a large number of people have gone to see it. I am among those who did see the movie and I thought Mel Gibson did a superb job of putting on film, a story that has touched, yes, changed the lives of multiplied thousands over the past 2004 years.

There was one thing I did notice about the movie that I believe should have been included. Often, when a movie is made about an actual event or person, you will see at the beginning the words, "Based on a True Story". These words certainly should have been included at the beginning of this movie. I expect that it was just an oversight, because the story that made this movie possible is the truest story ever told, and the greatest story ever told.

I have very little understanding of how Hollywood is able to make a person's body look as beaten, broken and bloody as they did with the actor's body who played the part of Jesus. Beyond doubt, nothing was left to the imagination. The truth is, that while this man's body was made to look as it did, with the artistic imagination of some Hollywood specialist, there really was a man who suffered all of what we see in the movie and even more.

The one whom the movie is about is one who was called Jesus. The Bible tells us He was born of the Virgin Mary, but He was really the Son of God. In actual fact. He was God clothing Himself in humanity so that He could come and deliver you and me from the pit of hopelessness and despair.

To really appreciate all of this, we need to go back to the beginning, and space does not permit me to go into detail about it here, but please allow me to give you a summary view.

In the beginning, God created man in His image and in His likeness. (Genesis 1) But man disobeyed God and rebelled against Him, and thereby sinned against God. Sin corrupted man and separated him from God, because God, who is holy, cannot fellowship with sin. So the communion that God and man had before man's disobedience was broken and that grieved the heart of God.

Even though man had sinned against God, God's love for man never changed and in His great love for us He provided a way whereby man could be brought back into fellowship with Himself. John 3:16 tells us what He did, "God so loved the world that He gave His one and only Son that whosoever believes on Him should not perish but have everlasting life." Sin brings death, but God gave His Son to die in our place, to bear the penalty for our sin that we might have eternal life.

That is what the Passion of the Christ is all about. God becoming man and taking my punishment and your punishment for sin, that we may have peace with God and the hope of being with Him in His heaven for all eternity. What the movie didn't and couldn't show was the effect that sin had upon the pure, sinless Son of God. An old Hymn put it this way," He died of a broken heart for me." Certainly, we can visualize His broken body. We can see His shed blood. We can see in the movie the convulsions of His body, and the outward signs of the agony He experienced for you and me. But, only God could know the pain of His heart as He took my place and your place.

What should we do after seeing this movie? There is only one response. Believe that He suffered and died, not for Himself, but for each of us. Then confess our sins, repent or turn from our sin and give our lives to Him, being obedient to His word and trusting in Him for eternal life.

If I can be of any help to you in this, please phone 543-2681.

May God help you make the right choice this Easter Season.

Letter to the Editor

Food Bank thanks the community

Dear Editor;

I would like to express my sincere thanks to the community for their support of the Dundas County Food Bank.

Last weekend, the Apple Tree Ministry of the Anglican Parish of Morrisburg-Iroquois and Riverside Heights presented Keeping Up Appearances in Dundas County, Hyacinth Returns at the Upper Canada Playhouse. Being able to have the use of the theatre certainly provided the ambience and setting for a very successful evening. Our final tally for the event has raised $4,100.00 for the Food Bank, an exceptional amount and way beyond our widest dreams! This money will purchase food items for the nutritional food basket we hand out to our 350 client families in the County and will keep us smiling for weeks to come.

Thank you to you all.

Yours sincerely,
Diana Pethick,
Chair, Board of Directors.

Asks question

CORNWALL –MPP Jim Brownell is to question Minister Sandra Pupatello, Minister of Community and Social Services, regarding the services and quality of care for people with developmental disabilities in Stormont-Dundas-Charlottenburgh.

Currently there are 49 adults and 34 children with special needs on a waiting list for residential housing in our community. Brownell's question centers on the Ministry's intentions on rectifying this disparity in services and quality of care.

Hyacinth raises $4,100 for Food Bank

MORRISBURG–The return of that saucy English lady "Hyacinth" was obviously something that a lot of people looked forward to this past Saturday when audiences came up just short of packing the Upper Canada Playhouse for both the afternoon matinee and evening performances.

"It went really, really well," said organizer Rev. Pat Martin. "It was beyond all of our expectations."

"The actors put so much into it. They had a good time, and we had a good time too."

That good time adds up to a big time for the Dundas County Food Bank which benefits from the show to the tune of $4,100, a big increase over last year's $2,800.

The fundraiser was hosted by The Apple Tree Ministry which has been hosting such events for a number of years, beginning with mostly musical entertainment and developing into the shows of today.

Hyacinth hit the stage three years ago at Morrisburg Public School and last year the Vicar of Dibley took to the stage at the Playhouse.

"It was fantastic," said Diana Pethick, chair of the Dundas County Food Bank. "It was hilarious."

In addition to the play, Pethick spoke of the wonderful musical comedies provided by Pastor Jo Barkley-Probst and Rev. Brian Cauk, a solo sung by local singer Heather Johnston, and a musical performance from Susan Bradley.

Also adding their flair to the event were the Ladies of the Red Hat Society.

"It really was a real English variety performance," said Pethick remarking on the hilarious performance given by Wendy Gibb who played Hyacinth and noting that Jane Lee in her role as Rose was "classic".

"Wendy Gibb is amazing. She and Rev. Pat Martin wrote this thing. They had one rehearsal."

"I've had two calls asking if we could bring the show to Winchester."

The cast of Hyacinth Returns included Nick Lee, Jack Barkley, Jane Lee, Debbie Fournier, Elizabeth Porter, Bill Rumble, Doug Jarvis and Wendy Gibb.

"All aboard" Train Show scheduled for Seaway High

IROQUOIS – The Prescott Depot Railroaders Inc. has announced its new location at Seaway District High School for its annual show.

The show features working model railroad displays, vendors, historical displays, entertainment and something of interest for every member of the family.

"Not only do we have some of the best modular model railroad displays coming from all over Ontario, but we also have vendors of all gauges of railroad supplies and other displays that promise to be a hit," says Jason Edge, President of the Seaway District Model Railroaders who are organizing and hosting the show in conjunction with the Prescott Depot Railroaders. "We are also very excited to have historical displays and booths from Railway Societies, libraries and museums including special passes for visitors to enter the Upper Canada village Aultsville Station on the weekend of the show."

"Our Kid's Zone offers model railroading for kids with a wooden layout, a floor level 'O' scale set up and a completely detailed 'HO' scale layout that the kids will have free access to. These hands on activities offer great fun and photo opportunities that promise to promote our hobby as an activity for the whole family."

The show has over 2,000 square feet of working displays featuring everything from a tiny 'N' scale desk top display, precisely detailed 'HO' layouts to big "modulars" as they are called for their ability to be dismantled, transported and reconfigured.

Modular displays are often over 10 feet. wide and 40 feet long.

There will be canteen services available with drinks, snacks and barbecued hamburgers and hotdogs.

The show is scheduled for Seaway District High School on Saturday, April 24 from 10 a.m. to 5 p.m. and Sunday, April 25 from 11 a.m. to 4 p.m.

RIDEAU ST. LAWRENCE UTILITIES INC.

New Electricity Pricing Plan

In an effort to address the constantly growing debt, the Liberal Government has passed new legislation on electricity pricing. "Although the 4.3 cent cap was meant to protect consumers from excessively high electricity prices, it has cost Ontario taxpayers approximately $1 billion since it was introduced in December 2002," said Minister of Energy Dwight Duncan.

Starting April 1, 2004, the current energy price cap of 4.3 cents will be removed and a two tiered pricing structure will be implemented that better reflects the true price of electricity.

Under the interim plan, the first 750 kilowatt hours (kwh) consumed in any month will be priced at 4.7 cents per kilowatt hour. Consumption above that level will be priced at a higher rate of 5.5 cents per kilowatt hour.

This interim plan applies to low volume and designated consumers, and will stay in place until the independent regulator, the Ontario Energy Board (OEB), develops a mechanism for setting prices in the future. The Energy Board's new pricing mechanism is to be implemented as soon as possible and no later than May 1, 2005.

In addition the Ontario Government has determined that, over a four year period, your local utility can recover the mandated costs it incurred in preparation for the introduction of competition in the electricity market.

What is the impact?

The impact on our customers will vary depending on the level of consumption. That is the essence of this new pricing structure. The goal is to ultimately eliminate the subsidy created through the fixed rate option, while at the same time provide an incentive for conservation. Here is an example of the cost implications on a customer bill for 1,000 kwh's (including losses) over the period of one month:

Description	Rate	Old Price	Rate	New Price
ENERGY CHARGES:				
Fixed Price	@ .043	$ 43.00		
Energy – First Block (750)			@ 0.47	$ 35.25
– Balance (250)			@ 0.55	13.75
OTHER CHARGES*		23.90		23.90
DISTRIBUTION CHARGES:				
Service Charge	(Flat)	$ 9.11		$ 9.11
Distribution Charge	@ .0088	8.80	@ .0109	10.90
SSS Administration		.25		.25
	Total	$ 85.06		$ 93.16

* Other Charges – Transmission Network Charge, Transmission Connect Charge, Wholesale Market Services, SSS Administration, and Debt Retirement Charge.

What are my Options?

Conservation: The two tiered rate takes effect for all consumption beginning April 1, 2004. This date was specifically selected to coincide with the end of the cold winter weather allowing consumers an opportunity to review their energy use and explore conservation options prior to the beginning of the cooling season. The two tiered rate was specifically designed to provide a strong conservation message for Ontario consumers.

Alternative Energy Supplier: Although existing retailer contracts were replaced with the 4.3 cent fixed rate, any new contract signed with a Retailer after December 9, 2002 is fully binding. Ontario energy consumers who enter into a contract or renew a contract with an electricity retailer after December 9, 2002 lose entitlement to the legislated commodity price for the term of the contract.

Bulk Metered Accounts: The legislation allows for certain bulk metered accounts such as Apartment Complexes to receive multiple instances of the 4.7 cent block. The intent is to provide all customers on the Conservation Rate equal treatment. Tenants in multi-unit buildings should receive the same incentive for conservation as an owner. An individual claiming multiple units at a single family dwelling should review adherence to local zoning compliance issues for income or multi-family use of the dwelling. If you believe you may qualify for multi-unit recognition please contact us at the number provided on your power bill and ask for a Multi-Unit Declaration form. This form must be completed and signed prior to June 1, 2004 in order to qualify for multiple blocks beginning April 1. Any declaration form received after June 1 will only entitle the consumer to multiple units from the date of receipt onwards.

A creative partnership is formed

MORRISBURG – A creative partnership will brighten the interior of the Operating Engineers Training Institute (OETIO).

The OETIO of Morrisburg is home to several organizations and institutions, one of which is the T.R. Leger School.

"We wanted to make some changes to improve the facility. T.R. Leger is here, and they have a lot of creative students," says Karen Cooper, graphic designer at the institute. So the fit was natural.

A group of volunteer students are working on creating designs for about six or seven four by eight foot canvases, that will be featured as focal points in the main buildings' interior.

Most of the canvases will be featured in the Blue Heron Room, a newly renovated 42x40 foot conference room, with block walls.

Cooper is coordinating and supervising the project on behalf of the OITEO, which is providing the seven students who have volunteered to work on the art project, with the workspace and project materials as required.

Cooper says the themes for each of the pieces will be varied, mostly involving the St. Lawrence Seaway. "Some are historic and some are fantasy," she says.

Some local artists have been contacted by Cooper to provide the students with information and advice, when it comes time for their concepts to be transferred to the large canvasses.

The project, which is in the first stages, is scheduled to be completed in about three months.

There are currently seven students involved with the project including; William Shields, Dustin Lemery, Krystal Henry, Tyler Lewis, Chad Imrie, Matt Julien and Alishia Scarbeau.

Some volunteered to share their artistic abilities, and others pointed out that although their artistic talents are limited they are willing to help in anyway they can.

"They've come up with some really good ideas, and the OETIO is excited about this project," says Cooper.

Dave MacDonald, lead teacher at T.R. Leger says, "It's a great opportunity for our students to interact with the OETIO, and to vent some of their creativity."

Joining Forces to Improve their Surroundings *Comfort Photo*

The wall behind this group will not be blank for long. Students of the T.R. Leger School (Morrisburg Campus), and the Operating Engineers Training Institute of Ontario are working together to design and paint large canvasses that will decorate the Blue Heron Room, and other areas of the institute. Pictured above are some of those involved in the project scheduled for completion by the end of this semester. They are front l-r, Karen Cooper (OETIO graphic designer), and students Kystal Henry and Tyler Lewis. Back l-r, Dustin Lemery and William Shields. The students are now researching ideas for the artwork, and creating conceptual sketches.

Raccoon Rabies

2004 Wildlife Rabies Control Operations

The **Ontario Ministry of Natural Resources (MNR)** has started its annual wildlife rabies control operations for 2004. Ontario is committed to the research, control and eradication of rabies in Ontario, thereby protecting the health and safety of the public, their pets and the wildlife of this province.

Much of Ontario's success in controlling the spread of raccoon rabies is attributable to the introduction of a high-risk area in eastern Ontario. Due to the location of confirmed cases, the boundaries for the raccoon rabies high-risk area will remain the same for 2004, unless future cases warrant expansion.

The province uses a number of control measures in the fight against the deadly rabies virus:

- control measures at the point of infection (starting in early spring)
- trap-vaccinate-release programs (starting in late spring); and
- widespread aerial vaccine baiting (starting in late summer)

In the High-Risk Area:

- Raccoons, foxes and skunks must **NOT** be relocated – it's illegal and can spread rabies.
- Raccoons, foxes and skunks that are captured in the high-risk area must be released immediately at the point of capture, or humanely euthanized as soon as possible and within 24 hours.

If you find a healthy or injured raccoon, fox or skunk:

- Do not pick it up; leave the animal where it is. The mother of a young animal may be close by.
- Do not handle such **an** animal(s) as it could lead to rabies exposure.
- Do not feed it or encourage it to stay around.
- Keep children and pets away from it.
- Call a wildlife rehabilitator to attend to injured animals.

To help in the fight against raccoon rabies, please keep the following in mind:

- Inform children to stay away from wild animals or stray pets.
- Report all animals bites or scratches to your local Health Unit and seek medical attention.
- Vaccination of dogs and cats against rabies is mandatory in most areas. See your veterinarian for more information.
- Do not allow pets to wander freely.
- Remove food sources that may attract wildlife. Do not leave pet food dishes outside.
- Contact the local office of the Canadian Food Inspection Agency if a dead potentially rabid raccoon, fox or skunk is found and there has been human or animal contact.

For further information on:

Raccoon rabies or the high-risk area, contact the **Rabies Research & Development Unit, toll-free at 1-888-574-6656 or visit our Web site at http://rabies.mnr.gov.on.ca**

Wildlife custodian responsibilities, contact **MNR Kemptville District at 613-258-8212.**

Human health, contact your local health unit found in the blue pages of your phone book.

Testing of dead potentially rabid raccoons, foxes and skunks that have been in contact with humans or animals, contact the local office of the Canadian Food Inspection Agency found in the blue pages of your phone book.

Robbie Burns Hugh Hutchison Trophy–Jack Dikland, Dwight Gilmer, Dave Salsman, Len Bellamy.

Thursday Night Men's Competitive: Dodge Trophy Club Championship–Craig Harriman, Graham and Robert Houze, Al Harriman.

A Thank You to President Steve Thompson

We, the members of the Morrisburg Curling Club, wish to express our thanks to you for the service you have rendered on our behalf during your two years as President. We know you are a busy person, as you also give freely of your time to the CNIB and the Heart and Stroke Foundation. Let us not forget Alice as she is invariably at the club assiting and supporting you.

You will certainly leave a large vacancy to fill by your departure from office, but we know you will always be there to help. Please accept this sincere expression of gratitude from your curling friends.

The Week In Curling

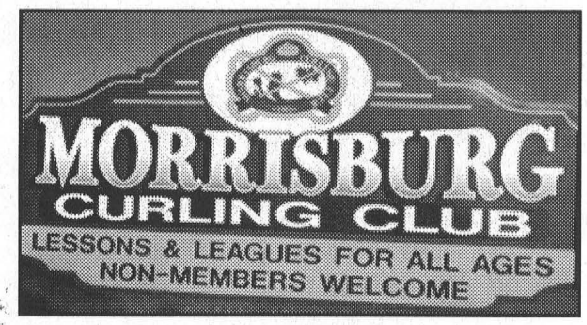
MORRISBURG – The curling season at the Morrisburg Club ended on Sunday with another Two-Person Bonspiel. These have been very popular and successful. Our thanks to Bobby Hart for organizing them.

The air was clear in the lounge, although the club has not yet been declared officially non-smoking. Perhaps it's time for a show of hands at the next general meeting as to whether we make it official. In this latest bonspiel, the 'C' Division final featured Wally and Joanne Baker against the winners, Glen and Don Cougler. In the 'B' Division, Joe McCooeye and Leanne Coady defeated Sydney Schnurr and Bobby Hart. 'A' champs were Wally McDonald and Gerry Thompson, defeating Jeremy Schnurr and J.J. Hollister. Well done!

On Friday and Saturday, two local teams competed in the 18-team windup bonspiel in Winchester. Robert Houze, Carolyn Beckstead, Leanne Coady and Joe McCooeye won both of their games and finished in fourth place. Raymond Benoit, Kathy Norg, Bill Hogaboam and Julie Somerville also won both matches and were sixth. Congratulations to both entries.

Last weekend our young curlers competed in the OVCA Championship at Manotick. Coach Sydney Schnurr has worked hard with all of our young curlers and will be back next fall with them. Our thanks to her for her effort and enthusiasm in this important facet of our curling club.

Bobby Robichaud, Travis McMillan, Luke Whitteker and Connor Woodmass represented our club but didn't come home with the hardware this time. Congratulations on making it to the final, and better luck next year!



Thursday night, Craig Harriman, Graham and Robert Houze and Al Harriman won the Dodge Trophy, emblematic of the Club Championship. The final playoff game ended a full season of play for all teams, and our thanks to Ian Wilson for coordinating play. Congratulations to the winners.

Annual Meeting and Awards Night notes from Wednesday: presentations were made to most of the league winners, and a delicious roast beef dinner was enjoyed. A special note of congratulations to Len Bellamy, who, in addition to being a top hockey player, competes in most curling leagues open to him. We believe he won trophies in every division in which he played this year. The profit to date for the club this year is $6,500, and our reserve fund is over $7,000. The executive is still waiting for word on the Trillium Grant request. Without an organizer, there will be no club yard sale next month. Some curlers signed up for summer work at the club, and will be contacted later, as will others who may not as yet have had the opportunity. The executive is looking for at least one additional member, and for volunteers to assist in several activities and events. They meet next on May 18 when the new table of officers will be elected from within the ranks of those approved by the 45 members at the general meeting.

It was good to see Don O'Brien back at the club on Sunday. He looks fit, and expects to be back on the golf course early in May.

Our ice went out on Monday, and we expect to have it back in time for registration night Friday, September 24, when our next general meeting is scheduled.

A good summer to all!

Big finish for bantam girls

GLOUCESTER–The South Dundas Bantam Girls had a wonderful finish to their season when their round robin playoff record put them in second place overall all and sent them to the championship final against first place Gananoque.

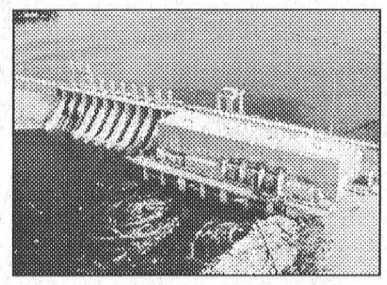
Once the round-robin games were played and the statistics record it ended up that Morrisburg, Gananoque and Brockville were all tied for first place with five points.

The tie-breaking rule for playoffs used was goals for/against stats which saw Gananoque take first place with a plus five stat and Morrisburg second at plus three. Brockville ended up third at plus one.

The championship final was played at the Fred Barrett Arena in Gloucester Sunday, and was claimed by Gananoque with a 2-0 win.

Following the game South Dundas' Ali Tait was presented the top scorer award in the Bantam C Tier Four division.

The girls had a good first season of action and thanked their coaching staff of Barry Keicks, Glen Mackler, Bryan Cochrane, Albert Zandbergen, Kevin Casselman, Lori Davies, Barb Tait and Lynn Thurler.



STAY CLEAR, STAY SAFE
EVERY DAY OF THE YEAR

ONTARIO POWER GENERATION CARES ABOUT YOUR SAFETY.
That's why we're asking Ontario residents and visitors to stay clear of our hydroelectric stations and dams. They're unsafe places for recreational activities. Hydroelectric stations operate all year round and their operation affects water flows and ice conditions. Water flows can change quickly and without notice. Some dams have gates that might be remotely controlled and in just a few minutes, can change a dry and calm riverbed into a river with dangerous flows! This can lead to thin ice and pose a threat to anyone who ventures too close!
So remember: ALWAYS stay clear of all hydroelectric power stations, dams and spillway channels...and STAY SAFE.
To obtain a **free** Stay Clear, Stay Safe CD-ROM, video or brochure visit **www.opg.com**

Subtle changes for South Dundas Minor Hockey

MORRISBURG – Minor Hockey in South Dundas will undergo subtle changes this year, thanks to nine constitutional amendments carried at the SDMHA Annual General Meeting last Thursday.

The size of the South Dundas Minor Hockey executive has decreased slightly as it was decided the Trophies/Awards and Tournament Coordinator positions will be combined. Debbie Heldens fills the role.

It was also decided to make the second vice president responsible for risk management duties. Andy Thomas is second vice president.

The position of president is currently vacant. The usual procedure is to name the president through a protocol sequence.

By protocol, the first vice president from last year becomes president this year. "However that will not take place this year, because of the resignation of last year's first vice president," said past president Dale Adams.

The position of president will be posted for interest, and is open to anyone. Of the names put forward through the posting, the new executive will be responsible for determining their new president at their first meeting, April 15.

A question from the audience asked, if there is no interest, will the first vice automatically be moved to president and second vice to first vice?

Adams explained that is not the case. If John Hanson assumes the role of president and does not resign his seat as first vice he will sit as president for two years, after which Thomas will assume the role.

The position of Referee in Chief is vacant, despite the addition of nonvoting position of assignor, to help with scheduling referees, allowing the referee in chief more time to assist, instruct and evaluate the association's young officials.

While the SDMHA executive shrunk a little, they were forced to establish a whole new executive to administer girls hockey in South Dundas, as required by the Ontario Women's Hockey Association.

Adams is hoping to have girls hockey teams at the peewee, bantam and midget levels.

No elections were necessary to fill South Dundas Minor Hockey executive positions at their annual general meeting, as only one name was put forward for the positions that were filled.

South Dundas Minor Hockey Executive:
Past President - Dale Adams
President - Posted until April 15
1st Vice President - John Hanson
2nd Vice President - Andy Thomas
Treasurer - Debbie Dowson
Registrar - Laurie Hutt
Head of Coaches - Mike McManus
Fundraising - Barb Levere
Equipment Manager - Dale Tupper
Ice Scheduler - Pam Nesbitt
Secretary - Bruce Wells
Rules/Discipline - Rod McGill
Tournament Conveynor and Trophies/Awards - Debbie Heldens
Referee in Chief - posted.

Girls Hockey Association Executive:
President - Dale Adams
Vice President (referee in chief) - Heather Irwin
Registrar - Laurie Davies
Risk Management (equipment manager) - Lynn Thurler
Fundraiser (trophies and awards) - vacant
Secretary (ice scheduler) - Bruce Wells
Treasurer (tournament coordinator) - Lynn Thurler.

Andy Thomas is hoping to establish a code of conduct for all South Dundas Minor Hockey participants. Thanks to an amendment the policy on physical and verbal abuse, as well as illegal drug and alcohol use, is now a zero tolerance policy. Incidents contrary to the policy will be dealt with on an individual basis.

"We want everyone to sign a code of conduct at registration," said Thomas. "It serves two roles. One, it serves as a reminder of why we're here and what the game is all about. And secondly, if a problem arises we can come back to it."

"One of our ventures in minor hockey is to help develop a positive value system. However, I believe we are at the point where the behaviour of one or two individuals can poison this otherwise positive endeavour for a huge number of people."

Registration was a huge topic of discussion at the meeting. The bottom line is that everyone needs to register on time to ensure that there is a team for everyone to play on, and enough ice time for the teams to share.

There were four amendments dealing with trying to eliminate the problems created by players registering to play once the season is already underway.

Hospice Quilt Winner Announced

Connie McLaren, left, of Gallingertown was the lucky winner of the Dundas County Hospice raffle for the beautiful quilt she and Joyce Francis are holding in the picture above. McLaren purchased her ticket in the raffle which has been running for one year, at the final ticket drive at the Morrisburg and District Arts and Crafts Show held two weeks ago. Francis, a member of the Hospice board as well as the fundraising committee was responsible for cutting out the quilt which was quilted by her mother-in-law Evelyn Francis. "It's beautiful. Thank you very much," said McLaren. "I have a perfect spot for it on my Lazy-Boy chair." The quilt, which took about two months to complete, raised $1,284 for the Hospice.

Riverside W.I.
Officers installed

RIVERSIDE HEIGHTS – The April meeting of Riverside Height Women's Institute was held April 1 at noon, and began with a pot luck lunch.

Roll call was the payment of fees and the meeting date for the coming year was changed to the first Tuesday of each month at 1 p.m. A date was also set to work on the program for the coming year.

The yearly reports were given indicating the Riverside Heights W.I. was very busy this past year with guest speakers and helping in the community.

Chesterville W.I. is to host the District Annual this year and several of our members are planning to attend.

A quilt top was shown, which was donated by Park Lane Support Centre to us to put together and quilt. A quilting bee will be started on April 20 at 1 p.m. in the Riverside Heights community centre. Tickets for the lawn chair raffle were passed out.

Lucie Durivage read the report of the nominating committee which was accepted by all. She then installed the officers. Cathy Groves remained president and Annette Devette is the new secretary.

Parent Council Volleyball Tournament Champions - Team Fetterly

Members of the championship team l-r include Chris Fetterly and his future volleyball stars Alayna and Emytt, Billy DeJong, Emily McDonell, Darrell Moore, Karen Gilroy and Warren Moore.

SDHS Parent Council Volleyball

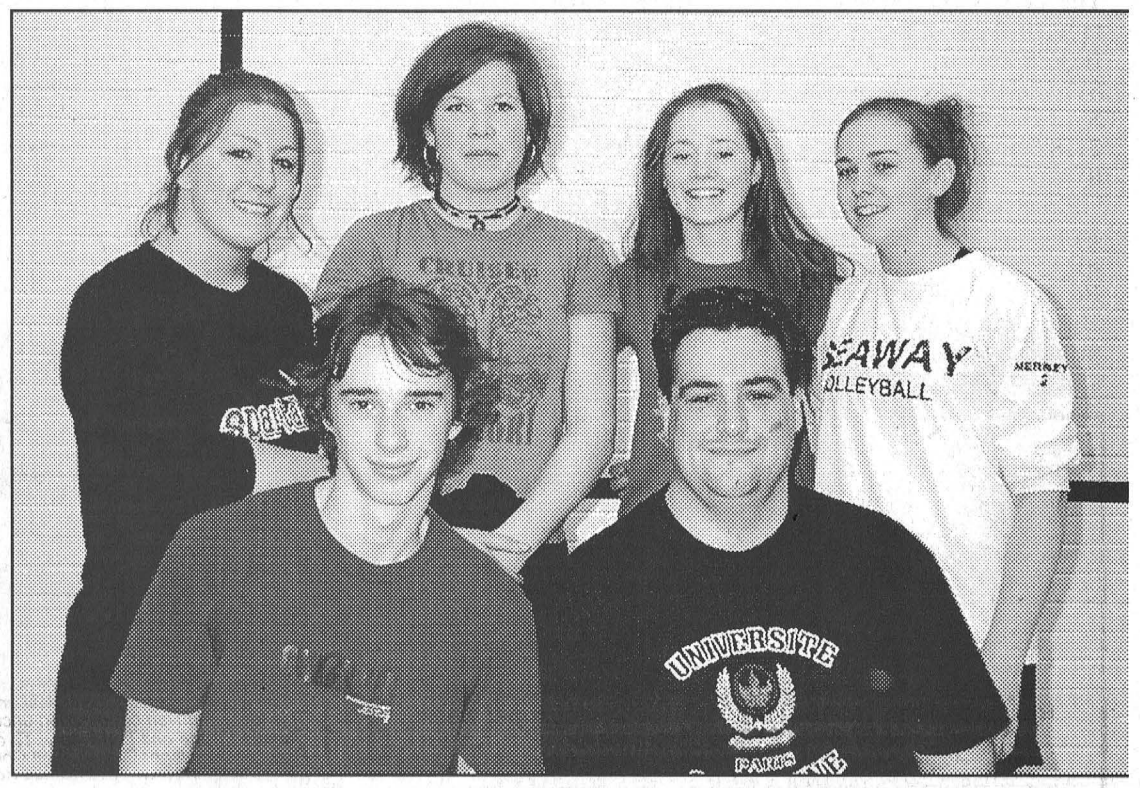
IROQUOIS – The annual Seaway District High School Parent Council Volleyball tournament was hosted in Iroquois Saturday.

Proceeds from the tournament go directly to the graduation bursary fund.

This year over $800 was raised through the one day tournament. That money can be translated into up to five graduation bursaries, helping students cope with expenses associated with a post-secondary education.

Eight teams participated in the tournament, where team Fetterly defended their championship, beating team Empey in the finals for the second year in a row. Fetterly won in two straight sets.

The B final between the Students and team Ron Lewis, was very closely contested. Lewis won the first set 16-14. The students came back to win the second set 16-14, and took the final set.



Student Team wins B Championship

The students team claimed the B championship. Team members include back l-r, Ellen Fader, Johanna Ebeling, Leah Summers and Katelyn Merkley. Front l-r, Richard Potvin and Jeff Crooke.

OR CHOOSE 0% 48 MONTH PURCHASE FINANCING ON ALL 2004 F-150 HERITAGE, SUPER DUTY OR RANGER MODELS‡‡

ford.ca Built for life in Ontario

WISE BUYERS READ THE LEGAL COPY: **Receive $1,000 of truck accessories at no extra-charge with the purchase or lease of any new 2004 Ford F-150, F-250, F-350 or Ranger vehicle delivered on or before April 30, 2004. Accessories may not be exactly as shown. Installation of accessories is included. Taxes payable on full value of accessories before $1,000 deduction. †Lease a new 2004 Ranger Edge SuperCab 4x2 5-speed for $199/$239/$283 or Automatic for $215/$258/$302 per month based on an annual lease rate of 1.9% and a 36 month lease from Ford Credit to qualified retail lessees, on approved credit. Total lease obligation for 5-speed is $10,159/$10,104/$10,188 or Automatic is $10,735/$10,788/$10,872. First month's payment and $2,995/$1,500/$0 down payment or equivalent trade required. Or lease a new 2004 F-150 XLT SuperCrew 4x4 for $329 per month based on an annual lease rate of 2.9% and a 24 month lease from Ford Credit to qualified retail lessees, on approved credit. Total lease obligation for is $12,971. First month's payment and $5,075 down payment or equivalent trade required. Some conditions and a mileage restriction of 40,000/60,000 km over 24/36 months apply. A charge of 8 cents per km over mileage restriction applies, plus applicable taxes. $0 Security Deposit with the purchase of WearCare (up to $600 on a 24/36 month lease or $700 on a 48 month lease). ‡WearCare is an excess wear and tear amendment product. It amends the customers lease wear and tear responsibilities (as stated on the RCL contract) by waiving up to $3500 of excess wear and tear charges at lease-end (subject to certain exclusions). WearCare pricing (customer selling price) is up to $600 on 24-36 month RCLs and up to $700 on 48 month term. †Cash Purchase a new 2004 F-150 XLT SuperCab 4x2/Ranger Edge SuperCab 4x2 for $31,995/$19,995 (including $1,500/$1,000 Factory to Dealer Credits available). Taxes payable on full amount of cash purchase price after Factory to Dealer Credit is deducted. ‡‡0% purchase financing on all new 2004 F-150 Heritage, Super Duty or Ranger models, for a maximum of 48 months to retail customers, on approved credit from Ford Credit. E.g. $20,000 financed at 0% annual percentage rate, monthly payments $416.67 for 48 months, cost of borrowing is $1,750 (including forgone $1,750 factory to dealer credit available on 2004 F-150 Heritage). The total to be repaid is $20,000. The effective rate of interest is 4.56%. Down payment may be required based on approved credit. If a finance offer is selected, negotiated purchase price may exceed the cash purchase price, and may result in a higher effective interest rate. Unless specifically stated all offers are mutually exclusive and cannot be combined. All offers exclude freight ($1,085/$960/$1,085), licence, insurance, administration fees and all applicable taxes. ▾Cell phone and PDS not included in Overhead Rail Kit. Some conditions may apply to the Graduate Recognition program. Limited time offers. Offers may be cancelled at any time without notice. Some conditions apply. Unless specifically stated, all offers are mutually exclusive and cannot be combined. See Dealer for details. Dealer may sell or lease for less.

Spring Home and Trade Show

— continued from page 1

will be talking about how worthwhile it was."

Morrows hopes turned out to be a pretty accurate prediction of how the weekend transpired.

"I hope the people of the region will take advantage of this event," said Kilger. "I think we are all glad to get out of winter and this is a great opportunity to launch spring, and a great opportunity to get out and see what's new."

"This is a wonderful way to showcase the business community," said MPP Jim Brownell. "This is a great way to be proactive in the community, and attendance speaks for that."

"It is wonderful for communities to have chambers of commerce like this one, and the community should be proud of what they have."

"This shows a great spirit of cooperation," said councillor Bailey. "The Chamber of Commerce and all the participants should be pleased with their efforts. This shows that South Dundas is open for business, and it shows that by working together we can accomplish great things."

Of the vendors who participated in the show, a good number were new this year. Some used the show as a chance to showcase their products, other as a chance to meet the public and let them know what they do.

Ross Video had a booth at this year's show and Human Resources Manager Hannah Barkley said, "This is not a sales venture, but rather a chance to let people know what we do."

Clint Cameron, co-owner of GC Toshack, said, "It's really great to come out to something like this and to get a chance to interact with the people."

Kathleen Kelsey, who is a new business owner said that she came to the trade show to show off the great products that she offers with Premier Books Direct. "I am here to raise awareness." She retails her product by leaving them at area businesses. "I live here in town, and I just want people to know that I am a local merchant."

From the organizers point of view, Fitzsimmons was proud to report, "It was great this year." "

We are really happy with how well everything went."

Earning $100,000 or more last year

— continued from page 1

$157,488.45.

Don Fairweather as Superintendent of Education had a salary of $118,596.30. The salaries of other superintendents of education were as follows; Helen Lalonde $114,133.18, Catherine McVie $112,552.19, Philip O'Brien $118,596.30, Glenda Stevenson $114,133.18.

CDSBEO Director of Education Greg McNally had a salary of $136,596.22 in 2003.

WDMH
Patient Services Directory

WINCHESTER –Winchester District Memorial Hospital is initiating the production of a Patient Services Directory in conjunction with Willow Publishing. The directory will cover a wide range of topics of benefit to patients and their families and will be distributed in the Hospital setting.

Acting CEO, Joan Garrow explains, "The Hospital has been looking for a suitable vehicle to provide information to patients and families on a wide range of topics, such as hospital services, visiting hours, health-related community resources and more. Willow Publishing has been producing these kinds of directories for some time in a wide range of health care facilities throughout the province, with good results. We are very pleased to have this project underway."

The directory is provided free of charge to the Hospital. Advertising revenues support the production costs. Over the next month, a sales representative from Willow Publishing will be in the Winchester and surrounding area, working on this project. The Hospital plans to have the Directory available by early summer.

For more information, you can contact the Community relations office at 774-2422 extension 5296.

The Parks of the St. Lawrence, an agency of the Ontario Ministry of Tourism and Recreation, manages recreational areas from Kingston to near the Quebec border. This tourism driven organization encompasses the internationally acclaimed Upper Canada Village and Fort Henry, 12 campgrounds and day-use area parks, Crysler Park Marina, Upper Canada Golf Course, Upper Canada Migratory Bird Sanctuary, Long Sault Parkway, 1000 Islands Parkway, St. Lawrence Bikeway and a variety of dining and shopping experiences.

PARKS AND RECREATION

SUPERVISOR, VISITOR SERVICES *(BILINGUAL)*
Long Sault Parkway
Group 3 – Seasonally Recurring - March to November
Resource Tech TM-15 (TRT 15) - 36.25 hours per week
$877.31 to $1084.56 per week
(Where candidates lack the full qualifications, an appointment may be made at a lower classification and salary level.)
file no. SLPC-P&R-1/04(4)

JOB DESCRIPTION: To assist, under the general direction of the Parks Coordinator, Long Sault Parkway, in the organizing, planning and management of visitor services to ensure the enjoyment and satisfaction through quality service and value. Duties include: organizing, training and administering staff in the reservation and registration of customers; assist with the delivery of parks and recreation programs; participating in the annual review of operating procedures of the parks and campsites and the assessments of delivery of services; preparing and administering salary and operations budget projections; providing and maintaining an efficient reservation and registration system; establishing procedures for the health and safety of staff and park visitors. This position requires working variable hours including weekends, holidays, evenings and nights.

QUALIFICATIONS: Knowledge of legislation, policies and procedures related to parks management, including the Occupational Health and Safety Act and its Regulations; administration and management skills to handle cash, organize, direct and achieve program objectives, to prepare budget estimates, to plan and prepare reports and respond to customer enquiries; ability to plan, organize, direct and co-ordinate human, financial and material resources in order to achieve program objectives and to supervise and develop staff; fluency in English and French; highly developed customer service skills to plan, train and monitor service delivery in the park; knowledge of computerized reservation systems, Word, Excel, Access and the Internet; knowledge acquired through experience and/or formal education and training of outdoor recreational activities (including sports, recreational and environmental programs), tourism, regional history and culture; interpersonal and communications skills to lead a diverse staff team in a large park setting and to deal with the public; valid Ontario Class "G" driver's license.

PARK WORKER
Riverside-Cedar Campground / Crysler Beach
Group 3 – Seasonally Recurring - May to September
Manual Worker - 36.25 hours per week
$16.34 to $17.14 per hour
(Where candidates lack the full qualifications, an appointment may be made at a lower classification and salary level.)
file no. SLPC-P&R-2/04(4)

JOB DESCRIPTION: As part of a work group, the successful candidate will support customer services initiatives by carrying out a wide variety of park-related manual and clerical duties such as: garbage collection and waste recycling; doing minor repairs and painting of buildings; cutting and trimming grass; cleaning and maintenance of washrooms, shower buildings, gate houses, including flower beds; clean-up of aquatic vegetation on beaches; operating tractors and various equipment and tools for park maintenance and grass mowing; welcoming and being responsible for the registration of all visitors; meeting and giving assistance to campers and day use visitors to the park; providing back up services for day use group reservations i.e. moving tables, securing reservation areas, etc.; providing assistance and back-up services for programmers and program events in the park; observing and monitoring all possible areas, i.e. noisy campsites; informing campers of the regulations of the SLPC, checking for violations and enforcing park rules; treating all staff and visitors with a high level of respect, hospitality, and friendliness. This position requires working variable hours including weekends, holidays, evenings, and nights.

QUALIFICATIONS: Good communication and customer service skills to deal effectively with staff and the public; physical ability to carry out a variety of manual duties such as cleaning, groundskeeping, moving picnic tables, lifting garbage cans, etc.; ability to learn basic computer and clerical skills; ability to balance receipts and monies and prepare bank deposits; ability to learn about Eastern Ontario tourist attractions; valid Ontario Class "G" driver's license.

In your application/résumé, please indicate specifically how your experience, skills and knowledge relate to the requirements stated above. Applications/résumés quoting either **file no. SLPC-P&R-1/04(4)** OR **SLPC-P&R 2/04(4)** must be received by no later than **Monday, April 19, 2004** at **4:30 p.m. SEND TO:** Human Resources Division, The St. Lawrence Parks Commission, 13740 County Road 2, Morrisburg, Ontario, K0C 1X0, telephone (613) 543-3704, fax (613) 543-2847, e-mail Pierre.Pinet@parks.on.ca.

We thank all candidates for applying, but only those selected for an interview will be contacted.

As new and dear as yesterday.
–The Mark and Casselman families 14p

SULLIVAN–In memory of Lila Sullivan, who passed away April 7, 1999.
"Gone" never will be forgotten.
–Lyle Sullivan and family 14p

HUNTER–In memory of Ronald (Buck) Hunter who passed away April 7, 1988.
Beautiful memories, are wonderful things
They last till the longest day
They never wear out
They never get lost
And can never be given away.
To some you may be forgotten
To others a part of the past
But to us who loved and lost you
Your memory will always last.
–Lovingly remembered by Jerainne and family 14p

THE GOSPEL OF GRACE
Scripture Reference: Ephesians 2:8-9
The gospel is explained in I Corinthians 15:1-4. A key part of this explanation of the gospel is that we must believe. This has always been the case throughout the ages. "But without faith it is impossible to please Him: for he that cometh to God must believe that He is, and that He is a rewarder of them that diligently seek Him" (Hebrews 11:6). "He that believeth on Him is not condemned: but he that believeth not, is condemned already because he hath not believed in the name of the only begotten Son of God" (John 3:18). "He that believeth on the Son hath everlasting life: and he that believeth not the Son shall not see life; but the wrath of God abideth on him" (John 3:36). We must believe the gospel; appropriate the finished work of Christ as our own. We must put our trust in Him, for He alone is trustworthy. Where does this faith come from? "So then faith cometh by hearing, and hearing by the Word of God" (Romans 11:17). We are to accept what God tells us in His Word and believe it.
To believe is to be persuaded, to rely upon, and to trust in someone. God alone is trustworthy. "If we believe not, yet He abideth faithful (trustworthy): He cannot deny Himself" (II Timothy 2:13). We can depend on God when He states He will save us upon believing. 11-17p

EOHU sleected for screening project

CORNWALL – The Eastern Ontario Health Unit is one of six health units to have been recruited by Cancer Care Ontario to participate in Ontario's first colorectal screening project.

The goal of this project is to compare participation rates between two approaches to recruitment, one being through your usual primary care, the other being through a public health strategy.

Colorectal cancer is a cancer of the colon or the rectum. Almost all cases of colorectal cancer begin with the development of benign polyps (grape-like growths). Removing these polyps can prevent cancer from developing.

Throughout the next 12 months, the Health Unit will be recruiting men and women age 50 to 75 for the fecal occult blood test (FOBT) screening.

Screening for colorectal cancer is very simple. A FOBT is done at home by the patient This test will detect invisible amounts of blood in the stool which could be caused by polyps. If the test results are positive, the patient would usually follow-up with a colonoscopy and the growths would then be removed.

When detected early, it has a 90 percent cure rate over five years.

"Early treatment is a lot less complicated" says Marion Rose, who will be an eight year colorectal cancer survivor in April. "I was diagnosed with colorectal cancer and underwent surgery. I received an abdominal perineal resection and a permanent colostomy. I then underwent six months of chemo and six weeks of radiation."

This is why early detection is important.

"Treatment can only do so much," says Marion, adding that you can't fight your risk factors, but you can identify them.

About 75 percent of new diagnosed cases are asymptomatic people whose only risk is the fact that they are aged 50 to 75. The Health Unit is encouraging everyone age 50 to 75 to get a FOBT test kit The kit is free with your health card and in the end, it can save your life.

Changes proposed for deer season

KEMPTVILLE–As part of the Ministry of Natural Resources' ongoing effort to manage increasing deer populations, two new gun seasons are proposed for Eastern Ontario.

A new six-day muzzle-loader season for deer starting the first Monday in December is proposed in wildlife management units which cover all of Kemptville District (Counties of Lanark, Leeds & Grenville, SD&G, Prescott & Russell and the city of Ottawa, and parts of the counties of Renfrew, Lennox and Addington, and Frontenac.

Also proposed is an additional six-day gun season for deer in WMU 67, starting the third Monday in November. This area covers parts of Leeds and Grenville and Frontenac Counties.

In addition, multiple additional deer seals are proposed and may be available in selected units. Further details regarding availability of additional seals will be available this fall.

Deer populations have risen significantly in recent years because of mild winters, increased forest cover and the availability of plentiful food. Legal hunting is the most effective and efficient method of controlling deer populations over large areas such as Wildlife Management Units.

By expanding hunting opportunities, increasing deer populations and associated concerns such as crop damage, deer-vehicle collisions, potential habitat degradation and wildlife health can be decreased.

All library branches open until December

CORNWALL – The Stormont, Dundas & Glengarry County Library Board met April 5, in order to develop a firm recommendation to Counties Council as a follow up to the March 25 meeting.

At least a dozen interested members of the public, representing all four communities, attended the meeting.

The Board decided that all branches will remain open until December 31, when decisions on their future shall be reached. In addition, the Board will be inviting community representatives of the four libraries (South Mountain, Moose Creek, St. Andrews, Maxville) to meet with the Library Board by June 30.

According to the latest figures, SD&G is the lowest funded county library system though we have more branches than most other systems and a higher level of service. For example, many of the 18 branches of Middlesex County Library are open less than 10 hours, and some as few as three hours a week.

The Board has decided to ask the county for a $1 increase in the per capita funding in order to be more comparable to other county libraries and respond to taxpayer demand. This will mean an additional $63,822 in 2004.

A request for additional funding will be forwarded to Counties Council for their April 19 meeting. The Board recognizes that the Counties budget has been set for the year, and funding requests may have to be delayed until 2005.

At the next Library Board meeting on April 22 guidelines will be established and dates will be set for the community presentations.

Library Board meetings are usually held the fourth Thursday of the month (except during July and August) at 6:30 p.m. in the United Counties Board Room. All Board meetings are open to the public.

According to procedural bylaws, anyone wishing to be heard at a board meeting must submit a written request outlining the purpose of their presentation at least two weeks prior to a meeting. A presentation may be a maximum of 10 minutes.

Historic Cemeteries and Graveyards

CHESTERVILLE –The Cheterville and District Historical Society invites local historians, genealogists and, graveyard enthusiasts to meet with Jennifer McKendry at the Nelson La Prade Centre on Saturday, May 15 from 1-3 o'clock for a presentation on cemeteries and graves.

Jennifer is an architectural historian and author of numerous books and articles. She is a member of the Association for Graveyard Studies, the Society for the Study of Architecture in Canada, the Ontario Historical Society, the Frontenac Heritage Foundation, and the Kingston Historical Society.

Her recent book, Into the Silent Land includes chapters of cemetery design, architecture, grave markers and their imagery.

Attendees are invited to bring a lunch and picnic in the park from 11:30 a.m. until 1:00 p.m. Indoor picnic facilities (in case of inclement weather), coffee and tea will be available at the La Prade Centre. There is no charge to attend; a free-will donation box will be available to help cover the Society's expenses.

Space is limited and pre-registration before May 8 is necessary. To register please send your name, address, telephone number and email address, and the name of your society or organization to registrar Margot Dixon at 613-984-2880.

OBITUARY

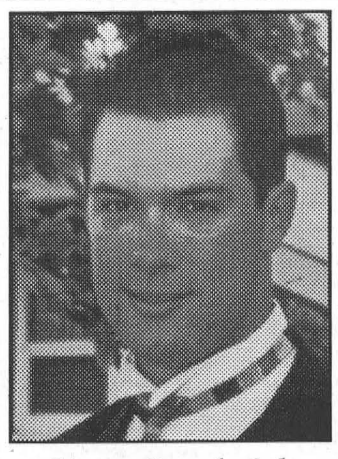
George Hubert Larone

A resident of Morrisburg, George Hubert Larone passed away peacefully in Ottawa on Friday, April 2. He was 80 years of age.

George is survived by his loving wife Aurore (Decock) Larone, as well as children George, Pauline, Stephen and Lynn. He was the loving grandfather of Serena and Gabriel and will be remembered by sisters Dorella and Emma. George was predeceased by brothers Theodore, Nelson and Norman and a sister Lola.

Friends were received at Parker Funeral Home in Morrisburg, on Monday, April 5, from 7-9 p.m. Mass of Christian Burial was celebrated at St. Mary's Roman Catholic Church, Morrisburg on Tuesday, April 6, at 11:00 a.m. with Father Sebastian Arikat presiding. Cremation followed.

Condolences and donations may be made at parkerfh@personainternet.com.



Steven Iwachniuk

Steven recently completed the Ontario Real Estate Association course and has received his license to sell in Ontario. Steven has joined the team at Exit Realty Seaway in Cornwall.

We are all very proud of your hard work and dedication.

Love – Julie, Rylan, Cayden and the Adams, Iwachniuk and Pollock Families.

A big kick off

Relay for Life at Seaway

— continued from page 1

information services and support programs. The community-based event involves teams of 10-12 people taking turns walking, running or strolling around a track.

Students, family, friends, and community members are all invited to participate, camping out on the grounds of the track, and enjoying the entertainment and camaraderie. Committee co-chairs Amy Jansen and Sarah Tuttle, are sure that the event will be lots of fun. "We are hoping that it will be something really big for this school and for the community," says Tuttle.

Jansen and Tuttle became the event's co-chairs because they have been personally touched by the disease.

"I have seen the effect and struggles with cancer in my family as my aunt died from the disease and my uncle has it," says Jansen. "This is a great opportunity to do something about the disease."

Tuttle has a friend Doug who has struggled with leukemia. "I met Doug through my part-time job and soon found out his past with leukemia. As time passed and Doug and I became closer friends, I often heard of his battles in and out of the hospital and really got to know Doug as a person - mainly his great courage and strength."

"It was from Doug that I first heard about Relay for Life and last June I tagged along with him and his family as they participated to see what it was all about," says Tuttle.

"That the entire community came together for the ceremony was amazing. Everyone was having so much fun and the luminary ceremony was beautiful. After that night I made a decision to get involved the following year and when I heard that our school was holding a Relay, it was the perfect opportunity for me to not only participate but also organize the event."

The event will begin at 6:45 p.m., May 14, with the opening ceremonies. Max Keeping, news anchor from CJOH TV in Ottawa will be the guest speaker.

At 7 p.m., the Survivors' Victory Lap, will be led by local cancer survivors, after which everyone will join in, with at least one member from each team required to be walking around the track at all times. Throughout the evening there will be games, movies and entertainment for all participants, and those taking a rest.

As darkness sets in, the Luminary Ceremony will take place. Candles placed around the track will be lit to commemorated survivors and those who have lost their lives to cancer. Each participant receives one free luminary candle with the registration fee and additional luminaries can be purchased for $5 each.

The event continues until 7 a.m., on the morning of May 15.

Organizers are hoping to have at least 20 teams participating in the event. As each participant will raise a minimum of $100, in order to take part, the night will raise over $20,000 for cancer research and support programs.

Teams are encouraged to host various 'fun'draising events, such as bake sales, car washes, to help raise sponsor money for the event.

At the assembly students were invited to sign up, and help out with the relay, and they will be approaching teachers, staff and community members to take part.

Amy Jansen and Sarah Tuttle with guest speaker Bonnie Adair

The organizing committee is looking for any cancer survivors who would like to be recognized as part of the Survivors' Lap. If you are a survivor, or know someone who is and who would like to take part, please contact the staff advisor, Don Lewis at 652-4878.

Community members are encouraged to take part separately from the student teams. A couple of businesses have already indicated that they will enter teams.

Seaway alumni from 1991 and 1993 are getting teams together, and are challenging other alumni to do the same.

Students will be out in the community, drumming up support for the event by signing up participants and selling luminaries at the Iroquois Plaza Saturday, April 17, and at the Morrisburg Plaza on Saturday, April 24.

"As students you sometimes get a bad wrap in the community. We know you are good-hearted kids. This is your chance to show that," said Lewis.

The assembly featured a video presentation to show how much impact cancer has on the lives of everyone both directly and indirectly.

The video showed names and photos of people who have had, or have died from cancer touching the lives of students and staff members at the high school.

Former Iroquois Public School teacher, Bonnie Adair, who is a cancer survivor was the guest speaker, who told a gym packed with students, about her experience with lung cancer.

She had the type of tumour most commonly associated with smoking, having never been a smoker or never living with a smoker. "My doctor said this shouldn't be happening to you, and I agreed with him wholeheartedly," Adair told the students.

Having undergone chemotherapy, an operation to remove her right lung, and radiation, Adair was finally well enough to go, back to teaching, which lasted only one year, as the cancer returned, and she underwent further treatment.

Adair's last class, was the grade 7/8 class of 1999. "They now sit before me as grade 11 and 12 students," she said.

"I am still determined to win the battle. I am one patient in the five percent (lung cancer) survival group."

Adair describes the many side effects that have come from having cancer, "But, I stand here with a smile on my face, because I am a survivor."

Every student in the audience stood and applauded Adair's very frank presentation, that moved many to do what they can to help fight cancer, by participating in the Relay for Life, May 14. Organizers hope you will do the same.

Seniors euchre

WILLIAMSBURG – Winners at the Williamsburg Seniors euchre Wednesday, March 31 were as follows:
