Boxing Day Will Be Observed Here

Monday, December 27th, Boxing Day, will be observed as a full holiday in Winchester. The reeve was authorized to issue a proclamation to this effect at a meeting of the Municipal Council, held on Monday evening.

The by-law governing the salaries of members of the Council was amended, and instead of the members of next year's council receiving $30.00 for their year's work, they will be paid a stipulated sum of $3.00 for each meeting they attend.

Municipal orders passed at the meeting totalled $7383.42. This included the payment of the Counties' Rates for the year. Hydro orders to the sum of $1559.18 were also passed at the meeting.

The clerk was instructed to authorize the local Hydro Superintendent, Mr. T. O. VanBridger, to have a direct power line from the Hydro Sub-station to the hospital erected at once.

It was also decided to have a temporary wooden sidewalk placed along the roadway leading to the hospital in time for the Official Opening.

Mr. Robt. Woods was appointed a member of the High School Board for the year 1949, succeeding Mr. W. J. L. Boyd, who expressed the wish to retire at the close of his term.

The meeting was presided over by Reeve John Fader, with the following Council members present: E. A. Morgan, Earl Freeland, Sam Ault and Lloyd Dixon; the clerk-treasurer, C. R. Robinson, and the Street Superintendent, Gilbert Raistrick.

JUNIOR HOCKEY LEAGUE ORGANIZED

Gerald Helmer, of town, was elected president, and Randall Wylie, also of Winchester was chosen as the league's secretary-treasurer, of the newly organized Dundas-Russell Junior Hockey League, at an enthusiastic meeting, attended by representatives from Metcalfe, Winchester, Russell and Chesterville, held at Chesterville last Thursday evening. In addition to the president, Charles McMillan, Chesterville, was elected as the league's vice president, and Dr. F. A. Kinnaird, Russell, was named honorary president.

The four teams that will comprise the league are Winchester, Chesterville, Metcalfe and Russell.

Among the decisions reached at the meeting was an unanimous agreement to the $10 entry fee to be posted with the league secretary on or before December 8th, and to play all games in covered arenas.

The single schedule will be adopted and drawn up within the next two weeks to insure all games to be completed before Feb. 15th. All teams will compete for possession of the Russell-Dundas trophy, the first and fourth and second and third standing teams playing home and home games.

Club representatives are as follows: Winchester, Harry Keyes and Gordon Coons; Russell, Ellwood Cochrane and William Hill; Chesterville, Hubert Labre and Grenville Fyke; Metcalfe, Lloyd Jackson and Hubert Conlin.

OBITUARY
THE LATE MRS. T. O. KEYES

Winchester lost one of its most highly esteemed citizens on Friday last in the passing of Mrs. Thomas Oliver Keyes, whose death occurred at the Cornwall General Hospital.

The late Mrs. Keyes was the former Miss Emily Merkley and was born at Chesterville 72 years ago, a daughter of the late Mr. and Mrs. Jacob Merkley.

In August, 1897, she was married to Mr. T. O. Keyes, and prior to coming to Winchester over 25 years ago, had resided in Chesterville and Mountain Township.

Prominent in church work, Mrs. Keyes had taught a Boys' Class in the Methodist and United Sunday Schools for more than 50 years. When she retired last year, due to failing health, she was honoured by the local Sunday School and her portrait was hung in the boys' classroom at the local United Church Sunday School Hall, as a memorial to her devoted service. Active in the work of all ladies' organizations, Mrs. Keyes was a past president and life member of the Women's Missionary Society, a member of the W. C. T. U., the Women's Association and the Red Cross Society.

She possessed all the characteristics of a devoted Christian, was a true friend and kind and loving wife and mother.

The late Mrs. Keyes had been in ill-health for several months and during recent weeks had been confined to hospital on two occasions.

In August, 1947, Mrs. Keyes and her husband, who was an ex-reeve and prominent business man of Winchester, celebrated their Golden Wedding Anniversary, when they were honoured by their friends, the church and municipal council.

Besides her husband, the late Mrs. Keyes is survived by one son, Harold, of town; three sisters, Mrs. A. A. Murphy, of Saskatoon, Sask.; Mrs. Eleanor Grant, of Milford, Sask., and Mrs. Cecil Fulton, of Cape Town, South Africa; also three brothers, Mr. S. A. Merkley, of Winchester, and Dr. H. Merkley and Mr. Harry Merkley, both of Winnipeg, Man.

The funeral, which was largely attended, was held on Monday afternoon from the family residence on Caleb Street to the local United Church, where an impressive service was conducted by the pastor, Rev. Norman J. Thomas. During the service, Mrs. Percy Durant sang as a solo, "The Beautiful Land," accompanied on the organ by Mrs. Howard Fetterly.

Following the service, interment was made at Maple Ridge Cemetery. The pall-bearers were Messrs. Harold Beach, David Melvin, Basil Dawley, Gordon Steinburg, Wilburn Robinson and Ed. Boyd, all former members of Mrs. Keyes' Sunday School Class.

Testifying to the high esteem in which the deceased was held were floral tributes from the following:

Caleb St. Neghbours, Merchants of Winchester, United Church Sunday School, Winchester Press, Winchester Council, Women's Missionary Society, Henderson Lodge No. 383, Mr. and Mrs. John Millar, Morrisburg; Mr. and Mrs. Hart Melvin, Mr. and Mrs. David Melvin, Mr. and Mrs. Milton Fennell, Mr. and Mrs. Eldon Fennell, Mr. and Mrs. Samuel Ault, Mrs. A. B. Allison and family, Mr. Harry Flora, Miss Phyllis Henderson, Mrs. George Earle, Mrs. Jacob Dixon and family, Mr. and Mrs. Garner Reynolds and family, Mr. and Mrs. Arnold Duncan and family, Mr. and Mrs. E. W. Johnston, Cornwall; Misses Pearl Bolton, Joyce Bolton, Goldie Durant and Ethel Annable, Mr. N. W. Beach and Harold, Mrs. J. W. Ault and Mr. and Mrs. T. W. Lane, Mrs. S. J. Keyes, Ottawa; Mr. and Mrs. H. P. Allison and Olive E. Davies, Smiths Falls; Mr. and Mrs. J. K. Ault and family, Mrs. Arthur Christie, Mrs. Harriet Annable, Mrs. Erle Helmer, Mrs. Karl Helmer, Mrs. Harold Clark, Mrs. Omar Patterson, Miss Norah Elliott, Mr. and Mrs. Cecil Fulton, of Durban, South Africa; Mrs. Mae Coburn, Arnprior; Mr. and Mrs. A. A. Murphy, Saskatoon; Mr. and Mrs. Elmer Grant, Melfort; Mr. and Mrs. E. R. Summers and family, Mrs. Lucy Summers, Mr. and Mrs. Raymond Annable, Mr. and Mrs. Donald Edgerton, Mr. and Mrs. Douglas Johnston, Dr. D. A. MacLean, Mr. and Mrs. Harold Lannin, Mr. and Mrs. Jack Rennison, Mr. and Mrs. Paul Sanders.

THE LATE HARRY McKERCHER

Stricken with a heart attack at his home in Toronto last Thursday, Mr. Harry McKercher died suuddenly. A son of the late Mr. and Mrs. Duncan McKercher, he was born in this district 59 years ago. For over 30 years he had been employed as a mail clerk for the C. P. R. A talented singer, the late Mr. McKercher had frequently visited Winchester and contributed solos at the several churches here. The funeral was held at Toronto on Saturday.

Besides his wife, who was the former Miss Mabel Reveler, he leaves one daughter, Doreen; seven brothers, Roy, Charles, Dan, Fred, Edward, Willlis and Wilfred McKercher, the latter two residing in town; also five sisters, Mrs. Geo. Servage, Mrs. Alex MacAllum, Mrs. Fred Palmer, Mrs. Leonard Bell and Mrs. Spurgeon Durant.

CONTEST ASSURED IN CHESTERVILLE

A fight for the reeveship was assured at Chesterville, when both nominees, Charles McMillan, former reeve, and George Barkley, qualified.

Of a lengthy list of nominees for council, only four qualified and are consequently in office by acclamation. They are Haldane Durant, Lawrence Doering, James Branning and John Turner. Mr. Turner is a former councillor. Voting will take place on December 13th.

Memorial Hospital Officially Opened

It took nearly four years to organize, finance and erect the Winchester District Memorial Hospital, but it was an effort well worthwhile and a project that the citizens of Dundas County, Osgoode Township and Russell may justly feel proud of. The official opening of the hospital took place yesterday afternoon and an estimated crowd of over 3000 people inspected the building. At one time the long corridors and every room on both floors were packed with citizens who came from all districts in the hospital area, as well as many from Ottawa, Cornwall, Smiths Falls, Merrickville, Kemptville and other communities outside the area. On every hand there was nothing but words of commendation for the hospital, which is one of the finest small hospitals in Ontario, and has everything in the line of equipment that the larger institutions have.

The Opening Ceremonies were conducted from a stage in one of the larger recreation rooms on the ground floor, with the speeches being carried to all parts of the building by loudspeaker systems. The whole ceremony was recorded by CFRA, Ottawa, and was broadcast over that station later last night.

The guests and speakers were welcomed by the chairman of the Hospital Board, Mr. W. C. MacDonald, after which he read messages from the Hon. Paul Martin, Col. Geo. Drew, and other prominent men, who expressed their regrets for not being able to attend the opening. He then introduced Mr. Frank Ryan, proprietor of CFRA Radio Station, who acted as Master of Ceremonies for the afternoon.

In his opening remarks, Mr. Ryan referred to Winchester and district as a progressive community and paid a high compliment to the men who had worked so tirelessly to bring the hospital project to a successful conclusion.

The Hon. Geo. H. Challies, M.L.A., was the first speaker and congratulated the people of the district and the Board of Directors on the success they had achieved in the erection of such a fine hospital. Later, Mr. Challies conducted the draw for the Lace Tablecloth, which was won by Mrs. Robt. Smith, 10 Thornton Ave., Ottawa. Over $600.00 worth of tickets were sold on this beautiful hand-crocheted table cover, donated by Miss Mary Marcell,, of Ottawa.

Following Mr. Challies' remarks, the hospital was declared officially opened by the Hon. Russell T. Kelley, Ontario Minister of Health. The Minister expressed his delight with the hospital and said it would stand out as a model for every other community in Ontario. He said he has always been in favour of decentralization of hospital accommodation and for this reason had taken a keen interest in the local hospital project. He referred to the financial assistance being given to such institutions, and said that further financial aid would be forthcoming from the Federal Government.

During his address, Mr. Kelley gave a number of health pointers. He also announced that he would donate a Mansfield woolen blanket to the first baby born in the hospital. In the case of twins, Mr. Challies said he would donate the second blanket. The speaker paid tribute to the nursing profession and referred to the nurses as "Angels on Earth." He suggested that every patient admitted to the hospital be X-rayed, and announced that his Department provided the hospital with special X-Ray equipment for this purpose.

Mr. Kelley pointed out that the hospital had been erected by a united effort on the part of all citizens of the district. He urged the people to continue this unity to keep the hospital in operation without a deficit each year.

Col. A. C. Casselman, M. P. for Grenville-Dundas, was the next speaker, and also paid tribute to the people of the district for the establishment of such a grand hospital. "It's a God-send to the people of this district," he said.

Dr. J. J. McKendry, of Ottawa, the man who was first to propose that a hospital be erected here, said it was just like a dream coming true. He was delighted with the building and said he was proud of Winchester and district. "Great trees grow from small acorns," said the physician. He referred to the men and women who had stood behind the project from the time it was first launched, as citizens who were deserving of the highest gratitude, and expressed his personal thanks to them.

The scroll bearing the names of all boys throughout the district, who had paid the supreme sacrifice during World War II, in whose memory the hospital was erected, was unveiled by Mr. Perley S. Boyd, Clerk of the United Counties of Stormont, Dundas and Glengarry. Mr. Boyd paid tribute to the war heroes and pointed out that there was no memorial as fitting to remember them, as a hospital. Two minutes' silence was observed in their memory, after which the benediction was pronounced by Rev. N. Holmes, of Hallville.

At the conclusion of the ceremony, Mr. W. C. MacDonald, who has been Chairman of the Hospital Board ever since it was organiezd, thanked the members of his Board for their splendid co-operation, and also the citizens of the district for standing behind the Board.

Many Visitors.

Noted among the hundreds of visitors present at the Official Opening of the District Memorial Hospital yesterday were the following: Dr. O. Beamish, Kemptville; Dr. H. Guiou, Dr. G. O. Barkley, Dr. H. Featherston, Dr. G. Stoddard, Dr. A. Piercy, and Dr. Walter Flora, all of Ottawa; Dr. MacLeod, of Finch; and Dr. L. A. Caldwell and Dr. G. Cragg, of Cornwall; also all doctors in the hospital area, a number of nurses from the Ottawa Civic Hospital and a good representation from the Salvation Army. Mr. Geo. A. Johnston, of Smiths Falls, former C. P. R. Station Agent here, was also present, as were many other former citizens.

Complimentary Dinner

In the evening the Directors of the Hospital tendered a complimentary dinner at Hotel Winchester to Government Officials, members of the several Municipal Councils in the district, the Medical Board and a number of guests. About 100 ladies and gentlemen were present. The president, Mr. W. C. MacDonald, presided over a program of informal speeches, following the turkey dinner, in which the following speakers were heard: Hon. Russell T. Kelley, Ontario Minister of Health; Dr. Phair, Deputy Minister of Health; Mr. L. J. Telfer, Inspector of Provincial Hospitals; Hon. Geo. H. Challies, Ontario Hydro Commissioner; Mr. N. W. Beach; Dr. Howard Justus, Chairman of the Medical Board; Dr. J. C. Byers, Metcalfe; Dr. J. J. McKendry, Ottawa; Mr. Hart Melvin, Mr. W. J. L. Boyd, Mr. Wallace Carkner, Mr. C. R. Robinson, all members of the Hospital Board; Mr. Cecil Burgess, Architect for the Hospital; Dr. H. S. Gross, Dr. F. Kinnaird, Russell; and Councillor Sam Ault, of Winchester.

Space and time will not permit a detailed account of the addresses in this week's Press. We will have a fuller report in our next issue.

It was also decided to have Santa Claus visit Winchester on Saturday afternoon, December 18th, and parents are requested to bring the kiddies in for their bag of candy. Snata's visit is being sponsored by the Business Men.

Tomorrow, Friday, December 10th, at 1.30 p.m. was the date and time set for the Business Men's Annual Meeting, and all are requested to attend.

YOUTH CONFERENCE DELEGATE HEARD IN WINCHESTER

Mr. Allister Kirker, delegate to the World Christian Youth Conference held at Oslo in 1947, was the speaker in the United Church Sunday evening, here. Miss Phylis Walker, president of the local union, conducted the service, assisted by Mrs. Raymond Earl and the pastor, Rev. Norman J. Thomas.

Mr. Kirker is president of the Montreal-Ottawa Conference of the Young People's Union. Representatives were present from the Mountain Union. Following the service, a fireside hour was held in the Sunday School rooms, where sound films of Oslo were shown by Mr. Eldon Fennell, followed by a question period conducted by Mr. Kirker pertaining to the World Conference where 1,250 delegates from 70 nations attended. Refreshments were served by the Winchester local union.

Inkerman Rockets Defeat Kemptville

In a closely contested hockey game, played at Kingston on Monday evening, in competition for the Van Horne Trophy, emblematic of the Kingston City Hockey League Championship, Lloyd Laporte's power-packed Junior Rockets nosed out the Kemptville Royals, of the Intermediate class, by a score of 4-3. It was a close battle all the way and the final result was in doubt right up to the last minute of play. The Royals were without the services of their star performer, Ralph Hurley, for the greater part of the game, when he was ruled off the ice for the balance of the game, following an argument with one of the referees.

The Rocket goals were scored by Bob Lunny, Chas. Loveless, Denzil Crowder and Billy Lynn.

Several fans from this district were present at Monday's game, many travelling by Colonial Coach, while others went by private cars.

Not having suffered a defeat to date, the Rockets are leading the Kingston League by a wide margin.

DONATES $500.00 TO MEMORIAL HOSPITAL FUND

Mrs. M. W. Locke, of Williamsburg, has donated $500.00 to the Winchester District Memorial Hospital, the money to be used to furnish the Doctors' Room, in memory of her late husband, Dr. M. W. Locke, noted foot specialist, whose fame was known all over the world. Mrs. Locke's donation is received with sincere gratitude by the Hospital Board.

HOSPITAL AUXILIARY MEETING

There was an attendance of 86 ladies at the regular meeting of the Ladies' Hospital Auxiliary, held in the local town hall last Thursday evening, with the president, Mrs. C. R. Robinson, presiding.

The meeting opened with the singing of the National Anthem, with Mrs. T. Edgerton presiding at the piano.

The treasurer's report was given by Miss Nora Elliott. This revealed that the Auxiliary had a membership of 671, and that the balance on hand in the treasury was $820.00.

The president asked for an increase in the membership, and announced that the Board of Directors had decided that the serving of refreshments be dispensed with on the date of the Official Opening of the Hospital.

The date for the Donation Day at the hospital was changed from Nov. 27th to Saturday, December 11th, from 2 to 5 p.m. All donations are to be taken to the south-west door of the hospital. Donations from each unit will be kept separately, with name cards being displayed to designate the several groups.

Miss Helen Elliott and Mrs. Hugh Slater were appointed to collect the various ferns and potted plants which have been donated to the hospital.

A permanent Buying Committee for the Auxiliary was decided on. Mrs. Eric Casselman, of Chesterville, and Mrs. Harry Carruthers, of Elma, were appointed to act on this committee.

Miss D. Marquis, Hospital Supt., gave her report, stating the linen for use in the Nurses' Dining Room had been purchased. The table and buffet had been received but the chairs had not yet arrived. She suggested that a serving table should probably be purchased for the dining room. Miss Marquis had written to the Canada Starch Company at Cardinal and asked for a donation of food. She received 50 lbs. of corn syrup and 40 lbs. of corn starch. She thanked the ladies who had gone to the hospital and helped assemble dressers, clean mirrors and line the drawers with paper.

The President asked if anyone would have any suitable doilies to donate for use on the buffet in the nurses' dining room.

Miss Marquis said she had been informed that the ladies of the local Anglican Church were going to donate vases for use at the hospital.

Several pillows were brought in to the meeting. Mrs. Robinson, the president, had received two pair of wild duck feather pillows with an accompanying letter from Mrs. Marion Servage, of Edmonton, to be donated to the hospital in memory of her father and mother, the late Mr. and Mrs. Duncan McKercher.

Mrs. W. M. Byers reported for the Ways and Means Committee, stating $264.60 had been realized out of the Rummage Sale. A doll and crib are on display in Woods' Hardware window and tickets are being sold on same, which were donated by Dorothy Servage.

Mrs. Byron Dawson, of the Cass Bridge Unit, advised that they also have a doll on display in Lang's window to raise money for the Auxiliary as well. Another doll is on display in a store at Chesterville for the Cass Bridge unit.

WINCHESTER'S HYDRO CONTROVERSY

During the recent controversy over power-cuts between the local Municipal Council and the Ontario Hydro Commission, greatly exaggerated reports of the incident were circulated, especially by one Toronto daily newspaper which took advantage of the local situation to point out the fact that autocracy was being shown by certain officials of the Ontario Hydro Commission, and the name of the Hon. Geo. H. Challies, Vice Chairman of the Commission, and member for this constituency, was frequently mentioned as the man responsible for Winchester's rebellion against further Hydro cuts. This, of course, was a false impression, and Mr. Challies was wrongly accused.

As we stated last week, the whole affair was due to a gross misunderstanding, and when the Hydro representatives and the members of the local Hydro Commission met to discuss the matter, any differences that existed between the two bodies were ironed out and settled to the entire satisfaction of all concerned.

The following quotes, from a letter sent to Reeve Fader last week by Mr. Challies, should be sufficient to prove that the accusations directed towards him during the local Hydro controversy, were without foundation. Here is what Mr. Challies told the Reeve:

"It is not my purpose to personally get embroiled in your local difficulties in connection with Hydro affairs. However, as my name has been brought into the controversy beyond the point of just inference, for this reason and in order to clear up some of the misunderstanding, which could quite easily have been explained had you or your Commission made inquiries, let me say, first, that Mr. Eldon Fennell telephoned me about the difficulties you were having in connection with one of your industries. I pointed out to him that the Ontario Commission, of necessity, deals with matters of policy only, and that one of its policies is to assist an industry, which, because of its special type of product, requires continuous processing, by arranging, if possible, to give it continuous service. This applies, not only to Milk Manufacturing plants, but also to Rayon, Nylon and some other industries, for reasons that are quite obvious.

"A short time later, the Manager of the Nestles Milk Company, of Chesterville, communicated with me that they had a problem in connection with the use of energy in the continuous processing of their product. I referred the matter to Mr. Luney, Manager of our Ottawa Region, and he immediately assigned one of his Engineers to investigate the difficulty with the Manager of the Plant. Shortly after this, Mr. Keneth Ault, of Winchester, whose plant was in the same position as the Nestles Plant contacted me and pointed out his difficulty. I also reported this to our Regional Manager, whose Representative fortunately was on his way East, and he discussed the matter with your local Commission; so, you will see by this that I had nothing whatever to do with the details of these problems.

"There is one point that should be kept in mind and that is, that all such matters as this are dealt with by the Regional Office in the area in which the difficulty occurs. Unfortunately for us, the Ottawa Region has not been able to secure office accommodation in Ottawa and the staff is located in an office here, in Toronto, waiting until such time as suitable space is available when they will move to Ottawa. Therefore, when you say that there was interference on the part of the Ontario Commission or myself, I just leave this correction with you. If the Regional Office were located in Ottawa, the assistance which all the Municipalities in Eastern Ontario receive would come from that office.

"I can assure you that it is the desire of this Commission, at all times, to give all the assistance it can to any Hydro Municipality or industry within a Municipality as part of the service which it renders. This is being done daily all over the Province, and rather than being criticized for interfering, I think the Commission should be commended for the giving of such service.

"As far as my own political relationship is concerned, as a Representative of your district, I have at all times sympathetically received representations made by any individual, municipality or organization and dealt with them as expeditiously as possible and to the best of my ability, and I shall continue to do so as long as I have the honour to represent your territory.

"In conclusion, may I point out that your case was similar to and was dealt with in the same manner as the Chesterville problem, but, for some unfortunate reason, with an altogether different reaction. These are very difficult days for everyone, and, for this reason, needs a sympathetic approach so that conditions may be kept on as even a keel as it is possible to keep them. I fully realize your difficulty and am sympathetic to it, and if, at any time, you, your Commission or Council have any problem that I can assist you on, I hope you will feel free to take the matter up with me."

That "mosquito" referred to by the Toronto Star, in one of the paper's comments on the Winchester Hydro Fued, did a lot of buzzing and flying around, but it has been finally swatted, and the damage the Star thought it would cause, has been nipped in the bud.

* * * *

And while on the subject of Hydro, we note that Dr. Forsey, the C.C.F. candidate over in Carleton, is using the Hydro shortage as his major issue against Col. George Drew, who is contesting the bye-election for the Progressive Conservatives. Any person who is in his right senses knows that George Drew is no more responsible for the shortage of Hydro Power than the ordinary man on the street. The shortage has been caused by the unusual dry weather last summer and consequently this resulted in low water levels in all rivers and streams—and water is the lifeline of Hydro generating plants. With plenty of water, there is plenty of Hydro power.

The dry weather this year caused cisterns and wells to go dry, and even farmers were experiencing difficulty in getting a sufficient water supply for their stock. Was George Drew responsible for this?—maybe Dr. Forsey thinks so—but he was not.

Our guess is that the people in Carleton County are too intelligent to be mislead by the type of propaganda being dished out by the C.C.F. candidate, and that they fully realize the characteristics of leadership which Mr. Drew possesses, and will rally to his support when election day rolls around.

FOR SAFETY SAKE SHOP EARLY

Doing Christmas Shopping early gets support from a new quarter this year with the Department of Highways safety officials adding their voices to those of merchants and others directly concerned about approaching yuletide congestion.

Accidents are almost certain to increase on urban streets during the last-minute rush, states J. P. Bickell, Registrar of Motor Vehicles. The only thing a sensible person can do is cut down the danger to himself and others by starting now to finish up Christmas shopping ahead of time.

The day before Christmas is invariably the worst day of the year for traffic accidents, states the Department's statistical chief, Arthur H. Rowan. Just plain hurry accounts for many such accidents that would not occur under less distracting circumstances. Early darkness increases the danger, especially to the many people who are out on the streets on foot. Slippery pavements and poor visibility make things worse.

For Parents Only

SNAPSHOT TREASURE

"What lovely pictures you have of your children," Mrs. Blake said almost enviously to her neighbour, Mrs. Brown. "You must have a real knack with a camera! I can't get our Jimmie to stay still long enough to get a snap of him. The few pictures John and I have taken have been a waste of money."

"I've had my picture failures too," Mrs. Brown said quickly, "but my husband and I both wanted a picture record of our youngsters from their earliest years, so we made a hobby of finding out some rules for amateur photographers, and some secrets about taking successful pictures of children.

Any parent who wants to take snaps of his child but hesitates because he feels so green at picture taking should invest in a helpful simple handbook such as the Canadian Kodak Company's "How to Make Good Pictures." A public library usually has several books and magazines on photography too. The basic rules for picture taking such as,

Keep your camera perfectly still when you click the shutter.

Be the right distance from the object you are taking.

Do not "shoot" into the sun—have the sun behind you.

Keep your lens clean and fingers away from it.

Turn your film to the next number immediately after taking a picture.

Watch your background! Do not let it compete for attention with the objects you are taking. A figure in light clothes against a dark background is a good plan.

Use your imagination to avoid mistakes—a tree branch which seems to be sprouting out of a person's head looks ridiculous. So does a "feet first" shot where the laws of perspective have been forgotten—the soles of the shoes appear enormous compared to the size of the rest of the body.

These and other mechanical details can be quickly mastered. One of the most valuable things for an amateur photographer to do is to discover why some of his snapshots are so poor. Ask a friend who is experienced at photography or even the man who develops your pictures, what was the reason for a blurred or unsatisfactory picture — then don't make the same mistake twice!

Children are born actors. They lend themselves to informal action shots. Don't take stiff, unnatural pictures of a child and his chums standing at attention in a straight line, staring at the camera. Always have your camera loaded, ready for an unexpected shot.

Pictures, taken at any season of the year which tell a story of happy days give pleasure to all who see them. They are priceless treasures to parents in the years to come. How grandparents and fond relatives love snapshots slipped into a letter. What joy a picture can give! The investment in a camera and film, the time and study and patience necessary to master the art of taking pictures are small indeed compared to the pleasure snapshots can give now and with the passing years.

Our Column

There's nothing in a name. Angels never eat what mortals call angel food.

Insanity is often the logic of an accurate mind overtaxed. — Oliver Wendell Holmes.

If people knew what the future had in store for them, the chief charm of existence would be lost.

When polls are taken, the "man in the street" often says what he thinks will happen, not what he is going to do himself.

A doctor says people who take cold baths don't have rheumatism. To us, that sounds just like saying that people who climb mountains don't have paralysis.

Every human being has a work to carry on within, duties to perform abroad, influences to exert, which are peculiarly his, and which no conscience but his own can teach.—Channing.

SOMEETHING TO TIE TO

We see by the papers that the camera in a V-rocket has proved again that the world is round. That's something anyway to help our generation to regain confidence in itself.

VERY DEAD FISH

(Edmonton Journal)

It-shouldn't-happen-to-a-dog department: a householder in Ruthven, Ont., awoke to find that an overturned truck had spilled nine tons of dead fish on his front lawn.

Day and night, more dependable than ever

TODAY, telephones are four times as free from "trouble" as twenty years ago, and there are twice as many of them!

Each month 10,000 are being added so that soon all may have dependable telephone service and the security that goes with it.

This is being done in spite of rising costs, yet up to now there has been no increase in the basic telephone rates established 21 years ago.

For you, this means greater value than ever before; for us, the satisfaction of providing "the best telephone service at the lowest cost".

IN MEMORIAM—In loving memory of a dear mother and grandmother, Mrs. Nathaniel Crowder (Elizabeth Wilson Rigg), who passed away on December 14th, 1945.

Many a lonely heartache,
Many a silent tear,
Always a faithful memory
For her no longer here.
God gave me strength to bear it,
Courage to fight the blow,
But what it means to lose her,
None will ever know.

—Sadly missed by Nelda, Thomas and family. 30p

THE MIXING BOWL

BY Anne Allan
HYDRO HOME ECONOMIST

Hello Homemakers! Gift shopping should be done according to plan. Too often we are carried away at the last moment by the "on the spot glamour" of expensive, impractical gadgets. Do not be too easily diverted from the items on your shopping list.

Take time to consider what the recipient will think of the gift two weeks after Christmas. A high priced article is even more costly if it has beauty but lacks durability. For example, a blouse for your sister: a solid colour will cost more than white in the identical material while a print design will cost more again. It requires an additional process to add colour and the dye itself costs extra while the design in the print costs still more. Quoting a merchandising expert, our friend suggested that we should consider whether usefulness and decorativeness balance each other.

Your key to intrinsic value lies in the answers to three basic questions: Of what is it made? Secondly, how is it made? Thirdly, what is the quality of workmanship?

To help on busy shopping days, we suggest quick cooking dishes, that will save electricity too.

Liver and Onions.
Scalloped Tomatoes.
Gingerbread Muffins and Applesauce.
Cream Potato-Cheese Soup.
Cold Meat and Macedoine Canned Vegetables.
Tea Biscuits and Chocolate Rice Pudding.
Corn Fritters and Sausages.
Grated Carrot-Raisin Salad.
Mincemeat Tarts.
English Stew (Pressure Cooked).
Carrot and Turnip Sticks.
Jelly Roll — Canned Fruit.

REQUESTED RECIPES

Mrs. T. G. asks for:

Glazed Fruits

2 cups sugar, 1 cup water, 2-3 cup light corn syrup, small fruits or sections of larger fruits or whole nuts.

Make a syrup of the sugar, water and corn syrup. Boil, without stirring, to the hard crack stage (300 degrees). Remove the saucepan from the element and put it into an outer pan of boiling water to keep the syrup from hardening. Drop in the well drained fruit or the nut-meats, a few at a time. Skim out and place on heavy waxed paper to dry.

Mr. R. F. asks for:

Holiday Fudge

2 cups white sugar, 1-2 cup of corn syrup, 1-2 cup water, 3-4 cup of candied cherries, 2 egg-whites, 3-4 cup of blanched almonds, 1 tbsp. almond or lemon extract.

Put the sugar, water and corn syrup into a saucepan. Stir it while it dissolves over the heat, then let it boil without stirring to the light crack stage (265 degrees). While it is cooking, beat the whites of eggs stiffly and when the syrup is ready pour it over them, beating constantly. Cool slightly (on window sill). Beat until creamy, add nuts, cherries and extract, and pour into buttered tins.

Mrs. M. J. asks for:

Butter Scotch Sticks

1-4 cup butter, 1 cup brown sugar, 1 egg, 1-4 cup broken pecan meats, 1 cup sifted flour, 1-4 tsp. salt, 1 tsp. baking powder, 1 tsp. vanilla.

Melt butter in a saucepan, add sugar and when well blended remove from the electric element and cool in the saucepan until lukewarm. Add unbeaten eggs to mixture and beat well. Mix flour, salt and baking powder, and add to the sugar mixture; then add the nut meats and vanilla. Spread the mixture in a shallow pan lined with plain paper which has been greased. Bake 30 minutes in a hot electric oven (400 to 450 degrees). While hot, cut into strips an inch wide and four inches long. This recipe makes about two dozen.

Mrs. S. S. asks for:

Gingerbread

1-2 cup shortening, 1-2 cup boiling water, 1 cup molasses, 1 1-2 tsps. of ginger, 1 tsp. soda, 1-2 tsp. salt, 2 1-2 flour.

Melt the shortening in the boiling water. Add molasses. Sift the dry ingredients together and add them to the mixture. Beat vigorously. Put in a greased muffin tin and bake in an electric oven (350 to 375 degrees) 25 minutes.

ANNUAL MEETING OF ST. MATTHIAS' GUILD

The annual meeting of the Ladies' Guild of the Church of St. Matthias, A. & M., Winchester, was held at the home of Mrs. D. Grant on Wednesday, Dec. 1st, with Mrs. D. Blair presiding.

Mrs. R. MacPherson, Secretary-Treasurer, gave a splendid report of the activities and finances for the past year, showing a considerable balance on hand as a result of the recent Bazaar and Tea.

The Guild decided to join with the other Guilds in the parish in providing flower vases for the Winchester Hospital as a practical gift from the Anglican Church. Money was also voted for the Rectory taxes and the church fuel.

The Rev'd. Leon B. G. Adams took the chair for the election of officers for 1949. Mrs. Daniel Blair was re-elected President for a second term. Others elected were: Hon. Presidents, Mrs. L. B. G. Adams and Mrs. R. Henderson; Vice president, Mrs. Kenneth Summers; Secretary, Mrs. R. MacPherson; Treasurer, Mrs. H. Greer; Press Secretary, Mrs. D. Lannin; Visiting Committee, Mrs. L. B. G. Adams and Mrs. J.Wray. Mrs. T. O. VanBridger, Mrs. F. Gibbons and Mrs. H. Greer were elected to take care of the Altar furnishings for the Christmas festivities.

It was decided that there would be a Corporate Communion for the Guild at 11.00 a.m. on Dec. 5th, and the Installation of Officers at one of the church services early in Jauary. The next meeting is to be held on Jan. 12th at the home of Mrs. H. Greer.

A good character is, in all cases, the fruit of personal exertion.

DUNDAS SCHOOL INSPECTOR ADVOCATES LARGER AREAS OF ADMINISTRATION FOR SCHOOLS

At a meeting under the auspices of the Ontario Trustees' and Ratepayers' Association, held in the Assembly Hall of the Winchester Public School on Wednesday evening, December 1st, Mr. W. J. Stewart, Inspector of Public Schools for Dundas County, made a strong plea for more speed in the county for the formation of township school areas in the two northern townships to administer the affairs of the elementary schools and for the establishment of either one or two High School areas to manage the High Schools of the county. He outlined the progress to date in Ontario in the matter of establishing these larger areas of administration and showed that over three-quarters of the province is now in larger High School areas, and better than sixty per cent. under township area administration. Mr. Stewart explained the situation in the Vernon area and expressed the view that it was Dundas County's move now to form a High School district to which this part of Osgoode Township might become attached if the ratepayers favoured such a move, and the Carleton County Council were ready to pass the necessary by-law. The speaker was emphatic in stating that the move to larger areas of High School administration did not mean an immediate move to erect one or more large central schools. He stated that in area after area in the province minor adjustments, and in most cases including transportation of rural pupils to the schools, was all that was contemplated for the present. Neither had township school areas in the province led to the formation of consolidated schools as was an argument raised when the first one was established in Dundas County in January, 1942. Mr. Stewart dealt at length with the inequitable situation existing at present between the student living in urban and suburban areas and the one living a few miles from a High School. He saw in the larger High School area the means of eliminating this situation.

Rev. John V. Mills, Executive Secretary of the Ontario Trustees' and Ratepayers 'Association, gave a most inspiring and enlightening address on Trustee-Teacher Relations, showing that the Federation not only protected the teacher, but were prepared to take disciplinary action in the case of a teacher who did not deal fairly in her relationships with the board.

Major J. R. H. Morgan, of the High School Inspection Division, Toronto, was in attendance and answered many questions dealing mainly with the establishment of larger High School areas. Local members of the Winchester High School Board also took part in the discussions.

At the end of the meeting the Dundas County Trustees' and Ratepayers' Association was formed, with the following officers elected: Hon. President, W. J. Stewart; President, Fenton Hyndman, Mountain; Secretary-Treasurer, Remi Lalonde, Winchester; Vice President, O. A. Irvine, of Brinston; Members of Executive Committee, Walter Steven, Morewood; Burton Beckstead, Chesterville; and Eric Casselman, Chesterville.

WEDDINGS

LeCLAIR—BROOKS

Mildred Viola, daughter of Mr. and Mrs. John Brooks, and Joseph Stuart, youngest son of Mr. and Mrs. Peter LeClair, were united in holy matrimony in St. Mary's Roman Catholic Church, Chesterville, on November 20th at 10 a.m. Rev. Father S. Lesage officiated. The wedding music was played by Sister St. Germaine.

The bride, given in marriage by her father, wore an ivory satin gown, with sweetheart neck line, and fitted bodice, and a full skirt ending in a train. Her fingertip veil was held in place by a coronet of orange blossoms and she carried an arm bouquet of red roses. She also wore a necklace her mother wore on her wedding day.

She was attended by Mrs. Max Tyo, of Brockville, and Mrs. Hubert McCloskey, as matrons of honour. The bridegroom was supported by Mr. Max Tyo and Mr. Hubert McCloskey. The ushers were Messrs. Richard Chambers and Mac Brooks.

The groom's gift to the bride was a musical powder box, and the bride's gift to the groom a silver cigarette case.

Following the ceremony, a reception was held at the home of the bride's parents. The bridal couple later left on a short wedding trip, and will reside in Brockville. For travelling, the bride wore a sky blue dress with grey top coat and black accessories.

Among the out-of-town guests were: Mrs. F. Kingston, Mr. Keith Metcalfe, Miss M. Kelly, Miss V. Williams, of Brockville; Mrs. Ray Kennedy and Donna, of Cornwall, and Mrs. Francis Gibaski, of Prescott.

MALONE—MERKLEY

Miss Shirley Elizabeth Merkley, niece of Mr. and Mrs. E. Froom, of Ottawa, became the bride of Mr. Geo. Malone, son of Mr. and Mrs. John Malone, of Ottawa, on Monday evening, Nov. 29th, at 6.45 o'clock, at an informal ceremony at 386 Elgin St.

Rev. W. H. Shaver officiated, and Mrs. A. Eaglestone, of Erie, Penn., played the wedding music.

The bride was given in marriage by her brother, Mr. John Merkley, of Albert College, Belleville. Miss Marilyn McClelland, of Toronto, was bridesmaid. Mr. George Leggo, of Ottawa, attended the groom.

The bride wore a gabardine suit of paddy green with bottle green accessories, and a corsage of Talisman roses,

Following a reception, Mr. and Mrs. Malone motored to Montreal and points in the United States. On their return they will reside in Ottawa.

MILLER—BURD

A quiet, but pretty wedding took place on Saturday, November 27th, at 5.45 p.m., at the home of the bride's mother, when Miss Margaret Elma Burd was united in marriage with Mr. Lawrence David Miller, son of Mr. and Mrs. Clinton Miller, of Mountain. Rev. Norman J. Thomas, pastor of the local United Church, officiated.

For her wedding, the bride wore a blue street-length dress with a shoulder bouquet of pink roses.

Pink and white streamers and bouquets of autumn blooms were used effectively to decorate the wedding nook.

Following the ceremony, a wedding dinner was served to several guests, after which Mr. and Mrs. Miller left on a motor trip to Perth and other points.

SAVE YOUR SIGHT

Your sight is the most important sense you have. Protect your eyes by using proper light for reading and close work. If you are troubled by headaches or irritation of the eyes, consult a qualified optometrist. Correctly-fitted glasses may prevent eyestrain and help you to see better. Eye troubles may often be cleared up if attended early.

OSGOODE WOMEN'S INSTITUTE

Twenty-seven members attended the regular meeting of the Osgoode Women's Institute on Tuesday of last week in the home of Mrs. S. Reid. Chairman was Mrs. L. Hawkins. She was assisted by Mrs. Kay Bower, Institute secretary. Members answered roll call by reciting a line from "Flanders Fields." Mrs. Nixon, treasurer, reported the Institute had $49 on hand.

Mrs. Hawkins reported on the area convention recently held in the Chateau Laurier. It was announced the date of the December meeting, which will be held at the home of Mrs. St. G. McCallum, has been changed to Monday, the 20th.

A paper on historical research, titled "Pioneer Days in Osgoode," was read by Mrs. Murphy. It will be added to the Tweedsmuir Book.

It was decided to send cards to Mr. and Mrs. Sydney Smith and Mr. and Mrs. Robert Taylor, who are celebrating their golden wedding anniversaries.

A paper will be given by Mrs. Stinson on education at a later date. Mrs. L. Cleland moved a vote of thanks for the hostess and her helpers, Mrs. Jones, Mrs. K. Saunders and Mrs. Taylor.

OBITUARY

LATE ROBERT THOMPSON

Mr. Robert Thompson passed peacefully away on Sunday morning, Nov. 14th, at his residence in Mourtain Township. He was born on September 23rd, 1860, a son of the late William Thompson, and lived all his life on the farm where he was born, and where his grandfather, a U. E. L., was one of the first pioneer families to settle in the Township of Mountain.

The deceased was known by the community at large to be charitable, honourable, upright and hospitable. Although ill for some time, his passing had not been expected.

The funeral service was held from his late residence on Nov. 17th at 2 p.m., with Rev. Mr. Adams, of South Mountain, and Rev. Mr. Mack, of Inkerman, in charge.

Left to mourn his loss are, his wife, and two daughters, Mrs. Ferguson and Mrs. McEwen.

Beyond the gate your loved one
Finds happiness and rest,
And there is comfort in the thought
That a loving God knows best.

HANDS AT WORK... *for ONTARIO*

LEARNING MACHINE ASSEMBLY

ONTARIO'S **products are desired and purchased by people all over the world and the capacity to produce such goods largely determines the economic welfare of every man, woman and child within her borders. Because the sale of every article produced in Ontario brings valuable dollars into this Province, we all are more assured of job security . . . and we and our children can have more of the better things in life. But to produce such goods in sufficient quantities, skilled labour is vital. That is why every single one of us should be glad that war veterans are constantly being trained to provide the skilled hands so needed by industry. They receive ON THE JOB training under expert instructors in our Ontario factories.**

This training, provided through the co-operation of the Department of Veterans' Affairs, the Federal Department of Labour and the Ontario Department of Education, starts the veteran on the road to skilled craftsmanship. In assembling business machines, for example, veterans must have a thorough knowledge of electricity and must learn to perform intricate work on precision machines having thousands of separate parts. These Canadian-made business machines are sold in all parts of the world, creating new wealth for Canada and Ontario. Therefore every effort of these newly skilled veterans helps to make Ontario a finer place in which to live and contributes to the welfare and happiness of all her citizens.

THE BREWING INDUSTRY (ONTARIO)

MACHINE ASSEMBLY

John N. West, 25, of Toronto, a Royal Canadian Navy veteran, is shown here making an adjustment to one of the 10,000 parts in a business machine designed for a New Zealand firm.

Various types of business machines are produced in Ontario factories. Because of their intricate mechanisms it is essential that these machines be checked by expert craftsmen at every stage of their production.

W. H. S. NEWS NOTES
(By Pringle Thomas)

The High School has had a new addition in the last few weeks. A new store room was built back of the school leading from the boys' shop, which is in the basement. This was a much needed improvement as the shop was not roomy enough to accommodate the lumber and projects completed by the boys.

This week marks the end of the first term for W. H. S. students in the 1948-49 term. The students this week are writing their first term examinations.

DUNCAN'S

DUNDAS HOLSTEIN BREEDERS HOLD BANQUET

(By F. Erle Helmer)

Mr. G. T. Taggart, director-in-chief of Agricultural Services of the Dominion Department of Agriculture, said last week that specialists in farming, as in government departments, could be dangerous to the economy as a whole, since specialists were apt to allow their interests in a narrow field to obscure larger and more important issues.

Mr. Taggart spoke at the annual banquet of the Holstein Breeders of Dundas County, held in the Orange Hall, Winchester Springs, last Friday evening.

Must Be Managers

Even farmers who were specialists in certain breeds of cattle or in other departments of agriculture must also be managers and administrators to reach maximum success, he said, and that was why the Government of Canada must continue to draw men from the farming communities to manage important government departments.

Mr. Taggart was introduced by Herbert Graham, agricultural representative of Dundas county. J. Frank Casselman, president of the Dundas club, presided.

W. J. Fawcettt, who lost 18 prize Holsteins by electrocution on November 11th, was presented with a banner as premier exhibitor of the county by Grant Smith, fieldman of the Holstein-Friesian Association.

Among the prominent officials of other clubs who were introduced by John Thompson, of Brinston, vice president, were Carmen Brown, president of Grenville Holstein Breeders Club; Martin Murray, president of the Stormont club; Clifford Eligh, of Finch, director of the parent association, and Perry Brunton, president of the Carleton and Russell Club, and Eric Casselman, Chesterville, president of the Dundas Federation of Agriculture.

Awards to Winners

Awards to winners or specials in the different Dundas county calf clubs were presented by Harold McMenomy and Herbert W. Graham. They were: Arthur Milne, Franklin Milne, Robert Milne, Gerald Fawcett, Raymond Small, Ralph McPherson, Gordon Fawcett, Ralph Declare, Ronnie Graham, Mac Beckstead, Arnold McCadden, Earl Johnston, Eileen Moore, Douglas Hunter, Norma Monteith, Malcolm Graham, Gordon McVey, Stanley Robinson, Stewart Edgerton, Arthur Froats, Blake Feeley, Rose Suffel and Carl Gilroy.

During the evening, Mrs. Dalton Robinson, of Winchester Springs, rendered four solos, accompanied by Mrs. Byron Steele at the piano.

The Saddlemire twins, of Williamsburg, rendered four excellent duets, accompanied by Miss Boyce Morell. Mr. W. A. Rowat, of Winchester, delighted the audience with his readings.

The evening was brought to a close by Harold McMenomy thanking the Ladies' Association, of the United Church, Winchester Springs, for the excellent supper prepared. Mrs. Casselman, president, responded.

The Officers

Officers elected were: Hon. president, Harold McMenomy; president, Frank Casselman; vice president, John Thompson; treasurer, Harold McMenomy; secretary, H. W. Graham.

Directors — Williamsburg township: George Brooks, Harry Holmes, John Rennick, Chas. Marcellus; Winchester township: Angus Smith, Allison Graham, Sherwood Coons, Harold Durant; Mountain township: Ronald Carkner, Gordon Mulholland, Hugh Blaine, W. R. McMenomy; Matil-da township: Pat McGinn, Merle Graham, Arthur Stacey, Orville Small.

GOFORTH GIRLS' GROUP

The regular meeting of St. Paul's Presbyterian Goforth Girls' Group was held at the home of Catherine Moffat on Wednesday evening last. The program consisted of carol singing, Scripture reading and a Christmas story.

During the evening, Mrs. Charles Cross, who is retiring as leader of the girls, was presented with a gift by Lois Wilson, while Catherine Moffat expressed appreciation on behalf of the group. Mrs. Cross made a very fitting reply.

The business was dealt with and the annual report read. This report showed splendid activity during the year and a very substantial sum had been raised for missions.

Mrs. A. G. Suffel, president of the W. M. S., gave the girls a very inspiring address and installed the newly elected officers for 1949, which were as follows:

President, Lois Wilson; Vice President, Catherine Moffat; Secretary, June Saunders; Treasurer, Isabel Hay; Pianist, Doreen Cross; Press Reporter, June Wray.

The group has been invited to have the January meeting at the home of Doreen Cross on Jan. 5th.

Delicious refreshments were served by Mrs. Moffat and Catherine. June Saunders voiced the thanks of the girls to the hostesses.

HULBERT W. M. S.

The monthly meeting of the Hulbert W. M. S. was held in the church on December 1st, with the president in charge, and reading the theme. Bible readings were given by Mrs. Percy Ellis and Miss Florence Roode. A reading on Christian Stewardship was given by Mrs. Donald Sullivan, and the chapter from the Study Book was taken by Mrs. Ira Ellis.

A Candle Lighting service was held with the following taking part: Mrs. Ira Ellis, Mrs. Donald Sullivan, Mrs. Herbert McQuaig, Mrs. Percy Ellis and Mrs. C. Mellan.

Following the business period, the election of officers was held as follows: President, Mrs. Arthur Graham; vice president, Mrs. Nelson Scharfe; rec. sec'y., Mrs. Ira Ellis; cor. sec'y., Miss Florennce Roode; treasurer, Mrs. P. McQuaig; temperance, Mrs. H. McQuaig; Christian Stewardship, Mrs. Donald Sullivan; Friendship Corner, Mrs. Wilbur Morrison; Supply, Mrs. Calvin Ellis; Literature, Miss Florence Roode; Press reporter, Miss F. Roode; Flower and Sick, Mrs. Jas. Graham; Mission Band, Mrs. Arthur Morrison; Baby Band, Mrs. Harold Mellan; Pianist, Mrs. Ira Ellis.

It was decided to hold the meetings at the homes during the winter months. Mrs. H. McQuaig closed the meeting with prayer.

UNITED CHURCH W. A.

Mrs. W. A. Rowat was elected president for the sixth consecutive year at the United Church Woman's Auxilliary Meeting, which was held in the S. S. Hall on December 7th at 2.30 p.m. The nominating committee, Mrs. K. Carlyle and Mrs. Percy Durant, brought in the following slate of officers, with Mrs. J. Moffat presiding:

President, Mrs. W. A. Rowat; 1st vice president, Mrs. John Moffat; 2nd vice president, Mrs. Nellie Lannin; 3rd vice president, Mrs. Wm. Angus; recording secretary, Mrs. J. Kenneth Ault; corresponding secretary, Mrs. W. J. Stewart; treasurer, Mrs. G. A. McIntosh; pianist, Mrs. Ernest Steele; press reporter, Mrs. Thos. Edgerton.

Mrs. W. Angus presided for the meeting in the absence of the president, which was opened with the singing of the theme song, with Mrs. E. Steele at the piano. This was followed by the Scripture reading and prayer. The theme for the devotional was: "Christ—Once a Babe—Always the Master," and the recording secretary read the minutes of the last meeting. The treasurer brought in her report for the ending of the year. A committe volunteered to decorate the church for Christmas services. The social committee for the next month is: Mrs. P. Durant and Mrs. J. Moffat. The meeting closed with the Lord's Prayer, and a social hour followed. Mrs. Carl Rice moved a vote of thanks to the committee in charge, Mrs. Wm. Steele and Mrs. T. Edgerton, for the social hour and dainty lunch served.

Canning—Selleck

Miss Berdella Agnes Selleck, daughter of Mr. and Mrs. Harry Selleck, became the bride of Mr. Bertram Thomas Canning, son of Mr. and Mrs. Thos. Canning, of Pleasant Valley, when Rev. Mr. Sommerville officiated at their marriage on Saturday afternoon, Dec. 4th, at 2.30 o'clock in the Spencerville United Church.

The bride wore a grey tailored suit with black accessories and a corsage of red roses. Miss Lorraine Selleck, sister of the bride, wore a wine tailored suit with black accessories and a corsage of yellow roses. Mr. Ray Gilmer acted as best man.

Following the ceremony, a lovely dinner was served at Island Inn, at Brockville, to the immediate friends. Afterwards, the happy couple left for Toronto and western points. Upon their return, the young couple will reside at Oxford Station where the groom has been cheesemaker for the past few years.

HINTS FOR THE HOME

Hair on Upholstery

To remove dog and cat hairs from the upholstery, or the clothing, for that matter, stroke the surface lightly with a damp piece of sandpaper or a damp rubber sponge.

Starch

Water from boiled rice makes an excellent starch for delicate fabrics.

Mildew

Clothes soaked in buttermilk and then hung in the sun will usually remove mildew.

Sewing Machine Belt

The sewing machine belt will be tightened if a few drops of castor oil are placed on it.

Eyelashes

The growth of the eyelashes will be stimulated if they are rubbed with pure vaseline every night before retiring.

Carpet Sweeping

Throw a little bran, slightly dampened, on the carpet before sweeping, and it will help wonderfully.

Shine on Serge

Shine can be removed from serge goods by rubbing it with hot vinegar and then sponging with ammonia.

Boiling Eggs

Wet the eggs with cold water before dropping them into the boiling water and they will seldom crack.

Pickles

Pickles that are left over from a meal should be replaced in their brine. Otherwise they will shrivel.

Water-Soaked Shoes

If the shoes get water-soaked, stuff them full of newspaper or uncooked oatmeal. Let them dry away from any radiators or other sources of heat.

Oysters

Oysters that are bought in the shells are fresh only if the shells are tightly closed. The oysters are dead and not fit for use if the shells are partly open.

Homemade Breakfast Food

Try popping some popcorn without grease or salt, then running it through the food chopper. Serve with sugar and cream. It is both economical and healthful.

Poached Eggs

Poached eggs will not stick to the pan if a large spoon is placed in the boiling water and the egg placed in the spoon. Let it cook for a minute, then slide the egg into the pan.

Removes Cement

If plasterers or tile-layers have left some drops of cement on your bathroom tile, just soak these spots with some hot water, and you'll be able to scrape them off with a razor blade or putty knife.

Shampooing

Time can be saved when shampooing the heads of invalids or children if the towels are heated. The towels should be hung over the radiator and then alternated during the process of drying.

Patching Walls

To fill small, deep nail holes in the wall, mix a little talcum powder or corn starch with a few drops water, and force this mixture into the holes, smoothing it off with your fingers around the edges.

Rust on White Goods

Rust stains on white material can be removed by rubbing the juice of a freshly-cut lemon over the stains, then holding the material over the spout of a steaming kettle. Repeat until the stains disappear.

Raisin Cake

When using raisins in the cake let then stand for about three minutes in warm water, then drain, and while they are still warm, cut them with the scissors. The result will be that the raisins will be moist in the cake after baking.

Plastic Belts

You can safely clean clear plastic belts with lukewarm water and mild soap, either by brush or by soaking. This will remove only surface stains, though. Discolorations that go all the way through the plastic are usually helpless.

Wall Paper

For grease spots and other similar blemishes on wall paper, try holding a clean white blotter over the spot with a warm iron for several minutes. The heat should melt the oil lor grease so it can be absorbed by the blotter.

Window Shades

Some persons prefer oilcloth window shades to cretonne, as it keeps out the sun better. All that is necessary is to cut the oilcloth the required width and tack it to rollers. Stitch a hem at the bottom to hold the stick, or make scallops if preferred, though the stick holds the shade better.

CANADIAN SOPRANO

Frances James, a native of New Brunswick, will be guest artist on the December 13 broadcast of the Northern Electric Hour, with Paul Scherman and the concert orchestra. Miss James, whose mellow soprano voice is familiar to CBC listeners, will sing Delius' "Twilight Fancies" and a selection of "The Chocolate Soldier" by Strauss. The program is heard weekly over the CBC Trans-Canada network.

CANADA'S health

FIND IT EARLY

If found early, tuberculosis is curable in the majority of cases. The only way to discover the disease before the symptoms become obvious is by X-ray. It is in the interest of everyone to have an X-ray check-up and to support the work of tuberculosis surveys. There are probably 30,000 undiscovered cases of TB in Canada today.

ENERGY TO BURN

School children play hard and use up a great deal of energy. They need a good, hearty meal at lunch time to keep them healthy. The noon-day meal should be more than a snack. It should be planned as an important part of the day's eating schedule. Every child needs a good, hot, noonday lunch.

WOMEN'S INSTITUTE MEETING

The monthly meeting of the Winchester Women's Institute will be held in the Town Hall at 7.45 o'clock on Monday, Dec. 13th (note change in date). This will be a Christmas party. Roll call will be answered by naming your favorite carol.

Every person is asked to bring a nicely wrapped parcel, containing something you have no more use for, but is suitable for some one. 30c

PROTECT YOURSELF

Many people accept winter colds as inevitable and unimportant. But colds can be dangerous. They may lead to bronchitis, pneumonia, or sinusitis. Sound physical condition helps ward off colds. This winter protect yourself by dressing and eating properly, avoiding sudden drafts and close, stuffy rooms.

CHRISTMAS CHEER

Christmas cheer, like all good things, can be carried too far. Happiness helps build good health but "celebrating" in the form of overeating, overdrinking, late hours and strenuous exertion may do more harm than good. Moderation is the best prescription, particularly for those over the 40 mark.

THE FOOD BUDGET

If you have trouble stretching the food budget to include enough meat, try substituting cottage cheese. It is an ideal source of animal protein and is also rich in vitamin B. If it has been made from whole milk it contains vitamin A as well. The family will enjoy a treat of this health-giving food instead of meat.

Bake a Batch ANYTIME...

PURITY 3in1 COOKIES

It's a wonderful idea—means *three* kinds of icebox cookies from one recipe—and economical, too. You make three rolls each a different flavour. Anytime, you can slice some off—pop them in the oven and have delicious, crispy cookies ready in no time.

Make the dough like this:

½ cup shortening
½ teaspoon vanilla
2 cups brown sugar
2 eggs
½ teaspoon cream of tartar
1 teaspoon baking soda
3½ cups sifted Purity Flour

Cream the shortening, add vanilla and brown sugar. Add well beaten eggs. Mix cream of tartar, baking soda and sifted PURITY FLOUR, and add to mixture. Divide the dough into *three* parts for three different cookies.

Cookie 1. Add ½ cup chopped nuts, then form into a roll.

Cookie 2. Add 1 ounce unsweetened chocolate, melted, then form into a roll. Just before baking sprinkle each cookie with a few shreds of cocoanut.

Cookie 3. Add ½ cup mixed red and green cherries that have been cut into eighths, then form into a roll.

Each roll should be wrapped in waxed paper and chilled in refrigerator, then, or whenever you wish, cut off thin slices from rolls and bake on greased sheet in hot oven (375°-400°F.) for 8-10 mins.

Remember, this grand recipe was created and tested in the Purity Flour kitchens,—so, for the new 3 in 1 cookies—and for all your baking—Purity Flour is best. It's the flour milled from Canada's fine hard wheat. For tender pie crust, light biscuits, wonderful rolls and feathery cakes, if you depend on Purity Flour you can depend on compliments.

SERIOUSLY INJURED WHEN STRUCK BY CAR

Mr. Gerald Erratt, of Newcastle, Ont., son of Mr. and Mrs. John A. Erratt, is a patient in the Cornwall General Hospital, suffering from a fractured pelvis and other injuries, sustained when he was struck by a car at Williamsburg on Saturday evening. Gerald, who was home for the week-end, visiting his parents, had attended the show at Williamsburg on Saturday evenning. After he left the theatre, he opened the door of his own car and was about to enter, when another car struck him. He was rushed to the hospital in an ambulance, after receiving medical aid in Williamsburg. The dense fog is believed to have been responsible for the accident. The car that struck Mr. Erratt was driven by Douglas Gibson, 21, of Cornwall. Provincial Constable Earl Wellesley, of Morrisburg, investigated.

We Are Interested In Doing Business

And only by selling you material which does everything claimed for it, can we hope to obtain **YOUR RECOMMENDATION.**

On your recommendation depends our future sales. If you are pleased with our products—tell your neighbours; if you are dissatisfied, bring your grievance to us and we will make it right.

We would like again to mention the savings to be made in your fuel bill by insulating your home—particularly your attic. This latter requires very little labour with loose Rock-Wool insulation or Batts and can repay you in total costs in one year.

When you think of the cold months ahead, consider the amount of cold and moisture which seeps in cracks around window and door jambs, and other places about the building. This can be remedied by caulking with an asphalt plastic cement. We sell this in either small or large quantities at low cost and is easy to apply.

Durant, and Mr. Arthur Stewart Gibson, son of the late Mr. and Mrs. David Gibson, of Pembroke, on Saturday afternoon at 3.30 o'clock in the home of the bride's brother-in-law and sister, Mr. and Mrs. Alfred Moore, Morrisburg.

Rev. Norman Thomas, of Winchester, officiated. Miss Lila Moore, niece of the bride, was the pianist, and Mr. Ernest Dawe, of Morrisburg, was the soloist.

The bride was given in marriage by her father, and attended by Miss Kathleen White, of Ottawa, as bridesmaid. Mr. Douglas Gibson was best man.

For her marriage the bride wore a taupe woollen two-piece dressmaker suit with brown accessories and a corsage bouquet of yellow roses.

The wedding reception was held at the home of Mr. and Mrs. Alfred Moore.

Mr. and Mrs. Gibson will take up residence in Maxville.

VILLAGE OF WINCHESTER
Nomination Meeting

As a sufficient number of candidates failed to qualify, following the regular nomination meeting, to fill the several offices for the 1949 Council, a meeting of the Municipal Electors of the Village of Winchester will be held in the Town Hall on Friday, December 10th, 1948, between the hours of 7.00 and 8.00 o'clock in the evening, for the purpose of nominating candidates for the offices of Reeve and Two Councillors.

If there are more candidates nominated than required, a Poll will be opened on Monday, December 20th, 1948, at the usual Polling Places and will be open from the hour of 9.00 o'clock in the forenoon until 5.00 in the afternoon.

C. R. ROBINSON,
Returning Officer.

Sunday In The Churches

By Rev. N. J. Thomas, B. Th., Church Editor

SUNDAY, DECEMBER 12th, 1948.

"Knowing . . . and Doing."

Henry Van Dyke has something to say no this. "Between the knowing and doing there is a deep gulf. To know that God is our Father and yet to withhold our love and service from Him; to know that Christ died for us, and yet to deny Him and refuse to follow Him; to know that there is an immortal life, and yet to waste and lose our souls in the pursuit of sensual pleasure and such small portion of the world as we may hope to gain—surely, that is the deepest unhappiness. But the right kind of knowing carries in its heart the doing of the truth. 'If you know, happy are ye if ye do these things'."

HONOURED BEFORE LEAVING

Mrs. W. J. L. Boyd entertained a number of neighbours and friends at her home on Friday afternoon in honour of Mrs. Gordon Rice, who is soon moving to Toronto. Mrs. Rice was presented with several pieces of China, also a story and picture book to Freddie Rice, by Mrs. Chas. Cross. Although completely taken by surprise, Mrs. Rice thanked her friends for the lovely gifts. Lunch was then served by Mrs. Boyd, assisted by Mrs. C. Cross, Mrs. T. Reid, Mrs. Max Boyd and Mrs. W. F. Workman.

FIFTH LINE FARM FORUM

The Farm Forum Group of the 5th Line, Osgoode, held their December meeting at the home of Mr. and Mrs. Herb Robinson, with a good attendance. An interesting discussion on "I Hear by the Radio," took place, and it was found that quite a few programs could be made more interesting to the farmer. A contest and games were held by the hostess, and lunch was served. The next meeting will be held at the home of Mr. and Mrs. Alex Campbell.
