ONLY FOUR PAGES IN TODAY'S PRESS

Owing to increased pressure on our job printing department, the Press will be made up of four home-print pages instead of the usual number during the next two or three weeks.

Having in mind our responsibility to advertisers and subscribers, we prefer to adopt this method of relieving the pressure rather than follow the policy of suspending publication entirely for one week each year as do many of our contemporary weekly newspapers.

We crave the indulgence of our readers during the next few weeks.

MISCELLANEOUS SHOWER

Prior to her marriage, which takes place on Saturday, Miss Mary Bailey, of Winchester Springs, was tendered a miscellaneous shower at the home of Mrs. Cecil McIntosh Tuesday afternoon. About 60 ladies were present for the occasion.

As the bride-to-be was escorted into the drawing room by little Orian McIntosh, who presented her with a bouquet of cut flowers, a wedding march was played on the piano by Miss Winnie Ball. Following the reading of an appropriate address by Miss Helen Robinson, the guest of honour was presented with a table, laden with gifts. She was assisted in unwrapping them by Miss Robinson.

Miss Bailey replied, thanking those present for their kindness, after which all joined in singing "For She's a Jolly Good Fellow."

Dainty refreshments were served by the hostess, Mrs. Cecil McIntosh, who was assisted by Miss Helen Robinson.

Before leaving the guests all registered in a beautiful bride's book, which was retained by Miss Bailey.

Morewood H. School Still Being Discussed

After meeting with the members of the Morewood high school board and the factions who wish to erect a new high school, and those opposed to rebuilding, at a mass gathering held at Morewood on Saturday night last, Duncan McArthur, Deputy Minister of Education, said that "both groups had agreed to consider certain proposals relating to a possible basis of settlement."

He asked three members of each faction should be named who with their solicitors would meet the board of the school.

Thomas E. Coulthart, William J. Mcconnell and Daniel McGregor were named for those in favor of the building, with Arthur Flynn, of Morrisburg, as their solicitor. Walter J. Stewart, Adam Gainer and Abraham St. Pierre, with barrister T. K. Allen, of Kemptville, represented those opposed and the members of the board present at the meeting held in camera were, Clark Smith, Colin McGregor, Mahlon Casselman, Donald McLeod, Orrin Dillabough, and William Brown, with Fred Weaver as secretary.

No progress was made as to plans for the actual building of the school and the pupils of the district will likely be accommodated in the halls of the town. Any proposals regarding change in the high school district would be subject to the approval of the Minister of Education and the Counties' Council of Dundas, Stormont and Glengarry.

MR. EARL J. SPINKS ENTERTAINS LOCAL VETERANS AND THEIR FAMILIES

Veterans and families of Winchester Legion Post, were the guests of their president, Earl J. Spinks, last week at his cottage on Charleston Lake. Mrs. Spinks, Helen, Bill and Jimmy assisted in royally entertaining the visitors, with boat trips round the 1000 islands of the lake, in the motorboat and in a boat with a sail, while Nelson Dixon, posing as a Gondolier, rowed the ladies to and fro.

Ernie Summers unpacked an elaborate fishing kit, which failed to catch any fish, causing Ernie to wonder where Earl J. had bought the nine oversize pike which Mrs. Spinks and Mrs. Summers cooked for dinner.

Bill Morrow was wakened in the night by a large fish which was under the motor boat, rocking it about, and went out at 5 a.m. to catch a fair-sized pike, which wasn't as big as the one that got away.

There were Badminton games, ping pong, swimming, with all the kids splashing in the water on the beach in front of the cottage, while the vets went into a huddle to remember the days "over there."

Others present were Rev. Mr. and Mrs. T. F. Townsend of Elgin, Mr and Mrs. Irvin Cross, Mr. and Mrs. F. Erle Helmer of Maple Ridge, and Lawrence Sullivan, Winchester.

COUNCIL HOLDS REGULAR MEETING. TENDER FOR HENDERSON CREEK DRAIN AWARDED TO MR. GEORGE MARQUETTE.

The regular meeting of the Municipal Council was held in the clerk's office on Friday evening last with Reeve T. O. Keyes presiding. Those present were Councillors T. A. Bailey, Ernest Christie, Dr. W. A. Sherwood and Hy. Bessin, and the clerk, E. M. Shaver.

A number of reports were presented by the clerk from various corporations within the municipality, outlining the proportion of Roman Catholic shareholders in each corporation, which is required by law, in order that the school taxes may be distributed. As there is no separate school in Winchester and no Roman Catholic citizens, the matter was left in obeyance by the Council.

It was decided, on recommendation of the committee in charge of that department, to purchase a new uniform for Constable Herbert Helmer.

The Council passed a resolution approving of the appointment of W. B. Lawson, Chesterville; Lionel Chevrier, M.P., and Donald McDonald at a recent meeting of municipal reeves, to act on behalf of this municipality at the hearing of the appeal of Cornwall township against its assessment. The resolution also stated that the municipality would abide with any decision handed down by the County judge, following the hearing of the appeal.

A number of complaints regarding the condition of some of the side streets streets were tabled by Councillor Bessin. These were referred to the street committee who were instructed to give the latter immediate attention. Some improvements are being considered by the committee at the present time.

A communication from the counties' clerk was read by the clerk, in which it was pointed out that the county rate for Winchester had been increased by $640. This information came as a surprise to members of the Council as the tax rate for 1936 had already been struck at 44 mills. This unexpected increase in county rates will necessitate some readjustments in order to meet the new demand.

The treasurer reported that the municipality is in a fine financial condition. Payment of this year's taxes has enabled the Council to wipe out bank loans totalling $4,000 in recent weeks, while expenses for the first six months of the year were considerably lower than last year.

Tenders for the excavation of the Henderson Creek Drain were opened and the contract awarded Mr. George Marquette.

ST. LAWRENCE LEAGUE BOWLING

The local Lawn Bowling Club played a scheduled game with Chesterville in the St. Lawrence League on the latter greens on Friday evening last, and were successful in winning three of the four matches.

The greens were in splendid condition and a most enjoyable contest was witnessed by a large crowd of spectators. The rinks and scores were:

Winchester—G. Coons, Clark Curtis, T. O. VanBridger, J. E. Singleton, skip—22.

Chesterville—Rev. Mr. Extence, Geo. Merkley, Eric Casselman, Jas. Hanna, skip—16.

Winchester—C. E. Cross, E. Kellogg, John Fader, F. A. Coons, skip—22.

Chesterville—P. S. Boyd, D. Magee, K K. Wood, Dr. S. Hutt, skip—11.

Winchester—A. A. Casselman, J. F. Gibson, A. E. Goodfellow, Will Johnston, skip—23.

WOMEN'S INSTITUTE PICNIC

A very enjoyable afternoon was spent on Tuesday by members of the local branch of the Women's Institute who accepted the kind invitation of Mrs. R. L. Suffel to hold their annual August picnic at her cottage at Point Iroquois.

The business meeting was presided over by the president, Mrs. Kinkaid. After the singing of the Ode, the creed was recited by all, and many good facts about Canada given, about her mines, forests, fish, wheat, etc. The assistant secretary, Mrs. R. Crowder, read the minutes and gave the treasurer's report.

Appointments were made of Mrs. W. J. Stewart to assist Mrs. Rowat on the committee for the Oratorical Contest, and of Mrs. J. H. Faith to write letters to bereaved members. All joined in singing "O Canada."

The Convenor of the August committee, Mrs. Robt. Suffel, took charge of the programme which provided much amusement. "Three Blind Mice" was sung as a round. A shoe race was won by Mrs. Kinkaid; a bean bag contest by Miss May Rose, and a story contest won by Mrs. Neil Hutt and Miss Grace Irving. The singing of "God Save the King," brought this pleasing programme to an end, after which lunch was served in cafeteria style by the committee, in charge of Mrs. Robert Suffel. Ample justice was done to all the good things provided in the baskets.

A vote of thanks was tendered Mrs. R. L. Suffel and Mabel for their kind hospitality, and Mrs. Robert Suffel and the members of her committee for their entertainment.

Several visitors were present among them being Rev. Dr. J. H. and Mrs. Miller of Huntingdon, Que., and Dr. M. Empey, of Hammond, N. Y.

Only Few Days To Ottawa Exhibition

OUTSTANDING EDUCATIONAL AND ENTERTAINMENT FACTOR. INCREASED ENTRIES IN LIVE STOCK

It is now only a matter of days until the Ottawa Exhibition is under way, and this year, more than in the 48 previous years of this exhibition, there is an appeal for all. The week, August 24th to 29th, undoubtedly will be a memorable week for the Capital.

In theory, livestock and agriculture are the backbone of an exhibition. Those interested will have their wishes gratified this year as the entries show large increases over those of previous years, and the aristocrats in horses, cattle, sheep, swine, poultry, pets and dogs will be seen at their best. Other educational factors include junior agricultural competitions, child welfare demonstrations, domestic science, women's institutes, government, municipal and school displays, and scores of others.

Entertainment is sought by exhibition visitors and this year it will not be difficult to find it. The Goldman band, with that king of bandmasters, which is known to all radio fans, will be heard in two free concerts daily. Music lovers are showing their appreciation by purchasing the coupon tickets which give six admissions for one dollar as they want to hear all the programs.

Always the Mecca for those seeking diversion, the midway this year will present the latest in rides and shows. Old people become young on the midway, where city and country people meet for real enjoyment.

In front of the grandstand, The Fascinations of 1936 will top the evening program. This is a four-star revue, with a cast of beautiful girls, presented on a revolving stage with all the color and splendor one generally finds only in the largest theaters. Vaudeville of the best, fireworks, horse races, sports and other features combine to make what the directors claim to be the best program ever assembled for the exhibition.

Ottawa will be at its best in exhibition week and the welcome sign will be out.

Those who wish to go home contented should plan to remain in Ottawa for several days. No longer can one do the fair in a day. Rain or shine, the automobile show, pure food, dog show, nightly horse show, live fish, wild animals and game birds shown by the Ontario government, flowers and fruits, wonderful displays in all the buildings and the judging in the various departments will appeal to all.

ENJOYED INTERESTING YEAR

Miss Mildred Davidson, who has been on exchange to the Mission City Public School Staff for the past year, returned home last week having spent a very interesting year and visited many places on Vancouver Island and Mainland of British Columbia, California and Mexico, Spokane and Mason City, Alaska and Queen Charlotte Islands and motoring East from Portland via Salt Lake City, Denver, St. Louis to Chicago.

SERVICE BULLETIN
By
FENNELL FEED COMPANY

TIMOTHY SEED

Judging from the amount of Timothy Seed coming in for cleaning and grading ot date ,our people have not been entirely discouraged by the low prices of last year.

Some good samples have come to hand but we regret to find such a large percentage of the Timothy Seed is hulled in threshing, which lessens the market value very seriously.

When seed is over 35 per cent. hulled it will only grade No. 2 and when over 60 per cent. is hulled it will not grade higher than No. 3 and this grade is hard to market at any price.

Timothy seed hulled to the extent above mentioned shall be placed in the lower grades although it may be clean of weed seed, hence the need of careful threshing to prevent lowering of values. Best authority on threshing to save hulling say, no teeth in lower bed, run slowly and feed slowly.

The market seems to be moving towards higher levels but nothing to warrant the prices we hear of being offered. We are still hoping for something better than last year.

The Wheat and Coarse Grains have reached higher prices than for some time and following them other farm products are tending upward.

MILL FEED

Mills Feeds have been very difficult to buy. Supplies are limited and the price continues strong.

FLOUR

Flour is still selling at moderate prices and we are advised that the future prices will be higher.

Looks like a good time to lay a few bags away.

50 lb. bag Gilt Edge $1.50.

CHICKENS

Even with a little higher prices for feed it is poor economy to neglect the growing pullets—at a little later date if well fed wil give good account of themselves. ..**Feed for profit.**

The funeral of the late Mrs. Joseph Adams, a life-long resident of Matilda township, was held from the residence of her daughter, Mrs. Harold Whittaker, Williamsburg, to the United church, at Hainsville, on Wednesday of last week.

The deceased, who was in her 74th year, was the daughter of the late Mr. and Mrs. Archie Blair, of Hainsville, and was widely esteemed by a wide circle of friends.

The service was conducted by Rev. C. R. Cronmiller, pastor of the Williamsburg Lutheran church, assisted by Rev. Mr. E. Lacey of Brinstons United church. The choir was in attendance and rendered by request "The Old Rugged Cross." Interment was made in Hainsville cemetery.

THE LATE JOHN A. WYATT

John A. Wyatt, 53, of Osgoode Station, died suddenly in an Ottawa hotel on Sunday morning last, while on a business trip to the city. Dr. J. E. Craig, coroner, who was called, decided that death was due to natural causes.

Mr. Wyatt, accompanied by his wife, went to Ottawa on Saturday, and took a room at a York street hotel. He complained of feeling ill and Dr. Morrow, of Metcalfe, his own doctor, was called to the city to attend him. Mr. Wyatt seemed much improved and Dr. Morrow returned to Metcalfe. However, early Sunday morning he became seriously ill, and an Ottawa doctor was called. Despite medical aid, Mr. Wyatt died about 8.30 a.m.

The remains were removed to his home at Osgoode Station.

The funeral was held on Tuesday afternoon from his late residence to the Vernon Presbyterian church where Rev. W. D. Turner, of St. Paul's Presbyterian church, Winchester, conducted an impressive service.

The church was filled with relatives and friends of the deceased, who wished to pay a final tribute to a prominent and highly esteemed citizen. The choir was present under the direcion of Mrs. Duff Crerar, and rendered an appropriate anthem. Miss Anna Crerar presided at the organ. Interment was made at Springhill cemetery.

The deceased is survived by his widow, formerly Miss Etta Bowman; one daughter, Mrs. Arthur Folkard; and two sons, Gordon and Milton, both at home.

The pall bearers were Messrs. Clarence Hughes, Peter McMartin, R. A. Campbell, James W. Cameron, Bert McKercher and James McConnell.

THE UNITED CHURCH

Sunday morning's service being in charge of the Leadership Training Class it was presided over by Mr. James Fawcett, who offered the opening and closing prayers. Miss Luella Allison and Mr. Wm. Fawcett also led in prayer. The responsive reading of Psalm 37 was led by Mr. Willis Robinson. Mrs. R. Crowder told an interesting story to the children about a Chinese boy and how he was taught to love everyone. Seeing yourself in the other fellow's place and acting accordingly is what bein a true Christian means, she said.

Matt. 6:24-34 was read by Edward Annable who gave an excellent message from versus 28 and 29 of that chapter. He asked us to take thought of the lily, first of how it is well-rooted in the ground and, so ought we to be well-rooted in the Christian faith, deriving our spiritual food from God and from His word, and spreading our influence through the world like the fragrance of the lily. Like the lily too we should hold ourselves upright and be honest and honorable. Our lives will then produce an impact on others, and we will pass on some of the personality of Christ. He urged that our lives be pure like the white lily and that the beauty of God be manifested in our lives.

Mr. W. J. Cass will conduct next Sunday morning's service.
