Old Rink Faces Demolition

Winchester Community Rink, once the most popular hockey arena in the entire district, will disappear from the scene early in the new year. Members of Winchester Community Centre Board met Town Council at the regular meeting in Council Chambers last Monday night and heard council's decision to have the rink demolished by Athens Demolition and Supplies. On the advice of Reeve Christie council agreed contract with the demolition firm should be drawn by a lawyer and since Town Solicitor F.M. Cass is not in his office at the present time it was decided to have such contract drawn by another legal firm.

If the demolition program can be undertaken immediately it is expected cushion boards and dressing rooms will be left intact for the balance of the season to allow for open air skating facilities.

The old rink served the town and community for some 43 years before being declared unsafe and further use forbidden. Many an old-timer and some not-so-old will recall pleasant memories of happy days spent at the familiar location.

Some of the district's finest hockey players emerged from town leagues of the past, and one need only think of the famous Inkerman Rockets to remember a few. It was the home of many trade fairs, colourful pageants and all types of community gatherings.

By spring of 1970 it will have passed into history and Community Centre officials optimistically hope the new centre will be in operation by next fall.

Community Centre Board Chairman Keith Carkner, speaking on behalf of the board, requested some financial assistance to make it possible to rent ice time in neighbouring arenas during the winter season. A motion was passed authorizing the expenditure of up to $1,000 for this purpose.

THE NEWS in Brief

Special Edition Next Week

This is the final regular edition of The Winchester Press before Christmas 1969. Please note, however, that a big Christmas special in the form of a 32 page tabloid will go into the mails on Monday. Most subscribers should receive their copy before Christmas if Mr. Kierans department is on its toes.

The Press will also publish between Christmas and New Years. And although the dateline will read Thursday, January 1st, 1970, the issue will be distributed not later than Tuesday, December 30th.

First regular edition of the new year will appear on Thursday, January 8. The complete plant of The Winchester Press will be closed on Christmas Day, Boxing Day and New Years Day.

Choose Site For New School

The new elementary school planned for Mountain Township will most likely be built on the Earl Francis property, west of South Mountain and south of the Nation River.

This was the word from W.M. Hutchinson, Superintendent of Education following a meeting on December 9th of the S.D.&G. Board of Education. Mr. Hutchison said the board had considered the several factors presented to them and finally decided on the above mentioned site.

Approval to purchase the property has already been requested from the Ontario Department of Education.

100 Club Meeting To-Night

Winchester 100 Club's regular meeting will be held tonight at Henderson Hall. Proceedings will get under way at the usual time (7:00 p.m.) and since this is th Christmas meeting all members will be exchanging gifts.

Members are also requested to bring along a toy, gift wrapped and marked 'Girl' or 'Boy'. These toys will be distributed where club officials feel the need is greatest.

The executive urges all members to be present.

Bell "Master Plan" Shelved

Changing conditions, and inflationary pressures in the Canadian economy were cited by Bell Canada as reasons for cancellation of a master plan for the national region.

Such a plan was announced on March 13, 1969 and called for expenditure of some eight million dollars over the coming four years to extend local calling and to make urban telephone service available in 16 telephone exchanges in the greater Ottawa area.

When financing permits, says a Bell Canada spokesman, the plan will again come up for review.

Mrs. C. Shanette Wins Hockey Draw

Mrs. Clifford Shanette of R.R. 3, Williamsburg was the lucky winner of $105 when North Dundas Hawks conducted their draw at a recent game. Coach Joel Steele had one of the hockey officials make the draw. Mr. Steele said the draw was a success and greatly assisted in club financing.

Maxville May Host World Pipers

The village of Maxville may be the site of a world championship piping competition in 1972 according to Glengarry Highland Games Secretary John Jamieson. Mr. Jamieson said the Pipers' Society of Ontario has been requested to make representation to the Scottish Pipe Band Association and if an agreement can be reached it will mark the first time such a competition has ever been held outside Scotland.

The annual event attracts approximately 90 bands and it is understood the proposal to hold the event in Canada is being given serious consideration.

An undertaking of this nature will require a tremendous amount of community effort and it has been suggested it might take at least two years preparation and a considerable amount of capital.

Winchester Council Has Problems

Bylaw Will Restrict Snowmobile Activity

Winchester Council members unanimously agreed at Monday night's meeting to have the town solicitor draw up a By-Law giving them some jurisdiction over snowmobiles.

The action came as a result of complaints from many residents, from school authorities and also from the hospital.

The By-Law will prohibit the driving of snowmobiles on the sidewalks at any time, and also prohibit the driving of these sports craft inside the town limits between the hours of 11:00 p.m. and 8:00 a.m.

Attention was drawn to the fact that patients have been awakened late at night by the roar of these machines and some thoughtless drivers often cut through private property destroying valuable landscaping and shrubbery. Council hopes strict enforcement of this new By-Law will solve the problem.

Winchester Public School teacher Gerry Heinsma brought some of his pupils to a meeting of the town council last Monday night to give the youngsters an opportunity to see first hand the intricate workings of a municipal government.

Reeve Don Christie welcomed the students who displayed a keen interest while watching and listening to councillors conduct the town's business. Councillor Dawley suggested they make a special note of the cost of education adding that with this figure in mind they might better understand what Dad means when he says "Sorry, no show tonight".

Eric Steele reported to council he had received approval from Ontario Water Resources Commission to hook on to town water supply, but was experiencing some difficulty regarding proper outlet. Reeve Christie assured Mr. Steele the matter would be studied early in the new year. Councillor Dukelow suggested the time had come for the town to extend its limits by annexation and other councillors agreed serious thought should be given such a measure in 1970.

Town superintendent Reg. Freeland reported Well #1 working satisfactorily but trouble still developing with excessive sulphur in both other wells. Mr. Freeland reported chlorination was not the answer and a new costlier treatment was being tried.

Some minor repairs to town truck and fire equipment were approved.

Clerk Annable read a letter from Ontario Minister of Highways regarding council's request for some definite action on proposed By-Pass. The Minister's letter gave little or no encouragement to local authorities and one councillor described the letter as a dignified way of telling Winchester Council that Provincial departments will take action when 'good and ready'.

A letter from Solicitor F.M. Cass outlined information necessary before another Community Centre hearing is held, and most members of council expressed some annoyance at what they termed Provincial authority's lack of co-operation.

It became evident there is a close relationship between the three proposed major projects - By-Pass, Sewer Program and Community Centre - some concern was expressed that the town was enmeshed in a merry-go-round of government red tape.

Further correspondence with Queen's Park will be carried out but members agreed all such letters be cleared with the town solicitor before release.

Five Accidents
area mishaps mar weekend

Winchester Woman Suffers Injuries

Mrs. Ralph MacPherson, Winchester, suffered a cracked vertebra when the car in which she was a passenger skidded on an icy patch of ice and swerved off the highway at Merrickville last Friday evening.

Mrs. MacPherson is a patient in Winchester District Memorial Hospital where her condition has been listed as satisfactory. Four other passengers in the car suffered only minor bruises.

The five Winchester ladies were returning from the Hospital for Sick Children at Smiths Falls where they had spent the day helping hospital attendants prepare for Christmas. This is a good deed performed annually by the local group.

The 1968 Crysler, owned by Ken Summers, was driven by his wife and other passengers included Mrs. T. Vanbrider, Mrs. Bert Barton and Mrs. Jennie McIntosh.

The car was severly damaged.

Student Hits Teacher's Car

Ron Annable, 18, of Winchester may have been forced to 'stay after school' last Monday. While proceeding to his studies Monday morning driving his 1963 Envoy he encountered difficulty when the brakes failed as he approached St. Lawrence Street from Fred Street. Out of control the car proceeded onto the highway and slammed broadside into the side of a 1966 Plymouth which was proceeding north.

This just wasn't Ron's day. Driver of the Plymouth was his home room teacher, James A. Lemon.

Damage to the student's car was estimated at $250 and the teacher's car $350. Constable R. Benham of Winchester O.P.P. investigated.

Minor Injuries In 3-Car Crash

Susan R. Scharf, 17, of South Mountain suffered scalp, head and knee injuries in a collision involving three cars near South Mountain early Saturday morning. The accident was investigated by Constable John Burke of Morrisburg Detachment of Ontario Provincial Police and total damage was estimated at $4,000.

The accident occurred when a 1960 Plymouth, driven by Doug Levere, 19, of Brinston was in collision with a 1967 Chev driven by Don Vanbridger of South Mountain. The Levere car swerved off the road but the Vanbridger auto remained where it had been struck.

Miss Scharf, driving a 1969 Volkswagon collided with the back end of the stalled vehicle causing extensive damage to her car and receiving minor injuries herself.

Damage to the Scharf vehicle was estimated at $800; to the Vanbrider $1,600; and to the Plymouth $1,600.

Winchester Lions Plan Assistance For Fire Victims

Following a disastrous fire that destroyed the house and contents of the David Vidal family last Saturday night Winchester Lions have set up a fund to assist the destitute family.

Fire of unknown origin completely destroyed the home at approximately 7:00 p.m. Saturday and although no injuries resulted the family lost all their belongings.

Their home was located in Mountain Township, two miles west of the intersection of Highway 31 and Morewood Road.

Mr. and Mrs. Vidal have three children, two girls and one boy, the oldest being only five years of age.

Winchester Lions Club, under the direction of Health and Welfare Committee Chairman Gordon Sutton have organized a drive to assist the family and donations will be accepted by Mr. Sutton himself at his corner store. Both Bank of Montreal and Royal Bank officials have kindly offered to make their facilities available also and donations will be accepted at these locations.

Mr. Vidal is a mechanic and the unfortunate family will face a bleak Christmas this year.

Lion members urge all area residents to make a contribution even thought it be small, to help bring the joy of Christmas to a family in great need.

Too Many Cheese Plants?

A committee appointed earlier this year to investigate problems of the dairy processing industry suggests that price supports and subsidies have helped maintain plants which should have gone out of business long ago.

The committee report recommended that provincial agriculture department should provide an incentive to assist cheddar cheese factories to close November through March if there is not sufficient milk intake to assure an eight hour shift.

The committee also recommended that the province provide partly-forgiveable loans to encourage and stimulate efficient milk plants into buying out and closing inefficient plants.

Small milk plants are gradually disappearing from the local scene and the two last to go are the Scharf plant at Hulbert and the Miller plant at Williamsburg. Both these milk processing factories have been absorbed into the rapidly expanding Ault Milk Products Limited in town.

Milk Truck And Car Collide At Ormond

No serious injuries resulted when a car driven by Douglas J. Boyer, 39, was in collision with a milk truck driven by Gordon Bowen, 46, of Vernon at Ormond last Thursday.

The transport, owned by Maurice Ladoucer was struck as it crossed the intersection and damage was estimated at $200 when the load shifted and a heavy rear spring was broken.

Damage to the car was more severe and Mrs. Boyer, who was with her husband, suffered facial cuts and a sprained ankle. Constable Doug Whyte investigated.

Two Car Crash At South Mountain

No injuries resulted but two cars were damaged in a collision at South Mountain last Saturday.

A 1962 Chev, driven by James K. Thorpe of South Mountain collided with a 1961 Chev driven by Raymond Patterson, also of South Mountain and both vehicles were damaged in the impact.

Constable Norm Sarault of Winchester Detachment O.P.P. investigated and toatl damage was estimated at $800. $300 to the Patterson vehicle and $500 to the one owned by Mr. Thorpe.

SHOPPERS!
check those store hours

The final Christmas push is on and last minute gift givers can shop nights in most Winchester tores from now until Christmas Eve. Exception to the after six shopping pleasure are the food stores which will remain open evenings starting next Monday, December 22nd.

All stores are expected to shut down Christmas Eve at six o'clock. But they will be open all day, Wednesday, December 24th.

One point to especially note. ALL stores in Winchester will NOT remain open on January 2nd as previously advertised. A special announcement to this effect appears elsewhere in this issue of The Press and the Chamber of Commerce, sponsors of the advertisement for the shopping convenience of everyone, is especially emphatic that this important point be made quite clear.

As it stands now "some" places of business will remain open on January 2 and "some" will remain closed. Persons interested in shopping on that date should check with the individual store owner to determine his policy

All other hours as announced remain the same.
or refer to advertisement appearing elsewhere in this issue.

Morrisburg Man Heads Soil And Crop Association

Martin Schneckenburger of Morrisburg was elected President of Dundas Soil and Crop Improvement Association at the Annual Meeting recently. The meeting was well attended and dealt with 1969 projects reports and special committee reports.

Bob Hawley, Ontario Crop Insurance Commission, reviewed the availability of crop insurance and pointed out that only fifteen crop insurance contracts were taken out in Dundas County in 1969.

Barry Tolton from the Farm Economics and Statistics Branch reported on crop cost studies that have been conducted in Dundas County on grain corn, silage corn, spring grain and hay, in the past two years.

R. MacVicar, from the Central Experimental Farm, lead an interesting discussion on the subject "Farming to Suit the Environment". He cautioned farmers on some of the problems associated with various crops and urged them to "grow the crop that suits the land".

Other highlights of the meeting included - presentation of the "County Farmer of the Year" certificate to Aurilien Cayer, R.R. 3, Chesterville; nomination of Hugh Blaine, R.R. 1, Mountain, as County Nominee for the Regional McNish Award and presentation of the Champion Grain Corn Production Award to John Vanden Bosch & Son, Chesterville. The Vanden Bosch yield was recorded at 140 bus. per acre at 15.5% moisture.

Election of officers resulted as follows: Past-president, Harold Lannin; President, Martin Schneckenburger; 1st Vice-president, Lorne Henderson; 2nd Vice-president, Baden Renwick; 3rd Vice-president, Aurilien Cayer; Secretary-Treasurer, W. D. Keys.

Directors: Matilda Township - Orville Smail, Gordon Cooper, Karel Groniger and Landon McInnis. Mountain Township - Jack Nelson, Arthur Milne, Hugh Blaine and Harold McMenomy. Williamsburg Township - Richard Casselman, Bernard Brunt, Wilburn Robinson and Harry Pepers. Winchester Township - Malcolm MacGregor, Stan Vanden Bosch, Gerry Brugmans and Carl Smith. Directors-at-large: Eric Casselman, Angus Smith, Mason Robinson and Mahlon Zeron.

1970 Membership Tickets in the Association are available from the Directors or the Department of Agriculture in Winchester.

Christmas Gift

Two Winchester Service Clubs joined forces early last Saturday morning to offer assistance to a man in need of a helping hand. Working together the two clubs shared the cost of material and workmanship to winterize the home of Ted McNairn in Melvin Settlement east of town. Both clubs work continuously for the betterment of the community and when a need arises it is not unusual to see them working on a united front.

Pot Luck Supper, Birthday Highlight St. Paul's WMS

Members of St. Paul's W.M.S. took advantage of their regular meeting to help Mrs. Inglis celebrate a birthday. In a lovely setting of candles and Christmas flowers twenty members and guests sat down to a bountiful 'pot luck' supper last week in the Sunday School Room.

A lovely birthday cake was presented to Mrs. Inglis by Mrs. R.L. Ledgerwood and the honoured guest shared the delicious confection with her friends.

President Mrs. R. Ledgerwood opened the meeting with a welcome to all and Mrs. Delia Robinson read minutes of last meeting.

Correspondence was read by Mrs. Campbell and Mrs. H. Wilson and members were pleased to note that Mrs. C. Cooper has returned home from the hospital. Treasurer's report was read and Roll Call was answered with Scripture containing the word 'Star'.

Musical entertainment was presented by Mrs. Ed. Creaser and Mrs. Hugh Wilson. Mrs. Folkard and Mrs. Inglis were in charge of devotional period and several Christmas carols were sung by members.

Meditations was taken by Mrs. Folkard and this was followed by prayer by Mrs. Inglis.

Mrs. Ledgerwood closed the meeting with prayer and wished everyone a Merry Christmas.

Personals . . .

Recent callers of Mr. and Mrs. Dwight Baker and family and Mr. and Mrs. Irwin Baker were Mr. and Mrs. Solan Whitteker, Mr. and Mrs. Harold Baker, Mr. and Mrs. Archie York and Mr. and Mrs. Garret Oostabaan.

Brian Heaton of Brockville visited Mr. and Mrs. Harvey Barkley, Robert and Martin on Thursday.

Sunday evening dinner guests of George Acres were Mr. and Mrs. Gordon Armstrong, Cheryl, Kevin and Heather of Carleton Place and Elizabeth Baker and Patti Armstrong of Vernon.

Mr. and Mrs. Bob Bennett spent Tuesday evening with Mr. and Mrs. Lloyd Beckstead.

ENGAGEMENTS

Mr. and Mrs. John C. Hatcher, Winchester, wish to announce the forthcoming marriage of their daughter Sandra Faye to Lyle Edsel Smith, son of Mr. and Mrs. Angus Smith of Chesterville, Ontario. The marriage will take place in the Winchester United Church on Saturday, January 10, 1970 at 4 o'clock.

* * *

Mr. and Mrs. Norman T. Robinson of Vernon, Ontario, wish to announce the forthcoming marriage of their daughter, Sandra Lynn, to Kenneth James, son of Mr. and Mrs. Bennett Quaile of Blossom Park, Ontario, on January 17th, 1970, at 6:30 p.m., St. George's Anglican Church, Vernon, Ontario.

60 Members, All Units, WinchesterUCW Annual Supper

All units met in the Sunday School rooms last Thursday at 6:15 for their annual Pot-luck Supper and meeting. The rooms were decorated in traditional Christmas manner. There were over 60 ladies present and they were cordially welcomed by the President, Mrs. Raymond Earl.

The devotional period followed a very sumptuous supper. The unit leaders, Mrs. H.G. Barton, Mrs. Eldon Davidson, Miss Aleitha Coons, Mrs. Sam Ault, Mrs. Bert Link and Mrs. Basil Dawley conducted the Christmas devotions in a candle light service with appropriate readings. Christmas carols were also sung.

The program for the evening was entitled Christ comes to us in Our Brother. The leader was Mrs. H.G. Barton, the first story "St. Nick flies the oil flare trail" was read by Mrs. Eldon Davidson. The second story "Edna Eldorado" was read by Mrs. Sam Ault, the third story "Bachelor Mother" was read by Mrs. Basil Dawley, the fourth story "Harrington Harbour at St. Anthony" was read by Mrs. Bert Link and the fifth story "Christmas at Union Station" was read by Miss Aleith a Coons. Between the stories Mrs. Bill Collins sang very sweetly an old Huron Carol "Twas in the Moon of Wintertime" and Mrs. H.G. Barton played "Silent Night" on her violin. The pianist for the evening was Mrs. Howard Fetterly. The committee was thanked most graciously by Mrs. Raymond Earl who also wished everyone a very Merry Christmas.

After a short business meeting, Mrs. Gordon Coons, in her jovial way, made sure that Santa was present to give a gift to everyone. The meeting closed with the Mizpah benediction.

W.I. Meets

The W.I. met in the Orange Hall Monday evening with Mrs. Ralph Johnston presiding.

Roll call was answered by donations to Community Centre Fund instead of exchange of Christmas gifts.

It was announced that two 4-H members from Club 1 received Provincial Honours.

Tickets will be sold on a quilt draw to be made at a later date. Mrs. Hubert Carkner took charge of the programme. Christmas carols were sung and a ballet dance by Sandra Gray was enjoyed by all. The 3 Wilson sisters from Ottawa were present and demonstrated their skill with several numbers. They were accompanied by Piper Lawrence Munro.

Mrs. A. H. King Dies Following Lengthy Illness

Mrs. Arthur Henry King of Morewood died December 13th following a lengthly illness. She was in her 75th year.

Born in India she married the late Mr. King in Ottawa in 1945. One step-son, John Franklin King survives.

Funeral service was conducted by Rev. Donald Gordon, Monday, December 15th. Pall bearers were Ronald Dillabough, Harold Stewart, Donald Runions, Cecil MacNabb, Earl Stewart and Jim Parkin.

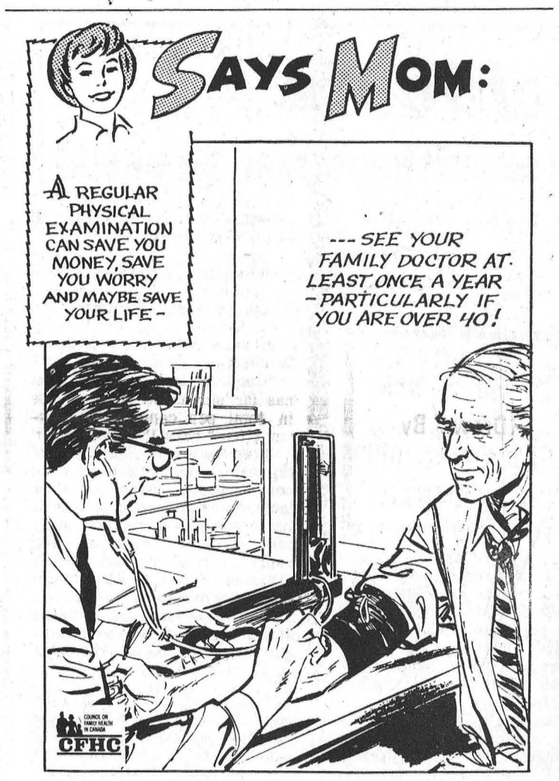
Interment was at Pinecrest Cemetery.

Married Fifty Years

Christmas fifty years ago was an unusually happy one for a young couple enjoying their first Christmas together. Mr. and Mrs. Dave Ireland were married that year on December 19th and the popular area couple will celebrate the 50th Anniversary of that joyous occasion this Saturday. Both 'Dave' and 'Myrtle', as they are best known throughout the Metcalfe district, have always been active in all community endeavours. Mrs. Ireland has served faithfully on many community organizations including church and Womens' Institute while Dave, also an ardent church worker, is known throughout the Ottawa Valley for his curling prowess. Friday night, at East Osgoode Memorial Community Centre friends will gather to help celebrate the important milestone in the lives of the district couple, and the Press joins in extending a sincere wish for many more happy years.

Couple Married At Kemptville

Mr. and Mrs. Wesley Durant were married in the St. John United Church, Kemptville, on November 22nd. The bride is Leanne Marie Dalton, daughter of Mr. and Mrs. Gerald Dalton of Kemptville. Mr. Durant is the son of the late James Durant and Mrs. Pauline Fowler of Kemptville. Rev. Eric Read officiated.



Knox WMS Yule Meeting

Seventeen ladies attended and took part in the Christmas meeting at the Knox W.M.S. at Mountain on December 9th at 8 p.m.

Mrs. Arthur Kerr presided assisted by an appointed committee. The program consisted of carol singing, a Merry Christmas Acrostic, a contest of jumbled words in the Christmas Story and a Christmas meditation which was narrated by Mrs. Arnold Simzer.

During the worship service, Mrs. Kerr and Mrs. Graham sang "Redeemer Divine". A poem "Was It Really So?" and a short reading "The Personal Message of Christmas" were read by Mrs. W.E. Graham who also read "I'll Be Home For Christmas" just before the singing of the closing carol and prayer.

Mrs. Earl Eaton, Presbyterial Evening secretary, a special guest, brought greetings expressing pleasure at being able to attend.

A reading "Why we Give Gifts at Christmas" was read by Mrs. Simzer, after which she and Mrs. Kerr passed out the exchange of gifts from a decorated tree.

A social time was enjoyed around a beautifully decorated table when the lunch committee served refreshments.

On behalf of the visiting ladies Mrs. Simms voiced a vote of thanks for a well spent evening.

Two Special CBC Christmas Eve Telecasts

Special television coverage of a Midnight Mass service from St. Mary's Basilica in Halifax and an experimental Christmas celebration from Toronto will be presented on the CBC-TV network Wednesday, December 24th.

The Midnight Mass will be telecast from 10:30-11:30 p.m. from the downtown Halifax church. It will be celebrated by Monseigneur Richard J. Murphy, assisted by priests of the Basilica. Also featured is the 80-voice church choir under the direction of Father Joseph Pottie. Organist is Christopher Moreash.

Over the years the CBC department of religious programming has worked with the churches to develop new forms of worship especially for television. An example of this continuing development is "Earth's The Right Place For Love", a Christmas celebration, 1969, an hour-long colorcast at 11:30 p.m.

This year's Christmas celebration was conceived for the United Church by the Rev. Ronald Atkinson. He is consultant to Celebration a centre of contemporary worship for the United Church of Canada.

Earth's The Right Place For Love is a festival of the birth of God in man. In an environment of projection of contemporary life and events, participants experience birth, rejection, penitance, renewal, love, offering and, finally, rejoicing.

This program, produced in Toronto's Studio 7 by Garth Goddard, will be repeated on CBC-TV Ontario and Quebec network edition of Church Service on Sunday, December 28th, at 11 a.m

Honour Church Board Officials

Two men who have given over 30 years of service on the Official Church Board of Edwards Pentecostal Church and their wives were honoured last week. Pastor and Mrs. Donnan held a banquet at Winchester's Country Kitchen in their honour at which time a presentation was made on behalf of the Church Board and the Congregation.

Both Mr. Waddell and Mr. Shirley graciously replied and recalled some of the many rich experiences and blessings they had enjoyed in the past.

The pastor on behalf of the congregation, wished them many years of continued blessings.

Special guests on this occasion from Hamilton were Rev. and Mrs. J.H. Blair who have spent over 50 years in the Ministry. Rev. Blair was a former resident of the Metcalfe area.

Rev. Donnan is pictured, left, with Mr. Waddell, centre, and Mr. Shirley.

Pension Increase For Retired Teachers

Pension increases of up to $900 a year for many of Ontario's retired school teachers was announced last week by William G. Davis, Minister of Education.

Mr. Davis told the Legislature that effective January 1, 1970 the present minimum pension will rise to $2,100 a year from the present $1,200. The change will effect some 2,290 teachers who are now receiving less than the new minimum.

At the same time, the minimum pensions to dependents of deceased teachers will rise from $600 to $1,050 a year. Mr. Davis estimated that among those who would benefit would be 286 widows who now receive less than $1,050.

Mr. Davis said the new minimums will be integrated with the amounts the pensioners are receiving from the Canada Pension Plan. As a result the Government of Ontario guarantees each pensioner that the amount he receives from the Teachers' Superannuation Fund plus the amount from the Canada Pension Plan will not be less than $2,100 for the retired teacher and $1,050 for dependents of deceased teachers.

The plan will cost the Province at least $1,569,000 annually.

The pension increases were recommended by a special committee appointed by Mr. Davis to study requests by the Ontario Teachers' Federation. The committee is continuing its study.

Poultry Demand Shows Steady 3.3% Increase

The demand for poultry meat will probably increase annually by 3.3% to 1980. This increase can be attributed to population growth, increased incomes, and other meat prices.

Professor E.C. Hunt, Department of Poultry Science, Ontario Agricultural College, says that consumption of poultry meat has been increasing at the rate of 5.6% each year since the second World War.

"Consumption of poultry meat has far surpassed the 1.3% rise in total per capita meat consumption," says Professor Hunt.

After the war the bulk of poultry meat consumed was of the heavy roasting type. With the technical revolution in the breeding and the feeding of poultry broiler chicken consumption rose rapidly. Since the early 1960's a similar trend in turkey broilers has taken place.

"The egg industry," reports Professor Hunt, "is also undergoing rapid change, especially in terms of farm numbers and marketing approaches." Based on population growth, he predicts an increase of 20 to 25% in egg consumption by 1980, an increase of about 2% per year.

Final Tribute Paid Memory Mrs. John Martin

Funeral services for Mrs. John Martin, a resident of Morrisburg for more than 40 years, were held Thursday, December 11, at 2 p.m. at Fairbairn Funeral Chapel.

Mrs. Martin, the former Sophia T. Cranner was born September 19, 1875 at Osnabruck Centre. She was the daughter of the late Isaiah Cramer and his wife Mary Colquhoun. She was educated at area schools and in 1900 she married John Martin of Morrisburg, who predeceased her in 1939.

Mr. and Mrs. Martin farmed at the Nash Creek area on the eastern boundary of the village of Morrisburg. In 1944 Mrs. Martin left the farm to live with her daughter and son-in-law. Mr. and Mrs. William Eckford, on Highway 2 west of Morrisburg At the time of Seaway rehabilitation, Mr. and Mrs. Eckford and Mrs. Martin moved to Brinston.

She leaves two daughters: Mabel Eckford of Brinston and Mrs. George Bolton (Muriel) at Long Island, New York. She is survived by four grandchildren and several great grandchildren. Two brothers: Niles Cramer, Morrisburg and Irvine Cramer and one granddaughter predeceased her.

Burial was in Fairview Cemetery, Morrisburg.

Pall bearers were Percy Gilmour, William Smail, Floyd Thompson, Lorne Strader, Harry Smail and Stanley Shaver.

Rev. J. Stewart officiated at the ceremony.

South Mountain WMS Gathers

Misses Edna and Lou Hunter were hostesses for the December meeting of St. Andrew's Presbyterian Church Auxiliary to W.M.S. President Mrs. A. Shaw conducted the meeting assisted by Secretary Mrs. G. Blow.

Special guest for the occasion was Mrs. E. Eaton, Chesterville, Secretary of Evening Auxiliaries of Brockville Presbyterial.

Program convenor Miss J. Cameron presented a Christmas program with hymns and Scripture reading. Rev. J.J. Hibbs showed a film, "Let's keep Christmas".

Wesley and Philip Long sang enjoyable duets accompanied by Miss Edna Hunter at the piano. Rev. Hibbs conducted an Installation Service for the 1970 officers and closed the meeting with prayer.

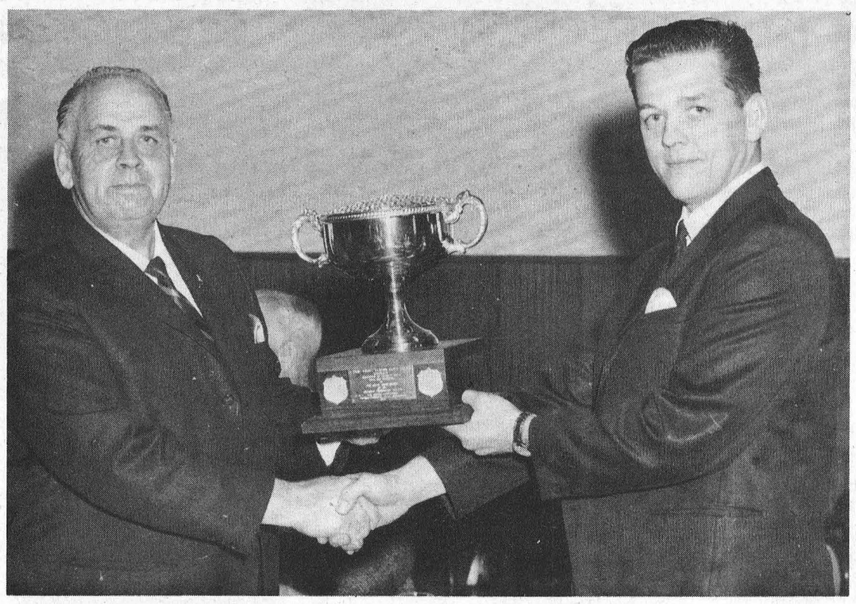
Lunch was served and a social hour followed.

Hyndmans

Dwight Barkley has returned home from the Kemptville District Hospital.

Mr. and Mrs. Lloyd Conley, Mr. and Mrs. Peter Carson and Eliza of Ottawa, spent Sunday at the home of Mr. and Mrs. Lorne Conley.

Mr. and Mrs. Hubert Robinson and Mr. and Mrs. Irving Robinson spent the weekend in U.S.A.



OPP Detachment Wins Trophy

At the regular meeting of the O.P.P.A., members of Morrisburg Detachment of the Ontario Provincial Police became the first recipients of the Eric Hamilton Silk Trophy for No. 11 District.

Morrisburg officers had the highest score in the District in the annual shooting competition with an average of 94% out of a possible 120.

The Silk Trophy was donated by the Ontario Provincial Police Association to each of the 17 Districts in the name of Commissioner Eric Silk. The trophy marks the occasion of the 60th Anniversary of the O.P.P. and is for annual competition.

Assistant Commissioner J.L. M. Needham, on behalf of Commissioner Silk presented the Trophy to Prov. Const. V.W.V. Wilson assistant representative for Dundas County. Also present at the meeting were Superintendent A. Campbell, Inspector R.K. Chalmers, Sergeant Major J.E. Legate, all of No. 11 D.H.Q. and Inspector F.R. Blucher, G. H.Q., Toronto.

A New Combined Billing

FOR HYDRO, WATER AND SEWER SYSTEM CUSTOMERS

In Winchester

INTRODUCTION OF NEW MACHINES AND TECHNIQUES WHICH WE BELIEVE WILL FACILITATE BILLING AND PRODUCE GREATER EFFICIENCY NECESSITATES A NEW COMBINED BILLING SYSTEM FOR HYDRO, WATER AND SEWER SYSTEM CUSTOMERS.

The new billing system will be introduced the first of the new year. On January 10, 1970 a bill for one month only to water customers will be sent out. If you are a commercial user of hydro electric power your rates for the month of December will also appear.

On February 10th the regular new combined billing will get underway. This billing will include on the same card rates for domestic and commercial hydro as well as rates for water and sewer system customers. Billing for all, except commercial hydro, will be made every two months. Commercial hydro will continue to be billed monthly.

IN MEMORIAMS

RICE—In loving memory of a dear father, Carl Rice, who passed away December 23, 1963.
Gone is the face I loved so dear,
Silent is the voice I loved to hear;
Too far away for sight or speech
But not too far for thought to reach.
Sweet to remember him who once was here,
And who, though absent, is just as dear.
33p —Daughter Alice

FOLKARD—In fond and loving memory of our parents, Mr. and Mrs. George Folkard—Dad, September 16th, 1949; Mother, December 25th, 1965.
Time takes away the edge of grief,
But memory turns back every leaf.
33p —The Family

BALDWIN — In loving memory of my husband, Gordon, who passed away December 20, 1959.
There's an open gate at the end of the road,
Through which each must pass alone;
And there's a light we cannot see,
Our Father claims his own.
Beyond the gate our loved one Finds happiness and rest,
And there is comfort in the thought
That a loving God knows best.
—Sadly missed by Tessie. 33c

HALL—In memory of my dad, William Hall, who passed away December 15th, 1969.
It's not the tears shed at the time
That tell of the heart that is broken,
It's the lonesome tears
In the after years
When dad's name is spoken.
—Ever remembered by daughter, Marjorie Garlough and family. 33c

HOY—In loving memory of a husband and father, Alex Hoy who passed away December 25, 1968.
To-day recalls the memory
Of a loved one gone to rest,
And those who think of him to-day
Are those who love him best.
The flowers we lay upon his grave
May wither and decay,
But the love for him who lies beneath
Will never fade away.
33c —Wife and family

Pakistan Building Program

Metcalfe And District Lions Assist

Metcalfe & District Lions Club voted unanimously in favour of assisting an International Lions project to build homes for residents of East Pakistan. The decision was reached at the regular dinner meeting last week at which District Governor Ernie Moore favoured the club with his official visit.

Mr. Moore told club members of his recent trip to the Lions International Convention in Tokyo Japan. A District Governor from East Pakistan, he said pleaded for his people and told a story of extreme poverty and lack of housing accomodations in a country where inhabitants live in mud and thatch homes that wash away with each big rain and have to be rebuilt.

The gathering of Lions from all parts of the world learned that assistance from CARE, OXFAM, and other welfare organizations combined with government programs made it possible to build a home in Pakistan for $33.00. The District Governor expressed the hope that each club in his region would contribute this amount and assure one destitute family a home.

Mr. Moore also told the local club he had been advised a section of the new community would be named after various Lion clubs and one had been designated as A-4 and possibly some local towns would find streets named in their honour.

Metcalfe and District members felt such a request deserved a high priority and presented their Governor with a cheque for $99.00 to make three homes possible.

In other business the club reviewed its Christmas programs and heard reports from various committees. Members also agreed that in addition to the minor hockey program on Saturday the club would purchase ice time to afford an opportunity for boys too young for hockey and also young girls to enjoy skating.

A small registration fee will be charged and time alotted for this program will be Saturdays from 4:00 p.m. to 5:30 p.m.

The Club will observe its 10th Charter Anniversary in January and Past President, Gordon Morrow, who is chairing the Charter Night Committee, reported an elaborate celebration is being planned for Saturday, January 31st.

Accepting The Cheque

Following a club decision to assist a home-building program in East Pakistan Metcalfe and District President Roy Porteous presents a cheque for $99 to District Governor Ernie Moore.

THE OPP REPORTS

Special Christmas Message

Christmas is a magic time of year for the very young and the young at heart. Throughout the years Christmas has been embellished with many beautiful traditions making this the most festive of holiday seasons, while stressing the message of 'Peace on earth and goodwill to all men!'

This the time of year we experience the joy of giving. Two blessings which will make our gifts more meaningful are health and happiness. These gifts can't be bought.

While it is not in our power to give these gifts, we do have the power to take them away. The thoughtless driver that causes accidents, can bring pain and sorrow to innocent victims and their families.

This is the reason that this Christmas we propose a different kind of tradition to keep the season bright. Extra care and caution while driving during the Christmas season and throughout the coming year is one of the best gifts we can give as a gesture of goodwill to all. This special kind of "Caring" is in true harmony with the spirit of Christmas and it is one which costs us nothing in the way of monetary value.

The Ontario Provincial Police of Dundas County wish to extend very best wishes for a happy and safe holiday season to all and hope that the coming New Year will bring you much happiness.

Motorists - with Christmas holidays starting this weekend for our children, we should start driving more defensively. Be prepared to stop suddenly in the event a child should dash out in front of you, or slip and fall on the icy roads into the path of your car. Be extra careful when you see children playing near the road; reduce your speed and be prepared to stop. Let us help make this a Christmas they will remember - not regret.

Ontario Provincial Police patrolled 10,600 miles while working a total of 998 hours. During this time 43 charges and 51 warnings were issued under the Highway Traffic Act of Ontario.

Officers from Morrisburg and Winchester Detachments investigated 2 thefts, 3 break and enters, 1 disturbance and 18 miscellaneous complaints.

One person was charged under the Liquor Control Act of Ontario while 2 persons were arrested and charged with impaired driving.

Officers were kept busy on area highways investigating 8 property damage accidents and 2 personal injury accidents in which 3 persons received minor injuries.

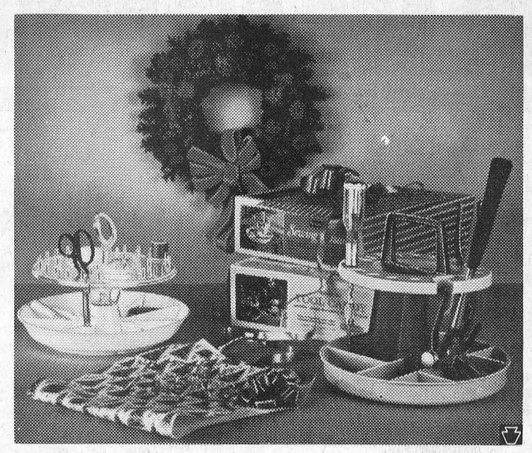
Provincial Judges Court was quite active last week with officers spending 18 hours in Court while registering 103 convictions.

On Friday, December 12, 1969, a Christmas Party was held in Morrisburg at the Royal Canadian Legion for Dundas Counties Safety Patrol in recognition of the fine work they are doing.

Although the party on Friday night was not the first one held for the School Safety Patrol, it was the first time that a party was held in which the combined safety patrol for Dundas County was in attendance. Students from Morrisburg, Winchester and Williamsburg Public Schools attended the function.

At this time I wish to thank the Legions from Morrisburg, Winchester and Williamsburg for the financial assistance given. Special thanks to Stuart Peters, Ross McConnell, Mrs. Ralph O'Brien, Mrs. Linda Miller, Miss Rosanne Veilleux and Miss Diane Laperrier who all helped in making the party a rousing success.

The Magic of Christmas



The happy anticipation you feel when a friend or relative opens that gift you so carefully chose is part of the magic of Christmas. The pleasure is even greater when you know the gift is just right.

But shopping for something that sets off that "just right" spark can be frustrating and tiring — especially during the busy holiday season.

Shopping early is the best way to beat the "what will I get for so and so" blues. Unfortunately, it's too late for that now, but there are some tips to make it easier.

- Take an hour or so to write out a complete shopping list.
- An estimate of how much you want to spend for each person on the list saves time and trouble of looking over a myriad of products either over or under your price range..
- Scan magazines, catalogs, newspapers and pay attention to radio and TV ads for gift ideas or suggestions that might give you an idea.
- Keep in mind, usually, it's the simple, useful, non-gimicky gifts suited to the individual, that give the most pleasure.
- Don't spend all your shopping time in the traditional gift sections of stores. A visit to the housewares department, or hardware store, for example, might prove most worthwhile.

Two inexpensive gifts from the not-so mundane world of housewares that are fun to give and great to receive are the Rubbermaid Tool Caddy and Sewing Susan, produced in Mississauga, Ontario.

The two-tiered Tool Caddy revolves on a turntable base and holds a hammer, pliers, screwdrivers, files, and drills — the bottom tray is compartmentalized for nuts, bolts, nails, tape — all the odds and ends that accumulate in a tool box. A Tool Caddy for Dad, uncle or grandfather is sure to please — and that young man on your list who is turning into quite a handy-man will be thrilled with a caddy filled with shiny new tools.

The Rubbermaid Sewing Susan will spin joy into the heart of any lady from nine to ninety. Taking a cue from its lazy namesake, the Sewing Susan revolves on a turntable base to bring all contents within easy reach. The bottom tray of the two-tiered susan has compartments for pins, buttons, measuring tapes, gauges, tracing wheels, chalk and even sewing machine attachments.

Both items, available at housewares stores everywhere, will fit anyone's budget —and may be the "just right" gift for someone on your list.

Some Christmas Safety Suggestions

Canadians preparing for Christmas should pay particular attention to the tree and lighting, the Canada Safety Council says in a holiday message.

To keep the tree from becoming dangerously dry, it should be stood in a pail of water. The tree should be located away from fireplaces and heaters and be so situated that it does not block exits needed in an emergency.

Last year's lights should be checked carefully for cracks and breaks because they tend to deteriorate during storage, P.G. McLaren, General Manager of the Canada Safety Council's public section, warns.

Highly conductive tinsel should not be hung on the tree near electrical outlets. Householders planning extra fancy outside holiday lighting should have the wiring checked by a qualified expert, Mr. McLaren says.

Wrapping strewn around the living room constitutes another fire hazard and should be removed soon after the gifts are opened.

At the risk of sounding negative on such a festive occasion, the Council says parents should cut down the traffic in the kitchen when the bird and other delicacies are being prepared. A painful scald is much more negative.

Make sure the only casualty during the holiday season is the turkey.

Reeve W. A. Taylor Officially Opens New Ice Plant At E.O.M.C. Centre

Dr. W.A. Taylor, Osgoode Township Reeve, officially opened the new artificial ice plant at East Osgoode Memorial Community Centre last Thursday night and told those present the newly renovated building with its modern ice facilities was the result of a great deal of hard work and careful planning. He reminded ratepayers of the additional costs and suggested that with community co-operation it would prove a valuable asset.

The Reeve was introduced by East Osgoode Memorial Community Centre Board Chairman Bill Armstrong.

A much smaller crowd than was anticipated watched an interesting hockey game between Ottawa's M & W Rangers and an All-Star aggregation from Metcalfe and district.

The 'Rangers', coached by Lorne Woods, proved too powerful for the local boys and scored an easy 10 to 3 win.

Metcalfe coach Bill Linegar experienced some difficulty as some of his players were unable to be present because of examinations and others had to leave early for the same reason. Wayne Reid, star forward with last year's Metcalfe Junior 'B' team, played two periods, scored the home team's first goal and then had to rush off to play a scheduled game for Embrun in the Intermediate 'A' League.

Metcalfe goalie 'Butch' Wilson and forward Dean Holmes both who were both writing examinations the following day, also left early for some last minute 'cramming'.

Rangers led 4 to 0 at the end of the first period on goals by Don Belsher with two, and one each off the sticks of Bill Potter and Dan Cowley.

In the second period Reid put Metcalfe on the score board when he rifled a drive from close in but Belsher and Potter scored again to make the score 6 to 1. Rangers continued to dominate play in the final frame out-scoring the local boys 4 to 2. Potter picked up his third of the evening, Bonner, Fox and Cowley being other marksmen. For Metcalfe Pete Miller and Gay Ford each got one.

PICTURE

Donnie Honey and Johnny Kelly worked together on Metcalfe's highly-scoring forward line in the 1968-69 season but the speedy duo was broken up this year when Kelly moved into the 'A' class with M & W Rangers. The two popular players faced off against one another in last Thursday's game and later chatted with their coaches. Left to right. M & W Coach Lorne Woods, John, Donnie and Coach Bill Linegar.

Combines Affiliate With Flyers

Latest word on the hockey front is that Morrisburg Combines are now affiliated with Cornwall Flyers, a team managed by Walter Moss and coached by Danny Beggs. This move will tend to strengthen the local team throughout the season and fans are assured a better brand of hockey. The Combines are now in second place in the standing following their decisive win over Embrun last week. Big Doug Casselman led the team with three goals as they coasted to a 10 to 3 win.

Embrun marksmen were Terry Kelly, Ron Bertrand and Wayne Reid. Official standing as of December 15th follows:

League Standing

	P	W	L	T	Pts.
Syracuse	10	6	3	1	13
Morrisburg	9	5	3	1	11
Kempville	8	4	2	2	10
Renfrew	9	3	5	1	7
Emrun	10	2	6	2	6
Shawville	7	2	4	1	5

Only 4 More Home Games

Combines fans should note there are only four more 'Home Games' in 1969. Tomorrow night Friday, December 19th, Kemptville visits Morrisburg with game time 8:30 p.m. Sunday, December 21st, Morrisburg will host Shawville at 2:00 p.m., Tuesday, December 23rd, Embrun will meet Combines at 8:30 p.m., and Sunday December 28th, Syracuse will be 'in town'.

This is the only occasion when the team from across the border will play in Morrisburg arena before play-offs begin. Combines' management arranged this game during the holiday season to give local fans and former residents home for Christmas an opportunity to see the American team.

Hawks, Jets Remain In League Cellar

Metcalfe 'Jets' picked up a win during the week at the expense of Winchester's North Dundas Hawks in a hard fought battle at Metcalfe. A large crowd saw Winchester take an early lead and completely dominate play for the first half of the game. The home boys faltered, however, half way through the second period and Metcalfe controlled play in the final frame. A goal by Doug Harten, with only minutes to play broke up the 3-all tie and gave Metcalfe the win.

Both teams lost Sunday afternoon. Winchester was completely out-classed by Cardinal suffering an 8 to 2 loss and at the same time Morrisburg moved further into the lead with a 7 to 4 victory over Metcalfe.

Official standing as released by League Secretary December 15th follows:

League Standing

	P.	W	L	T	Pts.

Games To Come

Games this weekend: Friday night Alexandria at Metcalfe.
Saturday night: Metcalfe at Cardinal. Sunday afternoon: Prescott at Winchester.

Bob McClintock In Top Ten

Bob McClintock, North Dundas Hawk's flashy forward, has scored six goals and assisted in 12 more to tie, with three other St. Lawrence Junior 'B' League players, for 10th spot in the scoring race. Metcalfe's Honey and Miller are still league leaders. Latest report compiled from referee's reports are as follows:

The Spirit Of Christmas

It hardly seems possible but this is the final regular issue of The Winchester Press before Christmas day 1969. Next Monday we come out with a big, feature-packed special edition filled with greeting advertisements from more than 100 places of business in Winchester and the district. It is their way of saying "thank you and Merry Christmas."

At no other time during the year do any of us derive the pleasure, satisfaction and contentment we receive from the joys of Christmas. The pleasant associations of friends and loved ones, the spirit of good feeling and love for our fellow man are in evidence everywhere, and from these associations come a stronger confidence in those around us.

Christmas, even at a time of protests, moratoriums and pot, is important, perhaps more important than ever. It is the season of sincere goodwill, the spirit which should go with us the 364 other days of the year. Let us pledge ourselves toward this goal.

Merry Christmas Everyone!

Frank Thomas Shaver

Not too many of the younger generation will be aware of the importance of men like Frank Thomas Shaver. A bulwark of integrity in his own county of Stormont and a staunch Canadian citizen living in Eastern Ontario, Mr. Shaver died last week at the age of 88.

A familiar figure at political rallies for more than half a century, Frank Thomas Shaver was a Tory, and he could give you a dozen reasons why he was a Tory. He was also a former member of the Stormont, Dundas and Glengarry Board of Health, the St. Lawrence Sanatorium Board and he served in various other capacities with many groups over the years. A member of the Masonic Order and the Oddfellows, he had served as District Deputy Grand Master of both organizations. As the *Cornwall Standard Freeholder* said editorially, he was "truly a gentleman of the old school."

Perhaps the old school is not particularly appreciated or understood in to-day's jet set age. But it did exist. And most of us can thank God that there was such an era and that there were and hopefully still are men like Frank Thomas Shaver.

Food Still A Bargain

Food prices are the thorns in the sides of most Canadian housewives. There have been near rebellions, countless meetings, investigations, hearings and just plain disgust. Yet the prices, so the housewife says, continue to skyrocket.

Looking at the counters and shelves of to-day's modern food market one is inclined to agree. Most often the price is marked up from 27 to 37 cents. On occasion, like a sale item purchased at a Winchester store on the week-end, the price had dropped from 69 cents to 39 cents. Naturally, the housewife is irked by this kind of camouflage too. She believes the item was priced too high in the first place. And with a 30 cent drop on a 69 cent item she may have a point.

Statistics pointing up the high price of food will also reveal under proper study that food is still one of the great Canadian bargains. Canadians to-day spend 20 per cent. of their after-tax income on food. Twenty years ago, they were spending 25 per cent. Compare the following:

Using an hour's wage in 1948 (92c) against an hour's wage in 1968 ($2.58) the housewife can now buy 8.4 quarts of fluid milk instead of 5.3 quarts 20 years ago. In the same bundle of comparative statistics she can get two pounds of sirloin instead of 1.5 pounds; 13.2 pounds of bread instead of 9.9 pounds; 4.6 dozen grade A eggs instead of 1.5 dozen; and so on. At the same time, the study by the Federal Agriculture department's Economic branch points out that while the consumer price index increased by 36 per cent. overall in the 20 year period, the increase for food alone was only 33 per cent.

Even with statistics like these to bear out the point that food is still a good buy it is doubtful that housewives will be convinced. Doubtful, too, that Finance Minister Benson could buy much more than tobacco for his pipe on that now famous $30 per week.

A Special Christmas Gift

Don't know how things are around your way, but there's little doubt that we're going to have a white Christmas around here. Winter came in like a polar bear with a toothache, and I went off to work on December 1st as though it was mid-January. Prayerfully.

That is, wade through six inches of fresh snow, pray fervently as I try to start the car, breathe another little one of thanks when it goes, close my eyes and bomb backward down the driveway, muttering another supplication that I'll make the road, and then send up another few words of gratitude because I'd got my snow tires on the day before.

One creature who despises the whole business as much as I is our cat. It was bad enough for her before the snow came. Huge tomcats, black, white and piebald, littered the yard, and she'd sit on the picnic table, spitting and snarling at them with an air of chastity and virtue that is seldom seen these days.

She was in command of that situation. But when I chucked her out into half a foot of snow, her first experience of it, she almost went out of her head.

Skiers are delighted, of course, and that other insidious new breed, the snow-mobilers, are beaming all over their big, fat, red faces.

It's not enough that we should have our summers ruined by half-wits in motor boats and on motor cycles, tearing around polluting the water and the air, destroying the peace and endangering not only their own lives (who cares?), but those of everybody else within ramming distance.

Now we have their winter counter-parts. I can tolerate the snow-mobile as a handy tool for work, or for getting from one place to another under difficult conditions. But I haven't much time for those idiots who merely revel in the noise, the sense of power, and the stink, half-trained and often half-stoned, a menace to everything in or out of sight.

I'll bet poet Robert Frost is glad he's dead. Imagine trying to write a beautiful, haunting thing like Stopping By Woods on a Snowy Evening, today. Some moron would come charging out of the woods on a snow-mobile, frighten the horse, and the poet would wind up in a snow-drift.

I suppose I mustn't get churlish, with Christmas approaching. But if any snow-mobile manufacturer thinks he can bribe me into reversing my stand by sending me one of these infernal machines for Christmas, he's mistaken. I'd send it right back. In April.

Hope you're in better shape with your Christmas preparations than we are. Every year, at our place, the last week or so is about as organized as an Irish cattle sale.

But I'll bet you despise, as much as I do, those aseptic souls who buy their presents in September, have their colored lights out in November, and mail their cards on the first of December.

There's something about people like that that irks me. They're of the same species as those who work with a clean desk, never lose their rubbers, and smirk, "No thanks, I don't smoke," when you offer them a fag.

Perhaps the reason I can't stand them is that I hate myself. My desk looks like a bargain counter after a sale. I lose gloves, rubbers, hats, and important papers. I forget important things and remember trivialities.

One of these is buying clothes. I'd rather go into the jungle than a clothing shop. I have one suit, for all occasions, one two-year-old jacket, one pair of flannels with a hole in them. I have an old trench-coat about as warm as a silk nightie, somebody else's rubber boots, a pair of gloves with holes in both thumbs, and a golf cap for winter headgear.

So I shall leave this column lying about ostentatiously until Christmas. Maybe my family will rehabilitate me, at least outwardly.

However, I'll have about the nicest Christmas present I can think of, and it won't be wrapped. I'll have my dearly loved daughter home for the holidays.

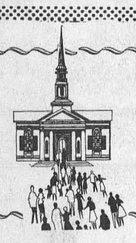
FIGHT TB AND OTHER RESPIRATORY DISEASES

Meditations . . .



REV. CECIL W. TUININGA

"The fear of the Lord is the beginning of wisdom". Proverbs 1:7

Wisdom is synonomous with learning. However, the learned man is not always wise. Wisdom is therefore also a right use of learning. A person is said to have wisdom when he is learned and knows how to apply it discreetly. Wisdom is more than knowledge.

But who is a wise man? Who has true wisdom? By nature none have it. Mankind has lost all true knowledge and wisdom. Of mankind Scripture says, "And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil." (John 3:19) No man can see the light except he believe in the only Saviour Christ Jesus, as Scripture declares, "I am the light of the world: he that followeith me shall not walk in darkness but shall have the light of life, " (John 8:12) and to believers Scripture says, "For ye were once darkness, but now are ye light in the Lord: walk as children of light." (Eph. 5:8)

From these passages we learn that the "fear of the Lord is the beginning of wisdom." Outside of God's Self-revelation in Scripture, where shall any man go to find the answers to life? How can he find the answers to the origin of man, his purpose on earth, his destiny, to mention just a few. He cannot! With a view to man's vain attempt to solve life's problems in the wisdom of man, the apostle Paul speaks these challenging words, "Where is the wise? where is the scribe? where is the disputer of this world? hath not God made foolish the wisdom of this world? (1 Cor. 1:20) We need only look at our world today to see that man's best efforts fail in solving the many problems of our complex times. If only men would seek help in the wisdom of God!

It is often precisely here that scoffers raise their objections. They are quick to point out that Christianity has failed, that faith has not helped, and that Scripture does not give the answer. At first sight it seems they are right. It seems that Christianity does have the answers. If it does, why is it now silent? It seems that the world's learned men have to seek for the answers.

It must be stressed that it only appears that Chrisitianity has no answer. It does have the answer, and it does proclaim it loudly. All our problems have their origin precisely in that men do not listen to that answer that rings clearly from God's Word. Yes, today God's Church on earth is faithful in proclaiming the only Light for this world groping in darkness. That Light is Christ Jesus, Who is for all who come to Him in faith, the Life, the Truth, and the Way. But men love darkness rather than light. Groping in darkness they accuse the Light for not giving light. Do we also love darkness rather than light, that is, do we trust human wisdom above God's wisdom? That is tragic, for all who continue in the way of darkness will spend eternity in Hell in outer darkness.

The Seventh Column

Because of the Yuletide season doing things to schedules publication dates of your home town newspaper will change somewhat. This week's issue is per usual, we hope. Next week a big, colourful 32-special tabloid edition for Christmas. And following that another regular issue of The Press, with a pictorial feature of the '60's carrying a dateline of January 1st, but reaching most homes by Wednesday, December 31st. First regular edition of the new year will come out on Thursday, January 8th, when we should be nearly back to normal. All of this with the blessing of Communications Minister Eric Kierans whom we hope makes a staunch New Year's resolution to improve postal service.

Talking about seeing C's. But a Christmas card emanating out of Metcalfe district this year is signed simply "The C. Reaney's." And brother, you better believe it. The card comes with all good wishes from Cecil, Charlotte, Cheryl, Colin, Chris and Cory. One might say it's a "crazy Christmas card."

News editor Joe Rowan got a little romantic this week as he reminisced about Christmases past. Joe says "we're really not that old" but we do remember dark quiet Christmases before the magic of Hydro brought light and noise to rural Ontario. There's something heart-warming about memories of sleigh rides over narrow country roads when farm homes, nestled in deep snow, were bathed in pale moonlight. Now the cheerful glitter of multi-coloured lights dots the countryside and villages come alive with attractive decorations and a myriad of Yuletide bulbs. Still the romanticist Joe concludes, "we're happy with those memories of yesteryear for now the mystic splendour of the moon has been tarnished with knowledge that it is simply a neighbouring 'rock pile'." Hey, Joe, you are getting old. The kids say that moon still looks pretty good to them, rocks et al.

Boston Bruins, hardest hit by the lack of them, have forwarded a motion that all players in the National Hockey League be required to wear head gear as of January 15th next. And that's the most sensible step taken by an NHL team or the NHL in many a moon. Just why there is opposition to this kind of protection is a little hard to understand. Sure, we'll agree that the wearing of a helmet or head gear may prove to be a little cumbersome at first. But after a few weeks it will be as much a part of the protection as hockey gloves or shin pads. The player who is worrying about his looks only is going to get beaned sooner or later . . . because he's already sick. Let's face it. Hockey is a hard hitting game. And any time there is contact the one piece of the anatomy which should be protected first and foremost is the head. And if the NHL does it the rule will be part and parcel of every league in the country in nothing flat. It's about time the NHL grew up in this matter and made the wearing of head gear compulsory.

And with Christmas and the New Year holiday just around the corner a reminder, an ageless one, that booze and petrol do not mix. If you do drink, don't drive. If you drive, don't drink. It's just about that simple unless you are a complete lame brain. The person who indulges and gets behind the wheel of a car and goes reeling down the busy thoroughfares becomes a potential murderer, suicide victim, or both.

Canadian businessmen are no prudes when it comes to office girls showing a bit of leg. According to Marketing Magazine opinion polls in two of the country's biggest cities show the overwhelming majority favour girls wearing miniskirts at work. In the Montreal poll 2,378 men said "oui" to the mini against only 351 who said "non." Over in Toronto the vote was 1,055 to 306. And the ratio exists right across the country. BUT when it comes to maxi coats the vote is almost completely turned around. We agree. The maxi is just about the worst thing to happen to women since Louis said "that's it" to Marie.

When it comes to football and the weather that scramble in the blizzard between San Francisco and Minnesota Sunday afternoon was the best we have seen. It was snowing so hard at the beginning of the game that it was hard to see the far side of the field. And when a fourth down measure was needed the officials used a broom to clear the snow off the yard markers. Taking the elements into consideration it was a good game with the great Vikings dumping the 49ers 10 to 7. All of which speaks well for Canadian football. Our weather is never that bad, except on a rare occasion in the West. And for the Vikings, winningest team in the States, its former Blue Bomber coach Bud Grant at the helm with former B.C. Lions quarterback Joe Kapp calling the plays. They could go all the way to the Super Bowl. But that snow! By final whistle time they needed a plow.

MERRY CHRISTMAS!

Win Provincial Honours

Two Winchester 4-H girls won Provincial Honours for completion of twelve 4-H Homemaking Club projects and received their awards at the Achievement Day at North Dundas District High School last Saturday. The two girls, both members of Winchester #1 Club, are pictured with Home Economist Mrs. H. Butt of Cornwall. On the left is Joan Allison of Inkerman. Mrs. Butt and Lynn Johnston also of Inkerman.

We Salute 4-H CLUB Members

Dundas County 4-H Stages Achievement Day At Winchester

Dundas County 4-H Homemaking Club staged their Achievement Day at North Dundas District High School last Saturday with Home Economist Mrs. Heather Butt present.

Each club presented unique exhibits and a fashion parade was a special feature of the day.

Provincial Honour pins and certificates for completion of twelve 4-H Homemaking Club projects were presented to Joan Allison and Lynn Johnston. Both girls are from Inkerman and members of Winchester #1 Club.

Completion of six projects was recognized with presentation of pins and certificates to nine girls. Those honoured were Lynn Swerdfeger, Ingleside; Diane Baker, Crysler; Joanne Baker, Crysler; Susan Craik, Morewood; Lorna Crump, Chesterville; Olive Gibeault, Crysler; Nancy Holmes, Winchester; Norma Johnston, Inkerman and Cynthia Gray, Winchester.

Visiting Home Economist, Mrs. Bette Miller of Cornwall congratulated the girls who proved by their many completed projects that 'Working With Wool' can be both fascinating and useful.

Represent Three Winchester Clubs

Three Winchester 4-H girls demonstrated their ability to 'Work With Wool' at Achievement Day last Saturday. Staged at N.D.D.H.S. club leaders expressed pleasure with the fine work accomplished by the young girls. Shown left to right are Sandra Moore of Winchester Club #2, Allison Coons, Winchester Club #1, and Lois Francis, Winchester Club #3 with their respective exhibits. These were only a few of the interesting demonstrations staged by 4-H girls.

Officially Open New Township Offices

The Honourable F.M. Cass, Speaker in the Ontario House, and M.L.A. for Dundas County officially opened the spacious new addition to Winchester Township Garage recently.

Mr. Cass congratulated the council for its efforts and told the large crowd present, that in his opinion, Winchester Township is one of the best Townships in the province.

Reeve Cecil MacNabb welcomed the visitors and explained the important part this new building will play in municipal administration. Rev. L.M. Ferguson led the group in prayer and following official ribbon cutting by Mr. Cass an enjoyable lunch was served in the council chambers.

Winchester Springs' UCW

The December meeting of the Winchester Springs U.C.W. was held at the home of Mrs. Cecil McIntosh. The president, Mrs. Davidson welcomed members and opened the meeting with a poem. Roll call was answered with a "Christmas Thought". During the business session it was decided the January meeting would be held at 2 p.m. It was suggested that ten to fifteen minutes of each meeting should be reserved for open discussion.

Worship service was conducted by Mrs. Geo. McIntosh, Mrs. Dalton Coons and Mrs. Cecil McIntosh. An inspiring Christmas service was presented by the group. Mrs. Dalton Coons read the scripture and Mrs. C. McIntosh gave a reading stressing the gift of faith. "Man walked on the Moon" was the title of a reading given by Mrs. George McIntosh. Worship service closed with the singing of carols and Mizpah benediction.

Mrs. Davidson thanked the group in charge and an enjoyable social hour followed.

TODAY'S CHILD

BY HELEN ALLEN

Toronto Telegram Syndicate

You can tell from his expression that Earl is a real flirt. This young fellow of Anglo-Saxon descent is 19 months old, a charmer with blue eyes and strawberry blond curly hair. Earl is a jolly boy himself and likes to make people laugh with comical expressions and antics. He is right at home with children and animals. Not in the least shy, he will smile and chatter with anyone who will pay attention to him. Earl was born prematurely and is therefore a bit behind the average in development. Until recently he had a good deal of respiratory trouble and still has a definite wheeze. He needs a warm, stimulating home with parents who will not be concerned over his health and will be patient while he catches up on his prematurity. It would be ideal if he could have brothers and sisters in his permanent family. To inquire about adopting Earl please write to Today's Child, Department of Social and Family Services, Parliament Buildings, Toronto 182.

Gordon Blair Reports

A Gallup Poll On Parliament

A recent Gallup Poll asked whether Canadians approved the way in which Prime Minister Trudeau was carrying out his campaign promise to make Parliament more efficient. The response was pretty evenly divided - 40% approved, 34% disapproved and 25% had no opinion.

Reactions to Trudeau

Obviously most of the answers were coloured by personal views on the Prime Minister. His admirers found him outspoken, honest and businesslike. His detractors called him a dictator and a playboy. His friends said "he was trying to get things done" while his critics claimed "he has done nothing constructive ....too much time wasted".

Understandably, our judgement on Parliament is swayed by our political and personal preferences. Very few of us are cold blooded political analysts and fortunately most of us have pretty strong views at any given time on the performance of our leaders. However, how well Parliament does its job is vital to us all.

Results of New Rules

How have the new rules worked? There are great improvements. Proposed legislation can now be introduced and made available to the public well in advance of discussion in the House. The new committees have worked well in the main. Here members have a much better opportunity to make an effective contribution and legislation is given much closer scrutiny than in the past.

Progress Slow

But progress has been painfully slow. In its first 36 days the House passed only 7 of the 71 bills listed at the start of the Session. The debates continue to have an almost unreal quality. Despite the prohibition in the rules, most members seem to read their speeches. There is little real "debate" in the sense of discussing what others have said. Much of the time of the House is occupied by prepared speeches taking the full 40 minutes permitted by the rules. Many are clearly designed for "home consumption" by a member's constituents or political supporters. This parliamentary irrelevance results in scandalously low attendance in the House with most of its real work being done in committee or elsewhere.

Shorter Speeces and T.V.

Thus it seems that other changes are necessary - not only in the rules but in parliamentarians themselves. It should be possible for the House to start looking at its rules again because the great passions aroused by last session's procedural debate have subsided. Two proposals made by the Hon. George Hees deserve serious consideration - cutting the length of speeches in half and prohibiting absolutely the reading of speeches. Other suggestions such as televising House debates deserve study with the view of making parliamentary proceedings relevant ane important to the average person.
