Three Make Escape In Winchester Fire

Fire thought to have been caused by an overheated furnace which broke out at midnight Thursday of last week, practically destroyed the Winchester Repair Shop and residence of Lorne Isaac, situated on Main Street E.

When the fire was discovered by Mr. and Mrs. Isaac, it had broken through the kitchen floor and, the couple, with John Chisamore, a brother of Mrs. Isaac, had only time to escape with what clothes they could grab, and then had difficulty in making their way to safety through the shop to the street.

The fire was brough under control by the Winchester Fire Department, under Chief Gilbert Raistrick, in about 90 minutes, and although it was prevented from breaking out of the brick building all the contents were so charred and damaged by water and smoke as to be practically worthless.

A spray truck owned by Benson George, RR1, Winchester, which was in the shop for repairs, was also badly damaged.

The total loss, of more than $4,000, is partially covered by insurance.

The Isaac family were given shelter at the home of friends.

Weekly Farm Report For Dundas County

Mild spring-like weather has hampered normal winter farm operations. There has been considerable flooding and ice formation on some of the new seeding in the County. In these regions there is liable to be smothering out of clovers and grasses.

Farmers are waiting for the opening of the American market as an outlet for some of their surplus stock. Some American buyers have already been purchasing springer cows for shipment to the States with prices being not at all encouraging. There seems to be some demand for weanling pigs with the general asking price from $8 to $10.

Feed and seed dealers report slackness in demand for concentrates and other mill feeds and only demand for seed. Fertilizer demands have been average. Registered No. 1 seed oats and barley are only in fair supply. Clover and grass seeds are in liberal supply with demand fairly keen.

Any farmers requiring help for spring will be well advised to contact the Employment Office as they must have an idea how many new Canadians they will require in this area for spring work.

CARD OF THANKS

We wish to express our appreciation to our loyal neighbours and friends for the many tokens of kindness given us in various ways in the loss of a loving wife and mother. Your cards of sympathy, which have been many, and your active deeds given us have been a great source of comfort in our great sorrow. We would like to say to each one "Thank you" with every ounce of our being; we will always remember.

Lennox Baker and family, Cannamore.

CARD OF THANKS

We wish to extend to our many friends, relatives and neighbours our sincere thanks and apreciation for the many acts of kindness, messages of sympathy and floral tributes received during our recent sad bereavement.

Mrs. A. T. David and family.

CARD OF THANKS

I wish to express my sincere thanks to all my friends and neighbours who remembered me with cards and treats while I was a patient in Winchester Hospital.

Mrs. Frances Moran.

CARD OF THANKS

I take this opportunity to thank my friends and neighbours for their many acts of kindness in looking after my stock and also for cutting my wood while I was a patient in the Winchester Memorial Hospital.

W. R. Fraser.
