Mr. F. F. Davidson Passes Suddenly

While engaged in doing the evening chores at his farm home, on St. Lawrence Street, South, on Saturday afternoon, Mr. Franklin Frederick Davidson suffered an acute heart seizure and is believed to have died instantly. About an hour after he had gone to the barn, his lifeless body was found on the floor of the hen-house. An examination by a physician at six p.m., revealed that he had been dead about an hour. This would indicate that he suffered the attack a few minutes after entering the barn.

The late Mr. Davidson was in his 67th year and was born at Winchester Springs, a son of the late James Davidson and his wife, Margaret Timmins.

He had been a resident of Winchester for the past 35 years and had taken an active part in the affairs of this community. In 1919 he served as a member of the Municipal Council, was a member of the Public School Board for several years, and had served as High School Trustee until December 1946, when he retired.

He was an active member and Pastmaster of Henderson Lodge, No. 383, A. F. & A. M., and an Elder in the United Church. He was also a member of several Agricultural Associations and was one of the district's most enterprising farmers.

Of a quiet, gentle disposition, he was held in high esteem by a wide circle of friends, who were shocked to learn of his sudden death and who will mourn his passing.

He is survived by his wife, the former Miss Elena Powell, whom he married 40 years ago; two daughters, Mrs. Harry Baldwin (Ruby), of Toronto, and Miss Joan at home; three sons, Eldon and Douglas, of Ottawa, and Charles, of Alexandria; also two sisters, Mrs. H. P. Hanson and Mrs. M. M. McQuaig, both of Kingston.

The funeral was held yesterday afternoon from the family residence to the local United Church, where service was conducted by the pastor, Rev. Norman J. Thomas.

During the service, the Winchester Male Quartette, composed of Messrs. Hugh Wilson, George McConnell, Thos. Reed and Fred Gibbons, sang: "In The Garden." Mrs. Howard Fetterly presided at the organ.

Following the church service, members of Henderson Lodge, No. 383, A. F. & A. M., conferred the last rites of Freemasonry on their departed brother. The ceremony took place at the church, with Wor. Bro. W. J. Stewart presiding, assisted by officers of the Lodge.

Interment was made at Maple Ridge Cemetery. The active pall-bearers, all of whom were brother Masons, were: Messrs. J. K. Ault, Earl Morgan, Dr. D. L. MacLean, Doug. Johnston, H. L. Flora and John M. Fader

Honorary pall-bearers were:—Messrs. Colin Hay, Jay Quart, Walter Moffat and Clarence Holmes.

Many beautiful floral tributes and the large concourse of friends that attended the funeral service testified to the high esteem in which the late Mr. Davidson was held.

LADY CURLERS HOLD CARD PARTY

The Ladies' Curling Club held a successful card party on Wednesday, Feb. 5th, in the dining room of the Hotel Winchester. Prizes were won by: Bridge—Mrs. Bell and Mrs. H. Willard; Euchre, Mrs. Lloyd Dixon and Mrs. R. MacPherson; Chinese Checkers, Mrs. J. Moffat and Mrs. T. Edgerton.

District Holstein Breeder Receives High Award

HON. T. L. KENNEDY PRESENTING TROPHY TO MR. W. J. FAWCETT.

Mr. W. J. Fawcett, prominent Holstein breeder of this district, received the highest honor that is within the power of the Holstein-Friesian Association of Canada to bestow, when he was presented with a Master Breeder Shield at the Annual Meeting of the Association, held Feb. 5th at Toronto. The actual presentation was made by Col. the Hon. T. L. Kennedy, Ontario Minister of Agriculture. Since the first such shield was presented in 1930, only thirty Holstein herds in Canada have received this coveted award.

To qualify for the title of Master Breeder, Mr. Fawcett has bred 6 Class XX bulls, 1 *Excellent, 2 Very Good, 3 Gold Medal, 6 Good Plus and 2 Excellent cows. All the females have production records at least twenty per cent. above the amount required to qualify in the Dominion Record of Performance. In addition, he has bred 1 Very Good, 10 Good Plus and 2 Excellent cows that have not yet fufilled the stringent Master Breeder production requirements.

"Bill" Fawcett was born at Chesterville in Dundas County and purchased his first Holsteins in 1920. The real foundation of his present herd, however, was secured in 1929 when he bought two cows, Sylvia Dimple Car Born, secured from A. D. Ralph, Kemptville, and Thelma Ottile Ponitac, from Milton Richardson, Mountain, Ont. These two females were shown at the Ottawa Winter Fair in 1930, Sylvia winning first prize in the Aged Cow class and going on to the Senior and Grand Championship and also winning the special R.O.P. class. Thelma, then ten years old, won the class for Aged Cows in milk and was third in the R.O.P. classification.

A son of Sylvia, Dimple Car Born, was the first prize Bull Calf and Reserve Junior Champion and became the Senior herd sire in the Fawcett herd. Mr. Fawcett considers him as probably the most outstanding sire that he has used.

For the past decade or so the herd has been bred on Rag Apple lines continuously on Record of Performance test since 1928 and consistently good records have been made but it has been Mr. Fawcett's policy to operate the herd on a practical basis and so there has been no forcing for exceptionally high records. Rather, the program has called for securing a calf a year from each cow together with good production on twice-a-day milking. Until 1942 the milking herd did not number over 16, but a new barn was built at that time to accommodate 24 milking cattle. Until 1946 the farm consisted of 100 acres, at which time Mr. Fawcett purchased another 100 acres. Among the prominent animals bred in the herd was the *Excellent cow Willola Car Born Bell. She was first prize Aged Cow, Senior and Grand Champion at the Kemptville Championship Show in 1941, and was second in the Aged Cow class in 1942 and 1944. She was also first at Ottawa in 1938 and 1939. Another prominent show winner was Willola Daisy Supreme who was All-Canadian heifer calf in 1945 and All-Canadian Junior Yearling heifer in 1946.

Not only is Bill Fawcett a good showman but he is an excellent judge as well, having placed the awards at many of the prominent shows in Eastern Ontario. He has served as Director of the Holstein-Friesian Association of Canada since 1943.

Letters to the Editor

Dear Mr. Editor and Village Councillor:—

Last week's issue of your paper contained within the report of the Village Council's recent session a most startling bit of information. It indicated that Council had appointed one of its members to assist the Village Clerk in his duties. Now obviously, when it comes time to appoint a successor to our present still capable clerk, the local citizen who has thus gained knowledge of the work to be done will be in the best position to apply for the appointment. On behalf of the Veterans who live in our Village, (and some of whom because they might also aspire to the position cannot bring this matter before the public) I desire to, and do, most strongly protest against this unfair advantage over War Veterans being given by our Council. I can assure you, sir, that the village books are not so complicated but that they can be mastered in a short time by any competent person. In addition, it should be expected of our Councillors on the finance committee that as a part of their service they would be sufficiently familiar with the village books to fill the need expressed, and rightly so, by the Council Board.

I say nothing about the invidious position into which Councillor Robinson has been manoeuvred by this appointment; the basis of good municipal government is that municipal employees, unpaid or otherwise, should not sit on the Council. The reason is obvious, the law is unequivocal.

May I express the hope that Council will reconsider this matter and give all interested an equal opportunity. I may also say that I am informed that this matter will be brought to the attention of Council by the local Legion Post.

Yours respectfully,
F. M. Cass.

Winchester, Ont., Feb. 11, 1947.

LATE J. C. STUART

Mr. J. C. "Cam" Stuart, widely known in Ottawa district agricultural circles for many years, died suddenly on Monday at his home near Dalmeny. He was in his 74th year.

Mr. Stuart was for many years transportation officer of the old Live Stock Branch, Department of Agriculture, and was well known to breeders of pure bred live stock throughout the district.

He was keenly interested in all agricultural affairs and was closely associated with exhibitions and winter fairs. For a number of years he was a director of the Central Canada Exhibition Association, and also held the office of president of the Ottawa Winter Fair. He maintained his connection with the Winter Fair until the time of his resignation from the Department of Agriculture.

He is survived by his widow, the former Florence Stevens; two daughters, Mrs. Donald MacLean, Ormond, and Miss Elizabeth Stuart, of Queen's University; three sons, John A. Stuart, Venezuela; Rev. J. C. Stuart, Boston, Mass., and Steven Stuart, of Ottawa; one brother, D. M. Stuart, Osgoode; three sisters, Miss Ella Stuart, reg. nurse; Mrs. Bessie McKercher, Ottawa, and Mrs. John Eamer, Osgoode; three grandsons and two granddaughters.

The funeral was held yesterday afternoon from the family residence in Osgoode Township. Interment was made at Spring Hill Cemetery.

CELEBRATE GOLDEN WEDDING

Sunday was a memorable day in the lives of Mr. and Mrs. John Redmond, two of Winchester's most highly esteemed citizens, when, with all surviving members of their family present, they celebrated their Golden Wedding Anniversary—50 years of happy wedded life.

The house was decorated with cut flowers, pink and white ribbons. During the afternoon the couple were presented with a floor lamp on behalf of the nieces and nephews and a purse of money on behalf of the sons and daughters, by their son, Donald. An address was read by their daughter, Mrs. Richard Scott. A buffet luncheon was served by several of the grandchildren.

Mr. and Mrs. Redmond were married by the late Rev. Mr. Serviss, pastor of the Inkerman United Church, at Oak Valley.

For 50 years Mr. Redmond followed the trade of cheesemaker at Winchester, Carleton Place, Casselman, Pakenham and several other places before retiring a few years ago. He learned the art of cheesemaking 58 years ago while in the employ of the late George Moulton, of South Mountain, and was reputed to be one of the best cheesemakers in Eastern Ontario.

Mr. Redmond is the son of the late Mr. and Mrs. Ira Redmond, and was born in Mountain Township 76 years ago. He is a member of the Wesleyan Methodist Church. He has two sisters, Mrs. Charles Aimes, of Herman, N. Y., and Mrs. Lemuel Ault, of Iroquois; and two brothers, Herman, of Ogdensburg, and Carmichael, of Herman, N. Y.

Mrs. Redmond was the former Etta Hutt, daughter of the late John Hutt and his wife, Levina Bellinger, and is in her 72nd year. She is a member of the Wesleyan Methodist Church. She has three sisters, Mrs. Elmer Johnson, Toronto; Mrs. William Rennick, Hallville, and Mrs. Electa Hurley, Inkerman; and three brothers, Preston, of Cornwall; Roy, of Hallville, and William, of Winchester.

The immediate family consists of two daughters, Mrs. Richard Scott and Mrs. Ruggles Desjardine, both of Winchester; three sons, Sparling and Dwight, of Prescott, and Donald, of Winchester. Mr. and Mrs. Redmond also have 14 grandchildren and one great-grandchild.

Telegrams, telephone messages and personal greetings were received during the day.

Week-End Blizzard Ties Up Traffic

Highway traffic was practically at a stand-still during the week-end when falling snow, accompanied by high winds, caused huge drifts to pile up on most roads. The storm started on Saturday afternoon and lasted until Monday afternoon. As a result, all side roads were blocked and the main highways were not cleared until late Monday afternoon.

With bus service cancelled from Saturday evening until Monday evening, several local and district people found themselves unable to return to their places of employment in the city until Tuesday. Several local citizens who had motored to Ottawa, Montreal and other points on Saturday, were forced to leave their cars behind and return to Winchester on the trains. Others remained where they were stranded until the roads were opened.

With the majority of students unable to reach Winchester on Monday morning, the local High School suspended classes for the day, there being only 51 students reporting for roll call.

The Melvin Cup Play-Off game between Inkerman and Winchester was also postponed, as the players could not reach town owing to blocked roads.

The heavy roads were a handicap to local doctors in making country calls, and also to the local undertaker who was called to the Vernon district, where a death had occurred. It was several hours before he could get through to the home of the deceased.

With the winds subsided, roads are gradually being opened up and by the week-end normal traffic will be resumed.

Junior Finals Start Tonight

The first game of the Central Ottawa Valley Junior Hockey League Finals will be played at the local arena tonight (Thursday) when the Inkerman Rockets and South Mountain will start a three-out-of-five series to decide which team will represent the League in the Ottawa District Playdowns for the Citizen Shield. The second game will be played at Kemptville on Saturday evening, and the third game in Winchester on Monday evening. Other dates will be announced later.

As these teams are fairly evenly matched, all contests should be keenly contested.

Admission prices for all Play-Off Games have been set by the participating clubs at 50c for Adults and 25c for Children.

INTERMEDIATE SEMI-FINALS

The first game of the C. O. V. League Semi-Finals will be played at the local arena tomorrow (Friday) evening, when Winchester will be opposed by Chesterville in a two-game, total goal series. The second game will be played at Chesterville on Monday evening. Winners of this series will be eligible for the final series to determine the League Championship.

FEED NEWS

FERTILIZER

We are taking orders for Fertilizer to arrive in March. All the regular mixtures are available but only 2-16-6 is in the granular form this year.

While 2-12-16 has been generally used for grain, 2-16-6 is replacing it because of it being in granular form. It is a little higher price per ton but in actual value it is cheaper than 2-12-6, having 4 per cent. more phosphate. Of course either regular or granular type may be used through a fertilizer drill. For potatoes or garden 4-8-10 is recommended.

Government subsidies have been removed and fertilizer prices are somewhat higher than last year.

Please call right away and let us know the kind and quantity of fertilizer needed so that we can forward the order before the car is shipped.

THE DIFFERENCE

"Life is a game. Play it according to the rules and you win," is a philosophy of error which finds ready acceptance in many quarters.

Life may be many things but it is not a game. Those who play at Life eventually discover that the penalty for losing is anything but a sporting proposition.

A game, whatever it's nature, never earns condemnation for the loser; pity perhaps,, but not the scorn and contempt which follows those who lose in life. The fellow who makes a losing error in Life generally receives condemnation. Ask the man in prison, for instance, if there is anything of a sporting nature about his incarceration.

Those who play games for fun, or for 'keeps,' even if they lose, always have another chance to play. Those who play Life as a game, and lose, find the door of opportunity forever closed against a repeat performance.

Games begin and end. Life is eternal and the consequences of a misplay are everlasting. The action words tell the story. We "play" games; we "live" Life.

A DESERVING AWARD

The awarding of the Master Breeder Shield, the highest honour that can be conferred on a Holstein Breeder in Canada, to Mr. William J. Fawcett, prominent local Holstein breeder, is a deserving recognition, and the Press joins in extending heartiest congratulations. Mr. Fawcett has spent much time and energy in the production of Pure Bred Cattle, and his contribution in this regard was bound to be recognized sooner or later. Only those who have been striving for years to raise the standards of Canadian Live Stock can really appreciate the efforts of Mr. Fawcett and his sons in breeding cattle that have taken top, or nearly top honours at several of the major Live Stock Exhibitions in Canada during the past number of years. We wish Mr. Fawcett continued success in his endeavours to achieve greater things in the breeding of Pure Bred Live Stock, and his desire to keep Holstein Cattle in Canada up to the highest standard, both for breeding and production purposes.

MY TOWN

My town is a place where my home is founded, where my vote is cast, where my neighbours dwell and where my life is chiefly lived. It supports me and I support it not only with taxes, but with loyal participation in all moves to make it better.

My town needs my citizenship, not my partisanship; my friendliness, not my dissension; my sympathy and intelligent support, not my indifference or knocks.

My town supplies me with friends, education, schools, churches, trade, entertainment, recreation, and the right to free moral citizenship. It has some things that are better than others. The best things I will seek to make better; and the worse things I will help to suppress. It is my town and as such is entitled to the best there is in me.

QUOTES FROM YESTERDAY

You cannot possibly have a broader basis for any government than that which includes all the people, with all their rights in their hands, and an equal power to maintain their rights.—Garrison.

* * * *

No great thing is created suddenly, any more than a bunch of grapes or a fig. If you tell me you desire a fig, I answer you that there must be time. Let it first blossom, then bear fruit, then ripen.—Epictetus.

EDITORIAL NOTES

It is not so much being free from faults and imperfections as overcoming them that is an advantage to us; it being with follies and weaknesses and errors, as with the weed of a field, which, if destroyed on the soil where they grow, enrich and improve it, more than if they had never sprung up there.

There have been no less than five instances during the past two weeks where children have perished in Canadian homes, destroyed by fire. In most cases, the parents of the children were absent from the homes when the fires occurred. During Fire Prevention Week, each year, the authorities stress the fact that little children should never be left alone in a house, especially in the winter months, when the home is being heated by a stove or furnace. It would look as though further emphasis is needed on this rule to educate parents that they are taking a great risk when they leave their children unattended in the home. A little precaution in this regard would save the lives of many innocent children.

Other Editors' Opinions

IT MAY HAPPEN!

(Brockville Recorder & Times)

We have an idea that nothing would please—or help—the Reds more than to see this continent go into a severe business slump and find itself unable to cope successfully with an ensuing depression.

HEADED FOR CRASH

(Hamilton Spectator)

The price race among those who cry "Get yours while you can," will, if carried to its selfish ends, result inevitably in a tailspin and probable crash. Some elements of labor are just as stupid as others in the scramble.

SNOW SHOVELLING

(Boston Post)

The public may well be grateful to Medical Examiner William J. Brickley for advice which should be followed during the winter season. Persons suffering from heart and kidney ailments should under no condition attempt to shovel snow. This is laborious work and may well mean sudden death to those not in top condition. Don't carry heavy bundles and don't over-exert in any way. It is timely advice.

THE ROAD TO MARRIAGE

(Ottawa Journal)

The training of a nurse, perhaps, it should be emphasized, is much more than a means to a decent livelihood, although that is important in itself. But it has the added merit of giving a young woman a variety of knowledge and experience of the greatest possible value in all the relationships of life—and the high marriage rate among young nurses shows that their qualities do not go without appreciation.

JUST RELAX

(Royal Bank Bulletin)

It is amazing what can be done by just relaxing. It may not be necessary to take a long sea voyage; all a man may need is to slacken his pace at periods during the day, loosen his necktie and shoe strings, put his feet up on his desk or another chair, and let the world roll by for two or three minutes without worrying about it. It has been found that a good proportion of persons who suffered heart attacks of the most severe nature, and adopted right measures of living, are still alive and enjoying life ten or more years later.

HE LIKELY WILL!

(Almonte Gazette)

Prime Minister Mackenzie King is now threatening to run again in spite of a pre-election declaration that this would be his last time. Soon the slogan will be "King runs again," just as it has been in the case of our old John L. Sullivan, of Marcellus, N. Y. Mr. King's threat to throw his hat into the ring once more reminds us of an old farmer who lived in North Elmsley. The help hated him because when they were plowing he stood in the fence corner as the shades of evening were falling and kept repeating: "one more round and then—"

SCHOOL BY-LAW DEFEATED

(Smiths Falls Record-News)

The proposed new $280,000 Public School, which has been to the fore locally, for some time, will not be built—for the time being anyway. Too bad! Local residents (ratepayers and others) who are keenly interested in improving the public school facilities, etc., and who had visions of seeing the proposed new modern-in-every-way Public School erected in Smiths Falls, within the next year, had their visions beclouded on Monday, when the by-law for the proposed new seat of learning was decisively defeated by the ratepayers by an almost three-to-one margin. There were 290 ballots cast in favour, and 693 opposed. The result was certainly a slam not only at the local Board of Education, but at the Provincial Department of Education as well.

"WOMAN OF STONE": Thrilling True Mystery

There were too many neat coincidences in the life of a woman. Five members of her family allegedly died of epilepsy—and she had insurance policies on all of them. A SUCCESSFUL MAN

When a railroad man stepped down from his cab in Ottawa on Saturday, January 11th, 1947, he ended 48 years service at the throttle of an engine. His name is John J. Moffatt.

Other railroad men have equalled his record in terms of years but few can say as he does that in 48 years of driving he has never injured a man in his crew nor wrecked a train. His feat assumes added importance in view of the character of his work.

He has driven in Mexico, in France and Belgium during the First Great War, and in Canada on the old Canada Atlantic Railway, the C. P. R. and the C. N. R.

Once he ran from Regina to Saskatoon through a blizzard that lengthened a nine hour trip into a 113-hour battle against snow. He and his crew shovelled their way through, taking 5 days to do it.

Success in life is not always to be measured by money accumulated, by honors won, nor by positions attained. Mr. Moffatt is a case in point. His work has not been done under the public eye. Not often has his name appeared in print, but he definitely belongs in any list of successful Canadians now living.—(An Editorial from the Fort William Times-Journal of January 16th).

A Tribute To Mrs. Moffat

While Mr. Moffat was faithfully performing his duties as Engineer, his beloved wife was just as faithful in the duties of their home, moving from place to place as her husband was moved. She had the care and training of a family of three sons and two daughters, all of whom today are making worthy contributions to the life of the community where they reside. All have shown themselves worthy of the self-sacrifice of their noble mother, who looked well to the ways of her household, and her children truly arise up and call her blessed, and her husband praiseth her.

Although shut-in at present, she has many friends who delight to visit her.

—One who knows her.

Mrs. Moffatt is a sister of Mrs. Herman Summers, of town.

It's lonesome at home without you, Dad,
And sad the weary ways,
For life is not the same to us

If we had all the world to give,
We'd give it, yes, and more,
To hear your voice and see your smile,
And greet you at the door.

Cherish him with care,
You'll never know a heartache
Till you see the vacant chair.

The funeral service for the late Dr. Alex Gemeroy, who passed away on Tuesday, January 21st, was held the following Friday at the Andrews-McLaughlin Funeral Chapel, Edmonton, Alta., with Rev. George Edwards, pastor of First Baptist Church, officiating. Following the regular service, members of Ivanhoe Lodge, A. F. & A. M., of which the deceased was a member, conferred the last rites of Masonry. Burial was made in Edmonton Cemetery.

Relatives of the deceased who attended the funeral were his wife, his mother, Mrs. Joseph Gemeroy, of Winchester; Messrs. Fraser and Harold Gemeroy and Dr. Gilbert F. Gemeroy.

A member of the Edmonton public school board from 1942 to 1946 and a former president of the Edmonton Dental Society, Dr. G. Alex Gemeroy, 51, died at his home on Jan. 21st. He had been in ill health for more than a year.

Dr. Gemeroy was born at South Indian, Ont., and was a graduate of the University of Toronto. He went to Edmonton in 1921 and started his dentistry practice. When the University of Alberta set up its dentistry department several years later, he joined the department staff—a position he held until his death. He was a former secretary of the Western Canada Dental Association. He was elected twice to the Edmonton public school board and retired at the last election due to ill health.

His practice for the past year has been carried on by a brother, Dr. Gilbert F. Gemeroy, a former captain with the Canadian Dental Corps.

Dr. Alex Gemeroy was a Dental Sergeant in the R.A.M.C. during World War I.

Surviving are: Mrs. Gemeroy; his mother, Mrs. Joseph Gemeroy, of Winchester, who has been living in Edmonton for about a year; six brothers, Gordon F. Gemeroy, of Seattle; Dr. J. Conrad Gemeroy, of Detroit; Dr. Gilbert F. Gemeroy, of Edmonton; Dr. D. G. Gemeroy, of Rutgers, N. J.; Harold F. Gemeroy, of Calgary; and Herbert A. Gemeroy, of London, Ont.; and three sisters, Mrs. Mary Bowden, of Winchester; Mrs. C. Couglar, of Morrisburg, and Mrs. Jack Keyes, of Montreal.

LATE MRS. H. WHITTAKER

THE MIXING BOWL

BY Anne Allan HYDRO HOME ECONOMIST

Hello Homemakers! The true griddlecake lover enjoys eating them in the kitchen—when he can. He sits at a whitt kitchen table, flanked by a deep-lipped pitcher filled with rich looking syrup and the other essentials for a perfect griddlecake meal. Some citrus fruit, spiced sausages and coffee are the only other foods needed apart from the griddle cake ingredients. There he sits, and as the lace edged pancakes or patterned waffles are baked and come off the iron, he eats his fill. That is a profile of the true and ardent griddlecake fan.

Barring the privilege I told you of, let us hope the electric waffle iron is set upon the dining room table. Because "hot off the griddle" is the best quality waffle.

WAFFLES

2 cups sifted cake flour, 2 eggs separated, 1-4 tsp. salt, 3 tsps. baking powder, 1 1-4 cups milk, 6 tbsps. melted shortening.

Using electric mixer, beat whole eggs 1 min. using high speed. Add the milk and beat for 1 min. Add the sifted dry ingredients. Add melted shortening and beat for 15 sec. at high speed or until the mixture is thoroughly blended. Makes 8 or 10.

GINGERBREAD WAFFLES

1-3 cup shortening, 1-3 cup boiling water, 1-3 cup molasses, 1-3 cup of sugar, 1 egg, slightly beater; 1 cup flour; 1-4 tsp. salt, 1-4 tsp. soda, 1-2 tsp. baking powder, 1 tsp. ginger, 1-2 tsp. cinnamon, 1-4 tsp. cloves.

Place shortening in a mixing bowl and pour boiling water over it. Add molasses, sugar and egg. Stir in flour, sifted with salt, soda, baking powder and spice. Cook mixture in hot waffle iron. Serve with syrup or with cottage cheese. Makes 3 or 4.

SOUTHERN PANCAKES

1 cup buttermilk, 1-2 cup sweet milk, 1 egg, well beaten, 1 tsp. soda, 1-2 tsp. salt, 1 tbsp. melted fat, 2 tbsps. cornmeal, 2 cups flour.

Mix ingredients in order given. Bake in electric waffle iron or sizzling hot greased griddle pan. When bubbles form, turn and brown on other side. Serve with sausages—or with fruit for dessert. Makes 10 or 12.

ORANGE PANCAKES

1 1-2 cups prepared pancake flour, 1 1-2 to 2 tbsps. grated orange rind, few gratings nutmeg, 1 tbsp. sugar (optional), 1 1-2 cups milk or water.

To pancake flour, add orange rind, nutmeg and sugar. Add liquid, stir until batter is smooth. Turn into pitcher. Fry as directed for pancakes. Serve hot with butter and honey. Makes 8.

TAKE A TIP

1. Use a scant measurement of salt with flour for thin batter mixtures.

2. Use salt-free fat to grease griddles and waffle irons since salt causes mixtures to stick to metal. Melt fat and skim off a small amount from the top to use. Pork fat is better than butter as the latter burns easily.

3. When electric waffle iron is preheated to bake, it is ready to use. Heat griddle pan until it is hot but never smoking before pouring in the batter.

4. Pour batter from a pitcher about 1-3 cup at a time. Do not spread batter. Allow about ten to twelve mins. on each side to brown—when bubbles begin to form in pancakes, it is time to turn and when steam stops coming forth from side of waffle iron it is time to lift out.

5. Stack pancakes and waffles on end to prevent sogginess. Serve on hot plates.

6. Spread soft butter (neither hot melted) on waffles and top with maple syrup.

THE QUESTION BOX

Mr. C. J. asks: How do you prevent gravy from becoming greasy?

Answer: Let the juice in the pan stand for 3 or 4 mins. after you remove the meat, then skim off the top grease and save for baking. Brown about 4 tbsps. flour in a skillet pan and quickly stir in the meat juice. Add hot water or potato water to thin to desired consistency.

Mr. B. K. says: What makes fried liver very hard?

Answer: Liver should be wiped with a dry cloth—never soak or wash it. Pork liver may be scalded. Saute quickly in hot fat; browning both sides, then cover tightly and cook 5 mins. on electric element turned low. This method prevents liver from becoming tough.

NEWLYWEDS HONOURED

A very enjoyable evening was spent at the home of Mr. and Mrs. Clarence Holmes, Winchester, on Wednesday night, February 5th, when about one hundred friends and neighbours gathered in honour of their son, Keith, and his bride, the former Miss Kathleen Acres.

The evening was spent in music and social intercourse until about 10.30 when the young couple were called to the floor, and an address was read by Mr. Glenn Holmes, while the presentation of two occasional chairs and a magazine rack was made by Messrs. Hilton Reid and George Quart. Keith made a very fitting reply on behalf of himself and his wife, thanking all for the gifts, and invited them all to come and visit them in the future. All joined in singing "For They Are Jolly Good Fellows," after which lunch was served by the ladies. Following is the address:

Dear Keith and Kathleen—We, your friends and neighbours, feel that we should not permit the happy occasion of your marriage to pass without meeting with you and extending our best wishes for a long and joyful married life.

It is our fervent hope and prayer that no cloud will ever darken the horizon of your wedded life, and that sorrow and unhappiness will never be your companions.

You, Keith, have impressed all those with whom you have come in contact, with your high ideals, manliness and courage. You were one of the first of those gallant heroes to answer the call of King and Country during the recent World War. This, we will never forget. We are proud to call you friend and neighbour, and it is our sincere wish that you will long remain with us.

To you, Kathleen, we extend a hearty welcome to our community. We hope that you will be happy in our midst and will make our homes your home.

And now, on behalf of the friends and neighbours of this community, we ask you to accept these gifts as a mark of the esteem in which you are held.

Signed—Hilton Reid, George Quart, Glenn Holmes.
