Ice breaks out of Nation

Ice begins to break out of the South Nation River at Chesterville Sunday afternoon. Cold temperatures this spring have kept the flood to below-normal levels with no threat yet of the river rising above its banks although a prolonged spell of milder weather coupled with rain could still create havoc along the lower stretches of the water course. Already, roads are flooded in the Brinston flats and Oak Valley farmers are having to use tractors to travel the water covered roads. - staff photo -

$400,000 tax break from 1977 strike

CORNWALL (Staff) - Last Year's five-week secondary school teachers strike is going to save SD&G taxpayers about $400,000 and will hold their 1978 school taxes to an increase of less than three per cent.

This was the major fact that came out of last Wednesday night's presentation of the board's $35.4-million 1978 budget.

The small increase in secondary school taxes will not be reflected in the elementary panel where the increase will be 12.68 per cent.

Secondary education accounts for two-thirds - $23.2-million of $35.4-million - of the total budget for 1978. This is an increase of $2-million.

Last year's teacher strike saved the board $1.4-million, with $1-million of this being returned to the province. The $400,000 saving is being passed on to ratepayers through their municipalities.

Without the strike, the increase to secondary school supporters would have been 3.13 mills. The amount rebated because of the strike will be 2.2 mills, leaving secondary school supporters with a .9-mill increase.

Officially the board will still requisition the 3.13 mills but the 2.2-mill rebate will be included on each ratepayer's tax bill.

With an average residential assessment of 35.48 mills, the board will be requisitioning $6.522-million from municipalities this year. The province will pick up the rest of the secondary school tab.

On the elementary side of the budget, tax bills will increase an average of 3.95 mills to an average residential assessment of 35.11 mills, for an increase over 1977 of 12.68 per cent at the local level.

The board will levy $4.587-million on municipalities for public elementary school education with the province paying $7.63-million.

Overall, the elementary panel budget has increased 5.3 per cent over last year while the secondary panel has increased 5.8 per cent. The province's contribution to the elementary budget increased 1.91 per cent, leaving the taxpayer to pay the difference, while in the secondary section the province's share of the total increased 4.75 per cent.

Ingleside water charge waves still spreading

INGLESIDE (Staff) - Ingleside's ratepayer committee is exploring all avenues of approach on the water question and may even consider taking legal action against council, committee chairman Garry Crites told The Record Tuesday.

After the way council treated the people (at the ratepayer meeting) Thursday night, the people have realized that council intends to continue dealing with Ingleside's problems on a crisis basis which the people of Ingleside are definitely against and are determined to change," he stated.

"The residents aren't kicking about $250 - it's the way council is going about it - why don't they put it on a normal tax?"

Mr. Crites said residents have been asking since 1971 for council to set up a reserve fund for emergency situations but to date council has refused.

"We'd like to think further ahead, not just to the present day. I've never heard of another township working that way."

"You can't go on with your head in the sand," he stated.

According to clerk-treasurer Lloyd Marcellus, the water works have been accumulating a surplus since 1972, but Mr. Marcellus did not have the exact figures for the breakdown between the water and sewage works available.

Asked whether this surplus could have been used to build up a reserve fund Mr. Marcellus said "there is a possibility, but it hasn't been done".

Kraft Food Inc. plant manager Eric Johnson said in his "personal opinion as a resident of Ingleside" council should have set up a reserve fund.

"You would have had it (the water bill) partly paid for and the shock of a sudden bill of $225 wouldn't have been as bad."

Residents who pay the $250 by April 17 receive a $25 discount.

Mr. Johnson said Kraft, the town's major water user, had not been asked to negotiate. Council approached them with a request to pay $35,750.

Were council to ask for more, said Mr. Johnson, he would have had to approach head office.

Mr. Johnson would not say what would have happened if council had asked to negotiate in the first place because that too would have been handled from head office.

Thursday night 200 angry ratepayers jeered council on the water question.

A full report on that meeting is contained inside this week's Record.

Board optimistic about Elma addition

ELMA (Staff) - Elma Public School may have its long-awaited gymnasium this September, superintendent of education H.K. MacLennan told about 30 parents here last Thursday night.

Mr. MacLennan and other board officials showed the parents two sets of plans for an addition to the school and said the ministry of education has given tentative approval to one of the proposals.

Board officials will meet with the ministry this Friday to work out details and see if the board can stay within or close to the $65,000 limit on capital expenditures imposed by the province.

If ministerial approval is given, final plans can be presented to the board in May and construction could start in late June or early July with the new building ready for September occupancy.

The plans, presented by Mr. MacLennan and Tom Cruickshank, superintendent of physical plant, depicted two temporary, steel-sided structures measuring about 75x45 ft. Both contain a general purpose room, library resource centre and classroom.

Mr. Cruickshank said the ministry seems to be looking favorably upon the proposal which calls for construction of a flat-roofed "pre-engineered" building.

It is the more expensive of the two drawn up by the board but Mr. Cruickshank guessed it would be built a few thousand dollars of the $65,000 limit. If the cost were exceeded, the board would have to raise the difference out of general funds. The ministry will not allow it to debenture the cost.

The other proposal showed wooden-framed steel-sided structures joined by a connecting passage. The general purpose building would have a pitched roof 14ft. high at the centre, sloping to 10 ft. at the eaves.

The buildings would have a wooden floor, resting on 12" diameter concrete piers sunk below the frost line. The floors would be covered with vinyl asbestos tiles, covered in turn in the classrooms with carpet.

The more expensive of the two proposals, and the one on which the ministry seems to be looking more favorably, would have a 14-ft. ceiling from edge to edge with drop ceilings in the classrooms. The floor would be slab concrete covered with the same vinyl asbestos tiles.

Mr. Cruickshank emphasized that although it is termed a temporary building, it would last as long if not longer than conventional buildings of brick and mortar.

"Dressed up, it looks like a permanent building, not like a supermarket," he said.

The second alternative offers other advantages to the school community. The pre-engineered building can't be moved once it is in place, with Mr. MacLennan explaining that in case of further enrolment declines it would still remain at Elma.

If the student population were to drop to the point where the library and classroom were not needed, the eight-foot connecting passage between them and the general purpose room could be removed and the gymnasium doubled in size.

Mr. Cruickshank cautioned that parents shouldn't ask for too much with the new building. "We're already over the $65,000 limit and the more we ask for, the less we're likely to get."

He said he is optimistic the ministry "would close its eyes over the expenditure of a few thousand over the limit but if costs got out of hand, the project would not receive approval.

Williamsburg Township Councillor Don Kyle asked if the new general purpose room meant the school was being used as an experiment for a new concept in educational buildings, Mr. MacLennan replied that it "may form some sort of model for schools across this province as the ministry tries to find ways of reducing construction costs."

Originally, Elma had been slated for a $600,000 capital expenditure for a general purpose room, lunch room, change rooms and library as well as classrooms. The capital expenditure freeze two years ago left the project out in the cold, and Mr. Cruickshank, referring to the plans presented last Thursday, said, "We did the best we could with the money that was available to us".

Counties draft 5-year road priority plans

CORNWALL (Staff) - Major repair work on the CNR overpass bridge on Dickinson Drive, just north of Ingleside is among the many proposals included in the $6,869,000 total United Counties 1978-1982 Five-Year Road Program.

The work, estimated at $155,000, involves stripping and replacing the exisiting deck.

County Road Superintendent D.J. McDonald explained the foundation is sound, but the deck is quite weak which results in may potholes on the birdge.

"The concrete quality is not what modern concrete quality should be," he told The Record Tuesday.

Among other projects approved by the council Thursday are:

- reconstruction of County Road 4 south of highway 2 in Morrisburg by the end of 1980 at a cost of $90,000.
- reconstruction and gravelling of the Dundas-Stormont County Road south of highway 43 by 1982 at a cost of $270,000 over 1980 and 1981.
- repaving County Road 13 west from Morewood to the Castor River this year, at a cost of $185,000.
- resurfacing that same road from Crysler east to Swale Road by 1981, total cost amounting to $175,000 spread over 1979 and 1980.
- major resurfacing along the same road from the County Boundary to Crysler in 1981 and 1982, total cost of $640,000 spread over the two years.

rebuilding County Road 14 in Newington in 1980 at a cost of $125,000.

- repaving two sections of County Road 15, the highway 2 to 401 section in 1981 and 1982 at a total cost of $310,000 and certain sections from Avonmore to County Road 5 in 1982 at a cost of $100,000.

On national network

(Staff) - The first segment of the CBC series "The Entertainers", featuring Chesterville's Kevin Gillis as host, will be heard on the national radio FM network tomorrow (Thursday) evening at 9:04 and on the AM network Sunday at 1:35pm. Kevin was in Toronto, where the show originates, this morning (Wednesday) taping his first segment, before flying to New York City where he will act as musical director for the Mary Travers' concert at Carnegie Hall Friday night. His program can be heard on CBO, Ottawa, 910, or CBM, Montreal, 940.

Science Fair Sat.

(Staff) - North Dundas District High School's Science Fair quiz team will be competing at the SD&G Secondary School Science Fair at St. Lawrence College's Windmill Point Campus this Saturday following their first-round win over General Vanier last Friday. Team members are Jeff Hunter, John Maxwell, Sean Gates and Peter MacLeod. The fair opens its doors at 9:45am.

Ratepayer meeting

(Staff) - English language superintendent Bernard Warner of the SD&G separate school board will be meeting with the Ad Hoc English Ratepayers Committee tomorrow (Thursday) at 8pm at St. Mary's School, Morrisburg. (Not to be confused with St. Mary's, Chesterville). Mr. Warner told The Record he will answer any questions regarding the French immersion program in relation to West Stormont and Dundas.

Elma-Dunbar road may get base in '78

WILLIAMSBURG (Staff) - Williamsburg Township may lay the base for the Elma-Dunbar township road in the fall and hopes it can be fully paved in 1979, but this depends upon how much money it is granted by the Ministry of Transportation and Communications next year.

At Council's meeting Saturday eleven residents presented a petition asking that the road be paved. There were 24 signatures on the petition.

Resident spokesman Darrol Servage explained the road is heavily-travelled and two businesses, Paul Stewart Electric and Marcellus Meats, account for 75 per cent of this traffic.

The condition of the road is hurting these businesses, particularly Stewart Electric, said Mr. Servage.

"Electrical equipment is so delicate that on this road here, the trucks don't want to come down because it's so rough."

Snow removal too was a problem, Mr. Servage stated.

"We're even having trouble getting the road plowed."

The petitioners charged council had promised them seven years ago that the road would be paved within four years. Contacted later by telephone, another spokesman, Brock Barkley, backtracked, saying council members had promised the paving, seven years ago but had not set any definite date.

He said those members who had promised the paving were now off council.

Reeve John Whitteker said council never promised any such thing.

"There was never any promise made that I know of. We can't promise anything because we don't know how much money we're going to get (from MTC)."

Reeve Whitteker said the first portion of the Elma-Dunbar

Tile drainage allocation cut

MAPLE RIDGE (Staff) - Winchester Township's 1978 tile drainage allocation has been cut by $37,000 even though applications for drainage projects this year exceeded last year's total by over $125,000.

The township has been allotted $138,000 by the Ministry of Agriculture and Food and applications so far are running at about $281,000. Last year the township received $165,000 and used $156,000 with the wet fall blamed for the fact that the whole allocation was not used.

Man of the applications for tile drainage projects this year are carryovers from last year and township clerk-treasurer Glenn MacGregor said he anticipates several of these will not be carried out in 1978.

Allocations for tile drainage work are determined on the average of the work done in the three previous years.

Council accepted three more projects, subject to the availablility of funds, totalling $52,400.

It also passed a resolution to have the clerk-treasurer contact the ministry to inform it that applications have already far outstripped the 1978 allocation.

Last year the township had more applications than it had money for and got around the problem by approving only 65 per

Planning fashion show

Dan Parent, proprietor of Dan's Shoppe, and Joyce McMahon, proprietor of Al-Mor Ladies Wear, discuss one of the outfits to be worn at this Monday night's Spring and Summer Fashion Show at North Dundas District High School. The two village clothing stores will supply the men's and women's fashions for the show and a host of other village businesses are helping with the other aspects of the presentation. All proceeds will go to the Chesterville Rotary Club. Tickets are $2 each and are available from club members and village businesses. There will be a draw for door prizes and a lunch will be served. - staff photo -

Instruction costs 2/3 of budget

CORNWALL (Staff) - Instructional costs account for over two-thirds of the SD&G County Board of Education's 1978 budget.

The board will pay teachers $24.737-million of its total $35.4-million in 1978, it announced when the budget was presented here last Wednesday night. The 1978 budget, ratified last Wednesday, increased $2-million this year.

Last year teacher salaries were $21.547-million.

Budget estimates for this year show expenditures for elementary teachers at an overall increase of 7.54 per cent, from $7.914-to $8.511-million. The amount for secondary school salaries increased 19.02 per cent this year, from $13.633-to $16.266-million.

The board has decided to try hard to stay within the grant ceilings imposed by the Ministry of Education but expenditures forecasts show the ceilings have already been exceeded by $45,659 in the elementary panel and over $1-million in the secondary panel. Their increase in ceiling-exceeding expenditures for elementary schools is $25,000 and for secondary schools it is $76,000.

The Board Finance Committee said it was necessary to take spending beyond grant ceiling levels in order that the quality of education in SD&G schools would not be sacrificed.

If ceilings had not been exceeded, according to board accountant Ken Grant, the present pupil teacher ratios of 17:1 in secondary and 20.8:1 in elementary schools would have skyrocketed.

The taxpayer will have to pay the difference if the ceilings are exceeded.

Finance committee chairman Fraser Campbell said the board is losing grants because of declining enrolments.

Elementary school enrolments are expected to drop by about 150 students to 6,820 in September and secondary schools are expected to experience a drop of 100 students, to 9,222 in September.

The board has decided to study how the quality of education will be affected next year if it tries to adhere strictly to grant ceilings.

SD&G PC Annual April 19

(Staff) - Ontario Corrections Minister Frank Drea will be the guest speaker at the Stormont, Dundas and Glengarry Progressive Conservative Association's annual meeting and election of officers to be held at the Finch Arena at 8pm Wed., April 19. Voting memberships are available from municipal association presidents and at the meeting.

OMMB regional meeting

(Staff) - The spring meeting of the Ontario Milk Marketing Board's Region Two will be held at the United Church Hall, Spencerville, Thurs., April 20, beginning at 9:30am and running until 3:30pm. Regional member Dwight Bennett and either board chairman Ken McKinnon or vice-chairman Grant Smith will be on hand to address milk producers. Lunch will be provided and 2½ hours have been set aside in the afternoon for an open discussion.

Getting a fair deal

(Staff) - When it comes to picking tenders Williamsburg Council likes to give everybody a fair shake. Saturday Ken Morris, Lakefield, was awarded this year's calcium chloride contract over Lafferty Smith, Belleville even though both contractors submitted identical bids of $100.65 per liquid ton. "Lafferty Smith had if for the last two years - so we decided to give it to Morris," clerk-treasurer Keith Schell explained. "They've always been the same - I don't know why," he added. Mr. Schell said calcuim chloride tenders were the only ones which were identical. Calcium chloride is used to control dust on gravel roads.

Tile drainage allocations cut

• Continued from page 1

cent of the cost of each project. It could take a similar tack this year, although as Deputy-Reeve Gerry Holmes pointed out, this would reduce government assistance to about 50 per cent of the cost of a project.

The ministry informed council it would reassess the situation in late summer and funds could be moved from areas where they are not being used to other areas where applications are in excess of the amount originally allocated. The province has budgeted a total of $18-million for tile drainage debentures.

In other drainage business, council was informed that an appeal to the Drainage Tribunal has been launched by Harold Lannin of Lanwin Farms, RR4 Winchester, against the decision rendered by the township court of revision on his assessment on the Edwin Baker drain. This is the first appeal to the tribunal in Winchester Township.

The tribunal was set up last year to give property owners a clearly defined means of appealing decisions of courts of revision.

Council accepted the invitation of the township fire department to meet at the firehall in Morewood tonight (Wednesday) to discuss the department's needs for the coming year. Council members will also be given a tour of the fire sprinkler system at More-Wood Homes.

County road plans

• Contunued from page 1

● repaving along County Road 20 from Maxville up to highway 417 in 1970 and 1980 at a total cost of $550,000 over the two years.

● paving County Road 22 from Maxville west to the Stormont-Glengarry Boundary road in 1981 and 1982 at a total cost of $260,000 over the two years.

Not included in the 1978 plan was resurfacing along County Road 7 in Chesterville from the hotel to the CPR tracks. Mr. McDonald explained all five-year plans are tentative and "priorities shift because of breakups". He said more serious road breakups had occured since the Chesterville resurfacing plans were adopted in 1974.

This also means many of the plans included in the 1978-82 Five-Year Plan are tentative because priorities may shift.

However, this does not include the recommended bridge work on the Ingleside CNR overpass because that project is listed as a "must".

Ingleside man killed in crash

OSNABRUCK CENTRE (Staff) - Twenty-six-year-old Kenneth Brown, RR3 Ingleside, was struck and killed at 11:40pm Friday night as he and several other persons were attempting to pull a car from the ditch on County Road 14 several kilometres north of here.

According to the police report, Brown and his friends were returning from a hockey game in Finch and were pulling a car from the east ditch and onto the west shoulder. The rear end of the vehicle was protruding into the southbound lane. A southbound vehicle apparently failed to observe the stopped car and at the last minute swerved to avoid hitting it. It sideswiped the stopped car and struck Brown, carrying him into the east ditch.

No charges will arise out of the incident, according to the OPP Long Sault detachment.

New members on CFLP board

(Special - Jacques Villeneuve of Moose Creek and Dwight Gilmer of South Mountain were elected at the annual meeting of the Stormont-Dundas Canada Farm Labor Pool here recently to replace out-going members Gilles Aube of Maxville and Doug Coons of Winchester.

The retiring members had served on the board since the inception of CFLP in the two counties, in 1975.

The new board consists of P. Mesman, Chairman, Monkland; F. Dunbar, Finch; Barry Grant, Cornwall; J. Villeneuve, Moose Creek; K. Carkner, Ormond; Mrs. M. Blaine, Mountain; C. Farlinger, Morrisburg; D. Gilmor, South Mountain; E. Dobson, OMAF Representative; and R. Desormeaux, Canada Employment Centre Representative.

The role of the board is to establish appropriate guidelines for the CFLP in its area with respect to farm wage rates, working conditions, accommodation criteria, nature and extent of farm labor needs of employers, nature and extent of training needs and facilities required by employers and workers using the services of CFLP and the detail and application of federal, provincial and municipal legislation to agricultural manpower.

Dunbar

• Continued from page 1

paving will be a four-inch minus base he hopes can be put in this fall.

"We hope our appropriation will be raised enough so we can do it (the whole project) next year," he said.

Williamsburg's construction allocation has been trimmed this year and council isn't pleased. Reeve Whitteker authorized clerk-treasurer Keith Schell to send a letter to MTC asking for an explanation.

Canadiana comes alive

ALEXANDRIA (Staff) - Glengarry County is a county of Ontario and to reflect this heritage a young Alexandia couple have recently completed an ambitious renovation project on their restaurant here to recreate the county's historical atmosphere.

Located on Main St. here, The Hub of Glengarry, was purchased by Ewen and Agnes McDonald in 1969 and who last year decided to redecorate their establishment in early Canadiana.

They worked throughout the year, collecting antiques from throughout the county and in December re-opened their steak and seafood dining room. The bulk of the renovations are now completed although some minor details still need attention.

The idea first occured to the McDonalds several years ago and gradually they began compiling a collection of antique furniture for the day when their plans came to fruition.

Beams were brought in from three old buildings, along with walnut panelling which they obtained from a demolished building. Logs from a Lochiel Township settler's cabin were saved and worked into the interior walls.

The bar is made from an old wooden filing counter and pews from an old Church line the corner tables.

The building's walls were stripped and the bare stone and brick stand out to give an air of the rough and readiness of pioneer times. An end window gives a panoramic view of the Alexandria mill stream. Plans are to put a fountain in the courtyard.

The cupboards came from local homes and the chairs, many of them press backs. and tables were bought at antique shops.

The Hub features the cooking of a continental chef, George Silva of Montreal. It's assistant manager is Richard Bruyere.

The restaurant is open from 6:30pm to midnight Monday to Friday and 7am to midnight Saturday. The dining room is open from 5pm on Tuesday to Sunday.

The dining room is fully licenced and reservations can be placed by calling 525-2264.

District News

George Hanna, Finch, was a dinner guest Tuesday with Mr. and Mrs. Oliver Gallinger.

The average amount of life insurance owned per household in Canada at the end of 1976 was approximately $36,400 -- more than double the figure ten years earlier.

Ewen and Agnes McDonald, proprietors of The Hub of Glengarry, whose dining room, featuring steak and seafood, has re-opened following a renovation project to turn it into a showcase of early Canadiana. Mr. McDonald designed the restoration and the work was carried out by Ray Lalonde of Apple Hill.

A NEW EXPERIENCE IN

DINING OUT!

THE HUB of GLENGARRY

offers a

'steak and seafood' menu

served in the cosy atmosphere of the newly decorated fully licensed dining lounge

Quality is an experience that means more in the doing than the telling. It's an intangible thing that is better felt than described. In a restaurant this means is should start with the surroundings and carry through the preparation until the meal is promptly and politely served to you. At the Hub of Glengarry, the quality is there before you are - in our carefully-selected decor of early Canadiana - but it doesn't stop when you walk through the door. As our guests, you will enjoy a new dining experience as you relax in the antique ambience which brings to life an era in which more than lip service was paid to quality. Excellent food, courteously served in an authentic early Canadian setting - that's our pledge of quality to you.

Cards of Thanks

CARD OF THANKS

We, the 7 and 8 year old novice hockey team, would like to take this opportunity to say thank you to: Nestle (Canada) Ltd., Chesterville Jets, Chesterville Legion, Mr. and Mrs. George Countryman, Earl's Meats, Thompson Electric, Sonny Elliott, Chesterville Fire Department for their generous donations to make our hockey party possible. 31-1

CARD OF THANKS

A special thanks to all our neighbours, friends and relatives who attended our 35th wedding anniversary and for your generous gifts and lovely cards. Our most sincere thanks and deepest appreciation to our family and to each and everyone who gave their time and helped in any way to make our anniversary a most enjoyable and happy occasion.

Mr. and Mrs. Lloyd Hawn
31

CARD OF THANKS

We wish to thank everyone, friends, relatives and neighbours for making our 30th wedding anniversary such a happy day. Thanks for the lovely cards and gifts. Special thanks to our daughter Linda and Marg Holland and everyone who helped to make it such a memorable day.

Donald & Jean Rainey
31

CARD OF THANKS

We wish to express our sincere thanks and appreciation to all relatives, friends and neighbours for their sympathy, floral tributes, donations to the Heart Fund and Hospital and food brought to the house and to those who helped in any way at the time of our loss of our husband and father, James Fife. All were deeply appreciated.

Annie Fife and family
31-1

CARD OF THANKS

I wish to thank my family and friends for their visits, cards, flowers while I was a patient in Winchester District Memorial Hospital. Special thanks to Dr. H.W. Justus, nursing staff on second floor, Rev. Allen of Ingleside. These acts of kindness will ever be remembered.

Dorothy Hart

CARD OF THANKS

CARD OF THANKS
I would like to thank the Chesterville Senior Citizens for the lovely plant and the many getwell cards I received, also Fr. Appelman, Dr. H.W. Justus, Rev. L.M. Ferguson who called while I was a patient in the hospital.
Mary Kearns
31-1

IN MEMORIAMS

IN MEMORIAM
HUGHES — In loving memory of William Alfred Hughes, husband, father and grandfather who passed away April 6th, 1970.
The rolling stream of life flows on,
But still the vacant chair
Recalls the love, the voice and smile
Of one who once sat there.
Always remembered by Lillian and family
31

IN MEMORIAM
DILLABOUGH — In loving memory of my dear husband Arthur Dillabough, who passed away April 9, 1973.
"Arthur dear, five years have passed since you were called away.
In silence and in sadness I miss you more each day.
But there is a place within my heart
That is yours the whole day through.
Though it doesn't take a special day
To bring back thoughts of you.
But your name shall be remembered
And each memory holds a prayer
with my loving thoughts I will leave you in a loving Father's care."
Lovingly remembered and sadly missed by wife Evelyn.
31

IN MEMORIAM
PRESTON — In loving memory of a dear mother, Mary Gertrude Preston, who passed away so suddenly March 31, 1966.
O happy hours we once enjoyed,
How sweet their memory still,
But death has left a loneliness
The world can never fill.
Daughter Alma, Elborn and family.
31

IN MEMORIAM
SCHARF — In fond and loving memory of a dear uncle, E.R. Scharf who passed away suddenly Feb. 14, 1969.
We mourn for him, we dearly love
For one we could not save.
Beloved in life and mourned in death,
Remembered in the grave.
Niece, Alma, Elborn Campbell
31

IN MEMORIAM
SHAY — In memory of a dear husband, Colin I. Shay who passed away April 4th, 1977.
It's not the tears that are shed at the time
That tells of the heart that is broken
It's the lonesome tears in the after years
When a loved one's name is spoken.
Always remembered and sadly missed by wife Edna

31

IN MEMORIAM
MATTICE — In loving memory of our son, David who passed away April 5, 1976.
Memories are like threads of gold,
To love and cherish as we grow old.
Sadly missed by Dad and Mother.
31

IN MEMORIAM
DILLABOUGH — In loving memory of a dear father and father-in-law Arthur Dillabough, who passed away April 9, 1973.
Gone is the face we loved so dear
Silent is the voice we loved to hear;
Too far away for sight or speech.
But not too far for thought to reach.
Sweet to remember him who once was here,
And who though absent, is just as dear.
Loved and remembered by Doug and Marilyn
31

IN MEMORIAM
In fond and cherished memories of a beloved husband and father, Dwayne Elwood Munroe who passed away April 9, 1977.
One lonely year has passed since God whispered, "Come and rest".
May a day his name is spoken
And many an hour he is in our thoughts.
A link in our family chain is broken.
He is gone from our home but not from our hearts,
For memory keeps him ever near us.
Sadly missed by Lucille, Grace and Donald
31

CARD OF THANKS
I would like to extend my sincere thanks to all those who helped to make my stay in the Cornwall General Hospital a helpful and pleasant one with gifts from Newington Baptist Church, also flowers from both Glenn Vending Ltd. and Ladies Orange Benevolent Assoc 234, Newington, many cards and letters as well as many visits from Pastor Burtch, Rev. Orr, friends and neighbours. I appreciated the care given me by Dr. McPhee and staff in both the ICCU and second floor wards where I was a patient. I am very grateful that with the help of the medical staff and the ones who used their car to take my wife to the hospital, God has saw fit for me to return home again.
L.E. Steele
31

CARD OF THANKS
We wish to thank our relatives, friends and neighbours for their kindness to us following the death of our dear sister, Sadie Feely. We are most grateful for their expressions of sympathy, floral tributes and donations to the Heart Fund. Special thanks to Rev. Ferguson, The United Church Women and Vice and Craig Funeral Home.
Lil Feely
Clara Faulkner
31-1

CARD OF THANKS
The Family of the late Howard Winters wish to express sincere thanks and appreciation to relatives, neighbours and friends for floral tributes, sympathy cards, donations to the heart and cancer funds, donations of food and the help that was given at the house during the recent loss of a dear father, grandfather. Special thanks to Winchester Memorial Hospital first east and 2nd floor staff, also Dr. H. Justus and Dr. Merritt, the management and staff of Brownlee's Funeral Home. These many acts of kindness will always be remembered.

CARD OF THANKS
I would like to extend my sincere thanks to my relatives, friends and neighbours for the cards, flowers and gifts I received while I was a patient in Winchester District Memorial Hospital. Special thanks to Dr. Rosenquist, Dr. D.W. Justus and to Rev. Fred J. Reed, Rev. L. Mac Ferguson, Rev. Earle Eaton for their calls.
Mrs. Minnie Henderson

CARD OF THANKS
The generosity of Winchester Lions Club in donating their hall made Chesterville and District Nursery School's Rummage Sale and Tea a great success. Special thanks also to Muriel's Flowers, paintings donated by Anne Patenaude and Wallhanging from Mary Lee Sharpe. These were greatly appreciated. Winner of the Wallhanging - Paul Hutchinson. Winners of paintings - Ileen Robinson, Linda Hutchinson, Penny Simzer and Helen Kennedy. Thanks to all who helped.
31-1

CARD OF THANKS
We would like to convey our sincere thanks to friends, neighbours, relatives and to the parents and pupils of Morewood Public School for the beautiful floral tributes, mass offerings, words of encouragement and messages of sympathy extended to us during our recent bereavement of a beloved son and brother, Pierre Prevost. Special thanks to L'Union culturelle des Franco-Ontariennes for the delicious meal they served at the Community Centre and to everyone who sent food to the house or helped each in his own way. These kind acts and thoughtfulness helped alleviate our grief and are greatly appreciated.
Henry, Marie-Ange Prevost and Family

Cancer Society kick off

Yvon Lafleur, president of the North Stormont Minor Hockey League, presents Gay Benoit with a cheque from the proceeds from Sunday afternoon's squirt hockey tournament in Finch. The tournament was held to kick off the Stormont County Cancer Society's annual April fund raising drive and part of the $2,340 goal was met with the proceeds from Sunday's event. Following the tournament, a campaign dinner was held at the Berwick Hotel with Doug and Dolores Manley donating half the proceeds to the drive. With Mrs. Benoit and Mr. Lafleur are, from left, Crysler coach Yvan Rouleau, Osnabruck coach Harry Fetterly, Berwick coach Murray Manley and Finch coaches Ian Moran and Dave Bird. In front are the Finch Squirts, who won the tournament championship over the other three teams. - staff photo -

NSMHL final

Wells, Sinfield pace Ingleside to victory

FINCH (Staff) - Ingleside's David Brown Construction has moved into a 2-0 game lead in their best-of-seven North Stormont Men's Hockey League final series. Berwick dropped a 10-6 decision as the riverfront gang pumped in five unanswered third period goals here Friday night.

Ingleside's Art Sinfield, who led the scoring parade in game one with six goals, again paced the attack with a hat trick and an assist. Kevin Wells, who toiled for the Osnabruck Township club of the EOJCHL, also had three goals and four assists for the winners.

Ingleside led 2-0 after one period but the Berwick boys, who were league playoff finalists last year, stormed back to narrow the score to 5-4 going into the final frame.

Dale Swerdfeger also scored twice for Ingleside as single markers went to Jim Losey and Dale Wells.

Serge Brisson fired two goals for Berwick as singles went to Bryan Hein, Winston Dingwall, Jacques Landry and Harold Dingwall.

Berwick pulled even early in the final frame on Brisson's second goal before Ingleside, turned on the burners.

Sinfield got his second goal with each team a man short at 6:24 to open the door. They scored four more times before Berwick got its final goal in the last minute of the game.

Berwick was called for only two minor penalties while Ingelside had eight minors and a 10-minute misconduct.

Series action is postponed this weekend with the Finch Community Centre being the scene for the annual North Stormont Men's Hockey League annual intermediate tournament this weekend.

ODHS qualifies for drama finals

Debbie Dewey

INGLESIDE (Special) - Osnabruck District High School has always had a good reputation in the field of drama. This year they deserve special recognition as they have qualified for the finals for school in Eastern Ontario, which will be held in Brockville from April 6 to 8.

At the Drama Festival held in Cornwall on March 15, the ODHS Drama Club placed first out of six competing schools. Three of the five possible awards were presented to the club. They received the award for the Best Play, Debby Barr was awarded the Best Actress Award, and Karen Gallinger received the Best Supporting Actress Award.

The play they presented is called "Lament For Harmonica (Maya)" by Gwen Pharis Ringwood. It is set on an Indian reservation on the Prairies.

The adjudicator was most complimentary and seemed to have no complaints about the way in which the play was handled. He felt that the actresses and actors played their roles to the fullest.

Besides the finals in Brockville, the Drama Club has been invited to perform in Aultsville Hall as a part of Education Week before several noted dignitaries.

The students of Osnabruck would like to express their heartiest congratulations for the acheivements of the club. The best of luck at the finals.

The following is a list of the members of the Drama Club: Cast: Debby Barr, Elizabeth Brunsveld, Lenka Tupy, Karen Gallinger, Peter Fleming, Susan Somerville, Scott Stephenson. Director: Clive Marin, Assistant: Annie Jamieson, Harmonica, Donald Hickey, Lights: Troy Temble, make-up: Lianne Acres, Maureen Fairthorne, Laura Lydiatt, props: Randy LeClair, Debbie Helmer. Wardrobe: Cindy Fleury.

This Saturday, April 8, Osnabruck will be holding a dance featuring the band "Gibralter". Doors open at 8:30 and the dance will end at midnight. Admission will be $3 single or $2.50 with student card and $5 per couple or $4.50 with student card. Students from other schools are reminded that they must have a student from ODHS sign them in at the door.

April 15 is the date set for the Fun Fair. It will begin at 7pm and end at 10pm in the gymnasium at ODHS. An admission fee of 25 cents will be charged.

The Fun Fair is organized by the Students' Council. All the clubs in the school participate. Some of the items planned this year are fortune-telling, drawing and coloring contests, a raffle for a stuffed animal, a cafe, a bake sale, a fish pond, a disco dance, a pit throwing contest, and many others. Everyone is invited to come.

Men better women

(Staff) - The men have captured the silverware from the first annual "Challenge of the Sexes" on the bowling lanes.

The top six ladies teams and top six men's teams from their regular league were pitted against each other at the local lanes Sunday with only 334 pins separating the teams at the end of the competition.

The men had a 20,911 total pinfall as the women scored 20,577.

Representing the ladies were bowlers from Williamsburg, North Stormont Monday Afternoon, Les Copains, Riverside Rollers, Matilda and Defenders. The men were represented by bowlers from Riverside Rollers, Monday Nite Men's, Berwick, Williamsburg, Les Copains and Defenders.

Marilyn Payne was the top ladies keggler with a 308 single and 720 triple. Dale Casselman led the men with a 295 and 761.

District News

Mrs. Bella McMaster spent a few days in Cornwall with Mr. and Mrs. A. Quennville and sons.

Mr. and Mrs. George Gough, Kingston, called on Mrs. Fraser MacRae, Tuesday, Mr. and Mrs. Gough were returning home from a pleasant ten day holiday in Jamaica.

SD&G Science Fair

The Stormont, Dundas and Glengarry Science Fair will be held this Saturday at the gymnasium of St. Lawrence College's Windmill Point Campus with the winners advancing to the National Science Fair in Sudbury. The fair is made partially possible through grants from sponsoring organizations such as the Ontario Secondary School Teachers Federation. Doug Hill, left, OSSTF District Council vice-president, presents Science Fair Committee chairman Graham Creedy with cheque for $200 for prize money and to help send the winner to the national fair.

- c.n. eadie photo -

Osnabruck Council jeered by Ingleside ratepayers

OSNABRUCK CENTRE (Staff) - Over 200 angry Ingleside ratepayers crowded the township offices here last Thursday night to let council know their displeasure over the $250 they are being charged for construction of the community's new water treatment plant.

They jeered and yelled as council explained its reasons for the bill and the meeting ended when many simply stood up and walked out in apparent disgust.

"I am sorry Mr. Reeve, shouted one ratepayer at Edwin Waldroff, "you have dodged every issue here tonight."

Tempers reached a high water mark when another angry ratepayer loudly demanded of Mr. Waldroff, "Who are you working for?"

He answered that council felt it was working for the ratepayers and when this was met by jeers, asked if they felt council wasn't representing their interests.

The reply was a loud "No!".

The bill is being charged to help pay for the $158,300 addition to Ingleside's water pumping station. Kraft Foods has agreed to contribute $35,750, and Central Mortgage and Housing $8,715, leaving the ratepayers to pay the baiance of $113,835.

Single family dwellings are being assessed $250, apartments $125, and metered accounts $250 for those using under 50,000 gallons yearly, $375 for those using in excess of 100,000 gals.

The addition to the treatment plant - now almost completed - was made necessary when Ministry of the Environment tests over the last three years showed unacceptably high levels of bacteria in Ingleside drinking water.

The problem was caused by the growing demand for water, causing river water to pass through the existing holding tank too quickly to be properly treated.

"I don't see why so many people are worked up over $250," said Waldroff. Several members of the audience shouted "you don't pay the bill".

Ratepayers had three basic bones of contention.

They want the water bill to be debentured or applied on a tax-rate system; they wanted to know why Kraft Foods, the major water user, was paying less than what they said was its share of the bill, and why Ontario Hydro didn't have to pay for their vacant lots while other owners did.

Ratepayers felt debenturing was a fairer system of payment than a flat rate because homeowners would pay their share through a regular rate.

Several ratepayers argued they might be moving out of town shortly but would still be stuck with the entire bill.

Reeve Waldroff argued in such cases payment of the bill would be a matter between the property owners.

Council also refused to consider debenturing because it said it would be too expensive. Clerk-treasurer Lloyd Marcellus said debentures would add $15,000 to the bill.

The township's consulting engineer, Derek Wilson, figured out debenturing over five years would cost each ratepayer $70-$75 a year. Mr. Waldroff did say payment on the bill could be spread over five years, at $50-a-year, plus 12 per cent interest.

Helen Graham stood up and demanded every council member to state their position on debenturing.

After several delays all five members said they were opposed.

Many ratepayers felt Kraft Foods should pay more than its $35,750 donation. Kraft uses two thirds of the water in the town.

"We're all in favor of Kraft," said ratepayer Peter Sullivan, "we just want them to pay their share".

"We sat down to negotiate for $35,000 and that was the best we could get," said Reeve Waldroff.

"Kraft was able to make a donation. They were able to sit down and negotiate - no one here was asked to sit down," charged Mrs. Graham.

"I think you can see from this how many people are against this," she added.

"I can see by this that many of you here never had to build a well," replied Reeve Waldroff.

"If you negotiate with Kraft, why don't you negotiate with me?" asked another ratepayer.

"If I'm going to be billed for $250, this council has no business sitting down with Kraft and not negotiating with me," said Arnold Gallinger.

Many ratepayers were upset they had not been notified prior to receiving the letter informing them about the bill.

Councillors defended Kraft, stating the company put a lot of money into the community and that their contribution to the regular water bill kept Ingleside's regular yearly bill at a low $26.70.

"You think they'd be here if they weren't making any profits" shouted a ratepayer from the floor.

"Suppose this plant was in Williamstown or Morrisburg, it wouldn't do us any good," replied Deputy-Reeve Gordon Ross.

Other ratepayers didn't think it was fair that owners of vacant but serviced lots were charged $250 while Ontario Hydro, which owns 69 lots in Ingleside, weren't charged at all.

"I feel maybe there's a little favoritism here...I know Hydro is a big corporation," said lot owner Roger Grant.

Ratepayers also wanted to know why council didn't keep a reserve fund to help alleviate sudden expenditures such as the water expansion bill rather than bill everyone a lump sum.

"Personally, I don't don't believe in reserves of any magnitude," replied Reeve Waldroff.

County to hire planner

CORNWALL (Staff) - United Counties Council voted 35-9 Thursday to hire a county planner and will soon be advertising for a person to fill the position.

Opposing the motion were Williamsburg Township, Kenyon Township, the town of Alexandria and a representative from the Village of Iroquois.

Williamsburg Reeve John Whitteker told The Record he opposed hiring a planner because it would cost too much.

He said the duties could be adequately served by part-time consultants.

'We'd spend less than $1,000 on consultants all year and this would cost between 50,000 and $80,000 a year," he said.

Last year's County Warden Osnabruck's Reeve Edwin Waldroff has been pushing for a county planner since his inauguration in January 1977.

Mr. Waldroff says a planner is needed to standardize planning throughout the Three United Counties.

He says a planner could provide expertise on zoning bylaws as well.

Where there's smoke...

MAPLE RIDGE (Staff) - The costs of fighting grassfires in Winchester Township from now on will be assessed against the person who sets them, council decided at its meeting here Monday night.

The onus of proving who set the fire or whether there was negligence in controlling it on the part of a property owner will be on the township, but council decided it could no longer allow the public purse to be used to help private property owners clean up their land.

The township volunteer fire department was sent out 10 times last year to battle grass fires and council decided that if it couldn't put an end to the practice, it could at least recover its costs.

If village fire departments are called to help fight the fires, the property owner could be saddled with a large bill.

Monday night council accepted the rate schedule of the Chesterville department and will now pay $12 per man for the first hour they are on the scene and $8 for each subsequent hour. Winchester Village rates remain the same. They are $14 for the first hour and $9 for each subsequent hour for the chief and deputy; $12 and $7.50 for lieutenants and $11 and $7.50 for firefighters.

Last year, Winchester Township paid $6,000 to the Winchester department and $500 to Chesterville, almost a reverse of the amounts in previous years.

Council was told that its 1978 snow removal bill to date is the lowest it's been in years.

To the end of March, it had cost the municipality $12,671 to remove snow from township roads. To the same time last year, it had cost the township $22,629.

The bill for February 1977 was almost equal to the total for the first three months of this year. It cost the township $12,300 to keep roads clear that month.

This year, council spent $8,000 in January, $3,000 in February and $1,200 in March.

The low amount spent on snow removal means the township can spend more on other 1978 road maintenance projects.

Disparity in gas costs — Johnny

CORNWALL (Staff) - Williamsburg Reeve Johnny Whitteker says there is a great disparity in gas prices in the Three United Counties.

At one point, says Whitteker, the disparity between one station on Brookdale Ave. in Cornwall and a station on highway 31 was 27 cents per gallon.

Reeve Whitteker raised the issue of gas price disparity at United Counties Council last week.

Mr. Whitteker says this is not the individual retailers' fault but that of the oil distributors.

He says retail prices at some Cornwall stations are four cents less than the wholesale prices some rural retailers must pay.

"It seems to me rural regions are being ripped off," he told The Record Monday.

Mrs. Myrtle Morrow of Cornwall spent the past week with Mr. and Mrs. Gordon Morrow.

Fire!

Chimney fires are caused by negligence, burner service men do not clean chimneys. We sweep chimneys using steel wire brushes and special equipment. We also bird proof chimneys, do minor repairs and clean fireplaces.

Chesterville's Steve Durant operates Global camera

Chesterville native behind Global camera

EMBRUN (Staff) - The life of a cameraman is one that keeps Chesterville's Steve Durant on the go.

"It's an exciting life - you travel around a lot. I think I've seen all of Ontario by now," he told The Record at the Community Centre here Thursday.

Durant was among the three cameramen who made up the 16-man technical crew televising the Wintario program from Embrun. He operates a massive video camera placed on a dolly which he moves around the floor for different angles, according to the director's instructors.

Durant's interest in the theatrical world began during his years at North Dundas District High School where he was involved in the school's dramatic program.

After graduating in 1972 he moved to Hamilton where he got involved in free-lance theatrical work.

Durant joined Global a couple of years ago and has travelled all over with them since.

Working for Global Television offers a lot of variety. Usually Durant is on the road. When not, he operates out of one of the three Global studios in Toronto.

Although a member of one of Global's two Wintario crews, he does other jobs as well.

"Last summer we did some (Toronto) Blue Jay games. I really like that," he says.

No big money winners at Embrun

EMBRUN (Staff) - There were no big cash winners but a small number of person attending the 76th Wintario draw at the Embrun Community Hall last Thursday did go home winners in a small way.

Over half a million people in Ontario, watching their television sets, shared the excitement of Thursday's draw with almost 1,000 people who jammed the community's giant hall. The draw was telecast live over the Global Television Network.

The Wintario program went on air at 9pm following a brief amateur talent show by local youngsters.

Tension then began to build as host Fred Davis along with co-host Faye Dance prepared to select the first winning number for fifth prize of $100,000.

Miss Dance took a remote control unit to the floor of the hall and selected members of the audience to push the button which results in the lottery machines choosing the winning numbers.

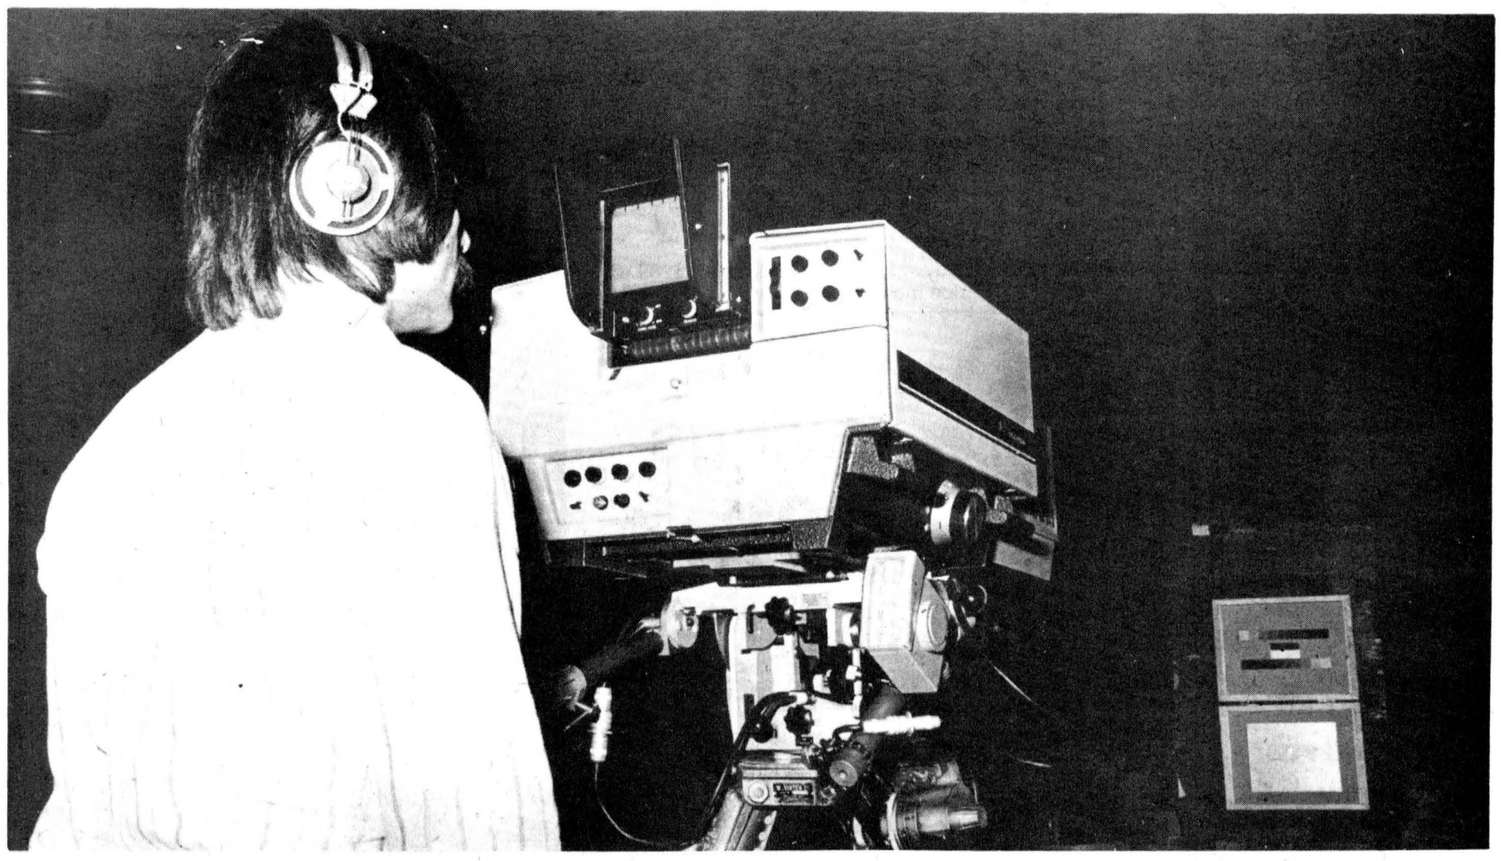
The winning numbers were 69845 in series 63, number 15909 in series 65, number 36266 in series 27, number 91918 in series 44 and number 98950 in series three.

Selected from the audience to push the button were Jean Paul Charlebois, Casselman, Jean and Ed Touchette, South Mountain, Marcel Bouchard, Jacqueline Bourbonnais and Rene Brisson, all of Embrun.

The Touchettes were $100 winners at the draw and Mr. Brisson won $25 on two separate tickets.

Marcel Bouchard, Rene Brisson, Jacqueline Bourbonnais activated machines for Faye Dance and Fred Davis

Adjusting lights prior to show



A bird's eye view from behind camera

Behind scenes at Embrun's Wintario draw

EMBRUN (Staff) - It's a beehive of activity.

Cameramen are checking their angles, assistants are setting up the stage, electricians check the wiring. Inside the mobile unit the techincal director is checking his controls. They're all getting ready for the big show that night - Wintario - live from Embrun Community Centre.

As Albert Bourdeau manager of facilities for the centre sits and watches he may be excused if he exhibits a certain air of satisfaction. He was instrumental in creating Wintario in the first place.

As director of the Ontario Municipal Recreation Association for Prescott, Russell, Stormont, Dundas, Glengarry, Grenville and Leeds counties, Mr. Bourdeau was in the forefront of the campaign to use lottery profits for recreational use.

"It's our organization that put the pressure on to create Wintario," he says.

It's Thursday afternoon and that night Wintario will be broadcasting - live from Mr. Bourdeau's home town.

This is the smallest municipality Wintario has ever broadcast from said John Grimsditch, technical supervisor.

"We've been to almost every county in Ontario. Generally speaking, the reception to the show in smaller communities is much more positive than in the big centres."

"It's good publicity for a lot of smaller towns."

His sentiments are echoed by Mr. Bourdeau.

"It's really worth it. It will help promote the community."

Mr. Bourdeau says the community has been very helpful in bringing the television project through. A special stage had to be built for the show. Normally it would cost $700, but with volunteer labor and donated material it didn't cost the community anything.

"The whole recreation committee is behind it. Without them it would have been impossible to hold it," says Mr. Bourdeau.

The only cost to the community is the $1,000 for wiring a special transmitter which will carry the show back to the studios in Toronto, by microwave.

Thirty people are involved behind the scenes in bringing the show to your living room. They include four members of the production crew, 10 members of the lottery executive and a technical crew of 16.

The production crew is made up of the producer, director, production assistant and the executive producer.

It is their duty to oversee production. In general, producers oversee the practical aspects while directors concern themselves with the artistic phase of television production.

The director sits in the mobile unit with the technical crew giving orders what to do.

The technical crew is composed of 16 personnel. Mr. Grimsditch, the technical supervisor, is primarily responsible for seeing the facilities are provided and the rest of the crew can set themselves up with the least difficulty.

The technical director sits behind the controls in the mobile unit parked outside the hall. He operates a massive control panel with a number of television monitors. There is one monitor for each of the three cameras on the floor. The main monitor shows the picture which appears on your screen. Upon command from the director, the technical director pushes one of these buttons which inturn transfers the picture he wants on to the master monitor.

The three cameramen all wear earphones so that the crew inside the mobile unit can direct them to the type of angle they desire. As the three angles appear on their individual monitors the director selects which picture he wants and it is this one which goes on the master.

There is an audio director who is responsible for picking up, evaluating the quality and mixing the sound.

He has a counterpart on the video side whose job it is to adjust cameras and check the quality of the picture in terms of clarity, brightness and color.

A video tape operator records and plays back certain elements included in the show on a video-cassette unit. This too goes into the master control.

Not all the pictures which appear on the home-television screen are live. Some, like the 30-second segent on the village of Embrun, which preceeded the Wintario show are pre-recorded. When the appropriate time comes this segment is recorded on the cassette and transferred onto the master monitor from the cassette just like the live pictures.

The floor manager in television is the counterpart of the stage manager in live theatre. He directs the flow of traffic on the floor keeping in constant touch with the director by radio.

Also there are three television assistants who manipulate stage material. Usually it is these individuals who hold cue cards for the stars, but, says Grimsditch, Wintario does not use cue cards.

Two lighting men and two maintenance men round off the technical crew.

Usually Global television which broadcasts Wintario uses its own mobile unit, but Thursday they had to borrow it from Ottawa's CJOH-TV. The Wintario crew's own truck was on assignment in Florida.

Television is precision. Once the show is on there's just no room for error. A slight mistake here or there and the picture or sound may be lost on the home screen.

For a television crew, the one hour of the day they are broadcasting can be longer and more gruelling than the other 23 put together. Everybody is keyed up and tense. It's the nature of the business.

When it's over they can breathe a short sigh of relief. Then it's time to pack the equipment and roll on. It's been another day.

Not so for the people of Embrun. This was a day they will fondly remember many years from now. The day Wintario came to town.

the editor's notebook

Each year, 630 land severances are granted in the United Counties. Of these, 340 are for residents, which when occupied, house roughly 1,200 persons - almost the population of Chesterville and about four times the population of Finch or Newington. Most are along concession roads, but 165 are granted annually on county roads and of these, 105 are for residences. The number of severances is worrying United Counties' Engineer D.J. McDonald, who has written a brief to rural councils across SD&G appraising them of the situation and warning them that if allowed to continue at this pace, the practice of severing lots will create dangerously long stretches of strip, or ribbon, development which could eventually move traffic to a crawl along the county road system.

Mr. McDonald's letter is aimed primarily at committees of adjustment and severance committees, but his concern should be the concerns of every perosn in the SD&G who relies on county roads to move rapidly from one point to another. The counties spend hundreds of thousands of dollars each year in maintaining their lengthy road network and Mr. McDonald voices the legitimate concern that severed lots along these roads threaten their role as a secondary road system.

His arguments are backed up by land planners across the country when he states that more entranceways along secondary roads create a hazard as well as a nuisance. Each driveway is the site of a potential accident as well as being bothersome in that it slows down the movement of traffic by creating extra school bus stops, garbage pickups and pedestrian traffic. As well, they disrupt drainage patterns, a major consideration in an agricultural area. Anyone who defends the practice of unrestricted strip development should take a long leisurely drive on highway 29 north of Brockville. There, ribbon development has allowed to go ahead without restrictions and the result is that traffic on this stretch of provincial highway is slowed to 40 miles an hour for a distance of about five miles out of the city. Houses are jammed one on top of another with each one having its entranceway directly onto the highway. In effect, this creates a separate street for every house, as far as the highway driver is concerned.

As well as slowing down through traffic, strip development is not esthetically pleasing. With the smaller size of building lots, septic systems must eventually become overloaded and where this type of development takes place adjacent to an urban area, the only solution is the extension of sewer lines. In a subdivision this presents no problem but stretched out for several miles along a highway or county road, the cost of extending the services is prohibitive.

Land severances are an alternative to the high price of urban building lots but they should be restricted as much as possible to concession roads where their particular problems will not infringe on the right of the motorist to free, unimpeded travel and the right of the ratepayer to the lowest taxes possible.

Mr. McDonald's concern over the build-up along county roads should be considered by every taxpayer in SD&G. The conclusion of his brief to committees of adjustment and land division committees reads: "Your committee, by its consideration regarding each severance, is not only creating "just one more lot" but is the bottom line in the current planning process. Problems have already arisen and the county roads department asks your co-operation in preserving the county roads system for its true purpose, a purpose protected by the policy statements found in all the official plans of the Three United Counties, that of moving traffic. The future efficiency of our road system is in your hands." His thoughts should be taken into account by persons contemplating a land servance, as well as by those charged with the responsibility of approving them.

the farmer's wife

by wyn thompson

Nobody asked me but . . .I made a mistake in the first column I wrote on our trip to Florida. I said that Spartanburg was in North Carolina and any idiot knows that it is in South Carolina. Especially my friend Carrie, for whom this correction is being made. Sorry Carrie.

In that column I also spoke of the Beacon Drive-In restaurant operated by John White, a friend of my friend Carrie Alley with whom we stayed for a time. Since we arrived home, she sent me an article entitled Beacon is State's Largest Drive-In. I will reprint the article by Harold-Journal writer Darr since it is a success story that really caught my fancy.

"The Beacon is an institution in this city of 50,000 people. Instead of education, it dispenses food with a flair. Still, matriculation can be tricky for the freshman diner, unless he has been forewarned: When in The Beacon, do as the Beaconese do. Get in line.

Pass on by the 50-pound bags of onions stacked near the door, the mini-mountain of bread racks along one wall. Grab a tray. Enjoy the show. On the kitchen side of the long serving counter, the minstrels in white coats perform their original routine.

Calling for orders, passing the words. . ."Sliced," "Chili Cheese," "Hash". . .smiling, dance-stepping, handing up sandwiches spilling over with meat, platters piled high.

Keep moving down the line: onion rings, french fries, tea, pecan pies, banana splits nearer the size of banana boats. Follow a ditch digger, a pair of teenagers, a president of a textile company to the end of the line. Whew.

At the cash register, the slim middle-aged man in the white plastic apron rings up your bill and has your change ready before you get there. He's efficient. He's had lots of practice. He's been manning the cash register for the greater part of 12 hours a day, six days a week, 51 days a year, for more than 31 years. He is John White, owner-manager of The Beacon, the state's largest drive-in restaurant business.

Some say it's the second largest in the nation - next to the Varsity in Atlanta - but White says he couldn't verify that. He's too busy taking care of his own business to have time to watch his competitors.

Granted, he often sends flowers to new competitors on opening day. He's also been known to lend food and supplies to competitors on occasions when they have run short. The Beacon has never run short on anything. Not food, not supplies; John White keeps the inventories and does all the ordering. Not help: some of the 50 employees have been at the Beacon since the first one opened in November 1946. Not customers; business was good that first day in that first place and has been increasing steadily ever since. Now it's in excess of $2 million annually.

Not bad for a $5,100 investment. White had socked away $1,700 during three and a half years in the Navy during World War II. He wanted to get into business for himself. He'd had a little experience working at a local drive-in, both outside as a car-hop and inside preparing food.

With the help of a couple of friends, he opened the growing city's third drive-in restaurant. He hung up a sign, "We cannot afford to have a single dissatisfied customer." It has become his trademark.

In 1955, The Beacon moved to a new home on Reidville Road and has been enlarged three times. The last time, a new building was constructed behind the old one. The business closed at 11:30 on a Saturday night, as usual, in the old building, and opened at 7am the next Monday in the new building. "We didn't lose a sale," says White.

Now the Beacon has a three-acre parking lot for ground vehicles and a city-block landing pad for helicopters across the street, where customers drop in from all over the State.

Spartanburg homecomings traditionally include early visits to the Beacon for all ages. Parents often tell White that when their college-student sons and daughters come home for vacations, they first stop at the Beacon. So far-reaching is the Beacon's reputation that John White and his crew have already shipped orders to Hawaii, Washington State and Alaska this year.

This month a patient in a Columbia hospital mentioned to a friend that the only thing he wanted to eat was a Super Star (a king-size Ice cream specialty) from the Beacon. When word reached John White, he immediately packed a Super Star in dry ice and sent one of his three catering service vans 97 miles down the road to deliver it.

White is reticent about his community involvement, but local citizens tell story after story about his generosity and cooperation.

On several occasions, unknowing customers have been so impressed by the diligence of the lanky man in the apron that they have offered him jobs. Never one to embarrass a customer, White simply tells them that he likes what he's doing.

White's suppliers like what he is doing too. The Beacon is Lipton Tea Co.'s number one user. It takes a ton of sugar a week just to sweeten the iced tea served there.

The Beacon is the largest single customer of Bost Bakery. The company's president wrote White that if all the bread products supplied to the Beacon in a year were laid end-to-end, they would stretch from the restaurant's front door, down 1-26, into downtown Charleston.

White and his crew serve more than a ton of meat per day. Freight carloads of onions and potatoes are delivered each month. White orders 30,000 pounds of shortening at a time. He buys cabbage, cheese, chickens by the ton.

The Beacon has its own police force. On weekends, when 12,000 to 15,000 customers are served, there's one policeman on duty inside and one outside.

It's a tradition that refills of Beacon iced tea are free. Huge containers are placed in each of the three dining rooms, where customers can help themselves. White grins when he tells about some local teenagers who keep their tall paper glasses inscribed with The Beacon emblem. "Some of them keep on refilling those same cups for a week - till they wear out," he says.

The Beacon in Spartanburg is actually more than an institution. It has become a way of life."

And so John White - may I say it was one of the pleasures of my life to see you, speak with you, eat one of your fantastic sandwiches, and drink three of your huge glasses of iced tea. And it is long since I was a teenager!

May you as a local legend and your bustling restaurant continue to pleasure people for a long time to come!

Next week: on and on we go!

Town seeking students

The Editor:

We are trying to communicate with all former students of our community.

This year, the Town of New Liskeard, Ontario, is planning its 75th Birthday, and in conjunction with these festivities, a School Homecoming event is programmed.

All former students and staff who attended any school in New Liskeard at any time, are invited to participate. It is anticipated that the New Liskeard Secondary School will be open for hosting visitations Sat., July 1. A mammoth dance and reunion is planned in the town arena that evening.

To assist the planning committee in finalizing arrangements and to have your name put on our attendance list, please contact the
New Liskeard School Homecoming,
PO Box 730,
New Liskeard, Ontario.
POJ IPO

Would you please forward the names and addresses of other former New Liskeard students and staff of which you are aware, who will want to take part in this event?

Yours sincerely,
Jack Willars,
Chairman,
N.L. School Homecoming.

one for the record

by marco levytsky

Somehow rural areas invariably get the short end of the stick.

Whether it's telephone service, gasoline costs or education, urban areas always seem to get a better deal.

The latest example is the bilingual or immersion B program offered by the English section of the SD&G separate school board. Cornwall gets it. Glengarry gets it. West Stormont and Dundas don't.

One may argue since Glengarry got an immersion program this could disprove the argument. Such is not the case. Immersion B may be implemented in Glengarry due to a fortuitous set of circumstances in that rural tri-county area. A central location for that program seems to have been found at an old three-room school at St. Raphael's West. This location is about eight or nine miles from Glengarry's principal town, Alexandria, and an equivalent distance from the three villages in South Glengarry - Martintown, Lancaster and Williamstown.

Such a central location does not exist in West Stormont and Dundas. Here we have the classic rural dilemma - low population density and long distances between centres.

One can see the problems of initiating such a project - long bus rides, and small classes. Yet it still seems unfair.

Proportionately speaking, there was a high degree of interest in immersion B expressed in Chesterville - Finch and a rather remarkable degree in Morrisburg-Iroquois. The level of interest in Morrisburg-Iroquois was 25 per cent. This compares with a tri-county average of 18.3. What's more 80 per cent of the applicants for next year's kindergarten opted for immersion. This is an astounding figure, far above anything registered in the rest of SD&G and certainly demonstrates that there is a strong base on which to build any future immersion program.

Understandably the costs are high and the pupil-teacher ratio would be low. In a time of economic restraint, board officials would be naturally reluctant to embark on any costly programs. One must also bear in mind parents may be willing to bus their children a reasonable distance - but not 30-odd miles from Morewood to Morrisburg or some 40 odd miles from Avonmore.

Nevertheless disparity is present. Perhaps the federal and provincial levels of government could get together and help the local board financially and otherwise. It costs an average $10,000 (based on the 1976 Public Service Commission Report figure of $9,806, with allowances made for inflation) to teach one federal civil servant to speak French. How many children could benefit from immersion if an equal sum were made available here?

• • •

Intolerance is intolerance - whether it comes from left or right.

During the 1950s an atmosphere of hysteria, fueled by the ravings of unprincipled demagogues, spread across the North America continent. This was called McCarthyism - after U.S. Senator Joe McCarthy who made a career for himself out of branding innocent people as communist agents.

At the height of McCarthyism everybody left of Ghengis Khan was suspect - democratic socialists, liberals, even conservatives who refused to be swept up in the fanatical tide. People lost jobs, were blacklisted, were destroyed all for their political views. One didn't even have to be a leftist. It was as Soviet revolutionary Vladimir Ilych Lenin put it a generation earlier "if you're not with us, you're against us".

Today a new kind of McCarthyism is being manifested, a McCarthyism of the left, or reverse McCarthyism if you prefer, and its exponents are none other than the Faculty Council of the School of International Affairs at Ottawa's Carleton University.

Recently the council passed a motion expressing "deep concern" over a trip to South Africa made by the Director of the Paterson Centre where the School is housed, Dr. Philip Uren - a motion which resulted in his resignation.

"I offered my resignation because the vote of censure was virtually unanimous. I felt that one couldn't remain as director having been unanimously censured by one's colleagues." Uren was quoted in the student newspaper The Charlatan. (The vote was 18 in favor with one abstention).

Uren emphatically denied allegations that the trip supported South Africa's segregationist policies. He insisted he only made the trip "to get a better understanding of a very complex and potentially tragic situation".

Those who know Dr. Uren are perfectly aware he is no advocate of South Africa's racial policies.

How many professors have been censured for taking trips to Cuba or the Soviet Union? While Cuba is busy trying to stir up tribal warfare in Africa, the Soviet Union has been using perverse psychiatric practices to destroy dissidents. There, political dissent is considered "mental illness".

Are these governments any better than South Africa's? Yet even our prime minister makes frequent forrays to these countries and describes their governments as "friendly".

But South Africa happens to be the current "bete noir" in academic circles and anyone who dares even to make a trip for purely academic reasons is ostracized. ("If you're not with us, you're against us").

This is nothing but a political "fad" and a hypocritical one at that. If we're going to start ostracizing countries because of their policies, let's be fair about it. As the vast majority of governments today are dictatorial we might as well isolate ourselves from the world at large. Ridiculous? Maybe, but fair.

In censuring Uren, the members of the Faculty Council behaved no better than the McCarthyites of the 1950's whom they criticize so often.

Ed. Note: Mr. Levytsky is a former student of Dr. Uren.

Drainage problems probed

Curtiss Stephenson of the Raisin River ratepayers association and Anna Smail of the Oak Valley farmers association interviewed by CBOT-television's Brian Smyth in Chesterville last Wednesday morning. The interviews were done for the Ottawa CBC station's program Country Report and were used to background the problems farmers face with the perennial flooding along stretches of the two rivers.

Newington man dies at WDMH March 27

Howard L. Winters, a native of Finch Township and resident of RR2 Newington, died in Winchester District Memorial Hospital Mon., March 27 in his 80th year.

Mr. Winters was a retired farmer.

He was the son of James and Lillian (MacLean) Winters and was married to the former Grace Markell, who survives.

Besides his wife, he is survived by two sons, Gladstone, Newington, and Kenneth, Cornwall; one daughter, Gladys (Mrs. R.J. Bender), Ingleside; three sisters, Ada (Mrs. Cecil Rupert), Finch, Bessie (Mrs. Walter Bryant), Massena, and Miss Luella Winters, Cornwall; six-grandchildren and four great grandchildren. He was predeceased by brother Harold and sister Sadie (Mrs. Thomas Brownell).

The funeral was held from the Brownlee Funeral Home, Finch at 2pm Thurs., March 30 with Rev. H. VanderWal officiating. Interment was at Finch and pallbearers were Hugh McDougall, Donnie St. Pierre, Russell MacMillan, Douglas Zeran, Clare Rutley and William Sanderson Jr.

Morewood seniors have busy month

MOREWOOD (Special) - Morewood senior citizens held a meeting each Friday during the month of March.

President Tressa Nurse presided. Gladys Broom, first vice-president was in charge for one meeting. Zoe McQuaig was social convener for the month.

There was an afternoon bingo, also card games. A successful auction sale was held. Several of the members visited the Malcolm MacGregor farm to view the milking parlor.

The last meeting of the month was Fun Night. Zoe McQuaig and her committee planned the evening. Three girls, Connie Nurse, Margaret Hunter and Sue Purdeau sang two numbers. There were contests, etc., and members wrote down suggestions for trips and other ideas that might be useful for future meetings. Harry Hutchinson gave a talk on a trip to Manitoba and showed slides of the flower gardens in British Columbia.

The committees in charge served refreshments after each meeting.

InsideIngleside

by jean jeacle

When tragedy strikes a small town, sorrow and sadness are felt in every household. All inhabitants are tied together by bonds of family or friendship and any tragic loss affects the feelings of everyone.

Here in Ingleside, residents have been shocked and saddened by the untimely, accidental deaths of two young people who were longtime residents of the area. Wanda Sharkey and Ken Brown grew to adulthood in the new town and most townspeople can recollect good times shared with them or their families. Both were well known and well liked, and will be remembered with affection.

It is to be hoped that the family members who are left to grieve may soon find joy in fond remembrances which they will be able to cherish forever.

BITS & PIECES

- Believing that spring really will come some day, Trinity UCW group is holding a Spring Tea and Bake Sale this Saturday from 2 to 4pm in the church hall. At 3pm **Peggy Nadler** from Parkview Florists will demonstrate flower arranging.

- Wed., April 12 is fashion show night at St. Matthew's Presbyterian Church. They too will probably be optimistic and show us the latest spring and summer wear. Starting time is 8pm.

- April 12 is also the night of the Seaway Valley Tourist Council's annual dinner. Anyone interested in tourist promotion and development is invited to attend. Guest speaker for the evening is Hon. Jack Horner MP, Federal Minister of Industry, Trade and Commerce.

- A couple of reminders for Women's Institute members: This month's meeting will take place on Wednesday, April 19 and all annual reports must be handed in, in triplicate at that time.

- Preparations for the annual meeting and for the display to be put on at the United Church will be some of the business discussed at this Monday's meeting of the Lost Villages Historical Society. (8pm at school library).

- **Cindy Markell** has joined the staff of "The Tales of The Lost Villages" Canada Works project. She replaces **Sylvia Ashby** who has gone to British Columbia.

- Please help pass the word to parents of preschoolers that this is the week to make an appointment to register youngsters born in 1973 for kindergarten at Rothwell Public School. Parents of such children should phone 537-2472. **Mrs. Hebert** will fill them in on the details of where and when.

- The Jaycettes know that well-trained babysitters are a boon to busy mothers, so they are conducting a Babysitting Course for grades 7 and 8 students at Rothwell.

- ODHS drama students will be in Brockville April 6-8 to compete in the Eastern Ontario finals of the Secondary School Drama Festival. Best of luck to them all!

- If you have extra change rattling in your pocket, you should know that the ODHS band members are selling citrus fruits, the broomball girls are selling chocolate bars, the Grade 8's are selling raffle tickets, the minor hockey boys are selling tickets for a car draw and the young bowlers are looking for sponsors for their Bowl-a-thon. Anyone of them would be happy to take your money before you hand it over to the Income Tax Dept.

- Before I rushed off for my holiday I erred in reporting that the Cub and Beaver Group Committee were holding a Euchre. It was of course, the Ingleside Fire Auxiliary. My apologies to both organizations.

Stop the clock! It seems like only yesterday that I was longing to be the girlfriend of a teen-age boy. I need time to adjust to the fact that tomorrow I will be the mother of one, here "Inside Ingleside."

Ann Landers

Dear Ann Landers: I just read the results of a survey that said 95 per cent of the men in this country are lousy in bed. That's not all - the women who were asked their opinions declared, "Of the remaining five per cent, four per cent are not even 'teachable.'"

That means that only one man in a hundred is a good lover. The rest are totally inadequate or utterly hopeless. The women who participated in these studies were neither feminists nor traditionalists - they were just average women from 20 years of age up to the middle 40s - most of them married.

The bottom line was as follows: "Women are patient, tender, nurturing and giving. Men are competitive, agressive and assertive."

Will you kindly state your views? We are **Dying To Know In Miami**

Dear Miami: Please don't die. Here's my opinion for whatever it's worth.

The survey sounds like bullfeathers with a sprinkling of balderdash. Some men are patient, tender, nurturing and giving, while some women are competitive, agressive and assertive. To assign these qualities to one sex or the other is simply absurd.

You didn't say how many women were interviewed, but I feel sorry for 95 per cent of them.

Dear Ann Landers: I would never tell my story to anyone else because I must protect my husband, plus the fact I'm sure nobody would believe it.

I am married to a minister. He gives me room and board. Beyond that I provide for myself by working a full-time job. I have worked outside the home (as well as inside) for 25 years. The only time off was to have five children. As the wife of the minister, I am expected to take part in church activities - and I do.

My husband lavishes love and affection (and gifts) on his parishioners, but he doesn't have a kind word for anyone in this house except the dog. He is a splendid minister and people think he is an angel. Every time someone tells me how lucky I am to be married to such a saint I could scream.

I often wonder how many other ministers' wives have this problem. Do they ever write to you or am I the only one? Please print my letter. Perhaps someone in your vast reading audience will find a moment to say a kind word to the minister's wife. Believe me, she would appreciate it.

— Without Benefit of Clergy

Dear Without: You are not alone. Over the years, I've heard from many women who are walking in your moccasins, dear. Some are married to doctors who have time for everyone but their own families.

I hope you are finding rewards and satisfaction in your children, your work, or your friends to make up for the emptiness in your marriage.

Dear Ann Landers: Please be on my side. I need your help. I have to know if it is right for a mother to spank a kid the second time if he laughs after the fist spanking? I am 11 years old and live in Trenton, N.J. **— Harold**

Dear Harold: A kid who laughs after a spanking gives the idea that the spanking did not accomplish anything - that it was sort of a joke. He is then apt to get a second spanking which is not so funny. So wise up and stop laughing already.

Don't flunk your chemistry test. Love is more than one set of glands calling to another. If you have trouble making a distinction you need Ann's booklet, "Love or Sex and How to Tell the Difference." Send a long, self-addressed, stamped envelope with your request and 50 cents in coin to Ann Landers. P.O. Box 11995, Chicago, Illinois 60611.

births

WINCHESTER (Staff) - Six births were recorded at the Winchester District Memorial Hospital during the period Tues., March 21 - Sun., March 26.

A son was born to Mr. and Mrs. Michael McMahon, King St., Chesterville, Tues., March 21.

A daughter was born to Mr. and Mrs. Kenneth Aresnault, Winchester, Wed., March 22.

A son was born to Mr. and Mrs. David Acres, Winchester, Thurs., March 23.

A son was born to Mr. and Mrs. Kevin Darling, RR3 Chesterville, Fri., March 24.

A daughter was born to Mr. and Mrs. George MacNaughton, RR1 Finch, Sun., March 26.

A son was born to Mr. and Mrs. Donald Swerdfeger, Winchester, Sun., March 26.

Chinese cooking canvass

(Special) - The executive of the Chesterville unit of the Winchester District Memorial Hospital auxiliary met at the home of Mrs. Olive Cass Thurs., March 30.

It was decided that there would be a card party April 18 at the hospital.

Mrs. Margaret Casselman agreed to organize the Blood Donor Clinic to be held at the hospital April 26.

There was a discussion concerning a canvass for members, and it was decided that if a Chinese cooking course could not be arranged a canvass for members would be held from May 21 to June 12.

There will be a buffet luncheon for the presidents of district nine on June 7 at the Drop-In Centre in appreciation of their time consuming efforts.

There will be a card party Sept. 21 at which time an afghan will be drawn for.

Personal

Mrs. Clara Stata, Chesterville, and daughter, Mrs. Rae Clark of Ottawa, attended the performance of country and western singing star Charley Pride at the Cornwall Civic Complex last Thursday evening in Ottawa.

Mr. and Mrs. Arthur Clark, Ottawa, spent Saturday with Mrs. Clara Stata and George.

Mr. and Mrs. Douglas Hall of Aylmer, Quebec spent the weekend with the former's mother, Mrs. Florence Servage, and Ed.

Cancer research science triangle

(Special) - Cancer research is a three-sided effort.

On one side, there are the basic investigators, the scientists trying to find out what mystery of cell biology makes normal cells go wild, reproducing endlessly, destroying the body housing them.

On another side of the triangle, there are teams of medical scientists, seeking to better the prevention, diagnosis and management of cancer in man. After all, more than 50 per cent of cancer patients recover from their illness. Such successful cancer control has tremendous potential for saving more lives as the search continues for ultimate answers.

Closing the triangle are the epidemiologists, scientists using computers and maps and interviews to study large population groups. They have been able to pinpoint possible industrial hazards, the dangers of cigarette smoking, the question of family background influencing cancer incidence, and the role of dietary habits. They try to locate high risk groups of people who can then be checked in the hopes of finding cancer in its early, most curable stage.

According to the Canadian Cancer Society these are the scientists in cancer research today and the fact that so many specialists are needed shows the complexity of the problem.

There is the question of viruses. It is known that certain viruses can cause cancer in animals but it has not been proven in humans, although suspicions run high. The basic researchers are busy with that one while clinical research teams are trying an exciting approach called immunology, seen as a complement to standard forms of treatment such as surgery, radiation and cancer drugs.

It is of paramount importance to keep scientists in all areas informed about what's going on to speed the results of research to the cancer patient as soon as possible. Each side of the triangle has to be in contact with the others to make things work.

Wedding anniversary

(Special) - Mr. and Mrs. Willis Gallinger, RR2 Ingleside, celebrated their 59th wedding anniversary at the home of their son and daughter-in-law, John and Verla Gallinger, RR3 Ingleside, March 26th.

Guests included the family, some neighbors and friends.

The family members present were Wilbur and Hazel Rutley and daughters, Brenda and Bonnie; Bill, Ramona and Mike Gallinger; Bert, Eleanor and Becky Zeran; Connie and Rob Prosser; Kate Campbell; Gerald Zeran and Helen Bellefeuille.

Other relatives included Mr. and Mrs. Alfred Dunbar and J. Cecil Canham.

Neighbors visiting were Mr, and Mrs. Clare Duprau, Mrs. Annie Ferguson, Grayce Donnelly, Mr. and Mrs. Reg Donnelly and Mrs. Alberta Zeran.

Telephone congratulations were also received from Mr. and Mrs. Nolan Rupert.

A three-tier wedding cake, decorated by Verla Gallinger, centred the table and two bouquets of mums.

Mr. and Mrs. Gallinger are still very active and are enjoying very good health. Numerous cards were also received.

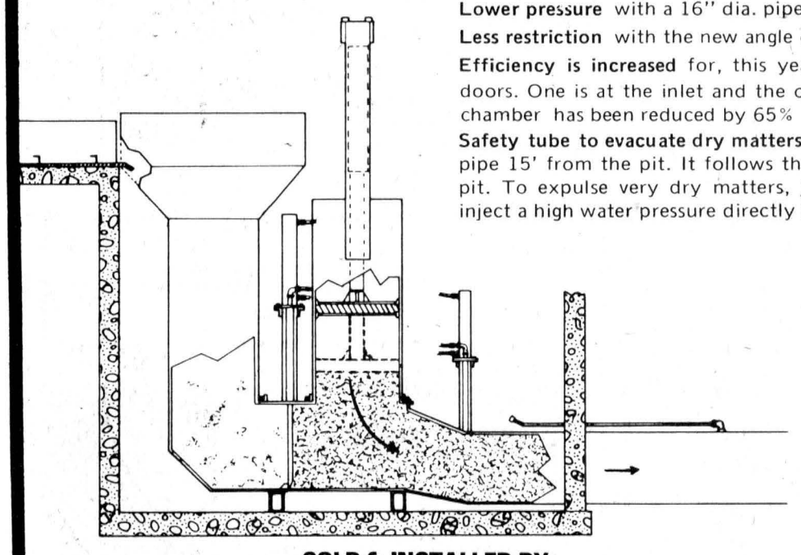
Houle farm equipment PROGRESS FIRST

78" MANURE PUMP



Lower pressure with a 16" dia. pipe.

Less restriction with the new angle on pipe adaptor.

Efficiency is increased for, this year, our manure pump has two guillotine doors. One is at the inlet and the other at the outlet of pump. Compression chamber has been reduced by 65%

Safety tube to evacuate dry matters: this tube is connected to the evacuating pipe 15' from the pit. It follows the 16" dia. tube and comes back inside the pit. To expulse very dry matters, just close the outlet guillotine door and inject a high water pressure directly into the 16" dia. steel pipe.

Princesses say cheese

Ontario Dairy Princess Maria Booi, centre left, was in Stormont and Glengarry Counties last week helping to promote the area's dairy industry. Thursday she was in Stormont with County Dairy Princess Nora Clancy, right, where they toured the Kraft Plant in Ingleside, visited Cornwall City Hall and visited Cornwall's Eastcourt Mall where they were joined by Glengarry Princess Elizabeth McRae (partically hidden behind Miss Clancy) and distributed dairy products to passersby. - mcmahon photo -

Acres - top female athlete

KINGSTON (Staff) - Twenty-year-old Maureen Acres, a second-year laboratory sciences student, has been named the top female athlete of the year at the Kingston campus of St. Lawrence College of Applied Arts and Technology.

Miss Acres is the daughter of Mr. and Mrs. Keith Acres, Ingleside.

She was honored at the college's athletics awards banquet Wed., March 22 and was presented with a trophy and $75 cash supplement by Molson's Brewery Ltd.

The school's male athlete of the year was six-foot-seven basketball star Bruce Sheen who this year set an Ontario Colleges Athletic Association scoring career scoring record with 1,288 points. The previous record was 1,100 points.

Miss Acres, who graduates in June, has been active as a player, referee and organizer in varsity and intramural sports.

She says she isn't an outstanding athlete, but she does devote most of her free time to college sports.

This year she played varsity hockey and intramural softball, football, volleyball, basketball and broomball. She also helped organize and was a referee for a student recreation league.

To be sure you will have the type of photography you want, make your plans early. Talk to your local photographer as soon as your wedding date is set, and plan together what events you'll want recorded. He can show you many different styles of photography - from superimposed mood pictures to candid close-ups - which will help you decide what you will want.

Council feels shorted on construction grants

WILLIAMSBURG (Staff) - When it comes to money - municipalities and the province rarely see eye to eye.

Williamsburg Council feels it has been shortchanged by the province on road construction allocations.

At Saturday's regular meeting here clerk-treasurer Keith Schell was authorized to write to James Snow, Minister of Transportation and Communications, demanding an explanation for two recent cuts.

Council is displeased its construction allocation was cut from $39,500 to $33,200 from 1975 to 1976 and again their 1977 allocation of $43,000 was cut to $37,200 in 1978.

"If we don't get any more than this, a lot of projects will have to be cancelled," said Mr. Schell.

Mr. Schell added council has no complaints over its $52,500 maintenance allocation - just the construction portion.

Construction and maintenance make up the two parts of the total MTC roads allocation. These are matched by the township for the total roads budget.

In other business, council approved the Westhill, Roscoe culvert tender.

The company, offered a 17½ per cent discount on its 1977 list prices. Two other companies, Kopper, from Waterloo, and Canada Culvert, Maple, offered 16.3 and 20 per cent discounts repectively.

Although Canada Culvert's discount was the highest, council rejected the bid because the company required the township to buy culverts by the truckload. This could mean an 8,000 to 12,000 lb. load on some transport.

The Westhill, Roscoe contract allow the township to buy culverts according to their need.

"It would certainly be more economical for me, said road superintendent Hugh Garlough.

A deputation of Winchester Springs residents came to council to ask for assistance in getting a Wintario grant to fix up their community hall.

They were told the application wasn't filled out properly. They will fill out another.

Cruickshank Construction was awarded the township's gravel contract for this year. Cruickshank's bid of $2.80 per ton for gravel delivered to township roads, $2.15 off the belt and $2.30 for stockpiled was the only one tendered.

Two zoning bylaws were approved - one for a mobile home park south of Williamsburg on highway 31 and the other for a Gabemi Corporation subdivision west of Morrisburg. The latter was approved in principle only.

All zoning bylaw changes must receive final approval from the Ontario Municipal Board.

The new bylaw for the Williamsburg Fire Department was signed.

All municipalities must establish new bylaws for fire departments this year in accordance with provincial regulations.

Township of Markham calling upon the provincial government to reconsider Bill 119, which affects municipal licencing rights, was approved.

According to the proposals now before the legislature, municipalities would be responsible for enforcing licencing regulations, but will not be able to charge the fees.

Carleton U. comes to Williamsburg

WILLIAMSBURG (Staff) - Williamsburg Council became a centre of academic attention Saturday. Along with The Record, a Carleton University's school of journalism student was covering council proceedings.

Boris Hrybynsky, a second year student, was covering council for a class assignment.

When told Mr. Hrybynsky's surname councillor Robert "Rowdy" Gillard turned to Record reporter Marco Levytsky and asked, "Are you two guys brothers?"

Mr. Hrybynsky said he found Williamsburg council "very educational" and said he enjoyed it considerably.

Personal

Visitors with Mrs. Bertha Bethune during the school break were Mrs. Robt. Aikman, Miss Karen Aikman and Todd Aikman, Morrisburg, and Mrs. Larry Sanguin and son Bradley, Toronto.

PRESENTS

3 Great TV Entertainment Values

FEATURING ELECTROCOLOR

Belwood C31-607

26" CONSOLE COLOR TV

C31: The new high performance ElectroBeam chassis with 31,000 volts of picture power. A modification of the reliable C30, the C31 introduces refinements to improve dependability and performance. It is a similar chassis to the one developed by Electrohome to power large screen projection television. It features the Auto Button, an improved automatic fine tuning control to make it easier than ever to get the picture you prefer. Other key features of the C31 ElectroBeam chassis include Power Guard (voltage regulator system), a power saver switch, neat, attractive 'up front' controls and a Brilliance Control that adjusts brightness, color and contrast simultaneously in balance achieving an outstanding quality picture.

Cameo C36-601

Morewood champions

Morewood North won the village's broomball championship on the Easter Weekend and wrapped up the season Sunday morning at Chesterville Arena with a victory over the league all stars. On the championship team are, front from left, Archie Byers, Scotty Donaldson, Doug Carruthers, Rick Mattice; standing, Bob Walker, Duane McMahon, Paul Mayotte, Stan McBain and Dale Thompson. Absent were Ken and Lee Carruthers, Rick Lavictoire and Jeff Hunter. - staff photo -

Special education consultants address annual for retarded

(Special) - The annual meeting of the Dundas County Association for the Mentally Retarded was held March 29 at Winchester and District Memorial Hospital.

David Hill, Special Education Consultant for elementary schools for the SD&G County Board of Education, Clifford McRae, Special Education Consultant for secondary schools, Mrs. Sheila Van de Kamp, teacher of the trainable mentally retarded class at CCVS and Jacques Duplante, Guidance Counsellor at La Citadelle, all members of the Special Education Task Force, were guest speakers.

They gave a brief resume of the programs available for students with special needs both in secondary and elementary schools throughout the three counties and discussed programs they hoped would be started in the future. Special emphasis is being placed on integration of the special student into the regular programs wherever possible.

Lois Hanes, Adult Protective Service Worker, whose goal is to assist mentally handicapped adults live as normal and integrated lives as possible within a community stated that volunteers are needed to work individually with mentally handicapped adults in Dundas County.

A motion was passed stating that the association would assist the Adult Protective Service Worker in obtaining the necessary transportation for the adults in need.

Margaret Maxted, secretary, informed the organization the 100 Club of Winchester had offered their support and help to the association and had made a donation of $1,000.

The financial statement for the year 1977, presented by April Dietrich, was approved.

The following were elected to serve on the board of directors: Margaret Maxted, Rev. Myron Maxted, Irene LaPrade, April Dietrich, Larry Dietrich, Margaret Haggart, Bill Haggart, Darlene Baker, Kevin Cooper and Daphne Skinner.

The board will appoint a new executive at its first mmeting.

District News

OSANBRUCK CENTRE - Mr. and Mrs. Lyle Swerdfeger spent Easter weekend with relatives in Oshawa and Hampton.

Mr. and Mrs. John Brownell celebrated Mr. Brownell's birthday with a family dinner in Morrisburg.

Friends will be sorry to hear that Mrs. John J. Stewart is a patient in a Cornwall hospital.

Mr. and Mrs. Brent Eamon, Islington, were weekend guests of Mr. and Mrs. Garnet Ezard and girls.

Mr. and Mrs. Ronnie Brownell and girls, Oshawa, spent the weekend with Mr. and Mrs. K. Swerdfeger and Mr. and Mrs. Brownell, Ingleside.

Mr. and Mrs. Ward Hartwell and Michael, Ottawa, Mr. and Mrs. Emery Dingwall, Finch, Mr. and Mrs. Donald Webb and family were Easter guests of Mr. and Mrs. K. Hartwell and Mr. and Mrs. Lorne Hartwell.

Friends are happy to see Mrs. Shirley Julien home from an Ottawa hospital.

Douglas Cryderman, Ottawa, spent the weekend with his mother here.

Mrs. Nora Lovis, Toronto and Mrs. Earl Beckstead were Monday tea guests of Mr. and Mrs. J.A. Brownell.

Mr. and Mrs. Robert Scott and Jeremy of Brampton spent Easter with the latter's parents, Mr. and Mrs. Ralph Kirkwood.

Ten Boom story on film

(Special) - Hundreds of people recently saw the film "The Hiding Place" which depicted life in a German prison camp and the atrocities to which Corrie Ten Boom and her sister were subjected, along with hundreds of other young women during the German occupation of Holland during the war.

The only "crime" they had committed was to give refuge to many Jews who were driven from their homes by the Nazi troops, and to share their abiding faith in God, with all whom they came in contact.

"Corrie" tells the story behind the making of "The Hiding Place" and Corrie Ten Bloom, now in her eighties appears throughout the story as she advises the filmmakers in their endeavor to make "The Hiding Place" as authentic as possible.

Seldom is it possible to secure a picture of the quality of "Corrie" for showing in this area on a freewill offerring basis.

"Corrie" may be seen in the Ingleside Public School auditorium Sat., April 8, at 7?30pm and at Newington Public School Sun., April 9, at 2:30pm.

All proceeds go directly to the Billy Graham Foundation.

UNITED COUNTIES STORMONT, DUNDAS AND GLENGARRY

TENDER

UNITED COUNTIES OF STORMONT, DUNDAS AND GLENGARRY
Tenders For Hot Mix Paving And Materials and Services

Sealed tenders, plainly marked as to contents, will be received by the undersigned until 12 o'clock noon, on **THURSDAY, APRIL 20, 1978,** for the following contract and materials and services:

(1) **Contract for Hot Mix Paving**

Supply, mix and place approximately 32,590 tons of H.L.4 on various roads in the County Road System.

(2) **Materials and Services**

(A) **TENDERS** -

1) Calcium Chloride
2) Weed and Brushkiller
3) Tires and Tubes
4) Metal Culverts
5) Wire Farm Fence, Posts, Brace Wire and Staples
6) Pavement Marking
7) Lubricating Oils and Greases
8) Gasoline and Diesel Oil
9) Sign Faces
10) Sign Posts
11) Asphalt Emulsions and Cutbacks and M.T.C. Primer
12) Approximately 17,700 tons of ½" crushed stone in stockpiles

(B) **Firm Price Quotations.**-

1) ⅞" Crushed Stone or Gravel
2) ⅝" Crushed Stone or Gravel
3) Asphalt Patching Material
4) Ready-Mix Concrete
5) Rental of Roadbuilding Equipment

Information to bidders, specifications and tender forms for each of the above items may be obtained at the office of the undersigned. There will be a charge of $10.00, which is not refundable, for Item No. 1.

Lowest, or any tender, not necessarily accepted.

In CDMHA

More parental involvement a must — outgoing president

(Staff) - Parents should get more involved if the Chesterville and District Minor Hockey Association is to maintain its high level of respect in the public eye, says out-going president Bob Youmelle.

In an interview Saturday, Mr. Youmelle said he took on the presidency for one year and now is getting out completely. The CDMHA Thursday elected Harry Craig as Mr. Youmelle's successor for next year.

Harold O'Neill was named vice-president to replace Peter DeRooy and Noreen Larose was chosen to take Susan Stevens' place as secretary-treasurer. No replacement was announced for Brooke Leightizer's position as referee co-ordinator.

"Complaints were few this year," said Mr. Youmelle," and it helped make the entire season a success. We have two championship teams, one other team still playing in the finals, a lot of individual awards, three league pennants and the Atom Bs won and the Midget Bs won their division consolation titles."

Mr. Youmelle's biggest complaint about the 1977-78 campaign which is quickly winding down was that all four members of the CDMHA executive did not have a child registered to play hockey.

"More parents have to get involved - we always had to look at the chosen few to help in situations", he commented.

Mr. Youmelle, in wishing the new executive the best, noted a president needs a great deal of assistance in performing his duties which are "not a one-man job". He said a president can accomplish more on the telephone between 5:30-6:30pm than any other time.

"Terrific" was the way he termed co-operation between the CDMHA, recreation director Rick St. Dennis, village council and village employees. Mr. Youmelle made special reference to co-operation during the Swedish midget hockey team visit when the arena was left open for two days at a time when it is normally closed.

The CDMHA registration dropped to 139 from 180 for the season, noted Mr. Youmelle, and if it remains constant the new executive is looking at six divisions - novice, atom, peewee, bantam, midget and juvenile next year.

In closing he noted six points the new executive should consider.

- more participation by parents in every aspect.
- a league for B division teams because they sometimes get the short end of the stick
- attempt to get more qualified referees because there is going to be a shortage next year
- should look at aiding girls hockey team
- make every effort to stay in Carleton Dundas Minor Hockey League because it is of high calibre
- registration fee should be increased because of normal economic situation that effects everything dealing with association.

Embrun advances to final

FINCH (Staff) - The cast and setting had changed for the Embrun 72s but the play was not altered by even a stride Saturday night.

In fact, the entire performance for Embrun followers was a re-run of their 1972 playoff win over the Prescott Saints in a Junior B semi-final series. The 72s reproduced the play here Saturday night as the Finch Township 76s fell victim to a 4-1 score. Embrun's win gave them the six-point semi-final set 7-5 and a berth in the EOJCHL finals against the Chesterville Jets.

Francois Brisson has taken over the directorship of the Embrun show as a gutsy effort by his charges had Finch Township back-peddling for most of the deciding game.

Both teams were staring face-to-face with elimination but it didn't seem to bother the 72s, having been in that position against Maxville a couple of weeks back.

Elimination brought the best out in the 1972 edition of the Embrun team as they fought back from down three games to oust Prescott. They trailed Maxville 5-3 in a six-point quarter-final series recently and stormed back with two wins to claim the set.

The 72s trailed Finch Township 3-1 at one point in the series and the series was deadlocked at 5-5 going into Saturday's game.

Home ice advantage meant little to either team in the series with only Embrun being able to score a victory at home. Embrun quickly jumped on Finch Township for the lead Saturday.

Finch Township's most effective player in the series, Eddie Gove, was waved off the ice for slashing early in the game and the 72s wasted little time getting on the scoreboard.

Defenceman, Butch Talbot, known for his dynamite blast from the point, unleashed a patented slapper at 3:19 to beat Jim Hume low on the stick side.

Hume and Embrun's Francois Gignac held the fort for the remainder of the period as the teams continued their close checking style neither wanting to make an error to break the game open.

Embrun finally got the goal they wanted at 3:21 of the middle frame, when Mario Savage got the puck past Hume who had lost his stick on the play. It came just five seconds after a minor penalty to Talbot had expired.

With five seconds left in the period, the 72s put the icing on the game when Pierre Servant had his shorthanded backhand shot hit the post, scoot behind Hume and go back into the cage off defenceman Jeff Lawson's stick.

The 76s didn't quit trying even though they ran head-first into four straight minor penalties in the third period. They survived the barrage and John MacNaughton got them back in contention at 8:21 by batting in a loose puck.

Guy Marion finished out the scoring at 12:56 when he tapped in a rebound off Hume's skate.

Referees Elzeon Raistrick and Don Foster called 19 minor penalties with 10 going to the 76s.

First Period

1. Embrun - Talbot (Marion) 3:19

Penalties - Gove (F) 2:43, G. Brisson (E) 8:07, MacNaughton (F), Bruyere (E) double minor 13:32, O'Donohue (F) 14:02, Provost (E) 14:16.

Second Period

2. Embrun - Savage (Servant) 3:21
3. Embrun - Servant (Savage) 14:55

Penalties - Talbot (E) 1:16, Holland (F) 4:54, Lawson (F) 6:29, Provost 14:44.

Third Period

4. Finch - MacNaughton (Unassisted) 8:21
5. Embrun - Marion (Latremouille) 12:56

Penalties - O'Donohue (F) 0:47, MacNaughton (F) 1:05, MacNaughton (F), O'Donohue (F) 3:14, Savage (E) 6:39, Holland (F) 14:00, Talbot (E) 14:22.

EOJCHL final starts Friday

(Staff) - Eastern Ontario Junior C Hockey League president Larry Stevens Tuesday released the dates for the league's eight-point championship series between the Embrun 72s and the Chesterville Jets.

By virtue of claiming the regular season pennant, Embrun will enjoy the advantage of hosting the extra game. Chesterville, the defending league champs, placed fourth this year.

The series will open at 9pm this Friday in Embrun with game two set for 2pm Sunday again in Embrun.

The series will switch back to Chesterville for game three next Tuesday and a fourth game the following night. Both games start at 8pm.

The fifth game is scheduled for 8:30pm Fri., April 14 in Embrun with a sixth in Chesterville at 8pm Sat., April 15 and a seventh at 2pm Sun., April 16 at Embrun.

Mr. Stevens noted all regular season games and all playoff games to date have been officiated by two referees but the final series will be worked by a referee and two linesman.

Chesterville coach Mike Lecuyer told The Record Tuesday morning village council was to decide Tuesday night (last night) whether to keep the ice in the local arena until the playoff series was finished. It was rumored the ice would be taken out this Sunday.

Beckstead's effort lifts Jets into EOJCHL final

(Staff) - If at first you don't succeed try, try again.

Chesterville Jets' captain Greg Beckstead had more than his share of disappointing seconds after near misses but he also claimed his moment of glory after scoring the eventual winning goal to oust Osnabruck Township and give the Jets an EOJCHL championship berth here last Tuesday night.

Beckstead snapped a 3-3 score with 6:16 left in the final period to cap a two-time come from behind win for the defending league champion Jets. Chesterville, with the victory, captured the gruelling six-point semi-final series 6-4.

Beckstead was Chesterville's top point collector against Osnabruck Township and he could have easily run that figure much higher, missing the open corner of the cage and rattling shots of the goal posts on numerous occassions.

He collected a goal and two assists in last Tuesday's game to give him 11 points in the series. He heads into the final set against either Embrun or Finch Township with 14 points on eight goals and six assists.

Osnabruck's Brad Shaver and the Jets' explosive left winger Kevin Blair were sitting out coincidental minor penalties when Beckstead popped the go-ahead goal. Beckstead was parked alone in front of the net when he took his time in receiving Lorne Cook's pass and flipping the puck up over Kevin Pilon's shoulder.

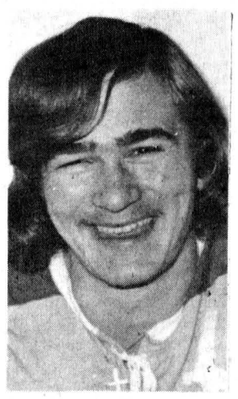
The township team came out to start the game like Chesterville had opened the previous games in the series - flying and in search of a quick goal.

They hit the post in the first minute of play and Shaver was in alone on Steve Droppo minutes later but missed the corner of the cage with his shot.

Kevin Wells finally pulled the string at 9:58 with each team playing five aside.

Early in the middle stanza, Osnabruck went up 2-0 on a harmless play. Don Simpson, working on a powerplay, flipped the puck in front of the Chesterville net and it glanced off Greg Casselman's leg behind Droppo.

That harmless point was equalled later in the frame by Chesterville's Andy Windsor. He stepped over the blueline and let go a shot which hit Pilon's blocking glove and carromed into the net.



Greg Beckstead ...fires winning goal

at 9:42, Chesterville was back in the game with Cook outracing an Osnabruck defenceman and beating Pilon with a drive that had bounced off the backboards.

Osnabruck regained the lead at the 33 second mark of the final stanza when Kevin Middleton converted a two on one break with Wells.

It last just over a minute with Steve Plummer tying the score again with a shot between Pilon's legs.

After Beckstead sent Chesterville into the lead, Droppo blocked Middleton on a breakaway and halted Ouderkirk directly off the ensuing the faceoff.

Neil Kittle missed the open net with 47 seconds left in the game and Blair salted the victory away with 14 seconds showing on the clock.

Chesterville was dealt six minor penalties and Osnabruck received five minors and a highsticking major to Jim Collins early in the final frame.

First Period

1. Osnabruck - Wells (Ouderkirk, S. Middleton) 9:58

Penalties - S. Middleton (O) 1:37, Angus (C) 7:32, Campbell (O) 8:26, J. Smith (C) 10:17.

Second Period

2. Osnabruck - D. Simpson (Wells, Keicks) 3:00
3. Chesterville - Windsor (Richards, Casselman) 9:35
4. Chesterville - Cook (Blair, Beckstead) 9:42

Penalties - Blair (C) 2:01, Beckstead (C) 5:57, Kroeze (O) 7:35, Campbell (O) 12:52, Blair (C) 13:10.

Third Period

5. Osnabruck - K. Middleton (Ouderkirk) 0:33
6. Chesterville - Plummer (Servage, Fawcett) 1:45
7. Chesterville - Beckstead (Cook, Shay) 8:44
8. Chesterville - Blair (Dillabough, Beckstead) 14:46

Penalties - Collins (O) major 2:09, Shaver (O), Blair (C) 8:11.

Player eligibility problem resolved with no change

(Staff) - Friday night's fifth game between Embrun and Finch Township was on as scheduled but only after a series of rule misinterpretations threw the EOJCHL playoff series into a state of turmoil.

Embrun, last Saturday night, beat Finch Township 7-1 at Finch to claim a 5-3 point lead in their six-point semi-final series. Tuesday, it was alledged by EOJCHL president Larry Stevens that Embrun had used a ineligible player in the win.

Daniel Piche, a second year bantam division player, had in fact dressed for the 72s, saw ice action and even scored a goal.

League rules state in such a case the winning team must forfeit the two points to the other team and pay a $25 fine. But, in this case the EOJCHL Executive Committee ruled the two points not be awarded to Finch Township.

President Stevens, who checks all league scoresheets for discrepancies, said he was not familiar with the name "Daniel Piche" on the Embrun roster. He checked the Embrun players' list filed in January with the ODHA to find Piche not on the list.

Stevens informed Embrun coach Francois Brisson and manager Rheal Piche of the discrepancy Tuesday night. He also told them of the consequences.

After all concerned parties ran up lengthy long distance telephone bills for the following two days, Embrun officials finally decided to protest the decision on the grounds that the 72s were listed as a club and affiliated with the community's minor hockey association.

Before the protest was switched into high hear, the problem was resolved early Friday morning.

President Stevens called the turmoil "a complete misinterpretation of the rule by himself, the ODHA and the CAHA".

A shoulder check

Finch Township's John MacNaughton (tri-colored sweater) was a going concern for the 76s as they attempted to stave off elimination from the EOJCHL playoffs on the weekend. Finch Township won Friday night's encounter by a 6-2 score but lost Saturday's match 4-1 as Embrun claimed the six-point semi-final set 7-5 to advance to meet Chesterville. Embrun defenceman Richard Laplante is shown putting the shoulder to MacNaughton in Saturday's game as goaltender Francois Gignac looks on. - staff photo -

Close only counts in horseshoes

Jim Hume proved his value to the Finch Township 76s against Embrun but it all went in vain as they bowed 7-5 in points in the EOJCHL semi-finals. Embrun claimed the deciding game at Finch Saturday night, 4-1, to advance to the league finals. Hume is shown above getting the pad on a shot by Embrun's Michel Provost.

- staff photo -

Leave next Wednesday

Panthers optimistic about Eastern trip

(Staff) - Ten months ago the future of the Embrun Panthers was dangling in limbo. Ten months later, the Panthers have captured their seventh ODHA title in eight years.

And, now the team is working out at every opportunity in preparation for next Wednesday's departure for Fredericton, N.B., and the Eastern Canadian Intermediate A Hockey Championships.

Panther coach Yves Rollin says he and the players have a positive attitude of coming home victorious and then going west to compete for the Hardy Cup which they won two years ago. Rollin is so positive he has reserved rooms in the New Brunswick capital until Sunday so the team can fly home after the final game.

Rollin has no real worries about his team not being able to score enough goals but he is developing a grey hair case over the goals against performance of his team.

In 11 games played against Ottawa District Hockey Association opposition, Embrun won nine, lost one and tied one in out-scoring their opposition 86-41. That means a 7.82 goals for per game and 3.73 goals against per game.

That last figure is the one that bothers Rollin. "You only need one goal to win and if you come up against a hot goalie and the opposition hits for its average-you lose" he said.

Rollin can't complain about scoring balance on this three forward lines but again their defensive ability enters the picture.

The trio of Michel Cayer-Bob Roselle and John Hutton heads the team with 28 goals but they have the poorest defensive record. That leaves Rollin to match that line with his strongest defensive pairing of Scott Henderson and Ralph McSweyn.

John Payette, Dave Hunt and Dave Dixie have hit for 27 goals while the line of Paul Sheard, Al Duncan and Bob Bingly have scored 23 times.

Rollin only asks the defensive corp to tighten up the strings and the forwards to do that little extra in coming back. He has no worry in net with Wayne Hughes and Andre Lord, formerly with Gatineau, going east to guard the cage.

Both are capable puck stoppers and Rollin said he will not hesitate in making a change during the games.

"All of the guys want to win" says Rollin.

The Panthers leave from Ottawa's International Airport next Wednesday morning. They play the New Brunswick entry at 8pm that day, meet Quebec at 2:30pm Thursday and Newfoundland at 11:30am Friday. The two semi-final games are Saturday and the final Sunday afternoon.

The following is the scoring record of the players, who will be going east, during the 11 exhibition games against ODHA opposition.

Panthers' Scoring

	G	A	PTS
M. Cayer	14	17	31
D. Hunt	13	9	22

Scores three in 6-2 win

Eddie Gove's punch forces deciding game

EMBRUN (Staff) - Leonard O'Donohue appears to have found a suitable replacement for Dave Rumer as Finch Township's trigger man around the opposition cage.

Sophomore winger Eddie Gove is the man who has met all the job requirements for the tricolor boys and he delivered in the clutch here Friday night as the 76s downed Embrun 6-2 to send their EOJCHL semi-final series to a sixth and deciding game.

Gove, who scored 11 times in his rookie season last year, paced Finch Township this year with 20 goals and he came up exceptionally big in the playoffs. He popped three second period goals, the last two on powerplays, Friday to increase his playoff goal production to 15.

A hustler on the ice, Gove broke the game open early in the second stanza, giving the 76s a 2-1 lead by beating Embrun goalie Francois Gignac on a sharp-angle backhander.

In game one of the series, Gove scored two breakawav goals as the 76s won 4-1 and he counted two more goals and assisted on a third in the second game as the teams tied 3-3.

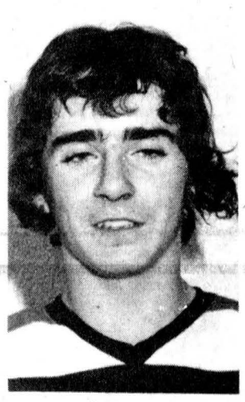
At 9:19 of the frame, Gove teamed up with John MacNaughton on a powerplay to run the score to 3-1 and he finished his hat trick over three minutes later on another powerplay.

Finch Township had taken the lead in the game when rookie Steve Sullivan scored late in the opening frame.

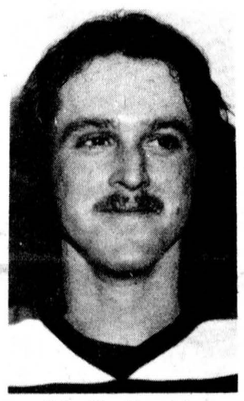
Embrun got that effort back at 1:38 of the middle stanza when Pierre Servant beat 76's netminder Jim Hume with a low blast. Embrun was playing a man short at the time.

Guy Marion made the score 4-2 early in the final frame but the 72s were unable to reduce the margin any more, rattling three shots off the goal posts.

Al MacDonell finally put the game well out of reach with 1:46 left in the game and his brother Mark MacDonell scored with 35 seconds left on the clock.



Eddie Gove
...gets hat trick



John MacNaughton
...three assists

Third Period

WHIPPET II Twin-Ply Nylon

Made of double-ply Du Pont 66 Nylon cord that is 50% stronger than used in regular 4-ply tires. This construction permits fast heat dissipation for cooler high-speed running and softer ride.

Turnpike 2+2 Belted Polyflex

Built with 2 Polyester belts atop 2 plies of tough Du Pont 66 Nylon. Has steering, braking and traction performance much like a glass-belted tire but with a softer ride.
20,000-mile performance rated.

Brockville man chosen Dundas league prexy

CARDINAL (Staff) - Domville Aces have been given a two week extension to further investigate their possible entry into the Dundas Fastball League for another season.

The league held its annual organizational meeting here Monday night and entries were confirmed by the Williamsburg Pioneers, Brockville Commercial Stars, Cardinal Pats, Maynard Roadrunners and Iroquois Maroons.

League officials granted representatives for the Domville team a two week reprieve. They will meet here again April 17 to decide on the length of the regular season schedule.

DFL team representatives were also unanimous in agreeing to an interlocking schedule with four Ottawa-based teams of the Metro Fastball League. DFL representatives consented to play double headers in the home-and-home schedule. They also request each team of both leagues to post a $200 performance bond.

The league last year adopted nine inning games and it will remain unchanged, following a 4-2 vote in an attempt to have the length of the games shortened to seven innings.

It is hoped the regular schedule will start the week of May 8.

Al Hoy, Brockville, was chosen as the league's president while Lynne O'Brien was returned to her third term as secretary-treasurer and statistician and Don Beckstead, Iroquois, was named vice-president.

Personal

Mrs. Evelyn McMillan, Rae and Tracey Kuno, Chesterville, Mrs. Gwen Liscumb, Mark and Paul Liscumb, Prescott, have just returned from a ten-day visit with Sergeant Alex McMillan and his wife at Shilo, Manitoba. They also visited Mr. and Mrs. Rod Dunning at Selkirk, Manitoba.

Award winners

Seven members of the Chesterville District Girls Broomball League recently received awards for their individual performances over the past season. In the photo to the left are three winners in the 7-10 year division. They are best defenceman Sherry Jordan, left, best goalie Tracy Moran and MVP Carol Droppo. Above, is Rhonda Woods, left, best goalie in the 10-13 year division, Diane VanderVeen, best goalie in the 14-17 year division and Diane Beckstead, most sportsmanlike player in the 14-17 year division. Absent is Carol Denis, most sportsmanlike player in the 10-13 year division.

Berwick ladies up two

FINCH (Staff) - Chesterville will be behind the eight ball when they travel to Finch for the third game of their best-of-seven North Stormont Ladies Broomball League final series next Monday night.

Pennant-winning Berwick posted a 2-1 overtime win here Monday night to claim a commanding 2-0 game lead in the set.

Rightwinger Patsy Casselman fired the winning marker with seven seconds remaining in the first five-minute overtime session.

Centre Diane McMahon, who drew an assist on the winning goal, scored the game's first goal late in the opening frame. Chesterville got that back early in the middle stanza when Edythe Cameron replied.

The third and possible deciding game will start at 8pm Monday at the Finch Community Centre.

B division winners

Debbie's Golden Gals were champions of the 10-13-year old division of the Chesterville District Girls' Broomball League this year. Members of the winning team are: front, left, Brenda McMillan, captain Bernadette Wouters and Laurie Feeley; back, left, Rhonda Woods, Wilma Melenhorst, Debbie Woods (Coach), Lisa Gallant and Laurie Dubois. Absent from photo is Karen VanGessel. - staff photo -

Skating club award winners

Chesterville District Figure Skating Club concluded its season at the local arena with judging and presentation of awards last Monday night. Club professional Bonnie Castle, left, was the recipient of a bouquet of red roses and individual trophies were won by most improved beginner Todd Marcellus, most advanced intermediate Angela Grisel and most advanced senior skater Chris Hearn. - staff photo -

7-4 over Kemptville in opener

Second period rally carries Lions to win

KEMPTVILLE (Staff) - A six minute scoring flurry in the second period carried Morrisburg Lions to a 7-4 win in the opening game of their OD-JBHL best-of-seven semi-final series against Kemptville Sunday.

Over 1,000 packed the Kemptville arena to watch the 73s lead 2-1 after 20 minutes of action before falling behind 6-3 going into the final stanza.

The series continues at 8pm tonight (Wednesday) in Morrisburg. Game three is at 8:30pm Friday at Kemptville with a fourth contest back in Morrisburg at 2:30pm Sunday.

Kemptville outpointed the Lions 3-1 in two regular season meetings but goaltender Perry Elderbroom and forward Bryan Rutley were two key factors in turning the table Sunday.

Although he didn't manage a point, Rutley was a going concern for the Lions and Elderbroom turned in a solid effort between the pipes. Kemptville was outshot 37-27 in the game.

Jim Whelan shot Morrisburg into the lead on a powerplay at 2:26 before the 73s, who won the Rideau-St. Lawrence division title over Smith Falls Friday night, got going.

Randy Blondin tied the score at 11:51 and Lindsay Selleck snapped the tie less than three minutes later.

At 9:28 of the middle stanza, Blondin set Kemptville up 3-1 before the Lions started to roar.

Mike Moran got the ball rolling on a powerplay at 12:43 and Kevin Mackler tied the score 19 seconds later.

Dean Boyd sent the Lions ahead for keeps, scoring unassisted at 13:54, and Dave Tait did likewise at 17:07. With just over a minute left in the frame, captain Bob McNairn set Morrisburg up 6-3.

Joe Meagher cut the score to 6-4 midway through the final stanza and McNairn notched the game's final goal five minutes after that.

Rob Reynolds added three assists for Morrisburg.

The Lions were called for seven minor penalties while Kemptville, aside from Blondin, was handed six minors and a major. Blondin collected five minors, a major, a 10-minute misconduct and a match penalty in the third period for shooting the puck at referee Greg Moore.

Figure skating annual April 12

(Special) - The following badges were awarded last Monday night to members of the Chesterville and District Figure Skating Club.

Stroking - Lisa Prudhomme, Lori Durant and Craig Smaith.

Elementary - Leslie Durant, Emma Hearn, David Lannin, Linda Rance and Valerie Shaver.

Basic - Christine Boulanger, Sarah Derks and Jennifer Ganter.

Novice One - Chris Hearn.

Dance One - Suzanne Daunais and Alan Dixon.

Jump - Shelley Shaver.

Figures - Laura Lee Barkley, Debbie Dillabough, Angela Grisel, Dawn McPhail and Kim Miltimore.

Trophies were presented to Angela Grisel as the most advanced intermediate member, Chris Hearn as the most advanced senior member and Todd Marcellus as the most improved beginner.

The club's annual general meeting will be held next Wed., Arpil 12 at 8pm at the Drop-In Centre.

Committee formed

(Staff) - Junior hockey within the jurisdiction of the Ottawa District Hockey Association is like a well-scuffed stone.

The intent of a recently-formed committee to investigate the overall structure of junior hockey in the branch is merely to "polish it" says chairman Peter McCooeye of Morrisburg.

The committee is like a tribunal of junior hockey in the branch. Mr. McCooeye said Tuesday the committee is trying to formulate proposals to better hockey in the ODHA.

The proposals, to be made but not necessarily accepted by the ODHA, will not change the hockey picture overnight.

Mr. McCooeye said he is "hoping for better communications between C, B and A hockey teams".

With Mr. McCooeye on the committee is Tony MacDonald of the Brockville Junior A Braves, Ron Murray of the Nepean Junior A Raiders, president of North-West Junior B league John Ritskes, president of the North-East Junior B league Barry Lee, EOJCHL president Larry Stevens and alternate Dalton Gadbois.

Public Hearings on Confidentiality of Health Records in Ontario

The Royal Commission of Inquiry into the Confidentiality of Health Records in Ontario invites you to attend its public hearings.

The Commission is reviewing health and related legislation and regulations, and administrative processes under such legislation, to determine whether proper protection is given to the rights of persons who have received, or who may receive, health services, to preserve the confidentiality of information collected under such legislation.

Public hearings will commence on Monday, the 17th day of April, 1978, at 10:00 a.m., in Hearing Room No. 1, 21st Floor, 180 Dundas Street West, Toronto. Anyone wishing to speak at these hearings is requested to contact the Commission in writing or by telephone to arrange a time for making submissions.

The Commission continues to welcome opinions, comments and information from all interested individuals and organizations.

Correspondence may be addressed to:

ROYAL COMMISSION OF INQUIRY INTO
THE CONFIDENTIALITY OF HEALTH RECORDS
IN ONTARIO,
22nd Floor, 180 Dundas Street West,
TORONTO, Ontario, M5G 1Z8.
Telephone: (416) 965-4003

The Honourable Mr. Justice Krever,
Commissioner.

Harvey T. Strosberg,
Counsel to the Commission.

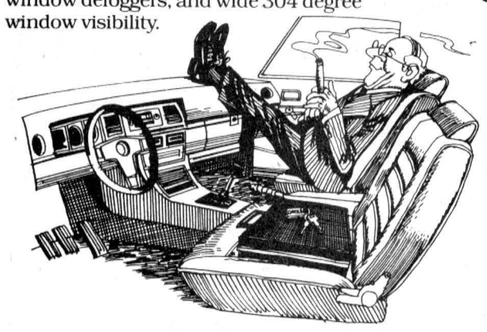
THE DIRTY DETOUR TEST

If you can combine a Dirty Detour with dirty weather, so much the better. These rotten conditions would be ideal for testing the 510's steel-belted radials, power-assist front disc brakes, pressure sensing valve, dual headlights, front, rear and side window defoggers, and wide 304 degree window visibility.

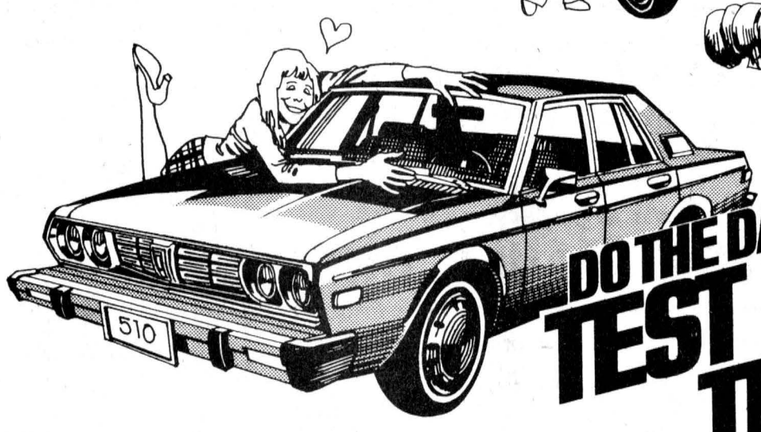


THE LAP OF LUXURY TEST

Get inside a 510. 510 isn't your ordinary family/economy car interior. Colour co-ordination throughout. Deep pile carpeting. Full instrumentation. And standard features...that go on forever.

THE FAMILY SAFARI TEST

If your family motoring trips resemble a troop movement, bring the troops along for the test. Be sure they all fit in, bag and baggage. There's room enough in the 510 for 2 adults, 3 children and a St. Bernard, plus luggage. The possibilities are endless...



DO THE DATSUN 510 TEST DRIVE TEST

THE MOMENT OF TRUTH TEST

Compare the 510 with other cars. There are comparably priced cars. Add in all 510's standard features (that aren't all standard in comparable cars), and add in the gas savings and maintenance savings. You're bound to agree: the Datsun 510 adds up to the smartest value on the road today. So, why wait?

Lions' bonspiel winners

Finch and District Lions Club boasted six of the 12 entries in the annual Lions Club curling bonspiel at Maxville Saturday but only Garry Ouderkirk's foursome was able to win any prize. Gary's rink was the one game runner-up to Don Hay of Russell. Metcalfe's Archie Sayant was the big winner with the two-game high. Mr. Sayant, right, is shown with other members of his rink, second Brian Peterson, left, lead Cheryl Peterson and third Lillian Sayant. - mcmahon photo -

Chesterville Atom B Flyers win Upper Canada crown

(Special) - Last Monday, the Atom B Flyers travelled to Morrisburg for the second game of the final series. The first two periods ended in a scoreless tie despite fast end-to-end action. With 10 minutes left in the game, Rudy Witteveen put away a pass from John Moran for a shorthanded effort and the game's only goal.

The series switched to Chesterville last Wednesday night. The Flyers jumped into the lead quickly when Brad Conley scored but Morrisburg finally tied it up only to have Chesterville score two more goals.

John Moran and Dickie Geertsma scored for Chesterville. Morrisburg scored to bring the score back to within one but that was all they could manage. Chesterville had taken the finals in three straight games and were crowned Upper Canada league champs.

The Flyers have improved tremendously over the season thanks to Dave Carruthers and Fred Rance, their coaches. Steve Montgomery has gone the whole season in nets for the Flyers and has played strongly throughout the season. Chesterville's defence was the most-balanced in the league with four tough defencemen, who have held the team in contention even when the offence stalled.

The offence has really come on, averaging 16 shots a game on net during the playoffs and often doubling the shots on goal, that their opponents got.

The season is all but over for this years' Atom B Flyers. They will finish out their season on Saturday night at 6pm with a father-son game.

Your heart works harder when you're not in the game. Get fit — and turn the clock back.
Fitness is fun. Try some.

Atom A Flyers blow lead in CDMHL final

(Special) - Chesterville Atom Flyers took the gas for games four and five of the CDMHL Atom final set and now find themselves with their backs against the wall in the cliff-hanging series. The set is tied at five points apiece after a win and a tie by a hungrier Russell Warriors squad.

With a chance to sew up the series, holding a 4-2 point lead, Flyers took to the Russell ice last Tuesday and watched while the brilliant Thompson gave Warriors a 1-0 lead. Flyers' Kent Smith, on a super set-up from Kirk Barkley made it 1-1. From then on, it was all checking as the teams battled to the end of the close-checking 1-1 affair.

Game five went last Friday night in Chesterville. It followed the pattern of the previous game, with Russell capitalizing on Flyer giveaways this time. Thompson and Racine gave Russell a 2-0 lead before the game was four minutes old. Flyers fought back, but were no match for the superb Thompson and his mates for the rest of the first and most of the second period.

Late in the second, Flyers showed a little spark as Kirk Barkley narrowed the margin to 2-1 and Barkley continued to kindle the flame with 1:15 left in the second period on a power-play effort.

Barkley completed his hat trick early in the third period from Smith and Laflamme. With things seemingly well in hand, Flyers let up in the latter part of the game. It was all Russell needed as Bourguignon scored with 4:15 left in the game. Flyers needing only a tie to clinch the title continued to snooze and Thompson kept Russell's hopes alive with 1:40 left scoring to give Warriors a 4-3 win to tie the series at 5 points each.

Flyers met Russell in game six last night, Tuesday, at Russell Arena.

In exhibition play, Flyers travelled to Morrisburg last Saturday for the Morrisburg Atom Tournament. In their first game they drew Brockville Gilbarco and following extremely hot goaltending by Grant Groves and Troy Donaldson, blanked Brockville 1-0.

Although outshot 29-18, Mike Harper led Flyers with the only goal of the game from linemate Kent Smith.

Game two was a different story as Flyers skated out to challenge a tremendous Char-Lan team. Flyers put up a fine effort, tying Char-Lan in shots, at 19-19.

However, the similarity ended here. Chesterville was guilty of breaking several of the Ten Commandments of Hockey; "Thou shalt not stickhandle out of thine own end when covered!" It cost Flyers a goal. "Thou shalt look where thou art passing." It cost Chesterville another goal. "Thou shalt never be scored upon in a man-advantage situation."

You guessed it again! Three goals! All in all, a good learning situation for the young Flyers.

Flyers travel to McNab Arena in Ottawa this Sunday for a 1:30pm game against Rockliffe in their opening game of the Canterbury Minor Hockey Tournament.

BOWLING

Monday Nite Men's

Dwayne Hall was the top keggler last week with a 310 and 760 as the league started its playoffs.

Monast Lanes head the pinfall standings with 3,153 while the Farmers have 3,102, Mailmen 2,967, VanKessel Homes 2,867, Chesterville Legion 2,847 and Bird's Red and White 2,772.

Riverside Rollers

Rachelle Morin heads the playoff standings with 5,921, just 35 pins ahead of second place Nelly Leightizer. Brooke Leightizer is third with 5,781 as Helen Youmelle has 5,690, Lyndon Lalonde 5,616, and Pete Brown 5,592.

Avon. Thurs. Night

Dean McIntyre and Carolyn Tinkess each won double honors last week as the league held its second night of playoff action. Dean led the men with a 269 and 718 as Carolyn paced the women with a 246 and 695.

Dean McIntyre also heads the playoff pinfall standings with 6,116 as Bill McDonald has 5,893, Burns McIntyre 5,887, Lynden Jackson 5,852, Perry Tinkess 5,768 and Allen McIntyre 5,650.

Defenders

Ralph Dillabough still heads the league standings with 110.5 points as Lise Steinberg has 104.5, Pete Monast 98, Rita Lapierre 95, Max VanOers 88 and Warman Bernard 70.

Caroline Antille topped the women last week with a 284 and 706 as Ralph Dillabough rolled a 313 and 817.

Wed. Afternoon Ladies

Bertha Barkley rolled a 240 and Eileen Sharkey had a 628 to lead the league last week.

Bertha Barkley leads the standings with 107 points, seven ahead of Theresa Masterson. Pat Young has 97, Virley Edwards 96 as Eileen Sharkey and Marlene Lowe each have 94.

Community League

A one game showdown decided the regular season championship in the league last Tuesday. Russell Marcellus was the winner after winning the roll-off against Earl Johnston. They each finished with 112 points. Gord McLaughlin had 107, Tom Parker 91, Lorne Byers 78 and Ed Kelly 67.

Gord McLaughlin topped the men with a 276 and 713 as Evelyn McLaughlin rolled a 254 and Gail Parker 678.

Finch Mixed League

Ellery Ouderkirk heads the playoff standings with a 9,155 total pinfall. Doug Zeran is next with 9,044 while Sid Bird has 9,036, Ivy Shaver 8,955, Ossie Shaver 8,902 and Betty Zeran 8,803.

Lillian Droppo led the women last week with a 283 and 672. Clayton Shaver rolled a 261 single and Barry Brownlee and Doug Zeran shared the men's triple at 701.

Now . . . this is straight from the horses mouth!

CLAUDE'S MANUFACTURING & UPHOLSTERING REG'D.
MOREWOOD, ONT.
isn't moving to the USA
CONTRARY TO RUMOURS THAT HAVE BEEN CIRCULATING IN THE AREA, WE HAVE NOT EMIGRATED TO THE USA!
NOR DO WE INTEND TO DO SO!
We must admit that we had very strong thoughts about it. But when we realized that the biggest part of our success in the upholstery business has been from the support of all the people in the surrounding cities, towns and villages, not to mention local support in and around the Morewood area.
Since these rumors got started we have been very busy, due to people thinking that we were going out of business. This is just not so. We have been so busy that we have already started plans for expansion in the very near future, as a matter of fact we have already increased our staff as to better serve our customers.
CHECK THIS SPRING SPECIAL FOR THE MONTH OF APRIL ONLY!
For the month of April, 1978 we are offering any materials we stock in our showroom, whether it be velvets, tweeds, floral or vinyls at one low price as long as supplies last.
YES ONE LOW PRICE — ONLY
$7.95 PER YARD
36"X54" — Values as High as $19.95 per yard
WE ALSO HAVE ANOTHER NEW SERVICE TO OFFER!
