# THE IROQUOIS POST

Volume XLV1V - No. 34 | Second Class Registration No. 1361 | Iroquois, Ont., Wednesday February 9, 1972

## Seeking Nomination

Walter Baker, Ottawa lawyer, will seek the Progressive Conservative party nomination for Grenville-Carleton. The convention is expected to be held in April.

E. T. Woolven of Ottawa is also in the race to represent the Conservative party in the Federal election and attempt to unseat Liberal Cordon Blair.

Mr. Baker, 41, is the law partner of R.A. "Dick" Bell, former Carleton M/P and cabinet minister. He resides in Nepean Township and is the son of David and Olive Baker of Cardinal.

Born in Ottawa, Mr. Baker was raised in Cardinal. He is a graduate of Carleton University. He has been actively engaged in the Conservative party for many years and has held several executive positions on the local, provincial and federal levels.

The constituency executive meets February 19 to decide on the time and place for the nomination convention.

## Students visit Quebec

At approximately 9:15 Thursday morning twenty-nine students from Grades 12 and 13 accompanied by Mr. McAllister and Mr. Turpin, boarded the bus and set off for Quebec City and the famous Winter Carnival. A short stop was made for lunch and we were on the road once more. At four in the afternoon, we arrived at our destination. We were to stay at the "Centre De Loisirs Limoilou" which is a parish centre. That, in itself, was quite an experience as we slept in large rooms as dorms and dormitory life was something new and different for most of us. Staying at the centre gave us a chance to meet many other students from other schools such as Peterborough and Mississauga who were also down to Quebec for the weekend. Well, our trip certainly didn't end here as we were all there to partake in and enjoy the Carnival.

There were a number of places to visit such as the Quebec Coliseum to view the "International Pee-Wee Hockey Tournament", the "Sugar Shack", Place du Manege, the Carnival Street (Ste.-Therese Street) and not to be forgotten "Le Palais du Bonhomme". Bonhomme is the big friendly snowman who reigns over the Quebec Winter Carnival every year. There were images and statues of the Bonhomme all over the city. The palace itself was carved out of ice. This was unbelievable to most of us and as a result we were taking our gloves off to see if it really felt like ice. The lights around the palace made it look like a picture. All the sights were beautiful and ended with a parade on Saturday night.

The Carnival was fantastic but we were out to see all we possible could in the time allotted. A great toboggan slide and a number of rinks provided a couple of hours entertainment and a trip across the river on the ferry to Levis also proved to be interesting and enjoyable.

On Sunday morning at 10:00 we began our journey home. We had tried our best to understand and speak the French language. Our feet were sore from walking and most of us enjoyed a rest, if not a sleep on the way home.

Our trip to the Quebec Winter Carnival was one we will remember ...until we go again!

Every one of us extend a special thanks to Mr. Mca special thanks to Mr. McAllister and Mr. Turpin who made this trip possible and put up with us for the four short days.

**JUST A SIGN OF THE TIMES**

*Snowfall this year requires heavy equipment to clear the roads in Iroquois.*

## Oral Communications Contest

On Feb. 4th the students at Iroquois Public School assembled in the school auditorium to hear their classmates participate in an oral communications contest. This is the new terminology used for public speaking contests.

The Junior Division winner was Jamie Wyatt, whose topic was his recent trip to Upper Canada Village, with his classmates.

The winner of the Senior Division was Scott Payne with a speech about "Technology and its affect on Man".

The Judges for the contest were Mr. Stan Waddell, Mrs. Ruth Fetterly and Mrs. Kay Morgatroyd.

## IN HOSPITAL

Winchester Hospital:
Mrs. J. Willis Mrs. R. Mustard

Kingston Hospital:
Mrs. John Wylie

Brockville Hospital:
Mrs. M. Batchelor

100 Club Winners:
Faith Banford
Al Belmore

## Birthday Wishes

The Post wishes Mrs. John Watson (the former C. Patton) of Montreal a very happy 89th birthday on Feb. 12th. Mrs. Watson was a resident of "old" Iroquois who still keeps in touch via "The Post".

Congratulations are extended to Mrs. Mary Houghton of R. R. #1, Morrisburg, who celebrated her 91st. birthday on Feb. 2, 1972. A birthday party was held in her honor at the home of her daughter, Mrs. Ralph Barkley.

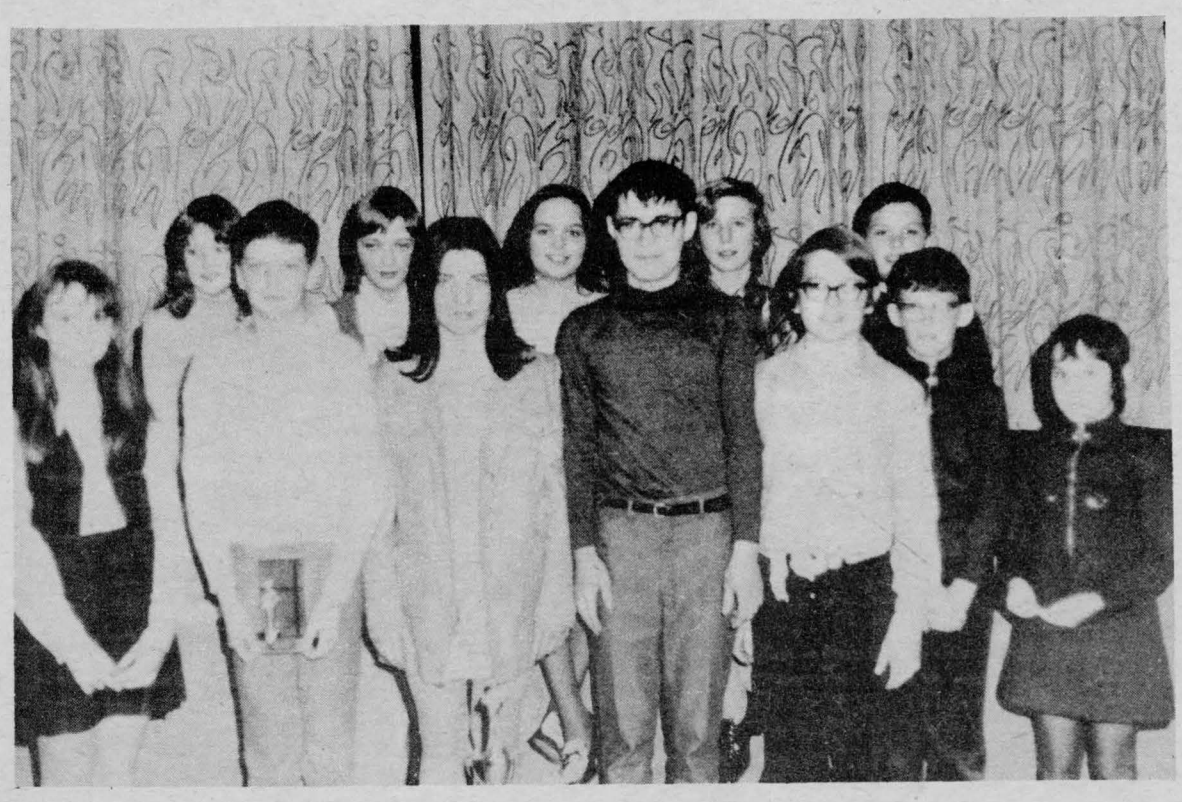

## James Smith dies at Winchester

On the twenty-fourth day of January, 1972, James Edgar Smith of Iroquois entered into rest at Winchester and District Memorial Hospital. He was in his eighty-fourth year.

The funeral was held on January 27th from Fitzsimmons Funeral Home to the Church of St. John the Baptist, where the office for the burial of the Dead was read by the Reverend Allan Rogers.

Mr. Smith was predeceased by his wife, Ethel Agnes Hutt in 1960. He is survived by Ralph of Iroquois, Harry of Toronto, and Phyllis Mrs. Albert English of Iroquois. The deceased is also survived by seven grandchildren and eleven great grandchildren.

Entombment was made at the Iroquois Point Vault. Pall bearers included George Brouse, Lloyd Davis, Clarence Shaver, Roy Beebee, Ross Haley and George Hamilton.

## The Ontario Heart Foundation and You

This Sunday, February 13th, young people of our community will canvass our homes on behalf of the Ontario Heart Foundation's research into the causes and effects of cardio-vascular diseases.

Every FEBRUARY is designated Heart Month, keeping before us the urgent need for greater support of the research going on in centres like Ottawa, Montreal, Toronto, Kingston, etc., in the fight against Canada's number one cause of fatality...heart attacks.

What you can do, in support of this annual appeal, will determine what the laboratory and medical researchers will be able to do in the year ahead in their search to combat heart disease among our young and old.

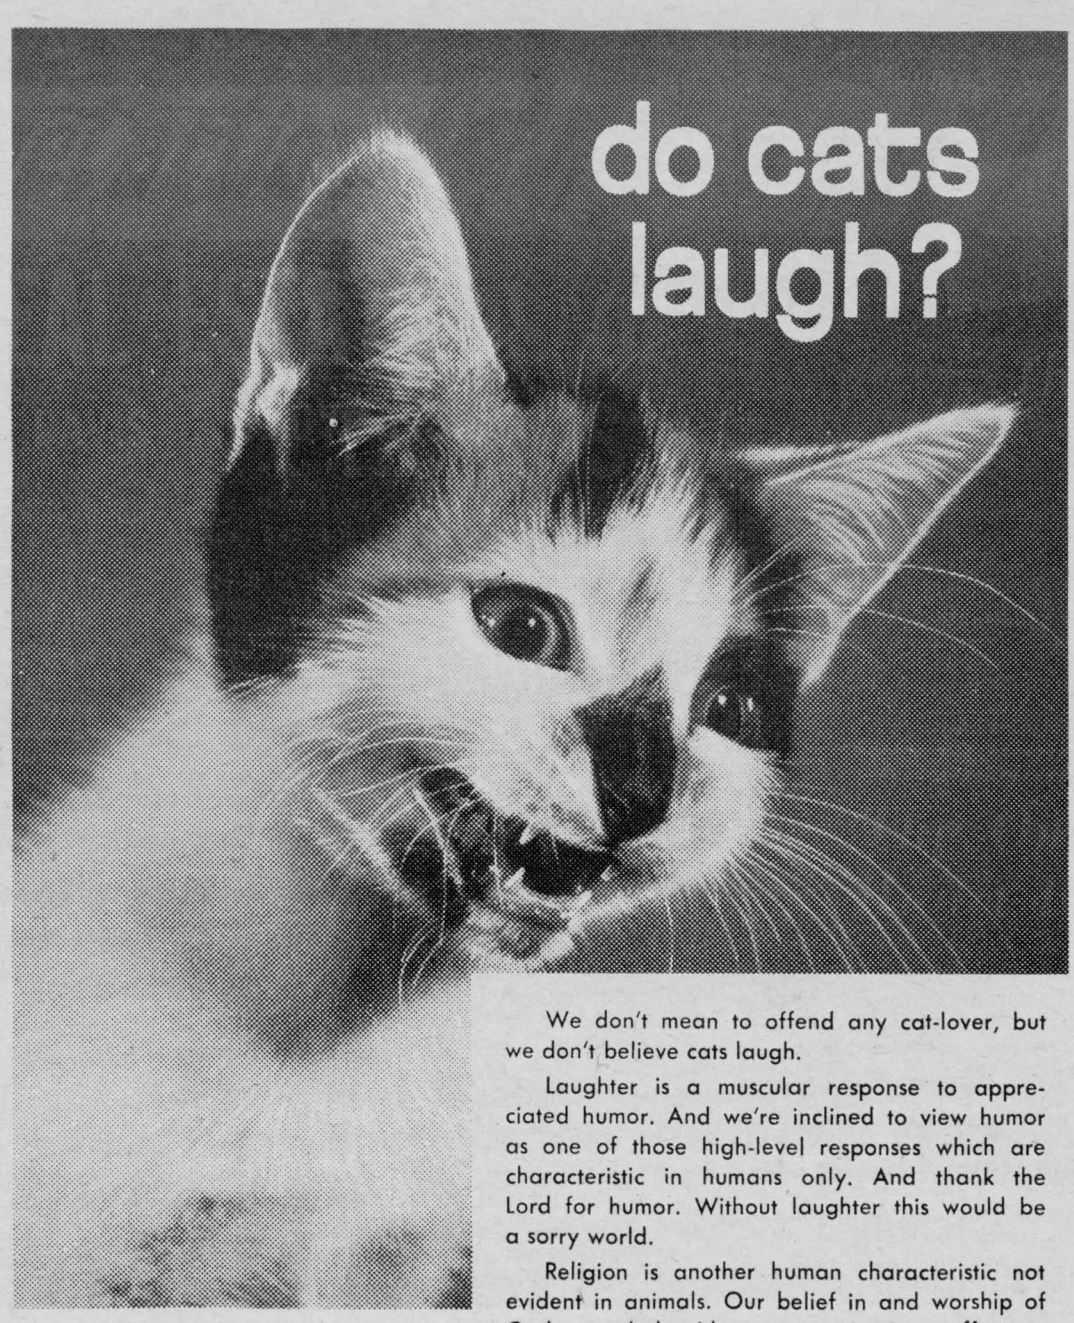

When the young canvasser calls on the HEART SUNDAY BLITZ this weekend, be ready with your donation to this work, which will benefit you and your family in the years ahead, as science and the medical profession "break through" this great malady of our nation with preventative means and medicine.

REMEMBER! The heart you save, may be your own!

## SO MORE WILL LIVE

**New Rays of Hope for All Hearts**

We don't mean to offend any cat-lover, but we don't believe cats laugh.

Laughter is a muscular response to appreciated humor. And we're inclined to view humor as one of those high-level responses which are characteristic in humans only. And thank the Lord for humor. Without laughter this would be a sorry world.

Religion is another human characteristic not evident in animals. Our belief in and worship of God, coupled with our conscientious effort to live according to moral principles — these are not found in the animal world.

Whether cats laugh is not a question of great moment. But whether man is living up to the religious capacity God has given him is another matter. Our awakening to our spiritual potential is a great moment!

## WINTER FINALLY GETS TO SMILEY

By Bill Smiley

All winter I've been laughing. Not wildly or out loud, so that some people could do what they've wanted to for years — have me quietly put away.

No, it's just been a steady stream of assorted chuckles, snickers and titters, with an occasional giggle erupting when it poured rain around here in January.

I was laughing, for the first time in about four winters, at the snowmobilers and skiers.

Winter after winter I have sat, glowering inwardly, as the snowmobilers tried to outshout each other in their boisterous, boyish manner, each trying to tell a taller tale than the other about how he jumped the creek or went up a 90-degree slope with no hands, or some such rot.

Winter after winter, I've tried to keep the sour look off my face as the ski hounds burble their "in" talk about how many runs they made, chortle with glee every time there was a fresh fall of snow, and brag about their brand new Scheissmaken eighty dollar ski boots.

For about two months, the winter of 1971-72 was known as "Smiley's Revenge". There was a little snow in December, but it was almost a green Christmas. There wasn't a snowbank worthy of skidding into on New Year's Eve.

And the fine weather continued for weeks: lots of rain, high temperatures and virtually no snow.

"Let their snowmobiles sit there and rust", I whispered, barely able to restrain a guffaw. "Let their skis warp and their fancy boots remain unscuffed", I muttered, scarce able to hold back a peal of laughter.

It's not that I have anything personal against these mid-winter bores. Some of my best friends are snowmobilers, though I wouldn't want my daughter to marry one.

And I know some perfectly sensible people who think there is something ineffably enjoyable in sliding down a hill on a couple of inflated barrel staves. The genuine skier thinks nothing of spending ten or fifteen dollars on a Sunday's skiing, even if he has to cut his church givings to the bone.

And it's not jealousy or spite. Just because I have a ropy knee that would put me on crutches for two months if I had a fall is no reason to envy those who swoop down the hill like a bird.

Same with snowmobiling. I have a slight handicap there, too. I can fly a plane and drive a car, if there are good mechanics around. But when it comes to small motors which stop running, all I can do is stand there and stare, shifting from one foot to the other.

It's embarrassing, but I'm being frank. It's all very well to talk about carburetors and pistons and fuel lines if you know what they are, where they are, and what to do if they aren't working.

I figure I'm lucky if I get the lawnmower started once out of three times, without summoning help. Thus, the only picture I can conjure with me and a snowmobile in it is a nightmare: the pair of us out in the woods, ten miles from nowhere, with the carboretors seized up or burned out or whatever it is they do.

No, I don't hate the people or the sports. I just hate *snow* with a deep and bitter loathing which must have some psychological explanation.

Did I wet my pants, as a small child, while playing in the snow? Did my parents, sick of my eternal wailing, throw me into a snowbank and hastily retrieve me?

I don't know the answer. But I do know that Smiley's Revenge has turned into Smiley's Follv.

## Receives Certificate of Completion

Pictured above is Mr. Allen Baker of our Maintenance Department receiving his Certificate of Completion on Blueprint reading and Schematics and Symbols. Allen is serving his millwright apprenticeship and will be attending George Brown College in Toronto for an eight week course commencing of February 28th.

## JUNIOR PUBLIC SPEAKING WINNER

Judges Miss Kay Morgatroyd and Mrs. M. D. Fetterly present the Junior Trophy to Jamie Wyatt.

# Newsy Notes

by Mary B.

Well, it seems at long last that we are really going to get those new looms that we have heard about for so long and I am sure that the most of you have already seen this in a recent issue of the Iroquois Post. I have been told that if this works out well as far as production goes, there will likely be more new looms installed sometime in the near future, for this we thank the good Lord and also management of course, but it's sure not before they are needed.

I want to thank the people that were pleased to get my fruit cake recipe. I understand several people have already tried it with success. I guess you have discovered the secret of it lies in the boozed up fruit, yes, that's what makes it so good. I suppose that tee-to-talers won't appreciate it but just think of it as a flavouring, folks, and all will be well with the world. I have a lot more wonderful recipes and from time to time, I shall print one for you.

A word of caution to all the Moms and Dads of young children. The ice along the river streams and ponds is very uncertain at this time of the year or at any time in the winter season. Please avoid a tragedy in your family by keeping an extra eye on those little ones. If they want to skate, take the time to take them to a rink where it is safe. You won't be sorry. It is much better than turning them out to find their own place. A lot of them don't realize the danger involved.

Highway spending is reported to be cut back as a result of Ontario's budget problems. The change probably won't make any noticeable difference to this part of the province.

John D. Shingleton, placement chief at Michigan State University says: "Universities are tending to become sort of warehouses for young people, storing them while they try to make up their minds and find out what its all about.

The price of stamps may have gone up, but they still

## IROQUOIS RECREATION ASSOCIATION

# Greatly Expanded Volunteer Service

Members from Cass Bridge Winchester and Chesterville units braved the storm on Feb. 4th to attend the Women's Auxiliary meeting at the Memorial Hospital, Winchester.

Mrs. F.M. Cass, the president, reported the formation of new units at Morrisburg and Iroquois, the former under the co-direction of Mrs. Don Robertson and Mrs. Art Edgerton and the latter presently represented by Mrs. K. Kirkby.

Mrs. Duane Justus, convenor of Special Events led the discussion of plans for the usual Mid-March Games Party, full details of which will appear later in the County Press.

Mrs. Jessie Summers presented a glowing financial report of which the Purchasing committee chairmen, Mrs. H. Lannin, took note with projected expenditures for the Intensive Care Unit being set up.

A newly-purchased, mobile, life-saving device for this unit is now; in use in the operating room and will be demonstrated in action at the March meeting. This is the cardiac monitor which is is used to assist doctors and nurses in the continuous observation and assessment of a patient's condition.

Mr. Stel noted that, in the past 25 years, the women's Auxiliary has contributed over $100,000.00 towards the purchase of just such up-to-date equipment, thus helping our hospital and staff to maintain its enviable reputation in the area.

Miss Legris' report showed a percentage bed occupancy of 104%, including corridor beds, 984 outpatients and 1023 treatments in the physiotherapy department.

The volunteer service has been extended to include daily guides for the admitting office and help in Pediatrics with continued attendance in one East on Monday and Thursday afternoons as well as servicing the tuck cart on Tuesdays and Fridays. Mrs. Max Boyd, the Director of Volunteer Services, emphasized the necessity for extra smocks and two dozen drip-dry regulation volunteer smocks were ordered.

A re-evaluation of the entire prigram will be held at a special meeting of present and potential volunteers on Wed. Feb. 16th, at 2:30 p.m. in the Board Room.

The tuck cart will be serviced by Chesterville in February, Mountain in March, and by South Mountain in April. An appeal was made for current magazines for both tuck cart and waiting rooms.

The mid-February Red Cross Blood Clinic has been set up to include cards sent out to previous donors, local posters, canvasses of the area High Schools, and notices in the County Press.

The meeting adjourned to the cafeteria where Miss Legris presided over coffee and small cakes.

# ONTARIO DEPARTMENT OF LANDS AND FORESTS

## Weekly Report

Did you know there are over 15 miles of bush roads and trails for your snowmobiling pleasure within a mile of the town of Kemptville?

The G. Howard Ferguson Forest Station of the Ontario Department of Lands & Forests occupies an area just north of Kemptville, bordered on the south by #43 highway, on the west by #16 highway, on the east by the South Branch of the Rideau River and on the north by the Rideau Golf Club and the main branch of the Rideau itself. Throughout this area the roads and trails wander and crisscross through many acres of natural woodland and man-made plantations. For your convenience a parking lot has been established just off #16 highway approximately one mile north of Kemptville. Maps showing the roads and trails may be obtained from the main office at the Station.

STOP signs have been erected for your safety at hazardous points and crossings. Please respect them.

As you are roaming along the roadways and trails enjoying your outing and freedom, you will undoubtedly notice, particularly in the southern portion of the station, numerous small open fields set between hedgerows of trees. These open spaces will probably look enticing and you may be tempted to detour onto one of these fields for a few figure eights, etc. It is brought to your attention however, that these open fields contain small seedling trees and when the snow, which covers them is packed due to the passage of snowmobiles, it turns to ice and kills the seedling trees beneath the packed surface. You are requested, therefore, to stay on the roads and trails only and not to venture onto any of these open fields.

You are reminded that it is unlawful to chase or harass, by snowmobile, any wildlife which might be encountered during your outing

# Teacher's View

It is indeed a privilege to use this column as a means of informing many people of an activity in which some students are engrossed.

Much has been said about the misuse of after school hours by students. I do think it a propos at this time to say something about the voluntary attendance at the regular Saturday morning classes which I initiated about two years ago. Because most secondary schools, up to now, have been unable to budget for the installation of some computer equipment, I, along with the cooperation of the computer staff of Mr. Jim O'Brien at St. Lawrence College of Applied Arts and Technology, have been holding classes for my students of Data Processing every Saturday morning. Even though our classes are from 10 a.m. to 12 noon at the College, most of the students have actually been coming to these classes at about 9:30 a.m. and have been staying beyond the noon hour.

Some of the students enrolled in the Data Processing courses at school have found it difficult to attend Saturday morning classes because of commitments at home or because they may have weekend jobs. Those who are attending Saturday classes, voluntarily, have shown a marked increase in their knowledge and awareness of all phases of Data Processing. These extra classes have eomplemented the regular classes at Cornwall Collegiate and Vocational School. Certainly, many students have increased their grades and some students are now definitely planning to enter advanced courses of study in the field of computer science.

*7:00 p.m. - Outdoor Church Service - Snowmobile Torchlight Parade*

## Letter to the Editor . . .

The Editor,
Iroquois Post,
Iroquois, Ont.

Our hospital has again been asked by the Canadian Red Cross Blood Transfusion Service to organize an area blood donor clinic, and this will be held in the Board Room of the hospital on Monday, February 14th from 2.30 P.M. to 4 P.M. and 6.30 to 9.30 P.M.

The Women's Hospital Auxiliary will again be assisting us by canvassing for donors and helping in the hospital on the day of the clinic under the direction of Mrs. Gordon Lancaster.

We would kindly ask that, if at all possible, the above information be relayed to your subscribers, either by a notice in your paper or perhaps editorially, or any other way which you may find convenient or appropriate.

Your help in this regard has always been one of the deciding factors in the success of our clinics, and anything you may be able to do in publicizing it will be appreciated.

During the last twelve months, 410 bottles of blood were used by this hospital in the treatment of the sick, together with many other blood products, all of which are supplied by the Canadian Red Cross free of charge. A successful clinic will help to ensure continuation of this hospital's efforts in providing the best possible patient care to the residents of our designated area.

## OFF THE CUFF

**By Charles Edwards**

How would you like to get a card on Valentine's Day that read something like: "Be Mine Or I'll Shoot You" or "I'll Be Yours 'Til Hell Freezes Over"! The method of expressing your romantic sentiments has changed somewhat over the past few years. What would have passed for a message of love a few years ago would now be just so much slushy sentiment.

And the gifts have changed too. It used to be that a guy could get off with a thirty-five cent card, and if he was a real Casonova, maybe a dollar's worth of chocolates. Now its a chance for her to get that mink that slipped by at Xmas. The stores offer everything from diamonds to dishwashers to express your affection.

One aspect of Valentine's Day that hasn't changed too dramatically is it's celebration in the schools. We can remember how our class marked the occasion, and it usually follows such a set pattern that you'll probably see yourself here. It started a couple of days before the fourteenth when everybody trooped down to the store and bought a package of those 'fifty-for-thirty-nine-cents' Valentines with such endearing sentiments as "Will U B Mine?". Then we addressed one to all our friends--girls and boys.

The highlight of Valentine's Day was always a skating party at the open air rink. Right after lunch we all marched down to the rink in semi-orderly little ranks. The afternoon was spent playing Crack the Whip or chasing the girls (when the teacher wasn't looking). The highspot of the day was when the teacher made her token swoop around the rink amid lots of laughter and shouting. If she happened to take a tumble, so much the better for the crowd.

Then it was back to school for a soggy boiled hot dog in a stone-cold bun, with a cup of lukewarm hot chocolate for a chaser. The last event of the afternoon was the handing out of the cards. An accurate count was kept of the number of cards everybody got and, even more important, who sent them.

When one of the girls opened a card from a favourite boy, there was a flood of shreiks

See Page 10

### *Horticultural Society To Hold First Meeting*

The Morrisburg Horticultural Society will hold its first meeting of the year on Tues. evening, Feb. 15th, 1972 at 8.00 p.m. in The Civic Auditorium. All interested are urged to attend. Programme will be given the mme will be given by the Morrisburg Senior Citizen's Club and the Seaway Sinners. Memberships ($1.00) will be received for the year 1972. Join early in the year and assist the Society. Monthly newsletters are sent to each member.

## *Miss Jennie Cameron Hosts St. Andrew's W.M.S.*

The Monthly meeting of St. Andrew's W. M. S. was held Tuesday, Feb. 1st. at the home of Miss Jennie Cameron.

The President, Miss Lou Hunter gave the call to worship.

Hymm 587 was sung and the scripture reading taken for 1 Corenthians Chapter 13 being read in unision.

The meditation was given by Miss Cameron followed by prayer by Mrs. Blow.

The minutes were read and the roll call taken. Mrs. Boyd took Friendship and Service.

The offering was taken and dedicated by the President.

After the business, Miss Cameron had the Study book on Africa.

Mrs. Blow gave a very interesting report on the Jan. Presbyterial held at Kemptville.

The meeting closed with Hymn 571 and prayer by Miss Cameron then all repeated ted the Lord's Prayer.

## Bridge

The annual Euchre and Bridge in aid of cancer, sponsered by the Eastern Star was held on Wed. evening, Feb. 2 with a good attendance.

The winners are as following:

BRIDGE
High Lady - Mrs. Belle Rabb, Iroquois
Low Lady - Mrs. Ann Casentree, Iroquois
High Gent - Mr. Brent Lapier Irina
Low Gent - Mr. Jack Fetterly Iroquois

EUCHRE
High Lady - Miss Mabel Armstrong Cardinal
Low Lady - Mrs. Florence Stephens, Cardinal
High Gent - Mrs. Cora Coulter Iroquois
Low Gent- Mr. H. Dillabough Iroquois
Door Prize - Mrs. Lloyd Armstrong, Cardinal
- Mr. Allan McIntosh Iroquois
- Mrs. Gordon Mulholland, Morrisburg.

We would like to express our thanks to all who came out to help make our evening a success and a special thanks to the recreation club for giving us their evening to have our night.

# Iroquois Legion sponsor snowmobile rally

On Sat. Feb. 5, 1972, The Royal Canadian Legion Branch 370 sponsored a snowmobile rally. After sweating out the first part of the week praying for snow, Thursday & Friday saw more snow fall than we really needed. The first snowmobilers left the Legion on Dundas St. at 12:25 and the last of the runners got back after 5:00p.m. The course was approximately 38 miles. Hot dogs & coffee were served along the way compliments of the Royal Canadian Legion Branch 370. A hot meal of stew or beans and weiners was available at the Legion Building. Ninety-one machines took part in the rally and while a couple of machines broke down, there was no injury to anybody that a good drink didn't cure when they got back.

The winners are:

1st. Gail Reynolds
2nd Ron Sloan
3rd Mac Anderson
4th Steve Leizert
5th Gary Tracey
6th John Merkley
7th Tony Minkhorst
8th Dwayne Daw
9th Dave Sloan

We would remind all that on Sat. Feb. 19/72 another rally, as part of the Iroquois Winter Carnival, will be held.

# CURLING

Audrey Graham and her rink from Metcalfe won the Broder Cup Competition held annually between Morrisburg, Winchester, Russell and Metcalfe. This year it was held at the Morrisburg Curling Club with Mr. Fred H. Broder, donor of the cup, presenting his trophy to Mrs. Graham and her rink of Greta McKeown, Elburna Ross and Susan Graham.

Mabel Ogden of Winchester and her rink of Ina Thompson, Margaret Tullis, and Eleanor Toop were the runners up. The Consolation round was won by Morrisburg's Ethel Crober and rink consisting of Shirley Scully, Audrey Strader and Gladys MacIntyre, winning in the final match over another Morrisburg rink, skipped by Margaret Bowman and her rink of Winnie Roberts, Hilda Daley and Liz Brunt.

This was the 25th year that the cup has been in competition and will be played for next year in Russell.

# Midgets win over Prescott

Saturday Feb. 5, saw our midget team come up with a well deserved victory over Prescott.

Steven Peacock started the scoring with a goal in the first period; then came back to score again in the second period. Darcy Casselman, scored in the third period giving our boys a 3-0 victory.

The boys all played a very good game of hockey, and with thier assistance, gave goalie Chuck Reddick his first shut-cut. game of the season.

Keep up the good work, boys.

Next midget game is Thursday night. Come and support our boys.

# Study Book Preface for Mission '72

In this vitally relevent book Michael Quoist, the renowned Roman Catholic Priest and author presents a new spirituality for our troubled times. He offers a spirituality where man's search for God must take place in daily experience, and where participation in renewing this world is of equal importance to personal salvation.

Sin, he maintains, is the refusal to participate in the work of creation, incarnation and redemption. Physical suffering, hunger, social injustice and other ills plaguing society therefore become the concern and responsibility of true Christian.

Emphasizing the Christian obligation of charity, this book presents a revitalized Christianity where these myriad problems can be cured. As a basis for social action, the author points to Christ as the visible sign of an invisible mystery.

Maintaining faith in Christ is tantamount to affirming one's committment to man's own creative task--that of building a better world. For man needs both a God and a Savior; and in encountering Christ by living the Christian life, his needs will be satisfied and his destiny fulfilled.

Throughout, Michael Quoist subscribes wholeheartedly to the traditional teachings of the Church. But what is new and fresh is his contemporary application of these truths of the faith to man and the world.

Mission '72 will take place four Tuesday evenings in Lent in Iroquois.

**Branch 370 Royal Canadian Legion would like to offer a vote of thanks to the following merchants of Iroquois and area for their donation of prizes for the 2nd Annual Snowmobile Rally.**

taste as bad as they ever did. Surely they could have come up with a nice lemon or orange flavour for the difference in the price.

Winter must be a female this year, it can't seem to make up its mind whether to go or stay. (Now what kind of a remark is that to make?)

Here is one that I heard not long ago: When the boss wants your opinion, he'll give it to you. (Now that couldn't possibly have been meant for me, or could it?)

Well, now, I see where the government has been spending more of my money again printing more booklets and sending them through the mails.

This one is "Tax reform and you". I guess you have all received one by now. After taking the trouble and expense to print this booklet they tell you on page one that this is only a guide. For official purposes, please refer to the Income Tax Act. I guess that this means that if you give them permission, they will spend some more of your money and send that booklet to you too.

Do you know that I have found that a modern dry shampoo is a far better way to clean furs than the old-fashioned way of cleaning them with cornmeal?

Ground Hog day has come and gone once again, it seems to me that whether he sees his shadow or not we still are bound to get six more weeks of winter. Guess its just one of those little games people play to make the winter seem shorter. Anything's worth a try to get rid of the snow boots and heavy winter clothes, especially the long johns, if you wear them. Oh well, keep a stiff upper lip folks, it won't be long before it is time to put the garden in again.

One insurance agent I know tells me that fun is like insurance: the older you get, the more you pay.

Attention ladies that do their own sewing: As you know our mill outlet store offers for sale towels, household linens and shirts, but did you know that we now have double knit fabrics at very reasonable prices? Make it a point to take a trip back to our store so that you may see for yourself what we have. Store hours: 1:30 to 4:30 p.m. Monday to Friday.

Did you hear about the woman that left this note for her milkman: "Don't leave milk today. Of course, when I say today, I mean tomorrow because I am writing this yesterday." (Boy, it takes all kinds to really make sense.)

Wife: "Were the peppers too hot, darling?"
Husband: "No dear, don't you know by now that smoke always comes out of my ears when I eat".

This one was passed along by a man so take it for what its worth gals: The women's liberation movement has liberated some women from hats, shoes, stockings, slips and bras. The next thing you know they'll be complaining because they have nothing to wear.

Today was the day that I was going back to work after being off sick for a few days. I got all ready, only to discover that no one could get out of their driveway. Gee, I think that this is the worst one we have had this winter. What a storm! When Colonial Coach Lines pulls their busses off the road it is neither fit for man or beast. I was glad to hear that several snowmobile clubs around the Ottawa area had offered their services to people who have emergencies. I am sure anyone in our own area would do the same thing if they were called upon. All of these good souls deserve a pat on the back. My hat is off to them. Sure hope that we don't get any more storms like this one.

A fellow and his fiancee were discussing their wedding plans. He was in favor of a small private wedding, she wanted a very large formal one. After a heated discussion, the fellow gave in and said, "Well, darling, I challenged you to the duel, so I suppose you get the choice of weapons.

I understand that a British National Health Service claim form bears this notation: "No person may claim maternity grants while receiving the old-age pension". (How about that.)

# Knox P.Y.P.S. pancake supper

The regular meeting of the Knox P.Y.P.S. was held in the church hall Monday evening, Feb. 7th with the new President, Miss Renee Barnhardt, presiding, and the new Secretary, Miss Gwenn Smollett as recorder of the proceedings. Following an opening welcome the spirit-song, "Lord of the Dance" was sung, and Linda Gail Merkley led in the reading of the Scriptures. Mrs. Judy Barnhardt gave a reading from the book, 'God is for Real Man', and Roger Barnhardt led the group in prayer, with the responsive Lord's Prayer. The Offering was received and dedicated by group prayer.

This evening's study was conducted by Mr. William Barnhardt and Miss Rose Marie Lavallie, centering on the Constitution of the Presbyterian Young People's Society, in relationship to both the National Co-Ordinating Body and the Synod PYPS., and as the youth work of the Church is shared on the Presbytery level through the Youth Fellowship groups. Mr. William Ewing, a member of the Presbytery Youth Fellowship, was a guest of the society and spoke on the work of the Fellowship. Following this study, the local society offered an invitation, through Mr. Ewing, for the Presbytery Youth Fellowship to hold a Spring Rally in Knox Church sometime in April.

During the business session the munutes of the last meeting were read and approved, and the Treasurer's report given. Plans for the forthcoming Shrove Tuesday Pancake Supper were reviewed, to be held in the church hall, Feb. 15th, from 5 p.m. and until all are served. Members were asked to bring equipment to the church hall by 4 p.m., for set-up arrangements. Ticket sales, to date, are encouraging and receipts were given to the Treasurer.

Plans for canvassing the community on Heart Sunday, Feb. 13th, were finalized, on behalf of the Ontario Heart Foundation, with members leaving from the church with their kits, at 1:30 p.m. The Knox Presbyterian Women will provide hot chocolate and do-nuts refreshments for canvassers. Inquiry about the possibility of a community dance on Friday, March 24th, would be undertaken by the President before the next meeting. A note of "thank you" was received from Mr. and Mrs. Darcy Primrose, on their receipt of a wedding gift from the P.Y.P.S. Mr. and Mrs..

See Page 10

# Atom tournament held Saturday

The Third Annual Atom Tournament was held Saturday at the Morrisburg & District Community Centre. Kemptville swamped Spencerville 11-2 in the final game to win crests and a trophy which was presented by James Jordan, President of the Morrisburg Minor Hockey Association who put on this tournament.

In the first round, Iroquois shutout Long Sault 3-0; Kemptville edged Morrisburg 2-1; Spencerville shaved Cardinal 6-5 and Cornwall swamped Athens 7-0.

In the consolation round, Morrisburg slaughtered Long Sault 9-1 while Athens and Cardinal battled back and forth, with Athens leading 4-0 at one time, with Cardinal fighting till they tied the game, but Athens managed another goal for a 5-4 win. This put Morrisburg and Athens together for the Consolation Winners, with Morrisburg emerging the winner by a 6-2 victory with goals by:Jim Whelan2; Curtis McMillan 2, and singles by Scott Corden and Doug Johnson. Athens scorers were K. Warren and M. Lewars. Captain Jim Whelan of Morrisburg scored 7 goals during lthe day for his team. In the winner side, Kemptville defeated Iroquois 2-0 and Spencerville and Cornwall battled to a 4-4 tie, with 5 minutes sudden death producing no goal (despite Spencerville having a penalty) so Spencerville was awarded the win as they had scored the first goal. This put Kemptville & Spencerville in the final game. Dean Boyd & Brian Murray scored 3 goals apiece to lead Kemptville to a lop sided 11-2 victory. Allan Read added a pair, with singles by Darrel Lines, Art Evans and Greg Workman. Dale Byrd scored both goals for Spencerville. Spencerville was presented with crests by James Jordan while Morrisburg was presented crests by Rev. F.L.Howald, Recreation Director of Morrisburg.

Morrisburg Loyalists again showed Cornwall Mavericks that they are the superior team' with another 15-2 slaughter. Jack Duncan led the attack with 4 goals and 4 assists. Mel Tomalty 3 & 7; John Hutton 3 & 2; Little Doug Casselman 2 & 3; and singles by Tom McCable, Bill Dillabough and Bill 'Cookie' Lawlor. Brian MacIntyre and Max Rutley scored the goals for Cornwall. This game cemented the Loyalists in first place with 19 points; Alexandria 11 and Cornwall 4.

### OFF THE CUFF

From Page 8

and giggles from their side of the room, and when one of the boys got a card from the classroom sweetheart, he just quietly turned a deep shade of scarlet. To bring the whole affair to a memorable close, someone (usually one of the girls) got sick in the classroom. That always seemed to coincide with the end of the teacher's patience and the party was over. That's one of the timeless qualities of children. No matter what's going on with the rest of the world, again this year the girls will giggle just as much, the boys will turn the same colour of red, and the hot dogs will turn as many little tummies.

## CARDS OF THANKS

We would like to sincerely thank the members of Brinston United Church, friends and neighbours of Dicon's Corners for the substantial purse of money presented to us at the closing of the year 1971, also for other beautiful gifts received at this time. Plans have been made for the purchasing of a clock which will remind us of the many good times we have had together
The following lines of E.A. Guest express our feelings re: leaving your community.
"Life is sweet because of the friends we have made,
And the things that in common we share
And we want to live on not because of ourselves
But because of the people who care.
'Tis the being and doing for somebody else
On that, all life's splendour depends
And the joy of it all when we have summed it all up
Is found in the making of friends."

Brooks and Nelda Hanes

I wish to express my sincere thanks for the many kindnesses shown me while a patient in the Winchester Memorial Hospital, Winchester. Special thanks to Dr. Howard Justus, the entire staff and nurses on second and first floors, the Reverends Gee, Rogers, Bruce and Boyd, and to relatives and friends for calls, flowers, treats, holiday and get well cards. These kind acts are greatly appreciated and will never be forgotten.

Hattie Smyth

My wife and I wish to thank our friends in Iroquois & district for lovely cards and phone calls while we were patients in Cornwall General Hospital. These acts of kindness will long be remembered.

Mr. & Mrs. Jas. Drennan

The family of the late James Smith wish to express their sincere gratitude to their friends for many acts of kindness they received at the time of their bereavement.

Ralph, Harry and Phyllis

I would like to thank all my friends and relatives for the cards, treats and visits during my stay at Winchester Hospital and since my return home. Special thanks to Drs. Chande and Marston, the nurses and staff on the 1st. floor and the Pitston U.C.W. for the food and magazines.

James Cooper

I wish to express my thanks to the many friends who remembered me with cards while I was a patient in Winchester District Hospital. A special thanks to Dr. Domanko and the first floor nurses.

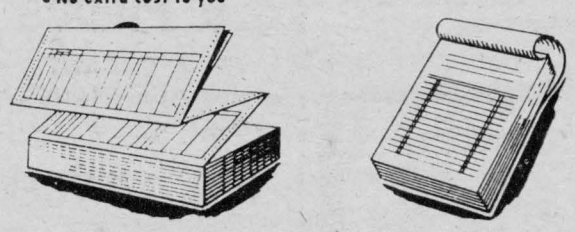

Audrey Tucker

## TENDERS

Sealed Tenders plainly marked on the outside "Tenders for Renovations County Law Library" will be received by the undersigned until 12 o'clock noon, February 17, 1972, for renovations and improvements to the County Law Library, 20 Pitt Street, Cornwall, Ontario

Plans, Specifications and Instructions to Bidders, together with Tender Forms, will be supplied at the office of the undersigned, 20 Pitt Street, Cornwall, Ont. upon deposit of Twenty-Fiv upon deposit of Twenty-Five Dollars ($25.00) which said deposit will be refunded upon return of the said Plans.

Each Tender must be accompanied by a certified cheque (Pable to the United Counties of Stormont, Dundas and Glengarry) or a Bid Bond in the amount of 10% of the Tender.

The successful Tenderer shall be required to furnish a Performance Bond in the amount of 100% of the Tender.

Tenders will be opened at 2 o'clock in the afternoon of February 17, 1972.

The lowest or any tender will not necessarily be accepted.

L. C. Kennedy,
County Clerk-Treasurer

33-2c

## In Memoriam

MERKLEY
In loving memory of a dear Mother, Hazel Merkley, who passed away February 10 1971.
We think of you dear Mother
In mansion's bright and fair
There Jesus reigns in glory
There is no sorrow there.
The Family

In loving memory of Carl M. Barkley who passed away Feb. 12, 1954.
Life goes on with many changes,
Joys and sorrows, smiles and tears,
But his memory will be cherished
With the passing of the years.
Ever remembered by the family.

## Bill Smiley

FROM PAGE 2

As I write, I can't see the house across the street. It's snowing sea-gulls, horizontally, with a forty-mile wind gusting to sixty or seventy.

The skiers are smirking; the snowmobilers are laughing out loud. And I'm crying, deep inside. I knew it was a dream. But dream we must, or we are nothing. Some winter . . . Well, never mind.

Hand me that shovel, woman, and stand back, out of earshot.

## Hulbert U.C.W.

The Feb. meeting of Hulbert U.C.W. wah held on Wed. evening Feb. 2nd at the home of Mrs. Keith Flegg at 8 p.m. Mrs. Noni Sullivan was in charge of the meeting opening with a poem. Hymn 500 "Take time to be holy" was sung, assisted by Miss Lois Flegg as organist. Mrs. Verna Flegg led in prayer and the scripture reading Psalm 19 was read by Mrs. Edith Mellan. Readings "Religion and Life" by Mrs. Lila Faucett and "In the Shadow of his Wings" by Mrs. Noni Sullivan were given. Hymn 474 "Lord, I'm Coming Home" was sung and Mrs. Sullivan closed the worship service with the poem "God's Loving Hand" Mrs. Margaret Roberts, president, presided for the business. In the absence of Mrs. Doris Scharf, Mrs. Lila Faucett read the minutes of the last meeting. The roll call was answered by 8 members with the verse from the Bible containing the word "Love". The word for March 1st will be "prayer"

Mrs. Roberts read an invitation from the Iroquois United Church to attend an executive meeting on Feb. 8th. The collection was received, packing a bale was discussed, sunshine bags were handed out for next meeting. The Sunshine days are 2 cts. this year. The president thanked the hostess and anyone who assisted with the meeting. The Mizpath Benediction closed the meeting. Lunch was served and social hour spent.
