Local Tax Rate Up Two Mills

Winchester's Tax Rate for the year 1947 has been increased by two mills, making the total levy for all purposes 35.00 mills, as against 33.00 mills last year. The rates were struck by the Municipal Council at its regular meeting on Monday evening. Broken down, the rates are as follows: For Public School Purposes, 5.10 Mills; Public School Debenture, 2.40 Mills; High School Debenture, 1.00 Mill; Fire Protection, 1.00 Mill; County Rates, 8.00 Mills; Cement Highway Debenture, 1.70 Mills; Street Lighting, 1.16 Mills; General Municipal Expenditures, which takes in Roads and Bridges, Snow Removal, etc., 14.64 Mills.

With the County Rates increased by $1300.00 or approximately 1½ mills, and with the increased cost of snow-ploughing and removal during the past winter, together with considerable work on the streets, including the building of two culverts, which has to be done this year, the majority of the Board felt that the two-mill increase was necessary.

Reeve Turner and Councillor Robinson were not agreeable to increasing the rates, but Councillors Fader, Workman and Morgan were in favour of the extra two mills to offset the increase in County Rates, and to provide extra money for necessary work on the streets.

No provision was made in the 1947 estimates for the purchase of a new truck, as members of the Board were not anxious to create an additional expenditure for this purpose, especially with so much money required for street repairs, etc. It was decided to try and make the old truck serve the town's needs for this year.

Building permits were issued to the following ratepayers for improvements to their property: Messrs. Hart Melvin, Stewart Corry, Paul Sanders and William Billings.

Permission was granted to Inspector R. Strader, of the Ottawa and District Society for the Prevention of Cruelty to Animals, for holding a Tag Day in Winchester on Saturday, May 10th.

The Town Foreman was instructed to see that necessary repairs were made to the enclosure around the Fire Well at Piety Hill, as a protection to children playing in that vicinity; also to have a guard rail placed along the sidewalk where it crosses the creek on Fred Street.

Permission was granted to Mrs. Mary Bowden, W. I. Convenor, for the local committee in charge of the Used Clothing Campaign for Relief of the Flood Victims in England, to use the Council Chambers on May 13th and 14th, as a depot for the reception of clothing, etc. The Finance Committee was authorized to provide a man to assist the ladies on those dates.

By-Law No. 704 outlining the estimated amounts to be spent on street maintenance and the erection of culverts, was given two readings, and the clerk was authorized to have it sent to the Municipal Board for ratification. If it meets with the approval of the Municipal Board, it will be given its final reading and passed.

Mr. Howard Biccum waited on Council with a proposition regarding a House Building Project. He said he was prepared to proceed at once with the erection of twelve moderately priced houses, which would be sold at prices ranging from $2500 to $3000, if the Council would undertake to provide a street and sewerage system on a given portion of land for such right-of-way on his farm. The proposed street would start at the north end of Whitney Ave and run west as far as MacDonald's Farm Service Centre. He said that he would donate sufficient land for the street and that Mr. W. C. MacDonald was agreeable to the donation of sufficient land for an outlet to Main Street. Land owners at the East end of the proposed street would have to be contacted for the outlet on Whitney Avenue.

Mr. Biccum said that he was being backed in the proposed Housing Scheme by a well-known Insurance Company. The houses would be of modern design and would be of Bungalow type coonsisting of five rooms and basement. They would be of Cedar Block construction and each one would have a different exterior covering. He showed the members coloured pictures of the houses to be erected.

Council agreed to give him every assistance possible in this venture, as Winchester was badly in need of new houses, and will visit and inspect the site of the proposed project without delay.

Messrs. Roy Annable and W. H. Angus interviewed the Council, regarding the widening of the road leading to the Annable Settlement. They said that the Township of Winchester was being approached in the matter and as the south end of the road was in the corporation limits, felt that the Village Council should know about it, and asked that the Board co-operate in widening that portion of the road if the Township widened its portion. Council agreed to give the matter serious consideration.

Mr. Arthur Summers was present at the meeting and requested some assistance in having his drain cleaned out at a point where it crosses the road at Whitney Avenue. The Road Committee agreed to look into the matter.

Mr. G. H. Ryenolds waited on the Board, as a representative of several ratepayers who had been the victims of recent robberies. He said he was "protesting emphatically against the Police Protection in Winchester Village." He said that he had been informed by a reliable lawyer and also by the Inspector of Provincial Police that, under the provisions of the New Police Act, Winchester was not properly policed. He pointed out that just recently a motor had been stolen from his barn in the village, two days after it was installed, also that an attempt had been made to steal his car. He also claimed that last Halloween $1500.00 damage was done to his farm property. Under the present set-up, said Mr. Reynolds, we are not getting the co-operation of the Provincial Police. He said he had no fault to find with Constable Gilbert Raistrick. He did the best he could under the circumstances. He is no super man and cannot be expected to perform the duties of a full-time police officer with the several other jobs he is expected to do. He also suggested that the local police knew little more than he did about investigating crime. He warned the Board that if some action was not taken in giving Winchester proper police protection, he would take the matter to higher authorities. Before he left, he produced some papers containing a record of the property stolen here within the past few days.

At a point later in the meeting, the matter of Police Protection came up for discussion, and after a prolonged debate, Reeve Turner and Councillor Fader were appointed a committee to interview County Crown Attorney J. G. Harkness at Cornwall and lay the whole matter before him, and to report back at a special meeting of Council. His advice will largely determine what course will be followed by the Municipal Council regarding the New Police Act.

As far as making restitution for stolen property went, Council took no action in the matter.

Municipal Orders totalling $2593.69 and Hydro Orders amounting to $1831.36 were passed.

The meeting, which started at 7.30 p.m. and closed at 12.45 a.m., the longest session of the year, was presided over by Reeve Albert Turner with the following members present: Councillors C. R. Robinson, E. A. Morgan, J. M. Fader and W. F. Workman; hte clerk-treasurer, Mr. E. M. Shaver, and the Town Foreman, Mr. Gilbert Raistrick.

Warning To Dog Owners

Owners of dogs within the Corporation of the Village of Winchester, are hereby notified that all dogs must be kept under control on and after May 1st. Owners must not allow their dogs to run at large after that date. The By-Law governing the keeping of Dogs within the municipality reads as follows:

"Any dog found running at large, being vicious or doing damage to person or property, **may be killed** by the Village Constable."

"Any violation of this by-law leaves the owner liable to a fine of not less than $1.00 and not more than $10.00 and costs."

Dog-Owners are also reminded that their dogs must be shut up from sunset to sunrise the following day, throughout the year, as a safeguard to sheep. Heavy penalties will be imposed for any infraction of this by-law.

Owners of dogs are further warned that every dog must wear a tag, which may be obtained at the Clerk's office upon payment of the necessary dog tax.

The Dog By-Law will be strictly enforced and dog-owners are asked to repsect it.

E. M. SHAVER, Clerk.

NATION VALLEY LOSES AGED RESIDENT

Mrs. Walter Rae, an old and highly respected resident of the Nation Valley district, passed away at her home on Saturday last in her 85th year. The funeral was held on Monday afternoon, with interment at Maple Ridge Cemetery. A full obituary will be published in next week's Press.

LAWN BOWLERS, ATTENTION!

All persons interested in Lawn Bowling, whether past members or not, are invited to attend a meeting of the Winchester Bowling Club in the Council Chamber on the evening of Monday, May 12th, at 8 p.m.

The object of the meeting is to re-organize, if possible. War conditions, the loss of members through death and other circumstances, reduced the membership to a point where it was not possible to operate last year.

Through faithful effort on the part of past members, the Club has acquired considerable equipment such as a heavy roller, lawn mowers, tools, electric pressure pump, hose, etc., which will have to be disposed of if the Club ceases to function—as without membership fees we cannot pay storage on these articles.

Lawn bowling is a fine, clean sport that pays good dividends in health and enjoyment to those who take part in it and contribute a few dollars a year to its support. Do not let it die out.

The only way this can be prevented is by re-organizing and getting a sufficient number of members to carry on.

T. O. VANBRIDGER,
President (1946).

HOSPITAL BOARD MET ON TUESDAY EVENING

There was a fair attendance of Directors present at the regular meeting of the Winchester District Memorial Hospital Board, held in the Town Hall on Tuesday evening, and presided over by the chairman, Mr. W. C. MacDonald.

Mr. R. M. Warner, of Russell, asked that he be relieved from his duties as a Director, and another Russell citizen will be appointed in his place.

A motion was passed, authorizing the publishing of Tenders in all local papers, some daily papers and trade papers, for the construction of the Hospital, as soon as the Architect presents the plans and specifications, which are expected the first of next week. Tenders for a well to be drilled on the Hospital site are being published this week.

A delegation from the Property Committee reported on a recent survey they had made of Cornwall Hospitals.

It was decided to send statements to all those who have signed Hospital Pledges, but who have not yet sent in their second instalment. As was pointed out by the committee, owing to the rising costs of labour and materials, it will be necessary to have plenty of ready cash on hand at the start of building operations.

Discussion periods took up most of the time at Tuesday's meeting.

MRS. FARMILOE SUCCUMBS TO INJURIES AT OGDENSBURG

Mrs. Fred Farmiloe, of Morewood, died on Saturday at the Hepburn Hospital, Ogdensburg, N.Y., from injuries sustained in a car accident near Canton, N. Y., on March 15th.

The former Fannie LaSalle, and the daughter of the late Mr. and Mrs. Felix LaSalle, she received the fatal injuries on her 72nd birthday and had been confined at the Ogdensburg hospital since the time of the accident. She was born in Morewood, and had resided there her entire lifetime.

Surviving in addition to her husband are four daughters, Mrs. Milton Barkley, of Winchester; Mrs. Elvin LaSalle, Chesterville; Miss Myrtle Farmiloe, Montreal, and Miss Monica Farmiloe, of Morewood; two sons, George Farmiloe, of Ottawa, and Grant, at Morewood. Mrs. T. O. VanBridger and Mrs. Sandy Hitsman of town, and Mrs. Frank Merkley, of Chesterville, are sisters.

Mrs. Farmiloe was a member of Morewood Presbyterian Church, and the funeral services were conducted on Tuesday by the minister, Rev. W. H. Heustin. Burial took place in the Morewood cemetery.

Donations For British Flood Relief To Be Received Here Next Week, May 13 - 14

Next Tuesday and Wednesday, May 13th and 14th, are the days that donations of Used Clothing will be received in Winchester for the Ontario British Flood Relief Campaign. Citizens are asked to lend their co-operation in this worthy cause and donate as many articles of clothing as they possibly can for the relief of thousands of British citizens who have suffered untold hardships as a result of the severe floods in England—and this following a severe winter with rationed fuel, and four years of a horrible war.

Local donations may be left at the Council Chambers in the town hall on the above dates. The depot will be open from 1 to 5 each afternoon, with Mrs. Mary Bowden, Convenor of the Women's Institute Committee, in charge. All ladies' organizations in Winchester are co-operating with the W. I. in this campaign, which is backed by the Village Council.

The drive, whose objective is an article of clothing from every resident of Ontario—some four million garments—is organized under the direction of mayors and reeves in all centres of the Province. Serviceable used clothing in good repair, as well as quantities of non-perishable foodstuffs, are being collected for shipment overseas to flood-stricken areas of Britain. Sheets, blankets, quilts, etc., will also be accepted, as well as monetary donations from those who have no clothing to donate.

May we emphasize the fact that if there ever was a nation worthy of assistance at this time, it is the English Nation. Only those who have been there, know what hardships these people have suffered in recent months, due to unprecedented floods, and are still suffering. Open up your heart and give them a small portion of your worldly possessions. It is the Christian thing to do.

Remember the local dates, May 13th and 14th. The place for receiving clothing—Council Chamber, Town Hall.

Make your donation worthwhile—give as if you were presenting a gift to your brother or sister. Clothing that is beyond repair is of no use. See that all clothing is neatly mended and clean. If you cannot bring your donation to the Town Hall on May 13th or 14th, phone Mrs. Bowden and she will see that someone calls for it.

This appeal is made to all citizens of Winchester and District and the local Flood Relief Committee is counting on your co-operation.

MUSIC FESTIVAL WAS LARGELY ATTENDED

The Susie Annable Memorial Hall, Public School, was packed to capacity on Tuesday evening, when pupils from several district schools took part in a Musical Program, sponsored by the local Women's Institute, under the direction of Miss Evelyn MacDonald, Music Teacher in the competing schools, assisted by the teachers.

WEDDINGS

PATTERSON—DOCKSTEADER

Harmony United Church was the scene of an interesting wedding ceremony on Saturday afternoon last, when Miss Lillis Jean Docksteader, daughter of Mr .and Mrs. Roy S. Docksteader, was united in marriage with Mr. Charles Johnston Patterson, son of Mr. and Mrs. R. H. Patterson, of Douglas, Ont. Rev. Norman J. Thomas, pastor of the church, officiated.

The bridesmaid was Miss Lenora Brewer, of Ottawa, while Mr. Douglas Patterson, brother of the groom, performed the duties of best man. The flower girl was Miss Audrey Docksteader, sister of the bride, and the ushers were: Mr. Dwight Patterson, brother of the groom, and Mr. Carl Docksteader, brother of the bride.

The wedding music was played by Mrs. George Cinnamon, cousin of the bride, and during the signing of the register, Miss Genevieve Black, also a cousin of the bride, sang: "I'll Stand Beside You."

Given in marriage by her father, the bride was charming in a floor-length gown of white satin, fashioned with high neck and long sleeves. Her finger-tip veil was of embroidered net with a halo of trimmed sequins, and she carried a small white Bible.

Miss Brewer, as bridesmaid, wore a pale blue marquisette gown with shoulder-length ceil, and white mittens to match.

The flower girl was attired in a pink corded silk four-tiered skirt and carried a nosegay of roses and carnations.

Following the ceremony, a reception was held at the home of the bride's parents, attended by about forty-five relatives and friends. The guests were received by Mrs. Docksteader, mother of the bride, and Mrs. Patterson, mother of the groom. Serving was done by the Misses Joyce Relyea and Pearl Docksteader, of Ottawa, and Miss Shirley George, of Winchester. After the cutting of the three-tier wedding cake, which centered the bride's table, a toast to the bride was proposed by Rev. Mr. Thomas, and responded to by the groom.

Later, Mr. and Mrs. Patterson left by motor on a trip to Toronto and Niagara and points west. For travelling, the bride chose a grey wool suit with matching hat and black accessories. On their return they will reside on the groom's farm in the Township of Osgoode.

A TRIBUTE TO MOTHER!

Sunday, May 11th, is Mother's Day, a day set aside each year to honour the most important person in the world—your mother. Too often Mothers are taken for granted, their love and understanding are not fully appreciated. Let us all take time on Sunday to show mother that we fully appreciate the sacrifices she has made on our behalf. Let us make the day an enjoyable one for her. Wearing a flower in her memory or buying her a gift is alright from a commercial viewpoint, but what Mother really appreciates is a family reunion, with all her children present—so, if possible, spend Sunday with your mother. Accompany her to church, be kind and loving in all your conversations with her, and resolve to continue these Mother Day courtesies throughout the year.

Mother is not just an ordinary woman to you, she is your dearest and best friend. She is the one person who will never fail you in times of trouble, not even when the whole world condemns you. When you are in trouble, she is in trouble; when you are happy, she is happy; when you need a friend, mother is always there ready to lend a hand.

It has truly been said that "a boy's best friend is his mother." Treat her kindly, live your life so that she can point to you with pride. Do not deceive her or be unfaithful to her. Remember, her advice and counsel will not lead you astray. She has learned from experience what is best. She never tries to control your life, she merely charters its course to avoid some of the dangers that are lurking 'round the bend.

Mother cannot remain young forever, but as she grows old, let us respect her age with love and kindness. Let us make the evening of her life as comfortable as we can, let us see to it that she has security until the Heavenly Father calls her Home. Remember Mother, not only on Mother's Day, but throughout the whole year. God Bless Your Mother and Mine.

If, as most labor leaders say, industry can raise wages without raising prices, is it not equally true that if wages were left untouched prices could be lowered to the benefit of the whole consuming public and not just a group.

POINTS FOR CONSIDERATION

Farmers across the Dominion are paying more attention to the necessity of organizing into federations in order to protect their interest, a situation which has been forced upon them because of the high degree of unionization in other industries. And while the world food storage is assuring agriculture of markets at the moment, the time may come when farmers will find themselves in a most unfavorable position. It is to guard against such a condition that farmers are conscious of the need to present a united front. However, care must be taken that farm organizations do not become instruments of misuse, detrimental to the general welfare of the nation. It is with this thought in mind that we present to members of farm organizations the following ideals:

1. United for protection, but not exploitation.
2. Promote the cause of agriculture in the Dominon and to be a credit to the industry.
3. Encourage youth to stay on the land, and teach them the principles of good farming.
4. Practice soil conservation and do all in your power to preserve the soil for future generations.
5. Fight disease which attack animals and crops, and co-operate with Government officials in combatting them.
6. Keep your farm and buildings in neat appearance, your machinery in good condition.
7. Try always for improvement, holding perfection as your goal.
8. Be fair in your demands on the public; do not seek unreasonable profits.
9. Strive to better the living conditions of rural residents.
10. Work for a united Canada.

—Essex County Reporter.

EDITORIAL NOTES

The old saying about a fool and his money still holds good, but millions of intelligent people are also learning that they and their money are soon parted nowadays.

The shortage of farm labor is causing more farmers to turn to mechanization than ever before. And if another depression should strike Canada, job hunters will come to realize this fact first-hand.

The next official holiday is Victoria Day. But about that time, a lot of farmers and local gardeners will be too busy to spend the day loafing. Victoria Day, May 24th, falls on Saturday, but there is a possibility that it will be observed on Monday, May 26th, by Winchester Business Men, who prefer the change to closing their stores on Saturday.

Everyone should get behind the campaign to aid the flood damage victims of Britain. If any people ever suffered from successive disasters it is the British. Even their Spartan courage must be near the breaking point after six years of gruelling war; continued food and clothing stringency; abnormally cold weather aggravated by lack of fuel owing to labor troubles, followed by floods which crippled the agricultural resources of the country. The prospects are drab, indeed, hope is at a low ebb, and anything more fortunate neighbors like Canada and the U. S. A. can do to help these poor people will be a real act of charity.

If all chocolate bars really were chocolate bars, they might be worth the eight cents they now cost. Many of them, however, contain everything but chocolate and aren't worth even the five cents they used to command.

TESTING TIME

(Cornwall Standard-Freeholder)

Orderly price decontrol, of the type which the government has been giving us, must be accompanied by an orderly adjustment of prices by industry and business. This is a testing period for private enterprise, and the sense of responsibility it can show for the general good.

STILL HOPE!

(Collingwood Enterprise-Bulletin)

The weather is backward, compared with some other seasons, but our farmers are not worrying. There's plenty of time yet to get the seed in the soil and expect a good crop, says The Durham Chronicle. If that is true of the north country, there's hope for the farmers of Lambton.

SPRINGTIME UGLINESS

(Oshawa Times-Gazette)

During the winter months one becomes accustomed to the whiteness of snow and ice. It is therefore sometimes a shock when the snow disappears to see the accumulation of dirt and debris which is revealed. It may well be the contrast but streets and residential grounds often seem dirtier than they really are.

MORE EFFORT NEEDED

(The Brockville Recorder)

Herbert Hoover, who made a personal survey of Europe's food production, says that the world will face even a worse food crisis next year. This prospect makes it even more necessary that there should be all-out production this year in countries which have escaped severe flood and other losses.

PULPIT SERVICE

(Vancouver Sunday Sun)

Perhaps what is needed for the moment is the right kind of preaching that leads on to worship and a growing awareness of the presence of God in every moment of life. Men have to learn worship as they have to learn prayer. "Topical" sermons on human affairs, "entertaining" sermons, and worst of all, sentimental sermons, might well be strictly rationed with benefit to our spiritual health.

WELL SAID!

(Tisdale (Sask.) Recorder)

The Government charges all of us, who own radio receiver sets, $2.50 for a license each year. The government is in complete control of radio. That being the case, it should do something to compel those who have electrical devices that interfere with radio reception, to put on gadgets which will stop this interference, or demand that manufacturers place their static eliminators on appliances as standard equipment.

BRITAIN NOT BACKWARD

(Winnipeg Tribune)

It should be pointed out that sweeping statements to the effect that the British industrial plant is obsolete should be taken with a large grain of salt. Certain industries such as mining and textiles have not kept pace with the mechanization of similar industries in other countries. However, in other fields, Britain leads the world. The tremendous production of motors, machine tools and electrical equipment, ships and vehicles of all kinds during the war is indication enough that Brtiain is far from backward industrially.

THE MANAGER of the furniture factory in Eddie's town landed a big order. It meant he had to buy a lot of extra lumber, increase his payroll.

He lost no time in putting the whole thing up to the manager of his local bank. Together they worked out how much money he would need to take care of wages and other costs until he delivered the goods. Then, with the backing of his bank, he got to work on the order.

... And that's where Eddie came in. He was put on the payroll—given his first chance to learn a trade. Right now he's on his way home to tell Mom and Dad how much he likes his new job.

MORRISBURG W. I. HONOURS MRS. L. KINKAID

The annual meeting of the Morrisburg branch of the Women's Institute, held recently, had an attendance of about 50 members. After roll call and payment of dues, the treasurer reported receipts for 1946 totalled $639.85 and expenses $538.92, with a total membership of 108. All conveners gave excellent reports on their year's work, showing a very successful year.

The president, Mrs. Lorne Kinkaid, on leaving the chair, said a few well-chosen words as to how much she had enjoyed being president for the past five years and of having always felt it was a great honor to be president of such a loyal group of women. She thanked all for the co-operation they had given her. Special mention was made of the secretary, Miss Marion Coligan, of whom it was said she had helped willingly in every way in the work of the Institute. All members were asked to give the same support to the new president.

Mrs. Kinkaid was then presented with a table lamp by Miss Coligan and the following address was read by Mrs. Leavens:

Dear Mrs. Kinkaid:—You have been president of the Morrisburg branch of the Women's Institute for the past five years and during that time the membership has more than doubled, a silent tribute to your excellent leadership. Difficult situations have arisen at times, but by your diplomatic handling everything has been settled pleasantly. You have taken a lively interest in the work of the Institute, preparing for the meetings, attending the conferences, looking after various affairs of the town, thoughtful for the sick, the old, the needy, etc., always working for the good of the community. As a slight token of our appreciation, the members of the Women's Institute wish you to accept this gift.

Signed on behalf of the Institute—Marion M. Coligan, secretary; Evelyn B. Leavens, assistant secretary.

Mrs. Kinkaid expressed thanks to the members.

The election of officers followed, with Mrs. A. F. Foster succeeding Mrs. Kinkaid as president.

IROQUOIS PASTOR GOES TO MONTAGUE

Rev. F. G. Strange, who for the past two years has been Rector of St. John's Anglican Church, Iroquois, and Christ Church, Dixon's Corners, preached his farewell sermon on Sunday, April 28, and left last week for his new appointment at Montague, Ont. He is being succeeded at Iroquois by Rev. W. L. Thomas, L.Th., who has been rector at Montague, the parish to which Mr. Strange now goes. During his stay at Iroquois, Mr. Strange proved himself a very popular minister and did much toward the building up of that parish. Friends wish him success in his new field of labor and extend a cordial welcome to Rev. and Mrs. Thomas to Iroquois.

An exchange says that food has become an ideological weapon. Sounds better than saying it also has become an economic weapon.

Hello Teenagers! It will soon be Mother's Day—an occasion when we want to be particularly nice to Mom. And there is such a thrill in doing something for her on Sunday that we have written this column to you. Of the many things you can do, mother will appreciate you preparing the meals most because this is her job day in and day out. It will be a wonderful diversion for you and Mother.

SPECIAL LUNCHEON PLATE

1. Season 2 cups medium white sauce with 1-2 tsp. salt and 1-8 tsp. pepper; add 2 tsps. vinegar and 1 tsp. Worcestershire sauce.

2. Add 2 cups cooked cubed ham, 1 cup drained peas and 1 slice of onion.

3. Serve between and on top of split tea biscuits.

4. Decorate with a sprig of watercress.

TEA BISCUITS

2 cups flour, 4 tsps. baking powder, 1 tsp. salt, 2 tbsps. shortening, 3-4 cup liquid (all milk or half milk and half water).

Mix dry ingredients and sift twice. Work in shortening with tips of the fingers, or cut in with two knives. Add the liquid gradually, mixing with a knife to a soft dough. Owing to differences in flours, it is not always possible to determine the exact amount of liquid. Toss on a floured board, pat and roll lightly to one-half inch in thickness. Shape with a biscuit cutter. Bake in hot electric oven (450 degs.) 12 to 15 mins.

ORANGE UPSIDE DOWN CAKE

1 tbsp. shortening, 1-2 cup granulated sugar, 2-3 cup boiling water, 1-2 cup orange juice, 2 tsps. grated rind, 1 tbsp. shortening, 2-3 cup of granulated sugar, 1 cup sifted pastry flour, 1 tsp. baking powder, 1-2 cup of milk.

(1) Blend first 5 ingredients together and pour into a greased cake pan or individual glass baking dishes. (2) Cream 1 tbsp. shortening and add 2-3 cup sugar gradually. (3) Mix and sift dry ingredients twice and add alternately with milk to creamed mixture. (4) Drop in spoonfuls on top of orange mixture. (5) Bake in a preheated electric oven of 400 degs. for 5 mins. then reduce heat to moderate (350 degs.) and bake for about 35 mins. Yield: Six servings.

OBITUARY

REV. W. R. JOHNSTON OF THE UNITED CHURCH DIES AT AGE OF 71

Rev. William Richard Johnston, beloved and respected Ottawa Valley personage, who completed nearly 40 years as a Methodist and United Church minister, before his retirement last July, passed away at his home in Carp last Wednesday night. He was 71 years of age, and he died folowing an illness of a few days.

The death of Mr. Johnston will come as a shock to his many friends in the district, where he was born and pursued his lifetime activities.

His advice was often sought by younger ministers in the various pastorates in which he served, and his devotion to the church and allied work gained for him the wholehearted respect of the townsfolk he represented.

A son of the late Mr. and Mrs. John Johnston, William Richard Johnston was born in Horton, near Renfrew. After completing his early education, he attended McGill University, graduating in 1906.

He began his career as a minister in East Angus, Que., and successfully served in Hudson, Que., Greenwood, Ont., Brinston, Spencerville, and South Mountain, before he assumed the rectorship at St. Paul's United Church in Carp, in 1942.

While at South Mountain, he was elected president of the Montreal and Ottawa Conference of the United Church.

At Spencerville, he was mainly responsible for the erection of the present United Church there, 18 years ago.

Succeeded by Rev. Robert Taylor when he retired last year, Mr. Johnston was still active up to the time of his illness.

He was married on June 23, 1910, in Ottawa, to the former Maud Armstrong, who survives.

He also leaves one son, R. M. Johnston, safety superintendent at the Deep River research plant; two daughters, Mrs. J. F. Thomas, Ottawa, and Miss Joyce Johnston, of Niagara Falls. Another son, Jack, who was a flying officer in the R. C. A. F., was killed while engaged in overseas operations in October, 1944.

Additional survivors are two brothers, Roland Johnston, of Horton, and John S. Johnston, of Castleford; two sisters, Mrs. James Humphries, of Horton, and Mrs. Herb Humphries, of Brandon, Man., and five grandchildren.

THE LATE JAMES STEWART

Mr. James Stewart, a former highly respected resident of the Dalmeny District, Township of Osgoode, passed away at his home, 335 Sunnyside Avenue, Ottawa, on Thursday last, in his 87th year. He had been ill for several months. Born at Ormond, he was a son of the late Alexander Stewart and his wife, Mary McDiarmid. In 1903 he was married to the former Miss Helen Cecelia Meldrum, of Aylmer, Que., and took up residence on a farm near Dalmeny, where they resided until two years ago when they moved to Ottawa. While residing at Dalmeny the late Mr. Stewart was for many years a Deacon of the Osgoode Baptist Church at Vernon.

The funeral service, which was largely attended, was held at the Baptist Church, Vernon, on Saturday afternoon, with the pastor, Rev. H. A. Jones, officiating. During the service, Mrs. Howard Porteous and Mr. Harold Ferguson sang as a duet, "The Silver Chord," accompanied by Mrs. Harrison McDiarmid, who presided at the organ.

Interment was made at Springhill Cemetery. The pall-bearers were: Messrs. Bert Campbell, Gordon Blair, Donald McDiarmid and Jack McDiarmid.

Besides his wife, the late Mr. Stewart leaves three daughters, Mrs. G. H. Reynolds (Isobel) and Mrs. Walter C. MacDonald (Laura), of Winchester, and Mrs. Ritchie Allison (Helen), of Ottawa; four sons, Herbert, of Toronto; Stanley, of London; Lloyd, of Ottawa, and Archie, of Osgoode. One son, Alex Leslie, predeceased him in 1933. Also surviving is: a half sister, Mrs. Elizabeth Brunton, of New York; a sister, Mrs. Kate Rickey, and a half-sister, Margaret, predeceased him some years ago. Half-brothers living are: Henry, of New Liskeard; William, of Newton Lower Falls, Mass., and Alex, of Vars. There are ten grandchildren living.

Testifying to the high esteem in which the deceased was held were floral tributes from the following: Wife and Children; the Ainsworth family; the McConnell family and the MacPhersons; Mr. and Mrs. O. V. Stevenson and Mr. and Mrs. L. Connel; Katharine Hall and Anne MacDonald; Betty Langtry, Eleanor and Bill Bailey; Alex and Gladys Nicol and boys; Alex J. Stewart and family; William Stewart and family; Mr. and Mrs. David Keenan and family; Dalmeny Neighbours; Mrs. Freeman Campbell; Mr. and Mrs. J. L. Dixon; Oakwood Collegiate Staff; R.C.A.F. Maintenance Command; the Adams family; Marion and John Kopp; Dr. and Mrs. W. Buell Meldrum; Mary and Isabel Meldrum; Herbert Meldrum; George E. Meldrum; Arthur and Emma Meldrum; Kay and Ross Riddell; Mr. and Mrs. James Reynolds; Jimmy Reynolds; Eileen, Phyllis and Leslie MacDonald; Osgoode Baptist Church. Albert Coughler, of Williamsburg, Mrs. Agnes Coughler, wife of Wm. Coughler, in her 86th year.

The funeral was held at the home of her son on Monday, May 5th, at 1.30 p.m. Interment was made at Maple Ridge Cemetery. The pall bearers were her six grandsons.

She leaves to mourn her loss, three sons, Peter Coughler, of Mountain; Orlan Coughler, of Winchester, and Albert, with whom she lived; and three daughters, Mrs. Droppo, of Richmond, Que.; Mrs. E. St Peer and Mrs. M. Robinson, Chesterville.

EVENING AUXILIARY

The Evening Auxiliary of the United Church entertained the C. G. I. T. Girls at their May meeting in the S. S. Rooms on Monday evening, May 5th. Mrs. Jas. Crummy opened the meeting by welcoming the C. G. I. T. girls. The theme of the meeting was "One World on our Doorstep." Mrs. O. Patterson told the school-life story of a pupil in Singapore, and Mrs. Willis Cross gave the story of a pupil of Bombay. These stories were very interesting.

Mrs. Patterson also gave a report on Mrs. Collins' talk on Africa, which was given in Chesterville last month. Mrs. Thomas reported on the Presbyterial held at Morrisburg last Friday. Miss Barbara Fennell presided at the piano in the absence of Miss Eleanor Hitsman.

A short business meeting was presided over by Mrs. Thomas. Several games were then enjoyed, after which a delightful lunch was served by the committee in charge, Mrs. Crummy, Mrs. Patterson and Mrs. Cross. Miss Dorothy Servage, on behalf of the C. G. I. T. Girls, thanked the Auxiliary for entertaining them. The meeting closed by singing Taps.

25th WEDDING ANNIVERSARY

On Friday evening, May 2nd, a number of friends and neighbours were dinner guests of Mr. and Mrs. Wm. T. Coleman, to join with them in celebrating the twenty-fifth anniversary of their marriage.

The table, tastefully decorated with roses, was centred by a three-tier wedding cake, the gift of Mrs. T. Dougall, who, twenty-five years ago, had made their first wedding cake.

The toast to the host and hostess was proposed by Mr. Robert Coleman, of Oshawa, and was ably responded to by Mr. Wm. Coleman.

The evening was spent in singing, games and cards. Many suitable and useful gifts were received. Friends were present from Williamsburg, Oshawa, Mountain and Hallville. Numerous letters of congratulations were received from more distant friends.

All join in wishing Mr. and Mrs. Coleman many more years of prosperity and happiness.

LATE MRS. AGNES COUGHLER

On Friday, May 2nd, 1947, there passed away at the home of her son,

Yes, Pepsi-Cola gives more for your money! It's 8¢ and worth it! Here's why...

Yes, Pepsi-Cola now costs eight cents —*and that price is your best guarantee of a drink that is truly* BIGGER *and* BETTER!

You see, the price you pay when you pick a Pepsi today reflects our refusal to lower Pepsi-Cola standards of value, purity and flavour in the face of greatly increased costs of production.

In refusing to lower these standards, we rely upon the Canadian public to recognize the true economy of buying only the best—the best in quality, the best in quantity.

For over 12 years, Canadians have agreed that Pepsi-Cola is tops—tops for refreshment, for purity, for value. They have enjoyed Pepsi-Cola's matchless, "hits-the-spot" flavour; they have bought 12 full ounces for the price of six.

Now, in common with Canada's housewives, we face the problem of rising costs. The increased costs they meet in their kitchens we see in our plants—multiplied many times. Compare, for example, the price of sugar in 1939 with what we must all pay today!

In spite of these costs, we *continue* to offer you the *best*. Rather than lower our standards of quality *or* quantity, we ask you to pay eight cents for a drink which is still BIGGER and BETTER.

Yes, Pepsi-Cola now costs eight cents. It still enables you to enjoy the very best in flavour, the best in purity... *still brings you a lot more for your money!*

INKERMAN ROCKETS FETED AT BANQUET

(Held Over From Last Week)

The Inkerman Rockets, Ottawa and District Hockey Champions, were feted on Wednesday evening of last week, when over 200 hockey fans attended a Banquet and Entertainment, held in their honour. The supper was served in the United Church basement, with a program being presented in the Church Auditorium afterwards, presided over by the pastor, Rev. G. S. Gervan.

Mr. Delmer Timmins, President of the Central Ottawa Valley Junior Hockey League, congratulated the team and coach on their successful hockey achievements, and presented each player with a photo of the Inkerman Hockey Club, taken recently by Mr. Basil Jesshope, Inkerman photographer.

Herman Crowder, president of the Inkerman club, in a short address, announced that each member of the Rockets would receive a windbreaker in the near future.

Ralph Hurley, captain of the team, thanked the many fans for their loyal support during the past season and gave special thanks to the ladies of the community who had made the banquet such a great success.

Lloyd A. LaPorte, coach of the team, was presented with a Gladston bag by John Guy, on behalf of the community. A short address was read by Ralph S. Allison, chairman of the committee in charge.

"The Inkerman Rockets are a credit to Eastern Ontario and should be praised for their recent achievements," said Col. A. C. Casselman, M.P., in a short address.

W. B. George, a representative of the O.D.H.A., in complimenting the team, rounded out the list of speakers for the evening's festivities. He presented the juniors with the O. D. H. A. junior championship crests and presented the midgets with the O. D. H. A. midget championship finalists crests.

Mrs. Gordon Levere added some entertainment to the program with a short recitation. Several musical selections were rendered by a quintet, Howard Biccum, George Suffel, Allen VanAllen, Clair VanAllen and Trevor Thompson, accompanied by Mrs. Logan.

Following the program, a public dance was held in the Inkerman Community Hall, with Kirkwood's Orchestra in attendance.

AGNES GLASSFORD SOCIETY

The April meeting of the Agnes Glassford Society met on Tuesday evening, April 22nd, in the S. S. rooms. The meeting opened with the Apostles' Creed, followed by a hymn. The minutes of the last meeting and some correspondence was read. Mrs. Hugh Wilson was appointed a delegate from the Society to the Presbyterial which is to be held at Spencerville on May 6th. It was decided to send a donation to Dr. Quinn at Jabat, India, to maintain a hospital bed there.

The study of India was continued by Miss Gardner, assisted by four members. Different religions of India—Mohammedan, Moslem, Hindu, Bhil and Christian, were studied in the form of a quiz. Mrs. H. Wilson and Mrs. C. Cross rendered a delightful duet.

Reports from the Synodical Society recently held in Ottawa, were given by Miss C. Anderson and Mrs. R. D. Ledgerwood.

The meditation on "Hallowed be Thy Name," was conducted by the president, followed by a hymn. A delicious lunch was served by the committee in charge.

MY OLD HOUSE

I hail once more my natal day,
Still in my tenement of clay,
With many favors blest.
Now he who placed the structure here
Can prop it up another year
If he should think it best.

Long hath it stood through snows and rains
And braved life's fearful hurricanes,
While many a stronger fell;
The reason why, we cannot see,
But what to us seems a mystery
The builder knows full well.

But now 'tis weather-worn and old,
The summer's heat and winter's cold,
Pierce through the walls and roof.
'Tis like a garment so worn out,
To mend there seems no whereabout
So gone is warp and woof.

The tottering pillars are all weak,
The poor old rusty hinges creak,
The windows, too, are dim.
These slight discomforts we'll let pass,
For looking darkly through a glass
We catch a hopeful gleam.

Nature and Scripture tell us all
This withered frame, ere long, must fall,
When, where, or how's unknown,
We'll leave that to the Architect,
And trust his wisdom to direct
The taking of it down.

And when you see it prostrate lie,
Let not sad tears be-dim your eyes,
The tenant is not here;
But just beyond time's little space
She finds with Christ a resting place,
No more to date her year.

And though she walks with you no more,
The world will move just as before,
'Tis meet it should be so;
Let each his house in order set,
That he may leave without regret,
Whenever called to go.

FAREWELL PARTY HELD

On Wednesday evening, April 30, a very happy evening was spent at the home of Mr. and Mrs. Meredith McVey when about one hundred friends and neighbours gathered to wish them farewell, prior to taking up residence in Kemptville.

The evening was spent in games and social intercourse, after which the gathering was called to order and an address read by Mr. Basil Dawley, while the following gifts of remembrance, a Wearever pressure cooker and a walnut book and magazine table were presented by Messrs. Ralph Watson and Earle Hamilton.

Mr. and Mrs. McVey expressed their appreciation in a few well chosen words and said they would always remember their friends and neighbours at Winchester. All joined in singing "For They Are Jolly Good Fellows," after which lunch was served.

Following is the address:—

It is with feelings of regret at losing you from our midst that we have gathered here to-night.

During the years you have lived in this community, we have learned to depend on your willing co-operation. In times of sorrow or happiness your help was always freely given. We who have known you both most of our lives will never forget your cheery dispositions and sunny smiles. Some one has said: "There is no magic in the art of making friends along life's trail; a happy smile and kindly heart have never yet been known to fail." And so your happy smiles have won their way into our hearts.

One does not learn to live in a year. Many years are needed, and after all these years a grievous loss is going to be felt.

As a token of the esteem in which you are both held, we ask you to accept this gift as a remembrance of your friends in this section. We all hope that God's richest blessing may be bestowed on you in your new home.

Signed on behalf of the community:—Ewen Gannon, Earle Hamilton, Douglas Johnston, Ralph Watson.

MOTHER'S DAY

Like Christmas Day, 'tis dear to all,
This Mother's Day, when children call
At the old home, that sacred spot,
Where love for mother first grew hot.

Oh yes, we know what loving care
She gave to us, yes, who would dare
To spurn her love, so freely given,
No greater love this side of Heaven.

She did not spare herself at all,
But quickly answered children's call,
She nursed them oft thro' dread disease
And prayed they might from pain get ease.

And now to you, whose mother lives,
Can understad the joy it gives
To have her offspring call once more,
Which fills her heart with joys galore.

Ah yes, dear children, don't forget
That still on you her heart is set,
No, ne'er again, you'll find another
To take the place of your own mother.

—J. Reoch, Winchester.
