Three Die, Four Injured Saturday Evening Crash

Three people were killed and four injured in a car-truck crash on Highway 43 early Saturday evening.

Driver of the car, a Cornwall detective, Ralph Irving, 38, of Rosedale Terrace, Long Sault and his wife, Ruth Mary, 38, were killed when their car collided with a truck a half mile east of Highway 31.

William Donald Froats, 36, of Brinston, a passenger in the half-ton pickup truck was also killed while his brother, Cecil, 45, who was driving was seriously injured. The three children of Mr. and Mrs. Irving, Richard, 15; Debbie, 13; and Randy, 9 are also in hospital. At press time Mr. Froats' condition was reported as serious while the three children, two in Winchester District Memorial Hospital and 9-year-old Randy at Ottawa Civic Hospital, were reported in satisfactory condition.

The mishap occurred at 6:05. Mr. Irving was proceeding east while the Froats' truck was approaching from the opposite direction.

Constable Doug White, Winchester O.P.P., investigated the tragedy.

Accompanying photo shows the two death vehicles as they appeared after being moved to Winchester by a W.J.L. Boyd & Sons tow truck.

STUDY BEFORE APPROVAL

Village Council Presented With Recreation Budget

The Recreation and Community Centre budget was presented to Winchester council at Monday night's meeting and, although members were favourably impressed, it was decided further study was warranted before giving their stamp of approval.

Council was advised that village trench inspection will be under the direction of the Ministry of Labour.

Representatives from Angus Motors were present requesting permission to use a mobile office at their place of business and this request was approved.

New Hydro Billing System

A new billing system has been designed for the village which will serve a two-fold purpose.

At the present time all customers are billed every two months, although council is billed monthly by Ontario Hydro. Secondly, the continuing increase in housing creates a heavy administrative burden.

Under the new system billing will be staggered with half the village being billed one month, and the other half the following month.

Implementation of this plan makes it necessary to bill one section in both April and May.

Council agreed the simplest method of dividing the area would be a line drawn through St. Lawrence and Gordon Streets.

Consequently customers East of this line will be affected by the two consecutive billings, while the other half of the town will not notice the change.

The 'NOTICE' appears on page 4 of this edition.

Planning Another Celebration

Dates for this year's Old Home Week at Morrisburg have already been set and committees are busy lining up outstanding talent for the occasion.

Dates, it is understood will be Wednesday, June 27th to Tuesday, July 3rd and initial plans indicate the 1973 edition will top all previous presentations by the water front town.

It appears that among the long list of talented performances visitors can expect to hear the Kingston Grenadier Drum Corps and see such popular attractions as "Grand Prix" wrestling and Roller Derby games.

Although still on the planning board there appears little doubt the show will prove once again one of the major summer attractions in the district.

Three Specialists Address NDDHS Cancer Forum

Three cancer specialists from Ottawa - Dr. James Nicol, Dr. J.E. Devitt and Dr. J.M. Beresford - were a panel to answer questions and discuss the dreaded disease at the Cancer Forum at North Dundas District High School last week. "There are still so many unknowns," one of the doctors stated, "that many questions have to be answered, 'No, probably, or Yes, not always,'. The doctors stressed the importance of not smoking and of early detection of cancer.

A good crowd attended the Forum which was organized by the Dundas Unit of the Cancer Society under the direction of the President, G. Dobbe and chaired by Mrs. H. Allison in his absence. Three films were shown.

J. Hilliard, Field Secretary, assisted as did local volunteers, Mrs. K. Beedie, Mrs. E. Merkley, Mrs. M. Brownlee, Mrs. L. Marcellus, Mrs. A. Barber, and Mrs. J. Jakel. Coffee and cookies were served at the close of the program.

Holidaying In England

Fifteen students from North Dundas District High School are enjoying the spring break in England.

Reporting the excursion to the Press staff member E.V. Pratt had words of praise for both the Board of Education and the school administrative staff for genuine co-operation.

Understandably Mr. Pratt is particularly interested in the trip since England is his homeland, and his only regret appears to be the fact the entire student body, along with the staff, cannot make the trip.

Mr. Pratt points out the ten-day trip is sponsored by the Heritage of Canada, a non-profit organization, and he is confident the holiday will prove highly educational.

"Cost to each student", says Mr. Pratt, "is two-hundred and eighty-five dollars, and this included return air fare to London, hotel accomodation, meals, transportation to and from airport, as well as, all shows and events listed on the itinerary."

Since students from all parts of Canada are involved the venture affords an ideal opportunity for meeting fellow Canadians.

Most students left armed with cameras and should bring back invaluable material for future studies.

The group is shown in accompanying photo only minutes before leaving the school on Sunday afternoon on the first leg of their trip. They were scheduled to leave Montreal early in the evening.

Back row, left to right: Gerald Loughlin, Robert Forward, Tom Servage, Oscar Douma, Dwayne Smith, Grant Kelly, Jackie Loughlin, Laurie Chambers.

Front row: Tom Chamberlain, Diane Topolinski, Megan Justus, Colleen Young, Mrs. Pratt and staff member Val Pratt.

Minor Hockey Now On At Winchester CC

Twenty-four teams are competing in a tournament here at Winchester this week. The boys are from Ottawa, Cornwall, Morrisburg, Osgoode, Chesterville and Winchester.

On Wednesday eight teams began play in the Wee Wee segment and this was followed by the Pee Wee tournament which is being played today (Thursday).

Tomorrow (Friday), ten Atom teams will be competing and in all three divisions championship games will be played Saturday.

The Wee Wee championship game is scheduled for 7:00 p.m., followed by the Atoms at 8:00 and Pee Wees at 9:00.

Everyone is invited to come out to the rink and enjoy this last big hockey event of the season.

Ottawa Valley Farm Show Sets Stage

The Ottawa Valley Farm Show, 1973 edition, opens its doors to the public at 10:00 a.m., Tuesday, April 3rd.

Once again the locale will be Ottawa's spacious Civic Centre and the show continues through Friday, April 6th.

This year's show, according to officials, will be the largest ever and extra space had to be acquired to accomodate the ever-increasing list of entries - one hundred and thirty companies, firms, institutions, and both Provincial and Federal government exhibits.

Ontario Dairy Princess, Miss Sherry Pollock, will be at the Dairy Bar along with other area Princesses, and special events are planned for each day that will direct attention to the many phases of the agricultural industry.

Tuesday, for example, has been designated as 'Ladies' Day'; Wednesday, the Beef Show with a square dance competition in the evening; Thursday, Beef Sale, presentation of awards and an amateur show at night; and for Friday the Ottawa Valley Hereford Breeders' Show.

Organizers have placed great emphasis on the fact that the Beef Cattle Show will continue all week and animals featured in the exhibit will include Hereford, Shorthorn, Aberdeen Angus, Red Angus, Charolais, Simmental and Limousin.

Many Things Free

Officials point out, that unlike most shows, many things in the farm show are free.

Admission, for example, is free if you have a ticket which can be obtained from either a machinery agent, agricultural representative or from Agronome. Then, too, there will be free draws, free samples, free parking and free programs.

Not only farmers, but their city friends as well, should find this a highly interesting and educational exhibition.

Grenville-Dundas MLA Pleased With Restructuring Proposal

Don Irvine, Grenville-Dundas MLA, is apparently pleased with the restructuring formula proposed for Stormont, Dundas and Glengarry.

Mr. Irvine termed the set up "perfect" while discussing the topic with United Counties councillors at a weekend meeting.

The Tory MLA made it very clear that unless county councils come up with feasible restructuring plans, the province will have to step in and do it for them.

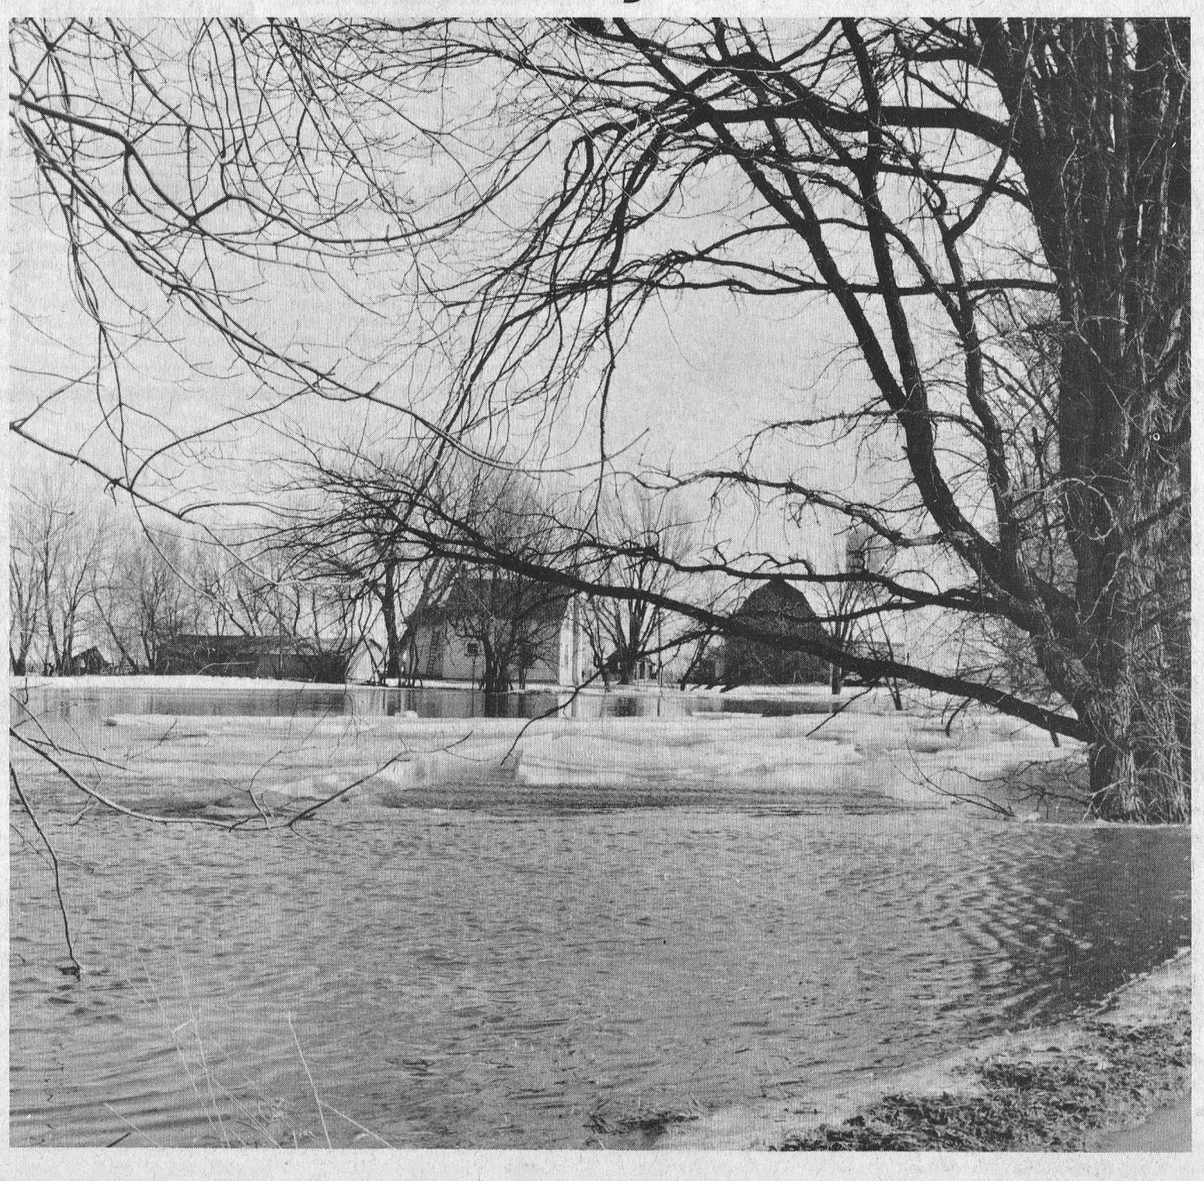
Under the proposed scheme, Stormont would be one unit with a representative from each of five municipalities. Four of these are townships, which would be regarded as wards. The other is Finch Village, with a reeve.

Similarly, Dundas, largest of the counties with four villages and four townships, would have its own government.

Glengarry, with one town - Alexandria - two villages and four townships would be the third unit.

The city of Cornwall would be the fourth entry in the regional government. No date has been suggested for implementation of the plan but Mr. Irvine said he saw no reason why such a civic government restructuring system would not win approval at Queen's Park.

Vicious Storms By-Pass Winchester Area



There were stories of vicious spring storms that lashed surrounding districts but fortunately Winchester and the immediate area was spared last weekend.

The snow predicted by the weatherman failed to arrive although torrential rains added to already threatening flood conditions, but fortunately no damage was reported.

Residents in the Nation valley are enduring their annual bout with the river which has already backed up flooding thousands of acres.

Despite the weekend rise in the level of the river, motorists travelling on Highway 31 were high and dry. In previous years, before construction of the new Cass Bridge, long detours were always necessitated.

The weatherman is predicting sunny and cool weather for the remaining of the week and this should have the effect of easing high water problems. Sunny days and cool nights should also prove ideal for the maple sugar industry.

Signs Of The Time . . . Spring

This is the time of year when everyone watches closely for new signs that winter is teetering on the ropes and spring has moved to the centre of the ring.

It's always pleasing to hear from friends both far and near who have sighted robins, geese, or other 'sure' signs. After all, sitting behind a typewriter affords little opportunity to see the wonders of nature and the only signs visible from the office window are pot holes and dirty snow.

Many thanks, your cheerful messages are always appreciated.

Sixty Skaters Compete In Skate-A-Thon

Sixty skaters, fourteen of them girls, participated in last Saturday's skate-a-thon at Winchester arena and according to officials the project had to be halted at 12:30 a.m., after eight hours of continuous skating, with nine skaters still going strong.

Gift certificate winners will be announced after pledges have all been collected and money turned over to either Terry Foley or Tom Clapp.

Osgoode Twp. Rabies Clinic Next Week

Residents of Osgoode Township will have an opportunity next week to have their pets protected from Rabies.

Township clerk, Fred Wilson reports the clinic will be open at Osgoode village community centre between the hours of 1:30 and 4:30 p.m. on the afternoon of Wednesday, March 28th.

The same day (March 28th) the clinic will be operated at the Township Garage, Metcalfe, between the hours of 6:30 and 9:00 p.m.

THE NEWS in Brief

Promotion For Gordon Coons

Gordon Coons, formerly of Winchester, and presently residing at Smiths Falls will assume the joint principalship of Montague Central and Harper Condie Schools at the beginning of the fall term.

Mr. Coons' promotion was approved at the March meeting of Smiths Falls School Board.

Mr. Coons (Bud), is a son of Mr. and Mrs. Gordon E. Coons, Winchester. His wife is the former Anne Kightley and the couple are the proud parents of two sons, David and Sean.

Crafts And Hobby Day Planned

All Saints Church, Westboro, (Richmond Road, Ottawa) will be the setting for the third annual Craft and Hobby Day.

There will be many interesting displays and demonstrations during the day and everyone is welcome.

Morning coffee, lunch and afternoon tea will be served at reasonable rates.

Readers seeking additional information are requested to contact Mrs. E.T. Barnett at 656 Edison Ave, Ottawa.

"Red" Lawlor Coaching Winners

Arnie 'Red' Lawlor, familiar to all area hockey fans and a former teacher at North Dundas District High School, is still keenly interested in his favourite game.

His boys, Dorchester Beavers, last week defeated Oakridge Oaks to win the Western Ontario Secondary Schools Association hockey championship.

The win advanced Beavers into regional play-offs at Stoney Creek for the right to enter the Ontario championship tournament. If Mr. Lawlor's boys continued their winning ways (and at Press time no reports were available) they will this week be playing in the All-Ontario tournament at London Gardens.

Weekend Fall Fair For Chesterville

Chesterville, for the first time in the 42 year history of the annual fall fair, will stage the event on a weekend rather than in the middle of the week.

Doreen McMillan, secretary-treasurer, reports this year's fair dates are Friday, Saturday and Sunday, September 21st, 22nd and 23rd.

No definite program of events has been released but some officials suggest Friday may be devoted to cattle judging; Saturday, Junior Farmer day, and Sunday for special events.

Howard Willard Centurians' Speaker

Members of Winchester 100 Club staged their regular meeting in the form of a St. Patrick's dinner last week and Howard Willard, retired school teacher, delighted his audience with an illustrated lecture on Ireland.

Dr. Slowey was to have been the speaker for the occasion but it is understood illness forced him to cancel the engagement and Mr. Willard proved a very able substitute.

All members agreed it was very timely since Mr. Willard not only unfolded interesting tales of the Emerald Isle but brought along beautiful slides which were thoroughly enjoyed.

Embrun 4, Prescott 3

Embrun 72's, in a clean, hard-fought contest Tuesday night, eliminated Prescott Saints and now advance against Metcalfe, last year's ODHA champs, in league finals.

Local W.M.S. Meetings

Winchester W.M.S.

St. Paul's Presbyterian W.M.S. met in the Sunday School Hall on Monday afternoon, March 12th with the president, Mrs. Wilfred McKercher presiding. The meeting opened with prayer and the reading of 4 verses of Psalm 46 in unison.

The minutes of the last meeting were read and business dealt with.

The devotional period was taken by Mrs. Ruby Moffatt, Mrs. Jennie McIntosh and Mrs. J. Cooper.

Mrs. Moffatt read the scripture. She gave an interesting paper entitled "Little Things"; this was followed with prayer by Mrs. McIntosh.

The study period was on the life of the Women of India.

Mrs. Cooper gave a paper on the life of Rev. John Buchanan.

The president closed the meeting with prayer.

Mountain W.M.S.

The members of Knox W.M.S. Mountain met at the home of Mrs. W. Clark for their March meeting with nine members and two visitors present.

Mrs. H. Graham opened the meeting with a prayer.

Minutes were read and approved and roll call was answered by a verse containing the word "Kingdom". Mrs. Graham expressed thanks to all those who helped make the World's Day of Prayer Service successful.

The treasurer's report was heard as well as the activities of the Friendship and Service.

The theme of the meeting was "Too Many Mouths to Feed". The objective of this study is to acquaint everyone with the food and population problem in India, and some of the things being done to reach a solution. Mrs. C. Goodman gave a very interesting summary of the material taken from the handbook.

A film on India, the Land and the People, was shown by Mrs. Arthur Kerr, which illustrated the conditions and religions of India very well.

For the next meeting each member received a slip with the name of a missionary in India on which to bring information and a picture.

Mrs. Graham led in prayer and a hymn was sung. The meeting closed with the Mizpah Benediction.

Refreshments were served by the hostess, and a social hour was enjoyed.

S. Mountain W.M.S.

The regular monthly meeting of the W.M.S. of Presbyterian Church, South Mountain was held at the home of Miss Jennie Cameron.

Mrs. Blow, the president, opened with a prayer and a poem. The hymn and scripture reading were followed by prayer by Miss Edna Hunter. Miss Cameron conducted the study period on India, telling of their resources and living conditions.

Mrs. Mae Boyd read a story entitled, "Mr. Eternity", and conducted a quiz.

One visitor, Mrs. Sam Graham of Cardinal was present.

Mrs. Mae Boyd submitted the Friendship and service report and the meeting closed with a hymn and prayer by Mrs. Blow.

On Friday, March 16, 1973 to Mr. and Mrs. Herman Grootlipman, R.R. 2, Russell, Ontario, a son.

Metcalfe "Swinging It"

Members of Metcalfe Recreation Association planned a night of fun for area youngsters between the ages of 4 and 14 earlier this week. Since the venture was to be a 'first', organizers optimistically prepared for possibly a hundred youngsters.

The music, supplied free by the poular young local group, 'Mixed Company', swung into action sharp at seven and fifteen minutes later R.A. members agreed another survey of the area was needed before another such party was organized.

The expected hundred boys and girls were there but in addition another 193 youngsters filed into the spacious new hall.

All agreed the planning was perfect since the children are enjoying their annual winter break and could sleep in the following morning.

As accompanying photo indicates dancing has no age barriers, and the little ones can hardly wait for another such outing.

Spring Theme For Metcalfe W.I. Meeting

Members of Metcalfe W.I. held their March meeting at the home of Mrs. Ben Galloway when thirteen answered roll call with a 'gardening problem'.

President, Mrs. Harold McKeown was in the chair; Mrs. Wm. Dow submitted a very comprehensive report of the ladies hospital auxiliary and Mrs. Albert McKeown brought a report from the district directors' meeting. Mrs. McKeown told members a bazaar and tea will take place at Leitrim on May 12th for all district units.

Mrs. Emerson Irven, agriculture convenor, read a paper from pollution probe concerning gardening and insect and disease control.

The hostess served a very delicious lunch and the president announced the April meeting will be at the home of Mrs. Ken Dow.

South Mountain Graham Brothers Celebrate Birthdays

Wm. Graham, presently a patient in Featherstonhaugh Nursing Home, Kemptville, and formerly of South Mountain, was joined by his brother Harold of South Mountain for a quiet observance of their birthdays on Monday, March 19th. Members of their families were present for an afternoon Birthday Tea arranged in honour of the celebrants.

Mountain Area Women's Groups Hold Meetings

SOUTH MOUNTAIN W.I.

Vice-president, Mrs. R. W. Nelson was in the chair for the March meeting of South Mountain W.I. last week at the home of Mrs. George Nelson.

Roll call was answered by naming a 'Resolution I would like to see adopted' and Mrs. H. Graham, resolutions convener, was in charge of the program.

The metric system was discussed by Mrs. M. Barry and during the meeting members joined in singing 'Happy Birthday' for Mrs. A. Lough who was celebrating another milestone.

Following the meeting a delicious lunch was enjoyed.

MOUNTAIN U.C.W.

Mrs. Arnold Norton was hostess for the March meeting of the Mountain U.C.W. when eighteen ladies listened to Mrs. Sam Simms discuss India under the title the "Green Revolution". Methods of farming and agriculture were discussed and the worship service was under the leadership of Hazel McLaren. All enjoyed listening to a Beverly Shea record.

Fern Bryan took charge of the business and a good balance on hand was reported by the treasurer, Donna Simms.

The group agreed to attend a training school sponsored by the Home Economist Branch of the Ontario Ministry of Agriculture and Food.

A social hour brought the meeting to a close.

Carlton Showband Comes To Metcalfe

At the March meeting of the Metcalfe Recreational Association it was announced plans had been completed with the Carlton Show Band to stage a show in the Community Centre arena area on Friday, May 25th. A committee has already been set up for planning this evening and tickets will be available shortly.

A community Auction sale will be held in the arena June 9th when Carson Hill and Stewart James, auctioneers, will volunteer their services. This will be a consignment sale for articles over a value of $50, as well as a donation sale. Everyone is asked to donate or consign good articles to this sale.

The members voted a donation of $10 to the Lions Queen of Queens contest, held March 10th.

Plans for April include a teenage dance at the Community Centre and a skating party.

Jim Miller Dies

Friends throughout the district will be saddened to learn of the death of James Miller at his Iroquois home.

Mr. Miller operated a general store at Metcalfe for many years prior to his retirement and was extremely active in all phases of community and church work.

No particulars were available at press time concerning funeral arrangements.

Another Move

With Winchester station now relocated 'uptown' attention is focused on another station further up the line.

At Mountain, too, the station has been purchased and, although not shifted as far from the tracks as the local one, it too is mounted on a new foundation and being transformed into living quarters.

The accompanying photo, taken looking East on a dull March day showing the building now along the main street while 'circle' marks its former location near the tracks.

Cancer Society Lodge Opens

A new lodge for ambulatory cancer patients was opened Friday, March 9th, by Her Excellency Mrs. Roland Michener, in the presence of her husband, the Governor-General.

The new Canadian Cancer Society patient lodge is contained in a three-storey complex built on the grounds of the Ottawa Civic Hospital near the Ontario Cancer Treatment and Research Foundation.

Mrs. Michener, in her bilingual address, mentioned that the lodge - the fourth in the province - is named the Maurice J. Grimes Lodge, in memory of the late Executive Director of the Ontario Division of the Canadian Cancer Society. Mr. Grimes, a native of the Ottawa Valley, died in 1970. His mother, Mrs. J.P. Grimes, of Ottawa, and other members of the family were present at the event.

After Mrs. Michener's address, she was presented with a silver caduceus pin - the Society's symbol - by Mrs. Egmont L. Frankel, C.C., an Honorary President of the Ontario Division. Later, another Honorary President, Mrs. H.C. Krug, C.M., presented Her Excellency with a bouquet of daffodils, the Cancer Society's floral symbol of hope.

The Ontario Division of the Canadian Cancer Society contributed approximately $650,000 towards the construction and furnishing of the building.

The new lodge will be able to accommodate 36 ambulatory patients and will provide dining and lounge facilities as well as space for the offices of the local Cancer Society. The rest of the building, which the Ottawa Civic Hospital will underwrite, will house a family practice medical unit.

Similar accommodation for cancer patients is found at Princess Margaret Lodge, Toronto; Thameswood Lodge, London; and Amethyst House, Thunder Bay.

At all Cancer Society Lodges, hundreds of volunteers work year-round to provide a long list of patient services such as gift baskets, recreational programs, flowers and afternoon teas. At the Maurice J. Grimes Lodge, a special group of volunteers of the Society's Service to Patients Committee in Ottawa will provide these services under the direction of Mrs. A. Cummins.

In addition to maintaining its research, service and education programs, the Canadian Cancer Society depends on public donations to support such special projects as this. The April campaign this year for Ontario is $4 million.

Hallville Holds Prayer Service

The World Day of Prayer Service for the South Mountain-Hallville charge was held in the Hallville United Church.

Mrs. Ray Rowley of South Mountain, Mrs. George Suffel, Inkerman, Mrs. Carl Bryan, Mountain and Mrs. Lansen Hyndman of Hallville took the leadparts. Special music was supplied by the Heckston Ladies.

Mrs. Evelyn MacCargar of Manotick was guest speaker and based her message on the Book of Ezekiel and the theme of the service "Alert In Our Time."

At the close of the service a social hour was enjoyed in the church hall.

After Church Coffee Hour To Be Held At South Mountain

On Sunday, March 25th at 10:45 a.m. the congregation of St. Peter's Anglican Church will sponsor an after church coffee hour for the four worshipping congregations in South Mountain; and their non-church-going friends are invited to take part in the fellowship hour too. Since all the clergy will be involved with other Services, there will not be a planned program and the purpose of the coffee hour is to enjoy each others company and fellowship over fruit breads and coffee. If you are a member of the community of South Mountain, take a little time off Sunday morning to come along to the Odd Fellows' Hall about 10:45 a.m.

By Sharon Baker, Maple Ridge Senior Elementary

Elementary school students have come up with a novel way to brush up on the French language.

A series of cross-word puzzles have been brought to the office by Pauline Whittaker of Williamsburg and each one should prove a real challenge for readers.

They are the work of students at various area schools and when you have completed the puzzle send it to school with your boy or girl for 'marking'.

NOTICE...

Beginning May 1st, 1973, a change in Winchester Hydro billing will go into effect.

This new system will divide the village into two parts with the dividing line being St. Lawrence and Gordon Streets.

There will be no change in the April 10th billing but on May 10th all customers residing East of St. Lawrence and Gordon will be billed for one month and thereafter every two months.

Customers West of the dividing line will not be affected but the end result will be inauguration of a staggered billing system.

FOR EXAMPLE:

East Of St. Lawrence & Gordon	*West Of St. Lawrence & Gordon*
APRIL 10th	APRIL 10th
MAY 10th	JUNE 10th
JULY 10th	AUG. 10th
SEPT. 10th	OCT. 10th

There will be no change in commercial billing.

IN MEMORIAMS

MEMORIAL GIFTS

Responding to requests, The Canadian Cancer Society has "In Memoriam" cards available from Mrs. Kay Beedie, or funeral parlors, for use at the time of bereavement of a friend or loved one. Such funds are used for research to find the ultimate cure of cancer. To make arrangements. telephone 774-2345. 39tfp

BECKSTEAD—In loving memory of Charles S. and Arza H. Beckstead, who died February 17, 1969 and March 31, 1972.

In years we saw them sinking,
We watched them fade away,
Our hearts were almost broken.
They fought so hard to stay.
But when we saw you sleeping,
So peacefully free from pain,
We could not wish you back
To suffer that again.

47c —The Beckstead family

ALGIRE—In loving memory of a dear son and brother, Charlie A. Algire, who departed this life March 25th, 1970.

We often sit and think of him
When we are all alone,
For memory is the only friend
That grief can call its own.
Like ivy on the withered oak
When all other things decay,
Our love for him will still keep green
And never fade away.

—Ever remembered by mother, sister and brother. 47c

GILLILAND — In loving memory of my parents, Mr. and Mrs. Sam Gilliland: Mother, who passed away March 21, 1968, and Dad, May 17th, 1970.

A silent thought, a secret tear,
Keeps their memory ever dear.

—Evelyn and Harold Cowan 47p

SHAVER—In loving memory of a dear husband and father, Thos., G. Shaver, who passed away so suddenly March 22, 1970.

We do not need a special day
To bring you to our mind,
The days we do not think of you
Are very hard to find.
They say time heals all sorrows
And helps us to forget,
But time so far has only proved
How much we miss you yet.

—Never forgotten and sadly missed by wife and son, Dorothy and Bill. 47p

WADDELL—In loving memory of a dear husband and father, Burton Waddell, who passed away March 21st, 1969.

Days of sadness still come o'er us,
Tears in silence often flow,
For memory keeps you ever near us
Though you left us four years ago.

47c —Wife and family

Getting To Know Them

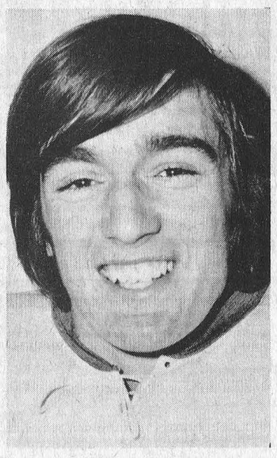
A '72

Serge Landry

"I like when the going gets rough", says Embrun 72's hulking defence star Serge Landry. Proof of how much he likes the rough going can be found in the record book where it is understood he has established some sort of record for time spent in the penalty box.

At only 17 years of age, Serge packs 180 pounds on his 5'8" frame and most opposing forwards look on him as that 'immovable object' so often referred to.

A son of Mr. and Mrs. Jacques Landry of St. Albert, he is a Grade 12 student at Casselman High School, and next to hockey his favourite sport is football.



A JET

Being Assistant Captain of the team affords him the opportunity to question some decisions made by officials, and this he does with a flair that delights his ardent fans.

As this is being written Embrun and Prescott are deadlocked with three wins each in league semi-finals and Serge has to be considered one of the major obstacles keeping opposing marksmen away from the 72's netminder.

Landry is a proficient skater, an excellent stick-handler, and as we see it, could do much to earn the league championship for his club - - if he stays out of the 'sin bin'.

Dennis Brisson

Late last spring after Metcalfe Jets had wrapped up the ODHA crown there was concern that, because so many players would be over-age for the 1972-73 season, rebuilding would greatly weaken the team. Loss of star netminder 'Butch' Wilson was rated as a major blow since, at that time, it appeared none could possibly measure up.

Early last fall, however, a quiet, unassuming Carlsbad Springs student contacted Metcalfe management requesting premission to 'try-out' for the open position.

All coach Duhart knew at that time was that the boy's name was Dennis Brisson, that he was 18 years of age and that he loved to play hockey.

If Dennis' reflexes appeared a little slow at the beginning of the season that has since been remedied and fans throughout the league all now agree Metcalfe's new recruit has proved the 'find' of the season.

A son of Mr. and Mrs. Ernie Brisson, Dennis is 5'5" in heighth and weighs only 140 pounds (including most of his pads). He is a first year Arts student at Algonquin College and in the off season enjoys fastball and other summer sports.

Before coming to Metcalfe he played Midget 'A' with M & W Rangers. We asked the young star how he liked Metcalfe and without a moment's hesitation he came back with - "if you mean the pretty girls, give me Vernon every time."

Jets are engaged in league finals this week and players and fans alike are confident Dennis will continue to play a major role in the club's quest for another ODHA title.

Area Cub Pack Members Attend "Mini-Klondike"

Members of Wolf Cub Packs from a score of communities gathered at Cardinal on March 11th for their annual "Mini-Klondike" Derby. 234 boys and 87 leaders from 18 packs competed in the day's events.

The first prize trophy awarded in the St. Lawrence District went to 1st Prescott Pack; first prize for visiting pack to 13th Lisbon, N.Y. 5th Prescott placed second in the district, followed by 8th Brockville (visitor), 1st Morrisburg, 1st Maitland. The race trophy was won by 2nd Kemptville pack, candy prize by 1st Maitland. Other communities represented included Chesterville, Spencerville, Iroquois, Cardinal, Johnstown, Winchester, Mallorytown, and Massena, N.Y.

Kemptville And Morrisburg Winners Of Atom Tourney

The Fourth Annual Morrisburg Atom Tournament sponsored by the Morrisburg Recreation Committee was held Saturday with Kemptville capturing the 'A' Championship and Morrisburg winning the 'B' Championship.

First round: Cornwall Township edged Morrisburg 2-1 on goals by Grant Brown and Chris MacDonald. Glenn Howald scored for the hometowners.

Iroquois on goals by Fraham McMartin, Kevin Brown with a pair, defeated Chesterville 3-1. Donnie Richards scored the lone goal for the losers. Doug Rigby earned the only shutout of the day when Kemptville swamped Cornwall B's 8-0. Goals were by: Brent Evans 2, Clark Patterson 2, Ron Stewart, Mark Seymour, Andy Pinhey and Tim Drew.

Athens defeated Edwardsburg 5-1 on a hat trick by Tom Dancy and a pair by Terry Brayton. Don Lawrence scored for the losers.

In the Consolation Round - Morrisburg tied Chesterville 2-2 and took the win by virtue of the first goal. Steve Sheridan and Glenn Howald scored for Morrisburg. Marque Laflamme and Michael Beckstead scored for the losers.

Cornwall B's defeated Edwardsburg 4-2 with a hat trick by Rick Kelly and a single by Steve Seguin. Dan Adams scored both goals for the losers.

This put Morrisburg and Cornwall B's against each other in the final game for the 'B' division. Jack Brinkworth and Mark Bissonette gave B's the lead but a genuine hat trick by Glenn Howald gave Morrisburg the win and crests were presented to the hometowners.

In the 'A' Championship, Iroquois defeated Cornwall Township 3-1 on a pair of goals by Kevin Brown and a single by Bill Graham. N. Brown scored for Cornwall.

Kemptville defeated Athens 5-1. A pair by Clark Patterson and singles by Jeff Craig, Danny Grant and Tim Drew. Tom Dancy scored for Athens.

This put Iroquois against Kemptville in the final game with Kemptville winning 5-1 to receive the trophy. Both teams were presented with crests. Clark Patterson had a hat trick (7 goals for the day) with singles by Bill Mayo and Brent Evans. Greg McMartin scored for Iroquois.

Mountain Girls Still Unbeaten

Mountain girls hockey team remains unbeaten with a record of six wins and one tie.

Last Wednesday night they initiated their new uniforms, donated by Mr. and Mrs. Harold Hamilton of Kemptville Home Hardware, with a 5 to 3 victory over Spencerville. Marilyn MacLean and Carol Corrigan each scored twice with Lori Boyce adding the other. Sheila Bush with two and Carol Wells scored for Spencerville.

Thursday night the girls battled to a 4-all tie with Kemptville Pee Wee travelling 'B' team. Marilyn MacLean and Lori Boyce each scored twice and the Kemptville boys were thwarted time and again by the stellar netminding of Nancy Patterson.

Looking at the records Nancy has two shut-outs; Marilyn has scored 12 goals; Lori, 9; Carol, 2 and Karen Scott and Melody Drew have each notched one.

Bantams Win

Winchester Bantams, now competing in Carleton-Dundas League semi-finals, edged Osgoode 2 to 0 in the first game of 'best-of-three' series.

Winchester marksmen were Paul Simms and Steve Plummer. Phil Meek, Doug Crowder and Doug Duncan were each credited with assists. For goalie Danny McMartin it was his fifth shutout of the season.

Kemptville downed Metcalfe in the other half of the semi-final round by a 3 to 2 score.

The Winchester boys, sponsored by "The Country Boy" clothing store, will meet Osgoode again to-night (Thursday) at Osgoode arena. Game time, 7:00 p.m.

Metcalfe Eliminates Morrisburg

Lamadelaine Nets The Winner

Dennis Lamadelaine combined with Dave Patterson at the 2-minute mark of the third period at Morrisburg arena last Friday night to end Morrisburg's hopes for league supremacy.

'Lions' were literally fighting for their lives facing the monumental task of winning three consecutive games to stay alive but the determined Metcalfe 'Jets', eyeing another championship, refused to yield.

The first period was scoreless and it was not until the 3-minute mark of the second frame that Metcalfe moved in front when Bob Woods beat Siddon on a drive from the blue line. Greg Holmes and Rupert MacDonald were credited with assists.

Both goalies were sensational and the score remained 1 to 0 when the boys skated out for the third and final period. The large crowd was hardly seated when Lamadelaine drove home what proved to be the winner and from this point the Metcalfe team staged a dazzling display of defensive tactics.

The Lions appeared in command for several minutes but were repelled time and again by the stellar work of Brisson in the Jets net.

Morrisburg's star brightened near the midway mark of the period when Hess combined with Dillabough to move back into contention. Despite a series of well executed power-plays, however, the Metcalfe goalie withstood the attack and the game ended with the score 2 to 1.

Metcalfe, by virtue of the win, advances to the league final opposing either Embrun or Prescott.

Since this series is all tied up at three games each, it is impossible to report the schedule for league finals.

Should Embrun win then Metcalfe would enjoy the home game advantage and the first game come to Metcalfe. However, should Prescott win, then (because they finished regular season play with more percentage points than Metcalfe) they would have the odd-game advantage.

A Nation of Stealers?

Statistics Canada estimates $1-million worth of goods are stolen every day from Canada's retailers by shoplifters and light-fingered employees.

Stealing is on the increase. Last year 10,000 Torontonians, for instance, were caught, twice as many as in 1967.

We like to think we're a decent, hard-working, law-abiding nation. So why this mass thievery involving, according to one large department store chain, people across the country?

Some steal to make ends meet. But many (one was a judge's wife) are well-to-do. Some employees like to give away the loot "to make them feel big," in the words of one study. Such widespread dishonesty should warn us about the direction of our society (Westerners visiting Red China, for instance, report the Chinese to be scrupulously honest).

Does this not suggest a society increasingly corrupted by materialism? A society of people losing its individual morality? Every Canadian must face this question.

Fitting Tribute

Maurice J. Grimes, born in Navan, raised and educated in the Ottawa Valley, died in 1970. He spent his early years in engineering and sales and became interested in the Canadian Cancer Society as a volunteer in 1946 while living in St. Catharines.

He joined the permanent staff of the Ontario Division of the Canadian Cancer Society as Executive Director in 1952. From his appointment until his death he worked to build the Cancer Society in Ontario to one of the most successful health organizations in Canada. Under his leadership, the Ontario Division grew from a few thousand volunteeers to more than one hundred thousand active workers and its April appeal for funds rose from $400 thousand in 1952 to $3,800,000 in 1970.

Mr. Grimes was often called upon to play a role in national and international cancer affairs through participation in meetings of the American Cancer Society and the International Cancer Congress.

The new Ottawa lodge for cancer patients is named in his memory. A fitting memorial for a man whose true value in the continuing fight against cancer can never be accurately measured.

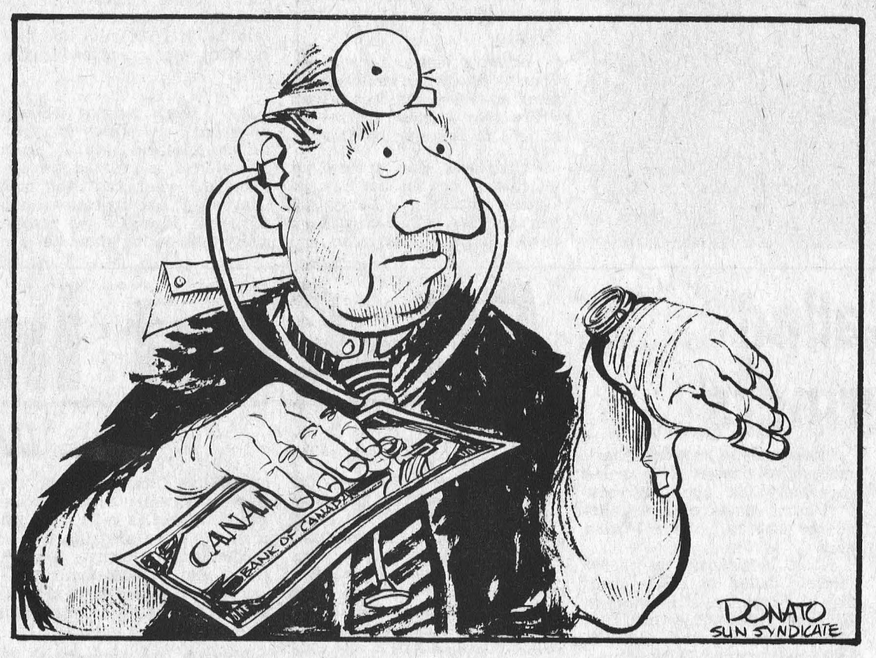
Peace At A Price

Peace at a price — that's what is offered to parents and neighbours of teenagers who like to play, or learn to play the guitar. An idea which could revolutionize relations between the generations in some households was described on BBC World Service's *New Ideas*.

The Guitar Set headphone allows the musician to practice on the electric guitar. The sound he produces is transmitted to the pair of headphones he wears which are plugged directly into the guitar itself. There is no need to feed the sound through a special amplifier; the built-in twin miniaturized amplifiers are powered from a self-contained set of batteries. And you can, of course, control the volume of the headset.

It could prove a useful system for musicians and music schools. The system — the makers say — gives sound reproduction of excellent quality. This Guitar Set sells in Britain at just under 20 pounds. Not too bad a price to pay perhaps for peace and quiet.

Remember when parents proudly listened to their talented youngsters and urged more hours of practice? We have indeed reached a dangerous state when mothers and fathers seek ways to silence rather than encourage their gifted children.



Bill Smiley writes

Stupid Squirrels! It Was Only 4 A.M.

This week, some random and rambling thoughts on a variety of topics.

A friend and colleague died yesterday, and I'll miss him. He was a free soul, beholden to none, with a mind and a tongue that paid obeisance to no man and no theory. He was ill for a long time, but fought like a demon, and never gave an inch to encroaching death.

Since I joined this teaching staff twelve years ago, six men teachers, all in their forties and early fifties, have died. Five of them were World War II veterans. That's a pretty high attrition rate.

There are only six W.W. II veterans left on the staff, including one lady and one vet of the German army, and we're sort of eyeing each other for signs of sudden deterioration. Guess we should make a pool, winner (last alive) take all.

Don't worry, I haven't a morbid bone in my body. I've already had about thirty years more than a lot of my old mates, so life doesn't owe me a thing.

Spring is more a time of birth than of death. And did we have evidence this week.

Saturday morning, I often grab the chance to sleep in for an extra hour. Last Friday night the temperature went soaring up to about fifty. About four a.m., the word got around among the black squirrels in my attic that spring had arrived, and they went stark, staring, raving mad.

All winter, they'd been pretty quiet, with only the occasional Saturday night party complete with drunken fights, screaming females, bawling kids and acorns rattling around like bowling balls on concrete.

But this week, they pulled all the stops. I started out of a deep sleep, shouting something about the Yanks invading Canada. My wife was cowering, head under the covers.

The males were bellowing like bull moose. The females were chattering like — well, females. The babies were shouting, in unison, "Hey, Ma. Can we go out? We don't need a coat. We've never seen spring before. What's it like?"

And all of them running and jumping and skittering and slithering and scuttling right overhead until it sounded like midnight at the Lumberjacks Ball.

This went on until daylight and so did my wife's demands that I do something about it. What would you do? I wasn't going to go up into the attic and take them on single-handed. I was afraid to. They sounded like Genghis Khan and his boys warming up for the raping and razing of a city.

There was nothing to do but batten down the hatches and hope that some overzealous little black rodent did not chew through the ceiling and drop on my wife's head. That would have, as they say, torn it.

At dawn the wild ululations subsided a little and I peeked out the window. There they were, goofing about in the back yard, stupidly digging in the snow for acorns, looking particularly ratty with their coats half shed.

The oldtimers soon realized with disgust that it was not spring at all, and returned, up the big cedar, flying leap to the vines, scrabble up to the hole and back to the attic for a long snooze.

But the little ones were baffled, bewildered and belligerent. They ran around in circles. They sank to their ears in wet snow. They chittered indignantly. They couldn't find anything to eat.

Had I not heard them talking so often, I'd not have been able to understand. But I had. And I did. I distinctly heard one baby buck squirrel snarling, "What the hell goes on here? We've been sold a bill of goods. THIS is SPRING? Where are the luscious bulbs, the green stuff, the tender shoots? We've been had, brothers. Let's demonstrate."

And demonstrate they did, loudly and shrilly, for the next twelve hours, back in the attic, berating their elders.

Can't blame them. It must have been a traumatic experience, out of the warm womb of the attic into the bleak reality of a March day. Some of them (I hope) will be scarred for life, psychologically.

But I can't kick. They've been fairly quiet since, aside from a lot of mumbling and muttering among the young ones, convinced, like all kids, that their parents betrayed them about life.

Dang it, I've run out of space. I wanted to mention the two baseball pitchers who have swapped not only wives but families, present some startling spring poetry, and discuss the abysmal stupidity of the Department of Education, but there's no room.

Why do I let squirrels loom so large in my life?

Question For Question

by Rev. Gordon C. Smyth

We are tracing, day by day, the incidents of Holy Week. Each morning Jesus comes from the seclusion of the nearby village of Bethany into Jerusalem. It becomes characteristic for him to be met by questioners who try, as a passage (Luke 20: 19-26) reveals, to "take hold of what he said". They are like inquisitors attempting to justify the condemnation that they have already determined to execute.

The case of the tribute money is of this kind. The man is not an honest inquirer. Titian, the famous Italian artist, has painted him as he was - a shrewd, artful spy, with his question carefully formulated so as to be unanswerable. If Jesus says that the Jews should pay a tax to Rome, then he should be rejected as a false messiah. If, on the other hand, he says that they should not pay a tax to Rome, then he is a rebel and should be put to death by the governor.

By the side of this crafty inquirer stands, in Titian's picture, the calm, stern, pitying figure of Jesus, - the only adequate reproduction, by one of the great masters, of the nobility and force that Jesus must have shown.

Holding up a coin, our Lord in effect says, "Look at this coin with which you must pay your tax. The very face stamped on it is your consent that you render to Caesar what is his. You have answered your own question. I ask you, however, another question. Are you a better subject of the emperor than of your God?" The record says, "Marveling at his answer they were silent."

Thus Jesus answered then. Now, in this modern world, with its pressing problems of divided allegiance, the same calm, stern, pitying figure stands beside us and puts question for question. If people do not know the Christ of experience, they at last have in their mind's eye some knowledge of the Teacher in the Gospels.

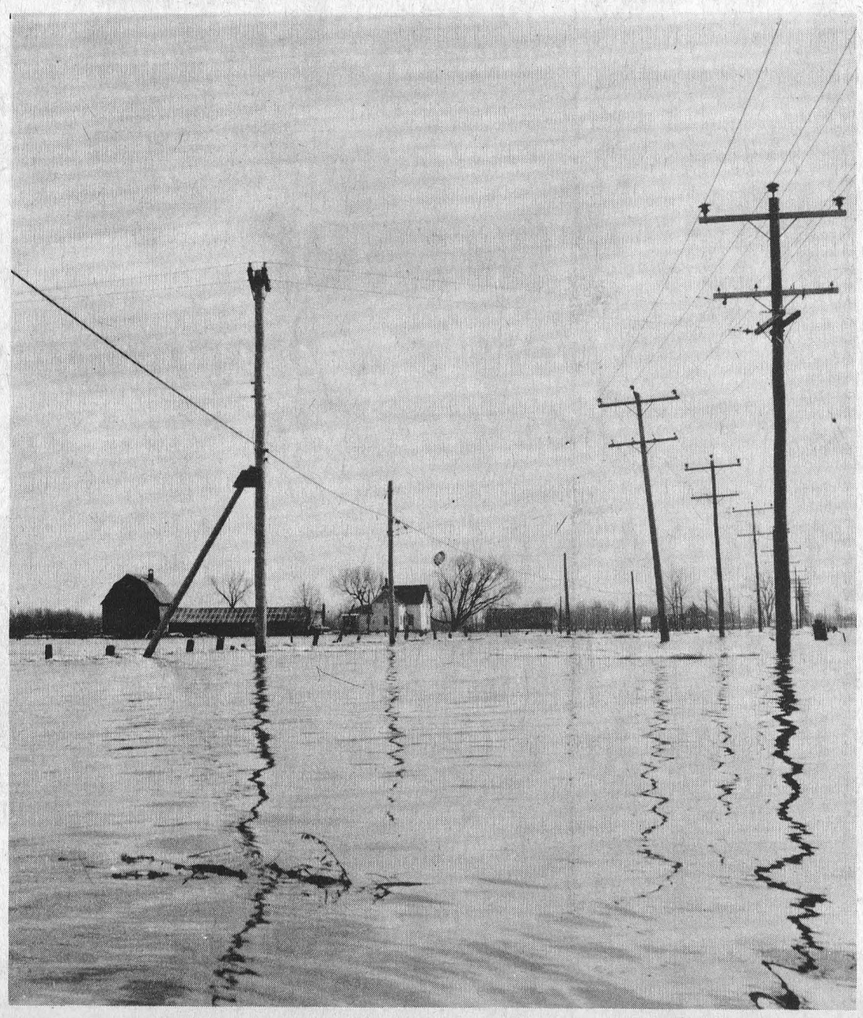
Sometimes they endeavor to entangle him in his replies. He refuses to be ensnared. With lofty satire he turns back such questioners upon themselves. These matters, he says, are important. It is not surprising that you render to them your tribute of interest and loyalty. I, however, ask you a similar question. Are you giving to God the same devotion that you give to these admirable ends?

You are a "politician", devoted to your Caesar, your party, your program. It is right and justifiable. But are you giving as much time, thought, or enthusiasm to the direct service of your God as you are to the service of your party? Do you believe that the name of Christ has no place in the prayers with which the Legislative Assembly in Toronto opens every day? Is it your view that the Golden Rule should not apply to political appointments at every level?

You are an "ecclesiastic", passionately concerned for your denomination, your hierarchy, your local status. But are you, I now ask, in danger of becoming a priest rather than a prophet, a churchman rather than a Christian, a fossil rather than a spiritual power?

You are "retired", quite naturally enjoying the fruit of your labors. But I have to remind you of youthful idealism. If only you did not have to work so hard, raise the family, meet those payments, you would do more and give more! Remember what you said when the minister almost pleaded with you to assume some office, a representative tried to lead you into a path of community service, a canvasser called to solicit financial support of the house of God? Has habit made you case hardened?

So Jesus stands before the modern inquirer as he stood that day in the holy city. Indeed, Jesus Christ stands before all of us, - not as a victim to be pitied, but as a judge to be heard; searching the motives of his inquisitors, until many a person, who is rendering everything to his own version of Caesar and nothing to Christ's revelation of God, shrinks back and dares ask him no more questions.



The Seventh Column

Weather was the main topic of all conversation last weekend and everyone had to be amused at the weatherman's constant reminders that snow was "on the way." As early as Friday he began his predictions that 4 to 6 inches of the white stuff was approaching the area. Saturday came and literally "blew" away without a trace of the fluffy white stuff, but the voice from the weather office never weakened and still maintained snow would reach us soon. Sunday passed into history with the same result and maybe we should be forgiven for thinking of a radio advt. that once appeared in a Rochester newspaper. "Hear," read the ad, "The Weatherman. The complete dope on the weather." Amen!

Sometimes older citizens look at the rising generation and fear for the future. Most likely this fallacy has prevailed for centuries but any doubts we may have harboured were squelched last Sunday. The young men and women who left North Dundas District High School for a ten-day educational trip to England were a group any parents could be proud of. Their neat, clean-cut appearance was in sharp contrast to the unkempt image by which we all too often judge our citizens of tomorrow. But this wasn't all. Later in the day our faith in young Canada received another boost. Seven boys, all students at General Vanier High School, Cornwall, arrived at Metcalfe. They had left Cornwall early Saturday morning on a trek that would take them to the foot of the Peace Tower by early Monday afternoon. They battled wind, rain, snow and sleet before reaching Chesterville on Saturday night, and Metcalfe by late Sunday. They were members of Cornwall "Key Club" (a Junior segment of the Kiwanis) and their long walk raised over a thousand dollars for crippled children. Guess Canada's future is in excellent hands after all!

Couldn't help but be interested in a recent "educational" report coming out of Toronto. According to a recent survey conducted in that city, at the Grade 7 to 9 level, our educators are getting away off course. This survey revealed that of 469 students tested, 405 couldn't spell "whiff", 99 missed "quits" and 12 stumbled on "frog". We're betting a survey in this area would tell a much more encouraging story.

Billy Moran may be only a teenager but he could have been elected Mayor of Embrun if an election had been called last Sunday night. When the speedy forward neatly shifted around two Prescott defencemen to score the winning goal, and knot the semi-final series at three games for each club, he immediately became the idol of over twelve hundred exuberant fans. For the former Winchester "Hawk" star it was his second goal of the crucial game. Win or lose those Embrun 72's, playing their first season in the Junior "B" company, have already proved a great asset to the league. No other club can boast as many dedicated fans — and it's these fans who change the "red" ink to "black" in club ledgers at play-off time.

Some of us, looking for balmy spring weather, might have been a bit disappointed when rain and chilling winds upset most of last week-end's carefully laid plans. But there is a brighter side. Considering the storms that played havoc on all sides, we were fortunate our only problem was a slight rise in the water level. As anticipated, the Nation is staging its annual rampage, but barring heavy rains it appears the worst is over. Let's just modestly suggest the weatherman favours the "good."

A Vernon businessman has been recognized by his service club buddies for distinguished dedication to duty and, according to most recent reports, will be elevated to the Deputy Governship of his district. We think we know why this club past president merits such honours. Motorists passing through Vernon can't help but notice that, although there are still some 234 "Shopping Days" left before Christmas, signs are conspicuously posted at the thriving service station. The signs read simply: "Lions Christmas Trees."

Every newscast and headline story seems to tell the continuing story of man's inhumanity to man. Saner minds throughout the world are searching frantically for a formula that will bring world peace. Strange, we think, that many, many years ago a writer who forgot to sign his name, penned the solution but no one has ever bothered to try it. Here it is:

"If there is righteousness in the heart,
There will be beauty in character.
If there is beauty in character,
There will be harmony in the home.

If there is harmony in the home,
There will be order in the nation.
If there is order in the nation,
There will be peace in the world."

New Brunswick Holstein Breeders View Ontario Operations

A group of New Brunswick holstein breeders spent two days in the district last week and enjoyed a guided tour which included brief visits at several local farms.

Arriving at Uplands on Thursday morning they were met by Tom Clapp, Agricultural Representative for Dundas County and secretary-treasurer of Dundas Holstein Breeders' Club; Mahlon Zeron, Hugh Blaine and Allison Fawcett.

Their first stop was for dinner at Winchester's Country Kitchen Restaurant and during the afternoon they spent some time at View Haven Farm, Mountain (Hugh Blaine); Willola Holsteins, Winchester, (Ralph J. Fawcett) and Fawcettdale Holsteins, Winchester (Hugh and Allison Fawcett).

Following supper back at the Country Kitchen the visitors were taken to Fawcett's Sale Arena where they watched the selling of the J.R. Ferguson herd.

Friday was also a busy but interesting day for the Eastern Canada cattlemen. During the morning they visited Riverdown Herd, Metcalfe (Davidson and Eastman) and before returning to the village for dinner called at Sunnylodge, Chesterville (Angus and Carl Smith).

In the afternoon they were escorted to Smiths Falls where they attended a barn meeting of the Lanark County Holstein Breeders' Club.

This proved a fitting climax for the whirlwind tour since Fieldman Grant Smith conducted a demonstration and exercise in classification, and two other well known cattle experts, Donald Rathwell, Navan and Grant Asselstine, Harrowsmith, led discussions concerning feed testing programs.

By Friday evening the men were back at Uplands for their return trip and several, when interviewed, expressed the opinion the visit had been both interesting and educational and all spoke highly of the hospitality extended by their Eastern Ontario counterparts.

Accompanying photos were taken while the men were at the Smith farm and the huge barn which houses the Sunnylodge herd can be seen in the background.

Crop Insurance Called Good Deal For Farmers

Crop loss insurance is the best protection a farmer can have to guarantee return of his investment in his crops, according to Agriculture Minister Eugene Whelan.

"I urge all farmers to buy crop insurance in 1973," he said.

"Losses strike every year. They simply choose different victims. What happened during 1972 proved again that the best way to avoid lost income from crop disaster is through insurance.

"Emergency cash grants from government are not the answer."

About $13,000,000 was paid out to farmers on claims for the 1972-73 crop year. Total premiums were $11,200,000, with federal and provincial governments meeting part of the cost.

Claims in some areas were heavy.

Wet weather in Ontario and Quebec severely damaged crops.

Some 400 farmers in seven eastern Ontario counties collected $834,000 on corn losses alone. Total indemnities paid on all crops insured in these counties was $952,000, while $113,000 was paid in premiums.

Province-wide, 2,148 Ontario farmers collected $2,500,000 on all crops insured at premium costs of $1,600,000.

In the Peace River region of Alberta and British Columbia, wet weather during harvest was the culprit.

About $500,000 was paid to some 130 farmers on the British Columbia side to cover grain losses. Alberta farmers in the region may receive more than $1,500,000 for grain losses that cost $600,000 to insure. Many of the final payments will not be made until unharvested crops are threshed this spring.

Manitoba and Saskatchewan farmers collected on frost damaged rapeseed.

Indemnities to Nova Scotia farmers offset losses from an unexpectedly low apple harvest.

"Claims came from every part of the country," Mr. Whelan said.

"It is unfortunate that some farmers failed to insure their crops. I hope they will not make the same mistake this year.

"I'm very pleased with the improved program being offered farmers in 1973.

"British Columbia, Alberta and Manitoba now offer premiums to farmers at 50 per cent of the total cost. They have taken this step in response to legislation that I have tabled in the House of Commons to amend the crop insurance act to reduce the farmer's insurance costs. Ontario, Quebec and Nova Scotia already offer insurance to farmers at 50 per cent of premium cost."

"Now is the time to buy insurance. My advice to farmers is see your crop insurance agent as soon as possible."

50-Cent Increase

OMMB Announces Last Price Hike Inadequate

Ontario dairy farmers who produce milk for table use are to receive an additional 50 cents per hundredweight for their milk, effective April 1st.

In announcing the increase in returns to the Province's 8,350 fluid milk producers, the Chairman of the Ontario Milk Marketing Board, George R. McLaughlin, stated that the Milk Commission's decision late last year to permit an increase of 35 cents per hundredweight, effective January 1, 1973, was inadequate and failed to cover the huge increases in costs which the dairy farmer has had to face over the last 18 months.

"With the combination of circumstances facing milk producers at this time," he said, "the only responsible action for the Board to take is to increase the price. Prices are guided by a sophisticated formula which takes into account factors affecting production costs of milk, as well as various trends within the economy as a whole."

Although the increase of 50 cents per hundredweight amounts to only 1 1/3 cents per quart to the dairy farmer, it is not known at this time what the effect on the consumer price will be. Wholesale and retail prices are established by individual dairies and stores in response to competitive forces.

Mr. McLaughlin pointed out that last summer and fall, dairy farmers had to cope with some of the worst weather conditions in years. Apart from the short supply of feed for cows, which is a world-wide phenomenon, and where prices have risen by 40 to 100 per cent, the quality of available winter feed has reduced the milk yield per cow. To keep the consuming public supplied with milk, farmers have been forced to buy extra, expensive grain supplements to provide the necessary protein for their cows. As a result they have been caught in a vicious circle that drives their costs still higher. The Board cannot visualize any improvement in this situation until well in the 1973-74 crop year.

Labor costs have also increased substantially on dairy farms. The matter of adequate labor availability, both in quantity and quality, is one of the greatest problems facing the dairy industry today. Returns from milk must be adequate to allow producers to compete for labor with better wages, or labor will not be available and milk production will decline.

Other costs, such as machinery and equipment, repairs, building replacement, hydro and taxes, have gone up substantially over a year ago.

"Because of all these circumstances," Mr. McLaughlin explained, "it is imperative that milk producers obtain an improved return for their milk immediately. They need this incentive and encouragement to remain in dairying at a time when other alternatives are at an all time high, and in order to ensure that adequate supplies of milk are produced in Ontario to meet consumer requirements."

The 50-cent increase per hundredweight raises the farm price for raw milk in Southern Ontario from $7.40 to $7.90 per hundredweight and in Northern Ontario from $7.97 to $8.47 per hundredweight.

"Improving Farm Income" Annual Seminar Challenge

What aspects of marketing have most effect on farm income? That is the probing question that delegates to the Provincial Marketing Seminar sponsored by the Rural Learning Association will study.

The Seminar, an annual event, will be held this year April 1st to 3rd, at the Holiday Inn of Cambridge (Hespeler).

The keynote speaker, Dr. Joseph Richter from the University of Alberta will challenge delegates with new ideas for improving farm income.

Also on the program is a Case Study of B.C. Tree Fruits Limited, one of the most dynamic farm product marketing agencies in North America.

Dr. A.E. Hannah, Assistant Deputy Minister, Canada Department of Agriculture, Ottawa, will present a paper entitled, "The Food Systems Approach", which will include reference to the strategy and progress of Project 75.

Delegates from marketing boards, co-operatives, and farm organizations, as well as individual farmers from all across Ontario will be in attendance.

New Farm Association Is Consumer-Oriented

A proposal for a new market association was put to a vote and received unanimous support at the Roadside Marketing Conference, held recently in Cambridge. The Ontario Farm Fresh Association has been set up by the growers to improve their farm and roadside markets, their image, and customer relations.

John Vandenberg, a marketing specialist of the Ontario Ministry of Agriculture and Food helped set up the organization in co-operation with a number of interested producers across Ontario. A provisional board of directors has been appointed to study a proposed constitution and establish member qualifications.

The OFFA is a nonprofit organization, whose aim is to promote the sale of fresh, wholesome Ontario produce. Carrots, apples, peaches, tomatoes, and potatoes are only a few of the many products these markets offer during the summer season.

Each member market will display an easily identifiable OFFA sign. The association will be self-policing; any member markets falling below the standards set by the OFFA will have to improve their sales operation or be removed for the list of recommended markets.

For the growers, the OFFA will help promote their products on a province-wide scale. For the consumer, it will mean even greater satisfaction with Ontario-grown produce.

The Valley Sportsman

by Bob Rosborough

Spring is just around the corner and it looks as though the outdoorsman will have a real good year ahead of him. All reports point to a better than average year for the fisherman while the camper will have more park area to camp in. The hunter has only two animals to hunt. Rabbit until the last of March and then the groundhog through the summer. This is where the hunter makes his mistake.

In the off season, he should widen his sport to include competition. Some will say they are not good enough but C.I.L. has a Sporting Rifle Program that a group of men can have fun with. Some hunters in my area have started a small club and are now beginning the C.I.L. program. Anyone can set up a competition group. All you need is five or six men with 22's and you're on your way to some fun. Also, for the deer hunter, the new bench-rest shooting should be your bag. Get in touch with Ray Thomas, c/o Ray's Gun Shop, Stittsville, Ontario. Ray is a member of the club that is hosting the World Championships this year. A first time event in Canada. Ray has a list of requirements for bench-rest shooting and would be more than happy to send you the info. There are several competitions for people just starting and again, everyone is invited to join in.

Fishing this winter has been real good. I've seen some nice catches of lake trout in the last two weeks and they certainly seem to be more plentiful than last year. As far as that goes, all the trout are biting exceptionally well. This may be the year all fishermen have been waiting for!

I heard a funny story the other day from a friend in the radio business. Now it isn't a funny, funny story, but it is funny as far as the outlook in the big city of Toronto is concerned. It seems a major manufacturer of snowmobile oil thinks winter is over once the snow around Toronto is gone. They cancel their advertising because the snowmobile season is over. Well a quick call to Toronto straightened things out and they now know there is lots of winter left after the snow has left the big city. I guess they better get ad men from the country.

Notes, letters and comments are welcomed by the Valley Sportsman, Box 292, Smiths Falls.

Wolf Damage Can Be Claimed

Any loss of livestock or poultry injured or killed by wolves can now be claimed under the Wolf Damage to Livestock Compensation Act.

Livestock owners who suspect that wolves have been responsible for such loss should contact their District Forester's office. In this area, this office is located at Kemptville and can be reached by telephone number 258-3413.

The maximum payments which may be paid for cattle is $500 per head, goats $100, horses $500, sheep, $100, swine $100 and all poultry $500 no matter how many are killed.

The only note of caution to be exercised is that supporting evidence should not be destroyed or removed from the site. Therefore, any carcasses or injured livestock should be kept until the Ministry of Natural Resources people are advised.

List Bookmobile Visitation Dates

The S D & G United Counties bookmobile will visit the following locations during the week of March 26th:

Tuesday, March 27th: Williamsburg C., 11:30 - 12:00; Inkerman, 1:30 - 3:00; Hallville, 3:15 - 3:30; Mountain, 3:45 - 4:15.

Wednesday, March 28th: Maple Ridge, 1:30 - 2:30; Bouckhill, 3:00 - 3:15; Winchester Springs, 3:30 - 4:00.

Friday, March 30th: Crysler, 11:50 - 1:00; Morewood C., 3:20 - 4:00.

News Notes 4-H Club Members

South Mountain 'Golden Needles' (4-H), members held their fifth meeting at the home of Mrs. Black and highlight of the evening was the decision to attend the Ice Capades.

Members discussed facings and sleeves and worked on their dresses and jackets. They also practices thread loops, and sewing on buttons and snaps.

The group will meet again on March 26th.

Hallville No. 1 4-H Club Meets

The fifth meeting of the Hallville "Happy Hemerettes" was held on March 13th, at the home of Mr. and Mrs. Hugh Blaine. The minutes were read by Sue Percival and a diagram was constructed of stage plans for the fashion show for Achievement Day. The discussion was on a chart of fabrics.

The next meeting will be a joint one and will be held on March 27th, at the home of Mr. and Mrs. Hugh Blaine.

Embrun Clips "Saints" Wings

Embrun 72's, after losing the first three play-off games, two in overtime, to the powerful Prescott 'Saints' stormed back to take command and force a seventh and deciding game.

Facing elimination on their home ice last Wednesday night the determined new league entry fought valiantly to move back into contention with an 8 to 5 win.

Bill Moran, Pierre Patenaude and Robert Labelle each scored twice in the winning cause while Jacques Regnier and Serge Landry notched singles. Peter Lapensee led the Saints with two while singles were scored by Steve Beach, Nipper Beattie and Greg Fisher.

Back To Prescott

The teams battled again on Friday night before a near-sell-out crowd at Prescott and again the 72's, displaying an amazing come-back spirit, remained in the running with a 4 to 2 victory. In this one Jacques Regnier lit the red light twice, Louis Martel and Pierre Patenaude each picked up singles. Prescott marksmen were Greg Fisher and Larry Henderson.

1237 Fans Sunday

1,237 fans filed through the turn-stiles at Embrun on Sunday night and were rewarded with yet another victory by their favourite 72's. Bernard Clement opened the scoring in the first period to give the home team the lead and early in the second frame Bill Moran made it 2 to 0. Prescott came back to close the gap on a marker by John Appleby and with only twenty minutes remaining 72's enjoyed a 2 to 1 lead.

Early in the final period Alain Brisson added another but the advantage was short-lived when Nipper Beattie and Tim Elliott each scored to knot the score at 3-all.

This set the stage for Bill Moran who adroitly shifted around two defencemen and found a small opening to fire home the winner. In the dying minutes of the game Serge Landry potted one into the empty net. Final score Embrun 5; Prescott 3. NOTE: See front page for results of 7th and deciding game.

Helping Crippled Children

Seven Cornwall boys, all students at General Vanier High School, defied last weekend's inclement weather conditions, to raise money for the Crippled Children's fund.

All seven, members of the 'Key Club', (a subsiduary of Kiwanis), left Cornwall at 8:00 a.m. Saturday morning; reached Chesterville late in the evening; spent the night there and then proceeded on to Metcalfe arriving late in the afternoon. They bid farewell to Metcalfe Monday morning and arrived on Parliament Hill in the late afternoon.

Well aware that many area Service Clubs campaign each spring through the Easter Seal project to raise money to help all crippled children, the boys solicited sponsors for their arduous 85-mile walk.

They battled cold driving winds, rain and snow but appeared determined to carry on when interviewed at Metcalfe Sunday night.

Members of Metcalfe and District Lions Club welcomed them to the comfortable remodelled 'Den' where they spent the night and despite aching muscles they visited the community centre where a hockey game was in progress.

"If we all reach the 'Hill' tomorrow", said one boy stretched out comfortably in a sleeping-bag, "we'll have raised over $1,000 for the much-needed fund".

"And", he added, "you can bet you're life we'll make it."

The weary trekkers, shown shortly after arrival at Metcalfe, are: back row, left to right: Buddy O'Brien, Gordie MacDonald, Rejean Viau and Mike Roy. Seated: Richard Kruders, Ronald Gault and Pat Martin.

SD&G Foster Parents Group Gathers In Glengarry County

The S D & G Foster Parents' Group of the Children's Aid Society held their February meeting on Monday 19th at the home of Al and Denyse Lager, Main Street, Martintown. the theme of the meeting was "How Foster Children Feel About Foster Homes and Foster Parents."

An excellent group of foster parents from the Martintown area, Cornwall, Finch, Chesterville and Riverside Heights thoroughly enjoyed the panel discussion lead by Mr. Derry Tenger, teen-age social worker with the C.A.S. Members of panel were foster teen-agers Debbie, Darlene, John Paul and Harvey. Later questions came from members of the audience. The programme proved enlightening to both parents and teen-agers alike. Mr. Lager, host and chairman of the F.P.G., thanked the young people for coming and invited them to come back again, at a later date, to continue the panel theme.

Food fellowship over coffee and doughnuts brought the most worthwhile evening to a close.

Awarded $776,000 Grant

The Vanier Institute of the Family, Ottawa, will receive a federal grant of $776,004.77, it was announced today by Health and Welfare Minister Marc Lalonde. The grant, which matches amounts donated by non-government sources, will be presented to the Institute early in Arpil.

The federal grant results from a 1970 Cabinet decision to match non-government donations to the Institute between January 1, 1969, and December 31, 1972. This continued a matching grant program begun in 1966.

Mr. Lalonde, in advising the Institute's president, Mrs. A. F.W. Plumptre, of the grant, said the non-government contributions reflected not only hard work by the Institute members but also the regard which Canadians have for it.

TAX TIPS

TYPICAL QUESTIONS AND ANSWERS

Q. How will the average taxpayer be affected by recent changes in the tax laws? To be more specific, how has the law changed regarding the types of income which will now be taxed, and will the taxpayer also get the benefit of deductions from income which were not allowed in the past?

A. Perhaps the most significant change in tax legislation provides for the introduction of a tax on capital gains. Other types of income which are taxed as of January 1, 1972, include Unemployment Insurance benefits, Adult Training Allowances, Research grants, Scholarships or fellowships in excess of $500, payment which an employer contributes on an employee's behalf to a public medical care plan and payments from an income maintenance plan to which an employer has contributed.

Q. What about changes in allowable deductions from income?

A. With regard to deductions from income, the personal exemption has been raised to $1,500 from $1,000 for single persons, and to $2,850 from $2,000 for married persons. In addition, all taxpayers age 65 and over will receive a special exemption of $1,000.

Q. Are there any new deductions which will affect certain groups of taxpayers?

A. Many taxpayers will be interested in new legislation which allows a deduction from income for child care expenses, the cost of moving from one job location to another and an employment expense deduction of up to $150 per year. It might also be well to note that changes have been made regarding the limitations contained in the Income Tax Act for charitable donations and for contributions to a Registered Pension Plan or a Registered Retirement Savings Plan. Formerly, a taxpayer could deduct charitable donations from his income to the extent that such donations did not exceed 10 percent of his net income for the year. For 1972 and subsequent years, the 10 percent limitation was increased to 20 percent of net income. With regard to Registered Pension Plans, the maximum deductible contribution was raised from $1,500 to $2,500 and from $2,500 to $4,000 (or 20 percent of earned income) for Registered Retirement Savings Plans.

Q. My wife and I are the same age and this year we qualify for age exemption. On my tax form do I claim $1,000 age exemption for my wife as well as $1,000 for myself?

A. No. The fact that your wife is entitled to claim the $1,000 age exemption if she files her own tax return does not affect the amount you can claim as married exemption.

Q. I have heard a great deal in recent months about tax reform and how I may be affected by it. Is there any one area which will concern everyone?

A. Changes which have been made in the allowable personal exemptions will affect all of us when we file 1972 income tax returns in the early part of 1973.

Q. In what way have the personal exemptions been changed for the taxpayer who is single and has no dependants. What personal exemption will he be allowed?

A. The personal exemption allowed to a single or unmarried taxpayer without dependants has been increased as of January 1, 1972, from $1,000 to $1,500.

Q. Please explain what exemptions are allowed for dependent children in my tax return for the 1972 tax year.

A. The basic rules regarding the amount of the personal exemptions for dependent children remain as they were in the past. In other words, if a child is under 16 years of age at the end of the year, the person who claims the child as a dependant will be allowed an exemption of $300 for that child. On the other hand, if a wholly dependent child was 16 years of age or over at the end of a taxation year, the allowable personal exemption for such a child would be $550.
