South Dundas candidates questioned by taxpayers

Samantha Thompson
Leader staff

DIXON'S CORNERS – Monday evening, 150 residents of South Dundas gathered at Matilda Community Hall for an All Candidates Meeting, hosted by the South Dundas Chamber of Commerce.

The agenda included opening and closing remarks by the candidates with an open quorum for questions from the floor.

Are there any plans to tear down the present Hydro building in Morrisburg?

Councillor Cam Martel, Ward 3 candidate, assured the audience that there were no such plans to tear down that building nor the old high school. He stated, "We are more than aware that it services the community."

What is your solution to the aging and deteriorating water systems in Iroquois and Morrisburg?

The consensus by the candidates was that water and sewer are important issues. All candidates agreed that a study must be done to determine the scope of the project.

Mayor Johnny Whitteker stated, "We are addressing this issue right now. We have sent our letter of intent."

Martel added, "We are on top of the government's list for funding."

Charles Barkley, candidate for Ward 2, responded, "This is only going to get done with the financial support of the Provincial government. We can't do it alone."

Why haven't there been calls for tenders for smaller jobs in South Dundas?

Martel answered that local tradespersons file in advance outlining the jobs they are interested in doing and the costs entailed. "I guarantee we follow the rules for tendering," responded Martel.

Is there any funds to help rural residents pay for their water or sewer?

Whitteker, "There are no grants. South Nation Conservation may fund $1000."

Ward 2 candidate Herman Hanson asked, "What's wrong with starting a rural water and septic systems program? Add a half a cent or a cent to each assessment dollar to start the fund."

Who should pay for water and sewer in Iroquois and Morrisburg?

Whitteker stated, "There have been lively debates at Council about this. Rural should pay for industrial and municipal."

Peter Hollands, Mayoral candidate answered, "We have to work together."

Mayoral candidate Lyle Van Allen said, "We have responsibility in the villages. Rural should pay something but not towards residential service."

What are your opinions on nutrient management and large farm development?

Whitteker stated, "I am not against nutrient management for the whole three United Counties."

Hollands stated, "We must work with the farmers and be sure what the impact is of a piece of legislation."

The candidates agreed that 'factory farms' – farms with large numbers of livestock and small amounts of land – should be restricted.

Barkley stated there should be "some kind of control across South Dundas."

What do you think of rural development?

Van Allen said, "Not everyone wants to live in an urban setting. We must be careful about severances. Right now we are close to being about right."

Councillor Robert Gillard, Ward 1 candidate stated, "Farmers are in business to help people. If you live there, you put up with it."

Bert Geertsma, Ward 1 candidate answered, "Farmers were there first. Without farmers we don't eat. Farmers are a priority."

Councillor Bev Sabourin, Ward 2 candidate, stated, "Farmland and waterways must be protected."

Martel added, "Rural development is a sensitive issue that can be controlled in a planned manner."

Bill Ewing of Ward 4 suggested "encouraging residential development in urban areas."

With a simple yes or no answer, are the Mayoral candidates in favour of equal funding for the water and sewage in Morrisburg and Iroquois?

Hollands - Yes, Whitteker & Van Allen -No

When will there be an official plan for South Dundas?

Martel explained that "the Counties is devising a plan for the counties with pertinent sections for each township."

What authority does the Bylaws Officer have?

"Currently, a violator must be charged and then go through the court process. We are working towards a ticket system," stated Martel.

Why did we do fibre optics and North Dundas didn't?

Martel explained, "You have to know that it's the future. We have both infrastructures in place - roads and fibre optics. We want South Dundas to be a player in the 21st Century."

How do you feel about more amalgamation?

All the candidates agreed to fight further amalgamation between the Counties and the City of Cornwall.

With all this talk about economic development, will our school system support all the students?

English School Board Trustee candidate Maria Thompson stated, "The School Board greatly supports high tech development. There is a history of cooperation between the Board and Council."

When will the ward system stop?

Mayor Whitteker announced, "This should be the last time it is used."

Sabourin questioned, "If we stop the ward system, what happens to Matilda? It won't be on the map."

Taking the First Big Step

Haley Boyle gets a hand from bus driver Roger Dunn and teacher Betty Lou Casselman during a Bus Safety Demonstration at Morrisburg Public School last Thursday. For story and more photos see page 9.

What about cardboard?

Recycling in South Dundas

Samantha Thompson
Leader staff

SOUTH DUNDAS – "Find out what is going on about the cardboard in South Dundas", a concerned resident urged The Leader.

Having recently moved to Morrisburg, the gentleman had a good deal of cardboard of which to dispose. He set the corrugated cardboard (flattened, bundled and tied) at the curb on recycling day and watched the garbage men toss it into the back of the trash compactor.

Thinking that the cardboard was picked up by mistake, the next recycling day, the resident placed the cardboard 10 feet from the regular garbage. Again the cardboard was tossed in the back of the trash compactor. After failing to reach TCD Waste Management for an explanation, the resident asked The Leader to investigate.

Township Clerk, Bill Horner confirmed that "cardboard is recycled. TCD's contract with South Dundas Township prohibits it from dumping recyclable items in the municipal waste site."

"Clean, flattened, tied and unwaxed cardboard is one of the items currently recycled in South Dundas," stated Councillor Cam Martel.

"We get paid for it, so we wouldn't throw it away," began Gordon Toop, owner of TCD Waste Management. "There could be any number of reasons why the cardboard was put in the garbage truck. It could have been wet or soiled. It could have been waxed. It could have been loose. In any of these conditions, cardboard is not recyclable."

When it was brought to Toop's attention that this was not the case with this resident, Toop responded, "There's a portable steel box that attaches to the garbage truck. The cardboard gets thrown in there. Sometimes it's on the truck, sometimes it isn't."

"On some occasions, we use the garbage truck to pick up cardboard. It's easier to compact it as we go rather than bring it all back to the shop and do it then," Toop further explained. "When the garbage truck is used to pick up cardboard, there's a sign on it stating 'cardboard only'."

Toop believes there has been a "misunderstanding" and will look into the matter. Toop added, "95% of the recycling in South Dundas is being done properly. The residents are doing a good job."

TCD Waste Management created a Recycling Guide to assist residents in recognizing what is recyclable in South Dundas. Visit the site at www.township.southdundas.on.ca.

South Stormont All Candidates

INGLESIDE –The South Stormont Chamber of Commerce will host an "All Candidates Night" on November 9, at the Osnabruck Hall, Ingleside at 7:30 p.m.

"This event will give the community an opportunity to meet the municipal candidates and hear their message to the electorate," says Chamber President Deenah Kelly.

Following opening remarks and platform outlines from the candidates, the agenda will include a question and answer session from members of the Chamber Executive. These questions will relate mainly, though not exclusively, to business and the business community.

The local media will then be invited to address the candidates. Questions from the floor, which have not already been covered by the Chamber or the media, will also be accepted.

The evening will conclude with closing remarks from the candidates.

Two worthy candidates for School Board Trustee

DIXON'S CORNERS – Monday evening, the two English Public School Board Trustee candidates attended the All Candidates Meeting, hosted by the South Dundas Chamber of Commerce at Matilda Community Hall.

Incumbent Trustee, Maria Thompson and retired teacher Richard Mitchell spoke to the audience about commitment to our children and our community.

Thompson has been active in school and community for more than two decades. She has been Trustee for the past six years. She was Chair of the Board of the former School Board until amalgamation into the current Upper Canada District School Board.

"Toronto dictates what dollars are spent. The Board has been fighting to hold onto primary students and rural schools. I would like to keep on fighting on your behalf," stated Thompson.

Mitchell decided to run for the Trustee position after receiving numerous letters of support for his stand against the Board on behalf of his students. Mitchell refused the teachers' work-to-rule sanctions stating, "my commitment is to our students and our community."

Very aware that the audience was becoming restless at the end of the four hour meeting, Mitchell simply stated, "My commitment to my students is on record. I offer that same commitment to you."

(left to right) Last Friday, Principal Jack Barkley along with Morrisburg Public School students Catherine Lee and Derrick Johnston surprised Les Cruickshank, owner of Cruickshank Construction with a paper tree signed by the all students and staff at MPS in appreciation for Cruickshank's donation to the MPS Greening Project.

Fibre Optics, Water and Sewer dominate agenda

DIXON'S CORNERS – At the All Candidates Meeting Monday evening the candidates were asked what are the three most important issues in South Dundas. The responses were:

Mayor at Large

Johnny Whitteker
1. Water and sewer
2. Roads and bridges
3. Taxes

Peter Hollands
1. Infrastructure
2. Support of small business
3. Promoting South Dundas

Lyle Van Allen
1. Water and sewer
2. Roads and bridges
3. Amalgamation

Ward 1 - Williamsburg

Robert Gillard
1. Water and sewage
2. Amalgamation
3. Fibre Optics

Bert Geertsma
1. Water and sewage
2. Pollution
3. Economic Development

Ward 2 - Matilda

Charles Barkley
1. Infrastructure
2. Reasonable Tax Base
3. Good Services

Bev Sabourin
1. Water and sewer
2. Bridges and roads
3. Counties Council more accountable for our money

Herman Hansen
1. Infrastructure
2. Infrastructure
3. Infrastructure

Ward 3- Morrisburg

Cam Martel
1. Infrastructure
2. Planning for future growth
3. Working together

Roger Coligan
1. Youth
2. Maintain our Youth
3. Keep our Youth

Ward 4 - Iroquois

Bill Ewing
1. Water and sewer
2. Infrastructure
3. Housing and industry

Opening Comment

Mayor at Large

Johnny Whitteker

"It has been a pleasure to serve you. We have taken hold and positioned ourselves for a challenging future. Let me take you to that future."

Peter Hollands

"Our community is a great place to live because we made it that way. The future is what we make of it. Let's get to work."

Lyle Van Allen

"I will fight future amalgamation, promote one free day at dump and promote half of the council meetings in the evening."

Ward 1 - Williamsburg

Robert Gillard

"It's a pleasure faithfully serving you for 23 years. Cornwall wants us and we don't want them. I will fight tooth and nail against amalgamation."

Bert Geertsma

"I'm not going to give the same political sales pitch. I'm one voice determined to make reliable decisions to my fullest effort."

Ward 2 - Matilda

Charles Barkley

"I have a strong voice to offer the residents of South Dundas. The ward system has polarized us as individuals, let's become one community working together."

Bev Sabourin

"I have a commitment for a safe and better place to raise our families, moving forward so families will want to settle here."

Herman Hansen

"I have a reputation of getting things done in other government offices. Let's get the basics organized - infrastructure."

Ward 3- Morrisburg

Cam Martel

"It has been an honour to represent South Dundas. I would to continue helping South Dundas on the path to being a 21st Century community."

Roger Coligan

"As long as I am around the old high school will stand. I will give Ward 3 better representation."

NOV. 13 VOTE GILLARD, Robert FOR COUNCIL WARD 1 - TOWNSHIP OF SOUTH DUNDAS X

South Stormont Emergency Plan tested

INGLESIDE – Using a highway vehicle crash scenario, police, fire and ambulance emergency personnel coordinated response activities in Exercise Wales, a static exercise, aimed at testing the Township of South Stormont Emergency Plan.

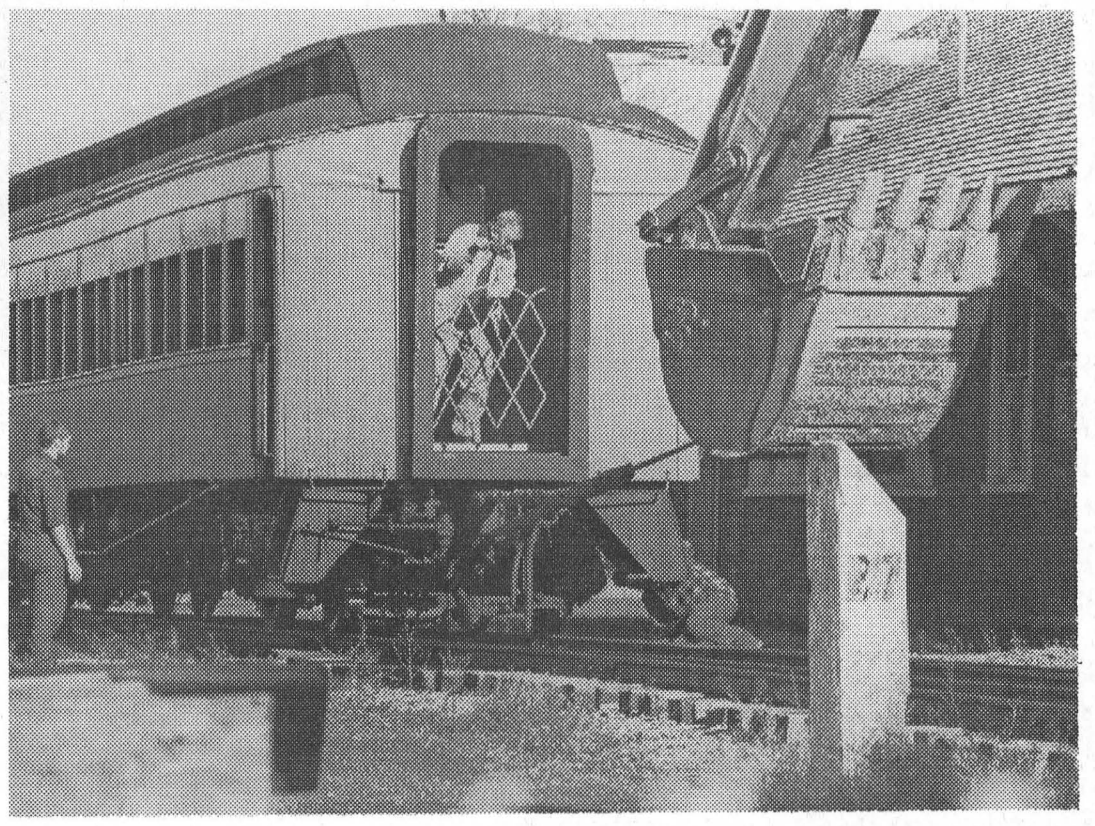
The Long Sault Fire Hall was set up to simulate the Township's Emergency Operations Centre and an emergency site the evening of October 10. Area emergency response personnel together with members of the South Stormont Emergency Planning Committee used a series of possible incidents related to a major vehicle crash on Highway 401 involving a hazardous material spill to test the concept of emergency site management outlined in the township's emergency plan. The exercise scenario placed the crash site about a kilometre east of the Wales Road overpass. Beside the chemical leak, two charter buses and a number of transports and cars were involved in the scenario. Transport Canada's emergency information centre, CANUTEC, was contacted to obtain safety information needed prior to moving into the crash site. The chemical involved prevented responders from getting into victims quickly due to a lack of the required chemical protective clothing.

Councillor Heine Bruining participated in the exercise as Head of Council and appointed Long Sault's Deputy Fire Chief, Jim Eastman as Emergency Site Manager. While Councillor Bruining worked with his administration, police, fire and public works officials at the simulated Emergency Operations Centre to support response activities at the emergency site, Deputy Fire Chief Eastman coordinated activities at the crash site with the assistance of police, fire and ambulance controllers. Eastman's staff also included logistics, communications and public information support personnel. A radio link be-when the two simulated emergency control organizations was used to ensure the rapid passage of information between the two emergency organizations. The exercise was directed by Bill Shearing, township emergency measures planner and evaluated by Paul Brunette, Safety Officer, Kraft Canada Inc. and a member of the South Stormont Emergency Planning Committee.

Shearing said: "an emergency plan is only pieces of paper unless it involves people testing it through regular exercises. It is people, not paper, that achieve the effective, efficient, and adaptable response that is needed in an emergency. The exercise participants have a much better understanding of their responsibilities in a major emergency. The interaction of the players at this exercise will pay-off in a real emergency."

This exercise was financially supported by the Federal Government's Joint Emergency Preparedness Program. This program is administered in Ontario by Emergency Measures Ontario, Ministry of the Solicitor General.

Exercise Wales was one more step in transforming the Township of South Stormont Emergency Plan into a "workable" document aimed at safeguarding the property and health, safety and welfare of its citizens in an emergency situation.



Who moved the train?

Cruickshank Construction did, that's who. Last Friday afternoon, Les Cruickshank personally oversaw his men move the train at Upper Canada Village so that new railway ties could be installed on the track. Once the new ties are in place, the train will return to its former resting spot. Thompson Photo

Catholic Trustees invited to shadow

Trustees for the Catholic Board of Eastern Ontario have been invited to shadow a teacher in their local jurisdiction says Peter Peckham, President of the Eastern Unit of the Ontario English Catholic Teachers' Associations (OECTA).

"We believe that the Board's decision to strip aspects of our working conditions at both the elementary and secondary levels was poorly thought out and we hope that trustees will agree to shadow a teacher for a day to understand more fully the impact of their decisions on the classroom," says Peckham.

Invitations were hand delivered to trustees on October 3. To date, none have responded. "I hope that the trustees do take us up on these invitations in the near future," says Peckham. He went on to add that teachers feel it is important for trustees to come to school to see what their decisions actually look like on a day-to-day basis.

The Eastern Unit of OECTA represents more than 750 elementary and secondary teachers in the counties of Lanark, Leeds, Grenville, Prescott, Russell, Stormont, Dundas and Glengarry.

Ombudsman in Cornwall

CORNWALL – The Ombudsman's representative, Lira Hugh will be visiting Cornwall to help the public with any complaints about the administration of Ontario Government organizations. According to Ombudsman Clare Lewis, "Our job is to serve the public by informing them about our services and investigating their complaints regarding provincial governmental organizations. We strive to ensure that people are served justly, equitably and fairly."

Ombudsman Ontario investigates and resolves complaints about the administrative actions of provincial government organizations such as ministries, board, agencies, commissions and tribunals. The Ombudsman decides cases based on independent investigations and tries to find solutions that are acceptable to everyone involved.

Lira Hugh will be meeting people who wish to discuss their complaints on Monday, October 30 from 10:00 a.m. to 1:00 p.m. at the Eastern Ontario District Health Unit, 1000 Pitt Street.

Services are free, confidential and offered on a first come, first served basis. Services are available in French or English. Other languages can be arranged. For further information, telephone (800) 263-1830; TDD (613) 749-4957.

Wedding Announcement

Cathy and Doug Walsh of Wales Village are pleased to announce the marriage of their daughter, Meredith, to Michael Phifer, son of Barbara and John Phifer of Williamsburg. Their wedding took place on August 19, 2000, in Williamsburg.

Halloween Safety

Halloween is just around the corner, so it's time to consider safety tips for children, their parents and the community. Each year, a list is published, but for the first Halloween of the new millennium, Canadian Red Cross volunteers have come up with a few new suggestions. We too have added *a few ideas.*

• small children should not carve pumpkins. Let them draw a face with markers, and adults can do the cutting. Votive candles are safest for candlelit pumpkins, lit pumpkins should never be left unattended.
• lighted pumpkins should be placed on a sturdy table, away from curtains and other flammable objects *especially ghosts.*
• keep homes safe for visiting goblins – remove anything a child could trip over such as garden hoses, toys, bikes, lawn decorations, and dog leashes.
• check outdoor lights and replace burned out bulbs. *This will also keep vampires away.*
• wet leaves should be swept from sidewalks, steps and *tombstones.*
• keep dogs and other pets away from doors so children will not become frightened.
•offer healthy food alternatives *(like vulture innards?).*
• nonfood treats could include plastic rings, pencils, stickers, erasers coins or *broomsticks and witches brew.*
• don't leave your pet out in the yard – avoid a tragedy. *Make sure all werewolves are indoors.*
• chocolate is poisonous to a lot of animals and tin foil and cellophane wrappers can be hazardous if swallowed. Be careful of pets around a lit pumpkin.

For the trick-or-treaters

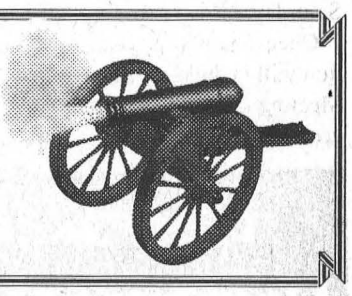
• costumes should be short enough to prevent tripping and well fitting shoes should be worn – high heels are not a good idea.
• walk, slither, and sneak on sidewalks, not in the street. If there is no sidewalk, walk on the left side of the road facing traffic.
• look both ways before crossing the street to check for cars, trucks and low-flying brooms. Follow the traffic rules.
• wear light coloured or reflective type clothing, so you are more visible and place reflective tape on bikes, skateboards and brooms.
• plan your route, and if possible have an adult or responsible teen tag along.
• visit only homes with the lights on. Accept all treats at the door – never go inside a stranger's house. Don't run from house to house. Be courteous, don't cut across yards or driveways.
• be cautious of animals and strangers.
• do not dip into treats until they are examined.

We hope everyone has a Happy Halloween, with lots of treats, oh, an okay, maybe a few tricks. Please remember if you have to drive on Halloween night be extra cautious.

Hall Corporation's "Southcliffe Hall" in the Morrisburg Canal as seen from upstairs window at 81 Lakeshore Dr., Morrisburg, October, 1955. In the background is the south shore of St. Lawrence River at Waddington, N.Y.

The Leader's Blast from the Past

Compiled from The Leader's files by Bonnie McNairn



1990

Ten years ago in Morrisburg's history, the local Rohm and Haas plant was honouring employees at the annual long service dinner. Twenty-five year awards went to Carl MacDougall, Dave McIntosh, Donnie Wells, Gary Black, Wayne Salmon, Gary Duvall and Lloyd Merkley.

Peter Krug, manger of the Bank of Nova Scotia in Morrisburg was pictured using Morrisburg's first InstaBank machine, the Cashstop.

Featured in the Morrisburg Junior B, 'Meet the Lions' column was 17-year-old Johnny Morrow. Morrow was in his fourth year with the team and was the team captain.

Organizers of the MCI-MHS reunion had received 400 replies from interested former students.

Students of St. Mary's Separate School were pictured with Father Tim Shea. The students were giving gifts to needy children through the Children Helping Children Association.

At the St. Lawrence Evangelical Lutheran Parish, Interim Pastor Jim Goos was holding Sunday Service, and at Knox Presbyterian the Interim Moderator was Rev. Bert deBruijn.

1980

Making the news 20 years ago was a billing by the Morrisburg Village Council for recreation usage of the Morrisburg Arena, for youngster residing in other municipalities. The arena was costing local authorities roughly $60,000 per year to run. Bills had been sent to the municipalities of Matilda, Williamsburg and Iroquois and were based on rink usage for minor hockey and figure skating only, not for administrative or other recreational costs. Dr. Gerry Rosenquist, a councillor and member of the Morrisburg Recreation committee, was adamant that a sum of $80 per child be paid by these municipalities to help cover costs.

Glenn Swerdfeger an Iroquois dairy farmer, lost his barn in an early hour fire. The loss, which also included equipment and feed, was estimated to be in excess of $100,000.

The largest slate of candidates in more than 15 years filed nomination papers in Morrisburg for the November 10, municipal election. Reeve Wm. Dillabough was acclaimed for the third consecutive two year stint and Norman Bayne and Harland Veinotte were after the deputy reeve's chair. Seven individuals running for council spots were incumbents Gerry Rosenquist and Al Belanger along with Jan Craig, Eric Currier, Karen Gorrell, Nick Lee and Gord McGregor. In Iroquois, Reeve Rooney had also been acclaimed. He had served on council for eight years, four years as reeve. Seeking reelection to council seats were John McAllister, Peter Swank and Joan Saver. Challenging the incumbents were John Haldane and Harry Norton. In Williamsburg the entire council had been acclaimed. Council included Reeve Johnny Whitteker, Deputy Reeve Rowdy Gillard, Graham Hess, Don Kyle and Gordon McNairn.

The Morrisburg Junior B Lions were bombed in their first two games.

1970

On October 23, The Leader reported the last body had been recovered from the sunken freighter Eastcliffe Hall which sank July 14. The body was found in the ship's galley by salvage divers. Nine persons died when the ship sank off Crysler Shoal, four miles east of Morrisburg.

The Morrisburg Junior B Lions were opening their season November 1.

James Ball, son of Mr. and Mrs. M.A. Ball of Morrisburg was promoted to the rank of Corporal in the R.C.M.P. Ball had been with the force for almost 10 years, and was residing with his wife, Judy, in Winnipeg.

The Rodney Barkley fund had topped $10,000 and Rodney had been accepted for treatment at the Mayo Clinic.

Mr. and Mrs. Harry Tindal announced the marriage of their daughter Sharon, to Mr. Keith Clifford Wereley, to take place on November 28.

The Morrisburg Figure Skating Club had over 100 members. The club professional was Janice Sherwood.

1960

Forty years ago in Morrisburg, civil defence courses were being conducted three nights a week under the auspices of the SD&G Emergency Measure Organization. In the event of atomic attack, many workers would be required and thousands of lives saved by persons trained in the different fields of service.

New appointments among the clergy of Kingston Archdiocese were announced. Rev. W.L. Terrien, parish priest of Morrisburg and Iroquois was named to Holy Cross in Kemptville. Succeeding him in Morrisburg was Rev. W.D. MacDonald who was coming from Bedford and the mission of Sharbot Lake.

The Morrisburg Dunbrik Orphuns junior hockey team was officially organized. Keith Kirkwood was to coach and Fred Hill was the club president.

Seen 'n heard Around The Town

A meeting of the Seaway District High School Parents' Council is set for this Thursday, October 26 at 7 p.m. in the school library. A couple of items on the agenda of particular interest to parents and the community at large, are the status of extracurricular activities and the possibility of repairs to the outdoor track which is in very poor condition. Everyone is welcome.

•••

Last Saturday's Halloween candy collection for the Community Halloween party went well, but there wasn't quite enough candy collected to go around. As a result the Recreation Committee will be holding a second drop-off this Friday, October 27, from noon until 5 p.m. at the Clock Tower in the Centre Mall of the Shopping Plaza. Anyone wishing to donate candy or cash can do so Friday. Also when donating to the party you are given a sign for your home which can be posted and will indicate to trick-or-treaters that in lieu of candy at your door, you gave to the Halloween party.

A reminder to all you monsters and goblins out there, this Saturday, October 28 is the community Halloween Party, and this year it is being held at the Morrisburg Legion. For children 11 and under, the party runs from 4 - 7 p.m., and from 8 p.m. to midnight there is a teen dance. Get those costumes ready and come on out.

•••

The Grand Openings of the renovated Morrisburg Arena and South Dundas Justice Building is set for this Saturday, October 28. Everyone in South Dundas is invited to attend. The Arena opening will be at 10 a.m., and the Justice Building will officially open its doors at noon.

•••

Thursday night, October 26, Volley for Cancer will be presenting the big cheque to the Canadian Cancer Society at 7 p.m. The public is cordially invited to attend. Without the volleyball and horseshoe players, their sponsors and all those who sponsor events, games, and prizes, the Annual Volley for Cancer would not be the overwhelming success that it is. The presentation evening enables the organizers to recognize and thank all of the people involved, so head on down to the Inn.

Letters to the Editor

Dear Editor,

I am sure that the people of Eastern Ontario would be surprised and upset to know that wolf populations remain at low levels or declining here. In other areas of the province, the population of wolves is much healthier and in some parts, the population is actually increasing. The Ministry of Natural Resources, the government department responsible for the Wolf, has not made this decline widely known.

With winter fast approaching and the hunting months upon us, I like to highlight some concerns about the plight of wolves which are unnecessarily, and some would say senselessly, killed either for their fur or simply because they are considered "competitor" animals.

Here in Ontario, there is no closed hunting season for wolves - except for 3 winter months in 3 townships near Algonquin Park. As there are no bag limits on wolves - you may kill as many as you come across. Unfortunately, this also includes pups which hold the key to a healthy population in the future.

Wolf numbers have dropped significantly since Europeans first arrived in Ontario. Currently, there are thought to be less than 8,000 left in province. This is only a rough estimate - there have been no serious wolf inventories done by the Ministry of Natural Resources.

In truth, there is no wolf management plan for the province - even though the wolf, as a high level predator is essential to the health of deer, moose, and beaver populations. This despite the fact that the wolf naturally keeps these prey populations in check.

Unfortunately European tales and stories such as Little Red Riding Hood and many of Aesop's fables have unfairly painted the wolf in a bad light. In fact far from being a threat to people, there has never been a documented case of a healthy wild wolf killing a human in North America. In comparison, more than 20 people are killed and 3 million attacked each year by the domestic dog.

It is time that the Ontario government put serious energy and thought into creating a management plan for wolves in Ontario. The open season and lack of a bag limit must be eliminated.

Shall Eastern Ontario too lose the noble wolf as many European countries have? Our neighbour to the south, so recently without the wolf, lists the wolf as an endangered species and even has begun successful reintroduction programs in the western states. Why does our own government take such an opposite view to the status of the wolf? Surely the time for the government of Ontario to act to preserve the wolf is now!

Sincerely,
Richard Brooks, M.F.C.

Playhouse prepares for annual gift auction

MORRISBURG – While it may be a little early to start getting out Christmas decorations, the Auction Committee of Upper Canada Playhouse is already hard at work preparing for the seventh Annual Christmas Gift Auction to be held Saturday, November 18.

Once again this year, the auction will be held at the Morrisburg Meeting Centre to accommodate a greater number of bidders. Ticket price is $15, and includes an evening which will begin at 6:30 p.m. with hors d'oeuvres and viewing of the live auction packages.

Flora Dumouchel will begin the live auction at 8 p.m. A silent auction, contest and draws, live entertainment as well as a hot and cold buffet are all part of this year's exciting festivities.

Christmas shoppers are invited to browse the wide variety of items to be auctioned. Choose from handmade Christmas decorations, weekend getaway packages, home decorating items, theatre or golfing packages, antiques, crafts as well as a 16 foot canoe or dog sled ride for four.

Everything will be sold. Kick off your Christmas shopping at the UCP fund raiser of the year.

Police File

HALLOWEEN

• As Halloween night rapidly approaches residents are reminded to attend to the cleanups around their homes and business early in the week. Removing items such as bagged leaves and yard ornaments, as well as securing tools, bicycles and other personal property will help in reducing loss due to vandalism over the next week. Mischief, as defined in the criminal code, not only applies to damaging or destroying property, but also interfering with the lawful use and enjoyment of property. While some people feel that Halloween is an evening for pranks many of these pranks do qualify as mischief and can result in the responsible persons being charged with a criminal offence, which can lead to a court appearance, and if convicted to a criminal record.

Drivers are also reminded of the particular dangers they may face and should exercise extra caution while on the highway. Traveling at slower speeds to take full advantage of your headlights, being aware of the number of additional pedestrians in the area and being prepared for the unexpected, will help reduce the potential for problems.

For the young trick or treaters, traffic safety is of the utmost importance. Pedestrians should try to wear costumes or clothing that will make it easier for drivers to see them, should walk facing traffic, and limit the number of times they need to cross the road. It is also a good idea for young children to be accompanied by an adult or older sibling to ensure a safe and happy Halloween for all.

BREAK AND ENTER

• On October 19, police attended the scene of a break and enter, which had occurred in South Dundas Township. Overnight a forced entry had been made into the Rise N Shine Restaurant in the village of Iroquois, which resulted in the theft of cigarettes and food items.

THEFT

• On October 16, police received a report of a theft, which had occurred in South Dundas. Overnight a forced entry had been made into a parked Chevrolet pick up truck at the Operating Engineers Training Institute, and a set of golf clubs and personal items were taken. Approximately $750 damage was done to the vehicle as a result of a scratch down the passenger side of the truck.

ARREST AND CHARGES

• Following an investigation by member of the O.P.P. into an incident of damage at the Morrisburg Public School, which had occurred between October 13-14, and resulted in damage to eight double panes of glass, estimated at $1,500, two youths have been charged. A 16 year old, Morrisburg male and a 14 year old Morrisburg male, both of whom cannot be named under the provisions of the Young Offenders Act, have been charged with Mischief under $5,000 and are scheduled to appear in Young Offenders Court in the village of Morrisburg on November 14. The investigation into this matter is continuing.

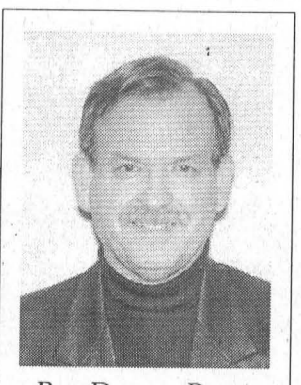
CRIME STOPPERS

• This week crime stoppers is asking for your help in solving a break and enter and theft at a Dundas Street Restaurant in Iroquois on October 19. The suspect stole 10 cartons of cigarettes, a variety of food from the refrigerators and beef sticks from the counter top. The suspect is described as a white male 5' 4-5" tall, slim build, age 14-16, short blonde hair, high hairline, was wearing jeans, work boots, denim coat. The suspect is a smoker.

Remember: If you have any information relating to this or any other criminal offense, call crime stoppers. If your information leads to an arrest you may be eligible for a cash reward of up to $1,000. We do not have call display, we do not record conversations, you are always anonymous. Call Crime Stoppers at 937-8477 or for long Distance 1-800-265-8477.

"Canada's Hope is Christ"

From A Biblical Perspective



Rev. Duncan Perry

I remember being at a public service some year ago and a certain individual was called on to say a few words. That person, apparently, not being very comfortable at public speaking, began by saying, "that which I have feared the most has come upon me." I'm reminded of that today because it seems that' what happened to us Canadians again. Prime Minister Jean Chretien, after just three and one half years into hi mandate, has called an election. Some would say that Mr. Chretien is being more than a little arrogant in calling this election at this time. The polls tell us that the Liberals would be elected to a majority government again. I don't know if that is true of Mr. Chretien or not. I expect he recognize Stockwell Day as a formidable opponent and rather than give him another year to become more so, Mr. Chretien is taking advantage of this time-frame to assure himself of this last opportunity to be Prime Minister. The truth is folks, I am not a political expert by any stretch of the imagination so we may never know what the real reason is, we can only assume.

I thank God that we live in a country where we can elect a government by the democratic process. I am reminded of a n election in recent weeks that certainly was not what we expect our election to be. We all remember the mess that took place in Yugoslavia, and while I am sure Mr. Chretien really wants to serve a third term as Prime Minister of Canada, I am also sure he would bow to the wishes of the people and gracefully leave the office, if indeed that were the outcome of the election.

Well, how do bring a Biblical Perspective to all of this? Certainly, as I have said before in this column, Canadians need to realize that whoever sits in the Prime Minister's office will only be human, and we should not expect them to be otherwise. Making this, or any other nation great, takes more than a majority government. We all have a responsibility to do our part. I would like to remind all who read this, that Canada was built on the principles we find in God's Word and whether we vote liberal, or any other party, unless we return to these principles we are headed for some terrible times.

The Bible has been thrown out of our schools and in its place are books that promote witchcraft and Satanism. Our children are repeatedly exposed to the supernatural, much of it devilish, right in our own living rooms, so we are raising up a generation that in many cases are devoid of any Biblical foundations. The prophet Hosea, speaking to the nation of Israel many years ago about their moral collapse said this to them, " you have sown the wind and you shall reap the whirlwind." I'm afraid that is where our country is headed.

By all means, vote in the upcoming election. We need government. As a matter of fact, it is God who instituted government, but make no mistake about it, they will not solve the problems this nation is facing. God is the only one who can do that. What we need in government, is people who will not be so arrogant as to think they don't need Him, that they can do it on their own. God is the only one who can save this generation of children who are growing up today, who are being so inundated with false teaching. My prayer is, "God help us find our ay back to what You want us to be". Remember GOD LOVES YOU!

MPS Greening Project underway this year

MORRISBURG – The schoolyard at Morrisburg Public School (MPS) looked a little greener October 14 thanks to the Greening Committee, Cruickshank Construction and Rhonda Schneckenberger.

A large caliper sugar maple was planted as the focal point of what will be the "meeting area" of the playground. Shrubs were planted in a semi-circle around the tree. Pine logs will be slip in two to create the benches. Schneckenberger transported the one tonne tree all the way from a nursery near St. Isadore.

This past Friday, in a show of appreciation and thanks, Principal Jack Barkley, Teacher Assistant Helen Goupie and students, Catherine Lee and Derrick Johnston surprised Les Cruickshank with a paper tree signed by all the students and teachers. Cruickshank Construction generously donated time, equipment and topsoil to plant the maple.

"This is an example of what can be done when community and school work together," stated Principal Barkley.

Two spruce trees and a burning bush shrub were donated by Roger and Deanna Bouchard to help along the Greening Project. The existing gardens in front of the school and the Kindergarten are being expanded and mulched.

"There will be a push in the spring. We would like to plant trees between the Hartford and the school, in conjunction with the Hartford," stated Barkley.

Over one hundred trees such as spruce, cedar, dogwood and sumac will be planted in the spring. There will be a creation of a wildflower area to attract butterflies and other insects to the schoolyard for study and enjoyment. Some sort of "story circle" or outdoor classroom will be incorporated into the spring project.

Morrisburg Public is creating a "Needs List" of such items as spruce and cedar trees (approximately 3-4 feet high), appropriate shrubs, mulch, topsoil and volunteer time. To help or donate, please contact MPS at 543-3166.

Steady as it goes.
Principal Jack Barkley, back, has help placing the "meeting tree" in place at Morrisburg Public School on October 14.

A backhoe makes work a little easier
A backhoe from Cruickshank Construction makes carrying this one tonne sugar maple much easier. The tree was planted on October 14 as part of the Morrisburg Public School Greening Project.

Parmalat donates another $50,000 to South Nation

WINCHESTER – Parmalat of Winchester has provided South Nation Conservation (SNC) with another $50,000 to help fund its Clean Water Program (CWP).

The cheque was presented in September to CWP committee chair Albert McKeown by Parmalat's Jackie Pemberton. It's the final payment by Ontario's largest butter and cheese maker in a total contribution of $150,000 over three years.

"The Parmalat money has been a major benefit to the program," McKeown said. "It's the most generous participation we've ever enjoyed from the private sector."

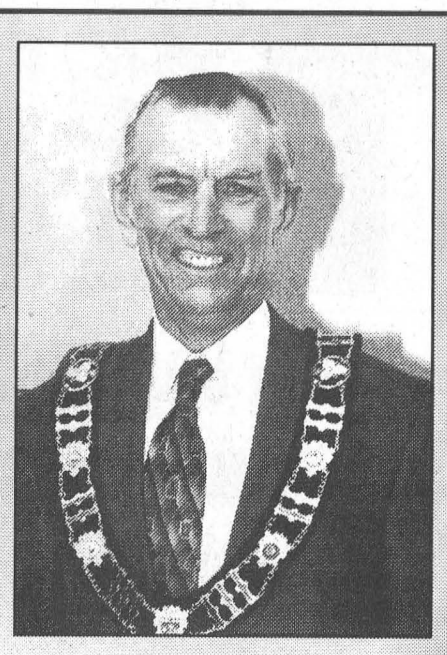
Parmalat decided to take part in the CWP as a way of assisting SNC in controlling inputs of phosphorous and other contaminant's into the river, mostly from non specific sources. As an operator of a wastewater treatment facility which empties clean water into the South Nation River, Parmalat feels that future growth in the watershed is dependent on industry being proactive in improving water quality.

SNC and Parmalat are now exploring future sponsorship, said Water Quality Technician Ronda Boutz: "We would certainly like to see Parmalat accept a continuing role in the program."

The CWP is overseen by the Clean Water Committee which includes several farmers. The committee decides what to fund from a limited annual budget which this year covered 11 projects in partnership with property owners.

The projects can include installation or improvements to septic systems, manure storage systems, streambank fencing, erosion controls, milkhouse wastewater and barnyard runoff systems.

EXPERIENCE
On November 13
RE-ELECT



Johnny Whitteker
Mayor of South Dundas

As Mayor I would:
- Improve our sewer system at Morrisburg and Iroquois
- Correct the water filter system at Morrisburg and Iroquois
- Make further improvement to the roads in Matilda
- Make additional extension to the bicycle path
- Encourage conservation of our heritage throughout the township
- Institute a program of fibre optic communication by January 1st, 2001 (the first in Eastern Ontario) to make business more competitive

Legion backbone

Br. 48 Ladies Auxiliary celebrates 50 years

Bonnie McNairn
Leader staff

MORRISBURG – Lauded as the backbone of Morrisburg Branch 48 of the Royal Canadian Legion, the Morrisburg Ladies Auxiliary was honored for 50 years of service at a gala banquet here Saturday night.

It was on August 10, 1950, that a group of Morrisburg ladies, which included veterans' wives, obtained a Charter to form the Branch 48 Morrisburg Ladies Auxiliary.

The fledgling group began with a membership of 25 which over the years grew to about 44 members, and remains constant yet today.

Escorted by her husband Carson to the front of the very large gathering Saturday night, was Margherita Baker who is one of the 25 Charter Members who has been on the Auxiliary for the full 50 years.

Other Charter members recognized were Elva Baker, Donelda Banford and Jenny Serviss.

Comrade Baker was presented her 50 year pin by Judy Stinson from the Provincial Command.

Life memberships were presented to Jean Vaughan for 28 years of service and to Donna Dowson for 24 years.

Other pins went to Shirley Rice and Myra Eamon for 45 years service, to Goldie Daoust, Lydia Harper and Dorothy McBain for 40 years, and to Vera Rutherford, Ruth Rice and Inez Bilmer for 35 years.

Elva Baker, Agnes Smith, Vivian Thoms, Frances Brunet, Jean Vaughan, Sarah Merkley and Beatrice Riddell received 25 year pins.

Other pins were presented for five, 10, 15 and 20 years.

After the auxiliary formed, the group immediately became involved with community activities, volunteer work and the support to Legion activities and events. Over the 50 years, thousands of dollars have been raised and generously put back into the Legion and the community.

They first began meeting at Bradfield's Store located on Main Street in old Morrisburg, later moving to the Old Legion Hall and finally to the current facility.

The Auxiliary now boasts one of the finest kitchens around catering to weddings, anniversaries, luncheons and special occasion parties of all descriptions. This, along with weekly bingos and other special events, is the main means of raising funds.

Master of ceremonies for the evening was Comrade Mike McInnis, and Piper Gord McGregor piped in members of the head table and auxiliary members.

A toast to Her Majesty was made by Comrade Audrey Henophy, a toast to the Branch by Comrade Pat Barkley, a toast to Fallen Comrades by Comrade Margherita Baker, and Grace was said by Reverend Jean Udall.

Following dinner, congratulations were extended by Stormont, Dundas, Charlottenburgh MP Bob Kilger, South Dundas Councillor Cam Martel representing South Dundas Township and Ladies Auxiliary Zone G3 Commander Rose Lavallie.

"I am deeply honoured to have been invited to be here tonight to share with you in your celebrations," said guest speaker, Judy Stinson, representing the provincial command.

Only one Charter Member, Margherita Baker, of the Morrisburg Branch 48 Legion Auxiliary has belonged to the organization for the entire 50 years of its history. Friday night at 50th anniversary celebrations, Comrade Baker was specially honoured for her accomplishment. In the above photo, from l-r, are Zone G3 Commander Rose Lavallie, Judy Stinson representing the Provincial Command, Mrs. Baker's husband, Veteran Carson Baker, Comrade Baker, and Morrisburg Auxiliary President Rita Fowler.

"To help a Veteran is the first and foremost obligation of our Auxiliary," she said. "That is followed by service to our youth, and to our communities."

Stinson noted that in the last year, the 10 Auxiliaries in Zone 3-G which include 268 members, raised a total of $128,320. Of this figure, varying amounts were donated to charitable foundations, the Ontario Provincial Bursary, Veteran's welfare, and to the communities and Branches in the zone G-3 area.

"These figures are proof we are doing what we are supposed to do," she said.

She also encouraged the Auxiliary to seek out new membership. "There are still those who have interest," she said. "Membership is the heart of the Legion and the future of the Auxiliary."

"May you continued to thrive and grow in all you do," she concluded.

Branch 48 president, Don Ferguson who was attending the district convention, had his congratulations delivered by past president Willy van Leeuwen.

"There are over 100,000 ladies in Auxiliaries across Canada, and we are most fortunate to have the best here in our branch," wrote Ferguson.

Although unable to remain for the dinner, Ontario MPP John Cleary stopped in to deliver a congratulatory certificate from the Province of Ontario. This was added to a letter of congratulations from Prime Minister Jean Chretian which was delivered by Kilger and a plaque from South Dundas delivered by Martel.

Martel, who is a past president of the Morrisburg Legion indicated his pleasure at attending the festivities.

"You are certainly the backbone of the Legion," he said. "We could can not and could not do it without you."

All members of the ladies auxiliary were asked to stand and be recognized.

Among these were current president Rita Fowler, First Vice Patricia Barkley, Second Vice Vera Rutherford, and Third Vice Doreen Pycraft.

Lillian Thatcher holds the position of secretary, and Audrey Henophy is treasurer. Dorothy McBain is the Sergeant at Arms and Jean Vaughan the Sports Officer.

The Executive Committee includes Sarah Merkley, Doris Ward, Thelma Bradford, Margherita Baker and Bonnie Parker.

Honoured for Service

Members of the Morrisburg Legion Branch 48 Ladies Auxiliary celebrated 50 years in a gala banquet at the Legion Saturday night. Above l - r, are Comrades Donna Dowson and Jean Vaughan who were presented Life Memberships. Below, cutting the 50th Anniversary cake, from l - r are Judy Stinson representing Provincial Command, Zone G3 Commander Rose Lavallie and Morrisburg Auxiliary President Rita Fowler. A big crowd was on hand to wish the Auxiliary members every success in the next 50 years. McNairn Photo

Pornography Hurts!

The Catholic Women's League of Morrisburg & Iroquois will be promoting the Annual "WRAP" Campaign (White Ribbon Against Pornography), during the week of October 22-29, 2000, by the wearing of "White Ribbons or displaying of White Bows" to express concern about the Proliferation of PORNOGRAPHY and its negative impact on Men, Women and Children and the Communities we live and work in.

Wearing the Ribbon is not a solution but rather a vehicle to draw attention to this issue. Obscenity Laws are grounded in community standards so this will be our way of expressing our standards through this year's "WRAP" Campaign.

Riding the big yellow bus safely

Bonnie McNairn
Leader staff

MORRISBURG – Riding the familiar yellow school bus, is in most cases a pleasant memory for those good old school days, and to keep it that way, officials make sure that every fall students are instructed in proper safety procedures.

Thursday safety drills, coordinated by Diane Crete, who is the Safety Supervisor for the Dundas and Whitteker Bus Lines were carried out at Morrisburg Public School.

The students were led through the steps to safe exits at the front door of the bus, how to open the side safety windows for evacuation and rear end exits.

"The hardest thing is for them to jump out the back door, especially the little ones," says Crete. "It is very high."

As well as the safe exits, "I'll go over where the fire extinguishers are located, and how to use the radio should the driver be injured," she added.

Crete also sees to the training of the bus drivers, and does safety presentations with them.

"I have 25 years experience, having been on buses since 1974," she explained. "I started out as a driver."

Crete has worked in three different provinces, and at one time had 1,700 drivers under her.

Crete explained to the youngster, that should there be an accidents involving fire, they have less than two minutes to get out.

She showed them the first aid kit, and told them the importance of taking it with them when they evacuate.

They were told of the axe located on the bus, and how it can be used to break out the front windows.

"If you break the windows with the axe, it will break in a mesh pattern," she said.

The children were led through three emergency evacuations, the front exit, the rear exit, and a split exit. They were also shown how far away from the bus they should go in order to be safe.

She stressed to them that in an exit, "those of you closest to danger are the ones who have to get out first."

The bus safety drills are being done at schools throughout the area.

Riding Safe
Betty Lou Casselman's Grade 2 students pay close attention during a Bus Safety demonstration at Morrisburg Public School last Thursday. The students are, front l - r Haley Boyle, Kaitlyn Thompson and Taylor Boyle, and, back l - r, Mikayla McMillan, Conrad Wallace and Brandon Robertson.

Darters set sights on Zone Shoots

Bonnie McNairn
Leader staff

MORRISBURG - Local dart players are setting their sights on the third annual Darts Ontario tournament, with the first of four Zone Shoots just a few weeks off on Sunday, November 26 at the Morrisburg Legion.

Although the Shoots are played at the Morrisburg Legion, organizer Bobby Jack Hart stresses the event is open to all dart players in this district which includes Cornwall on the east, parts of Brockville on the west, and up to, but not including Ottawa.

Darts Ontario has been in existence for 20 years, and is run by an executive elected by its members every two years.

The Zone shoots are held every year as a way for players to become members of the provincial team.

Hart, who is responsible for getting the qualifier in this area, has set dates of November 26, January 14, February 11 and March 11 for the local shoots.

Qualifiers at the local level advance to the Provincial championship held in London, Ontario on Easter weekend 2001.

The cost to participate in the shoots is a $20 initial fee, payable prior to round one, which pays for a one year membership to Darts Ontario and opens the doors to participation in other Darts Ontario tournaments. Members also receive Darts Ontario newsletters and bulletins.

After the opening $20 fee, participants pay $8 for each of the remaining three shoots. The $8 fees are used to assist the qualifiers with their transportation and hotel accommodations in London.

"All four of the shoots count," says Hart, explaining, "it works on a point system. There are bonus points for attendance, which are very important."

A player participating in three shoots gets three bonus points, but a player who makes all of the shoots gets 6 points. The top 16 players receive points according to where they finish in each Shoot.

There are three events in the Shoots, a mixed doubles, and mens and ladies singles. Each Shoot will begin with mixed doubles at 10 a.m. (Registration is from 9:15 to 9:50), followed by the singles competitions at 1:30 p.m. (registration from noon to 1:15).

"They can play in both the doubles and singles," says Hart. "In fact most do. Not only does it provide double the opportunity to advance to the provincial, but the mixed doubles, provides valuable warmup time for the singles play."

Hart says there is no maximum number restriction, but he must have at least five people to run.

"In fact the more people who enter, the more people who get to advance because it is decided on percentage," he said. "If I have eight players, three advance, but if I have 16, six advance."

Last year, Hart had 14 men, eight women and 10 mixed teams.

As for the provincial he says, "once you go once, you want to go again. It's a real experience."

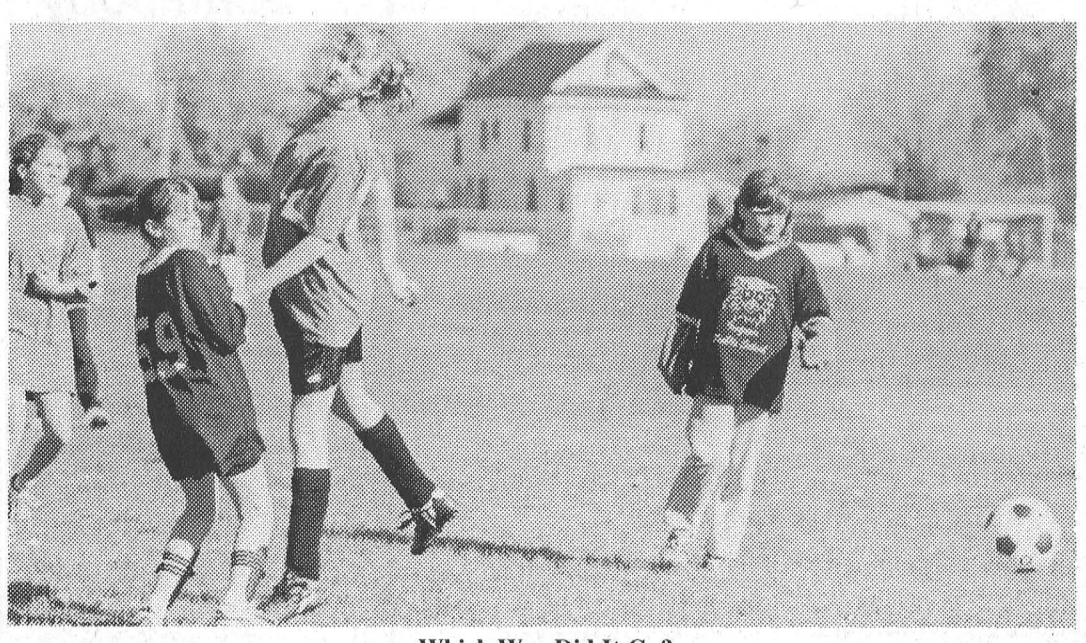
Hart has placed in the top 16 at the provincial level twice, and Phillip Jamieson placed in the top 32, two years ago.

"You are not out of your element once you get there," he adds. "I haven't seen any of our people who have gone who looked out of place."

This year, Hart has been ceded into the provincial so he does not have to qualify locally. Wayne Hunter and Angie Reid, who placed first in this zone last year, are also ceded.

Once at the provincial, the top eight players in each section make Team Ontario, earning the right to advance to the Canadian Dart Championships.

"We've just got to get the people out to the local Shoot," says Hart. "The more the merrier."



Which Way Did It Go?
Kemptville won the elementary school senior girls soccer championship in a tournament hosted by Iroquois Public School last Friday. The above action is captured during a game between Iroquois and Nationview. In other soccer action, Winchester Public claimed the junior girls championship by defeating Morrisburg, and Iroquois Public won at the junior boys level defeating Winchester. The championship games were played at Winchester last Tuesday. McNairn Photo

Sports Hall of Fame

Bonnie McNairn
Leader staff

MORRISBURG - A group of individuals is looking into the possibility of having a Sports Hall of Fame for all of South Dundas, and one that would include inductees from any and all sport venues.

Members of the group, who do not wish to be named at this time, having been tossing the idea around for quite some time.

"We are looking for people's names who local residents feel should be in a hall of fame," says a spokesperson for the group. "We are looking at an annual dinner each June, and are considering at this time two nominee categories, builder and player."

"Right now we are looking for names and a bit of story information for that name. Nominations or thoughts on the idea of a South Dundas Sports Hall of Fame can be sent to P.O. Box 3062 in Morrisburg."

"We feel it is time to start recognizing people in South Dundas for their achievements."

The exact criteria and number of annual inductees will be discussed, worked out and finalized over the next few months.

Jr. B Lions go from kittens to proud cats

Bonnie McNairn
Leader staff

MORRISBURG – Overnight the Morrisburg Junior B Lions went from kittens to the proud cats they are named for.

Friday night on home ice, the Lions surrendered to the Char-Lan Rebels 6 - 1, but on Saturday night the fur was up, and they collected a 7 - 3 win from the Akwesasne Wolves.

Morrisburg fans did not see a lot of action from the Lions Friday night, as they managed only one goal in the last minute of the second period from the stick of Peter Varnett, assisted by Nick Dasneves.

The Rebels, on the other hand, kept Lions' goalie Marc Lapointe extremely busy as they went to work to collect six goals.

They started it off early in the first period on an Andrew Banville tally, and carried a 2 - 0 advantage into the second thanks to a Troy Sinfield counter.

Steve Jarvo struck in the second, unassisted, and Stephane St. Denis, Nick Dube and David Corry all counted in the third for the 6 - 1 win.

The Rebels sat out 12 minor penalties and a double minor, while the Lions were assessed 11 minors.

Saturday night it was the Lions and James Morrell and Charlie Froment all the way, as they went to work on the Akwesasne Wolves for a 7 - 3 win.

Morrisburg Minor Hockey graduate James Morrell who is a rookie with the Lions this year, struck for a three goal performance and backed his effort with a pair of assists.

His strong showing was matched by a five point performance Charles Froment who counted twice and supplied his help on three other occasions.

Froment returned to his scoring form for the game, that last year made him the St. Lawrence Division's top scorer.

The Lions had little trouble with the Wolves, going right to work for a 4 - 0 first period lead. Goals were traded in the second, giving the Lions a 4 - 1 lead as they headed into the final frame.

Paul Dedekker opened the Lions' scoring early in the first period, followed by two counters from Morrell. Froment finished it off with 54 seconds to go in the first.

Paul Gauthier provided the lone Lions' tally in the second, and in the third it was Morrell and Froment counting in that order.

Scoring for the Wolves were Phil Boots, Alexis Ouellette and Noah McDonald.

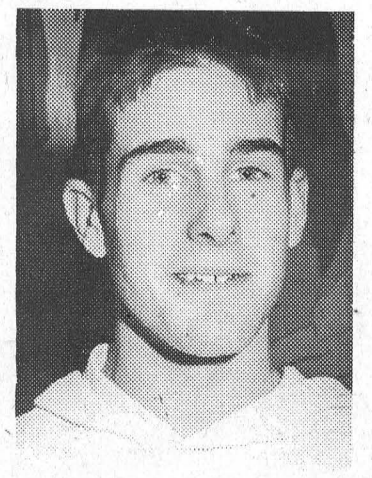
The two teams were out to play hockey, the Lions collecting only four minor penalties and the Wolves six.

The weekend results put the Lions in third place ahead of the Winchester Hawks, and just three wins back of the Kemptville 73's and four back of first place Alexandria.

Coming up this weekend, the Lions host Ottawa West at 8:30 p.m. on Friday night, and Sunday they are on the road to Kemptville for a 7:45 p.m. match.

The Lions Den

Iroquois native, Greg Millard returns to the Junior B Lions club for his third season. A graduate of Seaway District High School, Greg is attending Algonguin College this year where he is enrolled in a two year Heating, Air Conditioning and Refrigeration Course. Over the summer, he was employed at Arthur Thom Electric Limited in Williamsburg where he was also a coop student for a couple of years.



Greg, a left winger for the Lions, is a graduate of the Morrisburg and District Minor Hockey Association. Now 19 years old, he remained in the local minor system, through one full year of midget hockey. He first made the Lions' squad in the 1998-99 season. This year, Greg is wearing the Lions' number 15 sweater.

Besides hockey, Greg likes to golf and play ball.

Novice B Lions post two wins

ALEXANDRIA – The Morrisburg Novice B Lions capped off their week here Sunday afternoon with a 6 - 2 win over their hosts, for a two win - one loss week of action.

The Novice B Lions opened last Tuesday night with a 5 - 2 win over North Glengarry-Stormont (NGS) in Maxville, and Saturday they hosted the Brockville Warriors who claimed a close 3 - 2 win in exhibition play.

Sunday in Alexandria, hard-shooting Scott Summers recorded a hat trick, Michel Thurler counted twice, and Joel Veltkamp added a single. Nick Thomas and Josh Veltkamp had two assists each.

Saturday's game, on home ice against the Brockville Warriors, featured a spirited effort by all of the Morrisburg boys, as they overcame a two goal deficit in the third period only to lose the exhibition match right at the end, by a 3 - 2 score.

Captain Jay Keller counted the first Lions' goal, assisted by Drew Hutt and David Toonders.

Toonders came through for the second marker on a nice play, in which he went around the Warriors' defence and beat the Brockville goalie on the short side. Helpers on this goal went to Nick McCaslin and Keller.

The Brockville team represented the Lions' toughest competition yet, and they look forward to playing them again.

Last Tuesday night in Maxville, Toonders, Daniel Steven, Thomas Keller and Michel Thurler had one goal each for the Lions.

Assists were earned by McCaslin, Thurler, Stevens, Summers and Hutt.

The highlight of the game was a spectacular save made by Lions' goalie Luc Stewart. The players, coaches, officials, and the crowd all thought the puck was in the net, but Luc quickly produced the evidence from his glove and left everyone shaking their heads.

Appearing in the team lineup was Thomas Corden who was filling in for injured defenceman Drew Morrow. Corden brings an exciting physical brand of hockey to the arena every time he laces up, and the Lions were appreciative of his gritty play.

Novice C's
Two big wins

MORRISBURG –The Morrisburg Novice C Lions were wishing they had saved at least one of their goals from earlier in the week, when they hosted Athens on Sunday.

When the final buzzer sounded neither of the teams had been able to light the scoreboard, a credit to Lions' goaltender Tyler Gallinger and Athens' Garrett McCallum.

Earlier in the week, the Lions had no trouble finding the net. Saturday in Long Sault they downed South Stormont 8 - 2, and Friday in Winchester they presented the North Dundas Demons a 7 - 3 loss.

South Stormont kept Saturday's game close holding it to a 1 - 1 first period tie, but the Lions turned it on in the second and never looked back.

Connor Hodgson and Curtis VanAllen had two goals each for the Lions, and singles came from Tyler Stewart, Matt Hanson, Lance Hodgson and Tommy Keyes.

Brandon Brisbois and Devin Coughlin answered for South Stormont.

First period action in Winchester saw the Lions out front 2 - 1, and they pulled away in the second with three unanswered tallies, as they headed for the 7 - 3 win.

Lance Hodgson and Joe Streit had two goals each, and Curtis VanAllen, Tommy Keyes and Connor Hodgson had singles.

Elliott hits twice in Bantam B win

MORRISBURG – Led by a third period two goal performance from Justin Elliott, the Morrisburg Bantam B Lions ousted Potsdam 2 - 1 at the Pine Street arena last Tuesday night.

The Lions trailed Potsdam 1 - 0 after the first period on a Casey Gorrish goal. That ended the scoring until three minutes into the third when Elliott struck for goal number one, unassisted, to tie it 1 - 1.

At 13:30 he found the spot again, with help from Travis Baldwin and Robert Thurler, to give the Lions the 2 - 1 win.

Lions' goaltender Matt Dillabough faced 13 shots from Potsdam, while the Lions produced 25 shots against their opponents.

Saturday, October 14, the Lions were at home to South Grenville, who put together a 5 - 2 win.

Mark Wyatt and Ryan Davy struck twice for South Grenville and Dane Hutt added a single.

Jamie Hess and Frankie Buwalda scored for the Lions.

Three tough ones for Peewee House

MORRISBURG – The Peewee House Lions started the season off, playing three tough games within the last week, to come up with a pair of wins and one loss.

Game one was a 4-3 home ice win against South Grenville Rangers II.

The Rangers opened the scoring halfway through the first period, but the Lions answered back with a goal from Jeremy Stewart, assisted by Kevin McIntosh.

In the second frame McIntosh, assisted by Andrew Cassell, put the Lions up by one.

The Rangers again evened it, but the Lions regained the advantage on a Adrian Bongers' counter scored when he rushed in from the point. By the end of the second South Grenville again found the spot, sending the game into the final frame tied at 3 - 3.

Jeremy Stewart, with his second goal of the night assisted by Andrew Adlington and Aaron Bogle, counted the winner.

The Lions were assessed four minor penalties and South Grenville sat out two.

In game two, Morrisburg was on the road to North Dundas where they claimed another 4 - 3 win.

After first period action the game was tied 1 - 1, and after two frames the Lions were up 4 - 1.

But in the third, the Lions ran low on energy allowing the Demons to launch a comeback. The Lions were able to hold on until the horn sounded for the 4 - 3 win.

Thomas Toonders led the Lions' attack with two goals, and singles came from Kevin Phifer and Aaron Bogle. Andrew Adlington and Scott Speer picked up the assists.

Game three in Finch against North Glengarry-Stormont (NGS), turned out to be the only blemish of the week, the Lions losing 3 - 2.

The Braves were very intimidating at the start due to their size and speed, and it showed as the Lions sat back and gave up a 2 - 0 Braves' lead.

As the game progressed, the Lions started skating, and were able to get some offense going.

Penalties hurt the Lions along with one goal which was disallowed.

Scoring for the Lions were Michael Dowson and Kevin McIntosh. Assists were picked up by Cassell, Dowson, Stewart and Phifer.

The Lions face NGS on Saturday, October 28 at Morrisburg at 1 p.m. when they will be looking to turn the table.

Cobden wins big in Peewee B tournament

MORRISBURG—When the final buzzer sounded after 10 games of hockey here Saturday, it was the Cobden Muskrat Voyageurs coming out on top of an eight team tournament hosted by the Morrisburg Peewee B Rep Lions.

Cobden was strong throughout the day-long affair, blanking the Goulbourn Rams 4 - 0 and doubling Alexandria 4 - 2, to work their way to the final against Ottawa West.

Here, they went to work for a 7 - 1 win and the tournament championship.

The hometown Lions opened with a 2 - 0 loss to Ottawa West, but turned it on in game two for a 1 - 0 win over South Stormont and the right to advance to the B final against Petawawa.

Again they were unable to get on the scoreboard and settled for a 2 - 0 loss.

Scoring the lone Lions' goal of the tournament against South Stormont was Greg O'Neil, with help from Connor O'Brien.

The Lions' Hustler awards went to Mitchell Julien in the game again West Ottawa, to Brandon VanAllen against South Stormont, and to Connor O'Brien against Petawawa.

The tournament was sponsored by Dundas Bus Service, The Hair Studio, Hartley's Sports Excellence, St. Lawrence Corporation, Barkley's Orchard, Harland Veinotte, Lee's Tavern Dining Lounge, UAP Auto Part (Parcoll), Jug City, Pier 31, The Nook/Sears, Crawford's Meat Shop, The Chieftain, Country Style and Subway.

Peewee Kings head out

SPENCERVILLE – The Rideau-St. Lawrence AA major Peewee Kings are set to begin another hockey season. They were 2 - 2 in four preseason exhibition games, and turned in a solid effort in an early season Pickering tournament going 1-0-2 in round robin, and dropping the semifinal 3 - 2 to Quinty.

Most of last year's squad has returned with the exception of four players, Pete Freeth, J.J. Rhoden, Ryan Shecter and Sean Gilmer. The team looks to have talent in all positions.

Returning forwards are Captain Ben Collins, Pat Doyle, Vinnie Francica, Tyler Atkins, Kent Nugent, Kyle Whiteford, Steve Mcglade, Sean Gilmer and Pete Freeth.

On defense the Kings have Jeff Osler, Braden Miller, Adam Cross, Tom Adam and J.J. Rhoden.

The team's goaltending appears strong with polished, quick goalie Tomo Hosogoe and flexible, butterfly goalie Ryan Shecter.

The coaching staff includes Mark Armstrong, Joe Francica and Jim Collins.

The Kings dropped their first two games to Ottawa Valley 2 - 1 and Cumberland 6 - 1.

On September 30, they hosted the Gloucester Rangers, hoping for their first win.

The game was a goaltender showdown with Hosogoe making 31 saves for the Kings. However, the Kings dropped the game 1 - 0.

On October 2, they lost to East Ontario 3 - 1. Ben Collins scored the lone Kings' goal.

Atom Bs split games

MAXVILLE – The Morrisburg Atom B Lions posted a 3 - 1 win over North Glengarry-Stormont (NGS) here last Thursday night to post a one win - one loss record in their weekly action.

Wednesday, the Lions hosted the Cornwall Royals, who stole a 2 - 1 win from the hometown favourites.

The Royals took a two goal lead after the first, on a pair of counters from Daniel Merpaw. Morrisburg's only goal came in the second period from Chris Tindal with Brandon Elliott and Alex Whelan providing the assists.

Thursday night in Maxville, the Lions drew first blood at 7:48 of the first period when Elliott redirected a Chris Tindal shot.

In the second, Colin Chesbro snapped a shot top shelf for his first of the season. Whelan and Tindal provided the helpers.

North Glengarry-Stormont (NGS) cut the lead to 2 - 1 at 8:22 of the third, when a goal mouth scramble allowed them to put the puck past Lions' goalie Ryan Swank.

With a minute left in the game NGS pulled their goalie for the extra attacker, putting the pressure on the Lions for half a minute.

The empty net appealed to Elliott, who unassisted, gave the Lions their insurance marker.

Despite the win, coaches Jim Whelan, Dave Tait and Tom Tindal said the team was going to work on some tactics and team play at Saturday's 6 a.m. practice.

Peewee C's lose to Cougars

KINGSTON – It may not be the natural order of things, but in this case it was the Cougars over the Lions all the way.

Sunday, October 21 the Morrisburg Peewee C Lions were in Kingston to take on the Cougars who clawed their way to a 6 - 1 win.

The Cougars led 1 - 0 after the first frame, and carried a 3 - 1 lead into the third. Leading their attack were Nathan King and Josh Maveety with two goals each, and Thompson Moase and Cam Flude provided singles.

Answering for Morrisburg was Matt Swerdfeger with Jordan Tryon and Craig Duvall providing the assists.

The Lions were severely outnumbered by the Cougars who iced 14 skaters to the Lions' 10.

"The game was not as bad as the game sheet indicated," said coach Dale Lewis. "Two of their goals were off our guys' sticks."

Travis Dillabough was in net for the entire game and goaltender Richard Adlington is out with an injury. As well, Lewis has one player out with a broken arm.

Morrisburg Golf

One new face on club executive

Bonnie McNairn
Leader staff

MORRISBURG – Only one change was made to the Board of Directors of the Morrisburg Golf Club at the annual fall meeting here Sunday.

Moving onto the board is Sam Laurin, who replaces Mike Barclay, as club captain.

All other board members were returned. Bob Barclay remains in the president's chair and Roger Dunn stayed on as first vice-president.

Alice McNairn is back as secretary, and Sean Boulerice will see another year as club treasurer. Tony Cummins returned as greens chairman, and Roy Gummeson as senior representative.

Claire Dunn heads into her second year as ladies' club captain.

Bob Barclay opened the annual fall meeting, thanking Russell Cameron and his greens crew and Linda Cummins and her clubhouse staff for a great season.

He also thanked the volunteers who helped out on the course, and the Board of Directors for all the time and work they put into the season.

"We won the men's and junior valley leagues, so on the golf side we had a very successful year," he said, adding "Men's nights were also very successful."

Barclay also thanked the seniors section of the club, for their financial contributions that have led to the purchase of several Club signs, and their further commitment to help provide funding to light the new putting green.

Greens chair, Tony Cummins indicated the putting green should be ready in June of next year.

Along with the Board of Directors' election, the main business at the annual fall meeting is the setting of fees.

Treasurer Sean Boulerice presented the Board of Directors' recommendation for an approximate 21 per cent increase across the board to membership fees, and the elimination of mandatory bar tabs for adult members. Green fees were increased slightly.

After, brief discussion, the increase was approved by the membership.

OSAID fund raiser at Cannamore Orchards

CHESTERVILLE – Sonia Carrière, Vice-President of Ontario Students Against Impaired Driving (O.S.A.I.D.) at North Dundas District High School is pleased to announce that the weekend of October 27 -29, the North Dundas members of O.S.A.I.D. will be holding a fund raising barbeque at Cannamore Orchards in order to raise funds for O.S.A.I.D. road signs.

Despite the political situation with the teachers, O.S.A.I.D. is working hard to get the message out loud and clear. Cynthia Rutters, the President of O.S.A.I.D., has been putting in extensive hours of tremendous hard work in order to make this year a successful one for the group.

There have been major campaigns in the past to raise funds for awareness, through speakers, workshops, and road signs which are posted around the local communities telling people to "Arrive Alive, Don't Drink and Drive!".

Although without a teacher supervisor at this point in time, the members, in conjunction with parents, are very committed to doing as much as possible to continue this drive.

October 17 was National Students Against Impaired Driving (N.S.A.I.D.) Day and North Dundas District High School was buzzing with activities. With activities such as dressing up as 'Zero Heroes' and completing 'Zero Hero' nomination forms the day was a success.

The barbeque will be held on October 27, 28 and 29 from 5:00 - 10:00 p.m. on Friday night and 4:00 - 10:00 p.m. Saturday and Sunday. The O.S.A.I.D barbeque will be in conjunction with The Spooky Wagon Ride™, performed by the North Dundas District High School Band members at Cannamore Orchard.

Riverside Heights W.I.

RIVERSIDE HEIGHTS – On October 5, Riverside Heights W. I. President Annette Devette welcomed everyone and opened the meeting with the Institute Ode and the Mary Stewart Collect.

Eight members and three guests answered the roll call: name an environment friendly household hint. Vinegar was the most popular hint from the ladies, coming up with great ideas.

Minutes were read and approved. Treasurers report was read as was the correspondence. An afghan was given to be used on the craft at the Area Convention.

President Annette Devette thanked Marion Moore for accepting the position of Branch Director.

It was mentioned that another shipment will be sent to Chernobyl in March. President DeVette thanked all who donated or helped at Applefest. It wasn't as well attended as everyone thought, guess the weather was the problem.

We were reminded to watch our local papers for available flu shots.

With Christmas creeping up on us, we were asked to get our shut-in lists ready and to put on our thinking caps for some appropriate gift ideas.

After all the business was discussed, President DeVette passed the meeting over to Convenor Marion Moore. She had all of the ladies busy making crafts.

A delicious lunch was served by hostess Marion Moore and helper Colleen Carr.

Next meeting is November 2 at the George Jowett Hall at 1:00 p.m. Program: Speaker on organ transplants. Anyone is welcome.

TOWNSHIP OF SOUTH DUNDAS MUNICIPAL ELECTION, VOTE BY MAIL

Electors in the Township of South Dundas are reminded that the Vote by Mail process is now underway. **Those electors who have not yet returned their ballot package to the Township should note that the deadline for mailing the ballot is November 3, 2000. The deadline for receipt of the package is 8:00 P.M. on November 13, 2000, Election Day.**

Voters have the option of hand-delivering their ballot package to the Municipal Office, 4296 County Rd 31, Williamsburg, during regular office hours, Monday to Friday until November 12, 2000, November 13, 2000 delivery will be accepted until 8:00 p.m.

Qualified voters who have not received their voter kit by October 31, 2000, are encouraged to visit the Municipal Office to obtain a voter kit. Voters who have lost or inadvertently discarded their voter kit may also receive a replacement package at the Municipal Office during office hours 8:30 a.m. to 4:30 p.m.

It is important for voters to understand that the Vote by Mail system replaces the conventional polling place method. This is the only opportunity for voters to exercise their franchise. Some voters may not realize how the process works, or may have discarded their package without understanding what they received. These voters should visit the Municipal Office for instructions on how to participate in the process.

The yellow postage-paid envelope to be returned to the Municipality should contain only a single Inner Secrecy Envelope, which must be sealed, containing only the ballot, and a single signed Voter Declaration Form. Nothing should be written on the Inner Secrecy Envelope and only the, voter's name and signature should appear on the Declaration Form. The signed Voter Declaration form must **NOT** be placed in the Inner Secrecy Envelope.

For information on the Vote By Mail process, contact the Municipal Office, 4296 County Rd. 31, Williamsburg, telephone 535-2673.

*** Do not mail your ballot Saturday, November I I or Monday, November 13 as Canada Post is closed both days ***

Wilmont E. Horner
Clerk.
Township of South Dundas

IN MEMORIAM

BAKER–In loving memory of a dear husband and father, Roy, who passed away Oct. 27, 1982.
May the winds of love blow softly,
And whisper so you hear,
We will always love and miss you,
And wish you were still here.
–Always remembered by Winnie and family 43p

HALL–Irwin, October 26, 1975.
Your end came sad and sudden,
No time to say goodbye,
You were gone before we realized
And only God knows why.
A golden heart stopped beating,
Hard working hands at rest,
God broke our hearts to prove to us
That he only takes the best.
God gave us strength to face it,
Courage to stand the blow,
But what it meant to lose you,
Only God will ever know.
You're someone very special,
Someone good and true,
You will never be forgotten,
For we thought the world of you.
–Daughter, Pat Hall-Beckstead 43p

CARD OF THANKS

WARNER–The family of the late Fern Warner would like to express thanks to our relatives, friends and neighbors for their wonderful acts of kindness, floral tributes, memorial donations, visitations, food provided by many friends and neighbors, cards and pallbearers. Many thanks to Rev. Janet Evans, Pastor Roger March and Pastor Dale Sanger for the services and to Gloria Richer, Kim Vanier and organist Ron Forrest for the music. Also the ladies of the United and Pentecostal Churches for the lovely lunch. Thank you to the staff and nurses of the Cornwall Dialysis Clinic, Emergency Dept. of the Cornwall General Hospital and Woodland Villa. We especially would like to thank Brownlee Funeral Homes for making things so much easier for us.
–The Crawford family 43p

Anna Joyce Cassell passes in hospital

A resident of 73 Sir James Morris Drive, Morrisburg, Anna Joyce Cassell, passed away on October 19, at the Winchester Hospital after a short illness. She was 74 years of age.

Born August 15, 1926 at Morrisburg, she was the daughter of the late Wilfred Mattice (died 1961) and the former Mildred Osborne (died February 27, 1998).

On July 23, 1945 she married Junior Cassell, at the St. James Anglican Church, Morrisburg, with whom she just celebrated their 55th wedding anniversary. She was a friend to all and loved by many. Anna was a bookkeeper with Edgerton Baker Fuels and Beavers Dental.

Besides her husband she will be sadly missed by her daughter Judy (Jim) Scott of Morrisburg, by her grandsons Kris and Jamie, both at home, by her sisters Shirley Rice of Morrisburg and Eleanore Belmore of Prescott, by her brother Glen (Marie) Mattice of Morrisburg, by her nieces and nephews Cameron MacLennan of Morrisburg, Rick Darling of Morrisburg, Steven Darling of Kinburn, David Rice of Prescott, Daniel and Edwin Rice both of Morrisburg, Gwen Phelan of Brighton, Larry Belmore of Prescott, Gerry, Leslie, Glenda, Judy and Randy all of Southwestern Ontario.

She was predeceased by her daughter Susan Cassell and sister Patricia MacLennan.

A memorial service was held on Monday, October 23, at St. James Anglican Church, Morrisburg, at 11 a.m.

Interment followed at the St. James Anglican Cemetery, Morrisburg.

Donations to the Canadian Cancer Society or the Winchester District Memorial Hospital would be gratefully appreciated by the family.

Arrangements were entrusted to the Parker Funeral Home, Morrisburg.

Fern Muriel Warner

Fern Muriel Warner of Woodland Villa, Long Sault, died September 30, at the Ottawa Hospital Civic Campus. She was 81 years of age.

She was born May 31, 1919 in Stormont County to the late Wesley Ezard and the late Maude Crites.

Mrs. Warner was predeceased by her husband, Morley Warner, who died September 15, 1988.

They were married May 8, 1940 in Aultsville.

She was a life member of the Women's Institute in Osnabruck Centre and was a member of the United Church. Mrs. Warner was a nurses aid, a cook and a waitress, and she sold Tupperware, Stanhome Products and Avon.

She enjoyed helping neighbours and family and watching her grandsons' hockey games.

Mrs. Warner is survived by daughters Marilyn Crawford (Carl) of Ingleside and Beverley Gibbons of Cornwall, by her grandchildren David Crawford (Rita), Debbie Crawford Bosman (Johnny), Dwayne Crawford (Karen), and Darrin Crawford (Karyn), all of Ingleside, as well as by Dale Gibbons (Pat) and Doreen Thomas (Kenny) of Newington, Diane Cadieux, Douglas Gibbons (Brenda), Donald Gibbons (Jeaninne), Dalton Gibbons (Ester) and Donalda Breyer, all of Cornwall, and by her 17 great-grandchildren and five great-great-grandchildren.

She was predeceased by her infant daughter Eliza Warner, son-in-law Victor Gibbons and grandchild Dawn Gibbons.

Funeral services were held at St. Andrew's-St. Mark's United Church in Long Sault on October 4 and was officiated by Rev. Janet Evans.

Interment was in Pleasant Valley Cemetery.

Pallbearers were Harold Swerdfeger, John Morgan, Ronnie Collins, Roy Collins, Jack Groves, and Cyril Cryderman.

Kornelis DeJong

A resident of R.R.# 1 Morrisburg for the past 44 years, Kornelis DeJong passed away at the Winchester Hospital on Sunday, October 15. He was 87 years of age.

Born September 1, 1913, at Oudega, The Netherlands, he was the son of the late William DeJong and the former Antje VanderWert.

On May 10, 1940 he married Dirkje Boersma at Holland, who predeceased him.

Kornelis immigrated to Canada in 1952 and settled in the Aultsville area, where he worked on a farm owned by Floyd Fisher. After working for Mr. Fisher for four years, Kornelis and Dirkje decided to purchase their own farm; and they bought a farm at R.R.# 1 Morrisburg and they have lived there ever since. He enjoyed family gatherings and working in the garden, and was a member of the Williamsburg Christian Reformed Church.

He will be sadly missed by his sons William (Jean) of R.R.# 1 Morrisburg and Paul (Debra) of R.R.#3 Ingleside, by his daughters Catherine Geertsma of R.R.# 2 Chesterville, and Ann (Charles) Lewis of R.R.# 1 Morrisburg, by his brothers Roelof (Anna) of R.R.# 3 Williamsburg, and Abram (Gertrude) of Inkerman, by his brother and sisters-in-law Maaike DeJong of R.R.# 2 Chesterville, Theresa Boersma of Woodstock, and Wietske DeJong, Jan (Pietje) Boersma, Ali Hemstra, Lolkje (Gabe) Oosterhaven, Trijntsje (Siep) Feenstra, all of The Netherlands, by his grandchildren Dorothy (Jacob) Huyer, Wendy (Danny) Hare, Andrew Geertsma, Caroline Geertsma, Alice (Barry) Pemberton, June DeJong, Donald (Amy) DeJong, Charles (Natalie) Lewis, Lisa Lewis, Christine DeJong, Diana DeJong, Kevin DeJong, and by his great-grandchildren Courtney, Raymond, Jonathon, Katrina, Adrian, Curtis, Kathleen, Michael, Samantha, Melissa, Tyler, Dylan, Mallorie, Melissa and William, as well as by many nieces and nephews in Canada and The Netherlands.

He was predeceased by his wife Dirkje, a son-in-law George Geertsma, sisters Hinke Stel, Hiltje VanderHeide, Jitske DeJong, and brothers Sybren, Piebe, Fokke, Bindert and Stuart.

Friends called at the Marsden and McLaughlin Funeral Home, Williamsburg on Tuesday from 2-4 and 7-9 p.m. The funeral took place at the Williamsburg Christian Reformed Church on Wednesday, October 18, at 11 a.m. with Rev. George Rowaan officiating.

Interment followed at the New Union Cemetery, Williamsburg.

Pallbearers were grandchildren June DeJong, Kevin DeJong, Donald DeJong, Michael DeJong, Andrew Geertsma, Charles Lewis Jr.

Donations to the Timothy Christian School or the Winchester Hospital would be appreciated by the family.

Mammographies do save lives

CORNWALL – In the battle against breast cancer, the best ammunition is STILL healthy lifestyle choices and early detection. This reminder from the Eastern Ontario Health Unit and the Ontario Breastscreening Centre comes on the heels of studies questioning the value of mammograms.

"Early detection, through self-examination and mammograms, does save lives. Studies back this up," says Dr. Robert Bourdeau of EOHU.

In fact, according to a just released study by the University of Toronto, for the first time, in the past five years, there's been a decrease in breast cancer deaths. The likely reason? Improved treatment and mammographies. The combination of regular self-examination, professional breast screening examinations and healthy diet, exercise and avoidance of tobacco smoke is the best defense against the disease that now strikes one in eight Canadian women. For more information about breast cancer prevention or detection, call Health Line / Appel-santé at 1 800 267-0852.

Hospice

Hoedown beyond expectations

DIXON'S CORNERS – The Dundas County Hospice Hoedown was an overwhelming success, according to Reina DeJong, Coordinator for the Hospice.

"We sold out. It was beyond our expectations."

Two hundred and ten people enjoyed the supper catered by the Timothy Christian School, the silent and live auction by Hugh Fawcett and the dance by Dayton & Eric.

Many unique and beautiful items were auctioned during the evening. A pearl ring and necklace donated by gemologist Christel Klocke received bids of $200 and $400 respectively. The winning bid of a hand-painted milk can by Anita Schocke was $400. At $150, a two-hour historic pontoon boat ride along the St. Lawrence was an excellent buy.

"There were many beautiful things in the auctions. We appreciate all the donations," stated DeJong. "The public support was tremendous. It was a very enjoyable evening."

The Dundas County Hospice, who has 40 visiting volunteers and 30 fund raising volunteers, assists people, and their families, that have a life threatening diagnosis.

The Hospice plans to host another fund raising event in 2002. For more information about the Dundas County Hospice, please call 535-2215.

Birthright for mothers & babies

MORRISBURG – What is Birthright?

That is a question the ladies of the Catholic Women's League learned the answer to at the October meeting. They listened to Regional Consultant, Johanna Methot, explain what Birthright means to the many women who call their numbers.

In this day and age of groups looking for political recognition , this is a volunteer organization which does not want recognition. Their aim is to help distressed pregnant mothers feel loved, supported, accepted, worthwhile, hopeful and encouraged.

They give support to both the mother and baby as long as it is required.

On October 15, 1968 Birthright opened its doors, and the founder Louis Summerhill said, "If only one baby is saved or one woman is saved, then it is worth it."

At Birthright there are no scare tactics. They are not politically active, and they are not affiliated with any religion. They only want to show a loving and caring face.

As with any completely volunteer organization, they are always looking for helpers. If you can help please call Birthright.

Food Bank

WINCHESTER – When there's a cry for help we do what we can to help out. In a recent Winchester Press article, it was made quite clear that the Food Bank needs help from the Community. There were many businesses that are getting on the band wagon to help stock the shelves ... and the Winchester District Memorial Hospital was set up to help.

Several staff saw the need and they scrambled to put together donation boxes throughout the hospital to get other staff members to help out. But since the hospital is centrally located as well as being open 24 hours per day, it invited the public to show their community spirit by dropping of non-perishable goods and the staff delivered all donations to the Food Bank.

Donation boxes were set up on each floor including a grocery cart at the entrance to the cafeteria. With Christmas right around the corner, many families and children in our community will be helped by the generous donations.

Happy 64th Birthday Fred

For the latest information, visit us at gmcanada.com, drop by your local Chevrolet • Oldsmobile Dealer or call us at 1-800-GM-DRIVE.

Based on a 1.9%/3.9%/3.9%/2.9%/8.4% (Cavalier Sedan VLX R7Y/Alero GX Sedan R7Z/Malibu R7Z/Venture Value Van R7Z/Silverado Ext. Cab R7L) annual lease rate, 48/36/36/36/36-month term. $0.12/km charge over 80,000/60,000 km for 48/36 months. Option to purchase at lease end is $7,822/$10,732/$11,054/$12,872/$16,642 (Cavalier Sedan VLX R7Y/Alero GX Sedan R7Z/Malibu R7Z/Venture Value Van R7Z/Silverado Ext. Cab R7L) plus applicable taxes. Licence, insurance, PPSA, administration fees and taxes not included. Other lease options available. Financing on approved GMAC credit only. Example: $10,000 at 1.9%/2.9%/2.9%/2.9%/5.9% APR, the monthly payment is $174.84/$290.37/$290.37/$179.24/$234.39 for 60/36/36/60/48 months. Cost of borrowing is $490.40/$453.32/$453.32/$754.40/$1,250.72. Total obligation is $10,490.40/$10,453.32/$10,453.32/$10,754.40/$11,250.72. Down payment and/or trade may be required. Monthly payment and cost of borrowing will vary depending on amount borrowed and down payment/trade. ▼The SmartLease monthly payment and the GMAC purchase finance rate are not available with and are not calculated on the "Cash Purchase" price as shown. The difference between the price for the SmartLease/GMAC Purchase Finance offer and the "Cash Purchase" offer is deemed under provincial disclosure laws to be a cost of borrowing, whether or not the same represents actual interest and is required to be expressed as an annual percentage rate of 4.69%/6.99%/6.85%/6.10% (Cavalier Sedan VLX R7Y/Alero GX Sedan R7Z/Malibu R7Z/Venture Value Van R7Z). Offers apply as indicated to new or demonstrator 2001 models of Cavalier Sedan VLX R7Y/Alero GX Sedan R7Z/Malibu R7Z/Venture Value Van R7Z/Silverado Ext. Cab R7L equipped as described. Offers apply to qualified retail customers in the Ontario Chevrolet Oldsmobile Dealer Marketing Association area only (excluding Northwestern Ontario). Dealer order or trade may be necessary. Limited time offer which may not be combined with other offers. Lease and purchase offers do not include Freight (as indicated), Licence, Insurance or Taxes. Dealers are free to set individual prices. See your dealer for conditions or details. †Total due on signing includes down payment, freight, security deposit, 1st month's payment plus taxes.
