THE IROQUOIS POST

VOLUME LI No. 46 | Second Class Registration No. 1361 | Iroquois, Ontario, Wednesday, May 2, 1973

Guest speaker and special music for Knox 99th Anniv.

The Congregation of Knox Presbyterian Church will commemorate the 99th Anniversary of its witness and work in the Seaway Valley this coming Sunday May6th, with a Service of Worship at 8 p.m. The theme of the Service will be "Honoring the past, celebrating the present, and building the future", with Guest Speaker and Special Ministry of Music.

The Rev. Earl F. Smith, B. A. Minister of Park Lawn Presbyterian Church in the Toronto suburb of Islington is the invited Guest Minister. A graduate of the University of Toronto and of Presbyterian College, Montreal, the Rev. Smith has served pastorates in Hespeler, Brockville, and presently in Toronto. Well known for his speaking ability, Mr. Smith served the congregation of First Church , Brockville, prior to accepting appointment to his present pastorate. As former Moderator of the Presbytery of Brockville, he officiated at the dedication of the present Knox Church building, following the Seaway construction. The congregation looks forward to his ministry in their midst this Anniversary Sunday.

The Oxford Mills Girls' Double Trio is well known in the Seaway Valley, having a ministry of music that has been offered on many occasions. Under the direction of Mrs. Keith Newans this teenage girls' group will feature also the singing of Debbie Darlene and Diane Porter of Kemptville, a young tri of a very promising future. The musical repertoire of these young people has been well received, and is complimentary to a ministry of music.

The Congregation of Knox Church cordially invites members of the community to share with them in this Anniversary Service Sunday evening, 8 p.m.

(Pictures :L. to R. Margaret Van den Vaart, Carol Rathwell, Sharon Crozier, Cathy Wilson, Debbie Crawford, Debbie, Darle, and Diane Porter.)

Senior Citizens Pot Luck Luncheon

The facilities of St. John's Anglican Church have been made available to all Senior Citizens of Iroquois and Community for a Pot Luck Luncheon at 12 noon Thursday, May 10th. About two weeks ago some twenty people visited Cardinal to view the Sr. Citizens apartment complex. and it was brought home to us that if we want to have a voice, we need to pull ourselves together as an identifiable body with recognized organization. At the May 10 meeting, we hope to discuss "returning' the hospitality extended to us by the Cardinal apartment residents. All of us were delighted to see the fine housing project they were enjoying, with the immediate prospect of further development. And their hospitality was most appreciated!

At the Thursday May 10th luncheon, we want to discuss the whole subject of Senior Citizens in Iroquois, with the leadership of Mr. Rogers, the Anglican Minister who is particularly interested in this area of ministry. If it is the wish of the assembled group, an executive committee ca can be established with the purpose of approaching the Department of Health and Welfare for a "New Horizons" grant to help us further our organized objectives.

At this meeting Mr. Roland Johnson of the Iroquois Lions Club hopes to be able to be present to outline a Lion sponsored visit to the tulip festival in Ottawa for Senior Citizens of Iroquois and community. Can we fill a bus for fourty people? Easily, if we know who we are. Each congregation has been invited specificly to provide four retired or retiring persons present who, if an organization is contemplated, may wish to stand for possible election to a non-denominational steering committee. If you need transportation check with your clergy, or Mrs. Don Hare, and if bringing pott luck is a hardship, come anyway and we'll share.

Though senior citizens have the interest and support of Council, Ministerial and Serving Organizations, it is the retiring and retired who may wish to take this opportunity to find strength in organization for immediate and future projects. If you are interested please plan to be present on Thursday, May 10th, 12 noon for pot luck at St. John's.

In Hospital

Mrs. Alice Stewart wife of Rev. James Stewart is again a patient in Winchester & District Memorial Hospital. We wish her a speedy return to good health.

Lions excursion for Senior Citizens

The Lions Club of Iroquois plans a Tulip Festival Excursion to Ottawa for Senior Citizens of Iroquois and Community. The first fourty lucky people, male or female of the 65-plus generation to accept our invitation will be the Lions guests for the outing. An application form will be found in this issue of the Iroquois Post.

Convenor of the Excursion is Lion Roland Johnson(?-4331) and his Committee is President Peter Swank, Vice President Al Rogers, and the Application Secretary Allen McIntosh (2-4828)

Leaving Iroquois Shopping Plaza at 9 A.M. Thursday May 10 by Strader Bus Lines, the tour group will make a scheduled visit to the Royal Canadian Mint before going to view the tulips and have luncheon at the Green Valley Restaurant on Prince of Wales Drive.

After lunch there will be a visit to Parliament Hill, with an opportunity to attend the Visitor's Gallery and witness the House in session. This will be followed by a visit to the Driveway at the heart of the Tulip Festival. Then "happy but tired" the group will leave for Iroquois not later than four p.m.

Tour guides will include Lions Roland Johnson, Allen McIntosh, Brian Gee and Allan Rogers. Also in attendance will

Lions host wine and cheese party

This Saturday night, May 5th, at the Civic Centre, under the Convenorship of Lions Al Rogers and Gord Markell, the Iroquois Lions Club will host their fourth annual Wine and Cheese party. We invite your patronage at 9:00 P.M.

The Wine and Cheese party tickets are available from any Lion members, and at the door; they are selling at $?.50 each, and there is promise of several interesting door prizes. 1 Because it is a social event, there will be no other sales during the evening.

Background music for the Wine and Cheese party will be provided by Mr. Jim Millard. Come and enjoy yourselves at the Lions big social event of the year, an annual 'must'. During the past year the Iroquois Lions Club has spent upwards of $2000.00 on local service projects, with your help of course, so on Saturday night we celebrate! Come and see for yourself what a friendly lot of Lions we are. Our Charter Members and their wives will be glad to greet you on your arrival. For them it is the twenty-fifth anniversary of their membership in Lions International. And our motto is "We Serve" Wheter it is wine and cheese...or the community!

Iroquois-Morrisburg C.W.L. Hold Annual Meeting

The Iroquois-Morrisburg Catholic Women's League held their annual meeting on Wednesday April ?5th. Father F.M. O'Connor opened the meeting with the League prayer. The members honoured Miss Anna May Flood upon her retirement as the priests housedeeper. After working ?? years in this capacity. Miss Flood will be taking up residence in Brockville. For the past 1? years she has been a marvellous housekeeper and organist in the parish and all her many friends will be sad to hear of her departure

Miss Flood was presented with a gift byMrs. Katherine De Bellefeuille. Mrs. Liz Brunt presented a cheque to the guest of honor. In addition, Father O'Conner presented Miss Flood with a cheque on behalf of the parish and extended to her a sincere gratitude for all she has done for the Parish over the years.

The new slate of officers were elected for the next term of office as follows--

President - Mrs Katherine De Bellefeuille
Vice President - Mrs. Corbett
Secretary - Mrs. Colleen Lawry
Treasurer- Mrs. Joan Brunt -
Past President Mrs. Liz Brunt-
Councillors - Mrs. Marg Lee and Mrs. Margaret Rooney of Iroquois.

Mrs. Harry Pepers and Mrs Mary Hoenseloar of Morrisburg.

The meeting featured a Pot Luck Supper with a social hour led by Sister Leonard and Mrs. Theresa Chartrand as they entained with musical selections and a general sing-song.

LETTER TO EDITOR

Having spent last Wednesday in Ottawa attending a seminar at the newly constructed Maurice J. Grimes Lodge at the Civic Hospital which was officially opened by Her Excellency Mrs. Roland Michener on Mar. 8/73 and will be ready for occupancy after May 16th, I would like to give a brief run down of the Lodge.

Talks were given by well qualified personnel of the Cancer Foundation from Toronto and Ottawa, with a question period after each speech, which included "How it Operates", "The Cancer Society's Education Programme" "The Services We Render".

A tour of the Lodge was conducted by Mrs. Thompson, Supervisor, which was very enlightening. The Lodge is just beautiful with gay decor and the very best beds. All rooms have a bath and some have kitchen facilities where patients may treat their guests to snacks which are provided by Volunteer workers or anyone who cares to send in boxes of cookies or cakes. There is also a gift cupboard where patients may get iffy notes, writing paper, bed socks, shawls, games, books and many other items to numerous to mention, also provided by Volunteers. There is color TV in every lounge and a quiet room where patients can discuss private business with their Lawyer or relatives.

There is much more to this beautiful Lodge which is available to ambulatory patients in this district and all sorts of information is available on request.

The Old Iroquois

C.N.R. STATION

The C.N.R. Station at Iroquois (formerly Grand Trunk station built in 1858 was demolished when the village was moved. This painting is another of the ones painted by George Paginton, Toronto Star staff artist and presented to the village in 1957.

Lions Host Firemen

On Tuesday, April 24th, the Iroquois Lions Club met, and had as their guests for the evening the local fire brigade. There were some twelve firemen present, with Fire Chief Mac Anderson as a head table guest. Pres. Peter Swank chaired the meeting.

Reeve Lloyd Davis welcomed the firemen, offering them the appreciation of our community for services ably rendered. "You are as fine a brigade as any community could wish for. Over the years you have kept abreast with what's happening, you have improved your skills, and you are always available".

The Charter President of the Iroquois Lions Club also had the privilege of re-instating to membership Don Seely, who was present by his father, charter member John Seely. "Lionism is neither political, nor social, nor is it fraternal.. it is a Service Organization. We induct you to membership in Lions International knowing that such membership obliges you to participate in all functions of the Lions Club to which you belong".

Lion Roland Johnson made a report on an impending Senior Citizens trip to the tulip Festival in Ottawa, with side visit to the Mint and to the House. The anticipated date of the journey is Wed. May 23rd. More information is upcoming.

Lion Al Rogers reported on the Wine and Cheese Party scheduled for May fifth, emphasizing that we need participation all out patronage and the sale of tickets! Rev. Lion Al also spoke about the annual Charter Night Banquet slated for May 12. Tickets are $7.00 a couple, inclusive of dinner, wine and dancing, with a maximum of 150 guests, inclusive of the Lions and their ladies.

Lion Bill Rumble reported that $560.00 had been received for the work of Crippled Children in Iroquois, and the figures for the Cardinal campaign were not yet at hand.

The Fire brigade were presented with a real live demonstration of fire fighting, a la Lions Club, and a fire hydrant was presented to Fire Chief Anderson as an appropriate souvenir of the Firemen's visit to the Iroquois Lions Club

BIRTH

To Mr. & Mrs. Earl Goodmurphy on April 12, 1973, A son David Earl - 7 lb. 10 oz., at Brockville General Hospital. 1st grandson for Mr. and Mrs. Fred Goodmurphy and Mr. and Mrs. Maurice Shaver, Cardinal, Ontario.

OPEN HOUSE

Seaway District High School

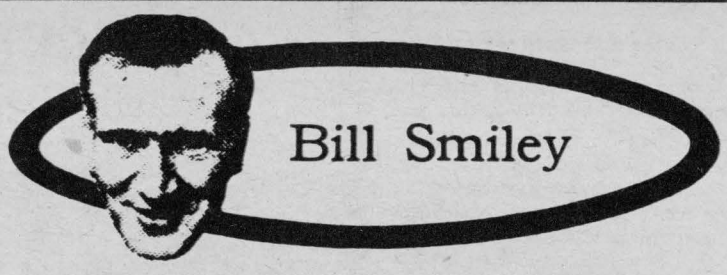

Thursday, May 3rd. 1973

7:30 p.m. to 9:30 p.m.

Parents and the public are invited to attend. The evening will consist of many displays and demonstrations by the students of Seaway. All activities will terminate in time for the fashion show to be presented by the students of the Home Economics department. 46-1-c

IT'S TAX TIME AND BILL'S ANGRY

by Bill Smiley

People will put up with almost anything, as long as they are left in peace. They'll take an incredible amount of being pushed around without doing more than grumble. But there comes a point when all the frustrations, the cheatings, the bullying, merge under some catalyst and the great public heart boils over with rage and humiliation.

When it does, heads roll. This is just a little advance notice to some of our various governments, so that any of their mandarins who want to take to the hills on the day of reckoning can get their bags packed and pick out the particular hills they want to take to.

In the French Revolution, the Bastille was the symbol of authority and repression. The people stormed it and took it. The American Revolution, or The War of Independence, as our friends to the south prefer, also began with a symbol — chests of tea. A large number of these were dumped into Boston harbour in a protest that has resulted in the peculiar way in which the people of Boston have spoken ever since.

In both cases, the revolutions were produced by the same basic factor — excessive taxation. In the case of the French, the taxation produced extreme poverty and hunger. With the Yanks, it produced violent anger.

In the one case, the result was the loss of a head for a great many people who had the same quantity of brains before the operation as they had after it. In the other, the result was the loss of a half-continent of incredible riches.

Both events in history brought their advantages, of course. Without the French effort, which spawned Napoleon, we wouldn't have had the Napoleonic Wars and the Retreat from Moscow, and where would our history teachers be?

Without the American Revolution, western culture would have been infinitely poorer. What other nation would have had the initiative and gumption to develop such monumental human achievements as Hollywood and the hamburger?

You may think this excursion into history has no point. But the more discerning readers of this column know that Smiley is getting somewhere, in his own laborious way. And the most discerning readers are chuckling, "I'll bet he just made out his income tax."

The latter are right, of course. And as I sat there, surrounded by papers, sick at heart when I realized what a puny amount a year of hard labour had produced, I had only one thought: "When is the great Canadian Revolution going to start?"

Then came other thoughts. What symbol shall we attack? Do they need anyone to lead the attacks on the barricades? Which of the dastards will I personally gun down?

I have news for those in power. I'm not kidding. If you don't get it with bullets, you'll get it with ballots. You can rub our faces in it only so long, and then the hand that robs the cradle, along with everything else that can be robbed, is going to be bitten. To the bone.

Our national Liberal party, supreme in its power, arrogance and scorn, should have learned a lesson. It is still bleeding.

In province after province, the people have had their say, and have tossed out the old guard. Ontario is one of the few that have survived.

Here's a prediction. Check it later. I've never been wrong. Premier William Davis, the most unimpressive politician I've ever heard, and that ranks from deputy-reeves up, is in for a big fat fall, along with his party.

Why? It's obvious, from the recent Ontario budget. The party has lost touch with reality. And that's death in politics.

An example? The tax on energy sources. It's not going to hurt me. I can afford it. It's not going to hurt anybody except all those people who can already barely meet their fuel and electricity bills.

Tax the luxuries. Whack it on cigarettes and liquor and fur coats and there'll be some grumbling. But stick a tax on light and heat, necessities in this climate, and you are accepting the political kiss of death. We shall not forget, at election time.

It's the most stupid single tax that I have ever encountered, and that is a big statement. It hits the little guy,

SEE PAGE 8

Notes from St. John's

On the Sunday after Easter the new Anglican-United hymn book will be introduced to regular congregational worship. The hymn books have been provided from St. John's Gift Fund which some people prefer to use for memorial donations.

St. John's choir was treated to a showing of the film "The Cross and the Switchblade" at Winchester recently. While there, the choir sang some of the Easter carols in the reception room of the chronic ward at Winchester District Hospital.

On May 13 The Rev. Allan Rogers will exchange pulpits with the Rev. Frere Kennedy, Rector of the Parish of Fitzroy Harbour. Mr. Rogers served in the Parish of Woodlawn-Fitzroy for some years previous to his ministry in Ottawa.

With the coming of 'fast time' the Parish of Iroquois will update its Services to 8:00 and 10:30 A.M at St. John's and 9:00 A.M. at St. Peter's. The summer schedule will continue from May 6th through Labour Day. weekend.

Reverend Lloyd Lake, Mrs. Lake and their family from St. John, New Brunswick, will take up residence for their fifth summer supply month of July in Iroquois. The congregation of St. Peter's South Mountain will serve breakfast from 10-12 a.m. on Sunday May 6th at the Odd Fellows Hall at $1.25. This is a follow up of their post-church coffee hour some weeks ago, to which some 135 people turned out.

St. John's facilities will be available for a Senior Citizens Pot-Luck Luncheon on Thursday May 10th at 12 o'clock noon.

The Rector and Wardens of St. John's record their admirationof the youth of our Village who with the Rev. Brian Gee have staged a fine early Church play "The Way". It was written by Michael Saver. More people should know what these young people have accomplished so well.

Our thanks to those who patronized St. John's Spring Fair last Saturday, and to those ladies who by their diligence made it a good success.

Royal Canadian Legion News Bulletin

by Leo DeBellefeuille

A photo appears in this column of the three Life Members of Branch 370. In this regard we wish to present a brief record of these honourable members and Canadians. Comrade Howard E. Fawcett joined the Service in January of 1916. His training was received at Barryfield (Kingston)

In October 1916, Howard served in England and then to France in 1917. As a member of the 2nd Batt. of the Canadian Light Infantry. Comrade Fawcett was wounded November 6th, 1917 and spent nine months in hospital in England. Following his release from hospital he returned to France for a re-training period in 1918. While in France Howard attended the NCO school until November 11th. Then he served with the Army of Occupation in Belgium. While in Belguim's Capital he was detained for three months by a dockers strike. Following this period he returned to England then returned to Canada -- arriving in Ottawa May 8th, 1919. Comrade Howard E. Fawcett spent an illustrious career in the Canadian Army and has now retired to private life and enjoying every moment of it.

At the present time he is still very active in the local branch just completing a term of office as a member of the executive committee.

The second Life Member is Comrade Harry J. Claxton. Harry enlisted in December 1914 with the Governor Generals Foot Guards. In February of 1915 he oined the 38th Battalon. Going to Bermuda August of 1915 and then to England in May of 1916. He remained in England until June of 1916, arriving in France July 1916. Comrade Claxton returned to Canada in 1917 and attended the School of Instruction at Kingston. He was retained at the location as an instructor until 1919, at which time he returned to cival life. 1923 saw Harry assisting in organizing the Canadian Militia as an acting Sgt. Major. Ten years later in 1933 he qualified as Warrant Officer First Class. In 1939 he registered with the Royal Canadian Mounted Police under the Civil Guards at IROQUOIS LOCKS. Then in August of 1940, Comrade Harry returned to the Army under #9 Company Veterans Guard until August of 1945. At that time he once again returned to Civil Life and took employment at Caldwell Linen Mills Limited.

The career of Harry J. Claxton was a very memorable one, of which he and all his friends are very proud. Harry also has been very active in Legion work in the past and also just completed a term of office as a member of the Executive Committee. At present Mr. and Mrs. Claxton have taken residence at the Glen-Stor-Dun Lodge in East Cornwall and are wished many years of happy life in the days ahead.

Finally, but by no means last we wish to recognize the record of service of the other Life Member, Comrade Jack Falshaw. Jack enlisted in the Canadian Army in November of 1914. He went to France in April of 1915. Served in active duty in France for two years and nine months He was wounded three times Comrade Falshaw received the Military Medal in 1917. Jack did yoeman work in establishing the Iroquois Branch 370 of the Royal Canadian Legion in 1945. Comrade Jack served as President of the local branch in 1949. Like the first two men we have referred to - Jack Falshaw has and is still serving his home Legion by also completeing a term as a member of the Executive Committee.

To add a final touch to these three outstanding men may we say, gentlemen - you have served Canada, Your Province - your village - your Legion - Your family - your friends well in many situations much beyond the line of duty. The message we should all receive from your lives is that with God's Blessing each and every Legionaire maybe fortunate enough to follow in your footsteps and dedication to man and country.

In conclusion may you have many many more years of good helth a and much happiness. It indeed is an honor to have men the calibre of H. E. Fawcett - J Falshaw and H. J. Claxton as Life Members of the Royal Canadian Legion Branch 370 Iroquois.

Winner of Cornwall Branch 297 -$5000 Draw was Mr. Ronald Ortoleva - 444 Augustus Street, Cornwall Ontario. There will be a Legion Re-Union Saturday, May 26th at Alexandria Bay, N.Y.

Remember, if a Veteran - Why Not A Legionaire? Join the Legion In Your Region! They served till Death - Why not We?

SEAWAY TENNIS

Club being formed this year to promote tennis. Lessons will be available for beginners. Tues. 5 to 11 - Thurs. 5 to 11 - Sun. 10 to 10. These hours reserved for members only. Family tickets, $15.00 - adults $10.00 - students $5.00. Contact Jeff Beaupre for further information.

PROCLAMATION

VICTORIAN ORDER OF NURSES WEEK

April 29 - May 5, 1973

WHEREAS The Victorian Order of Nurses is this year celebrating the 75th Anniversary of the establishment of its nursing care in the homes, beginning in 1898 when a team of four nurses made the long and arduous trip to the Klondike Gold Fields to care for the injured and disease-ridden men who searched for gold, and extending their services through the years to care for patients, as well as the aged and infirm in their homes, and

WHEREAS the Cornwall and District Branch of the Victorian Order of Nurses, established in 1913, is this year celebrating its 60th Anniversary of service in this community.

THEREFORE, we the undersigned, by virtue of the powers vested in us, do hereby proclaim Victorian Order of Nurses Week from April 29 to May 5, and call upon all citizens to lend their support to this organization.

CORRECTION

In a recent issue of your newspaper, in an account from the April meeting of the Winchester DISTRICT MEMORIAL HOSPITAL WOMEN'S AUXILIARY, it was reported, erroneously, that "a group of ladies from Chesterville" turned over funds from a Women's Institute which no longer existed.

Three representatives from the former CRYSLER W. I. attended the meeting and contributed the sum of $171.00 to the Auxiliary Treasurer.

We are deeply indebted to the members of the former Crysler Women's Institute and we offer our apologies to both the Chesterville and the Crysler Institutes. Winchester District Memorial Hospital Women's Auxiliary.

Breakfast time in South Mountain

On Sunday May 6 the congregation of St. Peter's Anglican Church in South Mountain will host a Bacon' n Eggs Breakfast from 10-12 A.M. at a cost of $1.25 for adults and 75¢ for public school children. Wee ones are on the house.

Because the after Church coffee hour last March was a highly popular occasion with more than 125 turning out from the four churches, the thought of offering a breakfast party after church on Sunday morning took shape, and it will happen this Sunday morning at the above reasonable prices. Since all four congregations do not worship in South Mountain on Mother's Day, this is a pre-Mother's Day package that most mothers will welcome.

From May through Labour Day, St. Peter's worship schedule will be advanced to 9:00A.M. This week the Holy Eucharist without hymns or sermon will be offered at 9:00 sharp previous to the breakfast party at the Odd Fellows Hall that begins at 10:00 A.M. Proceeds of the event are for the Building Fund.

If You Have Something For Sale, For Rent or Want Some-Thing Someone Else Might Have, Advertise In The IROQUOIS POST For Fast Action.

CONSEIL D'EDUCATION DES COMTES DE
Stormont, Dundas & Glengarry
COUNTY BOARD OF EDUCATION

April 12, 1973

Dear Parents:

A crucial issue facing today's educational system is the unpredictable trends of a fast and ever-changing society; the adult of tomorrow will, in his lifetime, be expected to fill a multitude of social roles, probably hold many jobs, and live in many different places; in other words, live in a world entirely different from any known today.

With this thought in mind, The Stormont, Dundas and Glengarry County Board of Education is deeply interested in and committed to updating present programmes as well as implementing new programmes to adequately prepare young people to the challenge of their future role.

In keeping with this policy, the Board of Education wishes to open a new educational avenue to the youngsters whose education you have entrusted to us - the avenue to English-French bilingualism. Large metropolitan areas like Toronto, Montreal, and our national capital have, for a number of years, promoted a similar programme. Because of the proximity of this area to these centres it is most fitting and long overdue that equal opportunities be made available to those students and their parents desirous of developing mastery of French as a second language.

Educational research from many renowned educators has proved that the younger the mind, the more receptive it is to the concepts of second-language learning. Research has also proved that intellectual ability and the learning of a second language are not necessarily interdependent, and that the transfer of knowledge and skills across languages contributes to the intellectual development of the young learner.

1. THE FRENCH IMMERSION PROGRAMME - KINDERGARTEN LEVEL

Effective September, 1973, a French Immersion Programme at the Kindergarten level, will be offered where feasible on an optional basis. Let us assure you that, within this scheme, a resolution has been approved to the effect "that parents and educators involved recognize that a child may be withdrawn from the programme should the need arise."

May we also point out that the French Immersion Programme at the Kindergarten level will be in addition to the regular English programme presently offered, and not in place of that programme. In this way, the child will be adequately prepared for the regular Grade 1 programme.

We can derive then that no teaching positions at the Kindergarten level will become redundant.

In light of the success met to date in those areas referred to above, you will undoubtedly welcome the opportunity for your child to take advantage of similar programmes. We wish to reassure you that we will not hesitate to advise you to withdraw him (her) from the course should it prove mentally and socially advisable to do so.

2. THE 80 MINUTE DAILY FRENCH PROGRAMME - GRADES 1 AND 2

Second in priority to the Immersion Programme in French at the Kindergarten level, and subject to the feasibility of obtaining a sufficient number of qualified teachers. It is the wish of the Board of Education to implement as early as September, 1973, a French programme for a maximum of 80 minutes per day, at the Grade 1 and 2 levels. Though the existing 20-minute programme from Grade 3 to Grade 8 adequately prepares the students upon entering secondary school, it is not sufficient to develope a reasonable mastery of the French language in terms of a "working language" in the business, trade and professional world.

The second level of ability in English-French bilingualism can only be achieved through a more intensive programme similar to the one we propose.

3. PILOT PROJECT - FRENCH IMMERSION PROGRAMME - GRADE 7 AND 8 LEVELS

Third in priority is the implementation of a French Immersion Programme at the Grade 7 and 8 levels as a pilot project in each of the Three United Counties under the jurisdiction of The Stormont, Dundas and Glengarry County Board of Education. This programme is indeed subject to the interest shown by students and their parents and the availability of qualified personnel.

4. ENGLISH-FRENCH BILINGUALISM

To this day, French as a subject of study on the elementary and secondary school curricula has been essentially an academic subject. Experience has proved to us that unless the students have the opportunity to speak the language amongst their peers, or at home, they regard as unlikely any practical application of their knowledge of French.

Our aim and objective is to develop two levels of functional English-French bilingualism:

Dr. Stern, of the Modern Language Centre, Ontario Institute for Studies on Education, qualifies these two levels in these terms:

a) High level of functional bilingualism

l) they can meet with ease all day-to-day needs of intercommunication
ll) they can accept professional training in either language
lll) they can accept employment without handicap, in either language
lv) they can live in either speech community and adjust to it without any special linguistic or cultural difficulty

b) Second level of bilingualism

l) the capacity to read newspapers and other informative writing
ll) the capacity to follow without difficulty programmes on radio and television
lll) the capacity to accept training or employment in the second language, or live in the other language community
lv) the capacity to participate, through the use of both the first and second languages, in interpersonal contact, and
v) the capacity to understand the thoughts and feelings of the other language community and to share a certain level of information with the other language group

As committees of parents would undoubtedly appreciate receiving additional information as to various aspects of the programmes included above, the writer together with the Area Superintendent are planning to hold a series of meetings in the various areas as indicated below:

	Place	Date	Time
Area 1	Winchester Public School	Monday, May 7/73	8:00 p.m.
	Morrisburg Public School	Wed. May 9/73	8:00p.m.

Note: At Winchester Public School for parents of Mountain and Winchester Districts.
At Morrisburg Public School for parents of Matilda and Williamsburg Townships.

Area 2	Vincent Massey Public School	Wed. May 2/73	8:00p.m.
	Long Sault Public School	Thurs. May 3/73	8:00p.m.
Area 3	Roxmore Public School	Mon., May 7/73	8:30p.m.
	Maxville Public School	Tues. May 1/73	8:30p.m.
	Laggan Public School	Wed. May 2/73	8:30p.m.
	Williamstown Public School	Wed. May 9/73	8:30p.m.

Parents could proceed with the registration of their child in the French Immersion Programme, Kindergarten Level, in the following manner:

a) On the evening of the meeting scheduled for their area.
b) By telephoning the Principal of the school.
c) By personal interview with the Principal of the school.

May we continue to work together in the never-ceasing process of educational improvements for a better future for our children.

John J. Comtois
Superintendent responsible for
French Education

LIONS CLUB EXCURSION FOR SENIOR CITIZENS

the elderly, those on welfare, and everybody else who is scrimping to make ends meet.

EPILOGUE: My wife asked me, as I paced a hole in the rug, grinding my teeth: "What do we get for all this income tax we pay?"

It was a typical woman's question, right on the nose. For the life of me, I couldn't give her an answer that made sense. "Well, there's the Armed Forces." Protecting us against Iceland. "Uh, there are the salaries and offices and staff of parliament." Producing more taxes. "And, uh, you know, welfare and uh, icebreakers and uh, royal commissions and uh, well, stuff like that."

Aux barricades, mes camarades!

Raymond Lapier Dies at 29

Funeral services for the late Raymond Lapier were held at Fairbairn's Funeral Home, Brinston, on Tuesday April 10th. Raymond was 29 years old and was the eldest son of Mr. and Mrs Sandfield Lapier, Jr. of Glen Stewart. He was born in Dixon's Corner and attended school there and at Iroquois High School. Besides his parents, he is survived by a son Kevin, of Winchester, a brother Glen of Hanesville, Francis at home, and Barbara(Mrs. Wayne Ault) Glen Stewart and a nephew Stephen Ault. Also surviving are his grandparents, Mr. and Mrs. Earl Sipes of Iroquois and Mr Sandfield Lapier, Sr, of Inkerman. A number of aunts, uncles and cousins also reside in this area. Funeral services were conducted by the Rev. James Stewart who brought a comforting message to the family. The many beautiful flowers and memorial donations were a silent tribute to a very friendly young man who will be sadly missed by his many friends.

Pleasant Valley

Mr. Hilliard Gilmer spent Tues. evening with Mr. & Mrs. Preston Gilmer, Miller's Corners.

Mr. Ralph Shaw called on Mr. & Mrs. Earl Gilmer on Wed. afternoon.

Mrs. Delmar Adams & Mrs. Ken Roberts and baby called on Mrs. Kenneth Hunter on Thurs.

Mr. Hilliard Gilmer was a Friday supper guest of Mr. & Mrs. Sammy Cowan, Prescott.

Mr. Gordon Corker expects to go in to an Ottawa hospital for surgery on Tues.

Mr.. & Mrs. Elza Johnston were Friday dinner guests of Mr. & Mrs. David Gilmer.

Several from here attended the 45th wedding anniversary celebration in I.O.O.F. hall at South Mountain on Sat. evening for Mr. & Mrs. David Gilmer. Congratulations.

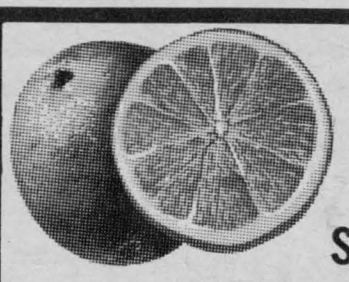

CITIZENS FROM PAGE 1

be a Registered Nurse, but we hope her chief duty will be to check the Lion's pulse and temperature.

The top fourty applicants from the 65-plus generation will receive the priority, and applications should be sent this week to Lion Allen McIntosh, Excursion Secretary, Box 492, Iroquois. If anyone does note quite qualify but really wants to go, we recommend that you fill out the application form and mark on it clearly "stand-by" Then hope for the best! It will be a great day for those who are able to go, so get those applications into Box 492 early.

BROCKVILLE–CARDINAL–MORRISBURG

Get pollution off your chest.

Ontario is a fast-growing province—more people, more vehicles, more factories, more machines every day.

With that growth comes the threat of damage to our environment. Pollution of all kinds.

The Ministry of the Environment is Ontario's guardian of our air and land and water.

Here's who we are and what we do:

Air Pollution.

1. We monitor the air for pollution and order corrections if unacceptable levels occur.

2. We track down strange odours in the air and many things you can't smell and eliminate them if they are dangerous.

3. We investigate suspected air pollution injury to people or property.

4. We are responsible for noise pollution and are creating enforceable noise control measures.

Land Pollution.

1. We deal with all the leftovers of our affluent society—the industrial waste, processed organic wastes, and ordinary garbage. And regulate its transportation and disposal.

2. We study recycling as an aid to reducing quantities of waste and to avoid depletion of our natural resources.

3. We control the use and application of pesticides which are unacceptable for pollution reasons.

Water Pollution.

1. We protect all of Ontario's water sources from pollution.

2. We develop and control surface and ground water resources.

3. We watch all potential sources of industrial and agricultural water pollution.

4. We plan, build and finance modern sewage and waterworks facilities for Ontario municipalities.

5. We supervise all private waste disposal systems.

Ontario has some of the most comprehensive legislation in North America to protect our environment. But it will take the effort of everyone to solve our pollution problems.

Won't you help?

ENVIRONMENT ONTARIO

Ontario Ministry of the Environment.
Hon. James A. C. Auld, Minister. Everett Biggs, Deputy Minister.

If you need our help, or you'd like to get a pollution problem off your chest, here's who you call:

SPORTS SLANTS

News & Views

by Leo DeBellefeuille

There appears to be an early start and a renewed interest at the local tennis courts. As one passes by this local recreation area - day or night -- it seems to be attracting several local enthusiasts -- young and old alike. We are very fortunate to have this modern up to date facility in our town. Tennis, is an excellent body conditioning sport--It can be played in the heat of the day or the cool of the evening. Locally -- a Tennis Club should be formed, an executive appointed and then establish a programe for the early spring, summer and early autumn. Adults and children could be taught the basic fundamentals of the sport. It would not be a further tax burden to the public because the courts--practice board etc. are in fine shape and are there to be used, so lets use it--lets organize it!

Larry Robinson, the lanky rear guard of the Montreal Canadians, had a strong series against Buffalo and Philadelphia. He dishes out some dandy bone crushing checks as well he takes a tough check very well and brushes off his opponents in a superb fashion. It appears, he will become one of those future stars on the Montreal blueline for years to come.

Robinson is a native of this area, hailing from the Winchester area. Do you remember when he played in the Legion ball tournament a few years back Larry also performed the the Central Junior Hockey League for Brockville Braves. At one time he played for Metcalfe in the St. Lawrence Junior "B" league. He will be an adequate replacement for big Jacques Lapierre when he retires. One of the key notes of Montreal's success in the past several years in addition to their fast speedy forwards, has been their powerful defenceive squad.

That has proven true in their quarter-final and semi-final series this season. Perhaps without the powerful performance of the Habs blueline corps, they could have been spectators instead of playing for the Stanley Cup once more.

It has been at least 22 years now, which has seen this hockey empire challenging for the valued mug of Lord Stanley. Guy Lapointe, he is something else! Yes, in the views of many hockey experts, when it comes to discussing the playing ability of to-days modern professional hockey playing defencemen -- you can always read and hear about such stars as Bobby Orr--Tim Horton - Randy Manery - Marshall Johnston - Bill White - Gary Bergman - Gilles Marotte - Barry Gibbs - Arnie Brown - Brad Park - Joe Watson - Duane Rupp - Barclay Plager - Jim McKenny - Josh Guevremont and the list goes on and on. However, Guy Lapointe of the Montreal Habs is very underated. He does not obtain the print and recognition he so richly deserves.

During the regular season, Lapointe - game in and game out has played very steady. His devensive game has been next to flawless - rarely has he been caught out of position. Realizing of course that he has been a strong offensive threat. His plus factor has been outstanding as opposed to many other rearguards in pro shinny. When Lapointe is on the ice, he is regarded as another forward because of his scoring ability. Guy in the 1972-73 scored more goals than many forwards in the N.H.L. In doing so, he has established an all time single season record of goal production by any Montreal defenceman. His performance in this years Stanley Cup playoff has been remarkable. On many occasions he kept his team in the game by scoring goals that either tied or won games for the Flying Frenchmen. Additionally Lapointe has broken up several scoring attacks by the opposition. During the recent play-offs he has been injured on different occasions blocking shots from ganging forwards. He is a good skater by defensive standards, has a powerful accurate shot - carries the puck well out of the danger zone, an excellent stick handler and a fine playmaker. Scotty Bowman uses Guy to kill off penalities - also on almost every power play and clocks as much ice time as any defenceman with much less miscues. Moreover, if ever a star is selected for a fine game by a Montreal blue liner it appears more over than not it will be Serge Savard - Bob Murdock - Jacques Lapierre - Larry Robinson or Pierre Bouchard. Personally, Ifeel strongly that common sense will tell any one that if coach Scotty Bowman wants to get the job done - he sends Guy Lapointe onto the surface. However, let Bobby Orr receive most of the ink in all press releases - even if he has his bad games or not. My view is that by far Guy Lapointe is one of the better all round defenceman in hockey today and does not receive credit where it is due. During the balance of the Stanley Cup Finals against the Hawks - keep your eye on big rough and tough Guy Lapointe!

An attempt is being made at this time to organize minor lacrosse and establish a league in the district. A questionaire will be given to boys in the local elementary schools to have an impression of the number of boys who may wish to become involved in such a program. Several people in Iroquois have indicated an interest for developing Canada's National Sport in Iroquois. If you are interested in assisting to make this venture a successful reality - leave your name with Delbert Jones at Seaway District High School or Allan Hare or John McAllister of the same institution. Or if you prefer, you may give me a call at work S. and F. Food Market or phone 652-2123.

With daylight saving time now in effect, things should get rolling now, lets hope a meeting is called very shortly to formulate all the details.

Mr. Larry Dowell, of Morrisburg - called me last week to secure information pertaining to the Dundas Intermediate Fastball League. Regretably, in speaking to Mr. Gary Blok the past president of the league, the setup is very gloomy for this year. Apparently two teams from the league have withdrew to enter leagues in Brockville and Cornwall. It is no wonder this has occured, if the league executives have not taken any action for this season they may have all former entries depart to other leagues. What a sad effort on behalf of the Dundas Intermediate Fastball League,. If you have any information regarding this league - contact Larry Dowell in Morrisburg or yours truly. Futher it would be appreciated if Miss Lynn O'Brien would up date us on the progress of the Ladies Fastball League. Suddenly you know that, finance companies are in a Loan-Some business, so will the ball season if some-one soon does not start the ball rolling! Maybe some teams feel that they can loose their shirt if they put too much on the cuff! In other words, the lack of interest may lie in the fact there is a lack of sponsors.

I have been pondering with the idea of dropping "Sports Slants" for June - July and August. If you are interested in this column being a regular weekly feature during these summer months, I would be interested in hearing your opinion or views on the matter.

Remember, if you play sports - be a good one and keep your eye on the game!

I would sincerely like to say Thank You to everybody in Iroquois and surrounding districts for their cards, letters and inquiries about me while I was in Queensway Hospital, Toronto. Your kindness will always be remembered. Mrs. Annie Kirker

We wish to express grateful thanks to our friends and neighbours for floral tributes, memorial gifts, expressions of sympathy and all acts of kindness shown us during the loss of our dear Mother, Grandmother, and Sister, Mrs. Myrtle Christie.
Special thanks to Mr. Britnell, Rev. Lloyd Martin, Mr. Clifford Allan, Mrs. J. Irving & Mrs. Cecil Bennett; to those who acted as pall bearers and to those who assisted at Orville's home during our bereavement. These many kind acts will always be remembered.
The Christie family and Russell Beggs. 46-1-p

Many thanks to the Iroquois Fire Department, Ray Delegarde, friends and neighbours who offer their assistance in our recent emergency.
Special thanks to Julie Sutherland and Jeannie Mattice for their helping hand.
Jim and Flo Brennan and Family 1-c

Our sincere thanks are extended to our many relatives, friends and neighbours for their many act of kindness, floral offerings, memorial donations and sympathy cards and messages following the death of our son and brother Raymond. Your kindnesses were greatly appreciated and will always be remembered.
The Lapier Family 46-1-p

I would like to say thank you to all who sent letters, cards, gifts, cut flowers and plants to me while I was a patient in Winchester Hospital; a special thank you to Dr.s Basil Forbes and Duane Justus, the nurses of 1st floor, the clergy who called on me, and the Ladies Auxiliary Br. 370 for the lovely plant, also a special thanks to my family and all who helped out at home. Thanks again to all. Mrs. Howard Fawcett.
