Save Against the "rainy day"

The thought of being dependent some day, when illness or old age takes away one's ability to earn, is rightly distasteful to the Canadian mind.

The simplest, surest way to offset this is to open a Savings Account and add something to it every week. Come in and we will gladly explain.

Chesterville's New Postmaster

Mr. Wesley Fulton was advi ed on Friday last of his appointment to the position of postmaster in Chesterville. Mr. Fulton is a returned soldier with a long and creditable record of service overseas, where he went with the 87th Batt., Grenadier Guards. He is fully competent for the position and we believe a more popular appointment could not be made.

Farewell to Mrs. P. D. O'Grady

The women of St. Mary's church assembled at the C.O.F. hall on Monday evening of last week to bid farewell to Mrs. P. D. O'Grady and to extend their best wishes, previous to her departure for Cleveland, Ohio. The evening was pleasantly spent in playing euchre and music, followed by lunch.

At the conclusion of the evening an address was read by Mrs. J. T. Kearns, after which a beautiful cut glass vase was presented by Mrs. Eugene McMillan. Mrs. O'Grady responded very nicely. The evening was brought to a close by the singing of "She is a jolly good fellow" and the National Anthem.

Child's Death Caused by Eating Pills

The little five-year-old son of Dr. Clark, V. S. of Brinston, died suddenly on Saturday last as the result of having eaten a number of pills mistaking them for candy. The pills were unthinkingly left within the little fellow's reach in an upstairs room where he found them. After eating them he went out and was playing with other children when it became noticeable that his body and legs were becoming stiffened. He was hurriedly carried to his home and medical assistance procured, but it was not known what the cause of the trouble was until he was being undressed when some of the pills were found in his pockets or stuck in his clothing. He passed away about ten o'clock the same evening.

Baseball at its Best.

On Friday afternoon last at the Driving Park one of the finest exhibitions of baseball ever pulled off in this district was staged by Kenmore and Chesterville when a regular pitcher's battle was fought out to a one to nothing score between Dug Gemeroy for Chesterville and D. McLaughlin for Kenmore. Only twenty-nine men faced Gimeroy in the nine innings, but in the fourth second basemen Craig managed to make the circuit with the only counter of the game but it was enough to give Kenmore the long end of the score. The play was brilliant from start to finish and errorless by both teams, making the going so hard that during the whole game only three men got as far as third base. This is the kind of ball that puts the spectators on tip-toe and merits the support of all residents.

Following is the score:—

with The Merchants Bank, and pay all bills by cheque. By depositing a regular sum in a Savings Account, you know exactly how much is spent on the different branches of housekeeping.

When you settle by cheque, you avoid all disputes as to payment, as the cancelled cheques are receipts and prove the payments.

This business-like method of home finance often prevents paying the same bill twice.

Savings Accounts may be opened in sums from $1 up, on which interest is allowed.

BETTER COOLING

(FARMERS CUT THIS OUT.)

At this time of the year when the sun is hot, and the flow of the milk is high, remember that more water is required to cool milk to the desired temperature. The more milk you have the more water is required. Don't try to cool eight cans in water that will only cool four cans. Change the water often. Milk cooled and not kept cool will sour.

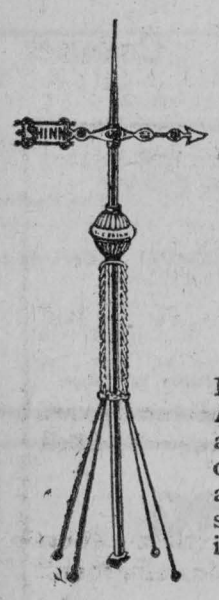
Shinn-Flat

Lightning Rods
Prevent Lightning Losses

WHEN your buildings are protected with Shinn-Flat Lightning Rods, you may be absolutely sure that they're safe from Lightning damage Shinn-Flat Lightning Rods are the only kind made in the form of a flat cable—which has 36% more conducting surface for electricity than the same amount of material made into a round cable.

Lightning Can't Strike if Shinn Gets There First!



Shinn-Flat prevents the accumulation of electricity in the building, by permitting it to gradually pass from the heavily charged ground and building into the atmosphere above.

Bonded to Protect

A large Bonding Company issues a Surety Bond to the owner of every building we protect, guaranteeing that Lightning will not damage.

W. H. DAY

Professor of Physics at the Ontario Agricultural College for many years, and Canada's recognized authority on Lightning Protection is now Manager of the Shinn Mfg. Co., and assists in training Shinn Dealers thus insuring correct installation.

In the Midst of Life

So frequently a man meets with death when apparently in health and looking forward to years of activity.

The income stops. His affairs disclose no resources whice will carry on the home and keep his widow and children.

In a case like this a policy in the Sun Life Assurance Co. of Canada, will promptly meet the financial necessities.

Mr. and Mrs. Maurice Servage and family motored to Morrisburg recently.

Mr. and Mrs. Ira Christie of Winchester, spent Sunday with Mr. and Mrs. Wm. Ross.

Pte. Charlie Stilson of Bouck's Hill, arrived home from overseas last week looking hale and hearty.

An airplane flying over town distributing advertising matter attracted considerable attention yesterday morning going north. It is the second machine to ever pass this way.

Mr. and Mrs. Maher of St. Paul, Minn., spent a month visiting relatives, also Mr. and Mrs. Chas. Chambers as Mrs. Maher is a niece of Mr. Chambers. They returned home last week.

On Saturday morning, August 16th, a cheese factory at Osgoode station belonging to John A. Campbell of Ormond, was totally destroyed by fire which is supposed to have started in the boiler room.

Mr. and Mrs. George Meikle of Morrisburg, who made a trip to France to find the grave of their son Gerald, were successful in doing so and had a permanent head mark erected. They arrived home a week ago after visiting many of the large cities of England and Scotland.

Fifthieth Anniversary

At Oak Dale farm, Winchester vicinity, on the evening of Aug. 25th several relatives met to help Mr. and Mrs. John Jamieson commemorate the fifthieth anniversary of their wedding day. The groom of fifty years ago brought his bride to the home and farm on which they reside at the present time. The bride was the youngest daughter of the late James Rae and to this union were born eleven children, eight of whom are living. Three daughters—Mrs. (Rev.) J. A. Shaver, Strathroy; Miss Agnes of Montreal, Miss Helen at home. Five sons—J. A. of Drinkwater, Sask., Chas. B., Saskatoon; James and David, Montreal and W. Ernest of Briercrest, Sask., six grandaughters and one grandson.

The guests were received by Mr. and Mrs. Jamieson assisted by Miss Helen and Miss Ella Rae. Dinner was served to over fifty invited guests. The dining-room and living rooms were decorated for the rare occasiou with flowers, vines, ferns and palms. Immediately after dinner before the guests arose from the tables Mrs. J F. Cass stepped over to the head of the bride's table and read a very appropriate address and at the proper moment Mrs. Blanchard presented Mr. and Mrs. Jamieson with a purse of gold from the groom's six sisters and one sister-in-law. After Mr. Jamieson's reply on behalf of Mrs. Jamieson and himself, Dr. P. McLaughlin who was master of ceremonies, read a splendid letter that was fairly bursting of love and respect, from the youngest son Ernest, on behalf of the family, when a brand new wedding ring and a solid gold wrist watch were presented to the mother and a genuine ebony walking stick with a heavily engraved gold handle was presented to the father by their youngest daughter Miss Helen.

After Mr. Jamieson's reply on behalf of Mrs. Jamieson he then presented Mrs. Jamieson with a very handsome cheque and also a nice sized cheque to each of his six sisters each of whom made short replies.

Shortly after Dr. McLaughlin proposed the toast to the bride and groom. Their health was also drank and afterwards concluded with "They are jolly good fellows".

The tea table was presided over by two nieces, Mrs. W. T. Rae and Mrs. J. R. Johnston, four other nieces, Misses Edna Cass, Nell Elliott, Annie McKercher and Ella Rae helping to serve. Guests from a distance were Mrs. Blanchard, Potsdam, N. Y.; Mr. and Mrs. Armstrong and family, Allan's Falls, N. Y.; Miss McKercher, Ottawa; Miss McGee, Cardinal; Miss Gordon, Richmond, Ont.

The evening's programme concluded at midnight and amid goodnight handclasps the guests said they were already looking forward to the diamond anniversary.

A guest of honor in the person of Mr. Hugh Jackson was present he having celebrated his fifthieth anniversary thirteen years ago and his diamond jubilee three years ago.

MOREWOOD

Through the kindness of Mr. and Mrs. Alex Dillabough a social was held on their lawn last Wednesday evening by the managers of the Presbyterian church. The night was dark and showery, but yet a large crowd of people sat down to an excellent supper. Pipers Carruthers and Kenny furnished some selections but no further program was attempted. Cakes and ice cream were there in such abundance that a social time was held in the hall the following evening but the weather was again very unfavorable.

A deputation of some of our leading citizens motored to Ottawa on Thursday for the purpose of petitioning the Militia Dept. for one of the captured German guns which are for distribution. No definite promise was obtained.

An imposing steel column, surmounted by a flag staff was erected on Saturday evening in the enclosure for the Soldiers' Memorial Monument. This and the neat iron fence testify to the energy and interested efforts of the committee.

General dissatisfaction has been felt that some of our returned soldiers left for the west without the customary public reception, so all were pleased to assemble in the hall on Monday night, at the call of our energetic president, Mr. D. Collison, to welcome back Ptes. O. Dagenais L. O'Neil, P. Steinburg and Sergt.-Major I. Macdonald. The last named soldier had the unenviable distinction of being the only prisoner of war in Germany from this locality. Rev. Mr. Curtis of Winchester, gave an enthusiastic address on what we owe to the bravery of our Canadian soldiers. Rev. K. A. Gollan presented a gold signet ring to each returned soldier and also to Pipers Carruthers and Kenny, with the hearty thanks of the Morewood people for their valuable and willing contributions to the program of all these receptions that have been held. In the few words of reply made by Sergt.-Major Macdonald he showed how absolutely indispensable to the prisoner of Germany were the parcels of food, etc., sent by the Red Cross society.

Messrs. L. Rounthwaite, D. Hunter, G. Bouck and G. McGregor are on a motor trip to Morrisburg, Kingston and Toronto.

Mrs. and Miss Allison, Mr. and Mrs. W. Reveler, Messrs. C. McConnell and C. Smith were visitiors to the Toronto exhibition last week.

Mrs. J. Campbell and Mr. S. Carlyle left on Tuesday night for the west after a months holiday among their many friends here.

In Memoriam

In fond and loving memory of Pte. Alfred Erratt of Crysler, who was killed in action, while in the attack on Lady Lane, France, on Aug. 28th 1918, aged 24 years and 14.

He has passed across the trenches,
To that other land afar;
He has reached the place of refuge,
Far beyond the din of war.
His country's call he answered,
The dear old flag to save,
But now he lies in far off France,
And fills a hero's grave.

How I Found The Safe Way To Give My Baby Milk

I AM the happiest woman alive. My baby is on the road to health.

Only a mother can know what that means!

Our doctor told me that the safest way to give him milk was to give him Nestlé's Milk Food which is made out of pure milk modified with just the right amount of sugar and cereal.

He explained to me that making the milk into a fluffy powder breaks up those hard-to-digest curds, so that when you add water and boil just a minute, you have the nearest thing in the world to mother's milk—clean, safe, and almost sure to agree with a baby's delicate stomach.

That is why I am the happiest woman alive—for my baby is well.

I know that if your baby has trouble with his food, the Nestlé Company will be glad to help you. They will send you free, as they sent me, a big Mother's Book on how to take care of your baby and enough Nestlé's Food for 12 feedings. All you have to do is to fill out and send the coupon. Then you can be, with me, the happiest woman in the world—because your baby is well.

Nestlé's is pure Milk in powder form that is already modified and does not require the further addition of milk. Always pure and safe, always uniform, and free from the dangers of home modification, Nestlé's has stood the test of three generations and *has today the largest sale of any baby food in the world.*

FREE! Enough Nestlé's for 12 feedings. Send the coupon!

The Situation of the Trade in small seeds

Red clover seed will be very scarce and high in price. Farmers everywhere should be interested in the situation of small seeds. The price of alsike, alfalfa, sweet clover and timothy seed will be relatively high with red.

See what the Toledo market, one of the main world markets quotes on Aug. 25 for December deliveries. For red clover $30 for alsike $25.05 for timothy $5.70 per bushel.

It seems to bad this year to see cattle eating off fair to good red clover seed prospects in Central and Eastern Ontario. Be sure there is little or no seed in the second growth clover before turning stock in it. Eliminate as far as possible the weed seed danger by cutting, pulling or picking them out of the seed crop when practical. Don't cut the killed out or thin spots where foxtail, ragweed, mustard and other weeds common and noxious are most prevalent.

Thresh a lot of the hay which matured timothy seed and in many cases alsike and red clover seed as well, throughout Eastern and Northern Ontario where alsike grew like a weed this year. The fodder will not be injured for feeding and good money may be made from the sale of the seed as well. Where ox-eye daisy is a prevalent weed do not thresh out seed. Most other weed seeds may be made from the sale of the seed as well. Where ox-eye daisy is a prevalent weed do not thresh out seed. Most other weed seeds may be separated.

Some provision will be made for getting the threshing done by properly fitted machines that will do the work satisfactorily where there is enough seed worth while and three weeks or one months threshing would be worth while.

The Ontario Department of Agriculture will, I understand, send free of charge, on application, experts to fit the ordinary threshing machines for threshing the small seeds and will locate where second hand hullers are available.

MOREWOOD

(Last week's news unavoidably held over)

A disasterous fire was started by the lightning on Thursday evening by which Wm. Swerdfeger's barn was completely destroyed. Through the stubborn fight put up by some of our men the hog-pen and other buildings were saved but the gasoline engine and much other valuable machinery was lost besides over 87 loads of hay. The loss is only partially covered by insurance.

The ball game on Friday between our Juniors and Chesterville was a complete walk over for Morewood, the score being 23 to 3.

Dr. Philp, Mr. and Mrs. Collison, Mrs. York and Mrs. Gollan attended the convention of the County S. S. Assooiation at South Mountain on Tuesday.

Nurse Shelp left for her home in Russell on Friday as her little patient Morten Marcellus is getting along splendidly.

Rowat Swerdfeger of the Royal Bank, Tweed, is holidaying here at present.

Miss Blair spent the week-end the guest of Mrs. T. E. Coulthart.

The Legacy of War

Canada's Dead and Missing - - - - -	**63,038**
Canada's Wounded - - - - - - -	**149,709**
Canada's National Debt - - -	**$1,670,263,691**
Soldiers' Annual Pensions - - -	**$35,000,000**

THE WORLD is staggering with debt. Some of the leading countries are verging on bankruptcy.

Five years ago Canada had never dreamed of the financial burden she carries to-day.

Canada entered the Great War with a National Debt of $337,000,000, or $42 per head of population. Canada emerges with a National Debt to date of $1,670,263,691, which is expected to approximate $2,000,000,000 by the end of the fiscal year—or about $250 for every man, woman and child in the country. Interest charges alone will eat up nearly one-half our present national revenue, and soldiers' pensions will have to be provided as well.

Can Ontario Afford to Spend $36,000,000 a Year on Booze?

PREVIOUS to the Ontario Temperance Act the drink bill of the Province approximated $36,000,000 per year, an amount about equal to Ontario's share of the Annual interest on our National Debt. In the face of our financial responsibilities alone, is this the time to repeal the Ontario Temperance Act or relax a single one of its restrictions upon waste of money and man power? To every question on the Referendum Ballot vote—

"No!"—Four Times—"No!"

No Repeal—No Government beer shops—No intoxicating beer in Standard Hotel bars—No Government beer and whiskey shops. Be sure you are on the voters' list. Be sure you mark your ballot four times—X—X—X—X—in the column headed No.

CITIZENS' LIBERTY LEAGUE

Its Aim and Its Object

The Citizens' Liberty League is an organization of representative men and women throughout Ontario, who through necessity have banded themselves together to oppose all legislation (Dominion or Provincial) which tends to curtail the liberties and lawful rights of the citizen.

In view of the imminence of the Ontario Referendum the activities of the League will for the present be chiefly directed to

SANE LIQUOR LEGISLATION

The Ontario Temperance Act, adopted by the Government as a war measure—without the vote of the people—is legislation that does curtail personal liberty and one which has bred great dissatisfaction.

The Citizens' Liberty League is absolutely opposed to a return of the open bar as it previously existed in Ontario under the old License Act. The League believes that The Ontario Temperance Act should be repealed and so enable the Government to enact a law in accord with the sentiment of the people, permitting the general sale of non-intoxicating beer and light wines and the sale of pure spirituous liquors only through Government agencies under proper restrictions.

Now that a Referendum is about to be taken, the members of the League feel that every citizen should clearly understand the meaning and significance of the questions asked in the Referendum Ballot.

In order to accomplish this purpose the Citizens' Liberty League will discuss all phases of this great issue in the public press in the interests of sane, moderate temperance legislation.

CITIZENS' LIBERTY LEAGUE
