Rosenquist chosen SD&G Liberal candidate

FINCH (Staff) - Dr. Gerry Rosenquist was ushered to the podium at the Finch Community Hall Monday night by a marching band, but even after the band stopped playing the liberal nominee continued to march to become the Liberal candidate for the Stormont, Dundas and Glengarry provincial riding.

Dr. Rosenquist, from Morrisburg, was chosen the Liberal candidate by approximately 500 party supporters at the party's nomination meeting. He narrowly beat the only other nominee, Bill Cumming, reeve of Lancaster Village in the east end of the riding.

The 45-year-old doctor told party supporters before the vote, "I want to go to Queen's Park and nothing would please me more than to take you with me."

He told the audience he had three wishes when he came to Williamsburg Township from Manitoba: to establish a medical practise, to further his medical education and to win the liberal nomination in Stormont, Dundas and Glengarry.

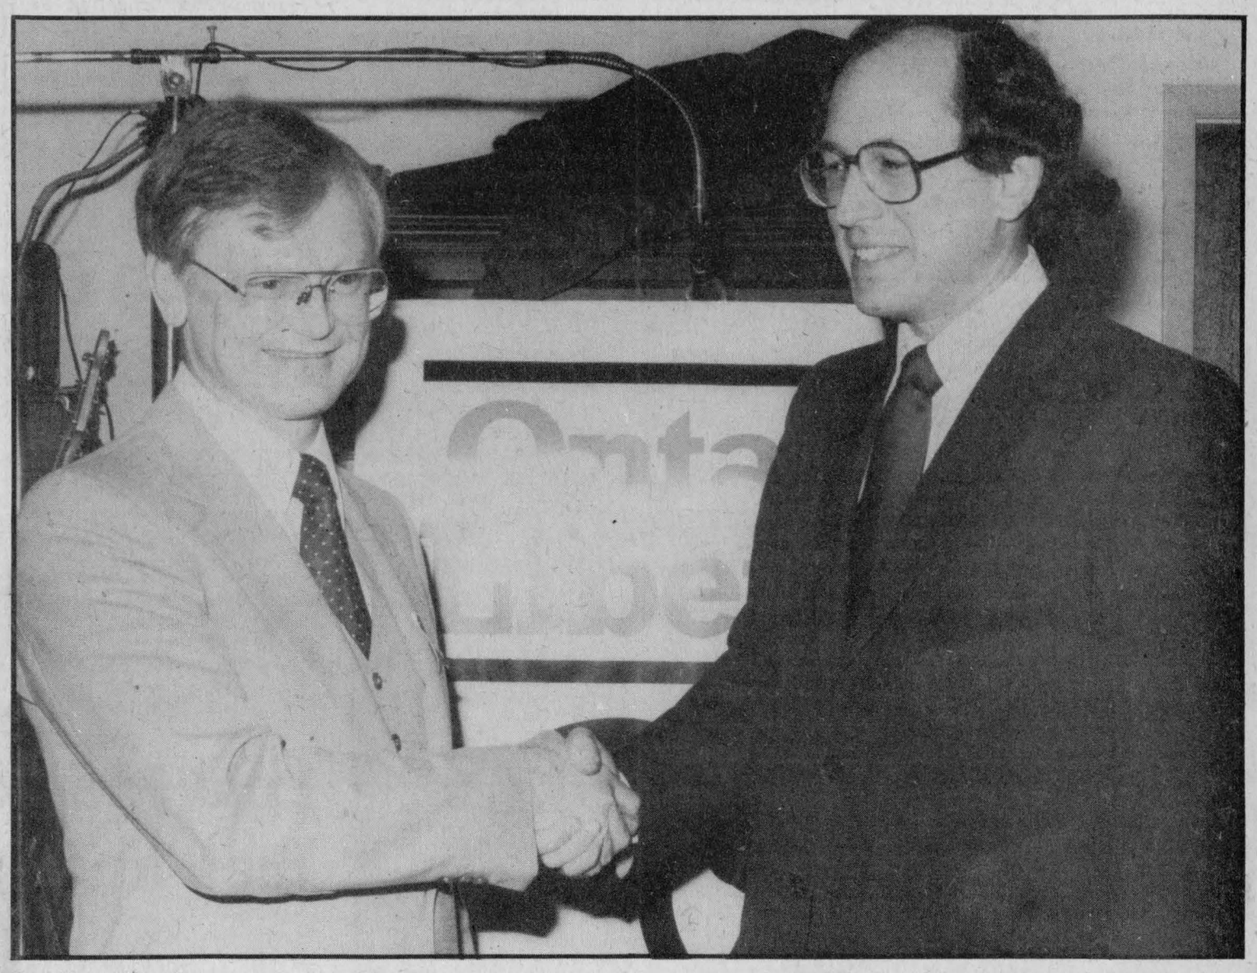
Dr. Rosenquist has been active politically for some time. He has been a councillor on Morrisburg Village council since 1976, and during the last federal election he was a chief organizer for Stormont-Dundas MP Ed Lumley.

In his campaign speech Dr. Rosenquist said, to beat the Tories in SD&G will take a lot of work and a lot of organization. Qualities he has proven to possess. "I've proven I can run a successful campaign, and organize a group of professional men."

Dr. Rosenquist's opponent for the nomination, Bill Cumming, was making his second attempt Monday for the party approval. Johnny Whitteker, Reeve of Williamsburg Township defeated Mr. Cumming in his first attempt.

Dr. Rosenquist is the founder and senior partner in the St. Lawrence Medical Clinic and Chief of Obstetrics at the Winchester District Memorial Hospital. He is a native of Manitoba and father of five children.

Although the SD&G Progressive Conservative Party has not yet chosen a candidate for the March 19 election it seems they may not have to bother. Osie Villeneuve, Conservative MLA for SD&G for many years, stated he may reconsider his decision last year to retire.



Dr. Stuart Smith, provincial leader of the Liberal Party congratulates Dr. Gerry Rosenquist following the Morrisburg doctor's successful bid for the Liberal nomination in Stormont, Dundas and Glengarry. The Liberal nomination meeting was held Monday in Finch with about 500 party faithfuls attending. Dr. Rosenquist beat out Bill Cumming, reeve of Lancaster Village for the chance to run under the Liberal banner in the March 19 provincial election.

Smith: economy is election issue

FINCH (Staff) - The rebuilding of the Ontario economy is the central issue in the coming provincial election Ontario Liberal leader Stuart Smith told a crowd of 500 here Monday night. And as the party of small businesses Dr. Smith said the Liberals were the party to do the job.

"The fundamental question is, do we have to put up with the decline in our economy or can we do better?", said Dr. Smith, speaking at the SD&G Liberal nomination meeting.

Ontario is now in 10th and last place among the provinces in economic growth said the Liberal leader. "And it's getting worse, not better. There is no reason for Ontario to be behind New Brunswick, Prince Edward Island, or Nova Scotia."

Ontario has the necessary resourses, water, coal, trees, etc., explained Dr. Smith. "Given the people we have, of a peaceful background, with good education, and being hard workers, why should we be even second in the world?"

Things have been good in Ontario for a long time said Dr. Smith. The Conservatives had a good government. Then the PC's developed a way of getting votes without working to solve Ontario's problems.

As the leader of the Liberal party, the party of small businesses, Dr. Smith said, "I'm convinced that if we have an economy of supporting the small business the economy can be rebuilt."

"It's the small businesses that would train the people we need, that would hire the people."

The economy can be rebuilt by helping the small businesses in Ontario said Dr. Smith.

Many young people, 30,000 last year, have had to leave the province to find work said Dr. Smith. "We need a program to train them right here."

The Liberal party will "get the economy moving again and give our children the opportunities they deserve."

Hearing of SD&G MLA Osie Villeneuve's reconsideration of retirement before the election Dr. Smith said since Mr. Villeneuve has tried to retire three or four times and he can't

Morewood's royalty

Krista Weegar was crowned Morewood Carnival Queen last Friday night at the opening ceremonies for the Morewood Winter Carnival. Krista (middle, standing) fifteen-year-old daughter of Don and Marlene Weegar is a student at North Dundas District High School. She was crowned by last year's carnival queen, Penny van Dongen, to the right of Krista. Chosen as first princess was Pattie Carruthers (left of Krista), a sixteen-year-old student at North Dundas District High School. Pattie is the daughter of Ken and Marilyn Carruthers. Taking the place of second princess was Amy Walker, daughter of Bob and Jean Walker. Amy is a fifteen-year-old student at NDDHS. The young women presided over the events during carnival and received numerous gifts from the community.

Morewood renovations in '81?

CORNWALL (Staff) - Funds have been allocated to the Stormont, Dundas and Glengarry County Board of Education by the Ontario Ministry of Education for the proposed expansion of the Morewood Senior School in 1982-83 but the Morewood Building Committee wants the project to get an early start.

The committee, composed of school board trustees and headed by local trustee Lorne Thompson, supports the early start even though any costs incurred in 1981 would be a cost to the board from current funds.

Superintendent Ken MacLennan told the board trustees at last week's meeting that because the ministry would only pay for the project if carried out in 1982-83 the board must bear the cost of borrowing the money for the Morewood project until the government money is provided.

He estimated the interest cost would be $67,500.

In their report the committee noted that the real cost of the project would be the borrowing charge of $67,500 minus inflationary increases expected if the project is delayed another two years.

The committee also reported that discussions are being held with the ministry of education requesting approval for an early start and receipt of a portion of the grant in 1981.

Mr. MacLennan pointed out the project can't go ahead without approval from the province.

If a portion of the grant is received in 1981 the interest costs to the board would be reduced.

Tourist Council future uncertain

MORRISBURG (Staff) - When asked his personal feelings about a Prescott, Grenville County pull-out of the Seaway Valley Tourist (SVTC) Council, at the January meeting of the SVTC, president Bob Scott asked, "Do you want my resignation, now?"

The proposed pull-out was raised at a meeting in Landsdowne, approximately two weeks ago. The meeting of the SVTC was the first since the possibility had been mentioned.

Mr. Scott named John Morris, Prescott Chamber of Commerce President, as the man spearheading the move to the Rideau Lakes and Thousand Islands Council in the town of Prescott. He said the decision had not been made yet, but had been referred to a steering committee representing Prescott council and the chamber of Commerce.

Although he said he wouldn't want Prescott to "be the last man in the corner" referring to any mass move to the Rideau Lakes and Thousand Islands organization, "I would have to look at what the Rideau Lakes and 1,000 Islands district could do for us before I make that decision.", he said after some thought.

Gaps in Crysler feasibility study

BERWICK (Staff) - Finch Township council instructed clerk-treasurer Arnott Empey to write Rachel Patenaude of the Crysler Community Centre Association to seek her assistance in filling gaps in a feasibility study done for the Crysler arena at last Monday night's council meeting.

The discussion stemmed from a letter sent to council by the association requesting the township not support the Finch arena in view of the mismanagement claimed by the Crysler group.

This opened discussion on the progress of the Crysler project. Correspondence from the Ministry of Culture and Recreation was reviewed to determine the nature of information still required by the ministry.

Council hopes the Crysler Community Centre association and council will be able to pool their knowledge of the situation in order to satisfy the requests of the ministry.

Council said they felt either a letter was missing from the file or letters from the ministry dated September 5 and October 15 had never been answered. Mr. Empey allowed this was possible since the letters had never been answered by himself.

Henry Zwirek, deputy-reeve during the previous term of council had the letters in his possession until last week. It was not known if Mr. Zwirek had answered them, but he had never asked the township to reply to them.

The possibility of a grant for the arena has hung mid-air without the ministry's possession of answers to its queries.

Chief among its concerns was the economic viability of the arena. The letter of September 5 stated its doubt of the financial feasibility of the facility.

A touch of the Irish

(Staff) - St. Mary's Social and Dramatic Club has plans well underway for their St. Patrick's Variety Night. The next meeting of the group will be Wed., Feb. 11 at 8:15pm. All interested are welcome to attend. For further information contact Vicki Cooke, Riverside Drive.

Horizons grant

(Staff) - The Senior Citizens section of the Morrisburg Golf Club in Morrisburg will receive a New Horizons grant of $2,348 the Minister of National Health and Welfare recently announced. The grant will be used to improve and expand the club's on-going activities. The most popular and successful of these activities include a number of indoor games and the showing of films.

Broomball winners

(Staff) - Winners of the Chesterville Ladies Broomball Team 50-50 Draw were announced last weekend following the Ladies Broomball Tournament. Both winners are, appropriately enough, ladies: Lena Lajoie and Shirley Dillabough, both of Chesterville.

Dairy Day Feb. 5

(Staff) - Dundas Dairy Day, sponsored by the Dundas Holstein Breeders' Club, the Dundas Milk Committee and the Ministry of Agriculture and Food in Winchester, will be taking place tommorrow, Thurs., Feb. 5. The day's program begins at the farm of Archie and John Mellan, Mellholm Holsteins, where Graham Hooper and Beth Wheeler from Kemptville College will discuss calf and heifer management. Lunch, from noon to 1pm, will be at the IOOF Hall in Brinston; it's bring your own. Coffee, milk, donuts and cheese will be provided. During the meal Robert MacDonald of Dalkeith, will discuss his recent trip to Wisconsin. At 1pm the program continues at the farm of Ron and Bert Smail, where Grant Smith and Allison Fawcett will conduct a program on livestock evaluation, classification and sire selection.

Mmm, mmm good

(Staff) - In an effort to raise funds for their trip to Calgary in July, the Tagwi Scouts are holding a country-style supper for sweethearts in the Avonmore Community Centre on Sat., Feb. 14 from 4:30 to 7:30pm. Ham, scalloped potatoes, salads, desserts and other homecooked goodies will be served for only $5 for adults, $2.50 for youngsters six to 12 and children under six are free. Dads, you don't even have to pay the babysitter, so give your Valentine a night out, and support Scouts.

Osnabruck Township gets new recreation director

OSNABRUCK CENTRE (Staff) - Mary Margison, the new Osnabruck Township recreation director had prepared himself for the long wait between graduation and employment after seeing friends sink into long depressions.

It was a pleasant surprise for the December graduate of Algonquin College to be told she had gotten the job in Osnabruck. She said she was so excited she threw her mother around the living room when she heard the news.

No such long wait was in store for Miss Margison, a Prescott native. After the careful preparation for an anticipated dry spell, she went to her first job interview at Osnabruck Township. Clerk-treasurer Lois Smith called the next day to ask for her references and she said, then it began to sink in.

"With the right references, I realized I had a shot at the job." She credits her varied work background with the success of the interview.

Miss Margison said the job in Osnabruck covers every duty you could imagine a small town rec director would have. She feels it will be the ideal place for her, in that it offers such a learning experience.

A graduate of the Algonquin College facilities management recreation program, she said the course covers most of the knowledge required by someone in her position.

Along with refrigeration, construction and other facilities management courses, accounting and budgeting are taught with a view to a varied, staff-limited position.

Miss Margison agreed with the township council that a main priority for the near future should be a new town hall. Although, she acknowledged, the actual realities of priorities in the township and funding difficulties would certainly be considered first by the council.

Although she has ideas for projects and programs, she said, she hesitates to express them before she has made herself more familiar with the township, its activities, it needs and its resources.

"I don't want to step on any toes", she said referring to the many citizens who have been active on a volunteer basis in township recreation. Rather, she looks forward to researching the files left in her office and getting in touch with those who have been or wish to be active in township recreation.

A priority program she hopes to accomplish is the continuation of the move to make more active use of the schools in the township. The concept of community schools is being taught in recreation programs, said Miss Margison.

In fact she said she knows of an extensive recreation program in effect reliant solely upon school facilities.

With the re-appearance of the Wintario grants announced last week, she said, Osnabruck might be in line for some funding. With a low tax base and few facilities, the township should figure high on the list, she said.

Miss Margison's background includes the University of Waterloo co-op recreation program, which she left to join the Algonquin program as well as summer jobs including a term as intramural recreation director at Sault College in Sault Ste. Marie and a Children's Aid Society summer camp employee in Brockville.

She has lived in Prescott since 1965 except for periods away from home for her education. She hopes to move to Ingleside as soon as she is established in her new position, she said.

Mary Margison, Osnabruck Township's newly-appointed Recreation Director says she has a lot of reading and familiarizing to do before she will know exactly what the township needs from her department. Miss Margison is a graduate of Algonquin College and lives with her family in Prescott. - staff photo -

Good Citizenship deserves a Medal

Do you know anyone here in Ontario who–through selflessness, humanity and kindness without expecting anything in return–has made this a better province in which to live?

That's the kind of person for whom the Ontario Medal for Good Citizenship was established.

12 recipients are selected yearly by an independent Advisory Council of Ontario citizens whose honorary chairman is the Lieutenant-Governor of the Province.

Anyone may nominate a person for the Ontario Medal, and nomination forms are available by writing:

Glengarry WMS hold annual meeting in Cornwall

CORNWALL - The Glengarry Presbyterial of the Women's Missionary Society of the Presbyterian Church in Canada held its annual meeting in St. John's Church, Cornwall.

President, Mrs. William Ewing, welcomed all present and constituted the meeting with prayer. The Theme for the day's proceedings was "Zeal", and in keeping with this theme much enthusiasm was shown by all members attending the gathering.

Two members from Lancaster Presbyterian Women, Miss Annabell McNaughton, and Mrs. Arthur Smith, conducted the devotional period.

It was announced that the annual Synodical meeting would be held at St. Paul's Presbyterian Church, Ottawa, on April 8 and 9th. Delegates to this meeting will be chosen from Maxville, Avonmore, Ingleside, and Kirk Hill Auxiliaries.

Date of the Council meeting in Toronto was announced as May 4th to 8th and Mrs. W.R. MacEwen was appointed as delegate, with Mrs. Gordon Fesque as alternate.

The May Rally will be held in Vankleek Hill on either May 20th or 27th. Auxiliaries will be notified at a later time which date has been chosen.

Miss Annabell McNaughton brought greetings from Council and gave a very interesting commentary on "Profiles on Missionaries". She highly recommended this booklet to be used at Auxiliary meetings.

Mrs. Alpin MacGregor, president of the Synodical for Quebec and Eastern Ontario, brought greetings from that Society.

Mrs. Ewing announced the death of Miss Mary Jane MacLennan, Lancaster, and a feeling of loss and sadness was felt by all present. Miss Emily MacInnes paid tribute to the long years of service given to the Women's Missionary Society by the late Miss MacLennan.

Reports of the departmental secretaries were presented and discussed. The treasurer, Miss Isabelle McGaughey, reported an encouraging financial response and congratulated the various auxiliaries for their efforts.

A display of books and literature was set up by the Literature secretary, Mrs. Gordon Fresque, who reported increased interest and sales this year.

Miss Emily MacInnes thanked all the ladies who had presented annual reports.

The morning session closed with prayer and the ladies of St. John's Church served a delicious luncheon.

At the afternoon meeting Miss Margaret Boyd, Area Consultant from Ottawa, led a Panel Discussion on the Conference for Presbyterian Women, which was held in Ottawa last year. She was aasisted by Miss Annabell McNaughton, Mrs. Mora MacGregor, and Mrs. Isabel MacLeod. All members on the panel expressed their appreciation to the ladies who had planned the Conference.

Some of the highlights mentioned in the discussion were: (a) enthusiasm, (b) dynamic speakers, (c) meeting the missionaries, (d) music, (e) wide variety of interest groups with excellent leaders, (f) good facilities and delicious meals.

Following the panel discussion, Miss Boyd led Bible Discussion Groups on the "Qualities of Faith". This part of the meeting closed by singing the special "Conference Hymn".

Mrs. Frank Stewart, Ingleside, expressed the thanks of the Presbyterial to the retiring president, Mrs. Wm. Ewing, and she was given a standing ovation by all members present.

Mrs. Maisie Shaver presented the slate of nominees for office in 1981, and the report was accepted.

Miss Boyd installed the new officers who are as follows: Hon. presidents - Mrs. G.S. Lloyd, Mrs. E.L. Blair, Mrs. W.M. Boyd, and Mrs. A.D. Stewart; past president - Mrs. Wm. Ewing; president - Mrs. W.R. MacEwen; 1st vice-president - Mrs. Neil Bush; 2nd vice-president - Mrs. J. Vander Wal; recording secretary - Mrs. D.J. Hartrick; corresponding secretary - Mrs. D.J. Kennedy; treasurer - Miss Isabelle McGaughey; and secretaries responsible for; (a) Adult Groups - Mrs. Maisier Shaver, (b) Youth and Children's Groups - Mrs. Arthur Smith, (c) Associate Members - Mrs. Ernest Naidow, (d) Friendship and Service - Mrs. John Fourney, (e) Literature - Mrs. Gordon Fresque, (f) Glad Tidings - Mrs. Wm. Sanderson, (g) Press - Mrs. Norman MacLeod, (h) Supply - Mrs. Earl MacNeil, (i) Life Membership - Mrs. G. MacIntyre, (j) Historian - Mrs. J.C. Kennedy, (k) Organist - Mrs. Innes MacGregor, (l) Without Portfolio - Mrs. H. Shaver, Mrs. H. MacMillan.

Mrs. W.R. MacEwen, the new president, closed the meeting with prayer.

Country jamboree to aid cancer

(Staff) - The idea of a country music jamboree to aid the Cancer Society has been in the back of Brian Allison's mind for years, he said, but it took the success of last year's bluegrass weekend to spur him to action.

Mr. Allison, a Winchester Springs resident, along with Jim Miller and Leo Beriault, have organized a 10-band, all-volunteer weekend show for June 19, 20 and 21 to support cancer research.

Max Keeping will emcee the weekend and Tex Montana of the Diamond Horseshoe in Massena will make a special guest appearance. Both men are volunteering their time.

The festival will take place on Louis Moriarity's farm south of Chesterville, and weekend camping will be available for $15. Daily admissions for the shows will be $5 and singers, fiddlers and others will assist the bands in entertaining the crowd.

Security protection has been arranged through several Ottawa policemen. Catering will be provided by A.J.'s, who catered Boundary Bluegrass. Mr. Graham, the caterer has agreed to make a donation to the Cancer Society as a contribution to the weekend.

Parking will be available on neighbouring land, said Mr. Allison.

Health officials have processed all necessary tests except water samples he continued, which will be taken in April.

Mr. Allison, a member of the band Combination Country, said his band will fill any gaps caused by late arrivals or no-shows.

The desire to help the Cancer Society stems from the family members the disease has claimed, he said several members of his and his wife's family have succumbed to cancer.

The project received approval in principle from the Township Council recently.

Osnabruck carnival expands

OSNABRUCK CENTRE (Staff) - Osnabruck Winter Carnival organizers added a day to the carnival to accommodate all the events made possible by enthusiastic participation, announced the committee earlier this week.

The carnival is now scheduled for Thurs., Feb. 12 through Sun., Feb. 15.

The lead-off, Thursday evening will be a euchre party in the township hall, sponsored by the Women's Institute and the Osnabruck Centre Recreation Association. Admission is $1 and prizes and lunch will be provided.

The official opening of the four-day event will take place Friday night in the Osnabruck District High School auditorium with the High School band performing, a variety show and the presentation of the poster awards.

Concurrently, the WI will hold a bake and candy sale at the high school.

Saturday events include the first part of a curling bonspiel, a cribbage tournament, children's fun day and a chaperoned teen dance in the township hall.

Sunday begins with a pancake breakfast at the Treasure Island Inn, sponsored by the Ingleside-Osnabruck Rotary Club. The second part of the curling bonspiel continues Sunday. A family fun day includes log-sawing, tug of war, bale throwing and other events. At the same time, the youngsters will be entertained by an afternoon of cartoons.

A bean supper in the township hall will be run by the Ingleside Ladies Broomball team and will be served from 4pm until 7pm.

Further information can be obtained by sponsoring organizations or chairman Cathy Lalonde at 537-2575 and promotion manager Carson Elliott at 537-2988.

Crysler carnival hopefuls

CRYSLER (Staff) - For the first year, as an experiment, candidates for the Crysler Winter Carnival Queen will not be required to sell tickets as part of their pre-carnival duties.

This year the girls will be judged on the basis of the contest only. This includes a talent competition and a response to one of three questions posed by the judges.

Contestants for this year's carnival are all from the village of Crysler. They are Joanne Benoit, Andree Landry, Joanne Patenaude and Lillian Denneny.

Miss Benoit, age 15, is the daughter of Hubert and Ghislaine Benoit. She attends Tagwi Secondary School in Grade 10. In the talent competition she will play the organ.

Miss Landry, age 16, is the daughter of Robert and Jeannine Landry. She attends Casselman High School in Grade 11. She will participate in a skit for the talent show.

Miss Patenaude, age 16, is the daughter of Denis and Rachel Patenaude. She attends Tagwi Secondary School in Grade 11 and will also participate in a skit.

Miss Denneny, age 17, lives with Mrs. Juliette Champagne and attends Tagwi Secondary School in Grade 12. Lillian will perform a monologue for the talent portion of the competition.

The carnival queen contest will be held Friday evening along with an amateur talent show.

I wish to thank my friends for their visits, cards and flowers, also a thank you to the clergy who called on me. A special thank you to the nurses on the second floor and Drs. Slowey and Adamson, also to Orlean for her kindness and Stu Jones for her transportation. Thank you all again.
Harold Nottell 23

CARD OF THANKS
We would like to express our thanks and appreciation to all our friends, neighbours and colleagues who made our 13½ years in Chesterville so enjoyable. We leave much richer than we came because of your friendship. Chesterville, because of the excellent commercial, educational, medical and recreational facilities, has been a great home for all of us. Although we are looking forward to our new home, we do leave behind many wonderful memories. Your many individual and group expressions of good-bye and good luck are treasured. We look forward to seeing you often in our new home on Christie Lake Road, just two miles from Perth.
Tom, Barb, Fred, Doug, Sue, Tricia and Lynda Rance 23

HAPPY GROUND HOG DAY

HAPPY BIRTHDAY D.C.
They say life begins at the big '40' mark.

Carruthers — MacMillan exchange vows

St. Michael's Chapel at Monkland was the scene of a lovely wedding on Saturday afternoon, Jan. 24 when Kathyrn MacMillan, youngest daughter of Mr. and Mrs. Dalton MacMillan of Finch and David Carruthers, younger son of Mr. and Mrs. Wallace Carruthers of Chesterville were united in marriage.

Father Charles MacDonald officiated at the double-ring ceremony and music was provided by Mr. and Mrs. Debruin of St. Andrew's Presbyterian church of Chesterville.

This included the Wedding Prayer sung as a solo by Mrs. Debruin and a duet with Mrs. Debruin accompanying she and her husband on the autoharp.

The bride, given in marriage by her father, was radiant in a gown of white peu de soie with a high neckline, inset with lace, wide cuffed sleeves flaring into fullness above the elbow.

She wore a juliet cap headress extending into a veil and carried a bouquet of red sweetheart roses. She was assisted by Miss Nancy Termeer of Finch as Maid of Honor wearing a deep rose polyester silk over which she wore a full length lace jacket with cap sleeves.

Best man for the occasion was Jerry Witteveen and ushers were Donald MacMillan and Ron Carruthers, brothers of the bride and groom.

The bride's mother looked lovely in a dress of lilac silk shantung with a sleeveless full length jacket with a corsage of red roses.

The groom's mother was equally lovely in a turquoise blue silk crepe featuring a cape which extended into the sleeve. She wore a corsage of pink roses.

A wedding dinner was held at the Finch Community Centre for relatives and friends.

Mr. Roland Corriveau of North Bay, brother-in-law of the bride was Master of Ceremonies.

The toast to the bride was given by her uncle, Sheldon Cameron of Winchester and the toast to the maid of honor by Jerry Witteveen.

Later in the evening an open reception and dancing to The Northfields was enjoyed by a large group of the young couples' friends.

For travelling, the bride wore a dress of winter white wool with a corsage of dark red roses and wine accessories.

Kathy and David will reside in Peterborough where David is taking a course in Law and Security at Sir Sanford Fleming College.

Morewood flips out

For the second year running Lisa Cheney (middle) was declared the winner of the pancake flipping contest at the Morewood Winter Carnival last Saturday. Taking second place was Amy Walker (right) and in third place was Marg Hunter (right). The race tested the flipping ability of the competitors, as they ran around the twenty-yard course and back. - staff photo -

Avonmore WI study farm women

AVONMORE - The January meeting of the Avonmore Womens Institute was held at the home of Mrs. Wesley Meldrum.

The meeting opened with the Opening Ode and Mary Steward collect. Twelve members and two visitors answered the roll call.

Mrs. G. Hollingdrake and Mrs. John Millar are to be the leaders for the next 4-H course.

Mrs. Clifford McElheran Agriculture and Canadian Industries convenor had Mrs. Stuart Buchan of Martintown as guest speaker. Her talk on the socio-economic status of farm women and farm wives and property law proved very interesting and was enjoyed by all.

The February meeting is to be held at the home of Mrs. Glen McIntyre. Each member is to bring a sharp pair of scissors to the meeting for cutting out quilt patches.

The meeting was brought to a close by the serving of lunch by the hostesses Mrs. Glen McIntyre and Mrs. Wesley Meldrum.

Chicken and eggs new 4-H project

Mary Michels
SD&G Home Economist

The chicken-and-egg question may never be solved, but the techniques of their cuisine will be explored this spring in the new 4-H Homemaking project. The three united counties of Stormont, Dundas and Glengarry, will all be having the project, entitled "Which Came First, The Chicken or The Egg?"

The mysteries of souffle, quiche, and cream puffs will be revealed, as well as consumed. Members will practise the economies of freezing, cutting up whole chicken and making stock. Aspiring gourmets will try their hand at clarifying chicken stock and boning chicken breasts. A final party will sum up the skills learned.

The workshops have been held in mid-January and the leaders will be ready to go. Any young person who has turned twelve (12) by March 1st, 1981, and is not over the age of 26, is welcome to take this project.

There are clubs in all areas of the counties, for a club nearest you, contact your local Agriculture Office and they will be able to give you the name of a leader in your area.

Whether your ambition is to learn how to hard-cook an egg or to make a souffle, "Which Came First, The Chicken or the Egg?", promises good fun and good food.

SAVE UP TO $800.
OFF-OIL PROGRAM!

— Full implementation of program by April 1, 1981
— Retroactive to October 28, 1980
— Applies to residential, commercial and industrial applications
— $800 will apply as a maximum rebate in 1980, 1981 and until March 31, 1982, providing the customer has spent $1600 for conversion work.
— Customers may receive two staged portions of the grant by first adding a supplementary system (such as wood stove) and then adding electric heating as a back up for the wood later. Maximum is still $800
— An eligible conversion must occur on or after October 28, 1980. The formal date of the conversion is the date on which the final inspection is made.

List of Eligible Equipment and Systems

For Grant Eligibility
The following fixed and permanently wired electric space heating equipment and water heating equipment is eligible for off-oil grants, provided the installations are inspected and approved by the authorities having jurisdiction, and are capable of supplying at least 50 per cent of annual heating requirements.

This list may not be complete.
1. any of the following which are directly related to complete conversion from oil to electric heating
   (a) service entrance upgrading
   (b) wiring, duct-work and piping additions and modifications.
   (c) control equipment, including load limiting devices, thermostats and automatic set back thermostats.
   (d) unitary electric heating equipment - baseboard heaters, wall and floor insert heaters, wall convectors, ceiling and other radiant heating equipment and the like
   (e) central electric heating equipment - electric furnaces, electric boilers, all-electric heat pumps, electric storage heating equipment, duct and plenum heaters and the like.
   (f) mechanical ventilating and heat recovery systems
   (g) pumping out of remaining oil and removal of oil equipment
2. Costs incurred which are directly related to electric or partial electric conversion, eg application for electrical inspection, plumbing permits, building permits, heating permits, and the like

Finch awards truck tender

BERWICK (Staff) Finch Township council awarded the tender for a half-ton truck to Vachon Pontiac Buick at Monday night's regular council meeting.

Vachon was the lowest of nine bids received for the eight-cylinder township vehicle at $8,225.09, tax included. The township will be eligible for the sales tax rebate, making the net cost of the truck $7,687.

The highest offer came from S.G. Wells and Sons of Ingleside, while the closest competitor to Vachon was Cornwall Motor Sales at $8,354.56, with tax.

Council also entertained three delegations with drainage complaints. Two from the subdivision in Crysler and a farmer requesting rocks be removed from the Paquette-McMahon drain.

The answer to the subdivision residents was the work would be viewed on the road tour in the spring and Leo Noel was told the township engineer would look at the area to determine feasibility of rock removal.

Following a report by the Eastern Ontario Health Unit showing the water in some Crysler wells to be unsafe, council agreed to approach the ministry of the environment for funding to improve septic tank systems and wells in the village.

A subsidy of 100 per cent is available for a study of the complete village and 75 per cent is available on any work the study shows is required.

The grants permit the updating of the wells and septic system, aiding the landowner rather than necessity of installing sanitary sewers.

Tourist Council

told the committee the first he had heard of a movement afoot to withdraw from the SVTC had been in the media.

Mr. Irving was asked if anyone at the county council level had taken a position. He replied, "There isn't a person at council that knows anything about it."

When he was told there had been reports someone on council viewed the proposal in a favorable light, he replied he didn't know who it could be.

Council left the matter declaring it was on hold since no decision had been made.

SVTC treasurer Roy Brister was appointed as a director by the council following the receipt of information from county council that a request by the SVTC to appoint Mr. Brister had been tabled.

Harland Veinotte, deputy-reeve of Morrisburg, was named by counties council as director from Dundas.

Council manager Terri Lalonde told council members office space had been obtained through the provincial housing authority in Le Village in Cornwall at a modest rent.

The agreement to rent the office space to the council was provisional that the terms of the agreement not be divulged.

Morewood renovations

● continued from 1

The committee also recommended the appointment of Craig, Kohler and Dickey, an architectural firm from Ottawa to the project on a time-for-service basis. The firm did the architectural services for the first phase of the project.

Mr. Thompson told board members last week that the junior school, with an inadequate sanitary system, is staying open only by the grace of the ministry of health.

Last year the sanitary system at the senior school was updated at a cost of $75,000 as Phase One of the two-part project to amalgamate both schools into one building.

The junior school suffers from water seepage into the crawl space under the building. The thawing of water in the spring is a problem at the school. The solution to the problem has been to plug the sanitary sewer to prevent water from running back into the school.

The cost of the total project to expand the senior school is estimated at $500,000. Plans include a new kindergarten, three new classrooms, a lunchroom, a renovated classroom, and a library resource centre.

Record Recipes

by Chris Brown

What I should be eating at this time of year was brought home to me by the arrival of a complimentary copy of the Weight Watcher magazine to this office.

Unfortunately, I have strayed. My planned contribution this week was to have been the Italian pasta I learned to perfect this weekend. Now I'm having guilt pangs and second thoughts!

So, what the heck, you only live once. We'll compromise. I'll give you Connie's noodle recipe and a delicious diet recipe I gained compliments of the 4-H program.

PASTA

3 eggs
3 cups flour
¼ to ½ cup water
pinch salt

NICE 'N' SPICY CHICKEN

1 tin unsweetened pineapple and juice (19 0z.)
chicken breats boned to the quantity required
½ cup barbecue sauce

Beginning with the pasta, put the flour in a heap in the middle of a large flat space (counter-top or table) and make a well in the centre. Into the well put the eggs, slightly beaten with a pinch of salt added.

With a fork, scoop the eggs and flour together without letting the flour run out any of the sides. When it doesn't want to run away any more, the time has come to begin to knead it.

With the heel of your palm, work the dough easily until it has changed texture from the lumpy, floury mess you began with into a smooth, elastic ball.

At this point you can go one of two ways. Should you be fortunate to own or be able to borrow a noodle machine, you've got it made. Work the dough through the rollers until it is ready to be cut.

Failing that, you can go the route I do. Knead more until you are sick of it. The dough cannot be over-kneaded, Connie said, so this is a good time to quit.

Cut it into four to five pieces and roll them out as flat (as thin) as your arms can get them. Cut into lasagna-size flat noodles or long, thin noodles.

The easiest way to cut them for thin noodles is to fold both ends in towards the middle until the strip is one-half the length is was. Then fold those ends again toward the middle until the two folds meet. Fold once more until you have a strip about one-and-a-half inches wide or about the size of the first fold. Cut these and open up and you have relatively uniform noodles.

Hang them about your kitchen or if you have a large space to lay them on, lay them down on a light dusting of flour and let dry at least overnight. They will keep almost indefinitely after dry.

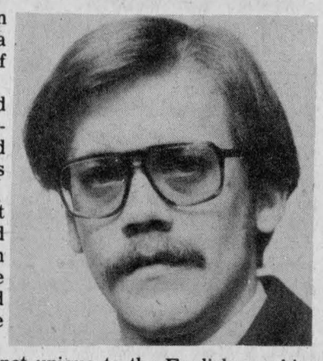
They are also very rich and tasty just boiled with garlic butter over the top, as well as conventional dishes.

For the nice and spicy chicken, brown skinned chicken pieces in a skillet for about five minutes. Stir in the juice from the pineapples and the barbecue sauce and simmer for half an hour, with a lid on. That's it.

What could be easier? I guarantee the taste. My husband isn't one for dressed-up meats and even he couldn't resist. The best part is the calorie non-consumption. The dish equals one fruit selection (the juice) and one meat. The barbecue sauce is in such a small quantity as to be an allowable condiment.

Osnabruck this week

Richard Waldroff



During last week I had occasion to talk with an employee of a public operation in the city of Ottawa.

I must tell you what annoyed me about this phone conversation. The lady on the other end could barely speak English. This caused two problems.

The first was that I had great difficulty making her understand the purpose of my call and in turn understanding her reply. the second was the call consumed much more long-distance time than I ever expected.

This problem I am sure is not unique to the English speaking people of this country. This has no-doubt occured in the reverse to French speaking taxpayers.

Both groups find the problem discouraging at times.

We live in a country which has two national languages, French and English both in use in Canada well before Confederation.

Several number of years ago the federal government felt it fitting to have both declared national languages.

They forgot the people who have not been given the chance to become fluent in both. It would appear they never set standards for people working directly with the public.

They may have trained their own employees, but what about the rest of the country's agencies?

As I watch the advent of the metric system, I see a respect of the language problem. 'Ram it in, they will adjust' seems to be the attitude of the bureaucrats.

The main concern to all Canadians should be the price tag. What does all of this poor planning cost us - now and in the future?

Romping Through The Bruck

A euchre will be held February 5, 8PM at the Fraternity Hall, Ingleside. Prizes and refreshments. Everyone welcome.

Our township winter carnival will be held February 12, 13, 14 and 15. Many events have been planned for your enjoyment. Briefly - Thursday - A euchre, Friday - Variety Show, Saturday - Curling, Children's Afternoon, Chaperoned Teen Dance, Cribbage Tournament, Sunday - Pancake Breakfast, Curling, Children's Indoor Afternoon, Carnival Sports Afternoon and a Bean Supper. Watch for your mail - delivered flyers with times and details.

The curling on carnival weekend requires pre-registration. If you would like to curl, please contact W. MacKinnon at 537-2156 or any Rotarian.

The carnival sports afternoon, Sunday, will feature events such as log sawing, bale throwing and tug-of-war, all for both men and women. The tug-of-war is a five man team with a maximum of 1200 lbs. and an entry fee of $5 per team. Log sawing is judged on a best time basis. Entry fee is $4 per team with cash prizes for first and second in both men and ladies divisions. Bale throwing will be judged on the longest distance with an entry fee of $1 per person. Tropies will be awarded. Watch your flyerfor more details.

Get well wishes to **Oscar Ouderkirk**, who is a patient in the Cornwall Hospital.

ACP to rotate SD & G meetings

(Staff) - The Association of Catholic Parents announced recently they will rotate meetings between Chesterville, Cornwall and Alexandria, rather than meeting solely in Cornwall as in the past.

The next meeting will be held in Chesterville at St. Mary's School, Tues., Feb. 10 at 8pm. This will give parents in the area the opportunity to become acquainted with the ACP.

The ACP is the umbrella organization uniting the Catholic Parent Teacher Association and school committees under the jurisdiction of the SD&G Separate School Board.

It is officially recognized by the board and its success has always depended to a large degree on the support and interest of Catholic rate-payers.

A fond farewell

Tom and Barbara Rance were honored at a testimonial dinner last Tuesday evening, by their friends at Nestle. The group, gathered at the Legion Hall presented the Rances with a decanter and glasses set, two bottles of wine, flowers for Mrs. Rance and a small reminder of her skirmishes with the car recently. Mr. and Mrs. Rance have moved to the Perth area, where Mr. Rance has taken the position of general manager and president of Heritage Silversmiths.

Dear Ann Landers

Dear Ann Landers: Ever since reaching puberty, 25 years ago, I have gotten tremendous excitement out of bondage fantasies. I used to search the comic strips and magazines for pictures of women who were tied up, and I tried to duplicate their plight on myself, using lingerie from the family ragbag.

My problem is that I am unable to experience the ultimate thrill of bondage because I have to tie myself up, and I can't do a really good job of it.

I have asked my wife several times if she would tie me up before we have sex, but she refuses. Once in a while I tie myself up and settle for that. I have no interest in tying her up, so there is nothing to be afraid of. A word from you saying that bondage can be a suitable recreation between spouses would encourage her to accommodate me. Please don't suggest counseling. I have no desire to get over this. I enjoy it too much. Can you help?

Fit To Be Tied In Newark

Dear Fit: I've said it before, and I'll say it again. Anything that is agreeable to both parties, provided it is not painful or dangerous, is OK. Obviously your wife views bondage as a bit kinky, and I would have to agree with her. However, since you are not asking to tie HER up, and it's a real trip for you, I don't see how it could hurt.

Dear Ann Landers: This is no big deal, but it irritates the hell out of me. I have this friend who moved to the other side of town. We talk almost every evening. I usually call her because I have more free time than she does.

Twice in the last week she has said to me, "I have to get off the phone because I'm expecting an important call. I think this is an insult. Right or wrong?

Shivved in Victoria, BC

Dear Victoria: How long were you talking when she gave you the axe? Ten minutes? Twenty minutes? Fifty-five minutes? Getting trapped on the phone can provoke the most tactful person into behaving ungraciously.

Try waiting for her to call you, and then maybe she'll have more time.

Dear Ann Landers: Our only son, 27, is planning to marry a 24-year-old girl. The wedding will take place in a Protestant church. We are Catholics. This means our son will be giving up his religion.

"Mary" is the only girl he has ever cared about, and he has gone out with dozens. I really love her, and I'm sure they will make each other very happy. I want very much to attend the ceremony and the reception, and feel that I am no less of a Catholic because I am pleased about this union. The problem is my husband. He feels we should refuse to have anything to do with the ceremony or the wedding. He also believes we should instruct the bride not to invite any members of our family to the wedding or to the reception. Is this proper Catholic conduct?

Can we attend the ceremony and festivities without jeopardizing our standing in the Catholic church?

U In Ohio

Dear U: You certainly can. If your bull-headed, tyrannical husband would talk with his priest he would know this.

As for instructing the bride not to invite any of your family to the wedding, he's off the wall. If he has the gall to do this, I hope the bride ignores him.

Are your parents too strict? Hard to reach? Ann Landers' booklet, "Bugged By Parents? How to Get More Freedom," could help you bridge the generation gap. Send 50 cents with your request and a long, stamped, self-addressed envelope to Ann Landers, P.O. Box 11995, Chicago, Illinois 60611.

J-F's advance to provincials

(Staff) - Junior Farmers from Dundas will travel to the Exeter area soon, to take part in the annual Provincial Winter games, as both participants and organizers.

Tony VanDerLaan will help set up the cross-country ski course, as chairman of that event committee. This will be the first year for the event at the games and teams of two men and two women will ski in a five-kilometre race.

All competitors qualified for the provincial games by winning county and zone competitions. Gertrude VanGurp and Linda Erwin took the zone Ladies Badminton event and will represent the area at Exeter in the event.

Associate AgRep for Dundas, Howard Giles, said although these are the only Dundas Junior farmers who will officially participate, he expects a carload or more to make the trip to cheer on the local team and help out in organizational work.

The games will be hosted by the Huron County Junior Farmers and events will be held in the Exeter area, approximately 48 km. north of London.

Teams consisting of men, women and mixed groups will compete in six different sports events.

The events are open to the public and will be held at the Exeter and District Curling Club, Exeter District High School, Exeter Bowling Lanes and the Exeter Community Centre.

Tourist council in action

MORRISBURG (Staff) - Bill Elliott of the Eastern Ontario Travel Association (EOTA) told the Seaway Valley Tourist Council EOTA would like their marketing plan no later than February, at the year's first meeting of the temporarily dormant council.

The council was discussing the priorities established by the receipt of a $24,696 grant from the federal government.

The statement received from the Community Development Project allocated the funds with the research and compilation of the fact book, Discover the Seaway Valley as a top priority item.

The book has been on the SVTC's to-do list since 1979. It is planned as a complete guide to the valley for resident and tourist alike.

The number two priority established by the government is the promotion of media relations to familiarize the public with the aims and activities of the council.

He also disagreed the 35,000 brochures in stock at the council would be enough to carry them through the season as suggested by Roy Brister of the finance committee.

Mr. Elliott also told the council he hoped they would be receiving the EOTA newsletter soon. He advised them to be extremely active and try for maximum coverage in the letter.

President Bob Scott advised members of the need for increased attendance at the meetings if the council is going to be active.

A nominating committee consisting of Mr. Scott, Roy Brister, Ron Johnstone and Buster MacDonald was asked to consider possible candidates for the executive for the next meeting.

Jennifer Gillard, a grade six student at Elma P.S. displays her skills at a micro computer during Professional Activity Day Friday at Elma. Barbara Wells, a teacher at Elma watches closely as Jennifer punches information up onto the screen. - staff photo -

Elma enters computer age

ELMA (Staff) - The computer age came to Elma Public School on Friday.

Six Elma students and 30 teachers from the Stormont-Dundas and Glengarry Board of Education participated in the school's Professional Activity Day in which the kids learned to operate six micro-computers and several hand-held games like Simon and Merlin.

Elma principal Ivan St. John said the main purpose of the day was to "familarize teachers from surrounding schools about the upcoming computer trend."

Representatives from Bell Howell and Radio Shack gave the grade six students instructions on how their machines worked, and then the students showed the teachers. By the end of the day, the young wizards had the computers down pat.

The micro-computer is a relative newcomer to technology. Popularized by Radio Shack with it's TRS-80 model, the micro-computer is compact, but just as powerful and versatile as a larger version.

Leo Walter of Bell & Howell, said his company put out its first micro-computer a year ago, and technological advancement has been so rapid "that we're way ahead of where we thought we'd be right now."

The micro-computer is basically made up of a keyboard and a screen. A child selects a program, whether it be spelling skills, or math, then places it into a compartment which activates it. The lesson then appears on the screen and the student can answer the questions by typing on the keyboard.

One of the beauties of learning from a computer, is it has all the patience in the world. It will explain over and over again until the student feels he has learned the skill or wants to move on.

The price is also right. A complete system costs about $3,000 with the individual programs running at $30. As "Slim" Simpson, who sits on the SD&G Computer Committee puts it: "One program serving the whole class costs about the same as one textbook."

There are presently six micro-computers being used in the SD&G school system, including one at Osnabruck District High School. The system also has eight mini-computers which run at $30,000 each.

Have your cake and eat it, too

(Staff) - For active bakers in the area the announcement of the opening of the Country Cake Boutique this Saturday is a welcome message. The new business will be specializing in baking supplies ranging from wedding cake ornaments to baking pans.

The boutique will be located in the Countryman Electric Building on Highway 43 just south of Chesterville. Managing the store will be Marg Countryman an avid baker for several years.

Mrs. Countryman has been baking cakes on order since 1978 and plans to expand the orders with the new store. She has taken several courses at the Ottawa Artistic Cake school from a baker who has travelled around the world learning his skill.

Mrs. Countryman has also taught cake decorating at both local highschools, North Dundas District High School and Tagwi High School.

For those who are lovers of chocolates Mrs. Countryman makes several varities including Turtles.

The grand opening of the Country Cake Boutique will be 9am Saturday.

Mariners honored by Admiral's visit

GOLDFIELD (Special) - Chesterville Harbor members, Mariners With Christ, meeting for their January "sailing" Tuesday evening at the Duart MacLean home at Goldfield were treated to a double feature, as it were, in the presence of and message from the Admiral, National Director of Mariners and head of Gospel Text Publishers, and a musical treat from the New Creation Singers.

The Admiral, the Rev. Enos Brubacher of Eganville, spoke of the progress over the past year, in establishing new "harbors", and erection of over two hundred highway Scripture signs throughout North America.

He commended the local harbor for their faithfulness and contributions to the work. From a small beginning, some twelve years ago, the Chesterville harbor has become one of the more active in the area.

The New Creation Singers, a Gospel-singing trio from Lunenburg, rendered a number of favorite sacred selections.

The "sailing" was piloted by Chief Mate Garnet Johnston, who also conducted a Gospel song service.

Captain E. Earle Eaton gave the Mariners chart and report. assisted by several members. Prayer was offered by Hubert Casselman.

A collection was taken up by acting steward Hugh Young, for the on-going work of Mariners.

Another high-light of the "Sailing", was the arrangement and sponsorship of yet another Gospel highway sign, - a double sign, V-shaped, to be placed along Highway 31 in the Morrisburg area.

Sponsorship is by a family of Chesterville Harbor, who also are funding much of the cost.

A special collection was received in behalf of this project, resulting in most of the needed money being raised. The "voyage" was logged by Mrs. Milton Shay, purser.

Refreshments were served by a hospitality committee including Mrs. Shay, Mrs. Arthur Dillabough, Mrs. Earl Eamer, Mrs. Horace Bray and Mrs. MacLean.

Closing prayer was offered by the Rev. Mansell Atkinson.

No Tory news yet

(Staff) - The president of the Stormont, Dundas and Glengarry Progressive Conservative Party announced Monday that tentative plans have been made for a delegate convention to choose a candidate for the March 19 provincial election. Mrs. Basil Dawley said the date, time and guest speaker for the convention will be made public in local newspapers as soon as decided.

THANK YOU NOTICE

The Morewood Carnival and Bottle Drive was a big success this year thanks to our very supportive community. During our Sunday Hayride a special bonus was provided by Walter Mattice who owns a sugar bush and he treated the children to a taffy feed. Sorry to note, due to poor atmospheric conditions our skydivers were unable to perform for us this year as they have in years past. We wish to acknowledge Jack Durant, Albert St. Pierre and Mr. and Mrs. Sam Patterson whose names were not printed in the thank you column on our carnival schedule. Our 1981 Carnival Queen Kirsta Weegar and Princesses Patty Carruthers and Amy Walker along with visiting the area shut-ins and elderly were on hand to assist in our scheduled events.

Trophies this year went to:
— Don Hillis and family for their entry in the Snow Sculpture Contest
— Dale and Rick Sproule for winning the Log Sawing Competion
— Morewood Beavers for whipping the Fire Department in a very competitive hockey game
— Married Ladies for showing the Single Girls how to play broomball
— Bombers for coming out on top of the Men's Town League Broomball Championship

Only your support makes it all possible!

chesterville's past

FROM THE RECORD
February 6, 1941

A group of boys of Chesterville High School have formed under the sponsorship of J.H. Willard, "The Young Canadian Club", with Robert Tait as president and Duane Justus, secretary. The purpose of the club is to sell the citizens of Chesterville War Savings Stamps and each of the boys has a definite territory to cover each month. The boys call at the homes with the stamps for sale and they will appreciate any co-operation in this enterprise.

We like to boast about our town - it's a good town; it has the kind of citizens that make a good town. When we undertake to do a job here we do a good job, and right now we have a big job to do. These boys are helping us to buy our share of War Savings Certificates. It should be a big share. Their first canvass was made Saturday and each boy is reported to have sold his 10 stamps which means each turned in $2.50 for war purchasing and the buyers added them to their cards towards the total of 16 stamps - which brings a five-dollar certificate for the cost of only $4.00.

Although a smart game of hockey was provided the cash customers by the High School team in a game against Morrisburg Collegiate Institute Monday night, and one of the largest crowds of the season attended, a lot of old-time hockey fans missed a chance to renew memories of yesteryear when the spectators hung from the rafters and when there were possibilities that the referees might do the same thing when the battle on the ice died down.

Monday night's game was a fairly good exhibition and showed promise of what may be expected when the kids get another year behind them. They are playing a good heady game and must have profited by good coaching. The locals were a trifle heavier than their opponents but there was practically no rough work.

The February meeting of the Winchester Township Council was held in the Presbyterian Hall Morewood, Monday with all members present. The minutes of the last regular meeting were adopted as read and signed by the reeve.

The council decided to make application to Counties' Council to have the necessary by-law passed giving the township the power to hold its own tax sale.

The tax collector was instructed to collect all outstanding taxes.

FROM THE RECORD
February 8, 1951

J. Frank Casselman has received notice of his appointment as official commissioner of Census for Grenville-Dundas. He will be in charge of the work in this area when the census taking gets underway.

The census is taken every ten years.

The heavy snows and thaws and snows that we have been experiencing for the past few weeks haven't caused much trouble to us humans but it is a different story with some of our feathered and furred friends in the field and bush.

We particularly would like to call your attention to the plight of the Hungarian partridge that inhabit the district. They are weed-seed feeders and the crust and snow combined to make the matter of food for the little fellows a desperate struggle. When the fencerows are covered with drifts the hungry birds will be found near the barns scratching as best they can to get a crop of food.

The farmers in the community can more than help if they will spread a few handfuls about the buildings or fences if they find the birds on their land.

At the recent meeting of the Finch Township Public School area, J.W. Paul of Crysler, a member of the board for some years was unanimously elected as its chairman for the year. He succeeds Kenzie MacGillivray who was elected reeve in December.

Thomas McMahon also of Crysler was named vice-chairman and Arnott Empey of Berwick was re-appointed secretary-treasurer.

Six hundred persons were present in the Auditorium of Community Hall Tuesday night when Fiddlers' Fling presented a program of Western Style music for a square dance.

Les Lye was the announcer during the half-hour spot which was broadcast over CFRA, Ottawa and in the course of which Frank Ryan, Reeve Charles McMillan and Mrs. Ryan were introduced to the assembly and the air audience.

At the conclusion of the festivities, Mr. and Mrs. Ryan and members of the cast were supper guests at the home of Mr. and Mrs. Harold Greer.

FROM THE RECORD
February 9, 1961

The new meeting night for the regular meetings of council, Wednesday, found all members present with the reeve and the clerk. A fairly large amount of business was transacted, including several person-to-person representatives.

Hydro affairs were pronounced in good shape by the committee. A new light was finally installed on the corner of Community Hall to light the intersection of Victoria and Main Street at the bridge end.

A delegation of two, James Moonie and Robert Coleman, waited on council to speak for Chesterville and District Safety Council. An outline was given of the work done in the past nine months. Council was asked for monetary support to maintain the organization for the coming year. The sum of $250 was mentioned.

James Sullivan, contractor offered to buy water from the village. He was supplying certain customers with water, especially hard-pressed dairymen in the district. At the moment, he had been buying water from the other municipalities. The council felt the use of the water from the mains would be a good thing until the householders in greater numbers start using the system.

Chesterville Public School trustees were upset to find the school well had gone bad last week. A test returned from Cornwall stated the water unfit and the system was immediately turned off.

Workmen are busy preparing a trench for a pipeline into the school from the village system. It is expected to be in operation next week.

A.G. Bennett, secretary-treasurer of the Ontario Junior Farmers Association, speaking at Finch at a leadership training school stressed in his address, "the needs of members as a prime concern of an executive in planning a program".

He went on to say that the needs of young people of Junior Farmer age are security, approval, response, egoism, learning, understanding, responsibility and recreation.

Mr. Bennett was the main speaker at the training school for officers and members of clubs in the four Eastern Ontario counties of Stormont, Dundas, Glengarry and Russell.

The Friendly Circle of St. Luke's Presbyterian Church, Finch, met Tuesday evening in the home of Mrs. Lorne Presley, with a good attendance.

the farmer's wife — by wyn thompson

Mom and Dad relaxed in their easy chairs, glasses of ginger ale in hand, while the children serenaded them on their 35th anniversary with "Silver Threads among the Gold", and "You're too Old to cut the Mustard Anymore".

"Tell us, Mom and Dad," piped up little Sammy between choruses, "What is marriage?"

"You are twenty now, little Sammy," said Dad, "and that's old enough to know what marriage is, so I shall tell you. Marriage begins with $1000 worth of furniture you really couldn't afford, a second-hand car or beat-up old truck, the hope that the mortgage will shrink and the understanding, rarely expressed, that even the best people get divorced nowadays."

"Marriage," said Mother, "and this is a conservative estimate Sammy - marriage is 15,000 washdays, 25,000 cleaning days, two worn-out washing machines, one worn-out electric oven, 12 worn-out can openers, 35,000 fried eggs and phone calls at sundown notifying you to keep dinner in the warming oven as something's broken down and you won't be home until later."

"And that's not all, kids," said Dad. "Marriage is wedding anniversaries, year-in and year-out, garage doors pulled right off the hinges by impatient wives and endless other emergencies requiring immediate attention, if not sooner attention."

"Marriage," said Mother, "is a birthday with no flowers and a subscription to Forest and Stream for Christmas."

"Golly gee," said Sweet Sue, "I don't know if I'd like that or not. How long does marriage last?"

"Now, let me see," said Dad, "one way of measuring it is that it's four stays in hospital long, not counting maternity. In some cases it has been known to last only as long as 365 hangovers."

"Marriage," said Mother, "often seem, however, to drag on forever, particularly during those vacations in Caribbean that never work out because someone comes down with something, be it pneumonia, teeth braces, or a car motor."

"I should say," said Dad, as he puffed thoughtfully on his pipe, "that the best way to understand how long marriage is would be to imagine that you've seen all the television you ever hoped to see, and then have to see it all again on reruns while staying at home during the time you originally meant to spend cruising the Caribbean Sea."

"Now," said the young fry. "If it's like that, what kick do people get outa marriage?"

"That's a stupidly insensitive question, isn't it, mother?" reflected Dad. "Why, you get partial plates, sagging stomach muscles, blurred vision, ulcers, sluggish liver, and canned vegetables served seven nights a week by the woman you love more than any other on earth in a house you can call your own after thirty-five years of toil, provided it isn't in the line of the scorched earth policy advocated by the planners to accomodate an ever-more efficient system of transportation."

"And what's more," said Mother, "you get lovely babies, or at least you used to before the...(she looked at Dad), who grow up and go to our nation's schools of higher learning with all that money that Mother and Dad would simply waste on winter vacations in Florida and summers in Britian."

"I've heard that after people get married they live happily ever after," remarked Sweet Sue. "What is living happily ever after?"

"Well," said Mother, "living happily ever after is discovering a new miracle fabric that requires absolutely no ironing instead of little or not ironing, finding an electrician who will rewire and re-pop the 25-year old toaster, at a nominal fee, the date the mortgage payment falls due."

"Living happily ever after," said Dad, "is arriving at the time when you can afford a sufficiently sound car that, upon taking it to the garage, you are told it only needs $50 worth of work."

"But the fun," cried Sammy. "What becomes of the fun when you get married?"

"There's plenty of fun," said Dad. "Friday nights sitting home playing cribbage while wondering if the police will call to say that one of your children has wrecked the car."

"And there's sitting in these comfortably, overstuffed chairs sipping ginger ale and listening to your joints creak a little at every move on your anniversary," said Dad.

"Golllleeee Gee", said Sammy. Sue and Small Fry, and went out to celebrate still being alive.

When they were gone Dad jumped for the snowmobile suits, told Mother to dig out their best bottle of champagne for when they returned, and as he revved up the machines he said to Mother, "if we can keep those kids from getting married for a few more years we ought to be able to afford two weeks in the Caribbean by 1982."

Plan gala June celebration

To The Editor:

Cornwall Collegiate and Vocational School, the old Cornwall Grammer School founded in 1806 by the Rev. John Strachan, will be celebrating its 175th birthday in June 1981.

The oldest continuously operated school in Ontario, is planning a gala celebration on June 26, 27, 28, 1981. We hope to contact as many former students and teachers, as is humanly possible.

Interested persons should write:

Mr. Ed. Armstong,
Reunion Chairman,

Transporting milk 1911 style

Dairy farmers posed for a photograph while waiting to bring their milk into the Cannamore Cheese Factory in Cannamore in 1911. The only man in the picture still living is the fourth from the left, Thomas McMahon. Mr. McMahon, owner of the photograph, was 16 at the time. He noted the 30 gal. cans the farmers were using to transport the milk. Mr. McMahon and his wife of 62 years, Margaret, are still residing in Cannamore.

Although it's Friday the 13th next week, it'll be Chesterville Carnival's good luck to have Miss Ottawa Rough Rider, LeeAnne Nishikawa, at the opening ceremonies for the winter weekend of festivities. The 21-year-old woman was selected from 37 applicants for this year's title of Miss Ottawa Rough Rider. A native of the Toronto area, she attended Victoria Park Secondary School in Don Mills before attending Carleton University. In her second year of study LeeAnne has taken a special interest in Marketing and Psychology.

SHOCK TALK
Ice storms, high winds or fallen tree limbs can bring hydro lines down. And even a fallen wire that seems dead can be dangerous.
So don't go near the wires, warn others not to and report the fallen wires to your local hydro or the police as soon as possible.
If a line falls across your vehicle, stay inside until a hydro crew removes the line. If there's a live power line touching your car, putting even one foot on the ground can be a fatal move to make.
Electrical safety is no shock to you.

FREE HOT WATER...
MUELLER FRE-HEATER®
The Mueller Fre-Heater conserves energy and provides "free" hot water by capturing the heat now wasted!
HERE'S HOW IT WORKS:
Rather than using noisy, dust-creating fans with fragile, dirt collecting air-cooled condensers, refrigerant is routed to a specially designed condenser/heat exchanger and its heat is transferred to the water.
A thermostatically controlled valve delivers 140° F. water to the storage tank.
HOW MUCH HOT WATER CAN BE GENERATED?
As a rule of thumb, a Fre-Heater operating on 60° F. well water will produce a volume of 140° F. water similar to the amount of milk produced during a milking.

High School

Examinations are over, applications to the universities in Ontario have gone in, and most of the applications for colleges of applied arts and technology have been sent to the admissions officers.

For those of you planning to apply to a college your application form must be at the college by Feb. 15 in order for it to be considered in the first processing. It takes us about two days to get the applications ready for mailing, so please have these forms into Mary Fetterly or myself by the end of this month.

Beginning the week of Feb. 2nd we will be starting the course selection procedure for next year. During this first week we will be seeing all the grade 12 students going on the grade 13 or the special commercial course. Once we have completed these we will visit with all the grade 11 students for their choices of courses for grade 12.

There is a change this year in our course coding system. Four levels of difficulty are offered in our courses at the High School and this will be reflected in the code. The levels of instruction are: Advanced (formerly 5), General (formerly 4), Common (formerly O), Basic (formerly 1 or 2) and Modified (formerly 3).

Instead of ENG 451 it will now read ENG 4A1 and ENG 441 will read ENG 4G1 and PEB 401 becomes PEB 4C1. These are all listed in the new course calendar for 1981-81 which will be distributed in each class as we visit them.

Grade 13 students need six courses from the selection of grade 13 courses offered. This coming year you can choose from the following grade 13 courses all offered at the Advanced level: Accounting, Biology, Chemistry, Economics, English-Shorter Works, French, Geography, History, Calculus, Functions and Relations, Music, Physics and Visual Arts. To qualify for the Ontario Secondary School Honours Graduation Diploma a student must successfully complete six credits at the Grade 13 level. To be eligible for university entrance you must obtain a minimum of 60 per cent and fulfill the entrance requirements of the program you wish to enter.

If you have any questions please contact Mary Fetterly or myself early in the week. Grade 12 students may also apply for the special commercial program which consists of five core credits which are compulsory, Typing and office practice two credits), Shorthand two credits) and Business Communications one credit). Two other credit courses must be chosen from an approved list. All students interested should contact Mrs. Peever for an interview.

Grade 11 students should make sure that they have completed all the required subjects from grade 9 and 10. Next year your only required subject will be English. Your other choices should reflect your plans for the year after you finish grade 12.

If you plan to go to grade 13 check the courses which will be offered during the 1982-83 year.

If you plan to go to a Community College, now is the time to check that your choices for next year will make you eligible for admission to the program you will enrol in.

Next week I will have some suggestions for the grade 9 and 10 students with regard to their course selections.

Roxborough Agriculture annual closes successful year

AVONMORE (Staff) - In his opening address to the members of the Roxborough Agricultural Society at the organization's 121st annual meeting here last Saturday president Ralph MacKenzie said the fair was a success despite the sudden change in status from Class C to Class B.

Mr. MacKenzie singled out various events held at the Avonmore fair last summer which contributed to the overall success.

Reporting on the financial status of the society treasurer Allen McIntyre told the members that with grants expected from both the federal and provincial governments the society would finish the year with a debt of approximately $1,400. The society found it necessary to borrow $6,000 from the bank to meet payment of prize money.

Total prize money paid in 1980 was $8,342.65. Capital expenditures also were responsible for a large amount of the total expenditures at $4,089.17.

Mr. McIntyre presented his last financial report. For the past ten years Mr. McIntyre has served on the fairboard executive: nine as secretary-treasurer and one as treasurer. Last year he made it clear he would like someone new to take on the work. The fairboard responded to Mr. McIntyre's request by electing Stan Goodman as treasurer.

Also elected were Ralph MacKenzie as president, Ray Alguire as vice president, and Jean Canham as secretary.

Plans for the 1981 Avonmore fair are still tentative. The building committee reported on the possibility of constructing a new building for offices and storage. The project will depend on health authorities (for washroom facilities) and community support. There are two grants, one provincial and one federal, the fairboard may be able to attain to help with the cost of the project reported the finance committee.

The fairboard is also investigating the possibility of having para-mutual betting at the fair. There are several regulations to be followed in the establishment of the betting reported Ray Alguire. Among them the township must pass a bylaw, and the regulations, as established by the Ontario Horseman's Association must be followed.

The fairboard members also expressed the hope of having the Stormont Dairy Princess Competition at the fair again in 1981.

Blue ribbon pets

Entrants in the Morewood Winter Carnival Pet Show last weekend ranged from a goldfish in a bowl to a goat. Judges had a difficult time chosing the winners in the three categories but finally decided on: Best Dressed, first - Rita Curmp with her dog (top picture), second - Heather Crump with her cat; Funniest, first - Glenda MacGregor (second picture from the top; with her rabbit, second - Mary Jane vanDogen; Most Unusual, first - Kim O'Reilly with her hampster; and second - Chris Lightfoot with her goldfish. Winners received ribbons and fifty-cent coins and everyone received a ribbon. - staf photo -

Green loses chance to gain on Red

(Staff) - Green lost a glorious chance to zero in on first-place Red in the Town League Hockey standings.

Red outscored Green 8-4 at the Chesterville Arena on Thursday night to move six points ahead of the second place club. With only five weeks to go in the season, Green will be hard pressed to catch up as they trail in points 23-17.

Larry and Gary Gallinger provided the one-two scoring punch for Red as they both deposited three goals and earned three assists. Lyle Servage added a pair of tallies and two assists.

Kevin Cooper led the Green scoring attack with two goals with singles going to Pat Lynch and Neil Kittle. Cooper, Kittle, Mike Lecuyer and Pat Imrie recorded one assist apiece.

Green owned a 2-1 lead after the first period and the game was tied at four after two frames.

Maroon moved out of a third place tie with Blue and kept their quest for second alive as they downed the Blue squad 6-3.

The win gives Maroon seven points to Blue's five and puts them 10 points behind Green.

Kevin Mackler was the top sniper with two goals. Bill Halem, Larry Kelly, Brian Gunnell and Greg Beckstead all had one apiece. Greg also had a pair of assists. Mackler, Neil Beckstead and Barry Sullivan had Maroon helpers.

Blue's goal came from Harold Armstrong, an unassisted effort in the first period.

NGS East flawless in final game

FINCH (Staff) - A flawless performance in the championship game gave North-Glen-Stor East the A title at a Novice tournament held in Finch on Saturday.

The Clans defence shut down the Metcalfe Mustangs offence allowing them only several shots on goal in posting a 5-0 win.

Allen Coleman and Paul Jackson provided the scoring punch, with Allen getting three goals, and Paul, two. Lanny Thistle, Bobby McLeod, Chris Leroux, Alex Munro and Ken Wensink picked up assists. Rick Paquette registered the zero.

The B final was nip-and-tuck with Leitrim Lions hanging on to a 4-3 win over South Stormont.

Leitrim scored first as David Raganold hit the mark but South Stormont tied it before the end of the first period on a goal by Brian Dignard from Todd Emond.

Then the Lions got two goals from Raganold and one by Todd Schreiber to lead 4-1 by the 5:54 mark of the final frame.

South Stormont realizing their backs were against the wall came on strong, narrowing the count to 4-3 when Emond and Dignard tallied. Then they exerted tremendous pressure on Leitrim goalie Gordon Joyce, but couldn't sneak the puck past him.

In the A semi-finals, Darren Warren had two goals, and Kenny Stanley had one, in Metcalfe's 3-0 victory over the Russell Braves. Craig Fournier Lyon was Mr. Zero in the nets for the Mustangs.

NGS East advanced to the final match when they nudged out Chesterville 3-1.

Ken Wensink paced the Clans attack with two goals with Allen Coleman getting the other. Craig Smith's goal in the first period gave the Flyers a 1-0 lead.

Over on the B side, Leitrim Lions earned a ticket into the final when they toppled Leitrim Smit 5-3. David Raganold had two goals for the winners with singles going to Jessy Pulfer, Todd Hay and Derek Young. Alan Drolet, Sean Roy and Doug Conroy replied for Leitrim Smit.

The number eight was very much in evidence in the South Stormont - North-Glen-Stor West game with Todd Emond, who has the number stitched on the back of his jersey, fired in three goals for South Stormont in their 3-2 win. John Grady, who also wears number eight, notched both of the Clans goals.

In the preliminary round, Craig Smith had two goals, David Harper and T. McMillan, one each, as Chesterville doubled up on NGS West 4-2. John Grady hit net twice for the Clans.

North Glen-Stor East started on their road to the championship when they toppled South Stormont 5-2. Kenny Wensink snapped in three goals. Allen Coleman and Bobby McLeod added one each. Brian Dignard and John Dundas hit the mark for South Stormont.

Russell toppled Leitrim Lions 5-3. Stephane Robinson scored twice for the Braves with Bobby Gould, Martin Gregoire and Jeff Trembley getting one goal apiece. Jason McQuire, Todd Schreiber and David Raganold lit the red light for the Lions.

Craig Fournier Lyon registered his first shutout of the tournament as Metcalfe scored twice in the third period to down Leitrim Smit, 2-0. Kenny Stanley was responsible for both Mustang goals.

(A Mutual Fund Shopping List)

Most of us have two vital concerns when it comes to our investments: (1) Are we making the right choice? And (2) Would professional management improve that choice?

What follows is a mutual fund shopping list. It shows the striking success achieved by our equity funds. And the steady success of our income oriented funds.

This record is not accidental. It's the result of professional, day-to-day management which helps to smooth out the ups and downs of the stock market. It has helped the AGF Companies achieve the strongest overall performance record in the past six years of any mutual fund group in Canada.

Consider that. And good shopping.

Alphie's Pub wins A title Alexandria takes B crown

(Staff) - Alphie's Pub from Constance Bay survived a long day and won the A championship of the First Annual Chesterville Ladies Broomball Tournament held Saturday at the Chesterville Arena.

Like most of the tourney's matches, the A final was close with Alphie's prevailing over Rona Sports from Williamstown. The winning goal was scored by Carol Coburn from Jane McTernan. Nancy Fulton registered the shutout.

Maureen Fulford of Alphie's was named the A side's Most Valuable Player while teammate McTernan was the tournaments top scorer.

Helen MacIntosh of Rona Sports was selected as the top defenceman and Mary Ann Laframboise was named best goalie.

The B final was another one goal game with Ray's Sealtest from Alexandria edging past Osgoode 2-1.

Ellen Kristiensen and Carol Bisson found net for Ray's while Wendy Holmes connected for Osgoode which had a 1-0 lead.

Ray's Sealtest goalie Joan Filion won the award for being the most valuable player on the B side.

Alphie's Pub earned their way into the A final with a 1-0 shutout win over Chesterville. Carol Coburn notched the game's only goal and Nancy Fulton withstood Chesterville pressure in the nets.

In the A semis, K. Allen scored the lone goal giving Chesterville a 1-0 win over Newington and Karen Smith's goal proved to be the winner as Rona Sports blanked Wilfor from Carleton Place 1-0. Alphie's Pub had a bye.

D. Andre fired in a goal and that was enough to power Chesterville to a 1-0 win over Ingleside in an A quarter-final match.

Jane McTernan scored to provide Alphie's Pub with a 1-0 win over McKale's from Ottawa and Karen Smith and Cheryl Wightman hit net to power Rona Sports to a 2-0 win over Crysler. In the final A quarter final match Wilfor outscored Cornwall 3-0. Wendy McNabb, Linda McGregor and Darlene McKenna tallied for the winners. Newington had the bye.

Ray's Sealtest entered the B final when they just got past Berwick 2-1. Heather Fournier and Cathy Major scored for Ray's with J. Vanier replying for Berwick. Osgoode had the bye.

In the B semi-finals, Janet Crebar scored for Osgoode as they got past Avonmore 1-0 K. Wheeler and D. Glaude notched Berwick goals in their 2-1 win over Lanark. Peggy Bingley replied for Lanark. Ray's Sealtest had the bye.

Joan Filion, Heather Fournier and Cathy Major tallied for Ray's Sealtest in their 3-0 win over Angels from MacDonald's Corners in a B quarter-final contest.

Pat Donaldson and Janet Roberts found the mark as the Lanark Diggers edged Cardinal 2-1. K. Patterson scored for Cardinal.

Janice Foster scored the game's only goal as Avonmore blanked the Pontiac Raiders 1-0 and in another quarter-final match Osgoode shutout Davidson's Service Centre from Manotick 1-0. Wendy Holmes notched the winner for Osgoode.

Nine games were played in the preliminary round. Newington started the day's play with a 2-0 win over Davidson's Service Centre, Ingleside got a goal by Nancy Shaver in a 1-0 victory over Osgoode. Chesterville edged past Pontiac Raiders 2-1.

McKale squeaked by Avonmore 2-1, Alphie's Pub began their winning ways when they edged Berwick 2-1 and Crysler blanked Lanark 1-0.

The final three preliminary games had Rona Sports hanging a goose-egg on Cardinal 2-0, Cornwall downing the Angels 2-1 and Wilfor zeroing Ray's Sealtest, the eventual B champs, 1-0.

Broomball champs

Alphie's Pub of Constance Bay won the A title of the ladies Broomball Tournament held Saturday at the Chesterville Arena. Front row (l-r) Carol Coburn, Debi Hirkala, Nancy Fulton and Dorothy Snelgrove. Hawks rip Saints double Lions

PRESCOTT (Staff) - The Winchester Hawks have teed off on the Prescott Saints several times this season, and Sunday night was no exception.

The Hawks blew out the Saints 20-4 in Prescott. They led 7-1 after the first period and 14-3 at the end of 40 minutes.

Rudy Grisel reaped the benefits scoring four goals and adding one assist. Darrell Shelp and Mark Beaupre both had three tallies and three helpers. Dan Lee popped in a hat trick and an assist.

Mike Moran and Curtis McMillan each fired in two goals. Rick Grisel bagged one goal and two assists while Ken Sullivan and Pete Marriner lit the red light once. Grant Simpson had five assists.

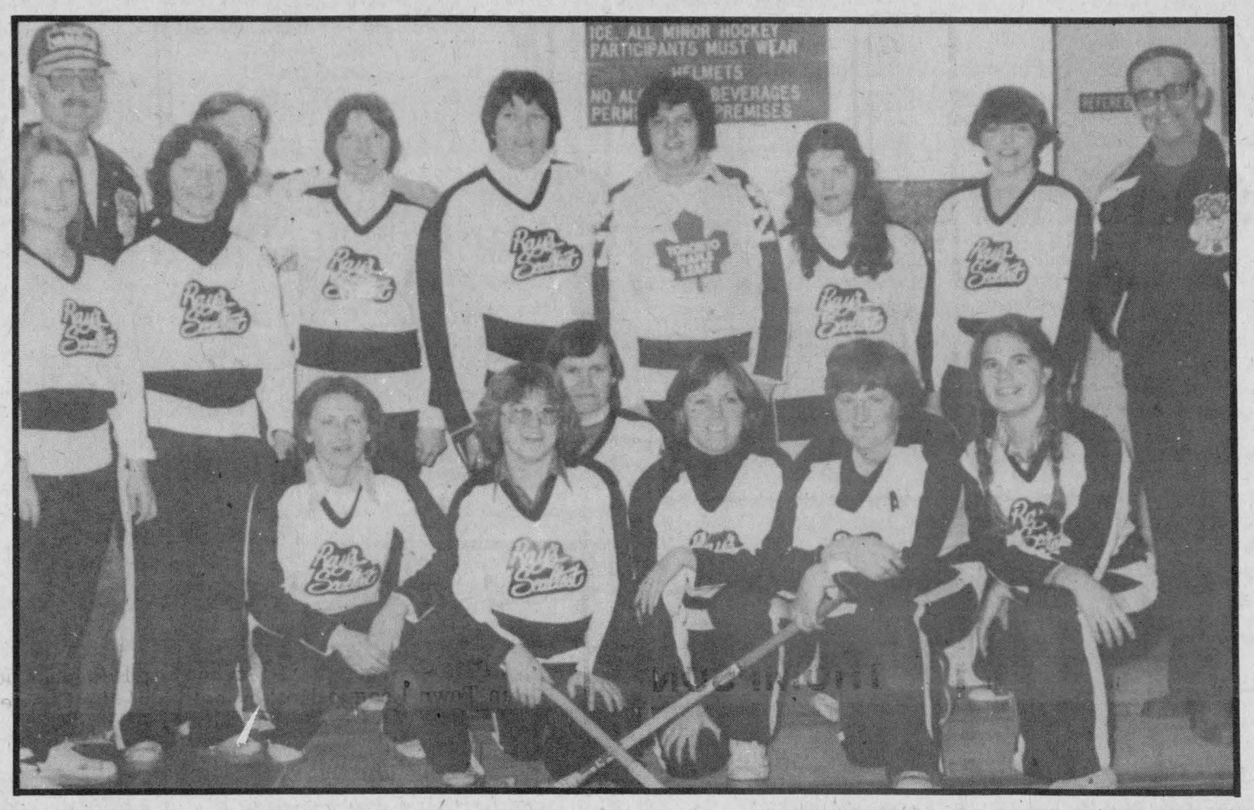
Winchester had a little tougher time against the Morrisburg Lions Friday night at the Winchester Arena, but still gained two points as they beat their rivals 6-3.

The Hawks were ahead 2-0 at the end of one thanks to two goals by Darrell Shelp, the first at 6:56 and the second at 14:12.

However Morrisburg tied it with two quick goals by Scott Corden. He scored at 5:41 and again at 6:06 of the second period.

Winchester assumed command with Al McLean finding net at 6:49 and Dan Lee hitting the target ten minutes later giving the Hawks a two goal advantage entering into the final 20 minutes.

Lions made a comeback bid when Scott Corden finished off his hat trick from Gary Beckstead at 5:36 but it was aborted as Mike Moran and Darrell Shelp tallied later on in the period. Rick Lewis was in the net for Morrisburg and Dave Spence tended goal for the Hawks.



Ray's Sealtest of Alexandria took home the B crown of the Chesterville Ladies Broomball Tournament on Saturday. Front row (l-r) Heather Fournier, Carol Bisson, Cathy Major, Joan Benton Filion and Barbara Taillon. Middle - Sandra McDougall. Back row (l-r) Pierrette Decouer, Donald Filion (coach), Gail Fournier, Ellen Kristiensen, Peggy Hay, Karen MacDonald, Janice MacLennen, Cathy MacDougall, Susan MacIntosh and Ray Jette (sponsor).

Peewees ready for Sun. tourney

(Staff) - The Chesterville Peewee Flyers are gearing up for their own tournament on Sunday at the Chesterville Arena.

Eight teams, including the Flyers, will be participating. At 8am, Chesterville plays Morrisburg while at 9am, South Stormont takes on Crysler.

Iroquois meets Prescott at 10am and Alexandria faces off against Winchester at 11am. The B final is set to get underway at 4pm and the A championship is slated for 5pm.

Last Wednesday night against Crysler at the Chesterville Arena, the Peewees were put on the spot when their starting goalie Kevin Edgerton was sick and the other netminder Robert Tym was hurt in the warm-up.

Coach Bernie Harper inserted Jamie Cheney between the pipes and he shutout the Bruins 8-0.

Mike Harper zipped home three goals for the winners while Rick Nelson and Ross Giles, up from the Atoms scored twice each. Dan Dubois had the other Chesterville marker.

The Peewees fell victim to a strong Metcalfe team Friday night at the Chesterville Arena, losing 7-2. Mike Harper had both Chesterville goals.

Mike Harper, Rudy Witteveen, Donnie Marcellus, Dan Dubois and Rick Nelson fired in goals as the Flyers dumped Crysler 5-1 in an exhibition game on Sunday night. Bradley Lalonde got the Bruin score.

The Atom Flyers advanced to the next round of the ODMHA Playdowns when they downed South Stormont 6-4 last week. Jason Groves hit the net for the Flyers with Kevin MacLeod, John Mackler and Jeff Barkley getting the others.

Although the Flyers were edged out by Stittsville 3-2 in Chesterville, South Stormont dropped both their games enabling the Atoms and Stittsville to go to the next round which will probably start the week of Feb. 8.

On Friday night, in Chesterville, the Atom Flyers doubled up on Metcalfe 6-3.

Bobby Van Delst notched the hat trick for Chesterville. Ross Giles had two goals and Andy Van Bruinessen, one.

Crysler takes first game of quarter-finals against Jets

FINCH (Staff) - The Eastern Ontario Jr. C Hockey League ended its regular season and rolled into the playoffs last week.

Crysler Recreation Raiders took a two points to none lead over the Chesterville Jets in their four-point quarter-final with a 6-2 win on Thursday night at the Finch Arena.

In Series C, Maxville won the first game against Alexandria 7-4 on Sunday afternoon in Maxville. No scoresheet was available from that contest.

To force a third game in Maxville on Sun., Feb. 8, the Glens must either win or tie at home on Saturday night.

The Osnabruck Twp.-Finch Twp. series gets underway tonight (Wed., Feb. 4) Game two is slated for Saturday night with a third game, if needed, played on Wed., Feb. 11. All games are at the Finch Arena and have 8pm starts.

Crysler 6 Chesterville 2

The Jets were in a must win or tie situation as the two teams took the ice last night at the Chesterville Arena (no result was available at press time).

Chesterville hardly looked like a struggling team during the first period of Thursday's game. They were constantly putting pressure on Crysler and save for some key stops by Crysler, goalie Robert Raymond could've had a two or three goal lead after the opening frame.

Instead, the Recreation Raiders came up with a decisive goal with 41 seconds left in the period as Sylvain Lafleche deked out Jets goalie Pat Brugmans after skating in on a breakaway.

This broke the Jets spirit a bit and as a result, the second period was a reversal of the first with Crysler applying most of the heat which paid dividends in the form of four goals.

Lafleche notched his second, Albert Herfkens knocked in two and Denis Raymond also scored in the second period placing Crysler in the driver's seat 5-0.

Chesterville did create a glimmer of hope with a pair of goals nine seconds apart within the first minute of the third period. Rob Harper scored at 22 seconds and Mark Moran tallied at the 31 second mark.

However, Crysler snuffed out the Jets light at the end of tunnel when Rob Termeer hit the target at 2:39.

Several teams ended their regular season schedule last week with these games.

Embrun 9 Finch Twp. 0

The 72's left no doubt they will be the team to beat in the playoffs when they wiped out the Twp. 76's at Embrun on Jan. 25.

Daniel Piche and Raymond Bourbonnais led the Embrun blitz with two goals each. Bagging one each were Mario Savage, Mario Bourgeois, Francois Brisson, Mario Brisson and Mario Lessard. Joel Brisson chalked up the Embrun shutout. Guy Brisson had three assists.

Osnabruck 8 Maxville 4

Jeff Johnson popped in two goals for the Twp. Kings, but that left him shy of the 50 goal plateau by one. He did win the scoring crown with 78 points.

Bill Kroeze also picked up two goals with Fred Ouderkirk, Chris MacDonald, Scott Cowsell and Randy Rutley getting the others. Stewart Bedingfield assisted on three of the goals.

Wayne Kippen, Ian MacDonald, Willie Kippen and Norm Bankley scored for Maxville who were in front 3-1 after the first period but behind 8-4 after two frames.

Finch Twp. 8 Chesterville 4

Jeff Derue and Doug Hough combined for two goals each as the 76's doubled up on the Jets at the Finch Arena on Wednesday night. Greg Clement, Jerry McGillis, Bill Dewit and Ed Dewit scored one goal apiece. Ed Dewit tacked on four assists.

Dan Moriarity had three goals for the Jets in a losing cause while Steve Jones got the other.

Crysler Recreation Raiders goalie Robert Raymond makes the save while teammate Michel Provost (18) checks to see if he needs any help. Recreation Raiders beat the Chesterville Jets 6-2 Thursday night at the Finch Arena to take the lead in their EOJCHL quarter-final series.

Avonmore rolling

FINCH (Staff) - Avonmore is pushing up the standings in the North Stormont Intermediate Hockey League.

They toppled David Brown 6-4 Friday night at the Finch Arena and dumped Stormont 7-3 Sunday at Finch to register a perfect four point weekend. Avonmore is now tied in third place with Rene Reynen. Each team has 24 points.

Steve McRae and Brent Theede each had two goals in Avonmore's win over David Brown. Mike Lalonde and John MacNaughton had the others. Tim Cryderman, Jim Losey, Dale Swerdfeger and Lynden Marcellus answered for David Brown.

Osie Shaver had the hat trick, Clarence Adams and Larry Wells, two goals each as Stormont surprised St. Andrews 8-3. Winston Dingwall had the other Countymen goal. Richard MacDonell, Ray Scott and Sandy MacDonell replied for the Saints.

Maxville edged past Newington 5-4. Brian Kinnear had a duo of scores with Ron Poapst, Andy Code and Dave Hansen scoring once.

Jack Wylemans, Don Simpson, Marlyn Presley and Mark Stephenson scored for Newington.

Steve McRae, had two, Brian Holland, John MacNaughton, Ron Smith, Mike Lalonde and Brent Theede one goal in Avonmore's 7-3 win over Stormont Sunday night. Osie Shaver had all three of Stormont's goals.
