Market magic

The Metcalfe Farmers' Market moved out of its fairground confines and into the comfort of the Royal Canadian Legion Greely and District Branch 627 on Sat., Nov. 19 for the first of two Christmas-themed markets. During the event, Ray Baumgarten set the tone, playing holiday music on the accordion. The next market has been scheduled for Sat., Dec. 10, at the same location. *Press Photo — Uhrig*

Early Years Centre completes WDMH health-care hub

by Matthew Uhrig
Press staff

WINCHESTER — The fourth and final tenant of the to-be-constructed Centre of Excellence for Rural Health and Education has been announced.

The Ontario Early Years Centre will join Job Zone d'emploi, the Champlain Community Care Access Centre, and the Eastern Ontario Health Unit as the quartet of government agencies under one roof.

However, the planned building is getting heat from members of the North Dundas Chamber of Commerce.

At the organization's regular monthly meeting on Wed., Nov. 16, Winchester District Memorial Hospital (WDMH) CEO Cholly Boland met with chamber members for the first time to discuss the project, and what it will mean for the local health-care landscape.

"This hospital is very important to the district," Boland said. "And through [last winter's] strategic planning process, it was decided to get beyond the hospital, and to create a vibrant, strong health network."

That formation also includes the hospital's acquisition of Dundas Manor, a transaction that should be completed by early 2012. (Completion of the sale requires approval from both the Champlain Local Health Integration Network and the Ministry of Health and Long-Term Care, while the ministry also needs to allow the transfer of the manor's long-term care bed licence.)

Chamber concerned about empty storefronts

"This is not some kind of Wall Street takeover," Boland said. "There is a benefit to this close partnership."

The CEO added that, province-wide, long-term care home ownership is split 50-50 between public and private operations.

Quite simply, Boland added, the Alguire family, which for some time has owned and operated Dundas Manor, was looking for a buyer, and the Alguires eventually settled on WDMH.

Chamber president Owen Shortt raised the evening's chief concern, questioning the hospital's role in vacating storefronts throughout Winchester.

"I think it has to be a concern to all of us," he said. "The perception is, it's unbalanced, and people are worried about the centralization, and we're not sure of the difference if the facilities stay where they are."

Dundas County leaders strive to sync services

by Amanda Smith-Millar
Press staff

DIXONS CORNERS – "Never doubt that a small group of thoughtful, committed citizens can change the world," anthropologist Margaret Mead once said. "Indeed, it is the only thing that ever has."

However, whether those individual groups are working together well — or are even aware of each other's goals and resources — remains a major hurdle that every community must face.

With service synchronization as their short-term goal and poverty elimination as their long-term one, local leaders gathered at the Williamsburg Christian Reformed Church for the Dundas County Community Forum on Fri., Nov. 18.

The day-long conference and breakout sessions gathered input from many sources with varying areas of expertise in the community.

Wind farm opposition strengthens

Brinston-area project on track for 2013

by Matthew Uhrig
Press staff

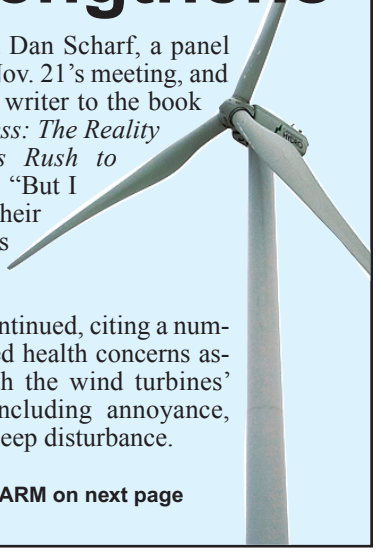
DIXONS CORNERS — Critics were out in droves at the Dixons Corners Community Centre on Mon., Nov. 21.

At the moment, a battle is raging between a group of concerned landowners and Prowind Canada, a Hamilton-based company with plans to erect about 14 wind energy turbines in the Brinston area. (The company also has plans to erect wind turbines, under the same project name, in the Shanly area, which is governed by the Township of Edwardsburgh/Cardinal.)

Work has yet to begin as Prowind waits for environmental assessment approvals, but company spokespeople have said construction is slated to begin in spring 2013.

However, members of the South Branch Opposition Group and its supporters are hoping no shovels ever reach the local ground.

"The message of [proponents], over and over again is, 'green is good,'" said Dan Scharf, a panel member at Nov. 21's meeting, and contributing writer to the book *Dirty Business: The Reality of Ontario's Rush to Wind Power.* "But I don't think their installation is very good for us."



Scharf continued, citing a number of alleged health concerns associated with the wind turbines' operation, including annoyance, stress, and sleep disturbance.

Health-care hub

• continued from page 1

Boland was quick to point out that a centre like WDMH's isn't unheard of in other parts of the province.

"The concept isn't completely unique," he said. "The tenants have been looking for new sites, and having the organizations together benefits the public."

As well, Boland added, Rural Healthcare Innovations, a non-profit corporation with the support and endorsement of WDMH, has been created to manage the new facility — meaning that the business affairs of the centre and the hospital will remain separate.

The strong health network in Winchester will also help to draw an increased number of patients from neighbouring communities, which may put WDMH in line for additional funding from the provincial government.

"We can't have a project like this with just 100 local people," Boland said.

The Centre for Rural Health and Education, a 15,000 square-foot, stand-alone, single-story structure, located on the southwest side of the current hospital facility, is expected to be open by summer 2012.

Community forum

• continued from page 1

A wide range of community representatives, from municipal politicians and economic development staffers, to business owners, health-care providers, social services workers, volunteers, and more, were involved in the conference. Issues of significance on the table included housing, health, food, economic development and employment, transportation, the environment, and other crucial topics.

The event was organized by Linking Hands, a group co-ordinated through the House of Lazarus outreach mission in Mountain.

The groups also discussed the importance of being effective and communicating properly with clients. In a breakout group entitled "navigating the system," participants discussed the fact that someone who's fighting poverty may turn to an agency for financial help — but not necessarily be able to read a form presented by the person behind the counter. Alexis Green of the Leeds, Grenville, and Lanark Health Unit noted that front-line workers must be trained to be able to assist others and anticipate these obstacles in order to make the system more helpful and efficient.

> ***"We can work together to build better systems."***
>
> *— Nanda Wubs, co-chair of Linking Hands*

"How can you do that in a sensitive and respectful way?" Green asked.

Meanwhile, in another room, business leaders and economic developers discussed the sensitive topic of minimum wage — and the fine line between providing a living wage while allowing businesses to survive (and possibly thrive).

Linking Hands co-chair Nanda Wubs said Friday's forum aimed to break down barriers and improve services. Some community leaders in the room, she said, had never met each other, nor learned about services available. The community forum was about "linking together to work together," said Wubs.

For example, she noted that transportation is an ongoing concern in the rural area. Service groups may be able to subsidize one group's van via a transportation consortium, through which another organization subsidizes the vehicle's cost by buying a "share" in the program, or providing a set fee to offset the purchase and maintenance costs.

"We can work together to build better systems," said Wubs.

Wind farm

• continued from page 1

Wind energy backers, however, argue that there are no direct impacts on health or standard of living, and insist clean energy creation is necessary to ensure the province's continued vitality. As well, the Ontario Liberals plan is to phase out coal-fired plants within the next number of years, a task that is expected to reduce the province's greenhouse emissions by as much as 80 per cent by 2050.

South Dundas Mayor Steven Byvelds has gone on record saying that the project does have its merits, so long as things are done right.

"There's really nothing we can do from a municipal level," he told the *Winchester Press* prior to the Nov. 21 meeting. "We're just here to listen."

As well, other than providing suggestions, municipalities are handcuffed in this process, with approvals and regulations handled by the Ontario government, a stipulation of the *Green Energy Act*.

"We're just a commenting agency," Byvelds said.

Project consultation began as early as 2007 when the company began studies in the region. At this time, five local landowners have agreed to partner with Prowind for the South Branch project, offering up prime acres where the turbines can operate, free from any obstructions.

As well, the company has already secured a Feed In Tariff (FIT) contract with the provincial government to produce 30 megawatts, enough power for an estimated 7,500 homes per year.

Prowind, for its part, has held a series of public consultations throughout this process, and although they stated a gathering in September would be the last, another meeting for South Dundas residents has been planned. As of press time, the meeting was scheduled for Tues., Jan. 10, 2012 at Matilda Hall.

Prowind also has plans for a similar type of wind farm on Kerr's Ridge Road near Hallville, but the project is on hold while the company waits for approval through the FIT program.

WDMH receives $75,000 from Lions International

Ophthalmology clinic to benefit

WINCHESTER — The region's hospital facility has received a generous financial commitment from the Lions Club International Foundation.

On Fri., Nov. 18, a nearly $75,000 donation was made to Winchester District Memorial Hospital in order to pay for the ongoing needs of the medical institution's ophthalmology clinic.

This new total brings the Lions' effort — to date — to roughly $200,000 directed toward eye care efforts at WDMH.

"Our eye doctor from Ottawa began working at WDMH, and our experience has improved so much," said Ann Velthuis, Metcalfe and District Lions Club member, who had cataract surgery at WMDH. "Now we don't have to pay so much for parking or gas to drive into the city, and my eyesight has improved so much that I can read the bottom line on the eye chart."

Troy Cross, executive director of the hospital's foundation, said he is impressed by the Lions' continued efforts.

"Whenever a Lions Club gets together, problems get smaller, and communities get better," he said, quoting a phrase from the Lions website. "It couldn't be more true for WDMH. Their commitment to vision health will save the sight for hundreds of patients from our communities. The Lions are true community leaders."

Speed zone set in Williamsburg

Fines will double

WILLIAMSBURG — Township of South Dundas council members gave their blessing in August, and now a bylaw has been passed at the United Counties of Stormont, Dundas, and Glengarry level to implement a community safety zone in Williamsburg.

The idea was initially proposed by Ben de Haan, counties engineer, following consultation with both village residents and the OPP.

As well, a traffic study conducted in downtown Williamsburg showed that more often than not, vehicles were travelling north of 70 km/h, much higher than the posted 50 km/h.

The safety zone designation, which is part of the Ontario Highway Traffic Act, means speeding fines are now doubled for any driver obstructing the law. (For those drivers travelling 20 km/h above the posted limit, the fine would increase from the standard $95 to $180.)

Signage to indicate the change will be installed in the coming weeks, while the measures behind the bylaw will be enforced 24 hours a day, 365 days a year.

Family resource centre in need of gift donations

Royal LePage Gale team launches Christmas campaign for Naomi's

by Amanda Smith-Millar
Press staff

WINCHESTER — Christmas isn't necessarily a happy time for everyone — especially women and children who are recovering from domestic abuse while trying to rebuild their lives.

Again this year, Naomi's Family Resource Centre is hosting its Christmas Room program. After collecting donations (new items only) from the community, the Winchester shelter will invite women and children who have accessed the shelter's services within the last year to visit their Christmas Room.

Women visit one room filled with kids' presents and pick out some gifts — which can range from teddy bears to crossword puzzles to MP3 players. Meanwhile, in a separate room filled with items like makeup sets, scrapbooking kits, and movies, youth do their best to pick out a gift their mums would like (often with the advice of a Naomi's staffer).

The shelter also typically selects gifts for single women in need.

Open Heart Campaign

In the past, Butch Oldford and his team at Royal LePage Gale Real Estate — Winchester have made monetary donations to Naomi's. (Specifically, they've sacrificed their office Christmas party and donated the estimated cash value of their event to Naomi's.)

This time, the Winchester sales representatives are stepping up their yuletide charitable efforts by backing the Open Heart Campaign, a Royal LePage initiative in support of Naomi's Christmas Room.

Due to the nature of their work in the housing industry, real estate agents often witness the fallout of domestic violence and the difficult rebuilding process that victims face.

"In my travels, I've seen an awful lot of abuse of ladies and children," Oldford said grimly. "It's a horrible situation."

> ***"In my travels, I've seen an awful lot of abuse of ladies and children, it's a horrible situation."***
>
> *— Butch Oldford*

Oldford decided to co-ordinate a Winchester-based collection drive in 2011 and join the existing Open Heart Campaign in Metcalfe.

"I want people to participate in this," said Oldford. "I mean, the work they [Naomi's] do is amazing — and so needed, unfortunately."

Sales representative Elaine Taranu — who, once more, is organizing the Metcalfe-based Open Heart Campaign — agreed.

"This holiday season, I hope that you join me once again in opening your heart to Naomi's shelter by depositing new gifts at the drop-off points," she said in her prepared remarks.

Taranu noted that Naomi's helps many women and children living in communities located in south-east of Ottawa — including Metcalfe. "Your gifts and donations are much needed to make Christmas Day a meaningful one," she said. "If you can offer a money donation this year, please consider Naomi's at the top of your list, so they can continue to offer secure dwellings and meaningful services to their clients."

Collection points

Dundas County-area donors are welcome to drop off their donations at TD Canada Trust in Chesterville, RBC in Winchester, and Scotiabank in South Mountain.

Residents living closer to the City of Ottawa can leave gifts at Leitrim Home Hardware in Gloucester, the Live and Learn Resource Centre in Metcalfe, and the Main Bar and Grill in Metcalfe.

If donors can't make a trip out to one of these centralize drop-off spots, Oldford (613-229-7795) and Taranu (613-614-2885) have committed to making house calls to collect the items.

The Open Heart Campaign runs until Sat., Dec. 17.

BMR battery fundraiser will re-energize local food bank

by Amanda Smith-Millar
Press staff

WINCHESTER — Ken Boje of Winchester BMR is ready to re-energize his business' annual yuletide charity fundraiser. And, what better way to put the jolt back into benevolence than to create a campaign centred around an ever-popular consumer product: batteries.

For $1, customers can buy a package of four Fuji alkaline batteries. All proceeds will go to the Dundas County Food Bank (DCFB).

The initiative will replace the Food Bank Friends fundraiser Boje ran in Christmases past, during which little ornaments (known as "friends") were sold.

The Food Bank Friends were popular, Boje explained — but it's time for a change.

"They've sort of run their course," he said.

Boje said he expects the new fundraiser will be successful.

"The thing is, everybody needs batteries," he said, stressing that campaigns often go over well when donors are provided with a product in exchange for their contributions: "It gives the customer, the donor, something in return."

The Fuji alkaline batteries will be available while quantities last at BMR, located at the County Road 31/38 intersection.

Some leftover Food Bank Friends are still waiting to head to a new home, and they're available for sale, too, Boje noted.

Meet Santa

The day before the North Dundas Country Christmas Parade of Lights, Winchester BMR will host its annual photo session with Santa.

The Fri., Dec. 2 event is scheduled to take place from 4 to 7:30 pm. Prints cost $5 each, with all proceeds supporting the House of Lazarus, an outreach mission in Mountain.

$2 million high school site overhaul to begin

by Matthew Uhrig
Press staff

The former Morrisburg High School building is in line for a complete restoration. The project's price tag is estimated to be about $2 million. The building's occupants will be the Township of South Dundas and the St. Lawrence Medical Clinic.

Press Photo — Uhrig

WILLIAMSBURG — Restoration of one of Morrisburg's historic buildings is slated to be ongoing throughout the next number of months.

That was the decision made at the most recent Township of South Dundas council meeting on Tues., Nov. 15.

CAO Stephen McDonald outlined a plan that would see the municipality contract the services of Colbourne and Kembel, a Kingston-based architecture firm.

"The process for this has taken us a long time," he said. "But, it has allowed time for a lot of thought."

The project in question is rehabilitation of the aging Morrisburg High School structure. First opened in the 1920s, the building has been dormant since the late 1960s, when students were shuffled to the burgeoning Seaway District High School facility in Iroquois.

At that time, the building was handed over to the former Morrisburg village council, which held ownership rights of the structure until amalgamation in 1998 when South Dundas became the former high school's guardian.

In the years since, use of the site has been infrequent, with the exception of the St. Lawrence Medical Clinic, which has been operating out of the building adjacent to the one-time educational institute.

McDonald's report indicated that the medical clinic would work out of the first floor of the redesigned structure, while the municipality would occupy both the second and third floors. (At this time, the project is estimated to cost roughly $2 million, which will be partially subsidized by the rent paid by the medical clinic. However, McDonald indicated the price could change, up or down, as work progresses.)

"Until the renovations are complete, clinic staff can stay in their current space," he said.

It was the medical clinic's partners, Mayor Steven Byvelds said, who got discussion underway about the possibility of developing the high-school facility.

"Without them, we couldn't have done this on our own," he told the *Winchester Press* following the meeting.

Initially, the doctors approached the township regarding their application to become a Family Health Team (a distinction which has not to date been approved), as well as the clinic's future space requirements.

From there, South Dundas staff obtained the services of the True North Group, which determined the building was structurally sound, and could endure the overhaul.

What remains contentious among residents and council members is the township's plan to vacate the current municipal headquarters in Williamsburg once work has been completed.

"Everyone should be excited about this," Byvelds said. "There might be some challenges when we do have to leave Williamsburg, but we will deal with that as we move forward."

When the overhaul is finalized, it is expected that each of the municipality's department heads will have an office, while the size of the council chambers will be increased.

As well, there will be a central storage facility for the township's archives, and enhanced meeting space. An elevator is also planned to be installed between the first and third floors in order to make the facility accessible to all.

"I'm glad to see we will be going ahead, and getting this job started," Byvelds said. "It has been a long time coming."

Township wants lasting recognition

WILLIAMSBURG — Since amalgamation in 1998, the Township of South Dundas has helped to fund a number of projects throughout the municipality.

Council notes from South Dundas

In recent years, much of the financial help has been streamlined through the township's "dollar-for-dollar" program, which sees South Dundas pay half of an organization's requested funds, up to $25,000.

Now, the township is looking to be recognized by the installation of a plaque, or another suitable form. (This stipulation is for future projects, nameplates will not be added to already completed works.)

In April, council agreed to a series of changes to the funding program, noting that projects receiving cash from the provincial or federal governments are not eligible for municipal help, while proposals should include a business case detailing how it will fit into existing or future township plans.

Recipients will now also be required to agree to recognize the contribution of South Dundas.

Drainage work ongoing

The township has entered into 10 separate agreements for the continuation of necessary maintenance to the same number of municipally owned drains.

In total, more than $195,000 will be spent to clean the drains, and provide restorative procedures where required. Brinston's Frank Ault Excavating will tackle nine of the projects, while Winchester-based Quintan Products secured the contract for work on the Carkner Municipal Drain, located near Winchester Springs.

"This is work that needs to be done, and hopefully the agricultural community will be happy for it," said Mayor Steven Byvelds.

Two Creeks tribute

South Nation Conservation (SNC)'s latest environmental grounds, Two Creeks Trail, is located on County Road 2 west of Morrisburg.

The land, previously owned by Domtar, was at one time a walking trail with regular use, but in recent years had fallen into a state of disrepair.

However, the green space was designated for protection by the Ontario Heritage Trust in 2009, and has been in the possession of the SNC since that time. (At that time, two properties in the Finch area, and the Newington Bog also received protection notice.)

With a rebirth planned, Byvelds is hoping to add a local name to one of the system's walking paths.

Iroquois resident Don Graham was an architect behind the area's revival, and the mayor said it would be fitting if he were recognized in this way.

"This is not precedent-setting, because it's been done before," Byvelds said. "It's an opportunity for us to recognize someone now, and make sure he enjoys [the trail]."

A final decision regarding the naming will be made at the SNC's board level.

MoE wants fence at Matilda landfill

WILLIAMSBURG — The Ministry of the Environment (MoE) has slapped the hands of the Township of South Dundas, although the reprimand is subtle.

Because of the ministry's action, the municipality will now be moving ahead with the addition of fencing at the Matilda Landfill site, which goes against a previous decision during this year's budget process.

Currently, a portion of the facility is cordoned off, but MoE officials have indicated that the entire area must be enclosed.

"We have to keep the agricultural community out of our property," said Hugh Garlough, manager of public works. "The biggest thing is to keep manure from being spread [on landfill property], and to keep it out of the wells."

At the moment, there is no clear delineation between the waste site and a neighbouring farming operation, Garlough added.

The public works manager continued, saying ministry officials wanted the job completed this year, but have agreed to a deferral if it's required.

"Because it didn't get passed in [this year's] budget, we asked for forgiveness," said Garlough.

The project has been contracted to Brockville's Burchell Fencing, and comes with a roughly $16,000 price tag.

Joggers, light up the night

There have been a few complaints from drivers recently regarding runners who are not wearing proper reflective clothing at night.

Pedestrians do, indeed, have the right of way. But, they need to be mindful of motorists. Nothing is more terrifying for a driver than to be cruising along in the middle of the night and, at the last second, narrowly avoid side-swiping a runner who is jogging along the highway in dark clothes.

It's understandable that runners wish to go out for a jog in the dark. It's cooler after hours (especially in the summer), and the darkness provides at least some sort of privacy when one is sweating out the day's stress while grooving, often embarrassingly, to a playlist of rock, rap, or Top 40 tracks on the iPod.

Many drivers constantly worry about striking a runner, or any pedestrian, in the dark.

In addition, many runners actually feel somewhat safer at night, because they can see a car's high beams approaching. By comparison, some runners who listen to music feel it's more dangerous to exercise during the day because they can't see the oncoming headlights, nor hear the motors.

Of course, runners (and walkers) jeopardize their safety by compromising their hearing and should therefore leave the earphones at home. But let's be honest. That ain't gonna happen. Joggers love their tunes, mostly because music essentially functions as an opiate – a distraction that transforms exercise from an unbearable chore to a tolerable, even fun, activity.

Is reflective clothing the answer? Yes. For many drivers, the fear of striking a pedestrian is ever-present. So, nighttime joggers in our rural area – please, please wear reflective clothing at night. The person in the car – who only spots you at the last moment and nearly has a heart attack – does not deserve such treatment. Just because you can see the high beams from kilometres away doesn't mean they can see you.

A reflective vest might not compare to Lululemon yoga pants when it comes to fashionable workout gear. However, when people (namely ladies) say, "I'd rather be dead than caught wearing X…." Come on, let's be honest – you don't really mean it…. Especially when it's dark outside and few folks will see you anyhow, right?

One small step for Heelers; leap pending

It's nice to hear that the Winchester Hospital Heelers walking group is taking (ahem) strides to create a local event similar to the now-discontinued Weekend to End Women's Cancers. As described in a letter published last week from long-time group leader Christina Enright, the Heelers don't intend to quit. The Winchester District Memorial Hospital (WDMH) used to receive 75 per cent of proceeds raised by the Heelers, with the remaining funds going to the Ottawa Regional Cancer Foundation. While the foundation has decided that it won't continue the walk this year, the Heelers intend to sally forth. That's excellent news. So, too, is the group's plan to establish a local event that will become a fundraiser to combat all cancers. We eagerly anticipate their plans.

Remember when...

1921

Two years after his death, the story of how Andrew Carnegie earned his first million dollars was finally being told, the *Winchester Press* reported this week. Carnegie was the first in America to learn of a new steel-making process, which made possible the use of phosphorous ore. He did this by securing options on all the best Appalachian iron mines, and then turning around and selling them for a handsome sum.

1931

A number of Canadian writers this week had begun to recognize the unique art that could be inspired by "Indian" life, the *Press* reported. No one, this paper said, had ever written in "Hiawatha's style," meaning the Canadian "Indian" had yet to be conventionalized and idealized into an epic hero.

1941

The local Salvage Campaign got off to a good start when three teams of high-school boys went into action, and collected more than 10 tons of paper, rags, bones, fats, and metals. While the boys were doing this, the girls were out selling war savings stamps and certificates. Combined, the effort helped to produce $490 for the ongoing war effort.

1951

More food advice in this week's paper: The taste of devilled eggs may be enhanced by flavouring them with the juice from a jar of olives.

1961

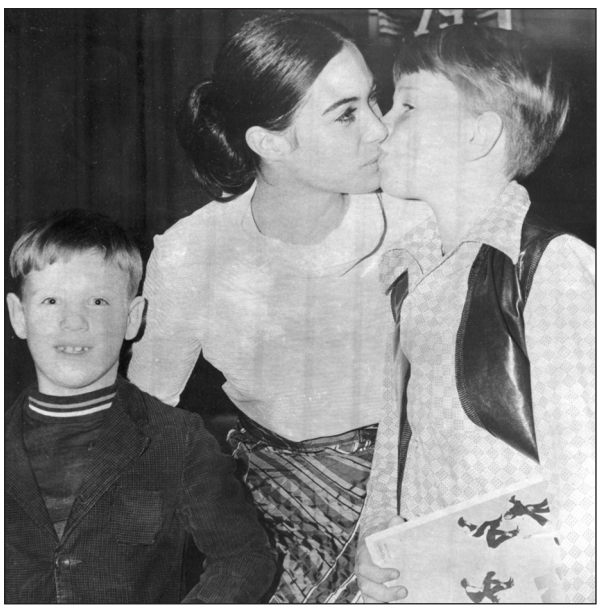
The "Know Your Canada" column this week answered the question: "What is Albertite?" Answer: It is a jet-black asphaltic mineral with a high gas content that was discovered in Albert County, N.B. in the mid-19th century.

1971

The board of the Stormont, Dundas, and Glengarry County Library decided this week to move the Winchester branch to larger quarters, the *Press* reported. At the time, the library was located next to the Biccum and MacIntosh insurance firm, while the new location would be in the former Royal Bank building – a considerably larger space.

1991

Consumer and Corporate Affairs Canada was warning this week that many aerosol car tire inflators contained flammable propellants that could cause explosions. The inflators were used to seal punctures and leaks, while at the same inflating tires, but had recently shown signs of defects.



Robert Inglis got the thrill of his young life at the annual Sportsman's Dinner held this week in 1971 at North Dundas District High School. Not only did the avid football fan get to meet "Miss Ottawa Rough Rider" Marlene Shepherd, but he stole a kiss from her, too. Also pictured is the lucky lad's brother, Albert.

2001

Several concerned parents got their wish this week back in 2001, as a crossing guard had been assigned to supervise the intersection of Main Street and Christie Lane. For months, parents had been lobbying Township of North Dundas council in the hopes of having a guard on duty. Beth Pinch was assigned to the location, and would be on hand before and after school, as well as at lunchtime, to help any kids heading home during the lunch hour.

Canada

Save a cowboy, ride a horse!

From the Other Side
by Jeff Morris

I get giddy and excited every year when it's Grey Cup time. It is more than a sports event. It is a reason to celebrate Canada.

And even though we are all about hockey here — much more so than we were a generation ago — there really is no party like a Grey Cup party.

But when did it all start?

Sixty-three years ago this week, a group of rowdy football fans from Calgary decided it was high time they rode their horses through the lobby of the storied Royal York Hotel in Toronto. It was a stunt that became an annual tradition, and it was an epic moment that changed the face of Canada.

Being Canadian means something different to all of us. For many, it simply means we are not Americans. To some, it's about being more polite or more tolerant or funnier.

But when it comes right down to it, we are Canadian because our beer is better, and because we are better partiers. And nobody parties like Calgary.

If you've been to Calgary, you get it. You get off the plane, get your bags, grab a shuttle bus, and when you leave that shuttle bus, you step into what can only be described as a 24-hour virtual beer or cooler commercial. You party like there's no tomorrow. You fall in love with every woman. You want to be like every guy. Strangers hand you plates of pancakes on the streets and red Solo cups filled with something cold and refreshing. Then… you go home. Sigh.

In 1948, two trainloads of Stampeder fans arrived at Union Station. Toronto Mayor Buck McCallum personally greeted them at the train station, and welcomed them to Toronto with a complimentary pancake breakfast served on the steps of City Hall.

Then, the party started.

The most famous incident, obviously, involved the horses being ridden into the lobby of the Royal York. When I was there this summer, I asked the staff about last year's Grey Cup and if anything like that happened. I was told that they do not tolerate such behaviour anymore, but added with a hint of spry that some Calgary fans brought a horse to the front door, and that staff members fed him carrots.

"We even got his hoof print in the guest book," he said, wishing that rules no longer quelled the raucous traditions of the past.

The Stampeders won the 1948 Grey Cup, beating Ottawa 12-7. The '48 Stamps remain the only team in CFL history to run the table and go unbeaten for an entire year. Normie Kwong became the first Chinese-Canadian to win the Grey Cup. At that time, he was an 18-year-old halfback who became the youngest player to ever win the Grey Cup. Kwong, who went on to star with the Edmonton Eskimos dynasty of the 1950s, is one of only a few men with his name on both the Grey Cup and the Stanley Cup. "The China Clipper" — that nickname would never fly in today's arena of political correctness — is now the lieutenant governor of Alberta.

"Ain't no party like a Grey Cup Party 'cause a Grey Cup Party don't stop!"

— The Hammerheads (2004)

The play of the game was the famous sleeper play. Norm Hill lay face down by the sideline at the Calgary bench. Because of the crown on the Varsity Stadium field, the Rough Rider defenders either could not see him or did not notice him. Keith Spaith took the snap, Hill got up and ran, and Paith fired what proved to be the winning touchdown pass. The sleeper play was outlawed in 1961.

Jim Coleman, the late *Globe and Mail* columnist, described the aftermath as follows:

"The football game for the Grey Cup was contested officially in the stadium and was continued unofficially in the hotel lobby. At 5:01 pm the goalposts were borne triumphantly through the front doors and were erected against the railings of the mezzanine.

"At 5:02 pm two platoons of bellboys circumspectly removed the potted palms, flower vases and anything that weighed less than three thousand pounds.

"The gaudily caparisoned Calgary supporters were boisterous and noisy but well-behaved and courteously declined to ride their horses into the elevators. Any minor untoward incidents were occasioned by youthful local yahoos who suffered from the delusion that the consumption of two pints of ale and the acquisition of a pseudo-western twang entitled them to ride the range astride any convenient chesterfield."

We're not sure what kind of fun and shenanigans the folks from Calgary have planned for their invasion of Vancouver this weekend. An out of control party may be just what this country needs.

Then again, let's hope that things don't get too out of control in Vancouver, the city that loves to destroy itself.

There is nothing more Canadian than a Grey Cup, even if it takes two hands to negotiate not spilling your red Solo cup full of beer and you need to be held up by a wall.

Winchester District Memorial Hospital

Care Close to Home
A Look Inside WDMH

Nutrition key component of healing process

Welcome to Care Close to Home — written by the people who are at the heart of Winchester District Memorial Hospital (WDMH). This "inside view" is designed to help our communities get to know the WDMH team, in their own words. This month, we hear from Rose Ormsby – a member of the Nutrition and Food Services team.

Rose Ormsby

When you think of Winchester District Memorial Hospital, what do you think about? Probably doctors, nurses, and treatment — but there is another area that is also of great importance.

I was born and raised in Ireland. I came to Canada in 1979 and have lived in the Winchester and Chesterville area for the past 32 years. I have worked in the Nutrition and Food Service Department for 25 years.

During this time, I have seen many changes. When I first came to Canada, I was amazed by the health care system and how health care was free for Canadians. It still makes me appreciate everything WDMH has to offer my family and local communities.

In my department, we prepare meals for approximately 60 patients every day. We also prepare food for the cafeteria and for meetings and events. When I first arrived, the diet orders were simple and basic. Now we have many special needs to consider including fluid restrictions and special diets such as two-gram sodium, low potassium, low phosphorus as well as the usual diabetic and no added salt ones. It makes our job challenging, but it's very fulfilling to be able to help our patients.

Our patients are very important to us and the best way to assist with their healing is to provide meals that are nutritious, and to offer things they enjoy eating. We like to take the time to ask about their likes and dislikes and get their feedback about the meals we serve.

I have made a lot of good friends and great memories while working at WDMH. It's a special place.

NDDHS Notes

Theatre kids plan dramatic departure

MAPLE RIDGE — North Dundas District High School (NDDHS) always organizes a school trip overseas, which typically support various areas of study, including history, sciences, and drama.

This time, a number of theatre students will be travelling to Italy in the spring of 2012. Said students will be hosting a fundraiser on Sat., Nov. 26 at the school from 9 am to 3 pm. Craft tables, raffles, 50/50 draws, white elephant tables, baked goods, and lunch will all be available for the buying pleasures of the visiting public.

Money raised from this event will go to various groups and activities within the school. Donations will be gladly accepted, so come out, browse around, and enjoy yourself while supporting this fundraising event.

A glow-in-the-dark dance at NDDHS will take place this Thurs., Nov. 24 at the school. All North Dundas students attending must have a valid student card. Cards will also be available at the door for those wishing to purchase them the night of. If anybody is bringing a friend from another school, or one that has already graduated, they must be signed in prior to Thursday night, and a piece of photo identification must be presented upon entering.

Tickets are available this week at lunch for $8 or they can be purchased for $10 the night of. All white clothing will glow in the dark and glowsticks will be sold. Graduation photos have been taken this week and will be ready to order within the next few weeks.

It's no holiday: What Constituency Week really means

From Parliament Hill
by MP Guy Lauzon

OTTAWA – When constituents see me out and about in the riding, I often get comments like: "Oh, are you off this week?"

I have heard similar comments so often that I usually just smile and nod my head. In this week's article, I would like to explain what having "a week off" means.

Parliament usually sits 130 to 140 days a year. It sits from 11 am to 6:30 pm on Mondays, Tuesdays, and Thursdays, from 2 to 7 pm on Wednesdays, and from 10 am to 2:30 pm on Fridays. I usually leave home at 6:30 am, and arrive on Parliament Hill at approximately 7:45 am.

On a typical day, MPs attend committee meetings, caucus meetings, have house duties, meet delegations and constituents, attend Question Period, vote at committee and on various pieces of legislation, and answer calls and emails.

Our days are very full, and it seems we are always rushed, but I am not complaining. This job is the most exhilarating one I have ever had in my life. My adrenaline flows non-stop from early morning to late evening. I usually arrive home between 8 and 9 pm, tired, but very happy with the day's work.

The weeks when Parliament is not sitting are called Constituency Weeks. They are meant to give MPs time to meet with constituents, consult with various municipal officials and other stakeholders, cut ribbons, and attend various functions throughout the riding. It is also a time to go out into the community, and reach out to various groups that need particular assistance.

I thought you might be interested in knowing what your MP does during a typical Constituency Week.

Last week, for instance, Sunday was spent attending three Remembrance Day ceremonies. On Monday, Tuesday, and Wednesday, my staff and I held six information sessions in Cornwall, Morrisburg, Winchester, Ingleside, and Chesterville, where we advised seniors of their entitlements regarding Old Age Security, CPP, and the Disability Tax Credit Program. Most of the day Thursday was spent in the constituency office meeting constituents and answering correspondence.

My wife, Frances, and I had the honour of attending a very moving Remembrance Day dinner Thursday evening, one that honoured all veterans, including 24 who have served in Afghanistan.

Friday was spent attending Remembrance Day ceremonies throughout the riding. But the work didn't stop there, as the weekend was spent at a number of new business openings, anniversary certificate presentations, fundraising teas, and dinners.

As you can tell from the above, I have the most stimulating, rewarding, and interesting job in Canada. I thank you, the constituents of Stormont, Dundas, and South Glengarry, every day for giving me the privilege of having it.

More green bins in schools

METCALFE — The City of Ottawa's Green Bins in Schools program continues to grow. To date, more than 120 schools, representing every ward, have registered for the 2011-2012 school year.

This program educates students and staff about the importance of waste diversion and recycling, both at school and at home. The city provides schools with green bins, and picks them up using its regular residential collection teams.

Two schools in Osgoode Ward — St. Mark High School in Manotick Station, and the Community Christian School in Metcalfe — are participating.

Those educational facilities interested should contact Cameron Neale, waste diversion co-ordinator, at 613-580-2424 ext. 25102, or by email at cameron.neale@ottawa.ca for more information.

Metcalfe Santa Parade

Floats are urgently needed for Sun., Dec. 11's 15th annual Metcalfe Santa Claus Parade.

The parade lineup will begin at 1:30 pm at the Community Christian School, and from there will proceed through the village to the community centre.

Afterward, cookie decorating, treats, hot chocolate, mushroom soup, and pictures with Santa will be available.

For more information, contact Laurie Ann Holmes at 613-821-2112 or by email at klholmes@xplornet.com.

Tops in Ontario

Students, teachers, and parents of Castor Valley Elementary School are to be congratulated for their outstanding efforts on behalf of the Heart and Stroke Foundation. In total, participants raised $22,000 in 2011 through their Jump Rope for Heart Program, making Castor Valley the highest grossing school in Ontario.

I was honoured to be part of a school assembly where Heart and Stroke Foundation representatives and myself presented plaques to the students.

Vernon Craft Sale

This Saturday (Nov. 26), the annual Vernon Craft Sale is scheduled to take place from 9 am to 2 pm at the village's recreation centre.

Vendor registration is still available, and those interested should contact Kim at 613-821-3033 or Keith at 613-826-3609.

Village review plans

In the spring of 2011, the City of Ottawa consulted with residents regarding their village plans, and asked for input on their future vision for their settlements. Throughout November and December, the city will be reporting back on the findings of the spring consultations and presenting the proposed revisions to the village plans.

A meeting for residents of Metcalfe, Vernon, Kenmore, and Marionville took place on Mon., Nov. 21, while Osgoode residents will have a chance to hear the findings during a meeting on Thurs., Dec. 8 from 7 to 9 pm at the Osgoode Community Centre.

The final meeting for Greely has been scheduled for Thurs., Dec. 15 from 7 to 9 pm at the village's community centre.

Making mittens

It was a lesson in being winter ready at the Osgoode Township Historical Society Museum on Sat., Nov. 19. With the temperature beginning to dip, and winter winds setting in, local children including brothers Jackson (left) and Joey Villeneuve were invited to assemble their very own pair of mittens.

Silver finish for Carleton County dairy team at Royal Agricultural Winter Fair; Dundas in fifth

TORONTO — The 4-H competitors from Carleton County cleaned up at the Royal Agricultural Winter Fair in Toronto this year, finishing in second place overall. Meanwhile, Dundas County placed fifth in the TD 4-H junior Dairy Classic Show.

Local 4-H shows strength at Royal

When the dust had settled, Durham West was named Premier County with Carleton being the runner-up. More than 50 counties/teams from across Canada competed with 360 calves being shown.

Carleton's Barn Display finished in a four-way tie for fourth in the A group, while Russell placed third in the B group.

Emma Farlinger of Dundas County was the "Fran"tastic embryo draw winner.

Individual results

Results for the 4-H competitors from Dundas, Russell, and Carleton are as follows.

4-H Field Crops, Class 1 (wheat of any variety): Megan Styles, Carleton, first.

Junior Showmanship: Emma Farlinger, Dundas, fifth; Caitlin Jampen, Dundas, 13th; Victoria Eastman, Carleton, 15th. Intermediate Showmanship: Courtney Henderson, Carleton, fifth; Alex Chabot, Russell, sixth; Amanda Giles, Dundas, ninth. Senior Showmanship: Jaclyn Rivington, Carleton, third; Jenna James, Russell, 16th. Holstein Junior Calf: Jill Kirkwood, Dundas, second; Justin Velthuis, Carleton, third. Holstein Intermediate Calf: Jaclyn Rivington, Carleton, second; Tiffany Nelson, Dundas, ninth; Victoria Eastman, Carleton, 14th; Courtney Henderson, Carleton, 17th. Holstein Senior Calf: Amanda Giles, Dundas, fifth; Emma Farlinger, Dundas, 14th.

Ayrshire, Guersey, Milking Shorthorn: Jeremy Rose, Dundas, second. Jersey Calves: Emma Caldwell, Carleton, fifth. Jersey Yearlings: Kelly Ross, Russell, second; Jenna James, Russell, eighth. Holstein Summer Yearlings: Trevor Perrault, Russell, fourth; Alex Chabot, Russell, 11th. Holstein Junior Yearlings: Kelly Velthuis, Carleton, eighth.

Carleton County dairy team

Carleton County's 4-H dairy team placed second overall at the Royal Agricultural Winter Fair. Front row: Emma Caldwell (left) and Jaclyn Rivington. Back row: Patricia Caldwell (left), Kelly Velthuis, Chad Henderson, Brett Henderson, Justin Velthuis, Courtney Henderson, and Victoria Eastman.

Big local winners at Royal, Roses clean up in Ayrshire division

TORONTO — A number of local farms made a name for themselves at this year's Royal Agricultural Winter Fair, held at Toronto's Exhibition Place from Fri., Nov. 4 to Sun., Nov. 13.

In the Ayrshire division, Mountain's Ken and Shirley Rose were among the top entries.

The Roses secured first place finishes in classes one (female junior calf), three (female senior calf), five (female junior yearling), eight (junior champion female), 10 (female junior), as well as 30, taking home the Quebec Ayrshire Association Trophy as the best junior champion.

Their other accomplishments include: fourth in class four (female summer yearling); third in class six (female intermediate yearling); fourth in class seven (female senior yearling); third in class eight (honourable mention); seventh in class 11 (female senior); third in class 13 (runner up); second in class 16 (female five-year-old); and second in class 23 (junior breeders herd).

Black and white Holstein

In class one (female junior calf), Winchester's Brian Enright finished ninth, while Riverdown Holstein of Metcalfe secured the 16th position.

Metcalfe's Rick Shaw finished 20th.

Enright finished 13th in class two (female intermediate calf).

In class three, Quinndale Holsteins from Greely finished seventh, while a second entry from the same farm finished 22nd.

Jersey

Russell's Drentex Jerseys finished 18th in class three (female senior calf), as well as sixth in class four (female summer yearling).

Also in class four, Douglas and Jill Robinson of Finch finished 14th.

Angus

Mountain's Hawthorne Farm finished second in group three of class one, and second and fifth in group four.

In group seven, Sunset Acres of Kemptville secured the second spot, while the farm's second entry finished in the eighth position.

Rideau Angus Farm of Kemptville finished second in class five, while Hawthorne Farm finished third in group four.

In Class 13, Sunset Acres was first, while Rob Foubert of Kemptville finished first in class 16.

In the Breeders Herd (class 24), Sunset Acres was the first place finisher.

Highland

Avonmore's Donna Lampron cleaned house in a number of Highland beef cattle classes.

Overall, she had the categories grand champion bull.

Her other accomplishments included: first and second in class five (bull calf born in 2011); first and second in class six (bull calf champion and reserve); first in class 13 (grand champion bull); first and fourth in class 14 (female calf born in 2011); first in class 15 (female calf champion); second in class 17 (female heifer); second in class 18 (female heifer born May 1 and Aug. 31, 2010); third in class 20 (female born in 2009); and second in class 25 (breeder's herd).

Lampron's remaining winnings include: first in class 26 (get of sire); first in class 27 (progeny of dam); first in class 28 (premier exhibitor award); first in class 29 (premier breeder award); first in class 30 (grand champion bull); first in class 35 (grand champion bull travelling trophy); first in class 37 (get of sire travelling trophy); and first in class 38 (produce of dam travelling trophy).

Simmental

Russell's Xcel Livestock took home the grand champion bull award, as well as finishing second in class one (female calf, three months).

Counties try to collect $23.2 M in unpaid fines

CORNWALL — At present, the province is trying to reel in $1 billion in unpaid provincial fines, while the United Counties of Stormont, Dundas, and Glengarry (SD&G) is waging a battle of its own.

To date, $23.2 million is the estimated total of unpaid fines in the counties — a figure that tops the region, and leaves SD&G in second place behind the City of Toronto.

According to documentation provided to the *Winchester Press* by counties staff, a large portion of the total can be pinpointed on the smuggling of contraband tobacco, which rings in at $13.2 million in unpaid fines.

At the moment, counties staff is working with four collection agencies, and SD&G's collection officer in an effort to recoup costs.

"There is little the counties can do to collect, as we have no power except persuasion," Warden Steven Byvelds told the *Press*. "The counties do hire agencies to help collect outstanding current accounts, but that also comes at a cost."

According to Byvelds, the majority of the funds date back to when the province downloaded *Provincial Offences Act* services to individual municipalities in 2002.

Collection of fines is ongoing in SD&G, with those owing more than $1,000 contacted, and encouraged to pay up before default. Meanwhile, fines under $500 are immediately sent to a collection agency.

Heelers raffle winners

WINCHESTER — As part of the ongoing efforts of the Winchester Hospital Heelers, a series of raffle draw winners were announced on Mon., Nov. 21.

Throughout the summer and fall, Heelers team members Tanya Keats and Janet Hutt were selling draw tickets in attempt to raise money for Winchester District Memorial Hospital. In the end, Keats sold 200, while Hutt passed the 600 mark.

The prize winners were Amber Harper of Winchester, Clare O'Brien of Metcalfe, and Helen Vachon of Lennoxville, Que.

Going forward, members of the Heelers will be continuing efforts toward a 2012 fundraising goal, with three events announced, including Monday night Bingo at the Winchester Lions Hall, a Valentine's Day bake sale, and a music trivia night in April.

For more information, visit their website www.wdmh.on.ca/foundation.

Food drive tops 13,900 pounds

WINCHESTER — For the second straight year, the Stormont, Dundas, and Glengarry (SD&G) OPP hosted their "Stuff a Cruiser" food drive at five locations throughout the United Counties.

In total, $2,925.77 was generated, and 13,900 pounds of food was collected.

In Dundas County, stands were set up at Mike Dean's Super Food Store in Winchester, and Riley's Valu-Mart in Morrisburg.

Combined, drop-offs at the two sites totalled roughly 6,400 pounds, and about $1,115 in financial contributions.

Totals from Stormont and Glengarry counties were, combined, 7,500 pounds of food, and about $1,700 in monetary donations.

WPS blood donor clinic tomorrow

WINCHESTER — Until Mon., Jan. 2, Canadian Blood Services is asking Canadians to give "the perfect gift."

In eastern Ontario, more than 8,856 pints are needed to help local hospital patients. Locally, residents have a chance to give the gift tomorrow (Thurs., Nov. 24) from 1 to 8 pm at Winchester Public School.

SD&SG railway crossings to get $450,000 in upgrades

OTTAWA — Stormont, Dundas, and South Glengarry (SD&SG) MP Guy Lauzon has announced $450,000 in funding for improved safety at railway crossings throughout the riding.

"While Canada has one of the safest rail systems in the world, improvements can still be made. This additional funding will go a long way toward enhancing safety and helping to save lives," Lauzon said in a press release.

This year, the Government of Canada is providing almost $14 million in new funding for the Grade Crossing Improvement Program (GCIP). The GCIP supports projects to upgrade railway crossings, and improve safety where road and track meet.

"The funds allocated to SD&SG will be specifically used to replace incandescent lights with LED lights, as well as install a rail crossing warning system which is equipped with flashing lights, bells, gates, and a warning time device," said Lauzon,

Transport Canada works closely with railway companies and communities to identify grade crossings that require safety improvements. Through the GCIP, eligible railway crossings will be upgraded, relocated, or closed, based on factors such as traffic volume and accident history.

Improvements may include installing flashing lights and gates, linking crossing signals to nearby traffic lights, or adding new circuits or timing devices. Transport Canada finances up to 80 per cent of the total cost of grade crossing improvements, with the balance provided by the railways and road authorities.

POLICE BLOTTER

Teen charged

MORRISBURG — On Wed., Nov. 16 around 9:30 pm, Stormont, Dundas, and Glengarry OPP officers responded to a disturbance at an establishment on Main Street, Morrisburg. According to police, an intoxicated young man had caused damage to two vehicles in the parking area.

Casey Eyegetok, 19, of Cambridge Bay, Nunavut, was arrested and is charged with causing mischief to property (under $5,000) and being intoxicated in public.

He is scheduled to appear in Morrisburg court on Tues., Jan. 10.

Golden Years group reflects on Canada's wartime sacrifices

WINCHESTER — The Winchester Golden Years Society hosted its regular meeting on Thurs., Nov. 17 at the Winchester Lions Hall.

President Debra Ann McBride welcomed 62 members and five guests.

Orma Earl explained that a survey, which the members will be filling in, aims to gather information about how the members would like the club to function.

Dawn Campbell played piano for the singing of "O Canada." The Lord's Prayer was said.

Marlene Faulkner read the birthdays for November, and they were acknowledged by the members. Guests were introduced and welcomed. Old and new business plus committee reports were dealt with.

Field rep Muriel Milne proceeded with nominations of a first and second vice-president and two directors. The new executive members were installed. Pastor Bruce North said Grace before a potluck lunch was enjoyed.

Freida Armstrong introduced Faye McMillan, who entertained members with a variety of music and singing. She was thanked by Armstrong.

The last euchre events for 2011 will be Thurs., Nov. 24 and Thurs., Dec. 1. Euchre will resume on Thurs., Jan. 12. If someone is interested in playing euchre, they should call Ray Robinson at 613-774-2134. The Winchester Golden Years will resume on Thurs., Jan. 19. Anyone aged 50-plus who's interested in joining the group can call Roberta Giberson at 613-774-4273.

Art and science at SNC

FINCH – Results of a fall scientific and artistic exploration along and around the South Nation River by the husband and wife team of Dr. Fred Schueler and Aleta Karstad will be showcased this Thursday (Nov. 24) with all those interested invited to attend.

"Art and Science in the South Nation Watershed" will open at 6 pm at South Nation Conservation's Finch headquarters and continue until 8:30 pm, featuring a one-hour film celebrating International Year of the Forest along with the Schueler/Karstad project. Admission is free and refreshments will be served.

The project is a joint venture by SNC and Schueler and Karstad's Bishops Mills Natural History Centre.

The couple will release a 57-page publication summarizing their expedition, complete with 19 renditions of Karstad's South Nation paintings, observations about making each one, and biologist Schueler's research notes about the landscape with special attention to interactions between native and invasive species.

Priced at $22 each, the volumes are available for purchase in time for Christmas.

Presbyterial UCW to break for Christmas

by Leita Foster

CHESTERVILLE — Members of the Seaway Valley Presbyterial United Church Women (UCW) are scheduled to meet again in Cornwall, after their Christmas season is over, on Tues., Feb. 14.

TCS hosts meeting

The most recent meeting occurred at the Trinity United Church, Chesterville on Tues., Nov. 8. President Janice Reynolds welcomed 50 ladies, and a Remembrance Day prayer followed the meeting's commencement. The UCW purpose was repeated in unison.

The worship service for Remembrance Day was complete with hymns, scripture, and remembering, and it closed with the poem, "In Flanders Fields."

The guest speaker was Rev. Arlyce Schiebout, chairperson of Theology, Interchurch/Interfaith Committee of General Council.

She spoke about her trips to Africa and the sharing of faith and traditions with the council there.

The slide show, accompanied by the reverend's commentary, and the display of items made in Africa, gave the group an idea of the work carried on by the council.

After the book report was given, grace was said, and everyone enjoyed good homemade soup and their lunch.

Thanks were given to the Chesterville UCW hosts.

Seniors' euchre results

WINCHESTER — The Winchester Seniors' next euchre event has been scheduled for Thurs., Nov. 24.

The pink-card winners of the group's most recent event, held on Thurs., Nov. 10, were Joan MacIntosh, Cecilia Asthon, and Betty Wheeler.

The blue-card winners were June Armstrong, Don MacIntosh, and Betty Holmes.

Doris Michels, Fay Robinson, and Armstrong were the "share the wealth" winners, while Orma Earl and Joan MacIntosh took home the door prizes.

Arrive alive, don't drink and drive.

Unconventional Christmas play will tickle Just Kiddin' audiences

METCALFE — Just Kiddin' Theatre (JKT) has announced its upcoming theatre production, *King of the Castle*. It's a Christmas play, but not really a Christmas play. That's how writer/director Andrie Nel describes the show that will be performed by the JKT company of children ages 9 to 14 from Thurs., Dec. 8 through to Sun., Dec. 11.

"Yes, the story takes place during the holidays, but we're actually focusing on the subject of aging parents," explained Nel. "We're interested in the discomfort felt by adults when their parents embark on a new life – without them. The flip side of the empty nest syndrome, if you will, when the comfort of the nest itself disappears."

The premise was partially inspired by Nel's own experience of her parents moving to a smaller house and giving up the family home: "It's about that inner conflict that you want what's best for your parents but you don't want to let go of the symbols that define your childhood."

Although that sounds like serious drama, Nel insisted this play is a comedy suitable for the entire family. Nel reprised the characters from JKT's 2008 production of *Father Figure* and subjected Albert Williams, the central father figure, to that inner conflict. "He is an excellent device, because he's a lovable yet highly-opinionated man who does not like change," Nel said. She added that the Archie Bunker-like character allows the audience to laugh at his stubbornness while possibly identifying with his circumstances.

Two groups of young actors will present the play, alternating performances. One group includes Noah McEvoy, the actor who originated the character of Albert almost four years ago.

"Noah stepped back into the role with great ease," observed Nel. "It's so wonderful to see how Noah's own maturity – now 14 years old – adds to his portrayal of Albert." In the other group, Albert is played by Jacob Hope. Nel said he is doing an exceptional job portraying this complicated man: "This is Jacob's second show with JKT. His commitment to the character is amazing!"

Nel clarified that this is not a show about only one character: "Our program is about giving all kids the opportunity to experience theatre."

Nel custom-writes the plays to ensure there are balanced roles that can be performed in an ensemble fashion. "Working as an ensemble promotes the sense of teamwork that is essential not only in theatre but in everyday life," she said. She added that there are some truly fascinating characters that join Albert on stage, including Albert's parents, his wife, and quirky neighbours.

The group that rehearses Wednesdays will perform Thursday and Saturday evenings, as well as on a Sunday matinee. The other group, which rehearses Saturdays, will perform Friday evening, plus matinees on Saturday and Sunday. Performances will be held at the Old Town Hall in Metcalfe.

Tickets are available online at www.justkiddintheatre.com.

Vernon Institute hosts meeting, meal, entertainment fit for a king

by Helen McDonald

VERNON — On Tues., Nov. 15, the Vernon Women's Institute (WI) met at the Vernon Recreation Centre at 7:30 pm. President Sandra Toll welcomed the members and led them in the WI Ode and Mary Stewart Collect.

Toll then introduced a new member, Heather McDonnell, a native of Perth who now resides with her husband in North Gower and was eager to join a WI group that meets in the evening.

Sixteen members answered the roll call by listing their favourite member of the British royal family and briefly explaining their choice.

The October minutes were read and approved. A short discussion followed regarding the WI's catering to the Vernon Friendship Club Christmas Dinner on Wed., Dec. 7. The ladies also discussed products to be sold at their table during the Vernon Craft Sale (Sat., Nov. 26).

Jose Poole, convener of international affairs, introduced an Academy Award-winning film: *The King's Speech*. Members enjoyed a lunch prepared by Heather Bellinger and Marg McDiarmid as they viewed this movie.

Poole thanked Kim Sheldrick for setting up the video, and Laura Acres thanked the lunch committee. Mary Fisher won a prize for wearing her WI pin. This special evening was adjourned at 10:30 pm.

Liz Gilroy (left), Travis Seetoo, Meredith Zwicker, Doug Tangney, Richard Bauer, and Timm Hughes star in the Upper Canada Playhouse's production of *Dear Santa*. The show is scheduled to open tomorrow (Thurs., Nov. 24) and runs until Sun., Dec. 18.

Holiday fun to hit stage

MORRISBURG — Upper Canada Playhouse staff and actors are currently working toward their 2011 Christmas show.

Dear Santa, written by Norm Foster, is slated to open on Thurs., Nov. 24, and run until Sun., Dec. 18.

The play is set in the North Pole, just days before Dec. 25, and a glue shortage has felled Santa's workshop, which leaves the elves complaining, while a pushy travelling salesman is attempting to sell the big guy a rocket-powered sleigh.

Things really get off the rails as the housekeeper becomes distracted, the chief of staff is losing control of the system, and a stowaway teen is discovered in the North Pole Express boxcar.

Playhouse veteran Doug Tangney stars as Santa Claus, and he's joined onstage by Richard Bauer, Jamie Williams, Susan Greenfield, Liz Gilroy, Timm Hughes, Travis Seetoo, and Meredith Zwicker (who doubles as musical director). Donnie Bowes serves in his usual role as artistic director.

Dear Santa plays Fridays and Saturdays at 8 pm, with 2 pm matinee shows on Wednesdays and Sundays.

For tickets or more information, contact the box office at 613-543-3713 or visit www.uppercanadaplayhouse.com.

Sugary tunes, sweet treats

Mark Girard (above, left) and Al Lummiss were among the musicians who serenaded guests with jazzy tunes during DessertFest on Fri., Nov. 18. The fundraiser, held in support of Sweet Corner Park and other Winchester downtown revitalizations and improvements, saw residents indulge their sugar cravings throughout the evening. A slide show, as well as an auction, also took place. Volunteers were still counting proceeds by press time this week, and fundraising totals weren't available yet.

Idol extravaganza wows crowd

OSGOODE — Since 2006, the Osgoode Care Centre has held an annual Senior Idol Competition amongst its residents. This year, the residents of Dundas Manor in Winchester were invited to join the competion. On Mon., Nov. 21, after months of planning, the four voted favourites of each home met at the Osgoode Care Centre for the grand finale. It was a packed house!

The special musical guest for the finale was 13-year-old Isabella Munevar Pelton, the Greely Idol winner, who sang two of Celine Dion's famous songs: "Beauty and the Beast" and "My Heart Will Go On." The morning also included special musical skits presented by the staff of both homes, and even the students in the home were pulled into the show.

Evelyn Cowan and Doris Levoy from Dundas Manor , with their rendition (on the drums and the spoons) of the Johnny Cash hit "Jackson," took first prize. Angus Cameron (also known as "Paul McCartney") from the Osgoode Care Centre came in second place with "Hey Jude."

After the show, all contestants, performers, staff, and volunteers enjoyed lunch together.

Eight Rockets hit target, blast Vikings 8-4

CHESTERVILLE – Brandon Buma's third-period goal inspired his mates and held up as the game winner in the North Dundas Rockets second National Capital Junior Hockey League victory.

Buma, a Chesterville resident and product of the North Dundas Minor Hockey Association, took a pass sent to him by another Chesterville native, Tyler Jones and R.J. Wallace and blasted it into the Papineauville net 44 seconds into the final frame in the Sunday afternoon (Nov. 20) matinee.

That shot ignited the Rockets offence and triggered markers by John Cleary (PPG at 15:17), Sebastian Saikaley (PPG at 14:47) and Winchester's Dylan Fawcett (12:39) as the home team skated to their second win of their first season, an 8-4 decision over the visiting Vikings.

The first North Dundas victory, a 4-3 home-ice decision over the Vankleek Hill Cougars, was posted on Sun., Oct. 9. Win number two improved the Rockets eighth-place record to 2-10-2 and moved them two points ahead of Papineauville (2-10-0).

Rockets head coach Dale Murdoch felt his team finally stuck to the game plan – being disciplined and playing 60 minutes of hockey.

"The boys played well in the third period," he said. "But more importantly, they didn't fall apart in the second, something we have done in the past."

Murdoch explained that the team has played much better in the last three weeks.

"We have been equal to the top teams going into the third period," he said. "But didn't play 60 minutes and lost some close games."

"Sunday's win is one win and that's all it is. But, it keeps everyone's spirits up and gives the team confidence," added the coach.

It's on

Papineauville Viking goaltender Anthony Gauthier watches as the puck stretches the string in the back of his cage during Sunday's (Nov. 20) 8-4 loss to the North Dundas Rockets on Chesterville ice. Rockets forward Tyler Jones (No. 9) also witnessed the tally. Jones finished the game with (1-1-2) two points.

The Rockets celebrated eight goals and finally their second win in their first National Capital Junior Hockey League campaign.

Coming up

This week the Rockets travel to Vankleek Hill to meet the Cougars (3-8-2) on Saturday (Nov. 26) and play host to the St. Isidore Aigles (3-7-1) Sunday afternoon (Nov. 27) at 2:15 pm.

Rockets 8 – Vikings 4

The Rockets and Vikings traded first period markers with Rocket R.J. Wallace scoring from Saikaley and Matt Denis at 18:47.

Winchester's Chris Embury (from Wallace and Adrian Lee at 16:09), Jones (from John Vanzyl and Wallace at 14:44) and Winchester's Pete Klein-Swormink (PPG from Kyle Adams and Cleary at 9:08) scored in period two giving the home team a 4-3 advantage after 40 minutes.

Buma (from Jones and Wallace at 19:16), Cleary (PPG from Spencer Peters and Wallace at 15:17), Saikaley (PPG unassisted at 14:47) and Fawcett (from Denis and Vanzyl at 12:39) cracked third-period shots driving the final difference to 8-4.

Shawn Hunt turned in a winning performance guarding the Rockets' cage.

Express 6 – Rockets 3

The Gatineau Express (8-5-0) broke up a 2-2 tie scoring three times in the final 8:58 of the second period on Friday doubling the visiting Rockets 6-3.

"We had good scoring opportunities in Gatineau but struggled to finish our chances," said Murdoch.

The Express led 1-0 after a period. North Dundas moved into a 2-2 on goals by Saikaley (from Denis at 15:17) and Adams (from Buma and Wallace at 14:55) but exited the second stanza trailing 5-2.

Nick Straccini (from Denis and Fawcett at 16:03) cut the Rockets deficit to 5-3 but that was as close as they would get.

Hunt suffered the loss.

Four-point weekend

Monk blanks Alexandria 4-0, Hawks edge Wolves

WINCHESTER – It wasn't as easy as it should have been. The first-place Winchester Jr. "B" Hawks were playing host to the last-place Akwesasne Wolves, so a convincing victory was at least a possibility.

But not so fast. A solid effort by Wolves 'tender Quade Smoke, who stopped 46 of 50 shots the Hawks fired at him, forced Winchester head coach Tom Kirkwood to shorten his bench and ratchet up the attack in Saturday's (Nov. 19) St. Lawrence Division tilt at the Winchester Arena.

The final result was a pair of late goals and a 4-3 victory over the Wolves (3-16-1-1). The win, followed a 4-0 blanking of the Glens in Alexandria on Friday (Nov. 18) and gave the Hawks (17-2-1-0) 35 points and a two-point lead over the Casselman Vikings (16-4-0-1) — the team they will challenge tomorrow night (Thurs., Nov. 24) in Casselman.

Friday night (Nov. 25) the Morrisburg Lions (6-12-0-1) come to Winchester for an 8:15 pm meeting.

Hawks 4 – Wolves 3

Winchester had difficulty solving Wolves' backstop Quade Smoke and found themselves tied 1-1 after 20 minutes and 2-2 after two periods.

Mike Evelyn (from Steven Johnston and Brandon Belding at 18:26) gave the Hawks a 1-0 lead in period one.

Belding (from Evelyn and Johnston at 14:57) tied it up 2-2 in the second.

Aaron Dickenson put the Hawks up 3-2 netting a feed from Dylan Chessel and Graham Loyst with 2:57 on the clock and Brock Burge cracked in his 19th of the year after taking a pass from Dickenson and Chessel 1:38 before the final buzzer to open up a 4-2 lead. But the Wolves scored eight seconds later and made it interesting at 4-3.

"We rolled four lines and skated well, but just did not have the killer instinct," said coach Kirkwood. "Maybe we were trying to be too cute."

With four minutes left in the game, Kirkwood shortened his bench — a move that produced two quick goals.

"I hate shortening the bench but I told the boys they had 55 minutes to put the game away and things weren't happening," he said.

Winchester starter Matt Quirion made 20 saves on 23 shots for the win. He now has played seven games, owns a 4-0-1-0 record and a 3.35 GAA.

Dominick Coyle, Dillon Barr and Byron Dewitt put pucks in Quirion's cage.

Veteran "Big" Ross Urbankiewicz returned to the Hawks blueline for the game as did recently signed Vincent Beauline-Charland.

Winchester's PP came up dry (0 for 5) while the Wolves were two for four.

Kemptville "C2" goaltender Noah Vandenbosch got solid support from his defence who prevented North Dundas forward Cristiano Vogrig from getting to the front of the net during last week's (Nov. 15) Upper Canada Minor Hockey League game in Chesterville. The Demons skated to an 11-1 victory and inflated their East Division leading record to 9-0-0. *Press Photo – Van Bridger*

North Dundas forward Brayden Roe (No. 16) got a shot off during last week's (Tues., Nov. 15) Upper Canada Minor Hockey League Pee Wee House "C" game against Kemptville "C2" Panthers goaltender Noah Vandenbosch. The Chesterville-based Demons tamed the Panthers 11-1.

Pee Wee House 'C' Demons register ninth consecutive win

CHESTERVILLE – Justin Shay scored three times and helped the North Dundas Pee Wee House "C" Demons gain their ninth consecutive victory.

Shay fashioned his hat trick on Chesterville ice last week (Tues., Nov. 15) in the Demons 11-1 win over the Kemptville "C2" Panthers.

The victory lifted North Dundas' Upper Canada Minor Hockey League East Division record to a perfect 9-0-0. On their way to first place, the Demons have out-produced the opposition 101-10.

Last night (Tues., Nov. 22), the division leaders were looking to go to 10-0-0 in a home-ice meeting with the Kemptville "C3" Panthers.

Tops in Tourney

It should be noted that the Pee Wee House "C" Demons posted an undefeated record becoming the 2011 Osgoode-Rideau Minor Hockey Tournament "A" champions. It was indicated in last week's (Wed., Nov. 16) article on page 17 of the *Winchester Press* that they were designated as the Pee Wee House "B" Demons.

Demons 11 – Panthers 1

Eric Armstrong cashed in a pair of first period goals and Shay sniped his first to give the Demons a 3-1 lead.

Adam Geertsma set up Armstrong's markers at 14:31 and 4:38, while Travis McInnis helped out Shay at 1:52.

Jordon Peterkin potted a pair of goals in the second stanza, while Cordell Steele, Caleb Jaquemet and Shay netted singles. Christopher Cotton drew three assists setting up Peterkin's pair and Jaquemet. Armstrong and Kody Anderson also collected helper points.

McInnis, Shay and Jaquemet completed the scoring, counting third-period markers. Alex Butland, Armstrong and Steele provided the passes.

Mason McLeod was the winning 'tender.

North Dundas was assessed one minor penalty, while Kemptville drew two.

Hawks

• continued from page 15

Hawks 4 – Glens 0

The Hawks had their number-one stopper in the nets for their third meeting of the season with the host Alexandria Glens and Alex Monk did not disappoint.

The former Little Britain Jr. "C" Merchant 'tender turned aside all 34 shots fired at him by the Glens en route to his first Eastern Ontario Junior Hockey League (EOJHL) shutout. Monk stands second in the EOJHL rankings with a 13-2-0-0) record and a 2.45 GAA, second only to Casselman's Kyle Lamothe (9-4-0-0) and his 2.31 GAA.

Coach Kirkwood felt the Hawks played a solid game in Alexandria.

"Monk made a couple of key saves and we had some help from our goal posts," he said.

Defenceman Matt Sarazin buried a Ramsey Wheeler feed for the GWG at 15:54 of the opening stanza.

Aaron Dickenson, another Winchester "D" man, used a relay sent to him by rookies Nevin Guy and Steven Johnston to make it 2-0 at 8:46 of the same frame with his PPG.

Dickenson opened up a 3-0 gap on an unassisted play with 2:32 left in the middle session.

Jesse Barbier made it a 4-0 final finishing a play started by Evan Walker at 10:29 of period three.

Winchester outshot Alexandria 40-34 and went one for three on the PP. The Glens were zero for three. The Hawks have won all three meetings with the Glens (3-2, 6-4 and 4-0) and are 9-1-0-0 in their last 10 games. The Glens are 5-4-1-0 in their last 10.

Andy's Reds hand Truckers first loss

WINCHESTER – Amy Fraser took a feed from Courtney Barkley and turned it into a 2-1 lead and the game-winning goal as the Andy's Foodland Reds (4-3-0) edged the formerly undefeated W.S. Trucking Company (5-1-1) 2-1.

All three scoring plays were recorded in the first half of Sunday (Nov. 20) morning's Winchester District Ladies Hockey League 8 am game.

Edithe Rivet (unassisted) gave the Reds a 1-0 lead at 19:30 of the opening sessions. Kathy Kerr answered for the Truckers, netting a pass from Edith Dagenais at 17:50. That set the stage for Fraser (player of the game) to snap the 1-1 deadlock and put the Reds ahead for good.

Cristal Beattie posted the win and Carrie McCadden suffered her first loss in seven games.

Blues 2 – KC's 1

Alicia Jones cracked in the first Annable's Jewellery Blues (5-1-1) goal and drew an assist on Amber Theiner's winner in the Blues 2-1 decision over KC's Lawn Maintenance (0-6-1) in the 9 am contest.

Jones (player of the game) gave her team a 1-0 lead with help from Theiner and Meghan Gilmer with 12:49 left in the opening half. An unassisted shot fired by Michelle Bouwhuis at 18:03 of the second half tied it 1-1 for KC's.

Theiner was able to convert a play started by Jones and Caroline Rougeau into the winning tally 9:19 before the final buzzer.

Karina Damato registered the win and Kristie Wade absorbed the one-goal loss.

Pinks 2 – Girls 0

Roxanne Backes posted her third shut out of the campaign in the Cooper Physio Pinks (4-3-0) 2-0 decision over the Country Girls (1-5-1) at 10 am.

Nancy Pothier (player of the game) rang up the winning tally on an unassisted play at 18:24 of the second half. Francine Brisson (from Stephanie Scott) insured the outcome, scoring with 16:38 left on the clock.

Ontario Tire Stewardship's
Winter tire safety tips

Winter will be here for a while and with the snow and cold weather comes the need to make sure your tires are safe for driving. Here are some tips to keep your tires in good shape and help you stay safe on those icy roads:

Remember to play your "PART": Pressure, Alignment, Rotation, Tread

- Check tire **pressure** monthly
- Inspect **alignment** *(annually or every 25,000 km)*
- **Rotate** tires every 10,000 km* to minimize wear, prolong tire life and reduce the risk of sudden tire failure
- Check the depth of your **tread** on each tire

Check tire pressure once a month**

- Make sure the car has not been driven for at least three hours before measuring pressure
- To reduce the risk of sudden tire failure, measure tire pressure before heading out on a long trip or when carrying an extra heavy load

Ensure that tires are balanced

- When mounted for the first time or when remounted after repair
- Tires should be rebalanced at least once a year, or at the first sign of vibration

Check tires regularly for cuts, snags, punctures, or irregular tire wear.

* Check vehicle manufacturer's recommendation.
** For every 5°C change in temperature tire pressure can change 1 psi.

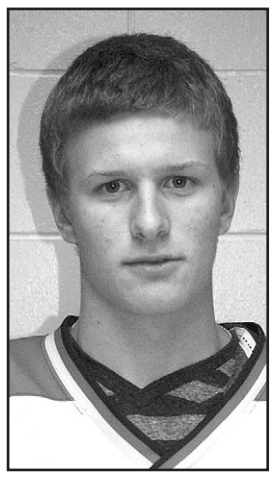
Meet the HAWKS



Nevin Guy
No. 8
Defence

Rookie defenceman Nevin Guy is another element of the Winchester Jr. "B" Hawks local content. Guy got his start in hockey with the North Dundas Minor Hockey Association, advanced through the Rideau St. Lawrence "AA" Kings, and the Upper Canada "AAA" Cyclones before auditioning for a spot on the Kemptville Jr. "A" 73's roster this fall. The 16-year-old rookie has earned plenty of ice time playing on the Hawks' blue line with all-star Aaron Dickenson. In his first 20 games with the Hawks, he has collected six goals (3 PPGs), 11 assists (five on the PP) and 18 points.

Lions edge Coyotes 2-1, move into tie for second place

CHESTERVILLE – Kaleigh Young scored one goal and set up the winner as the host Dundas Lions defeated the Russell Coyotes 2-1.

Last week's (Tues., Nov. 15) win on Chesterville ice improved the Lions Ottawa District Women's Hockey Association Bantam House record to 3-1-3 and moved them into a tie for second place with Outaouais (4-1-1) and Russell (4-2-1) with nine points. Perth (5-0-1) tops the standings with 11 points, two up on the second-place teams. Kemptville No. 1 (2-4-0), Kemptville No. 2 (2-4-0), Clarence Rockland (1-3-0) and Smiths Falls (0-6-0) round out the rankings.

Ottawa District Women's Hockey

The Lions took the lead on Russell with 5:54 left in the first period when Chesterville's Young cut through the slot and wristed a shot over the Russell goalies' glove hand. Her line mates, captain Paige Morris and sister Cassandra drew assists on the play.

Dundas widened its lead to 2-0 with 19 seconds left in the second stanza. Morris finished off a scramble in front of the Russell net created by Kaleigh Young.

Russell broke up Emma Pintal's shut out bid, netting their lone goal with 0.4.5 seconds left on the clock.

In their previous two outings the Lions battled Russell to a 1-1 draw and nipped Kemptville No. One 3-2.

The next home game for the Lions is set for Sun., Nov. 27 when they will host Smiths Falls at the Morrisburg Arena at 7 pm.

The Dundas Bantam House Lions' roster is made up of girls, including four pee wee aged skaters, from Chesterville, Winchester, Morrisburg, Iroquois and surrounding areas. They play their home games in Winchester, Chesterville and Morrisburg.

The Dundas County Girls Hockey Association also has teams playing competitive hockey in the Midget Girls Tier 3 and Midget Girls Tier 4 level. The Midget "C" (Tier 3) Lions own a 2-3-1 record, while the Midget Tier 4 Lions (0-7-0) are still looking for their first point.

Bantam Lions roster

The 2011-2012 Dundas Bantam House Lions are: Emma Pintal – goaltender, Kaleigh Young (pee wee), Emily Beach (pee wee), Janis Hall, Molly Gruich (pee wee), Sierra Swindles, Lauren Henry, Ally Weegar, Anna Stubbings, Paige Morris, Marcy Smith, Anna Grouch, Laura van Kessel, Cassandra Young (pee wee), Lindsay Weegar – coach, Kent Young – coach, Jason Smith – coach, Patti Hall – manager, Glen Grouch – trainer.

Net presence

Dundas Bantam House Lions goalie Emma Pintal started playing hockey two years ago. This season, the Winchester resident decided to take up goaltending. She has been successful in her first seven starts, compiling a 3-1-3 record and allowing just two goals per game. Pintal held off a pair of Russell Coyotes in last week's (Tues., Nov. 15) 2-1 win in Chesterville.

She scores!

Chesterville's Kaleigh Young picked the corner with this shot and beat the Russell goaltender with 5:54 left in the first period of last week's (Tues., Nov. 15) Ottawa District Women's Hockey Association Bantam House game in Chesterville. The host Dundas Lions nipped Russell 2-1 and improved their record to 3-1-3.

Short handed goal wins it

Glens defeat Demons 3-2

WINCHESTER – Dave MacMaster cracked a 2-2 tie and lifted the visiting Alexandria Glens to a 3-2 win over the North Dundas Pee Wee "B" Demons.

McMaster's marker gave the Glens the win with six seconds left on the clock and his team killing a minor penalty.

Last week's (Wed., Nov. 9) loss on Winchester ice lowered the Demons Upper Canada Minor Hockey League West Division record to 3-6-0 and improved the Glens' East Division mark to 4-2-2.

Tonight, the Demons return to action at the Winchester Arena hosting the Brockville Braves (4-2-1) at 7 pm.

Alexandria took a 1-0 first-period lead on a Cameron MacDonald goal at 7:18.

North Dundas knotted the count at 1-1 at 11:22 of period two. Jacob Robinson buried the biscuit after taking in a pass sent to him by Jack van Kessel and captain Kyle DeJong.

North Dundas forward Jack van Kessel scored once and set up Jacob Robinson's goal in last week's (Wed., Nov. 16) 3-2 loss to the Alexandria Glens. The visitors won the Upper Canada Minor Hockey League encounter scoring a SHG with six seconds left on the clock. *Press Photo – Van Bridger*

The home team gained a 2-1 advantage at the 6:00 mark of the final frame thanks to a shot fired by van Kessel. Jack Messervey and Robinson drew assists on the play.

There was 3:57 left in the game when Alexandria used a goal by Nicholas Dupuis to deadlock the count at 2-2. The visitors then broke the tie with MacMaster's SHG six seconds before the final buzzer.

Aaron Turcotte worked the North Dundas nets and suffered the last-minute setback.

Metcalfe Jets in tail spin, lose three straight to Metro Division opponents

METCALFE – Managing to produce just six goals in their last four Metro Division games has sent the Metcalfe Jr. "B" Jets into a downward spiral.

Since they were defeated 5-1 by the Ottawa West Golden Knights at the Larry Robinson Arena on Sun., Nov. 13 the Jets have lost 7-2 to the host Clarence Creek Beavers (Wed., Nov. 16), 7-2 to the Mustangs in Gatineau (Fri., Nov. 18) and 3-1 to the fifth-place Ottawa Canadians on Metcalfe ice on Sunday (Nov. 20) afternoon.

Sunday's loss to last-place Ottawa (6-12-2-1) carved the fourth-place Jets' (7-9-4-0) lead on the Canadians to three points.

This week the Jets will try and get back in the win column when they host the Stittsville Royals (7-11-2-0) on Friday (Nov. 25) at 8:15 pm and the second-place Ottawa West Golden Knights Sunday afternoon (Nov. 27) at 2:15 pm.

Canadians 3 – Jets 1

The Canadians picked up their sixth win of the season edging their hosts 3-1.

Ottawa led 1-0 on a first period goal by Alex Serafini and were enjoying a 2-0 edge after Alex Stothart beat Metcalfe starter Brett Ayers with 5:45 on the second-period clock. Metcalfe finally got on the board with 2:38 left in the same frame. Dawson Fisher counted the marker after taking a pass from Tyler MacDonald and Glenden Bakker.

Alex Bourassa Barron iced the Ottawa win denting twine at 15:38 of the final frame.

Metcalfe outshot Ottawa 27-25.

Mustangs 7 – Jets 2

The Mustangs galloped into a 3-0 first-period lead on the visitors from Metcalfe and opened up a 4-2 lead in the middle 20 minutes. A three-goal third period drove the final difference to 7-2.

Russ Hinch bagged both Metcalfe markers, one on the PP. Ryan Pyke, Simon Johns and Joshua Gervais set up the scoring plays.

Gatineau fired 38 shots at Metcalfe starter Ryan McLaughlin. Metcalfe put 32 shots on winner Jean-Philippe Charbonneau. Francis Richard and Dominik Robinson each potted a pair of Mustang goals.

Beavers 7 – Jets 2

The Beavers and Jets were deadlocked 1-1 after 20 minutes and 2-2 after two periods of Sunday's matinee. Unfortunately for the visitors the hometown team ripped their defence for five unanswered markers in the final frame and left Metcalfe with a 7-2 victory on their record.

Tyler MacDonald recorded both Metcalfe goals. Jamie Quinn and Peter Killen set him up with 2:14 left in period one and Matt Shaheen provided the pass at 13:13 of the second stanza.

Clarence outshot Metcalfe 43-25 and booked one PPG.

Jonathon Cameron was the winning 'tender and Ayers took the loss.

Jason Talbot (0-5-5), Jeremie Gauthier (3-1-4) and Pascal Brisson (1-3-4) were the top-producing Beavers.

The North Dundas Midget House "B2" Demons recovered from a 5-3 loss to Clarence Creek, rallied by blanking the Blackburn Stingers 1-0, and whitewashing Nepean 5-0 to become the consolation winners at the Renfrew Minor Hockey Association Tournament on Saturday (Nov. 19). The Demons celebrated their "B" title following their 5-0 victory over Nepean.

Midget House 'B2' Demons take 'B' title in Renfrew tournament

RENFREW – Goaltender Ryan Embury turned in flawless efforts in back-to-back wins over the Blackburn Stingers and Nepean as the North Dundas Midget House "B2" Demons claimed the consolation title in the 2011 Renfrew Minor Hockey Association Tournament.

The Clarence Creek No. 2 Castors scored a pair of goals in the final 35 seconds of Saturday's (Nov. 19) opening game and handed the Demons a 5-3 setback. But the Demons bounced back and blanked Blackburn 1-0 and Nepean 5-0 later the same day to become the event's "B" champions.

North Dundas was playing shorthanded when captain Kirk Gibson fired a feed from Dylan Sosnowsky into Clarence Creek's cage to tie the count 3-3 with 51 seconds on the clock. The Demons were down two men (five on three) when Clarence snapped in the winning goal with 35 seconds to play. They then iced the 5-3 win with an empty net goal four seconds before the final buzzer.

Dan McSheffery, Austin Carruthers and Gibson were the North Dundas scorers. Evan Durant, Ryan Carr, Patrick Speagle and Sosnowsky set up the scoring plays.

North Dundas advanced to the "B" semi-finals and whitewashed Blackburn 1-0. Gibson used a pass provided by Sosnowsky to ring up the game-winning goal with 9:33 left in period one. Embury registered the shutout.

"B" final

Embury was unbeatable again as the Demons waxed Nepean 5-0 in the consolation final.

First period tallies by Gibson (GWG), Carr and Colton Stitt put the game out of reach early. Durant cashed in a second-period marker and Sosnowsky made it a 5-0 final 1:55 before the final buzzer.

Carruthers, Carr, Gibson and Stitt set up the scoring plays.

Metcalfe rink captures Gamble

METCALFE – Curlers representing the host Metcalfe Curling Club played off for the Gamble Cup and skip Bill Woods Sr. defeated clubmate Steve Dunne in the "A" side final to gain possession of the mixed curling silverware.

Woods Sr., Olivia Woods, Bill Woods Jr. and Martine Chef knocked off Steve Dunne, Sheila Dunne, Rodney Davis and Anne Davis in Saturday's (Nov. 19) all-Metcalfe showdown.

Defending champion Bill Hogaboam and his Winchester Curling Club rink of Janet LaPierre, Brad Mayhew and Janet Levere claimed the "B" event title defeating the Russell quartet of Edward "Rusty" Rysterphanuk (skip) and his team of Mary Chartrand, Linden Donnelley and Joyce Cameron.

Woods Sr. defeated Winchester's Greg Chamberlain, and his foursome of Judy Somerville, Bill Doornwaard and Leeanne Chamberlain, before ousting Ian Wilson of Morrisburg to advance to the "A" final. Dunne turned back Morrisburg's Mahlon Locke and Russell's Bryan Cochrane to earn his spot in the title match.

Hogaboam lost to Cochrane but made it into the "B" final with a win over Locke.

Metcalfe wins Gamble

The Metcalfe Curling Club team skipped by Bill Woods Sr. (left) and including Bill Woods Jr., Martine Chef and Olivia Woods defeated Metcalfe clubmate Steve Dunne to become the 2011 Gamble Cup champion. The annual event was curled in Metcalfe on Saturday (Nov. 19) and included mixed teams from Winchester, Russell and Morrisburg.

'B' event winners

Bill Hogaboam's Winchester Curling Club foursome split their games to advance to the "B" side final in the 2011 Gamble Cup Saturday (Nov. 19) in Metcalfe. Hogaboam then defeated Russell's "Rusty" Rysterphanuk to earn the "B" title. Brad Mayhew (left), Bill Hogaboam, Janet LaPierre and Janet Levere made up Winchester's entry.

Kirkwood, Gibson lead Midget House 'B2' Demons to 5-1 victory

WINCHESTER – Lane Kirkwood took up the sport of hockey this season and came up with his first two goals and an assist helping the North Dundas Midget House "B2" Demons defeat the South Stormont Selects 5-1.

Kirkwood cracked in his first-ever goal with 6:55 left in the second period of Sunday's (Nov. 20) Upper Canada Minor Hockey League East Division game. His second marker, registered 5:27 before the final buzzer, was set up by Devin Simzer. Kirkwood also picked up a helper on captain Kirk Gibson's second-period tally.

The first frame was scoreless. North Dundas led 2-1 after two and 5-1 at the buzzer. Kirkwood (2), Gibson (2) and Evan Durant counted the North Dundas markers. Durant, Kirkwood, Colton Stitt, Simzer, Patrick Speagle and Mike Ladouceur all earned assists.

Ryan Embury missed a shutout when Matt Turner put the Selects on the board with 22 seconds left in period two.

The win improved the Demons first-place record to 7-1-1. They will be back on Winchester ice on Sunday (Nov. 27) when they host the Kemptville Panthers at 7 pm.

Flyers battle Maulers to 4-4 tie

WINCHESTER – Adam Schofield's second goal of the game, engineered by Josh "Champ" McLean and Trevor Gilmer, was the shot that gave McLean's Flyers a 4-4 tie with the Chesterville Maulers.

The Flyers (1-4-2) held a 2-1 lead at the half of last week's (Tues., Nov. 15) Winchester Town Hockey League contest. Derek Miles buried a feed sent to him by Dean Byvelds and Kelly "Rubber" Beckstead to put the Maulers (3-2-2) up by one (4-3), but Schofield was able to get his squad a point by way of the 4-4 tie.

Travis Leach and Schofield split the Flyers scoring. Josh McLean (2), Gilmer (2), Will McLean, Danny Pelkey, Matt VanDelst and Justin Heuff drew the assists.

Miles potted a pair of goals for the Maulers. Dean Byvelds and Dana Schofield snapped in single markers. Byvelds picked up three assists, while Justin Morozuk, Mitch Scott, Matt Baker, Brad Johnston and Beckstead each earned one helper.

The results for the other half of the Tuesday twin bill between Sadler's Suds and Green Berets were not reported.

Brugmans nets winner

Atom Demons edge Athens 4-3

WINCHESTER – Nick Brugmans broke up a 3-3 tie scoring the go-ahead goal with 28 seconds left on the clock as the host North Dundas Atom House "B" Demons nipped the Athens Aeros 4-3.

Brugmans' unassisted marker helped the Demons improve their Upper Canada Minor Hockey League East Division record to 2-7-3 with last week's (Fri., Nov. 18) win on Winchester ice.

Brugmans also opened the scoring when he gave North Dundas a 1-0 lead finishing a play engineered by Tyson Ferguson and Curtis Bell with 6:03 left in period one. Bell (from Ferguson) put the home team up 2-1 netting a goal 1:02 before the second period ended. Sam Sylvestre used a relay sent to him by Seth Christophersen and Riley Stinson to push the Demons into a 3-2 lead 3:01 before the end of the final frame.

Athens cracked in a shot 2:17 before the final buzzer making it a 3-3 contest and forced Brugmans and the Demons to come up with the game winning tally.

Liam Antille was the winning 'tender.

Stars 4 – Demons 2

The host North Leeds Stars fired home a pair of third-period goals, the winner came with 50 seconds to play, and doubled the Demons 4-2 in Westport on Fri., Nov. 11.

Brugmans and Bell cashed in the North Dundas markers. Christophersen earned an assist.

The score was tied 1-1 after one and 2-2 after two periods.

IS PRESENTLY SEARCHING FOR A

SERVICE MANAGER

The holder of this position acts on his own initiative under the general supervision of the Controller/Operating Manager to maximize the efficiency, safety, profitability, morale and customer relations of the Service Department and its employees, and integrating its operations with the other departments of the dealership.

The qualifications and experience required for the position are to have strong managerial, marketing, financial, analysis and human relations skills developed from many years' experience in managerial/supervisory positions in a business environment related to the mechanical field. Formal training in business-related topics. Understanding of the mechanical environment, farming/industrial and agribusiness. The foregoing may be met by experience.

Some of the position requirements will be:

- Managing staff, dealing with customer complaints regarding warranty and service.
- Meeting other departments' and customers' deadlines.
- Marketing the shop to the community to maximize hours sold and profits.
- Due to the nature of the business, seasonal rush and time demands, all in an environment where margins are tight.
- Dealing with maintenance and repair of extremely complex equipment.
- Liaisons with the mainline company pertaining to warranties.
- Insuring that the Service department has a harmonious relationship with the other departments in the dealership.

In Memoriam

CRUMP – Helene (Faulkner) who passed away November 24, 2002.
The years may wipe out many things
But this they'll wipe out never,
The memory of those happy days
When we were all together.
We think of you in silence
Your name we oft recall,
But there's nothing left to answer
But your picture on the wall.
Just when your life was brightest
Just when your hopes were best
God called you from among us
To a home of eternal rest.
– We miss you
– Love your family, Elaine, Angus, Heather and Betty
37

FREELAND – In memory of Donelda, who passed away November 23, 1994.
The world changes year to year,
And friends from day to day
But never will the one I loved
From memory pass away.
– Harry
37

In Memoriam

BALL – In loving memory of a dear husband, father, father-in-law and grandfather, Eric, who passed away November 29, 2004.
Beautiful memories silently kept
Of the one we loved and will never forget.
– Love Jessie and family
37

MEARS, John Patrick
December 30, 1957
November 21, 2003
A gentle breeze blew across the land
Reaching out to take your hand
On the wind the angels came
Eight years ago they called your name.
On the Angel's wings a heavenly flight
The journey home toward the light.
"May your beautiful Guardian Angel protect and hold you for all eternity."
"We pray that God will be Gracious to our precious John!"
– Forever loved and missed
– Mom, Lynda, Colleen, Tommy, Ann, Margaret and Robin
37

LEWIS AND WYATT – In memory of my late husbands, Fred Lewis, April 30, 1965 and Lorne Wyatt, November 26, 2008.
However long my life may last,
Whatever lands I view.
Whatever joy or grief be mine,
I will always think of both of you.
– Lovingly remembered, Helen
37

HAYES – In memory of a loving husband, father and grandfather, Charles, who passed away November 24, 2001.
Although 10 years have past
In some gentle way
Every single day
Fond memories of you
Steal our hearts away.
– Sadly missed, Maude, Lisa, and Judy

THE CORPORATION OF THE TOWNSHIP OF SOUTH DUNDAS

NOTICE OF THE PASSING OF A ZONING BY-LAW AMENDMENT

W PT LOT 29, CONCESSION 8
10487 HULBERT ROAD
FORMER GEOGRAPHIC TOWNSHIP OF MATILDA
TOWNSHIP OF SOUTH DUNDAS

TAKE NOTICE that the Council of the Corporation of the Township of South Dundas passed By-law No. 2011-83 on the 15th day of November, 2011, under Section 34 (18) of the Planning Act.

AND TAKE NOTICE that any person or agency may appeal to the Ontario Municipal Board in respect of the By-law, by filing with the Clerk of the Corporation of the Township of South Dundas not later than the 12th day of December, 2011, a Notice of Appeal setting out the objection to the By-law and the reasons in support of the objection. A Notice of Appeal must include the prescribed fee of $125.00 (certified cheque or money order) payable to the Minister of Finance.

Only individuals, corporations and public bodies may appeal a By-law to the Ontario Municipal Board. A notice of appeal may not be filed by an unincorporated association or group. However, a notice of appeal may be filed in the name of an individual who is a member of the association or the group on its behalf.

No person or public body shall be added as a party to the hearing of the appeal unless, before the By-law was passed, the person or public body made oral submissions at a public meeting or written submissions to the Council or, in the opinion of the Ontario Municipal Board, there are reasonable grounds to add the person or public body as a party.

This By-law will change the zoning for the noted above. This farmland has been subject to a consent application which resulted in the severance of a vacant farm parcel comprising the bulk of the property from a surplus dwelling.

This Zoning By-law amendment is needed to fulfill a condition of approval of the aforementioned consent application wherein no new permanent residential uses are to be allowed on the severed vacant farm parcel. The zoning is being changed on the severed parcel by removing residential as a permitted use as well as reducing the required lot frontage from 200 metres to 34 metres. The zoning is also being changed on the retained parcel by reducing the required interior side yard on the west side of the existing house from 6 metres to 2.4 metres. This Zoning By-law Amendment is not related to any Minor Variance, Official Plan Amendment or Plan of Subdivision.

This amendment is related to the following Consent Application: B-108/11.

An explanation of the purpose and effect of the By-law, describing the lands to which the By-law applies, and a Key Map, showing the location of the lands to which the By-law applies, are attached. A copy of the complete By-law is available for inspection at the Township Office during regular office hours.

DATED at the Township of South Dundas this 23rd day of November, 2011.

Thank You

I would like to thank all my friends and relatives for helping to make my 90th birthday celebration such a success. The party, along with your cards and best wishes, will be a treasured memory for years to come.

Graham Hess

Thank You

The family of the late Shirley Greer would like to thank our family and friends for all their support and expressions of sympathy during our time of loss.

Thank you to Dr. Yonge, Dr. Naciuk, Bayshore staff, Dundas Hospice and to the nursing staff on the Second Floor of the Winchester District Memorial Hospital.

Special thanks to Rev. Wendy Wright-MacKenzie for her support during this difficult time and for the beautiful service; also to Dave Lapier at Marsden McLauglin Funeral Home.

Harry, Kevin, Darren & Family

In Appreciation

A heartfelt 'thank you' to all who participated in the ***'Tons of Corn for Kayleigh Carruthers'*** fundraiser.

To the businesses, dairy farmers, cash croppers and individuals, thanks for your generous support for the Carruthers family.

We feel very fortunate to live in such a giving and supporting community. Thank you.

Dianne, Hugh & Ryan Fawcett

What A Special Birthday

Gone Bowling (Surprise)

Love from (both) my sons and my daughters-in-law and my wonderful grandkids, they are Michael & Debbie & Beth and Kyle, and Jamie & Adrianna & Hunter (missed Tina & Whitnie 'working'). A fun time and special evening with the birthday gal, Mom & Gramma & Nana Barb.

Later for a delicious BD supper at Kemptville as staff sang HB and more lovely BD gifts there.

Thanks Guys, a special time together.

Also for my special early morning phone call, singing Happy Birthday, to Gramma & Mom Nov. 15th. I loved it and You All, plus my many phone calls, along with all my wonderful BD cards and tickets, as well all my very special BD gifts and Tim Hortons cards, and visits to my apt., and for lunch, my TV converter was great and more gifts, my snowman, so cute. Thanks for my very special birthday and surprises.

I Love Ya's All Very Much and my gifts as well, given by Donna & John, my delicious birthday supper, plus an excellent homemade BD cake and singing and playing darts and more very special BD gifts & cute photos; Tina & Jamie & Adrianna & Hunter (Whitnie working) & Stacey. A very special evening. Thanks so very much again. Love Ya's All to Diana for my special gifts and my excellent Christmas dinner for family, my BD and the Retired Teachers Christmas party at Roebuck Hall, Nov. 16. Thanks to everyone and for my wonderful family.

God Bless all of you, always, with much love.

Mom & Gramma & Nana Barb

'Cheers!' Love, Barbara Van Breugel

25 to 30% of the energy used to heat or cool the typical Canadian home escapes silently through its windows and doors.

Replacing drafty old models with energy-efficient designs is one improvement project that pays off right away - and the savings are printed in black and white on the homeowner's energy bills.

ENERGY STAR HIGH EFFICIENCY HAUTE EFFICACITÉ

New Windows and Doors Boost Curb Appeal & Make You Money

6 Great Reasons to Replace Older Doors and Windows

1. **Superior Curb Appeal:** Renovating with good looking classic or modern styles can add architectural distinction or personality.
2. **More Comfortable:** New technology reduces air flow between the interior and exterior which helps to maintain a more consistent temperature inside your home.
3. **Lower Maintenance:** Durable designs and modern materials minimize up keep and may be covered by manufacturer warranties for many years.
4. **Safe and Secure:** Some models offer multiple-point locking systems and have been designed to resist forced entry.
5. **Peace and Quiet:** High performance windows can stifle some traffic sounds, commercial clatter or other types of noise from outside.
6. **Higher Resale Value:** All of these benefits may also appeal to potential buyers, so a significant portion of the cost could be recovered when the property is sold.

Efficient Windows Generate Savings

Annual energy cost for homes with high performance windows in cold-weather climates
