Pretty Wedding at St. Mary's Sat.

Photo by Smith Studio

The marriage took place on Saturday, November 30th, 1968 at St. Mary's Church, Morrisburg of Miss Carole Catherine Lawlor, daughter of Mr. and Mrs. Arnold Lawlor of Morrisburg to Mr. Douglas Stanley Hodgson, son of Mrs. Lillian Hodgson of Toronto.

Rev. Fr. D. W. MacDonald officiated at the 11 a.m. ceremony.

For her marriage the bride chose a floor-length white satin sheath fashioned with scalloped neckline trimmed with Chantilly lace, long lilypoint sleeves. Her train was six feet of white satin bordered with Chantilly lace. Her shoulder length veil was held by a crown of orange blossoms. She carried a cascade of dark green feathered mums flecked with gold.

Matron of honor was Mrs. Judith Lawlor, sister-in-law of the bride. Her other attendant was Mrs. Linda Snyder of Morrisburg. They were wearing identical sheaths of salmon coloured peau de charme with dark brown velvet empire-waisted jackets. They wore pearl pendants and floral headpieces of white mums and they carried crescents of light green feathered mums.

Groomsman was Arnold Lawlor, the bride's brother and guests were ushered by Charles Duval, Morrisburg, cousin of the groom.

Following the wedding, a reception was held for forty guests at St. Mary's Hall. For receiving guests the bride's mother chose an aqua two-piece wool suit with black accessories and a corsage of baby pink roses. The groom's mother wore a beige wool gown with black accessories.

Her corsage was of yellow roses.

For a trip to Montreal and New York State the bride donned a white wool sheath, rose coat and black accessories. A corsage of pink and white carnations completed her ensemble.

Guests attended from Toronto, Cooksville, Montreal, Fenlon Falls, Ont., Kingston, Cornwall and Morrisburg.

Prior to her marriage the bride was honoured at two miscellaneous showers. One at Morrisburg was given by Mrs. Judith Lawlor and one in Toronto was given by Mrs. Gordon Gover.

They will reside in Cooksville, Ontario.

C. F. McInnis Winner in Close Contest for Local Reeveship

As it was in other towns and villages across Ontario, Monday was election day in Morrisburg, and in this village at least, the voters turned out in record numbers to exercise their franchise. The election locally was highlighted by a coneest for the reeveship between the incumbent deputy reeve, Carlton F. McInnis and a well-known former reeve, Gordon W. Thom. Mr. McInnis emerged the victor in this one by a scant 47-votes.

Contesting the deputy reeveship were Paul Barkley, a member of the present council and Ed. Jones, a former councillor, long-time chairman of the local hydro utility and form nay years also the local agent for Canadian National Express. This one was an even closer race, with Ed Jones coming off victorious by some 18 votes, although he was beaten by a small margin in two of the three polls by his young challeneger.

For the three council seats, voters had a choice of any three of the following names: John A. Allison, Earl Baker, James Robert Bright, William Dillabough, James Langabeer, Bertram Tippins and Bruce Tuttle. When the last ballot had been cast and the votes counted, it was Baker, Bright and Tuttle, in that order, who had been the selection of the people.

Next choice was for two hydro commissioners, and the winners in this department were John Thompson and Lawrence Coligan, with Junior Cassell, the other candidate being defeated.

The following figures for each candidate, are given in the order: East poll; Centre Poll; West Poll.

REEVE—
McInnis: 158—165—170
Thom: 140—157—149.

DEPUTY REEVE—
Barkley: 156—166—135
Jones: 139—154—182.

COUNCILLORS—
Allison: 80—96—84.
Baker: 152—187—200.
Bright: 176—142—191.
Dillabough: 53—70—67.
Langabeer: 41—56—68.
Tippins: 64—52—40.
Tuttle: 120—152—156.

HYDRO COMMISSION—
Cassell: 100—96—115.
Coligan: 138—174—181.
Thompson: 157—169—195.

There were ballots also for representation on the new United Counties Board of Education both for public school supporters and separate school supporters, as well as for the larger Separate School (elementary) Board.

Condidaties for the United Counties Board of Education of whom only one could be elected, were: Douglas Barclay, Dalle Beckstead, both of Williamsburg; Clare Nugent, Riverside Heights, and Gordon Ross, Finch. Locally Mr. Beckstead polled more votes, but in the voting over the area, he was defeated by Doug. Barclay by the slim margin of eight votes.

Morrisburg voters picked them this way:
Barclay: 106—77—100.
Beckstead: 104—126—104.
Nugent: 26—44—49.
Ross: 3—7—3.

Separate School taxpayers could vote for three members of the new board to represent them, although their candidates were chosen at large. Mr. Sarsfield O'Connor, of Chesterville, being the only candidate from Dundas County in this race scored heavily here, but lost out in the whole area. Voting here was as follows:
Desjardins: 1—3—2.
Guindon: 3—5—4.
MacDonald: 6—5—8.
O'Connor: 26—24—27.
Trottier: 0—0—2.

In the contest for the new Separate School (elementary) Board, Patrick Beavers, Morrisburg lawyer won handily over Hector Bazinet and Rene Leduc. In Morrisburg, the voting was as follows:
Bazinet: 2—0—2.
Beavers: 31—41—33.
Leduc: 0—0—0.

Over the whole area, which is a very large one, and has a large proportions of French Canadian taxpayers, Mr. Beavers secured 481 votes, to 356 for Bazinet, and 302 for Leduc.

HELD MEETING OF PRESBYTERY AT BRINSTON CHURCH

The regular quarterly meeting of the Seaway Valley Presbytery of the United Church of Canada was held at Brinston, Ontario, on Thursday, November 28th, Rev. L. M. Ferguson, President, occupied the chair and guests included Rev. A. Cameron, B.A., B.D., President of the Montreal-Ottawa Conference and Rev. Donald Pipe, Field Secretary, Missionary and Service, formerly of the Avonmore-Monkland Pastoral Charge. A hearty welcome was extended to all by Mr. Shaver representing Sessions.

The Sacrament of The Lord's Supper was administered by the Rev. Ferguson, President, Rev. J. Stewart, Pastor of the Brinston Church and the Rev. A. Cameron, B.A., B.D., who gave an inspiring meditation.

During the report of the Commission on Outreach of the Church it was announced that contributions from The United Church of Canada toward the Nigeria-Biafra Relief Fund has amounted to $249,-419.000 to date. This is the largest contribution received and represents almost 40 per cent of all amounts collected. A report on the summer student work in the South Dundas area was received and it was agreed Presbytery would provide some funds in order the work be continued in 1969.

Following up the action of General Council and of Conference a Committee of Clergy and Laymen was appointed to discuss Church Union with a similar Committee established by The Anglican Church.

The Commission on administration reported the establishment of a new Pastoral Charge, formed by amalgamation. This will be known as the Finch-Avonmore Charge and will become effective in February 1969, with the Rev. H. A. Funge as Minister. A further amalgamation to be known as the Ingleside-Newington Pastoral Charge is expected to become effective June 30th., 1969. The report also contained the information that Rev's. W. E. Black South Mountain, R.G. Percival of Kemptville, G. E. McPherson of St. Lawrence and L. S. Wollfrey of Glengarry East would be leaving this Court, having accepted calls to other fields. They will be missed from this Court which has been enriched by their presence over the years and the Prayers and all good wishes of Presbytery will accompany them as they continue to labour in His Service.

The Commission on Congregational Life and Work reported a special meeting to discuss the philosophy of camping will be held in Chesterville from 10:00 a.m. to 4:00 p.m. on January 9th. Another event of importance will be a conference on Rural Life, sponsored by the Provincial Government, to be held at Kemptville on April 21st, 22nd, and 23rd. More details will be published in the near future.

Hilpin Farm is Refuge for Retired School Teachers

Hilpin Farm in Matilda Township belongs to Miss Hilda Kearns, Miss Jean Adams and to San Toy III. Miss eKarns and Miss Adams are retired teachers from Montreal and San Toy, a miniature pomeranian whose registered name is San Toy Tinker Toy Bell, reigns supreme and is King of the domain.

Built in 1826, on a crown grant of land by George III to John Henry Hanson, Hilpin is a charming early Victorian home of grey fieldstone. The one and one-half tsorey, eight-room house has walls three feet in depth which whisper of bygone days when life was rugged and simple, yet gracious.

In 1865 the buildiny was gutted by fire leaving only the main structure. It was rebuilt in its original form with only a small portion of the west wall requiring replacement.

John Henry Hanson left the farm to his daughter who married Elijus Strader and it was their son, Bernus Strader, who, in turn had inherited the property which he sold to the present owners.

Miss Kearns who was born and educated in Ottawa, comes from pioneer stock. Her grandfather, Colonel John Kearns was an Irish ex-officer of the Canadian army who was elected Federal M.P. for Plantagenet in 1836, the first from Prescott County.

Miss Kearns who taught on the staff of the Canadian Commercial College in Verdun for 33 year is a gifted musician and a versatile painter. She was organist at St. Patrick's Church in Montreal and held organ recitals at St. Thomas Aquinas Church. As an artist, her work has been exhibited in Toronto and Montreal art galleries. She is at home in various media: oils, water color, pastels and tempra.

At Hilpin House the traditional and modern atmosphere is complemented by portraits, landscapes and modern studies, painted by Miss eKarns who is also proficient in the arts of tatting and embroidery.

The lounge at Hilpin, located to the left of the entry, was the original kitchen. The dark walls have been lightened and what was, at one time, an exterior doorway, has now become a huge open fireplace. A wall divider, fitting into the decor of the room, separates the lounge from a discreetly modern and efficient kitchen. A recessed cupboard holds Blue Willow and Moss Rose dinnee sets.

Three spacious and tastefully appointed bedrooms are particularly noteworthy because of the panoramic views of the open countryside afforded by the large recessed windows.

Miss Jean Adams is a dynamic four foot ten inches of efficiency and enthusiasm. She was born in Cornwall, the daughter of Harry Adams, famous trainer of the Cornwall Lacrosse teams at the turn of the century. Her mother was Elizabeth Caine, daughter of the manager of Van Arsdale Potteries in the 1880's.

Orphaned at 13, Miss Adams climbed, through perseverence and hard work, far and fast in the field of business education. She was founder and principal of The Canadian Business College in Verdun and for forty years she played a vital part in the life of her city.

During the war years she served as chairman of the Federated Charities Committee, as senior commandant of the Women's Canadian Voluntary Services and the Canadian Women's Army Corps and has been at the forefront working and organizing an incredible number of worthwhile projects. She is a lover of music, a poet, a stamp collector and a noted public speaker. She has always been involved right up to her efficient little neck in assisting those in need of help.

Six years ago, after close onto four decades of teaching and Community service, Miss Adams and Miss Kearns decided to leave the hustle and bustle of city life and settle in the St. Lawrence Valley, where life is carried on at a more leisurely pace, where living is more suited to the income of retirement and within the Ottawa -Cornwall area where their roots are. This, however, has not prevented them from plunging wholeheartedly into working for alleviation of poverty pockets in their township.

Hilpin house derived its name from a contraction of Hilda (Miss Kearns) and Penney, an affectionate nickname bestowed upon Miss Adams.

A.A.'s Position in the Field Of Alcoholism . . .

Alcoholics Anonymous is a worldwide fellowship of recovered alcoholics who help each other to maintain sobriety and who offer to share their recovery experience freely with other men and women who may have a drinking problem. A.A. members are distinctive in their acceptance of all or part of a program of Twelve Suggested Steps, designed for personal recovery from alcoholism.

The Fellowship functions through approximately 12.000 local groups in 90 countries. Several hundred thousand alcoholics have achieved sobriety in A.A., but members recognize that their program is not always effective with all alcoholics, and that some may require professional counseling or treatment.

A.A. is concerned solely with the personal recovery and continued sobriety of individual alcoholics who turn to the Fellowship for help. The movement does not engage in the fields of alcoholism research, medical or psychiatric treatment, education or propaganda in any form, although members may participate in such activities as individuals. The movement has adopted a policy of "co-operation but non-affiliation" with other organizations concerned with the problem of alcoholism.

Traditionally, Alcoholics Anonymous does not accept or seek financial support from outside sources and members preserve personal anonymity in print and broadcast media, and otherwise at the public level.

What is alcoholism?

Alioholism is, in our opinion, a progressive illness - spiritual and emotional or mental as well as physical. The alcoholics we know seem to have lost the power to control their drinking.

How does A.A. Work?

A.A. can be described as a method of treating alcoholism in which members act as "therapists" to each other, sharing with each other a large body of similar experiences in suffering and recovering from alcoholism.

What can you expect from A.A.?

(1) A.A. members help any alcoholic who demonstrates his own interest in sobriety.

though they may feel it is best for the alcoholic to request such help first.

(3) A.A. members are glad to share their experience with anyone who is interested both in informal conversation and in formal gatherings.

Where can you find A.A.?

Look for "Alcoholics Anonymous" in your local newspaper, for when, where, and time of meetings in your area.

It's your decision.

Reports Cass - -

The Striking Committee of the House brought in its report and the Sessional Committees were established. These Committees, consisting of Members from all three political parties, meet regularly to deal with the various Bills introduced into the House and other matters of public importance. While no one not a Member of the Legislature may sit, or speak on such matters, in the House, anyone may appear, usually by prior arrangement, before each of these Committees and put before the Members his submissions and views with respect to matters being considered by the Committee. Hence, this is the forum in which the citizen can discuss, quite officially, with the House Members, matters of pub lic or personal interest, affected by legislation.

Several private Bills have been introduced and these, of course, were referred to the Private Bills Committee for consideration as well as for the purpose of allowing sponsors of the Bills and opponents to be heard.

The week was spent mainly on the debate on the throne speech with all three party Leaders party Leaders participating, and each of course, set out in his speech the views of his Party on current affairs in our Province and of the Government Party are likely to be implemented, it is interesting to note that Prime Minister Robarts committed the Government of Ontario to continued efforts to co-operate with other Provinces and with the Federal Government to secure a United Canada with fair division between Provincial and Federal spheres of Government of responsibilities and of revenue to meet these responsibilities.

He also announced that the formation of the Ottawa-Carleton regional government was but the first step in erecting all across Ontario new regions to replace our century old system of small municipalities. As yet, however, there does not appear to be any blueprint for, or even rumour as to our particular part of Ontario.

And finally, he discussed the possibility of radio and/or television coverage of House proceedings, indicating that the Government was favourably disposed to some trial of these innovations.

TO THE ELECTORS OF MORRISBURG

Having been successful at the polls and being elected as one of your Councillors, I would like to take this opportunity to say "Thank You" to each any everyone who supported me on December 2nd, 1968.

I only hope and pray that I can fulfill the duties of that office and in some way repay you for the vote of confidence you have placed in me. I am sure your new Council can and will work well together on your behalf.

Let us all join hands and go forward together in this, our Village. Once again, I say "Thank You" and wish you all the best for the Holiday Season and the New Year.

Weekly Report

LIMERICK REPORT
By: Alfred J. Campbell,
Management Forester

Hunters everywhere and not a deer in sight. To those people who think hunting is a slaughter, take heart. The deer won this year in Limerick Forest. Disappointed hunting parties report tracks everywhere and many sightings but they couldn't get the deer moving. It would appear that perhaps weather was against the hunters, making the deer move in unusual patterns, Despite poor luck however, nine deer are known to have been taken in the main blocks of Limerick Forest, and there are lots left for next year.

This has been a very active summer in Limerick Forest. Site preparation has just been completed to ready the ground for the planting of 3/4 of a million trees next spring With the approval of the United Counties of Leeds and Grenville Council, two picnic sites were established in the South Blocks, just north of Roebuck. These areas will be completely ready for use next summer.

An agreement has been reached with Augusta Township and the local people to have part of the township road north of Roebuck turned over to the forest so it can be improved for good access to the picnic sites.

Snowmobiles were out in full force with the arrival of the first snow. There are many miles of road and trails in the older properties of Limerick that are ideally suited to this new form of recreation We would like to make one request of the owners of snowmobiles. Please stay on the trails in young plantations. When young trees are frozen they break easily when run over by any type snow machine.

Visit your County Forest and enjoy it any time of the year.

Ontario Provincial Police in Dundas County last week patrolled 14,-100 miles in 1,085 hours. During this time. there were 58 charges laid under the Highway Traffic Act, along with 86 warnings being issued. Officers investigated five infractions of the Liquor Control Act, which resulted in five persons being charged. There were three Thefts and two Break and Enters, along with two disturbances and 11 miscellaneous complaints, investigated by the Ontario Provincial Police in Dundas County. On our area highways, there were eight property damage accidents and one personal injury accident, which resulted in one person receiving only minor injury.

Magistrate's Court was fairly busy during the past week, with officers spending a total of 18 hours in Court and registering 69 convictions.

Morrisburg School Patrol Member of the Week — Mary McLean.

Unnecessary Slow Driving

Section 162(1) of the Highway Traffic Act states — "No motor vehicle shall be driven on a highway at much a slow rate of speed as to impede or block the normal and reasonable movement of traffic thereon except when such slow rate of speed is necessary for safe operation having regard to all the circumstances."

Friends Regret Death of Doctor In Montreal

Friends at Morrisburg learned with regret of the death of Dr. Alan Bourne of Montreal at Montreal General Hospital on Thursday, November 28th. Dr. Bourne's wife is the former Ruth Pyper of Morrisburg and the couple had visited Morrisburg very recently.

Dr. Bourne, 53, was senior opthalmologist at Montreal General Hospital and Montreal Children's Hospital. Funeral service was conducted Saturday at 11 a.m. in St. Matthias Church, Westmount.

Born and educated in Montreal, he graduated as physician from McGill University in 1941. He was a Scarlet Key member.

Dr. Bourne served overseas in the Royal Canadian Navy from 1943-46, rising to the rank of Lieutenant commander. After the war he returned to study opthalmology at the Montreal General Hospital for two years and joined the hospital staff in 1949.

He was a member of the American College of Surgeons and vice-president of the Quebec Opthalmological Society.

A keen sportsman, he was a member of the Royal Montreal Golf CClub, the Montreal Badminton and Squash Club and Richford Country Club. He was also president of the McGill Athletics Association and Martlet Foundation.

He is survived by his wife, two daughters Julie (Mrs. Barry Sull) and Jane and by two brothers Dr. F. Munroe and Dr. Clayton C. Bourne, all of Montreal.

TO THE ELECTORS OF MORRISBURG

I wish to take this opportunity to thank those citizens who voted for me in the recent election for the Reeve of this Village for the forthcoming year.

It was a refreshing experience in running as a candidate for this office and the citizens of this Village are to be congratulated on the heavy vote given and by showing their great interest in the affairs of the Community.

I wish the newly elected Reeve and Council every success in their term of Office ahead and that all of us will endeavour to understand and appreciate the many problems facing this administration during the next two years.

BASKETBALL

Last Wednesday Seaway Valley sportsmen decided to organize junior and senior basket ball teams to meet with Kemptville Saturday. Seaway Valley Juniors were defeated 34-23 and the seniors met defeat to the tune of 57-25.

Last year Seaway Valley brought home the senior trophy for overall competition and the junior team made a good showing. So it is hoped that with practice and experience the home teams, having started from scratch only last week, will reach newsworthy status before the season ends.

Notice to Employers & Employees

At 12.01 a.m. on January 1st, 1969, the new Ontario Employment Standards Act becomes law

The New Employment Standards Act provides minimum standards for overtime pay, holiday pay and vacation pay; protects against long hours; ensures equal pay for equal work for women workers; sets higher rates of minimum wages.

Ontario's employment standards program is concerned with the economic well-being of the Province's manpower resources. The new Act up-dates and broadens the minimum standards for wages and working conditions to safeguard workers against exploitation and to protect employers against unfair competition based on lower standards.

hours of work

The working hours of an employee shall not exceed eight in the day and 48 in the week. However, under certain conditions a permit to work overtime may be obtained from the department. Employees whose only work is supervisory or managerial are exempted from the hours provisions of the Act. A girl under 18 years shall not be required to work more than six hours overtime each week.

overtime pay

The Act provides that an employee will receive a minimum of one and one-half times his regular wage-rate for any work in excess of the maximum 48 hours per week. In addition to providing premium pay, this requirement is designed to curb the use of excessive overtime.

Special overtime provisions have been established for the following industries and may be obtained by writing the Employment Standards Branch of the Department: Sewer and Watermain Construction; Interurban and Municipal Transport; Local Cartage; Tourist Resort; Restaurant and Tavern; Fruit and Vegetable Processing; Taxi; Ambulance Service; Highway Transport and Road Building.

statutory holidays

A regular, full-time employee and certain categories of part-time employees who work on a statutory holiday must receive a minimum of one and one-half times their regular wage rate. The holidays are Christmas Day, New Year's Day, Good Friday, Victoria Day, Dominion Day, Labour Day and Thanksgiving Day. Substitute holidays may be arranged with the approval of the Director.

equal pay for equal work

In order to protect the growing segment of women in the labour force the existing legislation covering equal pay for equal work under the Human Rights Code has been strengthened and transferred to the Employment Standards Act. This provision ensures that a woman who does the same job as a man in the same establishment is entitled to the same pay. The question of what is equal work will be determined on the basis of skill, effort, responsibility and working conditions.

THIRD SHIFT.

No girl under 18 years shall work in an establishment between midnight and 6 a.m.

If a woman works on a shift that begins or ends between 12:00 midnight and 6 a.m. her employer must provide transportation from her residence to the job or from the job to her home.

vacations with pay

The Act provides that every employee shall be given an annual paid vacation of at least one week after one year of employment. The vacation pay must not be less than 2% of the total pay received in the year in which the vacation is given. When an employee works for a period less than one year he is entitled to 2% vacation pay for the period worked. After three years of employment, the minimum is two weeks paid vacation and the pay must not be less than 4% of the annual earnings. The Vacation with Pay stamp book system for construction workers will be phased out between January 1, 1970 and June 30, 1970.

protection for homeworkers

Any person doing homework as defined in the new Act is now considered to be an employee and is protected by the legislation.

Employers are required to provide a statement of wages and deductions to each employee at the time wages are paid. It must show: pay period, rate of wages, amount of wages, all deductions and the purpose of each, allowances and the net amount being paid the employee. Deductions include those authorized by the employee and such usual deductions as Unemployment Insurance, Income Tax, Canada Pension, Company Pension Plan and Hospitalization.

collection of unpaid wages

The department may now collect unpaid wages for an employee including the amount of wages due, overtime pay and vacation pay up to a maximum of $1,000. Formerly collection could be made for wages only up to the level of the minimum wage.

NOTE

There are some industries in the province under the jurisdiction of the Federal Government such as banks, airlines, railways etc. These industries are covered by the Canada Labour Standards Code and are not under the jurisdiction of this Act. If you are in doubt which legislation applies to you, call the Employment Standards Branch (Telephone: 365-5251), for information.

The above is only a general summary of the Act. For more specific information regarding the Act and its regulations concerning overtime permits, exemptions for special occupations, etc., contact:

THERE'S NO PLACE LIKE IT

Home is one of the nicest words in the language. We associate it with security, family and refuge. But home may also be a dangerous place. Five times as many accidental deaths occur at home as at work, and nearly half of these deaths are caused by falls.

Be on the alert for hazards; practise these good safety habits:

- *anchor scatter rugs with rubber backing.*
- *use handrails on stairs.*
- *wear well-fitting shoes.*
- *make sure ladders are in good condition.*
