Blood donor clinic

A blood donor clinic will be held at Winchester Public School on Thurs., Nov. 24 from 2 to 8pm. The Canadian Red Cross Society is hoping to collect 200 pints of blood.

Shortage forces Ault's to buy water

WINCHESTER — The village's water woes are far from over.

Reeve Larry Gray said the dry summer, combined with a great demand for water, has strained the village's water capacity to its limits.

The village asked Ault Foods and Winchester Cheese to conserve as much water as possible but Ault began falling behind on its orders. For the last two weeks the company has trucked 60,000 gallons of water per day from Morrisburg in order to meet its production schedule. Wells are not expected to reach full capacity until January or February.

"The village had asked us to curtail our use of water since August," said Ault plant manager Cecil Simpson. "We were getting shorter and shorter and falling behind on our orders so we had to do something."

Ault uses approximately 180,000 gallons of water per day, much of it during its manufacturing of demineralized whey powder.

"We have been conserving as much as possible but there is only so much we can do," said Simpson. "Trucking in water is our last resort."

Simpson wouldn't reveal the cost of transporting water to the plant. He would only say the process is "quite expensive."

"In this village we are never finished looking for water," said Gray. "It is in short supply all the time but this year was particularly dry."

Village clerk Bill Appleby said the water situation has improved now that fall rains have arrived and Ault is drawing water from an outside source.

"Our wells have had an opportunity to recharge themselves," he said. "If this weather continues, where we have had more precipitation than normal, our situation could be back to normal earlier than the anticipated January."

The village currently operates four of its six wells. Two have been taken out of production after the water developed high sulphur content, a result of overpumping.

Because the water table was so low this summer, Gray said the remaining four wells could not operate at maximum capacity, and would be required to shut down to prevent sulphur build-up.

"The situation is a bit alleviated with the fall rains and in cooler weather, people aren't washing their cars and watering lawns as much," said Gray. "The picture doesn't look as bleak as it did at the end of August."

Gray said the municipality plans to refurbish some existing wells to bring production up to capacity but could not afford to shut down any of the wells this summer.

SHORTFALL

Council was also hoping its plans for a new sewage system, including construction of a new lagoon, would help ease the chronic water shortage in the village.

The village received approval from the Ontario Municipal Board to debenture approximately $2 million for its sewage system but when tenders were opened last week, the lowest bid was almost double that amount. Council must now receive further approval from the OMB to debenture more money, which will delay construction.

The additional expense could mean the village will not be able to borrow money to hook up several smaller wells adjacent to its main line, and relieve water problems in the short term. Residents will also have to help finance the new system. Sewage fees in the village will be increased from $115 a year to $245.

The village's wells are capable of pumping 500 gallons of water per minute but during the low flows, Gray said that amount was cut by half.

"Industry has gone a long way to conserve water," said Gray. "We didn't spend time policing the village the way we should have. We felt we had a good supply of water in the number six well. We had so much faith in it, but the water table had a great effect on our ability to produce."

The number six well went into production two years ago and it was believed it could supply 150 gallons of water per minute. This summer the most it produced was 80.

The water shortage prompted members of the Winchester Chamber of Commerce to approach council Monday night seeking solutions.

Gray told the chamber, the village has applied for a grant to develop a new well and has been notified its request has been placed on a list for consideration.

"Because of all the exploration we have done, we feel we know where the water is," said Gray. "It's just a matter of getting people's permission."

Council gives go-ahead to PCB decontamination

WINCHESTER — Village council has given approval to Winchester Area Hydro to proceed with its plan to decontaminate PCB oil stored in its St. Lawrence Street yard.

Hydro office manager Glen Vasey said a Mississauga-based firm, PPM Canada Inc., has been contracted to decontaminate approximately 8,800 imperial gallons of PCB oil.

"They have an apparatus which pushes the stuff through and breaks it down," said Vasey. "We don't burn it. The PCB content in the oil is destroyed."

Vasey said the remaining substance will be trucked out of the village and purchased by companies which make use of the decontaminated oil.

He said it will probably require two 5,000-gallon tankers to remove the decontaminated oil from the village.

Vasey said PPM Canada Inc. hopes to start the project later this month and will likely complete the job in four to five days.

"Before we start, we need approval from council and the Ministry of Environment," said Vasey. "All the tankers need is the normal manifest for transporting oil."

Council also agreed Monday night to approve a PCB storage site at Hydro's new location on Gypsy Lane and St. Lawrence Street which will be fully operational in 1990.

Vasey said the containers presently used to store PCB oil will be moved to the new location once the decontamination process is complete.

"The containers will be reused," said Vasey. "We are in a continuing battle to decontaminate PCB oil because we still have transformers out there with PCB oil. We consider this the ideal time to move the containers down there while they are empty."

Remembering the fallen

A lone piper, Pipe Major George Buchanan Sr. of the Cameron Highlanders, salutes the men and women who gave their lives during the two world wars and Korean War, during Remembrance Day ceremonies held in Winchester on Sunday.

NDP candidate wins hearts, not support

MAPLE RIDGE — New Democrat Steve Corrie borrowed a page from NDP leader Ed Broadbent's popularity book Thursday night at a Stormont-Dundas all candidates' meeting.

Corrie, a civil servant who had to seek permission to run in the Nov. 21 federal election, outbattled the three other candidates hands down, according to those surveyed at the meeting held at North Dundas District High School.

However, the 43-year-old air traffic control instructor could not turn his good showing at the debate into voter support.

Of 76 people polled following the debate, 47 said they were most impressed with the performance of Corrie in handling the public's questions on the major issues but only 11 said he would receive their vote.

"I thought I answered the questions specifically," said Corrie, commenting on the poll. He added that it doesn't matter how well a candidate does during a debate if the voters attending the meeting have made up their minds.

Perhaps the major disappointment was Liberal candidate Bob Kilger, who impressed only eight people as doing the best job during the meeting, sponsored by the Stormont and Dundas Federations of Agriculture.

Kilger, 44, still managed to receive twice the voter support of Corrie with 20 saying they would choose the former NHL referee on election day.

"I would like to have handled the questions better," admitted Kilger, commenting on his weak performance during the meeting. "I made no bones about it when I came in, I'm not that knowledgeable in agriculture."

"I am appreciative of the fact people see me as a viable candidate," he added.

Bob Noble, the Confederation of Regions Party candidate, received the nod of eight people as putting forth the strongest showing.

"I answered the questions thoroughly and honestly," said Noble, assessing his own performance.

Vice-president of the Alliance for the Preservation of English in Canada, Noble, 39, admitted he was not prepared to tackle farm issues.

"I wasn't that versed in the agriculture question," said Noble.

Seven of the 76 surveyed said they will vote for Noble.

Conservative Eric Cameron, 30, impressed the fewest people, with only seven saying he did the best job responding to residents' concerns.

Eight people said Cameron, a former special assistant to Stormont-Dundas MP Norm Warner, would receive their vote.

Township debate draws small crowd

WILLIAMSBURG — Four candidates vying for three council seats in Williamsburg Township debated in front of a very small audience at the township hall Tuesday night.

Approximately 20 people came to listen to Dave Carkner, Robert Gillard, Arden Schneckenburger and Trevor Tolley present their views and priorities for the township.

Reeve Johnny Whitteker and deputy reeve Lyle Van Allen, who were both acclaimed to their positions, were also on hand to field questions from the audience.

Carkner said he could bring youth and fresh ideas to council. He pledged to work towards creating more seniors' housing in the township and to oppose the creation of a waste disposal site for Grenville-Dundas in Williamsburg.

"We have to be concerned about waste management," he said. "If not, the government will choose a spot and we'll have to live with it."

Gillard, who joined council 14 years ago and served as deputy reeve until his defeat in 1985, said he decided to let his name stand again because he enjoys working on council and helping people.

"Since I was defeated in the last election I have kept a close and active interest in Williamsburg," he said.

Gillard said the new subdivision west of Morrisburg will be an asset to the township. He also supports the idea of house numbering and road signage in Williamsburg for emergency purposes.

Another project Gillard supports is construction of an enclosed swimming pool to be shared by the four municipalities in South Dundas.

"The four municipalities passed around a questionnaire and by far the biggest percentage of people want to see an enclosed swimming pool," he said. "It's surprising the number of people who travel out of our area to swim. All recreation doesn't centre around the arena and if I'm elected I will work toward that."

Gillard stressed, however, the swimming pool project would not replace current recreation projects in the township. He also voiced his opposition to the establishment of a waste disposal site in Williamsburg.

"We may have to dispose of our garbage in a new way, perhaps a recycling program," he said. "It may cost a little more but it's better than bringing someone else's garbage in."

Schneckenburger said one of the reasons he wants to become involved on council is to broaden his range of interests. Currently active in several agricultural organizations, he said he now wants to work within his community.

He echoed his opposition to a dump site in the township and said ratepayers may have to look at other options.

"Waste management is not an issue that will go away over night," he said. "It's not just an

• continued on page 2

Mazankowski pushes free trade deal

WINCHESTER — Deputy Prime Minister Don Mazankowski came to the village on short notice last week, trying to calm farmers' fears about the free trade agreement.

Mazankowski, minister of agriculture and privatization, proclaimed to the more than 100 people on hand that "never in the history of this country has the support for agriculture been stronger."

He quickly turned his speech towards the tactics of the federal Liberals and New Democrats, trying to scare Canadians into disapproving of the trade deal with the United States.

"It is a campaign of fear and distortion," said Mazankowski, winning only polite response from the crowd assembled at the Lions Hall Nov. 2. "It is a cowardly act and it's immoral."

Mazankowski said the "scare tactics" used by Liberal leader John Turner are based on mistruths.

"They say our cultural integrity is in trouble. Wrong. They say our regional development programs are going to go down the tube. Wrong. They say our sovereignty will go down the tubes. How can it be?" he said.

As one of the architects of the agreement, Mazankowski said farmers can be assured

Don Mazankowski

marketing boards and supply management systems will not be adversely affected by the deal.

Mazankowski explained the agreement provides safeguards for the agriculture industry. He promised the dairy farmers that their situation would remain the same under the deal as it is now.

Trade is a staple to the economic future of Canada, Mazankowki claimed.

"It just so happens the bulk of our trade is with the United States," he said.

Mazankowski said the agreement is about providing a secure operating base for Canada's seniors and its youth.

"To me, this should not be a political issue," he said, describing the deal as a straightforward, no-nonsense commercial agreement.

Following his speech, Mazankowski said he was forced to hit the campaign trail during the past few weeks to respond to the scare tactics used by opponents of the agreement.

He said he has been dealing with a number of issues in addition to free trade, depending on the area he is visiting.

"I'm very versatile," he said.

Responding to concerns voiced by many Canadians that they have not been told enough about the details of the agreement, Mazankowski said there has been plenty of information made available to explain the deal.

Mazankowski was also on hand last week to give a boost to the campaign of Stormont-Dundas Conservative candidate Eric Cameron.

Cameron, a former special assistant to MP Norm Warner, said his wife simply put in a request for Mazankowski to speak in Winchester and the deputy prime minister agreed to an appearance.

High-profile ministers like Mazankowski often make similar appearances on short notice during an election campaign, Cameron said.

Cameron predicted Mazankowski would be asked many questions about free trade.

"He is one of the architects of this thing," he said.

Cameron admitted the sole purpose of Mazankowski's trip to Winchester was to sell the free trade deal to the farmers and his job is to promote the agreement in Stormont-Dundas.

Few cast votes at advance polls

WINCHESTER — The first of two advance municipal polls drew small crowds in various municipalities on Saturday.

Fourteen people in Winchester cast their ballots before the Nov. 14 election date out of 1,783 eligible voters.

Totals were also low in Winchester Township where only 11 votes were cast out of a possible 2,500.

In Williamsburg Township, 23 people voted out of 2,716 registered voters.

Polls were open from 10am to 8pm. Another advance poll will be held Thurs., Nov. 10.

Winchester Clerk Bill Appleby said it still isn't too late for residents to add their names to the municipal voters' list. Anyone wishing to put his/her name on the polling list must fill out an application at the municipal office or can take an oath on polling day that they are entitled to vote. Bringing identification is advised.

News Digest

Mountain township debate

MCUNTAIN — The Township of Mountain is sponsoring a debate amongst municipal candidates.

The debate is scheduled for Nov. 10 at 8pm at the Mountain Agricultural Hall. Two are contesting the deputy reeve position and eight are vying for three council seats.

Eugene Whelan to speak

EMBRUN — Former Liberal agriculture minister Eugene Whelan will attend a meeting to discuss free trade at the Embrun Recreation Centre on Nov. 13 at 8pm.

Whelan served as minister of agriculture from 1972 to 1984 and is considered to be the father of Canada's supply management programs.

Buy a brick

GREELY — A fundraising committee has been established to raise $200,000 towards the new Greely Community Centre.

Canvassers will contact residents in the community to buy a brick in the Greely wall of fame. Warren Hatherall has been appointed chairman of the building committee.

Name change

OSGOODE — Osgoode Township Council passed a resolution that the portion of 6th Line Road from Hwy. 31 to Regional Road 8 be renamed to Sale Barn Road and that the Ministry of Transportation be requested to install signs on Hwy. 31, and the roads department be requested to install signs at the township road intersections.

Developer cautioned

MAPLE RIDGE — Winchester Township council will let a Montreal firm develop a piece of land for commercial use west of Winchester, but there is just one catch.

Council now wants assurances from the firm that it won't build a convenience store on the development which is to include a retail grocery store, offices and small business space.

Councillors passed a bylaw in early October favoring the zoning amendments needed for the project to go ahead, but they are now concerned the promised retail grocery store could end up as a convenience store, something neighboring residents are dead-set against.

"I don't want to hold it (the project) up," said councillor Dwayne Holmes Monday night. "I want it to go as much as anybody."

But he's concerned that after promising residents there would be no convenience store in the proposed project, the developing firm may be able to go ahead and put one on the site anyway.

Holmes told council there's nothing in their bylaw that would restrict the days and hours the businesses in the development would be open. As well, the bylaw doesn't specifically prohibit convenience stores in the development, he said.

Township reeve Gerald Holmes said he would ask the firm if it would agree to a covenant prohibiting the operation of convenience stores in the mall.

But he told Holmes he was being overly concerned about the mall and this pessimism may "kill" the development. "If you want to kill it, kill it. I won't be here much longer," he said.

Council is in a race with Mountain Township to get its zoning in place for the development. The firm proposing the development is looking at two possible sites, one in Mountain Township and the other in Winchester Township.

Federal candidates

• continued from page 1

Perhaps a strong indication of the lacklustre performances, with the exception of Corrie, was that 30 people or about 40 per cent said they were still undecided after watching the candidates field questions.

More than 100 people were on hand as the four candidates battled with a number of issues including a space agency, rural postal service, battered women and the national debt.

The three candidates who oppose the free trade agreement took aim at Cameron and the Conservative government.

"We are in the middle of one of the most controversial campaigns in history," said Noble, condemning the agreement.

"If you want to put your life in jeopardy, vote for Eric Cameron," he said.

Corrie, pulling from Liberal leader John Turner's script, said he is not prepared to see this country sold away.

"Eric (Cameron) should be ashamed to represent a government that has not kept their promises from 1984 and expect us to believe a whole batch more in 1988," said Corrie.

Kilger said under the agreement the "first losers will be farmers driven off their land."

Cameron acknowledged in his opening speech that free trade is the main issue with voters.

He said seven out of every 10 people he has talked to during his campaign wanted to know more about the agreement.

Cameron told the audience the deal will provide an opportunity for growth as well as protection.

He said those attending Tuesday's appearance by Deputy Prime Minister Don Mazankowski at the Lions Hall in Winchester were assured supply and management systems would be protected under the agreement.

Williamsburg issues

• continued from page 1

issue of a site or whose garbage we're going to take. We may have to look at door- to-door collection which could be a tremendous cost."

Schneckenburger said the township needs new industrial development that could co-exist with the agricultural industry and broaden the tax base.

"We also need a nursing home or a modified version of a nursing home to look after our seniors," he said.

Tolley ran for council and was defeated in 1985. His top concern in 1988, he said, is the Grenville-Dundas waste management study.

"In the first report of the consultants it was revealed that there were plans for a 200-acre site, 60 feet high, to take all the garbage from Dundas, parts of Grenville and Brockville and that only Dundas has soil suitable for such a site," he said. "I think that the opposition shown at the Boucks Hill meeting last spring showed how vocal opposition can have an effect."

Tolley said the involvement of Brockville in the study was unfortunate because it does not have any economic or social involvement with Williamsburg.

"I believe continued vigilance is needed in this matter and continued vigilance is what you will get if I am elected to council," he said.

He also supports a house numbering system in the township and enhanced services for seniors such as home care. Tolley also believes a controlled policy for new housing in the township is needed which will attract people to live in the area and bring valuable employment.

Municipal building tenders open

MOUNTAIN — Reeve Keith Fawcett hopes Mountain Township council will have a new municipal building by March to replace the existing overcrowded facility.

The township will accept tenders for the new municipal offices, to be built on part Lot 6, Con. 6, until Wed., Nov. 16.

Fawcett said council has put aside enough money to pay the expected $150,000 cost of the new building without having to increase municipal taxes.

"The money is taken care of," he said.

With insufficient space in the present municipal building which has been used for 15 years by township's council, Fawcett said a new building is overdue.

"I think it is something that is really needed," he said.

"We've just run out of room," said Fawcett, describing the municipal building located on County Road 1.

The chamber room, where monthly council meetings are held, is inadequate to accommodate the public, Fawcett said.

The new municipal building, which will be made of brick, will have a larger council chamber and will be accessible to the handicapped.

There will also be separate offices for the drainage superintendent, the clerk and the reeve as well as a small kitchen and a men's and ladies' washroom.

Fawcett said he is hopeful construction will begin in early December.

Fact finder calls for two-year contract

CORNWALL — Provincial fact-finder Russell Steward feels that his recommendations for settling the four major areas of contention between the SD&G Roman Catholic Separate School and its 209 French-language teachers will pave the way to a settlement of the contract dispute that has divided the two parties since January.

Steward's report was made public Nov. 3, and calls for, among other things, a two-year pact between the board and its 260 elementary school teachers who belong to the SD&G branch affiliate of the Association des Enseignants Franco-Ontariens (CAEFO), who have been without a contract since the end of August.

The board and teachers, who instruct over 4,000 French-speaking students, more than half of the board's total elementary enrolment, have settled 18 of the issues put on the bargaining table but the major issues of salary, bonuses, extra preparation time, and the length of a new agreement still divide them.

Teachers want a one-year contract, since next September the board will assume operation of several secondary schools and they feel this change may adversely affect them if they don't have the freedom to negotiate a new deal at that time.

They are also seeking 150 minutes per week for class preparation time, a beefed up bonus system, a six-per-cent salary increase plus the inclusion of three new classes in the salary grid.

Teachers argue that since 1984 their salaries have fallen from 29th out of Ontario's 52 separate school boards to 51st and they argue that other bargaining units in the province have been able to negotiate an average of a five-per-cent increase.

The board has countered with an offer of a one-per-cent salary increase.

Steward recommends that an increase of between four and five per cent be negotiated for the first year of the contract and his report states "...that moreover they agree on a suitable amount for the second year."

This would take the highest-paid teachers in the salary grid from $48,984 to between $50,943 and $51,433. Teachers at the lowest end of the grid would, under Steward's recommendations, see their salary increase to between $26,087 and $26,338.

He rejects the teachers' call for the inclusion of three new classes at the lowest end of the grid, which would provide for incremental raises for more teachers, on the basis of the resentment this could create among those in the next-highest class.

On the issue of preparation time, Steward notes that the three boards neighboring SD&G provide teachers with daily preparation time but he had pared back the teachers' demand from 150 minutes a week to 30 minutes in the first year of an agreement and an additional 60 in the second year.

Teachers would use the preparation time to plan classes, prepare lessons and evaluate student performance.

The board has opposed the inclusion of preparation time because of the cost of implementation, arguing that the teachers' demand would add the equivalent of an extra 20 full-time teaching positions to its schools at an annual cost of $800,000.

This, coupled with salary increases and changes in bonuses, would add an extra $1.625-million to the board's annual instruction bill.

The board also claims that the inclusion of preparation time would fundamentally alter the pupil-teacher ratio.

On the issue of bonuses for early retirement, Steward recommends that the two sides agree on a maximum age for the payment of the benefit, which now stands at between $4,000 and $9,000 after 15 years of service, 10 of which must be continuous with the SD&G board.

Teachers want these figures raised to range from $6,000 and $11,000 while the board has offered $13,000 without distinction of age, although it calls for the bonus to be cut off at 56 years of age rather than 64 and that the program gradually be phased out between 1989 and 1993.

The fact-finder recommends that a new agreement not be abolished or fundamentally changed without a two-year notice and that this not take effect until after 1993.

He recommends that the bonus system be set at between $6,000 and $13,000.

In the preamble to his recommendations he criticizes both parties for failing to come up with an agreement before this time.

TOCC sets self-management goal

by Joe Rowan

METCALFE — Township of Osgoode Care Centre Board president Gord Scrivens reported to Monday night's annual meeting, that December 1989 has been established as the goal for self-management of the centre.

The president based his comments on recommendations by Dr. Michael Clayman of Para Med Health Services, the firm that has directed the administration since opening day.

Dr. Clayman also outlined a program that would lead to nursing-home accreditation.

Scrivens, in his review of the past year, noted the necessary improvements that had been completed during the past 12 months and reported that the board hopes to have an air-conditioning unit in operation early in the summer of 1989.

The president had glowing words of praise for director of care and administration, Nancy Shank.

"Nancy," he told those present, "has completed two highly successful years with amazing skill, determination and pride."

Board treasurer Ann Velthuis submitted a comprehensive financial report stressing the fact that the centre is presently burdened with a $2,365,500 mortgage, necessitating annual payments of $285,588. Gwen Magee, grounds and garden committee chairman, reported during the past summer, 5,000 white pine trees had been planted; benches purchased; flowers planted and additional landscaping completed. She acknowledged generous contributions by Meadowgreen and Dancea nurseries.

Jean Reaney and Joyce Schell presented interesting reviews of the work accomplished, and funds raised, by Metcalfe and West Osgoode auxiliaries respectively.

Dorothy Rodney, former board treasurer who now serves as adviser to the residents' council and liaison with the board, noted that, due to ill health, council president Stuart Jeacle had been forced to give up the post and was replaced by Emma Seguin who is assisted by vice-president Iris Anderson, secretary Iris Salmon and treasurer Margaret Campbell.

"We have on our staff, very caring and dedicated people," Shank told the gathering, "and beginning in December, Para Med will be offering a nurse-aide training program here at the centre."

Shank noted 100 per cent occupancy and said the home is currently staffed to provide 2.09 hours of care per day per patient.

"Until government funding is increased," she said, "it is not in the residents' best interest to admit people requiring more care than we are staffed to provide."

Serving with board president Scrivens are Albert McKeown and Helen Ball (representing municipal council); Rev. L. Smith and Lynda McQuaig (ministerial association); Wilmot Stanley (senior citizens); Gerald Wright (Osgoode Lions Club); treasurer Ann Velthuis (Women's Institutes); Joan Kelly (Royal Canadian Legion); Jane Robinson, Ivan Kelly, Gwen Magee (members at large). President Scrivens represents Metcalfe and District Lions Club. Kay Johnston is the board secretary.

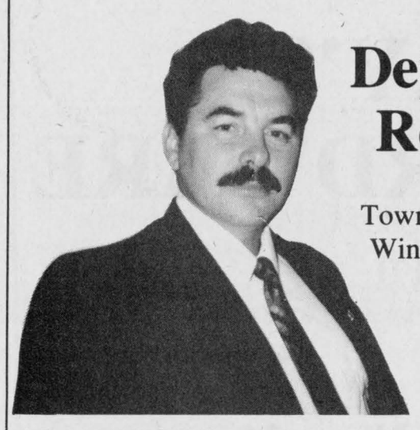
Vote
Robert St. Pierre
for
Deputy-Reeve



Township of Winchester

The reasons I would like to be on the next council of Winchester Township are:

- A new official plan with more options and more responsive to our rural area.
- A road policy that includes better roadside weed and brush control, better shoulders and better budgeting along with the use of traffic counts to set priorities.
- A Waste Management Policy that pushes for central recycling, so that all garbage is separated.
- Market value assessment that starts in 1988, instead of 1984, in order to have a better balance between farm and residential assessment.
- Recreational budgeting that provides facilities but encourages a "user-pay" policy in programming.

If elected, I promise to give fair and responsible representation to all residents of the township. I would appreciate your support in the upcoming election and I will continue to do my best for you.

Robert St. Pierre

Metcalfe teachers street-proofing pupils

METCALFE — Teachers and students at two Metcalfe schools are taking precautions against a man who has attempted to coerce children into his truck four times in the past month.

Students at Metcalfe Public and St. Catherine's Separate School receive street-proofing instructions every year and have received extra instruction in the form of an OPP video entitled "Strong Kids, Safe Kids."

"I contacted the police a few weeks ago to find out what they recommended this year," said Metcalfe Public School principal Leslie Hossack. "They supplied us with this video and the message in this particular film advises children in dangerous situations not only to say no, but to run and tell someone."

Although the same program is taught to students every year, Hossack said it might not have been undertaken at this particular time of the year if not for the possible danger.

Most of the students at MPS ride the school bus and Hossack said she hasn't seen more children being picked up by parents or babysitters than usual.

"I think parents are more aware after they read the newspaper," said Hossack. "The staff has been kept up-to-date and the children are more aware. They take the program seriously."

Students at St. Catherine's also receive street-proofing programs each year and in addition this year were shown the OPP video. They have also been cautioned by teachers and principal Judy Sarginson to always travel in the company of another student or adult.

The school has made an effort to encourage children to head straight home after school and student-crossing guards have been advised that teachers will watch them from the school windows to make sure nothing is amiss.

Children were given a newsletter to take home to their parents. The newsletter urged parents to discuss safety with their children and action to take if they were approached by strangers.

The staff at St. Catherine's, however, is trying to keep the students calm. They want the children to avoid dangerous situations but not to be so frightened, that they are afraid to step outside the home.

The case is currently under investigation by the Manotick OPP.

A stitch in time

Tracey Thatcher, left, and Amy Laforest didn't waste a minute of their Saturday afternoon. They were busy embroidering new creations while exhibiting their work at the arts and crafts show last weekend.

Craft show organizer enthusiastic

WINCHESTER — The lure of crafts drew over 500 people to the arts and crafts show at the Lions Hall last weekend.

Organizer Gail Baillargeon said she was pleased with the large turnout.

"We had about 400 people the first day," she said. "Sunday was a little quiet. We wished there had been more, but we didn't expect as many because of church and so on."

Twenty-four area artists participated in the show. The 50 cent admission was donated to Naomi's Resource Centre.

The show was so successful Baillargeon said another will probably be held next summer.

"The exhibitors seemed to be really pleased with the show," she said. "They agreed to come back. Everybody seemed to think for a first show we did really well."

Debate's timing 'slimy': Metcalfe

MAPLE RIDGE — A debate took place yesterday at North Dundas District High School. There were candidates, a few voters, speeches and questions. But no local media.

One of the candidates for reeve, Ross Metcalfe, says it was planned that way.

"This is part and parcel of my general feeling of past council," said Metcalfe who suggested council purposely held the debate at a time when it would get as little coverage as possible.

Most local weekly papers publish on Wednesday and their deadlines are Tuesday afternoon. Because it is held on Tuesday night, the Winchester Township candidates' debates will not appear in the papers until next week's issue, two days after municipal elections.

Metcalfe said there is no reason the debate could not have been held earlier and said the scheduling of the debate was "bloody slimy."

He said he was not informed of the debate until after the decision was made. And though there was a debate last week in Marionville, sponsored by the Knights of Columbus, he says council is afraid of facing the issues.

But Metcalfe's opponent, current deputy-reeve Claude Cousineau, says Metcalfe's fears are unfounded.

He said council decided to hold the debates on Tuesday because it was the only time when everyone was available.

He said a few of the candidates not presently sitting on council were notified by the clerk, Nancy Krisjanis. He said Metcalfe might not have been at home when the call came.

But another candidate for council, Arthur Carkner, said he only heard about the debate second-hand though he admits a call to notify him might have come while he was out.

Carkner would not go as far as Metcalfe to say the timing of the debate was done purposely to avoid coverage.

He did, however, point out that debates usually favor challengers over council members.

"Obviously a lot of people are interested in who can't be there."

Again Cousineau said council members are not worried about the media. He said council members performed well at last week's debate in Marionville and in particular, Metcalfe, "would have looked like a fool if we had the media there."

Lodge for cancer patients officially opens

OTTAWA—The Canadian Cancer Society's newly-expanded Maurice J. Grimes Lodge at the Ottawa Civic Hospital officially opened on Fri., Oct. 28.

Ron Potter, Ontario President of the Cancer Society with many dedicated volunteers on hand, turned over the building to Micheal Meighen, President of Ontario Cancer Treatment and Research Foundation.

The Lodge now offers accommodation for sixty out-of-town cancer patients. The offices of the Canadian Cancer Society are also located within the building.

"Cancer patients receive both emotional and physical support at the lodge," said June Davidson, lodge manager. "As well as accommod ation, meals and medical supervision which are covered under OHIP, the lodge offers a homelike atmosphere for people when they need it most. Volunteers who help out on a regular basis ensure its friendly atmosphere." Lounge areas, crafts, recreation facilities, a dining room and beauty shop all contribute to the informal setting.

Canadian Cancer Society volunteers throughout the Carleton and Eastern Ontario Districts are raising $2 million to fund the renovation and expansion programs in this area. This project was part of an Ottawa Lodge expansion program and included the Alta Vista Lodge at the Ottawa General Hospital which opened in 1987.

Gala tickets going fast

WINCHESTER — Tickets are now on sale for the Winchester Chamber of Commerce gala dinner.

The dinner will be held at the Community Centre on Nov. 19. Tickets are $20 each and can be purchased from chamber members.

Awards will be presented to centennial co-chairmen Harry Keyes and Shirley Fawcett.

"We're doing it as a thank you to Harry and Shirley since they did so much for us," said chamber member John Adams.

The evening will begin with a cocktail hour at 6pm followed by dinner at 7pm catered by John Palmer. The dance will begin at 9pm.

Stormont, Dundas and Glengarry MPP Noble Villeneuve has been invited as guest speaker. Approximately half of the available 200 tickets have been sold so far. Tickets will be available until Nov. 12.

OTHS student pursues political bent

OSGOODE — Grade 13 student Erinn Bracken is exploring the complex world of politics.

Following the recommendation of Osgoode Township High School history teacher Bob Greenfield, Bracken, 18, was chosen to represent the school in The Forum for Young Canadians.

Greenfield said he only nominates students to the annual program when he feels he has a suitable candidate. That has been the case six of the 12 years since the high school has nominated students to participate in the forum.

The program is designed to give students a better knowledge of the Canadian political system, primarily the workings of the federal government.

Funding is divided three ways, at $182 each, between the township council, the school council and the student.

Bracken, described by Greenfield as an excellent student with a "quite high" interest in politics, said she was honored to be chosen to participate this year..

"I was flattered," she said. "It's a big responsibility. A lot of preparation goes into this."

Bracken said she plans to do some research and talk to local members of parliament to help prepare her for the forum.

"I hope to get a better understanding of Canadian government," she said, describing her expectations of the forum.

Much of the program will take place at Ashbury College in Ottawa, where students will discuss politics. Those in the forum will also spend time in Ottawa visiting with MPs, seeing first- hand what federal politicians do.

Bracken said she began following international issues and current affairs last year. In 1987, she was one of 150 students from across Canada to participate in the Student Commonwealth Conference.

Canadian students gathered in Ottawa to discuss commonwealth issues such as imposing sanctions on South Africa.

While taking a world-issues course dealing with population problems and world famine, Bracken said she has acquired an interest in humanity causes.

A member of Amnesty International, Bracken plans to enrol in political science at McGill University in Montreal.

With her growing interest in politics and with this being her first year as an eligible voter, Braken has closely followed the federal election campaign.

She said she was surprised to see the Liberals emerge ahead of the Conservatives following the televised debates between the federal party leaders.

Bracken, like millions of Canadians, said she still has not decided who she will vote for.

"I'm trying to learn more about what each party stands for," she said. "My biggest concern is free trade. I'm trying to figure out what it stands for."

Bracken said she has read up on the agreement but she has been unable to find any literature that offers an objective view. Everything she has read on the deal between Canada and the United States has been partisan either in favor or against the deal.

ELECT MAUREEN McTEER

A Personal Message to the Voters of Carleton-Gloucester

My family roots are deep in our community. It has been good to me. It has helped to shape my life. Now I would like to give something back —— by serving you as your Member of Parliament.

Working with you, I believe we can sustain the economic prosperity we have built up these past four years .... we can strengthen our social programs .... we can protect and preserve the environment we all cherish.

We can build a stronger Carleton-Gloucester —— and a stronger Canada. That is my personal commitment to you.

On **Monday, November 21,** I ask for your support.

Hawks turn up intensity, tie and defeat Kemptville

KEMPTVILLE — Two-goal efforts by rookies Dan Vajcovec and Shawn Young here Sunday night powered the Winchester Hawks to a 6-4 Eastern Ontario Junior B Hockey League, St. Lawrence Division, victory over the Kemptville 73's.

The hard-earned, hard-fought decision capped, "a great weekend for us," according to Hawks' head coach Bill Murphy.

On home ice in Winchester Friday night, the Hawks, and a good crowd of fans, watched in horror as their team fell behind by a 5-0 margin after a period and a 6-2 deficit after 40 minutes of play. The mood soured further as Kemptville went ahead by a 7-4 margin with 12:11 left on the board.

But goals by Blaine Lutz at 8:16, Chad Brownlee at 4:44 and Derek Austin with nine seconds left, brought the Hawks back for a dramatic 7-7 tie.

A seven-shots-to-none margin in overtime kept the Hawks rolling but they were unable to crack the tie and steal two points.

Winchester's momentum kept them in high gear for Sunday's return match. This time it was their turn to take a 5-0 lead. Unlike the 73's on Friday, the Hawks were able to hold on to their lead and win.

It was the third point of the weekend for the Hawks who stretched their undefeated string to three games.

"We have eight points now and are just five out of first and two points out of fourth place," commented coach Murphy.

"It was a positive weekend, winning three of four points and five of the last six," he explained.

"The team showed it can play at high intensity. They did it for two periods and the overtime Friday and continued for a good period-and-a-half Sunday. They have learned they can, with intensity, come from behind in a game. Sunday they started to learn how to protect a lead, something we will work on further. The kids are starting to learn, they have always worked hard."

This weekend the Hawks host the Rideau Division's number-one team, the Brockville Tikis, in their usual Friday night game.

The Tikis will then host the Hawks on Wed., Nov. 16 in Brockville as Winchester gets a small break in the action.

The one-game weekend will allow the Hawks' injuries time to heal. The club hopes to get Kirk Barkley, Scott Barkley and Don Larocque (work commitments) back in the lineup. Dominic Menard and Jason Doucette will miss the Brockville game due to fighting suspensions incurred in Sunday's game. Chris Holland also got the gate in that match but he will be able to skate Friday.

Winchester led the home town 73's 5-0 in the first period and 5-1 at the break. Dan Vajcovec, Derek Austin, Shawn Young, Jason Doucette and Vajovec, with his second, scored in that order. Darren Sloboda replied for Kemptville.

Arnie Shaw made it 5-2 with the second period's only goal.

Camille Houle and Jason Quinelle closed the gap to 5-4 but Shawn Young made it a 6-4 final, scoring from Chad Brownlee and Corey McQuillen with 49 seconds left in the game.

Austin, Doucette, McQuillen (2), Dominic Menard, Doug Reid, Blaine Lutz, Chad Brownlee and Steve Regan all earned assists.

Marc Juneau posted his second win of the season working the Hawks' net.

BIG COMEBACK

Down by period deficits of 5-0 and 6-2, the Hawks rallied for a 7-7 overtime tie with Kemptville Friday night in Winchester.

Derek Rintoul (with two goals) Rob Davis, Darren Sloboda and Jason Quesnel chased Hawks' starting goalie Dave Mounsour after a period of play. Kevin Tallman made it 6-2 and Arnie Shaw snapped a blistering shot in over Marc Juneau's shoulder at 12:11 of the final frame as the 73's looked to be comfortable with a 7-4 lead.

Winchester started its comeback when Derek Duchesne scored his first junior B goal from Doug Reid and Jason Doucette at 17:53 of period two. Doucette then scored from Reid and Austin at 11:12 of the same frame as the gap narrowed slightly to 6-2.

The unit of Reid, Doucette and Austin connected at 17:46 of the final frame. Reid nailed the goal. Blaine Lutz then scored twice hitting from Shawn Young at 17:11 (6-4) and Chad Brownlee at 8:16 (7-5) as the rally continued. Chad Brownlee then scooped in a Chris Williams' pass at the 4:44 mark to make it a 7-6 contest. Williams' dogged forechecking ended up in the Brownlee goal.

Chad Brownlee was in on his third straight goal assisting, along with Dan Vajcovec, on Derek Austin's tying goal with just nine seconds left in regulation time.

Hawks hemmed the 73's in their end of the rink in the overtime, drilled eight shots at Rick Glen but couldn't snap the 7-7 tie.

Reliever Marc Juneau wasn't tested in the overtime and wound up stopping 11 of Kemptville's 13 shots over the final two periods plus overtime. Hawks had Glen stop 41 of their 48 shots.

Hawks took 10 and Kemptville 14 minor penalties. Sunday's contest featured three scuffles with Hawks' Chris Holland, Jason Doucette and Dominic Menard getting early showers. Kevin Tallman, Rob Davis and Derek Trehearne got the gate for Kemptville.

Hawks hot

Winchester Hawks' rookie Shawn Young draws a lot of attention in every Junior B game he plays. The assistant captain hustles from the start to the finish of every game. Over the weekend he scored twice and set up a third marker, as the Hawks tied Kemptville 7-7 on Friday and defeated them 6-4 on Sunday. Young is fourth in team scoring and stands seventh in the division race with 14 points.

Sports '88

Whalers cut off Hydro's power, Bourdeau comes up big in nets

WINCHESTER — Yvon Bourdeau earned game MVP status here Saturday as he slammed the door on the high-powered Hydro crew beating them 2-1 in the championship game of the first-annual Hallville Rangers Industrial Hockey tournament.

Bourdeau and the Ault Foods Whalers emerged from the eight-team event with a clean slate, winning all three games. The tourney champs doubled Chesterville 6-3 in the opening round, nipped the Winchester Capitals 7-6 in a semi-final shootout and then captured the cash, edging a talented Winchester Hydro crew 2-1 in the A championship match.

The A champs collected $200 and duffle bags for their victory.

In the consolation final, Russell edged Kemptville 3-2. They received $100 and caps from the organizers.

Hallville Rangers' hockey club spokesman Dave Coleman reported, "It was a success. We made some money and had a good crowd Saturday night (for the dance)."

Coleman said his team would use the money raised to support its operation and although there aren't any definite plans, he thought the tournament might become an annual event.

Another feature the organizers put into their competition was a shootout, which pitted a shooter from seven of the eight teams who fired against goalies and the clock.

Mark Guthier of Ottawa and Kemptville's Brent Evans tied in the number of goals scored, but Guthier used less time to score his goals and wound up the Rangers' Shoot-Out Champion.

Ault's took a 2-1 first-half lead on the Hydro and held on to win the final games by that 2-1 margin.

Geoff Summers' unassisted goal gave the Whalers a 1-0 lead at 13:35. Hydro tied it up when their game MVP, Todd Findlay, scored from Dave Tait at 8:35.

Jamie Utman then hit for what would prove to be the winning goal at the 7:05 mark. Curtis McMillan's pass set up the big goal.

Ault Foods opened the event with a 6-3 victory over Chesterville. The Whalers led 4-1 at the half. Al McLean led the charge with two goals and one assist. Don 'Bud' Simpson notched a goal and set up two others. Steve Sullivan netted a goal and drew one assist. Curtis McMillan and Dan Dubois each scored once. Jamie Utman, Don Fawcett, Dennis Sullivan and Doug Duncan with two, earned assists.

Al McLean was named Ault's game MVP.

Andy Windsor earned MVP status and scored along with Todd Kirkwood and Pat Lafranie.

The Whalers and the Winchester Capitals hooked up in a real shootout in the semi-final round.

Caps led 3-1 early in the first half, but the Whalers tied it up 3-3 at the break. Whalers' MVP Dan Dubois' fourth goal of the game with 7:35 left in the contest, stood as the winner in the 7-6 victory.

Dennis Sullivan, Don Simpson and Al McLean each scored once. Pete Marriner (2), McMillan (3) and McLean (2) helped out on the goals.

Pat Moran netted two for the Capitals. John Ralko, Dwayne Fawcett, Steve Dillabaugh and Earl McBean fired in singles.

Capitals had opened with a 2-0 victory over Russell. Tom Armstrong got the shutout while Kevin Moore and Steve Plummer netted the goals.

Hydro reached the final game defeating Kemtpville 5-2 and eliminating Boucks Hill 5-2.

Bill Mullin scored three and Ed Gove twice against Kemptville. Terry Barkley drew three assists for the winners.

Jeff Johnston then hit for two goals in the 5-2 decision over Boucks Hill. Ed Gove, Terry Gove and Bill Mullin notched the others.

Russell dropped its first game 2-0 to the Capitals but rebounded to win the consolation prize. They eliminated Chesterville 5-3 and then took out Kemptville 3-2 in the B division final.

Russell MVP Wayne Burke scored two of his team's three goals in that game. Chris Laviolette scored the other one. Kemptville MVP Dave Valcour and Kevin Byrd recorded their team's goals.

Kemptville made the B final losing their first game 5-2 to Hydro and then eliminating Ottawa 13-8. Boucks Hill had drubbed Ottawa 9-1 in the first round. Scott Corden and Al McNairn each scored three goals for the Boulders in that game.

Got you covered

Winchester Capitals' defenceman Mike Armstrong squeezes Ault Foods' Al McLean out of the goal crease during a semi-final game in Saturday's Hallville Rangers' Industrial Tournament. McLean had three goals and six points for the champion Whalers.

Nestle's Midget B Demons end pre-season schedule

WINCHESTER — North Dundas' (Nestle Canada Ltd.) Midget B Demons completed its six-game pre-season test with a tie and a loss over the weekend.

Saturday in Maxville the Demons dropped a 3-1 decision to the NSG A's and Sunday battled the Kemptville Midget A Royals to a 1- 1 draw.

The Demons opened their regular Upper Canada Minor Hockey league slate Monday (Nov. 7) in Westport against the North Leeds North Stars and will host the Metcalfe Mustangs in their home opener this Sunday (Nov. 13) here in Winchester at 5:30pm.

The Midgets' home games have just recently been switched to Winchester from Chesterville and will be played Sundays from 5:30pm until 7pm.

Demons' coach Bernie Harper said his team held a wide edge in play in both contests on the weekend, using effective breakout patterns and crisp passing in the offensive end but, "the scoring drought continued, we just can't finish our plays."

He said the club continued to show great self-discipline in spite of the rough play.

Brad Cotnam gave the Demons a 1-0 lead on the Kemptville A Royals when he scored from Gerry VanKessel at 3:44 of the second period. Kemptville finally beat Billy Zyrmiak with 8:56 left in the game when Pat Poirier made it a 1-1 final.

Chad Benoit and Brad Cotnam filled in for missing forwards and did a creditable job, according to their coach. Harper also said Cotnam and Tony Holmes played super games and were on the puck continuously.

Dave Harper, who led North Dundas in pre-season scoring with six goals and three assits in six games, notched the lone goal for the Demons in their 3-1 loss to NSG. He scored from Jason Kennedy at 10:10 of the first period.

North Dundas was without several players and had just one forward line intact and three regular defencemen available for duty. Bantam A Demon Craig Smith helped out on defence and Dave MacDonald led the blueline crew with a solid game.

Harper explained that his team had the play but couldn't score. "Just couldn't finish around the net."

He felt his team showed class and self-discipline by not taking retaliation penalties against the aggressive NSG squad.

Osgoode aims for OFSAA

OSGOODE — If the Osgoode High School Panthers' volleyball team is going to go to the provincial championships, this is the year they must do it.

Panther coach Russ Katt has groomed his squad all year and he is hoping that the team will peak as they open up the National Capital Athletic Association playoffs tomorrow at Sir Wilfrid Laurier High School in Ottawa.

"We will have to win that one and then get by Woodsworth if we want to go to OFSAA this year," Katt said after an exhibition match against the Osgoode Township High School alumni team Friday. "We went to OFSAA as an 'A' school last year. This year we are classified 'AA' and it will take a lot more work."

The Panthers placed sixth in the Carleton Board of Education 'A' Pool. Although they struggled through parts of the regular season, the team put everything together for tournament play, winning the championship at tournaments in Renfrew as well as their own tourney in Metcalfe.

Laurier, Woodsworth and Osgoode are vying for the berth in the 'AA' OFSAA championships, and the playoff structure worked out in a way that they will face each other in NCSSAA play.

"The winner of our match Thursday will play Woodsworth. The winner will not only go to the finals, but also to OFSAA," Katt explained.

Although they only placed sixth, Katt feels his club is much stronger than that. His Panthers had second-place Woodsworth down 8-3 in the fifth and deciding game of their match two weeks ago, but the Warriors fought back to win the game and the match.

"We have the potential to knock off both teams and that will be our goal for the playoffs," Katt said. "We lose five of our six starters after this season, so we're going to have to do it this year."

Among those gone will be setter Brad Stromm and hitter Alistar Russell.

"Alistar has really improved his game over the past year. His defence and blocking have come a long way and his serving has been excellent. He is also a powerful spiker."

The winner of Tuesday's semi-final game at Woodsworth will likely face Colonel By High School for the championship. Colonel By has breezed through the season undefeated and is currently the number-one ranked 'AAA' team in Ontario.

Rockland Nats shoot down luckless Flyers

CHESTERVILLE — Chesterville Arena scoreboard wasn't fair to the Junior 'C' Flyers Friday night.

At game's end, it read 15-2 for visiting Rockland Nats, defending league champs, but for more than the first time this season, the final score wasn't an accurate indication of the evening's proceedings.

"No, it wasn't a 15-2 game," said Rockland coach Bob Fairfield, whose league-leading Nats own a six-wins, one-loss, one-tie regular-season record. "But that's the way this team is (Rockland). We seem to get goals by the bunches."

One bunch, in particular, sunk the Flyers. Leading 6-2 late in the second period, Nats scored four times in 59 seconds to up their advantage to 10-2.

On the surface, the outburst altered the complexion of the game from a relatively-close, territorially-even hockey game to a rout. But when both clubs retreated to their dressing rooms at intermission, the shots-on-goal totals were even. At game's end Flyers had been outshot by just a 44-36 margin, but outscored by 13.

"We were right there with them every period," analyzed Flyers' manager Pete Van Kessel. "We just seemed to run out of legs at the end of the period. We were carrying the play in the second right before they got those four quick goals. Those really hurt," Van Kessel continued.

The sequence leading to the game's opening goal was a microcosm of the entire night's action. Three Flyers' forwards swarmed around a loose puck in the Rockland crease area but couldn't convert the opportunity. Nats' defender Andre Charlebois was able to clear the puck out of harm's way up to Luc Lavictoire, who crossed his own blueline and spotted an open Marc Julien charging up the centre line. Julien received Lavictoire's pass, skated into Flyers' territory and unleashed a low drive that found its way into the corner just inside the post.

The pattern was to repeat itself all night long; near miss on the Rockland net as Flyers were unable to work free for quality shots, goals at the Chesterville end when swift Rockland forwards were able to move in and release high-percentage shots.

"We're missing a guy who we can count on to put the puck in the net, to score on those chances," said Van Kessel. "But it will really help when we get Jerrold (overage veteran Boulanger, still serving a suspension from the end of last year) back in the lineup.

"I just hope the players don't get frustrated because it's going to take a while. But I really believe we are going to be a good team. If we can get all our players out regularly, I think by Christmas we will come together and be a pretty fair team."

Winless Flyers (0-5) were minus six regulars for Friday night's game.

Rockland coach Fairfield says he can sympathize with what the Flyers' organization is going through this season. "Every team goes through periods like this. I understand that it's hard to accept losing like that, but you have to remember that not too long ago, Chesterville won it twice in a row (Flyers EOJCHL champs 1984-85, 85-86). They're rebuilding right now just like we'll be rebuilding next year.

"It will take time and it will take patience. But I hope they stay with it, I hope they stay in the league. They had winning teams before and they'll have winning teams again," said Fairfield.

But Fairfield adds he's got problems of his own, albeit of a different nature, to worry about. "There's a lot of pressure in Rockland for us to repeat. It's like Montreal (Canadiens), you can't lose."

He is, however, confident of his team's chances of reaching the promised land once again. "This year's team is very strong. Everybody from last year's team is back except for one (Mario Charlebois, who has graduated to assistant coach)."

Fairfield says with four strong lines receiving similar amounts of ice time, it's sometimes difficult to keep everybody happy, but adds thus far "as a team unit things have gone well."

"We're a skating team. We need lots of room," says Fairfield, indirectly referring to his club's only loss of the season, a 7-6 setback against North Stormont 86's Oct. 20 in the cosy confines of the Finch Community Arena.

He sees the 86's as one of the major obstacles to a repeat championship. "They like the small ice surface they have there, but we're a skating team and we'll do better against them on our own rink," Fairfield predicts.

So far the Nats have had no problem putting the puck in the net, racking up a total of 76 goals in seven regular-season games (yes, that's an average of 10 a game).

In Friday's win, Jean Maisonneuve led Rockland's offensive assault with three goals and three assists. Marc Julien checked in with a hat trick of his own and one assist.

Andre Charlebois (four assists), Michel Brunet, Stephane Payant, Daniel Vinette (one assist), Marc Rousseau (two), Joel Marcotte (three), Eric Laviolette (2), Luc Lavictoire (two) and Daniel Perrier all scored singles.

Also picking up helpers was Stephane Boulanger, Marc Goumand and Jean-Marc Vinetre (two each).

Nats led 4-1 after one period and carried a 10-2 lead to the third, adding five unanswered final-frame markers.

Raymond Sherrer scored Flyers' first goal with his club trailing 3-0 in the first and enjoying a powerplay opportunity. Brian Brown's point shot was kicked out by Nats' netminder through a maze of bodies and skates littered in the crease area to Sherrer who backhanded the puck into the open right corner.

Charlie Bilmer was also credited with an assist on the goal.

Bilmer was in on Flyers' second goal, in the second period, releasing a point shot that was re-directed into the net by Brian Brydges. The goal came on a powerplay with Flyers down 5-1.

Chesterville was back in action Sunday night in St. Isidore and lost by a similar 15-2 count, this time to the Eagles.

Eagles, who led 2-1 after one and 6-2 after two periods, erupted for nine unanswered third-period goals. Michel Charron led the birds' attack with five goals.

Pascal Joanette scored the game's first three and ended with four goals on the night.

Clayton Armstrong and Ken Byers replied for the Flyers.

Flyers have two home games this weekend. They host Clarence Township Beavers Friday night (9pm) and welcome Embrun 72's to the Chesterville Arena Sunday afternoon. Game time is 1pm.

Leeds win in first period

WINCHESTER — The North Leeds North Stars blew open the North Dundas (Seaway Valley Pharmacy) Atom A Demons home-opener here Monday night, scoring four first-period goals.

The visitors led 4-0 after a period and were up 6-0 before the Demons managed their first goal with 1:58 left in the second period.

Stephen Henderson scored both North Dundas' goals, cutting the team deficit to 6-1 with 1:54 left in the second stanza, and making it a 6-2 final, scoring with 54 seconds left in the game.

Jason McDonald helped out on both goals. Jamie Hyndman assisted on the first and Adrian Pancirov on the second goal.

John Skodyna paced the North Leeds' attack with three goals and one assist.

North Dundas' goalies Darryl Holmes and Chris Scott faced 18 North Star shots. The Demons put nine shots on their opposition's net.

Former Hawks lead town teams to victory

WINCHESTER — Peter Marriner and Darrell Shelp led their respective clubs to Winchester Town Hockey League victories here last Tuesday.

The former Winchester Junior B Hawks teammates held the hot sticks as the CountryBoy Blazers and Country Kitchen Canadiens rolled up victories in last week's doubleheader.

Marriner fired in three goals and drew two assists leading the CountryBoy Blazers to a 7-3 win over the Tri-County Windows Raiders.

Shelp stayed two points ahead of Marriner in the scoring race with his two goal, two assist effort in the undefeated Canadiens' 7-2 decision over the Aqua Fun Flyers.

Shelp has eight goals and five assists for a league-leading 13 points in five games. Marriner has five goals and six assists for 11 points.

Country Kitchen still leads the standings with nine points. CountryBoy has five, Aqua Fun four and Tri-County Windows two.

CountryBoy roared into a 3-0 first-period lead on Tri-County Raiders and goalie Dan Hogaboam was enjoying a 5-0 lead when he was finally beaten for a goal. The Blazers led 6-2 after two and skated on to a 7-2 victory. The win snapped a two-game losing streak.

Pete Marriner gave the Blazers a 1-0 lead, scoring from Ken Quaile at 9:26 of the first period. Wally Vandekemp netted the first of his two goals scoring from Marriner and Marty Little at 1:32. Dick Christie then used a series of manoeuvres out in front of Dave Hutt before making it a 3-0 game at the three-second mark. Al Van Bridger and Keith McGriskan helped out on the play.

McGriskan then hit from Christie and Van Bridger with 4:26 left in the second frame to increase the lead to 4-0. Wally Vandekemp then upped it to 5-0, connecting from Marriner and Ken Quaile at 3:46. Tom Kirkwood finally cracked Hogaboam's shutout snapping in a feed from Al McLean and Don Crowder at the three minute mark.

Marriner's second goal upped the Blazer lead to 6-1 at 2:22. Marty Little and Barry Meeks drew assists on the play.

The Raiders closed the gap to 6-2 when Dave Coleman connected from Barry Fawcett with just 23 second left on the clock.

Barry Fawcett flipped a loose puck in over Dan Hogaboam's shoulder at 11:54 of the final period halving the Blazers' lead to 6-3 but that was as close as the Raiders could get.

Pete Marriner made it a 7-3 final recording his third goal on a play set up by Wally Vandekemp with 6:32 left in the contest.

CANADIENS AGAIN

Country Kitchen Canadiens romped to their fourth straight win draining the Aqua Fun Pool Flyers 7-2.

League sharpshooter Darrell Shelp led the way with a two-goal two-assist effort.

Dillabough nets five

LEITRIM — Gayle Dillabaugh scored five goals and Lesli Ransome supported the cause with five points as Metcalfe skated to an 11-6 exhibition win over Gloucester's Tween A squad here on Sunday.

Samantha Smyth made her season debut in the Metcalfe nets and turned in a good effort in the victory.

Metcalfe hit for goals at the 11:00 and 10:00 marks and worked their way into a 3-2 lead by half-time.

Metcalfe outgunned Gloucester 8-4 in the second session and held on for the 11-6 victory.

The winners used crisp, accurate passing and fast breakouts to double their opposition's offensive production.

In addition to Dillabaugh's five goals Metcalfe received two from Lesli Ransome and singles from the sticks of Joanne Korteweg, Melanie Leroux, Kim MacDonald and Stephanie Smyth.

Ransome (3), Korteweg (3), Leroux (2) Kim MacDonald (2), Shauna Flichel (2), Melanie Hamilton (2) and Daphne Belleville all collected assists.

Atom A Demons tie NGS in exhibition outing

FINCH — Adrian Pancirov scored the tying goal here Saturday as the visting North Dundas (Seaway Valley Pharmacy) Atom A Demons battled back to tie NGS 3-3 in an exhibition game.

North Dundas led the host NGS squad 2-0 after the first period but found themselves tied 2-2 after two periods. Danny Bozormeny gave NGS a 3-2 lead when he scored at 11:26 of the final frame.

North Dundas scrambled back for the 3-3 tie when Pancirov took a pass from Stephen Henderson and buried the puck in the twine at the 8:10 mark.

Chris Scott and Darryl Holmes shared the Demons' goaltending duties.

Pancirov also scored North Dundas' first goal, hitting on a play set up by Jason MacDonald at 14:40 of period one. Warren Holmes' unassisted goal with 3:58 left in that frame gave the Demons a 2-0 lead.

North Dundas has played four pre-season games to date, including Saturday's 3-3 tie. Friday they dropped an 8-0 exhibition decision to the Cornwall Royals. On Oct. 18 Pancirov netted the only goal in a 5-1 loss to the Russell Warriors.

Stephen Henderson and Jason Ross picked up assists on the goal.

Steven St. Pierre scored two of Russell's five goals. Peter Berman, Dave Cote and Steve Lapierre notched the others. Shane Epps drew three assists.

North Dundas' lone win was a convincing 6-0 win over Kemptville on Oct. 24.

Holmes and Scott shared the shutout while Adrien held a red hot stick shooting in five goals. Geoff Hardy had the other marker while Ryan Filion and Warren Holmes each earned an assist.

The Seaway Valley Pharmacy Demons are coached by Lester Holmes and his assistant Murray Hyndman. Dick Henderson is the manager and Glen Ross the trainer.

The lineup includes - Darryl Holmes, Jason Ross, Jamie Hyndman, Warren Holmes, Mark VanDelst, Wes McLeod, Adrian Pancirov, Geoff Hardy, Ryan Swerdfeger, Chris Young, Stephen Henderson, Jason MacDonald, Ryan Filion, Ryan Holmes, Chris Scott.

Copland scores hat trick

WINCHESTER — Tylor Copeland scored three times, leading the North Dundas (Lannin Lumber Mart) Senior Novice Demons to a 3-2 Upper Canada Minor Hockey League victory over the Kemptville Royals here Sunday.

The victory left the Demons undefeated after two league encounters. North Dundas opened the campaign last Friday in Russell where the Warriors came back to tie them 2-2 with two third-period goals.

Kemptville took a 1-0 lead in Sunday's encounter when Kevin Patterson beat Robbie Desormeaux on an unassisted play at 13:50. But the Demons came back with the equalizer at 12:45 when Copeland hit for his first goal, on a pass sent his way by Sam Ault.

Copeland made it 2-0 scoring unassisted at 6:16 of the second period. He then made it 3-1, converting a Brock McBain relay into his third goal at 5:13 of the final frame.

Kemptville closed the gap to 3-2, scoring their final goal with just 1:05 left on the clock.

North Dundas led the home-town Russell Warriors 1-0 after a period of Friday's UCMHL contest. Tylor Copeland hit on a pass from Brock McBain in that period and then Mike Casselman scored from Sean Williams, late in period two, to make it a 2-0 contest.

Russell roared back to tie it up on a pair of third-period goals by Travis Wilkie who netted the tying marker on an unassited play with 1:30 left in the game.

Novice Demons blank Russell

RUSSELL — Goalie Kevin McLeod played perfectly between the pipes here Sunday backing the North Dundas No. Two Demon squad in a 3-0 Upper Canada Minor Hockey League Novice win over the Russell Warriors.

Dave Trude put the Demons up 1-0, scoring from Justin Gravelle at 8:45 of the first period.

Gravelle made it 2-0, scoring unassisted at 13:40 of period two.

Matthew Carkner completed the scoring when he hit for an unassisted goal at 5:35 of the final frame.

In another UCMHL Novice encounter on Saturday in Chesterville the Laprade Photo Demons skated to a 6-2 decision over the Hardy Seeds Demons in an all North Dundas affair.

The Laprade Demons led 2-0 after a period and were up 4-0 after two periods.

Hardy Seeds finally cracked goalie Kevin McLeod's armor with a pair of late third-period goals. Wes Ross and Stephen Hardy ruined McLeod's shutout. Chris Stobo earned a lone assist.

Trevor Walker paced the winners with three goals. Morgan Dillabough had one goal and one assist. Justin Gravelle and Matthew Carkner popped in a goal each.

Pee Wees drop two games

SMITHS FALLS — North Dundas' Pee Wee A Demons dropped their second consecutive Upper Canada Minor Hockey League contest here Sunday.

The home town Bears led the Demons 4-1 after a period of Sunday's game and were up 6-1 after two frames as they rolled to a convincing 8-3 victory.

Saturday in Brockville the home town warriors scalped the Demons 7-0, posting period scores of 2-0 and 6-0.

Mark Millward led Brockville's attack scoring three times. Jeff Wright posted the shutout.

Phillip Brisebois, Shawn Steinburg and Jason Desormeaux scored North Dundas' goals in Sunday's 8-3 loss here in Smiths Falls.

Steinburg, Mike Spear, Danny McLeod, Brendon Bumbaco and Ryan Buske all drew assists.

Tim Scott and Denis Desormeaux shared the goaltending duties.

Steve McMullen scored three times for the Bears.

Tween B's trim Gloucester

RUSSELL — Jodi Mulligan and Krista Benson each potted three goals as their Metcalfe Tween B team trimmed Gloucester's Petite AA squad 12-5 here on Saturday.

Mulligan and Krista Benson each scored three first-half goals and Karri Strom turned in a big effort in her first game as goalie in the one-sided win.

Metcalfe bounced into a 4-0 lead and were up 6-3 by the half.

Mulligan and Benson each scored three times for the winners. Amy Dalgleish and Michelle Savoie popped in a pair each while Jennifer Clost and Janice Isaac scored single goals. Mulligan, Isaac, Heather Myers, Sophia Craig, Chantal Counsineau and Tammy Godwin all earned two assists. Leanne Reaney and Krista Benson picked up one each.

Kerri Fearnehough scored all three of her team's goals as Metcalfe came out on the short end of an 11-3 National Capital Region Ringette League loss to Ottawa I. The winners led 6-1 at the break.

Julie Korteweg earned assists on all three goals while Kristina Ziegler and Rebecca McCooeye helped out on a goal each.

The Tween C will travel to Cumberland this Saturday for a 9:00am game against Cumberland.

The same day (Nov. 12) the Tween Bs will host Hull in Metcalfe at 6:00pm.

FOR REEVE
IN
WINCHESTER TOWNSHIP
ELECT
COUSINEAU

A sincere thank you goes out to all the ratepayers of Winchester Township for their continued support over the past 10 years. In this campaign for reeve I offer you a great deal of accumulated experience, which this position requires at both Township and County levels. The following are a few examples of that experience.

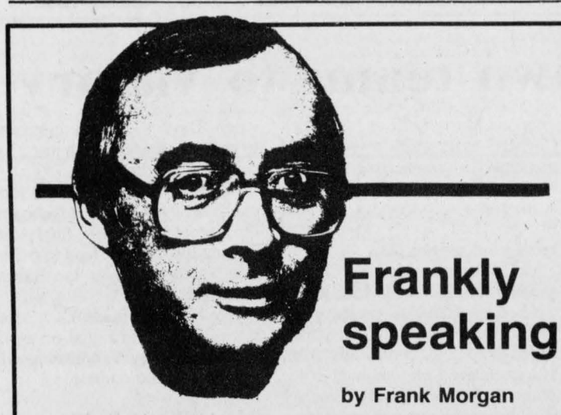
AT WINCHESTER TOWNSHIP LEVEL:
- 2 terms as Trustee, Police Village of Morewood
- 4 years as councillor
- 6 years as Deputy-Reeve
- Past Chairman Land-Fill Site Committee
- Past Chairman Township Recreation Committee
- Faculty member and Deputy-Chief of Township Fire Dept.
- Chairman of the Township Minor Variance Committee
- Member of the Township Community Centre Board
- Vice-Chairman Grenville-Dundas Waste Management Waste Plan
- Founding member and part President of the Morewood Recreation Association

AT THE UNITED COUNTIES OF STORMONT, DUNDAS & GLENGARRY LEVEL:
- 6 years Counties Councillor
- Elected Chairman of the Counties Social Services Advisory Committee
- 1 year appointed to the Saint Joseph Village Hospitaliers Board of Management
- Past Chairman Mutual Fire Aid Association
- 2 year term as Chairman St. Lawrence Estates Nursing Home
- Served 4 years on the Counties Personel Committee
- Elected Chairman of the Counties Roads and Bridges Advisory Committee

If successful in this election I would be Chairman of Finance in 1989 and ultimately Warden of the United Counties in 1990, 20 years since our Township was so honoured.

On November 14 elect a man with many proven leadership skills at both levels of municipal government. A man with many years of accumulated experience, a man with a strong record of community service and a man with a firm commitment for serve the ratepayers without favour or partiality.

LET'S ALL GET OUT AND VOTE!
One more ADVANCE POLL - November 10
From 10 A.M. till 8 P.M. at the Township Office on Hwy. 43
ANYONE NEEDING TRANSPORTATION TO THE POLLS CAN CALL 448-2233
Sponsored by the Committee to Re-elect Claude Cousineau



Frankly speaking

by Frank Morgan

DOWNTOWN AREA STILL EXPANDING WITH TASTE

I guess that you could say that the centennial did a lot for our downtown area. In fact, you would not know the place from what we had a couple of years ago. The new sidewalks, the planters, the flowers and the trees, to say nothing of the corner park, were nothing short of a miraculous facelift that drew raves from the many who viewed it with pride. Then there was the facelifting of so many private homes and businesses as the decorating pitch flourished. Now that the flowers have gone and the fall has drawn its cold, grey fingers across the landscape, one would expect that the past glory would start to fade, but not so. Just look around and see what has happened even in the last few weeks. The beautiful facelift at the CountryBoy did not end their expansion. Now Joel and Ronda have added a new Country Loft to their growing business. On up the street, past the newly-decorated Sutton's Beaver Block and the newly-rebuilt Biccum and McIntosh corner, we see a beautiful new facelift which really did wonders to the Furniture Loft. Just this week, the masons have added a new front to the Bank of Montreal and this morning we see new windows being installed at Annable's quaint little jewellery and gift shop. We still look with pride at our new drugstore complex and of course, we could not help mentioning Julia's ever well-decorated windows. Further down the street we have the newly-opened Fawcett's Heritage House of Gifts which we toured on the weekend before the official opening. Roy and Shirley have retained the unique warmth of one of our older landmarks and filled it with unusual type gifts which are displayed for viewing in a museum-type setting, well worth a visit. Further down the road stands one of our older buildings, the Hitsman home recently purchased by the accounting firm of Ward Mallette who, we are most happy to say, are turning the home into offices but still leaving the old home's warmth and original design untouched and this is much appreciated by the town folk. Yes, we are still on the move in town from our two new bake shops and our rejuvenated grocery store on up and down the streets and the pride is still showing. Congratulations to our Chamber of Commerce and all of the people involved in making our little town a place to be proud of. We can hardly wait to see the look as this Christmas season approaches.

ANOTHER FULL WEEKEND

This weekend starts early with the 4-H banquet slated for this Thursday night. On Friday, the Raiders' broomball team have the hall for their annual fall dance. On Saturday a private wedding party, and while this is going on in the upstairs area, things are still full-swing down on the ice surface. The Hawks play a home game against Brockville on Friday night and we are happy to report that the Hawks are on the move with their win over Alexandria and a tie and win in two real good games against Kemptville on the weekend. Still a couple of players on the injury list but the team is starting to jell and well worth your while taking in a game. We again remind you that this is the last week of ticket sales for the Chamber of Commerce big appreciation centennial wind-up party so do pick up your tickets and plan to join in the night of fun, while expressing your thanks to a well-deserving group of organizers who did so much for us all over the past busy year.

Print, Lions deadlocked atop standings

SOUTH MOUNTAIN — Kyle Marriner's goal came with 18 seconds left in the game and pulled the Mountain Lions into a 5-5 Mountain Township Floor Hockey League tie with Winchester Print, here at Nationview Public School Monday night.

In the evening's other contest Kelly Weedmark's third goal of the game lifted South Mountain Electric to a 4-3 win over the Mountain Township Fire Department Smokies.

After two weeks of action, Lions Club and Winchester Print are tied with three points each. SM Electric now has two and the Smokies are still looking for their first point.

Lions Club led Winchester Print 2-1 after a period of play on goals by Janet Adams and Kyle Marriner. Jamie Roderick set up both goals. Shane Nichol replied for the Print scoring from Steve Bossel.

Lions fired in two more goals in the second period and led 4-3 after two frames, but a pair of third-period goals put the Print up 5-4 and forced the Lions to roar back with a last-minute goal, to save a point and give them a 5-5 tie. Marriner deadlocked it, scoring with 19:42 showing on the clock.

Marriner led the Lions' offence with two goals and two assists. Janet Adams netted two and Bryan Petersen one goal. Jamie Roderick earned one assist.

Shane Nichol and Shari Crummy hit for Print goals at 9:04 and 12:24 of the third period to put their team ahead. Nichol scored two goals while Crummy, Jeff Berube and Andrew Torrance hit for singles. Steve Bossel and Torrance assisted on a goal each.

Mountain Township Fire Department Smokies ripped into a 3-1 first-period lead on SM Electric on a pair of goals by Jason McSheffrey, who connected at 2:10 and again at 3:31, and a single by Daryl Stewart who made it 3-1 at the 17:49 mark, but couldn't manage another goal as they dropped a 4-3 decision.

Kelly Weedmark scored three consecutive goals bringing the SM crew back for a 4-3 win. Weedmark scored at 13:36 of the second and twice in the third period (6:09 and 13:54) to give her team the 4-3 victory.

Rebecca Comfort had the other goal and one assist to complete SM's scoring summary.

Jason McSheffery led the Smokies with two goals and one assist. Daryl Stewart fired in the other goal and Jeff Adams drew one assist.

Metcalfe Novice teams drop pair

METCALFE — Metcalfe's Novice teams came up empty in Novice B and Novice C National Capital Region Ringette League games recently.

Here on Saturday the Novice B girls received a four-goal effort from Melissa Lauder but came up short losing 11-9 to Cumberland.

On Halloween the Novice C team was scarce in the goals department losing 4-0 to Leitrim.

Only Leitrim's excellent goaltending prevented Metcalfe from coming out on top of this encounter because their offensive unit of Sara Ross, Heather Sabey, Courtney Kelly, Angele Regimbald, Carrie Scharf and Julie Scharf had plenty of opportunities to break the game open.

Metcalfe's goalie Rachel Hains made some outstanding stops in her net and received some strong support from defenders Celine Regimbald, Rebecca Sproule and Michelle Martin but couldn't prevent Leitrim from hitting for four goals.

Leitrim scored two goals in each half with Kiran Grover netting two, Megan Neilson and Chantal Lane one each.

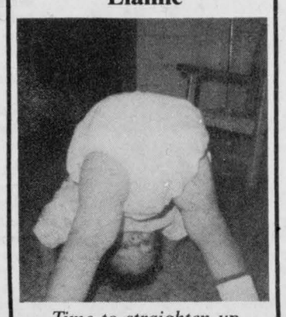
Melissa Lauder scored four times for the Metcalfe B team but it wasn't enough in their 11-9 loss to Cumberland.

Jessica Lawrence and Sophie Nizman fired in two each while Melissa Heeley add a single.

Angela Thompson earned three assists for Metcalfe. Jessica Lawrence, Chelsea Miller and Sherri Brind'Amour all collected two helpers. Sophie Nizman picked up one helper.

Metcalfe fell behind 4-0 in the first six minutes of play and were down 6-4 at the half. Metcalfe managed to scratch their way into an 8-7 when Lauder scored with 8:44 and 7:30 left to play but they couldn't hold on to the lead.

Happy Sweet 16th on the 16th Lianne



Time to straighten up Skunk!

Bell pots tying marker

CORNWALL — Winchester's Scot Bell rang up a very big goal here Saturday night as the Cornwall Royals battled back from a 4-2 deficit to tie the undefeated South Ottawa Canadians 4-4 in an OD-MHA Midget AA contest.

It was the Royals' third game in five days and snapped a two- game losing skid. Last Tuesday in Ottawa, Cornwall was hammered 13-2 by the Ottawa West Golden Knights. The Knights scored four goals on a major penalty and eight powerplay goals as they routed Cornwall. Winchester's Dennis Ouellette had a goal while Chris Van Bridger and Bryan Helmer earned assists in the loss. Jason Warner had the other goal.

Last Wednesday night here in Cornwall the Gloucester Rangers defeated the Royals 7-3, winning their second game of the season.

Rangers opened up a 1-0 lead in the first minute but the Royals tied it up before the first period was over when Denis St. Jean connected on a three-way play.

Jason Warner jammed in a Dave Lavergne rebound at 12:19 of the second period to give Cornwall a 2-1 lead. But the Rangers grabbed a 3-2 lead before the second period was over.

A four-goal blitz early in the final frame put Gloucester ahead to stay. Craig Villeneuve netted the Royals final goal finishing off a play started by Marner and St. Jean.

TIE GAME

Saturday's come-from-behind effort against the undefeated league-leading South Ottawa Canadians helped ease the memories of the early losses.

One line took care of the scoring as Winchester's Scot Bell and Derek Brannan combined with Finch's Dave Lavergne for all four goals.

Brannan opened the game with a goal and added one assist.

Bell came through with the tying marker with just 12 seconds left to play and Royals' goalie Stu Bougie on the bench in favor of a sixth skater.

Lavergne netted the second and third Cornwall goals as they charged back from a 4-2 deficit to tie the game at four.

Denis St. Jean and Morrisburg's Dave Serviss set up Bell's tying goal.

This week the Royals take on Massena in an exhibition tilt and the Hull Olympics in a league game.

Petites cruise to 11-4 win

OSGOODE — Kandie Perron came up with a seven-point game here on Saturday leading the Metcalfe Petite As to an impressive 11-4 National Capital Region Ringette League victory over Cumberland.

Anna Soubliere also played a key role in the win, scoring twice and assisting on three other goals.

Metcalfe stormed into a large 8-3 half-time lead and cruised to their 11-4 win.

Carrie Mondoux and Becky Service opened up a 2-0 Metcalfe lead before Cumberland's Cheryl McDonald was able to score. Anna Soubliere and Kandie Perro upped the lead to 4-1 before Cumberland netted their second goal. Metcalfe dominated the final seven minutes of the opening frame as Perron scored twice and Soubliere and Mondoux each scored once to enlarge their team's lead to 8-3 at the half.

Erin Lachance scored her first two goals of the season and Jennifer Prescott added another as Metcalfe ran their total to 11. Cumberland scored their fourth and final goal when Sarah Hunt beat Amy Nesbitt with 1:12 left to play.

This Saturday the Petite As will host Clarence here at the Osgoode Arena in a 4:00pm contest.

This Sunday, Nov. 13, Metcalfe's Petite B squad will host Rockland in the Russell arena in a 6:00pm contest.

Bantam Demons cage Bears

SMITHS FALLS — Matthew Giles kicked out everything the Smiths Falls Bears fired at him here Sunday, backstopping the North Dundas Demons to a 2-1 Upper Canada Minor Hockey League Bantam A victory over the Smiths Falls Bears.

Andrew Hay was the lone sniper to fire a puck behind Giles as North Dundas rode a two-goal offence to the exciting 2-1 victory.

North Dundas hit for their goals in the first period and then held on for the win.

Jeff Hyndman found net with a blast at 6:59 of the first period. He was set up for the shot by Cory VanDelst and Mike Singh.

Peter Decooman then netted what would prove to be the winning goal, when he completed a play started by Singh and Kevin Williams at the 5:50 mark.

North Dundas took eight and Smiths Falls 13 minor penalties in the rugged contest.

This year's edition of the Bantam A Demons is coached by Ray Barkley. Members of the teams are Matthew Giles, Trevor Barkley, Craig Smith, Jamie Kennedy, Derrick Holmes, Mike Singh, Shawn Backes, Peter Decooman, Jeff Hyndman, Jason Ouellette, Aron Sherrer, Cory VanDelst, Kevin Williams and Troy McNaughton.

Vikes, Runners post OT victories

WINCHESTER — Morewood Vikings and Toyes Hill Roadrunners pulled off exciting overtime victories here Sunmday night as the Winchester and District Broomball League presented its weekly four-game card.

Morewood scored four times in the final 1:06 of their game as they charged from a 2-1 deficit to defeat the Prescott Road Knights 5-2 in OT.

Toyes Hill Roadrunners snapped a 2-2 overtime stalemate with the Newington Knights and went on to a 3-2 decision. Both losing teams received a bonus point for reaching OT.

The evening's other two games ended in shutouts as Dunbar Panthers whitewashed the Ormond Cloverdales 5-0 and Russell's Magnum Force whipped the Winchester Raiders 6-0.

Dunbar holds a slim one point (13-12) lead over Morewood atop the "A" Pool standings. Russell's Magnum Force has 11 points and Ormond seven. The "B" Pool's front runners, Prescott Road and Toyes Hill, also have seven points. Winchester with three and Newington with two complete the points picture.

Toyes Hill took a one-goal lead on Newington when Perry Dewan put a Brian Melenhorst pass into the 'Ton's net at 9:44 of the opening stanza. That goal held up until Mike Allard scored from Chris Lemery at 18:28 of the second half to deadlock the game at 1-1.

Paul Vriend gave the Roadrunners a 2-1 lead scoring from Bill Steele at 5:03 of the second half, but the Knights stormed back and tied it up with 53 second left on the clock. Larry Daye connected from Allard to make it a 2-2 contest but seven seconds later the Hill's Erik Petersen scored from Mervin McCormick to hand the Roadrunners a 3-2 victory.

Morewood Vikings took Prescott Road Knights out 5-2 in overtime, scoring four times in the final 1:06 of play.

Vike's Vince Cousineau started his five-point night scoring the game opening goal on an unassisted play at 23:49 of the first half. Glen Petersen then tied it up 1-1 scoring from Stephan Rawlings at 13:09.

Rawlings scored what appeared to be the winning goal (2-1) for Prescott Road with just 1:57 left on the clock, but Morewood charged back with four goals, stealing an impressive 5-2 win.

Brian Como scored from Vince Cousineau and Mario Quenville to tie the game up 2-2 with 1:06 left to play. Cousineau won it, connecting on a pass from Quenville with 47 seconds left. He hit the open net again at 34 seconds and then combined with Quenville to set up the fifth and final marker at 25 seconds. Gerald Eby dented the twine for that last goal.

Terry Colligan posted the shutout for the Dunbar Panthers as they ran to a 5-0 "A" Pool victory over the Ormond Cloverdales.

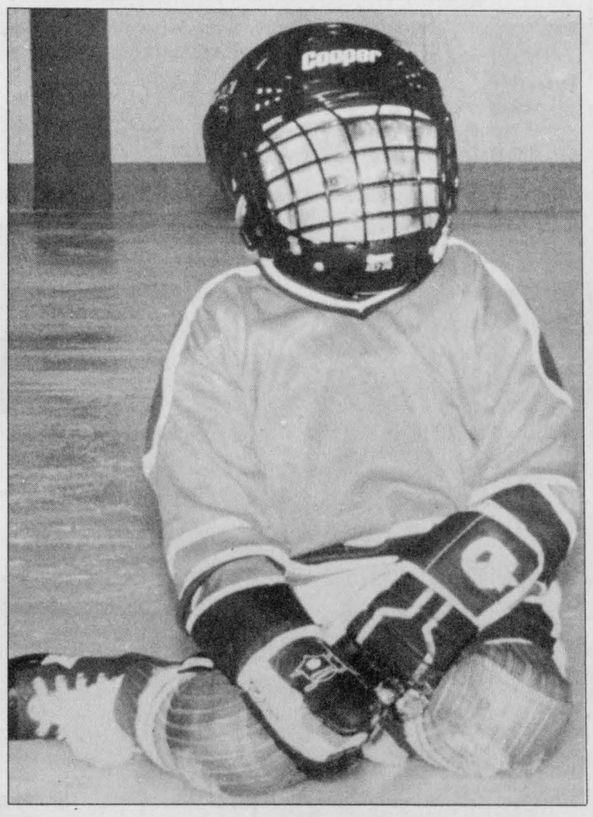
Larry Gallinger was the Panther's scoring machine firing in four of his team's five goals. Ray Lepine netted the other one and drew two assists. Craig Cullen also earned two assists.

Panthers led 2-0 at the half.

John Rystephanuk posted the evening's other shutout blanking the Winchester Raiders 6-0.

Rystephanuk got his offensive support from six shooters as Paul Bols, Frank Bols, Steven Bols, Jim Pennock, Lucien Proulx and John Corvenelli all found net. Steve Bekkers and Steve Bols picked up assists.

Magnum Force led 1-0 at the half. They blew the game wide open with five goals in a 15 minute span.



Time out

Six-year-old Robbie Brannen takes a breather from Saturday's torrid hockey action at Winchester Community Centre.

Press Photo—Day

Cochrane drops two straight

OTTAWA — Bryan Cochrane and his McVey Insurance Service's rink watched their Metro League record drop to a win and two losses as they suffered through a pair of one-sided losses here last week.

Dan Hamilton trimmed the Russell foursome 9-1 and then Bruce Delaney trimmed them 7-1 in a four-end decision.

"We were behind early in both games and couldn't recover," explained Cochrane.

The skip said there are four or five teams standing with one win and two-loss records so he feels his rink isn't too badly off yet, "but if we curl like that (two losses) it won't be good. But we are still in pretty good shape."

The McVey team will curl in Metro League action next Wed., Nov. 16, against Jerry Shore.

On Nov. 18 they will begin play in the Red Anderson Bonspiel hoping to qualify for the Regionals and a berth in the Tankard.

Pee Wee Cs off to impressive start

RUSSELL — Jason Sloan scored two goals here Sunday, leading the North Dundas (Winchester Automotive) Demons to a 3-1 Upper Canada Minor Hockey Pee Wee C League win over the Russell Warriors.

The win was the third in four games for North Dundas who defeated the Metcalfe Mustangs 3-2 on Saturday, lost 6-4 to Kemptville I last Thursday and blanked Metcalfe 1-0 on Oct. 29.

Sloan scored North Dundas' first goal from Dave Dauphne and then rounded out the attack hitting from Clayton Bowman with 7:52 left in the game. Barry Bell netted the Demon's winning goal scoring from Kyle Marriner and Brett Hillis at 5:57 of the second period.

Paul Brennan lost his shutout when Russell's Neil Rogers scored from Mike Connelly and Pat Mueller.

Saturday in Metcalfe North Dundas led the Mustangs 1-0 after a period and were tied up 2-2 after two periods. Jason Coons netted the winning goal when he scored from Brett Hillis with 4:48 left in the game.

Kevin McConnell scored the Demons' first goal at 8:17 of the first period and Barry Bell hit for the second at 13:09 of period two. Jeramy Rutley set up McConnell and Kyle Marriner helped out Bell.

D. MacDonald and C. Nizman replied for Metcalfe, scoring in the second period.

North Dundas trailed Kemptville 1-0 after a period and 3-1 after two. They rallied for three third-period goals but fell short 6-4.

Clayton Bowman led North Dundas with two goals. Craig Arsenault and Kevin McConnell each fired in one goal while Dave Dauphne and Jason Sloan picked up assists.

Paul Brennan earned the shutout on Oct. 29 as North Dundas nipped Metcalfe 1-0. Scott Verhey's unassisted goal at 9:20 of the second period accounted for the scoring.

The Winchester Automotive Demons are coached by Elwood Coons and include - Paul Brennan, Jeramy Rutley, Brett Hillis, Randy McLeod, Kyle Marriner, Barry Bell, Craig Arsenault, ClaytonB owman, Jason Coons, Gerald Crowder, Jason Sloan, Kevin McConnell, Chris Stewart, Dave Dauphne and Scott Verhey.

Canadiens upset Leafs 11-4

METCALFE — Bruce Kerfoot scored three times and added one assist, leading the Bradley Computax Canadiens to a one-sided, 11-4, Metcalfe Town Hockey League victory over the league-leading Dan Morris Equipment Leafs.

In Sunday's other match-up, the fourth-ranked Wichers Construction Bruins surprised the second-ranked Mike's Restaurant Hawks 5-3, picking up their second win in eight starts.

Leafs lead the circuit with 11 points. Hawks have 10, Canadiens seven and Bruins four.

Canadiens and Leafs battled to a 2-2 first-period stalemate but the Habs pounded in six second-period goals as they surged into an 8-2 lead after two periods. They cruised through the third and on to an 11-4 win.

Kerfoot paced the Canadiens with three goals and one assist. Bill O'Brien had two goals and two assists. Paul Nooyen earned four assists.

Jeff Stanley picked up a goal and two assists, Rob McVey a goal and one helper, while Blake Morrison, Mike Foubert and Marc Cousineau each found the net once. Mike Preston, the winning goaler, Doug Reaney and Mike Roqueburne, all earned single assists. Brian Wynn was chief engineer setting up three goals.

Dave Vanderydt, Larry Shields, Leo Campbell and Wayne Howison all scored for the Leafs. Mike Miller (2), Howison, Ron Flanagan, Mike Stanley and Steve Wade all collected assists in a losing cause.

SECOND WIN

Wichers Construction Bruins skated to its second win of the season, knocking off Mike's Hawks 5-3.

Barry Scott and Fred Zlepnig gave the Bruins a 2-0 first- period lead. Doug Hicks hit at 14:51 of the second period to make it a 3-0 lead. Erin Franey and Terry Larose cut the lead to 3-2, replying for the Hawks at 13:55 and 4:11.

Barry Rivers increased the Bruins' edge to 4-2, connecting at 7:04 of the third only to have the Hawks' Pete Nooyen slice the difference to 4-3 with 2:40 left on the clock. But Fred Zlepnig hit the empty net with 37 seconds left, to ensure the Bruins victory.

Brian Kerfoot posted the win while Pat Lloyd, Neil Quinn, Bob Dewan, Willis Stevens, Zlepnig, Rivers and Kevin Downey all picked up assists.

Pierre Carriere, Terry Larose and Pete Nooyen each had an assist for the Hawks.

Novices blank Clarence Creek

METCALFE — Melissa Lauder scored six of her squad's 12 goals here Saturday leading Metcalfe to an impressive 12-0 National Capital Region Ringette Novice B victory over Clarence Creek.

Metcalfe led Clarence 4-0 at the half and exploded for eight goals in the second half as they steamrolled to their second victory at the Novice B level.

Amanda Lawrence posted the shutout in her squad's big victory as she also received plenty of defensive help in zone.

Melissa Lauder showed the way with her six-goals and one- assist effort. Jessica Lawrence contributed five points to the cause scoring two goals and adding three assists. Sheri Brind'Amour had a four-point game scoring two goals and collecting two assists. Sophie Nizman added three points to the total with a goal and two assists. Angela Thompson also hit for three points with three assists. Chelsea Miller gained two points on a goal and one assist. Melissa Heeley collected two assists. Danielle Norris completed the scoring picture picking up a single assist as each member of the team figured in the scoring.

Metcalfe did not take a penalty in the match. Clarence was assessed one minor.

Morrisburg takes flag trophy

SOUTH MOUNTAIN — Morrisburg scored a dramatic 7-6 overtime victory here on Oct. 27 to capture the 1988 Dundas County Junior boys public school flag football championship.

Morrisburg nipped the host Nationview Public School Reds on converts after a five minute overtime session failed to break a 6-6 tie. Nationview missed two convert attempts but Morrisburg made good on its second attempt as quarterback Mark Shaver hit Jonathan Saunders with the winning pass.

Adrian Pancirov gave Nationview a 6-0 lead after the finalists had played through a scoreless first half. Morrisburg sent the game into overtime when Shaver nailed Jason Rice with a long strike. The receiver hauled in the pass and scampered in for the tying TD.

Morrisburg dropped their first game 12-7 to Chesterville but rebounded with a 24-6 victory over St. Cecilia's and an 18-7 decision over the Inkerman Rockets.

Nationview looked championship bound entering the final game with wins over Inkerman, Dixons Corners and Winchester showing on their record.

Morrisburg's tying touchdown in the final 10 seconds of regulation time dashed any hopes Nationview had held for earning the flag football championship trophy.

Oldtimer lob league possible

WINCHESTER — Anyone interested in playing in a 35-years-and-over lob ball league here in Winchester next season, is urged to register at Don's Top Valu Gas Mart anytime.

Don Billings says at least three teams are ready to form a 35- and-over division in the Winchester Lob ball League and anyone interested in joining should sign up now.

He would like to see just how much interest there would be in an oldtimers' league.

Players 35-and-over, contact Don Billings at Don's Gas Mart.

Bantams nip North Stars

WESTPORT — Colin Cotnam scored the game-winning goal here Sunday as the visiting North Dundas Demons edged the North Leeds North Stars 4-3 in the Upper Canada Minor Hockey League's Bantam B opener.

The game was tied 1-1 after a period and even at 3-3 after two frames.

Cotnam won it when he scored on a play started for him by Bob Lafontaine, with 11:00 left in the game.

Darrell Bloom netted North Dundas' first-period goal scoring from Colin Cotnam and Kent Young.

Young then hit from Lafontaine and Greg Thompson at 13:28 of the second period before he assisted on Scott Curran's goal at 12:47. Cotnam also drew an assist on that goal.

The Bantam B Demons are coached by Russ Bell and his assistant Ray Sherrer. Brad Pringle and Jason Wagner handle the goaltending duties. The skaters are Cory Fluke, Tim Freeland, Greg Thompson, Jason MacIntosh, Jerry Gibson, Denny Raistrick, Colin Cotnam, Jason Ibbetson, Darrell Bloom, Bob Lafontaine, Kent Young, Greg Bell and Scott Curran.

Peddle leads with 4 goals

WINCHESTER — Harvex Huslers capped a two-win week here Sunday morning with an 8-2 Oldtimer's exhibition win over Morewood.

Bob Peddle led the way with a four-goal effort. Don Marcellus, Phil Lyall, Butch Oldford and Brian Simpson each scored single goals.

Larry Stewart, on a break away, and Mike Teirney ruined Kevin Baldwin's shut-out bid scoring late in the game.

Friday night in Cardinal the short-staffed Huslers recruited Don Mabo and John Kolf from the Iroquois Oldtimers and then skated to an 8-5 win.

Iroquois stormed into an early 3-1 lead on three consecutive goals by Doug ''Minnow'' Byers, but Harvex rallied, thanks to four goals by Don Mabo, to win the game. Bob Peddle and Richard Gilmer split the other four Harvex goals.

Drewery Demons win home opener

WINCHESTER — North Dundas' Drewery Pontiac Demons launched their home season on a successful note here Monday, skating to an exciting 1-0 ROMEKS Intermediate Girls Hockey League victory over the South Grenville Generals.

Prior to the contest, team sponsor Rosalind Drewery presented the team with their new North Dundas Demons' sweaters.

Shealyn Summers posted her team's first shutout while Joy Roach scored the winning goal, converting a goal-mouth scramble set up by Catie Clapp and Angie Rainey at 12:40 of the second period. Numerous end-to-end rushes by captain Stacey Berry just failed to add to the Demons' lead.

The victory follows a one-sided 12-0 loss to Charlie's Angels in Morrisburg last Thursday. Camille McInnis scored five times for the winners. Krista Casselman added three, Tanya Mabo two and Valerie Robinson and Kathyrn Houze one goal each. Linda McGee registered the shutout.

Sutton's bowling

TUESDAY NIGHT

Old Hawks win

WINCHESTER — Winchester Old Hawks got goals from three different shooters here Sunday morning, as they skated to a 3-2 oldtimers' exhibition victory over Williamsburg.

Steve 'Bear' Johnston posted the victory working Winchester's nets in place of Bob Carkner.

Don Swerdfeger, Don Griffith and John Sloan netted Winchester's goals, firing pucks behind Ed Riddell.
