Two-time champs

The North Dundas Atom "B" Demons showed off their 2008 Pembroke Regional Silver Stick championship banner prior to Friday's (Nov. 14) Winchester Jr. "B" Hawks game against the Char-Lan Rebels. It was the second consecutive Silver Stick victory for the North Dundas Atom "B" Demons. Darren Stitt (back left), this year's Hawks bench boss, coached the North Dundas Atom "B" Demons to the Silver Stick title in 2007. Owen Guy, Zach Poirier and Dillon Clemen played on both Silver Stick winning teams. Coach Tom Mellean will take this year's champs to the 2009 International Silver Stick Tournament in Sarnia in mid-January. See page 16 for team photo. Press Photo — Van Bridger

Winchester man leaves rollover scene, struck by car

OXFORD STATION — A Winchester man was hit and killed by a car on Hwy. 416 after apparently leaving the scene of a rollover on Sunday (Nov. 16) night, OPP said.

It was reported that Henry Jefferson Green, 39, rolled his Grand Cherokee Jeep into the east ditch of Hwy. 416 between the exits of Oxford Station Road and County Road 44. It appeared that Green left the scene, and was struck and killed by an oncoming northbound car.

Police received complaints around 9:45 pm that a Grand Cherokee Jeep was driving erratically on the westbound lanes of Hwy. 401, and later on the northbound lanes of Hwy. 416.

Officers found the Jeep rolled over, but the driver was not in the vehicle and, according to OPP Const. Cathy Lindsey, officers searched the area for "almost an hour."

While searching, police were approached by a 59-year-old man from Thornhill driving a Honda Accord who said that he had struck a pedestrian south of the rollover scene. It was reported that the driver was shaken up and suffering from minor injuries from a broken windshield.

The investigating officers found Green's body on the median shoulder in the northbound lane 700 metres south of the rollover around 11:15 pm.

It was determined that alcohol was not a factor in the car-pedestrian collision and no charges are pending, reported Lindsey.

The incident happened in an area of the highway where visibility is poor at night, she noted.

"Do we have a scenario where he jumped out in front of the guy, or do we have a scenario where he was hit accidentally?" said OPP Sgt. Morris Gould, who was quoted in the daily media. "Maybe he died as a result of his injuries from the rollover. We don't know."

The northbound lanes of Hwy. 416 were closed until 3:50 am Monday as officers investigated the two accidents.

A post-mortem examination was scheduled for Tuesday at the Ottawa Hospital's General campus.

At press time, police were waiting on examination details as they continued their investigation.

The driver of the Honda was transported to Kemptville District Hospital by ambulance, where he was treated for minor injuries and later released.

Green lived in Winchester with his girlfriend Celina Helmer and her three children Richard, Rachel, and Robin.

Double carport with workshop space at the rear and a big back yard with mature trees. Extra second floor space available for adding a possible en suite too! MLS 708801 $114,900

Metcalfe gone to the monsters, film production underway

METCALFE — A travelling carnival has stopped in a small town and one of the sideshow freaks — a half-animal, half-devil creature — has escaped from his cage and started inflicting horrific revenge on the citizens.

The story seems to be set in a nightmare, but it is happening right now in Metcalfe.

For the last couple of weeks, the village's downtown has been transformed into small-town Reliance, Neb., for the filming of the science-fiction, made-for-television movie, Carny.

"The little village of Metcalfe will be fantastically entertained during the month of November," said producer Nancy Boucher. "Not only will our film crew descend on Metcalfe, but we are also re-creating an authentic 1930's carnival thanks to Carnivale Lune Bleue. The carnival, complete with a vintage ferris wheel, circus tents, and amusement booths, will be the main set where our sideshow of a gentle giant, a leopard woman, and a two-faced man takes place. It will be an unforgettable show."

The movie is about the monstrous sideshow attraction of a travelling carnival and stars Lou Diamond Phillips as the sheriff of the town. The movie features the backdrop of the 1930s-inspired Carnivale Lune Bleue, whose creator Wayne Van de Graff introduced to the area this past summer in Kars.

In addition to the Carnivale set, many area residents have been hired as extras in the film, and local business are reaping the benefits of an increased population.

"Crew people come through the store quite often and we've had visits from cast members while they were in costume — they seem like really nice people," said Dianne O'Reilly, an employee at Metcalfe Pharmacy. "Two of our regular customers are also extras in the movie."

It was reported that Victoria Street, the main drag through Metcalfe, was closed for three blocks on the evening of Fri., Nov. 14 for filming.

"I jumped at the chance to direct a movie about freaks, set against the backdrop of a retro Carnival — an incredible visual opportunity with a compelling cast of characters," said director Sheldon Wilson.

Alan C. Peterson also stars as the greedy and murderous owner of the carnival. Domenic Cuzzocrea plays his fumbling hechman Quinn. Joe Cobden is the deputy-sheriff and Vlasta Vranais is the Pentecostal fire-and-brimstone minister, who stirs up the townsfolk against the carnival freaks and "devil." Simone Elise Girard plays the beautiful fortuneteller of the carnival who falls in love with the sheriff.

"Carny will transport the audience to a time of nostalgic carnivals — the ones we all remember as young children. Our film will not just thrill them, but hopefully scare them witless," said producer Irene Litinsky.

The haunting story is written by Douglas G. Davis. Muse Entertainment Enterprises Inc. and Brava Pictures are producing the picture for the SCI FI Channel in the U.S. and Super Channel in Canada.

Bluegrass group crosses fingers for award night

by Amanda Smith-Millar
Press staff

HARMONY — They've only been together for a little over a year, but the bluegrass gospel band SweetWater has already garnered critical acclaim and is up for some awards this weekend.

The Central Canadian Bluegrass Awards has nominated SweetWater in the best gospel group of the year category, as well as the most promising new group.

SweetWater is also set to perform at the Friday evening concert of the awards weekend at the Deerhurst Resort in Huntsville, Ont.

"It's happening fast for us," said vocalist and mandolin player Tammy Carruthers of Morewood. "I'm not expecting to pick up an award because we're up against some really good groups. But just to be nominated is wonderful."

The six-member group consists of three vocalists and three instrumental musicians. The other two singers are also local: Patricia North of Winchester and Nanda Wubs of Chesterville. Bruce Davis provides the stand-up bass, Bruce Compton plays resophonic guitar, and Bernie Coville plays lead and rhythm guitar.

All three singers are members of the Harmony Community Church, where they practice with their other band members.

SweetWater has recorded one live-in-concert album, which came out this year. According to Carruthers, the band has sold about 300 copies, mostly through word of mouth.

For more information, check out www.sweetwaterbluegrass.com.

Passport clinic Saturday

MAPLE RIDGE — For the second time in three months, SD&G MP Guy Lauzon will host a passport clinic for area residents. The clinic will run this Saturday (Nov. 22) from 10 am until 2 pm at North Dundas District High School.

Applicants must bring three things: their birth certificate; a copy of government-issued identification (driver's license or health card will suffice); and a guarantor who has a valid passport and has known the applicant for at least two years. There will be two photographers on site to take passport pictures. The passport fee is $87 and can be paid by credit card, cheque, or money order.

To ensure a quicker process, Lauzon encourages residents to print an application from www.passport.gc.ca and fill it out before the clinic.

Correction

The cutline on the front page of the Nov. 12 edition of the *Winchester Press* indicated that George Marquette laid a wreath in memory of his brothers Willis, Cecil, Clifford, Joseph, and Keith — who all died while serving in the Canadian Armed Forces. In fact, the Marquette brothers, who were raised on a farm near Ormond, were members of the Canadian Armed Forces, served their country in the Second World War, survived the conflict, and lived out their lives in their native Canada. The *Press* regrets the error.

Has Adoption Touched Your Life?

visit www.ontario.ca/adoptioninfo

If you were involved in an adoption in Ontario, you need to know about an important change to your information and privacy rights.

Effective June 1, 2009, Ontario adoption records will be opened. This means adopted adults and birth parents will be given access to identifying information from birth records and adoption orders.

If the adoption order was made before September 1, 2008, adopted adults and birth parents can file a disclosure veto to prevent the release of the information.

If you want your identifying information to be kept private, **you should file a disclosure veto before June 1, 2009.**

No contact notices are also available.

To learn more about your rights to information and privacy regarding adoption, **visit www.ontario.ca/adoptioninfo or call 1-800-461-2156 (TTY 416-325-3408).**

Paid for by the Government of Ontario.

Council will pay off share of SNC move

WINCHESTER — At the Tues., Nov. 11 meeting, North Dundas township council opted to pay its $26,318.26 share of the cost for South Nation Conservation's move to a facility in Finch, rather than debenture it over 20 years.

"We should pay — that would be my recommendation," said treasurer John Gareau, noting that over 20 years the municipality would pay more than $14,000 in interest. "We budgeted to pay a lump sum."

The funds are due the end of May, however the conservation authority requested a letter from each of the municipalities in its watershed as to how they plan to pay. The authority is also planning to apply for grants which, if received, would prompt a rebate to the municipalities.

Council notes from North Dundas

Stockpiling recyclables

Waste management director Doug Froats informed council that he and his staff have been stockpiling recyclable materials at the landfill site.

"Because of the economy ... the recyclables are bottoming right out and they're not actually being shipped," he explained, pointing out, however, that the Ontario Ministry of the Environment is exploring an option to fund municipal recycling programs.

"The MOE would like 100 per cent of recycling costs to be covered," Froats said. "Hypothetically, we'd get no money for recyclables, the program costs would be covered."

Currently, the municipality sells recyclable material for profit to offset the costs of its recycling program.

The minister of the environment is also backing tire recycling, and plans to reimburse municipalities that recycled tires, Froats explained, noting that he has already been contacted regarding how many tires the Township of North Dundas receives in its waste and where they are generally sent.

Dumpers beware

Froats said he plans to take initiative to catch people who have been dumping waste at the gates of the Mountain Landfill site, which has been closed since Oct. 31.

"It's costing us a lot to clean it up," he said, noting that if the perpetrators are caught, the municipality can attach the clean-up bill to their tax bill, or if they are not residents of the municipality, involve the police.

Roads almost done

"It's been a long, hard summer," reported public works director Arden Carruthers. "Construction season is finally coming to an end."

As of the Nov. 11 meeting, Carruthers reported that the department still had one road left to do, and that drainage work was underway.

Council authorized a tender for $50 per square metre plus GST to replace sidewalks in the municipality in the spring of 2009.

Dairyfest continues?

"It does look like we'll have a new Dairyfest," reported Guy, noting that the township is applying for festival funding from the Ontario Ministry of Tourism. "A new committee has come on board."

Guy also reported that final landscaping at the 100 Club Park will be postponed until the spring, and any concerns with work that has been completed thus far have been brought to Cornwall Gravel officials' attentions.

Wind farm application

Will 75 turbines change the skyline of county?

By Meghan Duncan
Press staff

WINCHESTER — The prospect of 75 wind turbines being installed in Dundas County sparked debate at the Nov. 11 meeting of North Dundas council.

"They're submitting an application to install 75 turbines in North and South Dundas," reported planning and enforcement director Calvin Pol. "You (will be able to) see them far and wide — they're about half the height of the CN tower."

Pol noted that while provincial policy is in support of wind farms, the current United Counties official plan doesn't allow wind farms. Prowind Canada, based out of Kemptville, is currently applying for an amendment to the official plan for a strip of land in the township, which is currently zoned "agricultural."

"I have a bit of a problem with the way they (wind farms) are designated," said Deputy-Mayor Estella Rose. "You can't get a severance (on agricultural land) for a house, and they're allowing these? Why do they have to be in the middle of the field?"

Alvin Runnalls questioned the capabilities of the planned wind farms.

"How many wind[mills] would it take to [serve] our 12,000 people?" he asked about the benefit to the population of North Dundas.

Pol said he didn't have specifics, but that those questions could be answered as the project moves forward. It is still in the application process, but approaching quickly.

"They've done the application, now we've got 180 days to get through the process," he said.

Mayor 'perturbed' with council conduct

WINCHESTER — Mayor Alvin Runnallls opened the Tues., Nov. 11 meeting of council by expressing his opinion following the multi-use trail vote that took place at the previous council meeting. "I was very disappointed with the conduct — the way we've treated these people who have worked so hard," Runnalls said, noting that "the two of us who supported the trail are farmers."

Runnalls said that the highways in the township are full of farm traffic.

"It's kind of an inconvenience, but we do put up with it because we know farming is a big part of our economy," he said. "Surely we can get along in this community."

Runnalls went on to read the procedural bylaw for council conduct to chastise councillor Al Armstrong for his conduct during the trail debate on Oct. 28.

"It shall be the duty of head of council to restrain members when engaged in debate," Runnalls read, noting that the rules are to ensure order is kept, and that it is in his authority to order someone to vacate council chambers should they not respond to the Mayor's use of the gavel.

"At the last meeting, I could have asked you to leave," Runnalls said to councillor Al Armstrong. "There'll be no give or take on that from now on."

Runnalls went on to say that he is "a little perturbed" about the entire trail situation, and that he feels the issue isn't dead yet.

"I think Martha [Link-Horvath] would like to stay on and work on this," agreed recreation and culture director Mark Guy. "[She'd like to] continue researching the possibilities."

"Do you think it's important I still work with that committee?" Guy asked. "I'll meet, work with, and help out in any way I can ... if that's council's wish."

POLICE BLOTTER

Pick pocket

CHESTERVILLE — SD&G OPP officers responded to a report of a theft on Joseph Street in Chesterville on Nov. 18 around 1 am.

The investigation revealed that an unknown male had entered a vehicle and removed the owner's wallet. The wallet contained credit cards, identification, and an undisclosed amount of cash. The male is described as tall, thin, and was wearing a brown jacket with blue sweat pants. Const. B. Meireles is investigating.

Smart thief

SOUTH MOUNTAIN — OPP officers responded to a report of a stolen vehicle on Nov. 16 around 9 am. The investigation revealed that sometime overnight unknown suspect(s) removed a 2006 white and black Smart Car from a private residence on Main Street in South Mountain. Const. J. Moores is investigating.

Assault assailant

MORRISBURG -– Officers responded to a report of assault on Ontario Street on Nov. 13 around 5:30 pm.

The investigation revealed that a 35-year-old male had assaulted a 50-year-old female and fled the scene before the officers arrived. The 35-year-old male surrendered himself later that evening and was taken into custody and faces charges of assault and two counts of breach of probation.

The male appeared in Cornwall Bail court on Nov. 14. Const. T. Lauzon is investigating.

Licensed to steal

SOUTH DUNDAS — A theft on Pigeon Island Road in South Dundas was reported on Nov. 11 around 6 pm. SD&G OPP officers investigation found that unknown suspect(s) stole a set of Ontario license plates, 397 1MY, from a parked vehicle sometime over the previous few days.

Williamsburg's Tolley Place takes shape, construction to be complete by February

by Sarah Kelford
Press staff

WILLIAMSBURG — Construction is on schedule and the rental process has begun at Tolley Place in Williamsburg.

Named after the Williamsburg Non-Profit Housing Corporation board chair, Trevor Tolley, the 20-unit complex for residents 55 and older boasts affordable below-market rent, modern décor, energy-efficient windows, new appliances, and on-site laundry and cable hookups.

"I am very gratified that they [the board] would do so," said Tolley about having the complex named after him. "It's very gratifying to me and so many other people — the board has put a lot into it. It's in a way embarrassing that it only has my name. It's very gratifying for all of us to see it here — it's a very good addition to the community."

The construction crew broke ground on July 30 and hope to have the units fully rented and move-in ready by February, 2009.

The complex consists of four buildings, each with five units; four one-bedrooms and one two-bedroom. The one-bedroom units are just under 600 square-feet and the two-bedroom is approximately 900 square-feet.

Janet Levere, executive director of the board, explained that the units are non-smoking and added that "it is not social housing, there are no rent subsidies."

South Dundas councillor Robert Gillard (left), councillor Jim Graham, director Barbara Phifer, director Joan Findlay, executive director for Williamsburg Non-Profit Housing Corporation Janet Levere, project supervisor Jeff Robertson, and board chair Trevor Tolley stood in front of one of the newly constructed affordable housing complex at Tolley Place in Williamsburg. South Dundas council, members of the board of directors, and media representatives were invited to tour the housing units.

Press Photo — Kelford

As members of the board and South Dundas council passed through the units, the number of windows and natural light, along with the maximized use of square-footage were noted.

"Dale Coleman deserves a lot of credit in this," said Robert Gillard about the contractor — Dale Coleman Construction from Avonmore. "He did an excellent job, and is still doing an excellent job."

Tolley Place has been made possible by grants received by all levels of government. Under the Affordable Rental Housing Program, certain income thresholds will be targets as part of the selection criteria.

For more information about Tolley Place, or if you are interested in renting a unit contact housing supervisor Christine Thom at 613-535-2470 or christine.thom@wnphc.ca.

Euchre winners

WINCHESTER — Green card winners at the Winchester Seniors' euchre on Thurs., Nov. 13 were Allan McMahon and Isobel Baker.

The beige card winners were Betty Holmes and Freida Armstrong.

Door prizes went to Doris Wylie and Orma Earl, who was a draw winner, along with June Armstrong.

The next euchre will take place Thurs., Nov. 27 at the Lions Hall in Winchester. There will be no euchres in December.

CHRYSLER Jeep DODGE FIVE STAR

A vision for the future

Seventy-five wind turbines in Dundas County? Sounds like an all-around success story.

The wind farms would not only generate energy, but jobs during construction and maintenance, money for those leasing their land, and a tourist attraction opportunity.

The provincial government recently helped fund the creation of a 44-turbine wind farm near Port Alma, on the shores of Lake Erie. The Kruger Energy Port Alma Wind Power Project will produce enough clean electricity for 30,000 households.

Building the wind farm created 70 jobs and workers will be hired to maintain the site. Local farmers will receive up to $300,000 a year for leasing their land. The energy generated will keep 300,000 tonnes of greenhouse gas out of the air every year — the equivalent of taking 62,500 cars off the road.

Windmills in Dundas County could be the symbol of a community coming together. The farmers, technicians, construction workers, and council all have to co-operate to make it a reality.

Luke Geleynse and his team at Prowind Canada have been working for the last two years to monitor wind capacity in Dundas County, and study the feasibility of wind farms in the area.

The company has now applied to rezone land to allow the installation of dozens of mammoth turbines.

South Dundas council has been keeping a close eye on the project that would make use of some of the Tibben Farms land in Brinston, and has shown support for Prowind and its operation.

North Dundas council spoke about the possible project on Kerr's Ridge Road at its Nov. 11 meeting. Let's hope council sees the potential of these projects, too, and doesn't throw out the chance to become a leader in green energy.

There are less than 180 days until Prowind's application for a zoning amendment is processed by the United Counties of SD&G. After years of talk and speculation, the project could come to fruition soon.

Ontario's wind power capacity has increased more than 6,200 per cent since 2003, and will likely continue to rise. By the end of 2008, Ontario will be home to Canada's three largest wind farms. Today, almost 75 per cent of Ontario's energy is emissions-free. Will we see that number rise to 100 per cent in the near future?

Renewable energy projects help ensure a cleaner, greener future. Dundas County could become the first county in Eastern Ontario to have wind farms. This could be something to put us on the map.

"Why do they have to be installed in the middle of a field?" questioned North Dundas Deputy-Mayor Estella Rose, noting that the wind farms would compromise use of the field in question for growing crops. But in a world where commodity prices are ever changing and farmers are struggling to stay afloat, perhaps farming wind instead of crops is the direction we should be headed. Soybeans aren't forever renewable, wind is.

M.D.

P.S. If a wind farm is installed in North Dundas, so too would be roads for turbine maintenance. Perhaps these roads could be considered as "walking loops" or "trails" or "whatever" that could be used by township residents as a multi-use recreational opportunity (and tourist attraction). Just a thought.

Fast food

Shopping spree winner Darlene Pepin was able to snatch up $499.68 worth of groceries after what appeared to be a well-planned, two-minute dash through Andy's Foodland in Winchester on Sat., Nov. 15. *Photo — Barbour*

Community united

Winchester Home Hardware customers raised $383.01 for the United Way of SD&G Stand Up and Be Counted campaign. Bonnie Scott (left), owner Ken Boje, and Karen Beckstead presented the funds to United Way executive director Karen Turchetto on Oct. 29. The campaign, which ran from Sept. 20 until Oct. 11, raised over $600 (over $100 more than the previous year). Home Hardwares across the United Counties took part.

Remember when...

1958

Walter MacDonald, who planned to seek re-election to Winchester's four-man council board, was re-elected chairman of the Winchester Chamber of Commerce at an annual meeting held in the public library. At the meeting, the treasurer reported that the chamber had spend $881.77 during the past year. Breakdown of disbursements included $478 for Christmas expenses the previous year including candy for children, floats, and town decorations. The chamber spent a reported $235 on road signs.

1968

Records fell as the worst snowstorm in November history hit Winchester and surrounding area. The first flurries began to fall shortly after noon and mounted in intensity throughout the day, accompanied by strong winds that reduced visibility to almost nil. Slacking off 12 hours later, it left in its wake eight to 10 inches of snow with some areas reporting drifts two feet high.

1978

The men of the Morrisburg and District Canadian Club considered allowing women into their organization. Although many of the members wanted to see the gentlemen's club remain the exclusive turf of male society for "traditional" reasons, reporter Steve Hummell said the group realized the failing membership would be significantly boosted by the introduction of females. Incorporated here in 1924, the group was, at the time, primarily a speaker's club that held five dinner meetings a year. Ladies were invited to at least one of these.

1988

Bob Kilger returned the Stormont-Dundas riding to the Liberal Party of Canada during an election. Kilger, 44, swept past his nearest competitor Conservative Eric Cameron, 29, by more than 6,000 votes. Most of Kilger's support came from the City of Cornwall.

Reader feels councillor needs to straighten priorities

The Editor:

What has happened to North Dundas councillor Eric Duncan when it comes to his priorities in township spending?

Early in October, council decided to spend $8,000 to install new interlocking brick for half a block on Main Street, west of Gladstone in Winchester. This section does not have the same foot traffic as the centre of town does.

According to the contractor, interlocking brick costs $250 a square-foot. When I approached Mr. Duncan about this, he said it had to be done. Why would this councillor think that this low-traffic area should deserve such an expense, when the sidewalks in the centre of town are in such poor condition?

That same week, Mr. Duncan chaired a meeting at the township office. The intent of this meeting was to apply for a grant to beautify the downtown core. The landscape architect that was responsible for the non-tendered contract at 100 Club Park and the Winchester Arena was also on-hand to promote new interlocking brick for this area.

Winchester has tried the interlocking brick before, and it has proved to be unsafe in winter, pricey to install, and, if maintained, has a high maintenance cost.

However, poured concrete is $166 a square metre. This is roughly 10 times cheaper, with very little maintenance. With the difference in this cost, we could have those walking loops that Mr. Duncan was promoting when he voted down the walking trails.

Another issue with this "beautification" is the corner lot at Main and St. Lawrence streets. Because of the past history of this property, there has to be a Ministry of Environment study done before the township proceeds. If this is done and passed, then the township (taxpayers) will not be liable in the future.

In the *Winchester Press* on Oct. 1, it was reported that Mr. Duncan wants to hire an Economic Development Officer — SD&G already has an Economic Development Co-ordinator in Cornwall that was recently in Chesterville showing the Nestlé property.

It is time that Mr. Duncan and council do a little research and look at increasing the township's revenue instead of its expenses. In the township office, we have a sophisticated computer system and an overload of highly paid employees who have assistants for their assistants.

In these tough economic times, council should be looking at job re-alignments and also more value for our buck when looking for grants to benefit the whole of the township.

Mr. Duncan is the first to tell you of how busy he is with work, school, council, and all the boards he is on. Maybe it is time that he re-evaluates his priorities.

Sharon Dorey

Cadet coverage needs prominence

The Editor:

Speaking as a parent, I am perturbed.

Yet again, the *Winchester Press* has chosen to ignore the contribution of youths involved in cadets at a public function.

Approximately 25 Air Force, Army, and Navy cadets participated in the Winchester Remembrance Day ceremony on Sun., Nov. 9. The Army cadets were from the Leitrim branch. The Sea Cadets are based in Morrisburg. Several 5 Cyclone Air Cadets (based in Russell) travelled from other towns to participate in the parade, some from as far as Orleans.

They stood with members of the military, police, fire department, and of course, Veterans themselves. They marched that day, not for the chance to be featured in the newspaper, but out of respect for the sacrifice their predecessors made for the freedoms we enjoy to this day. Despite this turnout, there was absolutely no mention of their contribution in the paper.

In another example, Air cadets of 5 Cyclone squadron conducted their semi-annual tag day in several communities during the month of October. In Winchester, Mike Dean's Super Food Store, Andy's Foodland, Home Hardware, Pioneer Gas Station, and Seaway Valley Pharmacy, permitted cadets to stand quietly outside their establishments for three days to run the campaign.

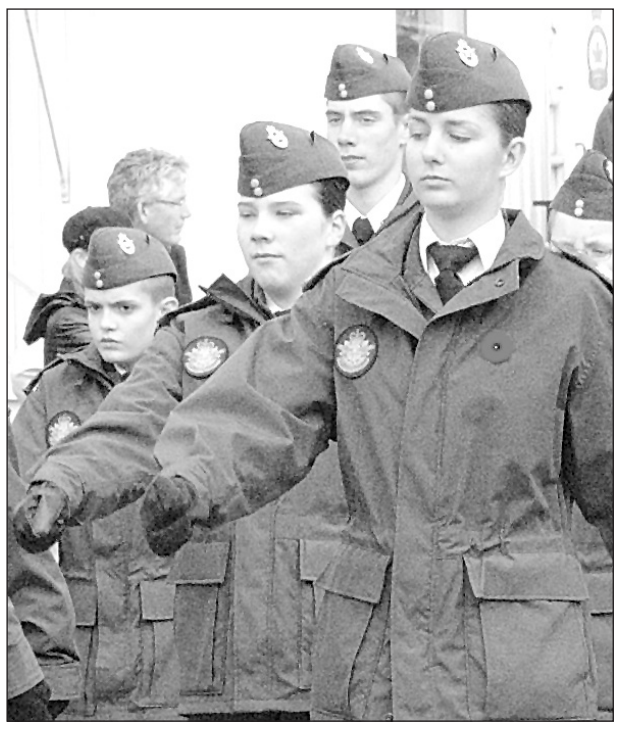
This past year, the good people of Winchester and the surrounding area contributed thousands of dollars to the campaign. Yet, the *Winchester Press* made no mention of it.

Although 5 Cyclone Air Cadet squadron is based in Russell, they count several Winchester residents among its members. Full-time military officers and a team of volunteers contribute their time to these young men and women. This program is designed to encourage youth to participate in community activities aimed at helping them develop skills that will make them better adults. This past year saw two Winchester residents earn top awards in the 5 Cyclone Air Cadets. One was recognized as top cadet in his level. The other was awarded top marksman in the squadron and went on to earn the Level 4 marksmanship (the highest level an air cadet can earn) during summer camp.

There are those who may say that these achievements are only important to those cadets and their families. The fact is, you may very well be correct. However, these achievements are no less important than those of other community groups.

How can the *Winchester Press* simply ignore the contribution of three branches of cadets in a Remembrance Day ceremony?

Louis Gaal
Winchester



Due to space constraints, not all Press *pictures can be published. Pictured here are a few of the cadets who took part in the Winchester Remembrance Day parade on Nov. 9.* *Press Photo — Van Bridger*

No-go on trail leaves reader in disbelief, opts for Kemptville

The Editor:

My first thought after the trail decision was, "my children thank you." Yes, sarcasm helps me defuse my disappointment, my confusion, my frustration, my disbelief.

I debated whether to write this letter because I do come into contact with many people in my job and thought that perhaps I should just sit on the fence and remain neutral. But as a physical education teacher, a mother, a friend, and a concerned member of our community, I just couldn't.

As a physical educator, it boggles my mind that the trail proposal was denied. Obesity, poor fitness levels, as well as other health issues are epidemic in our youth. If not for those reasons alone, why not a trail which would promote fitness for all ages?

Surely councillor Eric Duncan can attest to the poor fitness levels of some of his classmates during the dreaded "beep test."

Councillor Al Armstrong suggested that council has the control and the power to make decisions. To be honest, I truly agree with him. I do believe that council should have the power to make decisions.

Was their decision in the best interest of our communities? Absolutely not.

It is apparent that several members are not concerned with our fitness levels, long-term health, nor future economic benefits.

If the issue is money loss, as that seems to be the only concern that made any sense (council could have still supported the trail since) the committee members were only looking for verbal support, not monetary support.

They just wanted a chance to try it — an opportunity to for a beginning. A simple yes would have enabled the committee to follow through with the proposals they already have created to contact agencies who are more than willing to donate money to such a worthwhile endeavor. Instead, they heard a dream shattering that ended their chance of applying for money grants and any hope of ever having a trail in our communities.

There had to be a compromise possible: just a start, just a beginning for the future.

You may remember my letter to the editor earlier this year that thanked drivers for slowing down while our family attempted to walk, run, and bike on our roads. At times I have my children stand in the ditch as drivers speed by. We worry about the vehicles' high speeds and the gravel that is sent flying.

It's ironic that although the farm machinery is so much bigger, we aren't stressed when they pass by as they are already travelling at a slow speed and we can hear them coming. A solution for our family so we feel safe and secure is to go walking on the Ferguson Forestry Centre trails.

Yes sir, that's in Kemptville folks. And since we're there, we may as well get a bite to eat — sorry Mary's; get some groceries — sorry Andy; hit the pharmacy — sorry Wayne.

As councillor Armstrong suggested, council does hold the authority and the power. Thankfully so do the voters in the next election.

Cheryl Williams
Inkerman

Trail issue prompts more debate

The Editor:

It was with great interest that I read the article about the North Dundas trail proposal ("Council quashes corridor for the future," front page, Nov. 5). I send my highest regards to George Hollingdrake and the committee members who had a vision, which was unfortunately rejected by some council members who seem to lack any vision and try to justify their actions.

I just recently moved to Winchester from Barrhaven, which had ski trails, soccer and football fields, bike trails, and nature trails. How ironic that (these amenities are) in the city and yet in the country we cannot accommodate any of these facilities and we are located near a vast amount of unused land.

Perhaps some people do not like change and yet here is an opportunity to give some life to a small rural town and allow the residents to experience much needed outdoor physical activity.

What a perfect way of getting to know your neighbours and people in the community. Mayor Alvin Runnalls put it perfectly by saying, "we spend millions on the hospital, but we don't spend anything on keeping people out of it." That certainly speaks for itself.

Without a vision the people will perish, and it certainly looks this way for the people of Winchester. Don't wait another two years, now is the time to act!

Barb Richer
Winchester

Hawks parents can be proud

The Editor:

I would like to take this opportunity to thank the Winchester Junior "B" Hawks, along with Darren Stitt and the coaching staff of the association for inviting the Level 2 second-year North Dundas Demons initiation kids to the Hawks' game on Saturday.

Our kids were announced individually by Al Armstrong to go out on the ice, and line up with the Hawks during "O Canada." What a great moment for the kids and parents.

The Demons then had a scrimage game between the first and second periods. Four Hawks players were kind enough to come into our dressing room between periods of their own game for photo opportunities and a quick talk.

The whole Hawks team took time to high-five our kids and give them the "offical tap on the helmet" before they went onto the ice for their scrimage game. The leadership and sportsman-like attitude that the Hawks displayed toward our kids was beyond expectation and much appreciated by the players and parents.

So, to all you parents who have a child playing for the Hawks, you should be so proud of the player you have raised. Those young men really did a lot for our kids.

Special thanks to the Winchester and District Lions Club and the Hawks who made it even more special with admission to the game and a treat for each player.

Thank you again to Darren Stitt for inviting us to take part in the Hawks game, seeing the need to involve minor hockey with the Junior "B" team, and remembering we are all from the same community.

Darlene Sherrer
North Dundas Demons initiation convenor

NDDHS puts the fun back into fundraising

MAPLE RIDGE — Good food, good company, an exciting auction, and a new way to raise funds for school events.

North Dundas District High School is hosting, for the first time, the Fall Fundraising Dinner and Auction on Fri., Nov. 21 from 5 until 9 pm.

"It's so hard for students to raise money now without going door-to-door," explained administrative assistant Sue Kittle. "We're trying to do something different."

In past years, NDDHS students have followed traditional fundraising routes; chocolate was popular, citrus sales were a mainstay, and silent auctions became a creative alternative.

"In the past students have done a silent auction and lunch," said NDDHS teacher and event organizer April Richmire, adding that this year school members thought they would "try it a different way."

Funds raised in past events ensured that buses took students to various events, jerseys were available for teams, and program-extras were made available. Money is still required for these important things, but door-to-door sales have become a less favourable way for schools to raise money. Thus the idea for a community event was born.

On Friday night students from different programs will take part to make the event a success. Music and drama students will be providing entertainment. Food and nutrition students will be working hard in the kitchen. Volunteers from all programs will be acting as hosts and wait-staff.

"We've got an awesome student body right now and I'm sure the entertainment will be great," assured Kittle.

Dinner is $10 for adults and $5 for children under eight.

To end the evening, items generously donated by staff and school community members will be auctioned off at a live-auction. From one-of-a-kind crafts to beautiful works of art, there promises to be something for everyone.

Richmire explained that a former student, auctioneer Erin James, has volunteered to head the auction.

Reservations are now being accepted, as are auction items. For more information, to reserve tickets, or donate an item contact event organizers Kathi Wilson (kathi.wilson@ucdsb.on.ca) or Richmire (april.richmire@ucdsb.on.ca). Telephone NDDHS at 613-448-2328.

OSAID to launch week of sober celebrations

by Amanda Smith-Millar
Press Staff

MAPLE RIDGE — It takes a whole lot of volunteer time, donations, and white face paint, but North Dundas District High School is gearing up to pull off yet another jam-packed Ontario Students Against Impaired Driving (OSAID) awareness week. Running from Nov. 24 to 27, the annual week of events aims to discourage impaired driving amongst students, all while running some fun and memorable events.

The week will start on a sombre note Monday morning, with white-face day. OSAID volunteers will show up clothed in black and wearing a mask of white "death" makeup, representing a young person who has been killed in an accident related to impaired driving. This year, a community service officer will escort these white-faced student "victims" to their first-period class, and read a hypothetical statement about how the victim died.

"We just thought maybe that would have more of an impact on the students," said teacher Cindy Steele, who co-ordinates the high school's OSAID chapter.

Afterwards, speaker Kevin Brooks will share his story during a school assembly. Brooks killed his friend Brendan while driving drunk to a party in 2000. Brooks is now in a wheelchair and has shared his tragic story at more than 200 high schools.

"Students relate very well to him," said Steele. "It's just to raise awareness in the school and [we hope] that students ... understand his message."

Tuesday will be a more light-hearted day, as the OSAID chapter will be selling lollipops as a fundraiser. The following day, volunteers will sell "mocktails" — fancy drinks, similar to cocktails, only without the alcohol content.

"[It's] just to show that you can have great beverages without having alcohol," explained Steele.

On Thursday, OSAID is inviting the high school to BYOB — Bring Your Own Banana. The chapter will be serving sundaes and banana splits, on the condition that students provide the fruit content.

Throughout the week, students will also participate in an amazing race and shock factor-type activities.

"It's just for awareness, to get students involved," said Steele.

Happy Face gears up for anniversary

WINCHESTER — To celebrate its 30th anniversary, Happy Face Nursery School (HFNS) has put together a number of activities to raise funds and have fun.

"So many from our community have been a part of the HFNS family over the years from those who ran, taught, or attended the programs and I am just so pleased to be a part of that tradition," said fundraising director Sheila McDonald.

A family photo fundraiser is taking place Nov. 21, 22, and 23. Families can have photos taken at either the Winchester or Chesterville locations. The sitting fee is $15 with $5 being donated to HFNS. Payment is required at time of sitting.

The family photo fundraiser takes place Fri., Nov. 21 in Chesterville from 7 to 9 pm by appointment only; Sat., Nov. 22 in Chesterville from 9 am to 6 pm; and Sun., Nov. 23 in Winchester from 9 am to 6 pm.

Some packages include a Christmas card option. Packages will be available for pick up during the vendor sale and mad science show at the Winchester Arena prior to the Parade of Lights on Dec. 6.

Another Happy Face event is Santa Claus visiting the children of SD&G prior to the Parade of Lights. Families can get pictures of Santa with their children. There will be on-the-spot printing for $10, or buy two photos for $15 and recieve a third one for free. Ten per cent of all sales will go to support Happy Face Nursery Schools.

Santa will be in Winchester from 9 am until 2:30 pm during the vendors sale and from 3:30 to 5:30 pm during the HFNS Christmas themed mad science show.

Following the mad science show will be an activity table and slime sale between 3:30 and 5:30 pm. Staff will sell pizza and water and provide free crafts and face painting. The cost is $1 in advance or $2 at the door.

Happy Face is hosting an all-ages holiday dance at the Winchester Arena on Jan. 3, 2009 between 2 and 7 pm. There will be prizes, face painting, and activities. Organizers will sell food, drinks, and popcorn. The cost is $4 in advance or $5 at the door, with a family maximum of $10. Children under 18 months old are free.

For more information on any of these events or if you are interested in volunteering — especially students looking to fulfill their community hour requirements — contact McDonald at 613-774-6318.

Sugrue–Foubert

Robert Sugrue and Debbie Stocker-Sugrue of Metcalfe, Ontario are pleased to announce the engagement of their daughter Maryam to Marc Foubert, son of Ron and Louise Foubert of Metcalfe, Ontario. A 2009 wedding is planned.

Congratulations and best wishes from both of your families.

The prize is pride

NDDHS Notes
by Dara Bowie

MAPLE RIDGE — Today marks the third day of the North Dundas' canned food drive. The food drive started on Monday (Nov. 17) and will run for two weeks. As opposed to the usual class-versus-class competition, this year it is a battle between all four grades to see which one can collect the most non-perishable items.

Karaoke also started this Monday. This lunchtime intramural definitely spices up the lunch hour, whether that is a good thing or not!

Tomorrow (Nov. 19) is a day that is either feared or anticipated by students. That's right, it is report card day!

Sports teams are in the transition zone at the moment, boys' volleyball and girls' basketball have come to a close, and now girls' volleyball and boys' basketball are getting started. Make sure you pay attention to try-out times since they will be happening within the next couple of weeks for junior and senior teams.

The Fall Fundraising Dinner and Auction will take place this Friday (Nov. 21). Everyone is welcome to attend; dinner is $10 for adults and $5 for children under the age of eight. If you would like to attend, contact the school (613-448-2328) for tickets. Pasta, bread, salad, beverages, and dessert will be served, so come out and enjoy a fun night!

Carleton 4-H dairy club members Paul Patenaude (left), Craig McDiarmid (herdsman), Olivia Groniger, Chelsea Rivington, Dylan McDiarmid, Garrett McDiarmid, Jaclyn Rivington, Hugh Melenhorst, and Brad Acres finished sixth at the Royal Agricultural Winter Fair.

Carleton County 4-H places 6th in Canada

VERNON — Carleton County 4-H members competed in the Classic Canadian Junior Dairy Show in Toronto at the Royal Agricultural Winter Fair on Nov 8 to 10 and came away sixth in the country.

Seven members from the 4-H Vernon dairy club made up the team this year. Showmanship judge Ridley Wikkerink placed Dylan McDiarmid 14th out of 114 competitors in junior showmanship. Paul Patenaude placed 8th out of 139 intermediate showmen. Jaclyn Rivington placed 15th and Chelsea Rivington 17th of senior showpersons out of a class of 119.

Classic Canadian Junior Dairy Show held at the Royal

In the conformation classes, judge Larry Schirm had his work cut out for him judging more than 360 calves. Garrett McDiarmid had the 10th-place junior calf and Jaclyn Rivington placed 15th in the same category.

In the senior calf class, Brad Acres and Paul Patenaude placed second and third respectively in a class of more than 100 head. In the Jersey calf class, Chelsea Rivington placed 12th with her senior calf.

Members were accompanied by leaders Louis Patenaude, Diane Groniger, and Connie McDiarmid for the weekend and would like to thank their sponsors, who helped out tremendously with expenses.

Russell County 4-H takes best exhibit at classic

Classic team

The Russell County 4-H dairy team competed at the Classic Canadian Junior Dairy Show held at the Royal Agricultural Winter Fair and won best exhibit out of 52 teams. This is the first time an Eastern Ontario team won best exhibit. Members include: Jordan Molenaar (left), Elias Meyerhans, Jenna James, Rhea Molenaar, Julia Meyerhans, Amanda Rylaarsdam, Melissa Leduc, Eric Ross, and Sam Menard. The 4-H members posed with two members of the Toronto Police Department and Craig Bremner the vice-president of Agriculture Services at TD Canada Trust.

RUSSELL — The Russell County 4-H dairy team won best exhibit at the Classic Canadian Junior Dairy Show at the Royal Agricultural Winter Fair.

This was the first time in the 29 years of the classic that a team from Eastern Ontario took the honour.

"Our team won best exhibit out of 52 teams," said proud parent Wendy Molenaar.

There were 358 4-H members from eight provinces who took part in the 2008 classic, the largest and most prestigious youth dairy show in Canada, from Nov. 8 to 10 in Toronto.

The Russell County 4-H team included: Jordan Molenaar, Elias Meyerhans, Jenna James, Rhea Molenaar, Julia Meyerhans, Amanda Rylaarsdam, Melissa Leduc, Eric Ross, and Sam Menard.

The classic is viewed as an opportunity for Canada's dairy youth to showcase their talent and unite with other 4-H members at a world-class event.

The Russell County members appreciate the support of the new sponsors for the classic: TD Canada Trust, Kubota Canada, Semex Alliance, and Holstein Canada.

"They [the members] would like to thank the many organizations that contribute to this national junior 4-H Show, such as Ontario Holstein, ABS Canada-St. Jacobs ABC, Dairy Farmers of Ontario, Tim Hortons, Natrel, Nothers Awards, Jensen Halters, and our hosts the Royal Agricultural Winter Fair," noted Molenaar. "Our Team, would also like to thank our many local sponsors. Their generosity has truly made the classic a memorable experience for our 2008 Russell County team."

DSCIA lines up timely speakers for Dec. 4 annual

CHESTERVILLE — The Dundas Soil and Crop Improvement Association (DSCIA) will hold its annual meeting on Thurs., Dec. 4 at the Chesterville Legion.

Registration, which costs $20, will start at 9:15 am. The day begins at 9:45 am with a welcome from president Garry Brugmans.

Morning presentations will include field crop project reports by Gilles Quesnel; *Nutrient Management Act* by Phyllis MacMaster; Environmental Farm Plan by Arlene Ross; DSCIA Bus Trip Report by John Roosendaal; Ontario Soil and Crop Improvement Association Report by Alan Kruszel; and a Farm Safety Report.

At 11:30 am, the financial report, appointment of auditor, elections, and new business will be addressed.

Lunch will be held from noon until 12:45 pm and costs $10 a person. To reserve your spot, contact Eunice Johnston at 613-774-5063 or eunice@theotherplace.ca by Nov. 25.

Award presentations will follow the lunch break and be led by John DeVries. Awards include the Forage Masters Awards; High Yield Competition winners; Dundas Farmer of the Year (Eric Casselman Award); Award of Merit; Soil & Water Conservation Award; and The Innovative Farmer Award.

Two speakers will follow the awards presentations. John Gregory and Hugh O'Neill will discuss how the current financial crisis is going to affect local farmers and agriculture in general.

Gregory has spent the last 30 years with Farm Credit Corporation. He is the district director for Eastern Ontario and has held this position for 12 years.

O'Neill is the senior client relationship manager for North and Eastern Ontario with Scotiabank. He has been with Scotiabank for more than 15 years, mainly in agriculture banking.

A questions period will follow the presentations and the meeting should be adjourned by 3 pm.

Nominations for 2009 OYF due shortly

WINCHESTER — Nominations for the 2009 Ontario's Outstanding Young Farmer are due by Dec. 1, 2008.

Nominees can be an individual, couple, managing partner, or shareholder of a farm group. To qualify, the nominee must derive a minimum of two-thirds of gross revenue from farming and not have reached the age of 40 as of Jan. 1 in the year of competition.

Celebrating its 29th year, Canada's Outstanding Young Farmers' program is an annual competition to recognize farmers that exemplify excellence in their profession and promote the tremendous contribution of agriculture and rural Canada.

Demonstrating leadership in the agricultural industry, nominees are judged according to the following criteria: progress made in their agriculture career; environmental and safety practices; crop and livestock production history; financial and management practices; and contributions to the well-being of their community, province, and nation.

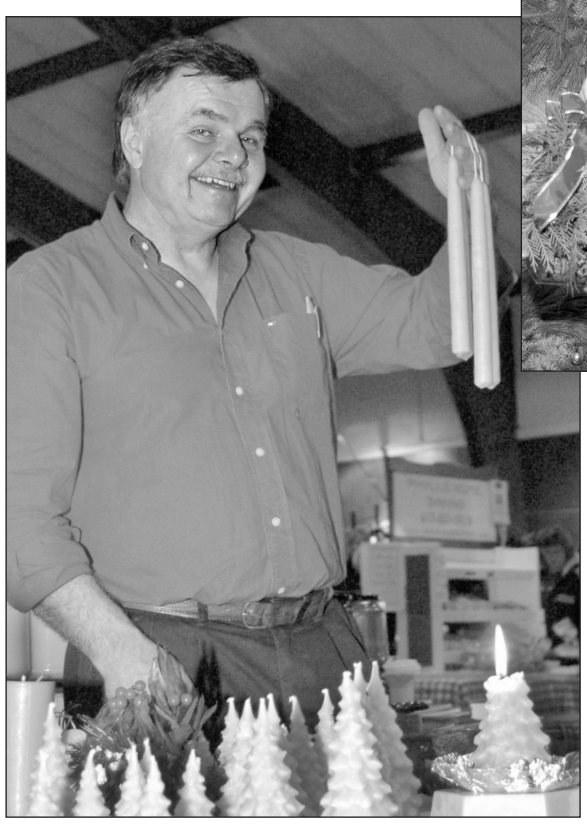
The Ontario regional event will be held at the Western Fair Farm Show on March 9 to 11, 2009.

Nomination forms are available by calling 519-836-2583 or emailing OOYF co-ordinator Karen Daynard at kdaynard@sympatico.ca.

For more information visit www.oyfcanada.com.

'Tis the season

Reeann Slater of Upper Canada Cranberries was a one-stop shop for anything cranberry — from jams to juice — at the Greely Legion on Sat., Nov. 15. Slater ran one of the booths at the annual Metcalfe Farmers' Market Christmas Sale.



Above:
The Greely Legion was the place for gift shopping on Sat., Nov. 15 at the annual Metcalfe Farmers' Market Christmas Sale. The sale featured many of the market's regulars, such as Jane Hendrikx of Meadow Greens Nursery, who displayed her homemade Christmas wreaths.

At left:
Brent Halsall from Halsall's Honey may have had the sweetest display of all at the Metcalfe Farmers' Christmas Market. Halsall showed off some of his beeswax candles.

UCW fall rally hosts Ryan's Well speaker

by Leita Foster

CHESTERVILLE — The annual Seaway Valley Presbyterial fall rally was held in Chesterville United Church on Oct. 14. It was hosted by the Chesterville United Church Women.

Registration showed 49 ladies were present. After coffee, muffins, and a visit to the bookroom, Louise Shaw and Joan McEwan opened the meeting with a warm welcome and hymns 291 and 227.

Marion Finness, the Chesterville UCW president welcomed everyone, including Rev. Wendy Wright-McKenzie. Kim Baird gave an inspirational reading from Joyce Rupp's "Circle of Life, Listening to Autum." Lois Smith's history of the church was very informative and attested to the care given to the lovely sanctuary and kitchen.

Worship by Prescott UCW was shared by Sharon Hinton and Joyce Froom, "Come to the Waters." Scripture was read from Exodus 17, and hymn 222 was sung. The offering hymn was 625.

The report on the summer event's highlights was presented by Leita Foster. Many workshops were available. In the craft workshop members made piece angels. The theme of the weekend was "pieces of our faith."

Everyone brought a piece of material with a memory, these were tied together as pieces of faith and later made into a binding for a wall hanging.

The Friday night entertainment was wonderful. Morning watch is also a very special time in the weekend.

Next year the summer event will be held at the University of Guelph, Kemptville campus on July 24-26.

Joan McEwan and Lois Johnston had several new books. Grace was sung and members enjoyed a lovely lunch provided by the Chesterville ladies.

Chelsey Lloyd from Ryan's Well Foundation was introduced by Carole McDiarmid. From her PowerPoint presentation we learned that one of six people in the world have no fresh water or proper sanitary conditions to live in. Several new projects are underway in Uganda and Kenya. We can go to Ryan's website for more information on helping and gaining awareness of the world's water and poverty issues.

It also made us thankful for the resources that we have and sometimes waste. Mavis Elstone thanked Lloyd for her presentation.

The treasurer's report was given by Leita Foster and a report from House of Lazarus was given by Louise Shaw. Courtesies were given by Ferne Richardson of Merrickville.

Morrisburg Sea Cadet wins gold

MORRISBURG — Three cadets from 338 Defiant Royal Canadian Sea Cadet Corps (RCSCC) participated in a regional orienteering competition in Cobourg, Ont. on Sat., Oct. 25.

The three cadets participated as juniors (under 15) after an intense six weeks of training with fellow corps members.

RCSCC participates in regional orienteering competition

Petty Officer Second Class (PO2) Skye Fougere, Leading Seaman (LS) Miriam Mwai, and New Entry (NE) Liam Byrne, escorted by Acting Sub-Lieutenant (ASLt) Ron Holla, participated as individuals and as members of composite teams in competitions, along with upwards of 90 other Navy, Army, and Air Cadets from all over Eastern Ontario.

Each cadet unit was permitted to send six cadets (a team) to the competition. Winning individuals and unit teams proceeded on to provincial level competitions the following week at CFB Borden, Ont.

This was the first year that 338 Defiant RCSCC participated in this competition and the cadets did extremely well. PO2 Fougere took home a gold medal, as well as the members of her composite team. Unfortunately, composite teams do not proceed on to provincials. LS Mwai and NE Byrne also did very well, achieving upwards of three-quarters of their objectives, while having fun and making new friends under challenging weather and terrain conditions.

A reminder that the cadet program is free and open to young ladies and gentlemen between 12 and 19 years of age. Our regular program runs Tuesday evenings from 6:30 until 9:30 pm and on Saturday mornings from 8:30 am to noon. Some activities may require extended times or days on select weekends.

The Sea Cadet program offers a wide range of opportunities to make new friends from across the region, Ontario, and Canada; to acquire skills relating to sailing; traditional naval competitions; safe rifle handling and range competitions; safety; leadership; citizenship; and a variety of other areas.

Special trips and social events also take place during the course of the training year. There is also a March trip planned to visit the battleship USS Salem in Salem and Boston, Mass. Most of the cadets also attend summer camps, where they earn a stipend in addition to receiving advanced training.

Tooth Fairy moves to new location

MP Guy Lauzon (left), South Stormont Mayor Brian McGillis, MPP Jim Brownell, Lori Garlough's husband Sheldon Flegg and daughter Ella Flegg (in chair) helped Garlough open her relocated dental hygiene business in Ingleside on Sat., Nov. 8.

INGLESIDE — Lori Garlough has relocated her dental hygiene business to 14705 County Rd. 2 in Ingleside. An open house took place on Sat., Nov. 8.

"I'd like people to be aware that they no longer need to go and see a dentist to have regular maintenance and cleanings, teeth whitening, sportsguards, etcetera, and can see an independent hygienist like myself for these services," Garlough said. "I've had my own clinic in Ingleside since May 2007, and now offer a complete mobile unit to visit people in their homes for cleanings — a great option for people with kids who don't want to spend hours in the dental office, or people who have a fear of the traditional dental office. The service is also great for nursing homes, hospitals, or for folks who are bedridden at home."

The mobile service currently serves clients from Summerstown to Oxford Mills. Garlough plans to expland and open a clinic in Winchester in the future.

Land, air, sea cadets form parade band

RUSSELL — This year the 5 Cyclone Air Cadets, who train in Russell, will participate in the largest mass cadet band to date on Sat., Nov. 22.

For the second year, the cadets are taking part in the Ottawa Help Santa Toy Parade. This year, all sectors of the cadets — sea, land, and air — are coming together to play for Santa.

The 2008 Ottawa Help Santa Toy Parade mass band includes over 285 musicians; a colour party carrying about 25 flags; a band guard of 33 cadets that will make sure the path is clear for the band; about 10 drum majors; and a support staff of over 30 cadets and volunteers.

This mass band will include squadrons and corps from all over the Ottawa Valley and surrounding area. The latest group to join is the Stormont 110 from Cornwall with 24 musicians.

The 5 Cyclone Air Cadets will provide musicians for the band, assist with cadet transportation, and provide a morning snack with refreshments.

Some cadets have been preparing for the parade since July. In the last month, band officers and instructors from 17 cadet units have been getting ready for the largest cadet gathering on the streets of Ottawa in a long time.

The theme for the mass band this year is: "One note — One sound." Support the cadets as they help their community and at the same time provide entertainment.

Visit www.cycloneaircadets.com for more information about 5 Cyclone Air Cadets.

Elf brings holiday magic to playhouse

World premiere of new Foster comedy set to get audiences laughing

by Meghan Duncan
Press staff

MORRISBURG — Norm Foster's roots are showing.

The playwright used his beginnings in community theatre as inspiration for his latest script — *Bob's Your Elf* — which will make its world premiere at Morrisburg's Upper Canada Playhouse tomorrow (Nov. 20).

"I think it's a terrific cast, they're very funny," Foster said, when he attended a recent rehearsal for the show. "I'm always relieved to come to rehearsal and see that I don't have to do a lot of rewrites."

Foster wrote the show in three or four months this past summer following a request last year by Playhouse artistic director Donnie Bowes for a brand new Christmas show.

"It's hard to find good Christmas shows," Bowes said, noting that almost 50 per cent of season-ticket holders purchase their tickets prior to Christmas; last Christmas, Foster's show hadn't been written and didn't have a title yet, but Playhouse regulars purchased tickets anyway.

"I worked in this theatre and I love it here," Foster said of why he wanted this show to premiere in Morrisburg. This is the fourth Christmas show Foster has penned, and will be soon published in a volume along with *Dear Santa, Ethan Claymore*, and *The Christmas Tree.*

The story of Bob revolves around the trials and tribulations of a group of folks in a small town called Thithelville, which is trying to put together an annual Christmas pageant. They end up with a strange mixture of *The Night Before Christmas,* the nativity scene, and *A Christmas Carol* all rolled into one.

Norm Foster (left) was in attendance at a recent rehearsal for the Upper Canada Playhouse's world-premiere production of *Bob's Your Elf*, which will hit the stage on Nov. 20. He is pictured with cast members Timm Hughes (back, left), Richard Bauer, Garfield Andrews, Linda Goranson (front, left), Doug Tagney, and Liz Gilroy.
Press Photo — Duncan

Meanwhile, Santa banishes Bob, an elf with an attitude problem, from the workshop and sends him to Thithelville to help with the pageant and maybe learn a thing or two about getting along with others.

Richard Bauer is taking on the title role of Bob in the ensemble piece, and said jokingly that the role helped him fulfill a dream.

"One day, I will be an elf," he commented cynically on his reason for getting into the industry.

Doug Tagney, who spent three years as a professional Santa in a mall in Alberta, will play Santa as well as hilarious and forgetful Howard Widebottom.

Garfield Andrews will play Gord Ford, the self-important and impatient director; Timm Hughes will play Les Banter, the not-too-swift stage manager; Liz Gilroy will play Amber Faircastle, a young girl plagued with a perilous alliteration problem.

New to the Playhouse stage is Linda Goranson, who will play the dim-witted and over-the-top Fiona Putzle.

"I think it's scary because we really want to do a good show for Norm, and it's the first time anybody's watching," said Goranson of having Foster in the audience during rehearsal.

"I'm waiting for notes," said Hughes, adding that it's always a challenge being the first to interpret a character.

But Foster didn't seem worried. "It's almost bang-on what I've envisioned," he said of the actors' portrayals. "I like to give the actors leeway to interpret what they want."

Andrews said that Foster's characters are always enjoyable.

"They're all a bit of a challenge — they're very unusual people," he said. "They're just fun to play."

Goranson agreed.

"They're real, but they're extreme," she said.

Foster said it's fun to watch the actors try to act badly in their attempt to portray community theatre actors.

"Everyday we laugh — it's been a lot of fun," Bowes said about rehearsing.

A dozen local school children will form a choir that will perform Christmas tunes during the show, and local students will attend the production with their classmates.

"I love school audiences — they're so honest," commented Goranson. "I remember when I was a kid seeing shows and knowing that's what I wanted to do with my life."

Foster has penned more than 36 plays, and he is known for his honest humour.

"I stumbled into it, fortunately," he said of script-writing. "I was very lucky."

The Playhouse staff is currently trying to keep up with requests for tickets to the 2009 season, and *Bob's Your Elf* is already more than 80 per cent sold out.

"It's a great family event and also a wonderful holiday party idea, whether it's an office or a social function," Bowes said. "It's great to see families — several generations — having a good time."

The show runs Nov. 20 through Dec. 14. Call the box office at 613-543-3713 to book seats.

Christmas in the valley

The Winchester Wesleyan Church's Christmas sale on Sat., Nov. 15 was one of the last opportunities for people to purchase hand-knitted articles by Jean Keyzer. She said that after 33 years of knitting, she will be setting aside her needles and yarn to pick up oil painting again.

At left:
Jewellery maker Lorraine Geggie was one of the vendors at the Christmas sale on Sat., Nov. 15. She said her unique hand-made products are available year-round at the Cass Bridge Cheese House.

Hawks knock off first-place Rebels

Licked 6-1 by last-place Lions

WINCHESTER — The Winchester Jr. "B" Hawks went on a roller coaster ride on the weekend. In two days the Hawks knocked off the top-ranked Char-Lan Rebels 3-2 and turned right around and absorbed a 6-1 licking from the last-place Morrisburg Lions. In the process Winchester dropped out of second spot in the St. Lawrence Division standings and wound up in fourth place.

There are only three points between the first-place Rebels (12-6-0-1) who have 25 points and the Hawks (10-5-1-1) who have collected 22 but the competition between the top four clubs is fierce. The Casselman Vikings (11-4-1-1) stand second with 24 and the Alexandria Glens (11-6-0-1) third with 23 points. Fifth-place Morrisburg (2-15-0-1) has five points and is currently out of the play offs.

"Losing to Morrisburg was very disappointing. Especially after we played so hard to beat Char-Lan on Friday," explained Winchester coach Darren Stitt, who said now is not the time to panic. "The standings are close and we have games in hand on both Char-Lan (2) and Alexandria (1)."

"But, we better rise to the occasion and play desperate hockey Thursday in Casselman and Friday in Alexandria," warned the coach.

Hawks 3 - Rebels 2

Chris Giczewski's second tally of the season, an unassisted PPG, gave the Hawks a 1-0 lead on Char-Lan with 50 seconds left in period one.

Storm Carrisse then opened up a 2-0 gap netting his first goal of the year finishing a power play engineered by Daryl Podolinsky and Ben Collins at 8:17 of period two. Defenceman Andrew Baker enlarged Winchester's lead to 3-0 when he cashed in a relay from Parker Davies at the 17:04 mark.

• continued on page 14

Solid effort

The Winchester Jr. "B" Hawks outlasted the first-place Char-Lan Rebels 3-2 in a St. Lawrence Division game played in Winchester on Friday night (Nov. 14). Winchester goaltender Devon Armitage blocked 34 of 36 shots, including 14 of 16 in the third period, to earn the win. Armitage denied Rebel Vince Quesnel on this second-period play. The next Hawks home game is set for Sat., Nov. 29 when the Casselman Vikings sail into town. *Press Photo — Van Bridger*

Ware named NCBL 'Batter of the Year'

OTTAWA — Winchester Sox catcher Matt Ware has been named the National Capital Baseball League's Batter of the Year.

Ware a veteran member of the Sox, received the Shane Alexander Trophy at the NCBL's 2008 awards banquet on Oct. 24. Ware and the Sox moved from Tier 2 to Tier 3 this season and finished second with a 14-9-1 record. Winchester made it to the Tier 3 final only to be swept 3-0 by the pennant-winning Ottawa Raiders.

Ware appeared in 18 of 24 league games, led the division in runs scored with (34), hits (35), batting average (.603), on-base percentage (.688) and was second in stole bases with 16. He was also nominated for the Most Valuable Player award.

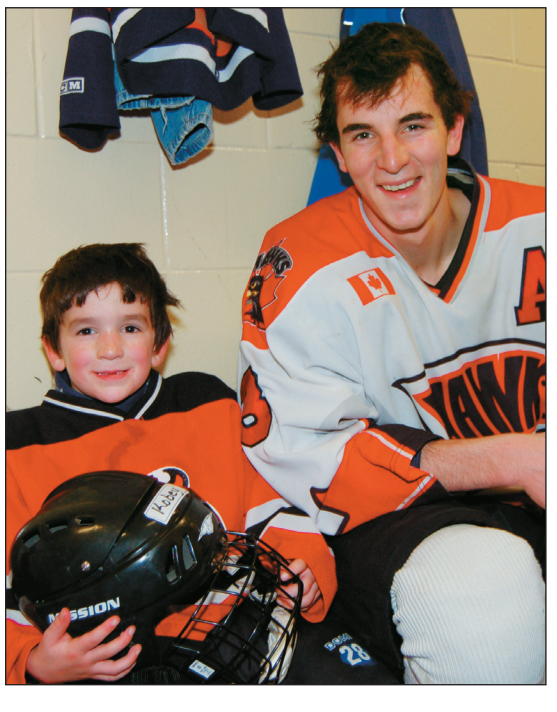
Sox pitcher Duane Rolls was nominated for the Best Pitcher award which went to Barrhaven City Chiefs hurler Chris Armstrong. Rolls put together a 4-2-0 record owned a 3.80 ERA, fired 35 strike outs and pitched a no-hitter.

Panther wins

A member of the first-year Tier 1 Winchester Panthers squad earned top honours at the same banquet.

Marc Charbonneau accepted the Kevin Levya Award as the Tier 1 Pitcher of the Year. Charbonneau was undefeated in five regular season starts and two post-season games. He compiled a minuscule 0.78 ERA.

Panther teammates Kevin Miller (.397 BA) was nominated for the Tier 1 Batter of the Year and JJ Charbonette (.405 BA, four HRs, 14 RBI) and was in the running for the Tier 1 MVP award.



Meet the Hawks

Members of the North Dundas (second year) Initiation Demons had the opportunity to meet the 2008-09 Winchester Jr. "B" Hawks on Saturday (Nov. 15). The Demons played a five-minute game between the first and second periods of the Hawks — Morrisburg Lions game and hung out with the Hawks. Hawks assistant captain Bobby Little (left) chatted with Kobey Young and captain Ben Collins (above) shook hands with Mitch Christy. Photos — Barbour

Pee Wee "B" Demons eliminated in semis at Silver Stick tourney

PEMBROKE — Three goals in the final 5:59 of the game were enough to eliminate the North Dundas Pee Wee "B" Demons from the 2008 Pembroke Regional Silver Stick Hockey Tournament.

North Dundas and the Mississippi Thunder Kings were tied 2-2 after two periods of Sunday's (Nov. 16) semi-final contest. The Kings pulled even scoring with 31 seconds left in the second stanza. The count remained tied until 5:59 was left on the clock. The Kings netted themselves a 3-2 lead and made it 4-2 29 seconds later. They then used a power play goal to drive the final total to 5-3 with 11 seconds to play in the game.

Dayton Kelly and Travis Marshall counted the North Dundas goals. Chelsey Romans, Mitchell Melenhorst, Dylan Marshall and Mitchell Fournier earned assists.

Demons coach Tom Kirkwood had his squad playing tight defence through the round robin. Goaltender Matthew Ledrew and his defenders didn't give up a goal in three games. North Dundas and Gananoque skated to a 0-0 draw on opening day (Nov. 14). On Saturday Ledrew and the Demons whitewashed the Ottawa West Golden Knights 3-0 and blanked the Embrun Panthers 2-0 later the same day.

Their 2-0-1 record put the Demons into the quarter-final round against Kanata on Sunday (Nov. 16) afternoon. Shawn Simms broke up a 2-2 tie when he scored after taking a feed from Dakota Boulanger in the second period of OT.

Round one

North Dundas followed up its 0-0 verdict against Gananoque by shutting down Ottawa West 3-0. Kelly buried an unassisted play to give his team a 1-0 lead with 1:16 left in the opening period. Travis Marshall doubled the lead to 2-0 netting a pass provided by Dakota Boulanger at 10:45 left in the final frame. Boulanger cashed in a relay from Dawson Fawcett with 7:17 on the clock and made it a 3-0 final.

Ledrew posted his third consecutive shutout in a 2-0 decision over the Embrun Panthers Saturday evening. North Dundas jumped into a 2-0 first-period lead and cruised to their two-goal win. Kelly used a play created by Durant and Melenhorst to ring up the winning tally at the 8:03 mark. Dylan Marshall increased the final total to 2-0 finishing a three-way play involving Taylor Cummins and Shawn Simms.

Paddletales palooza

Jean Marc White (above, left) listened as fishing pro Simon Lavictoire explained that this particular lure is used to catch bass in California, but that locally, it is more suited to fishing for muskie. Kevin Moberg (left) was another of the several fishing pros in attendance at Paddletales sixth annual Pilgrim Poultry Palooza and customer appreciation day on Sat., Nov. 15. *Photos — Barbour*

Playing solid defence

Bantam "B" Demons register three wins, undefeated in seven

WINCHESTER — Brandon Cousineau pegged a pair of goals and led the North Dundas Bantam "B" Demons to a 4-1 victory over the Kemptville Panthers.

North Dundas broke up a 1-1 tie when Cousineau cashed in a feed from Josh Freake with 1:02 left in the second period of the Nov. 5 contest. Colin Giberson lost his shut-out bid in the first frame as the Demons improved their Upper Canada Minor Hockey League record to 5-0-1.

Cousineau also netted his team's first-period goal. Francis Lebrun and Patrick Speagle fired in the third-period markers. Mitchell Kirkwood, Ryan Byers, Ryan Switzer, Nick Read and Freake drew the assists.

Win number six

Two days later (Nov. 7) the Demons were in Lanark to take on the Perth - Lanark Legion Wings. The visitors gained a 1-0 advantage in period one on a goal by Byers who scored from Paul Gibson at 7:26. Cousineau made it 2-0 when he finished a play engineered by Freake at 10:06 of the middle session.

Giberson had his goose egg shattered when the Wings counted their lone goal 1:43 before the final buzzer. The 2-1 verdict upped the North Dundas record to 6-0-1.

Demons 3 - Bears 1

Colton Stitt bagged a pair of markers in the Demons' 3-1 decision over the Bears in Smiths Falls on Nov. 5.

Smiths Falls were up 1-0 after a period but from that point on they weren't able to put a shot in behind winning 'tender Ryan Romans.

Stitt tied the score on an unassisted play at 5:06 of period two. Byers rang up the winning goal on an unassisted powerplay effort with one second left in the same frame. Stitt iced the win firing a Freake pass into the empty Bears cage 22 seconds before the final buzzer.

Winchester Jr. "B" Hawks Home Games
Sat., Nov. 29, 8:15 pm vs Casselman Vikings
Fri., Dec. 5, 8:15 pm vs Alexandria Glens

Hawks

• continued from page 13

Char-Lan sliced two goals off their deficit when Max Ming scored at 6:02 and Bruce Best beat Winchester starter Devon Armitage at 8:59 of the final frame.

Char-Lan out shot the Hawks 36-28.

Lions 6 - Hawks 1

Former Hawk Matt Walsh gave the Lions a 1-0 lead early in period one of Saturday's tilt.

Winchester scoring leader Ben Collins used a feed from Graham Loyst and Podolinsky to tie the score with 10:46 on the clock. It was goal number 17 for Collins.

When time ran out in the period Chris Tindal had put two shots into Michael Hitesman's net and given Morrisburg a 3-1 lead.

Tindal cracked in his third of the evening and was followed by Cory Gove who sniped his 21st and Michael Thurler who beat Hawk reliever Armitage and gave the Lions a 6-1 lead.

The final 20-minute session was scoreless. Morrisburg outshot Winchester 39-38.

"We just didn't show up on Saturday," remarked Stitt. "Everybody just went through the motions."

Two sign

The Hawks have signed a pair of 18-year-old wingers. Inkerman's Brodie Boulanger returned from a stint with the CJHL's Hawkesbury Jr. "A" Hawks and played in Saturday's 6-1 loss to Morrisburg. Storm Carrisse, who made a brief appearance with the Hawks in 2007-08, started this season with the Kemptville Jr. "A" 73s before rejoining the Hawks last week. He played in both weekend games and pegged his first goal in Friday's 3-2 victory over the Char-Lan Rebels.

Host young fans

The Hawks did some public relations work on the weekend. Prior to the opening face off on Friday night the club had the North Dundas Atom "B" Demons on the ice to show off the green banner they captured at the 2008 Pembroke Region Silver Stick on Nov. 9.

Saturday afternoon the hockey club invited the North Dundas Initiation Demons to meet the players and play a mini-game between the first and second periods of their game against the Morrisburg Lions.

"We did some community service on the weekend," noted coach Stitt. "After all hockey is all about the kids."

Slim sked

The Hawks have two games on their schedule this week but don't play at home again until Sat., Nov. 29 when the Casselman Vikings come to Winchester for an 8:15 pm start.

Tomorrow night (Thurs., Nov. 20) the Hawks travel to Casselman to take on the Vikings. Friday (Nov. 21) they move on to Alexandria to tangle with the Glens.

Stormont Selects salvage 4-4 tie on buzzer beater

North Dundas Minor Midget "B" Demons captain Peter Klein-Swormink won this draw during the second period of an Upper Canada Minor Hockey League match against the South Stormont Selects. The Selects earned a 4-4 tie in the Nov. 13 contest banging in a pair of third-period goals. Press Photo — Van Bridger

WINCHESTER — John Cleary batted a loose puck into the back of the North Dundas net with five seconds left on the clock and gave the visiting South Stormont Selects a 4-4 tie with the North Dundas Minor Midget "B" Demons.

It was the second goal of the third period of the Thursday night (Nov. 13) contest for Cleary and it came on a South Stormont power play.

North Dundas led 2-1 after a period and 4-2 after two but couldn't hold the Selects at bay during the final frame. The results moved the Demons record to 2-1-2. They are in Long Sault tonight (Nov. 19) for a rematch with the Selects and will host the Cornwall Royals tomorrow (Nov. 20) at 7:30 pm.

Adam Ross blasted a shot from the point at 5:21 of the first point and gave his team a 1-0 lead. Brent Simms and Eric Prusila engineered the play. South Stormont answered that with the tying goal by Jeremy Stang with 58 seconds left in the period. Just 30 seconds later Brandon DeJong, on a solo effort, deked his way through the South Stormont defence and slid a shot into the cage to give North Dundas a 2-1 lead.

The Selects knotted the count at 2-2 when Kurtis Winkenweder put a shot behind North Dundas 'tender Chase Beaudry at 14:39 of period two. North Dundas bounced right back and took a 4-2 lead when Jacob Luimes knocked in a DeJong rebound at 12:26 and Dylan Fawcett finished a play started by Derek Simms with 2:28 left in the session.

Cleary's two third-period tallies salvaged a point for the Selects.

Papa Gus Wings clip Flyers 7-6, Robyn Sadler nets winning shot

WINCHESTER — Robyn Sadler's third goal of the game proved to be the winner as the Papa Gus Wings nipped the Winchester Flyers 7-6.

The Wings held a 4-2 first-half advantage on the Flyers in the opening game on the Winchester Town Hockey League Tuesday night (No. 11) twin bill and held on for the victory. The third-palce Flyers (2-4-1) rallied and tied the score at 5-5 but couldn't keep the number-two ranked Wings (4-3-0) off the scoreboard and wound up on the short end of the 7-6 final.

Two of the Sadler markers came in the first half. He also picked up three assists. Troy McNaughton (2-2-4), Scott Baldwin (1-1-2), Jason Ouellette (1-0-1), Devin Kelly (0-2-2) and Mitch Scott (0-1-1) also collected points. Chad Kennedy was the winning 'tender.

Scott Reaney paced the Flyer's attack, potted a pair of goals and adding an assist. Chris "Edgar" Hart (1-2-3), Travis "Toast" Armstrong (1-2-3), Trevor Gilmer (1-1-2), Justin Morozuk (1-1-2), Marty Link (0-1-1), Adam Guy (0-1-1) and Kelly "Rubber" Beckstead (0-1-1) also contributed to the offence. Colin Ion (subbing for Chris Currie) took the loss.

Associates 6 - White Tails 2

Rob Thurler ripped home three goals and lead the top-ranked Allied Associates Green Monsters (5-1-1) to a 6-2 decision over fourth-place White Tail Construction (2-5-0) in the late game.

The Monsters led 3-1 at the break and salted the win away on a pair of late goals by Thurler.

Thurler (3-2-5), Derek Vingerhoeds (2-0-2), Matt Baker (1-0-1), Josh McRoberts (0-2-2), Brendan Cavan (0-2-2), Brad Nixon (0-1-1), Trevor Morozuk (0-1-1) and winning goaltender Colin Ion (0-1-1) all got on the score sheet.

Travis Rowe and Will McLean each rang up a goal and an assist for the White Tails. Justin Heuff and Steve Mattice each earned an assist. Jesse Whyte was in the nets.

University soccer

Sam Behm awarded OUA first team all star

OTTAWA — Winchester's Samantha Behm has been named a 2008 OUA East first team all star.

Behm is a North Dundas District High School graduate who played for the North Dundas Devils and is a second-year keeper playing on the Nipissing University squad. The social justice major received her award at the OUA final four championship awards banquet on Nov. 1.

Behm is also a member of the Canadian Military Women's National Soccer team and an assistant coach with the Russell Raiders girls U18 team.

Another former member of North Dundas Devils, Megan Klima took part in the final four tournament (Nov. 1 and 2) as a member of the Carleton University Ravens. The Russell resident is a first-year keeper with the Ravens who were defeated 3-1 by Wilfrid Laurier and 1-nil by the Brock University Badgers in the bronze medal match.

Russell's Lisa Sunstrum and the Ottawa Gee Gees also competed in the final four and earned a berth at the 2008 Canadian Interuniversity Sports National Championship in Langley, B.C., by capturing the silver medal in the OUA final (Nov. 6 to 9). The Gee Gees nipped Brock 1-nil but lost on penalty kicks to Wilfrid Laurier in the gold-medal match.

Ladies hockey league

Andy's Foodland hand WS Trucking first loss

WINCHESTER — Amy Fraser counted the game-winning goal and Kristie Wade played flawlessly between the pipes as Andy's Foodland Reds handed the first-place WS Trucking squad its first loss of the 2008-09 Winchester District Ladies Hockey League season.

Fraser finished a play started by Kathy Kerr and Cathy Lee Brookes and gave the Reds a 1-0 lead at 13:46 of the second half of Sunday morning's (No. 16) 8 am contest. Kelly Verhoeven insured the number-two ranked Red's (4-2-1) victory firing a feed from Gale Smith-Rutley and Fraser into the back of the WS Trucking (5-1-1) net.

Amy Darling converted a play created by Jane Hendrikx into the game-winning goal 5:47 before the final buzzer as the third-place Annable's Jewellery Blues (3-3-1) nipped the sixth-place Double Beauty Stylists (0-5-2) 1-0 in the 9 am match. Goalie Bev Stevens registered the shut out and Lorie Casselman suffered the one-goal setback.

Four goals

Tanya Klein-Swormink put together a five-point game and led the number-five ranked CountryGirls (2-4-1) to a 5-1 decision over the third-place Cooper Physio Pinks (4-3-0) in the 10 am encounter.

Stephanie Scott fired in the other goal as the Girls carried a 3-1 lead into the second-half. Klein-Swormink and Christine Stewart set up the Scott marker with 10:24 left in the first half.

Scott assisted on three scoring plays. Diane Downey, Anita Gilmer, Heather McDiarmid, Stewart and Klein-Swormink all collected helper points.

Sandra Cloutier's unassisted tally ruined Roxanne Backes' bid for a perfect game. Cloutier tied the game 1-1 scoring at 15:43 of the opening half.

2008 Silver Stick champs

The 2008-09 edition of the North Dundas Atom "B" Demons duplicated the achievement of the 2008-07 squad by winning the Pembroke Region Silver Stick championship. This year's champs celebrated their victory in Pembroke on Nov. 9. Showing off the prestigious green banner are: front - Cory Ross; row two (left) - Kyle Ross, Jakob Downey, Owen Guy, Zach Poirier; row three (left) - Mackenzie Johnston, Brayden Cochrane, Evan Durant, Tyson Sherrer, Dillon Clemen, Brett Lannin, Logan Holmes, Spencer Kelly; back (left) - Jeff Johnston - ass't coach, Dave Lannin - trainer, Tom Mellean - coach and Darren Kelly - trainer.

Atom House "B" Demons collect five of six points against Panthers, Bears

KEMPTVILLE — Jack Messervey took a pass sent to him by Jack VanKessel and Tristan MacGregor and turned the play into the game-tying goal. Messervey scored with 4:09 left on the clock and the North Dundas Atom House "B" Demons were able to earn a point in a 1-1 tie with the host Kemptville Panthers.

Shane Rodney tended goal for the Demons in Saturday's (Nov. 15) Upper Canada Minor Hockey League encounter.

Ray Sherrer's squad hosted the same Panther's squad the night before (Nov. 14) in Winchester and earned two points in a 3-0 victory. Joey Benoit's unassisted first-period marker proved to be the winning goal. Jack VanKessel made it 2-0 later in the period scoring from Jacob Robinson and Avery Holmes. Benoit pumped in his second shot of the game after taking a pass from Aaron Turcotte and Bayden Carr in the third period. Carr also worked the nets and registered the shut out.

North Dundas launched its three-game slate blanking the visiting Smiths Falls Bears in Winchester on Nov. 7. Rodney took his turn guarding the twine and registered a 3-2 win.

Jacob Robinson buried a Kyle DeJong pass in period one. Rhyce Sherrer turned a clearing pass delivered by Rodney into a second-period tally. Turcotte netted the game-winner finishing a play started by Drew Cotnam in the final frame.

Armstrong brothers lead Novice Demons to win over Bears

SMITHS FALLS — Joshua and Eric Armstrong combined for seven goals and paced the North Dundas Novice House "C" Demons to a 9-2 win over the Smiths Falls "C1" Bears.

Joshua cracked in five goals and Eric pumped in a pair of pucks as North Dundas tamed the Bears 9-2 on Nov. 14. The decision improved the Demons Upper Canada Minor Hockey League record to 3-2-1.

Joshua netted two and Eric a single marker in the opening period. Kody Anderson and Bradley Mclean earned assists as the Demons put together a 3-0 lead.

Defenceman Alex Butland, Kye Williams and Joshua, with two, slapped in second-period markers. Mclean drew two assists as the score inflated to 6-1.

The Armstrongs each canned single goals in the final frame and made it a 9-2 final.

Kayla MacGregor was the winning goaltender.

Demons roster

The 2008-09 North Dundas Novice House "C" Demons are: Kayla MacGregor - goaltender, Hunter Idiens - goaltender, Kody Anderson, Kurtis Mclean, Bradley Mclean, Kye Williams, Ian O'Donohue, Bridget Porteous, Eric Armstrong, Brayden Roe, Dylan Martin, Joshua Armstrong, Nathan Saari, Alexander Butland, Bradley Larmour, Doug Armstrong - coach, Cameron MacGregor - ass't coach, Tom Mclean - ass't coach, Derek Roe - trainer.

Pee Wee House "B" Demons tie Bears 2-2

SMITHS FALLS — A pair of first-period goals held up for the North Dundas Pee Wee House "B" Demons as they battled the host Smiths Falls No. One Bears to a 2-2 tie.

Brett Bartholomew converted a pass provided by Tori Corkery and Josh Beach into a 1-0 lead in the first period of Saturday's (Nov. 15) Upper Canada Minor Hockey League encounter. Jarrett Greer pumped in a relay sent to him by Patrick Lebrun and Jarret Cutler 54 seconds before the end of the period to open up a 2-0 lead.

The Bears cut the deficit to 2-1 with 45 seconds left in period one and eventually tied it up when Callum Hendry pumped in his second unassisted goal of the game 3:16 before the final buzzer.

Ryan Gruich assisted on three goals and helped the Demons defeat the Smiths Falls No. Two Bears 6-1 in Chesterville on Nov. 12.

North Dundas led 2-0 after a period thanks to goals by Braden Findlay and Greer. Bartholomew potted the lone second-period marker. Beau Baldwin, Cutler and Devon Byers cracked in the third-period tallies. Gruich (3), Spencer Carruthers (2), Brandon Dudley, Cutler and Bartholomew earned helper points.

Smiths Falls finally counted a goal 1:30 before the final buzzer.

The Demons picked up three minor penalties in the two games.

Basketball players needed, late registration to be held

WINCHESTER — Youngsters wanting to take up the sport of basketball are urged to attend a late registration and evaluation.

Prospective players are invited to attend the session at the Inkerman Public School tomorrow night (Thurs., Nov. 20) between 6 and 7 pm.

The Upward Basketball program is geared for children attending elementary school (Grade 1 to 8) and has already attracted 22 players. Pastor Tim Edwards, the driving force behind the league, explained he would like to have at least 30 players registered.

"We are starting small in our first year," said the self-described basketball fanatic. "The players will be divided into junior and senior teams and will have one practice and one game each week for 10 weeks."

The cost of registration is $75 includes a game jersey, a practice shirt, a CD and other items. Residents of North and South Dundas townships are welcome to join. There are scholarships available for those who feel the fee is beyond their budget.

Every child plays.
Every child learns.
Every child is a winner.

"It is a Christian league and each practice we have a chalk talk," explained Edwards. "All of the local churches have been very supportive."

"Everyone gets equal playing time," he continued. "We want to make playing basketball a positive experience and make sure every child feels like a winner."

The Upwards Basketball program — whose moto is "Every child plays. Every child learns. Every child is a winner." — was organized in the U.S. and now has 500,000 players registered.

Edwards said Upwards is just breaking into Canada now and statistics indicate the enrolment doubles in the second year.

The program has games scheduled for each Saturday morning (9 to 11 am) at Timothy Christian School in Williamsburg. Junior practices will take place Tuesday evenings (6 - 7 pm) at Inkerman Public School awhile the seniors will work out at North Dundas District High School the same evening (6 to 7 pm).

The first practice sessions are slated to take place during the first two weeks in December. There will be a break for Christmas and the games will be played beginning in January. A closing banquet is set for Sat., March 7.

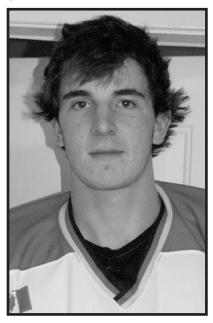
For more information call Edwards at 613-774-0721 or 613-601-8935 or visit the Upward website www.upward.org/parents.

Discovery Bible Fellowship Pastor Tim Edwards is offering elementary school students the opportunity to join his new youth basketball league. A registration session will be held tomorrow (Thurs., Nov. 20) at Inkerman Public School. Press Photo — Van Bridger

Meet the HAWKS

Bobby Little

No. 3, Defence



Bobby Little is a Winchester resident who launched his junior career with the Junior "B" Hawks before a stint in the CJHL. The six-foot, four-inch defender rejoined the Winchester Jr. "B" Hawks this season and is serving as an assistant captain. Little has appeared in 16 games and has scored three goals (two PPG) and six assists. His father Marty, a former member of the Hawks, is the club's defensive coach this year.

Easy access to and from city

New trail to link Kemptville to Ottawa

METCALFE — The ink is still drying on a brand new agreement between the City of Ottawa and a coalition of three District 1 snowmobile clubs — Kemptville, Osgoode Carleton, and Carleton Regional.

The clubs have taken over the winter management of a 27-kilometre abandoned rail bed that runs near Kemptville into Leitrim on the outskirts of Ottawa.

Dale Walt, president of the Kemptville Snowmobile Club, spearheaded the effort with help from Osgoode Ward councillor Doug Thompson.

"This is a great deal for the snowmobile clubs; giving easy access from the city and helping keep riders off of the Rideau River," Walt said.

The Rideau River has been the site of some snowmobile fatalities in recent years. It will now be possible for riders to travel from Kemptville to Carleton Regional Club without crossing the river.

Walt also noted that the clubs were following the Ontario Federation of Snowmobile Clubs trail strategy document by securing a trail that can be opened early, takes riders off waterways, and gives urban members a chance to ride from their own neighborhood.

Ottawa and surrounding areas are experiencing rapid growth, which has been eroding the trail system, Walt said.

"This gives the clubs a secure trail, which will not need to be rerouted every year," he explained.

The city legal department stated that this is the largest recreational trail agreement they have ever entered into. It will eventually be a multi-use trail, however snowmobiles will be the only motorized vehicles allowed on the trail.

A grand opening ceremony is planned for February 2009.

Notice of Commencement of Screening Under the Ontario Environmental Screening Process For Electricity Projects

Castor River Windfarm, North Dundas Township

Prowind Canada Inc. is planning to undertake an Environmental Screening for a proposed ten (10) MW wind power generation facility northwest of the Village of Winchester in North Dundas Township, Ontario. If approved, the project will consist of no more than five (5) wind power-generating turbines located north of Spruit Road and between County Road 31 and Jennings Road. The study area for the Environmental Assessment is shown within the shaded region on the map below.

The project is subject to the Ontario Ministry of the Environment's Screening Process for electricity projects, described in the "Guide to Environmental Assessment Requirements for Electricity Projects". This process requires Prowind Canada Inc. to undertake a screening of the project. This notice is intended to meet the Notice of Commencement requirements for the Screening. The project is also subject to the federally administered Canadian Environmental Assessment Act. Screenings required for both federal and provincial agencies will be carried out in parallel and will culminate in one final report.

The Screening will assess the potential impact of the proposed wind power generation facility on the bio-physical and socio-economic environments during its construction, operation and decommissioning. During the screening process, Prowind Canada Inc. will consider the potential for various environmental effects and will respond to issues raised by stakeholders and the general public. Depending on the potential for impacts, Prowind Canada Inc. may proceed to an Environmental Review and issue a notice of commencement of the Environmental Review.

Public consultation will be an integral component of this study. Public and regulatory consultation will be conducted on an on-going basis to provide input on various components of the study. Dates and locations of these opportunities will be advertised in local newspapers. You are invited to provide comments on the issues to be addressed in the study, and to ask to be placed on the project mailing list.

If you have questions or concerns, please contact:

Prowind Canada Inc.

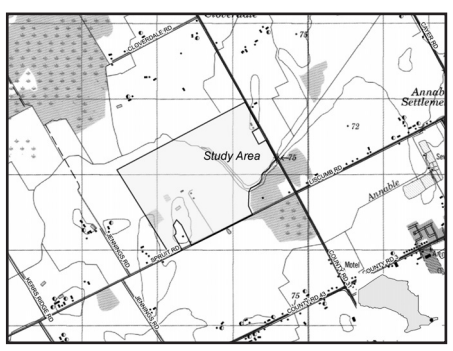
WIND ENERGY ENGINEERING



Notice of Commencement of Screening Under the Ontario Environmental Screening Process For Electricity Projects

Kerr's Ridge Windfarm, North Dundas Township

Prowind Canada Inc. is planning to undertake an Environmental Screening for a proposed 10 MW wind power generation facility northwest of the Village of Winchester in North Dundas Township, Ontario. If approved, the project will consist of no more than five (5) wind power-generating turbines located north of Church Road and Spruit Roads, between County Road 31 and Development Road. The study area for the Environmental Assessment is shown within the shaded region on the map below.

The project is subject to the Ontario Ministry of the Environment's Screening Process for electricity projects, described in the "Guide to Environmental Assessment Requirements for Electricity Projects". This process requires Prowind Canada Inc. to undertake a screening of the project. This notice is intended to meet the Notice of Commencement requirements for the Screening. The project is also subject to the federally administered Canadian Environmental Assessment Act. Screenings required for both federal and provincial agencies will be carried out in parallel and will culminate in one final report.

The Screening will assess the potential impact of the proposed wind power generation facility on the bio-physical and socio-economic environments during its construction, operation and decommissioning. During the screening process, Prowind Canada Inc. will consider the potential for various environmental effects and will respond to issues raised by stakeholders and the general public. Depending on the potential for impacts, Prowind Canada Inc. may proceed to an Environmental Review and issue a notice of commencement of the Environmental Review.

Public consultation will be an integral component of this study. Public and regulatory consultation will be conducted on an on-going basis to provide input on various components of the study. Dates and locations of these opportunities will be advertised in local newspapers. You are invited to provide comments on the issues to be addressed in the study, and to ask to be placed on the project mailing list.

If you have questions or concerns, please contact:

Prowind Canada Inc.

Card of Thanks

CARD OF THANKS – We would like to thank our family, friends and neighbours for sharing our 50th Anniversary at our home on October 25. It was great to see everyone, and another wonderful memory to cherish. Also, thank you for all your cards, gifts, flowers and best wishes.
– Keith and Shirley Robinson
36c

In Memoriam

FREELAND – In memory of Donelda who passed away November 23, 1994.
Fourteen years have passed,
I miss her so.
Never shall her memory fade
Thoughts of love will always go
To the place where she is laid.
– Harry
36

CRUMP – In loving memory of our mom, Helene (Faulkner), who passed away on November 24, 2004.
Gone are the days we used to share,
But in our hearts you are always there.
Life moves on and 4 years have gone by,
But love and memories never die.
Today, tomorrow, our whole lives through
We will always love and remember you.
We do not need a special day
To bring you to our minds.
The days we do not think of you
Are very hard to find.
Always in our hearts, we miss you so.
– Love, Elaine, Betty Ann, Angus, and Heather
36

HUMMEL – In loving memory of a dear father, grandfather and great-grandfather, Lee, who passed away November 10, 2003.
We don't forget the way you smiled,
The things you used to say,
And all the things you did for us,
In your kind and loving way.
We hold you close within our hearts,
And there you will remain,
To walk with us throughout our lives,
Until we meet again.
– Always loved and remembered by your family
36

HAYES – In loving memory of a dear husband, father and grandfather Charles, who passed away November 24, 2001.
How we miss the welcome footsteps
Of the one we loved so dear.
Often we listen for him coming,
Fully sure that he is near.
You are gone but not forgotten
Fresh our love will ever be,
For as long as there is memory
We will always think of thee.
– Lovingly remembered by Maude, Lisa, Judy and families
36

THOMAS – In loving memory of a dear mother and grandmother, Beverly, who passed away November 20, 2005.
God knows how much we miss her
Never shall her memory fade,
Loving thoughts shall ever wander
To the spot where she is laid.
– Always remembered Debbie, Dave, Taviah and Tate
36

JOHN PATRICK MEARS
December 30, 1957 - November 21, 2003
We wished upon a star last night,
We doubt that it will come true
We asked God to let us have you back
For just a day or two.
We close our eyes and hear your voice, your laughter, and see you smile.
And then we feel a quiet peace,
For you were with us for a while.
– We love you now and forever
– Dad, Mom, Lynda, Colleen, Tommy, Ann, Margaret and Robin
36

DeCLAIRE – In loving memory of a dear father and grandfather, Stewart, who passed away November 21, 1999.
Nine years have passed since that sad day
When the one we loved was called away.
God took him home;
It was His will.
Within our hearts he liveth still.
– Thinking of you always,
– Barb, Dale and family

IT'S A BOY!
Jason, Katie and Kylie Lesage are happy to announce the safe arrival of their son (and little brother) Cody Robert Thomas Lesage, born on November 5, 2008. We would like to thank Dr. St-Cyr, all the nurses in the Maternity ward at WDMH, and all our families and friends for their support.

BIRTH ANNOUNCEMENT
FINDLAY
Colin and Carisa Findlay (nee Johnstone) are happy to announce the birth of their son, Jack Bert Findlay, on Wednesday, Sept. 10, 2008.
Proud grandparents are Danny and Susan Johnstone of Inkerman and Brad and Vicki Findlay of Owen Sound.
Special thanks to Dr. Darbyshire and the nurses at WDMH for all their support.

The Royal Canadian Legion Branch 108

Thank You

To all the people and merchants of Winchester and District who generously support our Poppy Campaign year after year and the many dedicated volunteers who put in countless hours.

To all those who marched in this year's parade, the Ottawa Police Service Pipes and Drums, the Color Party, Veterans and Legion members, the Ontario Military Vehicle Association, 1952 Dodge 3/4ton M37 driven by Jeff Mosher and from the Cold War Collection, 1970 M35 driven by Nick Tilgner, the Morrisburg Sea Cadets, the Russell Air Cadets, the Winchester Fire Department, the Winchester Scouting Movement, the Winchester Guiding Unit, the Williamsburg Pathfinders, the Winchester Skating Club, and North Dundas Minor Hockey Association Novice team coached by Doug Armstrong, as well as, the OPP for their traffic control. We would also like to thank the Legion Ladies and everyone who provided food for our meal and for the hospitality.

To our clergy, Reverend Thurland Brown, Legion Padre and Pastor Tim Edwards for their spiritual guidance at our ceremony and the Winchester Public school and Staff for making the Remembrance Day Service a huge success.

The Winchester Branch 108 would like to thank our community, who gathered to watch the parade and participate in our service, to commemorate the deeds of our fallen. Thank you to you all for your comradeship.

Lest We Forget
Duncan Levere and Kelly Streng, The Poppy Campaign Co-Chairs

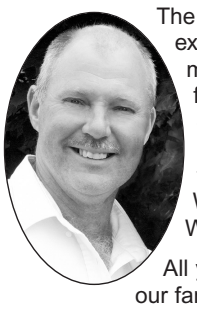
Heartfelt Thanks



The family of John Douma would like to express our sincere appreciation to our many friends, neighbours, and relatives for all their support through food donations, cards, calls of concern, prayers, floral tributes and donations that were so generously given to the WDMH and Timothy Christian School in Williamsburg.

All your prayers and kindness have given our family the strength to get through this difficult time in our lives. We ask for your continued prayers and support in the coming months. John will be sorely missed for he was a much-loved father, brother, son, husband and papa to family and friends with so many people because of his involvement in the community.

Special thanks to Pastor John Nordoff of Williamsburg Christian Reformed Church, and Dave Lapier of the Marsden and McLaughlin Funeral Home in Williamsburg for their professional, compassionate support to our families. Your kindness will never be forgotten.

God bless you all.
Alice Douma & family

Thank You

It is difficult to find words that express my appreciation to everyone. Over the last few months, Dundas Manor was my second home, and I became very attached to the staff, and the hugs I got all the time were very special. At home, the donations of food just kept coming and were so very appreciated. I am completely overwhelmed with the number of sympathy cards I received, as well as the large number of email condolences. I spent hours on the phone being comforted by neighbours and friends and relatives from near and far. And so, I want to thank my extended family, my community, my church families, my Canadian Club friends from Morrisburg to North Bay, my walking partners, and my adopted family of friends at Dundas Manor. Most of all, I want to thank George as well as Kirk, Natalie, Leslie and Craig and their families, and Elizabeth for being my crutches. What we endured was extreme, but the support we received was extraordinary. As the days go by, may God bless all of you as richly as you have blessed me.

With deep gratitude,
Clara Edwardson

In Appreciation

HARPER, FREEDA

The family of the late Freeda Harper would like to express their gratitude towards those who gave support, love and friendship during the last few weeks of Freeda's illness and time of passing. Thank you to Dr. Mankal, Dr. Naciuk and Dr. Adamson, staff at Winchester District Memorial Hospital including special thanks to Miranda Douma, Carol Zubitak, and Dawn Erickson for all their time, concern and hugs when needed. The staff at Hillcrest Haven and Paramed, for helping care for Freeda the past months. Her friends and family for keeping her spirits up as long as we could. Rev. Brown for officiating the service and David Lapier for all his professionalism shown to our family. To all our family and friends for their love and concern towards us for the loss of such a wonderful woman that will leave a large void in our lives.

Miss Me A Little But Let Me Go
When I come to the end of the road and the sun has set for me,
I want no rites in a gloom filled room, why cry for a soul set free.
Miss me a little but not too long, and not with your head bowed low
Remember the love that we once shared,
Miss me but let me go.
For this is a journey we all must take, and each must go alone
It is all part of the Master's plan, a step on the road to home
When you're lonely and sick of heart, go to the friends we know
And bury your sorrow in doing good deeds, and
miss me but let me go

" We will miss you and with time let you go"

Nadene, Derek & Danita
Darlene & Aron
Tyson, Taylor and Cam

The Township of South Dundas Requires an Accounts Payable/Payroll Clerk

Applications are invited from qualified individuals for the position of Accounts Payable/Payroll Clerk.

Reporting to the Treasurer, the Accounts Payable/Payroll Clerk will be responsible for all aspects of the Township's payroll and accounts payable functions including bi-weekly payroll preparation and processing of all associated reports and remittances, as well as the processing of all departmental payment vouchers.

Applicants should have post secondary education in accounting or business administration, a minimum of 5 years experience in accounts payable/receivable and/or payroll, strong organizational skills and excellent interpersonal and communication skills. Preference will be given to applicants who have completed a certificate in municipal accounting and finance. Experience working in a computerized environment is required.

A full position description is available at **www.southdundas.com** or by request.

Salary will be commensurate with qualifications and experience. An excellent benefit package is available. Qualified candidates are encouraged to forward a detailed resume of their experience including references marked "Accounts Payable/Payroll Clerk" to the undersigned by 4:30 p.m. Friday, November 28th, 2008.

Shannon Geraghty, Treasurer
Township of South Dundas
4296 County Road 31, P.O. Box 160
Williamsburg, ON K0C 2H0
Telephone: (613) 535-2673 • Fax: (613) 535-2099
Email: sgeraghty@southdundas.com

We thank all applicants who apply for this position, but only those candidates selected for an interview will be contacted. In accordance with the Municipal Freedom of Information and Protection of Privacy Act, personal information is collected under the authority of the Municipal Act R.S.O. 1990.C.M. 45, and will only be used for candidate selection.

COMMUNITY LIVING Dundas County

COLLABORATIVE ACCESS PROCESS TO SERVICES FOR ADULTS WITH A DEVELOPMENTAL DISABILITY

The Priority Resolution Committee is currently seeking families, one Anglophone and one Francophone, to participate as committee members. The committee will be responsible to address extraordinary, urgent, multi-service, complex and unmet needs of adults and transitional aged youth (18 years and older) who have a developmental disability.

The representative must:
- reside in Stormont, Dundas or Glengarry County;
- have the ability to attend monthly meetings held throughout SD&G;
- have a family member with a developmental disability;
- have a recent criminal reference check complete.

*Interested applicants can forward Letter of Intent before **November 24, 2008**, to:*

Carol Seguin, Co-ordinator
Collaborative Access Process to Services
280 Ninth Street West, Cornwall, Ontario

Société d'aide au développement des collectivités

Loans Officer

The SD&G Community Futures Development Corporation (SD&G CFDC) is seeking candidates to fill the position of Loans Officer.

Responsibilities include: the management of the SD&G CFDC Loans portfolio, providing community liaison, small business counselling, participating in community development initiatives and delivery of community development through Official Languages initiatives. The Loans Officer will work with other community partners to offer CFDC services to the community at large. As a designated bilingual position, the Loans Officer serves the organization as Official Languages Officer.

Requirements:
- Entrepreneurial and highly motivated, with creative thinking abilities and demonstrated organizational skills,
- Completed relevant post-secondary education,
- Three or more years of progressive lending/banking and business development experience,
- Computer literate,
- Fully bilingual.

Salary shall be commensurate with education and experience.

Please submit your resume to:

Community Futures Development Corporation
Société d'aide au développement des collectivités

Executive Director SD&G Community Development Corporation (SD&G CFDC)

The CFDC exists to promote job creation and community economic development throughout the United Counties of Stormont, Dundas and Glengarry and the City of Cornwall by offering business development, investment and lending, facilitation, planning and implementation of community-based initiatives and other development efforts. Reporting to the Board of Directors, the Executive Director is responsible for the overall leadership, administration and management of the CFDC, the organization's strategic/business planning, research and analysis of the local economy, operating budget, liaison, monitoring and reporting, funding agreements, operating and investment fund budget and the management of human resources.

QUALIFICATIONS:
- Completed University degree in a relevant discipline such as management, economics, finance, business, etc.,
- Proven effective leadership skills.
- Appropriate experience related to business/economic development, project development, business plan development, funding proposals
- Strong financial administrative experience related to budget management
- Knowledge of municipal and business procedures.
- Experience working in a not for profit structure and knowledge of Board governance
- Must possess excellent communication and interpersonal skills
- Fluency in both official languages to be a major asset.

Salary: The SD&G CFDC offers a comprehensive benefit package and a competitive salary commensurate with experience and credentials.

Please submit your resume to:
Attention: Chair
SD&G Community Futures Development Corporation
26 Pitt Street, Suite 207
Cornwall, ON, K6J 3P2
info@sdgcdc.on.ca
Fax: 613-932-0596

Only candidates to be interviewed will be contacted.
Applications Deadline: December 12, 2008

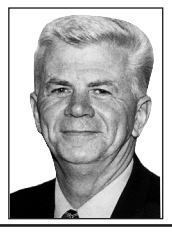
City of Ottawa budget meeting slated for Nov. 26



In and around Osgoode Ward
by councillor Doug Thompson

METCALFE — Public consultation for the 2009 City of Ottawa budget will take place during the month of November. Residents of Osgoode Ward will have an opportunity to comment or raise questions about the budget on Nov. 26 at 7 pm at the Greely Community Centre.

Transit levy endorsed

The City of Ottawa transit committee endorsed a Park-and-Ride transit levy for rural residents on Mon., Nov. 10. City council will consider this recommendation on Nov. 26. While the levy amount is only $3.06 a year, I am disappointed that the committee refused my request to charge only those who use the Park-and-Ride lots. This is the most fair and equitable solution. I want to thank the hundreds of people who emailed the committee in support of my position.

Craft sale and bazaar

The Vernon Community Association presents its annual craft sale and bazaar on Sat., Nov. 22 in Sayant Hall at the Vernon Recreation Centre from 9 am to 3 pm. There is something for everyone. For information call 613-821-3033.

Metcalfe Anglican Church bazaar and home tour

The church bazaar will take place on Sat., Nov. 22. The Christmas home tour and treasures show will take place on Sat., Dec. 6.

"Festival of Carols"

The Osgoode Ministerial Association is hosting its 18th annual Festival of Carols on Sun., Nov. 30 at 7 pm at the Greely Community Centre. Join family, friends, and local churches for an evening of carol singing. Light refreshments will be served. A freewill offering will be collected to support students from Osgoode High School and St. Mark High School who will be continuing their studies in ministry-related options.

Christmas Carol Musical and Dessert Party

St. Paul's Anglican Church in Osgoode is holding its annual fundraiser on Sun., Nov. 30 at 7 pm. The evening involves musical presentations and Christmas carol singing, followed by scrumptious desserts. A freewill offering will be collected in support of the Winchester District Memorial Hospital. For more information contact Barbara at 613-489-2881.

Christmas parades

There will be more details to follow but the Christmas Parade dates are: Sat., Dec. 6 in Osgoode and Sun., Dec. 14 in Metcalfe.

Christmas cards for the troops

Trudy Quinn, chair of the Osgoode Village Community Association, is co-ordinating another "Christmas Cards for the Troops" project. With thousands of our brave military personnel away from home at Christmas, she wants to make their Christmas a little happier. We can all send Christmas cards to our soldiers, letting them know that distance does not take them from our hearts and prayers. Drop your cards off at Osgoode Foodland, Julee's Homecraft, or Sweet Peas Pantry by Dec. 6, or after the Osgoode Christmas Parade. For more information call Quinn at 613-826-1649 or email ovca@sympatico.ca.

"Angels in Action" raises $30,000

Linda Laframboise and her army of volunteers raised over $30,000 for Ovarian Cancer research last Friday evening. The "Angels In Action" fundraising dinner at Tudor Hall was an outstanding success. Laframboise has dedicated her efforts to support funding for Ovarian Cancer research in memory of her sister who died from this disease a few years ago. Fantastic work, Linda!

Metcalfe is Hollywood North

The Village of Metcalfe is a busy spot. The filming of the movie Carney has increased the population by over 100 people. Actors, extras, and film crews have made quite an impact on our community. Local businesses are reporting higher sales and visitors are coming to town just to see what is happening. Our village may never be the same!

Well water testing

Well water samples can be dropped off on any Thursday from 11 am to 1 pm at the Metcalfe Library.

Obituaries

Margaret Boyd

Margaret Boyd (Thurlow) (nee Tackaberry) of Winchester passed away on Nov. 15, 2008 at Dundas Manor. She was 82.

She was born on Aug. 16, 1926 in Edmonton, Alta. to the late Cecil K. Tackaberry and the late Reta Bourk. She was the wife of Ed Boyd for 59 years, whom she married on Sept. 3, 1949 in Ottawa. She was the mother of Bonnie Boyd (John Benesh), and Bourk (Grete). She was the grandmother of Jennifer McLean (Kevin); Kathryn Tyler; Alanna, Cara, Nicole, and Kerstin Boyd, and great-grandsons Joshua and Kaden McLean. She was the sister of Bourk Tackaberry (Doris), and Bill Thurlow (Cathy). She was the sister-in-law of Edrie Joule (the late Harry), and Max (Sunny), and the aunt and great-aunt of many nieces and nephews.

She was a homemaker, and formerly a Registered Nurse at Winchester District Memorial Hospital. She was a graduate of Grace Hospital in Ottawa, a member of the Winchester 100 Club, Past Matron and member of Winchester Chapter #310 OES, and a member of Winchester United Church.

A private family service will be held at a later date.

Donations in memory of Marg may be made to the Dundas Manor Activity Fund and Winchester District Memorial Hospital.

The funeral arrangements were entrusted to the Byers Funeral Home in South Mountain.

Freeda Harper

Freeda Harper, a lifetime resident of the area, passed away peacefully at Winchester District Memorial Hospital on Wed., Nov. 12, 2008, with her family by her side. She was 87.

She was born in Osnabruck Township on May 18, 1921 to Arthur and Mertie Heagle (nee Crites). She married Donald Harper on Oct. 3, 1938 in Winchester, and together they had one son Reginald.

Freeda thrived on being a wife and mother, and nothing on her table was store bought. She believed in raising children on home cooking, and she was an incredible cook and baker. She will be remembered for her pickles, chili sauce, baked beans, squares, and homemade candy. She never went to anyone's home empty handed. She would always cook or bake something to add to the dinner. She never missed an outing, and she jumped at every opportunity to go somewhere, whether it be to the slots, bid euchre, seniors dinners, cards, bingo, or just up to town to visit with her friends.

Family was the most important thing in her life. She loved spending time with her family, especially her grandchildren and great-grandchildren. She lit up with joy when they were around, and she took great pride in watching them all grow up and eventually have families and homes of their own.

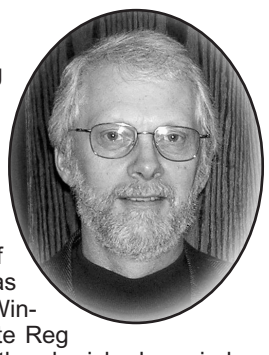
She was predeceased by her husband Donald and her son Reg. She is survived by her daughter-in-law Nadene Harper of Winchester, her grandchildren Derek (Danita) Harper, Darlene (Aron) Sherrer, her great-grandchildren Tyson, Taylor, and Cam Sherrer, and her siblings Lyle Heagle of Finch, Elva Collingridge of Winchester, Keitha (Frank) Crites of Ingleside, and Norma (Les) Crites of Ingleside. She was predeceased by a brother Graham Heagle, and sisters Vera Armstrong, Thelma Moyse, Edna Harper, and Greta Bailey. She is also survived by nieces and nephews.

There was no visitation at the funeral home. A graveside service was held at Maple Ridge Cemetery in Chesterville on Sat., Nov. 15 with Rev. Thurland Brown officiating.

Donations to Winchester District Memorial Hospital would be appreciated by the family.

Arrangements were entrusted to the Marsden and McLaughlin Funeral Home in Williamsburg.

Robert C. Gibson



Bob Gibson of RR#2, Lunenburg passed away at the Ottawa General Hospital on Fri., Nov. 14, 2008. He was 58.

He was the son of the late Herbert and Anne Gibson. He was the loved husband of Janet Wilson. He was the dear father of Jennifer of Ottawa and Meghan at home. He was the loved brother of Jack (June) of Winchester, Bill (Ruth) of Perth, the late Reg and Joan Hewitt of Perth. He was the cherished son-in-law of Corienne Wilson of Winchester, and was the brother-in-law of Michael (the late Donna) Joyce. He will be sadly missed by his many nieces and nephews.

Family and friends paid their respects at the Daniels Funeral Chapels in Winchester on Mon., Nov. 17. The funeral service was held in the Winchester Wesleyan Church on Tues., Nov. 18 with Rev. Thurland Brown officiating.

For those wishing, donations may be made to a charity of your choice.

Lula E. Wagner

Lula E. Wagner (nee Thompson), formerly of Morewood, passed away at Dundas Manor on Nov. 15, 2008. She was 84.

She was born on Sept. 19, 1924 in Russell Township to the late Cecil Thompson and the late Bernice Bilow. She was the wife of the late Calvin Wagner whom she married on Oct. 3, 1942 in Morewood. She was the mother of Barbara (Ron) Armstrong, Mancel, Richard (Carol), Keith, Elaine Wagner (Jamie), and was predeceased by an infant son, Carl. She was the grandmother to Jeff (Tracy) Armstrong; Derick, Mark and Stacey Wagner; Jeff Irven; Brandon Wagner; Jason and Terry Wagner; and great-grandson Connor Armstrong. She was the sister of Mac (Marjorie), Raymond (May), Iris (Glen) Cunningham, Bevis (the late Gladys), and the late Gloria (Jack) Pickard. She was the step-sister of Joan McLean (the late John), Lynn (Elsie) Thompson, Lyle (Ruth) Thompson, Beverley (Norman) Welk, Freda Kinsella (the late Glen), and Frank Thompson.

She was a homemaker, and a member of Morewood United Church.

The funeral was held in the chapel of the Byers Funeral Home in South Mountain on Nov. 18 with Rev. MaryLou Shortill officiating. Interment followed at Morewood United Church Cemetery.

The pallbearers were her grandchildren Jeff Armstrong, Derick, Mark, and Stacey Wagner, Jeff Irven, Brandon Wagner, and Jason and Terry Wagner.
