IT WAS GUEST NIGHT

Eighty Attend 100 Club April Meeting

Over 80 members and guests gathered at Henderson Hall last Thursday evening for the April meeting of Winchester 100 Club. The occasion had been designated as "Guest Night" and Club members had the welcome mat out for members of the Winchester Women's Institute and also the O.D.H.A. Midget Champs, Winchester.

The meeting, as is the custom, was a luncheon meeting with the ladies of the Eastern Star catering. The Creed was recited by Centurian Robert Ledgerwood with Rev. A. J. MacDonald asking the blessing.

THREE NEW MEMBERS

The Club learned that three new members had been added to the roster, two who had been members and were returning after an absence of some time made necessary by business commitments, Robert Vice and Frank Morgan. The other was Beryl Dingwall, a new member.

ENTERTAINMENT

Nelson Hawn, a member of Kemptville College of Agricultural Technology teaching staff, who is the most sought-after guest speaker in the valley, again displayed the combination of wit, knowledge and charming personality that has endeared him to audiences wherever he travels.

The program committee, Centurians Basil Dawley, Walter MacDonald and Charles Anderson, presented a very pleasing and entertaining program including two pretty Kemptville high school girls, Margaret O'Dell and Janet Kerr, who rendered both instrumental and vocal numbers.

Mrs. Robert Holmes, W. I. President, spoke on behalf of the Institute members expressing their appreciation, while George Hanes introduced the young hockey stars.

BUSINESS

President Ron Workman was in the chair and the large gathering heard favourable reports from various committees, including a detailed account of the work being done by the Welfare comittee. Committee chairman Howard Biccum reported all three club-owned wheel chairs in use and told the gathernig a "Medical Cushion" for use by wheelchair patients of the district had been purchased at a cost of $325.00. A donation of $25.00 has been given to the Cancer Society, while the club plans to help in some manner the C.N.I.B. Building Fund drive.

Calling All Girls !

Some pretty girl from this area may win herself a trip to Europe by plane and an "all expense paid" week (with chaperone). Value of the prize could exceed $1600.00.

The girl selected will first have been crowned Miss Tulip Festival Queen in Ottawa on May 17th, and she will be one of six young ladies representing the six Regional Tourist Councils in Eastern Ontario.

The girl representing Seaway Valley must live in the Counties of Grenville, Dundas, Stormont or Glengarry. She must be 18 years or over and single. The Seaway Valley Tourist Council welcomes entries from this area, and the preliminary judging will be by out of area officials on May 11th or 12th. Place to be announced later.

Application forms are free to all girls from the Tourist Council Directors listed in an advertisement in this paper today. High schools, hospitals, industries and other groups are urged to select a contestant who may become Miss Seaway Valley and qualify for the Miss Tulip Festival crown.

Judging points will be as follows: face and figure, 20; grooming, 20; personality, 20; poise, 15; posture, 15, and talent, 10.

Miss Seaway Valley's expenses will be paid by the Tourist Council. More details will be published next week.

Speaker and Musicians

Nelson Hawn is noted for his charming wit, and on his last visit to Winchester he added something else — lovely ladies. The well-known after-dinner speaker is shown here with his two winsome, musical friends, Margaret O'Dell and Janet Kerr. The three were guest entertainers of Winchester 100 Club at the April meeting.—Press Staff Photo.

MASONIC ANNUAL

Ladies' Night Banquet

Over 150 Masons, their wives and guests attended the annual Ladies' Night Banquet at Henderson Hall last week when Bro. G. Wersch, Chief of Police for Nepean Tonwship, gave an interesting and informative address. Bro. Wersch, who has been a policeman for 19 years, spoke on Police Leadership and Human Relations. "Better human relations," said the lawman, "could solve most of our problems, with people working with the law and not against it."

The speaker was introduced by Bro. Clare Chamberlain and thanked by Bro. C. W. Ault.

The program opened with a presentation of a corsage to Mrs. Malcolm Byers on behalf of Henderson Lodge by Wor. Bro. and Mrs. J. Edwin Boyd. Grace was said by Wor. Bro. R. D. Ledgerwood and Wor. Bro. Malcolm Byers gave the Toast to the Queen.

Guests and officers were introduced by Wor. Bro. J. Edwin Boyd; Bro. Reg. Gibson proposed the Toast to the Ladies, and Bro. Gordon E. Coons toasted Grand Lodge. Mrs. R. D. Ledgerwood responded for the ladies, and responding for Grand Lodge was Rt. Wor. Bro. Glenn Dafoe, D.D.G.M. of Ingleside, who also brought greetings from Grand Lodge.

Bro. Basil Dawley thanked the ladies of St. Paul's for the bountiful dinner on behalf of all present.

The program closed with the singing of O Canada.

NOTICE TO PRESS SUBSCRIBERS

It should be pointed out clearly to all subscribers who are not receiving their copies of The Winchester Press on a regular basis that the fault is definitely associated with postal deliveries and *NOT* this office.

ALL copies of each issue of The Press leave this office and the Winchester post office Wednesday afternoon at five o'clock. In most adjacent towns, townships and villages The Press should arrive on Thursday morning, Friday morning at the latest.

But here is an example of what has been going on: The April 11th edition reached Hallville post office (a mere eight miles distant) the following Wednesday (April 17th). It works out to roughly one mile per day. The same edition reached Metcalfe, 15 miles to the north, on Monday.

Complaints to the post office department seem to hold little value. Recent changes in postal deliveries in the area seemingly have worsened the situation where newspaper delivery is concerned.

Our hands are tied. You can help by directing your complaints until improvement is made to both your local post office and to the district postal inspector, Ottawa.

Lions Walk Saturday 400 To Participate

Osgoode Walkers

Sixty-five Osgoode Township High School students were in Ottawa bright and early last Saturday morning to take part in the OXFAM walk, and 26 trudged over the finish line late Saturday night. Besides the 26 who completed the gruelling walk, another 26 travelled over 20 miles.

Principal James McDonald proudly reports that his boys and girls earned slightly over $2,200 for the OXFAM program. Mr. McDonald, in quoting the above figures, points out that statistically speaking, 80% of his students covered over 20 miles and 40% reached their goal.

The 26 foot-weary youngsters who were back in class Monday morning represented all parts of Osgoode Township, as well as every class: 9A, Carolyn Dier, Kathy Vriend, Valerie Larche, Jo-Ann Sigouin; 9B, Garry Francis; 10A, Martin Michaels, Tim Eggins, George Scharfe, Nicky Schultz; 10B, Janet Burns, Wayne Lancaster, David Stanley, Donna Vail, Margaret Van Dongen; 11A, Ruth Waddell; 11B, Raymond Dawes, Murray Davidson, Barbara Hicks, Karen Graham, Mary Ellen VanDongen, Harold Scobie, Rick Webber; 12A, Lynda Waddell; 13, Bruce Brown, Rodney Davidson and Allan Stanley.

Winchester Lions will march for crippled children this Saturday. This is the first project of the newly formed Winchester club and judging by the enthusiasm already generated, its success seems assured. Lion President Gerry Flucke and his committee have all details carefully in hand and are hoping for favourable weather.

All proceeds from the endeavour will go toward helping crippled children in the area and it is expected well over 400 will be participating. Already most walkers have secured many willing sponsors and when they have completed their walk, be it only five miles or the entire distance, it will be their pleasant task to collect from their sponsors and submit returns to the Lions Club.

Between the starting point (Winchester 100 Club Park) and the finish line (Winchester Public School), there will be six check points, situated 3½ miles apart, and members of the OPP have generously offered their co-operation in patroling the route. President Gerry explains that drinking water will be available, with washroom facilities at strategic points. Arrangements have also been made for First Aid in case of emergency with headquarters at Winchester Public School.

Lion members will be patrolling in clearly marked "Lion Cars" all sections where traffic is likely to be the heaviest Lion cars will be equipped with two-way radios with main communication centre at the Public School.

Winchester Boy Scouts will be at the Public School also where they will possibly operate a concession and offer their assistance when and if required.

Plans call for the walk to get underway at 8:00 a.m., but this does not mean all walkers will move off at the same time. Lions members explain that care will be taken to avoid having an exceptionally large group leaving at the same time and will space the walkers in such a manner that the last one may not leave before ten a.m.

Lions members also stress the point that this is NOT A RACE and those taking part should take their time and by no means get overly tired. First finishers are expected to cross the line between 1:30 and 2:00 p.m., but under no circumstances will any marcher be allowed to walk after 7:00 p.m.

Many of those walking will be young boys and girls and everyone is asked to offer their co-operation in making this venture a great success. The motto of Lions throughout the world is "We Serve." The new Winchester Club is attempting through this project, to serve the many area children who through no fault of their own must face life with a disability

This is the time of year when we humans attempt to create more daylight, and the system used is fittingly called "Daylight Saving Time." It must be obvious to all that the ultimate result is not more daylight, but an arrangement which allows the work force to start their daily tasks earlier in the morning and consequently leave a longer evening of daylight for the many pleasant hobbies or recreational activities.

Be that as it may, you could be very late for church service on Sunday morning if you neglect to **move your clock ahead one hour** before retiring on Saturday night.

Judi Coons Finishes 40-Mile OXFAM Walk

Judi Coons

Judi Coons was one of the tired but happy marchers who completed the "March for Millions" staged in Ottawa last Saturday. Miss Coons, a former Winchester Carnival Queen and holder of the "Lions Queen of Queens" title two years ago, left the starting post on Parliament Hill at 8:30 in the morning and arived at the Centennial Centre (the finish line) at 11:30 p.m.

The pretty Winchester lass called at the Press on Monday morning, none the worse for her tiring ordeal and justly proud of the fact that for her efforts OXFAM will be richer by over $140.00.

Best Year . . . For Winchester Curling Club

Winchester curlers recorded the best year in the 40-year history of the club, and enthusiastic members met last week for their annual meeting and election of officers.

The word was "success" from every point of view, with membership soaring to 101 in the men's division and 71 in the ladies' department. The rate of growth may mean that, in the very near future, the executive will have to take a closer look at applications for membership as the "waiting list" stage has almost been reached.

Careful committee planning throughout the season kept the club very active with the extensive use of both men's and ladies' divisions, combined with many invitational bonspiels, High School student curling and other social functions.

The meeting was held at the club last Tuesday with President Charles Anderson presiding, assisted by Murray Summers as secretary. Hugh Eadie presented the financial report which showed a total revenue of approximately $11,000. Although all receipts were not yet in, the treasurer expected expenses in the vicinity of $8,000.

Financial plans include making a $2,500.00 payment on the existing bank loan, as well as a $1,000.00 payment on the new compressor which was purchased last fall.

An interesting discussion concerned the possible designing of new crests for the club, and the final decision rests with the executive. Wm. Lloyd, who has been a capable and willing head of the Bar Committee, asked to be relieved of his duties, and a new appointment will be made by the club officials.

COMMITTEE HEADS

J. Rennison, C. Ault, H. Hutchinson and Mac MacGregor were appointed three-year directors, and the following were named as committee heads: Ran Wylie, Membership; Jack Rennison, Property; Gary Collins, Telephone Committee; J. C. Hatcher and C. R. Robinson, Auditors.

ANNUAL BANQUET

One more big event heralds the final closing out of the year, the Annual Banquet and presentation of awards. This important event, when curling prowess will receive its just rewards, will take place at Henderson Hall, Saturday, May 4th. Members will climax the evening with dancing at the club.

Winchester Curling Club Realizes $800 From Rummage Sale

Rummage sales in Winchester are feature events. In the fall the Hospital Auxiliary sponsors the sale and in the spring the Curling Club. Both organizations have a close relationship in that all articles gathered through the year are placed in whatever sale is most appropriate — in short, the Hospital sale features winter attire and the Curling sale the summer wear.

Those in charge always expect large crowds of anxious buyers.

The Legion Hall doors swung open at one and the orderly arrangements of the various types of merchandise was indicative of the many hours of work that must have gone into this project.

but the turnout last week-end surpassed their fondest hopes. The sale opened at noon on Thursday and long lines stood in the warm spring sunshine waiting for the doors to open.

Rummage sales prove a two-fold value to Winchester residents. First, such a sale, with all articles donated, always prove a financial asset to the sponsoring organization. Secondly, little used articles can be transferred to homes where there is a greater demand and here the benefits are three-fold — the original owner, reluctant to throw away something of value is given a chance to donate it to the sale — the buyer is enabled to purchase some much-needed commodity at a greatly reduced price — and a community organization benefits greatly.

The sale ended at noon on Saturday with the Curling Club realizing close to $800.00.

They came early and they waited patiently. The sun was warm and there was much to talk about following the long cold winter. Besides, they knew their early arrival and long wait would pay off handsomely in giving them first choice of the beautiful array of merchandise on the inside. — Press Staff Photo.

Special Speaker At Winchester Church Sunday

Rev. S. D. France, acting Promotional Secretary for the Canadian Baptist Overseas Mission Board, is to pay a special visit to this district, and will speak in Winchester Baptist Church on Sunday, April 28th, at 10 a.m., Ormond Church at 11:30 a.m., and South Gower at 2:45 p.m.

In the evening at Vernon Baptist Church he will address a Rally at 8 o'clock and show beautiful, colourful slides of Baptist Missions, and how they are operated, in India and Bolivia.

A native of Ontario, Mr. France, after graduating from Woodstock College and McMaster University, held successful pastorates in Eden, St. George, Niagara Falls, Lindsay, and at two different times in Cobourg. Since retiring from the pastorate in 1965, he has been doing interim pastoral work and supply preaching.

Mr. France was appointed in June 1967 to the position of Acting Promotional Secretary for the Canadian Baptist Foreign Mission Board and is now engaged in directing the promotional work of the Board across Canada.

Rev. G. A. Cawfield, minister of Winchester, Ormond and South Gower churches, and Rev. A. Keeler, pastor at Vernon, cordially invite large attendances at these special missionary meetings.

Winchester WCTU Public Speaking Contest Winners

Winchester W.C.T.U. met at the home of Mrs. Eldon Fennell on Thursday, April 13th, with Mrs. Sullivan leading the devotional period.

An interesting item of the programme was a report of the Public Speaking Contest which was held in the United Church Hall on March 27. The worship service was lead by the Young People of the United Church, while the Wesleyan Young People contributed several musical numbers. Rev. A. J. MacDonald was guest speaker, and Rev. Mr. Cawfield conducted a singsong while the judges prepared their verdict.

The bronze medal (children of Grades 3 and 4) was won by Vicki Lennox, and the silver plated medal (grades 5, 6 and 7) went to Dorothy Van Leur.

Ontario Crop Insurance Announcement

As a result of a successful pilot test program in two limited areas last year, the Crop Insurance Commission of Ontario has announced that forage crop insurance will be made available in all counties of Ontario.

The only areas not insurable under the plan will be the Provisional County of Haliburton and the Northern Ontario Districts.

Developed to insure a winter feed supply, the new forage plan will be of interest to both dairy farmers and beef cattle men.

Coverage will include seeded corn silage for 70 per cent. of pasture, hay, hay silage, and the average crop farm yield, against the perils of hail, wind, drought, frost, flood, plant disease, insect infestation, excessive rainfall and excessive moisture.

Farmers may insure on the basis of $15, $20 or $25 per ton of hay (or hay equivalent). The low rate charged for this comprehensive protection will mean forage can be insured for a little less than $1 per ton on the average farm. Applications will be accepted up to May 1, 1968.

Crop Insurance authorities say this is the first forage insurance scheme to be developed in North America.

Prescription Medicine — Strictly Personal

There is something that is as personal as your name, is designed for you alone, and which you may not share with other members of your family, friends or even strangers.

It is that potent and useful item, your medicine prescription.

As the homemaker for your family you may wonder why you cannot share your prescription with someone who seems to have the same symptoms. Why should you discard medicines prescribed for an illness, when that illness is over? Why can't you adjust or change the amounts and the number of times you take your medicine to suit your convenience? Why should you always return the prescription medicine to its proper storage place after use instead of leaving it conveniently on the night table or kitchen cabinet?

The Council on Family Health, established as a public service by members of the drug industry, believes the answers to such questions are important and offers suggestions for the proper use and storage of prescription medicines.

Your prescription, which was written by your doctor, reflects consideration of your age, height, weight, condition of health and other factors, as well as the nature of the illness for which you are under your doctor's care.

A sound safety rule is to discard leftover prescription medicines when the illness is over. Leftover medicines can lose strength, or become more potent. Even more important, a new illness, which you think is the same as the previous one, may be in fact an entirely different disease even though one or more symptoms are similar.

Before taking any prescription medicine, there are certain things you should know, some of which will appear as instructions on the label. Ask your physician how often and when to take the medicine; how much to take each time; when to check back with him. Ask him if he has any special instructions and be sure to follow his directions exactly when taking your medicine.

Always returning medicine to its proper storage place in the medicine cabinet is a general safety rule to follow with all medicines. Stored in the cabinet, they are out of sight of little children and should be kept beyond their reach.

Couple Honoured On 25th Anniversary

A popular Winchester couple, Mr. and Mrs. Lloyd Kenney, were pleasantly surprised last Saturday evening when their family and friends honoured them on the occasion of their 25th Wedding Anniversary.

The ingenuity of Mr. and Mrs. Keith Summers, who invited the "Kenneys" to accompany them to Morrisburg, and then "noticing" some activity at the Legion Hall decided to investigate, made the "surprise" complete. When Lloyd and Hazel walked through the door they were met by their immediate family and a host of friends who had come to help celebrate an important milestone in the lives of Mr. and Mrs. Kenney.

Fittingly, the couple who were their attendants 25 years ago, Mr. and Mrs. Ran Wylie, were present and Ran read an appropriate address while Mrs. Wylie presented the happy couple with a purse on behalf of those present.

Mr. and Mrs. Kenney were also the recipients of other gifts from neighbours and friends, including a beautiful pair of lamps from the Kenney family.

Married at Southminster United Church, April 14th, 1943, Mrs. Kenney is a daughter of Calvin Gordon and the late Mrs. Gordon, formerly of Morewood. Mr. Kenney is a son of the late Mr. and Mrs. Sam Kenney of Winchester. They are the proud parents of two daughters, Mrs. Ron Berry (Donna), Brockville, and Mrs. Joel Steele (Rhonda), of Ottawa, and one son, Gordon, at home.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Hugh M. Ross of Metcalfe wish to announce the engagement of their daughter, Linda Dawn to Mr. Daniel Ernest Geymonat, son of Mr. and Mrs. Joshua Geymonat of Metcalfe, Ontario. The wedding will take place on Saturday, May 4th, 1968 in Metcalfe United Church at 2:30 p.m.

BIRTHS

Following is a list of recent births at the Winchester and District Memorial Hospital:

On Tuesday, April 16 1968, to Mr. and Mrs. Wendell Ault, Brinston R. R. 2, a son.

On Tuesday, April 16, 1968, to Mr. and Mrs. James Heidinga, of Vars, a daughter.

On Tuesday, April 16, 1968, to Mr. and Mrs. Patrick Moran, Chesterville R. R. 2, a son.

On Tuesday, April 16, 1968, to Mr. and Mrs. William Helmer, of Morrisburg, a daughter.

On Saturday, April 20, 1968, to Mr. and Mrs. Alton Cassidy, of Iroquois, a son.

On Sunday, April 21, 1968, to Mr. and Mrs. Stephen Sayeau, of Morrisburg, a daughter.

Auxiliary Sets May 1st Date Coffee Blitz Day

May 1st has been chosen as "Coffee Blitz Day" by the Children's Hospital of Eastern Ontario Women's Auxiliary. This will be the fourth Annual Coffee Blitz and the auxiliary is aiming for four hundred hostesses, and a total of $4,000.00.

Everyone who wishes to give a coffee party, large or small, will receive, on request, a hostess kit containing a supply of serviettes, and tags bearing the red coffee pot motif introduced last year, and also up to date bilingual information concerning the hospital.

Members of all ten auxiliary branches in and around Ottawa will be recruiting hostesses as well as organizing their own parties.

As in the past, the price for that May 1st "Cup of Coffee" will be $1.00, and all receipts will be pledged directly to the children's hospital of Eastern Ontario Interim Board of Trustees.

Personals . . .

Mr. and Mrs. Floyd Pemberton flew by Air Canada to Sault Ste. Marie and spent the Easter week-end with Mr. and Mrs. Ron Bell.

Mr. Warren Byrd and Miss Susan Hyde of Ottawa spent Good Friday with Mr. and Mrs. C. Thompson of Chesterville.

South Gower Baptist Church 127 Anniversary

The 127th Anniversary at South Gower Baptist Church was well attended with many travelling a long distance to join in the service. The service was conducted by Rev. G. A. Cawfield who extended a cheerful welcome to all.

Rev. D. G. Brown, chaplain at Burritts Rapids Industrial Farm, was the guest speaker and expressed pleasure for the privilege of being among those who witnessed at the Gower. Rev. Brown's message was entitled " Rebel With A Cause."

Music for the evening was supplied by the Instrumental Quintette. The male quartette gave two renditions and also sang the benediction.

LETTER FROM SAIGON . . .

"It's been quite a 26-hour period here in Saigon and it is not over yet. On Wednesday morning, 3.00 a.m., things began at the American Embassy. Our ambulances went to get the first wounded and Sgt. Kregar (our head Sgt. — big, capable, and been through three wars) got a bullet in his 'behind'. The V.C. killed the 2 M.P.'s, and the 3rd Embassy Guard locked all the doors of the inside building."

The above was the opening paragraph of a letter sent from Saigon, February 1, 1968. The sender was Ann McDonald, an American Red Cross recreation director serving in military hospitals. (Her tour of duty in Vietnam is to be one year).

The letter was addressed to her father and mother, Judge and Mrs. Archie D. McDonald, of Hastings, Michigan. Ann is a niece of Allan K. and Walter C. MacDonald of Winchester.

The long and interesting letter told of the many hardships endured in the war-torn country, but typical of the wonderful world of young people, Ann found humour where the hand of death stood poised at every hour of the day and night.

The young girl stressed the necessity of sleeping under beds rather than on the soft mattresses and recalls an instance when patient who had seen lots of combat refused to leave his comfortable bed for the safety of "under the bed" sleeping. The nurse tried all means at her disposal but the patient refused to move. Finally, in desperation, the pretty young nurse said "Alright, I'll get under the bed with you."

Ann related to her parents the great risks being taken by ambulance drivers and medics, and in true young-girl fashion went into some detail in her descriptions of some new officers who had recently arrived.

In her closing lines she returned to the grim reality of war — "TSM air base was attacked. 100 VC in so things were busy there. Under control now. All flights cancelled so don't know when I'll go to Danang. All for now, Love, Ann."

Interesting Facts On Oat Varieties

With Spring planting time approaching rapidly the Canada Department of Agriculture has released some interesting facts concerning oat varieties for Ontario.

According to Dr. G. H. Clark of CDA's Research Station at Harrow, five varieties, Garry Russell, Stormont, Dorval and Kelsey are recommended for planting in Ontario this year.

Garry remains of the highest yielding varieties in this province. It is medium tall with fairly good straw strength, and has white hulls and a kernel of averare size.

Russell is about equal tc Garry in yield but it has a slightly shorter straw and is a day or two earlier in maturity. The kernel is larger and its hull thinner than in Garry.

The new variety Kelsey was developed at Indian Head, Saskatchewan, and is recommended by the Ontario Committee on Field Crops Recommendations. In a trial at Woodslee Substation last year this variety yielded 89 bushels of oats per acre about the same as Garry. However, Kelsey has a somewhat weaker straw than Garry.

Stormont is a strong-strawed oat that yields well under good growing conditions. Under average conditions it produces lower yields than Garry. This variety matures a few days earlier than Garry and has very nice plump kernels.

Dorval is a high yielding variety that is taller and matures two to four days later than Garry. Because Dorval has fairly weak straw it is not recommended for most areas of Ontario. It has produced higher yields of grain than Garry in Eastern Ontario and it is recommended for that area.

Four Municipal Drain Contracts Awarded

At a recent meeting of the Council of the Township of Winchester, four contracts were awarded for the construction of municipal drains.

From the tenders received from eight contractors, the following were accepted: Murray Gray, Ottawa, to construct the Jorgensen Drain at 59c per cu. yd. excavation; Cruickshank Construction Ltd., Morrisburg, to construct the Clark-Holmes Drain at 56c per cu. yd. and the Lannin Drain at 54c per cu. yd.; and Barry Forbes, Hallville, to construct the Fraser Drain at 60c per cu. yd.

The date for the reading of the Engineer's Report on the Lough Drain and the Reveler Drain was set for May 1.

C.M.H.C. Announces New Lending Values

Potential home builders in Winchester should take note of recent information made available through Central Mortgage and Housing Corporation as it applies to this town.

A letter to a director of the Chamber of Commerce states that loans for new homes are available as follows: 95% of the first $18,000.00 of lending value plus 70% of remaining lending value in excess of $18,000.00 The information states that N. H. A. financing in Winchester would be applicable for consideration for lots approved in subdivisions and for lots which may be considered as "in-filling" within the village limits. The letter states: "Vacant lots within built up areas of the village may be described as "infilling.' A typical example of the term 'in-filling' would be a recently approved N.H.A. loan located on Dufferin street. The area is completely built up with the exception of this lot."

The letter from Central Mortgage also asked to be kept informed of further extension of sewer services in the village and that the corporation would consider other lots in the village for financing.

It was pointed out that applicants should obtain prior approval of their lot from N.H.A. before submitting application for a loan. Where a lot is approved any application for loan will, of course, be subject to the acceptance of the applicant under the regulations and will also be subject to the availability of mortgage funds.

100 CLUB

continued from Page 1

Clare Chamberlain reported for the Scout Commiteee. Bert Stel, of Special Events Committee, outlined plans for a "Light Bulb Blitz" on May 23rd expressing the hope that all village and area residents will give the Centurians a warm reception and take advantage of the opportunity to replenish their supply of bulbs.

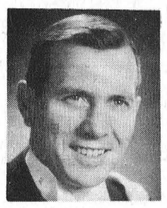
MAY MEETING

Doug Keys, Harold Lannin and Jack Hatcher make up the program committee for the May meeting which will take the form of a "Tour." This event is only in the planning stages and more information will appear in the Press as it becomes available.

Centurians agreed this was one of their best meetings for some time and are anticipating a renewed interest with addition of still more new members. Sports Committee Chairman Charles Ault will have many interesting events planned for the summer.

Centurian Howard Biccum acted as Secretary for the meeting in the absence of Secretary Jack McIntosh.

ASK YOUR CHIROPRACTOR



Question:

I have a slipped disc, can I obtain help for it?

J. A. Laquerre, D.C.
Alta Vista
Chiropractic Centre
Near Bank & Heron
Rd., Ottawa South

Answer:

Slipped disc, herniated disc and ruptured disc are one and the same thing. A person who suffers from this problem is afraid that it will recur and the excrutiating pain and immobility will return.

A disc problem is a legacy in itself. It is not a thing that just happens. The start of the trouble may date back several years. It may have been a jolt or a fall that went unnoticed at the time or perhaps it was painful for a few days, then presumably cleared itself.

But what can happen is that the jolt causes a slight misalignment of the spine. This in turn places greater than normal stress on the adjacent disc which because of this added pressure gradually looses strength. The end result is a protrusion of the disc resulting in painful nerve root pressure.

The chiropractic approach is to correct the misalignment of the spine permitting the disc to heal and allowing the nerves and disc to function normally.

Response to chiropractic therapy in cases of disc trouble often results in patients returning to normal work in a relatively short period of time.

CNIB Notes... ...To Remember

With many campaigns being organized in the area to aid the National Institute For The Blind in their current building program, some notes from Mr. Patrick take on a special meaning:

1. Over 2,00 blind Canadian are employed in industry across Canada.
2. Tin Foil DOES NOT buy a Seeing Eye Dog. They are provided through the Canadian National Institute For The Blind.
3. There are 100 blind dictaphone typists working in Canada.
4. Six Canadians a day lose their sight.
5. The White Cane came into use in 1921 in England. It is now an almost universal symbol for the Blind.
6. The Wise Owl Club, sponsored by the CNIB, attempts to educate the public about the value of safety glasses. Charters in the Club have been granted to 794 industrial companies. Individual awards for saving sight on the job have gone to 2700 workers since'61.
7. Not all blind persons are totally blind. A person with less than 10% vision is considered blind.
8. Glaucoma can occur in anyone over thirty. Blindness will result if glaucoma is not diagnosed early. The cause is increased pressure within the eyeball. Approximately 10% of the blind registered with the C.N.I.B. lost their sight through glaucoma.

OPP WEEKLY REPORT

O.P.P. officers in Dundas County last week patrolled 11,483 miles of highway and secondary roads in a total of 757 duty hours. During this patrol 126 traffic charges were laid and 66 traffic warnings issued.

Officers investigated six property damage and three persons suffered minor injuries. One of these accidents involved a school bus carrying 40 school children. It could have been serious, but luckily, none of the children were injured.

The Ontario Provincial Police and the Ontario Department of Transport spend a great deal of time in their efforts to educate both the drivers and the children in school bus safety. Articles relating to this subject have been repeatedly published in almost every newspaper in this province, but people using the highways still do not exercise enough care or caution when driving in the vicinity of a school bus. The school bus carries a priceless cargo, possibly even one of your own children. This seems like an appropriate time to again mention a section from the Highway Traffic Act of Ontario. Section 94(2) states:

"Where a school bus is stopped on a highway or part of a highway on which the maximum speed limit is greater than 35 miles per hour, for the purpose of receiving or discharging school children, the driver of a vehicle, when overtaking a school bus on which the words 'do not pass when signals flashing' are marked and two red signal lights are illuminated by intermittent flashes; and when meeting on a such a highway, other than a highway with separate roadways, a school bus on the front of which two red signal lights are illuminated with intermittent flashes, shall stop the vehicle before reaching the school bus and shall not proceed until the school bus resumes motion or the signal lights are no longer operating."

Officers also investigated a total of 37 other occurrences including three minor thefts and one break and enter. Investigations into infractions of the Liquor Control Act resulted in 10 charges being laid under that statute. Three charges under the Criminal Code arose from an investigation into an alleged traffic accident. One person was charged for failing to produce proof that the vehicle he was operating was insured.

Well Known Agricultural Director F. A. Lashley Retires

A man, well known in agricultural circles throughout Ontario F. A. Lashley, has retired from the position of Director of the Agricultural and Horticultural Societies Branch of the Ontario Department of Agriculture. Mr. Lashley has saw continuous service with the Department since 1927.

In making the announcement, Everett Biggs, Ontario's Deputy Minister of Agriculture, named Ed Starr, Associate Director of the Extension Branch since 1965, as Mr. Lashley's successor.

Mr. Lashley has had a distinguished career with the Department. A native of Lanark County, he graduated from Kemptville Agricultural School, receiving his degree from the Ontario Agricultural College in 1927, in which year he was a member of the College Livestock Judging Team which placed highly at Memphis and Chicago. Upon graduation, he served as a Livestock Fieldman with the Department for two years, and from 1929-1949 he was Agricultural Representative in South Simcoe County.

In 1949 he became Associate Director, and in 1951 Director of Agricultural and Horticultural Societes Branch. For many years he has also served as Secretary of the Ontario Plowmen's Association, and in this capacity co-ordinated the activities of the International Plowing Match.

IN MEMORIAMS

BLAIR—In loving memory of Charles W. Blair, who passed away April 28th, 1951.

Just as you were,
You will always be,
Treasured in our memories.

—Lovingly remembered by daughter Mabel and family. 51p

ACRES—In loving memory of a dear wife and mother, Olive Acres who passed away April 17th, 1959.

Along the road to yesterday,
That leads us straight to you,
Our memories of the happy days
Together we once knew.
We cannot bring the old days back,
When we were all together,
But secret tears and loving thoughts.
Will live with us forever.

—Lovingly remembered by Husband and Family. 51c

LEWIS—In loving memory of a dear husband and father, Fred Lewis, who passed away April 30th, 1965.

The midnight stars are shining.
Upon the silent grave.
Beneath it lies the one we loved
The one we could not save.
We do not forget you, nor do we intend,
We think of you often, and will to the end,
Gone and forgotten by some you may be,
But dear to our memory, you will always be.

—Lovingly remembered by Helen and Family. 51c

SUTTON—In loving memory of a dear brother, Russell Franklin Sutton, who passed away April 24th, 1967.

His memory is as dear to-day,
As in the hour he passed away.

—Gordon, Jean and Family. 51p

SULLY—In loving memory of a dear mother, Mrs. George E. Sully, who passed away April 23rd, 1933.

There is no parting from those we love,
For to-day in memory's garden
We still walk side by side,
Each dawning day a thought of you dear mother,
At eventide a prayer.
And in the hearts of those that loved you, mother,
You always will be there.
Dear mother in Heaven, God bless you to-day,

—Sadly missed by her daughters and neices and nephews 51p

McLEAN—In loving memory of a beloved wife and mother, Minnie McLean, who passed away April 21, 1960.

The heavenly gates were opened,
Eight years ago to-day;
With goodbyes left unspoken,
You gently passed away.
You could not say goodbye to us,
Perhaps it was just as well;
We never could have said goodbye,
To the one we loved so well.

—Garnet and family. 51p

HUMMEL—In loving remembrance of our dear son and brother, Bert Hummel, who died April 21, 1937.

The happy home we once enjoyed,
Is gone forever more;
Dear Bert, no more you join our number,
No more our sorrows share,
No one on earth can take your place.
We cannot bring the old days back,
Your hands we cannot touch;
But we cherish happy memories,
Of the one we loved so much.
We think of you in silence,
Your name we oft recall;
There's nothing left to answer,
But your picture on the wall.
Though on earth you are no more,
Our thoughts are with you as before;
Loving thoughts will always linger,
Around the grave where you were laid.

—Sadly missed by the family. 51p

Mrs. A. Sheldrick Hosts U.C.W.

Mrs. Archie Sheldrick was hostess to Vernon U.C.W. on April 11th with 12 members in attendance. The president opened the meeting with an Easter thought and a short message on the hope of the Easter message. Scripture lesson was read by Mrs. A. Keeler, and the meditation given by Mrs. W. Porteous. Mrs. John Kennedy led in prayer. Mrs. McBride gave a reading on Christian Stewardship and Mrs. George Lewis inspired all with a thought for the day.

Mrs. W. Porteous, who was convener for the program, chose the topic, "'Easter Customs and Symbols," which proved very interesting. She closed the program with a prayer.

A donation to Woodlands Camp will be made this year. Used stamps and used clothing for overseas relief is still needed, to be handed in to Mrs. J. Kennedy before the end of May. The Presidents' meeting will be held in Westboro United Church on May 1st at 9:30 a.m.

Closing benediction was given by Mrs. McBride, and lunch and a social hour followed.

Metcalfe 4-H Club Meeting

Metcalfe 4-H Club met at Club 31, Vernon last week when the Leaders presented interesting talks on preparation of the ground for crops.

Following informative lectures, the members judged different classes of oats and barley.

AMBULANCE SERVICE

Wind PLUS Fire EQUALS Ruins

A small bonfire and a freak whirlwind combined to completely destroy a Vernon farmhouse and all contents.

Last Wednesday a small bonfire was suddenly fanned by a stiff wind and spread rapidly through the dry grass to the nearby house. Metcalfe Volunteer Fire Department was summoned and was on the scene in less than fifteen minutes.

Chief Art Benson, realizing that the house could not be saved, concentrated efforts on containing the fire and preventing it spreading to nearby barns.

Owner of the farm, Mansel Hoy, resides in Ottawa, but his mother, sister and a brother who operates the farm were at home when the fire broke out. Mr. Hoy advised the Press that the loss is partly covered by insurance.

Club 31 Stages Third Successful Card Party

Club 31 held a card party in the Hall last week with 9 tables filled. Prizes were won by Mrs. Lorne Wyatt, Mrs. Willard Acres, Aaron Stoodley and Larry Sayant.

Refreshments were served by the committee in charge, Mrs. Stewart Fisher and Mr. and Mrs. John Porteous.

Winston Bellinger, president of the club, thanked all for attending and also those who had attended the three parties, as all had a chance on the major prize. The names were placed in a hat and Mr. Porteous drew out the lucky name, that of Leonard Cameron, who received a hamper of groceries.

Mrs. Harold Cowan New Vernon W.I. President

Mrs. Harold Cowan is the new president of the Vernon Women's Institute, having been elected at a well attended Annual Meeting at Club 31 last week. Mrs. Cowan succeeds Mrs. Stuart Dalgleish.

The meeting was in the form of a pot luck supper and Miss Anne Barwell, Public Relations Department of the Bell Telephone Company, was the guest speaker. Miss Barwell showed slides portraying the "Changing Years." The interesting slides featured highlights and fashions on current events from 1911 to 1968.

Miss Barwell was introduced by Mrs. Theodore McBride and thanked by Mrs. Archie Sayant. A collection of "Pennies For Friendship" was received. Mrs. Cowan, in accepting the high office, thanked the members for their confidence. New business included plans for a Rummage Sale in aid of Winchester District Memorial Hospital to be held Friday, May 10th at Club 31. Donors are requested to leave articles at Club 31 or contact a W. I. member.

Mrs. Cowan, Mrs. A. Sayant, Mrs. I. Bath and Mrs. H. M. Lee were appointed delegates to the District Annual on May 21st at Osgoode.

An invitation was extended to attend Achievement Day at Greely on Saturday, May 11th.

Complete list of oficers for the coming year is as follows:

Other leaders to be appointed.

Enter South Carleton League

Metcalfe Softball Team Starts Practice This Week

Metcalfe men's softball team will again enter the South Carleton League this year, and have planned their first practice session for this week. The South Carleton League has to be rated one of the top leagues in the district, and league officials have scheduled the Annual Meeting for Wednesday, May 1, at Manotick Fire Hall.

The league has been ably directed for the past two years by Alf Taylor, with Jack Armstrong as Secretary. Unfortunately last year Kemptville was unable to field a team and it is hoped they may be able to return to active play this summer.

Metcalfe is a comparatively new entry in the league, this being only their third year, and at their organizational meeting last week, Joe Rowan was elected Club President. Ralph Dillabough will take on the duties of secretary-treasurer. Directors are Larry Corlyn, Jim Haggerty Ian McDiarmid and Martin Rowan.

Doug Hay Heads Russell 4-H Club

Doug Hay was elected President of the Russell 4-H Club at a well attended meeting last week. Other officers elected include Vice President Jim Campbell; Secretary Eric Campbell; and Press Reporter Dulcie Hamilton.

The next meeting of the club will be April 30th.

An important message to farmers:

CROP INSURANCE

Protects you, your crop . . . and your credit . . . with low-cost, comprehensive coverage against the hazards of Hail, Wind, Drought, Frost, Flood, Plant Disease, Insect Infestation, Excessive Moisture and Excessive Rainfall. Apply for coverage now

To insure spring grains — apply by May 15
Crop insurance is a guarantee of production. Select the coverage you want — 60, 70 or 80% of your average yield of *oats, barley, mixed grains* — and if your yield is below the guaranteed level, the insurance makes up the difference.

To insure forage — apply by May 1
Designed to meet the needs of both dairy farmers and cattlemen, this coverage insures seeded pasture, hay, hay silage, corn silage — at $15, $20, or $25 per ton of hay or hay equivalent — *with premiums as low as 83 cents per ton.* Select your coverage on the basis of what you would have to pay for forage next winter if your crops failed.

To insure grain corn, soybeans — apply now
The recent introduction of two new insurance plans gives coverage for grain corn and soybeans. Corn is covered against the added hazard of wildlife damage. These crops can be insured for 70% of your average yield at the established prices of $1 per bushel for corn and $2.50 per bushel for soybeans. *Final application dates for insurance on these crops vary* — for the deadlines in your area, check with your local agent, or write us direct.

$15 down
A $15 deposit on your premium secures your crop insurance contract — with the balance payable when you report your seeded acreage.

NEW, 'NO-CLAIM' DISCOUNT
Federal and Ontario Government subsidies cover 30% of all premium costs — and a new discount scheme reduces premiums still further. A cumulative premium discount of 5% under each plan is allowed each year to contract holders who have not reported claims — up to a maximum discount of 25%.

The prudent farmer insures his crops for the same reason that he insures his buildings, machinery, equipment and livestock.

For more information or details on insuring your crops, see your local agent — or write direct to:

New Swimming Pool Regulation Effective May 1st

A new Safety Device will soon be compulsory for swimming pools in Ontario. As of May 1, new pools must include the equipment, and by November 1 all pools with underwater lighting will be required to have it.

The device, called a ground fault protector, is mandatory under recent changes made by Hydro in the Ontario Electrical Code and approved by a cross-section of the electrical industry.

The device cuts off circuits instanteously after the smallest amount of current leakage occurs. Costs will vary from pool to pool, depending on the number of lights involved and other particulars of the installation.

"In swimming pools," explains Hydro Chairman George Gathercold, "we are concerned not only about potential shock hazards from conventional voltage levels, but also very low electrical currents that by themselves are not necessarily fatal to a swimmer, but can be of sufficient magnitude to cause shock and either immobilize or panic the victim.

The equipment to be installed is designated to meet these stringent safety requirements.

Each device is equipped with a test button and must be checked every day before the pool lighting is used to ensure it is in operating condition. A warning sign bearing this advice must be located near the control switch for the lights.

With this system and the additional requirement of double grounding, says Mr. Gathercole. "the maximum safety afforded by present-day electrical technology will be available.

Mrs. Aggie Casselman and Mahlon visited Mr. John F. Casselman at the Winchester hospital Sunday afternoon.

Mrs. Bertha Hanson of Dundela spent Sunday with Mr. and Mrs. Alton Riddell. Mr. and Mrs. Bill Jackson of Brockville were supper guests at the Riddell home.

Mrs. Lloyd Beckstead and Larry accompanied by Mrs. Allen Beckstead and baby spent Sunday afternoon with Mr. and Mrs. Nathan Beckstead and baby of Williamsburg.

Mr. Tom Anderson spent the week-end with Mr. and Mrs. Gordon Cooper and family of Brinston.

Friends Honour Hilda Kearns 80th Birthday

Mrs. Ivan Casselman and Mrs. Alton Riddell were hostesses at "Hillpen" Farm on Saturday evening when the ladies of Strader"s Hill gathered to honour Miss Hilda Kearns on the occasion of her 80th birthday.

The evening was spent in visitation, euchre, and Miss Joan Adams showed films of Dundas County which were much enjoyed.

During the evening Mrs. Casselman read an address, and the presentation of many lovely gifts were presented by Mrs. Alton Riddell. Miss Kearns expressed thanks for the kindness shown her, and Miss Adams took a picture of all present.

Lunch was served by the hostesses including a heart-shaped birthday cake made and presented as a gift by Mrs. Riddell, bearing 80 candles.

47,000 Ontario Drivers Have Licences Suspended In 1967

More than 47,000 drivers' licences were suspended in Ontario in 1967, Ontario Transport Minister Irwin Haskett said recently.

Mr. Haskett disclosed the suspension figures for the first time, and outlined Ontario's system of driver control, in an address to the Insurance Institute of Ontario.

More than 900 of the suspensions were for an indefinite period on grounds of physical or mental deficiencies or irresponsible driving records.

The 47,421 suspensions last year affected about one of every 70 Ontario drivers, as follows:

—5,822 were imposed by courts as parts of penalties.
—17,186 were mandatory following convictions for impaired driving or other traffic violations.
—11,267 involved proof of financial responsibility.
—7,596 involved failure to pay claims or judgments.
—4,611 were imposed under the Demerit Point System.
—939 came under Section 25 of the Highway Traffic Act covering mental or physical disabilities.

Most suspensions were for a specific period such as one month or three months or a year. But most of those under Section 25 were for "an indefinite period . . . until a motorist can demonstrate that he deserves to have his licence back."

Mr. Haskett described driving as "a privilege that calls for responsibility on the part of the individual . . . and responsibility on the part of the government in the handling of that privilege."

Licencing procedures, the Demerit Point Systems, laws, the police, the courst and special reviews of drivers' records are all part of a driver control system that aims "to correct the driver and to protect other users of the road."

Complete Centennial Scrap Book Project

Most Centennial projects were completed before the end of 1967, but some necessarily could not possibly be finished before the end of the year.

One such was the "Centennial Scrap Book" which was open to all Public and Separate School students in the Metcalfe district. This contest was a special project, inspired and promoted by Mrs. L. Morrow, with a possible assist from her good husband, the Doctor.

So excellent was the work in the various scrap books entered that picking a winner was a real problem for three Ottawa school teachers who painstakingly viewed and reviewed each masterpiece.

Originally there were to have been three prizes, but two ties necessitated the awarding of five. Then Mrs. Morrow, impresed with the work of one "very little" girl, decided to add just one more prize, to Nancy Kinnear.

Top winner was Colin Reaney son of Mr. and Mrs. Cecil Reaney, who is a Grade 7 pupil at Metcalfe Public School. In a tie for second were Philip Cooper and Will Kinnear. Mike Miller and Ron Urquhart tied for third honours.

Proudly displaying their Centennial Scrapbooks that will surely prove of great value in years to come are, back row, left to right: Colin Reaney, Ron Urquhart and Philip Cooper; centre, left to right, Michael Miller and Will Kinnear. In front, Nancy Kinnear.—Press Staff Photo.

EODC Annual At Chateau

"An inventory of resources in the various zones took place in 1967 and in 1968, the problem is to evaluate what has been collected. In 1969 the department will be ready to start the actual planning and perhaps some pilot projects."

This was the explanation given by Dr. R. S. Thoman, regional development director in the Ontario treasury department, in answer to some severe criticism levelled at the Ontario Municipal Board, during the annual meeting of the Eastern Ontario Development Council.

The meeting, at the Chateau Laurier, Ottawa, was well attended and the following officers were elected for the coming term: President, Nick Kaneb; vice president, Don Irvine; general manager, H. D. Callan.

It was evident that most communities in the eastern part of the province feel neglected and frustrated in their efforts and are looking for more consideration from authorities in Toronto.

THIS WEEK'S OFFICER

D. L. "Lee" McCaslin

Provincial Constable D. L. "Lee" McCaslin, a well known officer in this area, is a native of Dundas County. Lee attended Irena Public School in Matilda Township, then received his high school education at Iroquois High. In 1961, after graduating from Iroquois High, he went on to Radio College of Canada in Toronto. For three years, beginning in 1962, he was employed by the Ontario Proivncial Police as a civilian radio operator at No. 11 District Headquarters. Being clearly discernible over the air, he became known as the boy with the golden voice.

In 1965 Lee joined the Force and after a three-week orientation course at the Provincial Police College in Toronto, he was posted to Morrisburg as a Constable. Since then he has successfully completed a 12-week course at Ontario Police College in Aylmer, Ontario, and is engaged mainly in traffic. Constable McCaslin, his wife and son reside on the family homestead in Matilda Township.

CORNER LANES

723 was the highest cross rolled at the lanes last week and this was in the Fireside league, with B. Casselman scoring singles of 164, 285 and 274 for 723. Francis Wylick had the best single, 291-617. Other good scores in the league were: L. Guy 689-241, Don Levere 676-254, J. Plummer 665-231, W. LaPorte 631-239, Pete Tesseler 559.

Gay Twenties

Brock St. Dennis led the pack in this department with consistent scores of 206, 238 and 271 for the high cross of 715. Brock's 271 was also the best single. Bruce Acres scored 676-209, Don Mattice 617-243, Norm. Robinson 609-212, Harold Dillabough 574, Margaret Dalgleish 551.

Community League

Singles of 258, 238 and 215 gave Cliff Warren the high cross of 711. Earl Gray rolled the top single, 283-631. Three other players scored over 600: Don Levere 707-281, Don Holmes 638-254, Arn Stobo 638-223. Another eight passed the 550 mark. They were: Allan McRoberts 597, George Watson 560, Janet Holmes 560, Leroy Empey 559, Willa Potter 553, Grace Stobo 551, Jose Poole 550, and Beatrice Warren 550.

Happy Gang

The star of this league was Edith McDiarmid who scored both the high single and high cross, rolling 181, 190 and 226 for 605. Doris Kennedy had 573, Elsie Thompson 558, and Darlene McDonald 554.

HALLVILLE JETS BOWLING

Dick Blaine was high bowler of the week in the Hallville Jets League with a game of 273 for a fine cross of 624.

Other good scores were: Mel Christie 253-607; Bob Williams 230-597; Marilyn Williams 217-593; Orville Weiland 253-586; Lanson Hyndman 239-578; and Lorne Cooke 207-560.

Sugar Road Wins Top Money At "Mohawk"

A Winchester-owned horse is literally tearing up the track in Toronto racing activities. The horse, Sugar Road, owned by Harold Levere and driven by Ross Curran, has just moved into "Greenwood" and will be racing at this track for the next three weeks.

A six-week stay at "Mohawk" proved very successful and in the last four outings at this location Sugar Road picked up two wins, a second and a third. Some oat burner, eh!

WINCHESTER BROOMBALL CHAMPIONS

Winchester broomball players enjoyed a very good winter season, and in play-offs, completed at the end of the year, "Rifles" emerged the victors.

In the final game Rifles met Cowboys and the two teams played to a 4-all tie in regulation play. A goal by Cliff Warren, in the third overtime period gave Rifles the championship.

Victory smiles: back row, left to right: Irwin Rene, Gerald Helmer, Gary Baker, Bill Hogaboam, Earl Casselman. Front row, Bob Porteous, Junior Helmer, Cliff Warren, Irwin Skuce and Reg. Harper.—Photo by LaSalle.

To Officially Open Ottawa Home Show On April 29th

It has been announced by the Home Builders' Association of Metropolitan Ottawa that Madame Lucien Lamoureux, wife of the Speaker of the House of Commons, will officially open the Ottawa Home Show at Lansdowne Park, Monday, April 29th, at 4 p.m.

While the builder is responsible for the construction of the house, it is the woman who makes the home — therefore it is appropriate that the Ottawa Home Show be opened by so distinguished a homemaker as Madame Lamoureux.

Born in Hull, Quebec, Madame Lamoureux has been fluently bilingual from early childhood. Receiving her formal education at the Normal School in Hull, and the Sacred Heart Convent in Ottawa, she later studied at the University of Ottawa School of Drama and was associated with theatre groups in Ottawa and Hull for many years.

Besides being the busy mother of four children, she has found time to be active with a number of charitable organizations and cultural societies in Ottawa and also in Cornwall, where the family has a permanent home. More than fifty women's organizations and associations will be represented at the official opening ceremonies to give added strength to the woman's touch at this year's Ottawa Home Show.

Over 100 handpicked exhibits will display and demonstrate modern home comforts and beauty in keeping with the Ottawa Home Show theme — At Home — In Our Second Century.

The Ottawa Home Show will be at Lansdowne Park the week of April 29 to May 4.

It Was Relevant

Two weeks ago a group of young people staged a re-enactment of the crucifixion in Smiths Falls. Since then, because of the contemporary setting of the Good Friday message, comments have been flying from all directions. Many condemned it. Others upheld it. It is interesting to note what the Smiths Falls Record News had to say, editorially, in its last edition. This newspaper quotes from the Record News:

"It is by now a familiar technique of church sermons to ponder how the contemporary world would treat Jesus Christ if He were here today, doing and saying the kind of things He was doing and saying almost 2000 years ago. Curiously, this kind of exercise is acceptable to almost everyone as long as it does not stray too far into graphic realism. At this point, in the view of some church leaders, it becomes sacrilegious, offensive to Christians, and disturbingly controversial.

"Undaunted, a group of young people in Smiths Falls staged a contempory re-enactment of the crucifixion on Good Friday, with hundreds of teenagers milling "We want justice" and "Kill the bum". In this contemporary setting, Christ had been charged with being a hippie, a dope peddler, a free-lover, and a boozer.

"Rev. D. K. Purdy of St. John's Anglican Church, who played the part of an interrogating officer, claimed nothing more for the production than that it might teach teenagers about the crucifixion in a way that would remain in their minds. We would guess that it accomplished this objective admirably and that, by relating the Easter story to a contemporary situation, it made some strong points about the need for tolerance in modern society.

"Perhaps controversy will follow, but the Smiths Falls production seemed to be more relevant to Easter than many of the loftier observations made elsewhere."

Donations To Lick Cancer

Across Ontario this month, one hundred thousand volunteer workers, including quite a large number from this area, have been going out into the streets, into industry and residential areas to wage one of the largest fund raising campaigns in Canada for Cancer control.

A casual observer of this assault might ask why. Why are all these people giving their time and effort to this cause? How are they helping to eradicate cancer? What chance is there of curing the disease anyway?

The answers to these questions perhaps sound glibly melancholy, but they go much deeper than that, they are rooted in the foundation which humanity is built on. The thousands of Cancer Society volunteers give their time and effort because they are concerned about their fellow humans. They are passionately interested in stamping out this disease which killed 26,000 Canadians last year. They are at war with cancer and their main enemy is ignorance which they are attacking with education. This is how they are helping to eradicate cancer. The greatest force in the fight to prevent cancer is education.

People must know the danger in cigarettes, they must know the danger of too much exposure to the sun, they must know that by means of the "Pap smear" the complete elimination of cancer of the uterus is a possibility. And our volunteers are spreading these cancer facts.

Cancer *can* be eradicated but only through research can we find the solution. Thousands of medical men and scientists in every part of the world are devoting their lives to finding the answer. In Canada, over one hundred scientists are tackling this problem on every possible line of approach. Much progress has been made but the search is expensive — the price is in the millions, the reward is life. Every dollar raised intensifies the scientific attack.

During this month long campaign which is now drawing to a close Ontario Cancer Society volunteers will raise three million dollars, and a significant contribution will be made right here in the Winchester area. Because of their efforts and your donation the answers to the problems of licking cancer will be that much closer.

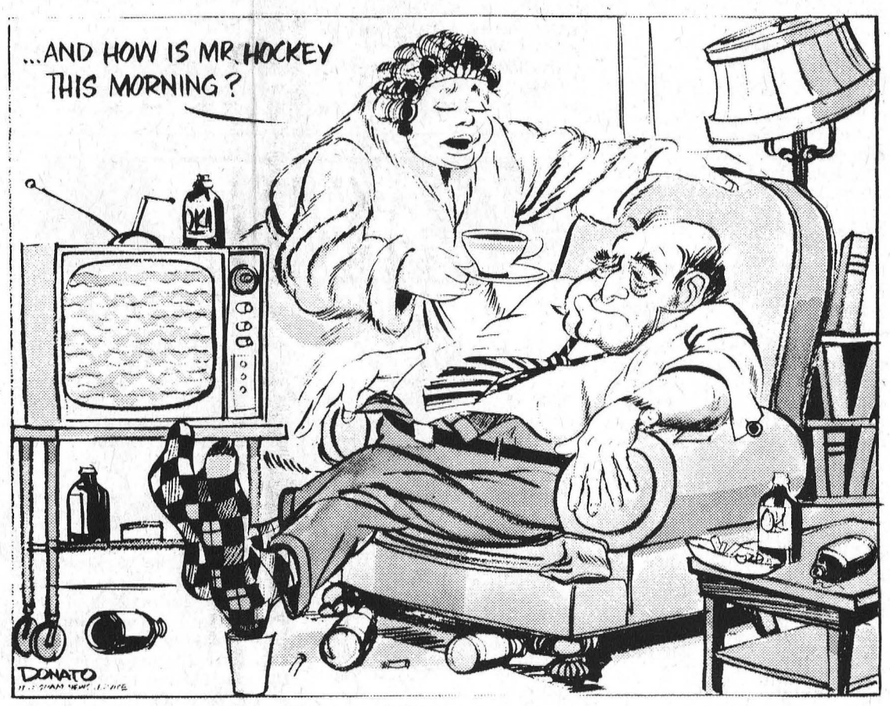
The Fur Trading Business

The fur trade formmed the advancing frontier of European civilation as it swept across the northern half of the continent to the Pacific. Ultimately, the fur trade also represented a retreating frontier for the civilization of the Indians, who had more furs than they could use; they eagerly exchanged them for European goods such as guns and metal tools.

The fur trade led to cultural and racial interchange as well as commodity exchange. French traders and coureurs de bois married Indian women along the St. Lawrence River, around the Great Lakes and across the northwest, wherever they were trading. English and Scottish traders were not permanently posted to Canada and did not live away from their posts to the same extent as the French traders. Even so, many of them intermarried with the Indians of the Hudson Bay area, the prairies and the far west. But many of them left their children behind to be raised as Indians. Trading alliances formed and broke among Indian tribes, and between Indians and whites. Wars were fought over the lucrative fur trade as rivalry grew between English and French between white and Indian, between the Hudson's Bay Co. and the North-West Co.

The organization of the fur trade reflects this bitter political and corporate competition. It also reflects the harsh living conditions and the high cost of transporting heavy trade goods and supplies up the rivers of the eastern Canadian drainage basins. These problems were conquered with an organization based on tough central authority and fortified outposts. The trading posts aimed to dominate their territories completely. They discouraged the encroachment of settlers on the wilderness, except in areas where the trading posts wanted agricultural support for themselves.

These autocratic outposts strengthened their rule over the wilderness when the two rival fur-trading companies merged, but eventually, slowly and grudgingly they yielded their grip as the fur supply dwindled and the frontiers of heavy settlement moved westward. Industrialization followed, quickened by gold rushes, the advent of steam powered transportation and the formation of strong central government provided by the Act of Union and Confederation.



Sugar and Spice

by Bill Smiley

Good Luck, Pierre !

Everything that could possibly have been written about the Liberal leadership convention has already been written. But it's Spring, almost, and we have a new prime minister, almost. They're both pretty green, but Summer usually follows.

No, I didn't bet against Trudeau. But I can't see a guy called Winters ever winning an election in this country. We get enough of that nonsense about eight months of the year.

As an English teacher, I always look at names for symbolic suggestions. Winters has already been dealt with. Hellyer sounds slightly like "Hell with yer, I'll do as I please."

Paul Martin. I think a martin is a small bird. And he sure got it from the eagles and falcons. But he was a game bird, despite the fact, and deserves a salute for dignity and courage.

(I met Martin years ago encumbered by a couple of plastered Liberals from the sticks, and he had the same dignity then. These are the people who let him down, after he'd made gruelling trips to Hayfork Centre to speak for some local jerk.)

Turner didn't live up to his name. Tough. No turning. Watch out for him in future. He wants it all or nothing.

MacEachen was a disappointment. He's a man of intelligence and integrity. But he ran his campaign as though he were running for Reeve of Juniper Junction, and even made a bollix of withdrawing from the race. A pity.

Joe Greene is Joe Greene. I've seen him in action before. A dangerous orator of the old school: emotional, convincing, but a pretty fair Minister of Agriculture when you penetrate the verbiage.

Sharp was sharp, and always has been. He made the right move at the right time, and he's famous for this. Despite a couple of abysmal lapses during the economic crisis.

Kierans made a great fight, but who really feels sorry for a millionaire who's going to wind up in the Cabinet, and didn't have a ghost of a chance in the first place. Stout chap though.

You can't make much of Trudeau's name, symbolically. However, I think he's just possibly a better choice than that chap called Laframboise from Northern Ontario. I have a vague idea Laframboise means "The Strawberry." And where would we be then, internationally? Eaten, with sugar and cream that's where.

All I hope is that Canadians won't go sour on Trudeau when the Gallic shrug, the quirked eyebrow and the chimpanzee's grin disappear after a couple of months of dealing with all the garbage a prime minister must put out.

To the constant disgust of my wife and daughter, I knocked J. F. Kennedy constantly after his election. I kept saying, "Sure, he's cute. Sure he has a beautiful grin. Sure, he's witty. Sure, everybody loves him, except 49 percent of the U.S. voters. But he's a ruthless politician. When is he going to do something besides charm people?"

I feel the same way about our new prime minister. He's clever, charming, rich. He's a bachelor, which probably accounts for the rich and charming.

I wish him well. I hope he breathes into Canadian politics that fresh new breeze everyone is predicting. But I wouldn't count on it. Most of the boys in the press gallery touting him as the salvation of Canada were saying the same about Dief ten years ago. And they'll be the first to start cutting strips off him when he fails to produce immediate miracles.

Good luck, Pierre Elliott Trudeau. I think you might just do it. And, finally, goodbye Lester Pearson. I think you were a dandy despite your faults, and I think history will record you as such.

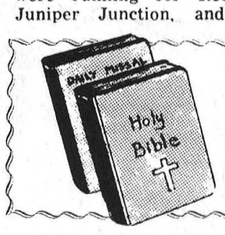
Meditations...



by REV. CECIL W. TUININGA

Mark 10:17—"What shall I do that I may inherit eternal life?"

The story of the rich young ruler is remarkable. This young man was exemplary. He was honest and devout, and took life seriously. Though young, he was already one of Israel's teachers. It is remarkable therefore that this young man should come with a question which usually old people ask. In the beginning of his promising life, as it were on the very threshold of success, he comes to Jesus with this question. His coming to Jesus was in itself dangerous. Coming as he did, in daylight while many people thronged the Lord. it could mean the end of his teaching.

It is well that we bear this in mind. The question presses this young man. There is no doubt but that it is the most important thing to him at this moment. All his position, glory, high esteem of others, his evident success, mean nothing to him if this question is not answered. He cannot be happy unless it is ascertained to him that he inherits eternal life. For what are all of this world's goods if a man does not have eternal life? In this he was absolutely right!

Beside the fact of this man's future being endangered by coming to Jesus, his coming is also remarkable because he was one of the leaders called to teach men the way to eternal life. These teachers were well trained. They knew the Scriptures well. But this man was not satisfied, and no wonder, for the school that had trained him was liberal. It instructed Israel's teachers that the way to heaven was by doing the whole law of God. They taught that men could keep that law and be righteous before God.

This way of life brought the rich young ruler disappointment and frustration. Deep down in his heart he knew that he could never earn eternal life, could never appear before God in himself. But it was the only answer he had been taught. That is why he came to Jesus, for this matter weighed heavily on him.

Why did he come to Jesus? Not one of his fellowteachers sought Him. In fact, they hated him and threatened to put every one who followed Him out of their circles. They hated Him precisely because He brought the true Gospel message and taught that men are saved only through faith in Him. It was this message they did not want. It pleased them, as it pleased all men, to think that they are good men, able to save themselves. The Gospel strikes down all human pride, condemning every man as he is in himself. But that message believed restores the repentent sinner unto eternal life.

The rich young ruler asked what he had to "do" to inherit eternal life. His question was all wrong, but the answer he received was soul-searching. He had to know himself a sinner. He had to see the ugly pride that lurked in his seeking salvation in the self. But when he saw himself in the mirror of God's love he went away sad. He rejected life by doing so. What do we do with God's love?

The Seventh Column

Well, Oxfam's miles for millions walk is over and the result is a lot of sore feet, tired, tired people and, of course, more than $500,000 for the needy cause of feeding the world's hungry. In Winchester the fun is just beginning. This Saturday the new Lions club swings into action with its march for dollars for crippled children. From what we can gather it will be an extremely well organized affair over a 25-mile route. And between 200 and 400 young and old alike are expected to do the walking. The idea is sound but good common sense should prevail. To all persons medical men suggest to take it easy. When you get tired...QUIT! It is not a race and even if you walk only a mile you and your sponsors will have contributed a great deal. A news report elsewhere in this issue again outlines Saturday's march. To everyone, good walking. And if just one of the youngsters you are doing the walking for becomes well enough to take part next year or the year after——it will be worth it.

With the beautiful Spring weather shooting the season ahead about one full month announcement this week that Upper Canada golf course opens May 4th is of interest. Other district courses are also speeding up their opening dates and golfers everywhere are polishing up the clubs in anticipation of that first good drive. The fact that it may not come on the first hole matters little at this time of the year. Matter of fact many of us may be still looking for that drive come next August. Ah, golf! Meanwhile the fish are biting and if you have not wet a line yet why not take an hour or so off. It's a good way to relax in these hectic days of Spring.

And day now we are going to hear the urgent cry that we need rain. But remember last year? It rained every day, or so it seemed, in April and May.. We'll take this weather any day.

No doubt you read the bad news over the week-end. The world is doomed! U.S. Navy researchers announced they have evidence the universe is a curved, closed system, and is inexorably doomed to fiery destruction some ten billion years from now. But at the rate science is progressing today there seems little doubt that some smart young type a couple of million years before the end will have figured out a way to prevent the total consumation. In any event there is no need to rush out and check the insurance policies. But it was nice of the researchers to tell us.

An inquest revealed last week that a seven year old English boy died as the result of watching the flickering light on television. This is a new twist. We thought it was some of the slop the idiot tube is feeding the kids that was causing all the trouble.

LETTERS...

TO THE EDITOR

April 22nd, 1968.

The Winchester Press,

Dear Editor:

It is indeed a pleasure for me to take this opportunity to say "Thank You" on behalf of the Crippled Children in our area for a job well done of publicizing our appeal for help throughout this Easter Seal campaign.

The response, from the citizens of the area, has been generous. There are still some donations coming in, and are greatly appreciated by the committee. Our objective is nearly reached and should go over the top, $1,000.

It is people with community spirit and the co-operation of a local weekly newspaper such as The Winchester Press which assures the children in our area and throughout the province of a brighter future and the chance to some day take their place in the community and help to make it a better place in which to live.

Sincerely,
LION HAROLD COWAN
Chairman, Crippled Children,
Metcalfe and District Lions Club

The Winchester Press,

Dear Sir:

The Winchester Women's Institute wish to convey their heartfelt thanks to the Press for publishing the monthly meetings of the Institute.

Yours truly,
Mrs. Mac Carkner,
Secretary.

4-H NEWS NOTES

Calf Club

The first meeting of the South Mountain and Brinston Calf Club was held at the home of Mr. and Mrs. Allison Fawcett on April 11th. The meeting was brought to order by Bruce Garlough. He then told of the good points to look for in judging cattle, with all members later taking part in judging a class of Holsteins.

The group was shown how to read a pedigree and the meeting closed with a short quiz.

Lunch was served.

Win Honours

Two area 4-H girls were honoured by the Ottawa Citizen last weekend. Helen Allison, daughter of Mr. and Mrs. Ralph Allison, Inkerman, and Lynn Johnstone, daughter of Mr. and Mrs. Ralph Johnstone, represented Dundas County — Helen from the Homemaking Club and Lynn from the Calf Club. The outing is an occasion when each county is represented by two outstanding members.

The girls spent the week-end the Chateau Laurier, were treated to theatre parties, dinners and sightseeing tours.

Make Plans

Final plans for Achievement Day and "How To Wear Our Clothes" were the topics used for the eighth meeting of Winchester No. 1 Homemaking Club held at the home of Mrs. Ralph Johnstone. Eleanor Fawcett read the minutes and members joined in repeating the 4-H pledge. Twelve members answered roll call.

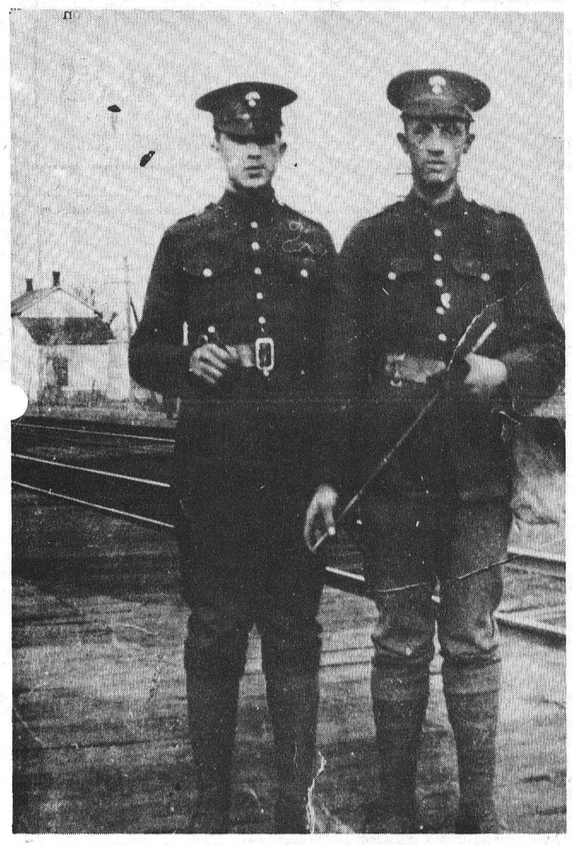
Looking Back - 60 Years Ago

Vernon's Biggest Business - In 1908



Waiting For The Train At Winchester – April 1916

The recent death of Justin "Jud" Docksteader erased the last surviving member of the 13-man crew that paused in their daily tasks on a summer day in 1908 to have this photo taken.

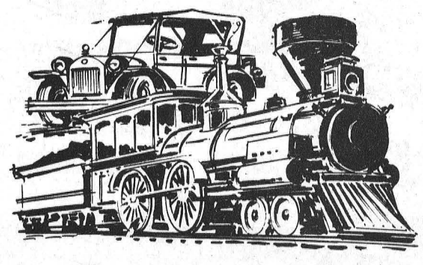
The location was Vernon (one block west of Porteous IGA), the business was the manufacturing of cheese boxes and banana crates, and the owner of the business was Byron Moses.

Thanks to the kindness of Vernon barber Ken McCallum, who questioned many old-timers, the Press has learned the names of the hardworking men who manned Vernon's biggest business some sixty years ago.

Standing, back row, left to right: Horace Crawford, John Woods, Jud Docksteader, Ezra Biccum, James Dalgleish, W Kuyper and O. V.. Woodbridge; standing with canthook, Steven Robinson; standing with hands on lumber, Byron Moses, the owner-operator of the industry; leaning on banana crates, Jack Wicks; seated down front, left to right, Herb Butterfield, Wallace Howell and Peter Rowan.

Ernie And Mark Summers Off To Bramshoot Camp

Fifty years ago this month (April 1916) two Winchester boys, Ernie and Mark Summers, were at the station waiting for the train. They were not leaving the village for a pleasure jaunt, but on their way to Bramshoot Camp in England with the 87th Battalion. Ernie is now a well-known businessman in the village, while Mark is a resident of North Burnaby, British Columbia. In the above photo the two boys take a last look at their home town before leaving in the service of their country.



Winchester Women's Institute Enjoy Pot-Luck Supper At Annual

A bounteous pot-luck supper preceded the annual meeting of the Winchester Women's Institute, held in the Legion Hall Monday evening, with a large attendance of members and guests.

Mrs. Robert Holmes, assisted by Mrs. Mac Carkner, presided over the business session which followed. Reports from officers and conveners of standing committees showed a year of much activity.

Mrs. Harrison McIntosh was appointed as second vice president for the coming year. The Tweedsmuir History was on display, and more material is prepared and soon to be entered.

Mrs. Charles Beedie, Mrs. Bower Potter, Mrs. Harold Lannin and Mrs. Robert Holmes were appointed delegates to the District Annual Meeting to be held in Mountain on May 15. Mrs. Ralph Johnstone will be attending the Guelph Officers' Conference early in May as the Winchester branch delegate.

An invitation from the 100 Club to attend a dinner meeting on Thursday evening in the Masonic Hall was accepted by the members.

A donation was given to the local Cancer Society.

Mrs. Hugh Coons, District President, spoke to the members about the highlights of her term of office in the district. She was thanked and presented with a wooden cheese tray by Mrs. Mac Carkner on behalf of the members of Winchester branch.

Main project of the organization this coming year will be to complete the last payment on the local swimming pool.

April 21-27 ... Chamber Of Commerce Week

The Canadian Chamber of Commerce will observe Chamber of Commerce Week across Canada April 21-27, according to a release by President W. M. Anderson.

In making the announcement, Mr. Anderson released the text of a message from the Prime Minister in which Mr. Pearson extended his best wishes on behalf of the Government of Canada to some 850 community Boards of Trade and Chambers of Commerce as they observe their eleventh annual Chamber of Commerce Week.

"The first year of our second century brings great challenges to all of us and I commend these voluntary organizations on their endeavours to build a better life in a growing, vigorous, progressive community representing all the promise that is Canada,' stated Mr. Pearson.

Special programs and events will be organized throughout Chamber of Commerce Week to inform citizens of the role these organizations play in promoting economic progress through community action.

World's Messiest Animal

These past warm days of spring have again exposed the well defined trails and haunts of the world's messiest animal. Strangely enough, most trails follow highways and country roads. Most common haunts are parks, picnic areas and stopover points on waterways.

To date very few have been tracked to their homes, as evidence of their passing is practically non-existent there.

You will have no difficulty trailing them on your next family outing but take care someone doesn't mistake you for your quarry. a LITTERBUG, human variety.
