Morewood Public School Fire Loss Set At $60,000

Loss by fire at Morewood this week stands at close to $80,000 as the result of a second devastating blaze that ripped through the village's 4-room public school building Tuesday night. The night before, a $20,000 fire completely destroyed the barns and equipment of Lorne Irven, who lives near Morewood.

The flash fire at the seventy-five year old Public School broke out about 8 o'clock Tuesday night in an upstairs room on the north side of the building. It was first noticed by passers-by and nearby residents, who immediately turned in the alarm.

A bucket brigade and the Chesterville Fire Department were no match for the raging flames, which quickly consumed the dried-out woodwork of the aged structure. Less than two hours after the fire was first noticed, the building was a mass of smouldering ruins.

Temporary Accommodation

The Press was told on Wednesday morning by Mr. H. R. Faulkner, of Morewood, that one room of the High School would be utilized for carrying on classes. The remaining number of the 55 Public School pupils will be accommodated as soon as temporary quarters can be found.

Mr. H. Montgomery is principal of the school. The loss is estimated at between $55,000 and $60,000, and is partially covered by insurance.

Mr. C. O. Dow Again Heads Metcalfe Agricultural Society

The Metcalfe Agricultural Society held its annual meeting in the East Osgoode Memorial Community Centre recently. The meeting was largely attended, and the president, C. O. Dow, was in the chair. Mr. Dow outlined last year's activities, and the financial statement was read by J. E. Craig.

C. O. Dow, J. E. Craig, Mrs. F. R. Stanley and Mrs. E. McGirr were appointed as delegates to attend the Convention in Toronto, Feb. 10-12.

W. M. Croskery, agricultural representative, and William Gladish, Ottawa Citizen farm writer, addressed the meeting. Mr. Gladish was voted thanks in appreciation of his co-operation and interest in the work of the society.

Mr. Dow was returned as president for the second term. Other officers are: first vice president, S. Whyte; 2nd vice president, Edgar Craig; secretary-treasurer, J. E. Craig.

Directors: H. C. Latimer, R. W. Stanley, A. C. Blair, J. A. Waddell, W. R. Wilson, Robin Campbell, John Hughes, D. M. Stewart, A. K. Johnston, John Campbell, J. L. Dowser, Alfred Carson, J. M. Tomkins, Stirling Bishop, Stan. Hicks, Robert Little, Ken. Dow, Don. Woods, Scott Argue and Edgar Stanley.

Associate directors: Clark Mansfield, David Croskery, Melvin Jeacle, Sam Rathwell, G. Brunton, William Armstrong, Neil Lee, Morton Stobo, A. M. Cameron, W. R. Loney and William Gladish.

Associate lady directors: Miss Ida McLaurin, Mrs. F. R. Stanley, Mrs. J. H. Craig, Mrs. M. Whiteside, Mrs. J. D. Cameron, Mrs. G. H. McGirr, Mrs. S. Bishop, Mrs. J. E. Craig, Mrs. H. Thompson, Mrs. F. Dowser, Mrs. E. Stanley, Mrs. W. Fisher, Mrs. J. Woods, Mrs. L. Graham, Mrs. Roy McAndrew, Mrs. C. A. Dow, Mrs. S. Hicks.

Chairmen of various committees are as follows: Reception, W. R. Wilson; Gate and Ticket, H. C. Latimer; Advertising, A. C. Blair; Sports and Entertainment, J. A. Waddell; Finance, C. O. Dow; Booths and Tents, S. Bishop; Grounds, H. C. Latimer; Ring and Program, R. W. Stanley.

Freight Train Rips Snow Plow In Two At Level Crossing

Two men escaped injury early last Thursday morning, when the Ontario Highways Department truck and plow they were operating was struck by an eastbound C. P. R. freight train at the Highway 31 level crossing at Winchester Station. The men were Owen Jones, 46, of 130 Wellington Street, Ottawa, and Edward Armstrong, 28, of Vernon. The accident occurred about 3.45 a.m. and held up traffic for approximately three hours.

Stuck In Drifts

The snowplow equipment got stuck in the drifting snow on the south tracks at the crossing. Warned by the signal, the two highway employees had time to leap out of the truck and tried to flag down the freight, No. 840. Conductor R. G. Larocque, 86 Winnifred Street, of Smiths Falls, was in charge of the train, with C. Mayhew, 22 George St., Smiths Falls, as engineer.

The train struck the truck and plow at right angles. The impact threw the platform and rear of the truck 50 feet east on the north side of the tracks, and the plow, engine and front of the truck were pitched 58 feet on the south side of the tracks, breaking off a large signal and switch along the right of way. The truck, a 1946 model, was completely wrecked. Other train traffic was routed around the wreck on the north tracks.

Chief Constable Gilbert Raistrick, of Winchester, investigated.

Fire Razes Twin Barns In The Morewood District

Twin barns, several head of cattle, valuable farm equipment including a tractor, a large supply of hay and grain were completely destroyed in a spectacular $20,000 fire at the farm of Lorne Irven, 2 miles south-east of Morewood, early Monday evening.

Thirty head of cattle were saved from the structure and housed in a neighbour's vacant barn two miles away.

Mr. Irven was at supper with his family following evening chores when the fire broke out unnoticed, in one of the two 80x36 foot barns.

Looking out the window, one of the family noticed the spreading blaze in the building only 60 feet from the house.

Mr. Irven, with the help of neighbours and his family, managed to rescue 30 of the 34 head of cattle before flames engulfed the structure.

Chesterville Fire Brigade, directed by Chief John Hehir, was helpless to combat the flames that soon spread to the second barn, which adjoins at right angles.

Firemen concentrated on keeping the flames from reaching the home. The loss is partly covered by insurance.

Mr. and Mrs. E. H. Gillespie, Mr. and Mrs. Stan. Gillespie and family left by motor on Monday to spend three weeks holidaying in Florida.

Council Decides On Tree Removal Policy

Municipal Council decided Monday evening at the February session, held in the Council Chambers, that it will not take the responsibility of removing trees on privately-owned properties in Winchester. The above decision was finally made after repeated complaints had been heard by Council members from irated citizens asking the municipality to clear away certain trees in the town that are more of a nuisance than a beauty. Council members, however, believe that the removal of trees on privately-owned property is the individual responsibility of the owner, and if the trees in mention are to be cut down, it will be up to the respective complainants.

Fire Chief Gilbert Raistrick was instructed to contact an outside firm to repair fire extinguishers belonging to the Fire Department. Reporting for the Fire Department, Councillor Max Boyd said that at the present time there were 3000 feet of good usable 1½ and 2½ inch hose belonging to the Fire Department. He said a more thorough report on conditions of equipment would be forthcoming at the next Council meeting, after he had interviewed fire department officials.

A discussion, concerning a suitable storage place for the town truck, resulted in the decision to have a block heater installed in the truck without delay.

Rates for hauling water to those residents, whose supply has dwindled, will remain the same, at $5.00 per load (tank).

The town foreman reported that there were no complaints received for the month of January. He was instructed to see that every fire box and well cover in the town were kept clear, and in a condition that they could be removed at any time.

Mr. Jake Empey was instructed to submit a detailed plan of a proposed bungalow be expects to erect on the east side of Albert Street, between Clarence and Cameron Ave.

Hydro accounts totalled $2,576.81, and Municipal Orders passed came to $1,645.13.

Reeve John Fader presided at the session, which was attended by Councillors Max Boyd, George Elliott and Allan MacIntosh, Clerk C. R. Robinson, Constable G. B. Raistrick and Foreman Henry Lennox.

Compulsory Vaccination For Calves Passed By Mountain Twp. Council

An almost perfect petition signed in Mountain Township by 98% of the cattle owners for the Control of Brucellosis, has brought desired results, with the adoption by the Township Municipal Council of a by-law that makes vaccination of female calves between the ages of 6 and 9 months compulsory. Federally listed herds within the Township boundaries are excepted. The by-law is in accordance with the Brucellosis Control Act, 1953, which, together with the petition, was presented to Council by Mr. Byron Martin at the February session, held in the I.O.O.F. Hall at Mountain on Monday of this week. All members were present except Mr. J. A. Hyndman, who is vacationing in Florida at the present time.

A committee was set up for supervizing the program of vaccination, and Council appointees include: Malcolm Graham, South Mountain; Ben. Crowder, Mountain, and Donald Allen, of R. R. 2, Mountain, who will work in close co-operation with the District Agricultural Office and the Livestock Commissioner.

It is expected a similar by-law will eventually be adopted in the other three townships in Dundas County, which is leading the way in this vaccination campaign.

The Road Appropriation By-law was passed for a total of $31,500.00 for 1954, subject to approval by the Ontario Dept. of Highways.

Permission to operate, and license for a Pool Hall in the Village of Inkerman was granted to Gordon Steinburg, of that village.

The clerk was instructed to advertise for tenders for gravel, in which tenders should state price per cubic yard for gravel to be crushed to pass through a ¾-inch mesh, to be furnished, hauled and spread on any road within the Township, for a qunantity of 4,000 cubic yards. Tenders to close February 27th.

The Clerk was instructed to prepare and sell three Drain Debentures drawn for 10 years at 4%, equal annual payments totalling more than $4,000.00.

The Townhsip Rate was reduced by 1.5 mills and will be levied at 8.0 mills in 1954. The General School Rate was set at 4.0 mills also.

The Clerk has forwarded estimates of expenditures to all School Boards to be completed and returned before February 25th, and has been authorized to levy all school rates as received.

Satisfactory reports were received from both Hallville and Inkerman regarding the recent instalment of new street lights.

Discussion on the Township Rate to be set in the Police Village of South Mountain was set aside for the next meeting, when the Trustees of the Village and the Council will discuss the problem more thoroughly.

Accounts and vouchers totalling $2,779.50 were paid, including grants of $25.00 to both skating rinks operating.

The next meeting will be held on Monday, March 1st, at one o'clock in the I.O.O.F. Hall, Mountain.

Attendance Up As United Church Marks Record Year

Attendance at Winchester United Church and at its various organization meetings continued to increase last year, the givings for all purposes reached a record $14,000.00, and the Missionary and Maintenance allocation of $2800.00 was over subscribed by more than $1500.00.

These facts and figures, painting a picture of progress in every department, were presented to members of the Winchester and Harmony congregations at the annual meeting, held last Wednesday evening in the church auditorium.

Rev. N. T. Mitchell, pastor of the two charges, was chairman, and opened the meeting with a short devotional period. Mr. Eldon Fennell was elected secretary of the meeting.

The minister reported three hundred families in the charges, for a total of 915 persons, and the actual membership of the church was 489 members.

The auditor's report, which was presented by Mr. N. W. Beach, showed that all debts had been paid, leaving a balance in the bank at the end of the year of $1319.00.

The estimates for 1954 were presented by Mr. Howard E. Biccum, Chairman of the Board of Stewards, and ratified by the congregation. The minister's stipend was increased by $300.00, the sum of $2,000.00 was marked for repairs to the church, and the total estimated expenditure for 1954 was placed at $10,240.00.

The Sunday School, with a membership of 200, had an average attendance of 140 last year, and the collections had amounted to $707.13, the report being presented by Mrs. Ronald Freeland.

Mrs. Nellie Lannin reported that the Women's Association had raised more than $2,000.00 in 1953, the most of which had been spent on improvements to the church kitchen, and on the parsonage.

The report of the Harmony church was given by Mr. George Cinnamon, with an active year indicated.

Mr. F. Erle Helmer expressed the appreciation of the congregation to Mr. and Mrs. Mitchell for their leadership during the year.

Mr. James Patterson, a member of the Official Board for many years, was made an Honorary life member of the Official Board.

Messrs. F. Erle Helmer, George Cinnamon and Arnold Dukelow were appointed scrutineers for the election of elders and stewards.

The following are the officers, elders and stewards for 1954:

Minister—Rev. Thos. N. Mitchell.

Organist and Choir Leader—Mrs. Howard Fetterly.

Recording Steward—Eldon Fennell.

Treasurer—J. Kenneth Ault.

Envelope Steward—Samuel Robinson.

Clerk of Session, W. J. Stewart.

Turner; to retire in 1956: Dr. H. G. Barton, Mrs. Oscar Wallace, Thos. Docksteader, Samuel Robinson, C. B. Timmins; to retire in 1957: W. J. Stewart, Arthur Christie, Roy Annable, Howard Willard, Byron Dawson; to retire in 1958: Geo. T. Dixon, Thos. Edgerton, W. J. Fawcett, Jas. Utman, Ford Baker.

Stewards—To retire in 1954: W. J. L. Boyd, F. M. Cass, H. E. Fennell, J. Eldon Davidson James Fawcett, Wm. McRoberts, Wm. McVey, Willis Robinson, F. Erlel Helmer, Walter Bezanson; to retire in 1955: Ronald Freeland, Bower Potter, Jay Quart, Allison Fawcett, Dr. W. M. Byers, Arnold Dukelow, Carl Docksteader, Arnold Duncan, J. Edwin Boyd, Randall Wylie; to retire in 1956: Robert Woods, Kenneth Ault, Kenneth Annable, Raymond Earl, Howard Biccum, Melvin Scott, Leslie Dixon, Gordon Ennis, Lorne Isaac, Orvil Guy, H. W. Cinnamon.

Honorary Life Members of the Official Board are: N. W. Beach, J. L. Mill, J. D. Stewart, Mrs. D. Nesbitt and James Patterson.

COUNTIES' COUNCIL MAKES $2,000.00 GRANT TO LOCAL HOSPITAL

United Counties' Council authorized grants totalling $12,000 as the January session concluded last week.

Largest grant was $4,000 to Cornwall General Hospital to assist in the erection of the new wing now under construction for the nurses residence. Winchester District Memorial Hospital received $2,000.00.

Included among appointments made during the session was that of Basil Dawley, Winchester Township Deputy Reeve, to the board of governors of Winchester District Memorial Hospital. This is the first time the counties has named a representative to this board, and it was made at the suggestion of the board.

Winchester Township Council Met On Monday

The regular meeting of Winchester Township Council was held in the Town Hall, Winchester, on Monday, February 1st, with all the members present. The minutes of the last regular meeting were adopted as read, and signed by the reeve.

A petition, signed by a majority of the cattle owners in the township, asking that a by-law be passed, making it compulsory to have all female calves vaccinated in order to render them immune to Brucellosis, was presented to the Council. After considerable discussion, the petition was laid over until Monday, February 8th, when it will be dealt with at a meeting to be held in Chesterville at 8.30 p.m.

By-law No. 837, a by-law authorizing the Reeve and Treasurer to borrow money from the Bank of Nova Scotia to meet current expenditures, was finally passed, signed and sealed.

By-law No. 838, a by-law appropriating $37,000 for expenditures on township roads during 1954, was passed, signed and sealed, subject to the approval of the Department of Highways.

Mr. John Fader, Reeve of the Village of Winchester, interviewed the Council in regard to some phases of relief affecting the Township of Winchester.

J. Steen was appointed Assessor of the township for 1954.

The following accounts were passed and paid: Roads and Bridges, $1,661.29; Drainage, $380.00; Schools, $714.00; Charity and Relief, $35.00; Fox Bounty, $39.00.

Council adjourned to meet in Chesterville on Monday, March 1st, at 10.30 a.m.

Ault Creamery To Spend $250,000 On Alterations To Brockville Milk Plant

The Dodge Construction Company, of Cardinal, has been awarded a $250,000 contract for modernization of the former Brockville plant of Libby McNeill and Libby. The rambling stone building on Water Street East was recently purchased by Ault Creamery Limited, of Winchester.

When alterations are completed, the plant will be of modern design and capable of handling a greater volume of milk. The contractor has been instructed by Ken. and Sam Ault to have the alterations completed in time for heavy milk traffic in April.—Brockville Recorder & Times.

SERVICES AT BETHANY CHAPEL

Mr. Clark McClelland, of Maine, U. S. A., is opening a series of meetings at Bethany Chapel on February 7th. A cordial invitation is extended to everyone.

Early Morning Fire Renders Chesterville Family Homeless

A Chesterville family was rendered homeless last Thursday morning following a pre-dawn fire which swept their three-storey brick veneer business establishment and apartment.

Mr. and Mrs. Nelson Laprade and four children owe their lives to the frantic barking of their spaniel pet, "Cindy," who wasn't saved. The barking of the family pet awoke Mr. Laprade shortly before 5 a.m. The latter in turn awoke his wife and children only to find smoke and flames shooting up the stairway. Laprade led the family to the door opening upon a balcony facing Queen Street. The door was stuck with frost, and Laprade had to batter the door before it yielded.

Melvin Abel, son of Charles Abel, an owner of a hotel directly across the street, heard Laprade breaking down the door and the screaming of the children. Mr. Abel awoke his father, and the two men rushed to the assistance of the marooned family. It was necessary to find a ladder before the Laprades could descend the 12 feet to the sidewalk.

The Laprade family were in their night attire and were taken to the nearby hotel. Meanwhile, Mr. Abel turned in an alarm and then awakened the guests and help in the hotel. Ages of the children were, Beth 9, Wayne 10, Wanda 3, and baby Mary 8 months old.

The fire, which is believed to have started in the kitchen of the restaurant, spread rapidly and sent showers of sparks sailing across the Nation River into South Chesterville.

The Chesterville Fire Department, under Chief John Hehir, played three streams on the inferno for over three hours and kept the adjoining frame building and apartment from falling prey to the flames, which at times leaped 100 feet into the sky.

The building was built over 60 years ago, and was for many years used by the Sisters of Charity as a convent. The building was later used by the Standard Church, and in turn by other business enterprises. In 1951 it was purchased by Mr. Laprade and renovated to be used as a modern restaurant. Mr. Laprade, a veteran of World War II, placed his loss at $15,000. The loss is partially covered by insurance.

OBITUARY

FUNERAL OF THE LATE MRS. J. T. ELNAUGH

Impressive tribute was paid to the memory of the late Mrs. Jesse T. Elnaugh, at her funeral service, which was held in the local Baptist Church on Friday afternoon. The service, which was largely attended was conducted by Rev. John McDowell, pastor of Parkdale Baptist Church, Ottawa.

Entombment was made in Maple Ridge Vault to await interment in the Spring. The pall-bearers were: Dr. J. J. McKendry, Messrs. Henry Cinnamon, Peter Poole, Walter MacDonald, Gilbert Raistrick and Allan Alford.

The late Mrs. Elnaugh, who had not been in the best of health for some time, passed away in the hospital at Galt, Ont., on Tuesday of last week. She was the former Elizabeth Mary Garrette, and was born in England, 78 years ago. She and her husband, Jesse T. Elnaugh, came to Canada in 1912 and had resided in Winchester until she went to live with her son, Thomas J. Elnaugh, at Preston, Ont., after her husband died in 1948.

The late Mrs. Elnaugh was a devoted member of the Winchester Baptist Church and a life member of the Women's Missionary Society. She had taken a leading part in the religious work in the village, and in other community activities.

A funeral service was held in the Preston Baptist Church last Wednesday, after which the remains were transferred to the Vice & Craig Funeral Home here, where they rested until Friday.

Surviving are one son, Thomas Jesse Elnaugh, of Preston, and one grandson.

Numerous floral pieces and Gideon Bible donations testified to the high esteem in which the late Mrs. Elnaugh was held.

Winchester Theatre Packed On Sunday For Religious Film

The Winchester Theatre was not large enough to accommodate all those who wanted to see the movie film, "Oil Town, U. S. A.," starring Colleen Townsend Evans, Paul Power, Robert Clarke, Georgia Lee and Ralph Ward; and featuring Billy Graham, the great American Evangelist and that talented gospel singer, Winchester-born Beverley Shea.

Long before the service, which was sponsored by the Winchester and Mountain Business Men's Committee, was scheduled to start, the theatre was packed to capacity. Even standing room was not available, and it is estimated that over 200 people failed to gain admission to the building.

The film was in Technicolor and held the audience spell-bound for 90 minutes. It was intensely interesting, and, from a religious angle, was highly educational and thought-provoking. The atmosphere under which it was shown was strictly religious, and its main purpose was to portray the meaning of accepting Christ into our lives and making him a partner in our business and private life.

Mr. Harold Graham, Chairman of the C. B. M. Committee, welcomed the audience, explained the purpose of the service, and after offering a brief prayer, introduced Rev. T. W. Bruerd, of Charleston, West Virginia, who accompanied the film, and who presided throughout the balance of the service. After a few brief remarks about the film, Rev. Mr. Bruerd called upon Mr. S. Snavely, a Pennsylvania business man, for a few words, which were given in the form of a testimony to what Christ had done for him.

During the service an offering was taken, most of which will be donated to the Billy Graham fund to help finance his forthcoming campaign in England.

Beverley Shea, who will accompany the evangelist to England, and who was featured in the film on Sunday afternoon, is a native son of Winchester. He was born here, a son of the late Rev. A. J. Shea and Mrs. Shea, who resides in Syracuse, N. Y. She was the former Maude Whitney. Mr. Shea was a former pastor of the Wesleyan Methodist Church.

At the close of the meeting, a vote of thanks was extended to the owners and management of the theatre for their courtesy in donating the theatre to the C. B. M. Committee for the service.

Ground-Hog Didn't See Shadow Here On Tuesday

Tuesday, February 2nd, was Candlemas Day, the time, when, according to legend, if the groundhog emerges from his winter home and sees his shadow, he returns for another six weeks of cold, wintry weather. If he doesn't see his shadow, he remains out and the balance of the winter is supposed to be on the mild side. Well, in this district, there were no shadows, as the sky was overcast all day on Tuesday. Now we can watch and see how true that old legend is.

The 7th Column

Read in one of the district weeklies where a "Skate Exchange" had been set up in a community in Quebec province. The idea is to enable one youngster, whose skates have become too small for his feet, to exchange them for a larger size in similar condition, and vice versa. This sounds like an excellent idea, because a boy or girl has to have a new pair of skates every two years at least. Once such an exchange got to functioning properly, it could save parents plenty of money.

So far the Municipal Council has been doing a fine job in keeping local streets clear of snow. The only suggestion we would offer at this time is that when the big plow leaves a huge bank of snow in front of a walk leading to a church door, one of the civic employees should shovel out the opening. Snow should not be cleared away from in front of one church and left piled up in front of another, as was the case last week.

THURSDAY, FEBRUARY 4th, 1954.

A SENSIBLE IDEA!

On Sunday it was announced that three of the local churches had decided to discontinue holding individual services on Sunday evening, in favour of a United Service, to be held alternately in each church. The plan gets under way this Sunday evening, when members of the Presbyterian and Baptist congregations will worship at the United Church. Next Sunday, the evening service will be held in the Baptist Church, and on February 21st in the Presbyterian Church.

In late years, the evening service in most churches have been sparsely attended, and preaching to empty pews is not an easy task for any minister. The plan to amalgamate the Sunday evening services is an excellent one, and, we predict, will be instrumental in encouraging more people to attend church on Sunday evenings. It will also mean a saving in the cost of fuel for each of the three churches participating.

Let's hope that this broad-minded thinking on the part of local church authorities will be an example for others to follow, and that it will eventually lead to a wider field of concentrated effort on the part of Protestant churches to realize that there is little need for the Faith to be split up into so many different denominations.

NEEDED: A GUARANTEE!

Under the above caption, the following editorial recently appeared in the Brockville Recorder & Times:

"'The Jehovah's Witnesses are seeking support in Ottawa for a move to disallow pending Quebec legislation which is designed to restrict activities of the sect in that province. The sect contends that the legislation constitutes an infringement of the right to freedom of worship. On that point we agree with the sect, though we feel that legal controversies of this type would not arise if Canada had a Bill of Rights.

Freedom of worship should be guaranteed every Canadian by federal legislation above and beyond the competence of any provincial legislature in Quebec or elsewhere. Until this country has a Bill of Rights guaranteeing our basic freedoms we may expect occasional persecution of minority groups."

TIPS TO ARTHRITIS PATIENTS

This being National Health Week, we list here a few pointers for sufferers of Arthritis, as suggested by The Canadian Arthritis and Rheumatism Society:

1. Don't put your faith in drugs and nostrums—pain relieving, sleep producing, and other drugs should not be used, except as prescribed by a physician. Most advertised preparations have some pain-relieving properties, but none of them actually cure arthritis.

2. Don't listen to old wives' tales and fancy curees. There is no simple cure for arthritis. If you experience persistent or recurrent pain or swelling in and about joints, consult your family physician or an established arthritis clinic.

3. Enough is known about relief of pain and the prevention of deformity for doctors to make it possible for most patients to continue their normal daily pursuits. Replace your fear of arthritis with an intelligent approach. Seek your doctor's advice early when he can help you most. Don't expect results to be dramatic—treatment will probably be necessary for months and years.

4. Try to live free of the every day tensions and anxieties. Get as much sound rest and sleep as possible. A rested body and worry-free mind go a long way toward improving general health and arthritic joints.

5. Avoid the strains of pressures normally placed on the affected joints or parts. If your physician recommends a set of exercises, follow his instructions implicitly.

If you are one of those who have severe arthritis that doesn't respond to treatment, and you are left with a permanent disability, remember that many disabled people are living normal and useful lives in spite of their disabilities. You cannot disable ambition.

THIS DIDN'T PAY!

In reading the exchange weeklies, we note that a careless driver was fined $50 and costs for driving over a fire hose during a blaze at Blind River, Ont., says The Carleton Place Canadian. His license number had been observed by spectators who reported it to police.

This has long been an offence in most municipalities because of the fact that the weight of a vehicle in passing over a fire hose under pressure is quite liable to burst the hose.

The offence has occurred in Winchester and other rural municipalities on many occasions in the past. The fine imposed at Blind River might seem unreasonable, nevertheless it is quite likely to produce desired results as a warning to others.

DEBLURBING TV!

We used to dream about it and eventually it came true—the little device by which one is enabled to sit snugly in one's armchair and switch off the sales talk from a TV commercial. The makers of Blab-Off, the device in question, report high and mounting sales for their handy, humanitarian little gadget.

Here is evidence of what Ortegay Gasset might call a "revolt of the masses" against the commercial drivel to which their TV sets mercilessly expose them. However, the announced aim of Blab-Off is not to kill commercials but to improve them. Advertisers who give new facts, new ways to use their products, new items to enrich the lives of their hearers—these sponsors won't get blabbed-off. But the unctuous and interminable appeals to vanity and fear and false appetite—these can be reduced to silent mouthings on the screen, to be ignored at will.

Now the advertisers are advertising Blab-Off, and the cycle is complete. Perhaps it proves that a free society carries wthin itself the remedy for its own worst excesses, comments the Christian Science Monitor.

EDITORIAL NOTES!

The Mildmay, Ont., Gazette, cheers the Eastern Ontario Women's Institute, which at its annual convention turned down a resolution demanding movie managers be compelled to remove crime or love scenes from pictures shown children. Delegates took the unusual, but commendable, attitude that it is for parents, not movie managers, to say what children should and should not see. At least, that's the most sensible method.

"'So Send I You" is the theme of Christian Youth Week this year, which is being held from January 31 to February 7th, all across Canada, and special church services, rallies, banquets, conferences, interdenominational firesides and gatherings, service projects and other features will mark the week as "special" in the life of the Church and the community. Through these celebrations, young people will experience a reality of Christian fellowship as it transcends all differences of age and interests, and the theme will challenge them to fill their place of service.

Commenting on the Ontario Government's suggestion that the Legislative membership should be increased, the Ottawa Journal asks a very pointed question: "What if, instead of increasing the legislature, we were to reduce it by seven to the number of Ontario's membership in the Commons and make the boundaries uniform?" The legislature now has 90 members, to which it was reduced from its high mark, 112 members, in 1933 as a measure of economy. The suggestion is being heard that redistribution will add ten or more to the present membership.

As we witnessed the religious film, "Oil Town, U. S. A.," at the local theatre on Sunday afternoon, we couldn't help but think of what a relief it was to watch a movie where fights and brawls, mushy kissing, sexy scenes, cigarette smoking by women to make them appear tough, whisky-drinking, murder, etc., were missing throughout the entire picture. If more films were patterned after "Oil Town," they would be a powerful force for good. From a box-office angle, such pictures have just as big a public appeal as other types of pictures. Locally, religious films attract the largest audiences.

Campbell MacDonald, CFRA news editor, intimated the other day that he had received a letter, containing an account for some books he had purchased from The Queen's Printer, located less than two miles from his office in the CFRA Broadcasting Station. The letter was sent via Air Mail. Did you ever hear of anything so foolish? Talk about extravagance and inefficiency in the Civil Service and Government Departments, there is a prime example, even on a small scale.

"EASY DOES IT"

BY ..... HELEN HALE

BAKED pears are a wonderful dessert for family dinners. Peel, core and halve them into a buttered baking dish. Drizzle with honey and sprinkle with cake or cookie crumbs which have been mixed with sugar and cinnamon. Bake 25 to 30 minutes, or until pears are tender in a moderate oven.

Tried a tapioca pudding lately? Youngsters love them, especially if you dress up the pudding with some sliced bananas and maraschino cherry bits.

Nutritious desserts as well as pretty ones should be on the menu often. Unmold baked custard into serving dishes and surround with some canned fruits or berries.

If you want a real treat try cooking some fresh, peeled pears in orange juice, with a bit of sugar added for sweetening. These are lovely served over slices of sponge or pound cake.

You'll like this novel bread pudding: lay sweetened, cooked, dried apricots with quartered marshmallows and toasted bread cubes. Moisten with syrup from apricots and bake in a moderate oven for 30 minutes.

Here's a good variation for ambrosia: use mixed fruit cocktail with sliced bananas, tangerine sections and coconut.

Use canned berries for your shortcake, by thickening and flavoring them. Pour over shortcake dough and bake in a moderately hot oven until the cake is done, about 30 minutes.

Always milk in the house with handy Milk Powder

When the day's supply of milk is running short, Milk Powder is a real convenience! It's easy to mix a quart or a cupful of milk to add flavour and food value to your cooking. Milk Powder is an excellent, inexpensive source of complete protein, calcium, riboflavin, Vitamin A.
In many recipes, you do not need to reliquefy Milk Powder: just mix it with the dry ingredients. When using it to drink, you'll find its flavour improves after standing overnight in the refrigerator.

TO RELIQUEFY MILK POWDER:
1 To make 1 cup, sprinkle ¼ cup Milk Powder on 1 cup lukewarm water.
2 Beat or shake until Powder dissolves.
3 Pour into container, cover and store overnight in refrigerator. This improves consistency and flavour.

For Marie Fraser's free booklet of tasty, tested Milk Powder recipes write:

Gangway for Bossie! She's trying hard to bring milk to people everywhere . . . because milk is vital to the diet of all workers and their families . . . a big help in maintaining health and energy.

If you live in an area where fresh milk is not available, just order MILK POWDER.

The minute you add water to MILK POWDER, according to directions, you get ALL the minerals and health-giving values of fresh, whole liquid milk—just as it comes from Bossie, herself!

Things YOU should know about Milk Powder

1 Milk Powder is a fine source of protein, calcium, riboflavin and other important food essentials.
2 Milk Powder is very convenient to use and easy to store.
3 Milk Powder, under seal, keeps indefinitely—in summer heat or in below zero weather.
4 Milk Powder is economical because you mix only what you need each time. It's ideal for cooking and baking—without reliquefying.
5 Milk Powder is delicious. That's why it's being used constantly in thousands of places where Bossie can't go. If has the true flavour of liquid milk.

WEDDINGS

REOCH—THOMPSON

The marriage of Miss Muriel Ilene Thompson, daughter of Mr. and Mrs. Ellis Thompson, of Cannamore, to Robert Alexander Carlyle Reoch, of Ormond, son of Mr. and Mrs. John A. Reoch, of Ormond, took place at the home of the bride's parents on Saturday afternoon, January 23rd. Rev. D. L. Gordon officiated. Music was furnished by Mrs. Mack Thompson.

Given in marriage by her father, the bride was attended by Miss Isobel Carkner, of Ormond. Mr. Ray Johnstone, of Ottawa, was best man.

For her marriage, the bride chose an azure blue bengaline dress trimmed with rhinestones and pearls, with rounded neckline, fitted jacket and a corsage of red roses.

Miss Carkner chose a navy blue bengaline frock and a corsage of pink roses.

Mrs. Thompson, mother of the bride, wore a dress of brown crepe and a corsage of yellow roses.

Mrs. Reoch, mother of the groom, wore a dress of aquamarine crepe with a corsage of red roses.

Following the reception, Mr. and Mrs. Reoch left on a trip to Niagara Falls and Buffalo and other points. For travelling, the bride wore a cinnamon wool coat with black accessories. On their return they will reside at Ormond.

Shower Given

Prior to her marriage, a nicely arranged miscellaneous shower was held in the United Church hall, at Morewood, in honour of Miss Muriel Thompson. Over 100 guests signed the guest book. Hostesses were Misses Freida Baker, Freida Byers, Doreen Campbell, Marlene Thompson, Lois Nurse, Shirley Gordon, Mrs. Kenneth Hillis, Mrs. Ken. Stewart and Mrs. Hector Carruthers, Jr. An address was read by Miss Freida Baker, and many lovely gifts were presented. Miss Thompson expressed her appreciation and invited her many friends to visit her in her new home.

PRESCOTT DOWNS WINCHESTER 8-3 TO TAKE LEAGUE LEAD

Full of enthusiasm and skating hard all the way, Prescott Juniors pinned an 8-3 decision on Winchester last Wednesday night to take over sole possession of first place in the St. Lawrence Junior Hockey League race. Winchester is second, two points behind their toughest opponents.

The game was a far cry from the previous thrillers played between these two clubs, with Winchester showing signs of listless playing at various stages in the game. Prescott, on the other hand, was full of pep from the first whistle, and skated their opponents into the ice.

Prescott took a comfortable 6-3 edge at the end of the first twenty, and added singles in the final two sessions, while the locals went scoreless.

Pete Morris was the best shot of the night, connecting for four. McMillan scored a pair for Prescott, with O'Neil and Grant getting the other two.

Hugh Balkwill, Earl Bleeks and Bill Sherwood were the Winchester marksmen, with Bleeks and Karl Duncan the best for the locals. Winchester played without the services of Bruce Steinburg, Lloyd Bailey and Ross McMillan, all stalwarts on the team.

Seven of the nine penalties went to Prescott players.

Prescott — Les. McAllister, B. Thomson, A. O'Neil, P. Morris, G. L. McAllister, D. Grant, R. Rouse, Grant, D. MacMillan, J. McDonald, T. Dunn, J. Lavery, D. Urquhart, V. Bonnever.

Winchester—K. Duncan, E. Bleeks, V. Lunny, C. Coleman, K. Fitzsimmons, D. Duncan, J. Anderson, B. Dawson, G. Kerr, H. Balkwill, B. Sherwood, C. Palmer, E. Roach.

Referees: Fay Armstrong and J. Dallaire, Cardinal.

TV WITH A CANADIAN ACCENT

Canadian TV, unlike U. S., is not bowing to commercial pressure. On the contrary, Star Weekly feature writer Douglas Blanchard reports that CBC is achieving in developing programs with a Canadian atmosphere, originality and freshness as it builds a TV nation for Canada.

We understand that Star Weekly during February is running a series of four controversial articles on Canadian television. This week Blanchard's article, "TV With A Canadian Accent," is the first in the Star Weekly series.

FEED NEWS

SPECIAL RATE FOR EARLY CLEANING AND TREATING EXTENDED TO FEB. 15th

Arrange for cleaning and treating now—save cost—and save "piling up" grain cleaning later on. It is only a month of two until it has to be done anyway, so why not bring grain in now during the slack time and have it ready.

TIMOTHY AND CLOVER SEED CLEANING

Please bring Timothy and Clover Seed lots in this month before the end of February.

Two Reasons—one is to get them through before the rush of grain cleaning . . . another reason is that any lots for sale should be offered while the seed firms are still in the market. They will be through buying seed for this year very soon.

Quite a number of lots of Timothy and Red Clover are still unsold. There is a slightly higher price on some of these lots. **Get in touch with us before selling and we will be glad to get up-to-date quotations on your lot.**

SEED GRAIN

We are taking orders for Registered or No. 1 grades of Seed Oats—Beaver, Erban, Clinton, Lanark and other varieties as required.

Also Registered or No. 1 Montcalm, Fort or O.A.C. No. 21 Barley.

ALFALFA SEED

We suggest that Alfalfa Seed should be bought early—according to all reports, Alfalfa Seed will be higher.

WINCHESTER DROPS IROQUOIS BY 6-2 SCORE

Winchester Juniors had little trouble in taking a 6-2 decision from Iroquois last Friday night. Playing with only nine men, the locals scored singles in the first two sessions before wrapping it up with a four-goal effort in the final twenty. Gord. Kerr and Carl Palmer were the Winchester sharpshooters, each with a pair. Don. Duncan and Bill Sherwood were the other marksmen. Iroquois goals were scored by D. Barkley and B. Thompson.

Stan. Renwick, of Iroquois, collected the only penalty of the game.

Referees were Ron. Workman, of Winchester. and "Cuff" Davis, of Iroquois.

CURLING NEWS

Although little has been written about the Winchester Men's Curling Club this winter, it is, nevertheless, enjoying an excellent season, and with one of the largest memberships in its history, has had ideal weather and curling conditions.

The first schedule, for the Goodfellow Trophy, has been completed, and the winners of the two sections will play their final game in the next few days. The two rinks are: Hugh Wilson, skip; C. Curtis, R. Fawcett, C. Anderson; Chas. Cross, skip; A. Duncan, E. Fennell and G. Holmes.

The second schedule of the season, for the sixteen cups and saucers which the Club receives each year, got under way this week, with thirteen teams competing. It will be a round robin series, running through the month of February.

Cass Trophy Finals This Saturday

In memory of the late Mr. W. J. Cass, Q.C., who was an ardent curler, a beautiful Trophy and four miniatures have been donated to the Winchester Curling Club, by his wife and family, for annual mixed curling competition. An elimination schedule began on Saturday evening, Jan. 16th, with eleven mixed teams, and has continued for the past two Saturday nights. The stage is now set for the finals, in both the main event and consolation, which will be played this Saturday evening, Feb. 6th, at 7.30 o'clock.

In the semi-final round last Saturday, Ran. Wylie's rink, consisting of Miss Madge Coons, Allan Alford and Mrs. Sam Ault, defeated Clark Curtis' team, of Mrs. H. Willard, Chester Robinson and Mrs. C. Curtis, by a 10-8 score, while C. Cross' foursome, including Mrs. M. Scott, Rev. Wm. Reid and Mrs. Neil Gray, eliminated Lloyd Kenney's team, of Mrs. A. Duncan, Mac Ellis and Mrs. Bessie Clark, by a score of 7-6. This will bring the Cross and Wylie rinks into the main event for the trophy.

In the Consolation semi-finals, teams skipped by Walter Moffat and Howard Fetterly eliminated rinks headed by Fred Christie and Howard Summers. Thus, the Moffat and Fetterly rinks will play for the consolation prizes. Personnel of the winning teams is as follows: Mrs. Lorne Sawyer, Howard Biccum, Mrs. J. Empey, W. Moffat, skip; Mrs. Ed. Boyd, Bob Woods, Mrs. G. Coons, H. Fetterly, skip.

The Late Edward Capstick

Mr. Edward Capstick, a highly esteemed resident of Williamsburg district, passed away at the Ottawa Civic Hospital on Thursday, January 28th, after a short illness. Born in Scotland 60 years ago, he came to Canada at the age of eleven and made his home with Mr. Henry Hanson. Since Mr. Hanson's death over fourteen years ago, he has resided with Mr. Bernard Whitteker, Williamsburg.

The late Mr. Capstick was a valued member of St. Peter's Lutheran Church, which he attended regularly. An ardent supporter of all church activities, he will be sadly missed by a host of friends.

The only known relative is Mrs. G. J. Rae, of Glagsow, Scotland. It is believed several other nieces and nephews, residing in Scotland, also survive.

The funeral was held from the home of Bernard Whitteker on Sunday, January 31st, to St. Peter's Lutheran Church. The service was conducted by Rev. J. L. Kirchhofer, who took his text from Matth. 7:21. Hymns used were "There is a Land of Pure Delight," "Jesus, Thy Love Unfounded," and "Peace, Perfect Peace." The remains were placed in the vault to await burial in the Williamsburg cemetery in the Spring. The pall-bearers were Messrs. Frank Whitteker, Hugh Barkley, Ethan Algire,, Lyle Strader, George Barkley and Basil Watson.

The floral tributes were as follows: Pillow, The Whitteker family; Double Spray, Mr. and Mrs. Clarke Garlough and family; Spray, Mr. and Mrs. Lorne Hogaboam. Williamsburg I.O.O.F. Lodge Burns Mortgage

A long, outstanding debt was completely eliminated last Friday evening in Williamsburg when members of the I.O.O.F. Lodge there held a special "Burning the Mortgage" meeting. Guests for the momentous occasion were members of district lodges, their wives and friends.

Noble Grand Keith Schell was master of ceremonies during the evening, which began with a progressive euchre, winners of which were Mrs. Roy Banford, of R. R. 2, Iroquois, and Mr. Les. Presley, of Morrisburg.

Following a congratulatory message from the township reeve, Bernice Froats, a short entertaining program was held, and included musical numbers by Robert Robert's orchestra and the I.O.O.F. orchestra, and tap dancing by Bobby Schell.

Highlight of the evening was the official burning of the mortgage on the present I.O.O.F. building. Deputy Grand Master Gerald Munroe, of Dixon's Corners, spoke briefly, and then touched the match to the mortgage, which was held by Noble Grand Keith Schell.

Music for dancing was supplied by the two orchestras, and the evening concluded with the serving of a bounteous lunch by the kitchen committee.

The committee in charge of the evening festivities was: Messrs. Harold Pemberton, Basil Casselman, Lloyd Allison and Irwin Empey.

United Church W. A.

The January meeting of the W. A. of the United Church was held at the home of Mrs. Lorne Armstrong with the president, Mrs. D. L. Berry, in the chair. The Scripture was read by Mrs. S. Marquette, and Mrs. Berry gave a reading and led in prayer. There were nineteen members and one visitor present. Readings were given by Mrs. David Monteith and Miss Ruth Harper, and the meeting closed with the serving of lunch.

W. I. Meeting.

On Thursday evening, January 21st, the regular meeting of the Womens' Institute was held in the I.O.O.F. Hall. The members answered the roll call with a good health rule. After the reports had been read and approved, the president called attention to an interesting tribute of the W. I. which she had clipped from an Ottawa paper. Mrs. R. Graham elaborated on the contest for the Lady Tweedsmuir Book, and on oil painting. It was decided that the Institute would try and have an entry for both.

Mrs. Leroy Berry read a paper on highlighting the Annual Conference of Federated W. I.'s of Canada, held in Toronto in August, 1953.

It was voted to start a fund to buy banquet dishes, and a committee was apointed to raise funds through the Institute to assist in putting lights in the Ball Park.

Mrs. Arnold Shaver was the convener in charge, and had Miss L. Bowen give a short talk on "Public Health." Miss Bowen also showed a half-hour film entitled "Meeting the Emotional Needs of our Children," which was enjoyed by all.

Many of the members had brought drop cookies, which were judged by Mrs. Ferguson and Miss C. Stewart. Hazel MacIntyre walked off with all the honours in the contest.

The next meeting will be at 7.30 p.m. on February 18th when Downham Nursemaids will provide an evening of slides on Landscaping and Beautifying Your Home. Everyone is welcome.

United Church Annual Meeting

The annual meeting of Mountain United Church was held in the church hall on January 26th. Rev. Mr. Wright opened the meeting with prayer. Splendid reports were given of last year's work by the officers of the societies. $58000.00 was raised during the year, of which $282.00 went to the W. M. S. treasurer, $516.00 to the M. & M. of the church and $1000.00 to the Building Fund.

The members of the Session and Stewards were re-elected, with the addition of Clair VanAllen as a member of the Session.

Several items of congregational business were dealt with. A vote of appreciation was tendered Rev. and Mrs. Wright for their efficient and capable leadership during the past year.

Women's Institute Meeting

The Mountain W. I. meeting was held at the home of Mrs. S. Simms on January 29th. The meeting opened with the president in charge, with the Ode and Collect. The minutes were read and approved, and roll call was answered by eleven members saying "something nice about the lady at your left." Correspondence was read and discussed. It was decided to have a Euchre in the I.O.O.F. Hall on Feb. 12th. The film, "Brighten Your Home With Colour," will be shown on April 13th at the home of Mrs. W. McLaren.

Mrs. Clark, convener of Agriculture and Canadian Industries, gave a paper on Gardening. A demonstration was given on the process of making yarn from raw wool. Mrs. L. Simms reported for the Hospital Auxiliary, the Mountain Branch having 61 members. The meeting closed with the National Anthem.

IN MEMORIAM

BLACK—In fond and loving memory of my dear husband, Hamilton Black, who passed away on February 5th, 1946.

Nothing can ever take away,
The love a heart holds dear,
Fond memories linger every day,
Remembrance keeps him near.

37p —Eliza M. Black.

NEWBURY—In fond and loving memory of a dear mother and grandmother, Mrs. Arthur Newbury, who passed away February 5th, 1952.

Two years have passed away and gone
Since one we loved so well
Was taken from our home on earth
With Jesus Christ to dwell.
The flowers we place upon her grave
May wither and decay,
But the love of her who sleeps beneath
Shall never fade away.

—Lovingly remembered by daughter, Eileen, son-in-law, Ronald Barkley, and grandchildren. 37p

FARMILOE—In loving memory of our dear father, Fred Farmiloe, who passed away February 5th, 1953.

Gone, dear father, gone forever,
How we miss your smiling face,
But you left us to remember
None on earth can take your place.
A happy home we once enjoyed,
How sweet the memory still,
But death has left a loneliness
The world can never fill.

—Ever remembered by his family, Mrs. Elvin LaSalle, Mrs. Milton Barkley, Monica, Myrtle, George and Grant Farmiloe. 37p

WHITTEKER—In memory of a beloved wife and mother, Mrs. Henry Whitteker, who passed away on February 2nd, 1947.

"She is gone, but not forgotten,
Never shall her memory fade,
Sweetest thoughts shall never fall
Around the grave where she is laid.

—Ever remembered by Husband and Daughter. 37p

HILL—In loving memory of Jack M. Hill, who passed away suddenly on February 6th, 1953.

"He was taken without any warning,
His going left hearts filled with pain,
But though he is gone from among us,
In our hearts he will always remain."

—Sadly missed by Wife, Doris, and family, Father and Sisters. 37c

PARK—In loving memory of a dear husband and father, James S. Park, who passed away February 4, 1949.

Today brings back a memory,
Of a dear one gone to rest;
And those who think of him today
Are those who loved him best.

37p —Wife and family.

McLEAN—In loving memory of our dearly beloved parents, Thomas McLean, who passed away December 20th, 1950, and Libbie McLean, who passed away January 30th, 1953.

Dearest Mother and Dad,
Sometimes the note of an old-fashioned song,
Brings us a thought of you,
Sometimes a flower as we pass along
Or a sky that is azure blue;
Or a silver lining in the clouds
When the sunshine's peeping thro'.

—Daughters, Harriett, Irene and Audrey. 37p

Can you tell the 5 things *wrong* with this room?

It doesn't show in the picture but:
1. It's either too hot or too cold
2. There's no continuous air circulation
3. There are drafts
4. It's either muggy or dry as a bone
5. The air lacks freshness

If your home has these defects you can cure them by installing a new Lennox Perima-flo heating—or heating and cooling—system.

Lennox Perima-flo places an invisible curtain of conditioned air between the weather and you—stops cold at the outside walls, in front of doors and windows.

It also makes possible economical summer air conditioning because the same ducts which carry warm air in winter carry cool air into every room in summer.

Let us demonstrate the comfort you can enjoy with a Lennox Perima-flo system.

S. D. & G. HIGHLANDERS WILL TRAIN AT NEW CAMP

When the Stormont, Dundas and Glengarry Highlanders go to camp this July, they are in for a week's intensive training in an entirely different area from that of previous years. Along with their sister units of the 7th Infantry Brigade, which has its headquarters at Ottawa, the Glens will train at Niagara-on-the-Lake. The other two units of the brigade are the Governor-General's Foot Guards and the Cameron Highlanders of Ottawa.

It will probably be an opportunity for many young recruits to see, for the first time, a section of Ontario sometimes referred to as "the cradle of Upper Canada." Originally called Newark, the town of Niagara-on-the Lake was the first capital of Upper Canada. In 1792, the first parliament of Upper Canada met in Navy Hall, which stands next to the camp. For generations, Niagara Camp has been a training ground, and during World Wars I and II was a particularly important camp.

TURKEY DEATH LOSSES IN THE BROODER HOUSE

Most turkey growers know that a high percentage of turkey death losses occur during the first two or three weeks of the brooding period. Research work in recent years has shown that one of the causes of these early death losses is simply that the poults die of starvation. There are three principal reasons why the turkeys do not get enough to eat during this critical period—the delays they encounter en route to the farm, delays in being fed after arrival at the farm, and the unfortunate fact that turkeys very often have a hard time learning to eat.

Poults should be fed immediately upon arrival at the farm. It has been shown that for every hour feeding is delayed after turkeys are hatched mortality increases one-half of one per cent. In other words, to put off feeding turkeys for 24 hours after they arrive increases death losses about 12 per cent.

Even though poults have plenty of feed before them, many have to be taught to eat. When the poults arrive from the hatchery, dip the beak of each in the water and then into the starting feed. That way, they will get the taste of feed. After you place them under the hover, put small amounts of feed around on rough paper or paper plates.

Many turkey growers place something on top of the feed that will catch the bird's attention. Some growers use colored marbles, and others hang small lights over the feeders. Stirring the feed several times daily will help. Young poults have rather poor eyesight. The feed and water should be amply lighted.

It takes time and effort to get turkey poults to eat soon after hatching, but it makes a real difference in the number of birds that die during the early brooding period.

SOUTH MOUNTAIN TO GET NEW STREET LIGHTS

Three new Town Fathers for South Mountain were elected at a special meeting of the ratepayers, held recently in the I.O.O.F. Hall there. They are Messrs. John Cameron, Thomas Shaver and John Thompson.

Previously at a meeting of the Township Council, the installation of new street lights for the police village was approved. All members of the Council, the Reeve and clerk took the oath of office. Other officers remained the same, namely: Treasurer, Earl Bailey; Road Supt., Cecil Wylie; Truck Driver, Edward Coughler.

Arnold Gilroy was apointed as a delegate to represent the new Area High School Board.

Decision to approve the appropriations was held over until the February meeting for further discussion.

YOUR HOME-TOWN PAPER

Folks talk of the beauty of nature,
Some boast of the land of the free,
Some sing about far away places,
And hearts overflowing with glee.
Some tell of the days of their childhood,
Where dearest of memories entwine,
We're all in accord with their praises
And think they are worthy and fine.
But many good sons lack a singer,
And many kind words are ne'er penned,
So here's where your local home paper
Presents you a challenge, my friend.
It gathers the news from the nations
Outlines many subjects and views,
Each issue is laden with topics
From which every reader may choose.
It tells of the news of your district,
Comments on each ball game that's played,
It tells you who's preaching next Sunday,
And where they'll hold next Ladies' Aid.
The business men of your village
Advertise each bargain display,
There are many more things they could tell you,
Which space won't permit them to say.
You may say you have plenty of reading
With magazine, paper and poem,
But you'd be a mighty poor booster
To neglect the one nearest your home.

A village is judged by its paper,
So call on your printer to-morrow
Your thanks to him truly express,
So subscribe to and boost your home press.

Wife (trying on hats): "Do you like this turned down, dear?"

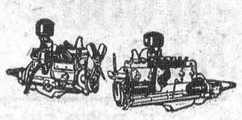
A GENERAL MOTORS VALUE

PONTIAC RATES HIGHER IN PUBLIC FAVOUR!

Price

In no other car can you find the quality inherent in Pontiac at so low a price. Model for model, dollar for dollar, Pontiac is unbeatable for beauty, stamina and performance.



Power

Pontiac's time-proven power plants have a great record for economical, trouble-free and quiet operation. The Six delivers 115 hp—118 with Powerglide Transmission. The Straight Eight delivers 122 hp—127 with Hydra-Matic Drive.

Beauty

No other low-priced car offers interior appointments, trims, colors, and body styles which rival so closely the opulence of the highest-priced cars. Thus, only Pontiac offers the prestige of high-priced luxury in the low-priced field.

Comfort

Cushioned in Pontiac's famous easy-chair comfort and "Centre-poised" seating, you'll find even the longest road is short, even the roughest road, smooth. The famous quietness of Pontiac's engines is another feature you'll enjoy.

Choice

Six different series! Thirty-one different models! No other car line can beat this choice of models, colors and trims, wheelbases, body styles and special features. Whatever your personal preferences may be there's a Pontiac that's "tailored" to your taste!

Dependability

Dependability is an important reason for Pontiac's ever-growing popularity. People who own Pontiac tell their friends that it's the most trouble-free car on the road. They, in turn, tell their friends —and that's how Pontiac sales have soared so quickly.

Safety

Power Brakes are part of the great new safety story for 1954! Pontiac Power Brakes give you the fastest, smoothest stops imaginable. And the brakes can be applied in normal fashion when the engine is off. Optional at extra cost on all series.

Features

Choice of Two Fully Automatic Transmissions*; Hydra-Matic Drive and Powerglide; Air Conditioning* gives you a cool car climate in seconds, available on all imported 8-cylinder models; Power Steering* reduces driving effort by as much as 80%; Automatic Front Window and Seat Controls* a combined feature, available on Pathfinder Deluxe and Laurentian series; Comfort Control Front Seat and Automatic Front Window Lifts* available on Chieftain and Star Chief models. (*Optional at extra cost.)

THE FEBRUARY BIRTHSTONE
The "Amethyst"

This species of quartz varies in color from Violet to Deep Purple. The beauty of the stone is seen to best advantage by day, as much of the brilliancy and color disappears in artificial light.

As it ranks 7th in degree of hardness, it is admirably adopted to all kinds of jewellery.

The ancients believe it had the power to expel poison and to make its wearer expert in business affairs and victorious in battle.

The cutting is usually facated, but it is frequently cut cabochon and looks equally well in either style.

It is found in all parts of the world, the chief sources of supply being Brazil, the Ural Mountains and Siberia. Specimens from the latter outclass all others in richness and depth of their dark violet hue.

"Maybe you left your lunch bucket home!"

Our cartoon represents a situation that persists in many homes — The husband, complacent and happy after a day's work well done, but the good wife with a worried and frustrated feeling because her work has been so much more difficult than necessary.

A little thought and planning, plus a few $$$$ for material, (with your own labour), and you can have a warmer house with insulation, storm windows and doors; a shiny, modern up-to-the-minute kitchen; newly painted wall, trim and floor surfaces, that are so much easier to keep clean, etc., etc.

It's a myriad of little things that can make all the difference. Think of them now — do them today — enjoy them for months to come.

Just ask us! We can supply any of the material you require —you have the benefit of our experience for nothing.

EYE SWEEPER

When foreign bodies enter the eye, very great care should be taken in removing them. One way of removing a cinder that is not actually embedded in the eye is to wipe the eyelashes free from dust then lift the upper lid by the lashes and, pulling it out and down, allow it to brush back against the lower lashes. This should "sweep" the object out. If the cinder is under the lower lid, pull that lid out and remove the object with the corner of a clean handkerchief. If this does not remove it, a doctor should be consulted immediately.
