Record Enrolment At High School

Tuesday, September 5th, marked another stepping stone for the Winchester High School when 213 students enrolled on the first day of the Fall term. This represents an increase of 31 students over last year's first day enrolment.

It is interesting to note that eight years ago the local High School had an enrolment of only 104 students. In less than ten years the number of attending students has more than doubled, which would indicate the high regard in which the school is held, both in curricular and extra curricular activities.

Principal Howard Willard and staff are finding it quite difficult to rearrange classes and they expect it will be a week or two before the school will settle down to a scheduled routine.

Following are the number of students in each grade:

Grades 9A and 9B	64
Grades 10A and 10B	43
Grade 11	49
Grade 12	31
Grade 13	26
Total	213

It is expected this number will increase in the next few weeks as there are always some students registering after the Fall term has commenced.

WINCHESTER THEATRE NEWS

That great spectacular Western melodrama, "The Wagon Master," is the feature picture of this weekend. It has a semi-historical setting, depicting the trek of the Mormon pioneers from their original settlement in Illinois to find a new home in Utah. Harassed by renegade whites and beset by hostile Indians, they fought their way over deserts and mountains under the leadership of an indomitable character, who was not of their persuasion. The picture is vividly spectacular, a veritable saga of courage and adventure; the portrayal was executed by an able and well-balanced cast. There is a touch of romance, and a number of excellent songs which add to the entertainment.

Another great drama, but of a very different type, is the subject of the feature which starts on Monday. "The Man on the Eiffel Tower" gives you a picture of Paris as it is. Based on a novel by the great detective writer, George Simon, it tells of the murder of a wealthy American woman; and then of the relentless chase of the murderer by the Paris police, through the restaurants and boulevards of the city. It is intense, thrilling melodrama, culminating in a final scene in the maze of the world famous Eiffel Tower.

For the following week-end there is a sc-called comedy drama—with more comedy than drama—"Curtain Call At Cactus Creek." Donald O'Connor has the role of a member of a travelling theatrical troupe and he gets himself mixed up in a big bank robbery. Then follows a series of furiously funny situations, as he is pursued by the law as a robber, and by the gangsters as a double-crosser.

The management of the Theatre express regret for the delay in the distribution of the September Calendars. They just did not get here, until the railway strike was over, and transportation facilities adjusted. It was fortunate that the films came through on time, for all showings; there was nothing more serious than a mislaid cartoon on Thursday last. We are told that some theatres had a good deal more difficulty.

Honoured On Birthday.

The home of Mr. and Mrs. Herbert Robinson was the scene of a very pleasant gathering on Wednesday, August 30th, when their family and immediate friends assembled to do honour to Mrs. Robinson on her birthday. She was presented with a handsome wrist watch and other gifts.

FOR SALE—1 Field of Standing Corn, well eared, good crop. Apply to Benson George, Winchester. 16-17p

Theatre News!

PICADILLY

Thurs., Fri., Sat., SEPTEMBER 7-8-9
"HOLIDAY INN"
A musical, a picture you will not want to miss. Starring Marjorie Reynolds, Bing Crosby and Fred Astaire. Also, on the same program, a short subject, "Hotair Aces."

Next Week's Features

Mon., Tues., Wed., SEPTEMBER 11-12-13

It's the season's biggest laugh show. Starring Joan Greenwood, Basil Radford and James Robertson Justice.
—Also—
"LAW OF THE LASH"
His cracking whip brought justice to the West. Starring Mary Scott, Al "Lash" La Rue and Al "Fuzzy" Knight.

WINCHESTER BOY SEES ACTION IN KOREA

O.S. Ronald Alexander, Winchester's only member of the Canadian Armed Forces in the Korean War, has seen action in a bombardment off the coast of that country, according to a message received by his parents, Mr. and Mrs. Alva Alexander, this week. Ron. is aboard the Canadian Destroyer "Cayuga," one of the three ships of that class that were part of Canada's contribution to the United Nations in the fight for democacy.

He left Equimalt, B. C., several weeks ago and later dropped anchor in Hawaii to receive further orders. Eventually the word came through that these three ships were to report to General MacArthur in Japan, head of the United Nations Forces.

According to Ron, there's plenty of food and its good. He goes on to say that living conditions in that part of the far East are not too bad.

Before joining the Royal Canadian Navy over a year ago Ron. was a student at the Winchester High School. He celebrates his 19th birthday this November.

Just in case you would like to drop him a line and show him that the folks back home are interested in his welfare, we are publishing his address:

O. S. R. Alexander,
Mess Deck 24, 13092H,
H.M.C.S., Cayuga,
Esquimalt, B. C.
co Fleet Mail Office.

ST. MATTHIAS' CHURCH RE-DECORATED

During the summer months the interior of the Church of St. Matthias, Apostle and Martyr, Winchester, has been redecorated in preparation for the 60th Anniversary Services which will be held in October. The walls of the nave have been done in an oyster shade, the chancel and sanctuary in white, and the floor in grey.

In the absence of the Rector, no services were held during the summer, but regular services will be resumed this coming Sunday, Sept. 10, at 9.30 a.m. On October 8th, at 11.00 a.m., The Right Rev. Robert Jefferson, D.D., D.C.L., Lord Bishop of Ottawa, will be present for the Diamond Jubilee. On this occasion, His Lordship will bless the portion of stone sent to St. Matthias' Church by the Dean and Chapter of Winchester Cathedral, England.

FRIENDS HONOUR REEVE H. DURANT AND WIFE

Reeve Harold Durant, of Winchester Township, and Mrs. Durant, were pleasantly surprised on Friday night last when they were presented with a gift by their friends and neighbours on the occasion of their 35th wedding anniversary.

Mr. and Mrs. Durant were married at Chesterville by Rev. H. E. Warren and have resided in this district all their married lives. Mrs. Durant is a daughter of the late Mr. and Mrs. Robert Ball, of Chesterville, and Mr. Durant is the son of the late Mr. and Mrs. Oziaf Durant.

Mr. Hugh Smith read the adress and the presentation of a trilite lamp was made by Mr. Howard Kittle. Lunch was served by the ladies.

SPECIAL SPEAKERS AT BAPTIST CHURCH

Don't fail to hear Mr. and Mrs. Moise Robillard, French Canadians, tell the story of their conversion and why they changed their R. C. faith. They will speak in the Baptist Church on Sunday morning at 11.00 a.m.

Bride-Elect Honoured.

A miscellaneous shower for Miss Marion Guy (who was married yesterday) was held at the home of Mrs. R. Wylie on Thursday evening of last week. Hostesses for the occasion were Misses Betty Anderson, Murla Holmes and Helen Holmes.

Miss Murla Holmes presented Miss Guy with a corsage of Sweet Peas, while an appropriate address was read by Miss Betty Anderson. A decorated basket of miscellaneous gifts was carried in by the Misses Holmes, which included many lovely and useful articles. Miss Guy expressed her thanks to her friends, after which candy was served by the hostesses.

Miss Guy was also the recipient of a lovely tri-light lamp, a gift of Ault Creamery Employees, Local 488.

ROYALS WIN EXHIBITION GAME

In an exhibition game of softball, played at the local diamond Tuesday evening, Winchester Royals defeated the Osgoode team by a score of 13-1.

COMMUNITY
Theatre, Chesterville

Thurs., Fri., Sat., Sept. 7-8-9
"TICKET TO TOMAHAWK"
In Technicolor. All aboard for Tomahawk, for the most thrilling ride of your life. A one-way trip through the mile-high rockies, with romance, danger and action every foot of the way. With Dan Dailey, Anne Baxter and Rory Calhoun.

Mon., Tues., Wed., Sept. 11-12-13
"PINKY"
Suspenseful, exciting drama, the compelling story of a girl who passed over the boundaries of her own heritage in a struggle for love and happiness. It will capture your imagination and your heart. With Jeanne Crain, Ethel Barrymore and William Lundigan.

Foto Nite—Canada's Biggest Cash Offer at the Community Theatre every Wednesday.

WEDDINGS

COCHRANE—GUY

Winchester United Church was the scene of a fashionable wedding at three o'clock yesterday afternoon when Miss Marion Doris Guy, only daughter of Mr. and Mrs. Orville Guy, of Winchester, was united in marriage to Mr. Floyd Elwood Cochrane, elder son of Mr. and Mrs. J. E. Cochrane, of Russell. Rev. N. J. Thomas officiated, with Mrs. Howard Fetterly presiding at the organ. The bride's attendants were Miss Murla Holmes, as maid of honour; Miss Doreen Cochrane, sister of the groom, and Miss Marjorie Crummy, as bridesmaids, and Miss Joan Wylie as flower girl. The best man was Mr. Carl Hume, of Russell, and the ushers were Messrs. Ray Guy and Keith Russell.

Mr. Ron. Workman was soloist and sang "The Lord's Prayer" and "Because," accompanied by Mrs. Fetterly.

Gladioli and evergreens were used effectively to decorate the church, while the guest pews were designated by white satin bows and sweet peas.

Given in marriage by her father, the bride was charming in a floor-length gown of brocaded nylon organza, fashioned with a tight fitting bodice which was buttoned with small covered buttons from the waist to the Peter Pan collar, while the long sleeves came to points over the hands. The full skirt extended into a long train. A small Dutch hat of matching organza held her full-length veil of tulle illusion, and she carried a cascade bouquet of Butterfly Roses and white plumes.

Miss Holmes, as maid-of-honour, wore a gown of orchid nylon organza, with a small head band of yellow roses, and carried a bouquet of mauve gladioli and yellow roses. The bridesmaids, Miss Crummy and Miss Cochrane, wore dresses alike of yellow and green nylon organza, with small Dutch hats to match, and carried nosegays of sweet peas and roses. The flower girl wore a pink organdy dress with bonnet-style hat to match, and carried a small nosegay of sweet peas.

Following the ceremony a reception was held at the home of the bride's parents, attended by seventy-five guests. A three-tier wedding cake centred the bride's table, and serving was done by the Misses Betty Anderson, Lulu Dawley, Mary Guy and Helen Holmes.

Mrs. Guy, mother of the bride, was wearing a navy blue tissue faille dress with navy and pink accessories and corsage of pink roses, while Mrs. Cochrane, mother of the groom, chose a gown of shelly rose taffeta with a New York model feather hat and accessories to match, and corsage of Talisman roses.

Later, Mr. and Mrs. Cochrane left on a motor trip to the Muskoka Lakes. The bride travelled in a dusty rose gabardine suit with navy blue accessories and corsage bouquet of white roses. Upon their return they will reside at Russell, Ont.

Out-of-town guests present at the wedding included Mr. and Mrs. J. E. Cochrane and family, Mr. and Mrs. H. Cochrane, Mr. Clair Cochrane, Mr. and Mrs. Keith Russell, Mr. and Mrs. R. M. Hay, Mr. and Mrs. Leo Desjardin, Mr Lloyd Thompson, Mr. Earl Harrison, Mr. and Mrs. Lloyd Hay, Mr. Carl Hume and Rev. P. E. Clark, all of Russell; Dr. and Mrs. Mirsky, Miss Grace Wylie, Miss Stella Wylie and Miss Isobel Galbraith, of Ottawa; Mr. and Mrs. K. J. Guy and Mr. Ray Guy, of Mountain; Mr. and Mrs. Chas. Davidson, of Stirling; Mr. and Mrs. J. W. Guy, Mr. and Mrs. Lorne Guy, Miss Mary Guy, and Mr. and Mrs. L. A. LaPorte, of Inkerman; Mr. and Mrs. Karl Guy, South Mountain; Mr. and Mrs. Arthur Guy, of Oxford Mills.

SUMMERS—HANES

The United Church Parsonage, Winchester, was the scene of a quiet wedding on August 30th when Miss Erma Doreen Hanes, daughter of Mr. and Mrs. Asa Hanes, of Inkerman, was united in marriage to Mr. David Merven Summers, son of Mr. and Mrs. Ernest Summers, of Winchester. Rev. N. J. Thomas officiated at the ceremony.

The bride chose for her wedding a blue net over pink taffeta with black accessories, and carried a corsage of sweet peas.

The bride was attended by Miss Gwendolyn Summers, sister of the groom. She wore a navy blue dress with navy accessories and carried a corsage of sweet peas.

Mr. Ray Saunders, of Osgoode, acted as best man.

Following the ceremony a reception was held at the home of the bride's parents. The couple left on a wedding trip to Niagara Falls and Western points. For travelling, the bride wore a grey suit with black accessories. On their return they will reside in Winchester.

KEYES—ROSS

Hulbert United Church was the scene of a lovely Autumn wedding on Saturday morning, September 2nd, at eleven o'clock, when Lera Pearl, only daughter of Mrs. Alex Ross and tht late Mr. Ross, of Mannville, Alta., was united in marriage to Mr. John Gardiner, youngest son of Mrs. William Keyes and the late Mr. Keyes, of Hulbert.

The ceremony was performed by Rev. J. B. Adams, of South Mountain, amid a setting of white gladioli and asters. A wedding ring used in the ceremony was a family heirloom. Wedding music was played by the organist, Mrs. Harold Mellon, and the soloist, Mrs. Donald Sullivan, sang "Perfect Love."

The bride, given in marriage by her uncle, Mr. Jack Miller, of Glen Stewart, was charming in a gown of white slipper satin, designed with fitted bodice, net yoke outlined with rhinestones in a brocade design. Tiny satin buttons fastened the back of the bodice and long sleeves came to points over the hand. A sweeping skirt, trimmed with panels edged with rhinestones and brocade, extended into a slight train. Her headdress, a three-quarter veil of tulle illusion, was held in place with a coronet of white roses, and she carried an arm bouquet of Johanna Hill red roses.

The bridesmaid, Miss Anne Herbst, of Toronto, selected a floor-length gown which featured ice blue taffeta made on similar lines to that of the bride's, with short sleeves, and she wore elbow-length kid gloves of the same color. Her headdress held her shoulider-length veil of nylon tulle, and she carried a bouquet of double white asters. Little Miss Elaine Lera Ellis was flower girl, gowned in a yellow crepe floor-length dress with headdress of tiny white rosebuds, and carried a bouquet of white asters.

Mr. James W. Keen, of Buffalo, N. Y., attended the groom, and the ushers were Mr. Alton Miller, of Glen Stewart, and Mr. Lorne Mellon, of Hulbert, both cousins of the bride.

Following the ceremony, a reception was held at the home of the groom's mother, where sixty guests were received by Mrs. Ross, the bride's mother, and Mrs. Ellis, the groom's mother. Mrs. Ross was attired in a navy crepe dress with navy accesories and a corsage of red rose buds. Mrs. Ellis was wearing a grey figured crepe with navy accessories and a corsage of pink rose buds.

The bride's table was set with dishes and silver belonging to her Grandmother Ross, and a three-tiered wedding cake, made by the bride's mother and aunt, centred the table. White bells and streamers, gladioli and asters were used for decorations. The toast to the bride and groom was proposed by Rev. J. B. Adams, and responded to by the groom.

Mid showers of confetti and rice, the young couple left on a motor trip to New York City. For travelling the bride wore a powder blue and navy dress with navy blue accessories and a shortie topcoat of winter white. Her corsage was red rose buds.

Before leaving, the bride presented her wedding bouquet to Mr. and Mrs. Samuel Keyes, it being the occasion of their fourth Wedding Anniversary.

On their return they will reside in Toronto.

Guests attending from out-of-town included: Mr. Clare Eagles, Windsor; Mr .and Mrs. Arnold Graham and Mrs. Mary Keen, Toronto; Miss Jean Watson, Hamilton; Mrs. J. Eagles, Hillsburgh; Mr. Brock Harper, of Beamsville; Mrs. Wm. McCleary, New York City; Mr. and Mrs. Girvin Scott and family, Mr. Earl Reddick, Mr. Kenneth Loughlin and Miss Hazel Keyes, Ottawa; Mr. and Mrs. Harold Brown and family, and Mr. and Mrs. Jack Carmichael, Kemptville; Mrs. Jack Miller, Glen Stewart; Mr. and Mrs. Calvin Serviss and Mrs. Logie Serviss, Iroquois; and Miss Hattie Farrell, Hallville.

Mr. and Mrs. Keyes were recipients of many beautiful and useful gifts, as well as telegrams of congratulations from Mannville, Alta., and a telephone message of congratulations from the groom's sister in California.

WOODS—LEVERE

At the United Church Manse on Thursday last, Rev. N. J. Thomas officiated at the marriage of Loretta Jean Levere, daughter of Mr. and Mrs. Alex Levere, to Mr. Howard Manson Woods, youngest son of Mrs. John Woods and the late Mr. Woods.

The bride wore a navy blue travellingsuit with matching accessories. Mr. and Mrs. Alex Woods, a brother and sister of the bride and groom, were the attendants. After a wedding supper at the bride's home, the couple left on a motor trip to Western Ontario, and on their return will reside at Mountain Station.

METCALFE FAIR TO BE HELD NEXT WEEK

Metcalfe Fair, rural Ontario's finest Exhibition, will be held next Thursday, Friday and Saturday, September 14th, 15th and 16th. Due to the fair's increase in popularity and size, the directors have decided to extend the fair to three days this year. The exhibition promises to be the best in Metcalfe history, with heavy entries being recorded in all classes.

Special attractions for Friday and Saturday will be the judging of horses and cattle, and a grand parade of all prize winning livestock in front of the grandstand. Three horse races—two on Friday and one on Saturday, will be held, with purses of $150.00 each.

A Grand Concert will be held in the Town Hall on Friday evening, with a Monster Dance climaxing activities Saturday night at the Fair Grounds.

Admission to the Grounds will be 35c. However, advance tickets are now on sale at 25c each or 5 for $1.00, which are good for admission. By purchasing advance tickets you have the opportunity of winning several valuable prizes including a chance at the two grand prizes, a 1950 Plymouth Sedan and a 1950 Chevrolet Sedan. The draw will take place at the Fair Grounds on Saturday, Sept. 16th.

For a full day's enjoyment of educational and interesting events, attend Metcalfe Fair next week.

HOLSTEIN COW GIVES BIRTH TO TRIPLETS

Bridge Lea Carnation Amy, a four-year-old Holstein cow, owned by Messrs. Edgar Craig & Son, of Metcalfe, gave birth to triplet heifers last Tuesday morning. Although the birth of twins is a fairly common occurrence, it is very rare when triplets are born. Two of the young heifers are living and doing well, according to Mr. Craig. The third heifer died before a veterinary could be called.

Bridge Lea's two-year milk record is 19,219 lbs. of milk and 609 lbs. of butter fat.

To Try Out With N. Y. Rangers.

Mr. Allan Kellogg, son of Mr. and Mrs. Ernest Kellogg, of Cornwall, and formerly of Winchester, will leave next week for Lake Placid, N. Y., where he will train with the N. Y. Rangers of the National Hockey League. Allan is well-known to hockey fans in this district as being a big, bruising defenceman who played with Cornwall Juniors against Inkerman Rockets last year. Beside hockey, Al. is also a keep competitor in baseball, track and rugby.

Hylo Eggs Take C. N. E. Prize

Hylo Egg Grading Station in Winchester has received official word from the Canadian National Exhibition in Toronto that their entry in the Egg Exhibits has been awarded fourth prize out of a total of 109 contestants.

In the individual classes Hylo Eggs gained second prize in the A Large group, third prize for A Medium, and another second prize for A Pullets. The eggs on display in the exhibit were taken from the Hylo Egg Grading Stations in Osgoode and Winchester.

Mr. Albert Crawford, Manager of the local Egg Grading Station, personally chose and arranged the display for the exhibit at the "Ex."

Entries came from all over Canada and consequently much credit goes to the district farmers who deal at Hylo Stations.

This is the first time Hylo Eggs have ever exhibited eggs at the world's largest annual exhibition. Our congratulations to Mr. Lawrence Kapeller, owner of the Stations, and to Mr. Albert Crawford, manager of the local station.

MANY ATTEND OLD-TIME DANCE

Over four hundred people enjoyed the old-time dance at the opening of Mr. Basil Dawley's New Warehouse at Winchester last Friday evening. The "Fiddlers' Fling" Orchestra, from Station CFRA, Ottawa, provided the music, with Mr. Bill Loney, of Edwards, calling the square dances. Mr. Donny Gilcrest, dancing champion, and Mr. John Woods, of Mountain, gave step-dance numbers, while Mr. Orvil Prophet, of the CFRA Orchestra, entertained with songs.

From 10 to 10.30 the dance was broadcast over CFRA, with Mr. Terry Kielty announcing the program. Mr. Basil Dawley, who sponsored the event, was congratulated on celebrating his birthday that day, while Mr. Harold Durant, Reeve, of Winchester Township, and Mrs. Durant, were extended best wishes on their 35th wedding anniversary. Mr. Howard Fetterly brought greetings on behalf of the Winchester Village Council.

During the evening spot dance prizes were given, and these were won by Mr. and Mrs. Benson Latimer, of Metcalfe; Mr. and Mrs. Dwight Beckstead, of Williamsburg; and Miss Elizabeth Black, of Hallville.

BARN DESTROYED BY FIRE

A fire of unknown origin completely destroyed the barn, crop and machinery of Mr. Alexis Gauthier, on the Morewood road, seven miles north of Winchester, on Sunday night. The loss is estimated at $7000, partially covered by insurance.

The fire was first noticed by Robert Millett, age 12, who was helping Mr. Gauthier to milk. Seeing the fire when he went outside to empty a pail of milk, the lad gave the alarm, and they were able to remove the cattle, but the fire spread so rapidly that neigbhours were unable to save the machinery, and most of this year's crop, which was housed in the barn. Approximately 1800 bushels of grain were destroyed by the fire.

The Winchester Fire Department was called and prevented the flames from reaching the dwelling and an adjoining milk house.

FEED NEWS

X-L-O POULTRY CONCENTRATE
35% Protein
Contains—White Fish Meal, Meat Meal, Dehydrated Alfalfa Meal, Soybean Oilmeal, Gluten Feed, Wheat Shorts, Calcium Phosphate, Iodized Salt, Manganese Sulphate, Vitamin A and D Oil, Riboflavin.
X-L-O Poultry Concentrate will supply ample Protein, Minerals and Vitamins for heavy egg production when mixed with good quality ground or rolled grain.
100 lbs. X-L-O Poultry Concentrate mixed with 200 lbs. grain will make a Laying Mash with 20% protein.
100 lbs. Concentrate with 300 lbs. grain for an 18% Laying Mash.
100 lbs. Concentrate with 400 lbs. grain for a 16½% Mash.

SWIFT'S HOG CONCENTRATE
35% Protein
For Starting—from weaning up to 60 or 75 lbs.
Mix—100 lbs. Hog Concentrate, 200 lbs. Middlings or Ground Wheat, 200 lbs. finely ground Oats or Barley.
For Growing—
Mix—200 lbs. Hog Concentrate, 200 lbs. Shorts, 1000 lbs. Ground Mixed Grain.
For Finishing—Latest reports from MacDonald College recommend the addition of high fibre ingredients such as Bran in the ration for the last few weeks before finishing. The idea is to prevent any tendency to fatten and over-finish, thus lowering the grade. This is opposite to the old idea of fattening pigs for market.

X-L-O DAIRY SUPPLEMENT
24% Protein
Containing—Linseed Oilmeal, Soybean Oilmeal, Gluten Feed, Bran, Calcium Phosphate, Manganese Sulphate, Salt, Cobalt, Potassium Iodide, Ferrous Sulphate, Copper Sulphate.
For a 16% Dairy Ration add 100 lbs. X-L-O Dairy Supplement to 200 lbs. ground or rolled grain.

CUSTOM MIXING
Use this custom mixing service to get the most feeding value from home-grown grain.
Grain ground or rolled and any Poultry, Pig or Dairy Ration mixed while you wait.

Fennell Feed Company
WINCHESTER - - ONT.

The 7th Column

One sure sign that the Fall season is well on its way is the commencing of the regular radio programs. Within the next month most of the old favourites plus a few new programs will be back on the air. Quite a form of entertainment for the average individual, and also a reminder to get that winter supply of coal in.

* * * *

A Livingston County potato grower in N. Y. has been digging his potatoes ready baked. Spading a patch where the vines had withered overnight, Joseph Nicol found that lightning had struck and cooked the spuds in the ground "soft enough to mash." It's too bad lightning couldn't be hooked up for this purpose more often—it would save housewives a lot of trouble.

* * * *

At June 1st, 1950, Canada's population was estimated to be 13,845,000, an increase of 296,000 in 12 months.

* * * *

Some people believe that Canada's National Emblem should be a train whistle. There's a lot of logic behind this suggestion, although we doubt if it should be considered as an emblem for the Dominion—as any country with railways is affected the same. True, the old train whistle joins every city and every desolate section of our widespread country except in the case of a rail strike. Luckily this idea was not accepted or Canada would have been without a national emblem for nine days recently.

* * * *

There are 20,000,000 books in Canada's Public Libraries and each book is loaned on the average of three times a year. This means that the average person in Canada only reads about four books in a year, which is not enough. Let's make use of our public library facilities and do more reading. The right kind of reading is one of the best ways to self-educate oneself. Although Winchester Libarary is small, it offers a wide selection of books, so if you haven't anything to do some evening this Fall drop into the local library, pick up a book, and see for yourself if it isn't an interesting pastime.

* * * *

In two weeks summer will be officially over. What we would like to know is when did it begin?

* * * *

We, along with the rest of the people in Canada, are glad the rail strike has terminated and that once again train and mail service have been restored to their usual schedule.

Frankly, we were rather lost around the office while the strike was on, in that we were receiving only four or five of our usual forty exchanges. Receiving exchanges is an important factor contributing to the success of your own paper. Through them you not only know what the other editors are doing and thinking, but you are kept in constant contact with the way people are living and what they are doing in other parts of our country. There are many other benefits obtained in viewing these exchanges, but even

though they are important they are also numerous and our column does not allow us to deal with them in detail. To our exchanges we say: Welcome Back!

* * * *

Last Friday we had a few calls from some of the subscribers in nearby districts wondering where their Press had gone. As the rail strike terminated Wednesday evening we did not deliver any papers but sent them via their usual way through the postal dept. Although trains were running Thursday morning mail service was not restored until Friday. Consequently, in some cases, there may have been a day's delay in receiving your Press last week.

* * * *

In a year the Canadian Manufacturers of dairy products use forty million pounds of sugar in the production of such commodities as ice cream and condensed milk. Pretty sweet, eh!

* * * *

Each week we have been keeping you posted on the editor's progress by a little note inserted in the 7th Column. Five weeks ago things looked rather black and we were wondering how we were going to get through and how long Fern would have to stay in Midland. That was five weeks ago. Last Sunday we brought Fern down to his cottage where he will spend some time resting. He is steadily improving and is anxious to get back to Winchester to see his friends and also to drop into the office for a little while. Although the editor won't be working for some time, you could almost feel the contented atmosphere that came over the office when we were informed that the editor would be able to come home.

Other Editors' Opinions

COOL SUMMER

(Cornwall Standard-Freeholder)

What a summer! Instead of using the car to take the family out into the country to cool off a little, an automobile has been the handiest place to get warm. Many a motorist can be seen with all the windows closed and the heater running, especially in the early mornings.

WEATHER FORECASTS

(Brockville Recorder & Times)

We've often heard that, after taking a "beating" about the difference between the weather forecast and the actual weather, we should change the heading from probabilities to possibilities. But compared to the dirty looks given the actual forecaster, whose wife and neighbours do their washing on the advice of the "expert" only to have it rain as soon as the clothes are all on the line, we have nothing to worry about.

A POPULAR PASTIME

(Leamington Post & News)

"Eating out" is a pastime that has become extremely popular in Canada in recent years and Canada's restaurant industry has reflected this popularity in its rapid growth and development. There are many fine cafes and restaurants in all areas of the country and patrons can help keep them clean and sanitary by insisting on clean food, clean service and clean surroundings.

LINES OF RUST

(Almonte Gazette)

When the idea of building a Canadian transcontinental railway was first broached by Sir John A. Macdonald and his colleagues, the opposition of that day insisted that the line would be marked by two lines of rust from Montreal to the Pacific Coast. That is what it was last week, owing to the strike.

Our Column

A self-made man is as proud of the outcome as he is of his income.

Nothing jolts an ignorant man quite as much as being forced to say: "I don't know."

Approximately one confinement in 85 in Canada results in the birth of more than one child.

Bulk of the Dominion's maple syrup production comes from Quebec's eastern townships.

Watermelons are white inside until they are cut and air oxidizes the meat, turning it red.

The less brains a man has the easier it is for him to lose his head.

Luck may come and luck may go, but real merit hangs on forever.

Every man thinks he helps others a lot more than others help him.

When the unexpected happens a man's true nature begins to show on the surface.

Despite post-war industrialization, agriculture is still the most important Canadian primary industry.

Natives of the West Indies, who regularly chew sugar cane, are said to have better teeth on the whole than Canadians.

Canadian mothers have given birth to six sets of quadruplets but the Dionnes still stand alone so far as quints are concerned.

Sugar beets are saving the United Kingdom more dollars than any other crop according to Sir Francis Humphrey of the British Sugar Corporation.

COFFEE *must be fresh to yield its utmost in flavour.*

"SALADA" COFFEE

is as fresh as the day it was packed when you break the seal on the lid.

Mr. and Mrs. T. J. Keyes had dinner on Sunday with Mr. and Mrs. H. Ropar and family.

Mr and Mrs. D. A. McIntosh and family, of Cornwall, called on Mr. and Mrs. Lorne McIntosh on Sunday.

United Church W. A.

The August meeting of the United Church W. A. was held on Tuesday afternoon of last week with seventeen attending. The president, Mrs. Thompson, presided, with Mrs. Irwin Holmes as pianist. Psalm 734 was read alternately and a hymn was sung, followed by the Lord's Prayer in unison. The minutes were read and approved. Mrs. Lloyd Allison gave the treasurer's report. Mrs. Ralph Allison read "Thank you" letters from members.

The roll was answered with each member naming their favourite flower, followed by a flower garden contest, which was won by Mrs. Alvie Steele.

Group 2 then held a bazaar, their project for the month of August. Those active on this group included Mrs. Harry Potter, convener; Mrs. Harry Holmes, Mrs. Thos. Holmes, Mrs. Fred Coons, Mrs. Rice and Mrs. Jack McDiarmd.

The several dainty hand-made articles made by members of the group with a collection of several varieties of cactii were sold and netted $18.00 which was very gratifying.

Following the bazaar, refreshments were served and a social time enjoyed.

HINTS FOR THE HOME

Dyeing

If the dye is strained before tinting colored materials, the goods will take the color evenly.

Scorched Linen

Slight scorches on linen or cotton may be removed by wetting the spot with soap and water and exposing it to the direct sunlight for a day or so.

Sour Milk

When washing bottles that have contained sour milk, use some baking soda in the bottle. Pour hot water over the soda and shake well. Then rinse in cold water, and the bottle will fairly shine.

Whipped Cream

Cream that has been whipped too much can be brought back to its amount of cold sweet milk into the smooth state by pouring a small cream. Stir very gently until the cream is smoothed out again.

Silverware

Flat silver can be quickly cleaned, and without any harm done to it, by covering with sour milk and boiling for three minutes. This is a very effective method.

Curtains

New curtains should be soaked overnight in salt water before washing. They are usually difficult to get clean. They will be much easier to handle after their salt water bath and it will not be necessary to use so much soap powder.

The Bookcase

A few drops of oil of lavender here and there throughout a bookcase will save a library from mold.

The Oven

After using the oven allow the door to stay open, and this will permit the warm air to evaporate without rusting the oven.

Broken Window

If one is replacing a broken window pane, pass a red hot poker slowly over the putty, and it will greatly facilitate the removal of the pane.

Gray and White Hair

Women with white hair must never expose it too long in the sun. Its lack of pigmentation decreases its resistance to sunburn and augments dryness.

Left-Over Ham

To make use of left-over ham, mince it, then mix with chopped cooked spinach, cream sauce, and a little nutmeg. Mold into croquets.

The Stepladder

The legs of the stepladder will not slip or scratch the wood floors if squares of cloth are tied to them with stout cord or heavy rubber bands.

Too Much Bluing

Be careful not to put too much bluing into the rinsing water, as this will give a dingy, grey appearance to the clothes. Measure the bluing carefully and mix it with a little water before adding it to the tub of water in which the clothes will be placed.

The Clock

The large clock will not scratch the surface of the furniture on which it is placed if a brown or black stair tread is cut down to the size of the clock and placed under it.

The Fireplace

Leave some of the wood ashes in the fireplace when cleaning it, so as to make a bed for the new logs. The ashes will retain the heat and cause more warmth in the room.

CANADA'S health

FOOD FOR WARMTH

Any person whose diet is not balanced properly feels the cold more often than a well-fed person.. These crisp September mornings require a good breakfast. Make sure that your diet is up to par.

A SLEEP IN TIME

Many young people are inclined to think sleep is a waste of time. Doctors point out an adequate amount of sleep is essential for good health, vigor and good appearance. Very few of us can do without an average of eight hours of sleep every night without showing obvious signs of wear and tear.

SUNLIGHT A STERILIZER

One of nature's finest sterilizers is sunlight. When a room is flooded with sunlight many disease germs in the air, on the floor and furniture are safely killed off. This alone is sufficient reason to keep drapes and blindes well opened to allow adequate sunlight through the house.

DELAY IS DANGEROUS

Even the smallest wound can be become dangerous if it is not properly looked after. When infection sets in even a minor wound can become a dangerous, expensive proposition. Small cuts and scratches should be washed immediately, sterilized and covered with a sterile dressing.

WALKING TO WORK

Walking to work is one of nature's exercise. Unless distance or the finest and most convenient forms of weather prevents, everyone should walk at least part of the way to work at least once a day. The exercise in the open air fills the lungs, quickens the flow of blood and stimulates the appetite.

DORMANT BUT NOT DEAD

Because of the dramatic decrease in diphtheria in recent years many parents hold the mistaken belief that diphtheria is practically extinct. This is not the case. While diphtheria is much less common than some years ago it is by no means defeated. It is merely held in check. Only by immunization can we protect our children from the dangers of this disease.

ATTENTION. LADIES

Get your Fall Permanents now and avoid the rush. I have Machineless Permanents on special, regular $7.00 for $5.00. Also Cold Wave, regular $8.00 for $5.00. I do Finger Waving at 50c. Hair Cutting and Finger Waving, $1.00. I also sell Hair Nets, Bobby Pins, Combs, Nail Polish, Suave Hand Creme and Shampoo. Phone 20W, from 9 o'clock on. Mrs. Dwayne Hamilton, Winchester, East of the Theatre. 15-18c

SHUR-GAIN FEED SERVICE

MR. FARMER:

When you think about Practical Feeds you are thinking about SHUR-GAIN.

Why SHUR-GAIN?

SHUR-GAIN Feeds are the ONLY feeds that offer you the twin advantages of:

LOCAL MANUFACTURE AND CONTROLLED QUALITY

SHUR-GAIN Feeds are manufactured right here—they are fresh, but, more important, all SHUR-GAIN Feeds are under constant test at the SHUR-GAIN Demonstration Farm.

Practical minded farmers who are interested in making their feeding operations PAY are more and more turning to SHUR-GAIN.

THE MIXING BOWL
BY Anne Allan
HYDRO HOME ECONOMIST

Hello Homemakers! There are times when we could be more helpful where new Canadians are concerned. We have evidenced the problem in regard to our summer varieties of apples recently where our neighbours had gathered and stored many Duchess apples only to find them spoil. No one had told them that the early varieties are better used now than stored. Yellow Transparent, Duchess, Wealthy, Peach and the Gravenstein are our summer apples. They are good in cooked desserts and also cooked with different vegetables.

The majority of homemakers make fresh applesauce regularly during the late summer. However, we can describe to our new neighbours other apple desserts for variety. For instance, there is Apple Pie, Apple Strudel, Apple Cobbler, Apple Betty, Scalloped Apples, Applesauce Cake, Apple Tapioca Pudding, Apple Custard and so on. If there are no late varieties in the orchard, then it may be a wise measure to can applesauce now. A word may also be said about leftover applesauce; use it in bread stuffing, muffins or griddle cakes.

APPLESAUCE CAKE

1 cup brown sugar, 1-2 cup butter or shortening, 1 egg, 1 3-4 cups of cake flour, 1 cup raisins, 1 cup currants, 1-2 tsp. salt, 1 tsp. soda, 1 tsp. cinnamon, 1-2 tsp. cloves, 1 cup thick applesauce.

Blend sugar and shortening. Beat in the egg. Sift flour. Measure flour and sprinkle raisins with 1 tbsp. of flour. Stir in the measured spices and then stir into sugar mixture. Add raisins and currants. Heat the cup of applesauce (lightly sweetened) and beat it into the batter. Bake the cake in a 9-inch tube pan in an electric oven of 350 degrees for about 40 minutes.

APPLE GRIDDLE CAKES

1 1-2 cups bread flour, 1 tsp. salt, 2 1-2 tsps. baking powder, 2 eggs, separated; 1 tbsp. melted fat, 1 1-4 cups milk, 1 large sliced apple.

1. Sift flour, then measure.
2. Resift flour with salt and baking powder.
3. Beat egg white.
4. Beat egg yolk and add milk and sliced apple.
5. Stir egg mixture into centre of dry ingredients. Mix only until blended.
6. Fold in the egg whites.
7. Drop by spoonfuls on to hot griddle. Bake 3 mins. then turn and finish cooking in about another 3 minutes.

SCALLOPED APPLES AND CABBAGE

Use a greased caserole and fill with alternate layers of shredded cabbage and sliced apples. Season the cabbage with celery salt and sprinkle the apples with a little sugar. Sprinkle with browned bread crumbs and dot with butter. Bake in preheated electric oven of 375 degrees for 40 minutes.

TAKE A TIP

1. Use Wealthy or Gravenstein apples in Tapioca or custard dishes as these dishes require a tart flavoured apple.
2. Peel apples with a stainless steel knife and drop into salty water to prevent the pieces turning brown.
3. Cut cored apples crosswise and place in the skillet with pork chops.

THE QUESTION BOX

Mrs. B. W. asks: How do you preserve apples as applesauce?

Answer: Make applesauce, sweeten if desired. Pack hot mixture into sterilized jars, leaving 1-2 inch of headspace. Seal and turn zinc top 1-4 turn loose. Place jars in electric oven preheated to 300 degrees then set at 275. Process 25 minutes or place in hot water bath and boil 15 minutes.

Mrs. C. L. asks: How do you make your favourite version of Apple Betty?

Answer: We combine 1 1-2 cups graham cracker crumbs with 3 tbsps. melted butter and pat one-third of this mixture into a greased casserole. Then we prepare 3 cups sliced apples and mix with 3-4 cup brown sugar, 1-4 tsp. cinnamon, 1-4 tsp. nutmeg, 1-4 tsp. salt, 1 tsp. grated lemon rind and 1 tbsp. lemon juice. Spoon half the apple mixture into casserole then sprinkle another third portion of the crumbs, then 1-4 cup of currants. Finally add the remaining layer of apples and sprinkle with the last third of the crumbs on top. The dish is then covered and placed in a preheated electric oven at 350 degs. for about 35 mins. Serve hot with cream. Yield: 5 servings.

ELMA

Congratulations are extended to Mr. and Mrs. Douglas Hough (nee Marion Bell), who were married at the United Church, Chesterville, on Saturday last.

Billie Robinson, of Chesterville, spent Friday with his cousins, Robert and Gerald Barkley.

Gail McMillan, eldest daughter of brated her ninth birthday on Tues- Mr. and Mrs. Wilfred McMillan, celeday, August 29th, when a party was held at her home. Those present included Vaughn Barkley, Marilyn Pemberton, Carole McIntosh, Lois McPherson, Brenda Dyer, Diana, Donna, Elva, Mary and Anne McMillan.

Mrs. John Armstrong and Miss Jean Armstrong visited Mr. and Mrs. Roy McMillan, of Dunbar, on Thursday.

Mr. and Mrs. Harry Carruthers and family, accompanied by Rev. W. A. and Mrs. Morrison, of Dunbar, spent a day with Rev. R. G. and Mrs. Newman and family at their cottage, west of Cardinal.

Mrs. Harold Smith and children visited Mr. and Mrs. Earl McMillan and Nancy at Grantley on Friday.

Rev. F. J. and Mrs. Vowles have returned from their holidays at Pt. Carmen.

Mrs. W. A. McMillan, Mary and Anne, Mrs. John Armstrong and Jean, Mrs. Graham McPherson and Lois spent Friday with Mrs. Milton Carkner and Lois at their cottage at Riverside.

Miss Marilyn Pemberton visited Miss Carole McIntosh for a few days.

Mrs. Brock Blackwell and Marion, of Walkerton, were guests of Mr. and Mrs. Hugh McMillan on Thursday.

For Parents Only
(By Nancy Cleaver)

YOUR CHILD AND HIS COUNTRY

Parents cannot completely delegate to the schools their children's attitude to the land of their birth. Mothers and fathers are the children's first teachers and the ideas and ideals of the home influence the thinking of the boy or girl.

Parents may well be asked, "How do you want your child to think of his country?"

Do you not wish your child to have a pride in Canada's past? Nearly four centuries ago, following the first wanderings of Leif and Lucky and other Norsemen, the French explorers sailed up the St. Lawrence River. Canada has had a romantic history, with stories of heroism, initiative and vision in every generation. A child has a right to a knowledge and pride of Canada's past.

Blending of People

Do you not want your child to have an understanding of the different races who have made Canada their homeland? There are two great traditions of European culture—the British and the French, and an interesting blending of people of many different countries. Each has brought its own special contribution in ideas, in crafts, in industry, to our national life. In recent years "displaced persons" and other immigrants from many lands have greatly enriched our cultural life and brought many new industries to Canada. A child should be taught to appreciate Canadians of different races and to show friendliness and co-operation towards others.

Do you want your child to have a knowledge of Canada and her resources? Canada is a vast country and it is a privilege for a child to have the opportunity to travel. But a second best is to read or to hear stories about our lumbering, mining, fishing, textile and other industries, and about our great agricultural enterprises in wheat, in fruit growing and mixed farming. The official handbook on Canada published inexpensively by the Dominion Bureau of Statistics, Department of Trade and Commerce, Ottawa, is a fine source of information and illustrations of Canadian conditions and recent progress. Mothers and fathers ca also encourage their older boys and girls to read the newspapers and articles in Canadian magazines and then discuss events of national importance.

Do you want your child to have a patriotism which is big enough for to-day's world. The great World War II and the discovery of the atomic energy have shattered forever a narrow and blind patriotism—with the old cry "My country, right or wrong." To-day's parents must help boys and girls to see that a sound nationalism fits into the pattern of a strong internationalism. They are citizens, not just of a country, and of an empire, but of a world.

It is more important than ever before, now that science has cut down the distance between continents, that tomorrow's citizens be trained in world brotherhood. There is no denying the warning to the nations that "if you don't hang together you will hang individually." When you look at the Union Jack with your children, do you resolve to do all you can to train them in ways of good citizenship? That is one thing which you can do to build the "brave new world" for which so many men have given their lives in two great wars in this century.

CALFHOOD VACCINATION NOTES
TO THE FARMERS OF DUNDAS COUNTY
ARGUMENTS AGAINST CALFHOOD VACCINATION
No legitimate reason can be given for the discontinuing of Calfhood Vaccination. Approximately a million calves have been vaccinated to date, and in only a few instances have complaints been voiced. These may be summarized as follows:

1. A few breeders have claimed that calves vaccinated at six to nine months of age may not conceive readily when they reach breeding age. This argument does not withstand the practical test; a careful survey has revealed that this is not true. At no time has the failure to conceive been due to calfhood vaccination.
2. There are those who will maintain that it is dangerous to vaccinate calves with a living vaccine when the herd is blood-negative, that is, listed or under listing. This statement is entirely without foundation, because we have learned by experience that calfhood vaccination has been practised and vaccinated calves maintained in the same building as the blood-negative adult animals, without any evidence of spread of the disease. Since Strain No. 19 is not a transmissible strain, no owner or breeder should hesitate to use it on each and every heifer calf.
3. It has been said that the degree of protection afforded by the vaccination procedure diminishes after the first and second gestation. Here, an owner may re-vaccinate if the infection rate in his herd is high. However, the interval of time which elapses between calfhood and maturity in an animal is usually sufficient for the owner to build up a Bangs-resistant herd.
