WALKERS ALL READY JOINT WALKATHON

The great Walkathon of 1970 is just a few days off and dozens of people have already signed up for the hike of the year.

Sponsored as a joint effort between Legion Branch 370 and the Iroquois Lions Club, the walk, one of several held in recent years, is aimed at raising funds to assist the Legion in paying for an extension to their legion hall, and to help the Lions Club pay for lighting the ball diamond in Central Park.

Registration will take place Friday night and Saturday morning at Lloyd C. Davis, insurance office and the walk will get under way from the shopping plaza at 9.30 a.m. Saturday.

It is close to 20 miles from Iroquois to Dixons, to Hanesville, and then back to the village again.

About every 5 miles along the route will be food and drink and nurses will be available for assistance.

Everything has been planned to assist in making the trip as easy as possible. On their return, walkers will check in at the Legion Hall.

A free dance will be held at the Legion Hall Saturday night.

The community's response to this project is urgently requested and appreciated.

Summer's Work Seaway Community Services

The regular meeting of the Seaway Community Services was held at Know Presbyterian Church, Morrisburg on Thursday, September 3 at 8.00 p.m. The President, Mrs. Eric Steele, gave a resume of the summer's work, paying particular attention to the Leadership Training Course, held in June at Dixon's Corners for the purpose of training teenage counsellers for their part in the summer camp program. This course was sponsored by the Youth and Recreation Branch of the Department of Education.

Walter Krajewski, Director of the Seaway Community Camp, read a full report of the camp, adding pointed, and often, humorous remarks that gave a detailed picture of a program that attracted an average of 60 children from the Dixon's Corners' district and 55 from the Glen Becker district, for three weeks each. Special words of praise were given by the Director for the teenage leaders, and also for the hot meals served daily at noon by the church women of all denominations in Dundas County. In conclusion, Mr. Krajewski felt that a full-time worker could be used to great advantage in the area, for a better planned summer program as well as to initiate a winter program. A committee was put in charge of investigating the worthiness of this suggestion, and the possibilities of procuring a worker.

Mrs Miriam Coligan reported for "The Dugout", the second-hand clothes depot in the Morrisburg Mall, stating that the present bank balance was over $650.00. She requested that the urgent need for childrens slacks and shoes be made known.

Mrs Mary Moore, Home Economist for ARDA, reported for herself and Mrs. Heather Butt, that the project instituted by them for the summer camp was well accepted, and also, that the experiment of the hot meals for the camp needed some revisions in menus for the first camp, but ran smoothly for the second camp.

The next meeting will be held on Thursday, October 1, in Knox Presbyterian Church, Morrisburg. The program will feature the counsellors of the summer camp and slides of their activities. All meetings are open to the public.

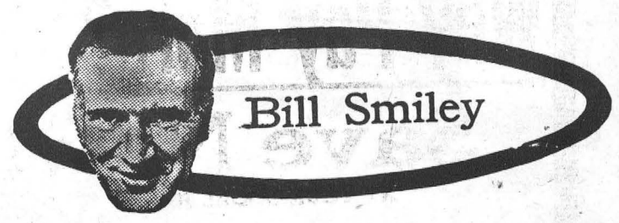
THE BILL SMILEY COLUMN



Sunshine, Sand, Bacon, Eggs and Beans

by Bill Smiley

In a burst of blind fury, I made my wife get off her tail and go with me on our Big Trip, in the last week of holidays.

It had started out, back in May, as a leisurely trip to the British Isles. It shrank like a dowager on a crash diet.

There was no formal opposition, just a lot of little feminine tricks, something like the Chinese water torture. Drop after drop. Insomnia, nothing to wear, can't afford it, who'll cut the lawn, absolutely must have the so-and-so's for a weekend. You know the gamut.

By mid-July it was a trip across Canada, with a trailer. Looking up friends and relatives, not driving too far in a day, enjoying the camaraderie of the trailer camp.

By mid-August, it was a mad dash to the Maritimes. But Kim was home and, "We can't leave her alone" (and she didn't want to go with us, after just having been there).

Well, spilt milk isn't much use. We finally made it. Left on a Thursday afternoon, and got home Sunday evening. How's that for a Big Trip?

However, perhaps it was worth waiting for all summer. It was different. We bought a Coleman stove, as we planned to cook along the way. Anyone interested in a brand-new Coleman stove that has never even been lit?

And, of course, we bought food here and there, to cook on our new stove. Arrived home with two huge boxes of groceries. I swear I had 12 meals in a row of bacon and eggs and beans. No mean fare. But we've still got two weeks' supply.

We just drove until we felt like stopping. North and north. And we wound up spending a couple of days in a cabin on a lake and loving it.

It was a run-down, old-fashioned tourist resort. We got one of the deluxe cabins. No bell-hops, no broadloom, no TV, but a real washroom, with running water. In fact, the water was running all over the floor, from a leak or something, when we checked in.

Strangely, my wife loved the place. At home, she's a psychotic emptier of ashtrays, sweeper of floors and maker of beds. At the cabin, she cheerfully walked around in grit up to the ankles, and actually chuckled when the Trans-Canada train went by three or four times a day, rocking the cabin like a cradle.

For a couple of days we forgot about pollution and population-explosion and other such poppycock. It was enough to wrench the door open, look at that great, clean lake 20 yards away and wonder what the rich people were doing. Sunshine and sand and bacon and eggs and beans.

Evenings were just as paradisical. Campfire until midnight, then into the hut with the little gas stove sputtering cosily, a novel, a nightcap, and no phone ringing or car door slamming to indicate callers.

We had a special treat on Friday night, when the proprietors held a dance. The rock band made the railroad train sound like a muted whisper. We didn't go to the dance, but it was just like home, when Kim has a record on.

But idylls must end. Third morning, woke to a wild wind, a driving rain coming in around the front door, and the worst storm of the summer in full flight.

Drove the long way home in rain that was worse than a blizzard, with sundry morons tail-gating, cutting in, passing on corners and hills and over the white line, when you couldn't see the front of your car. Shaky.

Things didn't improve. They just got back to normal. Discovered daughter engaged to fine young chap who had two cents. Literally. I know it's hard to believe in this affluent age, but he had two (2) cents cash when he proposed.

Talking it over

Some of the key moments in our education are those times when we discussed with someone older the interesting things we learn.

But, to speak frankly about *religious* education today, one of the serious handicaps facing boys and girls who are *sent* (not brought) to church is that they have little opportunity to "talk it over" at home.

Moral and spiritual growth is nurtured by family discussion of the truths taught in classroom and pulpit. But this presumes that parents and children together are sharing the experiences of worshipping God and studying the Christian Faith. Candidly, too, it presumes that the parents will be the pace-setters . . . advanced enough in their own religious growth to answer simple, urgent questions.

It was always fun to tell "Sis" what we had learned at school. But, remember, it was Dad and Mother we counted on when we couldn't find the answers!

For your children's sake — and your own — attend church regularly.

Special Rally Day Presentation at Knox Church

A large congregation of member, parents, and children attended the annual Rally Day Sunday Service, held September 13th, at Knox Presbyterian Church, with a special presentation by members of the Church School and the Senior Choir, introducing, in pantomine and dialogue, the Church School study for the 1970-71 season.

"The World and the Word" a study on the six world cultures and their relationship to the Christian faith, and the curriculum of the Church School for the ensuing year, was uniquely presented to the congregation, in introductory form, by members of the Intermediate and Senior classes, through a pantomine expression, using the medium of art, song and with an original dialogue, prepared by the Rev. John J. Hibbs, minister. The Knox Senior Choir, under the leadership of the minister and Mrs. Ruby Bell, organist, gave background singing to the presentation, with the songs 'The Christian Warrior' and 'The Universe Man'.

Beautiful art form pictures, depicting faces of the black, brown, tan, yellow, white, and redman races were carried by the participants, "paired-off" with diagramed pictures of those parts of the world from which these cultures come. The sanctuary was also decored with symbols and other pictures to compliment the theme of this year's study in the Church School. Church School classes begin at Knox next Sunday, September 20th, when "in depth" study of the various races of the world will begin, using the resources of the curriculum materials and audio-visual aids to help the pupils understand the Christian teaching concerning racial equality and missional responsibility of the world cultures, one to another.

Church School promotions were also announced at this Service, and catechism and memory awards made, with the presentation also of attendance awards.

Misses Michelle Martell and Donna Potvin assisted in the Service with leadership in the Responsive Reading and the Scripture Lesson. The Rev. Hibbs dialogued the pantomine presentation. An impressive ceremony of Commissioning of Teachers, Session Representatives and Catechism Instructors of the Christian Education Committee, and the Congregation, concluded the Rally Day Service. The special choral benediction 'Grace and Peace' was offered by the Senior Choir.

BRING--Don't Send Your Child!

Well Sunday school has started again. We were most thankful for our good attendance of 64 to-day. Our teachers were all there today except one that was sick. We have two new teachers who will jointly look after the Junior Boys. They are Danny Tucker and John Rice Jr. Mrs Fowler and Mrs Moffatt are working on the schedule for the Junior choir and we hope to announce their plans next sunday for a bigger and better choir this year. Rev. Gee spoke to the young folks and had closing prayer. Every church must have a willing group of workers and in sunday school we have one of the "Best".

Some parents say: "we will not influence our children in making choices and decisions in matters of religion" Why Not????

The ads will !
The press will !
The radio will !
The movies will!
The neighbours will !
The politicians will!
The forces of sin will!

We use our influence over flowers, vegetables, cattle, etc. Shall we ignore our own children? May God forgive us if we do.

Opens Travel Bureau

For a small place like Morrisburg we are fortunate to have practically all the services at our fingertips which make for modern and convenient living. One type of service however has been lacking here until recently: a well-run and modernly equipped Travel Office.

In this age, Travel is within the reach of everyone because of the phenomenal development of the aircraft industry; Travel is no longer for only the well-to-do and therefore such a service is desirable and important.

Mr. and Mrs. Gordon W. Thom, well known throughout this area, have considered developing such a business for years and finally decided to establish an up-to-date Travel Agency in the Village to service the immediate area. Just recently a new, modern airconditioned office on the Mall in Morrisburg's Shopping Centre has been acquired as well as the permanent services of Mr. Kurt Polak, former owner of The Dutch Shop, whose interest in the area and experience have given an added European flavour. All three members of the Agency have already completed successfully a Travel Course in Montreal conducted especially for Travel Agents by Air Canada.

The Thom Travel Agency will serve not only Morrisburg but the whole district and you are welcome, at any time, to drop in and get acquainted with this new enterprise. Indeed we believe, this new business fills a definite need in our district and will contribute to make Morrisburg and District a better place in which to live.

Are you guessing that Roger's ancestry is Irish? Right! Somehow this toddler reminds one of a leprechaun.

Roger is just a year old, a sturdy, tall, husky boy with hazel eyes, scant fine blond hair and skin which is fair but not abnormally sensitive to the sun.

An affectionate, happy boy, he is strong and in good health — a delight to have around, according to his foster family. He is observant, bright and quick to learn and very responsive to attention.

Roger is really active, eager to get into every cupboard and drawer within his reach. This baby will be a splendid son for a couple who will enjoy a good-natured little boy. To inquire about adopting Roger please write to Today's Child, Department of Social and Family Services, Parliament Buildings, Toronto 182. Mrs Gail Burrell .. Grades 2 and 3. Mrs Ruth Styles .. grades 3 and 4. Mrs Bonnie Adair ... Grades 4 and 5. Mr. Bob Dolan ... Grades 6 and 7 Mrs. Gail Telford & Mr. Emond ... Grades 7 and 8.

This year new options are being offered by Seaway District High School to the grade seven and eight pupils. The boys will have the opportunity of taking two periods of industrial arts and the girls will have one period of art.

The French programme has been extended to cover grades three to six. Mrs. Testerink, who comes every morning from 9:oo to 10:30 will be responsible for this programme.

Other special teachers will be Mrs. Betty Casselman who will direct the music programme, Mrs. Lorne Mellan will help with remedial reading and Mr. Bill Lineger will be assisting with the physical education.

Some extra-curricular activities have begun. The safety patrol has been organized and the members are:- Gwenn Eddy, Cheryl Anderson, Pam Orser, Shirley Dicks, Cindy McKee, Lorraine Casselman, Eric Goodmurphy, Susan Merkley, Dale Easter, Shelly Fader.

As soon as the Safety patrol is operating effectively, we hope to have soccer teams organized and our school will compete with other schools in Dundas County in the finals.

School dances will also be held occasionally and senior pupils from other elementary schools in the district will be invited to participate. These dances will be held in the early evening.

It is hoped that this year we can also obtain some playground equipment for the primary grades and set aside a part of the playground for their activities.

New Addition Going Fast

The new addition to the Legion Hall is going up so fast the photographer can't keep up with the action. Since this shot was taken, the roof has been closed in and is awaiting shingles.

$6025 Turned Over To Legion Building

The Legion Ladies' Auxiliary meeting was held Thursday September 10th. in the Legion Hall at 8 p.m. Twelve members attended.

The minutes of the June meeting and the summer accounts were read by the secretary. The treasurers report was given by the 1st. Vice Pres., Cora Easter. An application for membership was received and accepted. A report on the July and September catering was read and proved to be very helpful financially. After the correspondence and accounts were dealt with, it was decided to donate $200.00, out of current account to the Branch. At this meeting, the building fund account amounting to six thousand and twenty - five dollars and fourty - nine cent was also turned over to the Branch. The Secretary was given a cheque for $100.00 to attend the convention, as an accredited delegate, being held at Niagara Falls September 21st to 24th.

It was decided to start the euchres later. The ladies would cater to an October wedding. The monthly draw was won by Mabel Roberts. After finishing the general business, the metting closed with a social half hour.

Hockey Season Here Again

Minor hockey season is here again. This year the executive have been working to arrange ice time on artifical ice for the full season. Since this ice time was asked for early last spring it is hoped to have ice time at a more convenient hour for the boys and coaches. Parents, this is one of the times we need your assistance. The boys must be transported to and from the arenas. If the town of Iroquois sees fit to provide us with the money for the ice time we as parents can at least provide the transportation. Mothers, this is one area where we can fulfill a need.

More coaches and assistant coaches are needed as last year a younger group of boys joined the organization increasing the number of boys to be trained in this popular winter sport.

This special meeting on September 21, 1970 at 8 p.m. in the Civic Centre is for the planning of the coming season. A copy of the revised editon of The Constitution of the Iroquois Minor Hockey Association will be available to each and every parent present at this meeting. Registration time and fees will also be discussed.

Parents, let us start this hockey season with a full house of people keenly interested in helping the few hard working men of this community. A month of very valuable training time was lost last year because most parents did not feel the urge to get out to the first meeting of the year.

This is your chance to redeem yourselves in the minds of the boys.

Remember we are not only training these boys to play hockey but also to live happy, useful lives. These boys are the future adult citizens of Iroquois. Let us the present adult citizens of Iroquois show these boys that we are interested in them and willing to help by coming to this first meeting of the season on September 21, 1970.

Community Mourns Passing of Spence Perry

The body rested at W.E. Fitzsimmons Funeral Home until today (Wednesday) when service was held at 2p.m. Interment was in Iroquois Point Cemetery.

Mr. Perry is survived by his wife, the former Katherine Hastings; two daughters, Mrs O. Dwight Whitwell (Marion), Pemptonlakes, N.J.; Mrs. John Conant(Margaret), North Hollywood, Calif.; a sister, Mrs. Wm. G. Fraser, Burlington, as well as 11 grandchildren.
