Body of Irwin Hilliard Found Near Humber River

If Chuck Sullivan, of Mount Dennis, near Toronto, had followed the custom of many years past, the body of Irwin Hilliard K.C., might have been found two weeks ago, and the anxious vigil of the lawyer's widow would have been two weeks shorter.

Sullivan usually begins setting his weasel traps along the Humber river tributaries late in November. This year the snow was late, the weasels were hard to track and he postponed his annual quest until Wednesday. He was studying the ground beside a little stream, when he noticed a peculiarly shaped mound of snow beside a stump. He brushed away some of the snow with the toe of his boot, and found beneath a human body. He was quick to notify Toronto and York Township police, who soon identified the body as that of the missing 85-year-old lawyer, former master of Osgoode Hall and one-time member of the legislature. How long he had lain beside the rotting stump was not established, but it is thought likely that he got to that point on November 23rd, the day he disappeared. Death was apparently from natural causes, and there was no evidence of foul play. His watch, and a pair of spectacles were still in his pocket.

Dr. Marion Hilliard, daughter of the deceased man, told the Toronto Globe and Mail that there was every indication that Sullivan, who was trapping weasels to make some money for his 2-year-old daughter's Christmas, would be given the \$500 reward offered for information about Mr. Hilliard's whereabouts.

The funeral service was held in Morrisburg United Church on Thursday afternoon at 3 p.m. Mr. Hilliard had been for many years an elder of the Church, and a faithful worker during the many years he lived in Morrisburg. The service was in charge of Rev. J. G. Stones the pastor, who spoke from the text "Moses My Servant is Dead", Book of Joshua Chapt. 1, Verse 2. Hymns used were "Abide With Me" and "Rock of Ages". Interment was in Fairview cemetery.

Christmas Party Held for Beavers Employees

On Monday, December 20th, some fifty-four employees and wives of the two plants, Challies Dental Products (brush division) and Beavers Dental Products Limited, (bar division) were entertained to a turkey dinner at the Rosedale Inn by the management.

After partaking of a hearty meal there followed brief talks by Rudolph Funke and Geo. E. Beavers and a sing song led by John Perkins, with Joyce Racher at the piano. In the prize draw three turkeys were won by Miss Marguerite Clark, Mrs. Beatrice Welsh and Mrs. Myra Duvall. Consolation prizes were won by Mrs. Betty Daw and Glen Whittaker. As a memento of the occasion, each lady present was given a handsome jewel case.

Miss Ida Pariseau Died at Ottawa

The funeral service of Miss Ida Margaret Pariseau, who died at an Ottawa hospital after a long illness, was held at St. Mary's Catholic Church, Monday morning. The Requiem High Mass was sung by Rev. J. F. Feeney, pastor.

Born in Morrisburg, she was a daughter of the late Mose Pariseau and his wife, Margaret Lahue. After she had graduated from the local schools she carried on a successful millinery business here and later followed this occupation in Ottawa and Montreal. During her stay in Morrisburg, she was a valued member of St. Mary's Choir and gave freely of her talents at church and local entertainments. A large number of floral and spiritual tributes bore testimony to the esteem in which she was held by a wide circle of friends here and in other places.

She is survived by two sisters and one brother—Mrs. A. B. McGannon, Morrisburg; Mrs. R. E. O'Doherty, Westmount, Que., and Mose Pariseau, Montreal. One brother and one sister predeceased her some years ago.

Following the funeral Mass interment was made in St. Mary's cemetery, Morrisburg.

Bearers were J. F. Casselman, E. S. Coones, W. Coligan, L. Coligan, O. W. Dupras and M. A. Campbell.

Escapes Drowning On Grenville Voyage

James Wert, 20, son of Mr. and Mrs. George Wert of Prescott, narrowly escaped drowning when he fell into the waters of the St. Lawrence near Coteau, while employed on the C.G.S. Grenville in the lifting of aids to navigation on Monday of last week.

With First Mate Al Savageau, Jim Wert, Boatswain, was being lowered in a motorboat as operations were resumed after the noon hour. The craft overturned and both men were thrown into the water, clad in heavy winter clothes and wearing rubber boots. The mate, a non-swimmer, managed to grasp the painter of the motor boat as the craft swung round and was quickly hauled out.

Wert was not so fortunate, and was carried away in the strong current. A lifebelt flung into the water was carried away, but a second one, thrown by Second Mate Johnny Rice of Morrisburg, into the wash of the Grenville caught up with Wert, who was being carried downstream. Grasping this in a last desperate effort, he held on until a boat could reach him and bring him back to the ship.

Placed in bed, warmly wrapped in blankets and given stimulant, Wert soon recovered.

It is estimated that he had floated about three-quarters of a mile down the river during the 45 minutes he was in the water.

Jim Wert praised the efforts of the whole crew of the Grenville in their successful efforts of rescue, made more difficult by the dangerous currents experienced in that part of the St. Lawrence.—Prescott Journal.

This is not the first success of Mate Johnny Rice at life saving operations. Several times during the past few years, he has been instrumental in pulling drowning folk from the water. Modest and unassuming, Johnny is as cool and fearless at such a time as when he is stopping pucks between the goal posts during the winter season. His many friends here will be proud to hear that his latest effort was crowned with success.

Banquet Tendered Williamsburg Reeve

On Wednesday evening the members of the Township Council, the employees and their wives entertained Reeve Oscar Becksted and Mrs. Becksted at a banquet in Betty's Grill, Williamsburg, in honour of Mr. Becksted's long term of office on the Municipal Board. The banquet was frequently interrupted by singing of favorite songs and jokes told by both ladies and gentlemen.

The clerk, Lyle O'Shaughnessy acted as toastmaster and made a few remarks during which he said that this evening was not the efforts of one or two, but of all present. It was in honor of one who had given his time and ability for the betterment of our township for which is believed a record time of eighteen years.

Frank L. Whitteker proposed a toast on behalf of the employees to the members of the Council, and during his remarks said that throughout his time as assessor, he had never known at any time when there was better co-operation between the council board and the employees. This was responded to by Bernice Gallinger, who stated that the employees had done very good work and that they had been very well satisfied.

Bernice Froats welcomed the ladies with a few well chosen words. This

was ably replied to by Mrs. George Hess.

Oscar Coughler addressed the retiring reeve mentioning his associations with Mr. Becksted as unforgettable; a man who is capable of meeting any municipal matter that might arise, a man who has made a record in this Township, being a member for eighteen years, and never was defeated at the polls.

In the year 1945 he was elected Warden for the United Counties, the highest honor to be conferred on a member of the Counties' Council. He was assured that he would undoubtedly be approached for advice in coming years. On behalf of those present George Hess presented Mr. Becksted with a genuine leather purse.

In replying, Mr. Becksted's words were "This is the happiest event in all my life, to think that I have sat at your board all those years and you still do an honour to me, which I do not think has ever been done in this township for a member before". He mentioned many of the pleasant experiences he had during his long term of office. In ending, on behalf of his wife, he voiced his appreciation and thanks to all those present, for the honor they had conferred on him this evening.

As the evening was brought to a close by joining hands and encircling the honoured guest, everyone sang "For He's a Jolly Good Fellow".

TRAFFIC DEATH TOLL SERIOUS

Special Holiday Caution urged

To all MOTORISTS and PEDESTRIANS

This is an urgent appeal to all citizens, motorists and pedestrians alike to co-operate earnestly in keeping down the death and accident toll on Ontario streets and highways.

Care and caution in driving and walking are necessary at all times—but particularly so in the holiday season.

December is a dangerous month, with more hours of darkness and changeable weather conditions. Preoccupied shoppers, young and old, are abroad in great numbers. In the excitement of Christmas time, people sometimes tend to forget their customary caution.

As the end of 1948 approaches, let us all join together in determining that for the whole Province we will make it a safe as well as a happy Christmas and New Year.

FINE PICTORIAL CALENDAR ISSUED BY BANK OF MONTREAL

The scene in a little fishing village in the Maritimes, which is featured on the pictorial calendar now being issued by the Bank of Montreal for 1949, is the third in a series of presentations of the works of Canadian artists, initiated in 1947. In that year the scene was laid in Central Canada. In the year just ending, the locale shifted to the Prairies, and it is the intention of the B of M as the series progresses to include all parts of the country in a portrayal of the part the Bank plays in its association with the life of the nation.

While the pictorial calendar was produced primarily for rural districts where the need existed for something a little more colourful than the well-known standard calendar, the Bank has been gratified to observe that it has also been very well received in the urban centres.

A limited supply of these new pictorial calendars is available at the local branch of the Bank of Montreal.

AVERAGE CANADIAN CATCHES COLD THREE TIMES YEARLY

Statistics reveal that Canadians on the average have three colds a year. Very few escape this common menace to health. Unfortunately so far science has not been able to pin down the cold virus. It cannot be seen under a microscope and not much is known about it.

With literally millions of colds to study the best guide to preventing them seems to be in fairly simple common sense precautions. The principal thing is to keep the body's resistance high by observing a sound diet and other hygienic rules. Chilling, wet feet, drafts, damp clothing, exposure to bad weather, these lower resistance and permit the cold virus which is always present in the nose, throat and mouth to invade the body tissues. A cold results.

Recommended steps in getting rid of a cold are as follows:

1. Start treatment at first sign.
2. Go to bed. If you have a fever, body aches and weakness, call a doctor.
3. Eat lightly, drink plenty of water, broth, or citrus juices.
4. "Sweat out" the cold. Take hot lemonade and a hot bath before going to bed. Put extra covers on the bed.
5. Keep away from other people. Cough or sneeze into a paper handkerchief that can be burned.

Williamsburg W.I.

The December meeting of the Williamsburg Women's Institute was held on Tuesday evening, December 14th, 1948 at the IOOF Hall. The roll call for this meeting was answered very satisfactorily with a Christmas gift from each member.

The film "Let There Be Light" was then shown and thoroughly enjoyed by all present. The film gave the history of the W.I. from its origin in 1897 to 1947 and was in the form of a pageant. This same pageant was given at the Fiftieth Anniversary in Guelph last year. After the showing

a vote of thanks was given to Mr. Marsden of Cornwall, who voluntarily operated the projector.

The report of the bazaar held the first of the month was given and everyone was pleased with its results.

All members who had anything to do with its success, were thanked by the president.

It was decided that more money be donated to the Community Recreation Committee to be used as they see fit. This money is to be taken from the bazaar receipts.

Christmas carols were then sung by all members, led by Mrs. Maefred Merkley, with Mrs. Hugh Thompson presiding at the piano. This too, was enjoyed by all and put them in the mood for the distribution of gifts which followed. Many and varied were the gifts and all very useful.

A lunch was then served by the refreshment committee and brought the meeting to a happy close.

Don't let a Cold mar
your Holiday Season

DECEMBER is here and with it lurks the "common cold"! Ontario citizens are reminded now of a few simple helpful rules to safeguard their health, and that of others.

Prevention of the common cold is the responsibility of all, and if everyone plays his part much unnecessary illness, expense and discomfort may be avoided.

With the holiday season looming ahead, when so much happiness depends on everyone feeling fit, why run the risk of "catching cold"—or letting members of your family face that danger?

In the interest of parents and families, the Ontario Department of Health recommends every Ontario citizen to study the common-sense precautions suggested below and act upon them.

Five Simple Precautions

1. Take plenty of rest. Avoid becoming unduly tired. Endeavour to follow a well-balanced diet.
2. Avoid becoming wet, chilled or overheated. If clothing becomes wet, it should be changed as quickly as possible.
3. If a cold overtakes you, go to bed until it improves. If it does not clear up rapidly, do not hesitate to seek medical advice.
4. Be thoughtful of others. If suffering from a cold, do not spread germs by coughing or sneezing openly.
5. Avoid crowds as far as possible.

A Christmas Prayer This Day of Joy

*As with gladness men of old
Did the guiding star behold;
As with joy they hailed the light,
Leading onward, beaming bright;
So, most gracious Lord, may we
Evermore be led to Thee.*

*As they offered gifts most rare
At that manger ride and bare,
So may we with holy joy,
Pure, and free from sin's alloy,
All our costliest treasures bring,
Christ, to Thee, our heavenly King.
Amen*

*As with joyous steps they sped
To that lowly manger bed,
There to bend the knee before
Him whom heaven and earth adore;
So may we with willing feet
Ever seek thy mercy seat.*

ANNUAL MEETING, DUNDAS CROP IMPROVEMENT ASSN.

The Annual meeting of the Dundas Crop Improvement Association which was held at the Orange Hall at Winchester Springs, recently, was well attended.

The organization from the well prepared annual report showed that a very successful season was just completed. There were in all 84 co-operators taking part in 22 projects.

The reports received from the co-operators were nearly 100 percent and these tests were made on a wide range of soil conditions throughout the county with different crops produced some interesting information.

The highlight perhaps of the season's work was the First Eastern Ontario Corn Field Way which was sponsored by the organization.

The main speaker of the day was Dr. P. O. Ripley, Dominion Field Husbandman Central Experimental Farm Ottawa. He gave a very interesting and informative address on a trip he made to the northern part of Western Canada. His comments were most interesting and instructive and were very well received by those in attendance. Other speakers included Mr. H. H. McNish of Lym, Eastern Director of the Ontario Crop Improvement Association; Mr. John MacRae, Eastern Ontario Fieldman for the Ontario Crops, Weeds and Seeds Branch; and Mr. G. E. Summers, of Winchester, County Weed Inspector. All these gentlemen were loud in their praises of the work undertaken and so successfully completed.

The election of officers followed with Mr. John MacRae occupying the chair for this item of business. They were as follows for 1949:

Honorary president, Howard Kittle, Chesterville; president, John Wells, Williamsburg; vice president, Wm. Graham, South Mountain; Secretary, H. W. Graham, Morrisburg; treasurer, Mahlon Zeron, Iroquois; auditor, W. H. Fowler, Iroquois; directors: Matilda Township: Landon McInnis, Iroquois; Clarence Wallace, Iroquois; William Lennox, Brinston; Charles Harkness, Iroquois; Mountain Township: Fred Hutt, In-

kerman, Joseph Hyndman, Mountain; Harold Baldwin, South Mountain; Milton Harper, South Mountain.

Williamsburg Township: Charles Marcellus, Chesterville; Shaler Heagle, Aultsville; Glenn Cunningham, Aultsville; George Brooks, Chesterville.

Winchester Township: Allison Graham, Chesterville; Eric Casselman, Chesterville; Edwin Forward, Winchester; Angus Smith, Chesterville.

NOTED AT CHRISTMAS

The "X" in "Xmas" is the Greek letter "chi"—written X—and "chi" is the initial letter of the Greek word for Christ.

The first Christmas tree lighted by electricity was put in the New York residence of Edward H. Johnston in 1882. This tree had eighty red, white and blue lights on it and was revolved by an electric motor which made the lights blink on and off.

Christmas cards are descendants of the "school pieces" which were popular in England in the 1800's. These school pieces were written by schoolboys as the holidays approached to show the progress they had made in composition and penmanship. They added all sorts of curlicues, scrolls and flourishes—fore-runners of our present-day Christmas cards. The first Christmas card was sent in 1842, but the earliest one of which we have a full record was sent by Henry Cole, an Englishman in 1846. His words of greeting were: "Wishing you All a Very Merry Christmas!"

Santa Claus is a corruption of St. Nicholas—the patron saint of children. Originally St. Nicholas distributed toys to children on his own day—December 6th.

In early American days the Pilgrim Fathers passed a law forbidding anyone to celebrate Christmas on pain of arrest and punishment.

*And lo, the star, which they
saw in the east, went before
them, till it came and stood over
where the young child was.*

*When they saw the star, they rejoiced
with exceeding great joy.*

*And when they were come into the
house, they saw the young child with Mary
his mother, and fell down, and worshipped
him; and when they had opened their treas-
ures, they presented unto him gifts; gold,
and frankincense, and myrrh.*

*And being warned of God in a dream
that they should not return to Herod, they
departed into their own country another way.*

WE HOPE
THAT THIS CHRISTMAS
BRINGS YOU THE BEST
IN LIVING.

SHARE YOUR JOY THIS CHRISTMAS

Christmas is a festive, friendly season. Beneath all its gaiety and warmth, its greetings and sparkling decorations, Christmas means the joy of sharing. To most of us it is a wonderful season, but for those who are less fortunate Christmas can be a real

heartache. An invitation to dinner to someone who is lonesome, a toy for some needy youngster, food and clothing for a family that has met misfortune—such little things as these give life to the Christmas spirit... and to the spirit of "Good Citizenship".

You can help this public service effort. Make a note of some of the little things which, in your opinion, contribute to Good Citizenship.
