## 60 Attend C.P.T.A. Meeting

The C.P.T.A. of St. Mary's and St. Cecilia's in Morrisburg and Iroquois respectively, held their monthly general meeting on Tuesday, November 23rd in the auditorium of St. Cecilia's School in Iroquois.

The meeting was called to order at 8:15 p.m. by the president Mr. Peter Van Moorsel.

Father D. W. MacDonald led the meeting with the opening prayer. Approximately 60 parents were in attendance. The minutes of the last meeting October 19th were read by the secretary Mrs. Mary Tenant.

Mr. Jack Van Hoof provided a financial report of the association which like the secretary's report was approved by the membership.

The meeting decided to have a fund raising project early in 1972, to assist in various undertakings for the balance of the school term.

The next meeting of the C.P.T.A. in Iroquois will be the Annual Christmas presentation--to be staged by the students of St. Cecilia's School. This popular event is scheduled for Tuesday, December 21st, in the Iroquois Civic Centre at 7:30 p.m.

Following the business session of the meeting a very enjoyable programme was staged by the programme committee, under the chairmanship of the principal of St. Cecilia's School, Miss

Judith Lapierre.

Sister M. J. Leonard-principal of St. Mary's School Morrisburg introduced the guest speaker, Mrs. Stella MacDonald, a Speech Consultant who spoke on the topic of Speech Education Today and her role in Children's Speech Development.

Mrs. MacDonald stated that she is now in her 3rd year as a speech correction teacher in the Three United Counties English Separate School System.

The guest speaker is responsible for the correct speech of over 3400 pupils in 17 schools. She stressed that speech begins with the birth cry of the child, and the baby learns to speak by hearing his own voice. It was her claim that parents who encourage their children's expressions by non-critical supportive listening are doing much to encourage good speech development. Infantile speech (baby talk) can develop into delayed language which is very difficult to correct and causes the child to suffer greatly in their progress at school.

Mrs. MacDonald stated some of the speech disorders she must contend with are stuttering, cleft palate cases, hoarseness and lisping.

A child, she stated swallows between 2000

and 6000 times per day and the tongue exerts 6 pounds of pressure at each swallow, and if not performed properly will cause much damage to the child's teeth. She concluded by saying the number one theory for the child appears to be the type of nipple used for bottle feeding as the child must get plenty of sucking practice for its tongue.

Mrs. MacDonald was issued a long round of applause by the gathering and thanked by Miss Judith Lapierre.

The second part of the programme was a film shown by teacher councillor Mr. Doug Jarvis, entitled "The Aim of Catholic Education". The film strip depicted the dignity of the human person and his right to truth, and to establish an atmosphere of love and understanding.

It gave a Christian message in the world today, to live-to act-to suffer and to die in a truly human way.

The film stressed the mystery of love which embraces all men, frees them of guilt, and manifests itself as ultimately triumphant over sin and death.

The meeting came to a close with a group sing-song followed by a social hour and luncheon lead by Mrs. June Boulterice and Miss Radford.

## WED AT CHALMERS CHURCH

In Chalmers United Church, Kingston, on October 9th, at four o'clock, Cheryl Margaret Smith, daughter of Mr. and Mrs. H. E. Smith of Iroquois, was united in marriage with Feroze Shah Mohammed. Dr. R. K. McLean performed the ceremony and Rose Cameron played the wedding music.

The bride was attended by Susan Kilbank of Kingston and Shelley Smith of Iroquois. The groom's attendants were Wayne Barrett and Rashid Mohammed, both of Toronto.

Eighty-five guests were present from Iroquois, South Gower, Kingston, Toronto, Ottawa, Montreal, and the groom's parents and aunt flew from Trinidad for the occasion. The happy couple will reside in Toronto.

## Mrs. Robert Hanes Hosts Ladies Group

The November meeting of the Hainsville U.C.W. was held at the home of Mrs. Robert Hanes. Our president, Mrs. Carole McDermott opened the meeting with "Thoughts on Remembrance Day". The scripture was Luke 12:15. Prayer followed. Mrs. Carole McDermott thanked all the ladies for their good efforts of the past. Mrs. Janet Van der Weide gave a report on the October Fall Rally. Minutes and roll call were read. The offering was taken up and dedicated. Business followed. Mrs. Carole McDermott turned the meeting over to Mrs. Alice Stewart who chose as her theme "Remembrance". The opening hymn was 523. The Scripture Psalm 46 was read by Rev. Stewart. Mrs. Betty Falkenberg read "Yes, Poppies Blow". "Life's Unknown Soldiers" was read by Mrs. Dorothy Fossitt. "The Call of the Roll" was sung by Mrs. and Rev. Stewart. Mrs. Violet Cutler read "Love versus Hate".

Mrs. Gertie Murphy read from the friendship book. "Peacemaking Mothers" was read by Mrs. Janet Van der Weide. Mrs. Lily Hanes read "The meaning of Sacrifice." Mrs. Luella McDermott read from the friendship book. Mrs. Winnie Safford read from the friendship book. Prayer followed. A duet was sung by Rev. and Mrs. Stewart. The Benediction was read by Mrs. Ethel Reynolds.

A social hour followed. Mrs. Carole McDermott thanked Mrs. Hanes for opening her home. Mrs. Stewart for her programme. Mrs. Dorothy Fossitt and Mrs. Gwen Hanes for the lunch.

## Visit Here

Mr. and Mrs. Wm. MacLeod have returned home to Chillinack B.C. after spending two weeks with relatives and friends in the district. Mrs. Arthur Hoare of Cumberland returned home Thursday after visiting with relatives and friends here.

## Visit To Glen-Stor-Dun

On Monday evening, November 16, forty-two Rebekahs, Oddfellows and friends from Brinston made their annual visit to Glen-Stor-Dun Lodge, Cornwall. Gerald Munro acted as chairman for the following programme: Old time music by Mrs. Helen Cilmer, George Barkley and Paul Whitteker. Songs by Mrs. Dorothy Fossitt and Mrs. Rita Cooper. Selections by Bennett Thompson and Percy Robertson on the guitar and accordion, square dancing by the Brinston Group; step dancing by Rita Cooper, Percy Gilmer and Nelson Scharf. The programme concluded with a sing song. Mrs. Doris Scharf at the piano. Lunch was served and everyone reported an enjoyable evening and a wonderful visit with the residents of the Lodge.

## FIRST HEAVY SNOW

Iroquois residents faced their first heavy snow storm as they stepped outside on Tuesday morning. And more is expected in the next day or so.

## Teunis Vermey Died

### Bottle Blitz Successful

The Iroquois Minor Hockey Association's First Annual Bottle Blitz was termed a success by the executive. The group wish to thank the people for their generosity in making this project worth while.

At press time approximately \$76.00 was realized from the canvass.

Certain homes were missed due to families being away. However, if any people still wish to donate bottles to Minor Hockey, they may do so by contacting Mr. Leo De Bellefeuille at 652-2123.

Likewise if anyone would wish to donate food for the Minor Hockey Bake Sale scheduled for Friday December 3rd at 7:30 p.m. they may bring their contribution to the vacant store adjacent to the Iroquois Post or contact Mr. De Bellefeuille at 652-2123 and someone will pickup the donation.

Friends in the area regret the passing of Teunis Vermey, of RR1, Cardinal. Mr. Vermey died November 21st in the Brockville General Hospital after having been ill for more than a year.

A resident of this area for 19 years, Mr. Vermey was born in the Netherlands on October 24, 1914.

He is survived by his wife, Johanna Van Rees of Cardinal, whom he married in March of 1940 in the Netherlands; also surviving is a daughter, Mrs. Carl (Audrey) Harrington, of Cardinal, as well as two brothers and four sisters and the family's parents all in Holland.

Rev. Leslie Elder officiated at the funeral service held at Emmons-Gallaugh Funeral Home, Cardinal, November 23, with interment in Roselawn Cemetery, Maitland. Pall bearers were Lyall Jacobs, Everett Kroone, John Muilwyk, Walter Roduner, William Roduner and Hank Velkamp.

## DREAMS ARE THE DAWN OF TOMORROW

*And like the first light of a new day they seem distant, unreal. Yet out of our dreams we often fashion tomorrow.*

*The dreams of the daylight hours are not in the subconscious. Rather they project our hopes on a screen of reality. They grow into goals and aims and ambitions.*

*Whether tomorrow will fulfill those dreams depends on certain values which must be acquired today. Ideals, standards, moral principles, religious faith—these inspire dreams worth dreaming, and help us to translate them to reality.*

*Never worry about your daughter's daydreaming. Be concerned about her opportunities for spiritual development. The Church shares that concern. It can help you do something constructive about it.*

## FINDING COMFORT IN A DUCK BLIND

by Bill Smiley

"November glooms are barren beside the dusk of June." Thus quoth the poet Henley. And I say too ruddy true. As a general rule.

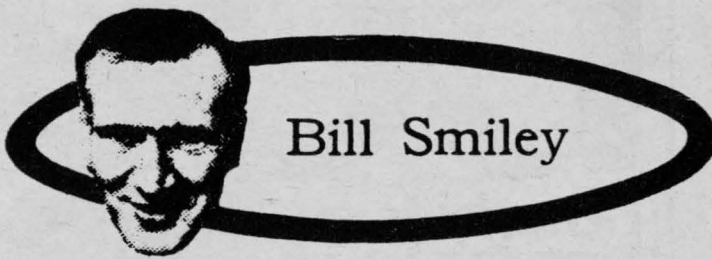

But this year has been an exception. I don't think I've ever written a decent word about November, with its "surly blasts", its sudden, depressing—dumping of snow, its bleak and sterile look.

I know we're going to pay for it with a terrible winter, but this November, for the first time in many years, we've been ushered into winter with a gentle melancholy that seems unbelievable.

By the time this appears in print, we may be up to our noggins in snow. But credit where it is due. The first few weeks of November this year, in these parts, have made me decide to give this country and its crazy climate one more chance.

It's almost as though God had held up his hand as the four winds were on their mark, cheeks puffed, ready to give us the usual, and boomed, "Hold. The poor devils are having enough troubles of their own making. Let's give them one November to remember."

Normally, November is the most dismal month in the year, with the possible exception of March. But in the latter, at least the days

Bill Smiley

are getting longer and there's a wild hope that spring may come again.

Normally, November means many things, none of them pleasant. Darkness comes early. There is a wild scramble, for many of us, over snow tires and storm windows. There is bitter wind ashore and terrifying storms on the water.

It's been a grand November for the hunters and trout fishermen. Perhaps not so good for the deer hunters, with little snow. But for the duck and partridge boys, and the rainbow anglers, it has been near perfection.

Day after day of mild, almost balmy weather has done away with the agonized squat in the duck blind, with nothing between you and certain death from exposure except the flask of rum. The same weather has made trout fishing, usually undertaken in a biting wind with half-frozen fingers, practically a Sunday school picnic.

Even the golfers have been able to stretch the season by at least a month. The only danger they face is exhaustion from golfing in the

day and curling at night.

Normally, the squirrels would be getting set up for the winter. I look into the backyard and they're gambling as though it were mid-June.

Surest sign that it's been a November without peer is the behaviour of our cat. As a rule, when November arrives, with its wind and rain and snow, she has to be hurled bodily outside. This year, she has actually been going to the door and asking out.

I haven't seen any bees, but there are still a lot of crazy birds around who have been baffled by the weather, and are going to be caught with their pants down one of these days.

And they're not the only ones. Many a man like myself has been lulled into a false sense of security, hasn't his storms on, hasn't changed to snow tires, hasn't even turned off the outside water, and hasn't a clue where his winter boots are.

Oh, there'll be a day of reckoning, all right. My bones warn me. But to heck with it. I'm going to live dangerously and enjoy every

See Page 15.

# HOCKEY GOSSIP

By: Leo DeBellefeuille

Rules are meant to be broken, however N.H.L. referee Bryan Lewis has other views. On November 17th in Toronto, the Leafs flipped Los Angeles Kings 5-1. But the strange feature at a otherwise dull contest was a penalty to Bernie Parent, Leaf goalie. During the 3rd stanza Brad Selwood and Bob Berry took part in a punching match. While these two fellows were brawling, Parent decided to take a breather and went to the player's bench for a drink of water, at this stage he was assessed a minor penalty of leaving his goal crease area. This is to the fact that the new third man in a fight rule inaugurated in the rule book this year.

Which is a tremendous thing, in a sfar as curbing boxing bouts on the ice is concerned. However, it would seem a referee should

be able to use more judgement in some situations. After all, Parent made no effort to enter the fracas. Therefore if any other player on the ice (except goalies) would go to the bench, would they also receive a penalty under the same conditions? We have heard of players leaving the bench but rarely returning to the bench.

A morale to it all would be such, assume its a tie-this would be a cheap manner to win a hockey game. As it were it cause Parent to lose his shut-out. In the N.H.L. rules are not to be broken! Ed "Clear the Track" Shack did just that recently as he left the scene of a n accident and paid a \$23 fine. Minor hockey players, how quickly can you pass the puck? Remember, you can do it much faster if you keep the top hand on your

stick and away from your body. If you keep your top hand and arm close to your body all tied up in knots and also if you do this you lose strength and the stick blade moves in an arc rather than squares to the direction of the pass. Also keep your head up too, and watch for a body check from an opponent. Did you know? Phil Esposito, as a minor hockey player in his home town of Sault Ste. Marie, failed to make a bantam team, was cut from the midge team and cut from a Junior "A" team. Chicago Black Hawks also dumped him as a "Pro", it must haunt these former coaches to have seen him establish a new N.H.L. record last year. So younger it goes to prove that it pays to keep trying and not become discouraged. As can be seen, it happens to the best! Vancouver Canuck goalie, Dunc Wilson, a Toronto police constable for 4 months made one arrest. It was a man for drinking rubbing alcohol.

Former hockey great, Lynn Patrick, has a son born in the U. S. His lad a member of the California Golden Seals yes folks Graig Patrick is keeping the famous Patrick name alive in pro hockey. Good Humor guy Al Smith, the big net-minder of Detroit Red Wings feel goal-tending is 20% physical and 80% mental.

Lets hope Freddy Glover, the new coach of Los Angeles Kings can light a fire into his new charges if they are going to take advantage of the good things they can do. After their first 18 games, they only came up with 7 points of a possible 36 points. After all a team with players like Harry Howell, Gilles Marett, Ralph Backstrom, Bob Pulford, Bill Flett, Ed Joyal Neil Lemieux, Ross Lonsberry and Butch Goring they should have a better record than they have after 18 contests.

Bill Golds worthy of the North Stars and Frank Mahovich of the Canadiens have to be rated as two very important people in both teams. Chances of having a strong finish in their respective sections. Until November 5th Habs rear guard Jacques Lapereiere had not scored a goal in regualr season since April 1st, 1970. By the same token, his byddy Terry Harper notched his last narker Jan. 23rd, 1971.

Cornwall Royals of the strong Q.J.H.L. signed another 17 year old graduate from the minor hockey association - a native of the city, namely John Nator. The speedy left winger who shoots right handed returned to Cornwall as the final cut of St. Catherines Black Hawks of the O. H. A. The Royals Squad this year in addition to being one of the top teams in Canada's second best junior league have also one of the youngest clubs in the league. Singing personnel the calibre of Nazar will even make them a stronger entry to capture league laurels.

Believe it or not, they are talking Memorial Cup in Cornwall, who knows, Cornwall Remparts took all the marbles last year.

In recent, N.H.L. games injuries seem to be the order of the day, even while sitting on the sidelines. Claude Larose recently was nicked for 23 stitches in the face and he was followed by veteran Ron Stewart obtained by Vancouver in a recent deal with New York.

He received a fractured jaw on a flying disc into the bench. Most coaches stress to players to keep their heads up. Maybe now they may stress the reverse.

Henry Tracy, the general manager of Cornwall Celtics Junior Lacross team is presently employed in Iroquois. Perhaps Henry could be an

asset in getting Minor Lacrosse rolling in Iroquois next summer.

Art Sinfield a late cut by the Brockville Braves, appently for not demonstrating enough hustle, had plenty of drive in a recent Ontario College Athletic League game against Brockville Bulls as he scored four goals.

Twenty-one year old goaltender Gilles Meloche, who played junior hockey for Verdun Leafs of the Q. J.H. L. recently registered a 2-0 shut-out against Boston Bruins blocking 34 Bruins attempts.

Congratulations are in store for former Ottawa 67's star Peirre Jarry who set a N. Y. Ranger record on Nov. 22st when he scored his two first N.H.L. goals in eight seconds. He must be the happiest rookie in the big time. Another rookie Genn Carr, recently traded to N.Y. from St. Louis also patted a pair in the same game. By the way the score in this game Rangers 12-Golden Seals 1. Imagine New York earned 23 scoring points in one period. It would seem that the records Boston set las year there were none left to be broken. Speaking of records, Wayne Merrick of Ottawa' 67's equalled a team mark by scoring five times against Peterborough Pets back on Nov, 7th. He shares the honor with a former 67-Pete Lafromboise. Merrick at 6' 1" and weighing 190 lbs is

## Bantam Hockey Schedule

Wed. Dec. 1 7:30 p.m. Edwardsburg at Cardinal  
Thurs. Dec. 2 7:00 p.m. Prescott at Morrisburg

## Wed at Brockville

A quiet but pretty wedding took place at St. Francis Church, Brockville, Ont. on Friday evening November 26th, when Beverly, only daughter of Mr. and Mrs. Gerald Ashton of Montreal became the bride of Eric, youngest son of Mr. and Mrs. Emil Falkenberg, Glen Stewart. Father Bernard O'Neil officiated in the double ring ceremony.

The bride was beautifully attired in a long gown of white peau de soie with hood. The long sleeves and mandarin neckline were trimmed with white lace. She carried a bouquet of mauve and blue baby mums. Her bridesmaid was Charlene Martell of Montreal who wore

a pale blue peau de soie gown with picture neckline and also carried a bouquet of baby mums. The best man was Edward Ashton of Smith Falls, brother of the bride.

Following the ceremony, the wedding dinner was served in the dining room of the Long Beach Motel. The happy couple are residing in Brockville, where the bride is a teacher at St. Francis School and the groom is assistant manager of the King Street Dominion Store.

# THE TEACHERS' VIEWPOINT

## Pupil-Teacher Ratio Misses Mark...And How!

In a recent article in the Standard Freeholder (Pupil-Teacher Ratio Misses Mark... Wednesday, November 10, 1971) a somewhat biased and deceptive picture of the pupil-teacher ratio in our secondary schools was presented to the tax paying public by the S. D. & C. County Board of Education. We as teachers in this

system feel that it is only fair that our viewpoint is presented and given "equal space".

The article quotes the board as saying that the schools have "an average pupil-teacher ratio of 16.57 to 1". A visit to any of the schools by the public would not, however, confirm this statements, as the actual number of stud-

ents in the classroom is somewhat higher.

The difference between the board's "statistical" ratio and the actual number of students in the classroom is due to the different interpretation of the term "teacher" as defined by board members and teachers. The Random House Dictionary of the

English Language defines the term as "a person who teaches or instructs" and this is the interpretation accepted by the teachers themselves. The board, however, defines the term so that it will include "...all teaching and supervisory personnel in the schools, including principals, vice-principals and guidance counsellors..." This is where the basic fallacy and deception occurs.

The secondary school teachers do not object to the statistics published but rather to the blatantly incorrect manner in which the term "teacher" was interpreted which results in a totally false impression of the pupil-teacher ratio in our schools.

As quoted in your article the board feels that they "...have to give the teachers the facts" and this action on their part is very commendable. It is also our responsibility as educators to give the pu-

blic the facts. So while the board members are busy patting themselves on the back for a job well done (and we congratulate them on it) we shall strive to keep the tax paying public informed of the feelings and viewpoints of the people who are doing the teaching and the educating of our youth through this column in your newspaper.

## Winter Wonderland At Your Doorstep

As the first snow of winter arrives, the thoughts of many turn to outdoor winter sports and recreation.

In the Kemptville forest district there are approximately 100,000 acres of publicly owned or Crown Lands which are available for public use at no charge.

Walking, skiing, snowshoeing and birdwatching are permitted on all of these lands. Snowmobiling is permitted on all properties except the National Capital Commission Greenbelt Forest.

There are approximately 50,000 acres of Crown Land in the northern part of Lanark County located in the Precambrian Shield. The hills and gullies of this area provide an excellent area for skiing, snowshoeing and snowmobiling.

At Kemptville, the 1400 acre G. Howard Ferguson Forest Station provides an excellent area for snowmobiling and snowshoeing. Nature trails are marked through the forested areas.

Southwest of Kemptville, there are two large blocks of forested land owned by the United Counties of Leeds and Grenville. This forest, known as Limerick Forest, contains about 32 miles of roads, trails and fireguards which provide excellent trails in the winter months.

A few miles north of Winchester, the 3000 acres of Winchester Bog is also available for winter recreation.

In the vicinity of Ottawa, the 6000 acre National Capital Commission Greenbelt Forest is an excellent area for snowshoeing, skiing and birdwatching. As mentioned previously snowmobiling is not permitted on this forest.

tal Commission Greenbelt Forest is an excellent area for snowshoeing, skiing and birdwatching. As mentioned previously snowmobiling is not permitted on this forest.

Larose Forest, located east of Ottawa in Russell and Prescott Counties provides an excellent area for winter recreation. Within this 26,000 acre forest, there are approximately 60 miles of roads. Many of the roads are not travelled by automobiles during the winter. These snow covered roads provide good access to the forest for snowshoeing, and cross-country skiing and snowmobiling.

TRIED ONE YET? A Classified advt. of course! Call 652-4806 - The Iroquois Post - this week.

IS SPONSORING AN

## EYE CLINIC

## Iroquois United Church Hall

## Tuesday, December 7

6 TO 8 P.M.

An eye Clinic test could prevent blindness in your child... Won't you take time to attend this clinic. This eye clinic, sponsored by Iroquois Lions Club, in cooperation with the Public Health Service is to test for condition known as AMBLYOPIA (more commonly known as the lazy eye) in which the central vision of one eye does not develop in sight.

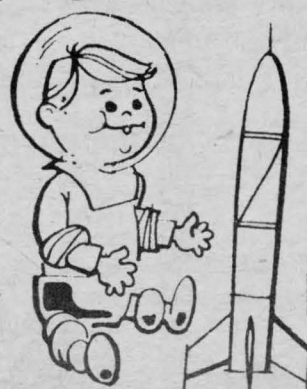

## YOUR FUTURE TAKES SEEING

If amblyopia is discovered by the age of three and definitely before age six, the deficient eye may be treated and corrected. After the age of six there is little hope that amblyopia can be corrected.

## This Clinic is a Free Service

This clinic is for children THREE to SIX YEARS OF AGE. We urge you to take advantage of this opportunity because

# OFF THE CUFF

By Charles Edwards

Our friends across the border may have a bigger gross national product, more color television sets per capita, and they even have Ann Margaret, but we've discovered one area where Canada is definitely ahead. At least we Canadians have the sense to hold our Thanksgiving at a time of the year when we can at least be Thankful for the weather (well most of the time). You may have seen the news on TV or read the papers about the weather on this year's American Thanksgiving. Upper New York state had the worst snowstorm on record with over two feet of the stuff. The midwest had a blizzard. All of the east coast had record breaking downpours and Florida was cool and wet. Even in New York's parade, Santa had his umbrella up and the reindeer caught colds from the cool rainy weather. Sounds more like the weather from Ground Hog day. It's just the kind of weather you need to pile the family into the car, complete with dog, to head two hundred miles to Grandma's for dinner. We've never had the opportunity, but can imagine the only way it would evoke any feeling of thankfulness was if you decided at the last minute to stay home.

Why would anyone want a legal holiday at the end of November? It's too cold to do anything outside except possibly stand around and look at all the leaves you should have raked, but are now buried under the first couple of inches of snow. And there's not enough snow for skiing or snowmobiling. It doesn't leave too many alternatives other than hanging around the house and watching the boob tube.

Not for us... we'll take the Canadian way of Thanksgiving. October may be cool or rainy but at least you seldom hear of anyone being snowed in on Thanksgiving day in Canada. That long weekend in October comes at just the right time for almost everyone. For the homeowner it's the last chance to finish all those little jobs he was going to do on the 24th of May but just couldn't seem to get around to. For the sports set it's one of the last occasions to get in a round of golf or to attend a football game without fear of freezing as solid as a used car salesman's handshake. And to the lovers of the outdoors it's

an opportunity to get out and see Nature in its most beautiful season... something for which you can be truly thankful. As an American, I would find it hard to be thankful about with a snow shovel in my hand and an icy wind breathing down my neck.

Having Thanksgiving Day in October is just one lesson the Americans could take from us Canadians. (There are a few others that we won't get into here.) If they persist in having the holiday in late November, they might better call it "NATIONAL SNOW SHOVEL DAY!"

## OMITTED

The following names of pall bearers were inadvertently omitted from the obituary of the late Mrs. Margaret Casselman: Nelson Scharf, Arthur Morrison, Ken Thorpe, John Doyle, Ray Adams, and Lorne Mellan.

Memorial in the form of floral tributes and donations to the cancer and heart funds were also received.

# White Gifts Sunday At Knox Dec. 5

The annual presentation during the Advent Season of White Gifts by the Church School and adults of the Congregation will be made at the morning worship service of Knox Presbyterian Church this Sunday, December 5th.

Gifts of wool stretchy socks, leotards, etc., all sizes, for children of the underprivileged Little Burgundy community of the inner-city area of Montreal, will be given this year by the Knox Church School pupils, and placed under the decorated trees in the

sanctuary. Adults will place their White Gifts in boxes provided at the entrance to the sanctuary. The sanctuary, decorated by the Knox P.Y.P.S. in the Advent-Christmas colours, will be the setting for this "missions outreach" by the children and adults this Sunday.

The Church School pupils will also participate in the lighting of the Advent Wreath, which was observed last Sunday on the First Sunday in Advent, and will continue to be observed through Christmas Sunday, December 19th.

Visitors to the community and guests are always most welcome at the Service of

Knox, and particularly in this season of Advent preparation.

## Passed Away

Friends in the area will regret the passing of Mary Exima McGinn, widow of Denver McGinn, who died last Friday, November 26th in her 90th year. The remains rested at Fairbairn Funeral Home, Brinston, until Monday, November 29th when requiem mass was observed at St. Cecilia's Roman Catholic Church, Iroquois at 10 a.m. Interment at Dixon's Corners.

## Personal

Mrs. Arlie English received word last week of the death of her uncle, Lynnden R. Carkner of Brandon, Manitoba on November 23. He also has a brother in Iroquois, R. J. Carkner.

## GORDON BLAIR M.P. GRENVILLE-CARLETON

Room 532c, Centre Block Parliament  
Buildings, Ottawa, Ontario, 992-0511

YOUR MEMBER REPORTS

### Recognition Of Acts Of Bravery

All of us know of courageous acts which, generally speaking, have gone unsung and unrecognized. We read, for example, of people who have risked their lives to rescue persons from drownings; of other who have pulled people from burning buildings or automobiles.

Some have courageously apprehended criminals or prevented crimes from being committed. Sometimes, unfortunately, the rescuer has lost his or her life in the course of saving that of someone else.

#### NO GOVERNMENT AWARDS FOR COURAGE

A number of brave acts of this kind have been performed by people in this constituency in the 3½ years that I have represented it.

I found to my surprise that the Government of Canada has no established procedure for recognizing these acts of bravery. Many of them, fortunately, are recognized by other organizations such as the Boy Scouts, St. John's Ambulance, The Royal Life Saving Society, The Royal Canadian Humane Association, The Carnegie Hero Fund and others.

We are deficient because we have no government procedure for recognizing acts of bravery. There is no system of awards for different kinds of courageous acts.

#### ORDER OF CANADA

The Order of Canada which was created in 1967 consists of 3 awards but it does not cover the problem.

Two of them are becoming well known, having been given to Canadians of distinction in many civilian fields. One is the Companion of the Order of Canada and the other is The Medal of Service. I believe that these awards have added lustre to our life and are being recognized as important by Canadians in general. The Third award of the Order of Canada is called "The Medal of Courage" which the rules say "may be awarded to any person, who, as a civilian or a member of an armed or police force, performs an act of conspicuous courage in circumstances of great danger.

It may be awarded posthumously." No medal of Courage has yet been awarded. I can only surmise that it is being reserved for some extraordinary act—that which might justify the Victoria Cross or the George Cross, which incidentally are the only awards taking precedence over the Order of Canada.

#### NEW CIVILIAN AND MILITARY AWARDS NEEDED

What we need is a broader range of awards, both civilian and military. Plans for such awards have been much discussed in the last two or three years. An exceptionally interdepartmental committee chaired by the Governor General himself, has studied the types of awards which should be given, but, to date no public announcement has been made about the progress of that committee and what its final recommendations may be. I hope that this work will soon be finished so that we will have appropriate awards for people who expose themselves to danger when attempting to help others.

I think it would be very helpful to people like myself, who regard this as important, to have the support of the public. In a democracy nothing hastens decisions as much as public concern and even demand for action. I have spoken and written about this important subject on several occasions. I would welcome indications of support from all of you who are interested.

#### ROYAL CANADIAN LEGION APPROVES

So far as I know, no one objects to this development. Almost two years ago, the Royal Canadian Legion strongly endorsed a proposal of a

Canadian system of military awards stating "That such a step is a logical one in Canadian evolution. Naturally the legion insisted (and the Government agreed) that any new system would preserve the seniority and status of previous military awards including the Victoria Cross.

#### GOOD CITIZENSHIP SHOULD BE ENCOURAGED

In every respect, recognition of courage will be beneficial to us. All too often, we hear people say that it is foolish to be a good samaritan and to help our fellow men. We should take every step possible to encourage good citizenship and concern for the welfare of others. One certain way of doing this is to publicly recognize valourous and courageous acts.

## Iroquois PeeWees Win League Opener

The Iroquois Indians Pee-Wee Hockey Club won their first game of the season in The St. Lawrence Minor Hockey League with a convincing 2-0 shut-out over Morrisburg Pee Wees.

Tony Hall, was fantastic in goal for Iroquois. He had to handle only 10 shots in the contest, but they were labeled sure goals by the Morrisburg snipers. At least on five occasions they were in alone on Tony and he rose to the occasion in sparkling fashion each time.

In the opening period alone he stopped two successive point blank shots that looked like sure goals, again in the final period he made 2 blocks with players moving right in on top of him. Tony Hall maybe small in structure but he is big when it comes to team effort.

Without Tony's sensational play, the game could have had a different outlook for the Iroquois Pee-Wees.

By earning his first official shut-out of the season Tony Hall would have to be selected one of the game's top performers.

Iroquois besides out scoring Morrisburg also out shot their opposition 23 to 10.

Which tells the story in detail-It was a complete team effort from the opening whistle.

Two other players who figured prominently in the statistics of the game were Bruce Armstrong and Steve Brennan. They accounted for both Iroquois goals, assisted by work horse Steven Moffat.

Bruce opened the scoring in the contest at the 2:00 mark in the first period with Steven Moffat making a fine play to set Armstrong up for the lead marker.

Once again in the second

period Steven Moffat led the attack from his defensive position as he worked the disc up to Steven Brennan for the insurance marker, at 17:50 of the second period. The third period was scoreless as the local boys finished off the game playing a fine fore checking, back checking style of hockey to keep Morrisburg off the score sheet.

From the demonstration the Iroquois Pee Wees provided on Sunday November 28th this will not be the only game they will win. They have a well balanced club a top-notched goal tender in Tony Hall and a strong back up goalie in Dale Easter.

A strong defence with such stalwarts as Jack Becksted, the Moffatt Brothers, Stu and Steven.

Despite returning to regular action after a crippling arm injury Barry Casselman played a solid two way game.

Barry Casselman is the team captain and assistant captains are Stewart Moffatt and Steve Brennan.

The fine play of the team must go to a degree to the coaching staff of Ted Styles, Wayne Patterson and Earl Nesbitt.

Only six penalties were called in the game by referee Ralph McKee. Morrisburg picked up four and Iroquois two minors. Stu Moffatt went off in the second period for tripping and Barry Casselman also in the 2nd for tripping.

## Iroquois Midgets Tie Prescott

Doug Hartles' Iroquois Midgets held Prescott Midgets to a 2-2 deadlock in a regular league game played in Prescott on Sunday November 28th. It was the first point for Iroquois in St. Lawrence league action, and from all reports it will not be their last.

They are now playing a fast, hustling and aggressive style of hockey and with this formula a team will win their share of games in any league.

It was the fourth game of the season for Iroquois and they now have a record of 1 tie and 3 losses and 1 point.

Scoring for Iroquois against were Darcy Casselman in the first period with assists being issued to Ricky McKee and Stu Turner.

The local clubs 2nd goal arrived in the second period on a fine pattern play with Tim Casselman doing the honour for Iroquois with an assist from Chuck Reddick. Jim Mustard in the Iroquois nets performed brilliantly holding the opposition to only 2 goals.

# Letter To Editor

## Concerned Over Digest

The Editor,  
The Iroquois Post.

Dear Sir:

Concerning articles carried in the November and December issues of the **READER'S DIGEST** about the work of the World Council of Church, of which several of our denominations are members, we wish to set in balance the distorted view which has been given by these articles. To accomplish this aim, we wish to quote a press release from the New York offices of the World Council, dated October 21, 1971, which conveys our sentiments in this matter:

"A vigorous factual rebuttal of charges made in two Reader's Digest articles attacking the World Council of Churches has been shared with the magazine and church leaders."

"Released as the November issue containing a new attack by Clarence Hall is mailed to subscribers, the 3000 word statement prepared by Dr. Eugene L. Smith, executive secretary of the New York office, is a careful point-by-point refutation of charges."

"Dr. Smith deals with the charges in the October (In Canada, November Issue) article 'Must Our Churches Finance Revolution?', which alleges that the Council supports 'insurrection in the United States and Africa' by detailing factual errors, supplying the full statements of quotes taken out of context, and giving accurate information about the humanitarian efforts relating to liberation movements which the Council is actually supporting."

"In 1970 the Central Committee established a \$500,000 Special Fund to Combat Racism, with the first \$200,000 allocated by the WCC and \$300,000 to come through special contributions of member churches. The fund went directly to the organization of blacks of Southern Africa, and to racially oppressed groups in other areas of the world. As in all previous relief efforts, the funds were given for humanitarian purposes, and earmarked for specific health, welfare, and educational programs described by the applicants for grants."

"Dr. Smith points out that what Mr. Hall refers to as a campaign to support draft dodgers in Canada and Sweden is in fact, a program of pastoral counselling and emergency care established by the Canadian Council of Churches and which the World Council sought to assist by raising money for counselling centres."

"The statement reiterates earlier assertions by the World Council of Churches through its Central and Executive Committees that no funding has been given to finance violence."

"A summary statement

acknowledges that the Digest is entitled to take a position of opposition to WCC action. 'The merits of these actions will be debated, in church and out, for years to come. Honorable men and women can be found on both sides of the argument. This is perhaps inevitable in a time when the Church seeks to break new ground in response to injustice.'

"But Dr. Smith deplores the fact that Digest's disagreement is expressed with 'unsubstantiated charges, misstatements of fact, distorted reporting, quotation of statements out of con-

text, and the degree of dependence for opinion upon unnamed persons identified only as 'tourists', 'dis-senters', 'insiders', 'spokesmen', 'observers'. Most notably, Mr. Hall did not report the opinion of any Black African. He did not mention the unanimous endorsement of the All-Africa Conference of Churches executive committee, or the fact that the Anglican Consultative Council at Lumuru supported the program, even though the Archbishop of Canterbury was present.'

"The total effect of these articles is to present a false picture of the World Council of Churches."

Thank you, Mr. Editor, for your time and consideration.

Yours sincerely,  
Concerned Members of  
The Iroquois Ministerial.

## Visit Brinston Lodge

On Monday, November 22, Amity Lodge #80 visited Connaught Lodge #440 and conferred the Third Degree on candidates from Connaught Lodge and Riverside Lodge, Iroquois. Bro. Ted Roberts, Noble Grand of Connaught Lodge welcomed Brothers from Prescott, Iroquois and South Mountain.

The Noble Grand's charge in the Degree was given by Bro. Edgar Smith P.D.D. G.M. and a member of the order for sixty-three years. Others taking part in the degree were Brothers William Francis, Norman Baird, Keith Toshack, Howard Conley, Clifford Seeley Ted

Keck, Nick Kaylos, George Peterson, Harlow King, Graham Caldwell and Gordon Cooper. Music for the degree was furnished by Brothers Frank Bates, Bennett Thompson and Percy Robertson. Lunch was served by the Brothers of Connaught Lodge.

# Canada Works

## You can be a moving force in creating jobs for Canadians.

Canada works when Canadians get involved together. So the Federal Government is putting 498 million dollars to work, through a series of specific programs, to help create jobs for Canadians.

### CANADA WORKS WITH YOU

You're a major force in making the program work. We're counting on you, either on your own initiative or through your community groups, to come up with ideas for the Local Initiatives Program. For example, you may have a social service project or an idea such as a cultural program, improvements to substandard housing, assistance to the handicapped, or others that create employment and make your community a better place.

The Training-on-the-Job Program will expand opportunities for training for those who are unemployed or have little work experience, and will work through business and industry.

For those with some basic work experience, the Canada Manpower Training Program has been extended to help provide additional learning.

### CANADA WORKS WITH BUSINESS AND INDUSTRY

A program of tax credits or direct payments to employers encourages them to add trainees to their staffs through the Training-on-the-Job Program.

### CANADA WORKS WITH MUNICIPALITIES

The Local Initiatives Program will help municipalities create additional jobs through worthwhile community projects. Provincial governments will work with municipalities to use this program to support and spur community projects.

### CANADA WORKS WITH THE PROVINCES

There's a Federal-Provincial Employment Loans Program designed to create jobs

by financing additional capital works projects throughout Canada. We'll be speeding up the program of the Central Mortgage and Housing Corporation to get more homes, student housing, and sewage treatment projects under way.

Loans will also be made to exhibition commissions, boards and associations to get people working on multi-purpose fair and trade buildings.

### CANADA WORKS WITH FEDERAL PROJECTS

There will be more job opportunities in expanded maintenance and improvement activities on Federal buildings; transportation facilities; forest and park projects; and many others.

### WHERE IT ALL WORKS TOGETHER

It starts at your Canada Manpower Centre. For advice and assistance on any of the programs you feel apply to you or your community, contact your local Canada Manpower Centre. They'll be happy to help you.

When Canadians get involved together, **CANADA WORKS.**

## Atoms Defeat Prescott 3-2

The Iroquois Atoms defeat Prescott 3-2

Summary: First Period: Iroquois-Kim Adams-13:50  
Second Period: Prescott-Ray Culmer(David Cole) 7:15  
Third Period: Iroquois

Robin Adair (K. Adams, Mike Moran) 11:00  
Prescott: Paul Cretan (Steve Forrester) 13:20  
Iroquois-Kim Adams (Robin Adair) 17:30  
Kim Adams with 2 goals and one assist and

Robin Adair with a goal and one assist led Iroquois to their victory over Prescott. Adair earned the only infraction of the game, a minor for elbowing at 13:00 minute mark in the third period.  
Goalkeepers' Saves Total 13 for Prescott, Iroquois 24.

Kent Smith in goal for Iroquois, although having to handle 24 shots played a very impressive game holding Prescott to only 2 goals and a victory for the Atoms.

Other members of the Iroquois Atoms were Wayne Styles, Ken Lapiere, Kevin Smith, Scott Brenna, Pat Moran, Kevin Brown, Bruce Graham, Kent Holder and Robert Jackson.

Sunday November 28th Iroquois Atoms travelled to Kemptonville and were turned back by a 14-1 score. Iroquois was outshot 13 to 8 in the one sided affair. Scoring for Iroquois was Mike Moran with the assist going to Robin Adair.

The Atoms after four league games have a 500 average with 2 wins and 2 defeats.

## NOTICE Re: Snowmobiles

A number of complaints have been received by Iroquois Council since the first few inches of snow arrived, that snowmobile operators have been cutting across private property in the village, using the sidewalks and causing pedestrians to move off while they pass, and causing undue noise in the early hours of the morning. The Council requests the co-operation of snowmobilers in the village and those entering the village to observe the laws governing snowmobiles and to refrain from using private property.

Council has co-operated in providing bridges to cross the parklands fronting the village and the Golf Club have again allowed snowmobilers to use the golf course property except where marked.

It is hoped that all snowmobilers will exercise common sense in the use of their machines this Winter and observe all laws and regulations as so to prevent further restrictions on their use within the community.

Village of Iroquois

## LETTER TO EDITOR

### What About Girls?

Mr. Editor:

In addition to being the parents of three sons, we also have two daughters.

The purpose of my letter is to inquire some reasons why there is a lack of recreation in Iroquois for girls.

Once the ball season and swimming season concludes in August there is no further activity for girls until their programme commences again the following year.

Personally, I am involved in assisting in hockey, have served in many projects for the recreation departments, three years ago revived the minor ball programme, but one can only accomplish so much and

manage to maintain a family and a job as well.

The activities for boys seem quite adequate with municipal and school activity in both elementary and secondary school. A few forms for boys being Cubs, Scouts, Soccer, Football, Hockey, Ball, Swimming, etc.

However, apart from the girls being involved in ball and swimming in our village there is not much else established for them in the way of recreation programme.

I wonder, WHY? and what is the reason?

With Thanks I Remain  
Leo De Bellefeuille.

EDITORS NOTE: We're pleased that finally someone has come forward with a Letter to the Editor on this subject. The answer is quite obvious if one remembers that appeals that were made in the past few months for volunteers to help with the girls organizations in the village. The Girl Guides cannot operate in this or any village without volunteer adult leaders and so far the results from appeals seems to have fallen on deaf ears. Whether it is this or any other girls group, the result is the same. Without leaders who are willing to give of their time and talents such as you are doing in this community, the facility cannot exist.

## MORTGAGE SALE

by  
PUBLIC AUCTION  
of  
FARM PROPERTY

to be held 15th, December, 1971 at 11:00 a.m. on the premises herein advertised.

day of it.

And to prove it, I'm going to write my first, and probably my last, ode to November.

Much-maligned November,

This year you've been my friend, Don't quite know how to prove it, But you've shown you can groove it.

No way are you September, But you're one I'll long remember.

Isn't that beautiful?

## CARDS OF THANKS

I wish to thank everyone  
who remembered me with  
cards, gifts, letters and  
visits while I was a patient  
in Winchester Memorial Hos-  
pital. Special thanks to  
Dr. Domanko, Dr. Houze  
and nursing staff, also those  
who helped out at home.

Mrs. Frank Cutler 1p

I wish to express my  
sincere thanks and apprecia-  
tion for the many kindness  
shown to me while I was a  
patient in the Winchester  
and Kingston General Hospi-  
tal. The many cards and  
letters from Iroquois U. C.  
Board of Stewards, and Mas-  
sonic Order, flowers from the  
White Church congregation,  
Lions Club, Riverside Lodge  
of I.O.O.F. Eastern Star  
and my family all of which  
expressed growth of life and  
thus gave me strenght to en-  
dure. The Fruit Basket  
from the Thompson Family  
was indeed a welcome gift.  
The many visits from friends  
and neighbours as well as  
visits and prayers of Rev.  
B. Gee, Rev. J. Hibbs,  
Rev. A. Rogers, Father Mc-  
Donald, Rev. Jas. Stewart  
and other clergy in the Sea-  
way Valley Presbytery was  
uplifting indeed. The Med-  
ical attention of Dr. Domanko  
of Morrisburg and Dr.  
Galbraith of the blood clinic  
in Kingston General Hospital  
is indeed worthy of mention.

Thanks to all,  
Charles McInnis

I would like to take  
this opportunity to thank all  
of my friends, especially  
the clergymen, that visited,  
sent flowers and cards to  
me during my recent stay  
at the Winchester Hospital.  
Many thanks also to Dr.  
Marston, Dr. Duane Justus  
and the nurses for their  
services.

Clifford Greaves  
24-1p

The family of the late  
Mr. Teunis Vermey wishes  
to express their sincere  
thanks and appreciation to  
their friends and neighbours  
for their many acts of kind-  
ness durig their recent be-  
reavement on the passing  
of a beloved husband and  
father. Special thanks to  
Dr. Raymond, nursing  
staff of 1st floor Brockville  
General Hospital, Rev.  
Elder and Rev. Numan for  
their comfort and all that  
helped in any way.

Mrs. T. Vermey, Audrey  
and Carl Hartington.

ers Welcome.

## In Memoriam

LEWIS--In Loving Memory  
of a dear father and grand-  
father, Sam Lewis, who  
passed away December 1,  
1970.

As time unfolds another  
year,  
Memory keeps you ever  
near,  
Silent thoughts of time  
together,  
Holds memories that will  
last forever.

Daughter, Annie Coughler,  
son Rae Lewis and the  
Coughler family.

LEACH-In loving memory  
of our dear Charles Brian,  
who was killed at Brinston,  
December 3, 1959.

As time unfolds another  
year,  
Memories keep you ever  
near,  
Missed by Mom and  
Dad Henderson & family.
