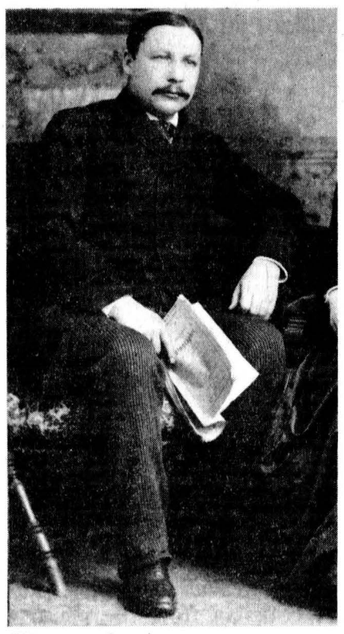
## This week



### Premier achievement

Alexander Cameron Rutherford may not be a household name in Osgoode Township, but a ceremony held in Vernon on Saturday should help to rectify that. The township native, born in 1857, went on to become the first premier of the new province of Alberta. A plaque was unveiled in his honor at the Osgoode Township Museum this weekend.

### Clean sweep

Wanda Blair and Don Levere teamed up with Debbie Smith and skip Lloyd Bildson in the WCC's 1985 Grey Cup Bonspiel last Saturday. The rink earned 29 points and finished second among 12 teams with two wins in two games. Bob Bailey took top prize with 31 points.

### How to pick 'em

Kemptville College of Agricultural Technology put together a winning team as they defeated nine other colleges to win the College Livestock judging competition at Toronto's Royal Winter Fair recently.

### Donor clinic

Readers are reminded that a blood donor clinic is being held from 2pm to 8pm today at Winchester District Memorial Hospital. The target for the clinic is 250 units of blood.

# Tougher laws planned for impaired

WINCHESTER — Although all agree that something must be done to curb the number of drinking drivers on the highways of Ontario, local police officials who deal with the problem daily can't be sure if proposals to increase the length of licence suspensions will be the answer.

Addressing provincial statistics that show 550 deaths and 27,000 injuries as the result of drinking and driving last year, the Ontario Liberal government announced recently its plan to have penalties to drinking drivers increased fourfold.

Attorney General Ian Scott has proposed that the automatic licence suspension for a first offence be increased from three to 12 months, while a second offence would earn a two-year suspension.

Scott is attempting to have the proposal made law before the imminent holiday season and has the backing of Transportation and Communications Minister Ed Fulton in his effort to bolster his message to those who drink and drive.

In his speech to colleagues at Queen's Park earlier this month, Scott said that deaths and injuries from alcohol-related accidents have decreased gradually over the years, but alcohol still plays a part in 50 per cent of all fatal accidents and cost the people of Ontario more than $200 million in 1984.

"I feel strongly that we must clearly signal to those who might drink and drive that they risk losing the privilege of driving for substantial periods of time," said Scott. In looking over the deaths and injuries as the result of alcohol, Scott said the statistics are "distressing (but) pale beside the suffering they represent for thousands of families. We owe it to those victims and to those who could become victims in the future to make certain that no avenue is unexplored in our efforts to reduce drinking and driving."

Scott's proposed avenue involves the increase to a one-year suspension for a first conviction, coupled with assurances from MTC that drivers showing a pattern of drinking and driving will be subject to suspension for an indefinite period.

Fulton said reinstatement of licences to drivers whose "history suggests a problem with alcohol" will be conditional on several factors, including medical evidence that the individual has overcome the problem.

Fulton added that measures have been taken to eventually have photographs on all drivers' licences, a move that will assist in keeping drivers with suspended privileges off the road.

Officials at three local police detachments believe the government has the support of the public in the crusade, but aren't certain the problem will be solved. They believe fines and suspensions affect people differently and might not be fair in all cases.

Const. Ian McCurdie of Manotick OPP thinks the proposed increases "are a little heavy." Other countries have tougher penalties than Canada, but still have problems with impaired dirvers, said McCurdie.

"I really don't know the answer, but until the number of deaths change we'll have to do something," said McCurdie, who feels the public is behind the politicians and expects the increases will become law.

While the deterent factor will definately be increased, he feels some people will pay a higher price. "With a three-month suspension, most people can get by.

"But if someone drives a bus for a living and makes a mistake (if the suspension is one year) I think he'll be paying more of a penalty than you or I. But a heavier fine isn't the answer either. The licence suspension

### *Good effort but no cigar*

North Dundas District High School was the scene of the second annual air band competition last Friday night as 15 would-be bands took to the stage to show what they could do if given the chance. Kevin MacLeod, lead singer and jumper of the band Alive and Wired, screeches to the last beat of drummer Andrew Gruich as the band finished its Iron Maiden song. The effort came up a bit short and top honors went to the Double H's. Other members of Alive and Wired not shown were Jason Broad, Mike Fawcett and Ernie Beckstead. Press Photo—Mitchell

# Area greets Santa

WINCHESTER — Santa will face a dizzying round of social events next month as area villages prepare for his annual pre-Christmas visit.

Winchester leads things off with the chamber of commerce parade scheduled for Sat., Dec. 7. "We're hoping the weather's going to be good and we're hoping for the same tremendous turnout we always get," organizer Phil Snyder said Monday.

About 20 to 25 floats are expected to take part in the parade, which leaves the Ontario Hydro yard at 1pm. Proceeding along Henderson Crescent, the floats will move along Louise and York Streets, then up St. Lawrence to Victoria. A left turn onto Mill Street will bring the parade up to Main Street.

The winning floats will be presented with trophies in the parking lot of Parcoll Products Ltd. at about 2pm. Prizes will be awarded for first and second place finishers in both the commercial and non-commercial classes.

Candy canes will be distributed to Santa's young fans at the Main Corner, courtesy of the Winchester Legion.

Santa's next stop after the parade will be the Royal Bank, where he will be available for interviews from 1:45 to 3:15pm.

The Royal Bank will also be the location for a sleigh to be filled with toys and gifts donated for needy area children, Snyder said.

There is no deadline for parade entries, but anyone interested in participating may contact Bill Appleby at 774-2527 or Phil Snyder at 774-2290.

Santa's visit to Mountain and South Mountain is scheduled for the following Sat., Dec. 14. The parade will follow the format established in past years, said organizer Bill Williams.

The parade will start in Mountain at Blom's Meats and proceed through the village at 1pm. Santa will receive visitors at Mountain Community Hall.

The floats will travel on to South Mountain, arriving some time between 2:15 and 2:30pm.

About 12 to 16 floats are expected to take part in the parade, which is sponsored by the IOOF Lodge, Mountain Township Fire Department and the Mountain and District Lions Club.

Anyone wishing to enter the parade may contact Bill Williams at 989-2107 or Claude Brisebois at 989-2974.

# New post for Sterling

MANOTICK — Carleton-Grenville MPP Norm Sterling will serve as critic for the provincial ministry of the solicitor-general, newly-elected opposition leader Larry Grossman announced Monday.

Grossman also announced the appointment of Dennis Timbrell as opposition house leader and Alan Pope as health critic. Timbrell and Pope placed second and third respectively in the recent PC leadership campaign.

Sterling served as secretary for justice under the Davis government from 1982-83.

"As a lawyer I have always had a deep interest in justice policy matters and look forward to introducing constructive suggestions dealing with police and fire marshal matters," Sterling said in a prepared statement Monday. "I am particularly concerned with the provision of police services to smaller municipalities and the unfair burden placed on the taxpayers in those communities."

Sterling said he planned to push for changes to ensure the necessary resources would be available to provide adequate police protection to all parts of the province.

# Thieves ditch truck in river

WINCHESTER — Winchester police have charged two Chesterville residents with 10 counts of automobile theft following a series of "fun thefts" that ended on the weekend when a pickup truck was stolen and driven into the South Nation River.

OPP divers from Long Sault were called to Chesterville Sunday morning after a truck owned by Graham Smith of Victoria Street was found submerged in the river near the village community centre. OPP Sgt. Bob Lyon said the keys to the truck had been left in it last Saturday, facilitating the night's second theft.

Richard Lynch of Thompson Road in Chesterville had his 1986 Jeep stolen from his home and discovered Sunday morning on College Street with $2,500 damage done to the front end.

Const. Bill Holmes investigated the incidents and later in the day arrested one man and one juvenile in connection with 10 auto thefts in the past two months. Charged are Marco Fazzino, 19, of 41 Church Street and a youth, who cannot be identified.

In addition to the 10 theft charges the pair also face three counts of possession of stolen vehicles, and one count of theft under $200.

Sgt. Lyon said all the vehicles involved were recovered, although total damages exceed $50,000.

Lyon said the vehicle found in the river was a 1974 GMC pickup. It was pulled from the water, but no damage estimates were made. He said the thieves had jammed the truck's gas pedal with a rock and directed it into the river.

The other theft charge relates to an incident in Chesterville on Halloween when cigarettes were stolen from the Fulton Home Centre. The pair will appear in Winchester court Dec. 13.

In court Fri., Nov. 22 a Chesterville man who attacked the driver of a tow truck after it struck his brother while responding to a call last August was sentenced to 15 days in jail.

Stephen Patenaude, 25, of 90 Main Street in Chesterville was ordered to meet with a probation officer for two years in addition to the jail term, which will be served on weekends. The sentence was handed down last Friday in Winchester Provincial Court.

A charge of assault causing bodily harm arose from an incident Aug. 11 when Germain Baker, owner of Morewood Tire Service, was called to the scene of an accident in Chesterville.

When Baker arrived to tow the car a small crowd had gathered and a mirror on his truck clipped a pedestrian. Vince Patenaude, 27, was knocked unconscious for several minutes and was later treated for a bruised shoulder.

In court Patenaude's lawyer said his client then "lost his head" and, thinking that his brother might be dead, attacked Baker. After the assault Baker spent two days in hospital with a broken jaw, nose and cheekbone, and several other cuts to the face.

It was argued that the attack was not premeditated and was the result of "great provocation," but Judge Bruce Hunter issued a jail term "in view of the serious injuries suffered by the victim."

# Ault's cheesemakers number one

WINCHESTER — Ault Foods has returned from competition at the Royal Winter Fair in Toronto with the best results possible.

The cheddar manufacturing plants in Winchester and Balderson placed first and second in the cheese judging competition giving the company grand and reserve champion honors at the Toronto show for the past three years.

Winchester cheesemaker Rejean Galipeau took top honors for the local outfit, as he did last year, while Norm Matte, cheesemaker at the Balderson plant, was runner-up. The Balderson plant was the big winner three years ago.

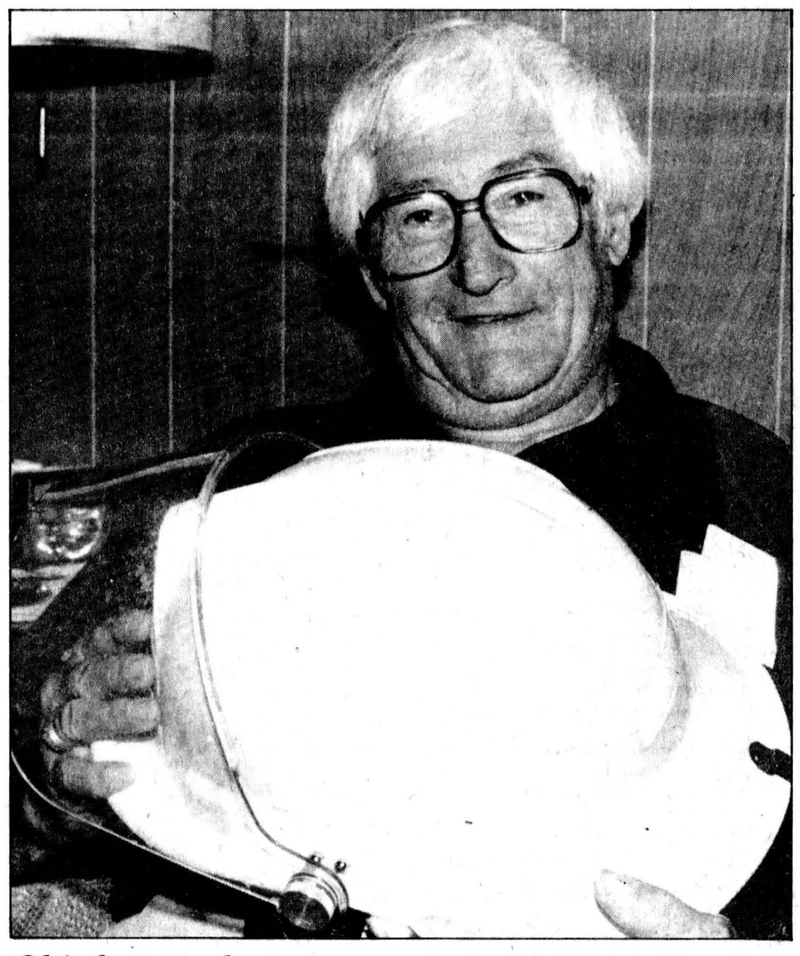
On the road to the title Galipeau took top prize in three of the five cheddar categories and placed second in the two others. Matte placed first where Galipeau did not and placed second three times to give Ault the top two spots in all five categories.

The Royal Winter Fair grand champion honors follow similar showings at the Canadian National Exhibition, British Empire Cheese Show and Ottawa Winter Fair.

In addition to the cheese awards, Ault Foods picked up honors for butter products with entries from the Stacey Brothers facility in Mitchell, Ont.

In the major dairy product competition Ault picked up the first-place ribbon for its European style cultured butter. The Stacey Brothers manufacturing facility has produced several winners over the years including first-place ribbons at the CNE in 1984 and 1985, and the Royal Winter Fair in 1984.

Ault Foods has won firsts in every major competition at the local, national and international level and promotes the awards abroad as Canada's largest exporter of premium mature cheddar cheese.



### *Chief steps down*

Dalton Kenney, fire chief of Winchester for 15 years, will be officially retiring Dec. 31. Deputy fire chief Bruce Kerr will be taking over the fire chief's role until a new chief is officially appointed by council. Kenney has served on the village department for a total of 36 years.

# Winchester Hydro, Legion on the move

WINCHESTER — Two Winchester landmarks could be moving shop in the next couple years.

Winchester area hydro manager Vince Lynch said the local office of the utility will be moved to a new home at the southern end of town by summer 1987, or 1988 at the latest.

Hydro recently purchased a 10-acre lot from Winchester farmer Alvin Davidson across from Drewery Pontiac-Buick, and expects to have construction of a new office building under way by next summer.

Lynch said the increasing amount of materials handled at the Winchester office forced Hydro to expand, and after considering the options it was decided to rebuild rather than add to the present building.

The site on St. Lawrence Street covers three acres and the new lot spans 10 acres. Lynch said the proposed single-storey building on the Davidson site will cover about 18,000 square feet, double the present size.

Hydro has operated out of the same office since 1960 and has been associated with Winchester for over 40 years.

Lynch said another factor in deciding to move was the number of residences closing in on the Hydro office, producing occasional complaints about noise at the yard.

The new building will sport "architecturally pleasing frontage" on St. Lawrence Street and enough yard space to allow for easy manoeuvring. Hydro hopes to have plans for the new building in order shortly, with a call for tenders issued in the spring of 1986. At best, Lynch said construction would begin next summer, allowing the local personnel to move in a year later.

The other local institution preparing to lift roots is the Legion. Members have been discussing the branch's future at recent meetings and have tentatively decided to purchase a lot and build anew.

The present Hydro site has been discussed, but the Legion's Dwight Hutt says a decision has not been made. "Right now we're just looking around, but our intention is to buy a piece of land and then a couple years down the road we'll build."

He said parking space is something the Legion wants to ensure is available at the new site.

Continued from front page

hurts more, but I don't know if hurt is the word is some cases. Taking a licence away is a different matter."

Winchester OPP Sgt. Bob Lyon said the increase in penalties is due, but finds the proposals "pretty severe." He said the new legislation would affect rural and urban communities in a different manner because people living outside major centres have little choice but to drive.

"The problem in a small town is that you don't have public transit, so if you go anywhere you have to drive," said Lyon. "That has to affect the judgement of police in a rural area. I'm not saying we're going to drive people home or let anyone off, we just have to use more discretion."

Of major concern to Lyon should the proposals be approved is the willingness of drivers to pull over when asked. He said the new laws may be so severe that justice won't be served.

"The drivers may not stop for us when they realize the severity of the punishment. There has to be a balance somewhere."

In addition to problems apprehending drinking drivers Lyon feels the new laws might make police and judges reluctant to charge and convict drivers. "If the fine for not wearing a seatbelt was $200, you wouldn't see too many people charged," Lyon explained.

But of the drinking issue overall Lyon feels the thinking has changed in recent years and is headed away from abuse. He said increased enforcement has more to do with a jump in local impaired charges than alcohol use. In 1983 the local detachment charged 20 people with impaired driving, 52 in 1984 and 42 through the end of Oct. 1985.

Const. Bill Holmes of Winchester OPP said he backs the increase for the sake of potential victims. He said that while some may feel "that poor guy who only made one mistake" should be given a break, those who might drive impaired once in their life are still risking killing someone.

Sgt. Art Roberts of Morrisburg OPP said he has seen enough decisions in his 35 years on the force to realize that increased fines and suspensions for impaired driving won't always come down fair.

"An increase would probably be a deterent but that's a hard thing to determine," said Roberts. "If you fine someone who is unemployed $100, it would mean a lot more to them than fining a doctor $500.

"The licence suspensions certainly hit people where they live, but in some cases that hasn't been 100 per cent effective either. We still have people caught driving while their licence was suspended."

Stormont, Dundas and Glengarry MPP Noble Villeneuve agrees with the police spokesmen that the proposed suspensions might be heavy, but feels increases are in order.

Villeneuve's main concern is that the laws will ruin rural establishments because people won't frequent them as they could a bar in the city serviced with public transit. "I also find it strange that the Liberals can come out with these proposals and in the same breath talk about freeing up the sale of liquor," said Villeneuve.

All the local police forces are promising strict surveillance during the Christmas season. Roadside checks are planned for all centres, although the detachments report the number of drinking drivers during the holidays has decreased in the past few years.

# Metcalfe MD dies in crash

METCALFE — An RR1 Metcalfe man was killed Saturday when his car was struck broadside on Highway 31 just north of Regional Road 6 near Metcalfe.

Manotick OPP report that Dr. Fred Clark, 65, of Lot 26, Concession 9, Osgoode was killed when his 1985 Ford was hit as he tried to cross the highway.

Const. Ian McCurdie said Clark had exited the northbound ramp onto Highway 31 and might have been attempting to cross over to a service station on the west side of the road. He failed to see a car northbound on Highway 31 and was hit broadside.

Jennifer Clark, 12, a passenger in the front seat with Dr. Clark, received minimal injuries in the crash, while Lyle Break, 55, of Ottawa was not injured driving the other vehicle.

McCurdie said the accident occurred at 3:15pm on wet roads.

# Natural gas in Kemptville

KEMPTVILLE — Natural gas pipeline systems to serve Kemptville and Manotick have been completed, Ottawa Gas has announced.

Kemptville and Manotick were among 45 projects initiated last year by Ottawa Gas, a subsidiary of the Consumers' Gas Company operating in Eastern Ontario. A total of 45 projects were undertaken, including 41 residential and four commercial areas. Natural gas was introduced to Manotick and Kemptville in July.

Funding for the work was provided largely through Energy, Mines and Resources Canada's Distribution System Expansion Program.

The gas main required to service the town of Manotick, with a population of approximately 3,300 cost an estimated $1.9 million. The gas main is 34,400 metres long.

Kemptville required 26,700 metres of natural gas pipeline at an estimated cost of $1.6 million. Businesses and institutions in Kemptville to proceed with conversion to natural gas include the Kemptville District Hospital, Moore Business Forms, the Kemptville College

*Top cheeses*

The cheesemaking crew at Ault Foods' Winchester plant sent another fine batch of cheeses to the Royal Winter Fair in Toronto recently and emerged grand champions for the second year in a row. Helping superintendent Rejean Galipeau, back row on right, extend the list of award winning cheeses were lead hands Steve Johnston, back row left, Don Simpson and Dave Marriner, second row, and Noel Racine, Randy Walker and Larry Moore, front row. Missing from the photo but helping in the winning were foremen Marcel LaMarche and Bob Williams, and lead hands Frank Cutler, Lucien Vernier and Walter Baker.

# Ex-Mayor to speak at Network gala

CORNWALL — The Cornwall Women's Network holds its second annual Gala Christmas Dinner on Dec. 4, 1985 at the Cornwall Golf and Country Club, starting at 7pm.

The guest speaker is Marion Dewar and special invited guests include Jeannine Sequin, native of Cornwall and recent recipient of the Order of Canada award from the Governor-General of Canada; Reverend Judy Hart, the ecumenical counsellor at Cornwall General Hospital; Diane Harkin of Winchester, past president of the organization, Women for Survival of Agriculture, and Jan Samis, recent candidate for mayor of Cornwall.

Marion Dewar hails from Buckingham, Que., and is a public health nurse by profession. She has been involved in the Ottawa political scene for many years, as alderman from 1972-78 and as mayor since 1978. Her experiences and skills are many and diverse, in financial and personnel administration, regional government and transit commissions as mayor, as well as all the other responsibilities of that position.

In addition, Mrs. Dewar retained a deep interest in cultural affairs, tourism and public health matters, and has taken a deep interest in the plight of southeast Asians in Canada. She has actively campaigned for nuclear disarmament and co-hosted the Women's Constitutional Conference in Ottawa in 1981 that led to the re-instatement of the equality provisions in the Canadian Charter of Rights and Freedoms.

# 94 Years Young!

Mrs. T. J. Keyes (Mary to all) celebrated her 94th birthday on Sunday, November 17. Formerly of Winchester Springs and now residing in the Winchester Seniors Apartments, Mary was surprised on Friday with a cake from "Meals on Wheels". Many best wishes commemorated the day.

Family members gathered at her niece-in-law's home in Williamsburg, Joyce Barkley's to mark the occasion on Sunday afternoon.

Joining Mary were her niece Vivien Reddick and Bill, grandnephews and families, Roger and Sandra Johnston, Ryan and Jeremy, Sid and Fay Johnston, Melissa and Adele, Stephen and Sharon Barclay, Leslie and Jennifer, grand-nieces Barb Watson, Steph and Doug, Debbie and Wayne Lynch and Amy.

An active church member, Mary seldom misses a Sunday service at the Winchester Baptist Church.

Her green thumb and love of plants keeps her busy and belies her age.

We all join in wishing her the very best in the years to come. God bless and keep her as well as the last 94 years!

Jack Rutherford of Toronto, left, and Morrisburg resident Fred McDonald unveiled this historic plaque Saturday as representatives of the Rutherford family. Alberta's first premier was Jack Rutherford's great uncle.

# Plaque unveiled in Vernon honoring Alberta premier

VERNON — "He's the only Rutherford I know of who achieved any kind of notoriety or fame," says Jack Rutherford of great uncle Alexander Cameron Rutherford, Alberta's first premier. "We're all solid citizens, mind you."

Jack Rutherford, a Toronto television producer, was in Vernon last Saturday to attend a ceremony honoring his distant relative, a native of Osgoode Township who went on to a prominent place in the history of the Canadian west.

The occasion marked the unveiling of a historic plaque in honor of his grandfather's brother, who was born in 1857 in a log house in Osgoode Township near the Winchester boundary.

Alexander Cameron Rutherford spent 38 years in Ontario before moving to Alberta in 1895. Educated in Osgoode Township's Scotch School, Metcalfe Grammer School and Woodstock College, he became a school teacher following study at the Ottawa Normal School.

After a short stint as a teacher at the Scotch School in his late teens, Rutherford went on to study law at McGill University, graduating in 1881. He articled in Ottawa for four years with the law firm of Scott, McTavish and McCracken, then practiced law in Kemptville from 1885 to 1895.

In 1988 Rutherford married Mattie Birkett of Ottawa, the daughter of William Birkett and Elizabeth Martin. The couple had three children prior to their departure for South Edmonton in 1895.

Rutherford's first foray into political life came in 1899, when he served as secretary-treasurer and solicitor for the town council in 1899. Three years later he was elected to the legislature of the North West, becoming deputy speaker.

Rising quickly through the political ranks, Rutherford soon became leader of the Liberal Party of the newly-formed province of Alberta. In 1905, the same year that he took leadership of his party, Rutherford was elected premier, winning a huge majority of 23 out of 25 seats. A significant move was his choice of Fort Edmonton over Calgary as capital of the new province.

As minister of education, Rutherford developed the province's elementary and secondary school systems and encouraged in the legislature the establishment of the University of Alberta. Following his retirement from politics, he became a member of the senate of the university, and served as its chancellor from 1927 until his death in 1941.

Although Rutherford skillfully established the administrative, judicial and educational framework of the new province, a scandal over his government's railway policy prompted his resignation as premier in 1910. He left politics three years later.

Rutherford's parents, James Rutherford and Elizabeth Cameron, are buried in Ormond Cemetery. His daughter Hazel Rutherford McCuaig, still survives, aged 92. She lives in Edmonton.

Rutherford's connections to the east prompted the government of Alberta to take the unusual step of sending a member of parliament, Edmonton South MP Jim Edwards, to represent the province at Saturday's plaque unveiling ceremony at the Osgoode Township Museum in Vernon Saturday. The ceremony was also attended by Nepean-Carleton MP Bill Tupper, Carleton-Grenville MPP Norm Sterling, Osgoode Township Mayor Albert Bouwers, Margaret Carter of the Ontario Heritage Foundation, and members of township council. Jack Rutherford of Toronto and Fred McDonald of Morrisburg, a former Osgoode Township resident, attended as representatives of the Rutherford family.

According to David Gray, chairman of the Osgoode Township Museum committee, "The name of Alexander Cameron Rutherford may not mean a lot to some residents of Osgoode." Coming from a western background, Gray added, he remembers Rutherford name as a familiar one in his years at the University of Alberta.

Putting up the historic plaque on the museum grounds is a step towards "putting Osgoode Township on the map in terms of tourism," Gray said.

The Osgoode Township Museum, founded about 10 years ago, offers visitors exhibits of early pioneer implements, furniture, quilts, toys and dolls, farm tools and household articles.

A prime attraction is the collection of archives, which includes original census, school and church records of the township, along with assessment rolls, birth and death notices and microfilms of early newspapers.

Special events are held yearly at the museum, including Heritage Day in February and Canada Day and Pioneer Days in July.

To mark the occasion of the plaque unveiling, a special display of papers, photographs and maps relating to Rutherford's years in Osgoode Township was offered.

Jim Edwards, MP for the Alberta riding of Edmonton South, brought greetings from his province at Saturday's plaque unveiling ceremony at the Osgoode Township Museum in Vernon. Press Photo—Must

## *First premier of Alberta*

In 1888, Alexander Cameron Rutherford married Mattie Birkett of Ottawa. The couple moved to Alberta in 1895, where Rutherford rose swiftly through the political ranks to become the province's first premier.

# Astronaut inspires CS volunteers

OSGOODE — Astronaut Roberta Bondar inspired Carleton area Cancer Society volunteers with a lively and informative presentation at their recent annual meeting. Dr. Bondar is involved with medical research and experiments on the effects of radiation on astronauts and calcium loss suffered on extended space travel. Applications of this work will benefit all society.

During the Rideau-Osgoode unit meeting, president Dorothy Bickerton presented a campaign award to Ann Yarnell and Judy Dalgleish for achievement of the 1985 campaign goal. $46,227 was raised by the many dedicated volunteers, $5,227 over target. Past president Jan Sterling received a certificate of service from Ontario Division of the Canadian Cancer Society for service over unit's seven year term.

Provincial approval for the building of a new patient lodge at the Ottawa General Hospital and an extension of a 22-bed addition to the Ottawa Civic Lodge was announced to the 200 volunteers in attendance. Patients outside a 40km radius of Ottawa are accommodated free of charge while receiving treatment for cancer.

An estimated $3.7 million is needed to cover building costs. Donations are tax deductible and donors of a gift over $200 will be remembered on a recognition plaque at the lodges. Construction at the General Hospital has begun and it is hoped the first patients will be admitted in early 1986.

Families, individuals or service groups willing to make donations, may send cheques to the Canadian Cancer Society (Lodge Extension) 200 Melrose Avenue, Ottawa, Ont., K1Y 4K7 or call Jan Sterling at 692-4349 or 1-800-267-1020.

# Williamsburg seniors plan Christmas party

WILLIAMSBURG — The October meeting of Williamsburg was well attended when 59 members and four visitors enjoyed a sumptuous meal at noon.

The business meeting opened with singing O Canada, and Laura Carruthers playing the piano, followed with president Ruth Casselman welcoming everyone present.

A thank you note from the tenants' committee at Park Drive Villa, for a donation received, was read. It was decided that a donation of $50 be given to Seaway Valley School, for Christmas. The bus to Bayshore Christmas shopping will be leaving at 8:30am on Tues., Nov. 26.

Plans for the Christmas party on Dec. 17 were finalized, and Peggy Thompson will be in charge of the program.

John Dalrymple was program convener, and he showed colorful slides taken on a trip he had made with a Holstein Club, to Arizona. He was thanked by Ruth Casselman for his most interesting presentation and commentary.

The next meeting will be on Dec. 17.

Cards were enjoyed for the balance of the afternoon.

Winners at the senior citizens' euchre were:

Ladies: Muriel Gow; Mrs. Eva Jackson; Mrs. Orval Christie.

Men: Kezia Wells; Verna Beckstead; Doris Hill.

Door Prize: Doug Gow and Ruth Hogaboam.

Draw: Jennie McLeod; Harold Pemberton; Verna Beckstead; Kezia Wells; and Laura Stewart.

The next euchre is on Wed., Nov. 20 and everyone is welcome.

## Traces family back to 1615

MARIONVILLE — Former Winchester resident Ernest Goulet has a distinction very few can claim — his family has been living in Canada for well over 300 years.

Goulet, born in Winchester in 1925, has traced his ancestors back through 12 generations by consulting the national archives. The earliest record is of Jackques Goulet, born in 1615 at L'Angegardien, Que. The next four generations of the family lived at Repentigny, Que.

Napoleon Goulet, the eighth generation of the family, was born in 1861 at Ottawa. The next Goulet, Augustin, was born at Casselman in 1884.

Ernest lived on the family farm at RR1 Winchester for 54 years until he sold it to son Maurice six years ago. The farm has been in the family for four generations.

## 100 Club speaker

WINCHESTER — Norm Warner, MP for Stormont-Dundas was the guest speaker on Nov. 21 at the Winchester 100 Club dinner meeting for members and their wives.

Warner spoke on the work of the federal government and how he related to it as a new member. A question and answer period followed.

John Adams introduced Warner and Allan Scott thanked him on behalf of the club.

*Mr. and Mrs. Peter Noort*

Derrick Noort was best man for his brother. The ushers were Lubbert Noort, brother of the groom and Rodger Kerouac, friend of the groom. The ring-bearer was Benjamin De Haan, nephew of the groom.

Guests came from far and near. They came from Hamilton, Ottawa, Brockville, Cornwall, Morrisburg, New Brunswick, British Columbia and Holland. Many cards and good wishes were received from relatives in Holland.

The couple now reside in Kemptville.

Sylvia Joann, daughter of Gerrit and Dine Beking of Kemptville, and Peter Jacob, son of Leendert and Alberta Noort of Winchester, were united in marriage on Sat., Aug. 24, 1985. Officiating was Rev. Dick Los at the First Christian Reformed Church, Kemptville.

Attending the bride as matron of honor was Diana Smith, sister of the bride. The bridesmaids were Marian Heemsterk of Cranbrook, B.C., sister of the groom and Erica Timmer, friend of the bride. The flowergirl was Shannon Smith, niece of the bride.

*Mr. and Mrs. Edwin Duncan*

Hulbert Valley United Church was the scene of a beautiful wedding on Aug. 31, when Beatrice, daughter of Mrs. Lila Fawcett of South Mountain and Edwin, son of Mr. and Mrs. Edwin Duncan of Mountain and Pieriette Andre of Montreal were united in marriage.

Rev. Alan Tysick officiated at the double-ring ceremony and Lois Keyes played the organ while Marie Puddy, Karen McDermott and Debbie Strader sang.

Assisting the bride down the aisle was her brother Bud Fawcett, attending the bride was her twin sister Buriley Montgomery as matron of honor. Bridesmaids were Denise Millan, friend of the bride; Diane Fawcett, sister-in-law of the bride; and Nancy Patterson, friend of the bride.

Attending the groom as best man was Donald Duncan, brother of the groom. Ushers were Jim Duncan, brother of the groom and Brent and Barry Fawcett, brothers of the bride.

Following the ceremony, the wedding dinner and reception was held at the Matilda Community Hall, Dixons Corners.

Thanks goes out to the Hulbert Valley Church ladies for preparing dinner, Faders Floral Designs for the flowers and to Wayne LaPrade, wedding photographer.

Many thanks to our family, friends and neighbors for the many beautiful and helpful gifts.

The couple are now residing near South Mountain.

# Live theatre comes to Vernon Library

VERNON — The Golden Caravan Theatre will present The Clown of God at the Vernon Recreation Hall on Thurs., Dec. 5 at 4:30pm. This show is offered by the Vernon Branch of the Osgoode Township Public Library, for children five years to 12, as well as adults.

Through a fusion of mime, juggling, tumbling, dance, music and storytelling, an ancient legend comes to life to warm the hearts of young and old. The Clown of God, performed by Edwin Echavarry and his wife Dorota, is a theatrical presentation filled with laughter and exuberance, but with some inevitable sadness as so often happens in life. Nevertheless, in the end joy triumphs and love is restored. This presentation of The Clown of God is taken from Tomie de Paolal.

Dorota and Edwin Echavarry formed the Golden Caravan Theatre in 1984 and have since been presenting its repertoire of stories, myths and legends for children throughout Ontario.

All are invited to attend The Golden Caravan Theatre's performance which is sponsored by Vernon Public Library, the Ontario Library Service-Rideau, "Outreach Ontario" a program of the Ministry of Citizenship and Culture, and the Ontario Arts Council.

**To all Village of Winchester Residents:**

I sincerely thank you for the overwhelming support in the Nov. 12 election.

It is an honor to serve another term as your Reeve and, as always, I will serve with the best interest of all in mind.

***Merry Christmas to everyone and may the next three years be full of success and accomplishments.***

**Dr. L.E. Gray**
Reeve, Village of Winchester

# Golden Years Society enjoys special concert

WINCHESTER — The Golden Years Society held its regular meeting on Nov. 21, 1985 in the Lions Hall, at 11am, with an unusually large attendance of 108 members, as well as six entertainers. Membership fees were collected from 43 members, three of whom joined our society that day.

The president opened the meeting with singing of O Canada followed by a poem entitled "For a Contented Life". Eight birthdays and five anniversaries were recorded for the month of November. We had one visitor, who became a member later.

Several thank you letters were read, one from Barb Berry thanking us for private donations made to the "little leaguers" for minor ball.

After some discussion it was moved that we send a donation to the chairman of Meals on Wheels for new dishes, etc.

It was announced that the Travelways Bus would leave the hall at 9:15am on Tues., Nov. 26, for a free shopping trip to St. Laurent Shopping Centre.

Annie Gibson and Christena Robinson represented the senior citizens at the meeting for battered women at the Winchester Country Club on Oct. 17, and Annie Gibson gave us a brief report on the meeting.

Arthur Moorhouse reported that it was the wish of the zone meeting to hold the annual zone rally in the Lions Hall here next fall, either Oct. 2 or 9.

Lunch was served by the luncheon committee under convenership of Ron and Edna Trory, who found it necessary to set up extra tables to accommodate the number present.

Everyone thoroughly enjoyed the program put on by the Seaway Valley School children, with pianist Mrs. Gilmour and Olive Whitteker in charge. It was enlightening to see what these children could do with special training.

Mrs. Isabel Baker gave us some interesting anecdotes. Then Hazel Irven introduced a humorous skit, "Early Retirement" played by Irene Merkley and Edith Walford.

There will be no regular December meeting due to the Christmas dinner on Dec. 11.

## Greely WI raffle winners named

GREELY — The November meeting of the Greely-Manotick Station Women's Institute was marked by a raffle draw for a home-made quilt.

Krys Gough of Manotick Station was the winner of a quilt decorated with a tree of life with calico leaves in fall colors on a sunny blue background. The draw for the raffle was made at the home of Mrs. Faye Hutt. Second prize, $25, was won by Mary Blais of RR6 Gloucester, and third prize, $15, went to Marilyn James of RR2 Russell.

Proceeds of the raffle will be donated to the Children's Hospital of Eastern Ontario in support of the Year of the Youth, and to the Township of Osgode Care Centre.

At the November meeting, president Sadie Payne reported that 20 pairs of mitts had been donated to the Royal Ottawa Hospital.

Secretary Lila Smiley completed the arrangements for members and friends to see the Orpheus production of "Annie".

A report was given on the area convention and several members decided to attend the Hearts for Africa fundraising meeting in Embrun Nov. 28.

Members decided to hold a bake sale on Dec. 5.

The next meeting will be held at the home of Sadie Payne Dec. 17. Members will answer roll call by bringing a gift for a shut-in.

THE REGIONAL MUNICIPALITY OF OTTAWA-CARLETON

## Get in on the future!

The Regional Municipality of Ottawa-Carleton is reviewing the regional official plan. This plan was first adopted in 1974. It established:

- the urban communities of Orleans, Barrhaven, and Kanata
- the Transitway system
- conservation and recreation areas such as the Marlborough Forest, Petrie Island, Long Island, and Morris Island
- the Hunt Club Bridge

The Official Plan needs updating. Things have changed. The services the Region provides must be properly planned. In addition, citizens and business look to the Region's plan for their own planning. The Planning Department, with the assistance of other departments, is proposing new policies for the plan:

- Barrhaven should be expanded to accommodate growth in population
- Orleans is a top priority for new road and Transitway links
- a new north-south road along the CP line near Champagne Street is needed to take pressure off Preston, Bronson, Parkdale, and the central section of the Queensway.
- the majority of new employment should occur at major employment centres at South Keys, the new Gloucester City Centre at Blair and Ogilvie, the new Nepean City Centre at Woodroffe and Baseline, and the town centres in Orleans and Kanata
- agricultural lands need to be protected by stronger policies.

To encourage your involvement, planning staff has prepared a brochure and a series of discussion papers. Seven open houses are scheduled. Get involved and find out what is proposed!

# Academic gold medal for Caren Wu

MAPLE RIDGE — Caren Wu is a gold medalist.

The North Dundas District High School student was presented with the award last week when the school recognized the achievements of its Grade 9, 10 and 11 students.

In addition to having the highest academic standing in the Grade 11 advanced program last year, Wu won the Winchester Press English award for top marks in Grades 11 and 12 advanced English and the Student Newspaper Reporter award.

John Wu received a silver medal for the second highest Grade 11 advanced standing. He also placed first at North Dundas and among the top 10 per cent of Canadian contestants in the Fermat math contest for Grade 11 students.

Dean Armstrong was named the best all-around junior male athlete at the high school last year. His female counterpart was Carol Graham, also judged the school's best female gymnast.

In the Grade 11 general program, Barry Helmer and Oron Seim won gold and silver medals respectively.

Lindsay Roger was awarded the gold medal for highest standing in the Grade 10 advanced program. She also placed first at the school and among the top 10 per cent of contestants in the national Cayley math contest for Grade 10 students.

The silver medal went to Robert Wu, who also won the Empey Trust Award of $100 for the highest average in Grades 9, 10 and 11 English.

Blair Hutchinson achieved the highest academic standing in the Grade 10 general program. Winning the silver medal was Henriette Verspeek, who also won the Mrs. Lillian Allison trophy as best Grade 10 family studies student.

As top Grade 9 student in the advanced program, Leslie Durant won a gold medal and the Fulton Bros. Shield. She also won the Marion N. Casselman award of $10 for her achievement in Canadian history studies.

Jenny Lamb won the silver medal for her work in the Grade 9 advanced program.

In the Grade 9 general program, the gold medal went to Jeffrey Holmes and the silver to Danny McIntosh.

Andrew Gruich placed first at the school and among the top 10 per cent of contestants in the Grade 9 Pascal math contest. Michael Bouck and Richard Stewart also received certificates of merit for ranking in the top 10th.

Andrew VanBruinessen, Heather Wilson, Kevin Bell and Leslie Durant received certificates of distinction for placing in the top 25 per cent of all contestants in the competition.

Peter Streng ranked in the top 25 per cent of the Cayley math contest's competitors and Lianne Rystenbil received a team certificate.

Certificates of merit for ranking in the top 10 per cent in the Fermat math contest went to John Wu, Robert Wu, Paul Spencer, Caren Wu and Wilma Luimes.

Chris Lynch, Shirley VandenBroek, Doug Newman and Clinton Young were awarded certificates of distinction for placing in the top quarter of contestants.

Angus Craig, Joel Verdurmen, Caren Wu and John Wu were recognized as winners in the United Counties Science Fair quiz.

Andrew Smith won the Morewood Women's Institute award and trophy for the highest standing in technical drawing in Grades 10 and 11.

The P.G. Hewitt Band trophy and $25 went to Richard Wahl, the student making the greatest contribution to the North Dundas junior band.

Chris Lynch won the W.C. MacDonald accounting trophy for achieving the highest average in Grade 11 and 12 accounting.

Among the Grade 9, 10 and 11 students recognized last Wednesday for their academic and athletic achievements during the 1984-85 school year were, back row from left, Robert Wu, Dean Armstrong, John Wu, Jeff Holmes, Danny McIntosh and Oron Seim; middle row from left, Leslie Durant, Lindsay Rodger, Caren Wu and Henriette Verspeek; seated, Carol Graham and Jenny Lamb.

Julia Toonen won $20 as the fastest typist in Grade 11. The Grade 10 award of $15 went to Sue Gordon and the Grade 9 $10 award was won by Nancy Hoople.

Michael McCadden won the Wesley Newman Fulton shield for the highest average in the Grade 9 science, technology and trades program.

Carol Graham and Shelley MacDonald shared the SD&G EOSSA gymnastics trophies.

As members of the girls gymnastics team competing at the OFSSA event, the following were presented with engraved school plaques: Natalie Cousineau, Stacey Donaldson, Carol Graham, Michelle Helmer, Sherry Jordan, Shelley MacDonald, Sherrie MacDonald and Kristi Merkley.

Eleven students received school monograms for academic achievement and participation in school activities over the years.

Receiving monograms were Roxanne Beckstead, Kelly Durant, Marnie Lamb, Wilma Luimes, Dina Pavlounis, Oron Seim, Karen Sherwood, Shannon Weaver, Shelley Weaver, John Wu and Caren Wu.

Fourteen felt armbars were awarded to students judged outstanding in their contribution in the fine arts field, including public speaking, debating, art and drama.

Recipients were: Vicki Brown, Janice Gibson, Maria Gordon, Susanna Gordon, Marnie Lamb, Jim Loucks, Wilma Luimes, Lisa Proulx, Blain Roberts, Andrew Smith, Julie VanWylick, Caren Wu, John Wu and Lisa Cholowski.

Leadership bars for students who served on student council or a council-sponsored organization were presented to Roxanne Beckstead, Tim Grose, Mike Harper and Caren Wu.

Armbars were also awarded to students giving service and help during the school year: Jennifer Allison, Lori Cook, Cheryl Curran, Daren Dowich, Carole Droppo, Melina Gernon, Ross Giles, Jeff Hanson, Tracey Hutt, Tracy McMillan, Monique Monast, Moira Reid, Lindsay Rodger, Gordon Sheldrick and Lise VanKessel.

Certificates of training were awarded to Caroline Geertsma and Shayne Larabie.

Achieving honors standing, 80 per cent, in Grade 11 were 22 students; Kelly Durant, Dan Gibson, Barry Helmer, Donna Koekkoek, Marnie Lamb, Dina Pavlounis, Elena Pizzamiglio, Cindy St. Pierre, Oron Seim, Kim Skuce, Andres Sommerhalder, Paul Spencer, Anne Marie Stephen, Shirley VandenBroek, Bobby Van Noppen, Miriam Van Winden, Patricia Van-Wylick, Shannon Weaver, Shelley Weaver, Caren Wu, John Wu and Clinton Young.

Fourteen students achieved honors standing in Grade 9: Kevin Bell, Kelly Billings, Pamela Carkner, Tammy Coleman, Chuck Droppo, Leslie Durant, Tammy Everts, Andrew Gruich, Jeff Holmes, Dwayne Hummel, Jenny Lamb, Corinne McDermott, Steven Meldrum and Heather Wilson.

Fifty-three students received armbars for participating in the school's band.

# Double H's win band blow

by Pam Carkner

MAPLE RIDGE — This school doesn't quit! Yes, we are functioning even though snow came from the heavens.

On Fri., Nov. 22 the second annual Air Band Contest was held. There were 15 groups that participated. All participants deserve a big hand. The top band was the Double H's with "Joy to the World" and their cute frog. The runners-up were the Crewers with "Smoking in the Boys' Room" and Kiss with "Rock 'n Roll All Night". The best single performance was from Kevin Barkley of the Crewers. The weirdest performance was from J.P. Lalonde of the Pink Ladies. J.P. just wasn't himself. A big round of applause goes to Mr. Green for organizing the event. The sunglasses were cute.

I'm very proud to say my house, Green, sold the most yearbooks and had our picture taken.

In the basketball scene, the senior girls came in third in the SD&G league. Congratulations goes to the girls and their coach, Ms. Wilson, for a great season. The junior girls were beaten by CCVS on Thursday to become second in SD&G. Fantastic! Congratulations also goes to the girls and their coach, Mr. Bowen, for a super season.

Picture retakes are on Nov. 26.

Tri-County Band tryouts were held this week. The Tri-County Band will be playing together in March.

A European trip is being planned by Mr. Plumb for the March break. A tour of the major cities is the plan.

The Junior Achievement Assembly was held on Wed., Nov. 20. In the Grade 9 advanced program, the gold and silver medals were awarded to Leslie Durant and Jenny Lamb. In the Grade 9 general program, the gold and silver medals were awarded to Jeffery Holmes and Danny McIntosh. The Grade 10 advanced program medals were awarded to Lindsay Rodger, gold, and Robert Wu, silver. Gold and silver medals were awarded to Blair Hutchinson and Henriette Verspeek in the Grade 10 general program. In the advanced program for Grade 11s, gold and silver medals were awarded to Caren Wu and John Wu. In the Grade 11 general program, gold and silver medals were awarded to Barry Helmer and Oron Seim. Top male and female athletes were Dean Armstrong and Carol Graham. There were also honor bars, school monograms, band bars, fine arts, bars, service bars, and leadership bars awarded. There were quite a few parents in attendance.

There will be a "Cassette Exchange" between NDDHS French students and students in France. The cassettes will contain information about each student participating, with addresses enclosed for student correspondence. This will enable students to choose pen-pals. The exchange will be English-French practice for each.

Take care out there because you never know what will turn up in the snow.

## N. Russell WI

RUSSELL — The North Russell Women's Institute entertained members of the Leonard WI at their November meeting.

Guest speaker Mai Hwang discussed her experiences at Hay River in the Northwest Territories. Those present enjoyed a pot luck supper, and door prizes were drawn. The meeting closed with the singing of O Canada.

The next meeting, to be held Dec. 16 at the home of Mrs. Hugh Ross, will be a Christmas meeting.

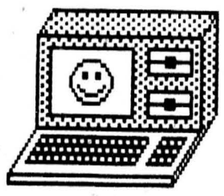
## Computer Corner



**REPORT TO MEMBERSHIP**
The executive reported to those members who attended the general meeting that all things were going well: the children's computer club, the courses, the enrichment courses, and the Winchester Public School usage. Interest is quickening, and the tempo is picking up. Often at club time all machines are in use. Operation by volunteers appears to be successful. The computer co-op, students from NDDHS are a great help.

**FACILITIES ARE STILL AVAILABLE FOR ADULTS**
More adults are using the facilities, but there are still facilities available. Even if you do not want to use the computers, drop in to see what is going on, or for a chat. Remember our commitment: if you have something that must be done, we will make facilities available regardless of the time of day, or what else is going on.

**MINI-COURSES**
Students are coming to Bill Pollock's computer enrichment courses from distant schools.

**WINCHESTER PUBLIC SCHOOL USAGE**
Most classes have time each week at the computers, or will have shortly. Some play educational games which drill them in some area of learning. Students in Special Education are given programs which meet their particular learning need. Laurie Summers is teaching a Grade 6 class in word processing and computer keyboarding.

**COURSES FOR GRADE 8, TIMOTHY CHRISTIAN SCHOOL**
Each week the 15 Grade 8 students receive two hours of computer instruction: Introduction to Computer Programming, one hour; and word processing and computer keyboarding, one hour.

**WHY NOT BE DIFFERENT THIS CHRISTMAS!**
Why not surprise your friends with Christmas cards or newsletters you designed yourself. Think how much more they will value it knowing that you thought enough of them to spend the time doing it. It is not hard to do. You use the PRINT SHOP program. You do not have to know anything about programming. All you have to do is choose the desired design item from a list. Besides the volunteer on duty will help you.

**GIVE A WDCD GIFT CERTIFICATE FOR CHRISTMAS**
What would be nicer than giving a computer den membership or a gift of computer time to your child, grandchild, your spouse, or a friend.

**RATES FOR ELEMENTARY SCHOOLS**
Up to Nov. 1 we had been giving elementary students free time regardless of the time of day to make up for club time lost during the time the den was closed. Now they are being charged the full student rate of $1 per hour for any other than club time which is free.

**SCHEDULE FOR NEXT WEEK**
We expect the schedule to remain constant. Remember that computer time is available on demand at any time of the day. Pin this schedule up for easy reference.

Daytime schedule: Monday, 3:30-5:30pm, Primaries, Grades K-3; Tuesday, 3:30-5:30pm, Juniors, Grades 4-6; Wednesday, 3:30-5:30pm, Intermediates, Grades 7-8; Thursday, 3:30-5:30pm, open time, all grades; Friday, 3:30-5:30pm, open time, all grades; Saturday, 9am to noon, 1:30-3:30pm, open time, all grades.

Evening schedule: Monday, 7pm, word processing course; Tuesday, 7-9pm, open time; Wednesday, 7-10pm, Appleworks course; Thursday, 7-9pm, open time; Friday, 7-9pm, open time.

Direct any enquiries to the Computer Den, 774-3749. If no answer, call Laurie Summers, 774-3002 or Bill Pollock 774-3901 (evenings or weekends).

# Pioneer members recalled at Vernon

by Isobel G. Lewis

VERNON — Vernon Women's Institute members were given an opportunity to look back at their past history during their Nov. 19 meeting held in the Community Hall.

A narrative entitled "Great Ladies of our Institute" was written and presented by Mrs. Isobel Lewis with the help of eleven ladies. Each took the part of an outstanding lady of the institute from its beginning in 1912 through 50 years to 1962.

Mrs. Heather Bellinger and Mrs. Isabel McDiarmid spoke as two charter members, Mrs. Phemia Fraser and Mrs. Eva Allen and in conclusion Mrs. Lillian Sayant took the part of the late Mrs. Muriel Acres and Mrs. Marjorie Bath told of herself and her early envolvement in WI work — both ladies came to Canada from England.

Mrs. Lewis paid tribute to the many ladies who have contributed so much. Several members of the historical society were present.

The Tweedsmuir Histories and other interesting books of institute history were displayed. President Isabel McDiarmid brought the group up-to-date with a fine report of the October area conference in the Talisman Inn in Ottawa.

In answer to roll call, members related anecdotes of their grandparents. Business included plans to cater to the Co-Op banquet, and to serve refreshments following the unveiling of the plaque to the late Alexander Rutherford at the Osgoode Township Museum on Nov. 23.

The lunch committee included Allison Campbell, Katie Campbell, Marjorie Bath and Christena Coppens. We are looking forward to our Christmas meeting on Dec. 10.

**PROTECT THOSE YOU LOVE**

Death is unavoidable, but it is possible to protect the bereaved from *unnecessary* suffering.

Prearranging and prepaying for your funeral saves loved ones from decisions and financial deliberations when they are already under great stress. Arranging now means *you* make the choices. And if you prepay too, the money is put in trust so that what you select today is paid for tomorrow. It's certainly worth thinking about.

**Prearranging is simply more thoughtful.**

## John Stephen Corbett

Retired businessman John Stephen Corbett, a resident of Morrisburg for 14 years, died suddenly Thurs., Nov. 14 in Morrisburg. He was 76.

Mr. Corbett, a former Montreal resident, was born May 24, 1909 in St. Thomas, Ont., a son of John Charles Corbett and Catherine A. Ryan. He married Katherine Nadine Harty in April 1940 at Kingston. Mrs. Corbett died in 1977.

Mr. Corbett is survived by daughters Katherine E. Burbank and Evelyn Giannini and sons John H. Corbett, William C. Corbett and Stephen J. Corbett, grandchildren Niles and Darcy Burbank and Mathew, Erica and Mark Corbett and sister-in-law Mrs. Elizabeth Nelles of Como, Que.

Mr. Corbett graduated in Electrical Engineering from Queen's University in 1933.

Mr. Corbett served from 1940 to 1945 as a Lieutenant in the 17th Field Regiment Royal Canadian Artillery, Fifth Canadian (Armoured) Division.

He was actively involved with the Dundas County CNIB, the SD&G Liberal Association (president), the Morrisburg and District Horticultural Society, the Morrisburg tennis and badminton clubs, the Morrisburg Arts and Crafts Association, the St. Mary's Church choir, and the Kingston Historical Society. He was a founder of the Canadian Locomotive Company Heritage Society and a patron of Upper Canada Playhouse.

Funeral services were conducted by Fr. James MacGillivary at St. Mary's Church in Morrisburg at 10am Mon., Nov. 18.

Pallbearers were Michael Osler, James Nelles, Charles Burbank, Niles Burbank, William Corbett and Stephen Corbett.

Interment was at St. Mary's Cemetery.

## H. Keith Graham

Former Chesterville Record publisher H. Keith Graham died at his home Wed., Nov. 13 after a lengthy illness. He was 74.

A resident of Chesterville for 38 years, Mr. Graham was born Aug. 24, 1911 in Inkerman, a son of Charles Graham and Margaret Allison. He married Helen Lacey, who survives, July 20, 1946 at Chesterville United Church.

Mr. Graham is also survived by daughter Mary (Mrs. Brian Blackwell) of Vancouver, brother Allison Graham of Chesterville and granddaughters Holly and Heidi. He was predeceased by sisters Aura Graham and Phoebe McQuaig.

Funeral services were conducted by Rev. L.M. Ferguson at Vice and Craig Funeral home in Chesterville at 2pm Sat., Nov. 16.

Cremation followed the service with interment in the family plot at Maple Ridge Cemetery.

## William James Lewis

William James Lewis, a lifelong resident of RR1 Iroquois, died suddenly Thurs., Nov. 14 at Winchester District Memorial Hospital. He was 71.

Mr. Lewis is also survived by sisters Mrs. Margaret Thompson of Iroquois and Mrs. Grace Robb of Howick, Que., and brothers Harold and Basil of Iroquois and Archie of Millar's Corners. He was predeceased by brothers Allan and Aubrey.

Funeral services were conducted by Rev. Allan Tysick at the Fairbairn Funeral Home, Morrisburg at 2pm Sat., Nov. 16.

Pallbearers were John Strader, Willis Markell, Lyle Casselman, Mac Smyth, Actil Lewis, and Francis Barkley.

Interment was at the United Church Cemetery in Dundela.

*High fashions for short people*

These youngsters survived their first experience as fashion models with flying colors Monday night. Fashions from Winchester's Kid Stuff store were displayed in a fundraising event for the village's Happy Face Nursery School. Local businesses donated door prizes for the event, and entertainment was provided by Carolyn's School of Dance. Back row from left are Jacqueline Lariviere, Danny Manely, Ryan Lariviere, Matthew Darling and Leslie Levere. Middle row, Craig Arsenault, Danny Pelkey, Alison Levere, Jennifer Mellan and Marissa McIntosh. Front row, Wendy McIntosh, Jason McIntosh, Carrie Lariviere, Tricia Cleland.

It's easier to face the crowd two at a time.

## Karen Rae, R.N.

Karen Rae, daughter of Willow Rae and the late Lyle Rae received word this week she was successful in passing her R.N. exams.

Karen presently is employed part-time at Winchester District Memorial Hospital.

## Correction

The table of election results for Osgoode Township in last week's Press showed an incorrect total number of votes for candidate Fred Alexander. The total should have read 1,358 and not 1,388 as shown.

# PROPERTY ASSESSMENT

## and your 1986 Municipal and School Taxes

Regional Offices located throughout Ontario are responsible for assessing all real property for the purposes of municipal and school taxation.

The resulting Assessment Rolls are delivered to municipalities which use them to set their mill rates and compute municipal property tax bills.

The amount of property tax you pay on your home or business depends on the assessed value and the mill rate set by your municipality. The assessed value multiplied by the mill rate will determine your 1986 property taxes.

### Open House Sessions

***Open Houses are your opportunity to fully understand your assessment and to evaluate its equity.***

Open Houses are held in every municipality at convenient times and locations, to provide you with the opportunity to discuss your assessment with staff of the Regional Assessment Office.

An assessor will be pleased to explain the basis of your property assessment and is authorized to amend any information as may be necessary prior to the delivery of the Assessment Roll to your municipality.

If you have any questions but are unable to attend the Open House, please contact your Regional Assessment Office at the address or telephone number shown below.

### Assessment Notice

Property owners and tenants will receive an Assessment Notice ***only if information regarding their property or assessment was changed during the past year, if the assessment was appealed last year, or if the property has been reassessed under section 63 of the Assessment Act.*** If you receive an Assessment Notice, it may reflect changes you have requested in your school support designation, in the amount of your assessed value, or other recorded information on last year's Notice.

### Appeal Procedure

If, after attending your local Open House, you are still dissatisfied with your assessment, you have a right to appeal it to the Assessment Review Board. The Assessment Review Board conducts informal hearings and is responsible for determining whether the assessment under appeal is fair and equitable with the assessments of similar properties in the vicinity or neighbourhood, and may alter your assessment accordingly.

### Appeal Deadline

***The final date for appealing your assessment is January 7, 1986.***

Your appeal must be forwarded, either on a Notice of Appeal Form or as a letter, to the Regional Registrar of the Assessment Review Board on or before January 7, 1986, noting your property address, Roll Number and the reason for the appeal.

To assist you in this regard, Notice of Appeal forms and the address of the Regional Registrar of the Assessment Review Board are available at Open Houses, your Regional Assessment Office, or your municipal office.

# Brinston hosts UCW Presbyterial

**BY Peg Campbell**

BRINSTON — On a "misty, moisty" morning, Wed., Nov. 13, 41 women gathered in Brinston United Church for the Seaway Valley Presbyterial UCW meeting. Brinston UCW ladies welcomed us with hot coffee and muffins. Joan Dennison and Betty Beckstead had a good selection of books, including Christmas material, to look through and purchase.

Phyllis Noble opened the meeting with a reading from "Worship for an Easter People".

Hulbert Valley UCW led us in worship. Edith Mellan, Marian Gilmer, Lila Fawcett and Marjorie Keyes led us through a Pilgrim worship which included "Our Native Land", "Pilgrims" hymn, Bible reading Judges 5:6-11, "Travel in Strange Places", and ended with "Life is Like a Mountain Railroad". Follow the good road with Jesus; know your destination, set your sights on it, and don't be sidetracked, was the message.

Muriel Eastwood conducted roll call which showed that the 41 ladies present could have been more, as many UCWs were not represented.

Treasurer Doris Begg stated that there are still a few histories left for sale.

Reports noted several vacancies on the executive now, with more places to be filled in September.

The rallies were reported on — all being worthwhile.

Enid MacDougall asked us to save all rectangular metal tabs from soft drink cans. Every 400 tabs will provide one dialysis treatment at Toronto Sick Children's Hospital. They are being processed through Martintown school.

Lorraine Cleary told the group about the bells that Edith Proctor had brought home from her trip to Korea. One is to be presented to each Presbyterial president in our conference.

The literature ladies have offered to take a book display to any UCW event. Contact Betty Beckstead if you would like to avail yourself of this offer.

Stewardship Chairman Phyllis Steele discussed various publications - Observer, Mandate, Faith in Action kits - all giving a great amount of information, answering to "I didn't know that". Peg Campbell, for communications, stressed again saving eye glasses and Campbell soup labels. The Mission Mobile is in Kemptville church for use in your area in November. A Presbytery newsletter is beginning. News items should be sent in each area. Overseas newsletters were picked up by those wanting one. Linda Kubelka spoke on a film "A Time to be Brave" which is available through Avel. There is a bulletin from Avel - a good sheet to check. She brought a Christmas program, "A Wreath of Christmas" for each UCW. Another good publication for program planning is "The Gathering".

Beginning after lunch, the afternoon was set aside for what was called "Where in the world have you been?" The ladies shared their experiences in various countries. They had been impressed by the stone walls and hedges of Great Britain, a water slide in Germany, the Passion play of Auberammergau, crazy driving in several countries, cranberry processing in Cape Cod, trees in cities of China, and the politeness of the crowds of China. They had visited Churchill's grave, and had an agricultural tour of Cuba, kissed the Blarney stone, seen the Magna Carta, and visited the now marked, formerly unmarked Archbishop's grave from the time of Henry VIII. One member told of her trip in the Holy Land. Though languages differed, she could communicate because "a smile is the same in any language".

Mrs. Noble then told us of her trip to Korea, how they had been received and what experiences they had had. With slides, she took us through the days, giving us a picture of life there. We had a chance to look through her display of books and articles, and a chance to try out the chopsticks. Mrs. Noble had enjoyed the cross-cultural experience with Korea, but was glad to be home again.

It was mentioned that there was still time to send in a 60th anniversary present for World Development and Relief Fund. A donation of $60 was suggested, but any amount is accepted.

Mrs. Noble closed with a "Thanks for a Peaceful Country". She said that it was her last meeting as president, and that she would be handing over the gavel to Linda Kubelka. She thanked the women for cooperation from everyone along the way.

Catherine Cunning gave the group's thanks to Mrs. Noble for her leadership over the past two and a half years.

The meeting closed with Muriel Eastwood thanking the Brinston ladies for their hospitality.

## *Boost for skaters*

Continuing in the tradition of supporting community projects, members of the Winchester Legion executive gathered last week to donate money to three good causes. Local girls will be happy to know the Legion has again paid for ice time for figure skating, in the form of a $1,125 cheque to Winchester Figure Skating Club president Sandra Rennison (second from left). Presenting the cheque for the Legion were, left to right, Betty Cooke, secretary-treasurer; Dwight Hutt, president; Wilf Summers, first vice-president; Duncan Levere, second vice-president.

## *Legion backs centre*

Funds continue to pour in for the Township of Osgoode Care Centre due to open in February. Realizing the service it will provide local residents, the Winchester Legion announced last week a donation of $5,000 for the centre, and an additional $3,000 for minor hockey in Winchester. Centre vice-president Ken Beek, second from left, accepts the donation from Legion members Betty Cooke, left, Dwight Hutt, Wilf Summers and Duncan Levere.

## *A good buy*

The Winchester Hospital Auxiliary bazaar last Saturday drew a good crowd of young and old, all of whom are getting ready for another Christmas. Auxiliary members Lilias Lancaster, left, and Arlene Davidson, right, manned a booth offering Christmas wreaths and here advise some youngsters on a good purchase. The event raised a total of $3,200 for the auxiliary.

# Auxiliary raises $3200 for hospital

WINCHESTER — The annual Winchester Hospital Auxiliary bazaar was held last Saturday with everyone coming out a winner.

Proceeds from the bazaar reached $3,200, which is down from last year, but still thrilled organizers.

"We're very grateful to all the people who came out," said the auxiliary president Rose Campbell. "We're down about $1,000 from last year, but last year the Cabbage Patch dolls were the rage and this year the excitement was wearing off.

"I guess we're a little behind the times on what is popular with the children. But we had a lot of people and the crowds came and went. You have to remember there were a lot of other things going on in the area."

Six raffle prizes were donated for the event and produced six happy winners. They included: Ina Crump, a pine cone wreath; Carol Royle, a floral centrepiece; Marjorie Johnston, a hamper of groceries; Doris McVey, a doll bassinet; Audrey Ennis, a Gund bear; Barbara Blair, a Rainbow Bright doll.

The bazaar served to get people into the feeling of Christmas and the president of the auxiliary wishes all who participated a Merry Christmas.

# Microwave demo for WI

METCALFE — The November meeting of Metcalfe Women's Institute was held at the home of Mrs. Jean Boland.

A microwave demonstration held in the Lions den, was well attended. A letter was read from Jane Cooper, Zimbahver, expressing her delight at receiving a second box of books from the institute.

Edith Van Der Linden, Kenmore, spoke briefly, urging people to attend the meeting in Embrun, supporting the plea for Ethiopia. Members signed a petition opposing a regional dump proposed for Osgoode Township.

The president, delegate to the area convention gave a concise, yet complete rerpot of the two-day event.

Mrs. Rotha Irven, convener of education gave a most interesting presentation.

Mrs. Kathleen Cameron assisted the hostess. The December meeting will be the Christmas dinner at the home of Mrs. E. Scharf, with donations to a local project.

Connie Armstrong was frozen in her tracks by an opponent's arm during last week's semi-final playoff action. Her team, North Dundas Devils, had the brakes put on their undefeated SD&G junior season, losing 44-33 to CCVS' Golden Raiders. Press Photo—Van Bridger

## Junior Devils miss SD&G title by 10 points

CORNWALL — Home court and 400 screaming supporters could've been two factors in the determination of SD&G's 1985 "A" Junior girls basketball championship here at CCVS last Thursday.

The visitors from North Dundas District High School were initially awed by the Golden Raiders' fan support and finally subdued by their ball handling and control.

North Dundas' endeavor to complete the 1985 SD&G Junior season as undefeated "A" champs fell 10 points short here as they lost for the first time (44-33) to the champion Golden Raiders in a sudden-death showdown of the right to carry SD&G Junior colors to this year's EASSA tournament.

"It was too bad we hadn't played any strong ball control teams during the season. It would have given us an opportunity to play that style of game," commented Devils' coach Chris Bowen following his team's only loss of the season.

He went on to say that Thursday's championship match was a "very close game. Actually a very good game."

The coach felt it was to his team's disadvantage not to have played CCVS before because it left them in the dark as to how to play the Raiders.

"They were a strong team. They had a very tall girl and they dumped the ball to her on the sides and she scored. We adjusted and held their top two scorers, Cokman (11 points) and Forrester (16 points), to three points in the final quarter, but they were holding the ball by then, just killing the clock."

North Dundas trailed by six (14-8) after a quarter and were down 24-16 at the half.

CCVS outscored Dundas 12-10 in period three to assume a 36-26 edge. The new champs hit for eight points, to the Devils' seven, in the final quarter and held on to take the SD&G title 44-33.

Coach Bowen said, "We got close, four or five points, at one point and then they controlled in the final period so we had to take fouls just to get possession of the ball and they converted four points from the line in the final minute or two because of it."

He also pointed out the fact the girls missed some foul shots (eight) and those shots converted would've certainly helped make up the difference, but overall he was very pleased with the team.

"I'm satisfied with the season and I'm sure the girls are happy, of course they are disappointed they lost, but it's great to have played well and made it a close game."

Megan Furuness, Rose Rombough with four points and Kerry Lynn Thompson hit for the Devils' first-quarter field goals as they trailed CCVS 14-8 at the quarter.

Rombough swished two more field goals and Thompson another while Cindy Cholowski hit for two in period two.

Rombough continued to have success from the floor in period three sinking six points. Connie Armstrong and Furuness hooped two points each in that frame.

Kerry Lynn Thompson dropped in four fourth-quarter points. Cholowski added two and Inga Matthiesen one.

Rombough led with 14 points, Thompson hit for eight, Linda Hamelin four, Cholowski four, Armstrong two and Matthiesen one.

Forrester paced the CCVS attack with 16 points. Cokman had 11 and Armstrong nine.

North Dundas' Junior Devils finished their 1985 campaign with 10 wins and no losses in league play. They won their semi-final match against La Citadelle Patriotes 58-41 and lost in the championship contest 44-33.

Overall they scored 548 points and allowed 319.

Coach Bowen says he will have a strong corps of returning players for next season, including this year's team-scoring leader Rose Rombough, who hit for 92 points in the regular season and 32 in two playoff games for a 12-game total of 126, eclipsing Tracey McVey's '84 Jr. team mark of 113 points.

Kerry Lynn Thompson who hooped 98 points in 12 games moves on to Nancy Wilson's Seniors as does Linda Hamlein (42 points), Jenny Lamb (42), Shannon O'Reilley (15), Inga Matthiesen (6) and Karen Milne (6

Connie Armstrong (70 points), Cindy Cholowski (72 points) and Megan Furuness (6 points) will form the corps of the '86 Junior Devils.

The NDDHS Senior picture looks bright for next fall as just four girls move off the roster, so with the additions from the Junior ranks coach Wilson also figures to have another good team.

*"AA" junior finalists*

North Dundas District High School's Junior Devils' basketball team posted a perfect regular season record of 10 wins and no losses. They eliminated LaCitadelle in a semi-final match but lost 44-33 to the 1985 SD&G "AA" junior champs from CCVS in a sudden-death game last week. Members of the '85 Junior Devils, front from left, coach Chris Bowen, Rose Rombough, Cindy Cholowski, Inge Matthiesen, Jenny Lamb, Shannon O'Reilly. ## Perfect tourney for Flyers

MORRISBURG — Williamsburg's Oldtimers Hockey Club presented a table full of silverware here on Grey Cup Sunday as five division champions were crowned in their first annual Oldtimers Hockey tournament.

Thirty-five games were played in four days of action and when the final buzzer had sounded Sunday evening five championship and five runner-up teams had received prizes.

In the Over 40 division it was the Dundas Flyers emerging as champs with a perfect round robin record with wins over Iroquois and Greely, and a tie with Chesterville. They went on to defeat Iroquois 5-1 in the final match. Gerry Devaney was deemed top goalie and "Little" Doug Casselman (both of the Flyers) named MVP.

The next playoff game saw a pair of Winchester based clubs, Harvex Hustlers and Winchester Old Hawks square off for the Over 30 consolation award.

Winchester won the game 2-1 on Reg Hyndman's winning goal. Don Griffith notched the other Hawks' marker while Phil Lyall replied for Harvex. Hyndman was named MVP in the game.

Hawks reach the game with a win over Matilda and a 3-3 draw with Osgoode. They also lost to Morrisburg Golden Knights in round robin play.

Harvex defeated Arctic Cats 5-1 last Wednesday, lost 3-2 to Spencerville Hotel on Saturday, but earned a berth in the "B" final with a 3-2 decision over Winchester Capitals Sunday morning. Pete McKay notched the winning goal in that game.

The undefeated over 30 division teams, Morrisburg Golden Knights and Spencerville Hotel, squared off in the 30+ final. The Golden Knights won the game 3-2 and had Pete Monast selected as top goalie and Nick Haramis named as MVP.

The tournament also featured a two division (eight team) Open division. Morrisburg Beavers thumped Arctic Cats No. 1, 9-1 to take the consolation trophy. MVP Ed Gove had one of the winner's nine goals.

Winchester based Limerick Linemen were the class of this section going through four games undefeated. They finished up with a 6-2 win over the Boucks Hill Boulders in the championship match.

MVP Darrell Shelp scored twice as did Mike Moran. Jim Whalen and Mike Guy added single goals for the champs.

Lineman-goalie Dan MacMartin received the top puck-stopper award.

Williamsburg's Oldtimers wish to thank the following sponsors of their 20-team event: Ault Foods Limited, Black's TV and Appliances, Craig's Electric, Sports Unlimited, Cruickshank Construction, Frank Ault, Labatt Breweries, The Pioneer Hotel, Sun Life Insurance and Morrisburg House of Carpets.

## Flames melt Packers' lead

CHESTERVILLE — Ault Foods Flames have melted the Winchester Cheese Packers' lead over them in the Winchester and District Industrial Hockey League standings.

The Packers fell into a second-place tie with Aults, losing 6-2 to the red-hot Flames here last Wednesday.

In the other contest league-leading Chesterville Nestle All Stars were held to a 2-2 tie by fourth-ranked Winchester Hydro. It was Hydro's first point in five tries.

Chesterville leads the circuit with seven points. Aults and the Cheese each have six and Hydro one.

Ault Foods led the Cheese 1-0 after a period on Pete Marriner's first goal of the game. They added four more in period two for a 5-1 lead and cruised to a 6-2 final.

Dale Simms cranked in two Ault goals and drew assists on two others. Pete Marriner fired in two goals and picked up one assist. Darrell Shelp and Don Simpson scored single goals. Curtis McMillan picked up three assists and now leads the scoring race with 15 points. Don Fawcett, Jim Pennock and Larry Moore drew single assists. Dan Hogaboam was the winning goalie.

Pete Nooyen and Mike Guy each had a goal and one assist for the Packers. Darren Kelly and Paul Nooyen also drew assists.

**FIRST POINT**

Winchester Hydro finally cracked the point column battling Chesterville to a 2-2 draw.

Hydro took a 1-0 lead on Chesterville when Dean McIntosh scored from Todd Collins and Marty Little at 9:05 of the first period.

McIntosh netted his second of the game on an unassisted effort at 9:19 of period two for a 2-0 lead.

Chesterville hit the scoreboard at 1:21 of period two when Pat Kelly beat Rob Carkner on a play set up by John Elgar and Wally Vandekemp.

The Stars got the tie with 13:16 left in the game. Blair Henderson tied the contest at two when he scored from Pat Imrie and Pat Kelly.

Rob Carkner played net for Hydro and Jim Hume tended the Chesterville goal.

## Winchester snaps Warriors' winning streak

WINCHESTER — Winchester Hawks snapped Russell's winning steak here Monday night, edging the Warriors 3-2.

Winchester's victory moved them into a tie for second place in the Upper Canada Minor Hockey League's Bantam B Division with Russell. Both clubs now sport three wins and two losses for six points. Metcalfe's Mustangs are undefeated and lead with eight points. Chesterville and South Stormont trail with no points in three starts.

Last Friday in Chesterville Russell slammed the Flyers 7-1. Tyler McKinnon lost his shutout in that game when Flyers' Andy Cotnam stole the puck from a Warrior defenceman and whipped a high wrist shot in past the Warrior goalie. That unassisted goal at 10:03 of the second period tied the game at a goal. The Warriors took a 2-1 edge at 4:50 of that period when Al Gregoire scored on a power-play set up by Faris Cornell.

They salted the win away, firing in five unanswered goals in the final period.

Alain Gregoire and Bill Bourguignon each had two goals and two assists for Russell. Ryan Heath and Eric Norris added a goal and an assist each. Jamie Paulhus scored once and set up two goals. Keith Cheshire (two), Richard Hemelin, Faris Cornell and James Morrow had the assists.

Last Tuesday at home in Russell Tyler McKinnon missed another shutout by a goal in the Warriors' 5-1 win over Winchester. Rhod Casselman netted the lone Hawks' goal when he scored at 11:06 of the first period while Russell was playing two men short.

Russell tied the game up at 10:54 of that first frame when Al Gregoire scored. They added two more in the second period and another two goals in the final period.

Keith Cheshire scored twice and drew two assists for the winners. Al Gregoire netted a goal and set up a pair. Bill Bourguignon and Chris Cousineau each potted a goal.

Hawks' Brad Holmes watched his shot deflect off of Mario Laroche's blocker and high over the Clarence Creek net. Hawks didn't get many good bounces in Friday's 3-2 loss. They fired 42 shots on Laroche, and just two went in. Saturday the Hawks dropped an 11-7 decision to the Rebels in Char-Lan.

## Weekend losses drop Hawks below 500

WINCHESTER — A heart-breaking 3-2 loss here Friday night to the Clarence Creek Beavers cost Winchester third place in the Alex English Junior B Division standings. An 11-7 setback in Williamstown Saturday night at the hands of the Char-Lan Rebels dropped the Hawks two games below 500.

The double losses strung the Hawks' winless record out to four games and although he isn't desperate, Hawks' head coach Tom Kirkwood is certainly looking for a victory. But a win may be difficult to find in this weekend's schedule as his Hawks host the division's highest scoring team here Friday (Nov. 29) as the second-ranked Char-Lan Rebels come in for a game. His club must then travel to Navan to take on the first-place Grads

He described Friday's 3-2 loss to Clarence Creek as a good game, but a tough one to lose.

Kirkwood said Saturday in Williamstown the team came out strong and played well. "They wanted to work and were playing well, but our defence was a bit weak. We had closed to within two goals (9-7) with three straight goals in the third period. But they stole the puck and broke our backs with their 10th goal."

Here at home Friday, Beavers' Marc Nadon scored a powerplay goal in the first period to make it 1-0 and hit on another man advantage situation at 9:51 of period three for a 2-2 tie.

Keith Moore deflected a Todd Brynes shot in at 3:30 of period two to make it 1-1 and then Chris Lynch increased Winchester's lead to 2-1 at 1:40, scoring from Kirk Barkley and Ben McIntosh.

Daniel Danis tipped in a pass from Guy Simoneau with 4:55 left in the game to make it a 3-2 final in the Creek's favor.

**11-7 REBS**

Hawks trailed Char-Lan 3-2 after a period and fell behind 9-4 in the second.

Brad Holmes and Mark Smith scored 10 seconds apart and Trevor McClatchie connected four minutes after those two goals to close the gap to 9-7, but the Rebs put one in at 11:56 and another at 10:23 of the third and won the game 11-7.

Kevin Poapst led the Rebels with five goals. Roddie McKenzie had three goals and two assists. Frank Sinfield scored once and set up four goals. Murray MacDonald drew five assists while Duane Spink and Garry Theoret each popped in single goals.

Mark Smith and Trevor McClatchie each scored once for Winchester and drew three assists each. Peter McGrath had a goal and two assists while Todd Byrnes scored once and assisted on another goal.

Kirk Barkley, Rene Bongard and Brad Holmes netted single goals.

Jeff Thompson, Scott Dexter, Keith Moore, Chris Lynch and Gary Klein-Swormink all picked up assists.

Grant Groves played the game in Winchester's cage. Jamie McGuire took Friday's loss.

Hawks lost captain Kevin Henry in Friday's game when he injured his shoulder and he was unable to play again Saturday night.

## Cochrane wins fifth straight

OTTAWA — Skip Bryan Cochrane and his Bryker Data Systems rink of Harry Adams, Bill Gamble and Ken Sullivan posted their fifth consecutive Ottawa Labatt's Major Curling League victory here Sunday, doubling Louis Daignault 4-2.

Cochrane took a 2-0 lead in the second end and traded off singles over the remaining ends to secure his fifth win against no losses.

He now leads the Metro circuit with an undefeated mark. Hugh Millikin of Royal Lepage is next with five wins and a loss. RCMP's Gerry Chartard has a 3-1 mark while Ron Diguer of Diguer Plumbing and Earl Morris of A-C Mechanical both sport three wins and two losses.

The final league action winds up on Dec. 17 with playoff slated for Dec. 29. The Labatt championship is worth $2,200 to the winner.

Although the Russell foursome was eliminated from the Red Anderson Memorial, they will go for a berth in the Tankard Zone One playdowns (Dec. 13-15) in Brockville when they meet Dave Stanley and Jim Gamble's rinks in an in-club competition (double knockout) in Russell on Dec. 8.

Cochrane feels his team should win their in-club event and go on to the zone playoff, where they stand a good chance of winning.

## Mustangs halt Pee Wees' string

WINCHESTER — Playing their second Upper Canada Minor Hockey League Level I Pee Wee game of the season, the Metcalfe Mustangs were able to halt Winchester Hawks' undefeated string at three games here Monday night.

Metcalfe, defending UCMHL Level II Pee Wee champs, moved up from the league's "B" division on the weekend and opened their first "A" season, posting an impressive 7-2 decision over the Ramparts in Prescott.

They extended their win streak to two games here Monday night, nipping the Hawks 1-0.

Scott Reaney took a lead pass from Chris Wynn, broke in behind Winchester's defence at the Hawks' blueline and beat Craig Lyon for the only goal of the game.

Both Lyon and Metcalfe's Derek Burger played strong games in their respective cages with Lyon pulling off several big saves, one on a third-period break-away.

Hawks were without a couple of big wingers, Dave Harper and Jason Thompson, who were out with the flu, so they recalled Chris and Tony Holmes from the Level II Hawks for the contest.

## Frankly speaking

by Frank Morgan

**IT'S BEGINNING TO LOOK A LOT LIKE CHRISTMAS**

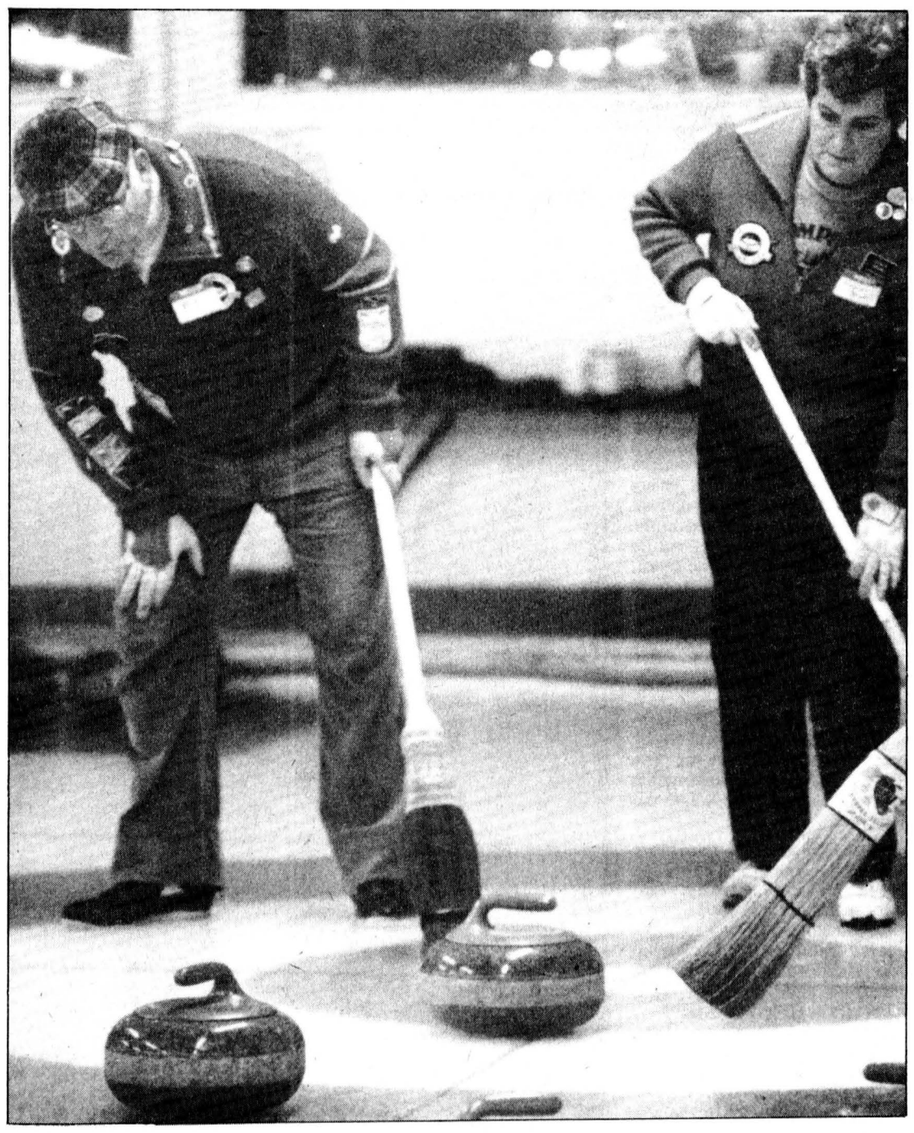
Yes, it has rolled around to that time of year again. The downtown stores are all stocked and the twinkling lights have been added to decorate the shop windows. Old Santa is scheduled to arrive next Saturday, and of course, a big parade has been planned to welcome the 'Old Gent'. After all, Christmas is less than a month away. This Saturday we have our first Christmas party in the hall with Winchester Cheese employees holding their dinner and dance. Next Saturday has been reserved for the hospital staff and then the Hydro come in for their party on Dec. 14. Santa has planned his annual visit to the children of Ault Foods on Sun., Dec. 15 then Ault Foods' adult party on Sat., Dec. 21 ends our Christmas parties at the hall for another year. The Hawks have a pub night planned for this Friday with Mojo supplying the music. Next Friday night the RA will be sponsoring the activities upstairs and then on Dec. 20 another Hawks' Booster Night for the teenagers is planned. Metcalfe Jets play here on Sun., Dec. 22 and the RA has a Christmas party planned for the afternoon. Hawks bring back Mojo for adult dancing on the 27th and what do you know, it's time for the Lions' big New Year's Eve party. Do you have your tickets yet?

**FOUR STRAIGHT LOSSES HAVE HAWKS' COACHES THINKING**

Hawks have had two poor weekends coming up with a blank on the point standings and for two new coaches it would be a dilemma so what would you do? It surely isn't time to push any panic buttons and two of the four losses were only one-goal affairs, but that fact doesn't help when you are trying to maintain a point standing. Although the team holds a respectable 11 points which keeps them well in the race when one examines the goals for and goals against totals, it may give a clue to where any problems with the team may lay. Hawks have scored 69 goals, six more than first-place Navan and second only to Char-Lan who have netted an amazing 90 goals in this young season. Moore, Barkley and Bongard are in the top 10 scorers in the entire league so that looks very good for offence, but now we look at the other side of the coin defence. Hawks have allowed 72 goals against with only Alexandria's 77 beating them out of the worst record in the league. What do you do, fire the goaltenders or kick defencemen all over the arena. Well I'm sure that this is not the solution they have not looked that bad in most games. Often it is a matter of a letdown with the entire team when the wingers don't skate back, or a puck is given up instead of being frozen or maybe a complete change in bringing it out of your own end is needed. Tom and Al have played a lot of hockey and I'm sure that they will be trying something to cut into those defensive figures. Char-Lan is here this Friday night and the team plays first-place Navan on Sunday, a couple of wins would turn things around and would be a great confidence-builder. Come out and add your needed fan support.

**FIGURE SKATERS HOLDING SKATE-A-THON THIS THURSDAY**

Twenty-two young ladies have been asking for sponsors this week for a Thursday night skate-a-thon to raise some much-needed funding. It costs a lot of money for ice time and instruction, so if asked, do your best with your support.



Skip Lloyd Bildson, left, and opposing vice Eunice Munro survey the situation during the opening round of Saturday's Grey Cup Bonspiel at the Winchester Curling Club. Bildson and Gerald Holmes tied at seven but Bildson took the match five ends to three. Holmes captured one game high honors and Bildson was runner up to 'spiel champ Bob Bailey.

# Bailey wins Grey Cup 'spiel

WINCHESTER — Bob Bailey's rink kicked off the Winchester Curling Club's in-club bonspiel season here Saturday, romping to victory in the annual Grey Cup spiel.

Bailey, skipping Helen Bartholomew, Al LaPierre and Kim McInnis, won both draws and earned a first-place total of 31 points to become cup champion.

He opened with an 18 point, 10-5 win over Dave Levere and added another 16 points in a 9-4 decision over Gary Munro's foursome.

Spiel referees needed to put their tie-breaking formula into play when determining the number two and three-place finishers.

Both Lloyd Bildson's rink of Debbie Smith, Don Levere and Wanda Blair and Ron Workman's team of Caroll Fraser, Charles McGregor and Nancy Clement wound up with a total of 29 points. The runner-up prize went to Bildson for his total of 11 ends. Workman had won nine in two games.

Bildson claimed 11 points and five ends in a 7-7 draw with Gerald Holmes and 18 points in a big 11-2 win over Ran Wylie.

Workman gained his 29 points in a 14 point, five-end decision over Keith Wagner and a 15 point 10-5 win against Don Morrison.

Gerald Holmes, skipping Eunice Munro, Grant Levere and Aleda West, tied Bildson 7-7 and won 9-3 over Keith Wagner in the second draw to claim one-game-high honors. His five end, 17 points earned the one-game-high prize.

Ran Wylie and his squad suffered through two losses and arrived at the prize table as low ball team with just five points in two matches.

Spiel chairman Nick Zrymiak said the 12 team, two-game format worked extremely well and thanked the volunteers for their help and the curlers for supporting the event.

# Sarault scores hat trick

WINCHESTER — Richie Sarault scored three times and picked up one assist here last Thursday to help the Pee Wee C Hawks to a 9-1 UCMHL victory over the visiting Morrisburg Lions.

Hawks opened up a 4-0 first-period lead on markers by Chris Oldford, Billy Darraugh, Bruce McLean and Brett Richardson and upped it to 6-0 on second-period goals by Sarault and Greg Bell.

Sarault finished his hat trick with a pair of third-period goals and Bruce McLean added the other, his second of the match.

Richie Sarault scored three goals and added an assist for the Hawks. Billy Darraugh had two goals and three assists while Bruce McLean netted two goals and helped out on two others.

Chris Oldford scored once and drew three assists. Greg Bell had a goal and one assist. Brett Richardson scored a single goal. Jamie Levere and Cory Coons each picked up an assist.

Shealynn Summers missed her first shutout by one goal.

# Petite C's top tourney with 4 wins

METCALFE — Metcalfe's Petite C level ringette team sported the best win-loss record at the fourth annual Gloucester Sportsmanship Tournament over the weekend.

Blackburn took top honors as the gold medal winners for collecting the most sportsmanship points in the event.

Metcalfe posted the best win-loss record and took the silver medal for the best games record. Orleans grabbed the bronze for finishing as runner-up to Metcalfe.

Metcalfe went undefeated in three round robin games edging Leitrim 9-8 Friday night, nipping Orleans 4-3 Saturday morning and downing North Gloucester 7-5 Saturday afternoon.

They turned around and faced Orleans again in Sunday's championship game and trimmed their opposition 13-4.

Shannon O'Brien, Julie Korteweg and Krista Benson led Metcalfe's offence while Leslie Morris anchored the defence playing solidly in nets.

Metcalfe's Petites play under the direction of coach John Lauder and assistant Marion O'Brien and compete in both the Ottawa-Carleton and Gloucester Ringette Associations.

# Hoogeveen pair lifts Finch over Crysler, Ormond scorers hit 13

WINCHESTER — Jack Hoogeveen's second goal of the game at 17:31 of the second-half staked Finch D&F Foamers to a 3-2 decision over Crysler in one of three Winchester and District Broomball League games here Sunday night.

In the evening's other games Dan McDiarmid, Bill Robinson and Doug Sloan hit for hat tricks as Ormond Cloverdales pounded Winchester Raiders 13-2.

Dunbar Panthers blanked Newington 6-0 in another contest, but the game between Toyes Hill Roadrunners and Morewood wasn't played.

Henry Pynenburg's unassisted goal at 8:41 of the first period gave Finch a 1-0 lead over Crysler. He then assisted on Jack Hoogeveen's first goal at 3:47 of the opening session made it 2-0, Finch.

The same combination, Hoogeveen and Pynenburg, teamed up at 17:31 of the second half and scored Finch's third and winning goal.

Crysler made it a close game with a pair of second-half markers. John Hopmans and Michel St. Pierre notched the markers on assists by Theo Heerfkens and Pierre Lafrance.

Wayne Pitt posted the shutout in Dunbar's 6-0 decision over Newington. The Panthers' victory moved them into a second-place tie at 14 points with idle Morewood. Ormond leads with 16 and Finch holds down fourth spot in the "A" Pool with 11 points.

Laurie Blanchard scored from Frank Heerkens at 21:01 of the first half, scoring what would be the winning goal. Gary Gallinger then hit from Larry Gallinger with 6:45 left to make it 2-0.

Blanchard scored again at 20:41 of period two to make it 3-0 and that score held until the 9:11 mark when the Panthers started a three-goal binge as John Labelle, Frank Heerkens and Lynn Whitteker all connnected to make it a 6-0 final.

Laurie Blanchard scored twice for the winners. Lynn Whitteker and John Labelle pumped in single goals while Frank Heerkens and Gary Gallinger each had a goal and one assist.

Ormond had a field day in their game against winless Winchester Raiders scoring 13 times in a 13-2 victory. Doug Sloan, Bill Robinson and Dan McDiarmid all hit for hat tricks in the one-sided game. Ian Linton added two goals and four assists while Tony Vanderlaan and Jim McDiarmid each fired in single goals.

Dan McDiarmid set up five goals, Linton four, Robinson three, Tony Vanderlaan one and Brent Taylor one.

S. Shultz notched both Raider goals.

# Russell comes up short on the road

RUSSELL — It was a rough week for the Russell Lions as they dropped a pair of Eastern Ontario Junior C Hockey League road games, losing 6-1 last Thursday in Finch and 8-4 Friday in Embrun.

The Lions will be looking to snap their recent losing string here at home this Friday (Nov. 29).

Goals by Denis Landry at 3:59 and Bernard Grady at 4:38 put the 86's crew up 2-0 in the first period of Thursday's match. Rob Melenhorst's unassisted goal at 7:09 split the difference at 2-1 and came with two Finch players and one Russell skater serving minor penalties.

Steve Tait's marker at 1:15 of period two increased North Stormont's lead to 4-1.

George Michels at 3:45, Denis Landry at 4:42 and Steve Tait's second goal at 6:51 of the final period, put the home team ahead to stay at 6-1.

Russell took nine and the 86's 13 mior penalties in the game.

Richard Gauthier missed the shutout by a single goal and Doug Meldrum suffered the Lions' loss.

Last Friday night in Embrun the Lions couldn't stop the 72's potent offence and were defeated 8-4.

Embrun scored four unanswered goals in the opening period, erasing Russell's opening goal.

Chris Laviolette scored from Shawn O'Reilley and Paul Cochrane 1:29 into the game, but Louis Lafortune tied it at a goal at 9:20. Alain Lapointe them hit for goals at 10:53 and 12:02 to open up a 3-1 Embrun lead. Dave Clement connected at 13:30 for a 4-1 edge before Russell's Chris Laviolette hit for his second goal to make it 4-2 at 14:11.

Bob Goodman drew the assist on Russell's second goal.

Shawn O'Reilley scored from Laviolette and Paul Cochrane at 3:34 of period two and Cochrane hit on a relay from Brian Johnston at 7:03, closing the gap to 5-4 after two periods, but Embrun cruised to an 8-4 final, firing in three unanswered goals in the final period.

Louis Lafortune and Alain Lapointe each had two goals and one assist for the winners, but Dave Clement led Embrun's point-getters with five (two goals and three assists). Brad Spooner and Ivan Clement each picked up a goal and one assist and Brent Gilliland earned a pair of assists.

Chris Laviolette clicked for two Lions' goals and one assist while Paul Cochrane scored once and set up two others.

Mario Lapalme registered the win and Wayne Paquette suffered the setback.

Russell took 13 minor penalties and Embrun picked up eight.

## Atom Hawks tie, beat Brockville

WINCHESTER — Brockville Warriors needed a pair of third-period goals here Monday night to salvage a single point from a two-game Upper Canada Minor Hockey League Atom Level I series with Winchester.

Last Thursday night in Brockville, Winchester skated to a 4-2 decision over the Warriors, but here Monday night the visitors erased a 4-2 Hawks' lead with a pair of third-period goals and split the points in a 4-4 draw.

The A Hawks have now won five and tied one of their six UCMHL Atom A games.

The first period of last week's match in Brockville was scoreless, but the Hawks took a 2-0 second-period lead. Troy McNaughton scored from Jason Ouellette and Cody Mayoh at 14:00 and then Tim Freeland put in a Matt Gordon relay at 8:55.

Darrell Bloom netted the winning goal, scoring from Ouellette and McNaughton at 11:10 of period three.

Brockville bounced back on markers by Shane Mahoney and Andy McIntosh to narrow the lead to 3-2, but Kevin Williams took a pass from McNaughton and Trevor Barkley and pumped in an insurance goal with 4:20 left to make it a 4-2 final.

Here Monday night the Hawks led 2-1 after a period and 3-2 after two frames. Darrell Bloom hit from Aaron Sherrer at 10:22 of the final stanza, opening up a 4-2 Winchester lead, but the visitors stormed back and scored at 9:19 and 7:33 to salvage a 4-4 tie.

Darrell Bloom had a goal and one assist for the Hawks. Troy McNaughton, Matt Gordon and Kevin Williams fired in single goals.

# Loss shaves Flyer lead to one

WINCHESTER — Reg Hyndman's goal with 17:34 left in the game proved to be the winner as the second-ranked CountryBoy Blazers skated to a 3-2 decision over the first-place Aqua Fun Flyers last Tuesday night.

CountryBoy became the first team to defeat the defending Winchester Town Hockey League champion Aqua Fun squad and in doing so moved to within a point of the first-place Flyers.

In the nightcapper Fridgen-Filion Raiders won their second consecutive game, defeating Country Kitchen Kings 7-3. The victory moved the third-place Raiders three points up on the Kings and to within three of the Blazers.

Aqua Fun took a 1-0 lead on CountryBoy as Dick Christie scored the first of his two goals at 1:33 of the first period. Richard Gilmer and Phil Lyall assisted on the marker.

CountryBoy tied the game up at one when Ken Quaile scored on a play set up by Pete Filion and Dan Lecours at 18:46 of period two.

The game remained deadlocked at a goal until the opening minutes of period three. CountryBoy struck twice in the first three minutes of the frame to open up a 3-1 edge. Pete Filion made it 2-1, scoring from Ken Quaile and Marty Little at 18:24 and Reg Hyndman connected from Owen Shortt and Dale Hutt at 17:34 to open up a 3-1 gap.

Aqua Fun closed the gap to 3-2 at 16:19 when Christie scored from Gilmer, but that is as close as they could make it and the Blazers held on for the one-goal victory.

Steve "Bear" Johnston posted the victory and Kevin Baldwin suffered his first setback.

**RAIDERS WIN SECOND**

Defenceman Brian Dalgleish scored once and drew four assists to lead Firdgen-Filion Raiders to their second win in as many weeks and second victory of the year, as they downed the Country Kitchen Kings 7-3.

Steve Plummer, Brian Dalgleish, Richard Cayer and Jamie Utman cranked in first-period markers to give the Raiders a 4-0 edge. Brian Condon blinked the red light at 6:21 of period two for a 5-0 lead and it wasn't until the five-second mark of that frame that the Kings counted their first goal. Larry Moore spoiled Dan MacMartin's perfect game knocking in a Don Crowder rebound.

Grant Levere floated in a long shot at 16:23 and Perry Marriner batted in his own rebound with 1:21 to play to round out the Kings' scoring. Moore and John Ralko assisted the Levere goal while Dave Kerr and Rick Cowell helped out Marriner.

Paul Beckstead at 8:15 and Steve Plummer at two minutes accounted for the Raiders' third-period goals.

Steve Plummer led the winners with two goals and two assists. Brian Dalgliesh had a goal and four assists and Jamie Utman a goal and two helpers. Brian Condon, Richard Cayer and Paul Beckstead fired in single markers. Randy Docksteader earned three assists.

# Holmes puts Jets in third

METCALFE — Jets' captain Peter Holmes scored both goals here Friday night to lead the Metcalfe Jets to a 2-1 Alex English Division Junior B hockey victory over the Vanier Senators.

Jets' coach Peter DeRooy says Holmes is playing great hockey right now and also pointed the defenceman, Glen Stefureak, as another man in the line-up leading the team.

"Pete (Holmes) is playing really well right now and Stefureak (Glen) is leading our defence, both are playing good hockey," the coach said.

DeRooy says the 2-1 win over the division's last-place team was a good, quick, clean game. "We took four minor penalties and they had seven. The game went fast."

He felt his team should've won by a bigger margin, saying they were missing four players, two of whom went into the ditch enroute to the Metcalfe arena. "Kevin Downey, Robin Hughes, Gary Poirier and Barry Taylor all missed the game."

"We outplayed them and had plenty of chances, but couldn't score, we'll take the two points," DeRooy said.

Those two points moved Metcalfe into sole possession of third place at 13 points, three back of second-place Char-Lan Rebels and five behind league-leading Navan.

Winchester dropped two points behind the Jets and one behind Clarence Creek losing games to the Clarence Creek (3-2) and Char-Lan (11-7) over the weekend.

Vanier took a 1-0 lead on Metcalfe here Friday when Frank Simon scored from John Yablonski and Rob Fontaine with 1:34 left in the first period.

Pete Holmes deadlocked the tight-checking contest at a goal when he notched the first of his two goals at 18:32 of period two. Glen Stefureak and Jeff Hope helped set the play up.

It remained tied at one until 15:04 of the third period when Holmes stormed back up ice and fired in a Glen Stefureak relay to win the game 2-1.

Both Jets' Sean St. John and Senators' Pierre Labelle played in their respective cages.

Metcalfe will try to open up some room between themselves and fourth-ranked Clarence Creek in a home-and-home series with those same Beavers.

The Beavers are in Metcalfe this Friday night (Nov. 29) for a 8:15pm contest. Sunday the Jets battle the Castors in Clarence Creek at 2pm.

# Hawks win on Stevens' hat

METCALFE — Willis Stevens' three second-period goals staked Pete Nooyen's Hawks to a 5-2 Metcalfe Town Hockey League victory over the Whalers here Sunday morning.

In the league's other matchup Jeff Stanley and Doug Harvey each fired in a pair of goals, leading the Bulls to a 6-2 decision over the Bruins.

Those results left the Hawks and Bulls in a first-place tie atop the MTHL standings at 14 points apiece. Bruins dropped four off the pace and the Whalers are still trying to harpoon their second victory of the season.

Hawks took a 1-0 lead on the Whalers at 9:58 of the first period when Steve Wade connected from Doug Hicks and Dan Crerar.

Willis Stevens then went to work and constructed a 4-0 lead on three unanswered markers. He made it 2-0 on an unassisted play at 4:24, upped it to 3-0 at 2:25, scoring on a pass from Pete Nooyen and made it a 4-0 game at 1:38, finishing off another play set up by Pete Nooyen.

John Karn scored from Bruce Carson with just 25 seconds left in period two to close the gap to 4-1.

Whalers edged a littler closer (4-2) at 13:35 when Bob Joyce hit from Keith Benn and Dan Morris, but Mike Stanley salted the Hawks' win away when he whipped in a Dan Crerar rebound with just 49 seconds showing on the clock to make it a 5-2 final.

**BULLS BY FOUR**

Bulls opened up a four-point cushion on the Bruins, downing the Bears 6-2.

They grabbed a 2-0 first-period lead on goals by Jeff Crerar and Blake Morrison. Crerar scored from Bob Dewan and Neil Quinn at 9:27 and Morrison hit on a relay from George Nesbitt at 7:14.

Tyrone Franey slashed the Bulls' lead to a goal (2-1) when he scored from Phil Quinn at 8:52 of period two, but the Bulls' Jeff Stanley fired in his 11th and 12th goals at 5:53 and 1:03, opening up a 4-1 Bulls' lead.

John Vandentillaart made it 4-2 on an unassisted play at 14:44 of period three, but once again the Bulls charged into a big lead, scoring twice. Doug Harvey collected both goals, scoring unassisted at 13:54 and again from Jeff Stanley at 2:31.

# Figure skating costs up

WINCHESTER — With ice time worth $45 an hour this season and their weekly ice time bill totalling $495 members of the Winchester Figure Skating Club are working to keep their organization on an even keel.

They report their luncheon and bake sale held recently was a success and the profit realized from it will go towards meeting their expences.

A few years ago the Winchester Figure Skating Club didn't have to worry about their remaining deficit at the end of the year. The village of Winchester took the responsibility of the minor sports deficit, but since that time, the situation has changed and now both minor hockey and figure skating are responsible for their own ice time.

The budget for the 1985-86 season reaches approximately $14,000. Registration comes to about $6,000. The club also receives subsidies from the village of Winchester, Winchester and Mountain Townships, as well as monetary donations from the Winchester Legion, Winchester and Mountain and District Lions Clubs. Money received from the Winchester Legion is applied against the cost of ice time, while the Lions Club's donation is usually used for a special event, or to buy trophies and plaques for end of the season events.

The executive of the club, or any club or organization, for that matter, do not undertake fund-raising, because they are greedy or anxious for extra work. They do it, because it's necessary to keep the organization functioning. By actual fact, it is almost necessary to have a fundraising event every month. The power skating program and a luncheon served for out of area skaters, were two events, which took place in October and early November.

Through the generosity of the Winchester and area merchants, by way of advertising, the club is preparing a book called "Skating Memories". This book will be mainly for the purchase by a skater, or relatives and friends of club members, as it is suitable for a gift.

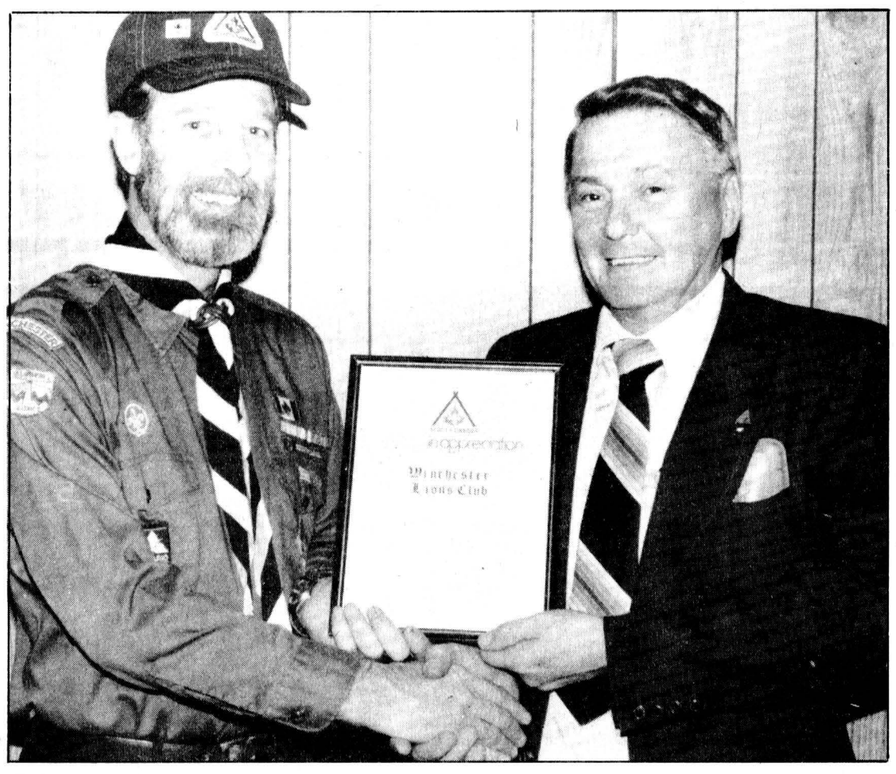
Senior WFSC Skaters and Can Figure Skaters are holding a Skate-A-Thon on Thurs., Nov. 28, from 5:30pm to 6:30pm. If you have been asked to sponsor a skater the club hopes you will give him or her a bit of support.

For general information it costs a three and four-year-old beginner $2.50 per week to skate; five, six, seven and eight-year-old beginners, $2.76; elementary and basic, $3; Novice I, II, III and IV, $3.26; Can Figure Skaters, $3.76; Seniors, $7.56. These amounts are very small, compared to other sports, if the child took part in them every week.

WFSC executive and skaters, owe a great deal of thanks to the club's amateur coaches, who teach the Can Skate children. A professional coach to work with these children would cost the organization somewhere between $14 and $24 per hour, depending on his or her qualifications and experience. Professional fees to cover the work amateur coaches do, would definitely raise the budget.

Some parents have suggested the club raise the registration to cover fundraising. However, club officials feel that would make the registration fee high enough that some people would be unable to afford it.

Therefore, the executive will try to come up with new fundraising techniques and as an executive feel a need to provide programs for your children to participate in and will appreciate your continued generous support in that endeavor.



*Lions share*

Winchester Lions Club president Bob Porteous accepts a certificate of appreciation from Scout leader Fred Rodney in recognition of the club's donation to the Scouts' St. Lawrence District Council Property Fund. The Winchester Lions were the first organization to respond to the appeal for donations toward the project to develop a 27-acre camp in Mountain Township.

# Electric trounces Smokies 7-1

SOUTH MOUNTAIN — Derrick Patterson and Jeff Cabana each scored three times, leading S.M. Electric to a 7-1 victory over Mountain Township Fire Department Smokies here Monday night.

In the other Mountain Township Floor Hockey contest Lions Club remain undefeated league-leaders defeating W.I. 7-3.

S.M. Electric's victory improved their record to two and three and moved them into a tie for second place with W.I. They each have four points, six back of undefeated Lions and two better than fourth-ranked Smokies.

Chris Faulkner and Derrick Patterson each scored in the first period to put S.M. Electric up 2-0. Jeff Cabana and Patterson clicked for second-period markers, improving S.M.'s lead to 4-0 after two periods.

Cabana scored unassisted at 7:42 of the final period and then assisted on Patterson's third goal at 11:10 to make it 6-0 and then Faulkner set up Cabana's final goal at 17:15 for a comfortable 7-0 lead.

The MTFD Smokies finally hit the scoreboard when Joe Patterson scored unassisted with two minutes left in the game.

**LEVERE NETS THREE**

Jamie Levere fashioned a hat trick helping the Lions to their fifth consecutive win, a 7-3 verdict against the W.I.

He opened the game, scoring at 7:20 of period one and then scored again at 13:24 of period two to hand his team a 5-3 lead. Levere drew an assist on Brent Crowder's marker at 12:16 of the final frame and finished off the game with his third goal at 14:12.

Levere led the Lions with three goals and an assist. Brent Crowder fired in a pair of goals while Billy Berube and Shannon VanBridger each scored once.

Dave Tremblay netted a pair of second-period goals for W.I. to make it close at 5-3. Shane Nichol scored his team's first-period goal getting assistance from Mike Fisher.

# Senior Novice Hawks better statistical record

WINCHESTER — Victories over Cumberland, Morrisburg and a 1-1 tie with Osgoode-Rideau highlighted last week's Senior Novice schedule.

Matthew Robinson scored the Hawks' only goal in their 1-1 tie with Osgoode-Rideau in Manotick. He connected at 8:49 of the second period to give Winchester a 1-0 lead, but the home team scrambled back and tied the game up at 4:07 of the same frame on an unassisted goal by Brent Wiebe.

Here on home ice on Saturday the Hawks bombed the Morrisburg Lions 9-1.

Clint Hedge and Ricky Mayoh shared the goaltending duties and lost their bid for a perfect game when Tim Cordes opened the game at 12:37 of period one.

The Hawks tied it up on Brent Barkley's goal at 7:18 and went ahead 2-1 when Clinton Holmes notched the first of his three goals.

Winchester added three goals in the second period and four in the final period to take the 9-1 decision. Clinton Holmes scored twice for the Hawks. Andrew Holmes supplied two goals. Adrian Pancirov, Craig Halpenny and Brent Barkley finished off the scoring. Matthew Robinson (three), Tim Shrigley (two), Matthew Cotton (two), Barry Bell (two) and Craig Halpenny all earned assists.

Cumberland Blues gave the Hawks a real run for their money here on Grey Cup Sunday, but Winchester pulled out a 7-6 victory when Brent Barkley scored the winning goal from Clinton Holmes and Barry Bell with just 3:02 left on the clock.

Andrew Holmes and Tim Shrigley led the Hawks' attack with two goals and one assist. Clinton Holmes banged in a goal and drew two assists. Brent Barkley and Mark Lynch each fired in a goal. Matthew Robinson (three) and Barry Bell picked up assists.

## Spills bill on its way

For the most part, the deeper implications of the Ontario government's so-called Spills Bill have been overlooked in the rush by the newly elected Liberals to have the bill enacted into law.

Protection of our environment is a laudable goal — but it should not be accomplished at the cost of legislating out of existence some of the basic rights of Ontario citizens.

The bill, to be proclaimed this Friday, makes the owner of a hazardous substance assume absolute liability for any costs associated with a spill of that substance, even if the spill is the sole result of actions by another party. If a trucking company's actions lead to the dumping of a toxic chemical on a highway or in a river, it is the owner of the substance, not the trucking company, who will find himself responsible.

Members of the Ontario Federation of Agriculture expressed concern this summer that the contents of the bill could have far-reaching implications for farmers, who must handle pesticides, fertilizers and other chemicals on a regular basis. Environment minister Jim Bradley has assured farmers that insurance is available for claims resulting from spills. But the actual wording of what constitutes a spill under Part IX of the Environmental Protection Act has yet to be made clear. Until that is done, the cost of spills insurance will be impossible to determine.

Although it will not take effect until this Friday, the spills bill was proclaimed into law July 5, just nine days after Bradley was sworn into office. It had received its third reading in the legislature in December, 1979, but was then put on a back burner until the new minister took office and decided to give passage of the bill top priority.

Bradley previously made a commitment to give industry at least two months to analyze the final regulations of the Spills Bill and to arrange for liability insurance, but this has not been carried out.

The principle of fairness should not fall by the wayside in the scramble to enact tough environmental legislation.

## 1935

The annual meeting of the Winchester Town Hockey League was held this week where a new executive was elected. Heading the league under honorary president D. Melvin are Leroy Boyd, president, M.E. McIntosh, first vice-president, Gordon Johnston, second vice-president, Herb Watson, secretary-treasurer. J.J. Gray and J.L. Dixon are executive members. A report from the treasurer indicated that the finances of the league are in excellent shape, there being a balance of $55.42 left from last year's activities.

The amount of creamery butter produced in Canada during the first nine months of 1935 was 194,704,168 pounds, compared with 191,356,694 pounds produced in the same period in 1934. It represents an increase of 1.7 per cent.

## 1945

A meeting of hockey supporters was held in the municipal hall last week where a new slate of officers to run the Winchester Hockey Club was drawn up. Walter MacDonald is president of the club, with Stewart Anderson and Isaac Duncan as vice-presidents. Herbert Watson will serve as secretary-treasurer and Ralph Walker will be business manager. Ken Ault, Karl Guy and J.L. Dixon are executive members, while Reg Workman and Gordon Fader are team representatives.

Contests are shaping up for the top position on Winchester council in the upcoming municipal elections. For reeve, Albert Turner, W.C. MacDonald and W.L.J. Boyd will be running.

## 1955

Annettie Holmes and Eileen Arbuthnot, valedictorians of the Lower and Upper School's graduating classes at Winchester High School, have been given the annual award of the Reader's Digest Association for students who, by their successful school work, give promise of attaining leadership in the community, school principal J.H. Willard announced this week.

Village clerk C.R. Robinson announced at the nominations for municipal candidates last week that the village's population has increased since the last assessment and now stands at 1,307. The previous figure showed a population of 1,277.

## 1965

Marion McMillan of Chesterville was installed as Worthy Matron of Winchester Chapter No. 310 of the Order of the Eastern Star, with impressive ceremony conducted by Sister Agnes Young of Toronto, the Past Worthy Grand Matron of Ontario, when the installation of officers was held at Henderson Hall last week. Norma Casselman, Past Worthy Matron, was honored by members of the chapter with the presentation of the Past Matron's Jewel.

School construction in Winchester Township could hit a peak next year with tentative approval for two projects from the Ontario Municipal Board. The township is currently subscribing for debentures for the construction of a central public school and a 21-room addition to North Dundas District High School. The proposed six-room school located on property across from the high school would effectively close most of the one-room schools in the township.

## 1975

The Canada Cord, the highest award in Guiding, was presented to Pamela Smit in a triple cord ceremony in Russell last weekend. Karen Butler and Tena Weatherall each received the All Round Cord, the only other cord in Guiding and second only to the Canada Cord in achievement. Pamela is the daughter of Mr. and Mrs. Cory Smit; Karen's parents are Mr. and Mrs. Paul Butler, and Tena is the daugher of Mrs. E. Weatherall.

Village council is considering installing a traffic light across St. Lawrence Street for the children of Winchester Public School to cross safely.

# The life of Riley

by Wayne Riley

I was in the first stage of repairing a bedroom closet, pulling out the hangers of clothes to find out just how much work lay behind them, when I came across the wooden ends of a bed.

This was the bed my wife and I slept on during the first year of our marriage; a small bed with open column work at the end that mercifully allowed me to push my feet through so that I could sleep reasonably straight.

The mattress is gone now. So is the bent metal frame that kept slipping out of the wooden ends and more than once jolted us out of a sound sleep as it crashed to the floor.

But for some reason we had kept the wooden ends. It was the same reason, I suppose, that my Canadian Tire shirt was still hanging in the closet, the shirt that allowed us to eat pork butt on Saturdays and Sundays and hamburger variations throughout the rest of the week.

The peculiar thing about memories is that you remember the most about times when you had the least. There is less to take for granted.

We weren't suffering, of couse. We were lacking the luxuries of the middle class, but we had enough. There was no sense of the harshness of poverty. We were comfortably poor.

Love is also a great compensator, magnifying small treasures into the very riches of King Solomon. My wife's ring, which because of our financial situation at the time, she had to pay for herself, was a staggering $200. You could see the shine of the three diamond chips if you held the ring directly in sunlight.

My own ring, a thin 10K gold courtship band, was on special for $79 at Consumer's Distributors.

My wife had tears in her eyes and I had a lump in my throat when we placed those rings on our fingers during the wedding ceremony.

In 1956 my father, stationed at a Manitoba air base at the time, hitch-hicked 1,500 miles to propose to my mother. He offered her a home in a new province, a private's salary and dreams for the future. She said yes immediately.

For the first year of their marriage they had no car. They bought their furniture piece by piece, my father once carrying a kitchen table home on his back from the store to avoid the delivery charge.

When they talk about those early years, I sometimes think they would have felt cheated if, by some stroke of luck, a fortune had fallen into their laps at that time. In a funny way, there is something cosy about a husband and wife whiling away an evening with a few hands of cribbage in a nearly bare and chilly kitchen.

My first year with my wife was not that much different. We moved in with a set of dresser drawers, a single bed, a sofa, a record player, a 12" black and white TV with more black than white, some wedding gifts for the kitchen and a yellow rug with a rubber backing so rotted that it produced a layer of sand every day.

During the early days in that apartment, we would call out our names and listen to the echo. We talked a lot then, something easy to do when you have a dying 12" black and white TV and a collection of 12 records.

Maybe it wasn't so magical then. Sometimes we did worry about the rent money. Sometimes we felt a pang of jealousy when friends bought their first cars. Sometimes we wondered if there would be anything more for us than a half-empty apartment that echoed.

And yet, what would it have been like to have bypassed those lean years, to have skipped over Baltic and Mediterranean and landed, by a lucky roll of the dice, within reach of Park Place and Boardwalk? Would the game have been so much fun without the anxious moments?

Probably not.

It's nice to dream about the super jackpots in life, but sometimes I think the real spice of living is just that bit of seasoning that adds a little more flavor to what you're used to.

When I was young I sometimes thought my family was poor. We sometimes wore hand-me-downs, we rarely went on vacations and when friends came over my little brother and sister had to sit at a second small table to make room for everyone.

Yet my father never even mentioned money. Not at the grocery counter as the cashier rang through a week's goods for nine people. Not during the two-year sessions at the orthodontist for three children with big teeth and small mouths.

I understand that better now. He probably did talk about the finances with my mother when they were alone. But when you walk in the house after a day at work and your wife kisses you and the smaller children grab at your pant leg, it's hard not to believe that you've come a long way in the world.

I ran my hands over the wooden bed ends, knowing they would stay in the closet with the Canadian Tire shirt.

Sometimes it just does the heart good to look at things from the past. It's that same feeling you get when you're reading the paper at the kitchen table and suddenly you notice your wife reading across from you. You look at her face and a thousand things run through your mind.

And she looks up and sees your stare and the thousand things become one as you answer her questioning look. "You know," you say, "I really love you."

## Day generates $1,000 for Care Centre

The Editor:

We would like to say "thank you" for the picture and article you printed in The Press on Oct. 23. We have had an excellent season with over seven thousand school children visiting our farm. There was a terrific enthusiasm with the children and also on the weekends when parents brought their children to the country. Your article helped the community as we took in seven hundred dollars on the Sunday and then we added three hundred to make a round thousand to donate to the Osgoode Township Care Centre.

We are looking forward to a good season next year. Again thanks for your thoughtfulness and participation in our fall program.

# Seventh Column

by Joe Rowan

We should be seeing a drastic change in ourselves this week. We should, judging from the unquestionable wisdom of learned psychoanalysts, psychologists, psychiatrists and other men of 'many letters', have several additional grey hairs; the step should be noticeably slower; vision a bit foggier; hearing somewhat dimmed; and mentality even more cluttered than usual. These, we had been led to believe, are only a few of the "absolute certainties" that befall an aging couple when their 17th grandchild arrives. Know something? It's a bunch of hogwash! Amanda Loraine Nixon, granddaughter number eight, joined our nine grandsons last Thursday and we'll swear, while admiring the handsome, male reflection in the shaving mirror this morning, the proud smile resembled the dashing blade of long ago. And, believe it or not, the Old Girl has completely forgotten her arthritic pains and is taking the stairs three steps at a time. Thanks Barry and Joanne. Sure feels great to be young again. Understand Margaret (that's Grandma Nixon) over at Osgoode, experiencing the same reaction, has tossed away her cane and registered at a school of modern dancing.

We humans are all alike. Without the slightest hesitation we turn to old and valued friends seeking favors and, without fail, promise faithfully to *"drop in soon"* and share happy memories of days long gone. Our intentions are always good ... but sadly, we procrastinate ... *"too busy today"* ... *"maybe next week"*. Two months ago, when the stately Titanic was found at the bottom of the Atlantic, right here in this column we reminded readers that, among the victims were highly respected area residents. We checked the facts, you'll recall, with Keith Graham whose uncle, aunt and cousin had perished. During that all-too-brief telephone conversation we promised to visit our dear friend 'soon'. We didn't ... and now it's too late. Nearly 40 years ago, when we criss-crossed the Ottawa Valley promoting subscription sales for The Ottawa Citizen, we experienced more than our share of problems searching for the shortest route to a designated residence. The Chesterville Record office was a genuine God-send to a confused salesman. Publisher, writer, photographer, columnist Keith Graham was never too busy to greet us with a friendly smile and a guiding hand. Keith died last week and we extend our heartfelt sympathy to Helen, Mary, and the grandchildren. Keith, your 'instant maps' and words of encouragement meant more than you'll ever know to a weary canvasser. Sorry we waited too long to say 'thanks'.

We expressed a personal opinion two weeks ago and Osgoode Township High School principal Peter Norman (and perhaps many others) didn't agree. No problem! That's life! Come to think of it, if everyone agreed with everyone else the world would, indeed, be a mighty monotonous sphere. Peter's comments regarding our Armistice Day viewpoints were well taken and much appreciated. Naturally, it makes this tired old scribbler happy to know his often botched-up efforts are being observed, reviewed, studied and maybe even 'marked' by educators. Needless to say, we were pleased and happy to learn Metcalfe schools (all four of them) remembered and paid tribute to the fallen. Peter, we'll endure the bitter blows to our 'two' typing fingers by your trusty pointer, but hope you'll forgive us if we don't completely change our way of thinking. Your talented English teacher's poetic presentations and your entire well-programmed memorial service must surely have been timely and impressive. It would have been (in our humble opinion) even more impressive and significant had it been presented in full view of the dual monuments at the township office entrance. Those whose names are inscribed forever in that cold granite died on muddy battlefields, in icy oceans, and in skies ripped asunder by war ... not in the cosy comfort of a modern gymnasium. The veterans in their medalled tunics and neat barets; senior citizens whose dear ones never returned; and many of those *'generations removed from the devastating wars'* braved the elements and bowed in silent tribute. The presence of teachers and students from nearby schools (our opinion only) would have made the annual ceremony even more meaningful. Thanks Peter for your interest. Perhaps, before another Nov. 11th rolls around, Legionnaires, clergy, teachers and the general public might co-ordinate their well-intentioned efforts resulting in a truly colorful salute to those we must never forget.

## Dundas producers earn DHIA awards

SOUTH MOUNTAIN — Exciting times are ahead for the Dairy Herd Improvement Association, says Wayne Morgan, president of the Dundas County association.

Local dairy farmers were recognized for their achievements of the past year at an awards banquet Saturday at the Mountain Township Agricultural Hall in South Mountain.

According to Morgan, the number of members receiving trophies and shields for achieving composite BCA of five points over the provincial average for the first time was up this year. An even larger number of members will achieve this goal next year, Morgan said, because ROP is joining DHIA.

An award for the most improved supervised herd in Dundas was presented to John VanDongen (+26) by the Royal Bank, Winchester.

Durk Bylsma (+16) received the award for second most improved supervised herd from the Bank of Nova Scotia, South Mountain.

An award for the highest composite BCA-supervised, plus the Strader Trophy, went to Gordon and Bruce Garlough (166).

Martin Verburg (161) received the award for second highest composite BCA-supervised from Ontario Glass Lined Storage.

The ODHIC certificate for breeding efficiency was presented to Gordon Smith (11.5 months).

An ODHIC certificate and award for the highest plus production cow was presented to Wilmer Porteous for Harmony View Della (+58) by C&L Feeds.

Highest BCA milk award was presented to Chestcreek Farms for Gokul Sir Winston KAMNI (214 BCA) by the Bank of Montreal, Winchester.

Sandy Creek Becky (220) BCA netted Martin Verburg the highest BCA fat award, presented by the Royal Bank, Iroquois.

Tibben Farms received an award from the United Co-operatives of Ontario for the highest BCA two-year-old, Beckelea Bonnie Marlin (181-211 BCA).

Dundas DHIA trophies and shields for members with composite BCA five points over the provincial average for the first time were also presented Saturday. Recipients were: Brian Enright, John VanDongen, John M. DeVries, Clapptan Farms, Lorna and Andy Driscoll, Henry Velthuis, Jeannot and Francine Dagenais and John Stoodley.

Shields for members five points over the average for the second time or more went to Bruce and Gordon Garlough, Martin Verburg, Tibben Farms, Carl and David Bryan, Durk Bylsma, Chestcreek Farms, Bill Harbers, Charles Farlinger, Francis Lynch, William Klein-Swormink, John VanDelst, Mac Graham, Wilmer Porteous, Carl Sears and Sons, John Melenhorst and Sons, William Meerakker, William DeJong, John DeJong, Gordon W. Smith, John Havekes and David Jorgensen.

These members of the Dundas County DHIA achieved for the first time this year a composite BCA of five points over the provincial average. Back row from left are Henry Velthuis, John VanDongen, Jeannot Dagenais, Tom Clapp, Brian Enright and John DeVries. Front row, Andy Driscoll, Lorna Driscoll, Dundas Dairy Princess Sherry Van Allen and John Stoodley.

## Dave Hall No. 1 in Carleton

### Metcalfe chosen outstanding club at 4-H awards banquet

METCALFE — Metcalfe 4-H Club was judged Carleton County's outstanding club of 1985, scoring highest in attendance, project completion, judging night, teamwork, participation and leadership.

The club received the Rideau Kiwanis Club Challenge trophy in the annual awards night for the Metcalfe and Vernon 4-H and the East Carleton Sheep Club, held Wed., Nov. 20 at the Metcalfe Community Centre hall.

Metcalfe Club member Dave Hall, 19, won an engraved gold watch, the United Co-operatives of Ontario award, as the outstanding senior 4-H agricultural club member. Winning one of four UCO awards presented in the county, Hall scored a total of 92.6 per cent in marks for farm visit, achievement day, judging night and record books. "He's a great help to the younger members as well as to the leaders," said Metcalfe club leader Mary Jackson. Hall, a resident of RR2 Edwards, was a leader's assistant this year and has completed 10 4-H projects.

A junior member, Linda Campbell, won the Cameron Equipment Award as outstanding member of the Metcalfe Club. The John K. Campbell Award for outstanding first-year member went to Steven Hill.

The outstanding member of the Vernon 4-H Club, Darlene Eastman, won the Ken and Elizabeth Murdock Award. The Phil McEwen Award for outstanding first-year member went to Susan Mussell. Irene Velthuis of the Vernon club won the Mr. and Mrs. Bert Velthuis Fellowship Award.

Linda Campbell was also named outstanding member of the Carleton Sheep Club, receiving the Ottawa Sheepskin Co. Award. The award for top first-year member went to Vicki Dow.

Sheep Club member Colleen Acres received the Blair Dow Award for Showmanship at Metcalfe Achievement Day. The Doug and Heather Hughes Award for most improved member of the sheep club was won by Dianne Acres.

Other award winners at the Nov. 20 program included Steven Hill of the Metcalfe 4-H Club, who received the Mr. and Mrs. Chris Herbert Award as outstanding first-year beef club member participating in the Metcalfe 4-H Achievement Day. He also received the Cecil Waddell Award as top first-year beef showperson.

Trudy Hughes of the Metcalfe club was presented with the Royal Bank of Metcalfe Award for top dairy showperson, while the Cecil Waddell Award for top first-year showperson went to Susan Mussell of the Vernon club.

Allen Hughes of the sheep club was the winner of this year's Press Reporter competition at the county level. Competitors were required to submit a scrapbook of articles submitted to local newspapers.

Project completion awards were also presented at the banquet. Jill Patterson received a certificate for completion of 24 projects, while Heather Campbell, Linda Campbell and Ron Stanley of Metcalfe and Debbie Acres of Vernon were recognized for completion of 18 projects each.

Awards for completion of 12 projects went to Heather Campbell and Lee Anne Mennie of Metcalfe and Eleanor McNaughton and Shirley Velthuis of Vernon.

Allan Hughes, East Carleton Sheep and Vernon 4-H Clubs, Rick Jackson and Barry Waddell of Metcalfe and Dianne Acres of Vernon each received awards for completion of six projects.

# Sharp-eyed KCAT judging team picks up championships at Royal

by Terry Meagher

KEMPTVILLE — Kemptville has won the College Livestock Judging Competition at the Royal Winter Fair in Toronto, defeating nine other colleges. The University of Guelph finished second followed by Ridgetown College.

The Kemptville team accumulated 2,063 points out of a possible 2,400 points. Warren MacIntosh of Apple Hill near Cornwall was named top individual performer, with Kemptville College teammate Sid Vanderwerf, Lyndhurst, finishing second.

Paul Oosterhof of North Augusta and William Vanderhorst of Norwood were the other team members.

MacIntosh likened the competition to a shopping spree. The time of reckoning came when the students had to justify their purchases to expert judges.

"You had to communicate quickly and clearly," MacIntosh says. "You had only 13 minutes to judge and put your notes together."

Each team judged eight classes: the dairy sire, heifer and cow selections; the beef heifer selection and steer evaluation; the gilt selection and hog carcass evaluation; and sheep shopping.

In the sheep competition, contestants had to buy the best possible ewes for $500. Despite a lack of background in sheep, the Kemptville team won that class.

Says Oosterhof: "We put a lot into it (training). After school, we looked at slides or went out to farms" where farmers instructed on the finer points of judging livestock.

Working together for the past year and a half has helped the team. Last year it won one competition and placed well in several others.

Team members credit the Royal win to 4-H training and the hard work of college staff members, Eileen Rose and Phil McEwen.

"Eileen drilled us on the terminology," says Vanderwerf. The team learned that in judging a hog carcass you say ham, not leg. And substance really means bone quality.

Knowing what to look for is as important as terminology. A dairy cow that's a good buy should be "slim and trim" and at least look hard working.

Except for Vanderhorst, all were brought up on dairy farms. He's credited with insights into beef animals, accumulated through years on a beef farm.

"You must tell the difference," he says, "between a finished steer and one not quite ready for market."

## Pork management seminar to be held at Kemptville

KEMPTVILLE — Kemptville College of Agricultural Technology will host the first of seven pork management seminars to be held across the province next month.

The Pork Management 2000 program, sponsored by the Ontario Ministry of Agriculture and Food and the Ontario Pork Producers Marketing Board, will attempt to integrate both production and financial management techniques in a single program, said Howard Giles of the Winchester OMAF office. "Today you have to be a top manager to exist," he added.

The one-day program, scheduled for Mon., Dec. 2 at the Kemptville College Parish Building, will feature farm management specialists Gerard Benoit of Plantagenet and Bill Van Loon of Cornwall, and OMAF swine specialist Jim Dalrymple of Brighton.

The program will begin with registration at 9:30am, followed by seminars covering "A new swine management concept," maintaining a daily diary, and managing a breeding, farrowing and weaning system. The afternoon program will cover weekly inventory, flows and analysis, and financial management, adjourning at 3:30pm.

# OMAF outlook bleak

by Noble A. Villeneuve, MPP
Stormont-Dundas-Glengarry

A leadership weekend has come and gone with the Progressive Conservative Party of Ontario choosing Larry Grossman as our new leader. It was a most exciting weekend with all three candidates having excellent organizations and support from all across the province of Ontario. Our new leader has offered important positions within the party structure to both Dennis Timbrell and Alan Pope and let's hope that together we can all protect the interests of residents of Ontario to ensure that the Peterson-Rae government is not given a free hand to enact legislation that would not be in the best interests of the majority of the residents of this great province. I will be providing you with a profile of our new leader at the earliest opportunity.

I wish to also congratulate all of those who ran for municipal office on Nov. 12. To all of those who won, I assure you of my while-hearted co-operation when and where possible; and to those who did not win on Nov. 12, I say to all of you thank you for participating in the democratic process.

**AGRI-FOOD CONFERENCE**

As I mentioned in my last column, on Oct. 30 I attended the Ontario Ministry of Agriculture and Food's outlook conference — Agri-Food: A Look Ahead. From OMAF's viewpoint, the 1986 outlook for Ontario agriculture is bleak. This assessment was made after the Ontario Budget and in light of the few provisions for agriculture in it.

The following is a summary of the ministry's analysis and outlook.

Recovery is slowly spreading to world economies, but other countries are still experiencing high unemployment and tight money situations.

A slowdown in the U.S. economy, combined with growing U.S. protectionism, is also negatively affecting trade. U.S. agriculture is facing a global over production problem resulting in low domestic commodity prices and a crisis in farm debt.

In Canada, real interest rates remain high, asset values continue to fall, and commodity prices remain low. In Ontario, the FCC estimates that the number of producers in serious financial difficulty may have doubled over last year. Realized net farming income will likely fall by seven per cent.

In addition, agricultural imports into Ontario are rising, but the new government has failed to keep its word to increase exports which are stagnant and remain close to last year's level.

**SPILLS BILL WILL IMPOSE GREATER COSTS ON FARMERS, MUNICIPALITIES**

The Liberal government is intent on pushing through its costly regulations for the spills bill because "it is clear that a substantial body of public opinion wants it", according to the environment minister.

On one hand the minister says that most farmers will not need extra insurance, but then goes on to admit that insurance will cost more. The minister told the legislature that: "People whose business creates risk, whether they are turckers, farmers or businessmen, should be expected to bear the costs which result from their activities."

What the minister forgot to say was that the Liberal government wants these people to pay even when they are not at fault for a pollutant spill. The new regulations will make the innocent pay while the guilty will have to be sued to recover costs.

**MORE BUDGET TRICKS UNCOVERED**

In my previous column I mentioned the fact that while no agricultural program cutbacks were mentioned in the budget, the treasurer only increased agriculture spending by $70 million while announcing

Noble Villeneuve MPP

three new programs worth $76 million.

Another interesting point has come to light in the transportation budget.

One of the highlights was a special $60 million fund for special road renovations and transit capital. This is welcome news for municipalities if this is in addition to existing funding. But regardless of that problem, the main point is that program is promised for next year's budget, and actually conceals a cut-back for this year.

Back in February, the minister of transportation at that time revealed that transfer payments to municipalities for roadwork would be $531.5 million. The Liberal budget papers show this has been cut back to $523 million, even though the Liberals promised an extra $40 million per year for road improvement.

Finally, I strongly urge all farmers who qualify or think they may qualify for the Ontario Family Farm Interest Rebate Program (OFFIRR) to apply. $50 million has been set aside to reduce interest rates for agriculture. Let's go after it and use it. Farmers as food producers are often taken for granted and misunderstood by the consumers.

# High-tech farming

KEMPTVILLE — On Dec. 2, area farmers will be coming to Kemptville College to get a taste of high technology. The Ontario Ministry of Agriculture and Food will be sponsoring a one-day seminar on computer use on the farm.

The sessions will include a lecture by Mike Toombs of the Kemptville College Engineering Section on Computers in Agriculture. Management specialist, Robert Morrison, will examine spread sheets while Randy Ross, the computer specialist from Ridgetown College, will speak on Data Bases.

Farmers will have an opportunity to see how the computer system Grassroots operates. Grassroots gives the user access to commodity market prices, weather reports and crop information.

In the afternoon, dairy and beef farmers will show how they use computers on their farms.

In the final talk, Dr. Robert Kok of Macdonald College will speculate on the future use of computers.

# EBI Fall Special averages $1,587

WINCHESTER — A total of 49 head, including four baby calves, changed hands at the Eastern Breeders Inc. (EBI) Fall Special Sale Nov. 4.

The animals sold for a total of $77,775, an average of $1,587 for the sale, held at Fawcett's Sale Arena.

The sale involved mostly young fresh or springing cows and heifers, all individually selected for type, pedigree and production from the EBI Eastern Ontario service area.

Top price of the sale was $3,000, paid to Seelby Holsteins of Seeleys Bay, for a three-year-old daughter of Willow Farm Rockman Ivanhoe from a GP dam with a 159 per cent-161 per cent BCA. She was purchased by Lawsondale Farms, Pakenham.

Second-highest price was $2,550, paid to Wayne Presley of Newington by Braedale Farms, Cumberland, for a fresh two-year-old daughter of A Puget Sound Sheik from VG dam with 213 per cent-212 per cent BCA. Her three-week-old daughter by Hanover Hill Starbuck was purchased by Hans and Monika Reusser, Finch, for $800.

Third-highest price was $2,500, paid to Murrayholm Holsteins, Martintown, for a fresh two-year-old daughter of A Nelacres Johanna Senator, from a VG dam with 147 per cent-161 per cent BCA, 4.0 per cent butterfat, second dam VG two star, 198 per cent-192 per cent.

Also at $2,500, Lynden Jackson of Monkland sold a four-year-old daughter of Senator with 169 per cent-164 per cent BCA to Greenfield Holsteins, Florenceville, N.B., who purchased a total of eight head.

In addition to the eight animals going to the Maritimes, five went to Quebec and one to New York State.

Immediately following the EBI sale, the Rainbow Valley Production Sale averaged $1,662 on 24 head of fresh first-calf heifers, for a total of $39,000. These heifers were from some outstanding brood cow families in the Drummond Bros. Herd at Smiths Falls.

The highest price of the sale was $3,500, paid by Dale Murphy of Carp for a fresh daughter of A Clinton Camp Majesty from a GP dam with 176 per cent-201 per cent BCA, second dam VG two star with 210 per cent-213 per cent.

Second highest price was $2,600, paid by Allison Fawcett of Winchester for a fresh two-year-old from a VG two-star dam with 207 per cent-225 per cent BCA.

# Stabilization announced for hog, beef industries

OTTAWA — Stabilization payments totalling $41 million for Canada's troubled hog and beef producers were announced last week.

For the first time, these payments will cover a quarterly period, as provided under Bill C-25, amended last June. Hog producers are to receive payments totalling $22.8 million, while producers of slaughter cattle will receive $18.2 million.

In making the announcement Nov. 19, federal agriculture minister John Wise said that in the case of hogs graded index 80 or higher, the payments cover the two quarters from April to June and July to September 1985. For the first period, the compensation amounts to $7.3 million and for the second, $15.5 million.

Payments for slaughter cattle are applicable to the third quarter only.

Wise said these payments mark the last time the federal government will act alone in assisting pork and beef producers. National tripartite price stabilization programs are to be in place starting in January, 1986.

For the 1985 payments, prices were described for both the pork and beef industries for the first three quarters of the year. Market prices were lower than the prices set under the act only during those quarters to be covered by the payments announced.

The support levels for pork and beef were calculated at 90 per cent of the average price in corresponding quarters for the previous five years.

Prices were prescribed for two quarters in the case of pork, because the previous support period covered from April 1984 to March 1985. The support prices per hundredweight were set at $64.65 and $70.85 for the second and third quarters, respectively. This compares with market prices calculated at $63.07 and $67.31 for the same two quarters giving a difference of $1.58 and $3.54 per hundredweight. The result is a payment per head to producers of $2.73 for the second quarter and $6.10 for the third quarter.

For slaughter cattle, the support price was set at $69.47 per hundredweight for the third quarter, compared to a market price of $66.95 per hundredweight, for a difference of $2.52 per hundredweight. This means a payment per head of $28.22 to producers.

In total, the federal assistance is expected to cover slightly more than seven million hogs. Quebec will receive 31.5 per cent of the assistance and Ontario 30.9 per cent.

Albertan cattlemen will receive 44.6 per cent of the assistance slated for slaughter cattle, and Ontario 30.8 per cent. A total of just under 650,000 head of cattle will be covered across Canada.

Payments will be made on all pigs and cattle marketed, up to a maximum of 2,000 head of each class of livestock per farmer for each three-month period.

According to information from Agriculture Canada, the stabilization payments take into account the relationship between production and consumption on the domestic market. Domestic consumption of pork is equal to 74 per cent of production, and payments to hog producers will be based on this percentage.

Prices will also be set for lamb and a payment triggered, if required, as soon as the relevant statistical data become available.

## *Appeal for Africa*

Former federal agriculture minister Eugene Whelan will be featured speaker tomorrow night at Russell and Osgoode Township's fundraising gala to benefit African drought victims. The fundraising kickoff of Hearts for Africa is to be held at the Embrun community centre.

# Bean growers to air concerns

WINCHESTER — Soybean growers from across Eastern Ontario will be gathering at the Winchester Community Centre, Tues., Dec. 10 for the "Area B" annual meeting.

The area includes the county of Lennox and Addington and the area east to the Quebec border. The purpose of the meeting will be to receive reports from the Ontario Soya-Bean Growers' Marketing Board, answer questions on producer concerns and elect a committeeman to represent Area B for the coming year. The present committeeman is Donald Johnston of North Lancaster. The Dec. 10 meeting gets under way at 8pm.

According to a release from the marketing board, the board's office has been flooded with a steady stream of applications for the Soybean Advance Payment Program. Present low prices for the commodity are expected to boost the total number of applicants to above last year's 1,700. The amount available to individual producers has been doubled to $30,000, and changes have been made to the taxability of the advance payments.

Producers can pick up application forms for the program from any soybean dealer and from local Ontario Ministry of Agriculture and Food offices. The deadline for applications to the program is Dec. 15, 1985.

According to the board a snag related to the Grain Financial Protection Program has arisen in the soybean advance payment program this year. To participate in the advance program, a buyer must be licenced as a grain dealer by the province or "deemed to be licenced." A number of dealers failed to apply for their 1985 Grain Dealer licence before the Aug. 31 deadline. The soybean board is unable to issue advance payments to producers who are selling to or storing their soybeans with an unlicenced dealer.

The soybean board reports that a record soybean harvest has led to long lines of trucks moving into two Canadian processing plants. Labor problems at Victory Soya Mills in Toronto, which has been closed since Aug. 22, has resulted in increased pressure on the Canadian Vegetable Oil Processing Plant in Hamilton and Maple Leaf Monarch Storage in Windsor. These processing plants have both filled all available storage space, and are able to honor contracts and purchase soybeans only as space becomes available, the marketing board reports.

With the Ontario soybean harvest largely completed, pressure on the crushing plants to accept soybeans is diminishing. According to the board, the crushers will have to start bidding more competitively to encourage farmers to sell their soybean crop. The reopening of the Welland Canal should also provide an opportunity for some bulk export shipments of Ontario soybeans by the larger grain dealers.

## In Memoriam

SHELDRICK — In loving memory of a dear husband, father and grandfather, Hartley Sheldrick, who passed away Nov. 25, 1971.
Calm and peaceful he is sleeping
Sweetest rest that follows pain;
We who loved him, sadly miss him
But trust in God to meet again.
—Ever remembered, Jean and Family 33

CLARKE — In loving memory of my dear uncle, Corporal George Clarke, RCMP, who passed away Nov. 9, 1939.
When I was a little girl, you came to visit mom and dad on the way home from duty at Parliament Hill. I used to dream that some day when I grew up you would take me out to dinner and maybe meet your friends. But when I have reached the age of 12 you passed away. You left your five sisters gifts. Your youngest sister Sadie, my mom, bought a farm in Kenmore and I received the greatest gift of all, friendships of neighbors and school chums that I still remember from school days, Piperville, Kenmore, Edwards, Marvelville. We meet occasionally.
—Lila Pyper (nee Smith) 33

TOOP — In loving memory of Jim, who passed away Nov. 28, 1984.
—Always remembered by his family.
He giveth - He taketh,
And He will restoreth. 33

LEE — In loving memory of James Lee who passed away Nov. 25, 1978.
'Till memory fades and life departs
You live forever in our hearts.
—Eva, John and Beatrice 33

The Corporation of The Township of Osgoode

## Notice of Public Meeting Concerning Proposed Official Plan Amendment

**TAKE NOTICE** that the Council of the Corporation of the Township of Osgoode will hold a public meeting on January 2nd, 1986 at 7:30pm at Township Hall, Metcalfe, Ont. to consider a proposed Official Plan Amendment under Section 17 of The Planning Act, 1983.

The proposed Official Plan Amendment has been prepared in order to update the Official Plan in accordance with the provisions of the new Planning Act, 1983, as it pertains to the Council's use of certain planning techniques, specifically:

1. **Site plan control including the acquisition of road widenings through the site plan approval process;**
2. **Holding zones in the Zoning Bylaw;**
3. **Alternative public notice procedures for obtaining the views of the public with regard to an Official Plan, a Community Improvement Plan, a Zoning Bylaw, and amendments and repeals thereto.**

The proposed Official Plan Amendment is a text change which does not affect any specific site but rather has general application to the entire municipality.

**ANY PERSON** may attend the public meeting and/or make written or verbal representation either in support of or in opposition to the proposed Official Plan Amendment.

**ADDITIONAL INFORMATION** relating to the Proposed Official Plan Amendment is available for inspection during normal office hours at the Clerk's Office in Metcalfe.

*DATED AT THE TOWNSHIP OF OSGOODE this 27th day of November, 1985*
