SERVICE, to Us IMPLIES MUCH

Among the things that characterize our service are personal attention to every detail of the funeral arrangement, and little acts of thoughtfulness that serve to lessen the trying strain of the hours before and during the funeral. Quiet efficiency and smoothness are the result. That, we believe, is the kind of service that wins approval.

HENRY'S Shorthand School Ottawa, Ont.

No School in Canada offers a better training, or ensures a more successful future. Henry's leads all others, and ranks among employers as "THE SCHOOL OF HIGHER EFFICIENCY"—a fact borne out by more than 600 pupils who have, since January, 1913, left other Ottawa schools to come to it.

Therefore, it is not surprising that business men, in advertising for stenographers, should specially say, "Graduates of Henry's School preferred."

"HOME TIES"

"Home Ties," the play so ably presented by local talent several weeks ago will be again presented for the benefit of Chesterville folks who did not have the privilege of seeing it before, on Tuesday evening, May 22nd. One price of admission, 25c to all parts of the hall.

NEXT THURSDAY A HOLIDAY

As Victoria Day comes on paper day next week we would ask all correspondents and advertisers to have their news letters and change of copy in this office not later than Tuesday noon for advertisements and Tuesday night for correspondence.

BASEBALL CLUB ORGANIZES

A meeting for the re-organization of the Chesterville baseball club was held in Dr. Hutt's office when the following officers were elected for the present season:

Hon. Pres.—Reeve Brownlee.
President—Mr. O. L. King.
Manager—Dr. A. B. Clayton.
Coach—Henry McCormick.
Sec'y.—Eric Casselman.

WEATHER CONDITIONS MORE FAVORABLE

During the past ten days weather conditions have been much more favorable than at any other time of the season. Farmers have made the most of it and many are nearing the completion of their seeding operations while a few are already finished. With plenty of sunshine and brisk breezes the land has dried quickly leaving it in good condition for cultivation and the cool air has allowed the working of horses to almost the limit without injurious effect.

20 DIVORCE APPLICATIONS WILL BE HELD OVER

Twenty divorce applications likely will be left over until next year by the prorogation of Parliament, which holds only one more meeting before prorogations after a continual grind of four months.

The 20 applications which will be left over will be delayed because the rules of the Senate have not been compiled with, and by reason of approaching prorogation of aPrliament, which is expected by May 26.

CHEST CLINIC POSTPONED TO MONDAY, MAY 21ST

The chest clinic under the direction of the Provincial Board of Health and the co-operation of the local medical fraternity originally set for Friday of this week has been postponed until Monday, May 21st, at the McCloskey House where all arrangements have been made to look after those presented for examination. Those desirous of an examination should see their family physician who will decide whether the examination is desirable or not and complete preliminaries. Other than your own doctor's fee there will be no charge for the examination by those representing the Provincial Health Department. Under ordinary circumstances such an examination as will be given would cost at least twenty-five dollars.

The examination at Chesterville is one of many held throughout the province to determine the prevalence of tubercular conditions and to provide data looking to the establishment of a sanatorium for Eastern Ontario.

HIGHLY SUCCESSFUL PLAY AT GRANTLEY

The United church at Grantley was filled to its utmost capacity on last Friday evening when the play entitled "Sunbonnets" was put on by the Ladies' Aid. The play was a reproduction of the social life of half a century ago. The costumes and manners such as were in vogue in those days. The ladies acted their parts so nicely that it would be a difficult matter to select the best actress although special mention should be made of Mrs. J. Kittle, who certainly made a typical boarding house mistress. The success of the whole play was due to the untiring efforts of the instructress, Mrs. Jas. O. McMillan, and each lady certainly did her credit.

The play was interspersed at intervals by musical numbers which were very favorably received, as follows: Miss Grace Gallinger, two vocal solos; a violin and banjo duet by Miss Helen Fetterly and Mr. Ferguson Stewart, which was responded to by an encore; Miss Muriel and Mr. Ferguson Stewart delighted the audience by a vocal duet, with banjo accompaniment, entitled "Just a Song of Twilight." Mr. Adam Fetterly, who is well known in this locality, favored the audience with a short spicy address, remarking on the advantage of a community gathering such as this.. Miss Margaret Casselman acted as accompanist. Rev. A. W. Stewart of Finch, occupied the chair.

The Ladies' Aid wish to take this opportunity of thanking the friends from Cornwall, Gallingertown and Finch, who so kindly helped to make the evening a success.

PLAY AT BERWICK

The "Absent Minded Bridegroom" will be given by Williamsburg League in the Town Hall Friday, May 18th. Admission 35c and 25c.

BOWLING TOURNAMENT

Invitations have gone out from the Chesterville Bowling Club to the other clubs of the district for the fifth annual turnament on Monday, June 4th, the King's Birthday, when very fine trophies will be competed for.

PASSES IN VANCOUVER

The news was received Saturday morning last by Dr. W. A. Brown and Mr. A. E. Bolster of the death the day before of the latter's brother, John E. Bolster of Vancouver, whose wife was formerly Edie Brown, sister of the doctor. For sometime John Bolster had been ailing and on a sudden recurrence of the trouble on Friday was taken to the hospital where he was operated on at 10.30 in the morning, passing away about 1.30 without having regained consciousness. Much sympathy is felt for Mrs. Bolster and her two sons in their bereavement.

IROQUOIS BOY HOOKS CURIOSITY

A curiosity in the form of an amphibian or Wily Necturus Monday night got on the fish line of young Richard Whittie, a 14-year-old lad, while he was fishing for eels in the St. Lawrence river near the lock gates, Iroquois. This is the second one of this species to be found in these waters inside of two years. It seems to walk as well as swim. In the south it is known as a water dog, in the north would be called a mud puppy. In size about ten inches in length, slim and narrow with a flat head, rather large, and in appearance is like a speckled trout. Its fins are a pretty shade of red that spread out like feathers on either side of the head when the animal is in motion. The four feet resemble the human hand and has four tiny fingers, the fourth or little finger looks like a thumb. These seem to help propel the creature as it moves.

MRS. DAWSON BEATTIE, WINCHESTER

Early Thursday morning, May 10th, there passed away peacefully, Mary Dawson, wife of Dawson Beattie, who for thepast few years has been in failing health, but it was only the last few days that her illness took a serious turn, bronchitis having set in.

Born near Lakefield, Que., on October 7th, 1845, she came when a young girl with her parents to live near Elma, Ont. Since her marriage in 1870 she has resided in Winchester township coming seven years ago to Winchester, where she passed away at the home of her daughter, Mrs. Geo. E. Earle.

Mrs. Beattie was a woman of noble character but retiring disposition. It was in her home that her influence for good was exerted. Her children can indeed rise up and call her blessed.

Besides her aged husband there are left three sons and two daughters—R. D. Beattie, of Phila., U.S.; Geo. H. of Chesterville; J. W. of Vancouver, B.C.; Mrs. I. E. Smith of Edmonton, Alta., and Mrs. Geo. Earle of Winchester, also eighteen grandchildren. There are four brothers and two sisters of the deceased residing in the U.S.

The funeral service was held in Winchester United church on Saturday, May 12th, being conducted by the pastor, Rev. J. A. Waddell, assisted by Rev. R. E. Newman of Chesterville, and Rev. Wm. Hamilton of Winchester. Mrs. Durant sang, "Shall We Gather at the River?" Many relatives and old friends were present from Chesterville and Morewood, who had come to show their love and respect for one whom they had known so well in the days gone by.

Flowers were—Pillow of roses from the family; basket from R. D. Beattie and J. R. Dawson of Phila; sprays from Mr. and Mrs. Robt. Beattie and Mr. and Mrs. W. J. Fisher, Toronto; and the Winchester W.M.S

Interment was made in Maple Ridge cemetery.

MOREWOOD UNITED CHURCH

All friends of our church will be glad to know that the date of our Anniversary Services is to be Sunday, June 10th, Rev. H. Mick S.T.D., of Westboro, Ottawa, will preach the sermons of the day. Supper and concert on Monday the 11th.

The attendance at our Tuesday evening meetings for Christian Fellowship is encouraging. Remember Tuesday is church night.

Two main features of each Sunday evening service are the singing from our new song-book, "Victorious Service Songs," and an evangelistic sermon. Fill your car and come.

The pastor is conducting a church membership Training Class Sunday afternoons during this month, from 2.30 to 3.30. There will be Sacrament and Reception of new members on Sunday, June 3rd.

Next meeting of "Young People's" on Friday, May 25th.

FINCH COUPLE HONORED

A large number of friends and neighbors gathered at the home of Mr. and Mrs. H. A. Nesbitt on Monday evening, May 14th, to bid farewell to Mr. and Mrs. Jas. Shaver, prior to their departure for Apple Hill. Everyone enjoyed the evening spent in games, music and social intercourse. Lunch was served by several of the ladies.

On behalf of the Ladies' Aid and the W.M.S and Sunday School of Chalmers United church, Mrs. H. A. Nesbitt presented Mr. and Mrs. Shaver with a purse.

Although taken wholly by surprise, Mr. and Mrs. Shaver thanked everyone very kindly and gave all a cordial invitation to call on them in their new home.

Following is the address to Mr. and Mrs. Shaver, read by Mrs. Geo. Smith:

Finch, Ont., May14.

Dear Mr. and Mrs. Shaver,—

The Community of Finch takes this opportunity to reveal to you the esteem in which it has held you and offer you this gift as an expression of its appreciation of you as friends and neighbors.

As a neighbor you were always willing to give a helping hand and to take your place in the community as one really interested in our people.

Mrs. Shaver has always actively allied herself in the Church and Sunday School work. It will be hard to fill her place in this phase of our community life.

We regret that you are leaving this community, but wish you joy in your new home and hope you will have abundant health and strength and will also realize happiness. May the future hold for you rich blessings.

Yours on behalf of the Women's Missionary Society and Ladies' Aid of Chalmers United church.

HOLLAND—GAINER

A happy event took place on May 14th at the United parsonage, Winchester, when Lera Annie, only daughter of Mr. and Mrs. Adam Gainer, of Melvin Settlement. became the bride of Mr. Norman Holland of Massena, N.Y., youngest son of Mr. Alex Holland and the late Mrs. Holland of Avonmore, the ceremony being performed by Rev. J. A. Waddell of Winchester. The couple were unattended. The bride looked charming in a gown of china blue georgette and wearing the groom's gift, a gold wrist watch. Immediately after the ceremony the happy couple left for a motor trip to Montreal and eastern points, the bride travelling in a rust satin gown with rose biege hat and coat, shoes and stockings to match. On their return they will reside in Massena.

We wish Mr. and Mrs. Holland a happy, prosperous, wedded life.

We are sorry to report that Mrs. T. C. Merkley is ill, after the misfortune of having her arm broken and not having fully recovered from the effects of her accident.

DODGE BROTHERS

VICTORY SIX

How do YOU test a motor car?

Is *speed* the first test you apply to a motor car? . . . Then drive The Victory Six, for no car in its class is so fast.

Is *acceleration* a major consideration? . . . 5 to 25 miles in 7¼ seconds — 10 to 45 miles in 13½ seconds—tell the unparalleled story of Victory pick-up.

Are you interested in *economy?* . . . 21 miles per gallon at 25 miles per hour is average gas consumption for this famous Six.

A hill climber? . . . For the Victory, hills do not exist! More power per pound is the answer. A body with only 8 major parts—lighter by 175 pounds—yet sturdier!

A smooth traveller? . . . Dash over railroad tracks — over old cobble pavements — and you'll marvel! For the Victory Six is *different.* No body sills — no body overhang — chassis the full width of the body—a lower center of gravity. Sidesway, bouncing, rear wheel chatter magically *absent.*

Roomy? . . . Headroom equal to any — superior to most — in its class. Wider seats —more leg room. *Big!*

And a beauty! Rakish and trim in line, richly upholstered, beautifully lacquered in smart hues — *tomorrow's* style with Dodge dependability.

A car that you should try out — now — yourself at the wheel.

ADVERTISED HERSELF FOR MARRIAGE FOR $6,000

One of the strangest paths to happiness has led 19-year-old Bernice Albert and her parents from a barren sand farm in Burnett County, Wis., to a comfortable bungalow at Milwaukee, with all their wants provided and many of their dreams fufilled by a crippled veteran of the Spanish-American war.

William W. Goynes, aged 48, postmaster at the National Soldiers' Home as their benefactor.

Months ago the struggle to eke out a living from the poor soil of the little backwoods farm, with the 74-year-old father crippled with rheumatism, had driven the Albert family to despair.

Bernice was led to make a strange offer through a Milwaukee newspaper. She would marry any good man, she wrote, who would give her $6,000 so that she could provide for her mother and father in their old age.

Offers have crammed the rural mail box at the Albert Farm, near Siren, almost constantly since that time. Bernice said that the last time she counted the letters there were more than 50 from every corner of the United States and Canada.

But Goynes' proposal was something different. He sent $25 in his first letter; she returned it. Then he went to Siren. He did not ask Bernice to marry him. His face is deep set with wrinkles. He lost a leg in an accident just after the war. He felt that he wouldnt be the sort a girl of 19 would want to marry.

So he proposed that he bring the family to Milwaukee, set them up in a home for six months and then—many things may happen in that time.

Bernice wears a diamond ring and a plain but fashionable new frock. Goynes wears a ring given him by Bernice and he says that there is a sort of an engagement which isn't binding at all.

MOVING BUFFALO NORTH

Edmonton Journal—An additional twelve hundred buffalo will be moved from the Wainwright Park to the Wood Buffalo preserve at Fort Smith. This is the fourth year in which yearling and two-year-old buffalo have made the long trip from Wainwright, and when the last scowload has disappeared into the bush on the Fall of this year, there will be a total of approximately 6,800 buffalo disporting themselves in the lush grasses of the great natural preserve in the angle between the Peace and Slave Rivers.

Three thousand liquor permits have been cancelled on account of abuses. How many motor licenses have been cancelled for abuses resulting in maiming and killing innocent people?

FORMER ONTARIO BOY GETS MAXIMUM PENALTY OF MICHIGAN COURT

Ralph O'Connor, 23, slayer of Patrolman Fred Brumm, was sentenced to serve a life term in solitary confinement and at hard labor in Marquette prison Saturday when a jury found him guilty in the court of Judge Charles Bowles, in Detroit.

O'Conner's two accomplices, Earl Scheltreau, 26 years old, and Earl Glenn Sautters, 27, were sentenced by Judge Bowles to life imprisonment at solitary confinement in Jackson prison. they had pleaded guilty to murder.

In sentencing O'Connor, Judge Bowles, said:

"You are young in years, it is true. The evidence in this case reveals you to be a heartless, cruel, cold-blooded killer, with no respect for the lives of others. You are the type of culprit who will bring capital punishment to Michigan, if it ever somes to this State. You shot down a law-abiding, honest, industrious citizen.

"You have not only done that; you have killed a worthy husband and the kind father of three children, the oldest of whom, I am told, is six years. You have left them without the care protection and support of a father. You have left a mother with a problem on her hands, a problem which no one knows how she will meet. This you have done by your act of criminality.

"As you stand here my one regret is that the most I can give you is solitary confinement for the rest of your life. The sentence of this court is that you serve the balance of your life at solitary confinement and hard labor in Marquette prison."

O'Connor, whose real name is said by police to be Grant Preston, member of a prominent Ontario family, was apparently unmoved by the sentence Judge Bowles imposed and by the scathing rebuke. His step was firm as he left the court room.

O'Connor's family home is said to be in Carleton Place, Ont.

FRENCH SEAPLANE READY IN 10 DAYS FOR ATLANTIC

Lieutenant-Commander Louis Jerome Paris, with Maurice Bokanowski, Minister of Communications, as a passenger, on Saturday flew to Marseilles from Paris in less than five hours in the Cams seaplane in which he hopes to cross the Atlantic. The final test flights will be made at St. Raphael, and are not expected to occupy more than ten days.

The flight which Lieutenant-Commander Paris and Maurice Huel are planning is the first official attempt to span the Atlantic from east to west which the French Government has sponsored.

QUICK RECOVERY FROM OPERATION

What is believed to be a local record for quick recovery from an operation was established in the Hotel Dieu Hospital, at Kingston, Saturday, when Archibald Staley, of Wolfe Island, was operated on for appendicitis. He is 83 years of age, and exactly five minutes after the operation he drank a cup of tea and ate a piece of toast, apparently none the worse for the operation, which was performed by Dr I. G. Bogart.

THE SPOILS SYSTEM

Carlgary Herald—The country has been struck by the fact that more than 400 postmasters have been dismissed in the last 13 to 14 months. In this connection a revealing statement was made in the House on Thursday by C. J. Morrisey, Liberal member of Parliament for Northumberland. He declared he took full responsibility for the dismissals in his county. The Premier of New Brunswick, he said, had dismissed the road inspectors of the country. "Therefore," said Mr. Morrisey, "I followed suit." This is a callous proclamation of a return to the political spoils system.

GOOD RIDDLES AND ANSWERS

When was beef the highest it has ever been? When the cow jumped over the moon.

When does a newspaper seem delicate? When it appears weekly (weakly.)

When is a bee like a prisoner? When in a cell.

What is the most remarkable animal in a farm yard? A pig, because he is first killed, then cured.

What medicines are like ducks? Quack medicines?

What will turn without moving? Milk.

When are greenbacks like dough? When made into rolls.

When is a tooth not a tooth? When its a-king (aching).

When is a farmer rude to his corn? When he pulls its ears.

What do we sometimes return but never borrow? Thanks.

What flies when its wings are broken? An army.

When does a cow become real estate? When turned into a field.

When is a turkey a ghost? When he's a gob-lin'.

What is that which dies when you merely name it? Silence.

To what age do hogs attain? Often to saus-age.

How do locomotives hear? Through their engineers (engin-ears).

Up to Date Mary.

Mary has no little lamb,
Like she had long years ago.
But she has a pair of calves,
That she delights to show.

They go with her to school each day,
As faithful calves should do,
Where Mary draws a teacher's pay,
For imparting knowledge true.

Ye pedagogues of other days
Would deem her calves too shocking,
But Mary says it always pays
To buy a high-priced stocking.

And Mary wears expensive gowns,
That are very light and airy,
Not so showy for their cost,
But they show a lot of Mary.

Liked the Number.

A traffic policeman at a busy crossing saw an old lady beckon to him one afternoon. He held up a dozen motor cars, a dray and two cabs to get to her.

"What is it, ma'am?" he said, rather impatiently.

The old lady smiled and put her hand on his arm.

"Officer," she said in a soft voice, "I want to tell you that your number is the number of my favorite hymn."

Father Wanted to Know.

Father: "Well, do you think you can make my daughter really happy?"

Suitor: "Say, you should have seen her last night."

Ask Mother, She Knows.

Mother: "Helen, I want to know what you and George were doing on the sofa until three o'clock this morning?"

Daughter: "Oh, mamma, didn't your mother ever tell you?"

MILLIONS OF TREES WILL BE PLANTED

Shipments of trees for reforestation purposes, from the three stations conducted by the Ontario forestry branch, is at its height just now, and it is estimated that when the season is over a total of 10,000,000 will have been distributed, as compared with 7,629,000 last year. The nurseries are at St. Williams, Norfolk County; Midhurst, Simcoe County, and near Orono, in Durham, and there are transplant nurseries at Kemptville and at the Sand Banks, in Prince Edward Edward.

Trees grown at these five stations are used for reforestation projects of the province, and up to the present the bulk of them have gone to private individuals. In this distribution, emphasis has been laid on the planting of steep hillsides, parts of farms cut off by streams, low places and gravelly and sandy areas. Most of the trees are distributed free for planting, the recipient paying only the express. In 1905, the first year of distribution, 10,000 trees were sent out, the number available for 1928 being one thousand times as great.

FADING AWAY

Gananoque Reporter—And so Yarker and Lyn tend to fade away out of the scene except as mere hamlets harboring a few retired families who prefer the quiet of a country village to the hurry and bustle of the big city. There are many Yarkers and Lyns scattered all over this province, and the fate that has befallen them is a common if unavoidable one. Yet who would say that their passing is a benefit to the community they served so well in the heyday of their glory?

EGG PRICES

The official Govenment Market Report of May 8th, says: "The relative scarcity of eggs still continues in all parts of the country. Both Montreal and Toronto are finding it difficult to secure adequate supplies and competition is keen especially in Extras. While storing is going on freely stocks on hand are light compared with last year. The figures of the Montreal Board of Ttrade for May 1st showed approximately 27,000 cases of eggs in storage as compared with 55,000 on the same date last year."

This condition of the egg markets at the season when prices are naturally lowest surely means that there will be more money made from poultry next year than there ever was before.

Every Woman Needs

"Fruit-a-tives" the sure way to regular health

MRS. A. PARENT.

Daily tasks rob many women of the priceless boon of good health, because constipation, biliousness, headaches, indigestion, backaches and kindred ailments, undermine their constitutions.

Read this sincere letter:

Driscol Lake, Sask.—"I have taken many kinds of medicine, but none proved as good as 'Fruit-a-tives' for me. It is the only medicine I take—I use it regularly and do not feel right if I do not."
—Mrs. A. Parent.

"Fruit-a-tives" is universally successful because it is a natural medicine — made from the intensified juices of fresh fruits, combined with tonics. It will help you, too. 25c and 50c at all druggists. Buy a box to-day.

PRODUCE SHIPMENTS

It is somewhat surprising to know how wide is the territory from which large cities of the country draw their food supplies, particularly vegetables. A few illustrations will show how the expense of transportation must greatly increase the price of farm and garden products to the ultimate consumer.

White potatoes are shipped to Chicago from no less than 37 states, to Indianapolis from 33, to Cleveland from 32 and to Birmingham from 31 states. Practically all the larger cities of the middle west receive potatoes from more than 20 states, some being shipped by rail a distance of 2,500 miles.

New York receives apples from 23 states, the maximum haul being 3,150 miles; potatoes from 21 states, lettuce, cantaloupes and onions from 17, tomatoes and peaches from 13.

Chicago's apple supply comes from 25 states, cabbage from 23, onions from 17, strawberries and sweet potatoes from 16 and cantaloupes from 20, peaches from 19, tomatoes 14.

While the long haul of early vegetables is due largely to the varying climate of different sections of the country, it seems that a system of marketing might be developed which would eliminate a considerable part of the transportation charges involved in getting these products to the consumer.

PLIGHT OF THE AGED

If it were possible to bring home to the young and middle-aged the pitiful condition of a large percentage of all old people it might be easier to inculcate habits of thrift.

One of the saddest things imaginable is to see aged persons who are dependent upon charity for the bare necessities of life. About 80,000 are in the poorhouses of the United States but the number who are supported in various ways outside these institutions is many times as large. It has been estimated that about 80 per cent. of all persons more than 65 years of age are dependent to some extent upon the charity of relatives or others.

Many of these have seen prosperous days, but through wastefulness, bad investments, sickness, accidents or other misfortunes have been reduced to their present plight.

Unfortunately, the examples of old-age poverty which may be seen on every hand are ignored by the very ones who will experience a similar situation in their later years.

A Washington man dropped dead in a Treasury vault containing sixty million dollars. We, too, are apprehensive of what might happen if we should see that much money at one time.

When Alfred McGee in Glenville, Ala., died he made a request that he be buried near the highway, and that the farmers hauling their cotton crop to market would call the price in a loud voice. This has been done for the past 45 years.

Six preachers in Staunton, Va., played volleyball against six policemen, on a wager, the terms of which were that if the preachers lost they would go to jail for an hour, if the cops lost they were to go to church. Next Sunday the six limbs of the law occupied a pew and listened intently while volleyball player Rev. J. Lewis Gibbs expounded the Gospel.

Streaky.

During his visit to the church school the vicar put this this question to a group of little girls:

"If all the good people were white, and all the bad people were black, what color would you be?"

Some answered "white," and others "black." But little Mary replied: "Please, sir, I'd be streaky!"

HIRED MEN RELEASED IN SHEEP STEALING CASE

As a sequel to the sheep-stealing case in October as a result of which Edwin Weller, charged with the theft of sheep, hogs, poultry and farm produce, paid a fine of $100 and made restitution for the goods involved to an amount exceeding the fine, Edward and Wilbert Hart, farm hands, employed by Weller, were permitted to go on suspended sentence on Saturday morning when they appeared before Magistrate W. H. Floyd in County Police Court, at Cobourg. The young men stated that they had been employed by Weller as farm hands since August, 1927, and at his orders, had conducted a series of systematic thefts.

BACKFIRING ENGINE CAUSES $6,000 FIRE

A backfiring gasoline engine at the carpenter shop of William J. Johnston at Patersons Corners, eight miles west of Kemptville, caused a fire which completely destroyed the shop and an adjacent lumber yard and inflicted damage estimated at $6,000. No insurance was carried.

Mr. Johnston had started the engine shortly after eight o'clock Saturday morning and a few minutes later discovered a pile of shavings, close to the engine, in flames. This spread rapidly to the lumber piles and then to the carpenter shop. A bucket brigade was formed but it was unable to cope with the blaze.

Flying sparks ignited the roofs of Mr. Johnston's home and that of Mr. William Findlay, a neighbor, but these fires were put out before much damage was caused. Mr. Johnston will not re-build the shop. Two years ago fire completely destroyed the barns and sheds on his farm.

Lowe Brothers

HIGH STANDARD

OUTSIDE PAINT

Lowe Brothers Liquid Paint costs approximately ½c per square foot. This is another way of saying that "job cost," which should always be the measure of your painting cost, "High Standard" is the most economcal paint you can buy.

The reason is to be found in its exceptionally high quality, the fineness to which it is ground and the purity of materials used.

It gives a very high gloss. Wears evenly for years and comes ready for use in thirty handsome shades, and is very easy to apply. Try it when next you paint.

Price-½c. Sq. Ft.

Neptunite Varnish-Stain

Make scarred or faded furniture like new with this splendid Varnish Stain. It is exceptionally easy to apply and dries to a beautiful mirror-like gloss that is free from stickiness. It retains its beauty for a surprisingly long time and does not fade. Splendid for floors, furniture and woodwork.

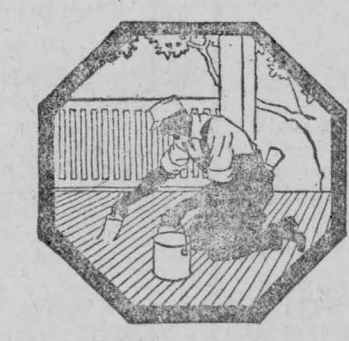

For graining — beautiful effects, representative of the grain of handsome hardwoods can be obtained with Neptunite Graining Compound finished with Varnish stain. Comes in six attractive shades.

Neptunite Varnish

Lowe Brothers Neptunite Varnishes are ideal for either Exterior or Interior use.

They have the distinction of being the only varnishes made that have successfully withstood the heat from a Hot Iron on their surface. They will not turn white, crack under the hammer test, or show heel marks. Ice, snow or rain have no effect on them. They produce a remarkably beautiful finish; they wear longer and cost less than most good Varnishes.

Porch Floor Paint

Is Specially made to withstand the extreme hard usage to which a verandah floor is subjected. The scraping of feet and verandah furniture will not affect this finish when properly applied. It will stand up under the rigours of the weather and preserve your verandah floor for years.

Like all Lowe Brothers Products, Porch Floor Paint is very economical. It is easily applied and a pint of this paint will go almost as far as a quart of most any other so-called "cheap" exterior floor paint.

Porch Floor Paint is made in a splendid range of colors, one of which is sure to please

Mellotone Wall Paint

Walls that are finished with Mellotone need never be marred with finger prints or dust spots. Mellotone is washable, it may be washed with soap and water just as often as necessary without injury to its delicately beautiful finish. Mellotone combines all the durable qualities of an outside paint with the soft, attractive rest tones that are so much desired by particular people.

Mellotone is so easy to apply and lasts so long that its first cost is practically negligible. Comes in 16 beautiful shades.

Hard Drying Floor Paint

This is the floor paint that does away with the back breaking drudgery of scrubbing. Simply mop this high gloss finish and you have a floor to be proud of.

Hard Drying Floor Paint is a floor enamel of exceptional toughness. It dries over night with a glossy and elastic surface that will stand any amount of wear and will not chip off or crack.

Made in a variety of popular colors, ready for use.

REFUSED PASSAGE TO CANADA BECAUSE WEIGHT WAS 210

The "150-pound girl' recently refused passage to Canada by Canadian immigration authorities actually weighed 210 pounds avordupois. Her breadth was almost equal to her height. This is the report received by cable by the Department of Immigration, from J. Bruce Walker, director of immigration in England. The case was referred to at Thursday's sitting of the parliamenttary immigration enquiry. The girl, according to Mr. Walker, was not a domestic "and because of obesity decidedly unemployable."

SECURE $5,000 LOOT IN CORNWALL STORE

Having occasion to go to his store about two o'clock Sunday afternoon, Archie Dover owner of Dovers' Stores, Cornwall, found the premises in a state of disorder and on looking about saw that racks of clothing, principally blue serge suits, as well as men's socks, ties and other wearing apparel and a dozen or more suitcases and club bags, were not where he had left them when he closed the store about 11.30 Saturday night.

Entrance had been gained through a cellar window at the rear end by prying off a door leading from the basement. An iron bar about two and a half feet long is the only clue left. Some change left in Mr. Dover's private office was not touched by the burglars.

The town and provincial police were at once notified and word was sent to the police in Montreal, Ottawa and intermediate points. The robbers had a good start, however, and no trace of them had been secured.

Mr. Dover estimates his loss at close to $5,000. This is the third time the store has been burglarized in as many years.

TRYING TO SHOOT HAWK FARMER KILLS HIMSELF

News of a tragedy at McLean's, four miles from Parnham, reached Kingston Sunday morning. When Albert Smith, aged 35, and unmarried, was about to start milking, he noticed a hawk passing overhead. He ran to his house and got his gun, and as he was preparing to shoot the bird, the gun accidentally exploded and Smith was killed instantly. The charge blew off his head. Dr. Huddaby, coroner of Sharbot Lake, conducted an investigation, and decided than an inquest was unnecessary.

Bee Careful.

You never hear the bee complain,
Nor hear it weep and wail,
But if it wish it can unfold,
A very painful tail.

Don't let the Martins get away from you!

"I'm sorry the Martins are moving away," said Mrs. Drummond to her husband. "It will mean that we are going to lose track of some very nice people!"

"I don't see why it should. If a good customer of mine moves away we follow him up by Long Distance. Don't let a little thing like distance separate you from the Martins!"

A great change has come over Long Distance telephoning. Now it is almost as rapid as local telephoning. You give Long Distance the distant number and, in a great majority of cases she is able to make connection *while you hold the line.* The Long Distance operator will look up the distant number for you, if you don't know it, and tell you what it is.

Still better, give us a list of the friends or customers you are likely to talk with. We will add the numbers and return the list to you.

FARMER BLASTING POST HOLES KILLED BY EXPLOSION

George Hunter, aged 76, of Fallbrook, a community about 15 miles from Perth, was almost instantly killed Saturday by the premature explosion of dynamite being used by him and his brother Andrew, to blast rock while making holes for fence posts on their farm. Hunter received terrible injuries to his head and shoulders and was dead when his brother, who was a short way off, reached him.

MUSKRATS FROM ONTARIO SHIPPED TO EUROPE

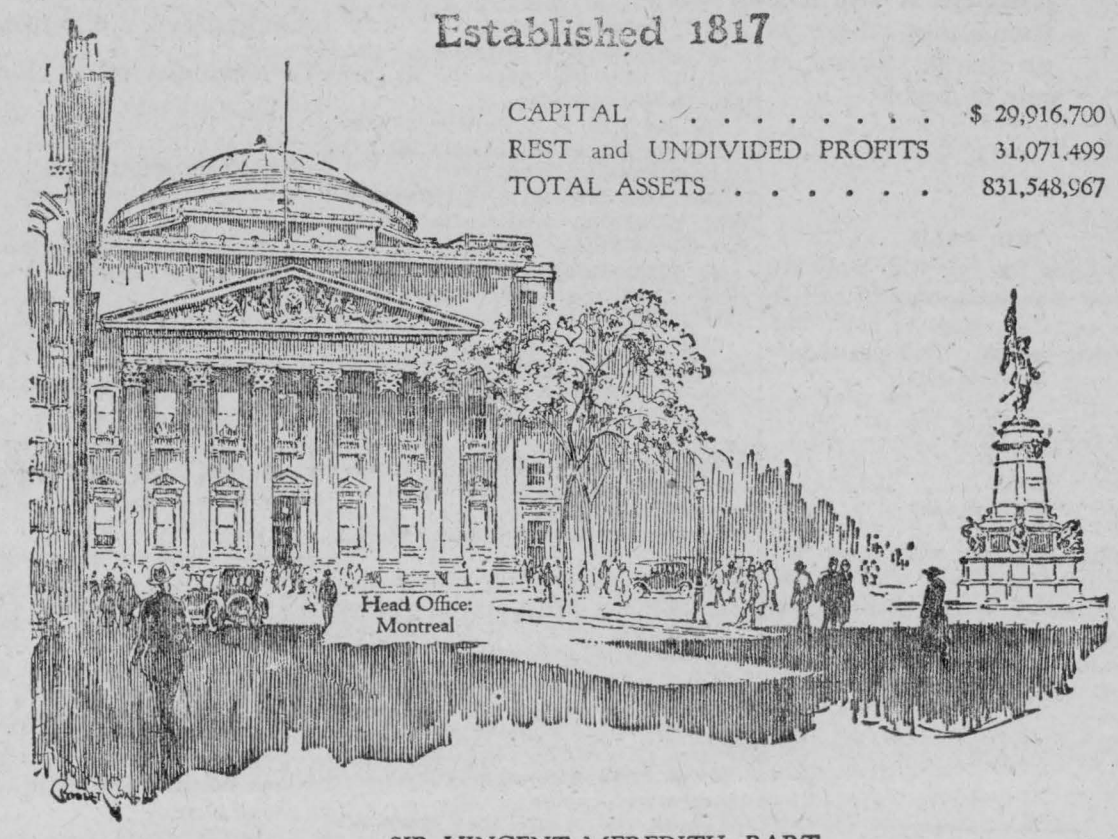

The largest single shipment of muskrats from a Canadian farm to European points has just been carried by the C.P.R. Express on a fast freighter which cleared from Montreal over the week end. The muskrats, which were reared on the farm of Dr. H. A. Nesbitt, north of Lindsay, number 156, and the greatest care is being in Germany, France and Finland in perfect condition.

NO SALARY GRAB

Brantford Expositor—If reports from Ottawa can be relied on, the agitation to raise the sessional indemnity of the members from $4,000 to $6,000 appears to be gaining strength. If so, it is a most unfortunate condition of affairs, and one that will create antagonism and resentment throughout the country.
