## Fire department gives residents $190,000 Christmas gift

WINCHESTER — Santa didn't disappoint the fire department this year as the largest item topping its Christmas wish list rolled into town last Wednesday.

The brand new, state-of-the-art pumper/tanker fire truck is a much-needed addition to the arsenal of three firefighting vehicles, said Fire Chief Peter Grimes. The $190,000 Freightliner replaces a 1974 pumper/tanker co-owned by Mountain and Winchester townships in addition to Winchester village for over 20 years.

"We were worried (about the old truck)," Grimes added. "It never failed us, but we were drastically overweight."

While both the old and new trucks are rated to pump 650 gallons of water per hour, the new vehicle holds an extra 1,900 gallons in its water reservoir. Having the extra amount of water onboard when responding to a fire is a definite advantage, Grimes said.

The new vehicle was financed through village reserves with a $92,000 chunk of the total bill financed from the fire department reserve fund. Most of that money was raised by the fire department through various fundraising events.

"We didn't raise anyone's taxes as a result of this," Grimes said.

The arrival of the truck marks the end of almost a year of planning. The fire department began toying with the idea of replacing the old pumper truck last December.

Through a tendering process, council chose the offer by New Brunswick's Metalfab plant in April.

Four members of the department travelled to the Maritimes last week to bring home the newest addition of firefighting equipment. Before returning home, Brad Holmes, Chief Peter Grimes, Captain Richard Wubs and Stephen LaPorte had to undergo an afternoon training session.

While Grimes admitted the department's 22 firefighters are anxious to use the new piece of equipment, they are hoping that it will be a while before it rolls out of the station.

"People in Winchester can feel a little safer," Grimes said. "This is a nice Christmas present for everyone in the village."

## Holiday scheduling quiet at hospital

**by Lori Culliton**
*Press staff*

WINCHESTER — A hospital is the last place anyone would want to spend the holidays. Because of that, the Winchester District Memorial Hospital will be operating at low capacity over Christmas, since there will be a minimum of patients in the building.

"We're closing the third floor and getting as many patients as possible home for Christmas," hospital administrator Joseline Sikorski told the Press. "We will accommodate what we have to on the second floor."

The sick will be tended to, and the hospital will continue to meet the community's need, Sikorski added, but the patients will all be moved to the second floor of the hospital so that there will not be more staff on duty than needed.

"We don't want to staff more than we have to," she explained. "The fewer patients we have, the less staff is needed. So we are consolidating the patients onto the second floor, so that only one floor needs to be staffed."

This is the first time that such a move has been made by WDMH, Sikorski said. But, she added, most hospitals scale back services over Christmas, due to a lack of patients in the hospital at that time.

"We're making better use of our resources, as we've been trying to do for some time in this time of cutbacks and restructuring," she said. "Why keep it open for the little volume that we have at Christmas time?"

As well, she said, there will be less time-and-a-half paid for workers, as less staff will be needed for the statutory holidays.

"We're using our resources as best we can," she said. "Over Christmas, emergency services will definitely be provided. It's not as if we will turn anyone away because of a lack of beds. Beds will be closed, but if we need to we will reopen them to accommodate the community's need."

The hospital has been developing a strategic plan for the future in the face of provincial restructuring. Sikorski recently appeared before the Hospital Restructuring Commission to present the WDMH restructuring proposal.

"We all have to pull together on this. It's economies of scale," she said. "We will consolidate the patients on one floor, but we won't turn anyone away. It's a way of gearing our thoughts to efficient service."

She added, "We have to live up to our obligation to the community to provide services while protecting our resources by being fiscally responsible."

## Decorative collection grows with the spirit of Christmas

**by Lori Culliton**
*Press staff*

WILLIAMSBURG — Forget Father Christmas — Mother Christmas is living right in Williamsburg.

Bonnie Richmire knows how to get into the Christmas spirit, and she knows how to get others into it, too. For the past three years, Richmire has lavishly decorated her home for Christmas — inside.

"My husband (Maynard) gave me a Santa decoration years ago, and from there a collection just grew," she said. "I keep everything given to me at Christmas time, like tins and decorations. I don't throw out Christmas things."

The Richmire house is so filled with the Christmas spirit, and all things Christmas, that this year she held an open house and has given tours of her home to groups such

as Girl Guides and Brownies. Over 100 people have toured her home this year alone.

"I've always put out lots of decorations, but in the last few years I did a lot more," she said. "I grow a lot of flowers in the spring and summer, and it seems that when fall comes, everything dies. I guess Christmas puts some life back into you again."

To get that life back into her home, Richmire begins decorating as the spooks and goblins disappear from Halloween. She puts away all of her regular decorations in the front room, and goes to work on putting the magic of Christmas into the special room.

With no less than seven Christmas trees in her home, Richmire has collected a variety of ornaments, everything from modern-day cartoon characters on strings to Elvis Presley tree decorations to antique ornaments.

But the most outstanding character in the house is Santa Claus himself. He appears in more than 100 different forms throughout the house. Whether it's Father Christmas, Pere Noel, Kris Kringle or Saint Nicholas, each model is more impressive than the last.

"I don't know what it is about Santa Claus that I like so much," Richmire said.

But after she started collecting Santas, her options of figures and types of Santas kept growing. She has bought different forms of the jolly elf from mail-order catalogues, at various local gift shops and from local artisans.

She has Santas that are hand-carved, hand-painted, hand-sculpted and chiselled. There are plastic ones, and extravagant Santas with real beards, carrying lanterns, toys or holding children. Some beards are made from the fur of llamas, goats and sheep dogs.

One Santa that stands about two feet tall wears a real-looking beard and his coat is made from Richmire's wedding gown. She had identical Santas made wearing her wedding gown for each of her three grown children.

Santa music boxes, snow globes and action figurines sit on shelves throughout the Christmas room, some behind glass. There are antique Santas, and newly designed ones. There's even a truly Canadian Santa playing hockey.

Some of the Santas are jolly and fat, the typical image of the St. Nick who climbs down your chimney on Christmas Eve. But there are Father Christmases who seemingly gaze at you with wisdom and charm from realistically sculpted faces.

The image of Santa Claus also peers out at you from hand-made pillows and knitted blankets, as well as framed cross-stitching pictures hanging on the walls.

Richmire herself has painted over 60 ceramic Santas, and has many more waiting to be done, she said.

"I have Santas from all over Canada and the United States," she said. "I prefer the hand-crafted, one-of-a-kind Santas."

Among the decorations and memorabilia in the tastefully decorated room are a walking stick whose handle is Santa's head and an antique sleigh that is more than 90 years old.

"When, I put everything away after Christmas the room looks naked," Richmire said. "There's no more red and green to brighten it up."

She added, "We don't spend much time in this room, but it's nice to go in there at night when the lights are out, and see everything sparkle."

The people who tour her home are mostly by invitation, but Richmire welcomes anyone who wishes to view her festive collection. All she asks is that people call ahead and make sure she's home first. The phone number is 613-535-2046.

Bonnie Richmire admires one of the seven Christmas trees in her home with her nephew, three-year-old Jole McNalty of Williamsburg. Richmire's vast collection of Santa Clauses and other Christmas ornaments has drawn visitors and spectators to tour her home.

## And the winner is...

A draw was held for the sweater raffle for the House of Lazarus in South Mountain on Friday afternoon. The raffle, held at Country Girl's General Store, raised $341 for House of Lazarus. First prize winner of two handmade children's sweater sets (two sweaters, two hats and two pairs of mittens) was Mary Billings of Mountain. Second place winner of one sweater set was Jamie Sparling of Campbell's Bay, Quebec. Making the draw were, left, Rita Marratt, who knit the sweaters, Shirley Nichol-Scott, pastoral director of House of Lazarus, Brenda Gray, and Gayle Hartling, owner of Country Girl's.

## Osgoode adopts user-pay system

OSGOODE — A user pay program has been approved by Osgoode Township Council. The program for residential and commercial waste collection will begin Jan. 12, 1998.

The bylaw was approved in June of this year. It provided for a new waste collection contractor, Tomlinson Environmental Services, as well as a new expanded recycling program with Laurier Bertrand Inc., contractor, and the implementation of the "tag-a-bag" program.

The new contracts were structured contingent upon reducing the volume of waste through expanded recycling and a user pay program.

"The 1997 average monthly waste tonnage is 450 tonnes and we are targeting an average of 300 tonnes per month for 1998, which reduces the waste collection cost by $54,000," noted Kevin Grace, director of roads and environmental services.

The cost of waste collection that would have been assessed through the tax roll will now be paid through user pay and each taxpayer will be advised of their individual tax saving on the first 1998 tax notice.

The township's consultant has noted that while there are problems associated with the program start-up, such as illegal dumping, residents will benefit from a 30 to 40 per cent reduction in waste volume.

Tags are one dollar each and have been distributed to 25 municipal and retail outlets throughout the municipality. Residents may contact Kevin Grace at the Roads and Environmental Services Department of Osgoode Township at 821-1107 extension 231 if they have any questions.

## New beginnings

As we get set to ring in another new year, an abundance of changes await us on the new calendar.

With government downloading, municipalities amalgamating and new local governments forming, the year 1998 promises be a year of change and, possibly, uncertainty.

Uncertainty as the newly formed local governments, most specifically North Dundas and South Dundas townships, head into the unknown.

Uncertainty as the new townships attempt to break new ground while awaiting the government's announcement of more downloading of services.

Uncertainty as the new municipalities wait with bated breath to find out how the government proposes to help them pay for amalgamation.

And uncertainty as residents wait to find out how much amalgamation and downloading will cost them in taxes.

New challenges await politicians, as they go where no one has gone before. They are making precedents that will be carried on for many years to come. They are guiding the way for future politicians, as well as for citizens who look to them as leaders.

To the leaders of North and South Dundas townships, good luck with your endeavors in the new year. You are making history, and leading the way into the future.

L.C.

## 'Tis the season

Christmas. Crowded shopping malls. Long lineups at every cash. Fighting over the last Tickle-Me-Cookie Monster. Thousands of dollars in debt.

It's not what it used to be.

Without sounding too much like a scrooge, there's no doubt that Christmas is becoming more commercialized every year. Baby Jesus is taking a back seat to Santa Claus and this is becoming an alarming new tradition that goes far beyond adage: "It's better to give than receive."

However, amidst all of the hustle and bustle of the season, believe it or not, the true meaning of Christmas is not entirely lost. It is still out there, we just have to open our eyes a little wider to see it.

A prime example was the Christmas Posada on Sunday evening here in the village. Members of the community, both young and old, braved frigid temperatures to celebrate the birth of Jesus by parading down the streets, torches in hand, singing carols.

It was a beautiful scene symbolizing Mary and Joseph's journey to Bethlehem.

Gone were the ringing cash registers, the long lineups, the drowned out Christmas music that is piped through the speakers of every retail outlet.

That's right, this Christmas symbol wasn't measured in dollars and cents. It was symbolized by family, friends and neighbors sharing and enjoying time with each other.

It was the true meaning of Christmas. One that seems to be slipping away every year. This is not supposed to be a stressful or financially taxing time, but one of relaxation and celebration of life and family.

After all, don't they call this time holidays?

It's due time that we as human beings stopped to rethink what Christmas means to us.

And all too often we don't have to look under the Christmas tree to find the answer.

Merry Christmas!!!

J.B.

The Winchester Press was hiking its newsstand price in the new year. A yearly subscription would cost 50 cents more, a total of $3. Over-the-counter sales would also jump from a nickel to 10 cents. The increase marked the first time the cost of the paper had been raised in seven years. The soaring cost of newsprint was cited as the impetus behind the price change.

It was standing-room only in the gymnasium of Winchester Public School for the annual Christmas concert. Students sang Christmas Carols in addition to putting on a stage production.

### *1967*

A former Winchester man found his calling with Avon. Fred Fusee was elected president of the home cosmetics company. A graduate of the University of Toronto, Fusee joined Avon in 1945. After serving in various sales capacities, he was elected vice-president of sales in 1962.

Mother Nature wasn't co-operating with area outdoor rinks. The warm weather trend the past few years, left some eager skaters off the ice rinks until the new year. But things were looking a little brighter. Many local communities had plans in the works for artificial ice rinks. While Morrisburg was the only village with an artificial ice plant, the communities of Winchester, Metcalfe and Osgoode were cashing in on the government's Centennial Arena projects to construct indoor rinks.

Morewood was marking its centennial and the village was buzzing with celebrations. Residents left festivities until the last month of the year, which included many social gatherings.

Winchester was all decked out for Christmas. Homes on every village street lit up the night sky making it what one reporter dubbed, "A photographer's dream."

### *1977*

Although the Ministry of Transportation and Communications was bending over backwards to keep the peace with the Ste. Regis Mohawks, Chief Lawrence Francis stressed that his band opposed any reconstruction of Highway 31 over an ancient, Indian site near Williamsburg.

Plans for a $13 million channelization and dredging project for the Nation River was sitting before the provincial cabinet at Queen's Park awaiting approval. South Nation River Conservation Chair, Cecil McNabb said the project, which was expected to be carried out over a five-year period, included channelization at Brinston and Plantagenet and a new dam at Spencerville.

A 56-year-old Morrisburg man who was thought to be hitchhiking, was killed instantly when struck by a south-bound vehicle on Hwy. 31. Douglas Rupert of RR1, Morrisburg was pronounced dead at the scene.

A penalty-infested match saw the Metcalfe Jets edge the Alexandria Glens by a 7-5 margin. With the just over 10 minutes left in the final frame, Metcalfe's Tom Racine knocked Leo Seguin out cold which sparked a bench-clearing, stick-swinging brawl. Jet Greg McLaren was sent to hospital as a result of the incident. When the teams finally resumed the match, Alexandria did grid lock the match at 5-5 but Jeff Holmes put Metcalfe out in front for good with his bullet. Dale Carson potted the insurance marker to salt the victory.

A man who gave up an acting career to become a farmer, turned out to be the big winner at the Kemptville Agricultural College's Awards extravaganza. Jean-Marc Leclerc, a three-year graduate of the National Theatre School of Canada, was awarded the Barr Memorial Scholarship for academic proficiency, the Smiths Falls Rotary Club Award for agricultural engineering and the G. Howard Ferguson Award for general proficiency in all subjects.

Although the Toronto postal strike hadn't affected the flow of mail in Eastern Ontario, the volume of Christmas mail was down over previous years, reported Postmaster Wilfred Loverin.

The Ministry of Education's provincial fact-finding mission to aid contract negotiations with its teachers wasn't functioning properly, said Stormont, Dundas and Glengarry Director of Education Rosaire Leger. Leger, who says the fact-finding terms of reference should be clarified by the ministry, complained to the provincial Education Relations Commission about the fact-finder's role in elementary school contract talks.

### *1987*

Osgoode ratepayers weren't hit with an expected $1 million tax hike, thanks to a Ministry of Education decision to settle a long-standing dispute over Carleton Board of Education back taxes.

Osgoode treasurer, Don Reid expressed relief over the ministry's decision. "The impact on the ratepayers would have been tremendous," he said. Had the same assessment carried through from 1984 until now, the cost would have been over $1

million." Asking township ratepayers to cough up over $1 million was not practical, said Mayor Albert Bowers.

For hundreds of area residents who lined the route of the Olympic torch relay, it was the spirit of sharing the flame that brought them out to watch history in the making. A number of local runners carried the torch on different sections of its journey along Hwy. 401. The flame's cross-country journey began in Newfoundland and travelled the Trans-Canada Highway until reaching Vancouver, before it headed to Calgary for the Olympic games.

Four Osgoode-area teens were hurt in a crash on Regional Road 6 near Metcalfe. A west-bound Jeep driven by Brad Fisher went out of control as it tried to negotiate a curve. Andy Morrow, Tina Zanutta and Lisa Gemmill were also hurt in the mishap.

# Hair today, gone tomorrow

*I do not consider myself bald.*
*I am simply somewhat taller than my hair.*

***Anon***

Let me throw some names at you: Sean Connery. Donovan Bailey. Patrick Stewart. Michael Jordan. George Foreman. Sinead O'Connor. Mark Messier. Evander Holyfield.

Notice anything those folks all have in common? It's more what they don't have in common: scalp foliage. Dome fur. Head hair. Every person on that list sports a noggin as naked as a cue ball in a wind tunnel.

Not only are they bald — several of them are voluntarily bald. Basketballer Michael Jordan, singer/nutbar Sinead O'Connor and hockey legend Mark Messier could still put away their gillette razors and grow bushels of hair if they cared to. They don't.

They opted for baldness.

Finally! After centuries of bad jokes (not to mention wretched wigs and toupees) — bald is chic.

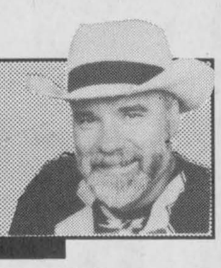
And not just with human skulls. What's the trendiest building an upwardly mobile metropolis can throw up these days? A dome! Seattle's got the Kingdome.

Houston has the Astrodome. Here in Canada, Toronto and Calgary boast the Skydome and the Saddledome respectively.

I tell ya, for a guy who's had a wide part in his hair since before Wayne Gretzy could skate, these are, um, heady times to live in.

Seems like just about everybody's trying to be bald these days. Where I live, the hit of our Fall Fair last September was Bevan the Barber. That's because he showed up, clippers in hand, and proceeded to shave the heads of our entire fire department and police detachment. Every officer (men and women) cheerfully agreed to have their heads shaved to raise some money for charity.

**Basic Black**
**by Arthur Black**



Now, there was a time not so very long ago when all of those folks would rather have lost an arm than appear bald in public, but no more. Bald is in.

Glory be.

You can't imagine how sweet this latest fashion development is for those of us who have had to go through life as 'follically challenged' persons.

Oh, it's not being bald that's bad. That's easy. The hard part is the lame jokes we have to endure from our fur-infested, less-evolved brethren.

"Hey, baldie...is that really your forehead or did someone forget to turn a floor lamp off? Heeyuk."

"Don't walk too close to the budgie cage. He'll think you're the egg that got away! Har har!"

"Hey! Izzat the top of yer head or didja clear a runway for mosquitoes? Nyuk, Nyuk!"

The bummer is, no matter how dumb the joke may be, bald guys are expected to react like they've just heard a killer one-liner from Dave Letterman. Otherwise you get branded as a poor sport.

Am I bitter? Nah. I'm just sorry it's taken the rest of mankind so long to figure out something we 'natural' baldies have known for years:

- that what's hair today can be gone tomorrow.
- that we're not going bald: we're gaining face.
- that a bald man is an honest man — you can see he's got nothing to hide.

Take it from a guy who's medicine cabinet is free of mousse and hair gel and expensive, useless hair restorers — balder really is better.

No fuzz — no bother.

# "All I Want For Christmas Is..."

*In the spirit of the season, we're pleased to present letters from our young readers to Santa.*

**Dear Santa and Mrs. Claus,**
We are wondering how you and your elves are doing this year? My name is Cory. I am 12 and I am writing this with my brothers, Micheal, 7 and Jamie 5 years old. For Christmas this year Micheal would like a farm playset and a Ford F-150 toy truck with a plow. Jamie would like a fiddle and a remote control monster truck. Oh yeah, I would like a Death Star playset and a Star Wars Boba Fett 16', Micheal would also like his two front teeth, if you can do that.
**Love, Cory, Micheal and Jamie**
**P.S.** Write back! We will leave something for you and your reindeer.

**Dear Santa,**
My name is Josée Coulthart. This is a letter to tell you and the little elves what I would like for Christmas. I would like a Nano Baby, a baby doll, Star Castle, Polly Pocket House, jewelry and real makeup, toy trucks, crafts and Dalmatian toys.
Thank you.
**Love, Josée Coulthart**
**P.S.** Also put surprises in my stocking.

**Dear Santa,**
Thank you for last year's stuff.
Hi my name is Carly Gilchrist. I'm in 4th grade and I'm 9 years old. Please try to leave some grooming tools for the horses and leave something for our little kitty in the barn. This year I would like Horse Carry Case set, Jumping Academy play set, Sound 'n Action 12" tall stallion, Mare Sound 'n Action with Foal, Barbie Nibbles horse or any kind of Virtual pet. Any one of these would be fine.
**Love, Carly Alexandra Gilchrist**

**Dear Santa,**
My name is Dawson Gilchrist, Grade 1. Thank you for all the presents you ever gave me. This year I want a talking Wish Bone Blaster, Chain Driven Racer, Star Wars, Lego and X-Man. Thank you.
**Dawson Gilchrist**

**Dear Santa,**
My name is Dylan. I am almost 5 years old. I have been a really good boy this year. I'm not too sure about my sister, Danielle. She just turned two. She always follows me around.
There are only two things that I would like for Christmas. Alan, from the movie Jurassic Park and a dinosaur (velociraptor - the one that eats people). Daddy said he would not put on a fire, and that he would leave the wood stove door open so that you can get into our house.
**Love, Dylan Fawcett**
**P.S.** I left you your favorite cookies (chocolate chip). Do you think you could leave something for Danielle so she stops following me around?

**Dear Santa,**
Hi, my name is Jordan Sypes. I am four years old now. How have you been this year? I'm good, but I'm really getting excited for Christmas to come. I hope your reindeer and elves are fine too. This year for Christmas I would really like just one thing, a choo-choo train, but if you don't bring me one that's okay. I have lots of toys anyway.
Santa I wish I could share my toys with children who don't get anything Christmas morning. That makes me feel real sad.
**Love Jordan Sypes**
**P.S.** I will leave you something different this year. It's my favorite food, a pogo. Bye Santa, I love you!

## To Residents of Osgoode Township
# Tag-A-Bag Program

Effective **January 12, 1998**, all residential/commercial waste placed at the curb will require a tag ($1.00 each) for pick up by the Township Waste Collector, Tomlinson Environmental Services.

One tag is required per bag, container or small bulky item and each can weigh up to 50 pounds.

Larger items (greater than 50 pounds) may be disposed of at the Springhill Landfill Site through the use of a landfill site pass (one per year available to each household) which can be obtained at the Roads and Environmental Services Garage at 2481 Scrivens Drive.

Your recyclables DO NOT require a tag. Refer to your "Beside & Inside Card' (distributed earlier) for a complete list of materials included in our expanded recycling program. Maximum recycling will reduce your waste collection cost.

Tags have been distributed to municipal and retail outlets for sale as indicated in this notice.

**No matter where you're headed, when you drink and drive any road could lead to a dead end. Statistics show that even one drink can impair judgment and reflexes, so all it takes is one driver who's had one drink to set the scene for tragedy. Make sure your holiday season has a happy ending. If you plan to drink, ask a friend to drive. Do not drive yourself. We want you to have a wonderful, safe Christmas. Please don't ever drink and drive.**

# Farm update

## Lang toutes benefits of Canadian genetics throughout the world

**by Dianne Fetterly**
*Agricultural editor*

*Bob Lang*

WINCHESTER — International Livestock Management Schools (ILMS) general manager, Bob Lang spends a great deal of time promoting Canadian genetics abroad.

"The key (to ILMS's success) is being able to share experiences and 'smarts'... To be able to convince people from other countries that they have the guts to make changes," Lang told a group of farmers attending the Dundas Soil and Crop Improvement Association's annual meeting Dec. 11 in Winchester.

Operating since 1985, the ILMS trains representatives of other countries in basic livestock management. Animal husbandry, proper milking and feeding techniques, cow comfort and marketing are just some of the skills taught. The school even teaches students about pride of ownership and demonstrates how embryo and semen programs can work for them.

"You can take the best animals in the world to underdeveloped countries, but they won't do well without proper management. So (ILMS) decided to transfer the skills it takes to manage these animals," Lang explained.

Over the years, the ILMS has established schools all over the world. It has trained 2,200 people, who returned to their homelands to train others.

**GROWING MARKET**

According to Lang, more than half of Canadian farmers' income is generated from export markets. Part of his job is to expand and maintain these markets and promote Canadian genetics abroad.

Because Canadian cattle, swine, sheep and goat genetics are some of the best in the world, other countries realize that if they come to Canada they can have these genetics, Lang said.

"If you were to see the Holsteins of today as opposed to the Freisens of a decade ago in some of these countries, you would see huge improvements. Today's cow produces twice the milk, twice the protein and more income.

The livestock school's trainees come to Canada for the opportunity to work with our farmers on an economical viable business," he added.

## Duke sisters represent DJF at provincial show

**by Patty Duke**

LINDSAY — The past few months have been very busy for the Dundas Junior Farmers.

In Early October Patty and Tammy Duke travelled to Lindsay to participate in Autumn Profile. Tammy was a committee member and a competitor and Patty was a competitor as well. Patty received eighth place in the provincial judging competition held during the event. The dairy and beef heifer competition began with showmanship classes where Patty placed sixth in junior showmanship and Tammy was fifth in the novice showmanship class.

In conformation Patty placed first with her junior yearling Hereford heifer, JDK Faith 401 and second with her senior yearling Hereford, Elm-Lodge Fashion. At an awards banquet following the competition it was announced that Patty was the fifth highest scoring member overall.

In November the Dundas Junior Farmers organized a farm tour for Morewood Brownies, Sparks and Guides. The day began with a visit to Kevlyndale dairy farm in South Mountain and after a lunch break, visited Brian MacIntosh's ostrich farm.

The Dundas Junior Farmers are still very busy preparing for their New Year's eve party to be held at the Winchester Arena. As well the Ontario fundraising committee has lottery calendars for sale for $20, with a one in five chance to win. Tickets and calendars are available by calling 448-3497.

For anyone interested in joining the Dundas Junior Farmers, the sign-up meeting is planned for Tues., Jan. 6 at the Winchester Public School gymnasium beginning at 8 pm. Anyone aged 15 - 29 is welcome.

# 4-H update

## Chesterville Snack Force wraps up

**by Emily and Laura Vingerhoeds**

CHESTERVILLE — The fourth and fifth meetings of the "Healthy eating around the clock " club were combined on Nov. 29 at the community hall in Chesterville.

During the meeting we made pizza pockets but our pizza dough didn't turn out so we purchased some from the Heritage Cafe.

The sixth meeting was held along with achievement night where we welcomed our families as guests. We opened the meeting with the 4-H pledge and the roll call. Valerie, Laura and Miranda gave a demonstration of the fruit smoothie and Pam and Robyn gave a demonstration of fruit dip. Both were delicious.

There was a quiz and we received our certificates. We thanked our leaders Mrs. Hoople and Mrs. Szini for all their work and Emily organized the door prizes. We adjourned the meeting so we could enjoy the refreshments made by using the 4-H recipes.

## Ormond club attends presentation

**by Christoper Toonen**

ORMOND — Members of Ormond 4-H project "Working with Wool" attended a presentation on elder abuse on Nov. 18 in Vernon.

Members have started to knit teddy bears for the Alzheimers Society. On the weekend of Dec. 13 - 14 several of the finished bears were on display at the Nor Dun Seniors Support Centre in Winchester for the arts and crafts show. Crafts show organizer Joan Hopkins, of Colour Wheel Studio in Chesterville, donated table space to 4-H members for the project.

Members of both the North Dundas Novice and Atom Demons were introduced prior to Friday night's (Dec. 19) Junior "B" game between the Ottawa West Golden Knights and Winchester Hawks. Both Demons teams have qualified for their respective North American Silver Stick Tournaments. Santa Claus also paid a visit to the arena as part of the Hawks' annual "Minor Hockey Night."

# Hawks rebound, win Boxing Day berth

WINCHESTER — The week before Christmas has been a week of highlights for the Winchester Hawks.

Last Tuesday (Dec. 16) hometown boy Tylor Copeland joined the Hawks and helped the team qualify for the 1997 Eastern Ontario Junior "B" Hockey League's annual Boxing Day Tournament. Copeland drew an assist in an important 8-5 victory over the 73's in Kemptville. That win put the Hawks into the annual Christmas classic, which will be play right here in their own rink.

Friday night (Dec. 19) the Hawks hosted the Metro Jr. "B" Division's Ottawa West Golden Knights in their annual NDMHA Minor Hockey Night and skated to an impressive 7-3 win.

Sunday afternoon (Dec. 21) the Winchester bus stopped in Clarence Creek and the Hawks thumped the Metro Division's Beavers 8-3 and improved their St. Lawrence Division second-place record to 19-9-0.

Winchester's three victories helped them forget back-to-back losses to the Char-Lan Rebels (16-9-3) and first-place Alexandria Glens (20-5-5). The new win-string also has seen the club's offence redevelop. In their last three outings the Hawks have out-scored their opponents 23-11.

**BOXING DAY**

Winchester general manager Bill Wammes announced Monday (Dec. 22) that he has lined up three former members of the Hawks, now playing in the OHL, for a special introduction prior to the Hawks game on Boxing Day (Dec. 26) against the Renfrew Timberwolves at 2 pm.

Matt Carkner of the Peterborough Petes, Warren Holmes of the Oshawa Generals and Nick Grady of the Barrie Colts are home for holiday season and will make an appearance at centre ice.

**AFFILIATIONS**

Wammes also reported he has come to an agreement for affiliating several of his players with Central Junior "A" Hockey League clubs. All three are Winchester residents.

Tylor Copeland, 18, remains affiliated with the Gloucester Rangers, the team he started the season with.

Rookie goalie Gregg Griffith, 15, is now affiliated with the Gloucester Rangers and is available to play with the Tier One club.

Rookie defenceman Sean Williams, 17, is affiliated with the Cumberland Grads and played with them on Sunday (Dec. 21) and earned an assist in a 4-2 loss to Gloucester.

Wammes also noted a deal which sent forward Sylvan Favreau to the Hawkesbury Hawks for future considerations was worked out last week.

**THREE WINS**

Winchester rebounded from weekend losses to Char-Lan and Alexandria and defeated the 73s 8-5 in Kemptville last Tuesday (Dec. 16) to qualify for the Boxing Day Tournament.

Tylor Copeland signed hours before the game and picked up an assist in his first game as a Hawk.

Kemptville had Jr. "A" players Andrew McVey and Derek Hutt in their line up as they grabbed a 2-1 first-period lead. Winchester battled into a 4-4 tie in period two and iced an 8-5 win on third-period goals by Jason McKenzie, Jeff Leonard (2) and Eric Nadeau.

Leonard (2), Derek Nadeau (2), McKenzie, Eric Nadeau, Craig Holmes and Ryan Nichol counted the Winchester goals. Anthony Calhoun posted the win and stopped 24 of 29 Kemptville shots in the process. Nichol (3), Shayne Stroughair (3), Rob Raistrick (2), Jason Desormeaux, Serge Bellavance, Eric Savard, McKenzie, Copeland and Eric Nadeau earned the assists.

Mike Hartman, Josh Dixon, Andrew McVey, Jason Valcour and Dave Weagle replied for Kemptville. Goalie Tim Craig stopped 40 of 48 Winchester shots.

Winchester took seven and Kemptville 6 minor penalties.

**HAWKS 7 - KNIGHTS 3**

The Desormeaux brothers, Jason "Pitt" and Rob "Rat", squared off in Friday night's match. Jason and the Hawks emerged from the contest as 7-3 winners over Rob and the Ottawa West Golden Knights.

Ottawa led 1-0 after a period but were down 4-2 after 40 minutes and 7-3 at the buzzer.

Veterans Ryan Nichol and Shayne Stroughair each potted a pair for Winchester. Jason Desormeaux, Chad Barnhart and Eric Savard supplied the singles. Nichol (3), Leonard (3), Ryan Simpson (2), Rob Raistrick, Desormeaux and Stroughair picked up the assists and Gregg Griffith posted the victory working the nets. The Hawks drew eight minor penalties.

Mike Stantes, Brandon Deaves and Tom Lenny were the Ottawa West scorers.

Winchester's "Subway Players of the Game" were Gregg Griffith and Shayne Stroughair.

**HAWKS 8 - BEAVERS 3**

The hometown Beavers bounced out to a 3-1 first-period lead in Sunday afternoon's tilt and were still up 3-2 after 40 minutes. Winchester exploded for six third-period goals on the way to their 19th victory.

Gregg Griffith was back between the pipes for the match and turned in his second consecutive winning effort.

The Nadeau's, Eric and Derek, along with captain Jason McKenzie each pegged a pair of goals for the Hawks. Serge Bellavance and Jason "Pitt Desormeaux slapped in singles. The set-up men were Chad Barnhart (3), Desormeaux (3), Eric Savard (2), Copeland (2), Craig Holmes (2), Dave Summers (2), Bellavance and Derek Nadeau.

The Hawks drew eight and the Beavers 10 minor penalties.

Daniel McKinney scored twice and Carl Fournier once for Clarence Creek.

Winchester's "Subway Players of the Games" were Gregg Griffith and Jason "Pitt" Desormeaux.

# Glens, Jets to kick off Boxing Day tournament

WINCHESTER — Two of the Eastern Ontario Junior "B" Hockey League's winningest hockey teams will kick off the 1997 Boxing Day Tournament.

The St. Lawrence Division-leading Alexandria Glens (20-5-5) and the high-flying Metcalfe Jets (14-8-1), second in the Metro Division, will open the day's schedule when they meet in the 9 am contest.

In game two at 10:30 am the Westport Rideaus (14-11-2) of the Rideau Division will meet the Arnprior Packers (16-7-1) of the Valley Division.

The tournament, being hosted by the South Grenville Rangers, will be opened in a noon-hour ceremony and official face off.

In game four the Voisin de Papineau of Buckingham - Metro Division (18-4-0) will meet the South Grenville Rangers (10-13-4) of the Rideau Division. The puck drops at 12:30 pm.

The home-town Winchester Hawks (19-9-0) take to the ice at 2 pm in a confrontation of St. Lawrence and Valley Division clubs. The first-place Renfrew Timberwolves (18-6-2) will provide the opposition.

**STARS ON ICE**

Three former members of the Winchester Hawks who are currently playing Major Junior "A" hockey in the OHL will make an appearance before the Winchester - Renfrew game. Winchester's Warren Holmes of the Oshawa Generals, the Barrie Colts's Nick Grady of Berwick and Morewood's Matt Carkner, who is now a member of the Peterborough Petes will be introduced.

# Atom As four for four

KEMPTVILLE — Ben Barker scored an unassisted goal 9:30 before the end of the game and his effort proved to be the winner as the North Dundas Atom "A" Demons nipped the Kemptville Panthers 2-1 in an Upper Canada Minor Hockey League match played on Dec. 13.

The road victory finished off a four-game win string the club has put together. Over the four matches the Demons goaltending duo of Craig Moran and Matt Bird gave up just three goals and shared a shutout as the team out-scored the opposition by a 10-3 margin.

Tory Baldwin converted a play started by Matt Davis and Adam Guy into a 1-0 lead for North Dundas at 3:40 of the first period but Kemptville's M. Muntean tied it up at 1-1 with 6:10 left in period two.

Baker's play then turned the decision in North Dundas' favor 9:30 before the final whistle.

Mitchell Scott scored from Baker with 1:37 left in the first period of a Dec. 3 game in Char-Lan and the Demons skated on to a 3-1 victory over the Rebels.

The Rebels evened the count at 1-1 when Alain Lalonde scored at 8:36 of the third period but the Demons bounced back and scored twice and left Williamstown with a 3-1 victory.

Travis Armstrong used a feed from Dale Dellaire and snapped the tie at 6:17. Tory Baldwin insured the victory when he connected on a solo effort at 2:16.

North Dundas kicked off the month of December nipping the Morrisburg Lions 2-1 in Winchester.

Dale Dellaire put North Dundas into a 1-0 lead scoring from Travis Armstrong with 6:30 left in period two. Morrisburg tied the game at 1-1 when Dave Patterson took a pass from John Bongers and scored with 1:42 left in the same frame.

Armstrong got on the scoresheet again when he came up with the winning goal finishing off a play started by Dellaire and Adam Guy at 8:56 of the final frame.

Goalies Moran and Bird combined for a perfect game in Maxville on Nov. 27 as North Dundas blanked the NGS Braves 3-0.

# Sr. Devils lose heart-breaker to Panthers

CORNWALL — A last-minute bucket by Winchester's Aaron Lannin opened up a 49-48 lead for North Dundas but as the seconds ticked off the game clock their slim edge vanished.

Justin Ledoux then iced a thrilling come-from-behind victory when he laid in a buzzer-beating field goal to lift the SJSS Panthers to a 50-49 decision.

The SJSS Panthers missed a late foul shot and a fragile Senior Devils lead seemed secure. But when John Fraser put down the rebound on the free throw, the host school had their first lead (48-47) with 0:31 left on the clock. Lannin then gave the Senior Devils a 49-48 advantage only to have Leroux jam down the deciding deuce as the final buzzer sounded.

North Dundas led the "AA" SD&G senior boys contest 12-4 after the opening period, 31-15 at the half and 37-32 at three-quarter time. A big final quarter push provided the Panthers with their 50-49 victory.

The loss dropped the Devils record to 0-2-0. It was the first game and first win for the Panthers.

Sean Campbell (14), Nathan Keir (12) and Evan Porteous (8) were the top three North Dundas shooters.

The Panthers were led by 6'7" first-year centre Brendan Shoniker who hooped 14 points and veteran Ledoux who nailed a game-high 16 points.

**COMPLETE SWEEP**

St. Joseph's took all three games as the Midget Panthers chewed up the little Devils 45-26 and the Junior Panthers converted 18 free throws into a 56-47 win over the navy and white juniors.

B.J. Pekley led the Midget Panthers to victory scoring 15. St. Joe's led 21-15 at the half. The Panthers stand at 1-0-0 and the Devils got to 0-2-0.

The St. Joe's juniors enjoyed a productive day on the foul line registering 18 points on their way to a 56-47 victory. Their leading scorer, A. Plattier, nailed eight one-point buckets and finished the match with 25 points.

The Panthers led 12-2 after a quarter and 25-20 at the half. It was 39-26 at three-quarter time.

North Dundas, sparked by a pair of three-pointers by Adam Larose, rallied in the final period rattling 21 points through the SJSS ring but came up 11 points short.

Larose drained 13 points in the fourth quarter and finished the contest with a trio of "tres" and a total of 16 points. Dave Summers (10), Isaac Campbell (4), Scott Adams (4), Kevin Gray (4), Jordan Guerts (4), Jordan Dale Hill (3) and Brent Porteous (2) all put their names on the NDDHS scoresheet.

The Devils next see action at NDDHS in the new year (Jan. 8) when they play host to the GVSS Vikings.

# Shelp scores five on Rams in 6-5 final

WINCHESTER — When the Funtastic Pools Flyers need goals they call on the Winchester Town Hockey League's top scorer, Darrell Shelp.

The league's number-two ranked squad required goals in last Tuesday's game against the Boyd Chrysler Rams and it was Shelp who carried them from a 3-1 first-half deficit to a 6-5 victory, netting five goals.

In the other half of the Dec. 16 twin bill the first-place CountryBoy Kings improved to 9-1-2 with a 6-1 decision over the third-ranked Country Kitchen Stars (4-6-2).

Rob Gourgon put the last-place Rams (1-11-0) up 1-0 scoring from Chris Williams at 23:16. Mark Guy made it 2-0 with his unassisted goal (14th) at 16:43. Funtastic cut the lead to 2-1 2:31 before the intermission when Shelp connected for his first of five markers on a play engineered by Tim Beach and goalie Ben Henry but the Boyd Chrysler crew jumped into a 3-1 lead at the 1:07 mark when Gourgon scored from Mark Guy and Williams.

Funtastic scratched their way back into the game with goals by Shelp (assisted by Derek Hyndman) at 16:30 and George Michaels (assisted by Karl McRoberts and Shelp) at 15:19 and once again the Rams gained the lead. Tim MacLean's unassisted marker at 14:01 made it a 4-3 contest.

It remained 4-3 until Shelp whipped in his third and the tying goal finishing off a play started by Hyndman 5:35 before the end of the game. He netted his fourth on an unassisted play at the 4:11 mark and opened up a 5-4 lead.

Mark Guy (assisted by Gourgon) lifted the Rams into a 5-5 tie scoring his 16th of the season with 2:25 left on the clock but Shelp broke the deadlock (6-5) blasting in another feed from Hyndman 1:36 before the buzzer.

**KINGS 6 - STARS 1**

Craig "JB" Smith lowered his GAA to 2.50 backing the Country-Boy Kings in a 6-1 decision over the Country Kitchen Stars.

Chad Benoit (assisted by Keith Moore) broke up Smith's shut-out bid scoring the lone Country Kitchen goal at 15:36 of the opening half.

Randy McLeod scored once in the first half and twice in the second session to pace the CountryBoy offence. McLeod has scored a dozen times and moved into sole possession of second place in the scoring race with 24 points.

Scott Barkley, Don "Bush" Crowder, and Jeff Williamson rang up the other goals. Assists went to Gary Beisheim (2), Dave VanDelst (2), Rod Bowman and Williamson.

# Quinn nets winning goal

WINCHESTER — Kelly Quinn's goal 3:35 before the half stood up as the Nighthawks edged the KayTab's Roadrunners 2-1 here in Saturday night Winchester Ladies Broomball League action.

Debbie Ledger turned a play started by Glenda Helmer into a 1-0 lead at 19:38 of the first half of the match for the Roadrunners. But the Nighthawks were able to net two goals before the intermission and hold on for their one-goal (2-1) win.

Stephanie Hunt tied the game when she scored from Carol Windsor and Linda Klein-Swormink at 10:42 and then Kelly Quinn popped in Shelley Melenhorst's pass to win it 3:33 before the half.

In the other half of the twin bill the Phantoms (5-1-1) got three assists from Chris Rombough as they edged the Seaway Valley Devils (0-5-2) 3-2.

It was 1-1 at the half as Chris Rombough set up Kelly Rombough at 8:31 to put the Phantoms on even terms at 1-1. Wendy Jacques (assisted by Lisa Labelle) opened the game, scoring for the Devils at 21:37.

Wilma Teplate (assisted by Rombough) made it 2-1 for the Phantoms at 15:51 of the second half and Dianne Gallinger (assisted by Rombough and Laura Workman) upped the count to 3-1, scoring 8:19 before the half.

Candice Legault managed to put the final Devils goal into the Phantoms net 2:23 before the end of the game to close the final gap to 3-2.

# Rebels ground Jets

WILLIAMSTOWN — An early third-period goal by Rebels' sniper Dave Campbell here Friday, stopped the Metcalfe Jets' winning streak at nine games.

Char-Lan edged the high-flying Jets 4-3 in the first matchup of the two-game St. Lawrence - Metro divisional battle.

The Rebels drew first blood in what turned out to be a surprisingly quiet game on the penalty side of the scoresheet. With just over four minutes gone in the first, Ian McConnell potted the go-ahead goal when he converted a setup from teammates Tim O'Shea and Kevin O'Farrell.

Char-Lan extended its lead to two goals before the Jets battled back in the middle frame.

Don Meisner narrowed the gap to one just 45 seconds into the period when he took a pass from linemate Steve James and buried it behind netminder Tom Payment. Meisner recorded his second point of the evening when he set up Garnet Walker with just 30 seconds remaining in the period, for a 3-2 Char-Lan lead.

In the third, Kevin Collins found the twine but Campbell's goal turned out to be the deciding factor.

**JETS REBOUND**

Metcalfe regrouped and got all of their top guns firing Sunday at home as the club doubled Morrisburg 10-5.

Ten Jets helped with the offensive explosion that included a five-goal first period. Morrisburg was the first to break the scoreless grid lock early in the opening tally and did retake a one-goal lead at midway point of the period, but that would be as close as the club would get.

Metcalfe swarmed netminder Terry Gilmer and potted for four goals in the final half of the opening frame, heading into the dressing room with a 4-2 lead.

The Lions and the Jets traded markers in the second, but Metcalfe netted another four in the final frame for the win.

Jeff Dams and Dan Chretien recorded the most output with matching two-goal,two assist efforts. Don Meisner added two and one helper while Brian Hickey added a pair to his statistics. Yves Potvin also recorded three helpers.

Jets claw Lions in offensive shootout in Metcalfe Dec. 21

The win didn't move Metcalfe closer to division-leading Buckingham, but it did strengthen the club's hold on second place to six points over South Ottawa, heading into the Christmas break. The Jets now have 30 points on the season from a record of 14-8-1.

# Dearing nets five for Demons

SPENCERVILLE — Kyle Dearing scored five times and drew one assist as the North Dundas No. Three Atom "C" Demons skated to a 6-2 Upper Canada Minor Hockey League victory over the South Grenville No. One Rangers.

Dearing opened up a 1-0 lead scoring at 6:45 of the first stanza of the Dec. 15 contest. The Rangers were quick to tie it on a Stephen Prosser marker 2:45 before the buzzer.

Dearing netted his second when he finished off a play engineered by Carl Tuck and Aaron Levere with 3:40 left in the second session.

Dearing cracked in goals at 8:22 (assisted by Levere and Dan Lapier) and 4:47 (assisted by Nick Marion and Troy Stewart) of the final frame to increase his team's lead to 4-1.

Lapier made it 5-1 using a pass provided by Dearing and Levere at 2:20 and Dearing finished off the scoring clicking on a play masterminded by Lapier and Matt Holmes. Dearing's fifth goal went into an empty net with 0:27 left on the clock.

The second South Grenville goal came off of Ryan Scobie's stick 1:26 before the final buzzer.

# Nighthawks tie

OSGOODE — An overtime goal by Ulreke Kruger kept the Osgoode Nighthawks on top of the Osgoode Ladies Broomball League.

Carol Windsor set up the play and Kruger finished it off (8th goal) in the extra period as the league's first-place club, the Nighthawks, came back to tie Kemptville 1-1.

Kemptville got on the board first when Trudy Corvenelli turned a relay from Nancy McDiarmid into a 1-0 lead with 2:26 left in regulation time.

Sherry worked the Kemptville nets (12-2-1) while Debbie Hunt guarded the string for Osgoode (13-1-1).

The Outcasts (4-11-0) used solid goalkeeping by Alice Kelleher and a goal by Erin Comerford to nip the Red Dot Cafe (0-15-0). Chris Kemp set up the scoring play at 9:35 of the first half. Mattie Whelan was the Red Dot goalkeeper.

Kim Norman posted the third shutout of the evening when she backed the third-ranked Sweepettes (10-5-0) in a 1-0 decision over Boyer's Prescott Road (5-10-0). Cindy Ace scored the game-winning goal (12th) on a play engineered by Glenda Helmer at 13:56 of the first half.

# Atom C Demons double Panthers in Kemptville

KEMPTVILLE — Carl Tuck netted a pair of third-period shots and led the visiting North Dundas Atom "C" No. Three Demons to a 4-2 Upper Canada Minor Hockey League victory over the Kemptville No. Two Panthers here on Sunday (Dec. 21).

It was the second victory in two days for the Demons who thumped the No. Two Panthers 8-3 last Friday (Dec. 19).

Brad Switch opened the game scoring from Carl Tuck at 9:20. Kemptville knotted the count at 1-1 at 4:54 and the score was tied at a goal until Kyle Dearing made it 2-1 with 0:22.

Kemptville tied it up at 2-2 at 5:43 of the third period. Carl Tuck then came through with his pair of goals and pushed the Demons on to a 4-2 victory. Aaron Levere and Brad Switch set up the winner at 3:35 and Dearing assisted on the insurance marker at 2:23.

Andrew Greaves and Tyler Johnson shared the North Dundas victory.

Kyle Dearing and Brad Switch supplied the scoring punch as the Demons tamed the No. Two Panthers 8-3. Each shooter pegged three goals and one assist.

Carl Tuck and Pat Greaves also contributed a goal and an assist to the attack. Assists went to Matt Holmes (3), Dan Lapier (2), Mitch Emon, Nick Marion and Derrick Durant.

# Dundas deflates Kingston Titans

KINGSTON — The North Dundas Pee Wee "A" Demons had a skeleton crew of 12 available for duty when they squared off against the Kingston Titans here on Dec. 15 but still managed to collect two points... thanks to a three-goal effort by Josh McLean.

Kingston opened the Upper Canada Minor Hockey League game scoring on a powerplay with 4:08 left on the first-period clock but the Demons evened things up with 2:55 left when Josh McLean scored from Terry Morrow and Nik Paas.

Justin Morozuk's unassisted shorthanded goal netted the Demons a 2-1 lead in the second period.

Kingston tied it up on a powerplay at 13:41 of the final frame only to have the visitors ram in two more goals and take control of the game.

Josh McLean counted both markers to put his team into a 4-2 lead. Nik Paas and Justin Morozuk engineered one scoring play at 12:21 while Paas and Morrow did the spade work at 9:54.

Kingston closed the gap to 4-3 6:48 before the final buzzer but couldn't get any closer. Matt Baker, on a rush with Paas and Morozuk, snapped in the fifth goal with 0:10 left on the clock to ice a 5-3 win for the Demons.

North Dundas had 33 shots on net while Adam Sylvester blocked 36 of 39 Titan shots for the win.

The rough-and tumble match drew a total of 24 penalties, including two game misconducts.

## In Memoriam

WOOD — In loving memory of a dear wife, mother and grandmother, Muriel, who passed away December 22, 1996
Days of sadness still come o'er us,
Tears in silence often flow.
For memory keeps you ever near us
Though you died one year ago.
— George, John and Kendra, Michael, Matthew and Cassandra.

SUMMERS — In loving memory of a dear wife and mother, Kathleen.
The world changes year to year
And friends from day to day,
But never will the one I loved
From memory pass away.
— Sparling and family.
39

YOUNG — In loving memory of three brothers, Wayne, Gary and Roger.
God looked upon his garden
And found an empty space,
Then He looked down upon the earth
And saw your tired face.
He put His arms around you
And lifted you to rest,
God's garden must be beautiful
For He only takes the best.
He saw the road was getting rough
And the hills were hard to climb,
He closed your weary eyes
And whispered "peace be thine".
It broke our hearts to lose you
But you did not go alone,
For part of us went with you
To God's garden, your new home.
— Sadly missed and forever remembered, Joyce and family.

YOUNG — In loving memory of a dear brother, uncle, and brother-in-law, Roger who passed away December 24, 1981.

In your kind and loving way.
Of all that life has given me,
And all that's left to do.
I will never have a greater gift,
Than the years I had with you.

# Rev. E. Hay receives human rights award

FREDERICTON (CNB) — A United Church minister from Sackville, New Brunswick, Rev. Eldon Hay, is the 1997 recipient of the Human Rights Award from the New Brunswick Human Rights Commission. The award was presented to him in Sackville by Lt.-Gov. Marilyn Trenholme Counsell at a ceremony on Wednesday, Dec. 10, which was Human Rights Day.

"The award is presented each year to a New Brunswick individual or group that has shown outstanding effort, achievement and/or leadership on a volunteer basis in the promotion of human rights and equality, and as such serves as an example to all New Brunswickers," commission chairman Constantine Passaris said.

The award was established by the Human Rights Commission in 1988 to mark the 40th anniversary of the Universal Declaration of Human Rights by the United Nations.

"It is a great pleasure to honor such an outstanding individual as Eldon Hay. He has been an outspoken advocate of gay and lesbian rights, and other social causes, for more than 30 years," Passaris said.

"Some parents say that it's nobody's business that their child is gay or lesbian, and so they don't talk about it," Hay said. "But, as long as gays, lesbians and bisexuals are harassed and oppressed, it is my business; therefore, I speak out."

Born and raised in Marvelville, Ont., Hay credits his parents and a bright and inspiring Sunday School teacher, Anne Wood, for his thirst for social justice. He was ordained as a minister of the United Church in 1957 and is currently the supervising minister for congregations in Shediac, Scotch Settlement and Lakeville.

In 1960, Hay received a Ph.D. from Glasgow University in Scotland and, from 1962 until he retired in June 1997, his career focused on the Department of Religious Studies at Mount Allison University in Sackville. The university recently awarded him a Paul ParÄ Award for excellence in teaching, research and scholarship.

From his earliest days in New Brunswick in the 1960's, Hay wrote and spoke in favor of gay rights, and his commitment intensified when he found out that one of his sons is gay. Hay organized PFLAG's first chapters in New Brunswick and he remains one of its most active organizers in the Maritimes.

"Parents, Families and Friends of Lesbians and Gays is a non-profit organization that supports gay, lesbian and bisexual persons, their families and friends, and works to enlighten public opinion and end discrimination," Hay said.

The New Brunswick Human Rights Award is an elegant wood sculpture by Lawrence Wuest of Cross Creek, N.B. It is on permanent display in the lobby of the Centennial Building in Fredericton.
