Committee requests permanent classrooms at MPS

JUDITH O'BRIEN
Leader staff

CORNWALL — The fate of students at Morrisburg Public School may be decided next month.

Ann Barkley, Chairman of the Morrisburg Parents Committee presented the views of local parents to trustees of the Stormont, Dundas and Glengarry County Board of Education April 12.

Trustees agreed to accept the report for consideration. The school facilities committee will meet May 2 and could present their recommendations to the school board as early as May 10.

Busing not considered

The problem revolves around overcrowding at Morrisburg Public School and low enrolment at Riverside Heights Public School..

MPS Principal Dick Turner has requested two additional portable classrooms to accommodate students in 1988-1989. If granted, it will bring the number of portable units in use at the school to four.

But Superintendent of Education Ken McLennan, in a meeting with parents two weeks ago, said building portable units is more costly than busing younger students to Riverside Heights.

That option, however, has parents upset. With a school located in the village parents don't feel any village children, especially the younger ones, should be bused four miles away.

In her statement to the school board, Barkley said the village has already lost 36 children to the Late French Immersion program at Iroquois Public School and doesn't want to lose anymore.

"When we looked at this problem (overcrowding) we wondered why we had it all of a sudden but it was something the board couldn't foresee," she said. 'In 1986, 37 new students registered during the first week of school."

In September 1987, 25 additional new students registered.

Barkley cautioned the overcrowding problem at MPS was one that couldn't be solved overnight. She mentioned that many of the larger classes are made up of younger children.

"It is not a problem of one year," she said. "It will continue on and on."

Projected enrolment

Projected enrolment for September 1988 at MPS shows 38 junior kindergarten students, 40 senior kindergarten students and two classes of grade 1 students, containing 22 and 21 pupils each. These three grades will require five classrooms.

As well, Barkley said older students are a vital part of school life, assisting with the hot lunch program, playground supervision and helping younger children with cumbersome winter boots and coats.

Morrisburg is a growing community said Barkley and the school will have to keep up with the demand.

"We have plenty of land rezoned industrial and our council is actively pursuing industries to our community," said Barkley. "We are a growing community and we would like to have a permanent building. Obviously that cannot be ready for September 1988 but you can bring in two portables. Hopefully you can retrieve them from within the system."

"It may have cost the area the Goodyear plant," said trustee Dale Beckstead, referring to a recent decision by the company to locate a tire manufacturing plant in Napanee instead of Morrisburg. "But from one bad thing and one good thing there are many spin-offs. We received a large amount of press and other companies are looking in this area."

Long term planning

The committee asked the school board to include building a permanent addition to MPS to their five year forecast. At present Morrisburg is not included on the list but it is revised every year.

"We've lost 36 off the top who are already bused out," said Barkley. "Please leave them together."

Pro-English group will field federal candidates

MORRISBURG — Members of the anti-bilingualism group, the National Association for English Rights have joined with several other organizations across the country to form Canada's fourth national political party.

Following two days of discussion in Ottawa last weekend amongst NAER, the New Brunswick Association of English Speaking Canadians and the Alberta-based Confederation of Regions Party, NAER has a proposed agreement to run a minimum of 25 candidates in Eastern and Northern Ontario during the next federal election.

The New Brunswick Association has a similar agreement to field 10 or more candidates in the Maritime provinces.

Running under the party name the Confederation of Regions, Morrisburg NAER President Bob Howald said his group will support the party because it has similar objectives.]

The party has 16 platform objectives among them the declaration of English as the official language of Canada and the defeat of Bill C-72, the federal government's controversial bill to strengthen the 1969 Official Languages Act.

Formed by Elmer Knutson of Edmonton in 1984, COR West fielded 55 candidates in Western ridings during the 1984 federal election. While none were elected the party garnered 65,000 votes.

"We have submitted a letter of intent to him (Knutson) to run under their banner," said Howald. "We still have to write our constitution but we hope to have the agenda for the political end of it to run candidates in the next election."

Other objectives

While language is a large part of party policy COR's list of objectives also includes allowing more free votes in Parliament and opposition to the Meech Lake Accord.

The party supports a free trade policy with all of Canada's trading partners and opposes a free trade deal negotiated solely with the United States.

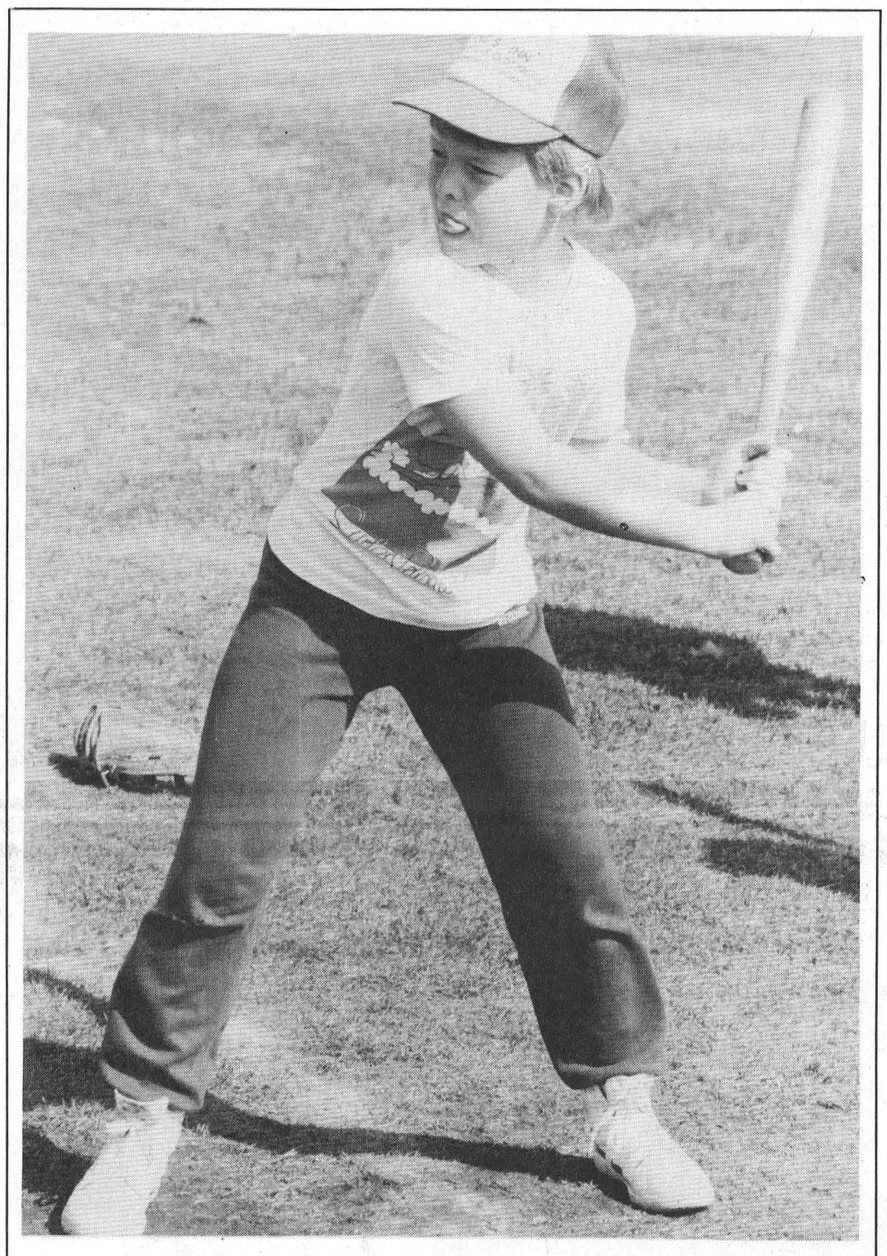
COR members intend to push for constitutional reform eliminating the "constitutional dictatorship" established by the Conservative and Liberal parties.

McGregor undecided

"We will field candidates and we will win," said Morrisburg restauranteur Gord McGregor, who ran as an independent during 1987's provincial election on an anti-bilingualism platform.

McGregor placed third behind Conservative Noble Villeneuve and Liberal Gerry Rosenquist, collecting more than 4,000 votes.

As for running as a COR candidate, McGregor said he doesn't know at this point.



Batter up
Spring is definitely here once the bats, gloves and baseballs come out, even though the weather the last few days has been deceiving. Chris Van Beilen, a grade 4 student at Morrisburg Public School participates in his favorite recess activity. —O'Brien photo

Ministry of health will fund alcohol awareness program

CORNWALL — The Ministry of Health has approved a new drug and alcohol awareness program to serve young people in Eastern Ontario.

Jean Poirier, MPP for Prescott and Russell, and John Cleary, MPP for Cornwall, made the announcement on behalf of Health Minister Elinor Caplan.

The ministry will provide annual funding of $47,683 and a one-time capital grant of $2,875 to the Eastern Ontario Health Unit which will operate the program for young people in Stormont, Dundas, Glengarry, Prescott and Russell counties.

This is one of 37 new or expanded drug and alcohol, counselling and educational programs for Ontario's young people, which have received ministry approval for funding effective April 1, 1988.

Last year, the ministry announced it would spend an additional $5.75 million annually to treat and combat drug and alcohol addiction among young people 16 to 25.

"These new support services will be specifically designed to meet the treatment, counselling and educational needs of young people," said Mrs. Caplan. "We want to make the system more responsible and accessible to young people who often have had to make use of existing adult services."

Mr. Cleary said, "Young people in Eastern Ontario will be given direct assistance with education about drugs and alcohol, the prevention of addictions, and the promotion of healthy lifestyles."

"The program will make use of public health nurses in the schools and in the community to reach the estimated 18,000 to 20,000 young people this coming year," said Mr. Poirier.

The health unit program is also planning to reach school dropouts through public service messages in the media and in work places that traditionally hire the young.

The program will encourage the formation of self-help groups in each community, designed to meet the needs and to work with existing community agencies to provide direct help for individuals with drug or alcohol problems.

The District Health Council of Eastern Ontario recommended this program.

Notices mailed

TORONTO — Enumeration notices for November's municipal elections will be mailed to every household in the province later this month.

The mailing system will replace the traditional door-to-door enumeration.

The bilingual notice will be mailed along with a postage-paid return envelope which must be returned by May 12.

The notice will also identify voters eligible to elect French-language school trustees.

As well, the enumeration process will provide population and electoral information used to determine municipal council representation and the size and make-up of school boards.

Amendments to the Municipal Election and Assessments Act calls for follow-up visits to households by enumerators if notices are not returned.

A preliminary voters list will be sent to municipal clerks by July 31.

Controversy on Sunday shopping dominates council's discussion

CATHERINE THOMPSON
Leader staff

IROQUOIS — Sunday shopping was once again the issue debated in a council meeting here last Tuesday.

The question facing council this time around was whether to declare the S & F Freshmart a shop necessary to promote tourism in the community.

James V. Lewis of S & F Freshmart, Iroquois, had written a request that he be permitted to open on Sundays, although he personally disagrees with Sunday shopping.

"The combined effect of two stores being open on Sunday during the summer and the closing of one on Saturday shifts too much business to Sunday not to ignore. The increased business that might be brought to Iroquois might pay off for the village through a slight increase in hirings and keeping the tourist over for an extra day," wrote Lewis.

Two stores already open

Perley's Clothing has been legally open on Sundays since April 10 under conditions in the Retail Business Holiday Act. The store is closed Saturday, no more than seven persons work in the store on Sunday, and the shopping area is less than 5,000 square feet.

John Ippersiel, manager of the Red and White in Iroquois, states that his store operates legally since store floor area is under 2400 square feet, and only three employees work on Sunday, including his wife and himself as co-managers.

The section exempting his store from Sunday closing is the Small Stores Exemption of the Retail Business Holidays Act.

"Small stores have to open Sundays because the competition is too strong: otherwise, money goes out of the municipality," states Ippersiel.

Request for By-law

Councillor Rick Leroy said that he was not in favour of Sunday shopping. He interpreted Lewis' letter as a request to council to declare the shop necessary to promote tourism in the community, thus permitting Sunday shopping under another section of the Act. "A municipal council may pass a by-law exempting any type of business from the closing requirement, if it is deemed necessary to maintain tourism in the area," reads the act. The municipality may impose conditions, may apply the by-law to different parts of the municipality, and to specific times of the year.

Leroy said this should be taken up with the Liberals, and should not be a municipal matter.

Councillor Joan Saver was also in favor of a day of rest, but said it was the store owner's right to make a living. Since two stores are already open, he wants to stay open to remain competitive.

However, she was also concerned what effect permitting seasonal Sunday shopping would have after the summer was over, if store owners wished to remain open in the fall.

"Although we may all disagree with Sunday shopping, our hands are tied," said Reeve Rooney. "The province has its mind made up even though the Association of Municipalities tried to change their mind, but it didn't work."

Councillor Lorraine Fader suggested that if Lewis could close off an aisle, he would meet the legal requirements for Sunday shopping, without a new by-law. Frank Rooney thought it would be a good idea to approach Lewis with this suggestion.

Student Reeve Rob Domanko, and elected student councillors from Iroquois Public and St. Cecilia's School participated in this and other lively discussions, while their parents listened.

No by-law concerning Sunday shopping will be made until a full council is present.

Opposition to Sunday shopping has brought normal business in the Ontario legislature to a standstill while NDP and Conservative members present anti-Sunday shopping petitions. This tactic may delay the presentation of the budget Wednesday.

The new legislation regarding Sunday shopping would replace the Retail Business Holidays Act, setting rules restricting Sunday shopping, but permitting regional and municipal governments to opt out.

Companion amendments to Ontario's Employment Standards Act would give some protection to retail workers who don't want to work Sundays.

Hydro investigation needed: Morrisburg resident

CATHERINE THOMPSON
Leader staff

CHESTERVILLE — A former board member of the Morrisburg Hydro Commission, Willard Steinburg called for a complete investigation of Ontario Hydro's functions and accountability, here last Wednesday at the annual meeting of the Stormont, Dundas, Glengarry and East-Grenville Liberal Association.

The resolution was unanimously passed by all members.

Steinburg recommends that not only should an investigation be conducted, but that a part, if not all, of Ontario Hydro should be sold to private enterprise, stating that Quebec Hydro operates at approximately 38 per cent lower cost than Ontario Hydro.

In a telephone interview on Friday, Steinburg cited high rates paid by Morrisburg customers as a reason for his disenchantment with the utility. Steinburg pays about $300 a month to heat his home.

"If I lived in Cornwall, I would pay 30 per cent less," he said.

Moe Jaffer, manager of the Loyalist Hotel, confirmed the high rates, citing $1,948 to supply heat and light for 31 bedroom units from February 15 to March 15, and $229 from January 18 to February 18 to heat a three bedroom duplex.

Munora Jaffer states that her employees on Carraway Crescent pay about $300 a month for their hydro.

According to an Ontario Hydro report, Morrisburg's rates are among the highest in Eastern Ontario, at $62.13 per 1,000 kilowatt hours use in non-electric heated homes. Iroquois pays $58.66.

Ashley Labelle, regional Hydro representative, states that every municipal utility rents power from Ontario Hydro at a fixed rate, as a retailer buys from a wholesaler.

Larger municipalities with their own facilities buy power at a wholesale level, Morrisburg's high rates are a special exception, because the voltage is transformed from 44,000 volts to 4100 volts, representing a unique case.

Other reasons for high rates include concentration of customers, number of lines installed and future work to be done, and other variables such as the use of a generator, diesel or water power.

"The municipal station on Fifth Street purchased in 1985 was originally owned by Ontario Hydro, and purchased by the Morrisburg Commission in 1985," said Labelle.

Previously it was leased by the Morrisburg commission at a specific facility charge of $2,226 a month or $26,712 a year. The charge was to include capital expenditure.

Because the charge was to be greatly increased, the Commission decided to purchase the station at a total cost of $91,202. Because of credits built up from rental charges, the amount was reduced to $69,000.

Morrisburg is also paying for a new hydro station to be built north of Highway 2, to take some of the load off the existing station. The commission borrows to cover the costs of the station, and this may also be reflected in Morrisburg hydro rates.

Although costs of the new station have not yet been detailed, the cost of building a new one at 1985 figures would be approximately $150,000.

A telephone interview with Norm Warner, MP for Stormont-Dundas, confirmed Steinburg's opinion.

"An investigation is needed, to determine how and who pays Hydro's debt," he said. "These hydro rates in Morrisburg seem high, and affect a lot of people. If an investigation would reduce the rates, it should be done."

At present, Ontario Hydro carries a $24 billion debt load, with total assets of $32 billion, with replacement costs of these assets at $50 billion, says Mandy Martin, assistant to Norm Manning, Hydro Corporate Relations Officer. Hydro pays for expansion of its generating stations, transformers and new equipment by borrowing on international money markets.

Eighty-three per cent of capital costs for new projects are borrowed, while the remaining 17 per cent is reflected in our rates.

A $5.7 billion debt for the Darlington nuclear facility is financed by $4.7 billion of debt, which is not yet reflected in our rates. However $1 billion of the cost is reflected in our rates, which represents 4.2 per cent of the total $24 billion debt.

"The full cost of Darlington won't be on our rates until after it starts operating," states Martin.

The salary of Robert Franklin, Chairman and President of Ontario Hydro is confidential and set by the Premier. Salaries of other top echelon staff members are also confidential. The total payroll of 24,000 regular Hydro employees, and 8,000 non-regular staff is $1.4 billion.

Village needs written guarantee

CATHERINE THOMPSON
Leader staff

IROQUOIS — Council made a resolution here last Tuesday to permit the clerk to order blue boxes for the recycling program, on receipt of a written commitment from the Ministry of the Environment.

The village had received confirmation of support from Ontario Multi Material Recycling Incorporated for the program which is to start June 2, but they were still waiting for a written guarantee of funding for the Capital and Promotion Advertising program from the Ministry of the Environment.

Blue boxes for curb-side collection are to be funded one-third by Ontario Multi-Material Recycling Incorporated, one-third by the municipality, and one-third by the Village of Iroquois.

OMMRI funding will provide $1200, or one-third of the capital costs of blue boxes, and $1600 for advertising and promotional costs. Soft drink container materials such as glass bottles and jars, metal food and beverage cans, and two-liter PET containers are included in the collection as well as newspapers.

OMMRI funding will be forwarded upon receipt of invoices for the cost of equipment. Reeve Frank Rooney said that a conversation with MOE representatives confirmed that Iroquois' application is now in the hands of the Minister of the Environment, Jim Bradley. If approved, the amount of funding will be confirmed and an answer sent to the village within a few days.

Councillor Lorraine Fader stated that council should have the Ministry commitment in writing before sending an order to purchase the boxes.

"But the purchase order of blue boxes should go in this week to ensure their arrival, since there are only two producers of blue boxes in Ontario," urged Mrs. Claire Theisjmeijer who is to work with Guy Leclair on the recycling program.

"It would be a logistical disaster, if we spend the $1600 provided by OMMRI for promotion, and the boxes aren't here when residents come to get them. It's hard enough to convince people to separate their garbage, so we don't want them to make two trips to the Civic Centre," said councillor Rick Leroy.

In other business

Council allowed Knox Presbyterian Church the use of the Civic Centre October 21, for the 1988 Synod of Quebec and Eastern Ontario, provided they adhere to hall use policy.

●

The Iroquois branch of the Royal Canadian Legion will be permitted the use of two ball diamonds and facilities at the John Haldane Park, for their annual ball tournament July 15 to 17, 1988.

●

The Morrisburg Curling Club's request for assistance with renovations will be kindly refused on the grounds that council might be asked to assist other Morrisburg sports clubs.

●

A request by the Iroquois-Matilda Cancer Society for financial assistance to meet their goal in this area was refused because council gives the society the use of the civic centre at no charge.

The War Amputations of Canada presents:

THE NAKISKA KIDS

Champ Chris Koch with War Amps Chief Executive Officer Cliff Chadderton and Karl Hilzinger, double-leg amputee and well-known as the "silver-suited" skier in our T.V. messages.

In a new film called *The Nakiska Kids*, 17 members of The War Amps Child Amputee (CHAMP) Program challenge the slopes of Nakiska – site for the alpine events at the 1988 Winter Olympics.

Chris, born missing his arms and legs, has always wanted to ski like Karl. At Nakiska his dream comes true, thanks to your support of the CHAMP Program.

The Nakiska Kids is available on loan, free of charge, by contacting the address below:

National Citizenship Week

From April 17 to 23, 1988, Canadians from coast to coast will be participating in National Citizenship Week — a celebration of our citizenship, and of what it means to be a Canadian.

Although in law, Canadian citizenship has existed only since 1947, the spirit that gives Canadians their special identity has lived since the earliest days of Confederation. Equality, diversity and community are the essential ingredients of that spirit, and the basic principles of Canadian society.

Whatever our heritage, wherever we live, we share a common vision that Canada is a compassionate and vital nation — a place where equality is an integral part of our society. Every Canadian should have the same opportunities to participate in Canadian life, and every Canadian should accept the same responsibility to speak up and make his or her opinions known.

Canadian citizens are all equal under the law. Canadians by birth and by choice can claim the same access to the social, cultural, legal and economic benefits available in Canada. At the same time, every Canadian has an equal responsibility and obligation to contribute to our society by participating in the way of life that has given Canada its special character.

Equality does not simply happen. It exists because Canadians have worked to make it happen. We can't rest on the laurels of those who have made Canada the great nation it is today. We must continue to participate and to contribute to that greatness.

Acceptance of differences is central to Canadian life. The Fathers of Confederation acknowledged Canada's diversity in geography, language, religion and in traditions. The Canada of today is a thriving multicultural society. People from many different origins, cultures and backgrounds call Canada home. This diversity gives Canada a fresh and vital wealth of skills, experience and knowledge that enriches all aspects of our national society. By living together, and working together we can learn to understand and appreciate the whole of the Canadian experience that we all share.

At the very heart of Canadian society — in our schools and neighborhoods, in business and politics and the arts — is a sense of community. Canadians take pride in their communities, in their clean, safe towns and cities and friendly neighborhoods. We try to help those in need, and support international efforts for human rights, freedom and justice.

Our sense of community is part of the Canadian tradition of joining hands with our neighbors to work for our community life and for Canada. Let's be proud of our community, of our modest little part of a great nation.

National Citizenship Week is a time to read about and think about, and to speak up about our citizenship, and our rights and responsibilities as Canadians. It is a time to be proud of our contributions and achievements as members of the Canadian community.

Summer Safety Campaign

Every year, about one in fifteen Canadians is injured accidentally in the home environment and requires professional medical attention. In addition, says the Canada Safety Council, approximately two thousand people die each year from accidents in the home environment.

The Council, which sponsors the Summer Safety Campaign during the first week of May, says that summertime carries with it the inherent risk of injury, as repair, maintenance and construction work is done around the home.

When tackling such projects, you should always get help with heavy loads. Don't risk a back injury — it could affect the remainder of your life.

When using a lawn mower, push, don't pull! The machine should not be lifted nor even tipped while running. Stop it when it is unattended, even for a moment. Shut off and disconnect the power before attempting to unclog the machine, or when moving it from one level to another. On steep slopes, operate from side to side. Vertical operation can spell trouble, because you can slip down into the machine, or it can slide down on you. Keep bystanders out of the work area, and never allow youngsters to operate the mower. Always wear safety footwear.

Inspect ladders before use, to make sure they are in safe condition. A straight ladder should be one foot out from the wall for every four feet up the wall. When working from a ladder, don't overreach; and never, never use a ladder or ladders on the job which calls for safety scaffolding.

The War Amputations of Canada presents:

This Week In Morrisburg's History

Compiled from The Leader's fyles
by Bonnie McNairn

1978

The April 19th, 1978 issue of The Leader reported the Morrisburg Junior B Lions were on the road to the Ottawa District Junior B Hockey League championship with an 8-6 win over the Richmond Royals in game one of the best-of-seven final series. Scoring for the Lions were Leo Lafortune and Jim Whelan, with two goals each, and Mike Morin, Mark Beaupre, Mark Payment, Bob McNairn with singles. Perry Elderbroom was between the Lions' pipes.

The Morrisburg Legion was gearing for expansion and it was hoped that by the end of 1978 substantial steps would have been taken toward the erection of a new building. The Morrisburg Legion Branch 48 was one of the oldest organized members of the Canadian Legion in Ontario. It received its charter in March of 1939 and since had experienced considerable growing pains. It had moved with the St. Lawrence Seaway to its location on Colin Street. Prior to the Seaway, members met in the hall above the Bradfield Hardware Block and with the move to Colin Street they settled in the old Morrisburg Public School.

Bill Tupper was presented the past president's award at the Morrisburg Minor Hockey banquet.

The Wintario Draw was to be held in Morrisburg just prior to the opening of Old Home Week.

Adrian Gadbois, Reeve of Charlottenburgh Township, had thrown his hat into the ring for nomination to combat incumbent Ed Lumley in the rumoured coming Federal election. Mr. Gadbois felt that he and his party had the policy to, not only upset the Trudeau government, but to bring the country to economic stability.

1968

Pictured on the front page of the April 26th, 1968 issue of The Leader was the new St. Mary's Catholic Parish on Meikle Street which was rapidly approaching completion. The church and rectory was designed by T.V. Murray of Ottawa and was being built by Paul D'Aoust Construction Ltd. It was listed in the trade Magazine "Canadian Architect" among the 50 best designed buildings in Canada.

Introduced in the Meet Your OPP column was Constable Fred. J. Langlotz who was born in Eastview, Ontario. He was appointed to the OPP in 1966 and had recently been posted to Morrisburg.

At the Dominion five, 11-ounce bottles of Alymer ketchup cost $1 and California lettuce was two heads for 39 cents.

Construction was to begin in June on the new Cardinal and District Community Centre. The $180,000 artificial ice arena was to be constructed on the east side of Queen Street on the site of the village race track.

1938

The April 29th, 1938 issue of The Leader reported an inquest had been ordered into the death of 14-year-old Eric Stata of Chesterville who had been fatally injured when he and a companion were playing a game of cops and robbers with loaded rifles.

A large crowd was present for the reception given for Mr. and Mrs. Ralph Casselman in honor of their recent marriage.

At Beckstead and Rae, Niblets corn was 14 cents a tin and chocolate drops were 15 cents a pound.

1928

The April 27th, 1928 issue of The Leader announced that among those receiving their diplomas at the graduating exercise at the Ottawa Civic Hospital were Mabel Pearl Casselman of Williamsburg and Marion Edith Lavis and Mary Evelyn Lucy Marsh both of Morrisburg.

W.H. Fetterly and Co. had a 1927 Buick Sedan for sale for $1,350.

Floyd Fisher Real Estate had a four bedroom home facing the park listed for sale for $25,000. It had a modern kitchen with plenty of cupboards, a double living room with fireplace, a dining room, a closed-in porch, a patio and a garage.

1958

The April 25, 1958 issue of The Leader announced that the Hon. Frederick M. Cass had been appointed as Minister of Highways for the Province of Ontario.

The Morrisburg War Memorial, the last remaining structure on the old Morrisburg Main Street, and affixed there since 1923, had been moved to the new Civic Centre. When taken off the foundation, a large glass bottle was found containing a card stating the contents had been arranged and sealed by J.H. Meikle. The bottle also contained four coins, the honor roll with the names of those who had made the supreme sacrifice, the names of those who had served overseas, a list of subscriptions to the monument fund, a copy of The Morrisburg Leader dated August 23, 1918 and two copies of illustrated magazines, with pictures and accounts of the towns and villages of the United Counties. When the monument was re-erected on its new site, the records were to be again placed at its base.

1948

The April 23rd, 1948 issue of The Leader reported Comrad Gordon Smith had been elected president of the Morrisburg Branch of the Royal Canadian Legion.

Morrisburg sailors were leaving to join their ships which had begun moving due to the availability of more coal. The "Red Cloud" had eight members of her crew from Morrisburg and District including Doug Watt, Basil Jarvis, Percy Reid, Malcolm Serviss, Ed Mullin, Dick Hutt and Gerald Allen. Evelyn VanAllen of Morrisburg was second cook.

the Kitchen Garden

V.A. Hughes

The basement is such a lovely place (heavy sarcasm). The light bulbs cast strange shadows and you bump your head on every second beam, but these days we hurry down eagerly every morning, because the seeds are sprouting.

We have set up the three-tiered plant stand at the far end of the basement and once the dogs have been let out and the coffee is perking we head downstairs to check the plants. The sweet scent of green things growing hits us halfway down the room, and we smile good morning to the young plants.

In addition to the trays of seedlings, we have eight pots of Geranium cuttings and six yellow Marguerites. Every day there is some thing that needs to be done, pinching, repotting, watering, misting and a constant watch for creepy crawlies...

Someone coming into the store the other day was complaining about Tomato seedlings getting leggy. We passed on the techniques that we've been using the last four years which involves shaking the trays every morning. It gives the plants a jolt and they concentrate on keeping things together instead of stretching for the rooftops.

Moving plants up in pot size as they grow is another welcome chore. The Marguerites are due to be shifted up as they've outgrown their little plastic packs. A suggestion in Sunset magazine for people thinking of planting the large tubs — keep the plants in individual pots within the barrel.

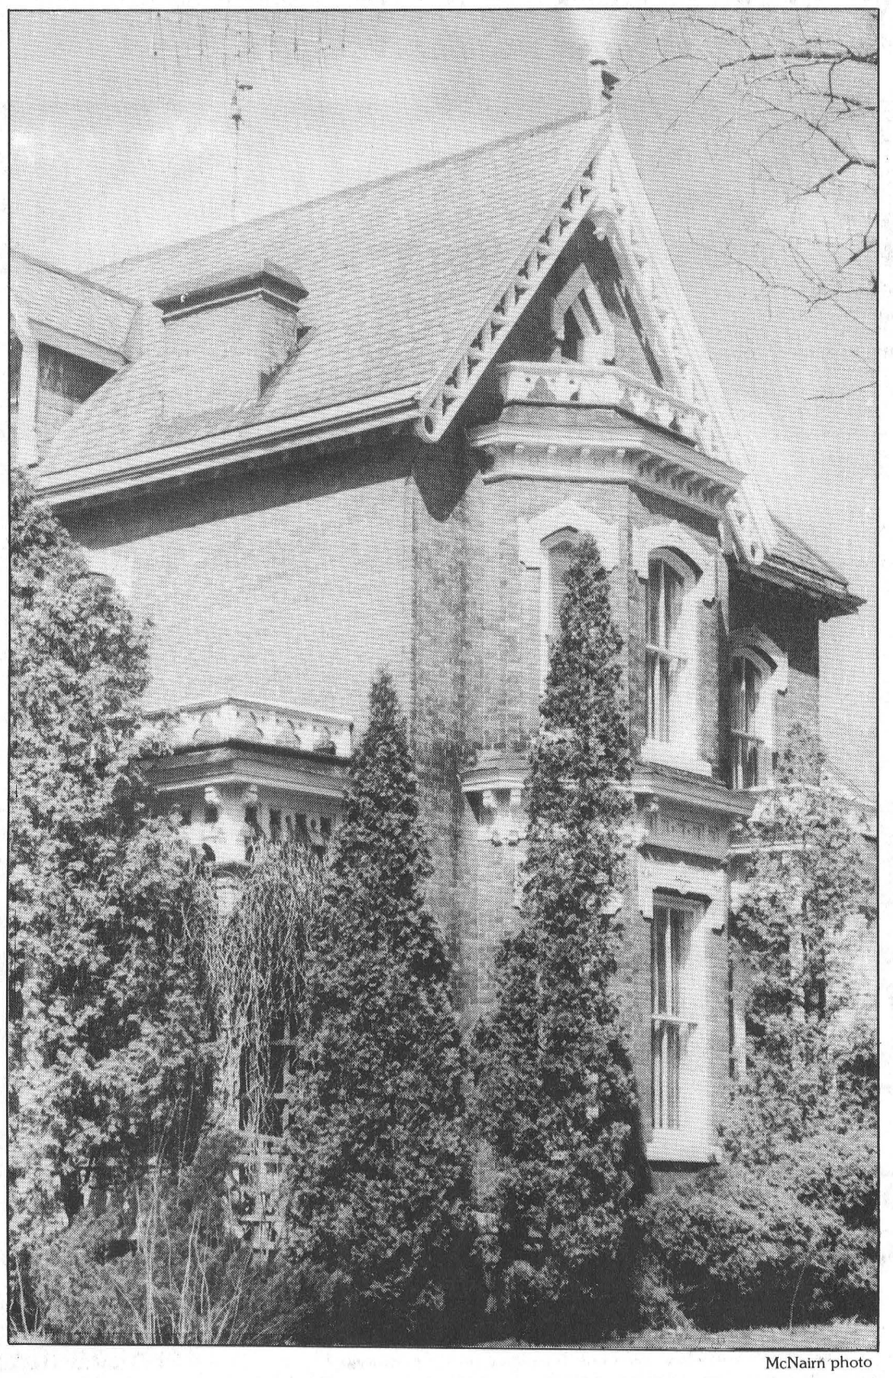
Example: Set six pots of petunias in the large tub, moving the plants to larger pots as they fill out. You will have better blooms as the plant roots aren't using all their energy trying to fill the barrel.

Don't use those warm sunny days to work in the garden unless your soil is well drained. Compacted wet soil cannot be undone. A heavy clay soil will suffer more from this type of abuse than a sandy soil. But more about soils next week.

If you can't stay inside and you have a bed that has drained, you can sow Peas and early Lettuces. The latter should have some protection if the temperature drops. A sheet of ripple fibreglass will bend into a suitable cover. We have Onions out, the Thyme looks like it never saw the snow and the Chives and Lovage are showing colour.

The Crocuses by the front door have been a real treat. These are the small species Crocus (semi-wild) and we always forget about them because we didn't plant them — they were planted in the fall of '87 by our favorite gardener...We had a bulletin from him the other day to say that his Tomato seedlings are doing well, 73 of them.

When we asked why so many? He replied that some will go in the garden, others to the neighbors, the librarian, etc. We like gardeners, they share.



McNairn photo

Tree Talk

Your plantation needs you!

To those of you who do not yet have tree plantations, this cry may fall on deaf ears. To those of you who do have trees, this cry should rally you to action.

Remember those trees that you planted (or had planted)? Have you been back to see them lately? Although trees will grow on their own, any attention that you can give them will help them grow that much better.

Now is the time of year that you should be out amongst your trees. Things to look for, aside from their new growth shoots, may include insects and insect damage, disease and related damage, rodent damage and weed competition.

If you discover an insect or disease problem and you are not sure of what it is or how to control it, call your local Ministry of Natural Resources office. They have trained professionals on staff who will help you to identify your problem. They will also offer appropriate and effective control measures.

Sometimes you may only discover that you have had an insect or disease problem by the damage left behind. In most cases this damage will result in a slight disfiguring of some trees. These damaged areas of individual trees can easily be removed by using a pair of small, sharp garden shears.

MNR staff can advise you on how to conduct this selective pruning. Care must be taken not to damage the remaining, healthy branches of the tree. Care must also be taken to avoid injuring yourself. Your equipment should be well maintained — sharpened and oiled regularly. It should also be disinfected after cutting diseased material, in order to prevent the spread of disease to other trees.

Summer is a great time to be outdoors. A great way to spend a nice, sunny day is to get out in the fresh air and enjoy your trees. So, get out and enjoy the outdoors and remember — your plantation needs you!

This article has been prepared by the Private Land Forestry Staff at the Ministry of Natural Resources, Cornwall Office. Contact the MNR office nearest you for further information.

LETTERS TO THE EDITOR

Mr. Art Laurin,
The Leader,
P.O. Box 891,
Morrisburg, Ontario.
K0C 1X0

Dear Mr. Laurin:

Some time ago, I wrote to your newspaper requesting information on a Brownell family member who resided in Morrisburg many years ago. This individual was known personally to you and I do appreciate your time in going back to the 1949 records of The Morrisburg Leader and finding the obituary for me. I am hoping that your office or other readers of The Leader may have some evidence to help me in my search of the following name.

Jacob H. Brownell, son of John Brownell and Sarah Augire, was born about 1854 and died in Bowmanville, Ontario, on December 8, 1947. He married Alta M. Myers who was born about 1861 and died at Bowmanville in 1947. According to a granddaughter of Jacob Brownell who lives in Newtonville, Ontario, he had a sister living in Morrisburg by the name of Jane. This granddaughter does not know whether Jane Brownell was married or not. She does know that Jacob's sons, Charlie, Fenton and Bert, were killed in World War I and that their names are on the cenotaph at Coe Hill, Ontario.

Perhaps some of your readers may remember a former resident of Morrisburg with the maiden name of Jane Brownell. Perhaps someone in the village may be a descendent of this lady or may have had a cousin or great-uncle by the name of Jacob Brownell. If so, I would appreciate hearing from you. The fact that Jacob H. Brownell was married to Alta M. Myers also leads me to believe that Jacob Brownell was in the Morrisburg area in his early years. I do believe that the Myers name is an early Williamsburg Township family.

Any assistance given to this inquiry would be greatly appreciated.

Sincerely,
Jim Brownell,
Box 508,
Long Sault, Ontario.

Matilda supports coalition on Sunday shopping

CATHERINE THOMPSON
Leader staff

BRINSTON — Councillors passed a resolution here Thursday to support the Coalition against Open Sunday Shopping by sending letters to M.P.P. Noble Villeneuve and to the Coalition Against Open Sunday Shopping. However, they will not support the group financially.

Some statements in a letter the group addressed the township read as follows: "We need your help in our campaign to stop Queen's Park from passing legislation that will shift the responsibility for dealing with the issues of open Sunday shopping from the province to the municipalities. We are opposed to local option because we believe that there should be a province-wide standard for a common pause day in order to protect the quality-of-life of hundreds of thousands of families. We believe that local option will have a domino effect throughout Ontario and that it will lead to wide-open Sunday shopping and the elimination of a common day for families."

Reeve Lorne Mellan said he couldn't see where the support for Sunday shopping came from, since most storeowners didn't want it, although some civil servants do.

Councillor Norm Tinkler said the issue doesn't affect Matilda Township very much. "We've always had Sunday shopping here or there."

Deputy Reeve Charles Barkley said that if nobody shopped on Sundays, it would be a non-issue, because it wouldn't be feasible to remain open and pay employees for nothing.

Council approves donation to Upper Canada Playhouse

Matilda Council approved a donation of $100 to Upper Canada Playhouse because it is a benefit to the area, drawing tourists and providing employment opportunities for young people. In addition, the municipality will receive a tax reception for the donation.

Councillor Mike Ault said $100 was a small donation, but better than nothing. If the playhouse can show it has community support, it will be easier to obtain government assistance.

A by-law was finally passed for construction of the Douma Drain which received first reading on November 27, 1986. The bid of Frank Ault Excavation for $21,160 was accepted as the lowest bid. Lowest tenders for maintenance on the Mitchell Drain were also accepted from the same company.

An on-site meeting with Drain Superintendent John Stidwell will be arranged to see if maintenance should be performed on the Ault-Scott Drain, Lot 31, Concession 5. One tile drain was plugged, and owner Donald Heusser thought it would keep them off the land.

A petition for a new drain, sent April 11 by Nancy Jollota, Robert O'Neill, Brain Markell, and Bert Smail, will be forwarded to John Stidwell to determine sufficiency.

Liberal association holds annual meeting

CHESTERVILLE — The Stormont, Dundas, Glengarry and East-Grenville Liberal Association elected Cathy Brunton of Kemptville as their new president here last Wednesday.

Although new to the executive, Brunton has been with the Liberal Association for about 20 years. Last summer she ran the election campaign in East-Grenville helping her party to a narrow win.

With the support of her vice-presidents, she hopes to get the association organized this year.

Other executive members for 1988 are as follows: Jean-Paul Touchette, Mayor of Alexandria — Executive Vice-President; Leona McIntosh — Vice-President for Dundas; Gwen Morris — Vice-President for Glengarry; Mike Viau of Cardinal — Vice-President for East Grenville; Sharon Duprau — Vice-President for Stormont; Connie Guy — Secretary; Darquise Piche — Treasurer; Bruce Myers — President of Young Liberals.

There are 479 members in the Stormont, Dundas, Glengarry and East-Grenville Association and Bruce Myers, says it is the only young politicial club in the riding.

They comprise about 12 members, age 13 to 26. Chantal Mitchell age 19, is the Vice-President of the group — both are Glengarry High School students.

Resolution to fund youth delegates

A resolution was passed to contribute $150 apiece to the youth delegates for their expenses at the annual meeting. Any further expenses may be claimed as tax credits.

At present, the bank balance of the association stands at $1,729.94. Most outstanding accounts have been paid except for signs and materials sent from the provincial party.

Ralph Raina brought a motion that the government should investigate ways of selling produce and crafts at service centres for all limited access highways such as Highway 401. Raina claimed that in Quebec, produce is available on the highways, and it should be in Ontario.

Nominations for delegates to the annual provincial meeting of the Liberal Party held in Ottawa, May 6 are as follows: John McAllister, Lois Rosenquist, Gwen Morris, Cathy Brunton, Connie Guy, Landon McInnis, Mike Viau, Christopher McIntosh, Bob Lamb, Guy Deschaine, Ralph Raina, Leona McIntosh, and youth delegates Cathy Graves, Bruce Myers, and Chantal Mitchell, and Christopher McIntosh.

Liberal Association Executive

The Stormont, Dundas, Glengarry and East Grenville Liberal Association chose members for the executive who will hold office for a year. From left to right at the back, Bruce Myers, Leona McIntosh, Sharon Duprau, Gwen Morris, and Mike Viau. At front are Darquise Piche, Catherine Brunton and Connie Guy. —Thompson photo

15 Students will reach the Summit
Write your own ticket to Toronto

Fifteen young Canadians will win an all-expense paid trip to the Toronto Economic Summit, June 19-21, as officially accredited reporter-observers. The Government of Canada wants to encourage the active participation of Canadian youth in this major international event which will be hosted by Prime Minister Brian Mulroney, and attended by the leaders of the United States of America, United Kingdom, France, Federal Republic of Germany, Italy, Japan, and the European Economic Community.

To enter this competition simply write a short editorial on the topic "A Key Issue for Canada at the Economic Summit." The issue selected should relate to Canada in the world economy or to social and other factors that directly affect our economic performance.

A video and an information kit are being sent to your high school (or CEGEP) and should be there by April 18. Ask your teacher or principal for details, or call 1-800-267-0829 for further information.

Competition rules:
Entries in English or French. Length up to 500 words. Double spaced. Typed or legibly written. Open to full-time high school (including CEGEP in Quebec) students age 19 or under on December 31, 1988. A panel of experts will judge entries for clarity, style, strength of argument and originality. Competition entries must be received in Ottawa by **May 12, 1988.** Entries cannot be returned. Winning entries may be adapted, translated, reproduced, and made public.

Send entries to:

IN MEMORIAM

TYO — In loving memory of a dear grandma and great grandma, Mary C. Tyo who passed away April 20, 1985.
Always so loving, thoughtful and kind
Few on this earth, her equal we find,
Honorable and upright in all her ways.
Loyal and true to the end of her day.
God knew that she was suffering.
That the hills were hard to climb
So he closed her weary eyelids and whispered peace be thine.
So please God just take a message
To grandma in heaven above
Tell her how much we miss her.
And give her all our love.
sadly missed and always loved grandchildren, Cairlyn, Doreen, Brenda, Raymond, Gordie Richmire; great grandchildren Sydney, Loretta and Jamie
16pd

TYO — In loving memory of a dear mother, Mary C. Tyo who passed away April 20, 1985.
Each morning when I awake and know you are gone,
No one knows the heartache as I try to carry on.
My heart still aches in sadness
A secret tear will flow,
What it meant to lose you mom
No one will ever know.
My thoughts are always with you,
Your place no one can fill
In life I loved you dearly.
In death I love you still.
They said that time heals everything,
But that is not so.
Because it hurts as much today
As it did three years ago.
Our family chain is broken
and nothing seems the same.
But as God calls us one by one
The chain will link again
I only have your memory to remember my whole life through.
Sadly missed and always loved by daughter Margaret and son-in-law Darcey Richmire
16pd

MURRAY — In loving memory of a dear husband, father and grandfather Joe, who passed away April 25, 1984.
He is gone but not forgotten,
And as dawn another year,
In our lonely hours of thinking,
Thoughts of him are always near,
Days of sadness will come o'er us
Many think the wound is healed
But they little know the sorrow
That lies within the heart concealed.
Lovingly remembered by wife Clara, family and grandchildren
16pd

RICHMIRE — In loving memory of a dear grandma Hazel, who passed away June 5, 1975 and Ervin who passed away February 11, 1972.
I cannot forget their smiling face
Their carefree happy ways
Their smile that won so many friends
In those bygone happy days
If all the world was mine to give
I'd give it, yes, and more
Just to see their faces
Come smiling through our door.
Lovingly remembered by grandchildren, Gordie, Doreen and Brenda

Report from Ottawa...

Norm Warner

The Government would like to see more customer involvement in the regulation of post office rates and services.

Federal Minister of Consumer and Corporate Affairs, Hon. Harvie Andre, has asked for a third-party review of Canada Post.

"As Canada Post matures and mail volumes grow," the Minister said, "it must be more responsive to its customers, with a more open system of regulatory control. On that, many customers will agree. The question is, what form of rates and services review might replace the present system?"

To help answer this question, the Minister released a discussion paper on the establishment of an independent third-party review of Canada Post to parliamentarians, major customer associations, and the news media.

"Over the next few weeks, I want to hear from postal users on the advisability of third-party review and the form it might take," Mr. Andre noted. "A true arm's length forum where Canadians' concerns about postal rates and services can be registered, heard, and dealt with responsibly would be a marked improvement in postal affairs."

The Minister has invited comments on the discussion paper, entitled "Third-party Review of Canada Post Corporation's Rates and Services".

●

April 17-23, 1988 has been designated as National Citizenship Week.

The theme of National Citizenship Week centres on pride in our Canadian citizenship.

"We have so much of which to be proud — everything from our freedoms, rights and responsibilities to our opportunities, achievements, cultures and, above all, our citizenship," said the Secretary of State.

Learning and activity material will be made available during the week to elementary and high school students as well as community groups, clubs and associations.

Prime Minister Brian Mulroney last year proclaimed the week of April 12-18 as the first National Citizenship Week; and that henceforth the week of April 17 will be celebrated annually.

The Cornwall Builders' Association dinner was held on Tuesday evening and I was pleased to speak to the members on the topic of the Canada-United States Free Trade Agreement.

Earlier in the week I met with members of Winchester's village council and Centennial Committee as they continue to plan this summer's events to mark the founding of the village.

On Wednesday an innovative educational project was launched. A luncheon marked the Partners in Education arrangement between Menard Builders of Cornwall and Tagwi Secondary School's Construction Technology Program. I am certain the project involving students and local industry will be of benefit both to the young workers and local business.

A special social event was held last weekend in Cornwall when Mr. and Mrs. Ettore D'Alessio celebrated their 70th wedding anniversary. I was pleased to join their guests in conveying my best wishes.

Seaway News

Hi everyone. Sorry I missed the news last week but I had to go to the hospital. I hope you feel guilty Missy Dowell. Well here's the news for this week. Not a lot has happened, but here goes.

This past Saturday Final Drive played for a dance at the Civic Centre. They were good, but some of the audience resembled corpses for all the enthusiasm they showed. I'm proud to say I'm one of the few that actually danced.

There will be a dance this weekend coming at the arena. Music will be provided by Eddie and the Stingrays and it will be double licenced.

The Lions Club preformed "But Why Bump Off Barnaby" with our own Mr. Mackenzie starring as Barnaby. I was told that the play was quite funny with Mr. Fairweather putting in an excellent performance as well.

Members of Seaway's band will be in Myrtle Beach for five sun-filled days and will probably come back with terrific tans and gloat over it, a complete repeat of the March Break.

There will be a track meet on Friday morning. It is intramural so everyone should join. After all, it's only a dollar an event. Friday afternoon is a half day off so we can get a head start on the weekend. And you know what that means. See you next week.

Kraft foods seeks certificate of approval from ministry

CATHERINE THOMPSON
Leader staff

CORNWALL — Kraft Foods of Ingleside will be submitting an application to the Ministry of the Environment for a Provisional Certificate of Approval within three to four weeks, describing solutions to their odour problem and waste discharges.

This general description will be followed by a detailed engineering report which will be studied by the Ministry before a formal Certificate of Approval is granted.

MOE representative Bob Helliar says that the design of the waste treatment system will be modified to shorten retention time of waste water from 40 days to a few days. "The present system will be altered to incorporate parts of a new engineering design, although it will not be entirely rebuilt."

Kraft Foods may handle the problem on their own, or they may join treatment of their waste stream with that of the Village of Ingleside. If they go with the municipality, Ministry grants may be available. "In any case, the industry must provide a solution for their own problems," said Helliar.

Kraft may reduce its discharge of suspended solids and biochemical oxygen demand from 50 parts per million to 15 parts per million, and phosphorus must be reduced to 15 parts per millions as well. "The reduction of odour is the main objective," said Helliar.

Construction on the waste treatment system is not expected to begin until next year.

Curlers on track for new roof

MORRISBURG — As was expected the main item of discussion at the annual meeting of the Morrisburg Curling Club here Tuesday night was the new roof project, but the venture took on a new slant when member Robin Lane questioned the wisdom of proceeding.

The need of a new roof for the 30-year-old structure has reached emergency proportion if the members are to curl next year, but Lane questioned the spending of thousands of dollars when the life expectancy of the building and the cost of keeping it operational are not known.

Roof report

Redge Wild, chairman of the club's roof committee reviewed the three options available for replacing the roof.

These include an identical cover at a cost of $20,000 with a two year guarantee, a membrane roof at a cost of $30,000 and a 12-15 year guarantee and a hip roof with a cost of $50,000 without architect and engineer costs which would push the figure as high as $75,000.

Fund raising moving along

The club initiated fund raising for the new roof during the winter and has successfully raised over $24,000 which includes money from membership loans, non-member loans, a replacement fund and a ticket draw.

As well letters asking for support have gone out to all businesses and industries in the area.

"Roughly every member in the club, who could donate has," said Wild. "And some members have been quite generous."

"I would say we need a minimum of $30,000 and if the Wintario grant comes in we're home free," he added.

Which way to go

Robin Lane then presented a report explaining that the villages of Morrisburg and Iroquois and the townships of Williamsburg and Matildda are in the process of setting up a joint recreation committee.

Giving her source of information as Glen Cunningham who is a Williamsburg township councillor and a member of the Morrisburg and District Lions Club she indicated that the building of a recreation complex west of Morrisburg is being considered.

She said she had been led to believe that such a facility could accommodate a curling rink.

Pointing out that she wasn't at this time pushing for a new curling club she questioned whether or not to go ahead with a major expenditure on a roof when there could be another possibility.

She said she felt the overall picture should be looked into and she moved for a feasibility study to be carried out to determine what direction the club should go.

Her report was met with mixed reactions from those who felt if there is to be curling next year the roof must be done, to those who agreed that maybe it's time to look at everything.

"I think a new club is unrealistic," said Graeme Doig a member of the executive. "Curling doesn't rate that high in this area and a new club won't bring in hordes of people.

Lane then called on real estate broker and club member John Allison for an evaluation on the value of the club's land.

Allison said the club is sitting on four lots which he would value at about $100,000. To do anything with the land though, he pointed out either a use would have to be found for the building or it would have to be removed, the lots would have to be serviced and it would probably be necessary to have a zoning change.

He agreed with Wild that this would probably drop the realized money to the club to about $75,000.

Situation unchanged

Although Lane's motion for a feasibility was passed club president Kathy Johnston did not feel it changed the immediate situation.

Deserving winner named

Village resident Ronnie Casselman was honored at the Morrisburg and District Minor Hockey Association banquet Sunday night when he was named the winner of the Earl Steinburg Memorial Trophy awarded annually to an individual for his or her contribution to minor sports in the Village of Morrisburg.

Casselman has a long-time record in both minor ball and hockey. He began coaching both in 1974 and from 74-80 he is remembered for the quality fastball clubs he turned out, two of which were provincial finalists. In 1974 he began coaching peewee hockey and eventually worked his way up through the minor system.

In 1982 he became a co-owner of the Morrisburg Junior B Lions hockey club to which he is still affiliated. He also devotes much of his time following girls' hockey and was a supporter when the team was first formed.

He was an instigator of the town fastball league which now plays out of Iroquois. A hard worker he has always been willing to contribute his time and help when called upon by an organization needing assistance.

He was deeply honored by the award and indicated his surprise to the large crowd on hand which gave him a standing ovation.

"Talk about a shocker, I've just been handed one," he said. "I really don't know what to say other then thank you, very, very much."

Above Casselman is pictured with minor hockey president Wayne Markell. —McNairn photo

Talk of recreation complex premature

MORRISBURG — Information presented by Robin Lane at the annual Morrisburg Curling Club year-end meeting here last week about a proposed recreation complex west of Morrisburg was very much premature says both Morrisburg councillor Peter McCooeye and Williamsburg township clerk Mike Waddell.

Lane said the villages of Morrisburg and Iroquois and the townships of Williamsburg and Matilda are in the process of setting up a joint recreation committee with the plan of building a recreation complex.

She reported her sources as Glen Cunningham, Williamsburg Township deputy-reeve and a member of the Morrisburg and District Lions Club.

Both Waddell and McCooeye say there has been talk of such an idea but at this stage it is no more than that...just talk. And, pointed out McCooeye, it is an idea that has been tossed around, on and off for years.

Waddell did confirm that the township does own 160 acres of land across from Coyle Drive and two years ago council decided to hold it for recreational purposes, which he pointed out, is a pretty broad statement.

Waddell said no type of joint recreation association has been formed, not that it is not hoped that some day in the future there might be.

The township, in conjunction with Matilda Township and the village of Morrisburg, has applied for an Experience 88 grant through which research will be carried out on recreation involving all of South Dundas.

"This study could provide us with some information to get started, but then it may show us that we are barking up the wrong tree and there is no need for this type of facility," said Waddell.

From informal discussions on the subject Waddell says it is clear that for such a facility to be viable for the area it is a must that it be done properly.

"We should think of a major facility that would include maybe a pool, curling rinks, ice rinks," he said. "We should look at recreation as a whole."

"But anything we are talking about now could be as far away as 10-15 years down the road," he said. "We just put a new ice plant in the arena and we know it is good for quite a few years, but we know the building won't last forever."

"The idea of a recreation complex is closer than it has ever been but we are still at square one and I really mean square one," he said.

"We have to wait for Morrisburg to clean up its act concerning recreation," said Waddell. "It took us two years to get our act cleaned up and get a recreation committee going."

"It could take Morrisburg that long as well," he added.

"We think the township land is a good site but the other three (Morrisburg, Iroquois and Matilda) might not agree," he added. "We have to get people involved and not have 10 different organizations going 10 different ways."

"It is really a dream of a lot of people," said McCooeye. "But a complex, for a lack of a better word, is definitely way down the road."

"A seed has been planted, but we're definitely not prepared to run that fast with it."

"A major facility would have to appeal to everyone," said McCooeye. "It would have to be financially viable. We can't build a white elephant."

Ontario legislature recognizes curlers

TORONTO — The following is an excerpt from the Legislative Assembly of Ontario on Tuesday, April 5 when Noble Villeneuve M.P.P. for Stormont, Dundas, Glengarry and East-Grenville praised local curlers Daryl Morrell, Scott Lane, Gord Johnston and Chris Lane for their representation of Ontario at the Canadian Pepsi Curling championship.

"I rise with a great deal of pride today. The Canadian Junior Curling Championship has just been completed in Vancouver, British Columbia, last week. I am proud to advise this Legislature that the rink representing our province was from Morrisburg, Ontario.

Four very fine young men, students at Seaway District High School in Iroquois, did this province very proudly indeed. After winning the right to represent this province in London, Ontario early in March by winning seven straight games, they represented us very credibly in Vancouver during the week of March 28 to April 2.

Although they did not win the Canadian Junior Curling Championship, they were the best junior rink in Ontario and represented us admirably.

On behalf of the Legislature, may I congratulate the following: skip Daryl Morrell, third Scott Lane, second Gord Johnston, and lead Chris Lane along with their very dedicated coach, Sid Morrell.

Gentlemen we are most proud of you. Congratulations on representing this province very well in Vancouver."

Spartans drop in hole

IROQUOIS — The Seaway Valley Spartans SC seem to like making difficult tasks even tougher in the Char-Lan Indoor Soccer League.

In the semi-finals for the league play-off championship the Spartans lost the first game 2-1 to the Glengarry Stars before storming back to win the second game 3-0 and the series 4-2. Last week in the first game of the final against the Cornwall Strikers the Spartans put themselves in a hole again when they lost 1-0.

In actual fact though the 1-0 loss may have been as good as a victory according to Spartan goalkeeper Bill Ault.

"We only had five guys tonight — no subs, to hold a team of this calibre to just one goal is a victory if even just a moral one," he said.

The Spartans had enough chances to at least tie, as both Lawrence Cayer and Ben Norgaard failed to score on penalty shots. At the other end Ault was keeping things close making big saves against Strikers Ron Martin and Henk Kuchlien.

Kuchlein had a penalty shot stopped, not just once but twice, by Ault as the referees ruled Ault had moved off his line early the first time and ordered the shot be re-taken.

The Spartans believe that once again they can score the goals needed to win in the second and final game with the return of the players missing last week.

"You have to assume that they (the Strikers) are wondering about what will happen if we have a full squad — the pressure is on them not us," said one confident Spartan this week.

Trophy winners at the Morrisburg and District Minor Hockey Association banquet Sunday night were, front l-r, Jonathan Saunders, Derek Roles and Jamie Scott. Back, Matthew Wilson, Blake Armstrong and Brad Notman. —McNairn photo

Charlie's Angels, senior girls hockey club winners were, seated l-r, Linda Magee and Amanda Mabo. Back, l-r, Allison Wheeler, Krista Casselman and Camille McInnis. —McNairn photos

The 19th hole

MORRISBURG — Well here we are, ready for another season at the Morrisburg Golf Course but the weather just doesn't seem to want to co-operate.

For the really dedicated though, the cold just doesn't seem to matter. Our guess is that Russell Cameron hasn't missed a day in weeks and he and a couple of friends even managed to play Saturday, despite the snow.

The flags went in Friday in time for the weekend and the course is actually in quite good shape. It has dried up well and the greens look good. There is a lot of winter kill on some teeoffs and they are not being used at this time.

We are happy to report that ladies club captain Barb Sheridan has lined up golf lessons for all members for the early part of the season with Don Fraser who for many years was the pro at the Cornwall Golf and Country Club.

This year Don will be busy at the Summer Heights Golf Links but is offering some time early in the season for lessons.

The cost is $12 for a 50 minute private lesson or $20 for four group lessons. The groups will consist of from six to eight golfers.

The lessons will be provided on Monday mornings and afternoons and Friday mornings, afternoons and evenings beginning May 2nd.

Anyone interested is asked to call Barb Sheridan at 543-2449 as soon as possible.

In other club news all members should have received their golf package and if not should look for it in the next day or two.

Enclosed you will find the announcement for the spring meeting on May 1st at the club as well as the proposed budget for the year.

Of special interest for the meeting this year is the result of the study conducted late last summer concerning the direction of the club.

The consultant will be on hand at the meeting to explain the results and go over all recommendations. This is one meeting all members should make a point of attending.

Riverside darts

RIVERSIDE HEIGHTS — It came down to a showdown between the Cosmics and the No Fools and Judy here Wednesday night, the former winning the Riverside Mixed Dart League playoff championship in a best-of-three match.

Both finished on top of their respective divisions with six wins to advance to the final.

In the round robin division play the Cosmics had two outs each from Karen Holmden and Lyle Beckstead and singles from Chris Casselman and Sharon Wereley.

Carl Robinson led the No Fools and Judy with three, Roger Markell had two and Judy Scott one. The fourth member of the No Fools was Guy Hart.

The Rejects finished behind the Cosmics in Division One with five wins, three from Don Lewis and two from Gayle Hart while Markell's Marvels had four. Ron Bradford and Peggy Kaddie (spare) had two each.

The No-Names picked up three wins on throws from Gary Bradford, Sarah Merkley and George Baker and the Bozos had two from Rob Casselman (spare).

The Hit and Miss followed the No Fools in division two with five wins, three from Jim Scott and singles from Keith Johnston and Charles Lewis and Kim's Cuties produced four. Kim Grey had two here and Faye Lavallie and Lloyd Smirle singles.

The Asteriks had a pair from Clem Kaddie and a single from Mary Gummeson and the Close Calls had two from Dave Robertson and a single from Betty Grey.

Top five throwers: Lyle Beckstead 145-103; Carl Robinson 138-126; Jim Scott and Sharon Wereley 120s; Karen Beckstead 117.

Another good year

Minor hockey honors achievements

MORRISBURG — Another Morrisburg and District Minor Hockey season came to a close at the Legion here Sunday night when some 25 trophies and an equal number of ESSO medallions were presented to this year's winners.

Prior to the awards presentations the large crowd enjoyed a roast beef dinner and was greeted by representatives of Morrisburg and Williamsburg Township councils.

Williamsburg township Reeve Johnny Whitteker thanked the association for allowing township residents to participate.

"It is a privilege to have a closed rink that we can play in," said Whitteker. "And when the council of Morrisburg appealed to us to help with the cost of the ice plant it was an honor and pleasure for us to give almost $24,000 to allow the athletes of the area to begin a little earlier in the fall and go a little later in the spring and to know that the plant won't break down in mid-season."

Both Whitteker and Peter McCooeye, who spoke on behalf of the village of Morrisburg, thanked the volunteers, coaches and players for all their work and time.

McCooeye also thanked the township for its donation to the ice plant.

"Without the township's support the project would not have been possible," he said.

ESSO participation

Once again members of the association were recipients of medals for most improved player, most valuable player and most sportsmanlike player and new this year were the ESSO participation awards.

These awards, in the form of certificates, were presented to all players up to the peewee levels and the senior girls team.

As well the Atom Cs, coached by Danny Rice, received a penalty free award sponsored by ESSO and supported by the Ministry of Tourism and Recreation.

Trophy winners

The awards presentations began with the Atoms Cs coached by Danny Rice with assistance from Ralph O'Brien and Fred Harper.

Jamie Scott was named the most improved player and received the Rev. Howald Trophy, Blake Armstrong, the most valuable, received the Sports Unlimited Trophy and Matthew Wilson accepted the most sportsmanlike Dale Crowder Trophy.

At the Atom B level, which was coached by Peter McCooeye who was assisted by Jim Saunders, Derek Roles received the Sports Unlimited Trophy as the best defenceman.

Jonathan Saunders received the Lloyd Whitteker Trophy for the most points in the regular season and Brad Notman the Ralph Coulthart Trophy as most improved player. Jonathan Saunders was also named most valuable and received the Jim Jordan Trophy.

The Peewee Cs most improved player was Steven Morrow who received the Parisien Beverage trophy and the Morrisburg Legion most valuable player trophy went to Darrick Casselman.

The Williamsburg Oldtimer Trophy, for the most sportsmanlike player, went to Steven Sypes.

The Peewee Cs were coached by Rick Froats who was helped out by Bill Hallam, Rick Vaughan and Tom Morrow.

The Peewee Bs, coached by Larry Coleman with assistance from Ted Smith and Blake Noon, were the next team to be honored.

Jason Armstrong received the Roy E. Merkley trophy as most improved player and Rob Domanko accepted the H. B. Duvall Trophy as most valuable player and the Dwight Tupper Trophy as top scorer.

Next up were the Bantam Cs coached by Dennis Casselman with assistance from Bill Mullin and Keith Shaver.

Awards winners here were Chris MacDonald who received the Eric's Electric Trophy as most improved player and Brian Shaver who received the St. Lawrence Medical Clinic Trophy for sportsmanship.

In calling forward Bantam B coach Bill Dillabough and his assistants Donnie Whitteker and Ernie Serviss, master of ceremonies Mike Waddell noted the Bantam Bs were one of the few teams in Morrisburg this year which made it past the first round of playoffs.

In recognition of their playoff championship Dillabough accepted, on behalf of the team, the league plaque and each member of the team was presented a pin from the Upper Canada Minor Hockey League.

Jeremy Morrow was named the Bantam Bs most valuable player and received the Beaver Dental Trophy and Dale Serviss accepted the Hill Insurance Trophy for sportsmanship.

Denis Ouellette received the Midget A coaches award from coach Dennis Casselman and his assistant Mike Waddell, and David Casselman was named the most sportsmanlike player receiving the John Cross Trophy.

Assistant coach Dale Lewis handled the presentation to the Charlie's Angels senior girls team in the absence of Donnie Mabo.

Here Allison Wheeler received the Richard Gaiser trophy as most improved player and Camille McInnis the Charlie's Sports Shop Trophy as most valuable. The Dale Crowder Trophy went to Krista Casselman for sportsmanship and the Dale Lewis Coaches Award to co-winners Linda Magee and Amanda Mabo.

To complete the evening Keith Robinson presented an appreciation award to Jack and Ruth Adlington for their assistance to the association this year and Peter McCooeye presented the Past President's plaque to Wayne Markell.

Esso medallions

MORRISBURG — Once again players of the Morrisburg and District Hockey Association were presented ESSO medallions for the categories of Most Improved Player, Most Valuable Player and Most Sportsmanlike player, at their annual year-end banquet Sunday night.

Following are the list of winners.

OPEN SUNDAYS

Taking home trophies from the Morrisburg and District Figure Skating Club awards banquet were Crystal Cassell, front, and back, l-r, Andrea Weagant, Christina Shaver and Melanie Warren. —McNairn photo

Badges and trophies presented

Figure skaters collect rewards

MORRISBURG — Sunday was the day that skaters in the Morrisburg and District Figure Skating club were recognized for their hard work and efforts put out over the season.

More than 100 badges indicating their achievements were presented at the annual year-end party at the Morrisburg Civic Building. Following a very short annual general meeting of the club, skaters and their parents enjoyed a light luncheon. They then got down to the serious business of award presentations.

Walking away with the Delage's House of Gifts trophy for the most improved pre-beginner was Crystal Cassell, and Andrea Weagant was presented the Morrisburg Figure Skate club trophy as the most improved beginner.

The Orange Lodge trophy was presented by Percy Markell to Christina Shaver as the top junior skater and the Morrisburg and District Lions Club Canfigure-skate trophy went to Melanie Warren.

For the win Crystal and Andrea earned their beginner, elementary and basic badges and Christina picked up her Novice four and Proficiency.

Melanie had an excellent year at the Canfigureskate level earning badges for figures 1-3, freeskate 1-6, dance 1-6, stroking 1-3 and precision one and two.

As well Melanie passed her pre-figure, pre-freestyle, Dutch Waltz, Canasta, Swing, Ten-fox and Fiesta at the CFSA level.

There were 60 skaters in the CanSkate program broken down into classes of four to five skaters. Those involved in the program had an exceptionally good season with a total of 74 badges being obtained.

Canskate

Earning their pre-beginner badges were Valerie Walton, Jessica Shaver, Robert Annable, James Gordon, Parker Locke, Ryan Johnston, Rebecca King, Shawntel Lepage, Natasha Tuttle, Christopher Morin, Andrea Munroe, Jordan Drennan and Charles Forest.

At the beginner level badges went to Karsha Lalande, Megan Whitteker, Sheena Crowder, Patrick Foley, Katrina Shields, Bobby Bird, Stephanie Law, Laura Baker, Kathleen McCourt, Mary Jane McCourt, James Testerink, Stephanie Chung, Leanne Casselman and Stacey Lee Shaver.

Beginner and elementary badges went to Amanda Crowder, Kimberly Shields, Ashli Shaver, Catherine O'Neill, Ashleigh St. John, Nadine Hopewell, Meaghan Moffat, Gregor Moffatt and Stacey Munroe.

Lindsay Waddell, Erin Foley, Elizabeth Brister and Lisa Lefebvre earned their elementary badges and Amy Darling her basic.

Patricia Weagant picked up her beginner, elementary and basic badges.

Jane Locke earned her Novice One and Barbie Law and Nicole Lapier their Novice One and Two. Dana Douglas received Novice One and Tanya Green Novice Three.

Shannon Brown received her Novice three and four and Proficiency and Christina Shaver her Novice four and Proficiency. Crystal Hummell completed the Canskate Program with her Proficiency badge and then moved on to Canfigureskate where she passed badges one and two in figures, free-skate, dance and precision along with badges one to three in stroking.

Crystal topped off her year with a pass in Dutch Waltz in the CFSA program.

At the Canfigureskate level Angela Bowers passed Figures one and two, Dance four, and Precision one and two and in the CFSA program she was successful in her pre-figure and Swing and Fiesta dances.

Jaime Notman earned her first figure badge, stroking one to three badges, and free skate, dance and precision badges one and two.

Leanne McNairn picked up her figures one and two, stroking three, freeskate three to six and dance two and three and at the CFSA level she passed the Dutch Waltz, Canasta and Swing dances.

New format

At the senior level of the club trophies were not awarded this year, it being felt that all of the skaters had worked hard and should all be recognized for their achievements.

Among the Senior A skaters Pam Barsi was successful at her first figure and Jr. Bronze Freestyle and Patricia Elliott at her Junior Silver Dances and Senior Bronze Freestyle.

Laurie Helmer passed the Blues dance and Terry Kennedy the Rocker. Sonita Letellier is working on Sr. Bronze Free and Sr. Bronze Dance and Vicki Marriner passed her second figure.

Josee Massie is working on her third figure and senior silver dances and free style and Michelle Meilleur on her third figure and junior silver freestyle.

Lydia Paulino passed the Viennese and Quickstep dances and Allison Scott the Paso and Kilian dances and Junior Silver Free.

Julie Strader passed the Starlight and Kilian dances and Leslie Waddell is working on her second figure and junior silver dance.

At the senior B level of skating Christen Crocker is working on her 1st figure, senior Bronze and Jr. Bronze freestyle and Tara Lynn Green passed the Swing dance and Preliminary freestyle.

Lynne Serviss passed the 14 step dance and first figure and Becky Strader her first figure and preliminary free. Julie Wells passed her first figures.

The Morrisburg Recreation Association trophy was given to all seniors as a group and accepted by Tara Lynn Green and Trisha Elliott.

New figure skate club executive

MORRISBURG — The executive for the Morrisburg and District Figure Skating Club for 1988-89 was put in place at the club's annual meeting held at the Civic Centre Sunday.

Elected as president was Sandra Scott who replaces outgoing president Gerry James. Claire Locke, who for the last several years has been in charge of the club's skating carnival, moved to the position of vice-president and Carole Warren remained for a second year as secretary.

Pat Elliott agreed to take on the treasurer's position and Carmen Massie remained as the Canadian Figure Skating Association chairman. Sheila Lapier was returned as CanSkate chairman and Marilyn Hummell replaced Ruth Barsi as CanFigureskate chairperson.

Ron and Penny Crowder will head up the club's fund raising activities and Janet Munro will organize the annual carnival. Joy Casselman will be in charge of the club's banquet and Bonnie McNairn the newsletter.

Directors elected were Sharon Whitteker, Bonnie Shaver, Barb Robertson and Debbie Shaver.

The nominating committee consisted of two club members at large, Judy Darling and Sharon Whitteker and two members of the executive, Marilyn Hummell and Pat Elliott.

Outgoing president Gerry James thanked all members of the executive for their work throughout the year with special thanks to Grace Paulino, who in six years of fund raising has brought in over $10,000, and Esther Duvall who has capably handled the club's books for the last two years.

Both retired from the executive this year.

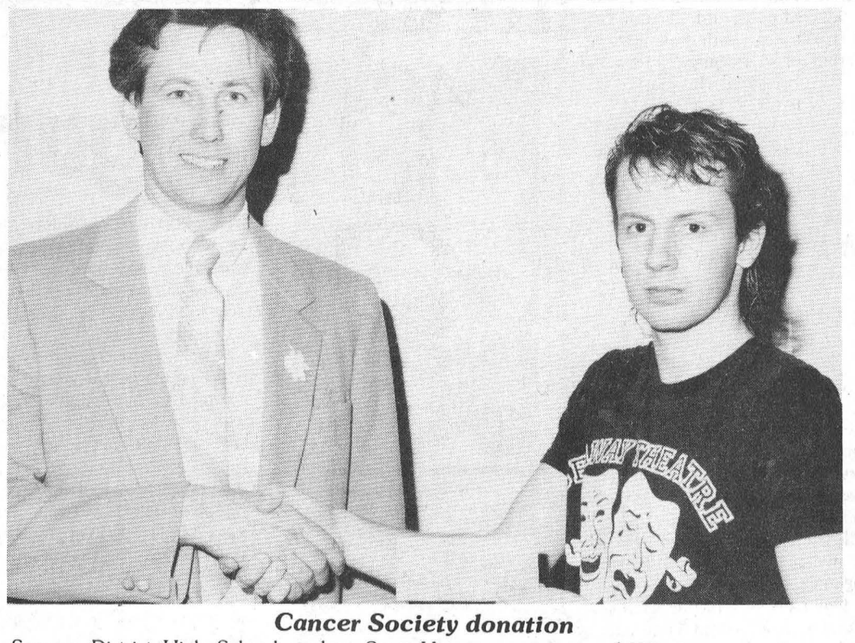
Spring sales fair held April 23 & 24

WILLIAMSTOWN — For the seventh consecutive year, the annual Spring Sales Fair will be presented this April 23 and 24 by the Glengarry Arts and Crafts Association at the Nor'Westers and Loyalist Museum in Williamstown.

This 19th century setting is ideal for displays of early arts and crafts still being practised today.

Among the crafts to be displayed at this year's show are: tole painting, pottery, woodwork, dolls of all kinds, various stuffed toys, quilting, crochet, counted cross stitch, smocking, adult and child sewing, dried flower arrangements and pictures, potpourri, basketry, caning, weaving, silk flower arrangements, stained glass, silk screening, candles and many more decorative and useful articles crafted by the 33 artisans participating in the show.

Come and browse around, you might be able to find the special gift that will make Mother happy on Mother's Day May 8. Visa and MasterCard accepted. Show hours 10 a.m. to 5 p.m. both days.



Cancer Society donation

Seaway District High School student Scott Veinotte presents a $650 cheque to Cancer Society Dundas County Campaign Chairman Don Fairweather. The money was raised through an air band competition held at the school three weeks ago. Half of the money will be put towards this year's $38,000 campaign total, with the other half going to the Maurice J. Grimes lodge.

One year probation for possessing stolen goods

MORRISBURG—Brock Anthony Picotte pleaded guilty yesterday in Provincial Court to possessing stolen property, including haircutting scissors, dress, skirt, purse, and photo album belonging to his girlfriend. The total of the items was an estimated $275.

Police found Picotte with the items in his possession April 7, in the Village of Iroquois. Defense Counsel Doug Grenkie said that there was a larger history behind the matter of an on-going, off-going matrimonial affair. "At the time of the theft, Picotte was not residing with his common-law wife, Patricia Dupperon, but he did take her belongings without her consent. However, they are now back together again."

Although Grenkie urged conditional discharge, Judge Bruce Hunter gave Picotte a year's probation and he is to report to the probation officer.

OBITUARIES

Ronald Herbert Hunter

A native of Ventnor, Ontario, and resident of R.R.3, Williamsburg for 36 years, Ronald Herbert Hunter died at Ottawa Civic Hospital on Thursday, April 7th. He was 81 years of age, and had retired some years ago from the staff of the St. Lawrence Parks Commission after 22 years of service. Following his retirement, his employers recognized his many years of service by the presentation of a plaque.

Born December 26th, 1916, he was a son of the late Frederick Miles Hunter and his wife, the former Ethel Florence Duval. He attended Morrisburg schools and on July 13th, 1940, was married at Morrisburg to Laura Jerainne Wallace, who survives.

Also surviving are four sons and four daughters: Rhonda Lepage of North Bay, Donna Seguin R.R.1, Cornwall, Gerald Hunter of Brooks, Alta., Wallace Hunter of Morrisburg, Brenda Grant of R.R.3 Williamsburg, Dennis Hunter of Morrisburg, Nora Janvier of Ottawa and Cecil Hunter of R.R.2 Ingleside; one brother Gerald Hunter of Prescott; a number of sons-in-law and daughters-in-law; 19 grandchildren and many nephews and nieces.

Friends were received at the Fairbairn Funeral Home, Morrisburg, where service was conducted on Saturday, April 9th at 10:00 a.m., with Rev. Robert Farbin, of Morrisburg Pentecostal Church officiating. Interment will be at Mount Pleasant Cemetery, Morrisburg at a later date.

Pall bearers were his four sons: Gerald, Wallace, Dennis and Cecil.

Donald M. Gray

A very wide circle of friends, particularly those involved in sports circles, learned with regret of the death of Donald M. (Don) Gray, which occurred at his home in Ingleside on Saturday, April 2nd, following an illness of nine months. Widely known in golfing circles, locally as well as in Montreal and Ottawa, he was a sales representative for more than thirty years for various golf-related products, and latterly was golf pro at Summerheights Golf Course, Cornwall. He was also part owner of the golf school at Ingleside, and was widely respected by all who knew him.

Fifty-four years of age, he had resided in Montreal and Florida prior to coming to this area. Born at Montreal, April 12th, 1933, he is survived by his wife, Ann, and children Donna (Mrs. Donald Scott), David, Tracie, Paul (Cindy), Julie and Roy; a sister Rev. Sister Helen C.N.D.; brothers Wilfred, Hubert, the late Frankie, Ernest and Gerald. He was a member of Our Lady of Grace Church, Ingleside.

Friends were received at the Brownlee Funeral Home, Ingleside, and funeral service was at Our Lady of Grace Church on Monday, April 4th at 11:00 a.m., with Rev. Father Cameron celebrating the funeral Mass. The service was followed by cremation.

Pall bearers were nephews and sons.

Margaret Ruth Shaver

Margaret Ruth Shaver passed away on Thursday, April 14th, 1988, at the Kingston General Hospital.

Born in Matilda Township, December 4th, 1915, she was a daughter of the late Alfred Alonzo Shaver and his wife, the former Jennie Flett. Until her retirement, she had been employed at Fort Frontenac in Kingston.

Predeceased by two sisters, Kathleen Shaver and Marion Campbell of Montpelier, Vt., a step sister Hilda Trickey of Brockville and a step-brother, Lloyd Robertson of Dixons Corners.

Surviving are two brothers Bertram, his wife and family, and Arnold, his wife and family. She had eleven great-nieces and nephews.

At the request of the deceased, the remains were to be cremated, with a memorial interment in the family plot at Dundela Cemetery.

Opposing groups present board with options

JUDITH O'BRIEN
Leader staff

IROQUOIS — Opposing groups of parents have appealed to the trustees of the Stormont, Dundas and Glengarry County Board of Education to solve overcrowding at Iroquois Public School.

Last Tuesday, one group led by Jill Summers requested the board make Stampville School a senior grade 7 and 8 school beginning September 1988.

Jane McAllister represented parents who oppose Stampville as a senior school and recommend phasing in of kindergarten and grade 1 and 2 students.

Summers said her group's proposal represented the views of 62 per cent of parents who responded to a recent survey conducted by her committee.

Best choice

Among their reasons for turning Stampville into a senior school, Summers said her parents' committee believes a good core French program can be established there without any stigma attached.

"It is also felt that the quality of the immersion program will improve by having only appropriate students in it," she said.

The committee felt the solution was fair to Morrisburg students who attend Late French Immersion in Iroquois since they are already bused to school and busing to Stampville wouldn't affect them.

Summers said the precedent to establish a senior school has been set by the board and mentioned Maple Ridge Senior School as an example. She said grade 7 and 8 students are very socially conscious and attending a senior school at Stampville would give them their own community.

"At the same time they would not be housed in the high school which many parents find unacceptable," she said.

Isolation

Summers said the relative isolation of the school at Stampville would enable teachers to better control alcohol and drug abuse and smoking could possibly be controlled.

There is a gym at the school which would enable students to participate in competitive sporting events, said Summers.

"By leaving the junior kindergarten to grade 6 in IPS this school will remain a community school, which is important to many," said Summers.

Opposition

The second group was opposed to moving the senior students and presented the board with their reasons why the junior students should be bused to Stampville.

McAllister said IPS has better indoor gym facilities and the multi-purpose room at Stampville is inadequate.

She said it is important for grade 8 students to be in a senior position, which would give them true leadership experience.

McAllister pointed out that senior students would have to be bused from Stampville to Seaway District High School for physical education, family studies and shop classes.

Her group was afraid the students might be forced to take all these courses in one day leaving a very heavy academic workload for the rest of the week.

She pointed out IPS students use the Iroquois Public Library to supplement their school library which would be impossible if the senior students were sent to Stampville.

By moving the senior students, McAllister said some current grade 7 students from Morrisburg, Riverside Heights or the Catholic school system would attend four different schools in four different years.

McAllister's group didn't put much emphasis on the survey conducted by the opposing committee.

"The survey was made up of too small a group of parents to be valid," she said. "And points which may have been considered were left out. Parents from Riverside Heights and Morrisburg were not surveyed."

Portables

There are currently three portable classrooms in use at IPS. Principal Brooke Leightizer estimates the school may need up to two more by September if enrolment figures do not change.

Enrolment for 1987-1988 is 230 students. It is estimated that number will increase by 15 in September.

The school board trustees did not come to any decision. Both proposals will be reviewed and an announcement could be made next month.

Volunteers needed

The Dundas chapter of the Heart and Stroke Foundation has shown its heart is in the right place this year, but growing demands mean the chapter will be expanding.

Volunteers with spare time and heart to dedicate to a worthwhile organization can contact Alan Sharkey, 448-3370 or Mary Steele 774-5053.

Police report

MORRISBURG — Traffic statistics for the week of April 10 to 16 are:

number of 12 hour licence suspensions	1
number of alcohol related criminal code traffic charges	2
number of persons charged with alcohol related criminal code offences	1
number of highway traffic act charges	151
number of highway traffic act warnings	56
number of persons charged under liquor licence act	2

RIDE statistics for the week of April 10 to 16 are:

number of vehicles checked	60
number of liquor licence act charges	1

OPP report one accident on April 11 at 1:30 p.m. in the Morrisburg Shopping Plaza parking lot.

Edward Billings of Morrisburg left his 1984 Plymouth in the parking lot. It was struck in the right rear and right front by another driver who left the scene.

The accident caused light damage to Billings' car.

Glen Ellis, 69, of Mount Royal, Quebec was involved in an accident on Hwy. 401 west of Carman Road on April 15 at 11:10 a.m.

Ellis was proceeding westbound in the driving lane when he fell asleep at the wheel and drove into the median.

He was not injured. Damage to his 1988 Saab was light.

Two Montreal area residents were involved in a two car collision on Hwy. 401 on April 16 at 8:30 a.m.

Ghevaghasan Subramaniam was proceeding westbound in his 1988 Ford when he decided to enter the Texaco Station.

A second car driven by Robert C. Mariyanayagam, 28, was following Subramaniam's vehicle. The second driver also decided to enter the service station. When he braked he lost control of his car, skidding into the Ford.

The Ford received light damage. Mariyanayagam's 1988 Nissan received moderate damage. There were no injuries.

Do You Want
Christian Education For Your Child?

There will be Registration for Kindergarten and Grade One Pupils (and for other grade), for the school year 1988-1989 at Timothy Christian School on **Wednesday, April 27, 1988** from 10 a.m. to 4 p.m. Please phone the school for an appointment. SDHS band enters music festival

IROQUOIS — The Seaway District High School Band is ready to compete against some of the best high school bands in the United States.

The 48-piece band is heading to the North American Music Festival today (Wednesday) in Myrtle Beach to compete against 1,700 other students from seven states. One other Canadian band from Sarnia will also attend the competition.

"The Americans are famous for their marching bands. There are so many ways they use bands," said band leader and SDHS music teacher Mike Nowickyj. "The competition is good for the kids. We can see how strong we are compared to the Americans. They start their band programs in elementary school and we only start in high school."

The SDHS band will take part in two competitions; the concert band portion and stage band portion.

In 1987 a smaller 40-piece contingent from SDHS won a trophy at the Virginia Beach Music Festival, with a good rating.

The five point rating system for bands range from poor, fair, good, excellent to superior.

"I didn't expect to get anything out of it, I was surprised," said Nowickyj of the trophy. "But I know what to expect now and I think I have a stronger band this year. We know what we have to do."

Nowickyj said many members of the 1987 band are returning for this competition and are much more experienced.

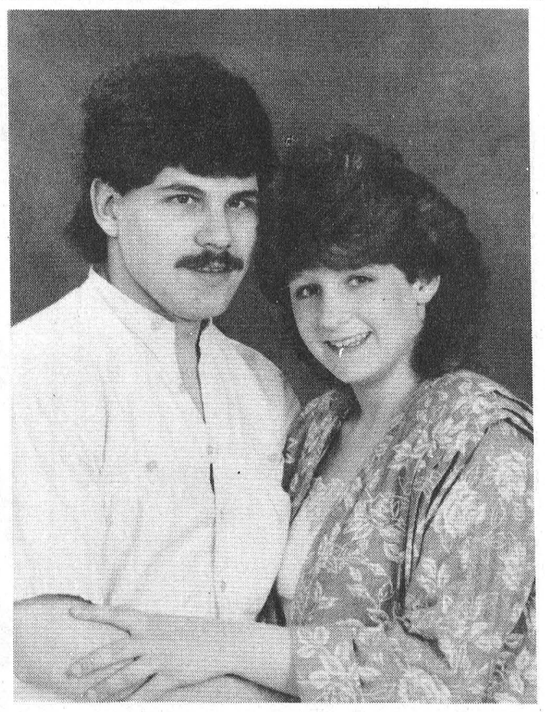
"I think we've got a chance to come out with something this time," he said. "The kids are stronger, more experienced. They know what they will be up against."

With its 48 members the SDHS band is one of the smaller bands in the competition. Many American band memberships total 150 or more.

Fund-raising

The students raised most of the money for their trip through different fund-raising ventures.

They sold oranges during the winter, organized bottle drives and held a 50-50 draw. In addition several local organizations donated to the trip fund.



Forthcoming Marriage

Mr. and Mrs. Claire Casselman are proud to announce the forthcoming marriage of their daughter Amy Casselman to Dean Cassell on May 14, 1988. Reception will be at Lakeside Inn, Ingleside. 16p

Matilda township raises fees for dog licenses

By CATHERINE THOMPSON
Leader staff

BRINSTON — With a concern that too many dogs are running wild in Matilda Township, councillors here decided last Thursday to raise dog license fees.

After much discussion on the merits and demerits of both sexes of the animal, they have decided to make the new by-law non-sexist in application.

Fees will be $10 for the first male or female dog, $5 for the first neuter, and $20 for the second male or female, and $5 for the second neuter.

Clerk Bill Horner said the old by-law didn't make sense, and some people weren't getting any licenses at all. Formerly the fees were $10 for the first male, with $3 for each additional male, and neutered males for $5. The first female cost $5, the second was $3, and a neutered female cost $5.

"We don't want to penalize a farmer for having one or two dogs, but if he has six or seven he will have to pay for it," said councillor Norm Tinkler.

Horner said there have been serious complaints about dogs running loose in the township. Two household pets have been killed by wild dogs.

Iroquois students win science awards

IROQUOIS — Several budding young scientists are attending school at Iroquois Public.

At the recent Stormont, Dundas and Glengarry Science Fair held April 9 at Cornwall, 11 IPS students won awards for their science displays.

Winning a wall display award and $10 were Andrew Thompson for his project titled acid rain, Melissa Winchester for black mice, Dinu Chande for his project on the moon, and David Millard for bottle-nosed Dolphins.

Taking home wall display awards and $5 were Travis Thompson for his comparison of hamsters and gerbils, Barbi Law for the planets, Scott Hasson for the sun, Sarah Baker for her project on flowers, Benji Cruickshank for his grab-bag grabber, Jennifer Bandford for water garden plants and Dana Summers for the Great Pyramid.

The Seaway District High School Senior Science Quiz team consisting of Grant Headrick, Karen Craig, Eric Petersma and Daryl Morrell won the Bell Canada trophy, placing second in the seniors category.]

First place went to Tagwi Secondary School.
