The reception took place at the intersection of Main and St. Lawrence Streets, after the returned boys and girls were taken for a ride in the fire trucks. Councillor Walter MacDonald orated the address of welcome, while Rev. Wallace MacKinnon offered the prayer of thanksgiving for their safe return home. There was a good crowd assembled for the brief ceremony.

SHOWER FOR W.R.E.N. VIVIAN STRADER

Mrs. Sherman Ball, Mrs. James Crummy and Mrs. Herman Strader were hostesses at a shower tendered to Mrs. Harry Strader, nee Vivian Fetterly, at the home of Mrs. Herman Strader on Wednesday, July 25th. About 50 friends of the bride were present. Little Miss Betty Jean Durant presented the bride with a bouquet of summer blooms, after which Miss Marjorie Crummy read the following address:

Dear Vivian:—Now that the congratulations and good wishes of those who were near you in Greenock, Scotland, when the big event happened, and the messages which later were sent across the ocean, are over, we want to take this opportunity to express our desire for your happiness and prosperity through the coming years.

We thought three years ago that Cupid would not be able to shoot across 3,000 miles of water to keep the love wound open, but it has been proven that distance was not too great nor time too long—"Love will find a way."

So, with Cupid on your trail, we really expected you sometime to board the good ship "Matrimony," especially since you joined the Navy. We knew that that old ship would be waiting for you in some harbour and with a "mate" on board. So we rejoice with you that you have found your mate and hope that he will soon return to build the nest for his little Wren.

We know that as you sail along, you will pass over ever-changing seas. Tempests may blow, storms may rage, but always remember that after tempest comes the calm. If you put your trust in the One who can calm the sea, He will lead you safely to the Harbour.

As you journey along we do not want you to forget your friends gathered here tonight, so we ask you to accept these gifts as tokens of remembrance.

Signed on behalf of your friends and members of St. Paul's Presbyterian Choir.

Mrs. Strader was presented with a basket of pyrex, which included a gift from St. Paul's Choir. Mrs. Strader expressed her appreciation for the gifts. The names of those present were registered in a beautiful bride's book designed by Miss Marjorie Whittaker. Following the presentation, refreshments were served.

CPL. ALBERT CRAWFORD BEREAVED OF FATHER

Mr. Matthew M. Crawford, father of Cpl. Albert Crawford, who, prior to going overseas was a member of the Bessin Egg Grading Staff, passed away suddenly on Friday last at his home, Gravel Hill. Quinney, Gravel Hill. A daughter, Bernice Crawford, died in 1927, at the age of 17 years. His wife, Miss Jennie McEwen, predeceased him January 29, 1940. He also leaves two brothers, J. W. Crawford, Gravel Hill, and W. T. Crawford, Sudbury.

Several from Winchester attended the funeral service, which was held at St. James' Presbyterian Church, Gravel Hill, on Sunday afternoon.

100 Club Street Frolic Rained Out On Monday Night

A drizzling rain, which started early Monday evening and continued on into the night, made it necessary for the local 100 Club to cancel its annual Street Dance and "Night of Fun." With the orchestra engaged, the committee decided to hold the dance in the spacious store-rooms of Lannin's Garage. The hall was hastily prepared and proved to be quite adequate to handle the crowd, which numbered about 200. A couple of games were also in operation in the hall, and both were well patronized. The bingo, as well as a couple of refreshment booths, were not in operation. Total receipts for the evening were slightly over $100.00, which will more than clear expenses.

As the Street Frolic was cancelled, it is quite possible that the Club will plan to have it later on, before the cool weather sets in. Music for the dance was provided by Duquette's Orchestra.

BAPTISTS HONOUR DR. AND MRS. J. J. McKENDRY

The local Baptist Sunday School held its annual picnic at Dr. J. J. McKendry's cottage along the St. Lawrence on Monday afternoon. Members of the congregation took advantage of the occasion to honour Dr. and Mrs. McKendry and daughter, Vivian, who are leaving town this month to reside in Ottawa. An appropriate address was read to Dr. and Mrs. McKendry by Mr. J. T. Elnaugh, while the presentation of a farewell gift was made by Mr. H. S. Carkner. The presentation to Vivian was made by Miss Ethel McConnell. A book, containing the address and names of all present, was designed and presented to the honoured family by Miss Jean Wyatt.

The afternoon was spent in games, contests, etc., and the serving of lunch.

MR. G. MacLEAN, EX-WARDEN, DIES AT FINCH

Mr. Gladstone MacLean, warden of the United Counties of Stormont, Dundas and Glengarry in 1944, died at his residence in Finch on Friday after a lengthy illness.

From his early days he had taken a keen interest in municipal affairs and politics, being reeve of Finch from 1935 to 1944, and was president of the Stormont County Progressive Conservative Association at the time of his death.

He had operated a garage and sales agency in Finch for the past 20 years. For some years he has been superintendent of St. Luke's Presbyterian Sunday School. He was a past master of Finch Masonic lodge.

In 1923 he married the former Jennie Henry, who survives him; one son, Neil, at home, and two daughters, Margaret and Carol, both at home. He has one brother, Johnston, of Ottawa, and a sister, Mrs. J. G. Camebron, of Cornwall.

The funeral was held from his late residence in Finch to St. Luke's Presbyterian Church at 2.30 p.m. on Monday. Interment was made in Finch cemetery.

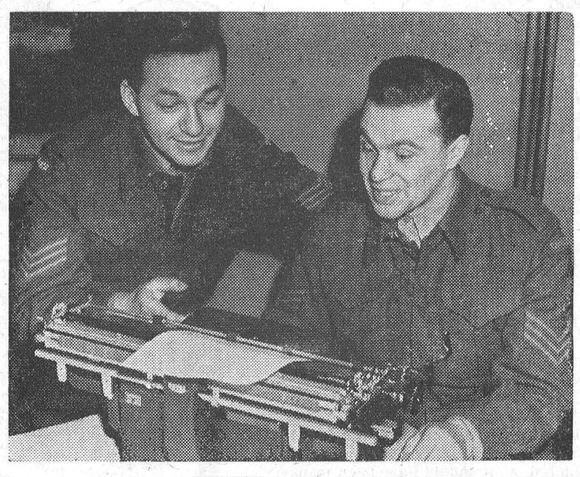
ONTARIO LIQUOR RATION MAY BE INCREASED

Ontario will have an increased liquor ration, possibly by the end of this month, as a result of repeal of the wartime alcoholic beverages order, it was announced on Tuesday by W. G. Webster, chief liquor commissioner.

The amount of the increase will be set only after a review of the rationing system has been made, he added.

"The public may rest assured the announcement of a new rationing program will be made without delay," Mr. Webster said.

He said it is possible the increase may be made by the end of the week.



SHUSTER AND WAYNE

They went overseas as army writers and comedians in 1942, are home and at it again for "The Johnny Home Show." The new serial goes on the CBC Trans-Canada network, Fridays, at 9.30 p..m.

WEDDINGS

KIRKWOOD—BOGART

The United Church, Morewood, was the scene of an interesting wedding ceremony on Tuesday afternoon, August 7th, when Miss Mabel Jean Bogart, youngest daughter of Mrs. Letitia Bogart and the late Mr. Bogart, of Morewood, was united in marriage with Mr. Ralph Weaver Kirkwood, eldest son of Mr. and Mrs. Frank Kirkwood, of Inkerman. Rev. Mr. Martineau, pastor of the church, officiated, while Miss Mabel Kenney, of Ottawa, aunt of the bride, was the soloist during the signing of the register. The ushers were Messrs. Ray Cooke and Frank Salter, of Inkerman.

Attending the bride were her sister, Mrs. Len Babcock, of Ottawa, and her cousin, Miss Erla Stienburg, of Morewood. Mr. John Kirkwood, brother of the groom, was best man.

The bride was charming in a floor-length gown of white marquissette, fashioned with long sleeves, fitted waist and full skirt. She wore a finger-tip veil and carried an arm bouquet of American Beauty Roses. Her only ornament was a string of pearls, the gift of the groom.

Mrs. Babcock, as matron of honour, was attired in a floor-length gown of pink net over taffeta, and she carried a nosegay of carnations.

Miss Stienburg, who acted as maid of honour, wore a floor-length gown of heaven-blue net over taffeta, and carried a nosegay of pink carnations.

Following the ceremony, the bridal party adjourned to Hotel Winchester where a reception was held, attended by 30 guests.

Mrs. Bogart, mother of the bride, wore a navy sheer dress with powder blue accessories and corsage of American Beauty Roses.

Mrs. Kirkwood, mother of the groom, chose a printed silk crepe dress with white and navy accessories. Her corsage was of white carnations and pansies.

Later, Mr. and Mrs. Kirkwood left by motor on a trip to Toronto and Niagara, the bride travelling in a dusty pink two-piece crepe dress, with hat and accessories to match.

On their return they will reside on the groom's farm near Inkerman.

FAWCETT—COOK

A quiet wedding took place in the United Church Manse, Iroquois, on Monday, July 30th, when Vivian Agnes Cook, youngest daughter of Mr. Allison J. Cook, Kemptville, became the bride of Orval W. Fawcett, youngest son of Mr. and Mrs. Spencer Fawcett, of Brinston. Rev. C. W. Hutton officiated.

The bride wore a street length dress of white eyelet with white accessories and carried a bouquet of American Beauty Roses.

The bridesmaid was Miss Beatrice Landry, of Merrickville, who wore a heaven blue two-piece crepe dress with white accessories and carried a bouquet of Talisman Roses.

The groom was attended by Mr. Harold Montgomery of Brinston.

Following the ceremony, the wedding party motored to Brockville and dinned at the Hotel Manitonna. The bride and groom left later for Toronto and western points by motor, and will reside at Brinston.

McINTOSH—BALDWIN

On Saturday, July 28th, the local United Church Parsonage was the scene of an interesting wedding, when Miss Olive Baldwin, daughter of Mr. and Mrs. Earl Baldwin, of Inkerman, was united in marriage with Mr. Samuel Allen McIntosh, son of Mr. and Mrs. Harvey A. McIntosh, of Matilda Township. Rev. N. J. Thomas officiated.

At a recent meeting of the Leamington Town Council, the members were somewhat surprised when Mayor Phil Fader, who is completing his sixth consecutive year in the mayor's chair, announced that he would retire from public life at the end of this year. "Very few people realize the amount of time the mayor's job takes, and it is becoming more of a headache for me every day," he said, in making the announcement.

HARVESTING THE CROPS

The urgency of harvesting all of Ontario's crops has prompted the Minister of Education to ask school children who have been working on farms to remain there throughout September in order that their help in the harvest will be utilized. This appeal is made on behalf of the late fruit and vegetable crops and is so urgent that not only are boys and girls at present engaged in farm work asked to continue throughout the next two months, but other students willing to engage in farm work are asked to work on a farm until the end of September.

At a recent meeting of agriculturists at Port Dalhousie, the harvest situation was discussed. As a result School Boards are authorized to close entire rooms or schools if the pupils are old enough to carry on harvest activities. With the great demand for foodstuffs overseas, as well as right here in Canada, it would be a shame to let any of the crop go to waste because every possible effort was not made to gather in the crops.

NEW RATION PLAN FOR CARS

The government will shortly introduce a new system for rationing trucks to civilian buyers that may provide the basis for future rationing of passenger cars, The Financial Post reports. The system will follow the present pattern of tire rationing. Permits will no longer be handled and approved through the Motor Vehicles Controller at Ottawa, but will be procurable through local W. P. T. B. ration officers on the certification of authorized truck dealers. Permits will be given to civilian users on the basis of published priority lists similar to the kind now used for tire rationing. It is expected that the new system will be ready for introduction within a month's time and will coincide with the stepup in available supply of new trucks for civilian users.

WHY HAVE DIPHTHERIA?

Smallpox, to all intents and purposes, has been eliminated from our lives, observes the Montreal Star. Vaccination, at first voluntary and subsequently compulsory, for children in nearly every civilized state, is the reason. Before vaccination, smallpox was a plague, the ravages of which killed and disfigured a countless number annually. One by one such scourges are being eliminated or cut down to some extent. Diphtheria is one of them. There is no reason, most medical authorities agree, why anyone should die today from diphtheria or, for that matter, contract the disease in the first place. Yet, so far this year, there have been eighty cases of diphtheria reported in the city's health department, and thirteen have been fatal. By means of harmless injections, provided without charge at clinics, immunization against diphtheria may be obtained as easily as immunization against smallpox. Parents who fail to arrange such immunization for their children should consider themselves guilty of criminal neglect. There are means of combatting the disease when it has been acquired, it is true, but too often the child's "sore throat" may be ignored until it is too late. Immunization is available. It is up to parents to see that full use is made of it.

EDITORIAL NOTES

The New York Times' Athens correspondent quotes an Anglo-Saxon diplomat saying bluntly to him: "The four freedoms as we understand them are unknown today in Yugoslavia." It would be interesting to learn where the four freedoms are in operation. They are, as the late President Roosevelt said, like the ten commandments, a target to aim at.

Ah, music, what foul deeds are done in thy sweet name! Perhaps we're old-fashioned and not "in the groove" but after listening for a short time to one of Canada's so-called top dance bands, we will appreciate the Friday night concerts of our own Citizens' Band that much more hereafter says the Prescott Journal.

The Family Allowance cheques are now in circulation and the employees at the local "counting house" are busy handing out the cash for these slips from the government. It's to be hoped that little Johnny or Mary gets the full benefit of this extra money instead of pa buying a new tire for the family jalopy or ma getting that new piece of furniture she has wanted for ever so long.

The ban on conventions was extended from July 20 to at least August 20 and maybe indefinitely. Figuring on this basis, the annual convention of the Canadian Weekly Newspapers Association, scheduled for September in Quebec City, has been cancelled. This is the first time since its inception twenty-six years ago that the C.W.N.A. convention has not been held. However, the officers of the Association were ready and willing to concur in any government ruling to expedite the homeward movement of Canada's overseas troops. The "ban" was imposed to relieve crowded rail and hotel conditions while servicemen were moving to demobilization centres.

ALWAYS A MOSES

When we have burdens heavy, Lord,
to bear,
And help seems far away and prayer
in vain—
Always a Moses rises, thanks to Thee,
To loose our bonds and snap each
fetter chain.
Always a Moses rises from our midst
To show the way and solve our every
need;
To lead us Lord, out of our wilderness
Out of our Egypt—a wise man indeed.

—Ruldolf Stewart.

Other Editors' Opinions

CALENDAR LIMITATIONS
(Ottawa Journal)

Every business office is painfully aware of the shortcomings of the present calendar when it comes to comparing month with month, quarter with quarter, even year with year, because there is no uniformity in periods of working days.

SHOULD BE RELEASED
(Brockville Recorder & Times)

Some of the soldiers in the military camps have so little to do that they are allowed to attend picnics and make every errand last as long as possible. At the same time private business some of it highly essential, is crying for the services of men it is unable to obtain.

THEN AND NOW!
(Almonte Gazette)

It isn't so long ago since people were glad to peddle raspberries from door to door at prices more modest than a Quaker maiden. Today, if you want raspberries you have to go to some patch, miles away, pick them yourself during hours that suit the owner, and pay salty for what you carry away.

INSURANCE AND HOUSING
(Kingston Whig-Standard)

The hope expressed by Finance Minister Ilsley that Canadian insurance companies will take advantage of federal housing legislation to speed construction of new homes will be widely echoed throughout the Dominion. Mr. Ilsley has conferred recently with representatives of the insurance companies, and it is understood the latter were favorably inclined, and are now discussing the matter with their several companies. Throughout the conference the need of low-rent housing was particularly stressed.

A PRECOCIOUS STUDENT
(Smiths Falls Record-News)

It takes the average child from seven to eight years to pass through the necessary grades in Public School in order to enter Collegiate. Toledo has a young lad who accomplished the "feat" in five years. William Walsh, 11-year-old son of Mr. and Mrs. William Walsh, Jr., of Toledo, who only attended school for the past five years passed his entrance examinations in June, although he had only been in entrance class for two weeks prior to writing the tests. This is academic "fame" of which few 11-year-old youngsters can boast.

WHAT GOOD IS SWEARING?
(Renfrew Mercury)

Too many young boys are doing too much swearing in town. Although this may perhaps seem trivial to some it is a violation of the Commandmennt and contrary to the town by-law. It is also considered a criminal offence.

These young lads do not seem to understand a reprimand (if these are given) and so must be brought before a magistrate in court. Their names are entered in criminal records; they may have started a long, but quick, way down. To prevent this is, obviously, the parents' duty.

Yet, in the last police court held here the two juveniles who were called up for this offence, were not accompanied by their parents—which is necessary. The family was either working or out of town. These boys were left alone to their own devices.

Surely parents care enough for their children to see to it that they are properly introduced to life, so that their future may be one filled with health wealth and happiness.

The taking of God's name in vain is too frequently heard here, not only by the young, but also by those of mature age.

THE RATE OF EXCHANGE
(Granby Leader-Mail)

How long the powers that be can manage to hold the United States dollar at premium of 10 per cent. is hard to say, but the strain must be getting heavy.

Actually in terms of value, the United States dollar is now a long way below the Canadian one, as anyone who has had occasion to visit the United States recently can testify.

Meat is not the only thing that Americans are flocking to Canada to buy, for practically everything is much cheaper up here, and they get a premium of ten per cent. on their money as well.

An actual example might be quoted. One article was purchased in Granby this week for 49c which is being sold in Vermont for $1.98. The better price control in Canada is largely responsible for this condition, although one storekeeper in Vermont explained it by saying that the people there are willing to pay any price for anything offered.

There seems to be little sense in retaining the rate of exchange at a figure which actually only acts as a further inducement to Americans to come up and buy articles badly needed here.

SUMMER

Summer with her lavish hands
Pours out her richest treasure,
The world in living beauty stands
With wealth that knows no measure.

We marvel at an opening rose,
Bees humming in the clover,
The fragrant scarf of golden warmth
Wreathing the landscape over.

The full bright pageant passes by
Enrapturing our vision,
Life's endless blossoming portrayed
In heavenly fields Elysian.

—Dorothy Sproule.

Any pictures we have seen of German frauleins lately make us wonder why any Allied soldier would want to fraternize with them.

Consumers are to get a token of the esteem with which they are held by the Prices Board when the meat rationing is resumed.

Just when some persons thought they had heard the last of Mr. Mitchell F. Hepburn, he turned up as the buyer of a string of Indian ponies. Perhaps the worst is yet to come.

Then peeled the bells more loud and deep:

The Wrong shall fail,
The Right prevail,
With peace on earth, good-will to men!"

BIBLE QUESTIONS ANSWERED BY THE VOICE of PROPHECY
INTERNATIONAL BIBLE BROADCASTER

Question—Is it not probable that the six days of creation were, say, a thousand or a million years long?

Answer—Adam was created on the sixth day and lived over the seventh day, and the Scripture says that "all the days that Adam lived were nine hundred and thirty years." Genesis 5:5. The theory of long time periods does not fit Adam's age.

Q.—Doesn't the Bible say that the earth is held up on the shoulders of a giant?

A.—Read it and see! In an age when others believed such things, a Bible writer proclaimed the great scientific truth that God "hangeth the earth upon nothing." Job 26:7.

Q.—What is the meaning of the word "Selah" in Psalm 55:19?

A.—"Selah" occurs seventy-one times in the Psalms and three times in Habakkuk. It is evidently a musical term meaning "pause" or "rest."

Q.—Why do people call Palestine the Holy Land?

A.—No doubt because the Bible does—in Zechariah 2:12: "And the Lord shall inherit Judah his portion in the holy land, and shall choose Jerusalem again."

Q.—What does the word "Jesus" mean?

A.—It means "Saviour." This is suggested by the words of Matthew 1:21: "And she shall bring forth a son, and thou shalt call His name JESUS: for He shall save His people from their sins."

Q.—Why does Easter come at such widely different times—from early in March to late in April?

A.—Jesus was crucified at the Passover season, which always begins on the fourteenth day of the first Jewish month (Leviticus 23:5) and falls on different days of the week from year to year. But ecclesiastical authorities in the early centuries of the Christian era decreed that Easter should always be celebrated on Sunday—the first Sunday after the first full moon after the vernal equinox. However, there is no Bible instruction for the observance of Easter. The one occurrence of the word "Easter" (Acts 12:4) in our Authorized Version of the Bible is to be deplored, as it should have been translated "Passover." The word "Easter" is not the original at all. The Revised Version has it correctly translated "Passover."

VENTNOR
(Last Week's News)

Mr. Earl Standen who spent the week-end in Kingston, returned here on Monday and is working for Mr. John Dobbie.

Mrs. Wm. A. Gamble and Mr. and Mrs. Lloyd Brown returned home from Montreal on Thursday, after being called there on Sunday, owing to the accidental drowning of Mr. and Mrs. N. F. Notter on Saturday evening.

Ventnor United Y. P. U. met on Friday evening at the home of Miss Estella Sloan.

Sunday guests of Mr. and Mrs. Wm. A. Gamble were: Mr. and Mrs. Homer Patterson, of Winchester, and Mr. and Mrs. J. M. Jackson, Margaret, Helen and Catherine, of Kemptville.

Mr. and Mrs. Notter Drowned

A very sad accident happened at Montreal on Saturday evening, July 21st. Mr. and Mrs. N. F. Notter, with a young man and young lady who were week-end guests, had gone down to the river nearby.

Mr. Notter was a great swimmer and went into the water, while the other three, who could not swim, were in the boat. The girls sat on the end of the boat with their feet in the water, and the man along the side. All went well until in some way the boat capsized and they were thrown into the water. At the call for help Mr. Notter caught his wife by the back of the neck and held her head above water. A neighbor heard the call and came out and got the other two in the boat, as he knew Mr. Notter was an excellent swimmer. But when ready to help them, they were gone—both going down together. Men worked all night and Sunday forenoon to find the bodies, but with no results. They resumed the search Monday afternoon but it was not until Tuesday morning that the bodies were found, about half a mile from where the accident happened, the bodies being just a short distance apart.

The bodies were removed to the morgue, identified, and placed in sealed caskets, and on Friday were taken to Whitby for service and burial in the family plot.

Mrs. Notter, eldest daughter of Mr. and Mrs. Wm. A. Gamble, was raised at Ventnor and had many friends. Mr. Notter, a frequent visitor at the home, was well regarded by all who knew him.

It is a very sad experience for the loved ones to pass through, but they realize that underneath are the Everlasting Arms.

It all means PEOPLE AT WORK

Laying underground cable is just one of many projects planned to improve service, and effect long-range economies. They mean *work* for thousands of people . . . *all* our present employees plus *all* those returning from war service.

AFTER FINAL VICTORY, WE'LL STILL BE Busy as Bees

War made it more essential than ever that strategic telephone channels be guarded from interruption by storm and other hazards, and work has gone steadily forward on our great triangular underground cable route between Toronto, Ottawa and Montreal.

As the supply of men and materials increases, more and more open wire will be replaced by underground cable—between London and Windsor—between Montreal and Quebec City—to East Coast points—wherever increased traffic and operating prudence demand it. New areas, too, will be brought into the Long Distance network . . . Here is still another major task ahead of us as part of our post-war construction program.

Pte. Earl Standen Honoured.

On Tuesday evening, July 30th, the members of Ventnor Red Cross and neighbours of the community met at the home of Mr. and Mrs. John Dobbie to welcome home Pte. Earl Standen. Returning after spending ten months in a German prison camp, Pte. Standen is most heartily welcomed by young and old.

The evening was spent in playing games, directed by Miss Norma Yerry, Mrs. Earl Brown and Mrs. Frank Dobbie. The guest of honour was then called forward and Mrs. John Gray addressed the gathering briefly. She recalled the place Earl had played in the community prior to his enlistment, referred to the debt we owe him and all service men everywhere, and asked him to accept a gift. He was to think of it, not as a reward, but rather as an expression of our gratitude for the service he had so nobly rendered on our behalf. Kenneth Henderson then presented Pte. Standen with a handsome dressing case containing military brushes, clothes brush and comb.

Pte. Standen replied very feelingly, voicing his appreciation for kindness shown him. Like the true soldier that he is, he claimed no credit for himself but paid tribute to those who had made the supreme sacrifice.

Lunch was served and a most enjoyable evening brought to a close.

Kitchen Shower Held.

Summer blooms were used in profusion in the rooms. During the afternoon, Mrs. G. D. Crerar and Mrs. Alex Campbell sang a duet, and a contest was enjoyed by the guests, also a mock wedding proved quite amusing. Two little girls, Marva Folkard and Linda Morris, drew a daintily decorated wagon, laden with gifts, before the bride-elect, and Miss Eileen Acres read an address of good wishes.

The shower gifts proved to be a complete kitchen set of utensils and small wares in red and white. Miss Folkard thanked her friends for their kindness.

At the tea hour Mrs. Geo. Folkard and Mrs. Wilfred Folkard presided over the tea table. Girl friends of the bride-elect assisted in serving.

HULBERT W. M. S.

The monthly meeting of the Hulbert W. M. S. was held at the church on August 1st at 2 p.m. The meeting was in charge of Mrs. Percy Ellis. Prayer was offered by Mrs. Herbert McQuaig. Psalm 23 was repeated in unison and Mrs. Percy Ellis read the Indian translation of it. The Scripture lesson was read by Miss Florence Roode, and the minutes, roll call and business attended to. Readings were given by Mrs. H. McQuaig on Temperance and by Mrs. Wm. Flegg on "Strangers' Work in Winnipeg." The meeting closed with the Mizpah Benediction.

WHAT COUNTS

It isn't the cut of the clothes that you wear,
Nor the stuff out of which they are made,
Though chosen with taste and fastidious care,
And it isn't the price that you paid;
It isn't the size of your pile in the bank,
Nor the number of acres you own,
It isn't a question of prestige or rank,
Nor of sinew, and muscle, and bone;
It isn't the servants that come at your call,
It isn't the things you possess,
Whether many or little—or nothing at all,
It's service that measures success.
It isn't a question of name, or of length
Of an ancestral pedigree,
Nor a question of mental vigor and strength,
Nor a question of social degree;
It isn't a question of city or town,
Nor a question of doctrine or creed,
It isn't a question of fame or renown,
Nor a question of valorous deed;
And he who makes somebody happy each day,
And he who gives heed to distress,
Is treading the path to which Christ showed the way,
And such service be sure God will bless.

HINTS FOR THE HOME

Grating Nutmegs.

Nutmegs will grate much easier if the start is always made from the blossom end.

Linen

To preserve the color of linen, place a few small pieces of camphor gum in the linen drawers.

Oil Spots

To remove oil spots from the floor wet the stains with ammonia, then wash with soap and warm water.

Books

To keep the books from molding, wipe the book shelves with oil of cedar.

Dyeing

Before tinting colored materials, strain the dye and the goods will color evenly.

Bathtub

The ugly black stain will disappear from the sides of the porcelain bath tub if a little kerosene on a cloth is used to wipe the tub.

The Stove

Before applying polish to the stove, rub it with a cloth dampened in vinegar and then polish. It will retain its shine longer.

Egg Stains.

Before laundering egg-stained linen, soak it in cold water. Hot water will set stains and make them difficult to remove.

Furniture Polish

To make a furniture polish mix equal parts of turpentine, spirits of wine, vinegar and linseed oil. Shake well and do not use much at a time.

Hiccoughs

An excellent remedy for hiccoughs is to put a few drops of vinegar on a lump of sugar and suck it. The hiccoughs will stop very quickly.

Sprinkling Clothes

When sprinkling clothes try using a small toy sprinkling can. Also use boiling water, which will penetrate the clothes more quickly.

Singeing Fowl

The best method to singe fowl is to pour a little wood alcohol in a saucer and light it. This method will not leave soot on the fresh.

Skin Treatment

Try using cold potatoes instead of soap to clean the hands and see if it doesn't make the skin soft and smooth.

Jam

To prevent jam or marmalade from burning or boiling over, butter the bottoms of the preserving pans before putting in the contents.

Cleaning Granite

If burnt spots are on granite, cover the spot with a teaspoonful of soda and a little water and heat to the boiling point. Then wash at once. Never scrape it with a knife.

Sweet Butter

Keep sweet butter in a covered dish instead of putting it on ice in its waxed paper. Butter picks up the taste of other things if not covered.

A Preserving Hint

When there is a large amount of fruit or vegetables to peel try binding the thumb and forefinger of the "knife hand" with a strip of thin clean gauze, and see if it doesn't prevent rough, discolored hands.

OBITUARY

LATE HERBERT J. VANALLEN

He was a friend whose heart was good
Who walked with men and understood.
His was a voice that spoke to cheer
And fell like music on the ear.
His was a smile men loved to see;
His was a hand that asked no fee
For friendliness or kindness done,
And now that he has journeyed on
His is a fame that never ends—
He leaves behind uncounted friends.

* * * *

A life designed to accomplish this epitaph closed on Monday, July 23, 1945, when Herbert J. VanAllen, of Iroquois, passed on to his eternal rest.

He was born at Vancamp in 1879, a son of the late John and Elmira VanAllen. He lived there until he moved to his present home near Iroquois one year ago.

In 1905 he married Effie M. Hamilton of Glen Stewart, and to this marriage was born one daughter, Violet, at present with the Bank of Canada in Ottawa. This wife died in 1918.

In 1922 he married Mina Merkley, daughter of the late John and Effie Merkley of Iroquois, and to this union were born four sons.

The late Mr. VanAllen was a man of sterling qualities, a kind husband and father, and among his neighbours a favour was granted before it was sought. The eulogies of these neighbours speak volumes for his life. He was a member of the United Church at Iroquois, a member of Henderson Lodge, I.O.O.F. of Mountain, and of Moonlight Chapter Order of the Eastern Star at Iroquois.

The funeral was conducted in the Iroquois United Church on Wednesday, July 25th, by his pastor, Rev. C. W. Hutton, who spoke from the 23rd Psalm: "Yea, though I walk through the valley of the shadow of death I will fear no evil, for thou art with me, thy rod and thy staff they comfort me." During the service, as a request of the deceased, the Mountain I.O.O.F. No. 315 male quartette, composed of Messrs. Allen and Clair VanAllen, Joe Hyndman and Trevor Thompson, accompanied by Mrs. Andrew Logan, rendered two fitting selections: "What Would You Do?" and "Meet Me In The Homeland." At the conclusion of this service, the funeral rites of the Masonic Order were carried out by Henderson Lodge.

The pall bearers were Messrs. Alfred Deeks, Ernest Robertson, Kenneth Guy, W. J. Stewart, B.Paed.; Basil Glover and Arthur McRobie.

The large number of floral tributes bespoke the vast circle of friends who sought to express their remembrance of a dear friend.

Left to mourn his loss are his widow, his daughter, Violet; three sons, Arnold, of Williamsburg; Graham and Myron, at home, and one brother, Willis, of Winchester. There is also one grandson, Lyle. One son, Ernest, died while young.

Interment was made in Point Iroquois cemetery.

P.O. HAROLD I. SMITH PRESUMED DEAD

In a letter dated July 18th, 1945, sent from the office of the Chief of Air Staff, Ottawa, to Mr. and Mrs. I. E. Smith, or 11542 92nd St., Edmonton Alta., their son, P.O. Harold Smith is now for official purposes presumed to have died on active service overseas, having been reported missing since May 13th, 1944.

Harold was born at Melfort, Sask., Nov. 11th, 1917. He came east to Ottawa in November, 1939, accepting a position in the Civil Service, which he held until November 1940, when he enlisted in the R.C.A.F. and received his wings at Camp Borden, Sept. 13th, 1941, arriving in England in October. In due time he was advanced to Pilot Officer. It is most lamentable that a promising career should be thus terminated.

While in Ottawa and also in training in Canada, Harold visited his aunt, Mrs. G. E. Earle, and other friends here, endearing himself to all.

Besides his parents, there are two brothers, Sgt. Cecil Smith, of Edmonton Airport, attached to the North-West Command, and L.A.C. Warren Smith, of the R.C.A.F. in Burma; also two sisters, Mrs. W. D. Mack and Mrs. J. E. Rendall, both of Edmonton. To these loved ones the sympathy of a large circle of friends is extended.

For Experience . . . Not Experiment see your Goodyear Dealer

We are getting closer to the day when new tires will be available for all. But . . . unless you are rated as an essential driver, you are still dependent on conservation of present rubber to keep your car in service. Most premature tire failure is the result of neglect . . . air pressures are not checked weekly; cuts, bruises and slow leaks are not repaired in time. The sure way to avoid trouble is to *see your Goodyear dealer regularly.*

Since tire restrictions started, thousands of Canadian motorists have learned to appreciate the full meaning of Goodyear dealer conservation service. You can rely on your Goodyear dealer. He is trained in factory-approved methods for inspecting, repairing and vulcanizing. He is guided by the experience gained by Goodyear in building millions more tires than any other tire manufacturer.

Your Goodyear dealer not only will keep your present tires in service . . . he also will advise you promptly when you become eligible for new tires. See him . . . regularly.
